Library Donation — Sherry Moccia, president of the Belleville Junior Woman's Club, presents a \$50 check to Library Director Gerard Hickey to kick off the library's furniture funding drive for its new addition. Flanking them are Linda Caputo and JoAnn McGough.

MS center delayed again but backers win support

The Zoning Board has postponed until July 7 a hearing on the proposal by the Multiple Sclerosis Association of Essex County to build a therapy center in the Valley. Meanwhile, though, center proponents have gained a victory.

The postponement is the latest in a series the case has received from the board, however, unlike previous times, the association was requesting the delay Tuesday. The organization's attorney was ill and unable to attend the meeting.

The association wants to build its therapy center on a vacant lot at Ralph Street and Bella Vista Avenue, which was donated by the town to the Belleville-based group three years ago. The association plans to put up a one-story building approximately 50 by 100 feet on the site. The therapy center would

provide free treatment to persons with multiple sclerosis, a disease of the nervous system which strikes young men and women and causes crippling and blindness.

Many area residents are opposed to the center, which would be located across from School 9, because of traffic problems they fear may arise. About 10 parents from the district appeared Monday before School Board trustees, who were studying the center proposal.

The association got good news as trustees decided to support the operation of the center if some changes in the center plans were made. Trustees asked their attorney, Lawrence Schwartz, to write a letter to the Zoning Board expressing the concerns of the members along with their recommendations.

The three suggestions made were

to keep the hours of operation from 9 a.m. to 3 p.m., close off one of the two proposed driveways — preferably the one located on Bella Vista Avenue — and limit the number of cars which will come to and from the site each day.

MS Association President Dick Renna, who attended Monday's meeting, told residents that no more than five patients would be treated at the center each day. He added that the association would be obtaining a bus from the state to provide transportation for the patients when the program expanded.

Renna also invited a resident representative to join the association's advisory board so that the area would have a say in what happens at the center.

"We will fit it in the area," Renna said. "The building is not going to be an eyesore. It will not downgrade the area and we can even arrange for it to be open to the residents in the area during the evening hours."

But School 9 PTA President Katherine Wesolowski was one of the many parents not pleased with the center.

"We don't want everything else in our neighborhood," she told board members. "We don't care if it is an MS center, a trucking company or a factory. We pay taxes for our homes

Silver Lakers suing to lower water bills

About 750 Silver Lake residents who pay water bills to Newark have filed a class-action lawsuit against both that city and Belleville charging both have let a discriminatory rate discrepancy exist since 1972.

The rate discrepancy, says attorney Lawrence Schwartz who's handling the case for Silver Lake, may have cost those residents hundreds of thousands of dollars over the last nine years.

"I think we have a good case against both of them. Newark doesn't have the approval to charge what they're charging and Belleville hasn't done anything to change it," said Schwartz last week.

Silver Lake residents have been organizing to fight the rate discrepancy for more than two months.

They are being led by Art Saulino, his wife Rae, and Larry Cuomo and Marie Gammara.

Saulino says he has met privately with local commissioners about the case and although they have sympathized with him, they have taken no action to change the situation.

Joe Paradise, Newark Water Company's director of customer services, has emphasized that Newark can charge Silver Lake residents more than others in Belleville because the company, not the town, maintains water pipes south of Newark Avenue.

Though Belleville water monitor Steve Vogel believes a higher rate for Silver Lake went into effect only after 1978, Schwartz said he thinks

Please see "Silver Lakers" on page 8.

HS principal uphappy with computer system

By Ed Capparucci

BHS Principal John DeCesare says the computer system at the high school is "not what we thought it would be," and he appeared before the School Board Monday night to ask trustees to consider replacing or updating the equipment.

"The system we have now is one which we are not satisfied with mechanically," DeCesare told board members. "It is not quick enough, it has broken down several times and we cannot perform two functions on it at one time, which really inconveniences us."

The system, designed by NCR, was purchased by the School Board two years ago and is used for scheduling, grading and attendance-taking. Trustees are hoping to add the school budget and junior high and elementary school attendance records to the system, but according to an NCR official, that could not be done unless trustees bought a new computer.

"When the Belleville school system purchased this computer, it was a moderately priced piece of equipment," said Michael Zdanis,

Please see "Computer" on page 8.

TRIMMED BY THREE POINTS

Commissioners vote to slice town budget

By Ed Capparucci

Over the objection of Finance Director Joseph McGreevy, commissioners Tuesday night voted to reduce the municipal budget an additional three tax points by increasing their reserve for uncollected by \$123,000.

It was Mayor Michael Marotti who made the suggestion to increase the reserve from the present 93.9 to 94.5 in an effort to trim the budget which he noted had taken "much heat" from Belleville taxpayers. Though vote to hike the reserve was 5-0, McGreevy issued a strong warning to his colleagues.

"I am not in favor of the increasing of the uncollected tax funds," McGreevy said. "We are going to come up short next year, and if you think we had problems with this year's budget, wait until you see the problem you are causing next year's."

This year's budget is up over \$74,400 from last year's \$10.8 million appropriation. The original figure commissioners had been working with would have meant a tax hike of 37 points. Commissioners cut that down to 30 when they introduced the budget several weeks ago and sliced it to 27 points Tuesday night.

McGreevy's main concern was the tax appeals which have been lodged against the town in record numbers in the past year. McGreevy feels that by raising the uncollected tax fund, commissioners would be leaving the town in a vulnerable position because those bringing the appeals have been winning their cases and reducing Belleville's tax revenues. And the finance director feels the situation is likely to get worse.

"We were hit with \$1.5 million in tax appeals which had to be returned to the taxpayers," he noted. "This Please see 'Commissioners' on page 8.

the Belleville times

Town will go bond route to reconstruct its streets

Commissioners have unveiled an \$822,000 public works bond ordinance for street resurfacing. Five projects will be undertaken in all, four of them financed through the Essex County Community Development Block Grant Program.

One of the projects will be to reconstruct a quarter-mile portion of Belmont Avenue, the strip running from Franklin Street to Bloomfield Avenue. The street has been a top priority of commissioners since residents started complaining about vehicles making noise riding over the many potholes there. Another \$23,000 will go towards resurfacing of the street once it has been reconstructed.

The plan also includes \$55,000 for resurfacing a three-quarter-mile strip on Mill Street from Franklin Street to the Bloomfield line. The town will

pay \$19,000, with the state providing the remaining \$36,000.

Commissioners also plan to spend \$303,000 for replacement of a water main on Smallwood Avenue from Franklin Street to Belleville Avenue and another \$275,000 for installing a water main on Belleville Avenue from Franklin Avenue to the Bloomfield city limits. Although Belleville Avenue is technically a county road, the town is responsible for any maintenance needed along the route.

In another action at last Tuesday's meeting, commissioners reappointed five trustees to the board of the Community Mental Health Services of Belleville, Bloomfield and Nutley. Those trustees may be serving only several months more if the town decides to withdraw from the agency, which provides psychiatric

care to residents of the three towns. A decision to drop out of the program has been delayed while commissioners study alternate means of providing mental health service.

Those named were School Board member Thomas Spillane, Jerry DiNicola, Patricia Diana, Joseph Capella and the Rev. John Shay of Wesley Methodist Church. All were appointed to one-year terms beginning on May 1.

In one other development at last week's meeting, Commissioner Mary Senatore, who has received the endorsement of the county's Democratic organization to run for State Assembly, was asked if she would remain in her town post if elected in November. She responded, "Yes."

Health fair on Monday

Clara Maass Memorial will hold the first in a series of mini-health fairs starting 10 a.m. to 4 p.m. Monday in the hospital's main lobby.

The "Stay Healthy" fairs will commence with free height, weight and blood pressure testing sponsored by the Clara Maass School of Nursing.

Diet and nutritional counseling will run through the week. Two of the hospital's on-staff dietitians will be available to answer any questions regarding balanced diets and problems that may result from vitamin deficiencies.

Clara Maass will also be holding special screenings each Monday during the month of May. Among the tests offered will be those for anemia, hemocult II and oral cancer.

The "Stay Healthy" mini-fairs will also feature information displays on nutrition for the family, respiratory therapy, Tel-Med, demonstrations of the Heimlich Maneuver and other health-related topics.

More information about the fairs can be obtained by calling the Clara Maass public relations department at 751-1000, extension 817.

MS Walk — Dick Renna (left), president of the Essex County Multiple Sclerosis Association, stands with his daughter, Judi, and Chuck Conti and his daughter, Carla Marie, before the start of Sunday's MS walk here. More next week.

Hairdresser qualifies for master committee

Anthony Colichio of Belleville, owner of La Bella Donna Hair Salon in Paterson, has qualified for the prestigious hair fashion committee of the New Jersey Master Hairdressers and Cosmetologists Association.

To qualify for the committee,

Colichio was required to pass an eight-hour written, oral and practical examination administered at Bally's Park Place in Atlantic City. He was one of four persons to take the best in April. In order to be eligible, a practitioner must be a member of the Hairdressers and Cosmetologists Association and must be invited to take the qualifying exam by the group's executive board.

Colichio, a graduate of the Capri Institute of Hair Design in Clifton, was employed by Shear Honesty in Wayne and studied with Vidal Sassoon in London prior to opening La Bella Donna less than a year ago. La Bella Donna is a full-service salon offering hair styling for men and women.

Banking Friend — Marvel Comics superhero Spiderman was the guest of honor at the grand opening of Howard Savings Bank's new office in the Pathmark mini-mall on Washington Avenue in Belleville. Kids of all ages brought their parents along for moral support as they met the masked crimefighter. The Howard is New Jersey's biggest bank, with assets in excess of \$2.8 billion and 45 offices, including one in Nutley.

Postman wants to see mailboxes spruced up

Among the many things this season brings to mind is spring cleaning, and Newark Postmaster Joseph J. Benucci is reminding residents to include their mailboxes in the annual rite.

"Neat, attractive mailboxes add to the overall appearance of the community and aid in the delivery of mail," says Benucci.

Boxes should be within easy reach for letter carriers. "Rain or snow leaking into the mailbox could ruin the special letter," adds the postmaster, "so box seams should be tight to prevent the loss of damage of mail placed in the box."

Box numbers and house numbers should be clearly visible but inclusion of the owner's name is optional.

All mailboxes must meet certain requirements for size, strength,

safety and location. The guidelines are available from the local post office.

PSE&G gold for resident

Bernardino Lepore of 357 DeWitt Ave. will complete 25 years with Public Service Electric and Gas Company in May and will be presented a gold service emblem in honor of the occasion.

Lepore is a machine operator in the company's Newark transmission and distribution department. He is one of 19 PSE&G employees who will complete a quarter-century of service this month.

Photo Guild opens shop

The Photo Guild, established three years ago in Kearny, has opened at 142 Ralph St. in Belleville and will be holding summer workshops. Topics will include operation of 35-millimeter cameras, color and studio fashion photography.

In addition to the evening classes, the Photo Guild will offer a professional studio for rent by the hour, monthly model shoots and gallery space for exhibitions.

Classes begin the week of May 18 and registration information may be obtained by calling 751-9695 or writing the guild.

WATER CRISIS! FIRST DeWITT URGES YOU TO SAVE WATER!

State sex ed mandate makes parents angry

Residents objected vehemently last week to New Jersey's new sex education mandate, charging local schools will be teaching a subject best kept in the home.

The residents, Anthony DiPaolo and unsuccessful Board of Education candidate Frank Montagna, warned parents that "the state" is taking away more and more of their rights and trying to assume traditional local powers.

"I don't like what I see," said School Superintendent Dr. John Greed, specifically mentioning a topic such as incest which the new state guidelines suggest be discussed in the fourth grade.

The guidelines have yet to receive full State Board of Education approval and are now just proposals to local districts. However, in the past, districts disregarding state "proposals" have lost funding. That experience lingers in the minds of local educators when they review state guidelines.

The sex education curriculum must be set by September, according to state mandate, though actual teaching doesn't have to begin until September 1983.

Montagna, like DiPaolo, was upset not only by the course itself, but at the fact that local taxpayers will again be forced to pay for another state-mandated program, one most parents opposed during last year's public hearings in Trenton.

Exactly how much starting the sex education program will cost — for supplies, training and teachers — is unknown, but Greed doesn't expect any financial help from state officials.

"They're not going to send us 10 cents on the matter," he stressed. He added that although local schools don't have a written sex education curriculum, the subject is handled now "on an informal basis" in biology and other classes.

Greed, once a strong advocate of sex education as theoretically at least a good idea, is now very cautious about supporting a comprehensive program. He said he is supposed to empanel a local committee to make recommendations on sex education before it's begun in 1983.

Trustee Anthony D'Agostino noted last week that he had reviewed sex education curriculums for six years as the principal of a Newark school, but Board President Charles Miele said he hadn't yet heard from state officials about when any curriculum might arrive for review here.

Although the exact form of sex education will undoubtedly become a more hotly discussed topic over the next two years, trustees seem to feel some kind of sex education does belong in the schools. Some are known to feel that parents don't always do an adequate job helping their children understand sexuality, whether as personality development, or in its emotional, intellectual and social aspects.

Some trustees have said that because of pervasive media emphasis on sex, students must learn to cope with their own sexuality before they can understand how to deal with outside influences that neither parents or educators have any control over.

Trustees have previously assured residents that any sex education curriculum would be thoroughly publicized and discussed before any program is begun, noting how crucial parent support is for the success of a sex education course.

Smith named merit scholar

Belleville resident Kenneth Smith, a senior at Montclair Kimberley Academy, has won a National Merit Scholarship.

