### Trustees agree unanimously

## Appointed board issue to appear on April ballot

By Ed Capparucci

After much legal debate, the citizens of Belleville will finally get a chance to decide for themselves if an appointed School Board is in the best action for the community.

Last week the board trustees kept their word and officially passed a referendum which placed the question of an appointed board on the 1982 April School Board election ballot.

Although the board unanimously approved the referendum, board members spoke out against the supporting the action.

"The fact that this resolution is

before the board, and the fact that I will vote to put it on the ballot, doesn't mean that I am in favor of a change to an appointed board," said Trustee John DiStasi. "I am voting to place this on the ballot to give the residents of this community a chance to vote on it, but it does not reflect my own opinion."

Board president Charles Miele agreed with DiStasi.

"I feel that you speak for the entire board," Miele told DiStasi. "We are listening to the petitioners who wanted the question on the ballot, and that is all we are going when we pass this resolution tonight."

The question of an appointed board came about when town register and former School Board president Ralph Risoli formed a petition to change Belleville from a Type I school district with an elective board to a Type II district which calls for a board appointed by the mayor and the approval of the budget by Board of School Estimate.

Risoli, who served on the board from 1978 to 1980, has long been critical of board activities which he attributes, in part, to the present 27-year-old system.

"It took the board a long time to get around to putting the question on the ballot," said Risoli, "but they did the right thing. They should let the people decide. Almost 1,600 people signed the petition requesting that it be put on the ballot."

"Right now I am very happy with the decision," he continued. "I wrote a letter to the board members telling them I was very pleased with their decision, and they wrote back to me. Right now it is up to the people. I put a lot of time into this, and the people will be the ones with the final say. If they decided to go with the appointed board, fine, it not — well that is how it goes. It least they have been offered the chance to make the change."

Risoli hit a snag with the petition when officials at the Essex County Board of Elections rejected 391 of the original 1,156 signatures submitted to the Board of Education in August, making it fall short of the 844 minimum required.

But tough hard work by Risoli another 231 names were added to the list to meet the requirements set by the state.

Risoli has done his part, and the school board has done its part, now it will be up to the voters in April to decide which way they want to go.

## Mayor denies knowing of Wanaque hearing

By Linda Telesco

Sneaking in defense of the township commission, Mayor Michael Marotti last week rebutted recent reports in The Times that local officials failed to attend an important meeting in Trenton last month and may have jeopardized Belleville's application in the Wanaque South water diversion project.

"Most of the article was not true and it downgrades the Board of Commissioners," he said during the last township meeting.

Marotti claimed that the commissioners were not properly notified of the hearing, a charge that conflicts with recent reports from Times sources.

He noted that on November 17, the day of the Trenton meeting, he and two other commissioners were at a convention in Atlantic City and

were unaware of the water project hearing scheduled by the Department of Environmental Protection.

"There were two commissioners who did not go to Atlantic City, and they would have represented Belleville in Trenton if they had known," he added after the meeting.

According to Marotti, the township was not adequately notified of the meeting by DEP. He said that Belleville, which is one of five municipalities vying for ownership of a private water supply through the Wanaque project, mailed a letter to Trenton in October indicating the township's application and request for 5 million gallons daily of the project's yield.

The mayor referred to a November 10 letter from DEP which discussed the project but did not ac-

(Please see 'Trouble' on page 10.)

**Kiwanis Thanksgiving Funds** — Ten needy families throughout Belleville were given a holiday treat as the Kiwanis Club of Belleville donated Thanksgiving baskets to the families. Posing with one of the baskets are, (left to right) club President Nino Bucciarulli, John Iannuzzi and Sy Grossman, co-chairmen of the club's Thanksgiving Fund.

## Retired policemen fighting new contract agreement

While approving new contract terms for township police officers, the commission discussed pending litigation involving portions of the contract that could cost Belleville up to \$150,000, at last Tuesday's meeting.

The agreement, which covers all 83 members of the Belleville Policeman's Benevolent Association, calls for salary hikes of nine percent in 1981 and another eight percent next year.

As of last January 1, salaries were

set as follows: first year patrolmen, \$14,469; fourth year patrolmen, \$21,066; sergeant, \$23,174; lieutenant, \$25,491 and captain, \$28,040.

Those figures, a five percent raise over the previous year's salaries, increase by four percent on August 1, 1981, six percent effective January 1, 1982 and two percent on July 1 of next year to remain stable until December 31, 1982.

The contract also maintains a policy of granting officers unlimited sick leave up to one year's time, a term in effect since the PBA negotiated their 1975 contract.

This policy has been challenged by a group of retired officers who claim entitlement to the year's sick leave as well as benefits of accumulated sick time guaranteed under a local ordinance.

Township Attorney Frank Zinna explained that according to a 1976 measure, police officers received 15 sick days annually and were permitted to accumulate a lump sum of unused days' benefits at retirement.

Zinna added that the PBA later contracted for the unlimited sick time up to one year.

Viewing each as a separate option, Zinna said, "the question is whether the contract supercedes the

ordinance."

However, last August, 23 retired officers refused to admit a choice between the options and filed a complaint in Essex County Law Division of Superior Court charging that they were entitled to both the accumulated sick days guaranteed by the ordinance and the 365 days provided in the contract.

Zinna said the township, named as the defendant in the action argues that the retirees are not entitled to both provisions. He also noted that the number of plaintiffs has increased since August as result of more retirements, but exact figures were not available.

The township will also challenge the Law Division's jurisdiction over this issue.

"Administrative channels should be exhausted in matters like this first," Zinna said in an interview Monday.

The attorney explained that he views this as the primary jurisdiction of the "Perc."

While he notes that the plaintiffs claim discrepant amounts due them, Zinna estimated the settlement, if the retirees are successful in their litigation to reach \$150,000.

## Town meetings televised on cable TV channel 35

Beginning this week, Belleville residents can experience town meetings without ever leaving their living rooms, thanks to a project launched by Michael Chieffo, director of municipal programming on cable Channel 35.

Having received official approval early last month, Chieffo appeared at the November 24 town meeting complete with cameras and crew.

"We're televising a series of town meetings beginning tonight until spring as a public service," he told an eager group.

The pre-recorded sessions will be aired on Belleville in Review, a local program hosted by Chieffo on Tuesday evenings at 7 or 8 p.m.

Chieffo said later that he plans to expand programming to other

municipal board meetings, but no definite schedule has been set.

Noting that the township commission has been "very cooperative" in this venture, Chieffo hopes to bring its activities to more people than usually attend town meeting.

He estimates that 90 percent of Belleville homes are equipped with cable. "But obviously a much smaller portion of the town's residents attend meetings," he added.

"Now we can give them direct access to their local government," Chieffo remarked.

He stressed a desire to make people aware of why he is undertaking this project, realizing that "initially, these cameras can have a very inhibiting effect on some people and

(Please see 'Town' on page 16.)

## Washington Avenue's Jolly Cleaners takes plunge with a water main leak

For most businessmen the collapse of their store front would mean being out of business for several weeks — at least. But not for Arthur Jackson.

Jackson is the owner of the Jolly Cleaners located on Washington Avenue. Around 3

a.m. last Monday morning the front wall of the building collapsed, causing an "amazing sight" for pedestrians traveling along Washington Avenue.

But by Wednesday Jackson was back in business, as he rented out a vacant store front at 143

Washington Avenue.

"We were truly lucky to get this store," Jackson told The Times. "It is a very nice place and is serving its purpose. It is nice to be back in business so soon after an accident such as the one we suffered last week."

Unofficial reports claim that the collapse was caused by an underground water leak which developed from a four-inch water main used for the sprinkler system in the building. Officials think that the leak could have started weeks ago and gradually washed away the dirt of the foundation and an 18-foot retaining wall which supported the front of the building.

"It is an amazing sight to see," said Jackson, who built the building in 1955. "And that is all that I can say to people who want to know what it looks like. You have to see it to believe it."

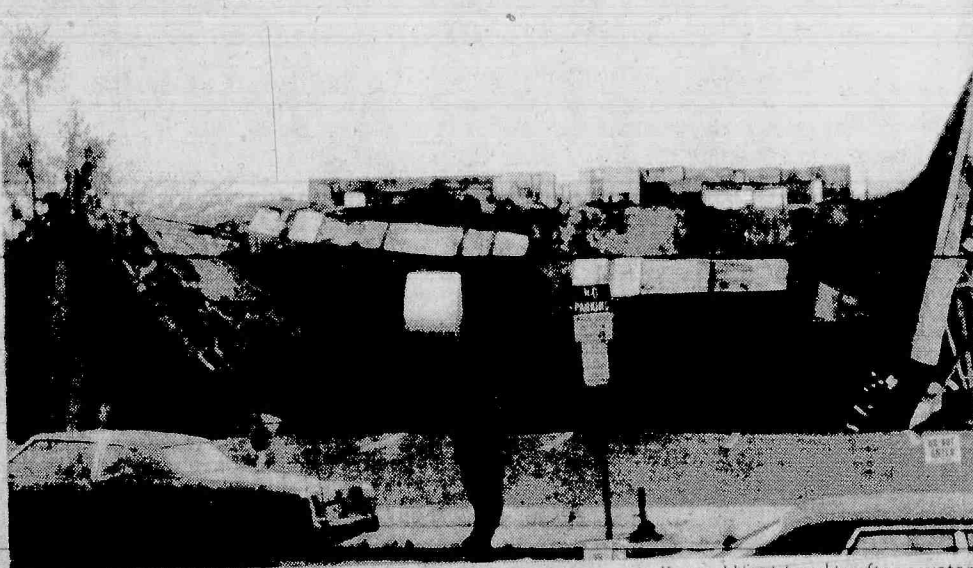

Another hard thing to believe is that Jackson was able to save nearly 99 percent of the clothing in the building.

"We were very fortunate in that respect," he said. "The back of the building is still standing and we used a crane to remove most of the clothing. Another thing is that all the machinery is still workable. That is another blessing."

Jackson said he was shocked when he first saw the building.

"I received a call at about 3:45 a.m. on Monday and they told me

(Please see 'Cleaners' on page 2.)

**Fallen Cleaners** — Jolly Cleaners located on Washington Avenue collapsed last Monday after a water main sprung a leak and caused the retainer wall in the front of the building to give way. No one was in the building at the time and most of the clothes were saved. The owner, Arthur Jackson, has set up another store to do business located at 143 Washington Ave.

# Santa Claus planning visit on Dec 13; other holiday treats also upcoming

Cor. Franklin Ave., Belleville

gift, orange drink and potato chips. Other refreshments will also be available. Admission for parents is free. Tickets can be purchased at the door or at "Sincerely Sandy" card shop located at 51 Franklin St.

Don't forget to write a letter to Santa telling him of something nice you did (include your name and phone number) and drop it in his mailbox when you visit. Your letter could win a prize. A photo with Santa is \$2.75 (optional). The annual "Santa Visit" fund raiser is sponsored by Cub Scout Pack 387.

For Belleville boys and girls who can not get to see Santa, they are encouraged to get out their pens, pencils, crayons and start writing their lists to Santa Claus right now.

Special mailboxes will be set up to accomodate the expected heavy

mail. One will be at Town Hall on Washington Avenue and the other will be in front of the Silver Lake Fire House on Franklin Street.

Children can't miss the mail boxes. They're bright red and clearly marked SANTA'S MAIL so no one has an excuse for not writing early.

By very special arrangements made between Mr. Claus and the Belleville Recreation Department, all letter writers are guaranteed an answer. No stamp is necessary and this special mail box is for Belleville residents only.

If children are too young to write, they are urged to draw a picture and Santa will get the message. Be sure to have someone print the child's name and address so that Sant can answer the letters.

## Cleaners collapses after water main leak

(Continued from Page One)

that the store had collapsed," Jackson recalled. "I ran up there expecting the worst, but when I got there it was worse than I expected. It just shows how amazing the power of water is."

Despite the collapsing of the building Jackson feels very fortunate that no one was in the building.

"I am very happy that it happened so early in the morning," he said. "If it had happened later in the day then someone would have been seriously hurt. That is the most fortunate thing about the entire problem."

Throughout the entire mess Jackson's customers have been very supportive.

"The people have been great throughout this entire ordeal," he said. "They are bringing in their clothes and they are being very cooperative about some things not being done right away."

"The only problem is that some people still don't know what happened as of yet," he continued, "and they do not know that we are back in business. But those that do have been very understanding."

Jackson has been meeting with contractors and insurance adjusters all week and is hoping to get rebuilding as soon as possible.

But for now is happy just to be in business.

