Iserman new director on United Way board

Howard Iserman

Howard Iserman, president of Van Dyk and Company in Belleville, has been elected to a three-year term of the board of directors of United Way of Essex and West Hudson.

The Livingston resident is a graduate of Rensselaer Polytechnic Institute. He was awarded the Rensselaer Alumni Key and is a past president of the RPI Alumni Association of New Jersey.

Iserman's professional memberships include the Cosmetic, Toiletry and Fragrance Association and the Research Institute for Fragrance materials. He is a past director of both organizations. Iserman has been a member of Temple Israel since 1955.

The United Way's 68 beneficiary agencies serve over 300,000 persons in the Essex and West Hudson area.

N.J. Breeders award scholar

Karen L. Ferriero of Belleville has won the \$2,500 second prize in a student scholarship competition sponsored by the Standardbred Breeders and Owners Association of New Jersey.

Miss Ferriero, a 17-year-old Belleville High senior ranking eighth in her 422-member class, received the scholarship Sunday at the Pines Manor in Edison. She is planning to attend Montclair State College. At BHS, she has been a cheerleader and member of the Student Government Association, Key Club, Future Teacher's Club and National Honor Society.

The competition is open to children of members of the SBOA, an organization of horse breeders.

"Why are my PSE&G energy bills higher?"

As a business and a consumer, PSE&G has to go to the market and face the same inflationary prices that you do. And as the cost of items we must buy goes up, the cost of the electricity we produce and the gas we deliver must also go up.

FUEL COSTS MORE!

Imported fuel oil is a big expense in generating electricity. And natural gas and coal prices are also going up. Today, PSE&G spends 45% of your energy dollar just to buy fuel, natural gas and electricity from other utilities.

Unfortunately, PSE&G has no control over escalating fuel costs. But we do have control over the type of fuel we can use to meet New Jersey's future energy needs. That's why PSE&G is investing large sums of money to produce electricity more economically.

CONSTRUCTION LOANS COST MORE!

PSE&G must borrow funds at the current high rates to finance the construction of generation facilities needed to meet our customers' future energy requirements. In 1981, PSE&G will pay over 500 million dollars in construction costs, most of which will go to finance the

construction of our Hope Creek nuclear power plant.

Costs for construction and financing may seem high, but PSE&G must make a large, initial capital investment in order to convert to cheaper forms of energy like nuclear power. This will further reduce our dependence on costly foreign oil and will offset higher energy costs in the future.

TAXES COST MORE!

PSE&G spends 18% of your energy dollar to cover local, state and federal taxes. Our customers get hit the hardest through New Jersey's gross receipts and franchise taxes. Taxes automatically increase as rates are increased to cover rising fuel and other costs. In 1980, these taxes were over 300 million dollars.

MATERIALS AND SERVICES COST MORE!

Prices for materials, services, and all the replacement equipment needed to provide you with reliable service have more than doubled in the past ten years.

PSE&G CUT COSTS IN 1980!

In 1980, PSE&G launched a cost-cutting program which reduced the work force by over 600

employees, curtailed certain maintenance work, shut down less efficient facilities, extended general office employee work hours by 14%, and reduced capital expenditures by stretching out construction projects. PSE&G also used less high-priced fuel oil to generate electricity at a savings of over 88 million dollars.

PSE&G is doing its best to keep costs down. But with fuel costs, high interest rates, taxes and double-digit inflation eating away at the value of your energy dollars, it takes more dollars to provide the same amount of services to our customers.

Commission okays street repair bond

The Town Commission has approved an \$822,000 public works bond ordinance for street resurfacing and replacing of water mains. A total of five projects will be undertaken, four of them to be financed through the Essex County Development Block Grant Program.

The most expensive of the five projects calls for an \$303,000 appropriation for the installation of a water main on Smallwood Avenue. Another \$275,000 will be spent to put in a new water main pipe on Belleville Avenue.

The plan also includes the reconstruction of a quarter-mile portion of Belmont Avenue on a stretch running from Franklin Street to Bloomfield Avenue. The street has been a top priority of commissioners since residents started complaining about the number of potholes there. Another \$23,000 will go toward resurfacing the street.

The final part of the plan calls for the resurfacing of Mill Street, at a cost of \$55,000. The town will pick up \$19,000 of the bill with the county footing the rest.

Association plans Atlantic City trip

The Michael P. Pizzi Civic Association is sponsoring a bus ride to Atlantic City Sunday on May 31.

Knights set blood drive next month

The Belleville Knights of Columbus will sponsor their second annual Eugene "Cappy" Barnett spring blood bank 3-7 p.m. Friday, June 5, at the Council 835 Hall, 94 Bridge St.

The Knights' bank was named for the former town clerk following his death last summer. He was the bank's founder and chairman for over 30 years.

Donations will be collected by the North Jersey Blood Center, which will use the blood to supply donors and their families and members of Council 835 and their families for one year. Donations will also help meet the needs of persons hospitalized anywhere in the United States. Additional beneficiaries will include hemophiliacs, leukemia patients and other large blood users.

Seventeen-year-olds may also give blood but must have parental permission. For more information, call drive chairman Gerard Hickey at the Belleville Public Library at 759-9200.

Fingernails, toenails and hair have much in common. Hair grows from its follicle; nails from a funnel-like fold or soft cells. Both are outgrowths of the skin and a diet that nourishes the hair nourishes nails. In prehistoric times, when fingernails were used as weapons for fighting, they were permitted to grow long and assume a clawlike appearance. Today, their natural function is to protect the fingers and toes, and of course, they are important to good grooming. Ask your pharmacist to recommend a vitamin supplement to strengthen nails.

Our pharmacist at ROSSMORE PHARMACY, 338 Washington Ave., 759-1956, 759-1968 is here to interpret your physician's prescription for you. If you have any questions concerning your medications, don't hesitate to ask. We are Medicare and Blue Cross approved. For Father's Day and graduation gifts see our selection of cameras, transistor radios, and Timex watches. Open: 9am-10pm, daily, 9am-6pm Sundays.

HANDY HINT:
To help avoid ingrown toenails, the nail should be cut straight across.

Cellar dwelling

The Belleville Zoning Board of Adjustment turned down an applicant who desires to convert a basement into a living quarter.

The Zoning Board's decision was correct. Permitting one basement apartment — especially in these most troublesome economic times — will be the forerunner of a number of basement apartments. A basement apartment community is not what the town of Belleville needs to get out of the basement and into the upper floors in order to upgrade the quality of life in this very fine community.

We can sympathize with the people who would like to have a basement apartment, but one must consider the overall best interest of the community. Granting one exception would not serve that purpose.

Protecting agents

CIA Director William Casey recently testified before a United States Senate judiciary subcommittee which is considering a bill to impose jail terms of up to 10 years for someone with access to classified information who discloses the name of an agent.

At the hearing, Casey testified that the legislation, which aims to jail anyone who publicly identifies a United States spy, is needed to rescue American intelligence agencies from serious harm. We could not agree with him more.

The work of the CIA is necessary to the preservation of our democracy. The agents require anonymity to be effective.

Deliberate public disclosure of a CIA agent's identification is treasonable. A jail term of up to 10 years is small punishment for the act.

The false issue of freedom of the press was introduced by those opposed to the legislation. Baloney — protecting the life of a CIA agent is no breach of press freedom; to us it appears a patriotic duty — never mind this business of jeopardizing press freedom.

Frank A. Orecchio

Japanese autos

The United States government twisted Japan's arm, and, as a result, the importation of Japanese cars will be substantially reduced.

This is ridiculous. Cutting Japanese auto imports by 20 percent serves no good purpose. The public will be heard. Because of the scarcity of Japanese cars, those that do enter the country will cost more. The more Japanese cars cost, the higher the cost for American cars.

The Japanese are selling more cars in America because they are cheaper. They are more economical to operate, and they are better. If Americans were not satisfied with Japanese cars, they would not buy them.

We should not penalize the

Japanese but look within ourselves. Our auto workers should be more productive, produce cars of better quality, and the employer should see to it that American-made cars operate more efficiently than the Japanese autos.

The problem in this issue is not the Japanese selling too many cars in America, but American industry and labor failing to meet the competition of foreign imports.

Unhappy 'subject' takes issue with parking fees at county lot

To the Editor:

It happened around Easter time that Peter was looking down from his ivory tower, studying the couple of hundred cars parking in his domain opposite Stephen Crane Village.

Most of the cars belonged to people from Nutley and Belleville, who would take the couple of minutes' walk to the City Subway as they had been doing for years and years.

Believing, as do most other politicians, that there is no bottom to the pockets of the working people, Peter, with childlike exuberance, proceeded to have a booth erected on "his" premises, painted in carnival colors for a cheerful look, and had parking fee schedules printed up.