Smith, who lives at 65 Dorothea Terrace, will receive his award under the sponsorship of Rutgers University where he will study biological science when he begins college in the fall.

The Merit Scholarship Corporation has awarded more than 4,700 highly able students scholarships valued at some \$15.5 million. The scholarships can range from \$1,000 to \$8,000 over the four-year college period.

Smith has listed a long list of academic and social achievements. The winner of a VFW "Voice of Democracy" essay contest, he is also short story editor for his school literary magazine and member of the Sacred Heart Cathedral Choir. He also had a part in this year's school musical and was a musician for last year's school play.

Pharmacy Footnotes

Vincent Cozzarelli
Reg. Ph.

An individual generally cannot completely solve the problem of financing medical care, but one's actions are more important. Each consumer should be certain that consumer health education as an integral part of the over-all consumer movement is understood. One should use discriminate judgement in purchasing products and services since manufacturers are influenced by the actions of its customers. Each purchase counts in this respect. Availability of medical insurance is a benefit that should not be overlooked. This is true regardless of the portion that may be company paid. Prolonged illness and hospitalization can be catastrophic to family finances without such protection.

For complete prescription service see us at ROSSMORE PHARMACY, 338 Washington Ave., 759-1956, 759-1968. We are Medicare and Blue Cross approved. Gifts, greeting cards and Russell Stover candies are available for Mother's Day. Open: Daily 9am-10pm, Sundays 9am-6pm.

opinion

Prayer for today

Strengthen me, O God, by the grace of Thy Holy Spirit; grant me to be strengthened with might in the inner man, and to put away from my heart all useless anxiety and distress, and let me never be drawn aside by various longings after anything whatever, whether it be worthless or precious; but may I regard all things as passing away, and myself as passing away with them.

For nothing is lasting under the sun, for all things are vanity and vexation of spirit. O, how wise is he who thus regards them.

Grant me, O Lord, heavenly wisdom, that I may learn to seek Thee above all things, and to understand all other things as they are, according to the order of Thy wisdom.

Grant me prudently to avoid the one who flatters me, and patiently to bear with the one who contradicts me; for it is a mark of great wisdom not to be moved by every wind of words, nor to give ear to the wicked flattery of the siren; for thus we shall go on securely in the course we have begun.

Thomas a Kempis

Eliminate tax on our savings

Income taxes are levied on interest from one's savings.

The economics of this country have changed — especially in the world of finance. Money market funds are an attractive lure for the savings of our people. Checks can be drawn against such funds while the money in the account earns interest to the day of a check withdrawal.

Our federal legislature should look into the possibility of exempting savings from income taxes. Money must return to the savings accounts of our people in order to make funds available

to lend to those who need them. The present trend is for money to leave the savings and loans and banks for institutions paying higher rates with advantages deriving from non-regulation.

People should be encouraged to save money — one way is to eliminate income taxes from earnings derived from savings.

Frank A. Orechio

Thought for today

You never can tell when you send a word
Like an arrow shot from a bow
By an archer blind, be it cruel or kind
Just where it may chance to go.

It may pierce the breast of your dearest friend,
Tipped with its poison or balm,
To a stranger's heart in life's great mart
It may carry its pain or its calm.

You never can tell when you do an act
Just what the result may be,
But with every deed you are sowing a seed,
Though the harvest you may not see.

Each kindly act is an acorn dropped
In God's productive soil;
You may not know, but the tree shall grow
With shelter for those who toil.

You never can tell what your thoughts will do
In bringing you hate or love,
For thoughts are things, and their airy wings
Are swifter than carrier doves.

They follow the law of the universe —
Each thing must create its kind,
And they speed o'er the track to bring you back
Whatever went out from your mind.

Letters

Non-English-speaking require help country provided in past

To the Editor:

I am writing this letter in response to your editorial, "Peter, Oh Peter," in The Belleville Times/News dated Feb. 19.

In your editorial you attacked County Executive Peter Shapiro for his support of legislation that would help Hispanic migrant agricultural laborers. Your criticisms are based on the fact that Essex County is not an agricultural area and the U.S.A. is not a bilingual country. You further argued that other immigrants came

to America and learned English during past immigrations the hard way, so if it was good for them, why not continue the same practice?

Let's take your points one at a time:

First, some five million youngsters in the U.S.A. come from homes in which the generally spoken language is other than English. Thirty-six million of those children need bilingual education to enable them to manage the regular curriculum.

Second, bilingual education is not new

in the U.S.A. English has not always been the only language used in American schools. In the 1880s in Ohio, Wisconsin, Colorado, Oregon, Maryland and Minnesota, bilingual education was an integral part of the curriculum, either as a medium of instruction or as a subject to be taught. In Louisiana, French was used. In New Mexico, Spanish was used. In the eastern states, public schools taught children in Chinese, Italian, Greek, Yiddish and French.

Furthermore, your position that past practices should dictate our present and future is to say the least a neanderthal posture. Education as every other aspect of our lives has evolved into enlightened policies which have produced the best educated population in the world.

Mr. Shapiro represents the enlightened renaissance man who has given his life to public service. His support of one of the most oppressed sectors of our society, the migrant agricultural worker, should be applauded. We should be proud that Essex County has such a humanistic leader in Mr. Shapiro and he should be encouraged to continue his efforts on behalf of those too weak and powerless to help themselves.

We are, in the last analysis, our brothers' keepers.

Ramon Rivera
Executive Director
La Casa, 75 Park Ave.
Newark

(Publisher's Note: Your prose is very high-sounding, but I still believe that in America, immigrants should conform with the language of this nation, learn the English language and become 100 percent American. I continue to oppose a bilingual country. America is for Americans and English is our language.)

Mayor Marotti makes a fan of former critic

To the Editor:

Please consider the following, as an "Open Letter to the Mayor," thanking him for his recent response to a request printed in a letter to the editor of the paper on March 5, 1981:

Dear Mayor Marotti:

I would like to take this opportunity to thank you for your prompt attention to the situation that existed at School 7 Field as outlined in my letter to the editor of The Belleville Times, dated March 5, 1981.

The extending fences, new batting cage, bleachers and enclosed team benches installed last week are a welcome sight and a signal of relief for parents and coaches who were concerned about the safety of the young participants in the Belleville Pigtail Softball League. It is a comfort to know

that the mayor's office and the Board of Education have shown such an interest in the girls' athletic program and do not simply "turn a deaf ear" to requests of this nature.

I am sure you have made a lasting positive impression on all our players and their coaches, and on their behalf, I would like to extend to you and the members of the Board of Education an invitation to attend the games, beginning on May 4. Thanks to you, I am confident that it will be an exciting and enjoyable season for all of us.

Sincerely,
Roberta M. Salvatore
Coach
Pigtail Softball League

Control criminals now before they control us

To the Editor:

On March 30, 1981, we saw once again how our country works. Watching the whole thing on television brought back memories of Harry Truman, John Kennedy, Martin Luther King and Robert Kennedy. Television is so quick today at bringing things like this into our living rooms, but each time it happens, you are less and less excited because you say to yourself, "This is how society is. What can you expect?"

The Russians, according to one newscast I heard, made the statement that our western form of government seems to be a sick and unsafe one. Are they right? Good question. But is it an important question to many people? I'll leave that to my readers.

Now that things have settled down and people have gotten back to the routine of whatever they do, you're hearing a lot of congressmen and senators hollering about outlawing "Saturday night specials" all over again. Let me say in no uncertain terms it is not the guns they have to outlaw, it is the men behind the guns because no gun regardless of how big or small can go off by itself.

What I'm going to say here some people may not like or agree with: We've got to start treating criminals as they really are

— criminals — and not concern ourselves so much with their rights.

We have to go back to capital punishment for all murders whether the person killed is a plain, ordinary citizen or the president of the United States. The criminal should get a quick punishment. I do not mean years after the crime is done — I mean within a few days, weeks or months at the most.

Our system in this country today is a shambles. It is too easy and it is all for the criminals and not the victims.

Criminal lawyers should not be so interested in defending punks because nine times out of 10, they know they are guilty. They are more interested in how much money they can make and how many headlines they can get than in the victims, or the criminals for that matter.

Let's stop hiding behind the words, "temporary insanity." To me there is no such thing. A person is either sane or he isn't. Let's get back to controlling crime or I can assure you crime is going to control us.

Sincerely,
Wm. H. Rundle
Essex County Geriatrics Center
Belleville

Private sector could teach government some lessons

To the Editor:

In the mail the other day came the customary confirmation of a payment to a major insurance company. Included with the confirmation was the message that these statements would no longer be furnished. The canceled check would be confirmation in the future. Fair enough.

The reason given was the latest increase in postal rates, with yet another hike "promised" in the near future, for a total of 35 percent. The insurance company explained that the action was taken to protect the future dividends of the policyholders, and I am for that also.

Don't be surprised if many more companies will take similar steps to hold the line on these expenses. And then, with postal revenues again dropping off substantially, the management's one and only answer will be to raise the rates some more.

This is very much like the forecast in

public transportation, where I foresee the situation that the fares eventually will be raised to such a level that the only one on the bus will be the driver, and he doesn't pay.

On the other hand, why is it, that in the private sector, when profits fall off, these dummies always lower their prices and have what they call "a sale" instead of raising their prices to pay the rent?

Why not cut the fares and the rates in half and perhaps triple the number of riders and double the volume of mail instead of having buses riding around near empty most of the time and the mailman only dropping off a couple of bills, including on a Saturday yet, which by itself is a \$600 million waste of taxpayers' money because we make up the losses?

Letter policy

The Times continues to receive letters on a variety of topics which, unfortunately, may never find their way onto our editorial page. That is because they are unsigned.

As a matter of policy, The Times accepts only signed letters. "Signatures" such as "A Concerned Citizen" or "A Worried Parent" will not do. Only names will suffice. However, we will withhold names from publication upon request.

New York TV hates Jersey

To the Editor:

What's so funny about Piscataway, New Jersey? Only that 7.3 million New Jerseyans allow the New York city television stations to dump on our beautiful state and convey a perverted image of us to the rest of the United States. Citizens of New Jersey, unite. We have nothing to lose but our rotten image!

Recently NBC slandered my town, Piscataway, on its March 7 "Saturday Night Live" broadcast. It portrayed Piscataway as a chemical disaster area. In this period of concern for toxic and hazardous chemicals, no more emotionally charged slander could be possible. This is only one more in a long series of cheap shots against our fine state by the New York television media.

There are those among us who ask why our sense of humor seems so easily bruised when it comes to New Jersey. Because it takes jobs away from our citizens. What modern industry would locate in a state which has the stigma of being an unsafe place to work and live. A negative state image serves to devalue property, decrease job opportunities and persuade young adults to seek careers elsewhere.

Now is the time for all citizens of New Jersey to write to the Federal Communications Commission to encourage the relocation of Channel 9 to our state. As long as the New York television stations monopolize the airwaves and remain remote from the heartland of New Jersey, our state will continue to be maligned and made the subject of tasteless jokes. The address is Federal Communications Commission, Washington, D.C. 20554.

Let's work to communicate the true picture of New Jersey — from its sandy resort beaches to its vast, undeveloped pinelands, to the mountains ranging through northern and western New Jersey. We have a lot for which to be proud!

Very truly yours,
Mayor Bob Smith
Piscataway

Senior Notes

By George Chehoweth

The New Jersey Federation of Senior Citizens invites you and your club to participate in its sixth annual convention to be held 9:30 a.m. to 3 p.m. Thursday, May 28, at Mercer County Community College, West Windsor Campus.

The convention is the annual meeting at which election of statewide officers takes place and issue priorities are selected. It is then that many important decisions will be made for the year that will benefit New Jersey's elderly.

The convention will feature prominent speakers and furnish important information on senior programs and campaigns that the federation is currently involved with on the legislative front. Through participation in the federation, seniors in the state have played a major role in shaping significant decisions in the organization's brief but productive history.

Some of those decisions are establishment of a Lifeline utility credit for elderly, poor and moderate-income people; passage of the generic drug bill which saves consumers \$14 million annually, and passage of a 50 percent reduction in no-fault personal injury payments for seniors. In addition, the federation won \$2 prescriptions for most seniors, fought to exempt pension income from the state income tax, won restoration of cuts made in New Jersey's Supplementary Security Income Program and organized the first senior tax convention in the United States, attended by over 1,300 delegates. The seniors also successfully organized the legislative campaign for a medically needy bill in the 1977 assembly, won guaranteed senior representation on all county Title XX coalitions and increased funding for senior projects under that program. They organized the largest senior gathering in New Jersey when 3,850 delegates attended the third annual NJFSC convention April 20, 1978, in Trenton.

These are just a few of the accomplishments of the federation. On Tuesday, April 28, federation members rallied with 700 senior citizens in Trenton to protest the governor's plan to balance the state budget by use of \$80 million in casino taxes that had already been dedicated to the elderly and disabled.

The New Jersey Federation of Senior Citizens is unique in that it is independent, it is controlled by no entity other than its membership, no governmental body, no church or special interest group. NJFSC employs a full-time staff of trained personnel who are seniors and non-seniors. They assist the group's voluntary, elected executive board of seniors. NJFSC is truly non-partisan. It deals with issues that unite and elects its leadership in annual assembly by vote of its member delegates.

Through the federation, you can be heard! Come to the convention on May 28!

Chieffo will head Florio drive here

Former School Board member Mike Chieffo has been named Belleville coordinator for the Jim Florio for Governor Democratic Campaign.

Chieffo will also serve on the East Essex steering committee and as a surrogate speaker for Florio, a South Jersey congressman making

his second run for the governorship.

