

## Drive Being Organized By Cops and Legion For Red Cross

### Police Will Solicit Storekeepers; Vets Place 75 Boxes; Report \$2,300 Raised To Date

Members of the American Legion started their part this week in the drive to help the American Red Cross War Relief Fund, while Chief Spatz announced that the police department members would be calling on the merchants and other business people for contributions within the next week. Thomas Fleming of the Legion said that his committee had placed about seventy-five boxes in stores where people could put their donations.

Fourteen Junior Red Cross workers headed by Miss Doris Scharenberg collected donations at the Flag Day parade Friday night. Contributions totaled \$97. Those who did the work were Eleanor Angar, Thelma Ford, Violet Johnson, Vivian Kilpatrick, Eileen Lynch, Agnes McGeachen, Alyce Miller, Dorothy Prime, Margaret Rodgers, Betty Sheehan, Doris Soleau, Cathleen Tucker, Ethel Virtue and Dorothy Thompson.

At their meeting Monday night, the chapter passed a resolution commending the Elks and Thomas W. Fleming on the manner in which the Flag Day parade and program were conducted.

The following letter was sent to the Red Cross with a \$1.25 contribution:

"Last Saturday six of us gave a little play to raise money for the Red Cross to help the poor people in Europe. A lot of our friends in the Greylock section paid five cents each to see our show and we raised \$1.25 which we are glad to be able to give to the Red Cross.

"Part of the show was a one-act play about Mr. Lincoln and a little girl. Donna Feuerstein, Phyllis Conklin, Patsy Delaney and Millicent Blaise gave this play. Phyllis and Donna also played the piano. Clifford Keen played the trumpet and Doris Keenan read a poem about Flag Day. All of us are from eight to fourteen years old.

"After the show we had refreshments because some of those who bought tickets used money they had for ice cream or candy! We had a lot of fun working on this show and we hope the money will help some little child in Europe.

Very truly yours,

Cross members in the parade Friday night was made at the WPA sewing room here. Those who did the work were Mary G. Schureman, supervisor; Josephine Christopher, Conietta Dominick and Elsie Petretta. The veils which were worn were made by Mrs. H. E. Gill, Miss Mary Dye, Miss Blanche McDonald, Mrs. Arthur Ackerman and Mrs. Susan Tiedeman. The work was directed by Mrs. Harvey Thompson.

Since the last listing of contributors the teachers at School No. 9 have contributed \$5.54. Other big contributors to date include the following:

Federal Leather Co.	\$125.00
Thomas A. Edison, Inc.	100.00
Ray Products Co., Bart Lambert	50.00
Rudolph Deetjen	50.00
Frank L. Chambers	50.00
National Grain	50.00
Thompson	50.00
Hanson & Goodman	50.00
Hanson & Goodman	50.00

Contributions of \$25 were received from the following:

Eastwood-Nestly Corp., H. V. Hardman, Sweeney Lithograph Co., Napier Hat Co., Ray Products Co., Bart Lambert, L. S. Sorenson Sons, Inc., Great Atlantic & Pacific Tea Co., Eastern Tool Mfg. Co., Viking Tool Mfg. Co., A. M. Leneck Co., James Gibson, Curson Newman Co. and Lions Club.

### People Suspicious When Man Comes To Take Census

Mrs. Walter C. Newton of 51 Forest street, knew definitely that there was no more men going around to count noses for the census. So, when a "census taker" came to the door seeking information Friday she got suspicious. So did Harry A. Macapley of 350 Greylock parkway a little while later.

Officer Singer hurriedly investigated and found the man. He was taking a census for a private dictionary and had an approved canvasser's license.

### More Than 2,000 Took Part In Flag Day Program

More than 2,000 men, women and children, including many bands, marched in the Flag Day parade on Washington avenue Friday evening. The parade, which took forty-five minutes to pass a given point, was followed by a patriotic service at the Elks Club which sponsored the entire affair.

## PROSECUTOR SEEKS INDICTMENT FOR LOCAL MURDER

### Frederick Slaying Only One of Charges Made Against Youthful Gang

The murder of Frank O. Frederick of 134 Hornblower avenue will be only one of the numerous charges on which the Buhrig gang is expected to stand trial. The sensational story of the activities of the gang unfolded day by day during the past week, each day's revelation just as lurid as that of the day before. Prosecutor Wachenfeld made the first move to bring the gang to trial when he went before the Grand Jury yesterday to ask indictments.

Eight boys and the mother and sister of three of them are said to have confessed to four murders and more than 125 robberies during recent months. The murders allegedly admitted by different members of the gang are those of Frederick, Meyer Zemel, millionaire Newark gas station operator; Raymond Bauer, gas station attendant of Elizabeth, and Miss Christina Hannon of Montclair. Miss Hannon suffered a heart attack when her purse was snatched from her and died eleven days later.

### Mother Called Leader

Mrs. Bertha Buhrig, thirty-seven, of Newark, is said to have been the leader of the gang which ranged all over North Jersey in its crime safari. Her daughter Marion, fifteen, is also an alleged member and is supposed to have been an accomplice in many of the crimes.

### THREE CHANCEMEN APPOINTED

#### Kanzler, Lightbody and Williams Named By Clark As Replacements

Three men were appointed police chancemen Friday by Director of Public Safety Clark in a move to replace the three who were recently elevated to patrolmen. The new chancemen are Lennox F. Kanzler of 157 Union avenue, James C. Lightbody of 21 Bell street and Edward Williams of 302 Union avenue.

Kanzler has lived in Belleville for three years. Born in Harrison twenty-nine years ago, he studied at Irvington and Baringer high schools. For six years he served in the navy. In 1937 he married the former Ruth Kimmeler of this town and moved here.

### Patrolman Drake Will Retire From Force Monday

Patrolman Walter Drake, sixty-five, of 232 Stephens street will retire from the police force Monday after twenty-one years of service. He joined the force May 5, 1919.

He believed in many quarters that William A. Finn of 142 Union avenue will be appointed by Public Safety Director William D. Clark to fill the vacancy. Finn is married and has four children.

## Man's Pocket Picked While He Paints House

H. E. Crowning of 126 Stephens street was robbed of \$68.23 and a gold watch Tuesday when someone entered his car. Crowning, who was painting a new house on the corner of Hornblower avenue and Lloyd place, parked his car at 8 a.m. on Hornblower avenue facing Holmes street.

At 11:15 he returned to get his pipe and discovered that his trousers had been disturbed. From his pocket was missing a wallet containing \$67 in bills, \$1.23 in change and a gold watch.

### Morrison Sues For \$50,000

Albert G. Morrison of 64 Franklin street filed suit last week for damages of \$50,000 for alleged malicious prosecution against Frank R. Humrich of Short Hills. Humrich preferred a charge of reckless driving against Morrison in Rutherford after the latter's car had collided with that of Mrs. Humrich. The case was dismissed in police court there.

## Dr. Close Receives Degree At Cumberland University

### Fewsmith Church Pastor Is Honored At Tennessee College; Scholarship Sponsored By Newcomen Society May Result From Visit

The Rev. Dr. O. Bell Close, pastor of Fewsmith Memorial Presbyterian Church, was honored last week with an honorary degree of Doctor of Divinity from Cumberland University, Knoxville, Tenn. Dr. Close delivered the baccalaureate address at the commencement exercises. Out of Dr. Close's visit to Knoxville may come something which may be of benefit to Belleville boys. Charles Penrose of Philadelphia, who is national vice-president of the Newcomen Society in the United States, was among those honored at Cumberland.