In the future, it would be a real

privilege to park in Peter's lot for \$1.50 a day, or, for those with more faith in the future, \$24 per month.

I stopped to chat with the attendant on duty the other day. He seemed most grateful for the diversion from his lonely vigil of looking after the three or four cars now occupying the lot during the day.

He agreed that it didn't look like a money-maker, since he was taking in \$6 a day and was being paid \$32.

The above confirms that \$50,000-a-year salaries should be paid for executive ability, and not to executives in name only.

For Peter, \$24 a month in extra parking fees would probably be a mere bagatelle, but the people he was observing from his lofty perch can ill afford to be fleeced out of \$24 a month so they can continue to pay

his salary without wrecking their tight budgets.

With the controversies regarding his policies at the Geriatric Center continuing to increase, following a string of controversies before that, they are rapidly becoming known as "Peter's Follies."

The sad part is that Essex County government is not a joke, it is big and serious business, also very expensive.

With a choice, give me an experienced business administrator, even one who is not a registered voter, and you can have the politician, Peter Shapiro, the current county executive.

Unfounded rumor upsets supporter of BHS drama

To the Editor:

I am writing this letter for I have heard a rumor that Mr. John DeCesare, principal of Belleville High School, would like to discontinue the plays given by the high school students.

Why does Mr. DeCesare want to do that? We enjoy them very much. The talent and the shows put on by those students are better than a Broadway show.

We would regret it very much if it is so, for we all have enjoyed the plays very much and can't wait for the plays given by the students next year.

Please, Mr. DeCesare, don't do this to the children of Belleville High School, for

we would miss the plays very much.

I also want to say for Mr. DeCesare to miss and not go to one of the plays given by the students is unbelievable, for the children are his children as principal of Belleville High.

We also would like to know why he has never attended one. If he has the guts, let him answer in writing.

Sincerely,
Ann Santoro
Belleville

(Editor's Note: There is no plan to discontinue plays at BHS. That is a rumor and nothing more.)

Student orator congratulated

To the Editor:

We would like to congratulate one of our eighth grade students, Cassandra Camuso, who participated in an oratorical contest run by the Optimist Club in Belleville and also on May 7 won first place in a county oratorical contest. She participated in the state level contest in Freehold this week.

Congratulations also to Cassandra's teacher, Miss Deborah Petrillo, for the time spent in preparing for the contests.

Senior Notes

By George Chenoweth

Capping benefits for Medicaid recipients will not solve the problem of waste caused by an inefficient health care system or correct the fraud perpetrated by health care providers.

Eliminating the minimum Social Security benefit will further deepen the severe poverty faced by the 85 percent of the recipients of those payments who depend primarily on Social Security.

I do not believe that our nation has been overgenerous in helping the poor, the disadvantaged and the elderly. It is my belief that the administration's program is too generous in supporting the wealthy and the prosperous.

It is also difficult to believe that the Social Security fund will be saved by cutting back on Social Security benefits. One has to wonder why it is that the social programs are attacked, if I may use that word, when there are so many unnecessary programs that have flourished because some senator or representative wishes to please some well healed contributors from his home state, or to use influence in another area.

In the federal government, we have an administration concentrating on cutbacks of a nature that will harm the less fortunate if allowed to happen. In the state, we have an administration that would like to use casino funds for other things than for what they were originally intended. Are the powers that be playing a game known as "sock it to the seniors," with the thought that the elderly are least unlikely to retaliate?

The costs of the social programs will still be with us, no matter what. Where the federal government cuts back, the states and municipalities will have to take up the slack. There is no way that the important programs such as Medicaid, food stamps and other aids and services, so greatly needed by the elderly and the poor, will be allowed to lapse into oblivion.

Who then will pay? Why the property taxpayer, of course. He is the one who supports your town, county and state.

Marotti breakfast slated for May 31

The fifth annual breakfast sponsored by the Friends of Mayor Michael V. Marotti will be held Sunday, May 31, at the Branch Brook Manor, 13 Washington Ave., starting 10 a.m., and tickets are still available.

School Board President Charles Miele is the event's chairman, and guest speakers will be State Senator Carmen A. Orechio, Police Chief

George Lister and Assistant School Superintendent for Personnel Michael Nardiello. Entertainment will be provided by one of New Jersey's funniest comedians, Sam Lombardi.

Tickets are \$12.50 a person. For reservations or for more information, call Miele at 759-4458 or Lebro Charles at 759-8395.

Lawyers will take oath before U.S. high court

Belleville lawyers Frank J. Cozzarelli, Dennis M. Mautone and Emil W. Nardachone will take the oath of office to practice before the United States Supreme Court June 1 in Washington, D.C.

The three partners in the local firm of Cozzarelli, Mautone & Nardachone will be accompanied by their wives, Karen Cozzarelli, Ann Mautone and Annabel Nardachone to the nation's capital.

In addition to his private practice here, Cozzarelli is Belleville's assistant town attorney. Mautone is a senior associate counsel to the

Newark Redevelopment and Housing Authority, and Nardachone is general counsel to the same agency. He has held the post since January 1979.

The U.S. Supreme Court requires that an attorney be licensed to practice in a state for at least three years. A certificate of good standing must be issued by the State Supreme Court before the attorneys may take the oath of office.

All three lawyers are members of the American, New Jersey and Essex County Bar Associations.

Park closed to car traffic

Branch Brook Park has been closed to automobile traffic Sundays through October.

"We believe parks are for people, and by restricting cars on Sundays, we hope to make Branch Brook more attractive to walkers, joggers, bicyclists and especially parents with young children," said Essex County Executive Peter Shapiro.

William C. Scalzo, director of the Essex County Department of Parks, Recreation and Cultural Affairs, pointed out that two other county parks, Orange Park in Orange and Brookdale Park in Bloomfield and Montclair, are already closed to automobile traffic on Sundays. "We are getting favorable reaction on Sunday closings from users of those parks," said Scalzo, adding that without traffic, "parks are safer and more usable."

Scalzo said he and his staff will closely monitor the effect of Sunday closings on Branch Brook. "We expect this change will result in a better recreational and leisure experience for users of our parks," said Scalzo. "Surveys show that nearby residents make the most use of county parks, and with 'carless Sundays,' we hope to make the parks more accessible to the local communities surrounding the parks," he said.

Jewels & Gems

Most antique silver items can still serve their original purposes although some people limit their use to decorative functions. Many old pieces have survived intact. In this respect, silver differs from porcelain and pottery which are fragile wares and so, more limited in supply. Silver has always figured in history. For example, during the Civil War in England, families gave (or had seized) quantities of silver which were melted to provide currency. The twelve Oxford colleges alone gave 20,000 ounces of silver to the Cavaliers!

Do you have silver items and are not wearing or using them to their full potential? Why not come to CHARLES JEWELERS, 163 Washington Ave, Belleville, where we can take this in trade for a new or custom designed piece of jewelry made to suit you. My 34 years of experience in this area will provide you with the best selection and service. We also offer discounts to everybody — every day on almost all of our items. Won't you call us today? We will be more than happy to discuss any of this with you in person. Remember that we also offer discreet and honest pawnbroker services. Our telephone number is 759-2468.

GEM TIP:
Most seventeenth century silver designs were embossed and floral motifs.

Maria DeFilippis bride of Anthony D. Malanga

St. Peter's Church was the setting recently for the marriage of Miss Maria E. DeFilippis, daughter of Nicholas P. DeFilippis of Monmouth Beach, to Anthony D. Malanga, son of Mr. and Mrs. Anthony Malanga of 6 Copper Place.

The Rev. James Heavey performed the ceremony which was followed by a reception at The Fiesta, Woodridge.

Escorted by her father, the bride wore a lace-trimmed chiffon gown and coat with matching hat. She carried white silk cowl lilies with babies breath and gold ribbon.

Miss Patrice Fazzini of Belleville was maid of honor. Bridesmaids were Jean DeFilippis, sister-in-law of the bride, Laura Spina of Belleville, Marie, Tiffany and Lisa Orsini of Glen Ridge, Donna Malanga of Belleville, sister-in-law of the bride, and Josephine Marano of Toms River.

Noelle Orsini of Glen Ridge was the flower girl. She wore a white lace gown and carried a basket of pink roses and gold petals. The others were attired in garnet Qiana gown with pleated tops. The honor attendant had white silk roses with garnet trim, while the others carried pink silk roses with babies breath.

Gregg Dunleavy of Belleville was best man. Ushers were Joe and Nicholas DeFilippis of Belleville, Michael Marano of Toms River and Chris Cervasio of Belleville.

The groom's mother chose a plum Qiana gown with matching malibu and silver accessories. She had a purse corsage of lilac flowers.

Mrs. Malanga, an alumna of Belleville High School, is employed by First DeWitt Savings and Loan Association, Bloomfield.

