Inter-Club Races Included In Active-Nereid Meet Reids To Participate In Club Events As Well

The number of races in the annual regatta of Belleville's Nereid Club, and the Active-Nereid Meet, scheduled for the Passaic river, tomorrow afternoon, has been increased to five. In order to round out the program the Nereids have arranged a series of races between the members of their own club.

Harold G. Hoffman, candidate for governor and present state motor vehicle commissioner, has donated a trophy to the winner of the Junior race, one of the five inter-club races. Other trophies will be presented to the winners of all the races, with medals to go to the individuals.

The quintet of inter-club events will include a Junior Single Gig race, a Junior Double, a Junior Quad, a Club Double and a Club Quad. The latter two events will be open to all members of both clubs, regardless of their classifications.

Howard "Red" McMaster will pull the oars for the Nereids in the Junior Single, with Bill Herkness and Harold Bade, representing the local club in the Junior Doubles. Irving Butler, Bill Herkness, Andy McMaster and Ray McConachie are the Nereid's Junior Quad men.

Bill Bennett and Les "Babe" Burnley, the local club's only two senior oarsmen, will be back together again for the first time since their sensational victory in the Harlem Regatta. The Club Double is their event.

The Club Quad will be handled by Bennett, Burnley, Howard McMaster and Gerard Rhoades.

Owing to the failure of the Active-Nereids to get together a four-oared gig crew, there will be no inter-club race in that event. However, the Nereids will hold a race of their own with the crew of Joe Whitehouse, bow; Harold Bade, No. 2; Bert Bode, No. 3; Jack Hicks, stroke; and Dick Gifford, coxswain, competing against a combination to be selected by Coach C. Leverich Brett.

Another late change lists all of the inter-club races over the half-mile course, the Active-Nereids not desiring to row over the full mile distance.

Club races will be staged in between the Active-Nereid events in both single and double gigs for medals donated by Coach Brett.

Ned Ten Eyck, present Rutgers rowing coach, will act in the capacity of referee, with several other prominent names in American oarsmanship helping to officiate.

Turns In False Alarm; Lands In Hoosgow

Those who have a penchant for turning in false fire alarms had better beware of the slouching of the Police Department officials. Since the new board took office in May five such alarms have been reported. Last Thursday night three came in and the police soon had the offender under arrest.

Several weeks ago Police Chief Michael Flynn arrested five youths on a charge of sending in five false alarms in Silver Lake and at Mill and Main streets. All were convicted by Recorder Smith and paid \$25 fines.

After the latest epidemic of false alarms, police picked up Howard Morgan of 64 Academy street after two alarms had been sounded from a box at Academy and Stephens streets. He was released when he asserted his innocence, but was followed by Patrolman Slater.

According to the officer, he nabbed Morgan just after he turned in an alarm at Washington avenue and Holmes street. Morgan was fined \$25 in police court the next morning. Police say he has been held for false alarms in the past.

The Brother-Sister Band of the Widowed, Chapter No. 5, recently organized in Newark by Rev. Edward Ellis, a retired Congregational minister of Brooklyn, N. Y., is growing rapidly. The purpose of this organization is to give a helping hand in a social way to widows, widowers and young people above the age of twenty-five years. Chapters have been organized and have large memberships in Brooklyn, Jamaica, Manhattan, Jersey City and Newark. Newark Chapter meets each Friday evening at 7:30 in the Y. W. C. A., Washington street, Newark. Plans for the Union Picnic at Riss Beach, L. I., will be completed this Friday evening, after which a social hour will follow. All friends are invited. Mrs. Olive Van Ness, 241 North Maple avenue, East Orange, is in charge of Newark Chapter and will be glad to give any information, by writing to her.

Board Bars Sales Of Rum In Stores Bottled Beer May Be Sold For \$50 Annual License Fee

The sale of liquor in any store which handles any other kind of merchandise was prohibited here by the town commission Wednesday, when an ordinance forbidding the issuance of plenary distribution licenses to grocery and delicatessen stores was adopted. Commissioner William D. Clark casting the only dissenting vote.

A new type of license, allowing stores to sell bottled beer for consumption off the premises upon payment of a \$50 annual license fee, was established. Seven stores were licensed under the new regulation.