## TARGET RANGE FOR POLICE

### Public Works Department Will Construct It Inside Of Stadium

The latest addition to the facilities at the Turf Bog will be a pistol target range for the use of the police department. Public Works Director Waters made this known Tuesday as he announced that the stadium at the new Municipal Athletic Field could be completed in a month or two.

The range will be constructed inside the stadium where there is a clear space more than 100 feet long in front of the refreshment concession counter. A steel plate, one-half inch thick, will be placed at one end of the range. The four targets will be suspended from a frame and behind them will be another steel plate placed at a forty-five degree angle. When the bullets pierce the target they will be deflected downward and will drop into a sand box and will be reclaimed for further use.

Placing of seats in the concrete stands began this week and will probably be finished early in July. Beneath the stands work is also progressing rapidly on the two dressing rooms and shower rooms for the teams, and on the rest rooms for spectators.

No indication has been given as to when paving of Greylock parkway extension and Holton street may be expected to begin. Both streets, one on the north side of the thirty-acre plant, the other on the east side directly behind the stadium proper, are now dirt and impassable except with extreme caution.

## BUILDING PLANES, BOATS, HOBBY

### Billy Kitchell Has Been At It For The Past Four Years

Model ships and airplanes are a hobby of nearly every boy at some stage of his development but few of them have gained the ability and craftsmanship of William M. Kitchell of 498 Franklin avenue. Billy, who is fourteen and just graduated from School No. 7, has secured quite a reputation and the prestige which goes with it for his careful attention to detail in the painstaking work which he has made his hobby.

Four years ago he started to teach himself how to do the work, beginning with an old cigar box cently he has branched out into real projects. His sailing ships are his prizes. The house of his parents, Mr. and Mrs. William S. Kitchell, is crowded with clipper ships, fourmasted racing sloops, ketches and yawls.

Across the ceiling of his bedroom he has stretched thin wires and from them, as in full flight, hang countless different types of planes; monoplanes, low-wings, first World War biplanes, modern fighters, clippers and transport, — all evidence of his proficiency as one of Belleville's best model builders.

Victor Hart

## VICTOR HART TO HEAD LIONS

### Washington Avenue Jeweler Will Succeed C. R. Lommerin; To Elect Other Officers

Victor Hart of 112 Floyd street is slated for the presidency of the Belleville Lions Club today when the club meets at the Forest Hill Country Club for its annual election of officers. Hart, who is unopposed, will succeed Clarence R. Lommerin.

The other nominees for office are Harry Ziegler, first vice-president; Dr. William J. Fabris, second vice-president; Luther E. Van Felt, third vice-president and secretary; Arthur Wager, treasurer; Elbert Carlough and Henry Charrier, directors; Henry A. DePhillips, lion tamer; John R. Carlough, tail twister; and Brant Smith, chaplain.

Seven members of the club will attend the Lions' convention in Atlantic City tomorrow and Saturday. They are Hart, Lommerin, Commissioner Louis A. Noll, Arthur E. Mayer, Charles A. Gebhardt, John R. Carlough and Harry Ziegler. The club recently won a first prize in an international attendance contest.

## Seven Grid Games Listed For Home In Fall

### No Decision Is Made On Whether Games Will Be Played At Clearman Field or The New Stadium; Clifton Replaces West Orange on Schedule

Larry Gates will come to Belleville next fall to start coaching the high school team with a schedule almost as tough as last year's starting him in the face. Bell-High's 1939 card was officially rated by the Colilton system as the toughest in the state.

The 1940 roster, released yesterday by Al McBride, faculty manager of athletics at the school, shows an eight-game schedule, with seven of the contests slated for home grounds. There has been no indication from the Board of Education whether the local home grounds will be Clearman Field or the new \$380,000 athletic plant at the Turf Bog.

The only familiar face which drops from the local picture is West Orange, whose date will be filled by Clifton, an added starter remains exactly the same, even to the order in which the opponents will be met and to the permanently open date between the Bloomfield and West Side games.

Trouble was experienced in the Belleville-West Orange game last year. After the schedule was completed, the Orangemen asked for a postponement because of the closeness of the date to the Roosevelt Thanksgiving when they met their arch-rival Columbia High. The game was finally played almost post-season and resulted in one of the two Bellboy triumphs of the year.

Nineteen games have already been carded for the basketballers and the prospect is that McBride will line up three more before next winter. Two have been marked down for before New Year's and he wants two more in there at the same time. There is another open date in mid-February.

Newark Central is missing from the line-up as it now stands. New opponents for the Zebras are Harrison and Lyndhurst. Ten of the games on the calendar so far are at home.

## State Health Department Orders Quarantine of Dogs

The state laws just put into effect regulating the care of dogs will be strictly enforced in Belleville, Health Officer Berry said yesterday afternoon. According to the new laws, which are virtually the same as those of last year, even muzzled dogs are not allowed at large in the streets of the town.

## County Won't Abandon Parkway Project Along Riverfront

### Board of Freeholders Finally Listens To Plea For More Money; Allow Them \$20,000

The Passaic River Park, which is planned for Belleville from the Nutley line to the Nereid Boat Club, was saved from abandonment this week when J. H. Phillips, chief engineer of the Essex County Park Commission, went before the Board of Freeholders and pleaded for "\$25,000 or \$30,000" to carry through the plans for this year. The board decided to issue bonds amounting to \$20,000 and with it Phillips says the program for the section between the Nutley line and the plant of the New York Color and Chemical Company at the foot of Jerusalem street can be completed.

## NOLL WILL SEEK MORE MONEY

### Will Ask Board For \$5,000 To Increase His Recreation Program

Commissioner Noll will go before the Board of Commissioners Tuesday night to ask for an emergency appropriation of \$5,000 for immediate enlargement of the town's recreation program. He said that he would ask Town Attorney Keenan today to draw up the proper resolution.

"At the present time I would class the need of the money as an emergency and we should not lose any time. The officials and citizens of our town should see its necessity. The sum which I ask is just as important as the \$5,000 which the commissioners will be called upon to vote Tuesday night for proper equipment for the police. I shall completely outline the uses to which I would put the sum when I ask for it Tuesday," Noll said.

Noll had originally sought \$12,000 for his 1940 budget but was given \$7,000, an increase of \$1,300 over last year. He has often said that the increase was not sufficient to carry on a program commensurate with Belleville's size.

One of the uses of the additional appropriation would be the hiring of part-time supervisors of playground activities in town and putting on organized athletics.

"We must now depend entirely on WPA for this work," he said. "Application has already been made for help from the WPA but the project has had so many layoffs during the past few months that the town is far below its quota of former years."

Recreation Director Lister said that he would know nothing of the help available from WPA until tomorrow. If no one is forthcoming, he declared, it will be impossible to open the playground at School No. 1 and the entire burden will be thrown on the Recreation House.