Mr. Malanga, a graduate of Belleville High School and RETS Electronic School, Nutley, is with Mita Copystar, Hasbrouck Heights.

The couple made their home in Belleville following the Dec. 5 nuptials.

Mr. and Mrs. Anthony Malanga — nee Maria DeFilippis

Steven Zanetakos

A first child, a son, Steven Paul, was born to Mr. and Mrs. James Zanetakos of 185 Seeley Ave., Kearny, April 27 at Clara Maass Memorial Hospital. Birth weight was seven pounds, nine ounces.

Mrs. Zanetakos is the former Mary Waraksa, daughter of Mrs. Ann Waraksa of Shomokin, Pa., formerly of Belleville, and the late Paul Waraksa. Mr. Zanetakos, son of Stavros Zanetakos of Brooklyn, N.Y., and the late Sophia Zanetakos, is a systems supervisor with Automatic Data Processing, New York City.

BHS girls are awarded business scholarships

Two Recipients — Susan Grolimond and Amy Constantino (l-r) who will be graduating from Belleville High next month, have won Roberts-Walsh Business School Scholarships. The two were among just 18 students out of 150 competing to win full or partial scholarships. Both plan to attend Roberts-Walsh in Union.

Kim Ostroski off to Taylor

Kim Marie Ostroski of Malone Avenue will begin studies in July at Taylor Business Institute, Paramus.

Miss Ostroski will be enrolled in the travel/tourism systems and operations program, designed to provide students with knowledge of jobs as travel and reservations agents, travel counselors or management trainees.

The daughter of Mr. and Mrs. Joseph Ostroski, she is now attending Belleville High School.

Belleville's past

After the Rutgers Bridge was built in 1790, the first public conveyance to New York from Belleville was a daily stage owned by Joseph Sandford. It was the only means of getting to and from New York other than by water.

Later, John Dow and John Williams were proprietors of a line of stages running to New York. These stages were old Concord-style close coaches, with more seating on the back, front and top than on the inside. They were driven by Jacob Robinson who began his coach career as the slave of John Dow. Dow told Robinson the price he had paid for him and said that as soon as his wages were at that sum, he would be set free. Eventually, Dow sold his interest in the stages to his driver, and thereafter the proprietors of the line were John Williams and Jacob Robinson.

John Williams also owned a hotel on the corner of John (Belleville Avenue) and Main Streets. It was a home-like old stone house, one-and-a-half stories high, with four rooms on the first floor and the door at the center. There also was a large wooden frame building connected to it. This hotel was widely known. It was a summer resort as well as a stopping place for travelers. The stage started from the hotel at 8 in the morning and returned toward evening. After some years, Jake became too old to drive the stage and his son Francis became the driver.

Williams and Robinson sold out to Mr. Tucey of New York. He continued the stages for a time before selling out in turn to T.P. Seaman who had five stages and drove four and sometimes six splendid horses. His driver's was Barber who, besides being a good horseman, was quite a musician and played the bugle well. For a long time the departure of the stages was announced by stirring airs played on the bugle. Seaman also owned the Mansion House and was a horseman of great notoriety.

About this time, Thomas Farrand owned a hotel on the corner of William and Main Streets, and he too started a line of stages. He sold out to Seaman and went to Europe on a visit. On his return, he purchased the property. John Grice became proprietor of those stages and he sold to one Lewis of New York.

The stage line was continued under various owners until the lines were extended to Newark, which, running in connection with the railroad to New York, diverted the travel so that the stages between Belleville and New York failed to pay and were discontinued. This state of things existed until the establishment of a horse-car railroad from Newark to Belleville around 1865.

Med center honors trio

Three Belleville residents were among 126 adults and teenagers honored at the Veterans Administration Medical Center's annual award ceremony yesterday.

Lillian Metcalf was recognized for her over 7,500 hours of service at the East Orange center. Also honored were Edward Januszewski, who has volunteered 1,000 hours, and June Januszewski, who has logged 500.

The awardees are among a total of 293 center volunteers, representing 37 service, fraternal, benevolent and civic organizations.

"The volunteers' unselfish efforts prove that the community is concerned with the welfare of veterans and is motivated to contribute to their good morale and rehabilitation," said the center's director, Peter Baglio.

Pica backs Florio for governor

Public Safety Commissioner Matthew A. Pica has endorsed Congressman James Florio for the Democratic gubernatorial nomination.

In announcing his support for the South Jersey representative,

Pica called him "the best candidate available, based on his experience and outstanding record in Congress."

"Florio's ability to deal effectively with national problems proves that he will bring the same

expertise and sensitivity to the state of New Jersey," said Pica.

"He has shown his ability to stimulate the economy by bringing jobs to his Camden County constituents through the construction of public works facilities," con-

tinued Pica, "and is the one candidate in the gubernatorial race capable of moving this state forward."

The Florio campaign in Belleville is being chaired by former school trustee Mike Chieffo.

Title I meets this evening

A combined Title I application and District Parent Council meeting will be held 8 p.m. tonight at the Belleville Board of Education offices, 383 Washington Ave. Cora Boice will lead the regular general meeting and there will be a discussion about the 1981-82 Title I application. All parents are urged to attend.

Title I is a federally funded remedial reading program sponsored by the Board of Education. Children served by the program are in grades one through six and are seen each day in small groups for half-hour sessions. The small classes enable each child to receive a great deal of individualized teaching.

The Belleville Title I program this month spotlights St. Anthony's School. The Title I teacher at St. Anthony's is Carolyn Fuscaldo. Formerly a teacher in the Belleville public school system, Mrs. Fuscaldo has been with the program nine years.

All the children in the program are using materials and books geared to their special needs. Use of school and public library books adds variety to the daily program and so do many teacher-made materials. It is the overall goal of the program to improve children's reading in all areas of school work and develop a growth in reading enjoyment.

The sixth-graders conducted a survey of Belleville residents to find out their reaction to the water shortage. Letters to the water company brought many types of books, bumper stickers and helpful pamphlets. The students composed their survey and distributed it to generate community interest in the water shortage. As with all the year's activities, this unit of study showed them that "Reading Is Everywhere."

The fifth and fourth-graders increased their reading skills with a Skill Booster Series. In this series, growth in word power is stressed, along with working with facts and details, using references and increasing comprehension.

Third-graders were enthusiastic after their work on vowel skills and relate games. The Specific Skill Series builds on drawing conclusions, following directions and choosing the main ideas. New confidence, independence and the desire to read for enjoyment have become a part of the students.

First and second-graders are aided in work with phonics, auditory and visual discrimination skills, classification of objects and related activities. Work with blends and diagraphs is stressed through workbooks and the "Talking Alphabet."

Belleville nun back in States

Sister Eleanor Harker of Belleville has returned to the United States to become one of 14 Medical Mission Sisters taking part in a three-month theological, socio-cultural and professional renewal program.

A pastoral minister, Sister Eleanor is part of an international group of Medical Mission Sisters which has gathered at the order's North American headquarters in Fox Chase, Philadelphia, for mission assignments in Rome, Ghana, Rwanda, India, Bangladesh and the United States.

A graduate of Belleville High School, Sister Eleanor began studies at Seton Hall College in Newark and worked in her hometown area for several years before entering the Medical Mission Sisters in 1946. She studied medical technology at Trinity College in Washington, D.C., and in 1951 received a certificate in medical technology from Nazareth Hospital, Philadelphia. Sister then served overseas for almost 15 years in the laboratories of her community's Holy Family Hospitals in Rawalpindi and Karachi, Pakistan.

Sister Eleanor returned to the United States in 1967 for further studies. She received a diploma in social leadership from Coady International Institute in Antigonish, Nova Scotia, in 1969. She then began sociology studies at Seton Hall University and was awarded a bachelor's degree in sociology in 1976.

In 1977 Sister Eleanor became involved in pastoral ministry work at Clara Maass Memorial Hospital. The following year she began formal studies at Immaculate Conception School of Theology in Mahwah, where she received a master of divinity degree in pastoral ministry in 1980. Sister recently returned from a short social ministry assignment in Loitokitok, Kenya.

The Medical Mission Sisters are an international religious community of women who dedicate themselves to a life of healing in the neediest areas of the world. Their 700 members are now at work in 33 countries, including the United States. The Medical Mission Sisters were founded in 1925 by Austrian Doctor Anna Dengel, who died last year.

GRAND UNION

DOUBLE VALUE COUPONS

All this week in Belleville and North Arlington Grand Unions. Now, any manufacturer's "cents off" coupon (on brands and sizes we carry) will be redeemed for double savings. For example, if the coupon gives you 50¢ off, Grand Union gives you double value or 1.00 off. (Because of the current market conditions on the supply of coffee, and to insure every customer a fair share, we are limiting our double coupon coffee redemptions to one container of coffee per shopping family. Coupons for additional coffee purchases will be redeemed at face value.) This offer does not apply to Grand Union, or free, or any retailer coupons, or where the total will exceed the price of the item. (Cigarette and milk coupons prohibited by law). Offer expires Sat., May 23.