Forty-two tavern licenses and one distribution license were issued. Commissioner George R. Gerard, director of public safety, commented on dancing in taverns and other places where liquor is sold, and announced that the police department had made a survey of conditions here, and had measured the area of dance halls.

Mr. Gerard and Town Attorney Lawrence Keenan are preparing an ordinance to license dance halls. It is proposed to bar establishments having a floor space of less than 1,000 square feet.

It was suggested that the ordinance provide that taverns must remove screens in windows at closing time, to allow the police to enforce legal closing hours.

Health Officer Tells Of Safe Vacation Sane And Economical Way To Spend Your Vacation Is Outlined

Health Officer Eugene T. Berry in a statement today urged every one to take a vacation and added a list of things not to do while on a vacation.

"It does not necessarily mean that a vacation must add undue expense to the budget," Mr. Berry's statement read, "A change can often be had in one's own home if he will plug the telephone and get far enough away from the newspapers to escape for a time at least the vagaries of the financial page."

Mr. Berry urged these precautions: "Beware of the dangers of polluted water. Investigate the safety of the milk and water supply. Try to avoid diseases from contaminated soda or soft drink glasses."

He added, "Beware of poison ivy and, if the watery blisters appear, secure medical advice at once, for the ravages of this poison may be extensive and most annoying and painful. Whether correcting that slice, perfecting the chip approach, canoeing, playing tennis, or merely rolling on the beach, guard against a too hasty application of sun. Taken intelligently and gradually, direct sun rays are of inestimable value. When first insult or tan remain if taken too rapidly."

"In swimming, be cautious and do not overload or rock the boat. It is often the strongest swimmer who gets the cramps. Keep out of water for at least an hour after meals. "Eat and, with cold beverages, drink in moderation. Lean strongly to the fruits and vegetables and pass up for the present heavy meats and heat producing desserts. One warm meal a day will aid digestion and tend to a more enjoyable existence. Remember what happened to the fellow who was sure he had the right of way. Others are joining him every day. Courtesy on the road, as elsewhere, is a virtue. Also it may save a life."

"In planning for that vacation, talk over with the family the essential safeguards which will make the rest period a joy instead of a tragedy, then play it safe."

Waters Favors Cash For Relief Workers

Resident Complains About
Concrete Pipe Left
In Wilber Street

Commenting on the strike of ERA workers here, Director Patrick A. Waters of the department of public works declared at the town commission meeting Tuesday night that he favors the payment of relief workers in cash.

"I feel that the payment of cash to the men would be the best plan," Waters said. "With cash in his pocket, a man can go in a store and buy what he needs. With food orders, persons on the relief lists are told what they can get and must buy supplies for a week at one time in one store. It is a blow at a man's self-respect to be forced to present a relief order in a store in his neighborhood."

A resident of Wilber street complained of huge concrete sewer pipes which have been left in that street. He said that the pipe sections were a menace to children playing in the neighborhood, as they might roll down hill and crush the children.

Waters told him that the town is powerless to remove the pipe, as it is part of an ERA project. He said that it would be placed in the new storm sewer as soon as the strike is settled.

Father, Son Rescue Two Girls Drowning In Passaic River

Anthony Pucillo, Local Athlete, Has Figured In
200 Rescues

While swimming in the Passaic River at the foot of Roosevelt avenue Sunday afternoon, Angelina Fantacone, 13, of 35 Roosevelt avenue, and Alba Malanga, 12, of 10 Roosevelt avenue swam out too far and were drowning when William Pucillo, 12, who was swimming nearby, seeing the girls struggling, swam to their assistance. One of the drowning girls with the other clinging to her, gripped both hands around the boy's neck, which made his attempt at rescue difficult.

Anthony Pucillo of 110 Roosevelt avenue, father of the boy, had decided to take his family to the river for a swim. His children had all entered the water and he was hesitating nearby, when he realized his son was in difficulty. He plunged into the water and succeeded in breaking the grip the girl had on his son. The boy swam to shore without any assistance, and Pucillo grabbed one girl by her wrist, but the other had disappeared from the surface. Feeling something struggling under his feet Pucillo plunged down and brought up the other girl and swam to shore with them. Both girls were badly shaken up and suffered from the effects of submersion.