### Career night is scheduled for Dec. 9

The Belleville High School Home and School Association will be sponsring its Career Night on Wednesday Dec. 9 at the high school cafeteria. The program will start at 8 p.m.

The program is open to all high school juniors and seniors and their parents. The program is designed to inform the students on the various possibilities open to them when they graduate from high school. Attending the program will be officials from colleges, vocationals and trade schools, And also financial officers.

Bronchial asthma can often be traced to allergies. A competent allergist can evaluate and treat the asthma patient in an effort to reduce symptoms. Often, a tightening in the chest, stressful breathing and wheezing associated with asthma is relieved when the patient is relaxed. Smoke, chemical fumes, allergens, aerosol sprays, exhaustion and emotional stress can all play a part in initiating an attack. Drugs, however, can be prescribed to relax spastic contraction of muscles, promote expectoration and decrease any accumulation of fluid in the lungs.

If your doctor gives you a drug to aid in the treatment of asthma you'll be sure to find it at ROSSMORE PHARMACY, 338 Washington Ave., 759-1968, 759-1956. "Your Doctor Knows Us-Your Doctor Trusts Us". See us for your Christmas needs. We have a fine gift department with many items available. Open: 9am-10pm daily, 9am-9pm Sundays.

**HANDY HINT:**  
Ephedrine has been used for five thousand years in China to relieve asthma symptoms.

# Belleville Motor Lodge robbery aids discovery of bomb factory

Investigation of an armed robbery at the Belleville Motor Lodge last week led to three arrests and eventual discovery of a makeshift arsenal and bomb factory, according to Dep. Chief Frank Haight.

The robbery occurred shortly after 2 a.m. on November 16. A man wearing a ski mask and armed with a shotgun entered the motel office at 379 Washington Ave., and forced the night clerk on duty into a washroom.

The clerk later testified, according to Haight, that he heard the voice of another man, apparently an accomplice join the first perpetrator.

The men removed a cash box containing an unspecified sum of money which was later recovered. They fled to a waiting car driven by a third accomplice.

After the intruders fled, the clerk telephoned the police whose investigation located the vehicle used in the escape parked only blocks away at Tappan Avenue.

Haight noted that further checking showed the car to be an unmarked state police vehicle stolen earlier that day.

Within 24 hours, police investigation led to the arrest of a 24-year-old Newark man who lived at 235A Mt. Prospect Ave., Newark. He was charged with armed robbery and possession of a shotgun.

When police, accompanied by Newark officers, entered the apartment they found what Haight termed, "an array of weapons, handcuffs, firearms, ammunition, and briefcases full of watches, clock parts, sections of pipe, and material used in fireworks construction."

Also arrested and charged with juvenile delinquency was the man's 17-year-old brother. The teenager, who was remanded to the Essex County Youth House, was arrested

**Police Raid** — Belleville and Newark police raided a Newark man's apartment last week, after charging him as one of the three men who robbed the Belleville Motor Lodge last week, and discovered a makeshift arsenal and bomb factory. The police found firearms, handcuffs and material used in fireworks construction in the apartment.

at his home on Ballantine Parkway, Newark.

Further investigation led police to the Washington Motel at 570 Washington Ave., where they arrested another Newark man.

He was charged with robbery, possession of shotgun, and possession of a stolen vehicle.

Chief Haight praised Lt. Martin

McNish, Sgt. William Escott, and Det. Michael Petrillo for "a good job in handling this case."

The Belleville officers were officially commended this week in a letter from Newark Police Director Hubert Williams, according to Chief George Lister. The correspondence, received Monday, praised local officers for their "hard-nosed investigation" and for their "police professionalism."

Williams lauded the "combined efforts" of both Newark and Belleville police in this case and "conveyed accolades to the officers."

An armed robbery at the Washington Liquor Store last month resulted in the arrest of three

suspects, according to Det. Chief Frank Haight.

Arrested and charged with armed robbery were a Montclair man and two Belleville men.

In addition, one of the men also faces addition charges for operating a vehicle with a revoked driver's license.

The robbery occurred at 9:15 p.m. on November 13. The owner of the store at 481 Washington Ave., was held at gunpoint by a man who fled with an unspecified amount of cash into a waiting car.

Responding to the owner's call, police officers Jack Kerber and Arthur Connelly spotted a car with its lights out on Malone Avenue.

Joined by other officers, the police apprehended the occupants of the car and recovered a gun and the stolen money.

## Episcopal Church holding festival

"A Festival in Santa Square" will be held at Christ Episcopal Church, 393 Washington Ave., Belleville on Dec. 5.

The festivities will begin at 9 a.m. with breakfast with Mrs. Santa. Santa Square will be officially opened by Mrs. Santa at 10 a.m. and will remain open for your shopping pleasure until 5 p.m. Visit the Christmas Kilt, the Trim-a-Tree shoppe, Potpourri and other stores. Have a delicious luncheon at the sidewalk cafe. Have your picture taken with Mrs. Santa for only \$1. Talk to Santa on the North Pole hot line.

A chicken dinner will be served in Santa Square beginning at 5:30 p.m. Donations for the dinner will be \$4 for adults, \$2 for children under 10 and \$3.50 for senior citizens (proof required).

Space is still available for the breakfast and the donation is \$1. Your donation gives you a breakfast of your choice of coffee, tea or hot chocolate and doughnut. Each of the children will also receive a mug and a gift from Mrs. Santa.

**HEALTH WISE**

By Ralph J. DiMaio D.C.

Pain in the lower back and legs afflicts millions of Americans. It is estimated that a half million people are disabled by spinal defects and injuries that cause severe pain in these areas.

The pain is caused by mechanical defects...that is, by conditions that result in misalignment or lack of mobility in one or more segments of the lower spine. For the spine to do its job of supporting the body while providing a safe channel for the spinal cord and nerves, each vertebra must be precisely aligned with adjacent segments.

Chiropractic treatment is aimed at eliminating the pain-causing misalignment, giving freedom from low back pain. Phone our office for an appointment.

## Prayer for Today

Let me seek out of Thee what I can find only in Thee, O Lord, peace and rest and joy and bliss, which abide only in Thine abiding joy. Lift up my soul above the weary round of harassing thoughts to Thy eternal presence. Lift up my soul to the pure, bright, serene, radiant atmosphere of Thy presence, that there I may breathe freely, there repose in Thy love, there be at rest from myself, and from all things that weary me; and thence return, arrayed with Thy peace, to do and bear what shall please Thee.

E.B. Pusey

## Letters

# School superintendent answers back at letter

To the editor:

This is in reply to Gabriel A. Nazzola's latest holiday greeting to various members of the Board of Education, the former high school principal, and myself. Let me assure him that as of this writing I do not have any applications in for another job. That may change if an excellent opportunity presents itself because, after all, many executives realize you sometimes have to move on to advance your career. We do not portray President Reagan disloyal to California because he moved to Washington, D.C., do we? Successful executives have been doing that for a long time. You might even call it an American tradition. It is axiomatic that you can't secure a more substantial position by a lack of commitment to your present position. On the contrary, you do the best job you possibly can with the most commitment you have because a mediocre track record is self-defeating.

Belleville has been good to me. I have met and worked with hundreds of very good and competent people within and without the schools. Two of my children graduated from Belleville High School and are presently succeeding in college. I have good neighbors on Fairway Avenue, and it is nice to live in a community where you can walk to the bakery, and have a good paid fire department a phone call away, etc. This does not mean I would not move to Washington, D.C., or someplace else, but it does mean I chose to move here five years ago and have been relatively happy for someone in such a hazardous occupation. (Sometimes I have to put on the equipment of a baseball catcher before even reading a letter to the editor!)

Getting back to Mr. Nazzola's tale of woe — I stated at a recent public School Board meeting that the band parents were not the problem in terms of the two young men that we hired but rather administrative communications. (Since Mr. Nazzola likes Nixon comparisons, perhaps he would like to listen to meeting tapes!) The first knowledge I had of this was when it was brought up by a Board of Education member after the summer was over. May I add that there is not a question concerning the quality of services rendered by the young men, but rather that their positions should have been given to me before the fact and presented to the Board of Education for approval. (How would a liability be handled if one of these men were injured?) This was not done, and I

repeat that it certainly was not the fault of the band parents.

I received a nice letter from the band parents thanking me for recommending new uniforms, and I would like to keep in their good graces. Not for a minute do I think that the immediate past president of the Belleville Music Parents Association speaks for anybody but himself.

The part of the letter that is particularly misleading is, however, that which deals with my alleged embarrassment over the solicitation of elementary pupils for attending rehearsals at the high school. The egg here is on Mr. Nazzola's face. Let us review the facts. Elementary pupils were invited (at an admission fee) from several schools to attend a dramatic performance at the high school. This was during school time. When this was brought to my attention, I told the elementary principals that the children could certainly attend the rehearsal, but it was improper for the students to go from one public school to another during school time and pay an admission. Give the taxpayers a break! It seems to me that costs incurred through the production of musicals and dramatic plays should be absorbed through performance receipts and even subsidized, within reason, through Board of Education funds. After all, the School Board subsidizes athletic events, why not musicals and dramatic performances? When Mr. Nazzola got wind that I had stopped the practice of charging admissions for elementary children to the high school plays, he contacted the former board president and the School Board attorney. They told him they would look into it. The Board of Education upheld my decision that it was an impropriety for elementary students to go to the high school during the school day and pay an admission charge to see other students in a dress rehearsal. I saw no correspondence from Trenton to the contrary.

Why was Mr. Nazzola interested in having the elementary children pay during school time to attend a dramatic rehearsal? Since he also evidences little faith in reporters for the Belleville Times, I would leave this up to their questioning of all the parties involved and concerned. Come to think of it, he seems angry at everybody. Will Rogers would have been embarrassed.

Sincerely yours,  
John T. Greed, Ph.D.  
Superintendent of Schools

## Redesigning the playoffs from a fan's viewpoint

To The Editor:

The state once again has blundered. This year, the Belleville football team will not play in the state playoffs. The fourth team will be Barringer. It is unbelievable and incredible that a team like Barringer will gain a playoff position over Belleville. Barringer's record is 6-1-1 and Belleville's record is 6-2-0. Based on the point system, Barringer has 13 points and Belleville has 12 points.

Now let's look at this more closely. Belleville has played six Group 4 teams out of eight games. Their two losses were against Seton Hall and Passaic, whose combined record is 16-0. (Both Group 4.) Barringer has played only one Group 4 team out of eight games, Belleville, and it was defeated soundly. It's tie came against a Group 3 team. How can the state justify picking Barringer over Belleville to participate in the playoffs? Does the state point system favor inner-city teams over suburban ones? (Yes). How can the state justify Barringer's schedule. It is a disgrace. They play schools in inferior groups. Perhaps our athletic director should schedule Group 2 and Group 3 schools. After all, the name of the game is to get to the playoffs.

Now let me explain a point system that would be fair and would insure that the best teams in each group would be in the playoffs. When a team in one group plays a team in the same group, the system of two points for a win and one point for a tie should remain. But it should not stop there. When a Group 4 team plays a Group 3 or a Group 2 team, we should use another factor based on ¼ points. For example, when a Group 4 team beats a Group 3 team, the

winner should receive two points and then have a ¼ deducted, thus earning 1½ points. When a Group 4 team plays a Group 2 team, the winner should receive two points and have a ½ point deducted, thus earning 1½ points. If a Group 3 team beats a Group 4 team, the winner should receive two points and then have a ¼ point added, thus earning 2¼ points. If a Group 2 team beats a Group 4 team, the winner should receive two points and then have a ½ point added, thus earning 2½ points. The tie would also be based on the system of minus ¼ or plus ¼. This system would have the strength of schedule already built into it.

The four teams with the most points in their section regardless of record, would enter the playoffs. Now let's use that system and see how Barringer and Belleville fare. Barringer's total would be 11 points. Belleville's total would be 11½ points. Thus Belleville should have been playing in the Meadowlands on Nov. 21, not Barringer. I know that the state would not like that.

Frank Montagna

## Letter policy

The Times continues to receive letters on a variety of topics which, unfortunately, may never find their way onto our editorial page. That is because they are unsigned.

As a matter of policy, The Times accepts only signed letters. "Signatures" such as "A Concerned Citizen" or "A Worried Parent" will not do. Only names will suffice. However, we will withhold names from publication upon request.

## Golden Comments

By James R. Golden

Truth CAN be stranger than fiction and, at times, deceptively misleading, especially, depending upon those whose conceptions are hastily formulated from superficial evaluation of a subtle assemblage of words presented with much the same dexterity as the magician's exploitation of the accepted concept that the hand is faster than the eye...often creating delusive illusions of reality.