Priests react with disbelief to murder attempt on pope

By Suzi Hedrick

"I was shocked. I found it all very hard to believe." That reaction from a local priest to the attempted assassination of Pope John Paul II was

echoed again and again last week as news of the incident spread.

Respected throughout the world, not only for his leadership of the Roman Catholic Church, but also

for his role as a humanitarian, the pope is of course especially important to those in the priesthood. Catholic spiritual leaders in Belleville and Nutley were greatly saddened as the second pontiff in less than five years was almost lost to them.

"It took a couple of days for the full impact of it to dawn on me," said Msgr. John Byrne of St. Peter's Church in Belleville. "I think the people had a more immediate reaction, especially the younger ones. They were hurt by it."

Father Francis Blake of Holy Family Church in Nutley felt similarly. "This is indicative of the violence being perpetrated in our society today," he said. "I felt horror, as did the parishioners."

Asked if they thought the pope might limit his personal appearances after his recovery, most priests agreed that he would not. According to Father Joseph Cestaro, pastor of St. Anthony's Church in Belleville, today's leaders are expected to be

more visible. Father Timothy Horgan, pastor of St. Mary's Church in Nutley, agreed, saying, "The pope needs to be with people — the old concept of distance as a part of leadership is outmoded. If being out there with the people is a risky thing, he'll take the risk."

While many were saddened and bewildered by the shooting, a sense of the omnipresence of violence throughout human history was strong. "I wish people would find other ways to vent their violence, but it's been going on since Cain and Abel," said Father Horgan. Msgr. Byrne added, "We all live with violence, people in Belleville and Newark could tell you that."

Special prayers have been offered throughout the week for the recovery of the pope. Sunday Masses at St. Anthony's Church were dedicated to the pope, and a concelebrated Mass was offered at Sacred Heart Cathedral in Newark last Thursday.

Female duo shows class on Buc track

Saturday at the Essex County championships, two runners for Belleville High School had themselves a day that they will probably never forget.

Dana Caruso and Cecilia Graham both came through with super performances on the Columbia High School track. Caruso competed in the 1,500 and 3,000 meters and set school records in both events. Graham, the team's top high jumper, became the first female Belleville athlete ever to win a county title. Her jump of 5-0 earned her a gold medal.

Let's start with Graham and her super day. Cecilia is a very special type of athlete. Her abilities go far beyond the track and as Larry Jinks, her head coach, said, "Cecilia is a super competitor. She always seems to rise to the occasion and jumps her best in the big meets."

That is indeed true. The Belleville High School athlete of the week was the only girl to clear the 5-0 mark and she came very close to jumping over 5-3. Had she done that, Graham would have set a school record. My feeling is if she had to clear the 5-3 mark, she would have. But because she had the championship wrapped up at 5-0, she more or less just worked on technique to clear 5-3. She took three jumps at that level and came extremely close. Perhaps she'll save some of that talent for the state sectionals this Saturday at Mendham High School.

Cecilia's victory last Saturday couldn't have happened to a nicer person. As many Belleville fans are probably aware, she is the sister of the late Michael Graham, who was killed in an auto accident two months ago. Her gutsy, courageous performance last Saturday just goes to show the class, character and personality that this girl has.

A lesser person might not have been able to compete so intensely, but Cecilia had a driving force behind her. It hasn't been an easy season for Cecilia Graham, but it has indeed been a very rewarding one. Her parents attended the meet Saturday and you couldn't find two happier people after Cecilia had one. However, to tell you the truth, her parents would have been just as happy if Cecilia didn't clear any height at all. That's the type of people that the Grahams are. The victory for Cecilia Graham was one well deserved.

For Dana Caruso, years of hard work and dedication have paid off. Dana first came out for the team in the ninth grade as a hurdler and sprinter. After a season, she realized that those events weren't to her liking and she decided to give distance running a try. Dana competed for the cross country team during the fall and is just completing her fourth year of track.

During her illustrious four-year career, Dana has set school records in the half-mile, the 1,500 meters and 3,000 meters. She also has set a cross country record for the girls and has brought home a number of medals.

However, most of all, Dana Caruso is a determined athlete who has the respect and admiration of her teammates. "She's without a doubt the hardest worker I've ever coached," said Jinks. "She's a very coachable kid, a great leader and one that everyone looks up to."

Dana works long and hard at the art of long distance running. After the cross country season, she does a great deal of running on her own to prepare for the track season. Even during the track season, you can find her doing extra running on the weekends and evenings. It seems that running is constantly on her mind and her performances show it.

Her team leadership has made the 1981 track season a very special one. Her good nature and personality make the sport an enjoyable one, and although she loves to win, personal improvement for her teammates and herself is the main goal.

Perhaps the girls' first victory of the season last week at Livingston was for Dana Caruso. She certainly deserves it. As for the future, Dana will be attending Montclair State in the fall and hopes to continue her running career there. During the summer she will probably compete in some marathons, and she is working hard as usual in the hope of building up a strong track program for her school. That type of dedication and enthusiasm makes Dana a very special athlete.

As mentioned earlier, the Belleville High School athlete of the week is Cecilia Graham, not only for her great performance but for being Cecilia Graham.

Starting next week, The Belleville Times sports department will start a new feature. In addition to "Buc Shots" and "Cosmos' Corner," "Sports Personalities" will appear on these pages. The feature will appear every other week and will include interviews with sports figures on the professional level.

The major league baseball season has brought some early surprises this year. The St. Louis Cardinals in the National League and the Cleveland Indians in the American League are off and running early. Both of these clubs have good hitting and enough pitching to be factors for the entire season. The Los Angeles Dodgers look really good thanks to rookie sensation Fernando Valenzuela and his 8-1 record. Right now it looks as if Los Angeles will run away with that division, but don't count out Cincinnati or Houston yet.

Let's hear it for the Boston Celtics. After everyone had counted them out of the Philly series, they took care of Houston in the finals following an early scare. So the Celtics have won the NBA crown for the 14th time and don't be surprised if this is the start of another Boston dynasty. The Celts are a young team and will improve as the years go on.

Congratulations to the Belleville High baseball team and head coach George Zanfini for their great comeback in the Greater Newark Tournament against Columbia Sunday afternoon. The Bucs rallied from an 8-0 deficit to win 15-9 and will battle Bloomfield in the semifinals this Saturday.

Here is the answer to last week's quiz. The question was, who was the Met player who laid down a 10th-inning bunt against the Baltimore Orioles in the 1969 World Series which wound up in a controversial play? The Oriole pitcher hit the Met runner with the throw to first and the Met runner on third scored the winning run. The bonus questions were, who was the Met runner on third and who was the Oriole pitcher? Well, the Met who bunted was J.C. Martin, the Oriole pitcher was Pete Richert and the runner who scored was Rod Gaspar.

For this week's quiz, see how you Oriole fans remember your team. In 1970, the Orioles won the world championship with four 20-game winners. Can you name those players and do you remember if they ever won 20 games again?

Diamondmen stave off Columbia 15-9 in GNT

By Mike Lamberti

Oh, brother, what an incredible game! That was the consensus following the Belleville-Columbia baseball battle in the second round of the Greater Newark Tournament here Sunday.

The Bucs, down 8-0 after one inning, rallied to blast the Cougars right out of Belleville 15-9. Eugene Cancelliere got the victory, pitching the last six-and-two-thirds innings after starter Anthony Coco was roughed up for eight runs.

Belleville hosted Irvington in round one of the state tourney earlier this week. If the Bucs won, they were to play the winner of the Roxbury-Westfield game tomorrow at Belleville. On Saturday, the Bucs will battle Bloomfield at Verona High School in the semifinals of the Greater Newark Tournament in an 11 a.m. start. The Bucs are tentatively scheduled to play Secaucus Monday at Belleville.

In addition to the Columbia victory, the Bucs knocked off Orange 8-1 and were beaten by Seton Hall 8-4 in regular-season games this past week. The team's record is now 15-5.

Against the Cougars of Columbia, the Bucs needed to pull out all the stops to win. "I thought it was a tremendous comeback," said head coach George Zanfini. "We played very well offensively and Eugene did a good job of holding them down."

After Columbia jumped out to an 8-0 lead in the first, Frank Fazzini belted a homer to start the second inning. In the fourth, the Bucs tallied four times. Fazzini singled and scored on a Joe Corbalis double. Phil Cerza and Cancelliere then walked to load the bases and Paul Scheuplein drove in two runs with a single. Bobby Brave then singled home Cancelliere with the fifth Belleville run of the game.