The Fantacone girl, ironically enough, is a sister of Joseph Fantacone, who was drowning in a pool of acid and water in the Valley section several years ago, when Pucillo saved him from drowning. He died shortly after.

Pucillo, who is a well known athlete, claims to have figured in about 200 rescues from drowning. Recently he won acclaim by overpowering an armed bandit singlehandedly.

Drop Call Men Who Failed To Answer Fire Alarm Calls

Number Is Reduced To 20
On Recommendation Of
Fire Chief Hirdes

A check up of activities of call men in the Fire Department by Fire Chief Hirdes, acting on direction of Director of Public Safety George R. Gerard, has resulted in weeding out of thirteen members who had received \$20 a year, some of whom had not answered any fire alarms, some, seventy-five per cent and others one, two or three alarms.

The department survey had been called by Mr. Gerard. Fire Chief Hirdes declared twenty of the thirty-three call men would serve the purpose. The chief recommended the twenty men to be retained each of whom was notified by letter. Those whose services were dispensed with were also recipients of letters, telling them that on account of their record and irregular response to alarms Chief Hirdes had decided to terminate their services, which are based on yearly appointments.

The survey disclosed, Chief Hirdes reports, that in response to 58 alarms only twenty had been "on their toes" and it was his statement that twenty call men could carry on the work efficiently that the number was reduced. The call men get \$10, payable each six months for their efforts.

Following the shake-up the Chief reported a very gratifying turn-out of call men to the fire Friday morning in a laquer shed, adjoining the Federal Leather plant. Quick work by local firemen kept the blaze away from the main plant and won the commendation of Mr. Plamson, owner of the plant.

Arene Chapter, O. E. S., Holds Card Party

Group 1 of the ways and means committee of Arene Chapter, O. E. S., held a card party on Wednesday afternoon, at the home of Mrs. Annie E. Nelson, 354 Union avenue. Eight tables were in play and there were five non-players.

High scores were made by Mrs. Ethel Louer, Mrs. Mary R. Price, Mrs. Helen N. Shaw, Mrs. N. J. Atkinson and Mrs. Elizabeth De Groat in bridge; and by Mrs. Frederick Henden, Mrs. W. H. K. Davey and Mrs. Marion Krister in pinocle. Mrs. F. Georgina Edwards won the non-players' award. Mrs. Marion Jensen won the door award.

Mrs. Edwards was chairman and was assisted by Mrs. Helen Clegg, Mrs. Ellen Davis, Mrs. Elizabeth De Groat, Mrs. Gertrude Goetschius and Mrs. Marjorie Faulkner. Mrs. Edwards wishes to thank not only the members of her committee but all who helped make the affair such a success.

County Detective Finds Missing Man—In Jail

A teletype report and the keen memory of Charles Madison, fingerprint expert of the county identification bureau, solved the mystery of the disappearance of Paul Szakos of 156 Court street, Newark, last week, but the friends who reported Szakos missing will not see him for a while, because he is awaiting trial in the county jail.

Madison was at Belleville police headquarters when a teletype message reporting Szakos missing was received. He remembered that he had fingerprinted and photographed him June 2, and telephoned Newark police.

When Szakos was booked in Newark, the "a" was omitted from his name, but friends sought him under his correct name.

Belleville P. B. A. Elects

Court Clerk Richard W. Nourse was elected president of the Belleville Patrolmen's Association at the annual meeting last week. The defeated candidate was Detective John J. Flynn, who lost by a small margin. Nourse succeeds Patrolman Raymond Dengard as head of the local police union.

Other officers elected were: Vice president, Anthony Gross; financial secretary, Harry Scott; recording secretary, John Monaghan, trustees for three years, Thomas Cruthers and Frank Christiano; legislative delegate, Monaghan, and convention delegates, Gross and Emerson Bush.

The final meeting of the season of the Tuesday evening bridge club was held at the home of Miss Ruth Partridge, of 174 Tappan avenue, this week. Miss Ruth Lloyd made high score and Miss Doris Geiger received the consolation award. Miss Bernice Le Compte of Newark will be hostess to the club at its first meeting in the autumn on September 11.