Former Essex County freeholder president Joseph Iannuzzi has been named co-coordinator of the campaign here. Persons wishing to volunteer for Florio may call the East Essex headquarters at 483-5380.

Dental Health
PHILIP WASSERMAN, D.D.S.
BADMOUTH OR SWEETMOUTH?

I know it's not a pleasant subject, but halitosis is a fact of human life. It is not a disease, but a sign that something is happening in your mouth. It might be as simple as the natural action of saliva on bits of food or as serious as tooth decay, gum disease or even the symptom of a more serious disease.

Bits of food left in the mouth, is by far, the most common cause. Food debris gets caught in any number of places in the mouth, mixes with bacteria and the product is "bad breath". Onions, garlic, alcohol and tobacco, by their nature, can also cause foul breath. Cavities (which are food traps for bacteria), tartar buildup, and

poorly-fitting dentures are also common causes of halitosis.

What can you do about halitosis? It's a simple two-step approach: dental appointments on a regular basis and regular home care for your teeth. The dentist will fill the cavities, remove the tartar, and make sure the bridges and dentures fit. A proper brushing and flossing regimen is the key to your personal dental hygiene. Between brushings, rinse your mouth to dislodge food particles. Be a sweetmouth!

A public service to promote better dental health. From the office of: DENTISTRY FOR CHILDREN, P.A. 562 Kingsland Street, Nutley.

Buy Loan Sell
**Jewels &
Gems**

by Lou Cienia

Garnet is the collective title for a family of one half dozen silicate minerals. While all are of the same basic structure, they are not all of gem quality. Probably the most common used by jewelers is the blood red pyrope garnet. Its color at the highest level allows it to be sometimes confused with a ruby. It is this red coloring, in fact, which gives it its name. "Granatum" is the Latin word for pomegranate. The purple Almadine garnet is usually cabochon-cut, with a hollow underneath. This form is called a "carbuncle". Legend says that Noah used carbuncles to illuminate his ark.

Whether you are interested in a garnet stone or any other piece of jewelry, here at CHARLES JEWELERS, 163 Washington Ave. Belleville, we will be sure to help you make the right choice. We will also take your older, or new, piece of jewelry and/or chains and give you its worth toward a new piece. Are you short of a little cash? Come see me. By pledging your jewelry I can give you a loan to help you. We are an expert and discreet pawnbroker shop as well as one of the finest jewelry stores in the area. You can call me or anyone of my staff for further information. 759-2468.

GEM TIP:
The red pyrope is the birthstone of Aquarians (Jan. 21 - Feb. 19) and is said to offer protection from injury.

Barbara Ann DeLuca and Joseph Szybel

Barbara Ann DeLuca to wed Joseph Szybel

Mr. and Mrs. Alfred DeLuca 24 Prospect St. have announced the engagement of their daughter, Barbara Ann, to Joseph Robert Szybel, son of Mrs. Joan Szybel of Irvington and the late Mr. Peter Szybel.

The troth was made known at a family party April 25 hosted by the prospective bride's parents at the

Belleville Moose Hall.

Miss DeLuca, an alumna of Belleville High School, is a file clerk with Kimball Industries, Belleville.

Mr. Szybel attended Irvington High School and is longshoreman in Port Newark.

The wedding will take place in the fall of 1982.

Mary Gilhool becomes bride of Edward Watts

Miss Mary Lynn Gilhool, daughter of Mrs. Patricia Gilhool and Paul Gilhool, both of Nutley, became the bride Feb. 14 of Edward Watts Jr., son of Mr. and Mrs. Edward Watts Sr. of 321 Grant Ave.

The Rev. Timothy Horgan performed the ceremony in St. Mary's Church. Music was provided by organist John Janke, guitarist Joseph Wasiuk and vocalist Lydia Bruno. A reception followed at Sammaro's, Wayne.

Escorted by her father, the bride wore a chiffon gown with a net illusion neckline accented with a starburst pattern of seed pearls. Cuffs were of pearls and lace, and the gown was fashioned with a cathedral train.

A floor-length veil was trimmed with pearls and the bride carried white carnations, pink roses and babies breath.

Miss Patricia Ann Gilhool of Nutley was her sister's maid of Nutley. Bridesmaids included Miss Linda DeFranco and Miss Betsy Serzarella of Nutley and the groom's sisters, Dr. Sharlene and Miss Cynthia Watts, also of Nutley.

The honor attendant was attired in a dark rose Qiana gown with lace inserts on bodice and cuffs. She wore

a single pink rose with babies breath in her hair and carried dark pink roses, burgundy carnations and babies breath. The others were similarly attired in dusky rose Qiana.

John Yanoschak of Piscataway was best man. Ushering were Kevin Watts and Mark Gilhool of Nutley, brothers of the couple, Gene Petriello of Kearny and Bruce Watts of Woodbridge, cousins of the groom.

Mrs. Gilhool chose a kelly green taffeta gown with a corsage of green-tipped white carnations. The groom's mother was in a winter white crepe de chine gown trimmed in crystals and pearls. Her corsage was a gardenia.

Mrs. Watts, an alumna of Nutley High School, is a student at Seton Hall University where she is majoring in teaching of the deaf.

Mr. Watts, also a Nutley High School graduate, attended Fairleigh Dickinson University, Rutherford, and is also a student at Seton Hall. He is an auxiliary police officer in Nutley and works for New Jersey Bell Telephone, Newark.

The couple honeymooned in Acapulco, Mexico, and have made their home in Belleville.

Sisterhood holding auction Wednesday

The Sisterhood of Congregation Ahavath Achim will sponsor a chinese auction 7:30 p.m. this coming Wednesday in Sisterhood Hall, 125 Academy St., just around the corner from the Public Library.

The admission fee will include refreshments. The assortment of prizes will include something for everyone. There will also be a white elephant sale with a wide choice of items.

Chairman Freida Berkowit is being assisted by a large committee. Tickets are available at the door and from Thrifty Fabrics and Michael's Mens' and Boys' Wear, both on Washington Avenue.

Carolyn Osborn
lost 132 pounds!

Carolyn Osborn lost 132 pounds at Diet Center in one year. Before then, she was at her highest weight...and her lowest point, emotionally.

Carolyn shares her story: "I had tried everything, reducing satons, shots, pills, fad diets, Weight Watchers, Tops, you name it! After all that, I still weighed 270 pounds. At right is a picture of me the day I started the Diet Center Program.

I did not tell anyone for two weeks that I was going to Diet Center, because I truly felt at the bottom of the bucket. I had given up hope and did not want another failure.

"Diet Center has turned my world and the world of my family to a world of

sunshine. The counselors are fantastic. I was never hungry. The diet is totally sound nutritionally. I've lost 132 pounds and 152 inches, and for the first time in years I like myself!"

You can lose 17 to 25 pounds in just six weeks, and that rate of reduction can be sustained until you reach your goal weight.

Diet Center's program is based on sound nutrition and private counseling. Here at last is a totally natural way to control your weight. Diet Center is more than just a diet, it's a whole new way of life.

Belleville's past

Belleville was a river town before the railroad came through, and most of the raw and manufactured products shipped or received from Newark and New York were transported by boat.

The business center was on Main Street from William Street to the bridge at Rutgers Street. The Passaic River was a beautiful stream and the scenery was magnificent. The old drawbridge was a decided landmark. On the far side just above the bridge stood the famous Jersey City waterworks tower, while on the Belleville side just across Main Street was the Old Mansion House.

The bridge approach was flanked on one side by the White Bridge Inn, and on the other was an oyster bar run by Old Bill King.

Bill King was a master hand at serving oyster stews. The oysters and clams came from Newark Bay and boats came up the river every day or two with fresh supplies of shell fish.

There was a lot of other shipping on the river too, among the boats were the tugs "Queen May," "Fannie B. Mackintosh" and "Hortense." Then there was "The Passaic Queen," a passenger boat that made two trips daily between Newark and Passaic. On Decoration Day each year, there would be a regatta just below the Greenwood Lake Railroad bridge and "The Passaic Queen" would be used as the referee's boat.

The old bridge was a gathering place for Belleville citizens, and animated discussions on politics and affairs of the town and nation were settled to the satisfaction of these citizens on the spot. In the middle of the intersection of Main and Rutgers Streets, at the foot of the bridge, stood a large stone water trough. The top part was for horses to drink from and the bottom part for dogs.

The Belleville Historical Society

Clara Maass director wins top Israeli honor

Dr. William Greifinger, chairman of the New Jersey Medical Society Board of Trustees and medical director at Clara Maass Memorial Hospital, has been presented with the Maimonides Award, Israel's highest medical honor.

The honor was conferred upon Greifinger during a state of Israel tribute dinner held at the Short Hills Caterers. Dr. Rosalyn S. Yalow, a Nobel laureate, made the presentation.

The Maimonides Award recognizes Greifinger for his long and distinguished career as a physician, medical director and leader in the metropolitan New Jersey Jewish community. He has served on the United Jewish Appeal physicians' division and State of Israel Bonds' medical division. He is also a trustee of Congregation Oheb Shalom in South Orange.

Greifinger, a diplomate of the American Board of Internal Medicine and a fellow of the American College of Physicians, practices in Belleville. He has been medical director at Clara Maass for 11 years and a member of the hospital's medical staff for over 40. During that time he has served as director of the department of medicine and president of the medical staff.

Greifinger was elected to his State Medical Society position last year after having served on its board seven years. He has also served as president of the Essex County

Dr. William Greifinger

Medical Society and is the former director of medicine and president of the medical staff at St. James Hospital, Newark. He is vice president of the hospital's board of trustees.

Greifinger and his wife Gertrude have three children, Dr. Robert B., Dr. David J. and Richard A.

Greifinger received a special tribute from the Clara Maass Memorial Hospital Guild last year when he was named recipient of its first Physician of the Year Award. He was cited for his humanitarian and educational work in the medical profession.

Family matriarch given a party by her relatives

A surprise party was given recently for Maude Jacobus of Iselin by her family. Mrs. Jacobus was born Dec. 19, 1890, in Pennsylvania and has lived in New Jersey for many years.

Mrs. Jacobus has three daughters, Sarah Pizapio of Bel-

leville, Mary Alexander of Maryland and Claire Raynak of Iselin. She also has five grandchildren, 13 great-grandchildren and 15 great-great-grandchildren. Thirty-nine relatives attended the party and all had a great time.

College Corner

Residents awarded degrees from Kean

Two Belleville residents have graduated from Kean College in Union. **Anthony Caesar Orsini** was awarded a master of arts degree in administration and supervision, while **Edward Richard Dressler** received a bachelor of arts degree majoring in political science.

Ginger Horak Kline of Belleville has been named to the dean's list for the winter quarter at Iowa State University. She is majoring in veterinary medicine at the Ames, Iowa, school. To make the list, students needed a grade point average of 3.5 or better on a 4.0 scale.

Belleville resident **Glenn A. MacFarlane**, a biology student at the Florham-Madison campus of Fairleigh Dickinson University, has been admitted to Phi Omega Epsilon, the university's senior honor society.

New members were honored at a reception held April 13 in Lenfell Hall, The Mansion. Students were awarded certificates of membership in the society. To qualify for Phi Omega Epsilon, a student must have attained a grade point average of 3.2 on a 4.0 scale and have completed at least 96 credit hours.

Nancy Marino of Belleville is performing with the Rutgers University Chorale 3 p.m. this Sunday at the Newark Museum, 49 Washington Ave. The chorale and university orchestra will present the American premiere of Johann Nepomuk Hummel's "Te Deum," a 15-minute piece. The free program will also include Hummel's Concerto for Trumpet in E-flat and choral-orchestral works by Holst.

Computer needs upgrading

Continued from page one.

district manager for NCR. "This program will do everything we said it would. The changes the board wants to make in programming, by adding the budget and attendance of other schools to the computer calls for the purchase of a more advanced model."

The new processor would cost the board \$80,000, almost a 50 percent discount from the original price of more than \$150,000.

DeCesare told the board that it

was costing the school system more than 600 hours of overtime to run the present system, because it cannot perform more than two functions at one time.

"When we purchased the system, I thought it would have met all our needs," DeCesare said, "but while it does do what it is supposed to do, it doesn't work as fast as we want."

"In the future we are going to want to expand the programs, and unless we change the system, we will not be able to benefit the schools in

Belleville," he continued. "Right now we have the best system around, and we are well ahead of most schools, but the system is just slow at times because we cannot operate two functions at one time."

Another option the board could take to speed up the system, while holding down costs, would be to purchase new programs for the present computer. The cost of that would be in the neighborhood of \$15,000.

But according to DeCesare, there would be a disadvantage to doing that.

"The purchasing of the new programs would eliminate the time problem we are now facing," DeCesare said, "but then we would have to ask ourselves, 'is this as far as we want to progress?' because the new program would perform the

same functions as the present one, but only at a faster rate of speed."

"That means we would be at our maximum level and we would not be able to expand our program to include the elementary and junior high schools," he continued. "In the near future we will have to do this, so we should think about it now."

Board President Charles Miele asked DeCesare to get together a list of the proposals and their cost before the board makes a final decision.

Board gives center its partial backing

Continued from page one.

and we want our area to be residential.

"You talk about declining enrollment in the schools, so why not build more houses on that property instead of giving it away?" she continued. "That area can be used for senior citizens or a nice park. Let us keep our homes in a residential area."

Trustee Thomas Zampino told the parents that he could see the center existing if the traffic problem were controlled.

"I feel that your main objection is

the traffic," he said, "and it is a very good one. But perhaps we can come to some type of agreement. By closing the driveway on Bella Vista you would only have one entrance and exit for cars, and also by limiting the hours of operation and the amount of cars which come to the center, I feel that the problem would be solved."