In the fifth, the Bucs tied the contest. Fazzini again singled and went to second as Corbalis reached safely on an error. Cancelliere singled home Fazzini and Scheuplein doubled home two runs.

The Cougars regained the lead briefly 9-8 on a home run, but Belleville grabbed it back for good with three more runs in its half of the sixth.

Brave doubled and went to second on a Jerry Ross sacrifice. Fazzini then walked and Corbalis smacked a three-run homer. By the way, the Cougars intentionally walked Fazzini to pitch to Corbalis. In the seventh, the Bucs added four more runs as Mike Forte, Ross and Corbalis led the way with RBI hits.

Against Seton Hall last week, the Bucs did not play a good defensive game and that led to their 8-4 downfall. Bobby Grogan took the loss, his second against three wins. The Bucs managed just four hits in the game as the Pony Pirates racked up 14 safeties.

In the Orange game, the Bucs

jumped out to an early 5-0 lead and coasted to victory. Roger Lentz pitched a fine ballgame in racking up his fourth win against no setbacks. The Bucs scored in the first and added four more runs in the second inning. Scheuplein reached on an error by the third baseman and Joe Zangari walked. Bobby Brave got aboard via an error by the third

baseball before Ross doubled home three runs. Dave Starr then tripled home Ross and the Bucs were safely ahead, 5-0. Ross had a super game, going three for four and driving in four runs.

For the season, the Bucs have compiled some very impressive stats. Cancelliere is now 3-0 with an ERA of 1.78. Grogan has a 3-2 mark with

a 2.41 ERA, and Billy Zeimer has an ERA of 2.92.

Fazzini continues to lead the hitting department with a .575 mark, nine homers and 44 runs batted in. Brave, who has been so impressive all year, is hitting .567 and Corbalis and Cancelliere have .355 and .351 averages respectively. Both men also have three homers.

Rare Miss — Frank Fazzini cannot handle an errant throw during Saturday's Greater Newark Tournament game with Columbia. He could handle Cougar pitching, though, clubbing a homer in Belleville's come-from-behind victory.

Girl runners set records at Essex championships

By Mike Lamberti

The Belleville High track team gave an excellent account of itself at the Essex County championships Saturday in South Orange, with Cecilia Graham becoming the first BHS girl to ever win a county title.

Last Thursday, the girls' team posted its first victory of the spring campaign, winning by a 61-60 count.

Both the boys and girls were scheduled to close out the regular season Tuesday with meets against Bloomfield, the boys away and the girls home. Saturday, Belleville will compete in the state sectionals at Mendham.

The girls' squad, coached by Larry Jinks, earned that big victory over Livingston. Barbara Gundry and

Franchette Polite took second and third in the intermediate hurdles. Cecilia Graham was third in the 100-meter run and LeAnn Long and Kathy Shay went two-three in the 1,500 meters.

Over in the 400 meters, Jennifer Apicella was second and Karen Lordi third. Polite came back for a second in the low hurdles, and Gundry was a winner in the 800 meters with Patty Bliss second. The 200 meters was a third place for Lordi, and the girls were one-two in the 3,000 meters with Tamana Nahar and Long.

The mile relay team was a victor with Dana Caruso, Polite, Apicella and Gundry paving the way to victory. In the long jump, Graham took second and Lorena Navarro was third. Graham was a winner in the high jump, and Jo Ann Benecchi took second in the shot put and won the discus. Sue Cardillo placed third in the shot, and Maria Madrid and Navarro finished second and third respectively in the discus.

Saturday at the Essex County championships, Graham became the first Belleville girl to win a county title with a victory in the high jump. School records were set as Benecchi put the shot 26-8 and Caruso broke old marks in the 1,500 and 3,000 meters in times of 5:07.6 and 11:34.9 respectively.

Gundry and Polite both shattered the school record in the 400 meter hurdles. Polite came in first and now holds the new mark at 72.3. Polite also set a school mark in the low hurdles in a time of 17.2. Benecchi set her second school record in the discus at 87-5.

Other strong performances were turned in by Long in the 1,500 meters and Bliss who set a freshman record with a time of 5:50.3 in the 1,500 meters. Tamana Nahar ran a 12:47.9 and Bliss finished the 3,000 meters in a time of 13:10.0.

For the boys, Bob Kane came through with a super effort, running the 1,500 and 3,000 meters and posting his best times in both events. His clocking of 4:29.0 in the 1,500 was by far his finest performance of the 1981 season.

Cosmos' Corner

By Mike Lambert

Suffering a rare loss at Giants Stadium, the Cosmos had their seven-game winning streak snapped by the tough Chicago Sting last Sunday.

The Cosmos were home to face Andrelict of Belgium in an exhibition game last night. On Saturday, they will be in Washington and on Monday will host the Dallas Tornado in a 2:30 p.m. start at Giants Stadium.

The largest crowd of the year, 42,335, saw two of the NASL's best teams battle to a 2-2 regulation tie Sunday before the Sting pulled out a 3-2 overtime victory. Karl Heinz-Granitz, the Stings' super forward and number two league scorer behind Giorgio Chinaglia, had two goals to lead the way. His goal in overtime proved to be the clincher.

"They were a bit hungrier than we were," a disappointed Chinaglia said afterwards. "Chicago played better with 10 players than they did with the 11 they started with."

The reason why the Sting played with 10 players for a good part of the game was that one man was thrown out for punching Roberto Cabanas. Although the referee missed the incident, the linesman and the entire Cosmos' squad witnessed it and a near free-for-all erupted.

The game was extremely physical and the referee gave out five yellow caution cards and two red ejection cards. In addition to the Chicago player, head coach Willy Roy was ejected for having too much to say to the head linesman.

Chicago jumped out to an early 2-0 lead, but the Cosmos cut that gap to 2-1 at halftime on a goal by midfielder Francois Van Der Elst. At the start of the second half, Chinaglia was pulled down in the penalty area and the NASL's leading scorer converted a penalty kick past controversial goalkeeper Phil Parkes. Parkes, who was the goaltender the year Vancouver ousted the Cosmos, argued intensely, but to no avail.

The game remained tied for the rest of regulation, although the Cosmos had a number of opportunities to win. Had it not been for Parkes's saves, the Cosmos would have put the game away well before overtime. Chico Borja of Belleville had a golden opportunity in the second half, but his header just missed the net. Vladislav Bogicevic had a direct shot on goal but Parkes made a lunging dive to save the ball.

Afterwards, head coach Hennis Weisweiler was a bit disappointed but not overly concerned. "We have a lot of players out," said the coach. "We also had to play a very tough game on Friday and we had a long flight afterwards."

Chicago coach Willy Roy was ecstatic about the victory in a wild Chicago locker room. "I'm really a Cosmos' fan, I think they're really good for the league," Roy said. "I think they had something to prove today, what with the big crowd and everything, but our players were hungry and we deserved to win."

Parkes, who has a running feud with the Cosmos' fans, felt the game resembled the old Cosmos-Vancouver rivalry of 1979. "This game wasn't as physical as some of the Vancouver games, but it definitely was a tough game. I think our team will get better as the year goes on and I wouldn't be too surprised if we meet in the playoffs," Parkes said.

Earlier in the week, the Cosmos traveled out to Tulsa and defeated the Roughnecks 2-1 in overtime. Chinaglia scored both goals and the Cosmos' defense was at its best.

The team was without the services of Julio Caesar Romero and Ricky Davis for the Chicago and Tulsa battles. Romero was in Paraguay and will return this week. Davis has his right ankle in a cast and will miss about another four weeks.

Buc eight boats do fairly well in annual Stotesbury Regatta

By Rich Leardo

The Stotesbury Regatta was run this past weekend, and the Belleville crews competed against some of the most prestigious schools within 200 or so miles of the host city, Philadelphia.

The Bucs had two teams entered, a boys' junior eight boat and a girls' junior eight. The boys were eliminated from the fierce competition after the semifinal round, when they placed fourth in a six-team field. Only the top three advanced. The girls fared somewhat better, surprising even head coach Sam Giuffrida by taking second in their semifinal race and fourth in the finals.

Giuffrida felt his boys' eight did fairly well, especially in light of the caliber of the other competing schools. They took second place in the quarterfinals and were barely nipped out of third in the semifinals. Had they been able to hang on, they would have qualified for the finals.

"I think we rode a little below our capacity in Saturday's race," Giuffrida said. "We started our sprint a little too early and it caught up with us. We rowed much better in Friday's heat than in the semifinals. The team which got third just nosed us out at the wire."

Commenting about the girls'

junior eight boat, Giuffrida said, "They were just excellent, and I was very pleased with the way they were rowing. Their inexperience didn't show at all." Giuffrida noted that the boat contained six freshmen, one junior and one senior, making the win even more satisfying. He is thinking big things for the future for those girls.