Local Schoolgirl Wins Air Trip To Shore

Miss Andree Liengme, 15, of 122 Union avenue enjoyed a round-trip flight to Atlantic City last week as the guest of the New York Airways. She was the winner of an essay contest sponsored by the company for pupils at the Essex County Vocational School for Girls. 150 girls from the school visited Newark Airport recently, and wrote of their impressions of commercial aviation. Lieutenant Richard Aldworth, one of the field managers, was judge of the contest.

Commissioner George R. Gerard announced Wednesday at an adjourned meeting of the town commission that he had appointed John H. Rainie of 163 Tappan avenue deputy director of public safety without salary. Finance Director Williams reappointed John F. Coogan Jr. tax assessor for four years at an annual salary of \$2,000, less a 15 per cent cut. Both appointments were concurred in by the board.

Mr. Rainie is a foreman at the Forest Hill plant of Tiffany and Co. He has never before held an official position in town. He is active in the Civic League.

\$19,700 For Relief

Dr. Martin Meenan was appointed acting town physician from July 1 to September 15, during the absence of Dr. Herbert D. Vail on vacation in Maine.

Tot, 3, Mourns Loss Of Canine Playmate

Neighborhood Seeks "Ted,"
Brown Setter, While
Gertrude Grieves

A three-year-old tot grieves in a Ralph street home while her parents, neighbors and police seek "Ted," a brown setter, fearing that the child's health may be affected by the loss of her canine playmate, who disappeared recently.

The child, Gertrude, daughter of Mr. and Mrs. Raymond Williamson of 284 Ralph street, and the dog were inseparable pals for a long time. The dog became strayed or stolen, and Gertrude's mourning was so intense that she has refused to play or eat until Ted is returned.

Fearing that the child's brooding over her irreparable loss will cause her to become ill, her parents have offered a reward in hopes of securing the return of the faithful animal which, they say, would never have run away of its own accord.

Brightons Lose

The Brightons took it on the chin Sunday, 15-2, with the Newark Senators turning the trick. The winners made an even dozen blows and were aided by eight errors by the Belwood Park aggregation, who couldn't seem to do anything right. Reed and Kaeli were the opposing hurlers with the Senator hurler turning in an easy three-hit performance, and aided his own cause by whiffing eleven of the local bat wielders, who swung foolishly at Kaeli's slow ball.

For the winners Rock, with four hits, and Puppa and Berger, with two each, led the attack. Bonnefond, Gonello and Parrillo obtained the locals three hits.

July 4 the locals play the Leslie A. C. of Orange in a twin bill. A game for this Sunday is being arranged.

Albany Senators Will Try To High Hat

Bears In Three-Day Stay In Newark

New York Staters Hope To Put Skids Under League

Leading Yankee Proteges In Four-Game Series

Manager Bill McCorry and his Albany Senators who are fighting desperately for a first division berth in the International League, hope to gain ground at the expense of the Bears. The Senators will be at Kuppert Stadium for a three day stay and hope to put the skids under the leading Bears in the majority of the four games scheduled. A single contest is on the card for Saturday, a double-header Sunday and a single game on Monday. The latter will be played at night.

The series with the Senators will be a crucial one, for it comes on the eve of the Bruins' second long northern journey which will last fifteen days. The Senators are playing good ball, at present, but perform even better when opposing the Bears. They are leading the league in team hitting and their pitchers are showing such a vast improvement, the New Yorkers have become imbued with the spirit the Bears will merely become stepping stones for them. Fred Sington and Alvin Powell, the husky pair, are doing their share to lift their mates into the first division. The former ranks second among the leading batters. Powell, by a great socking spurt last week jumped into fourth place among the regular cloutsmen. In addition to the pair, the Senators have five others who are hitting well over the .300 mark.