## Believe Numerous Robberies Solved With Arrest of Jenkins

Several store, tavern and house robberies are believed to have been cleaned up by the police with the arrest of Raymond Jenkins, twenty-two, formerly of 545 Washington avenue. Jenkins was apprehended last week in Newark by Captain Leighton and Detective Nygard, who have been searching for him for nearly a month. He is being held on the charge of breaking and entering and larceny and for further questioning.

Newark police will question the suspect in connection with a hold-up there on February 15.

## Public Notice of Dog Quarantine

By order of the State Department of Health, dogs must be confined to the owner's premises for three months or longer, except when on a leash accompanied by a responsible person.

# Mrs. Joseph Kolinsky Heads Legion Auxiliary Unit

The new president of the Belleville Unit No. 105 of the American Legion Auxiliary for 1940-41 will be Mrs. Joseph Kolinsky. Other officers are Mrs. Edwin Ackerman, first vice-president; Mrs. Edward Masterson, second vice-president; Miss Laura Congleton, historian; Mrs. William Adams, chaplain; Mrs. George Allen, sergeant-at-arms, and Mrs. Joseph Huemer, treasurer. The final meeting for the summer will be held on Monday at the Recreation House.

Mrs. Charles Hoffman, Mrs. William Labaugh, Mrs. Joseph Kolinsky, Mrs. Edward Masterson, Mrs. Joseph Huemer, Mrs. Edwin Ackerman, Mrs. Lester McCorkle, Mrs. Edward Johnson, Mrs. Richard Shannon, Mrs. William Muller and Mrs. Arthur Christie will attend the annual convention and luncheon of the Essex County Legion and Auxiliary at Verona on Friday and Saturday.

The Junior Auxiliary 105 have presented plaques to all schools showing the American flag in colors and bearing the inscription "I Am An American."

**Miss Shannon In Play**

The Juniors visited and took favors to a sick child at the American Legion Memorial Hospital last week. At the Junior convention Miss Jean Shannon, daughter of the county commander, took the part of Martha Washington's daughter in a play.

Mrs. Edwin Ackerman, Junior chairman, announced that Miss Doris Huemer has been elected president for the coming year. Other officers are Miss Grace Rawcliff, first vice-president; Miss Alberta Allen, second vice-president; Miss Rosemary Masterson, treasurer; Miss Evelyn Ackerman, secretary and historian; Miss Madeline Maser, chaplain, and Miss Margaret Christie, sergeant-at-arms.

Members of the unit will assist the Red Cross in their next quota for clothing for the refugees in Europe.

## Hit-Run Fence Crasher Returns To Pay Damages

An autoist who wrecked a fence on the property of Davidson and Robertson Service Station at 414 Washington avenue, almost got away but was nabbed by police and settled for the damages. An attendant at the station called police Monday night that a car had run into the fence.

When the attendant approached the car, the driver speeded off. The attendant reported the license number of the car to police and Officers Lee and Smith caught the auto at Washington and Division avenues a few minutes later.

The driver of the car, who police say was Edward Goldsmith of Newark, returned to the gas station and paid the damages. No complaint was made.

## Richard Shannon Is Retiring As Legion Commander

Richard D. Shannon of 28 Broadway street, county commander of the American Legion, will complete his term of office Saturday when the posts of the county meet in their tenth annual convention in Verona to review the accomplishments of the year and to nominate new officers.

The convention will be held tomorrow night at 8:30 and Saturday morning at 9. Raymond B. Platt of Bloomfield is convention director. A baseball game between all-star nines of the Legion Junior Baseball League will play at Verona High Saturday afternoon.

Legion posts, auxiliaries, affiliated military units will participate in a parade Saturday evening. A dance in the high school auditorium will conclude the convention. Major Irvin A. Warner of the United States Army will be the principal speaker.

## RECAPTURE SLAYER OF BUS DRIVER

### 'Bunny' Sohl, Borhorst Murderer, Returned To Prison After Escape

Mrs. Ethel Strouse Sohl, ironically nicknamed "Bunny," enjoyed two days of freedom this week, the first she has had since she was sent up for life for the \$2.10 murder of William Barhorst, bus driver, here a year and a half ago. Mrs. Sohl and two fellow inmates escaped Sunday from the State Reformatory for Women at Clinton and were recaptured Tuesday morning only six miles from the prison.

The Sohl woman and Genevieve Owens, both of Newark, were given life terms when they were convicted of shooting Barhorst, a bus driver from Rutherford, in a holdup at Main and William streets here in December, 1937.

The three women who escaped were surrounded on wild Jugtown Mountain about six miles from Clinton. They put up no resistance and were returned to be put in solitary confinement. They will appear next week before Comm. Pleas Judge Prall of Flemington charged with escape.

## Thieves Get \$300 In Jewelry At Powers' Residence

Thieves broke into the home of James C. Powers of 78 Division avenue some time during the weekend and got away with nearly \$300 worth of jewelry. Mr. and Mrs. Powers were in Hartford, Conn. The break occurred some time between Saturday morning and Monday noon.

Patrolman Anderson, who investigated, reported that entrance was gained through the front door which opens onto a sunporch. The burglars then forced the latch on a window into the living room. Powers said the jewelry stolen was valued at \$291. A collection of Jefferson nickels was also taken.

## Library Adds New Books

Among the new fiction books added to the Free Public Library this week are:

"Chalice," by Mary Doner, a seven-day book. This is the story of Jane, who was talented and courageous, and of her love for a man who had fallen beneath her own station in life.

In the rental collection are:

"When the Whippoorwill," by Marjorie Rawlings, is a group of stories about the backwoods people of Florida. For those who enjoyed "The Yearling," this book will renew the beauty and excitement of the wilderness.

"Quietly My Captain Waits," a seven-day book by Evelyn Eaton, tells the early history of Arcadia, during the French and Indian Wars.

Books on colleges and careers are being displayed this week. Among them are:

"Do You Want To Become A Doctor, by Fishbein; Pick Your Job and Land It, Edlund; New Occupations for Youth, Nall; The Profession of Forestry, Read; What Do You Want To Be, Waltz; Planning For College, McConn; What Kind of College Is Best, Stearns; Was College Worth While, Tunis.

## Give House Party

Mr. and Mrs. Thomas Strumolo of 49 Franklin street were hosts Sunday at the opening of their new summer home at 24 Cooper avenue, East Long Branch, to 200 guests from Belleville, Bloomfield and Newark.

Among the guests were Mr. and Mrs. Anthony Caprio, Mr. and Mrs. John Candelmo, Mr. and Mrs. Ernest Pomorfi, Mr. and Mrs. Anthony Paserchia, Mr. and Mrs. Giro Sylvestro, Mr. and Mrs. Frank Zarro, Jr., Mr. and Mrs. Ernest DeAngelis, Mrs. Lena Iannina, Mrs. Concetta Domenick, Mr. and Mrs. C. Peroso Prezioso, Mr. and Mrs. Carmen Prezioso, Mr. and Mrs. Salvatore Prezioso, Mr. and Mrs. Pastore Prezioso, Mr. and Mrs. Angelo Sgobbo, Mr. and Mrs. Joseph Maianno, Mrs. Virginia Paserchia, Mr. and Mrs. Carl Salzano and Mr. and Mrs. Angelo D'Andrea, all of this town; Mr. and Mrs. Thomas Salzona of Newark, Cosimo Zaccarese, Angelo Conforte and Maria Argentino entertained with solos and skits.