The girls took second in the qualifying round, which sent them on their way to the finals. Giuffrida was very happy that the shell made it that far, and when the his girls finished fourth in the finals, he was ecstatic. The girls' crew program at Belleville is still in its infancy, and the finish provided a shot in the arm for its confidence and morale.

The boys were the victims of the intense competition and of their own mistakes. Coach Giuffrida illustrated how tough the competition was by pointing to the fact that the first four boats in the final finished within four seconds of each other.

This weekend the nationals will be rowed at St. Andrew's in Middletown, Del., and Coach Giuffrida is positive that his shells can "do something." Said the coach, "Maybe a defeat this past week will help us to be sharper for the nationals. It sometimes does."

Outfield Out — Jerry Ross hauls in a fly ball during Saturday's game with Columbia. Ross also performed well at the plate this past week.

Pet Shop rolls in JDSL action

The Nutley Pet Shop made it two wins in a row by defeating the Golden Earrings of Lyndhurst 25-7 the weekend before last in James Dombrowski Softball League action.

The Pet Shop, led by player-coach John Marx who went four-for-six with a home run and five RBI, has found more than the winning edge this season. Bobby Labanich and Jimmy DeAngelis combined for two home runs and eight RBI to contribute to the devastating attack. The Pet Shop has scored 79 runs in its first three games.

Brunswick Bowl of Belleville, coached by Lou D'Adamo, beat Tom's Sweet Shop of Garfield 19-9 to boost its record to 2-1.

Kawasaki rolls in softball loop

In Thursday "B" Division action in the Men's Recreation Softball League, Belleville-Newark Kawasaki upped its record to 2-0 by downing the Red Shingle Inn 14-5. Garden State Pet evened its mark at 1-1 by beating International Paint 6-2, and Giordano's Pizzeria also broke into the winning column with a 5-4 victory over Burger King.

In the Wednesday "A" Division, DeBacco Brothers nipped Frenchy's 5-4, and Mr. Dee's scored seven runs in the last inning to down Campbell Tool 11-5. Belleville Hess edged the Howard Hustlers 2-1.

Tuesday "B" and Monday "A" Division games were rained out this past week.

Recreation Baseball

The 1981 Belleville Recreation Baseball season got off to rousing start with some expected results and some surprising outcomes.

The league pits five fairly evenly matched teams against each other. The results thus far show the Grants with two wins and the Pirates and Yankees both without a loss. In the Intermediate League, the Mets lead with a 2-0-1 mark, followed by the Braves (2-1), the Yankees (1-1-1) and the Giants (0-3).

The Junior League's American Division is led by the Clippers, a perennial power, who have a 3-0 log. They are followed closely by last year's division champion Tigers (2-0) and the Bears (2-1). In the Junior League's National Division, the Dodgers are on top with a 3-0 record and the Pirates are right behind with a 3-1 mark.

The Junior League Yankees defeated the White Sox 6-1 behind the pitching of John Morrell who threw a no-hitter until the fifth inning. Hits by Kuo Fung Sun, Craig Jackowski, Vito Caprio and Frank Morrell helped the Yankees overcome the White Sox.

Nicky Cardillo hurled 4-1/3 innings of no-hit ball and doubled in two runs to power the Junior League Giants to a 21-3 victory over the Cubs. Bobby Conditto had four hits and Nick Auriemma, Mike Mackey and Joe Sequiera each drove two runs. Auriemma and Nick Ricca both tripled to raise the Giants' record to 1-1.

Good pitching and better-than-average fielding have been the key to the Junior League Dodgers' success thus far. They won their first three decisions from the Giants 6-0, the Yankees 5-4 and the Pirates 6-5. The Dodgers have committed only two errors this year, and hurler Ernie Brodie gave the coaching staff the first shutout in its six-year reign. Brodie gave up only two hits and struck out 12 while knocking in a run to support his own cause against the

Schenke Wins Riding Honors

Andy Schenke of 33 Oak St. won top national honors at an Intercollegiate Horse Show Association (IHSA) event held at St. Lawrence College, Canton, N.Y., May 3.

Schenke, a lifelong Belleville resident, placed first in his division, alumni horsemanship over fences, receiving the S&S Awards Trophy and blue ribbon.

A 1980 graduate of Montclair State College with a bachelor's degree in biology, Schenke was a member of the MSC equestrian team for four years and captain for three. As a graduate, he is eligible to compete for the college in the alumni division.

Schenke's trainer is Jack Benson, owner of Briarwood Farm in Oldwick.

Schenke is employed as a technician in the customer service lab of Sel-Rex Company in Nutley.

Giants. Harry Burbank doubled and scored during an early offensive rally.

Sal Marchello struck out 15 players and scattered four hits to lead the Dodgers to victory in their second game. Aggressive running by Mike Danduone sparked the Dodgers come-from-behind win and Nick Sibilia drove in the winning run with a walk.

Brodie struck out 10 and was credited with the victory against the Pirates, as his team staged a come-from-behind rally to earn the decision in a game that was abbreviated by stormy skies. Jeff Luberto and Harry Burbank each drove in two runs and Brodie knocked in one.

Peanut League Baseball

In the Monday-Wednesday League, both the Tigers and Bombers are 2-0. The Tigers defeated the Cubs 29-14 and downed the Clippers 30-6.

The Bombers, behind the strong hitting of Brian Carlucci, Paul Huryk, Doug Phelps and Danny Hywel, beat the Clippers 43-18. Steven Hywel, Anthony Zarro, and Michael D'Achille paced the Bombers in the field. The Bombers also nipped the Dodgers 9-8.

In other games, the Bears defeated the Aces 17-16 and finished in a 17-17 tie with the Clippers. The Dodgers were winners by a 16-7 score over the Aces and they edged the Cubs 22-21.

The Cardinals are now 2-0 in the Tuesday-Thursday League. The Cards beat the Indians 32-24 and later downed the Pirates 24-13. The Giants nipped the Yankees 7-6 and finished in a 22-22 tie with the Indians. The Astros were winners 24-2 over the Pirates and the Yankees beat the Braves 16-11.

Belleville again asked to join athletic league

By Ed Capparucci

The Belleville High athletic department has had many problems trying to fill its sports schedules since the Big Ten conference dissolved three years ago, but now the Bucs may have a chance once again to join a league.

School Superintendent John Greed announced at the Board of Education meeting Monday night that applications have been received from two leagues in the state. The Iron Hills Conference which includes Columbia and other teams from the Morris county area, and the Northern New Jersey Interscholastic League which includes Bloomfield and Bergen County teams, are both looking for more schools and have invited Belleville to apply for the 1982 season.

Since the dissolution of the Big Ten Conference, the Bucs have been an independent Group IV school and Athletic Director Jim Silvestri has had a hard time in particular trying to get local teams to fill the football team's nine-game schedule. This year the Buc gridmen will travel to upstate New York for a game to fill their schedule.

The reason for the scheduling problems, according to Silvestri, is that many of the teams which belonged to the Big Ten have joined other leagues and have no dates available to play Belleville.

Since Belleville is a Group IV school (a category for the largest schools in the state), Silvestri has been careful about the teams he has scheduled, making sure BHS does not lose its state status as a top competitor.

Silvestri conducted a poll of the Belleville coaches and most said they would rather join the Iron Hills Conference over the NNJIL. The

reason they chose the Iron Hills was because of the easy travel route the teams could take. Most of the schools that play in the Morris Hills Conference are accessible by Route 280. The coaches also noted that more cable TV coverage would be available to their teams.

This is not the first time Belleville has been invited to join a league. Nearly two years ago, Belleville had a chance to join the Watchung Conference, but the School Board decided against it, saying the traveling distance was too far. Trustees both here and in neighboring Nutley said they would seek to form their own conference with displaced independents, but so far that project seems to have gone nowhere.

This time once again there were mixed feelings from School Board members about joining the Iron Hills Conference.

"We are really hurting for a secure and steady football schedule," said Board President Charles Miele. "If we entered the Watchung League, we wouldn't have any problems getting a schedule together

every year, and if we don't try and get into a league now, next year we will be going through the mess we are in now."

But Board Vice President Anthony D'Agostino had other feelings about jumping into the league.

"I am worried about our traditional games with Nutley and Kearny," D'Agostino said, "especially the Nutley game. It is a very important game to the kids. But just joining this league without finding out all the facts wouldn't help us, we would just be locking ourselves into it."

"By rushing into a league we are only going to make the athletic director's job easier," D'Agostino said.

Trustee Tom Zampino was concerned with the competition which the Bucs would be facing.

"If you read the application carefully, it says that we would be taking the place of whatever teams drop out of the conference," Zampino said, "I feel that we should get more information about the league and the teams involved before we rush into a decision."