Did such confusion and misconception result from a recently captioned news story that boldly proclaimed "Officials fail to appear during Wanaque hearing?" Apparently it did, since we were recipient of several calls from indignant readers of that story who angrily protested that they felt that our local officials had let them down when they "apparently skipped the Trenton hearings to participate in activities at a state convention in Atlantic City."

At first blush, to be sure, it would appear to be damning evidence that could militate against Belleville's ownership in its own water supply through the Wanaque South project, which by ordinance the township had notified the State Department of Environmental Protection of its application for accreditation membership previously.

The crux of ferreting out all the concomitant circumstances attendant to this disturbing news story, which by its initial publication, had set tongues wagging...ugly suspicions had been whetted and aroused, but, yet, all the evidence was not in; the town officials had not been heard.

We, through a compelling sense of fair play and objectivity, felt constrained to inquire of our commissioners and the Mayor of their reaction to the referred to news story; universally they protested that they had never been notified of any November 17 Trenton meeting on the water subject prior to their attendance at the State League of Municipalities Convention which opened on that date. Without such notification, how, they ask, could they be expected to attend?

The plausibility of their reasoning was logical and their high dudgeon understandable over the unfavorable light in which their absence from the Trenton meeting was presented. Despite our respect for their credibility, the compelling need for documentation of proof occasioned the requirement that we seek evidence from the Town Clerk of such information.

In the efficient, customary cooperative manner of Town Clerk Mary Lou Hood we were, in appropriate businesslike fashion, presented the corroborative evidence confirming the stand taken by our commissioners and the Mayor, that they were without knowledge of any scheduled Trenton hearing on water on November 17 prior to their registry at the Convention.

A letter dated Nov. 20, 1981 over the signature of Jerry English, director of the Department of Environmental Protection, acknowledged acceptance of Belleville's ordinance seeking participation in Wanaque South. It expressed satisfaction for the township's interest and indicated it would be referred to the water division and that a hearing would be held on Nov. 17, 1981...at no point did it indicate representation was expected, nor required, nor did it specify the hour when, nor the place where, such a hearing would be held.

Even more significantly, the envelope that contained the above referred to letter was postmarked Nov. 13, 1981, a Friday, which means that Town Hall, which is closed on Saturday and with no mail on Sunday, — the earliest possible date it could have been received would have been Monday, Nov. 16, 1981, hardly sufficient time to prepare for attendance upon such short notice. Even, at that, we were advised it was delivered until Tuesday morning, November 17; not unusual, in view of the poor mail delivery service we've grown to accept these days.

All of which draws us to conclude that, under the circumstances, it would be unfair to fault our town officials for a chimerical dereliction that would have been impossible to discharge within the time frame outlined in the belated, abstruse communication that made mention of a hearing.

Our town officials should inquire of English, just what occasioned such an incoherent, poorly timed communication on so important a matter. Could she have been actuated by any indirect extraneous influences to have withheld an earlier and more comprehensive notification of the Nov. 17, 1981 water hearing? We sincerely believe that had our town officials been properly apprised of this hearing, that they would have been there with "bells on." Let's place the blame where it properly belongs.

## The water foulup may end up alright

Through a misunderstanding, no township official appeared at a recent hearing before the State Department of Environmental Protection called for the purpose of soliciting testimony from applicants interested in participation in the new Wanaque South Water Project. Speaking in behalf of Belleville at the public hearing was State Senator Carmen Orechio, who urged the Department of Environmental Protection to give favorable consideration to Belleville's application for a piece of the action.

The North Jersey District Water Supply Commission has

modified the project in a manner which will produce an extra seven-and-a-half million gallons per day. It is this surplus that may make Belleville a participant.

Both Senator Orechio and the undersigned urged state officials to place Belleville first in line for the extra water supply to be generated by the modified project.

Let us hope our pleas were not in vain.

*Frank A. Orechio*

## Debate should follow appoint board question

In April, the Belleville voter will be asked to vote upon candidates to fill vacancies on the School Board, a school system budget — and finally — whether or not the Belleville school board should be elected or appointed. There is ample time between now and April for both sides of the issue to present their case for and against an appointed School

Board. We urge spokesmen for both sides to begin with their voter education program immediately, so that an intelligent vote can be cast in April.

*Frank A. Orechio*

## Buccaneers' football team deserving of praise

Belleville High School's football team did itself proud this year. The school's list of opponents is one of the toughest in the state. At the end of the season, the Belleville squad stood ten feet tall on a record of 7-2, the losses being suffered at the hands of two undefeated opponents — Seton Hall and Passaic.

With this year's squad to build upon, we can look forward to the possibility that 1982 may bring to the Belleville High School team an undefeated season.

Although the team was

overlooked in this year's state playoffs, the boys of BHS have nothing to be ashamed of this season. They were a hard working bunch of kids, and deserved the support generated by their fans this season.

A grateful community says "thanks for a job well done" to all members of the squad and particularly to coaches.

*Frank A. Orechio*

## Senior notes

At the November meeting of the Essex County Council of Senior Citizens Clubs, Inc., an interesting subject arose that had to do with attracting more delegates to our meetings. We have 81 clubs in the council with paid-up memberships, these 81 clubs are entitled to two delegates for the first 100 members, one delegate for each additional 100 members, up to a maximum of five delegates. So the least we should have as delegates attending meetings would be 162. So where are you?

We have hoped that people would attend meetings to take advantage of the information that some of us work hard to obtain so that we may convey the messages to you to bring back to your individual organizations.

Our legislative chairman, George Hooper, is on hand to bring us up to date on our affairs in New Jersey and in the national capitol. Your secretary tries to keep up the correspondence necessary for a well-informed group.

We usually have a representative from the Essex County Division on Aging and we receive valuable information on county activities that interest senior citizens. We have the legislative front well covered by the above media. We can only emphasize what we have preached before, the importance of attending our monthly meetings. It's your life, seniors, and one way to be sure that you get all that is coming to you is to be well-informed, to have a first-hand knowledge of health services, transportation, rebates, housing and any of the social services to which you are entitled.

Through our association with other large senior organizations, we have access to important information regarding our livelihood. One thing that we could use would be more activity on the part of our delegates. Letter writing to our national and state legislators would help. Let's tell our senators and assemblymen in the state and our senators and representatives in the national capitol, what we need and what we expect.

Many lobbyists are backed by large corporations with great sums of money to spread around to influence the lawmakers. What we have the most of is people. Let us be more aggressive in our approach and demand action on laws for our betterment and for the betterment of people of all ages.

These times are the best of times if we but know what to do with them.

## Tips on selecting a Christmas tree

Once again, the exciting Christmas season will soon be arriving. It's a time for holiday spirit; truly a season to be jolly. There's no better way to get into the Christmas spirit than by traipsing through a field of evergreen trees with the family on a crisp December day in search of the perfect natural Christmas tree. All at once, your senses become alive. The sight and the rich aroma of hundreds of firs, spruces and pines, of varying shapes and sizes, will be a reminder of the bounty of nature and the beauty of the rural landscape.

To select the right tree and to make choosing a tree a thoroughly satisfying and enjoyable experience for all concerned, there are a few facts you should know. First, you need to locate a Christmas tree farm. Since there are approximately 250 tree farms scattered throughout New Jersey, no doubt there will be one located within a short distance from your home. If you do not know where to go to find your family tree, the New Jersey Christmas Tree Growers' Association puts out a leaflet entitled, "Where to Find 'Choose & Cut' Christmas Trees in New Jersey." To receive a free copy, contact your local county Agricultural Agent or Area Forester or send a S.A.S.E. to: F.E. Johnston, P.O. Box 4060, Princeton, N.J. 08540. Phone: (609) 799-4200 or (212) 925-4005.

New Jersey growers have approximately 200,000 Christmas trees ready for sale this year. It is advisable to call a few Christmas tree farms to find out what types of trees they have, their prices and hours of operation. It's also a good idea to visit a farm at least two weeks before Christmas.

Once you have purchased, and

brought your cut tree home, you should undertake the following steps to ensure that it remains in tiptop shape throughout the holidays. Place the tree in a bucket of water outside or in a cool place until you are ready to decorate it. When it is time to bring the tree indoors for decorating, make a straight cut across the trunk about one inch above the original one. Keep the cut surface completely covered with water at all times. Trees can absorb up to a pint of water a day so check and water them frequently. Following these instructions will keep your tree moist and fragrant, reduce needle drop, and maintain tree color.

You can be sure when looking for a Christmas tree farm, there's one near you. Selecting a family Christmas tree can definitely be an exciting and fun-filled event. Don't wait. Plan a day with family, friends and neighbors in the very near future to roam the great outdoors and find that special tree.

## Holiday concert set for Saturday

The Archdiocesan Festival Choral, under the direction of Rev. Joseph J. Wozniak, will present a Christmas Concert Dec. 6 at 4 p.m. at St. Peter's Church, William Street, Belleville.

The 80-voice choir will perform Christmas pieces by Pinkham, Rutter, Vaughan-Williams, Britten, and others, including works for brass and organ. The organist for the Choral is Mr. John Peragallo III, director of music at Our Lady of Mt. Carmel Church, Orange. Tickets at \$2 may be obtained at the door.

**90 Years Young** — Virgilio Barbone of Belleville was recently honored at a 90th birthday party at the Bella Vita Restaurant in Parsippany. Mr. Barbone was born in Cassana Iripino, Province of Avellino, Italy and came to the United States at the age of 26. His wife, the former Rosina Petriello has since passed away. Mr. Barbone was the superintendent of an apartment building in East Orange before retiring. Among those at the party were his five sons, daughter, 13 grandchildren and 10 great-grandchildren.

## Eugene Cappy blood bank to be held Friday, Dec. 5

The late Eugene "Cappy" Barnett, in 1979, wrote a letter to blood donors in which he said, "There is no substitute for blood."

For over 30 years as founder and chairman of Council 835 Knights of Columbus Blood Bank he worked with the North Jersey Blood Center to make sure there was always a supply of blood for those in need.

To help remedy this condition,

past donors and any one ages 18 to 66 years of age are urged to donate their blood when, on Friday, Dec. 4, 1981, a mobile unit of the North Jersey Blood Center will be at the Knights of Columbus Hall, 94 Bridge St., Belleville between the hours of 3-7 p.m. to receive blood. For further information call Jerry Hickey, Blood Bank Chairman, at 759-9200.

## New Customer Service System Rings In Your PSE&G Connection

Over the next several months, PSE&G's new customer service system will be brought into full operation. Two inquiry and accounting centers — one in Newark and the other in Bordentown — have been specifically designed with the latest in computerized equipment to respond rapidly and effectively to your calls. It's all part of a PSE&G program to meet growing customer needs for prompt service.

### Person-to-Person Service

Our centralized system automatically puts you in touch with a customer representative for service, questions about your bill, or round-the-clock emergencies. All you need do is simply dial the appropriate toll-free number(s) shown on your bill and state your request. If you have your account number available, it will help us speed your request. When we're busy, our new equipment will make sure your call is answered in the order received by the first available customer representative. You can also help by calling after 2:00 p.m.

### All Customers To Benefit

By the spring of 1982, the new system will be available to all customers. Right now, the system serves the Newark, Trenton and Orange areas. All customers will be notified with further details when their areas become part of the system.

### Because We're Changing

Due to the relocation of necessary personnel to the new inquiry centers, you may experience some delay in calling our existing district offices. This is temporary until the changeover is completed. The best time to call the old offices is between 2:00 and 4:00 p.m., our least busy period. Naturally, call us any time if there's an emergency.

### The Door's Still Open To You

Although we're reducing the staff and the size of our existing district offices, sixteen customer service centers will still be located near their present sites for those customers who find it necessary to visit us.

### A Change For The Better

Any change of operation has its temporary rough spots, but the improvement in service is permanent. We're confident that the new customer service system will respond promptly and courteously to all customer needs — a PSE&G priority.

### Anthony Mongelli

A first child, a son, Anthony John, was born to Mr. and Mrs. Salvatore Mongelli Jr. of 77 Watchung Ave. Oct. 27 at Chilton Memorial Hospital. Birth weight was six pounds, 12 ounces. He joins Salvatore III, 6.

Mrs. Mongelli is the former Anita Benenato, daughter of Mr. and Mrs. Anthony Benenato of Belleville. Mr. Mongelli, son of Mr. and Mrs. Salvatore Mongelli Sr. of Brooklyn, N.Y., is a sales representative with Durkee Foods.