## ARMY ANNOUNCES SPECIAL COURSE

### Will Train 500 Men From 2nd Corps Area At Plattsburg

The United States Army announced today that a special course for the training of 500 business and professional men in military training camp will be established in the Second Corps Area during the period July 5-August 3, at Plattsburg Barracks, Plattsburg, N. Y.

Men between the ages of twenty-five and fifty years will be offered the opportunity to attend. Applicants who are accepted will provide transportation at their expense and will pay for their own meals at the regular Army ration for the camp. Regular Army uniforms and equipment will be used. All training and administration will be conducted by the Army and Reserve personnel, who will organize the camp.

No obligation rests upon the men for military service in the regular Army and no commissions will be granted on completion of the camp. Applications to attend will be accepted at Military Headquarters, Third Military Area, Raymond Commerce Building, in Newark.

## Jeanne Gertrude Frappier Will Wed East Orange Man

The marriage of Jeanne Gertrude Frappier, daughter of Mr. and Mrs. Fred Frappier of De Witt avenue, and Donald Peter Flannagan, son of Mr. and Mrs. Thomas Flannagan of East Orange will take place Saturday morning at 10 in St. Mary's Church, Nutley, with Rev. James J. Owens officiating. A reception for the immediate families will follow at the Cockatoo.

Miss Frappier, who will be given in marriage by her father, will be gowned in pale blue marquisette with a shoulder length veil of pale blue tulle held in place by a garland of forget-me-nots. She will carry a white prayer book with lilies of the valley. Her only attendant, Miss Mary Calabrese of Newark, will also wear marquisette in a mauve print with white accessories and carry an old-fashioned bouquet.

Jack Coleman of Newark will act as Mr. Flannagan's best man. Miss Frappier was graduated from Belleville High School and Mr. Flannagan from Immaculate Conception Prep School in East Orange. After a short wedding trip through the south the couple will reside in Newark where Mr. Flannagan is employed.

## Belleville Youth At College

Joan Tuite

Miss Joan Agnes Tuite, daughter of Mr. and Mrs. Robert P. B. Tuite of 82 Tappan avenue, received a degree of Bachelor of Arts at the commencement exercises of the College of St. Elizabeth Thursday.

Leo A. Connolly, Jr., son of Mr. and Mrs. Leo A. Connolly of 78 High street, received a degree of Master of Arts in English Language and Literature at the commencement exercises of Seton Hall Graduate School in South Orange this week.

Connolly is a substitute teacher at the high school and a member of the secretarial staff of the Very Rev. John G. Delaney of Newark.

Henrietta Walthers, daughter of Mr. and Mrs. Frederick A. Walthers of 138 Joramom street, graduated at Savage School of Physical Education's forty-first commencement exercises last week.

Two young Belleville men were graduated recently from the Casey Jones School of Aeronautics, Newark. They are William John Herb of 377 DeWitt avenue and A. Walter Hayas of 289 William street. Both completed the Master Mechanics course.

Herb is now working for the Glenn L. Martin Company at Baltimore and Hayas has started work with the Wright Aeronautical Corporation at Paterson.

Miss Helen D. Kelsall, daughter of Mr. and Mrs. George H. Kelsall of 70 Proston street, is among the Radcliffe College graduates who received the degree of Master of Arts at Radcliffe's fifty-seventh annual commencement exercises yesterday morning at Cambridge, Mass. Miss Kelsall did her graduate work in mathematics.

## V.F.W. Auxiliary Will Hold Card Party Wednesday

George A. Younginger Auxiliary No. 275 V.F.W. will meet at Veteran's Hall, Wednesday evening at 7:30 followed by a public card party at which all games will be played.

On Friday delegates will attend the encampment of all branches of the V.F.W. auxiliaries of New Jersey at Camden. They will be Mrs. Alicia Gannon, Mrs. Viola Oldham, Mrs. Minnie Kant, Miss Irene Wirtz and Mrs. Helen Patterson, all of Belleville.

## MAIN STREET JOB TO START SOON

Construction Will Cost Town Only \$700; New Surface For Road

Actual work on the resurfacing of Main street from Rutgers to Joramom streets is expected to start within a few days, Director of Public Works Waters said yesterday. He explained that the job will be not merely one of hole-filling but of entire resurfacing. The project will cost the town \$700, while the county and WPA will put up \$7,000.

The ruts will be filled with penetration concrete. The same material will be used as a base for the gutter lines. The surface of the road will be removed and it will be covered with a two-inch thickness of bituminous concrete. The road will then be thirty feet wide, ten feet more than at present, since the gutters are not now paved.

The road has been in had condition for some time. The present project will be done with state WPA aid released through the county. It is expected that the State Highway Department will approve the plans today and turn them over to the county to be put in operation.

## Dr. Russell Sandford Is Wed To Kearny Girl

The marriage of Miss Ina Paterson, daughter of Mr. and Mrs. James Wilson Paterson of Kearny, and Dr. Russell Sandford, son of Mr. and Mrs. Russell Sandford of Clearman place, took place at the bride's home on Saturday afternoon at 5. Gowned in the traditional white and carrying white orchids, the bride was attended by Miss Bernice Brissick of Pittsburgh. Her brother, Gordon Paterson, was Dr. Sandford's best man.

Dr. Sandford was graduated from St. Benedict's Academy in Newark, Holy Cross University and Long Island College of Medicine. He is now serving an internship at Mountsides Hospital in Montclair. After a wedding trip in Maine, the couple will reside in Kearny.

## Mark 50th Anniversary

These long-time local residents, Mr. and Mrs. Henry T. Wilson of Union avenue, are celebrating their fiftieth wedding anniversary. They have resided here for thirty-five years. (Story on Page 7.)

## New Sea Scout Ship

The new forty-foot cruiser of the Sea Scouts is now in drydock in North Newark and is expected to be commissioned soon. The boat was formerly used by the Coast Guard in picket duty in New York Harbor. They will use it for training and weekend cruises.

**The Most Expensive Vacation Is The Vacation You Fail To Take**

A vacation in 1940 is a necessity — and a possibility!

Times have been better. Men and their wives have been under a strain — first a strain of worry, then the strain of paying old bills, and finally the strain of overtime work.

You need a vacation. Everything goes wrong with the over-tired mind. A vacation for you is a good investment.

Before you start on your vacation, don't forget to leave your securities safely in our vaults; and for safe carrying of funds — Traveler's Checks.

**THIS IS BUICK'S BIGGEST YEAR**

# Why not drive the car that made history?

Yes — prices begin at **\$895** for the business coupe — price of the 4-door sedan illustrated is **\$996** delivered at Flint, Mich. \*

YOU see something pretty special in that bright and shining Buick stepping along so dashingly here!

It's the biggest-selling car we ever built — our all-time sales champion. You've got to admit it had to be good to earn itself that title.

Maybe it would be a smart move on your part to find out why.

So, look into the smoothness of the only engine electrically balanced after assembly — sample firsthand the level comfort of coil springs all around. Try out the roomy comfort of the Buick SPECIAL, the biggest car, bumper to bumper, you can buy at the price.

The price, incidentally, is one of the biggest reasons why this is Buick's banner year.