The board basically agreed with Zampino's position and there was no little by the parents present. It would appear the only large problem remaining for the association now is getting its case before the Zoning Board.

Commissioners refuse to slice own budgets

Continued from page one.

year we are going to face over \$2 million in tax appeals, and by doing this you're not going to help matters. I am going to vote yes, but I don't want anyone going to me complaining next year."

Marotti responded to McGreevy by reminding him how residents had complained about the budget increases at last week's public hearing. With 18 points for the school budget and four points going to the county, taxpayers are being hit with a 49-point increase.

"People are complaining about out the budget now," Marotti said, "and we have to answer to them now! If this move means the budget will go up higher next year, we will worry about it then."

"We also have to remember that there are things we can do to get additional revenue over the course of the year, and if we get off our butts and move, then we won't have to worry about budget increases," he continued. "If Clara Maass Hospital is going to appeal its taxes, then we will have to start charging them for the services we give them for nothing."

The mayor was referring to the

\$1.4 million tax appeal Clara Maass has filed for its professional building.

Public Safety Commissioner Matthew Pica agreed completely with the mayor. "There is money to be gotten if we get off our tails, and go out and get it," Pica said. "By increasing the uncollected tax revenue we are going to put pressure on ourselves to get out there and look for money which would be coming in, and I think it is a great idea."

Marotti also suggested that commissioners cut an additional two points off their own budgets, but that idea received no support whatsoever.

"I have cut my health and dental clinic and three doctors," said Public Affairs Commissioner Vincent Strumolo, "and I don't see where the hell I can cut anymore."

Pica agreed with Strumolo. "There is nowhere in my budget where I can cut without hurting my police force," he said, "and the fact is I cannot cut anywhere."

The budget was not officially adopted Tuesday because it had not received approval from the Division of Local Government Affairs in Trenton. Commissioners said they would vote on the budget at the next regularly scheduled meeting Tuesday.

Silver Lakers are going to the courts over bills

Continued from page one.

the discrepancy goes back to 1972. However, the date won't be firmly established until more records are checked.

Though Saulino noted several weeks ago that Newark had lowered its rates for Silver Lake, residents there are still paying more. Schwartz noted their lawsuit asks not only for equal rates but for the return of all "overcharges" to residents.

Schwartz noted that Bloomfield apparently subsidizes nine of its residents who are charged extra for water by Newark, but Saulino said local commissioners weren't willing to help out with any Silver Lake water bills.

"I think it is discriminatory to charge one part of town one rate and another much higher," asserted Schwartz. "You can understand how much they're being overcharged if say every one of those 750 pays an extra \$100 per year." He pointed out that over 10 years that would be an additional \$750,000.

"This is why we have the courts. If it's fair and equitable, they're going to agree with it," said Schwartz, asked about the possibility of any out-of-court settlement.

He stressed the lawsuit "doesn't blame" local commissioners since most probably didn't realize how much Silver Lake residents were being overcharged. "I don't think there's any reason they're allowed to do this," he said of Newark's increased water rate to Silver Lakers

south of Newark Avenue.

Schwartz said no date for hearing Silver Lake's class-action lawsuit has yet been set.

Store hours could be cut

By Rich Leardo

Town Attorney Frank Zinna has told commissioners they can legally act to limit the operating hours of the Belmont Avenue Pathmark, citing a recent court ruling which allowed the township of Springfield to restrict the 24-hour operation of a Quick Check grocery store there.

Commissioners had asked Zinna to investigate the question after hearing Silver Lake residents link crime increases there to the 24-hour activity at the Pathmark. Several assaults and two rapes have taken place after dark, perpetrated upon shoppers on their way to or from the store.

At last Tuesday night's town meeting, Zinna recommended that across-the-board action be taken to limit all 24-hour stores in Belleville, since it would be discriminatory for commissioners to aim a ruling at one store only and permit other establishments to stay open round the clock.

Public Safety Commissioner Matthew Pica immediately directed the Police Department to gather crime statistics for the area. He will present his findings to his colleagues at their meeting this coming Tuesday.

State ballet sets brunch

The Friends of the Garden State Ballet will host a champagne brunch and fashion show noon this coming Wednesday at the Manor, West Orange. The event will feature a silent auction of gifts, a fashion show of seasonal clothing by Jalm of Milburn and a performance by members of the Garden State Ballet. All proceeds will benefit the 20-year-old Newark based dance troupe which is under the direction of Fred Danielli.

The silent auction will include such items as an artists proof of Cybis porcelain, Baccarat crystal, a television set and a designer telephone from New Jersey Bell. Area banks, businesses and retail establishments have donated gifts and services for the auction.

A highlight of the afternoon will be a performance by members of the ballet who will dance excerpts from Peter Anastos's "Footage" choreographed for the company in 1980 to big band music of the 1940s.

Reservations may be made by calling the ballet office at 623-0591.

Racing Form — Dan Magno of Belleville (Nicely, Nicely Johnson) discusses the latest race results with Ron Doyle (Rusty Charlie) and John Crocco (Benny Southstreet) in "Guys and Dolls" which opens tomorrow at St. Thomas the Apostle Church.

'Guys and Dolls' bows tomorrow

Dan Magno of Belleville will appear this weekend as Nicely, Nicely Johnson in a production of the Broadway hit of the early 50s, "Guys and Dolls." The show is being presented by the Parkway Players of St. Thomas the Apostle Church, Bloomfield, 8 p.m. tomorrow and Saturday and May 15 and 16 in the school gymnasium, 50 Byrd Ave., Bloomfield.

Magno has appeared in other community theater productions such as "1776," "A Funny Thing Happened on the Way to the Forum," "Play It Again Sam" and "Prisoner of Second Avenue." In addition to appearing on stage, he is responsible for the lighting design of "Guys and Dolls."

The show is being directed and choreographed by Kathy Thomas of Newark, with music directed by Barbara Bernstein-Magno, Dan's wife. Mrs. Magno, a music teacher in the Montclair school system, has had considerable experience directing music for local productions and Broadway shows and has worked on

a number of occasions with Miss Thomas.

A graduate of William Paterson College with a degree in music education, Mrs. Magno has had more than 15 years of experience not only as a music director but has an actress. She has appeared on stage in the leading roles as Julie in "Carousel" and Hodel in "Fiddler on the Roof."

"Guys and Dolls" was originally produced on Broadway in the early 1950s, starring Robert Alda and Vivian Blain. It was later filmed in a movie starring Marlon Brando and Frank Sinatra. With music by Frank Lesser, the show portrays the hilarious events which take place when a group of urban street missionaries seek to bring "salvation" to a group of Damon Runyon Broadway gamblers. The show features such hit songs as "I've Never Been in Love Before," "I've Got the Horse Right Here" and "Take Back Your Mink."

For ticket information, call 338-4791.

Local Juniors leaving for Jersey convention

Belleville Juniors will attend their annual spring state convention at the Playboy Club in Great Gorge tomorrow through Sunday.

The convention culminates the Juniors' year, and awards for outstanding departments will be presented to winning state clubs. Belleville boasts its charter president, Barbara Spillane, as state director of the New Jersey State Federation of Woman's Clubs' Junior Membership Department. She will preside over the 2,500 women attending.

The Belleville Junior Woman's Club recently sponsored a series of field trips for children. Activities chairman Pam Van Holland organized an outing to Turtle Back Zoo April 21 for club members, their children and guests.

Environment chairman Sandy Zampino organized a trip to the Belleville reservoir April 23. The program included points of interest

for water conservation and protection of natural resources. Mrs. Zampino also sponsored a poster contest on the environment for Belleville children in conjunction with the school system's art departments. The theme was littering. Winners will be announced this month. The department will also be planting a tree in May as a sign of its appreciation for natural resources and to help beautify Belleville.

Social service chairman Linda Caputo organized club members to assist the special education olympics held at Belleville High School last month. Juniors helped serve refreshments to participants and spectators. Helping out were Mrs. Caputo, Georgeann Ventola and Lucy Capello.

Women 18 to 35 interested in joining the club may contact membership chairman JoAnne Braniff at 759-2534.

30-MONTH CERTIFICATE AVAILABLE FOR A MINIMUM DEPOSIT OF \$500.

On Time Accounts and Certificates, FDIC regulations require that withdrawals of principal before maturity are subject to a substantial interest penalty.

Interest Checking- What a swell idea!

If you don't earn interest on the money in your checking account, maybe you should.

And you can — thanks to Interest Checking. Interest Checking works like your present checking account, with one nice plus: 5 1/4% interest, compounded continuously and credited monthly on the day your statement is prepared. And if you keep a minimum balance of \$1000 or more, there's no monthly service charge.

It's the best way to make all your money work for you all the time.

So do your money a favor. It'll do you a favor in return.

For details stop by today.

the Howard SAVINGS BANK

Member FDIC

New Jersey's biggest bank for a lot of good reasons.

School shortcut ends up costing

You've seen that commercial where the mechanic warns menacingly, "You can pay me now or you can pay me later." Well, School Board members learned a consumer lesson of a sort last week when they heard shortcuts taken 17 years ago have cost them \$1,331.10. However, they have taken steps to make sure they will never be "paying later" again.

What happened 17 years ago when Belleville High was built was that last-minute changes were made in the construction design of the wall where the school's new vocational wing is now being put up. However, those changes were never noted on construction blueprints provided the board because, says Trustee Caesar Romano, trustees even then were trying to save taxpayer dollars.

To update the original specifications would have cost more money and trustees then apparently felt the bucks were better used elsewhere. And probably they were. Recently, however, when Frank F. Adessa and Sons Inc., the contractor working on the new wing, knocked a wall down during construction, some plumbing and electrical wiring were destroyed behind a wall where no plumbing or wiring was shown. The reason: The construction specs were never updated because past trustees wanted to save the money.

Told this, Trustee John DiStasi seemed incredulous, but quickly noted the board should make sure all future construction work was updated, and final specs show exactly

where everything was.

He held up okaying the expenditure to make the repairs until he found out what caused Adessa's error, making sure it wasn't simply Adessa's fault for disregarding specs or not following plans.

DiStasi urged his colleagues to require complete construction plans on all present and future construction so future boards wouldn't face unexpected expenses caused by cutting corners. His colleagues all agreed.

Health Department offers free services

The Belleville Health Department is reminding residents of the free services it provides.

Every Tuesday from 10 a.m. to noon, a child health clinic is held for youngsters up to age 6. Children who are well may come by appointment for check-ups and required shots.

Every Wednesday from 10 a.m. to 1 p.m., adult residents may visit the department offices at 383 Washington Ave. for check-ups and screening services. Appointments are necessary, and residents are reminded that this service does not take the place of their private physicians.

The health department also provides the full range of public health nursing, communicable disease control, sanitation of the environment, health education, and maintains a bureau of vital statistics.

GRAND UNION

DOUBLE VALUE COUPONS

All this week in Belleville and North Arlington Grand Unions.

Now, any manufacturer's "cents off" coupon (on brands and sizes we carry) will be redeemed for double savings. For example, if the coupon gives you 50¢ off, Grand Union gives you double value or 1.00 off. (Because of the current market conditions on the supply of coffee, and to insure every customer a fair share, we are limiting our double coffee coupon redemptions to one container of coffee per shopping family. Coupons for additional coffee purchases will be redeemed at face value.) This offer does not apply to Grand Union, or free, or any retailer coupons, or where the total will exceed the price of the item. (Cigarette and milk coupons prohibited by law).

Offer expires Sat., May 9

Airman Edward Leming

Leming now air specialist

Airman Edward A. Leming of 94 Bremond St. has completed three months of training at Lackland Air Force Base in San Antonio, Texas.

Leming graduated from the base Jan. 19 and is now stationed at Whiteman Air Force Base, Mo., where he is a security specialist. He also intends to learn the plumbing trade.

Leming is a 1980 graduate of Belleville High School. He is the son of Gus and Lorraine Leming and the brother of Lorraine and Gus Jr.

Vargas awarded Conduct Medal

Marine Cpl. Alonso Vargas has received a Good Conduct Medal. The award signifies faithful service during a three-year period. To earn it, enlisted Marines must maintain an unblemished record for the entire period.

Vargas is serving with Marine Attack Training Squadron 102, Marine Corps Air Station, Yuma, Ariz. His wife Maria is the daughter of Jose and Maria Sol of 147 Garden Ave.

BLISS

A BLISS EXTERMINATOR COMPANY

One of the Oldest & Largest

Belleville community bulletin board

(Items for the Belleville Bulletin Board may be sent to P.O. Box 56, Belleville, N.J., dropped off at 777 Bloomfield Ave., Nutley, or telephoned to the Times/News at 759-3200. There is no charge for this public service. Belleville organizations are urged to list future events well in advance so the weekly listing of events can serve as a "clearing house" for other groups attempting to avoid conflicting dates.)

Obituaries

Nicholas Reda; Teamster, 58

A Mass was offered Saturday in St. Lucy's Church, Newark, for Nicholas A. Reda Sr., 58, who died April 29 at St. Barnabas Medical Center, Livingston.

Mr. Reda, a Belleville resident, was a warehouse worker for the Union Terminal Cold Storage Company, Jersey City, nine years. He was a member of Teamsters Local 617 Amalgamated Meat Cutters of America and of the St. Gerard Men's Society of Newark.

Surviving are his wife, Rose; two daughters, Miss Jody and Mrs. Susan Cosentino; two sons, Nicholas A. Jr. and Gerard; a sister, Mrs. Anna DePersio, and four grandchildren.