An unfriendly feeling exists between the two clubs. McCorry dislikes the Bears, because they are powerful and belong to the Yankee chain. For that reason he would like to place the skids under the Bruins. The Senators have always hit well against the Bears and McCorry hopes the week-end will be no exception. The last series between the two clubs at Albany was a murderous affair, ninety-five hits being registered, of which fifty-five were credited to Newark. The New Yorkers like night baseball and requested Monday's game be played under the lamps. The Newark Club consented, although Tuesday and Thursday nights were originally set aside for the Bears' night battles.

When the Bears hit the road next Tuesday they will be accompanied by William Phil Caruso of the Barringer High School of Newark. Caruso was

Many victories are expected of Pitcher Charlie Devens in the Bears' drive down the home stretch. The former Harvard boy is showing his real form and Manager Shawkey believes Devens will do his share to annex the flag for Newark.

dent and general manager of the Newark Club.

There should be plenty of noise at the Stadium, Saturday for it has been designated as Knot Hole Gang Day and 5,000 youngsters are expected to occupy the seats in the left field bleachers. Plans for the affair were arranged by the Boys' Work Directors of various organizations in connection with the Recreation Department of the Board of Education. Tickets for the affair have been distributed in Hillside, Belleville, Orange, Bloomfield, Nutley, Millburn, Union, East Orange, Irvington, Plainfield and Newark. The day will be the first of a series of six to be held during the season.

Hart, For Winners, Pitched

A One-Hit, One-Run Game

The Martin-Dennis baseball team defeated Wallace-Tiernan Thursday, 7-1. Hart pitched a one-hit, one-run game for Martin-Dennis, while Al Nasta had the honor of hitting a scorching home run with two men on the paths.

The game started with Prall of Wallace-Tiernan at bat, he struck out and was followed by Heinzman who duplicated Prall's act, next came Cosgrove, the man who got the only hit of the game, and that was a home run to deep left field. Eddy went the round for Wallace-Tiernan but was hit eleven times.

Any team desirous of a game with Martin-Dennis write to H. Hart, 400 Belleville avenue, Belleville, or call Joe Waring at Belleville 2-2221.

Martin-Dennis will play the majority of games at Belleville Park owing to the fact that they have a season's permit for Tuesdays and Thursdays.

Prompt Relief

From Itching Eczema

It's wonderful the way soothing, cooling Zemo brings prompt relief to itching, burning skin, even in severe cases. Itching stops the moment Zemo touches the tender and inflamed skin because of its rare ingredients. To clear away Rashes, Pimples, Eczema, Ringworm and restore the skin to normal, always use clean, soothing Zemo. Insist on genuine Zemo; it's worth the price because it brings relief. 55c, 60c and \$1. All druggists.

Saucer Splinters

Ewald Wissel was one broad grin after he had won the miles and out professional race Sunday. The man-sunning German lad, who had his bundle of hard luck last summer, and again during the six-day season, when he was badly injured, is the idol of the fans, because of the fact that what belongs to Ewald belongs to his fellow riders and it isn't a million dollars, either. Wissel got off to a half lap lead early in the race and increased this by setting a scorching pace until he almost won by a lap over Norman Hill who was second, third, Joe De Vito capped fourth, Marcel Boegman, fifth, and Dave Lands, the Irvington fly, sixth.

Cecil Walker clung tenaciously to Torchy Peden in their ten-mile tandem-paced match, but Torchy followed his pace like a veteran to open up a commanding lead shortly after five miles. Gradually the tussle-topped lad pulled away and at five laps from home the action ceased. Both riders were carried so fast in the last five miles that they were winded, Cecil feeling the strain first and calling things off at five laps to go. Bobby Walchour and Harvey Black started the five works a mile or so from the finish when they carried Peden out in front with Unker and Van Ness slowing up. Walker, Ammann and Lands further pulled Torchy away, but hard riding Fred Kugler and Stuffer did the real trick when they carried Torchy along and dropped Walker by the wayside.

Gerald Delabets dropped a lap, picked it up and raced hard to win the forty-mile motor-paced championship race. Jerry was happy. He ran to the grandstand and carried his little son, Jerry Jr., down stairs to the training quarters. Jerry Jr. is here from Belgium. And now watch Daddy do his stuff. If Jerry Jr. has his way Daddy will be crowned champ. Who knows, maybe he will.