### Lincoln Rogers Jr.

A first child, a son, Lincoln Jr., was born to Mr. and Mrs. Lincoln Rogers of 833 Main St. Nov. 5 at Clara Maass Memorial Hospital. Birth weight was eight pounds, eight ounces.

Mrs. Rogers is the former Susan Maria McNeill, daughter of Mr. and Mrs. McNeill of Paterson. Mr. Rogers, son of Mrs. Roberta Rogers of Paterson and the late Mr. Joeshia Rogers, is a truck driver.

### Laura-Beth Denny

A second child, a daughter, Laura-Beth, was born to Mr. and Mrs. Richard Denny of 24 Stephens St. Nov. 18 at Clara Maass Memorial Hospital. Birth weight was five pounds, five ounces. She joins Kimberly-Sue, 13 months.

Mrs. Denny, the former Marianne Mauriello, is the daughter of Dominic and Dorothy Mauriello of 15 Underhill Court, Nutley. Mr. Denny, the son of Louis and Virginia Denny of Sarasota, Fla., is a truck driver with Emco Stainless of Kearny.

Bonnie Fusaro and Joseph Velasco III

## Fusaro-Velasco troth told; wedding in April

Mr. and Mrs. James Fusaro of Belleville have announced the engagement of their daughter, Bonnie Jean, to Joseph R. Velasco III, son of Mr. and Mrs. George Cornelius of Bayville.

The wedding is planned for April 3, 1982.

Miss Fusaro attended Montclair

State College and the Katharine Gibbs School.

Mr. Velasco, an alumna of Ocean County College, is a freelance artist.

### Umberto's Corner

Dear Umberto,  
I hope you answer my question first. I am an older retired beautician who works in an office now because keeping up with the pace of the changing hair styles was too much for me. My daughter who is presently attending beauty school came home yesterday and asked me what a "sandwich" permanent is. Since she was too embarrassed to ask anyone at school and since I don't have the simple explanation for this fancy form to give her, I am asking you for your help. Please answer this immediately or in my spare time I will throw darts at your picture.

Mother & Daughter Sandwich Perm  
Please don't throw darts.... I already feel the pain! Sandwich perm is not a gimmick. Usually it is given to a person who has curly hair and wants a body perm for a smoother look. When a sandwich perm is given, the hair is held straight and permanent paper is placed underneath and on top of the hair, and then rolled. The name sandwich perm is used because the two permanent papers with the hair in between forms a sandwich.

## Miss Peggy Beresford will marry this spring

Mr. and Mrs. Howard G. Beresford have announced the engagement of their daughter, Peggy, to Leonard Glover of Paterson, son of Mrs. Helen Revuelta of Prospect Park and the late Mr. Joseph Glover.

Miss Beresford, an alumna of Belleville High School and William Paterson College, is a word proces-

sor with McDonald's Corporation, Bloomfield.

Mr. Glover, a graduate of Paterson East Side High School and William Paterson College, is a physical education teacher in Haskell.

A spring wedding is planned.

## Guild show on Saturday

The Montclair Crafters' Guild and Hillside School PTA will hold their 9th annual invitational craft sale and show 10 a.m. to 5 p.m. Saturday at Hillside School, 54 Orange Road, Montclair. Admission is 25 cents and refreshments will be available.

More than 75 crafters from the Greater New York area will exhibit such items as stained glass, weaving, pottery, jewelry, leather and wood crafts. Demonstrations in whittling, coin cutting, weaving, quilting and glass staining will be held throughout the day.

# Two local youngsters thankful for special kidney clinic service

Two Belleville youngsters with kidney disorders are leading normal lives today thanks to the care they receive at a very special clinic located at United Hospitals Medical Center. The Medical Center is comprised of Presbyterian Hospital, The Newark Eye and Ear Infirmary, Children's Hospital of New Jersey and The Orthopedic Center.

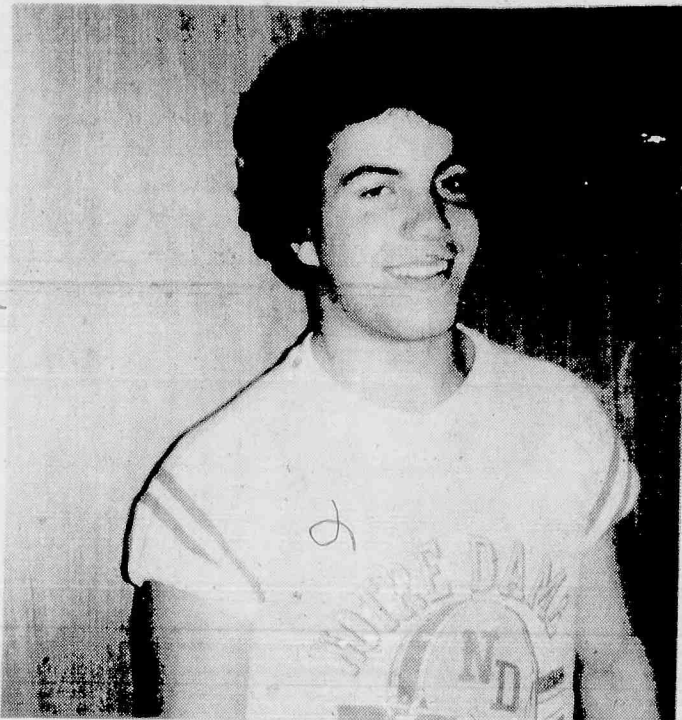

Eleven-year-old Cheryl Sheehan and 14-year-old Michael Gibbons are out-patients at Children's Hospital pediatric nephrology clinic. The program is under the direction of Dr. Constanca Uy who

blood pressure which, in turn, affected her vision. These problems are now controlled with medication and Cheryl is closely monitored by Dr. Uy when she makes her monthly visit to the clinic.

Michael is a freshman at Belleville High School. Three years ago he was hospitalized with a kidney disorder which was treated with medication. After his discharge, Michael made weekly visits to the clinic, then monthly visits, and now, he is evaluated every six months. He has responded well to his treatment and no longer requires medication. His doctors have given their ap-

Cheryl Sheehan — Cheryl is an 11-year-old sixth grader at School 7 in Belleville. She has done very well thanks to the United Hospitals Medical Center kidney clinic

Michael Gibbons — Michael is a 14-year-old freshmen at BHS and a member of the freshmen football team. Thanks to treatment from the United Hospitals Medical Center's kidney clinic Michael can lead a normal and active life.

specializes in treating children with kidney diseases. The clinic is run with the assistance of the Kidney Research Foundation of New Jersey. Cheryl is a sixth grader at School 7. She enjoys reading, English and math. Cheryl was born with multiple birth defects including curvature of the spine and a kidney disorder. Both problems were surgically treated at Children's Hospital which is New Jersey's only totally pediatric hospital. As a result of her kidney condition, Cheryl developed high

proval for him to take part in school athletics. In fact, Mike is a fullback on Belleville's freshmen football team and he also enjoys wrestling. "The clinic is unbelievable," said Mrs. Gibbons. "I don't think Mike would have done as well anywhere else. The care he receives at Children's Hospital is excellent. We highly recommend this program for anyone who has a child with a kidney problem." For further information about the pediatric kidney clinic call 268-8320.

## School 7 parents sharing experiences with students

Belleville's School 7 is in the process of establishing a Resource Bank of parents who have unique experiences to share with students in the academically talented classes. Now a full day program, which is housed in the school, gives approximately 75 fifth and sixth grade students from all over Belleville are being given an intensive educational program in all subjects. The core subject teachers are Mrs. Angela Immedato, Mrs. Susan DiRuggiero, Mrs. Giovanni Rissomano, and Mrs. Patricia Orosz. They also receive all other specialized services from the regular staff people in art, physical education, music, library science and guidance. They participate in the club program and have available

other school staff members and administration who have expertise in specific subject areas. The effort on the part of the staff is to broaden the educational opportunities of these students even more by working toward community involvement. This will be accomplished through the survey which will search for parents who can share experiences in skills, subject areas, and travel. An effort will be made to coordinate these into the curriculum. While the initial survey will be conducted among the parents of School 7, all others are invited to take part. Anyone who wishes to participate may do so by sending a letter to School 7, 20 Passaic Ave., Belleville, N.J. 07109.

Your memorial gift is a lasting tribute to someone you love.

## More Retirement Dollars For You

Good news for everyone planning a retirement program: Congress recently voted to make a major expansion in the eligibility and deductible amounts for Individual Retirement Accounts (IRA). The new regulations become effective January 1, 1982.

**I.R.A. \$2,000**

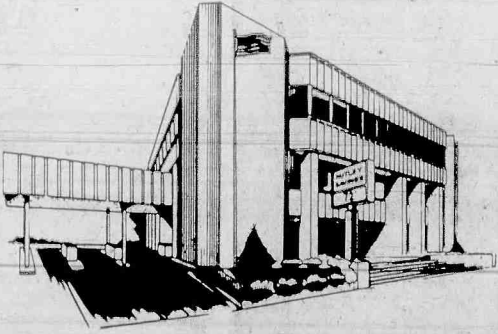

Individual Retirement Account

If you are presently enrolled in an IRA, that is, not covered by a qualified pension plan, you will now be able to deduct up to \$2,000 of earned income annually. If there is a non-working spouse, the deductible amount increases to \$2,250.

The new law also expands the eligibility to workers already covered by qualified plans at their place of business. These individuals may open a Nutley Savings' IRA of their own and contribute up to \$2,000 of earned income annually. A household with two working spouses can contribute up to \$4,000 annually.

Remember, the taxes on interest and principal are deferred until retirement. At this point your income will probably be much lower.

For all the details on the new IRA regulations come to Nutley Savings.

## Upsala theatre opens Friday

The Workshop 90 Theatre of Upsala College will present the first of five performances of Tom Stoppard's "The Real Inspector Hound" on Friday, Dec. 4.

The play will be staged Dec. 4, 5, 9, 10 and 11 at the Workshop 90 Theatre, located on the campus off Edgerton Terrace. Curtain time for each performance is 8 p.m. Admission is \$1 for those with an Upsala ID, senior citizens and outside groups who contact the college in advance, and \$1.50 for the general public. For further information call (201) 266-7144.

**A Belleville Beauty** — Bridget Joan O'Connor of Belleville, daughter of Mr. and Mrs. Steve O'Connor, won the title of "Miss Photo Pose Model 1981" at a beauty pageant in Roselle. She recently won other awards for the most photogenic, for talent and modeling in another pageant held in Cherry Hill.

## Local opera theatre to open act Dec. 12

The Bloomfield Opera Theatre will present five performances of the one-act opera "Amahl and the Night Visitors" by Gian Carlo Menotti in December in the Vogt Theatre of the Bloomfield Public Library.

The performance dates and times are Saturday, Dec. 12, at 3:30 p.m. and 7:30 p.m.; Saturday, Dec. 19, at 3:30 p.m. and 7:30 p.m.; and Sunday, Dec. 20, at 3:30 p.m.

Craig Johnson of Bloomfield, a student at North Junior High School, will sing the role of Amahl in the 7:30 performance on Saturday, Dec. 12, and in the 3:30 performance on Saturday, Dec. 19. David Frowery of Basking Ridge will sing the role in the 3:30 performance on Dec. 12, the 7:30 performance on Dec. 19 and the 3:30 performance on Dec. 20.

Barbara Zeinemann of Jackson Heights, New York, will sing the role of the Mother with Craig Johnson; and Judith Burbank of Montclair will sing the role of the Mother with David Frowery.

Other members of the cast include: Michael Stuempfle of Pluckemin as King Kaspar; David Nistad of New York as King Melchior; Kenneth Lockett of East Orange as King Balthazar; and

Abigail Warnecke of Montclair as The Dancer.

James Millar of Glen Ridge, who made a name for himself in North Jersey opera circles recently as conductor of Jersey Lyric Opera's production of Verdi's "Un Ballo in Maschera," is the musical director of this production by the Bloomfield Opera Theatre. The production director is Howard Vogt of Bloomfield, and John Sitnik of Bloomfield is stage manager.

"Amahl and the Night Visitors" was written for NBC television and performed for the first time exactly thirty years ago, in 1951. It has already become a classic holiday opera.

Tickets for the performances by the Bloomfield Opera Theatre are on sale now between 9 a.m. and 5 p.m., Monday through Friday, in the Administration Office of the Bloomfield Public Library, 90 Broad Street, Bloomfield. Ticket prices are \$4 for adults; \$2.50 for students; \$2 for senior citizens (over 62); and \$1.50 for children (under 13). There are also special rates for families, and group rates. For information on these prices, and any other information about the opera performances, please call the Bloomfield Public Library at 429-9292, extension 63.