The Spatola Funeral Home, Newark, made arrangements.

Mamie R. Marra; succumbs at 72

A Mass was offered Tuesday in St. Francis Xavier Church, Newark, for Mamie R. Marra, 72, who died Friday at the East Orange Nursing Home.

Mrs. Marra, a lifelong Newark resident, was a member of the Belleville Senior Citizens' Club.

Surviving are her husband, Nicholas; two sons, Michael and Nicholas Jr.; a daughter, Miss Jacqueline; a brother, James Mazza; two sisters, Mrs. Josephine LaMandri and Mrs. Gilda Marra, three grandchildren and three great-grandchildren.

The Megaro Memorial Home, Newark made arrangements.

Miss D.L. Beyer; registered nurse

A service was held April 27 for D. Louise Beyer who died April 24 at Clara Maass Memorial Hospital.

Miss Beyer was a registered nurse 50 years before her retirement from Beth Israel Hospital, Newark. Born in Newark, she came to Belleville 21 years ago.

Surviving are a sister, Mrs. Jule E. Kelly of Belleville, and a nephew, James Kelly of Cedar Grove.

Arrangements were made by the Kiernan Funeral Home where the service was held. Interment was in Woodland Cemetery.

Antonio Loprete; Roche employee

A Mass was offered April 29 in St. Francis Xavier Church, Newark, for Antonio Loprete, 48, who died April 26 at Clara Maass Memorial Hospital.

Mr. Loprete was a maintenance worker with Hoffmann-LaRoche in Nutley 10 years. He was a member of the Liberty Club, Newark.

Born in Italy, Mr. Loprete came to Belleville 13 years ago.

Surviving are his wife, Rachele; two daughters, the Misses Susanna and Angela; his father, Costantino Loprete, and a brother, Giuseppe.

The Megaro Memorial Home, Newark, made arrangements.

Miss Anna Larson; dead at age of 74

A Mass was offered Monday in St. Dominic's Church, Bricktown, for Anna Mae Larson, 74, who died Saturday at Paul Kimball Hospital, Lakewood.

Born in Providence, R.I., Miss Larson lived in Belleville before moving to Lakewood four years ago.

Surviving are two brothers, Horace and Edward Savoie, and a sister, Mrs. Bruling D. Prince.

The Colonial Funeral Home, Bricktown, made arrangements.

Edward McDermott; employed as guard

A Mass was offered April 30 in Our Lady of Good Counsel Church, Newark, for Edward McDermott, 78, of Belleville who died April 27 at Columbus Hospital, Newark.

Mr. McDermott was employed as a security guard for Thomas Edison Company here before his retirement. Born in Newark, he lived in Belleville most of his life.

Surviving are his wife, Helen; three sons, Edward of Wayne, Thomas of Glen Ridge and Joseph of Jackson; eight daughters, the Misses Sarah and Helen, both of Belleville, Mrs. Florence LaPlaca of Florida, Mrs. Grace Lane of Nutley, Mrs. Theresa Larsen of Lake Hiawatha, Mrs. Margaret Taylor of Belleville, Mrs. Irene Farrow of Bloomfield and Mrs. Mildred Doyle of Belleville; a sister, Mrs. Sarah Cummins of Dover, and 27 grandchildren.

The Kiernan Funeral Home made arrangements. Interment was in Holy Sepulchre Cemetery, East Orange.

Carl Verdicchio, at 40; chef at Belmont Tavern

A Mass was offered Friday in St. Francis Xavier Church, Newark, for Carl Verdicchio, 40, who died April 28 at Overlook Hospital, Summit.

Mr. Verdicchio was a chef at the Belmont Tavern 10 years. Born in Newark, he lived in Bloomfield five years.

Surviving are his wife, Judy; a son, Jeffrey; his parents, Carlo and Jean Verdicchio; two sisters, Mrs. Carlene Oliff and Mrs. Mira Nardiello, and a brother, Peter.

The LaMonica Memorial Home, Bloomfield, made arrangements. Interment was in Holy Cross Cemetery, North Arlington.

Quarter-Century — Rev. Dr. Frederick Long, seated with his wife Virginia, celebrated his 25th anniversary as an Episcopal priest April 26.

Joining him were his children Lynda, Kim Idenden and her husband Tom, Leigh-Anne, Christopher and Paul.

Mounting cost of HS addition has residents worried, angry

With an extra expenditure of nearly \$47,000 for Belleville High's new vocational wing in the works, trustees are being reminded of their promise that the addition "wouldn't cost us an extra farthing."

Voters approved a \$679,000 bond referendum last year to pay for the wing, with the understanding that state money would pay the entire cost. However, during school budget hearings this past March, citizens became angered after reading reports that an extra \$100,000 to \$200,000 might be needed to complete the new vocational wing. Board President

Charles Miele, then vice president, was asked exactly what the ballot question read, but he couldn't recall. School Superintendent Dr. John Greed did, though, noting voters okayed a referendum "to build and equip" the wing.

But Greed quickly pointed out the words, "build and equip," could mean "different things to different people." Residents said they interpreted them as meaning simply the funds would be used to "build and equip" the addition.

"This is only the beginning," said Valley Association President Bob

May at last week's board meeting, as he pointed to the extra expense. May and Joe Fornarotto, another frequent critic of trustees, have continually prodded them to keep a closer eye on taxpayer dollars.

Several residents have publicly emphasized that it is illegal for trustees to force residents to pay for any "extra" vocational wing expenditures, particularly when the ballot question specifically stated \$679,000 of free state aid would pay for all expenses.

However, even before the vocational wing construction was ap-

proved, the construction price alone had leaped \$96,000 to \$775,000. Trustees reluctantly agreed to pay, noting how long they had waited to transfer the junior high's ninth graders to Belleville High.

They pointed out that even though they didn't want to pay such an increase, the price would only go up in years to come. Though trustees agreed on \$775,000 as a final price, they later discovered no furniture or equipment for the new wing was included.

This past week, school officials downplayed spending \$46,648 to ensure the September opening. Greed said that although trustees haven't found out yet how much more state aid they will receive, they should okay the expense and await reimbursement. Greed has said that "realistically" only \$50,000 for teachers' salaries and equipment can be expected.

However, administrators estimate \$200,434 will be needed to furnish and equip the new addition, meaning taxpayers will probably be asked to pay another \$100,000 to \$150,000 to get the new wing going.

Including the \$96,000 construction increase, final costs could be anywhere from \$200,000 to \$300,000 over originally budgeted funds.

Dr. Forline and daughter; drowned in Nile accident

A Belleville dermatologist and his 12-year-old daughter died April 21 when a tourist boat they were aboard on the Nile River ran aground.

Dr. John W. Forline, 48, and his daughter, Candace Lauren, were vacationing in Edfo, Egypt, when they decided to take a tourist trip down the Nile. The trip was a Christmas present from Dr. Forline to his daughter.

According to reports, the ship got caught in a sudden rainstorm in the

Nile, about 500 miles south of Cairo. The ship, which had 83 passengers aboard, hit a sandbar and sank. Four other persons besides the Forlines were killed in the accident and 12 others injured.

Dr. Forline maintained his dermatologist practice in Belleville for more than 15 years and he was an attending physician at Clara Maass Memorial Hospital.

He was a member of the Essex County Medical Society, the

Medical Society of New Jersey and the American Academy of Dermatologists.

Dr. Forline was born in Connecticut and moved to North Caldwell nine years ago. He was an Air Force veteran of the Korean War.

Miss Forline, who was born in Ridgewood, was a fifth-grade student at the Notre Dame School in North Caldwell. She was also a member of the North Caldwell Girl Scouts.

A Mass was held at Notre Dame Church in North Caldwell last Friday and services took place at the Gaita Memorial Home in Little Falls.

Dr. Forline is survived by two brothers, George and Michael, and two sisters, Mrs. Rose Simone and Miss Lena Forline. Miss Forline leaves her maternal grandparents, Albin and Helen Bielen.

Trustees decide they don't need policeman

A request by the School Board to have a police officer present during all its meetings has been turned down by Public Safety Commissioner Matthew Pica, and trustees have decided they don't really need one after all.

Pica sent a letter to the board saying the police force had no additional officers available for the board's weekly Monday night meetings. However, Pica added that trustees could have an officer if they wished to pay him overtime.

That information in hand, trustees decided Monday that having a cop on duty at their meetings was not necessary. "I tend to agree that we don't really need a police officer to attend our meetings," said Board President Charles Miele. The rest of the board concurred.

Trustees had requested a police officer after a fight at meeting several weeks ago between former school board president Ernie Zoppi

and board critic Joseph Fornarotto. The two engaged in a scuffle which saw Fornarotto suffer bruised ribs and a cut lip. The fight also involved Zoppi's son, Ernie III, and the two sides lodged charges against each other which are scheduled to be heard in Municipal Court this morning.

Announcing one of the smallest name changes in recent history.

**Fidelity Union Trust Company
is now
Fidelity Union Bank.**

That's all?
Yes, that's all.

When some companies change their names it gets harder to figure out exactly what they do.

At Fidelity Union, we've changed our name so New Jersey knows exactly what we do: We provide the finest personal, corporate, and trust banking services in the state.

So, while it's a pretty small change in name and look, we think it can make a rather large difference to you.

Mike Lamberti's

Buc Shots

Junior Frank Fazzini athlete of the month

Frank Fazzini can be called a man for all seasons. The junior second baseman for the baseball Belleville High baseball team is currently hitting .596 with six homers and 28 RBIs.

However, Fazzini, the Belleville High School athlete of the month for April, possesses talents that go far beyond the diamond.

First of all, he is a straight-A student and has some Ivy League schools already interested. Secondly, he was an all-county football player this past fall, leading the team to the state finals. He also became the first 1,000-yard rusher in Belleville history.

Although Fazzini does not play a winter sport, you'll always see him around the school, either working out for the baseball season or in the stands for a wrestling match or a boys' or girls' basketball game.

He's a superb athlete and a perfect example of what school spirit is supposed to be all about. "He's an outstanding scholar-athlete," says Frank's baseball coach, George Zanfini. "He's one of the two or three best players that I've ever coached. He has good speed and swings a very dangerous bat. Of course to top that off, he is only a junior and we'll have him back next year. He would probably play all nine positions if you asked him too."

From an individual standpoint, Frankie didn't expect to get off to this kind of start for the baseball team. "Yes, I would have to say that I'm very surprised with my success so far," says Fazzini. "I'm hitting the curve ball much better than I thought and since I'm batting third, I see a lot of those pitches as opposed to last year when I saw a lot of fastballs."

Frank credits some of his success this year to the two men who bat in front of him in the order, Dave Starr and Bobby Brave. "Both of those guys are threats to steal and because of that, the opposing pitcher has to throw more fastballs," Fazzini explained. "Consequently, I'm getting my hits."

Fazzini couldn't be happier with his team's success. The club, 10-3 at the start of this week, is gearing up for another shot at the Greater Newark Tournament title. "We want to win it this year," said Frankie. "Not too many people remember the second-place team. The year has gone real well so far. At the beginning of the season, we were a bit hazy about our chances this year. After all, our pitching staff had only one starter returning in Anthony (Coco) and I was the only returning infielder. We didn't have that nucleus and we also didn't do too well in the scrimmages."

"I would have to say that our defense has been the mainstay. All season long, we've had excellent defense and that's one of the reasons why we're doing as well as we are," said Fazzini.

Frank's future plans are still undecided, but he does admit that baseball is a definite possibility. "When I was younger, I wanted to play college football. However, recently I've really taken a liking to baseball and right now I would call the two sports a tossup. These last two baseball seasons have really got me psyched for a future in baseball."

Frank's plan after the conclusion of the season is to play Legion baseball. That season will start on June 15 and Frank also hopes to play in the Metropolitan League. "Dennis Sasso (Nutley baseball coach and former coach of the Belleville Bruins) invited me to play in that league," said Frank. "He feels I'll get a chance to see the real good pitching and to improve on my skills. I think that it would be a good experience."

Frank's plans for the summer also include a rigorous training schedule for the upcoming football season. Frankie, as mentioned earlier, is a top running back and also plays a very consistent defensive secondary position. Although he hasn't decided on a college yet, he always wanted to attend Penn State and also considers Delaware, Florida State, Stanford and Brown University as possibilities.

Belleville High School is fortunate to have such a classy person as Frank Fazzini. His attitude toward the sports he competes in and towards his school and life in general are good reasons to believe that he's a young man with a great future.

Well, somehow, somehow, those Boston Celtics managed to pull off that series victory over the Philadelphia 76ers. I know that I predicted the Celtics would win, but I must admit that their chances looked slim, to say the least. Now, it's Boston and Houston for the NBA title and although the series appears to be a mismatch, I wouldn't count Houston out by any means. The Rockets have Moses Malone and Calvin Murphy and are also riding high. Don't be surprised if they bring the Celtics to the full seven games.

It looks as if the Islanders and North Stars will battle for the Stanley Cup. The Rangers were no match for the Islanders this time while the Stars should beat the Flames, although I would like to see Calgary win it all. The way things are going, look for the Islanders to repeat as Stanley Cup champs for 1981.

The Belleville High School athlete of the week goes to Dana Caruso. Dana broke the half-mile record for girls' track with a 2:27.8 against the Kards of Kearny. She is the team captain and an athlete who has worked long and hard for her success.

A special award goes to Kelly Jean Gundry, sister of Barbara Gundry, who ran the anchor leg of the mile relay against Irvington. Kelly Jean, from North Carolina, flew in for the sole purpose of running that anchor leg. She didn't disappoint anyone with her performance.