Views On[®] Dental Health

JACK BUDNICK, D.D.S.

FLUORIDE'S FIRST BIG TEST

In 1945, New York's State health department conducted one of the first and most rigorously controlled research projects in medical history. Teams of dentists examined the teeth of thousands of school children in the Hudson River cities of Newburgh and Kingston which both had fluoride-free water. In both towns, they found the same high incidence of tooth decay. Then on May 2, 1945, a small feeder machine was turned on in Newburgh's filtration plant; from that moment on, Newburgh's water contained 1.2 parts of fluoride per million.

Over the next ten years, doctors and dentists repeatedly checked the children medically and dentally. When the decade ended, they had found only one difference. In Newburgh, children between six and ten — who had been drinking fluoridated water all their lives — had 60% fewer decayed, missing or filled teeth than youngsters from the same age group in Kingston.

Today, fluoridation is accepted and endorsed as a major public health measure in preventing tooth decay by virtually every scientific and health organization in the country.

County forces end to school

Continued from page one.

was not happy with that, and they pressured the Belleville board to close the school. We know that the building was not perfect, but it did not require any fire or safety requirements. The county took the position it was going to close the school and that was it."

Rabins added, though, that the county had stopped pressuring for rent. However, Greed denied that.

"The county never stopped its request for rent," he said. "It wanted the money and we just could not afford to pay it. Besides, the children are probably better off in the public school system so they can mingle with other children."

"The classes in the Garden School were originally used for nurses' quarters and were very small," Greed continued. "We are going to set up special classrooms for the children and we have not released any of the teachers or the director of the Garden School. This could probably be a benefit for the children."

While Greed thinks the children will have little problem adjusting to the public school system, Rabins is very concerned with those youngsters who need special care and attention. "The Belleville Board of Education does not appreciate the value the Garden School had for the children who attended it, and I am very worried that a proper type of system may not be able to be established in the public school system," he said.

"I would feel more relieved if a new system would have been established before the Garden School was closed," Rabins continued. "We are not dealing with average children. These are kids who are withdrawn, rebellious and hyperactive. They need special care and treatment and I doubt whether they will get it in the public school system."

Robert Stepney, director of the Garden School, agrees with Rabins. "I have been the administrator here at the Garden School for 14 years and I have been with the program for 20 years," said Stepney, "and I have some true worries about the children and the care they will receive once they leave Garden school."

"I know Belleville is setting up special classes for its children, but what about the children from other communities? Where will they get the type of care they need? I think that this is a pity."

Greed said the board has informed other communities of its plans, and that several students from other communities will be attending the Belleville school system on an enrollment basis.

Town, Optimists honor Belleville crimefighters

Medal of Merit — Officer Joseph Simonetti receives congratulations from Public Safety Commissioner Matthew Pica after being awarded a medal of merit last week at Town Hall.

Seven Belleville police officers were honored with awards for outstanding service at last week's Town Commission meeting.

In what was termed a "new practice" by Public Safety Commissioner Matthew Pica, the men received their awards during the governing body's public meeting. Previously, police had been honored at ceremonies attended only by family and friends.

"Too often our police officers are taken for granted because citizens are not aware of the great job they are performing and the risk they take each day on the job," Pica told the spectators who gathered in the commission chambers to view the presentations. "It will be our new practice from now on to present awards to officers in public and not in private as we have been doing."

Police Chief George Lister made the presentations to the officers explaining to the audience what each officer had done to earn an award.

Patrolman Joseph Simonetti received a 'B' award, the medal of merit, for interrupting a robbery in progress November 28, 1980, at the Washington Liquor Store, located at 471 Washington Ave. He was alone in the area driving his police car when he saw a man run from the store.

Drawing his gun, Simonetti entered the store and stopped another man attempting to leave. The officer grabbed the man around the neck and was pushing him towards the rear counter when suddenly someone yelled that a third man was already behind the counter with a gun. Pushing and holding the first suspect, Simonetti managed to take the second man. He made the two lie on the floor until back-up police units arrived.

The third man was later apprehended. The three were charged with armed robbery, aggravated assault, possession of a weapon and conspiracy. The weapon turned out to be only a replica of a .38 snubnose revolver, but as the Public Safety Department awards committee pointed out, "Officer Simonetti was not aware of (that) and took the action... as a dedicated officer, in a professional sense of the word."

Patrolman John Drop received a 'C' award, the excellent police duty award, for giving chase and arresting two men who robbed a gas station in Kearny. Drop has recently retired.

Dets. Michael Petrillo and Martin McNish received 'D' award command citations for their undercover work in a narcotics investigation that resulted in the arrest of a

drug dealer with 500 pills and a half-pound of marijuana.

Patrolmen John Kerber and Edgar Panier also received 'D' awards for their arrest of a suspect wanted for aggravated sexual assault and possession of a dangerous weapon. The arrest was made just hours after the attack.

Patrolman Leonard Burrell received a 'D' award for pursuing a suspect who robbed the Radio Shack store at 404 Main St. He chased the suspect through the streets of Newark until the man's car jumped a curb and crashed. Burrell then gave chase on foot and made the arrest.

In another awards ceremony, this one held May by the Belleville Optimist Club, Simonetti was again honored along with two civilians, Roger Salzano and Daniel Keegan.

Both Keegan and Salzano received awards for their parts in helping police apprehend suspects by calling the department and giving police descriptions.

Keegan saw three men taking copper pipes from Falcon Express on Lawrence Street in late 1979. He reported the breaking and entering, and although the suspects had already fled the scene by the time police arrived, his descriptions led to a quick apprehension just a few

blocks away. The awards committee noted that Keegan's assistance led to both the arrest of the suspects and the recovery of the stolen property — 30 pieces of copper tubing, each 10 feet long. In addition, the committee pointed out that the Lawrence Street establishment had been the target of several previous burglaries in which thousands of dollars of merchandise were taken. Keegan's call to police served as a "deterrent to the possibility of future 'breaks' and larcenies," the committee said.

On May 3, 1980, Salzano had witnessed a breaking and entering at the Arco gas station on Franklin and Belmont Avenues and informed police that the suspect was still on the premises. With this information, police were able to rush to the scene and place themselves around the station. Salzano arrived too and told police he hadn't seen the man leave.

Sgt. Joseph Oese and Officer Ronald Edwards then entered the station through the same window the burglar had. The suspect was hiding in a car up on a car lift. The adult man was later charged with burglary.

Michael Pizzi, chairman of the Optimists' law week program, made the presentations at a dinner held at the Branch Brook Manor.

'D' Award — Det. Michael Petrillo, shown with Commissioner Pica, received a citation for a narcotics investigation he conducted with Det. Sgt. Martin McNish.

Respect Law Week — The Belleville Optimists awarded an officer and two citizens for their crimefighting work. From left are program chairman Michael Pizzi, Optimist President George Sbarra, civilian awardees Daniel Keegan and Roger Salzano, Officer Joseph Simonetti, Police Chief George Lister and PBA President Bill Escott. The awards were made as part of the Optimist Club's Respect for Law Week program held May 7 at the Branch Brook Manor.

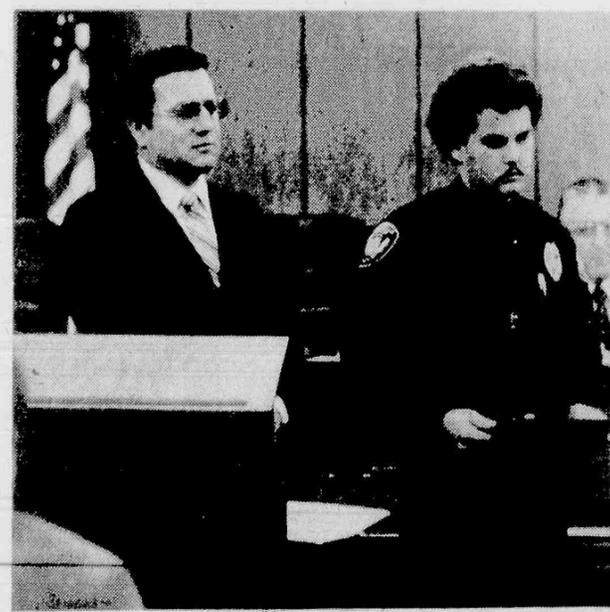

Quick Arrest — Patrolmen John Kerber and Edgar Panier receive awards from Police Chief George Lister. The pair apprehended a suspect in an aggravated sexual assault.

Timely Call — The Optimists' Michael Pizzi presents a plaque to Daniel Keegan whose call to police led to the arrest of three men in a Silver Lake burglary.

Crime Preventor — Roger Salzano receives his award from Michael Pizzi. Salzano called police to report a burglary in progress at a gas station. Police caught the thief inside.