## 'Nutcracker' ballet opens at Montclair State Dec. 26

Garden State Ballet Director Fred Danieli has announced that the company's highly acclaimed production of "Nutcracker" will return to Montclair State College on Dec. 26 at 2:30 and 8 p.m. and on Dec. 27 at 2:30 p.m.

The Montclair State College performances are part of a 26-performance tour by the Newark-based company that includes nine New Jersey counties and two New York theaters. Other performances will take place in Monticello, N.Y., Hackensack, Glassboro, Elizabeth, Randolph, Red Bank, Trenton, Atlantic City, Staten Island and Union City.

The Tchaikovsky classic, with choreography by Peter Anastos, will feature guest artists Jacqueline O'Dell and David Lukeso of The Feld Ballet who will join Mariko Nagata and David Wallach in the leading roles of Sugarplum Fairy and Cavalier. The 40-member cast includes 20 professional dancers along with the traditional corps of youngsters, who have captivated audiences with their charming performances. Suzanne Lopez of Summit will be seen in the leading role of

# Trouble may arise from hearing miscue

(Continued from page one.)

tually announce the meeting. He said the envelope was postmarked November 13, a Friday, and did not actually reach Town Hall until Tuesday, November 17, the day of the meeting.

Township Clerk Mary Lou Hood also described this procedure and displayed the letter, which contained no reference to the meeting anyway.

Marotti refuted the notion that those officials in Atlantic City "were off having a good time." He noted, "We would have sent someone to Trenton if we had been properly notified."

The Times reported on November 19 that of the five municipalities applying for Wanaque admission, Belleville alone failed to send a representative to the Trenton hearings.

DEP Hearing Officer Dirk Hofman publicly noted the absence and when reviewing the gallanage requests of Nutley, Wayne, Lincoln Park, and Elizabeth, he remarked that "we do not know about the Township of Belleville which did not attend today."

Others in Trenton reportedly expressed "shock" at the absence and speculated that Belleville's application, which is second in line behind Nutley's, was all but dead.

Marotti objected that they already knew from his October letter what Belleville's request was.

He also declared intentions to send a letter explaining the situation to Jerry English, DEP Commissioner.

The Mayor added thanks to Sen. Carmen Orechib; Nutley's mayor and representative at the Trenton meeting, for his recommendation

that Belleville keep its place in line should surplus water be available if and after Nutley's application wins approval.

When questioned, Marotti insisted that, unlikely as it may seem, neither he nor any other commissioner learned formally or informally of the November 17 meeting.

However, sources in the water project and in the township said that Marotti had been apprised of the meeting and video and had apparently pledged to send a representative.

On Tuesday, Marotti said of those charges, "I don't recall being informed. I do know that I was not told in an official capacity and the Town of Belleville was not officially notified either. As for anything else, I don't recall."

# Cerebral Palsy center holding dinner-dance

The Cerebral Palsy of Essex and West Hudson Teen and Young Adult Group have embarked upon a unique dance program, in which the members of these groups, including those in wheelchairs and those using therapeutic appliances, and members of their families, are learning a dance routine. This will enable the group members, with their family and friends to participate more fully at their annual Gala Xmas Dinner Dance, which will be held on Saturday, Dec. 13, at 6 p.m. at the Holiday Inn, Mt. Pleasant Avenue, Livingston.

The challenge of choreographing and teaching this dance has been put together by Mrs. Denise Lande, director of the Belleville Academy of Theatre and Dance. Mrs. Lande has created a brief dance routine to the song "Night Fever" from the movie "Saturday Night Fever." For those members of the group unable to move their wheelchairs, a friend or member of their family will assist them. Rehearsals began at their Thanksgiving Party, Nov. 21 and will continue on a weekly basis, at the center, until Dec. 13.

Although it is the first time this group has participated in such an activity, the implementation of this program is in keeping with the center's philosophy of letting each person achieve their maximum potential and to be as independent as their disability will allow.

The center hopes to continue these dance activities on a regular basis.

For further information, please contact Janet Pickover at 751-5149.

Halloween Treat — Columbus Hospital pediatric patients were entertained by students from Belleville High School at a recent Halloween Party. Lenny Splendoria, a junior and Nancy Lisboa, a senior, performed comedy routines, while provided candy, balloons and toys. The children thoroughly enjoyed the show. Their advisor is Mrs. Patricia Pugliese.

**Views On Dental Health**

WILLIAM B. KUN, D.M.D., M.Sc.D.

CHILDREN HAVE SPECIAL DENTAL NEEDS:

How a newborn nurses and what the baby eats will affect its future dental health. We usually think of a newborn as being without teeth. But just below the baby's gum pads are the twenty primary (baby) teeth which began to form early in prenatal life.

The four front teeth come through the gums first, generally when the baby is from six to twelve months old. The pediatric dentist teaches the parents how to care for and clean these early teeth. By the time the child is two to three years old, all the primary teeth are in.

Although the primary teeth eventually will be lost, they play a significant role in the development of a child's future dental health. Many of the primary teeth remain in the mouth until the child is 12 or 13 years old. They form holding pillars so that the child's jaw will develop correctly and the permanent (adult) teeth will come into the mouth in the proper position.

To prevent problems with these primary teeth, pediatric dentists counsel parents on early preventive practices. Most pediatric dentists recommend that the first checkup should be before the baby is two-years old, between eight and 24 months. At this time, the parents can start a program of cleaning, nutrition and fluoride. Pediatric dentists also are trained to detect serious dental problems that can arise from the improper use of the nursing bottle and habits like thumb-sucking and pacifier use.

A public service to promote better dental health. From the office of: DENTISTRY FOR CHILDREN, P.A. 562 Kingsland Street, Nutley.

# Township awards police and citizens for bravery

**Life Savers** — This group of officers responded to a fire at 254 Joralemon St., in September and went door to door evacuating the residents. From left to right are, Officer Arthur Connolly, John Martucci, John Kerber, Commissioner Matthew Pica, Police Chief George Lister and Robert Alves.

**Involved Citizens** — Here are two of the three Belleville residents who did not turn their backs on a crime and got involved. In June a 65-year-old woman was the victim of a purse snatching, when the three came to her aid and capture the youth. The citizens who made the capture were from left to right, Wallace Thatcher and Louis Mondo. Mark Donatiello was not present.

**Crime Busters** — Officers Vincent Cappetta and Edgar Panier were among the police officers honored last week at Town Hall for their part in breaking up a burglary at School 4. In July the officers spotted an open window at the school and found three youths in the hallway. Posing with the officers is Commissioner Mary Senatore.

**Ace Cops** — Officers Joseph Rotonda (l) and Joseph Tortorello were responsible for breaking up a youth gang which committed at least 14 burglaries in the Belleville area, netting nearly \$20,000. The officers were among the nine honored at Town Hall last Tuesday night by Commissioner Matthew Pica and the rest of the Town Fathers. By arresting the three youths the officers also prevented two other robberies which the youths had planned. Posing with the officers are Commissioner Vincent Strumolo and Police Chief George Lister.

## Nine officers and three citizens are honored by Chief Lister

By Linda Telesco

Belleville policemen honored their own last week in ceremonies at Town Hall. Receiving awards were nine officers, two auxiliary policemen and three private citizens.

Opening the ceremony, Commissioner Matthew Pica said, "I'm honored to be the public safety director and bestow these honors."

Pica also noted the uniqueness of the awards because they are not given to the director or the police chief but by the men's peers.

The honorees received citations and public congratulations from Pica, Police Chief George Lister and the town commissioners.

Receiving a "C" award for "excellent police duty" were Officers John M. Martucci, Robert L. Alves, John A. Kerber and Arthur H. Connolly.

A report recommending the award cited the men for "risking their own safety over and above the call of duty," during a September 5 fire at a 32-unit apartment complex at 254 Joralemon St.

The officers evacuated the building and assisted a 60-year-old victim of smoke inhalation.

In addition, Officers Kerber and Connolly received "D" awards, "Command Citations," for an August 11 arrest of two men for car theft. A follow-up investigation revealed that a local business establishment was involved in a stolen auto parts operation.

Command citations also went to Officers Vincent L. Cappetta and Edgar Panier, Jr. for quick response to and halting of a burglary at School 4 last July 28.

Three juveniles were arrested in the action.

A 33-year veteran of the force still performs meritoriously as evidenced by the Command Citation presented to Captain Robert A. Russomano.

On July 1, 1981, Russomano chased a suspicious vehicle into Branch Brook Park. The car's three occupants were charged with possession of a stolen car and also with possession of marijuana.

Long overdue recognition went to two members of the auxiliary police

force who, on March 31, 1979, evacuated a crowded assembled at Belleville High School during a power blackout.

The assembly was at the Color Guard Competition and were evacuated in an orderly manner by Sgt. Paul Wentworth and Officer Roy Jones, Jr.

Chief Lister commented, "We're fortunate to have such an auxiliary system that does such a wonderful job for Belleville." Lister also encouraged others to join the force.

Certificates went to three civilians doing their civic duty last June 6 in front of the Belmont Avenue Pathmark.

Mark Donatiello, Louis Mondo, and Wallace Thatcher chased and detained what turned out to be a 15-year-old juvenile who had snatched the purse of a 65-year-old woman.

Donatiello chased the youth, tackled him and the others helped to restrain him until police arrived.

"Thank you for your assistance," said Lister, "we need even more assistance from the people."

**Good Job** — Two auxiliary police officers, Roy Jones, (l) and Sgt. Paul Wentworth were honored for evacuating a crowded Belleville High School during a power blackout. It was during a Color Guard competition at the high school.

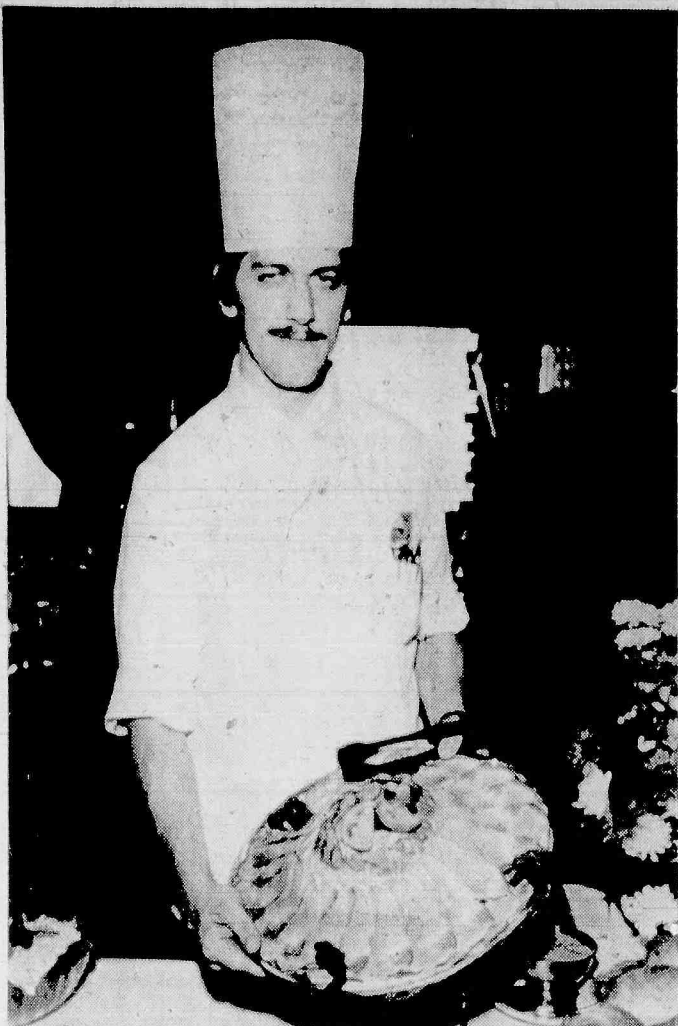

**Second Award** — Officers Arthur Connolly (l) and John Kerber, received a second award that night for their part in helping break up a stolen auto parts business at a prominent business establishment in Belleville. With the officers are Mayor Michael Marotti and Police Chief George Lister.

**Car Chaser** — Police Captain Robert A. Russomano was presented for an award for capturing three men in July who stolen a car, plus possession of Marijuana.

**Belleville Chef** — Executive Chef Peter Schmidt, a resident of Belleville, holds a platter which he prepared for the buffet luncheon served in the Sirloin and Saddle dining room atop the Saddle Brook Marriott Hotel.