A special hello to Johnny Fortunato, the fifth grade wonder and future sports star who beat me in a game of one-on-one basketball last week 1-0.

The quote of the week comes from head golf and assistant basketball coach Rocco Colucci. Asked if he would return to the basketball court next year, Rocco replied, "I probably will, unless the Nets give me a contract."

The joke of the week comes from Larry Jinks, the girls' track coach. "Did you hear that NASA sent up a dozen cows into orbit? It was called the herd shot round the world."

Here is the answer to last week's quiz. The question was, who did Hank Aaron hit his 714th career home run off of and what team and pitcher did he hit number 715 off of? The bonus was the name of the player who caught the ball in the bullpen and the place where the 715th was hit. Well, Aaron hit number 714 against Cincinnati on opening day, 1974, and blasted number 715 against the Los Angeles Dodgers and Al Downing. Tom House, the Braves' relief pitcher, caught the ball. The game was played in Atlanta.

For this week's quiz, name the two teams that played in the 1977 NBA finals, the series MVP and whom those teams defeated in the conference finals to get to the finals.

Baseball squad defeats two of three opponents

By Debbie Garofalo

The Belleville High baseball team enjoyed a stretch of almost unbroken success this past week, chalking up victories over East Orange and Essex Catholic and drawing the number two seed in the Greater Newark Tournament. The lone down spot was a heartbreaking 7-6 loss to Nutley.

The Bucs, 10-3 at the start of this week, drew a bye for the first round of the GNT. They will play the winner of the Essex Catholic-Cedar Grove game in a 2 p.m. contest here Saturday. Barringer will take on Nutley at 11 a.m. in the first half of the twin bill.

Roger Lentz pitched a fine game against East Orange Monday of last week as the Bucs won 7-3. He gave up five hits, struck out four and allowed just two earned runs. Anthony Coco came in for the last out and fanned the final batter.

Belleville scored three runs in the first inning. Bobby Brave walked and came home on a groundout by Dave Starr. Then, after Jerry Ross had walked, Frank Fazzini smacked a two-run homer.

In the second, Eugene Cancelliere walked and scored on a single by Kenny Constantino. Constantino, in turn, scored on an error by the left fielder.

Paul Scheuplein reached base via a fielder's choice in the sixth and came all the way around ahead of Phil Cerza, who hit his first home run of the season.

Though the Bucs won easily, Coach George Zanfini wasn't all that pleased with their play. "As far as the East Orange game is concerned, I didn't think we played with intensity," said Zanfini. "I think the level of competition is sometimes the reason for that. East Orange is not known for its baseball and sometimes it's hard to get up for these games."

The following day, though, things were much different as Belleville walked the Eagles 11-2. Against Es-

sex Catholic we played an excellent game," said Coach Zanfini, "with Anthony Coco pitching almost perfect baseball."

Coco gave up two runs — one earned — four hits and a walk. He struck out six men.

The Bucs jumped out to a 2-0 lead in the second. Scheuplein doubled and eventually scored on a sacrifice fly by Cerza. Cancelliere followed with a homer.

Belleville built its lead little by little. In the third, Starr reached on a fielder's choice and scored on a

single by Fazzini. Cancelliere singled and scored on a double by Constantino in the fourth.

In the fifth, Fazzini singled and came home on another one-bagger by Cerza. Cerza then scored on a single by Cancelliere, who in turn scored on a single by Constantino.

The local diamondmen picked up their final four runs in the sixth stanza. Mike Forte singled and came home on a single by Starr who then scored on Fazzini's sixth homer. Finally, Mike Murphy singled and crossed the plate when Rich Valente

hit into a fielder's choice.

Friday's game here with Nutley disappointed Coach Zanfini. "I thought a couple of calls went against us, but we still had more than enough chances to score runs," he said. "We can't seem to get the big hits when we need them. In four out of seven innings we left two or more people on base. It reminded me of the Kearny game because we had the chances to score but we didn't capitalize on them."

Bobby Grogan, who hurled a no-

Guarded Bag — Eugene Cancelliere holds Vic Tritto of Nutley close to first in Friday's baseball game. The Bucs could not hold the Raiders, however, losing 7-6.

Softball team uses bunt to beat sixth-ranked Westfield in 10th

By Mike Lamberti

Oh, that deadly bunt. And oh, how sweet it was for the Belleville High softball team Monday.

The girls used the bunt to their advantage in registering a stunning 3-2 upset victory over the number six-ranked team in the state, Westfield.

The victory snapped a two-game losing streak for the girls and boosted their record to 10-5. The girls were at Passaic yesterday and will battle Livingston this afternoon in the first round of the Essex County Tournament. Tomorrow, the club is host to the Mountie ladies of Montclair and on Saturday, the team will travel to Lyndhurst. The team

will battle Mount St. Dominic's on Monday.

The game against Westfield was everything a player or fan could hope for. The local girls won it after 10 grueling innings of play. Debbie Jinks started and was the winning pitcher. The loser was all-state hurler Bonnie Bell.

The teams were scoreless for seven innings before Westfield came through with two in its half of the eighth. Nancy Coffey, Belleville's super third baseman, committed a rare error that inning that opened the door for the Blue Devils. However, she was instrumental in leading the team to its victory.

In Belleville's half of the eighth, Angela Chimento walked and went

to second on a single by Debbie Jinks. Chimento was thrown out trying to steal third, but Jinks advanced to second on a wild pitch moments later. Kim Indiero grounded out to move Jinks to third. Now there were two outs and it was all up to Mona Stampe. Mona surprised everyone, head coach Carl Corino included, by laying down a bunt. She was safe at first and Jinks came across to score. Coffey then walked and Donna Campana drilled a double to drive home Stampe and tie the score at two.

Finally, in the 10th inning, the girls won the game. Coffey singled and advanced to second on a wild pitch. She injured her ankle on the play, but the hope is she won't miss

too much action. Dina Aquino came in to run and after Campana walked, freshman Tracey Buono singled to bring home Aquino and send the big crowd into delirium.

Despite the thrilling victory, this past week was not an especially good one for the Buc girls. The team lost to Nutley 9-1. Queen of Peace 4-0 and Kearny 2-1. The girls did defeat Irvington 15-8 behind the fine hurling of Debbie Mundy.

At Nutley Friday, the girls just didn't have their best game and the Maroon Raiderettes played a fine one. Belleville managed just two hits, one by Rose Breward.

Softball Pursuit — Donna Campana chases a ball in the outfield as teammate Angela Chimento arrives on the scene in last week's game with Nutley. The Buc girls lost 9-1.

667-1315

in Ave., Nutley

Cosmos' Corner

By Mike Lamberti

The Cosmos continued their excellent play last week with a pair of victories over the Atlanta Chiefs and Washington Diplomats. The team will be home this Sunday for a battle against the tough Toronto Blizzard. Game time is set for 2:30 at Giants Stadium.

Against Atlanta, Seninho, the Cosmos' power forward, scored twice to lead the way. Seninho has been perhaps the team's best road player, tallying two goals against Atlanta and Dallas in the club's last two traveling games.

Last Sunday, the Cosmos were locked up with the 5-1 Diplomats. Washington was always a tough opponent for the Cosmos, but this year's club was different. The Diplomats of 1981 are the old Detroit Express, the old Diplomats folding after the 1980 season.

After losing its opener, Washington went on a tear though, winning five straight, and they entered Giants Stadium with a lot of confidence.

In the early going, the Dips were in control, taking some good shots at goalkeeper Hubert Birkenmeir. However, the Cosmo keeper was on the ball and kept the Dips off the board. Meanwhile, the Cosmos were having a difficult time cracking the Diplomat defense. The game was scoreless at halftime, but the Cosmos scored the game's only goal 65 minutes into the match when Francois Van Der Elst took a pass from Giorgio Chinaglia and booted it past the Dip goalkeeper.

Washington claimed hand ball, a penalty that would have disallowed the goal, but the referee said no and the Cosmos were on the board. Had it not been for the play of Dip goalkeeper Jim Brown, the score could have easily been 5-0. Brown made some beautiful saves to keep the game close for the 34,000-plus spectators.

For Belleville fans, there was a glimmer of hope when local favorite Hernan Borja started warming up in the middle of the second half. He was to come in for Van Der Elst, but when the Belgian scored the goal, Borja was relegated to the bench.

"I decided to stick with our original lineup after the goal," explained head coach Hennis Weisweiler. "We were starting to get together and I didn't want to interrupt the flow."

Ricky Davis, the Cosmos' fine defender, felt the game dragged. "It wasn't that physical," said Davis. "The Washington team we saw today was not like the Diplomats of the past years. They're a good team, though. I feel we were both sluggish because we both played on Friday night. Don't forget, Washington had a game with Tampa Bay that night."

The Cosmos' lineup against Washington was Birkenmeir in goal, Bob Iarusti, Davis, Jeff Durgan and Eskandarian on defense. The midfield was Angelo DeBernardo, Van Der Elst and Vladislav Bogicevic. The front line was Chinaglia, Seninho and Roberto Cabanas.

Volleyball team stops West Orange for first

Continued from page 15.

first game and then our offense wasn't too strong in the second game. Our defense was good, but without a good offense you can't win in volleyball," said Worley.

The coach named Layne and Zarrello as her two varsity players of the week. "Chrissy has given us consistently good volleyball all season long," said Worley of Layne. "She always, or at least most of the time, in the right place at the right time. She's only in her second year, but I would say she is one of the area's best setters."

Diamondmen fall to Nutley by one

Continued from page 15.

hitter his last time out, pitched five innings, giving up four runs, two of which were earned, five walks and five hits. He struck out two.

Eugene Cancelliere came on in the top of sixth and surrendered two walks, four hits and three runs, two earned. He also whiffed two.

Belleville didn't score until Cancelliere hit a homer in the fifth. After that, Ross singled and came home on a sacrifice fly. The shortstop, who had a single in the first, also had a single in the fifth.

"Ava Zarrello has much lacking as far as height, but she more than makes up for it in hustle," said the coach, who noted that Zarrello not only works out with the team, but practices on her own on weekends.

"She's a good defensive player and her serving has improved 100 percent since the beginning of the year," Worley added.

Gina DiPaolo was the jayvee player of the week. The sophomore scored 11 points in one of the games against West Orange and eight in another. "She had a very, very good defensive game and a powerful serve," said the coach. "She saved many of the balls that would have dropped in someone else's area."

The coach also cited Donna Gonnella for her consistent sets. Because of them, Worley said, sophomores Kim Layne and Patti Gonzalez were able to spike the ball. In addition, Allison Burden played good defense, Diane Dixon provided good offense on serves and team captain Jocelyn Villadolid, as usual, kept the team together on the floor.

VOLLEYS: In addition to regular-season matches remaining, the Buc girls will be taking part in the Essex County Coaches' Tournament May 16 at New Jersey Institute of Technology. Coach Worley feels it will be a good experience for her girls and that there will be teams there that Belleville can compete with on the same level... The quote of the week comes from five-foot Jessica Cabanas. "Does anyone have a pen?" she asked. "I'm short."

Belleville oarsmen finish up second in Goodwill Regatta

By Rich Leardo

Though the Belleville crew team didn't walk away with the Goodwill trophy in Saturday's triangular races with Nutley and Kearny, Coach Sam Giuffrida insists that he is not disappointed with his boats in the least. The Bucs came in second overall after the contest was over, turning in fair performances against their rivals with whom they share the Passaic River boathouse facilities.

It was the first time this year that Belleville had taken part in three-way races, and since the Bucs had lost previously to both Nutley and Kearny, they were assigned to lane three, somewhat of a handicap, according to Giuffrida.

In the varsity eight race, the first of the day, the Nutley team came in first followed by Belleville and Kearny. Finishing second didn't bother Coach Giuffrida. He complimented the Nutley squad saying that "they rowed well and we only rowed okay." He punctuated his statement by saying that the Buc shell could have done better, but it may have been "too psyched" for the meet, which a reverse negative effect.

Giuffrida was also not entirely displeased with his squad's performance because that varsity shell is actually a jayvee shell rowing on the

varsity level due to a shortage of seniors. The varsity eight finished at 4:44 on the year, a respectable record, especially in light of their handicaps.

The Bucs' third boat rowed twice on the afternoon, once against the jayvee eight boats from Kearny and Nutley and once against their thirds boats. In the heat against the jayvee shells, the Belleville boat came in third with Nutley finishing first and Kearny second. In the race against the other two thirds boats, the Buc oarsman came in first with Nutley second and Kearny in the last position.

In the freshman races, Kearny took the gold twice while Belleville settled for second and Nutley finished third. Belleville also challenged the Nutley girls in a race which did not count towards team points since Kearny could not produce a girls' boat. Both the varsity and freshmen girls' teams took their races with the Raiderettes in good form.

This weekend, the Bucs compete in the Mid-Hudson Regatta at Poughkeepsie, N.Y., with a field of about 15 teams vying for top honors. Many of the best schools in the northeast will be entered and competition will be keen. Coach Giuffrida called the upcoming regattas "our second season." In that season, Belleville will race in its proper age

classes, so the handicap which the team has lived with during the regular season will be wiped out. "Now we'll be where we belong," said Giuffrida. "This is where we see what we're made of."

WE CAN GROW GRASS WITHOUT WATER

Even though we're faced with a severe water shortage, a Lawn King program will treat your lawn's problems below the surface where they begin and insure a more vigorous, healthy lawn even during a drought. Our aeration gets to the roots, opens the soil and lets your lawn take advantage of whatever moisture is available. In addition, the chemicals we use are hygroscopic... they draw moisture right out of the air! That's why we can grow grass without water. No slopes please... if we can't aerate your lawn twice a year, we can't help you.