Some boys, who have been trying hard, broke into the win column in the four-seventy mile handicap, professional. Keating was first, Corcoran, second, Black, third, Black, fourth, Bauer, fifth, and Ruth, sixth. The same thing happened in the four-hundred mile race at the same distance. Smith edged in first, Benington, second, Simm, third, Thomas, fourth, Galt fifth.

Frank Kramer was booed for not allowing Martin Journey to enter a later heat in the two-mile open amateur, after Journey had received a flat in the third heat. Journey might have been allowed to enter, but Kramer is to be given credit in that once he rendered his decision he held to it. No amount of booing could have changed the mind of "Steve" once his verdict was given. It would have been a better race with Marty in and, if he had been permitted to enter in the later heats, his road would not have been as easy as in the heat he was scheduled to ride.

(As it was Bob Linsett finally got in a victory followed by Del Vecchio, Beltrio, Bellavanti and Grill.)

Jimmy Hunter, Bike

Pacemaker, Buried

"Daredevil Jimmy" Was

Veteran Cyclist; Died Monday

The burial of Jimmy Hunter, bicycle pacemaker, well-known at the Nurley saucer, who died Monday at Both Israel Hospital, Newark, took place yesterday morning at Holywood Cemetery, Union.

Hunter, known as "Daredevil Jimmy" to his friends, was a veteran in the bike game. He was born in Scotland fifty-three years ago and came to this country at an early age. As a youth he raced for amateur events against Frank Kramer. He was identified with the bicycle races the rest of his life. Long ago he took up the motors, and became one of the best known pacemakers in the sport.

Hunter was injured last July in an auto accident near Hightstown. The crash, coupled with an abdominal ailment which he had suffered some time, brought about his death this week.

Peden Meets Hill

In Match Race

Thirty-Mile Motor-Paced

Match Also A Feature For Sunday

Torchy Peden, the six-day bike king, who in his short but brilliant career as a six-day rider has won twenty-four races, will meet Norman Hill, the all-around champion of America, in a ten-mile tandem-paced race at the Nurley Velodrome Sunday night. Each rider will be paced by five tandem teams and the race gives promise of being the most exciting tandem-paced event of the season.

Peden last Sunday night, defeated Cecil Walker, former all-around title holder, in a ten-mile paced race while Hill holds his last start in a tandem-paced race over Ewald Wissel, the German star. Peden and Hill look like the two outstanding riders behind the speedy tandem and it should really be a hot battle.

The tandem teams that will do the pacing will be made up of George Dempsey and Harvey Black, Leroy Corcoran and Bob Silver, Jimmy Corcoran and Bill Coles, Tony Beckman and Werner Wittig, Dave Lands and Ed Ammann, Frank Bartell and Walter McGulley, Paul Van Ness and Unker, Joe De Vito and Tom Suetin, Fred Kugler and Ed Seufert, Gay Reed and Marie Rossi.

The Grand Prix of Nutley, a thirty-mile motor-paced race, will be the outstanding feature for the pace followers. This race will bring together Paul Cooley, Brooklyn boy; Tina Rebell, Italian-American youngster of Newark; Jackie Sheehan of New York; Victor Hopkins, Davenport, Iowa, and Franz Deuberg of Germany.

The other professional races Sunday night will be a two-mile tandem race, a mile open with six heats and two riders to qualify in each heat and two amateur races.

The professional races are expected to bring about some great racing among Fred Hill, Spencer, Norman Hill, Bill Boneman, George Dempsey, Chesley Ritter and Eddie Miller. In the amateur ranks battling it out will be Martin Journey, Robert Lips, George Sheehan, Cliff Bullivant, Albert Sullivan, Frank Hays, Joe Gillen and Pete Del Vecchio.

Rivieras Win Two Games

Riviera B. B. C. won two games over the week-end. At Vailsburg Park, Saturday, they defeated the Dominican A. A. 13-12 and Sunday the Vailsburg Ravens, 11-2. Fred Miller started pitching for the Rivieras against the Dominicans but gave way to Dick Taylor in the fifth inning. Dick did a neat job in relieving his teammate, Ben Alyea, V. Nappa and Moe Sasso featured at bat for the Rivieras. In the seventh with the score tied Al Adler, sub right fielder of the Rivieras, made a sensational catch of a fly ball which he turned into a double play, thus stopping the Dominicans rally. Kelleher, former St. Benedict's star, featured for the losers with three bingles.