## Township resident enters chef contest

Executive Chef Peter Schmidt, the 27-year-old resident of Belleville, who has already been cited for his culinary expertise while with hotels in Europe where he attained a Master Chef's degree, will represent the Saddle Brook Marriott Hotel in its "Great Chefs Celebration Sweepstakes." He will be competing against 63 other executive chefs representing Marriott Hotels nationwide.

Executive chefs from each of the hotels will prepare a gourmet banquet in January for 10 people as the hotel's entry in the sweepstakes. Contestants may enter the sweepstakes by submitting entry forms in the lobby of the Saddle Brook Marriott Hotel through early December.

Ten winners will be selected and will be guests of the Saddle Brook Marriott at a banquet prepared by Chef Schmidt. Judgment of the chef's entry will be based on the menu and wine list, color photographs of the meal and table setting, and special comment cards.

As a special bonus, the Saddle Brook Marriott will also award four dinners for two also to be created by Chef Schmidt.

From all entries nationwide, Marriott Hotels will award one grand prize of an eight-day, seven-night vacation, including air transportation, for the winner and nine friends at the new Maui Marriott Resort in Hawaii. The vacation will also include a banquet for 10 prepared by the winner of the Marriott Hotels "Great Chefs Celebration Sweepstakes."

The Great Chefs competition will be nothing new for Chef Schmidt who already has won several awards. He began his apprenticeship in the

culinary field as a 15-year-old high school student in North Germany, spending 1970 to 1973 at the Atrium Hotel in Beunsschweig. During this period Schmidt was a member of the hotel team which participated in the Chef's Olympics in 1972. The team won four gold and two silver medals, two special awards and received the highest grade which a hotel can achieve for food and beverage.

Upon completing his apprenticeship, Schmidt joined the International Hotel in London for a year and returned to West Berlin in 1974 to serve as demi-chef extermeter at the Hilton International Hotel. He then spent two years in the German Army as a chef and in 1976 became chef de partie at the Atrium Hotel where he had served his apprenticeship. He was promoted to banquet chef and won a contest in North Germany as chain de rotesior.

In 1979, while only 25, Schmidt received his degree as Master Chef. Chef Schmidt came to the United States in 1979 to join Marriott. He was assigned to the task force which opened the San Antonio, Texas, Marriott while he was with the St. Louis Airport Marriott in training to become an Executive Chef, was later named Executive Chef for the Kansas City, Missouri, Marriott Hotel, and was assigned to the Saddle Brook Marriott early this year as Executive Chef.

Chef Schmidt, whose hobby is collecting old cook books from Switzerland, Austria and Germany, is a specialist in the preparation of sauces and meats. He plans a veal recipe as the entre for the "Great Chefs Celebration Sweepstakes."

Chef Schmidt is single and lives in Belleville.

## LOOKING FOR A GOOD MECHANIC?

At Ol' Betsy Auto Repair, our only obligation is to the repair of your car and we'll take the time to show you what "full service" really means. With "quality" and "guarantees" not meaning much these days, doesn't it make sense to spend your money where your problems are solved and a guarantee is more than just an empty promise?

If you're less than satisfied with your current auto service, come to where the specialty is honest, reliable care for your car from a real professional with over 20 years experience.

## Belleville's past

The building of the "Big Ditch," as the Morris Canal was affectionately called, was an ambitious enterprise and not without difficulties. There was the alternative between a "lower" and an "upper" route, for instance.

The former, according to "the original plan of 1823, contemplated ending the Canal at Acquackanonk (Passaic)." But later, the demand was made to have the canal "end at Belleville, and thereby avoid some of the shoals between Belleville and Passaic. Judge Benjamin Wright, of Philadelphia, "visited the country from Belleville to Acquackanonk, along the banks of the Passaic River, and from the latter place to Paterson," in 1827, and reported to the Board of Directors of the Canal Company:

"It will be seen that the Canal will be expensive between Paterson and Acquackanonk (Passaic), and probably still more expensive between the latter place and Belleville — owing to its interference with many buildings, with the public roads, with the little landing upon the river, and there are many bluff points of land."

Traffic on the Morris Canal was not confined to commodity transport. A new mode of passenger travel was opened when a daily canal packet boat, the "Maria Golden," drawn by three horses made daily trips, Sunday excepted, to Passaic to give excursionists a chance to ride on the new railroad completed in 1832 from Acquackanonk (Passaic) to Paterson. Between Newark and Bloomfield the fare was 25 cents, and Belleville residents living in the southwestern section of the town, if opportunity presented, avoided themselves of this pleasant, comfortable method of traveling between Newark and their farms.

Elevation of Newark to the status of a Port of Entry in 1834 did not fail to have a beneficial result on Belleville's shipping business. The "Marine Intelligence" columns of the Newark newspapers frequently mention Belleville.

## Residents brave cold to enter turkey shoot

The Belleville Recreation Department's 15th Annual Turkey Shoot once again was blessed with fair weather and an outstanding turnout, considering the sub-freezing temperatures. There were 456 hearty resident pilgrims trying their luck in this year's shoot. Many sharpshooters received \$8 gift certificates towards turkeys or merchandise at the Pathmark of Belleville on Washington Avenue.

Winners were: Sal Adamo, Gary Berrigan, Dennis Borbon, Joseph Boyer, W. Boyer, Jim Callahan, Bob Cannella, F. Caprio, Vin Coffey, Joseph De Rose (2), James Del Grosso, W.R. Dockery, Pat Dullagher, Brian Dunleavy, Jennie Echo, Gregory Gaglioti, Dominick Gangemi, Richard Halbert, E. Hannon, David Harrison, Michael Hyland, Anthony Iannini, Sr., Josephine Jackson, Bob Lardiere, Jeff Lentz (2), Michael Licameli, Jr., Rich Luberto, Robert McDonald.

Mark Mancini, Robert Mitrow, Dana Merlo, John A. Morrison, Jr.,

John Mulcahy, Kathy Murphy, Marty Murphy, Michael Murphy, Brian O'Connell, Victor Padwelka, Angelo Pomponio, Louis Pomponio (2), John Powell, Russ Reynolds, Eugene Rickey, Mark Roll, Eddie Stangl, Anthony Torromeo, Richard Trypak, Jr., Stephen P. Trypak, Nick Ugliarolo, Sam Ugliarolo, Jr., Gerard G. Vernice, Art Watral, Paul J. Wentworth and Thomas Zarra.

The highest possible score is 30 points and this year's highest scorers were: Robert Mitrow with a 25 and Joseph De Rose with a 24. Approximately five or six lucky shooters tallied 22 points.

## Buc Shots

### Indiero and Mack; stars of the month

Kim Indiero and Craig Mack are two very special athletes. They are the type of people who take their God given ability and use it to the utmost.

Both athletes, now in their junior year, have just closed out fantastic years on the tennis courts and football field respectively and because of their super work, they are the Belleville High School co-athletes of the month for November.

"She's the most coachable girl I've ever had," said head tennis coach Karen Fuccello of Indiero. "Her determination is super. She never gets down and when you play with that much intensity and have a certain degree of talent, that makes up for some of the mistakes that you might make up during the course of the match. We used to kid Kimmy a little because her matches would usually be over before some of the other girls were done with the first set."

The 1981 tennis season was indeed a super one for Kim Indiero. She came through with an incredible 18-1 record, losing in the championship round the county tournament. "At the beginning of the year I was hoping for a .500 record," said the shy Indiero. "But once the season got started and I won a few matches, I was shooting for that unbeaten record."

Kim started playing tennis just two years ago by hitting the ball off the wall. As time went on, Kim started playing against her friends and worked extremely hard during this past summer. "As a sophomore, I played second doubles," continued Indiero. "I was kind of hoping to break the single slot this year. I played the entire summer and put more into the sport than I ever had before."

Intensity is the name of her game and as Kim explains it, "when I lose some intensity, I kind of lose control of my game. A lot of people will say, 'calm down,' but when I do, my game seems to fall a bit. I always play better with a little fury in my game."

While Denise Guiliano was called the "Jack Lambert" of the basketball courts a few years back because of her intense play, call Indiero the "Jack Lambert" of the tennis courts.

Now that the tennis season is over, Kim plans to start working out for her first love, softball. "That's my main sport, I really love the game."

You'll not find a more intense player in the school that Kim Indiero when it comes to softball and as she puts it, "S-ball is coming to town, soon. Don't miss it."

A fine athlete, not to mention a very good student, the potential that Kim Indiero has is limitless, and with time and more work, she'll one day be one of the best tennis players in the state, no to mention a super S-Ball player.

**Craig Mack** is another story of strength and determination. Just last season, Mack was seriously injured in football practice and was listed as doubtful for playing at all in the 1981 campaign and that year the Seton Hall-Belleville game was dedicated to him. Craig Mack had different ideas, however.

The junior linebacker came back to have a brilliant season, finishing second to Phil Cerza in tackles and marking himself as a top All-County Prospect later on. "He's a fine player," said head coach John Senesky. "Without a doubt, his hard work and determination paid off rather well for him."

Mack started the comeback trail last spring when he came out for the track team. It wasn't too long before he was back in good shape, throwing the javelin and shot put while spending countless hours in the weight room building up his strength.

Over the summer, he played many hours of football down at Belleville Stadium, aiming for one thing, a successful return to the team and a fine junior campaign. He easily fulfilled those goals and went on to even better things.

Craig scored his first varsity TD in the Bucs 54-0 rout of the Rams of Carteret on a fumble recovery and made a number of fine tackles that stymied any Carteret attack. His performance during the course of the year can be described as both consistent and tough. His 100 percent effort in playing the game makes him a superb athlete who should receive a good deal of recognition for a job well done.

Congratulations to the Bucs on their fine 7-2 season. Belleville closed out the 1981 campaign with a 28-19 victory over Kearny and can look back on the season with pride. Belleville also finished with the best mark of any team who made the playoffs last year as West Essex finished 5-4, Morris Knolls was 5-4 and Barringer, who tied East Orange, 0-0 on Thanksgiving Day was 6-2-2. This Saturday at Giants Stadium, three super football games will be played to decide state titles. The first game, at 12:45 matches Passaic and Bayonne while the 3:45 p.m. game will be number one ranked Brick against Toms River South. Finally, at 5:45, Elizabeth and Union will play for the Group IV, Section II title.

The Passaic-Bayonne games promises to be a dandy. Passaic is 10-0 and except for the Belleville game has breezed by all of its opponents. Bayonne is 9-0-1 but had a tough time with Marist last Thursday. That promises to be a thriller with both teams possessing an awesome defense. The Brick-Toms River South game that follows is a bit of a mystery. Brick, the state's number one team, is awesome, with a huge defensive and offensive line and fine game. It looks to be an easy time for them, but Toms River South will surely be fired up for the big contest.

Finally, the Elizabeth-Union game at 5:45 will match two teams with superb running games. Union appears to be on a roll, blanking Westfield, 14-0 in the first round of the playoffs while Elizabeth rolled over Barringer, 36-0. Elizabeth has a fine team, as a matter of fact they resemble Belleville very much in their formations and running attack. A Belleville-Elizabeth game would have been some game, but that's life.

The Belleville High School athlete of the week is Frank Fazzini who scored two touchdowns, breaking the 100-point barrier in the process. Fazzini finished as the county scoring champ while rushing for well over 800 yards and adding another 200 in receptions.

Some former Belleville alumnis have been making some big news for their respective colleges. Players like Anthony D'Agostino, Wayne Bubet, Dana Caruso, Anthony Coco and Billy Walsh along with Carl the "Bull" Lordi have been doing quite a job in their respective sports. There will be more on their achievements in next week's issue.

Here is the answer to last week's quiz. The question was, who did the Jets play in the first round of the 1969 AFL

(Please see 'Lamberti' on page 16.)

# Buccaneers edge out Kardinals; conclude season with 7-2 mark

By Mike Lamberti

It certainly wasn't easy, but the Belleville football team closed out a fine 1981 season with a very exciting 28-19 victory over a good Kearny squad.

The Bucs closed out the year with a 7-2 record. Next week, the Times will present a wrap up of the team's season.

John Borello, the team's junior quarterback, had a marvelous day passing, hitting on 12 of 17 for 181 yards and one touchdown. Frank Fazzini, closing out a marvelous career, broke the 800-yard mark and for his career, Fazzini cleared the 2000-yard barrier. Jeff Walsh, another senior, had a fine day, hauling in 110 yards in passes while

Eugene Cancelliere scored his first TD of the campaign off a pass from Fazzini on the half back option.