You pay no more for this Buick, pound for pound, than for a good cook-stove — yet there are no less than six

dozen smart new 1940 improvements built into it, and a whole flock of things that would be "extras" elsewhere are included in the price.

Specifically, prices† begin at \$895 for the business coupe, delivered at Flint, Mich. \*Transportation based on rail rates, state and local taxes (if any), optional equipment and accessories are extra.

Hadn't you better see your Buick dealer — and get on the value bandwagon now?

Observing The Fourth

The observance of the 164th anniversary of the Declaration of Independence on the Fourth of July should mean more this year.

The scourge that is sweeping the world today is the fear of one man—in a different form of government perhaps, but with much of the cruelty and domination which char-

School Closing Brings Warning

Tomorrow is officially the first day of summer. To herald the arrival of a new season, the schools will let out several thousand youngsters for a two months' recess.

Governor Moore has sent a message to every school pupil in the state in which he wishes for them the best of summers but

The Boom For Wilkie

The most amazing thing about the national political campaign which dashes on and off the front pages depending on how much of Europe Hitler has decided to gobble up each day, has been the rise of Wendell L. Wilkie as a Republican nominee for the presidency.

Then, as if an army of press agents were let loose at once, the bombardment of the public with the name of Wilkie started.

According to those who are already counting the votes on the first and second ballots at the G.O.P. conclave in Philadelphia next week, neither Dewey nor Taft have sufficient delegates lined up at the moment to secure the nomination.

Willkie has waged a campaign that is entirely different from that of Dewey or Taft. They have stumped the country, speaking

acterized that of the rulers of the past centuries. Today there are forces which are threatening democracy — the principles for which the people of this nation have stood and fought during the past 164 years.

Should this day be passed by without any observance? Should not every one of us be reminded not only nationally but in our own community of the increasing importance of defending that for which our forefathers strove more than a century ago? We think so. As yet, there has been no indication that there will be a civic observance here on the Fourth. It has been said that there will be no fireworks display. Pyrotechnics are not an absolute necessity for some observance, although they go a long way in making it a successful event.

also warns them of the dangers that may come from not being careful. It is well worth the while not only for youngsters by for parents to read it. The Governor said:

"A summer of happy, carefree vacation days is ahead, and while at this time it is seemingly out of place to strike a somber note, yet I want you all to be back in school again in the fall, safe and sound. So, through your school principals, I want at this time to call your attention to vacation hazards and the necessity of always being on the look-out for danger.

"I am asking each and every one of you to take out some 'Fun Insurance.' There is no monetary cost. A promise to use caution is all that is necessary, but on the fulfillment of this promise depends the question of whether or not you will be among the fortunate ones, who were able to gain in health and at the same time to enjoy their vacations to the fullest.

"In these days, when the children of Europe are facing the ravages of war, we want our children to be spared even the fatalities of peacetime pursuits. You know, better than I, the wisdom of playing in yards and supervised playgrounds, rather than in streets or swimming at patrolled beaches, rather than in some dangerous out-of-the-way spot or watching out for traffic when crossing streets and highways."

at rallies that had much of the old political ballyhoo attached to them. They have elaborate publicity organizations which grind out thousands of stories and just as many pieces of literature to newspapers and other publications throughout the land.

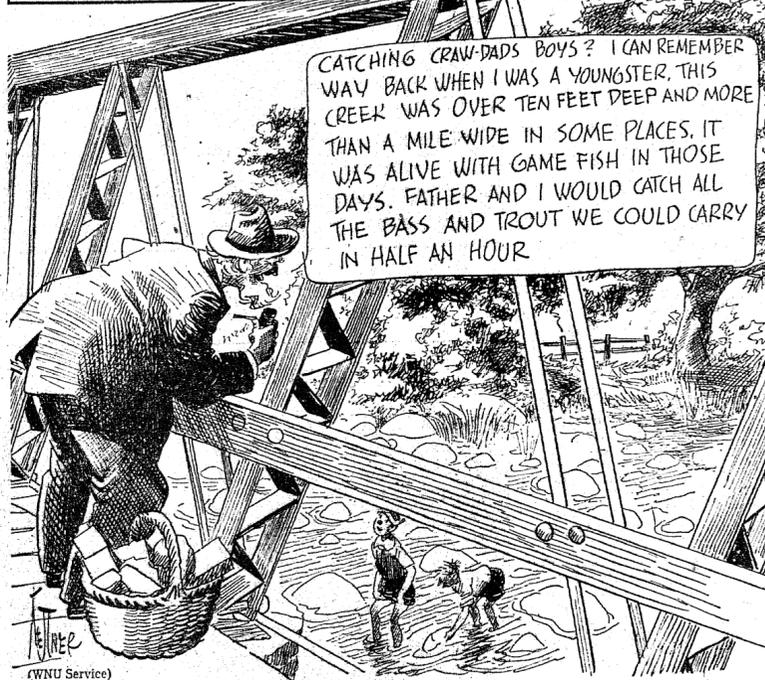

From those who are supporting him and from neutral sources comes the amazing story that Wilkie has not put any money into his campaign. It has all been volunteer assistance, although some of those supporting him have apparently put money into the war chest. Naturally, seeing a potential rival rise as rapidly as has Wilkie, the Dewey and Taft backers who have groomed their candidates carefully for more than a year, are searching for means to kick Wilkie back down the stairs. He's the mouth-piece for big business, he's a Democrat, he's this and he's that. All sorts of yarns are being passed about the political circle.

In Wilkie many see a man with an excellent business record who possesses the executive ability that would make him an exceptionally strong candidate for the Democrats to knock down. To us, who like many others have known little about this candidate until recently, Wilkie seems to have more on the ball than Lawyer Dewey, or Politician Taft.

Perhaps in his own words Wilkie best expresses the type of man that the people want. In Fortune magazine in April he wrote:

"... He must know that they believe in personal integrity — he must share that belief. He must know that they have deep and abiding faith in their country — and he must share that faith. He must know that national prosperity is more beneficial to them than sectional or occupational prosperity. And he must be the defender of their power, and not of the power of any institution or favored group. Such a man's political platform is never written or spoken. It is in his heart and in the hearts of the people."

ESSEX COUNTY POLITICS

The views expressed in this column, necessarily those of the Publishers or Editors of the Belleville News.

by Meador Wright

With the Republican National Convention ready to convene, political interest is centered on its decisions. These decisions will be analyzed in this column next week provided they are made before press time. I plan to be in Philadelphia during most of the sessions and will try to give as many local sidelights as possible.

The verdict was favorable.

Efficient Defense Needed

This reaction was fully shared by the delegates met Dewey for the first time. The outstanding impression I received was that here was a man who would be both independent and active, who would try sincerely and intelligently to correlate and make more efficient the terribly complex structure of American government.

Cites Un-Americanism

From Lieut. Frederick J. Pixlee, 269 Hornblower ave., Belleville, To the Editor of The News

One of the most stupid and vicious rumors that has ever come to my attention is the accusation that the baker and his family who conduct the business at Washington avenue and Joralemon street are members of an organization which is un-American in its principles.

Brands Numerous Acts

It seems to have become quite the custom to decorate the graves of American-born children and adults with the flag of a foreign power on Memorial Day, a strictly American holiday. This is an ignorant and very un-American practice, yet the perpetrators seem to think it the proper thing to do.