Sunday Jim Caruso tamed the Vailsburg Ravens, allowing five scattered bingles. His teammates hit the offerings of Koch and Rollo for twelve hits. Vitello and O. Natale featured in the field for the Rivieras. Ben Alyea, Rivieras leadoff man again featured at bat with three hits. Alyea was at bat ten times in the two games and hit safely seven times. J. Caruso and Selby Natale also hit the ball hard. The Rivieras will travel to South Orange and play the Colonials at Cameron Field Saturday.

Library Notes

The library this month presents an
interesting assortment of non-fiction
books. "The Roosevelt Year," by Lor-
entz, is a photographic record of the
events so far in Roosevelt's term of
office.

"Music on the air," by Kinschella, is
a book for modern listeners every-
where—the ideal book of information
about music and the people who make

Oldhams Pressed To Beat El Club

"Red" Stachus Makes A
Sensational Debut
For Winners

The Oldham Association had its
difficulties downing the lowly El Club
Monday night, at Clearman Field,
but finally managed to do so, by a
6-4 count, in a battle of first and last
teams in the local American Legion
twilight baseball loop.

A three run rally in the fourth in-
ning, featured by five consecutive
singles by Wengle, Stachus, Krook,
Lawson and Johnston, enabled the
Oldhams to overcome a 2-4 count
against them, and win the game.

"Red" Stachus, infielder, making
his first start of the season for the
Oldham club, featured with the wil-
low, slugging out a trio of safeties.
Marty Mallick and Moe Sasso hit
hardest for the Lowlowns.

to be distributed in which each one asked to save pennies with this object in view. Sixteen pennies make one foot toward this mile.

A parish rally will be held in the early fall at which time the mile of pennies will be presented. Friends outside the parish may be asked to help raise the mile also. Surely it would not be hard to contribute at least one foot, sixteen pennies.

Rev. and Mrs. Deckenbach are expected home tomorrow from Detroit, Mich., where they have been attending the Rotary convention since Monday. Mr. Deckenbach is president of the Belleville Rotary and a delegate to the convention.

CHRISTIAN SCIENCE CHURCH
FIRST CHURCH OF CHRIST,
SCIENTIST
Passaic, N. J.
276 Main Avenue
Rutherford—Pierpont Avenue.
Montclair—8 Hillside Avenue.
Newark—65 Roseville Avenue.

"Christian Science" will be the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, July 1.

The Golden Text is: "Laying aside all malice, and all guile, and hypocrisies, and envies, and all evil speakings, as newborn babes, desire the sincere milk of the word, that ye may grow thereby" (1 Peter 2:1, 2).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "And when he was demanded of the Pharisees, when the kingdom of God should come, he answered them and said, 'The kingdom of God cometh not with observation: Neither shall they say, Lo here! or, lo there! for behold, the kingdom of God is within you'" (Luke 17:20, 21).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "This kingdom of God 'is within you,'—is within reach of man's consciousness here, and the spiritual idea reveals it. In divine science man possesses this recognition of harmony consciously in proportion to his understanding of God" (p. 576).

DOES YOUR BREATH OFFEND? —PROBABLY

Many attractive persons are not welcomed at social gatherings because their breath is bad. Don't be one of them. Make sure that your breath is sweet and inoffensive by gargling with Listerine. It combats infections in the mouth, checks infection and instantly destroys odors. Lambert Pharmacal Company, St. Louis, Mo.

HOW WOMEN CAN WIN MEN AND MEN WIN

The Favor of Other Men

Unless two pints of bile juice flow daily from your liver into your bowels, your food decays in your bowels. This poisons your whole body. Movements get hard and constipated. You get yellow tongue, yellow skin, dimples, dull eyes, bad breath, bad taste, gas, dizziness, headache. You have become an ugly-looking, fat, ill-smelling, sour-thinking person. You have lost your personal charm. Everybody wants to run from you.