Here's our program. What you see is what you get. Compare it to any other program and you'll see that either our competition is charging too much or we're not charging enough. Call the King's Men today. Within 10 days we'll service your lawn and leave an invoice based on the square footage. (See chart below for the cost of your chemical application.) At the same time, we'll make a thorough lawn evaluation and analysis and leave you a copy and someone will call to discuss the lawn with you. Sooner or later you're going to call Lawn King. If our lines are busy, as we expect they will be, send in the coupon.

Soccer Clinic — Wim Rijsbergen (center) will be among the Cosmos on hand for Fidelity Union's third annual soccer clinic 10 a.m. Saturday at Giants Stadium. With him are Sam MacArthur of the Belleville Soccer Association, Fernando Borja and Tony and Maria Cullen. Children can receive tickets for the clinic by visiting Fidelity Union at Washington and Belleville Avenues.

Golfers club Kards, Chiefs to raise their record to 7-1

By Mike Lamberti

That Belleville High golf team continues to surprise everyone. Last week, the squad picked up three more victories in its attempt to make Rocco Colucci Buc coach of the year.

The team, now 7-1, defeated Caldwell and Kearny twice last week. The team was boosted by some strong play from newcomer Jim Apple and the good work of Jack Mal-

lack, Ron Wittmann and Joe Pontrella. Marty Natale also continued to improve.

The Caldwell match was a seven-stroke victory for the Bucs. "They were a good club," said Colucci of the Chiefs. "The kids have been playing well recently and the score indicates that."

Mallack turned in a 40 to lead the way. He has been coming around lately, and fired a 40 and 43 against the Cardinals of Kearny later in the week.

In the first Kearny match, Belleville won by 12 strokes as Wittmann shot a 40, Pontrella a 41 and Mallack a 40.

The second match was a 25-stroke win over the Kards. This time, Apple fired a 47, while Natale shot a 45, Wittmann a 44 and Pontrella a 46. "Apple did a real good job," said the coach. "He's from a good golfing

family and really likes the game. He is very enthusiastic and I feel he'll be up there in the future."

The team is anxiously awaiting the state and county tournaments which will be on tap in the next couple of weeks. They will be the big test of how good this year's club really is.

Softball tops Camperettes

Continued from page 15

Coffey, Nutley scored twice in the third, twice in the fourth and five times in the fifth inning to put the game away. Belleville's only tally came in the third. Kathy Woods took the setback, her second against four wins.

The Kearny loss last Monday was a tough one to take because the girls played fairly well. "We just had some mental lapses when it counted the most," said Coffey. "The girls played a good game and Woods pitched a strong game."

Belleville scored first with a run in the third, but Kearny scored in the fourth and fifth innings to seal the victory. Coffey, once again, had a tremendous game with three hits in four trips to the plate. Bernadette Dolan picked up the win for Kearny.

Mary Arndt was too much for the Buc girls last Wednesday as the Queenswomen dropped the locals. The victory avenged an earlier 10-5 loss Queen of Peace had suffered against Belleville. Although she hurtled well, Debbie Jinks didn't get any offensive help. In this outing, the girls were limited to just three hits. Two of Belleville's hits were by Coffey who is batting a robust .500 for the season.

Finally, against Irvington last Tuesday, the girls exploded for 19 hits en route to a 15-8 victory. Mundy picked up the win, relieving Dina Aquino who pitched the first two-and-a-third innings, but fell victim to wildness.

Belleville scored twice in the first, five times in the third and tallied four runs in the fourth and seventh innings. In addition to the 19 hits, the girls were aided by 14 Camper errors. Mona Stampe, Coffey, Oxiris Barbot and Campana chipped in with three hits apiece.

Buc runners shatter old school standards

By Mike Lamberti

The Belleville track team made a successful showing this past week, setting some school records and putting up a good fight against stronger competition.

The girls' team, under the direction of Larry Jinks, and the boys, under Rich Ruffalo, competed against Irvington and Kearny last week and also took part in the Bernardsville Invitational over the weekend.

Against Irvington, the girls were 73-49 losers but came through with some good individual efforts. For instance, Fran Polite and Barb Gundry placed in second and third in the 100-meter hurdles. Dana Caruso was a winner in the 1,500 meters and Gundry and Polite were two and three in the 400 meters. Gundry's time of 74.0 was a new school record.

Patty Bliss finished second in the 3,000 meters and third in the 800. LeAnn Long was third in the 3,000 meters, while Joann Benecchi finished first in the shot put, discus and javelin. Cecilia Graham was second in the long jump and was a winner in the high jump.

Saturday, at Bernardsville, the girls and boys made an impressive showing. Polite set a school record in the 100-meter hurdles at 18.2. Jim Castelli ran the 100 meters in 11.8 and Caruso finished the 800 meters in a time of 2:29.8. The 400-meter hurdles saw Polite run a 75.0, while Bob Kane finished the 3,000 meters in a time of 10:12.4. Also in the 3,000 meters, Tamara Nahar ran her best time of 12:37.9. Castelli ran his best in the 200 meters at 24.5 and Caruso did the 1,500 meters in 5:16. Finally, Kane finished the 1,500 meters in 4:41.

Last week's meet with Kearny was run under the good old yardage system rather than the metric way. The 330 intermediate hurdles saw Gundry and Polite finish one-two. In the 100-yard dash, Jennifer Apicella posted a time of 13.4. Le Ann Long and Nahar had good efforts in the mile with clockings of 6:12 and 6:14 respectively. Kathy Shea and Bliss

ran 6:35.8, their best times of the year.

In the 440, Apicella ran by far her best race of the season in a time of 67.8, good for third place. Sue Yampol, one of the hardest working members of the team, ran a 15.4 for the 100-yard dash, and Karen Lordi posted her best time in the 440 at 69.7.

Yampol also finished with a 34.9 in the 220-yard dash, while the two mile saw Nahar take third in 13:47.4. Benecchi won the discus and javelin and finished second in the shot put. Maria Madrid was third in the discus and Lorena Navaro placed second in the long jump. Cecilia Graham was a winner in the high jump and Gundry finished second.

Saving the best for last, Dana Caruso, the epitome of hard work, enthusiasm, dedication and school spirit, broke the BHS girls' half-mile record. She did more than break it, she shattered it. The senior captain ran a 2:27.8. The old mark was 2:29.6.

Caruso ran a gutsy race and sprawled across the line as she captured the record. A more deserving person could not hold the honor of a school record at BHS. She is one of the finest female athletes ever to come out of Belleville High School and a super competitor.

For the boys, Brian Allum and

Victor Coco were two-three in the 330 hurdles against Kearny. Jim Castelli ran a super 10.8 in the 100-yard dash but had to settle for second. The mile saw Kane come through in a time of 4:57.3.

Slo-pitch loop gets underway

The Belleville Recreation Men's Slo-Pitch Softball League opened its season with Division A play.

Joe's Alignment started 1981 with an 11-2 victory over DeWitt Savings, USA, formerly the Four J's, defeated BJ's Tavern 14-3, and Belleville Shoes took a 5-3 decision from Roselli Amoco.

The Tuesday B Division includes three new teams this season, Minuteman Press, SPH Limousine Service and Hair Design. Minuteman Press defeated SHP Limo 14-1, Hair Design edged the Circle II Bar 4-2, and J&R Insulation beat the Belleville Political and Social Club 15-5.

In the Wednesday A Division, last season's league champion, DeBacco Brothers, downed Belleville Hess 16-3. Mr. Dee's registered a 14-1 triumph over the Howard Hustlers and Clyde Paul Insurance nipped Frenchy's Tavern 5-4.

Chief Lister urges bicyclists to ride safely

Nearly half of America's population owns or rides a bicycle. In fact, there are more than 105 million bicyclists two-wheeling today, making the need for bicycle safety education more important than it has ever been, according to Belleville Police Chief George J. Lister.

American Bike Month in May is dedicated to promoting bicycle safety. For more than a quarter-century, communities throughout the country have held special events geared to making their areas safer for bicyclists, Chief Lister noted.

Because more and more youngsters and adults are riding their two-wheelers for fun, physical fitness, energy conservation and short-haul transportation, Lister emphasized that the need for bicycle safety education in the schools, community centers and in cooperation with police is more urgent than ever before.

A recent two-year study by the U.S. Transportation Department showed that a common cause of many traffic accidents involving bicyclists was the "blind eye of the motorist," Lister said. The study revealed that the scanning patterns of the motorist were beamed at other automobiles, frequently overlooking the presence of the bicyclist on the road. He cautioned motorists to remain alert to bike riders and respect their right to the road.

The study also pointed to the erratic and illegal maneuvers of bicyclists in unexpected places — such as exiting from driveways and sidewalks onto public roads, thus creating hazardous situations. Failure to stop or yield at controlled intersections and wrong-way riding also contributed to danger for bicyclists.

"There is no better time than during American Bike Month to remind citizens that bicycle safety is everyone's job," said Lister in a statement. He reminded youngsters and adults that along with the rules of the road, there is further need for maintenance of a bike to make sure that it is in safe operating order.

Most experts suggest that bikes should have regular maintenance inspections at a local bike shop, but there is no reason why the bike driver can't take simple steps toward preventive maintenance on his own.

Handlebars and seats should always be kept lightly oiled and brakes should always be checked before going out on a bicycle. Meanwhile, it is a very simple procedure to check tire treading to

Rec twirlers show skills

The Belleville recreation twirlers held their annual competition March 25, and all members were encouraged to participate and demonstrate their skills.

The girls' performances were judged in several categories including originality, neatness and poise, coordination and overall twirling ability.

Trophies were awarded to two winners in each group. In the beginners' group, first place went to Jennifer Robb and second to Vera Palmisano. Jennifer Bridge was awarded first place in the intermediate group with Veronica Valvano winning second. Karen Freda won first place in the advanced category, with second place going to Cindy Lillis.

Recreation twirling will resume next year under the guidance of instructors Diane Castellano, Lisa Brown and Karen Ferriero. All girls are encouraged to join.

make sure there are no stones or glass bits lodged there.

Lister is recommending that the following rules of the road be followed:

Obey all applicable traffic regulations, signs, signals and markings.

Observe all local ordinances pertaining to bicycle operation.

Keep right, drive with traffic, not against it. Drive single file.

Watch out for drain grates, soft shoulders and other road surface hazards.

Watch out for car doors opening or for cars pulling out into traffic.

Don't carry passengers or packages that interfere with your vision or control.

Never hitch a ride on a truck or

other vehicle.

Be extremely careful at all intersections, particularly when making a left turn.

Use hand signals to indicate turning or stopping.

Protect yourself at night with the

required reflectors and lights. Wear white clothing at night.

Drive a safe bike. Have it inspected to ensure good mechanical condition.

Drive your bike defensively; watch out for the other guy.

Fibrosis bike-a-thon May 17

Jack Gurrera of the Belleville Optimist Club has been appointed chairman of the 1981 Cyclin' for Cystic Fibrosis Bike-a-Thon here.

Gurrera and members of the Optimist Club will lead volunteers in informing the public about cystic

fibrosis and in raising funds for research and care of children and young adults afflicted with the disease.

This is the fourth year the Optimists have run the CF Bike-a-Thon. This year's will take place

Sunday, May 17, at the School 7 playground. Registration will be at 12:30 p.m. and the event will start at 1. The rain date is Sunday, May 31.

Those bikers who raise \$25 or more through their sponsors will

receive a Bike-a-Thon T-shirt. Bikers who participate but do not raise \$25 will receive an iron-on transfer. For more details about the event, call 256-5013.

At present, cystic fibrosis is an incurable disease. It is inherited and is characterized by a thick, sticky mucus which clogs the lungs and digestive system. "In its relatively short history, the work of the Cystic Fibrosis Foundation has increased the average life span of sufferers to over 20 — a significant improvement over previous statistics," noted Leo A. Doran, president of the Greater Newark Chapter. "It is very necessary to educate the public in order that these strides in improvement may continue. That is what these campaigns are all about."

BJ's, Nanny's are victorious

BJ's Tavern and Nanny's Cafe came up winners in Essex County Tavern League games this past Sunday. Both defeated other Belleville softball clubs, BJ's knocking off FMBA 12-3 and Nanny's nipping Town Cottage 9-8.

In other games involving local teams, Frea's and Pat's lost to Nutley Pub 12-1 and Danny's Inn was beaten by Eric and Eric of Newark 11-5.

In games played the previous week, Nanny's slugged FMBA 15-6, BJ's topped Frea's and Pat's 10-4, Town Cottage beat Nutley Pub 11-3, and Danny's Inn lost to Dapper Dan of Newark 6-4.

This coming Sunday at Belleville Park, Danny's Inn meets Waterhole of Newark in a 9:30 a.m. game. In 11 a.m. contests, Nanny's takes on Nutley Pub, FMBA is at Frea's and Pat's, and BJ's battles Town Cottage.

The standings after four weeks:

Northern Division

Nanny's Cafe	4-0
Town Cottage	3-1
Nutley Pub	3-1
BJ's Tavern	2-2
FMBA	0-4
Frea's and Pat's	0-4

Southern Division

Dapper Dan's	4-0
Suppa's 917	3-1
Eric and Eric	2-2
Danny's Inn	1-3
Halftime Lounge	1-3
Waterhole	1-3

Pet Shop wins JDSL contest

Nutley Pet Shop of Belleville returned to the winning path in the second week of play in the James Dombrowski Softball League.

The Pet Shop beat Dilligas of Newark 33-7. Billy and Bob Gallagher combined for eight runs batted in and three home runs to pace the winners. Walt Harris had two homers and six RBI for the shop.