Belleville scored on its first possession following a Kearny punt. From its 40, Buccaneer Jeff Walsh scooted 24 yards to the Kard 31. After two plays gained just three yards, Borello went to the air and found Walsh for ten yards to the

Kard 18. After Fazzini lost two yards, Borello hit Walsh again, this time for 17 yards and a first down at the three. From the three, Fazzini needed two tries to score, giving the Bucs a 6-0 lead. Robbie Cancelliere added the conversions and it was 7-0.

For Fazzini, the score put him over the 100-point mark and pretty well assured him of the county scoring mark.

Kearny, thanks to some questionable calls from the officials, tied the game in the second quarter. After Borello fumbled on his 31, Kearny moved to the Buc goal line with the aid of 25 yards in penalties. Bill Hannon, the Kards fine rusher, vaulted the final yard for the score which tied the game.

On Belleville's next possession, (Please see 'Bucs' on page 16.)

Rolling Out — Junior quarterback John Borello rolls out to avoid a Kearny defender during last Thursday's Thanksgiving game, which the Bucs won by the score of 28-19. John had an excellent game throwing for 186 yards.

## Boy hoopsters out to improve last year's mark

By Mike Lamberti

With the emphasis on fundamentals and defense, the 1981-82 boys' basketball season has begun with a lot of enthusiasm and a renewed hope for a fine season.

The team is trying to rebound from a 4-18 season a year ago, but that record was quite deceiving. Belleville lost seven games by four points or less and two more by seven points or less. This year's team is totally different, with a majority of last year's squad having graduated last June.

Gone are Wayne "The Train" Bubet, Ronnie Wittman, Anthony Coco, Sammy De Capua, Scott Murray, Dave Wilks and Michael Isler. Head coach Joe Papasidero, now in his third year as head coach admits that graduation took a big toll on the team.

"When you lose a player like Bubet and a fine outside shooter in Wittman, it's not easy to replace (Please see 'Boy' on page 16.)

## Girls' basketball team opens season against Verona at home this Friday

By Mike Lamberti

Although the Belleville girls' basketball team lost just two starters from last seasons 15-7 squad, head coach Karen Fuccello sees a major task ahead of her as the girls prepare for the season opener on Friday, December 11 against Verona at Belleville High School.

The Buccanettes will host Shabazz in a pre-season game tomorrow afternoon starting at 4 p.m. Yesterday, the squad hosted Clark in a pre-season clash.

The coach's main concern this year is the sudden lack of height, now that star center Dawn Ritacco has graduated. Ritacco, who averaged 14 points and 14 rebounds a game playing the pivot last year, is now a freshman at Bergen Community College and doing quite well. "Yes, we will be hurting a bit underneath,"

said Fuccello. "This year's squad will be very interchangeable. Since most of the girls are the same height, they'll be playing everything from point guard to center."

Back from last year's fine season is senior Barbara Gundry. The "Bouncing Bubble," famous for her diving on loose balls and rugged play under the boards will probably see a good deal of action at the strong forward spot. Gundry, a two-year

starter, is a fine outside shooter but is noted for her super defensive ability.

Jennifer Apicella returns to the team and the 5-8 sophomore will see action from point guard all the way to center. An all-area selection last season, Apicella led the squad with a 21-point average and figures do the majority of the scoring this season.

Another sophomore, Dina D'Aquino will be a major factor to this year's squad. D'Aquino, who stands 5-8, has a fine outside shot and with time will develop into a fine offensive player. A good rebounder, Dina will probably play forward but is also a good ball handler.

The rest of the team is very inexperienced although there is some talent that will benefit the squad as the season progresses. Loreli Wells, Franchette Polite, Cecilia Graham, Theresa Critchely, Marlene Talmadge and Cathy Woods round out a talented varsity squad, but one that will need time to develop.

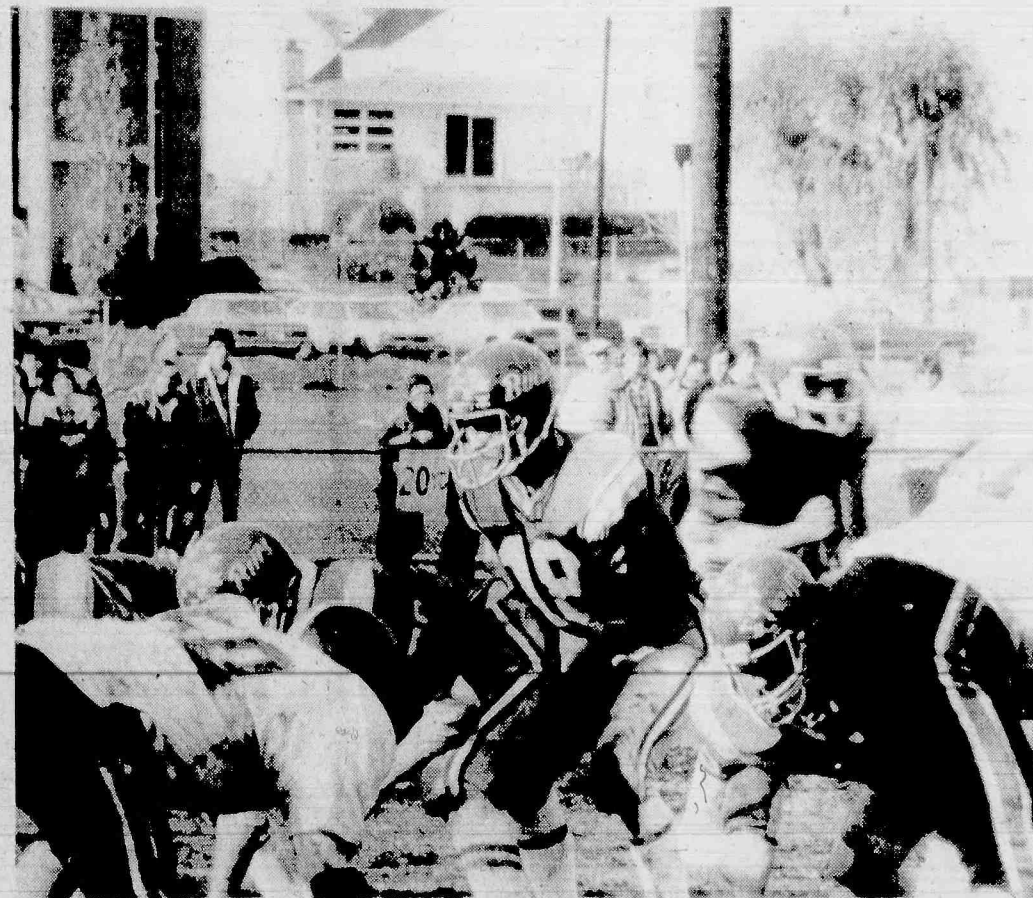

"Everyone has improved since last year," admitted Fuccello. "In our first scrimmage (against Harrison last Saturday morning) we were very rusty on our passes and we didn't use the power layup to our advantage. I think we'll have to press this year in order to be effective. All in all, I am pretty satisfied with everyone's effort."

While the road ahead will be somewhat shaky at times, the 1981-82 girls' basketball team promises some excitement, some victories and at all times a fine effort.

## Varsity Club holding dinner on Dec. 10

The Belleville Varsity Club will sponsor its 1981 Fall Sports Banquet to honor Belleville High School Fall sports athletes. It will be held at the Wayne Manor located on Route 23, Wayne, on Thursday, Dec. 10 starting at 6:30.

Tickets can be purchased at Belleville High School.

In Motion — Buccaneer Jeff Walsh (43) moves in the backfield on a set of downs during the annual Thanksgiving game against Kearny, which Belleville won by the score of 28-19. The win concluded the Bucs record at 7-2. Walsh grabbed nine passes on the afternoon for 108 yards.

# Three Belleville wrestlers to play on Rutgers squad

As he begins his 20th season as head coach of the Rutgers-Newark wrestling team, Bob Mizerek can claim quite an enviable record: 167-62-2. In the two decades, his one and only losing season was his first, and as he remembers, "I took over a

squad that had never had a winning season." Facing what he calls "our toughest schedule, both in number of matches and caliber of competition," Mizerek's Scarlet Raiders open their season Nov. 24 in a tri-match at

Seton Hall University. The opposition, identical to last season's opener, also includes New York University. The Raiders lost to the Pirates and blanked out NYU before completing a 10-4-1 season.

Mizerek feels the key to another winning season rests in his first three weight classes, "where as many as six freshmen, including three from Belleville, will be in the line-up."

Tom Graziano, an outstanding competitor at Belleville High School will be in the 118 slot, filled last season by All-American Ron Jones. Jones and Chris Gastelu, who wrestled last season at 167, are back at the State University of New Jersey as Mizerek's assistants.

Freshmen Jim Lombard and Al Mattia will wrestle off for the 126 weight slot. Lombard is a district and county winner from Belleville while Mattia spent four years on the varsity squad at West Essex.

Sophomore David Haight, who earned letters in wrestling and football at Belleville, and freshman Ervin Latinsics are the contenders for the 134 slot. Latinsics earned letters in wrestling and soccer at Lakeland Regional. He was an All-Conference wrestler last season and had Passaic County and District 13 second place finishes in the 115-122 weight classes.

Junior Mark Avallone and freshman Dan Mazzo will be at 142. Avallone was undefeated in dual competition last season and reached the NCAA Division 3 championships. Veteran Howie Adler, a junior, will start at 150.

While Mizerek is in a rebuilding year, he thinks he has a "tough squad" with "no weak weight classes. If we can avoid injuries, and as our younger wrestlers gain experience through competition, I look forward to a good season."

## JDSL holding award dinner on Dec. 5

On Sunday, Dec. 6, at 9 p.m., the James Dombrowski Softball League will hold its fifth annual Awards Night and dinner at Bruno's Restaurant in Lyndhurst. Bruno's is located in the ShopRite Plaza on Valleybrook Avenue and all are invited.

Bill Gallagher of Belleville will receive the award for winning the home run crown. Gallagher led the JDSL in round-trippers with nine. This is his second home run crown in three years.

In conjunction with the Awards Night will be a winter organization meeting with new teams invited to attend. The JDSL has 28 teams from three counties and once again is looking to expand. If you are interested in entering a team or just want to play as an individual, please call James Dombrowski at 997-2689.

R-N Grapplers — These three wrestlers will be playing for the Rutgers-Newark wrestling squad this season, and all three are from Belleville. From left to right are, David Haight, Jim Lombard and Thomas Graziano.

## Rec sports

# Football and soccer seasons closing down

The Belleville Recreation Department Football League concluded its season with the Light-weight Championship game in which the Jets topped the Falcons 27-12 to join the Heavy-weight Steelers as undefeated league champions.

Mike Iacona opened the scoring for the Jets on a 62-yard run to make the score 6-0. After the Jets' James Perrone recovered a blocked Falcon punt, Lou Lucante raced three yards for a touchdown with James Obenauer adding the extra-point on a pass from Anthony Lunetta to make the score 13-0 at half-time. Lucante increased the Jet lead to 20-0 on a five-yard run, with Iacona adding the extra-point.

Billy Sypher got the Falcons on the board on the last play of the third quarter on a 41-yard run, with the extra-point attempt failing.

Sypher scored again on a one-yard run to cut the Jet lead to 20-12 with two minutes left in the game. On an errant inside kick attempt, Jet runner Mike Iacona took the ball and raced 65 yards for a touchdown to end the Falcon rally making the final Jets 27 — Falcons 12.

Mike Iacona of the Jets was the league's leading scorer with 96 points, followed by teammate Lou Lucante with 57 points. Other leading scorers included: Billy Sypher (Falcons) 49 points; Dan Harrington (Falcons) 43 points; and Jack Calandra (Chargers) 30 points.

Heavy-weight leading scorers included: Andrew Martinez (Steelers) 49 points; Anthony Gizzo (Steelers) 38 points; Sean Mulcahy (Giants) 31 points; Todd Conforti (Giants) 26 points; Sam Zamloot (Giants) 20 points; and Jimmy Dunphy (Steelers) 20 points.

The Toros captured the post-season playoff tournament championship in Belleville Recreation Soccer "B" Division action last week as they drubbed a fighting Aztecs team 2-1 in the finals. Phil Albanese and Tony Narciso registered goals for the Toros as

they presented rookie coach Jack Baumgartner with this honor. George Dorizas, who has been a steady performer for the Aztecs all season long, scored for his team.