But don't take salts, mineral oils, laxative pills, laxative candy, chewing gums and expect them to get rid of this poison that destroys your personal charm. They can't do it, for they move out the tail end of your bowels, but they don't take away enough of the decayed poison. Cosmetics won't help at all.

Only a free flow of your bile juice stops this decay in your bowels. Take one mild vegetable medicine which starts a free flow of your bile juice in Carter's Little Liver Pills. No calomel (mercury) in Carter's. Only fine, mild vegetable extracts. If you would bring back your personal charm to win men, start taking Carter's Little Liver Pills according to directions today. Get at drug stores. Refuse "something just as good," for it may gripe, loosen teeth or seal rectum. Ask for Carter's Little Liver Pills by name and get what you ask for. ©1933, C. M. Co.

Use Gas

Quick . . . Clean . . . Economical

For Less Than Twelve Cents A Day

Fifty gallons of water can be heated automatically with gas for less than twelve cents a day. With the budget type gas water heater we can tell you beforehand how much your gas bill for water heating will be each month. You may not use fifty gallons of hot water daily, then your bill will be under the estimate. It cannot, with the budget type water heater, be higher.

Gas Is the Only Fuel That Supplies Truly Automatic Hot Water Service

Gas automatic water heaters, budget type, \$88 upward cash installed.

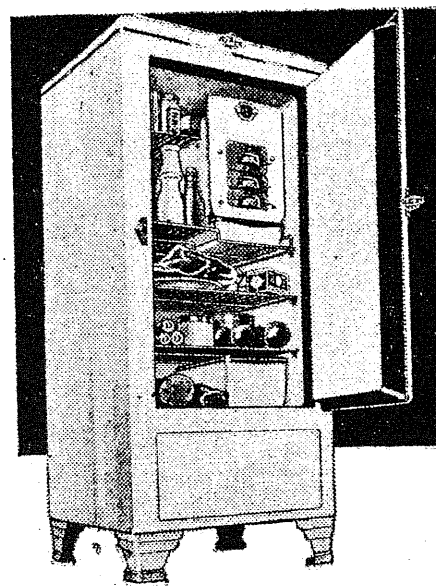

Gas tank water heaters, with double copper coils and brass couplings, that can be attached to the water boiler, \$15.15 upward cash.

For Economy and Satisfaction Electrolux Air-Cooled Gas Refrigerator

You can operate an air-cooled Electrolux gas refrigerator for only a few cents a day. It provides dependable refrigeration—a dry cold atmosphere in the general storage compartment and a freezing temperature in the ice trays. It works quietly with no vibration.

Every season new improvements are added to the Electrolux cabinets. The newest models have a two temperature chilling unit which makes it possible to speed the making of ice cubes—you can defrost the cabinet without interfering with refrigeration—you can release the trays by pressing a trigger release.

All Electrolux cabinets are well built. Their smooth interiors are easy to keep clean. The shelves are adjustable so it is easy to store food. Prices are moderate. From \$119.50 cash upward connected.

These are cash prices. Carrying charges extra if appliances are sold on the monthly payment plan.

Cook and Be Cool!

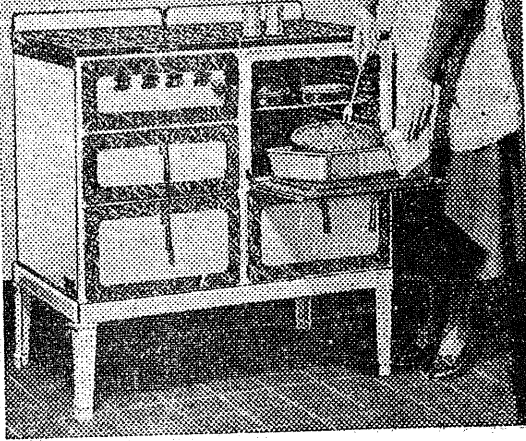

Modern gas range ovens have well insulated walls and doors, the heat stays in the oven where it is needed and out of the kitchen—gas bills stay lower, too.

Quality 1800. Well insulated 16 inch oven, in-a-drawer broiler, red enameled round top burners that cook very fast, all help the home-maker to cook well and easily.