DOGS

by Laurence Torley

In the early months of the war there was much talk that England, one of the greatest dog-loving nations in the world, would have to do away with most of its dogs. Food seemed too scarce. But substitute diets have been worked out, and dogs thrive as they did in peacetime, according to Leonard E. Naylor, M. J. L., whose article, "Dogs Bolster British Morale," appears in the July issue of the American Kennel

MUSICAL SILHOUETTES

A Musical Commentary by Leon Carson

CCCXXXIV

What American music needs just now is a revolt on the part of the concert-going public. Music lovers of America, unite and throw off the shackles of that foreign domination which is destroying the hope of your native musicians.

Secondary Opera: This post-season of secondary opera in New York just concluded has again demonstrated the glamor and appeal of this type of entertainment on the basis of popular prices. The unusual, prolonged stay of Fortune Gallo's San Carlo Opera Company at the Center Theatre in Radio City, provided New York with a splendid brand of opera in a beautiful auditorium seating approximately 3,500 persons.

After witnessing and hearing these things in all over again to wonder why it is that a great city like New York cannot support not one but several so-called secondary opera houses wherein fine young talent can get its first start in operatic life, and where opera lovers of limited means can hear this type of musical drama sung in top-notch form.

Anyway, the policies of music advanced and woeful things to conjure with, and that leaves the whole situation in an unchanged status.

Gazette, official magazine of The American Kennel Club He writes, in part: "The statistics of dog destructions that appeared in some of the English newspapers when war broke out contained so many noughts that they looked like an egg-farm. The credulous folk who swallowed these figures were half inclined to cry when they saw a canine on the street, 'Look, there's a dog!' as though the species were almost as extinct as the dodo. But the dog population of England hasn't been badly hit as the alarmists made out."

Good Reason or Bad: Reginald Stewart, noted Toronto (Canada) orchestral conductor, has stated that he will play no more music by modern German composers.

# SPORTS BEFORE YOUR EYES

## Tourney Deadline Extended

Now that the closing date for entries for the town softball championships has been extended until July 1 the tournament committee expects an influx of teams hitherto not heard from and many who were heard from only to tell of hardship in getting the entry fee together or getting its players organized. Quite a few team managers told us during the past week that they expected their teams to enter if they could get them together in time to act on the proposition.

No team which chooses to stay out of the tourney can put forth any claim to the town title. There is always the we-can-beat-the-champs-any-day crowd who can talk big as long as there is little chance of proving its disparaging remarks. But to that crowd do not belong the boys who go out there and actually try to beat the champs while they are becoming champs.

Some of the teams that do not happen to be at the top of their particular leagues have thrown up their hands and said, "What's the use? We haven't a chance." Which defeatist attitude is probably one of the main reasons they are not near the top. There is a whole of a difference between an elimination tournament and a league season.

In a league a team can lose a game or two and still win the diamond. The defeat may—and usually does—come near the start of the season but the team shakes it off and comes through to win. In a tournament they are immediately out of competition and the field is opened up to the lesser lights. There is more of a chance for a moderately good team to salvage great glory from an otherwise "crab" season.

So let's hear something from the silent sections of the softball picture. There is not a single one of the seven teams from the Church League in the play, there are still five teams each from the Senior and the West Belleville circuits, there are seven members of the Industrial loop among the missing. Of the twenty-four there are certainly a few who have the courage to make a try for the summer's top athletic prize—the championship of Belleville and the chance to get a real hefty crack at the No. 1 outfit of Nutley.

## Oh, Mom...

Those guys are here again. This Sunday it's the Cardinals and the Cardinals in another one of those head-down-and-drag-out battles. When these two outfits get together anything goes and you can see practically anything the game of baseball has to offer. It is one of the few times that two Belleville teams play each other—an occurrence which seems to get rarer each year as the number of baseball nines in town get fewer.

## Careers End

The high school careers of ten men ended quietly and unexpectedly last fortnight when no one was looking. Nine of the boys who were waiting to blast Clifford in the final game of the Bellboy schedule were seniors. The game was washed out, however, and so their playing days for the Blue and Gold ended without them realizing it when they played Barringer the week before.

The last-year men were Captain Joe Sullivan, Stan Litts, Bill Handley, Jack Avayzer, Bob Fredricks, Tom Burns, George Miller, Carmen Gafano and Bill Daddio. The graduation scythe leaves the standouts few and far between for next years nine. Dom Picoline, Russ McDermott, Bill Smith, Charlie Schleckser and Bill Hunkle seem to be the best of the holdovers and around them Larry Gates will have quite a job cut out for himself.

One other high school career came unobtrusively to an end at the same time. Frank Smith finished five years of service to the local institution and his quiet going was in sharp contrast with the turbulence of most of his career here. For one reason or another Frank seemed to be in the midst of an argument in certain quarters most of the time. On the other hand he kept the love of the boys under him right to the end. He was either well-liked or disliked—like Roosevelt, there were few who were indifferent to him.

Now he will go back to Massachusetts and try to pick up another coaching job where he left off five years ago. And Belleville looks forward to the future with hope. When a new president is elected, no matter how good the old chief executive was, there is always a hope that the new one will be better and have better looks. That is the way Belleville looks forward to Larry Gates.

## CARDS, TRIANGLES WILL BATTLE FOR RED CROSS

Chapter To Receive Proceeds From Game Sunday At Capitol Field

The local chapter of the Red Cross will benefit and another chapter in the question of baseball supremacy in the town will be written Sunday afternoon when two of Belleville's three senior nines will clash at Capitol Field. The Cardinals and Triangles will meet in a doubleheader with the first game starting at 1:15. The proceeds of the game will go to the Red Cross War Relief Fund.

This meeting will be the second of the year for the two nines. The Cards squeezed out an 8-6 triumph a month ago. Since then, however, the picture has changed considerably. The Cardinals are in the midst of a streak of sloppy hand-handling and have been slaughtered several weekends in a row. The three-cornered boys, on the other hand, have been constantly improving their game and will probably rule slight favorites before game time.

The twin bill will bring four of Belleville's best young twirlers to the mound. Lou Pantacone has been one of the mainstays of the Triangle hill staff for several years and Les Dunham rolled up an impressive record with the high school before joining them last year.

The Cards will throw Bill "Red" Handley and Don Richards in the two games to try to repeat the former win. Richards will hurl the nightcap. Handley, who graduated from the high school last night, is slated for the opener.

## TRIANGLES DROP CLOSE ONE

Newark N.N.S. Trim Them 7-6 In Twelve Innings; Walk Paves Way

The Belleville Triangles dropped a close extra-inning affair to the Newark N.N.S. at West Side Park, Newark, Sunday. The final score, after twelve innings, was 7-6 and was decided when Lou Pantacone issued a free pass to first with the score knotted. The winning run came in with two outs in the twelfth.

The Triangles gathered an early 4-1 lead in the second and they held on to the advantage until the last of the ninth. Leading 6-3 by that time, they dropped their advantage when the home-esters tripped across the plate with three runs.

It was a tough one for Pantacone to lose. He had allowed only three hits in the first eight innings. Two errors and a hit batsman loaded the bags in the ninth, which made a perfect spot for Ross' double.