Gave Chase — With Commissioner Pica here is Patrolman Leonard Burrell who was awarded for pursuing a robber both by car and foot and making an arrest.

A Mass was offered May 8 in Holy Family Church for Frank Neri, 70, who died May 4 at the Albany Veterans Administration Hospital, Albany, N.Y.

Before his retirement, Mr. Neri was a constable three years in Olive Bridge, N.Y. Prior to that, he had been deputy sheriff of Ulster County, N.Y.

Born in Millbury, Mass., Mr. Neri lived in Olive Bridge 35 years.

Surviving are a daughter, Jean Neri of Newark, and five sisters, Mrs. Catherine Gangemi of Belleville, Mrs. Rose Rubino of Nutley, Mrs. Jean Ascoli of Baldwin, N.Y., Mrs. Eva Silipo of North Babylon, N.Y., and Mrs. Marie Napoli of Newark.

The S.W. Brown and Son Funeral Home made arrangements. Interment was in Holy Cross Cemetery, North Arlington.

Mrs. May Turner; retired secretary

A service was held Monday for May Turner, 73, who died Friday at Clara Maass Memorial Hospital.

Mrs. Turner was a secretary at Clara Maass before retiring six years ago. Born in England, she lived in Belleville before moving to Newark three years ago.

Surviving are a daughter, Mrs. Audrey Andreano; her mother, Mrs. Ruth Turley, eight grandchildren and four great-grandchildren.

Arrangements were made by Braviak Funeral Home, Whippany, where the service was held. Interment was in Restland Memorial Park, East Hanover.

William Heims, 64; news firm worker

A service was held Monday for William Heims, 64, who died May 13 at Community Medical Center, Scranton, Pa.

Mr. Heims worked for Newark News Dealers Supply Company, Newark, 35 years, before retiring two years ago. He lived here before moving to Blakely, Pa., recently.

His wife, Josephine, and a brother, Fred of Breton Woods, survive.

Arrangements were made by Irvine-Cozzarelli Memorial Home, where the service was held. Interment was in Cresthaven Cemetery, Clifton.

Mrs. Mary Keating; active at St. Peter's

A Mass was offered May 13 in St. Peter's Church for Mary T. Keating, 85, who died May 10 at St. Joseph's Home, Totowa.

Mrs. Keating was a member of St. Peter's Rosary Confraternity. Born in Hartford, Conn., she moved to Belleville 50 years ago.

Surviving are two sons, Rev. George M., director of health care personnel for the Newark Catholic Archdiocese, and Paul J. of Nutley; a daughter, Mrs. Madeline Janzer of North Granby, Conn.; a brother, Edward Burg of Wethersford, Conn.; two sisters, Mrs. Emma O'Connor of Wethersford and Mrs. Anne Ryan of Farmington, Conn., 20 grandchildren and six great-grandchildren.

The Kiernan Funeral Home made arrangements. Interment was in Maryrest Cemetery, Darlington.

Ronald Dolph, 24; drowning victim

A service was held Friday for Ronald Dolph, 24, who drowned May 12 at Lakewood, Pa.

Born in Hancock, Mr. Dolph lived in Lakewood and Belleville several years.

Surviving are his mother, Mrs. Irene Watkins; his father, Elwood Dolph; his stepmother, Mrs. Helen Dolph; his stepfather, Joseph Watkins; a sister, Miss Diane; three brothers, Joseph Watkins and Thomas and Douglas Till.

Arrangements were made by the Henderson-Biedekapp Funeral Chapel, Hancock, N.Y., where the service was held.

Diego Italiano, 87; retired assembler

A Mass was offered Friday in St. Anthony's Church for Diego Italiano, 87, who died May 13 at Clara Maass Memorial Hospital.

He was a transformer assembler with the Eisler Engineering Company, Dover, 15 years before retiring 23 years ago.

Surviving are his wife, Marianna; three daughters, Mrs. Catherine Tenore of Succasunna, Mrs. Domenica Opalewski of Rockaway and Mrs. Lorenza Basile of Nutley; a son, Sebastian of Belleville, and 10 grandchildren.

Arrangements were made at the Biondi Funeral Home. Interment was in Gate of Heaven Cemetery, East Hanover.

Mrs. Mildred Vysehrad; senior club member, 81

A service was held last Thursday for Mildred Vysehrad, 81, who died May 13 at Clara Maass Memorial Hospital.

Mrs. Vysehrad was a member of the Belleville Senior Citizens' Club.

Born in New York City, she moved to Belleville from Nutley 25 years ago.

Arrangements were made by the Kiernan Funeral Home where the service was held.

Talking Bear — The Telephone Pioneers of America recently donated a "talking bear" to the pediatrics unit at Clara Maass Memorial Hospital. The bear can "speak" to children through a master intercom unit and one small two-way speaker. Accepting the bear for the hospital from Jim Cusack, president of the Newark Downtown Council (left), are Diane Worthington, assistant director of nursing services, and Nancy Masiello, director. Jim Orsulak (right), a Bell Telephone representative, joined in making the presentation.

Volunteers could man polls in special township election

Continued from page one.

aside for the election. The savings will come by cutting the cost of

employing board workers who run the polls on election day.

The 96 workers, four at each of the 24 polling places in town, are paid \$50 for the day.

Mayor Michael Marotti said the bill could be an added plus for the town.

"By recruiting volunteers to man the polls, we would be saving the town a lot of additional money," the mayor said, "and that is what this move is all about, saving the taxpayers money. Another positive thing about the bill is the election could happen as early as August. Without the bill, we will probably have to wait until the next general election in November before getting the vote to the people."

The town clerk's office recently announced it had received more than enough petitions to put the question on the ballot. There were 4,063 petitions needed for the special referendum election and according to Town Clerk Mary Lou Hood the town passed that number long ago.

A large number of towns have already become townships or are on their way to changing their status. Maplewood, West Orange and Montclair have all made the switch, while Bloomfield and Verona are in the process of setting up special elections. Nutley announced this week it would start petitioning its residents to get the township change rolling.

School 1 fate is undecided

Continued from page one.

us an answer by the end of the week."

Mayor Marotti confirmed he is indeed looking into the School 2 building for a town civic center, but he refused to comment on the proposal made by the School Board.

"I looked at a list of appraisals," the mayor said. "There were five different prices for different types of projects which the building could be used for. What I want the building for is the use of a civic center for the town people."

"It would be a recreation area and a meeting place for town people and organizations," he continued. "At the present moment there really is no place where many of the town organizations can have meetings. And School 2 would be an ideal place for a center of that kind. I have also thought about using part of the building for the town TV studio."

The town's present cable station, Channel T, is operated out of the Bloomfield Public Library.

The mayor said that commissioners have no interest in purchasing School 1, closed last fall with School 2. That subject was brought up at a recent School Board meeting.

"I think we should start discussing what we plan to do with School 1," said Board Trustee John DiStasi. "We have been putting the subject off for a long time, and I feel we should get moving on it right away."

Miele said the board has been delaying action on the School 1 building in hopes that the commissioners would show interest in both buildings, but according to Mayor Marotti that is not the case.

"We are only interested in School 2," the mayor said. "School 1 has never been discussed."

Born in Newark, Mr. Ciallella lived here many years.

Surviving are two brothers, Joseph of Newark and John of Belleville.

Arrangements were made by the Kiernan Funeral Home. Interment was in Immaculate Conception Cemetery, Montclair.

St. Peter's Mass offered for Martha Sheridan, 83

A Mass was offered in St. Peter's Church Monday for Martha Sheridan, 83, who died Friday at Clara Maass Memorial Hospital.

Born in Germany, she lived in Union City before moving to Belleville.

Surviving are two sons, John and James, both of Forked River; four daughters, Mrs. Marie Fredlund of Bloomfield, Mrs. Dorothy Martin of Belleville, Mrs. Dolores Boardingham of Forked River and Mrs. Eleanor Nye of Belleville, 24 grandchildren and 37 great-grandchildren.

Arrangements were made by Irvine-Cozzarelli Memorial Home. Interment was at Mount Olivet Cemetery, Bloomfield.

In 1853, money took America to the banks. Of the Rio Grande.

In that year, the Gadsden Purchase further extended United States territory down the west bank of the mighty Rio Grande.

And established what today is the border between Mexico and the states of Arizona and New Mexico.

The cost: \$10,000,000.

And Americans put up the money. By purchasing government securities.

You could bank on America back then. And you still can. By buying U.S. Savings Bonds at work. Through the Payroll Savings Plan.

That way, a little is set aside from each paycheck to buy Bonds. Automatically.

So help keep your future, and America's, flowing smoothly. Buy U.S. Savings Bonds.

They're a grand way to save.

Take stock in America.