In other games involving local clubs, Brunswick Bowl of Belleville lost to F&M Liquors 16-11, and DeBacco Brothers was defeated by Instant Air Freight 7-5.

The JDSL is in its fifth year and includes 28 teams from three counties to make it the largest privately run softball league in New Jersey. JDSL teams come from Essex, Bergen and Hudson Counties.

First Place — The top awards in the Junior Woman's Club poetry contest went to (seated) Aileen Janowski and Frank Riker and (standing, left to right) Michelle Jeannotte, Christine Kurzawa, Linda Pissott and Ruth Fabian.

It's my turn to come out of this shell,
To look out in this world and see what is well.
I must open up and try to decide,
If there's a reason to run, or reason to hide.

In this world that is always revolving,
I must take my turn and do the best at surviving.
I must look around and see what is waiting,
And try to resolve the problems of hating.

It's my turn to become a better human being,
By comprehending everything that I'm seeing,
To decide in life the route I will take,
And hope that it's the best for everyones sake.

Christine Kurzawa
Grade 9
First Place

The tickets were placed into
the bucket;
The crowd was yelling and
causing a ruckus.

My head was throbbing;
My heart was thumping.

My soul was yearning;
As the bucket kept turning.

As the MC's head was
about the draw,
The blood in my veins
started to thaw.

Then the winning ticket
was read to the crowd;
And I heard myself yelling
"Yes!" yelling out loud.

It was my turn, yes my turn,
yes my turn to be...
The next millionaire of the
state lottery.

Frank Riker
Grade 8
First Place

As I practice the piano,
I wonder if it's worth —
The frustrating exercises,
The playing to the earth.
I could stop my lifelong quest
To be a concert pianist,
And play at a nightclub
As someone's accompanist
The work would be easier,
The practicing less.
I'd be earning my own money
Even though it's not the best.
But what of my dream?
Can I throw it aside?
Or will it keep haunting me
Until I abide?

It's my turn to choose
Which road I shall follow;
A rewarding career,
Or one which is hollow.
I want the chance
To be the best that I can
For settling for less
Would be less than I am.
So I'll continue my practicing,
And not act so blue.
So perhaps my fantasy
Will one day come true.
And even if it doesn't,
At least I can say —
I've tried my best
Each and every day.

Ruth Fabian
Grade 10
First Place

It's my turn to prove myself
 to others,
To stand tall among my
 brothers.
To do my best without fear
 of failing
To board my ship and set
 it sailing.
Outward into the sea
 of life
Without worries of stress
 or strife
It's my turn to make the
 others see,
For I've already proved
 myself to me.

Michelle Jeannotte
Grade 12
First Place

The time has come for me to confess,
The feelings which are hard to express.
You're special to me in so many ways,
You see me through my darkest days.
Never have you ignored me or turned away,
When I was upset and had something to say:

Your understanding and trust are things I admire,
And of your loving ways I'll never tire.

But it's the little things that mean so much,
Like your reassuring smile and gentle touch.

When in need of an answer, on you I depend,
I'm very glad you're my special friend.

The reality is you've helped me through,
The things I thought I could never do.

You've given me so much, I'd like to repay
Give my your hand and I'll lead the way.

My feelings for you are from deep inside,
Which have been kept with secret pride.

Whenever you're depressed just come to me,
I'll show you how comforting I can be.

When you have a problem and are in doubt,
Tell it to me and we will work it out.

We need quiet moments for us to share,
So I can show you how much I care.

You've done for me, now I want to learn,
To do the same for you... It's my turn!

Aileen Janowski
Grade 11
First Place

Second Place — Contest runners-up were (seated, l-r) Karen Ferriero, Jeanette Bowen and Cathy Rossi, and Nancy Roberts and (standing) Anthony Lopoma, Sandy Bèvere.

Belleville Juniors hold annual poetry contest

Honorable Mention — Seated are Vincent Pucci and Debbie Garofalo, standing are Michele Merrihew and Valerie Cardillo. Not pictured are Robin Lusnia and Ruby Theodous.

My Future

It's my turn now to experience
The world as it is today.
To support myself and my parents,
And each day earn my pay.
To maybe have a family,
A home to call my own.
A car and maybe a pet or two,
Or maybe to live alone.
Doctor, teacher, counselor, nurse,
One might be my career.
Someday I will decide,
And that day is coming near.
So far my goal is blurry,
I have not yet set my course.
There's much I have yet to learn,
And college will be my source.
To find that one true love of life
Is important to me too.
I consider others most fortunate,
Who have anniversaries numbering fifty-two.
The world is really a wonderful place,
Where the greatest things are free
Like kindness, love and friendship,
I hope to give and receive all three.
To be free from drugs of all kinds:
The temptations from which they stem,
These obstacles I hope to avoid,
With God's help I'll not try them.
I have mentioned my hopes and fears
As my childhood comes to an end;
And my adulthood approaches quickly,
Tears and laughter I'm sure will blend.
These choices will all be mine,
To do as I wish or please,
And with luck and the help of God,
Life will be a breeze!

**Linda J. Pissott
Grade 7
First Place**

Trophies awarded

The Junior Woman's Club of Belleville recently sponsored its annual poetry contest under the direction of literature and education chairman Maryann Flor. She worked in cooperation with Leonard Marciano, English department chairman for the Junior and Senior High Schools.

The contest was open to all junior and senior high students in Belleville. Trophies for the event were donated by Mayor Michael V. Marotti. This year's theme was "It's My Turn."

First-place winners were Linda J. Pissott, seventh grade; Frank Riker, eighth grade; Christine Kurzawa, ninth grade; Ruth Fabian, 10th grade; Aileen Janowski, 11th grade, and Michelle Jeannotte, 12th.

Receiving second-place awards were Cathy Rossi, seventh grade; Jeanette Bowen, eighth grade; Anthony Lopoma, ninth grade; Sandy Bevere, 10th grade; Nancy Roberts, 11 grade, and Karen Ferrero, 12th.

Honorable mention awards were presented to Vincent J. Pucci, seventh grade; Valerie Cardillo, eighth grade; Michele Merrihew, ninth grade; Robin Lusnia, 10th grade; Debbie Garofalo, 11th grade, and Ruby Theodous, 12th.

Awards and trophies were presented at the clubhouse, 51 Rossmore Place, April 27. Judges included Mrs. Flor, Linda Caputo, Georgeann Ventola, JoAnn Braniff, Diane Schroeller and Michele Monica.

The Junior Woman's Club of Belleville thanked all participating students and extended a special thanks to the faculty and staff of the Junior and Senior High Schools who guided and assisted the students. The club encourages all students in Belleville to participate in the contest and looks forward to the same enthusiasm for the contest next year.

Heart attack or stroke could knock you down on your way up.

You're working for the challenge, the satisfaction, the success. The last thing you want is a heart attack or stroke. Yet nearly one million Americans die of heart disease and stroke every year. And 200,000 of them die before retirement age.

The American Heart Association is fighting to reduce early death and disability from heart disease and stroke with research, professional and public education, and community service programs.

But more needs to be done. You can help us find the answers by sending your dollars today to your local Heart Association, listed in your telephone directory.

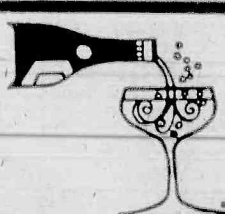

Put your money where your Heart is.

American Heart Association

The American Cancer Society thanks you.

Your employees thank you.

Their families thank you.

You've become a life saver. Literally. For installing our Employee Education Program. For understanding that if cancer is detected in its early stages, chances for cure are greatly increased. Thank you. Hundreds of companies now have an American Cancer Society Employee Education Program. If yours isn't one of them, call us.

American Cancer Society
2,000,000 people fighting cancer.

MARCH OF DIMES former national poster children — 32 of them from 20 states — gather on the steps of the U.S. Capitol in Washington, D.C. to kickoff WALKAMERICA. It will be the first national superwalk to benefit the fight against birth defects and is scheduled throughout the nation on the weekend of April 25-26. President Ronald Reagan and his wife, Nancy, welcomed poster children spanning 34 years of March of Dimes work. At the White House Mrs. Reagan (insert left) holds 1981 National Poster Child Missy Jablonski of St. Louis, Missouri, youngest poster child, as Nancy Drury Conley, Louisville, Kentucky, National Poster Child in 1947 (right) and the President look on. When millions of Americans join WALKAMERICA on the last weekend of April, they will be walking for all children to continue the battle against birth defects, the number one child health problem in the U.S. today.

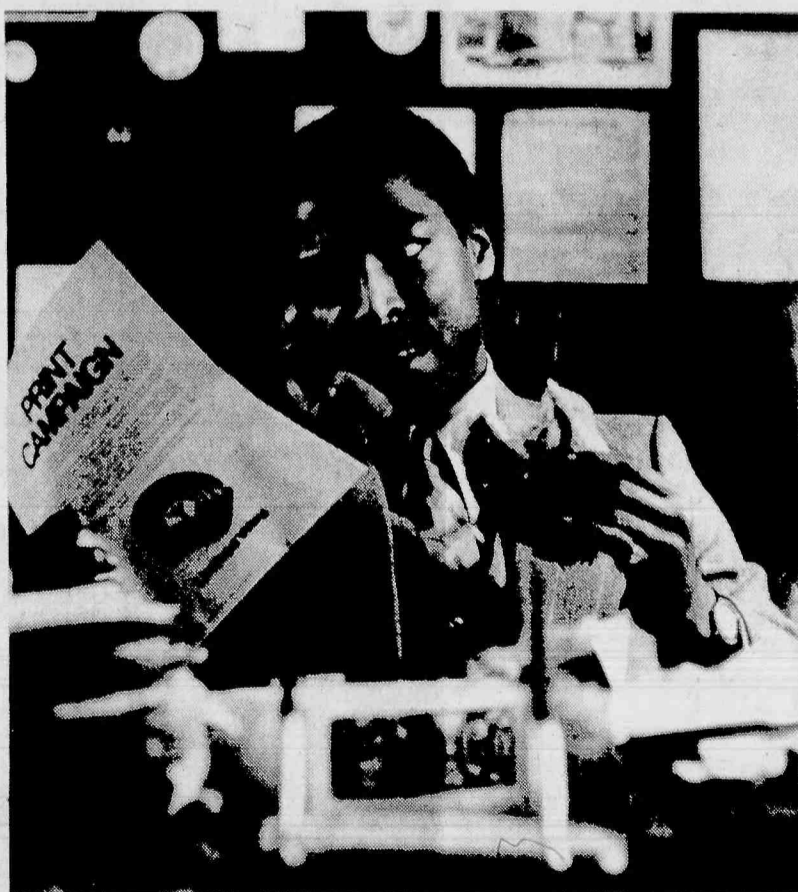

THANKS FOR HELPING TO KEEP UNITED WAY IN BUSINESS.

Every year, United Way successfully continues to support local human service agencies in communities all across the United States.

A lot of the credit for this success goes to the dedicated efforts of people in business—to top corporate leaders who volunteer their organizational skills and financial expertise, to middle-management people who work lunch-hours and evenings to help organize local campaigns and collect money, to the newest mailroom clerk who swallows his shyness and asks his fellow workers for a last-minute contribution.

And by operating like any other modern, well-run business enterprise, United Way succeeds in delivering the maximum in human services for the dollars that are collected.

Thanks again for *your* help.

SHERIFF'S SALE

SUPERIOR (CHANI) B-23
SUPERIOR COURT OF NEW JERSEY, CHANCERY DIVISION, ESSEX COUNTY, DOCKET NO. F-1720-80 THE HOWARD SAVINGS BANK, a corporation of New Jersey, PLAINTIFF vs. CHARLES B. ANDERSON, et al, et al, DEFENDANTS, Execution For Sale of Mortgaged Premises.
By virtue of the above stated writ of Execution, to me directed, I shall expose for sale by Public Auction, in SHERIFF'S OFFICE, Essex County Courts Building in Newark, on Tuesday—the 2nd day of June next, at one-thirty P.M., (Prevailing Time).

Municipality: Town of Irvington. County and State: County of Essex, State of New Jersey. Street and Street Number: 19 Roswell Place, Tax Lot and Block Numbers: Lot 12, Block 197. Dimensions: Approximately 25.0 x 100.0 feet x 20.5 feet x 100.0 feet. Nearest Cross Street: Approximately 275.5 feet easterly from Norwood Avenue.

A full legal description is available at the Office of the Register of Essex County in Book 4619 of Mortgages at page 976.

The approximate amount of the Judgment to be satisfied by said sale is the sum of FORTY THOUSAND ONE HUNDRED TWENTY-NINE DOLLARS AND TWENTY CENTS (\$40,129.20); together with the costs of this sale.

The Sheriff reserves the right to adjourn the sale from time to time as provided by Law.

"GENERIC DRUGS"

The New Jersey Drug Utilization Review Council has published a drug formulary showing acceptable manufacturers for certain drugs where substitution on a prescription is mandated for the pharmacist, unless the patient or doctor specifies otherwise.

Question-How much can I save on a generic prescription?
Answer-This figure can vary from drug to drug, but a good ball-park figure is about 50%.

Question-Are all generics manufactured only by small generic companies?
Answer-No. There are many "branded generics" or other generic drugs manufactured by some of the larger drug companies in our country specifically to capitalize on the generics market.

Question-Do all medications have a generic equivalent?
Answer-No.

Call us at...235-0821

Curious about your medication? Ask to see our "Advice for the Patient" book containing consumer information about all prescription drugs.