## Committee Votes Extension For Softball Battle

There is still another week and a half to enter the Belleville Softball Championship Tournament. The committee in charge of arrangements met Monday night, considered the seven entries which have already been made and the numerous requests for extension, and voted to move the deadline forward to July 1. The committee approved the plan with the understanding that there would be no further extensions.

## LOCALS HUMBLIED IN TWO GAMES

Cards Swamped By Newark Club and Bounced By Bengaltown Team 10-5

With heads bowed, the Cardinals crawled back to Belleville Sunday night. The weekend found them absorbing a pair of laces. On Saturday the Newark Kayoers pounded out a 17-4 victory over the local lads and Sunday the Cardinals did little better in dropping a 10-5 decision to the Bloomfield A. C.

For two innings on Saturday the locals were riding high. A three-run uprising in the second frame had given them a lead. From then on, however, it was never close. On Sunday the Cards looked like a bunch of clowns. The pitching was good, with Evans and Handley allowing but five hits. The Cardinal infield, with a grand total of ten errors, literally handed the game to the Bloomfield club. The Bengal team had one hit in each of the first, third and fourth frames but managed to tally a grand total of ten runs with these three hits.

## Imperials Wallop Arrows 9-2 And Starlings 8-7

The Imperials chalked up two more victories for themselves last week when they trounced the Belleville Rosery Arrows, 9-2 and nosed out the Silver Lake Starlings in the last inning, 8-7.

Pasquerelli limited the Arrows to four singles. Daddio helped clinch the second game with a long four-bagger.

by PEGGY PATTERSON

There is something so thought-provoking and stimulating about the questionnaire and quiz method of many magazine articles today that we hope you are not passing them up. Reading for knowledge pre-supposes one important thing which most people overlook. It is first essential to know what you need to know. How better to find out than by submitting yourself to a quiz by those who undoubtedly know a great deal more of their subject. Your sensitive nature is spared, too, for no one need know your score. The true and false method is also fine; for if you emphatically label a fact true and then find you are wrong you will probably be chagrined enough to remember the correct interpretation. Although the subject matter so treated ranges from prosaic household duties to the sublime art of love, and although some of the questions are mediocre, there is one certain thing.

You will wind up with a clear picture of what you do not know about, for instance, mothproofing, cosmetics or perhaps improving your social standing. Better than that—you will do something about it! A question is often a challenge.

The successful efforts of the medical profession in combating dangerous epidemics and working miracles of rescue in mass fatalities has always been greeted with breathless enthusiasm and profound respect by most of us. These accomplishments have been immortalized in books and plays, and rightly so. But occasionally it is drawn to our attention that there are veritable armies of scientific men who are daily contributing to the most spectacular battles of all. If these battles were not fought we would be the victims of diseases of which we do not even know the names but whose terrifying power we could not escape.

### Fatality On The Table

The United States Department of Animal Industry is the seat of action in this country for some of the greatest protective work that has ever been done. The meat we eat, the milk we drink, the mosquitoes by which we are bitten are all attributes to our daily life which we take very much for granted. Any of these, however, can carry germs which would be just as fatal to us as some of the barbarous methods of modern warfare which we contemplate with the deepest horror.

To keep the plagues of the barnyard from slipping over into the human world is the work of 4,000 men in this department. Besides the laboratory experiments, where blood samples of sick animals are tested, there are equipped trailers which move right into the scene of any animal epidemic and which constantly circulate testing the animals which are our food. Tuberculosis, undulant fever, sleeping sickness and trichinosis, to mention a few, are all diseases which have taken a tremendous drop in the twenty-five years during which the quiet war of science has been going on against them. Quoting statistics on the gruesome number of deaths from these causes is fortunately no longer necessary. What should impress us is the fact that America's millions of farm animals are ready our best friends because their health is being safeguarded by a silent army of workers.

If you could walk into your favorite department store when you are frantic with the problem of choosing a gift for someone and find there a file of his or her likes and dislikes you would think it a marvel of efficiency. This is a solution which is too good to be true, at present anyway. But there is a service of this nature which you can render to yourself and its significance is even greater, in our estimation, than that of gift selection. It is the oft-repeated suggestion that you keep a guest book in which can be noted the habits, tastes and other pertinent data about those whom you entertain.

### Opportunity For Brides

Brides of this month have an ideal opportunity for starting such a hostess guide as soon as they are established in their homes and have started the round of entertaining which is their natural outlet for returning the courtesies shown them before marriage. It is a thing which must be built up gradually, of course. And one's natural good taste indicates that it is a thing which must be done discreetly and not obviously. But there is no surer way to entertain successfully than to plan the menus, games and topics of conversation which will truly please your guest and put him at his ease. You will be quite surprised at the information you will want to jot down after your guests leave. A preference for cocoanut cake or the knowledge that his hobby is fishing or a mutual acquaintance in Chicago—these are items that give you something to work on. Combine this record with a birthday and anniversary book and you will never have to regret your social shortcomings.

## WILSONS TO MARK ANNIVERSARY

### Union Avenue Couple To Celebrate Fifty Years of Marriage On Saturday

Mr. and Mrs. Henry E. Wilson of 284 Union avenue will celebrate their golden wedding anniversary with a mass at St. Peter's Church Saturday morning. They will be guests of honor at a family dinner at the River View Inn in Lyndhurst and at a reception at their home in the evening.

Wilson, who is seventy, was married to Mrs. Wilson, sixty-eight, fifty years ago in Brooklyn. They have lived at their Union avenue home for thirty-two years and can remember when theirs was the only house on Union avenue when it was a dirt road.

The Wilsons have six sons, two daughters, eleven grandchildren, and one great-grandchild. The sons are Eugene T., George A., Francis E., Harry A., Joseph H., and William W. The daughters are Mrs. Agnes Ellison of the Union avenue address and Mrs. Joseph A. Caskey of 11 Washington avenue.

A retired telegraph operator, Wilson was assistant district superintendent of Postal Telegraph in New York. He was secretary-treasurer of the Belleville Club which existed about fifteen years ago. For a while he served on the election board and also ran for mayor.

## Myra Zink Weds Woodcliff Man At Christ Church

In a church lighted by a host of candles, Myra FitzRandolph Zink, daughter of Senator and Mrs. Homer C. Zink of Rossmore place, became the bride of C. Bradford Brown, Jr., son of Mrs. C. Bradford Brown and the late Mr. Brown of Woodcliff. The wedding took place Saturday evening in Christ Episcopal Church. Rev. Dr. Peter Deckenbach officiated.

Observed on the same day was the twenty-fifth wedding anniversary of Senator and Mrs. Zink. Their children entertained at luncheon for them at the Downtown Club Saturday afternoon. Present at the luncheon were Mrs. Emily Duncan of Glen Ridge and David McKenzie of Bloomfield who attended the Senator and Mrs. Zink at their wedding.

SISTERHOOD NAMES STEINBECK NOVEL IS TOPPED

Officers Will Be Installed Tuesday Night At Congregation AAA

Mrs. Clara Weinglass of 237 New street was named president of the Sisterhood of Congregation A.A.A. at its annual election last week. The other new officers are Mrs. Bessie Demmer, first vice-president; Mrs. Rose Schaffer, second vice-president; Mrs. Sara Abramson, corresponding secretary; Mrs. Lillian Berkowitz, treasurer and Mrs. Estelle Kessler, recording secretary.

The officers will be installed at the closing meeting of the Sisterhood Tuesday night in the social hall of the Congregation. Rabbi Rubin R. Dobin, spiritual leader of the Congregation, will take part in the installation.

Mrs. Dorothy Steinhauer is the retiring president and Mrs. Sara Fellman the outgoing recording secretary. The other officers were re-elected.

Charles Madison Charles Madison, sixty-nine, of 52 Noltzen street, died Sunday at his home. Mr. Madison, born in Palisades, N. Y., operated a confectionery store in Belleville and for the last five years in Newark. His home had been in Belleville since 1907. Before coming here Mr. Madison operated a wholesale newspaper agency in Passaic.

Mr. Madison served on the Essex County and Belleville election boards for fourteen years and was active in Belleville politics, being one of the organizers of the old Republican League.

He leaves his wife, Mrs. Mary E. Madison, a son, Charles J., of 38 Smallwood avenue; a daughter, Mrs. William Jones of the Noltzen street address, and a brother, William of Rahway, and three grandchildren.

Funeral services were held yesterday at the Irvine Funeral Home. He will be buried in East Ridgelawn Cemetery, Delaware.

Mrs. Letizia Rosamilia Mrs. Letizia Caprio Rosamilia, mother of Leo Rosamilio of this town, died at her home in Newark last week after a brief illness. She was sixty-six.

Besides Leo, she leaves her husband, Raffaele; two other sons, Joseph and Dr. Peter Rosamilia of Newark; four daughters, Mrs. Leonaida DeRogatis and Mrs. Josephine Lardieri of Newark; Mrs. Fannie Sterbenz and Mrs. John Errico of Bloomfield; and twenty-one grandchildren.

Church of Christ, Scientist 605 Broad Street, Newark. "Is the Universe, Including Man, Evolved by Atomic Force?" is the Lesson-Sermon subject for Sunday, in all Christian Science Churches and Societies throughout the world.

The Golden Text is: "Lo, he that formeth the mountains, and createth the wind, and declareth unto man what is his thought, that maketh the morning darkness, and treadeth upon the high places of the earth, The Lord, The God of hosts, is his name."

Among the Lesson-Sermon citations is the following from the Bible: "For all those things hath mine hand made, and all those things have been, saith the Lord: but to this man will I look, even to him that is poor and of a contrite spirit, and trembleth at my word."

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "In divine Science, the universe, includ-

Campfire Girls Spend Weekend At Clarks' Summer Home

A group of ten girls, members of the O-wa-ki-yah group of the Camp Fire Girls, spent the weekend at the summer home of Mr. and Mrs. W. Douglas Clark, Jr., of Floyd street, in Pequannock.

The girls were accompanied by their guardian, Miss Grace Marting, and the assistant guardian, Mrs. Claramae Stivers.

Those in the group were Jean McDonnell, Evelyn and Virginia Ackerman, Eunice Wilson, Gertrude Wilson. Mary McManus, Adeline Schulze, Dorothy Zaleska, Eleanor Bowden and Dorothy Carpenter.

On Saturday night they had a council fire conducted by the guardians, at which time the Woodgatherers songs were presented to Jean and Doris McDonnell, Evelyn and Virginia Ackerman, Dorothy Carpenter, Eunice Wilson and Claramae Stivers.

The council fire was dedicated to the five who are graduating this week from grammar school and each girl was presented with a gift. Those receiving gifts were Eleanor Bowden, Dorothy Carpenter, Dorothy Zaleska, Gertrude Wilson and Evelyn Ackerman.

A committee headed by Mrs. Christine Harvey of 639 Belleville avenue has arranged a reunion dinner dance for the graduates of the High School Class of 1930 to be held tomorrow night at the Club Evergreen. At least fifty persons are expected to attend.

Eighteen Charter Members Of Municipal Band

Eighteen local musicians met in the Recreation House Thursday night to become the charter members of the Belleville Municipal Band. The musical unit is sponsored by the Recreation Department.

Andrew Pfifer, chairman, and Henry C. Stephan, director, organized the meeting and spoke to the group about the necessity of attending all rehearsals. The first rehearsal of the new group will be held at the same place tonight at 8.

Correction The News was in error last week when it spoke of the death of Peter Obenauer as following an automobile accident a year ago. We have been informed that Mr. Obenauer was never in an auto accident.

MY HUSBAND WANTED TO PIN A MEDAL ON ME!

You should have heard him last week, passing out the praise! "MMMMmm," he said, "that's the finest steak you ever cooked!" But this morning he thought he was putting me on a spot. "Let's see if you can serve such a tender steak again tonight!"

"Can I get another steak—as perfect as the last one?" said I to my butcher. I told him how tender and juicy and flavorful the last steak had been. Then I asked for another like it—two perfect steaks in succession! Instead of looking at me as if I were asking for the moon, he just smiled and said, "Of course ..."

"This time and every time—it's always tender because it's TENDERAY"

my butcher said with wonderful conviction. Then he went on, "Hundreds of our customers are as enthusiastic about Tenderay as you are. And no wonder! Tenderay beef is always tender and full of flavor. It doesn't cost you a cent more than ordinary beef!"

WHAT'S TENDERAY? Tenderay is a scientifically controlled method which aids and speeds up nature's own slow way of tenderizing fine, wholesome, fresh beef to make it extra tender and delicious. Tenderay makes all cuts of beef tender—chuck, flank, sirloin, etc. In the Tenderay process no chemicals are added to the meat; there is no precooking and no mechanical treatment. Tenderay is a patented process developed by the research laboratories of Westinghouse, in cooperation with food scientists of the world-famous Mellon Institute. U.S. Pat. Nos. 2,169,081 and 2,192,343

**DR. SEYMOUR P. FISCHER**  
OPTOMETRIST  
Announces the Opening of his New Offices at the SUN BUILDING 388 Franklin Avenue, Nutley, N. J.  
These offices are equipped with the newest and most accurate instruments for eye examination and training known to optical science. Used with a wide and extensive experience in modern refracting techniques, they combine to offer patients the utmost in scientific care and comfort.  
For Appointment Please Call NUTLEY 2-1651  
Dr. Fischer announces that he intends to specialize in eye care designed to eliminate eye strain. These latest developments are particularly interesting to parents whose children, following class promotion in school, develop so-called short-sightedness. If the child complains that the blackboard in the schoolroom cannot be seen clearly from all desks, it does not mean that the child is permanently short-sighted. The same problem applies to adults who change their reading distance or working tasks.  
When these conditions are properly understood, they cease to be problems of any magnitude.  
Orthoptic training is rapidly winning many friends. In plain language orthoptic training is merely building up, by exercise, of these weak or sluggish muscles so that reading or close work tasks at the reading distance can be performed without undue eyestrain.

**Go to see your Doctor before he has to come and see You!**  
The practical benefits of frequent physical examination are best expressed in the phrase, "Go to see your doctor before he has to come and see you!"  
Going to see your doctor permits him to keep a constant and accurate check on your health. When he comes to see you it is usually because a neglected disorder has developed into serious sickness.