The Aztecs earned their spot in the Division "B" finals by edging the regular-season champion Cosmos 2-1 in a game which was decided by a shootout. The Aztecs, who arose from near oblivion to become a strong competitor in the playoffs, got their lone goal in regulation time from none other than George Dorizas, who was assisted by Ray Zamloot. The Cosmos' goal came from Mike Rubas, assisted by Steven Hywel.

In Division "A," the Toros advanced to the finals by virtue of a 6-1 victory over the Aztecs. The Toros' goals came from David Long (three), George Ricci, John Arrietta, and Vincent Cerca. Alex Moreno tallied a goal for the Aztecs.

The Division "A" Spurs downed the Lancers 3-1 on goals by Nick Auriemma (two) and Gustavo Lijo. Jimmy Damiano scored for the Lancers. The Spurs went on to edge the Aztecs 1-0 behind a Mark Palumbo game-winning blast and will face the Toros in the finals next week.

On Tuesday, Dec. 15, at 6:30 p.m. in the Belleville High School Auditorium, the Belleville Recreation Department will be showing the film: "Soccer: Hands Off" and presenting the awards to this year's winning teams in the recreation soccer leagues.

"Soccer: Hands Off" is a brief film which deals with some of the rules in the game of soccer. The film will kick off the program for the evening, and will be followed by the presentation of awards to the regular season champions and to the tournament winners. All residents are welcome to attend.

**Leg Tackle** — A Buccaneer defensemen makes a stop on a Kearny player during the teams' annual Thanksgiving game last Thursday. The Bucs won the game and finished the season with a 7-2 record.

**Upset Coaches** — The Buccaneer coaching staff is upset when the Buc defensive team allows a Kearny score in the third quarter. The Kearny touchdown made the score 21-19, the Bucs would go on to score again in the final quarter.

**Fighting Grant** David Grant, an offensive and defensive tackle for the Bucs this year, gives a signal to the sidelines during the Thanksgiving game against Kearny last Thursday. David's blocking and tackling was outstanding this year, and he will be back again next year for the foot-ball Bucs.

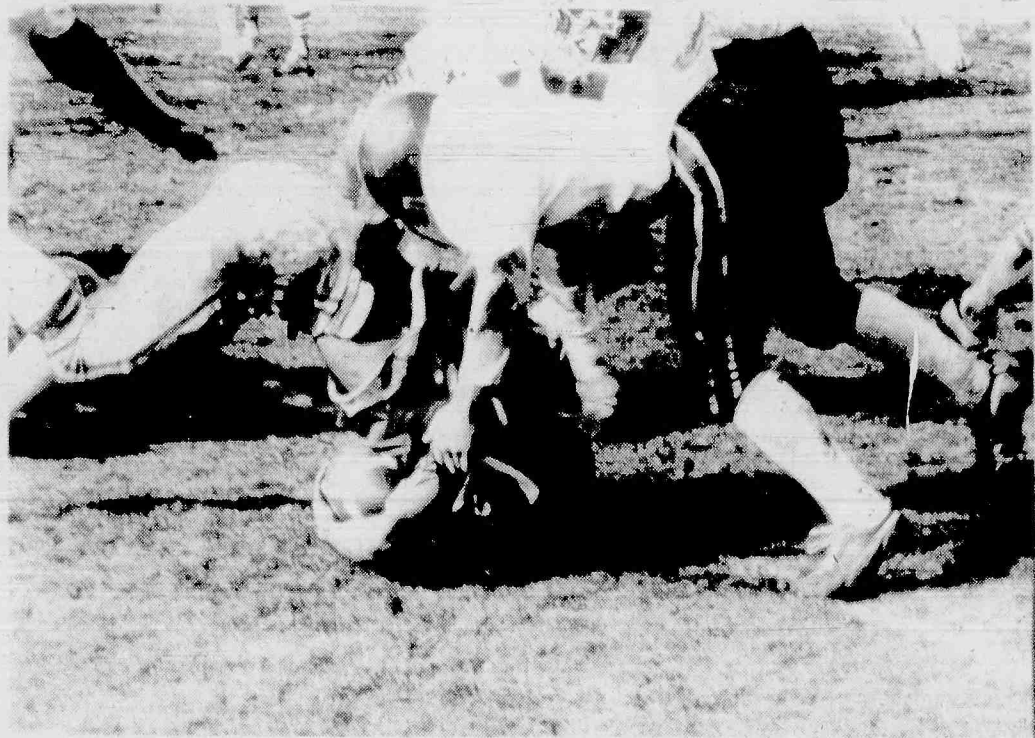

**Going Down** — Frank 'The Bear' Fazzini takes a hit during the Thanksgiving game against Kearny. Frank was held to only 42 yards rushing during the contest, but he did score two touchdowns which enabled him to capture the county scoring title.

**A Long Run** — Angelo Centanni (40) is off and running as he breaks on a 93-yard touchdown run during the Kearny game. It was the longest run of the season by a Buc player. The score put the Bucs out in front 14-7.

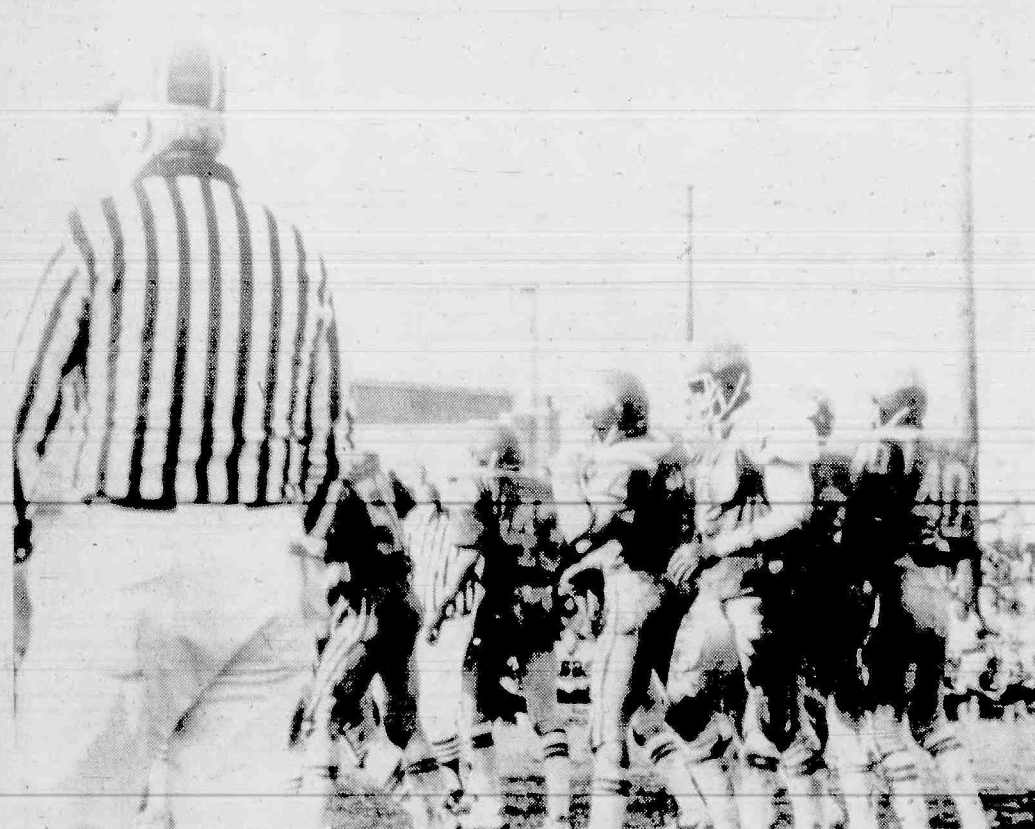

Buccaneers end season 7-2

**Tough Tackle** — Angelo Centanni hits the ground during the Kearny game on Thanksgiving game. The Bucs won by the score of 28-19 to end their season at 7-2. The only two losses suffered came at the hands of Passaic and Seton Hall.

**Off and Running** — Jeff Welsh, who rushed for 49 yards and gained 110 more on pass receptions, carries the ball during the Belleville-Kearny contest last Thursday. Jeff gained 25-yards on the play.

**Offensive Huddle** — The Bucs break a huddle during their game with the Kardinals of Kearny last Thursday, which the Bucs won the score of 28-19. The Bucs' offense gained 398 total yards, including 208 yards passing.

# Jets looking strong as playoffs near; Giants drop out of post season picture

By Mike Lamberti

How good are the New York Jets. They're 8-4-1, have an 8-4-1 record over the last ten games and are tied for first place in the AFC east.

But once again, how good are they? Keep in mind that the Jets of 1980 finished in last place in the AFC east, thus giving them a softer schedule than that of Miami and Buffalo for the '81 campaign. Of the Jets' eight wins, four have come against New England and Baltimore who have a combined record of 3-23. The Jets also defeated Houston (5-8 for the season) and the Giants (6-7). The team's only victories over sub .500 teams were both at home against Buffalo, (8-5) and Miami (8-4-1). Only the Buffalo win was convincing (33-14) while the Miami game came down to the wire.

Miami, on the other hand, have had to play the likes of Dallas, Philadelphia, Washington, Oakland and of course, Buffalo twice. I would have to say that games with Dallas and Philly might be a tougher chore than games with Houston and the Giants. Being an avid Jet fan, I hope the team does make the playoffs and

eventually the Super Bowl come January, but realistically, the Jets played four teams with sub .500 records and were blown out by Pittsburgh, beaten by Cincinnati, and shutout by Buffalo on opening day. The team's first three games of the '81 season were the toughest statistically and they didn't fare too well.

The Giants blew another game they could have won, losing 17-10 to San Fran because the 49ers made the big plays. By virtue of the win, San Fran has clinched the NFC west, their first title since 1972. Cincinnati continues to play well, whipping Cleveland, 41-21. The Bengals are now 10-3 and seem virtually assured of a playoff spot. How about those Pittsburgh Steelers and their fine comeback. After getting off to an 0-2 start and struggling at 5-5 after ten games, the Steel Curtain has reverted to old form, whipping Atlanta, Cleveland and Los Angeles on successive weeks.

Getting back to the Jets, they play Seattle, Cleveland and Green Bay the last three weeks of the season and by looking at the records, seem a

good shot to win all three. However, the Jets have never beaten the Seahawks and in case you didn't know it, have also never beaten the Cleveland Browns. Meanwhile, the Packers are starting to come around and with Lofton and Jefferson present a dangerous problem to any squad.

Now for this week's picks:

**JETS at SEATTLE:** Here we go again. The Jets are 0-5 lifetime against the Hawks and lost 19-3 to them five weeks ago. Since that setback, the Jets have won five straight and will not be down for this game. Seattle lost a heartbreaker to Oakland, 32-31 a week ago, might have lost interest now that they're 4-9 and maybe the Jets can finally take it. Jets 27-14.

**LOS ANGELES at GIANTS:** The Rams are fading very quickly and are staggering from that 24-0 whitewash against Pitt last week. The Giants are aiming for at least an 8-8 season and that means a victory here. The defense continues to excel and if the offense can click a few times, the Giants can win. Giants 21-14.

**PHILADELPHIA at WASHINGTON:** What's with the Eagles? They've lost two straight, a rare occurrence for them. The suddenly potent Eagle defense has only generated 20 points in the last two games and with the Skins playing very well the last six weeks, it doesn't figure to be an easy one. Philly 17-14.

**PITTSBURGH at OAKLAND:** On Monday Night. The Steelers are flying high and usually do well on Monday Night. They haven't beaten the Raiders since the 1975 AFC title game and that might be lingering on their minds just a bit. The Steelers should win it, but the Super Bowl Champs won't make it easy. Pitt. 24-21.

**DALLAS at BALTIMORE:** Will the Cowboys take this game too lightly? It's possible, but even if they do, the Colts won't win. Baltimore might keep it close, but that's about it. Dallas 27-16.

**CLEVELAND at HOUSTON:** At the beginning of the season, this game appeared to be a biggie, but the Browns are 5-8 and the Oilers likewise, so this game only decides who finishes with the losing record. Both clubs are hurting and might have lost interest by now. Houston 10-7.

**BUFFALO at SAN DIEGO:** Perhaps the week's biggest game.

## Boy hoopsters out to improve last year's mark

(Continued from page 13.)

them," said Papisidero. "We have some very anxious kids who want to play the game and who I feel confident will be very respectable."

While Bubet and his lumbering 6-5 frame is now at NJIT, Belleville has a taller team than last year. While the team had only three players over the six foot height a year ago, seven players clear the six foot mark with only a lack of experience the main problem.

"No one is assured of a spot," continued Papisidero. "Every player will have an equal opportunity to prove himself in practice and in the scrimmages. These couple of weeks are very important with the regular season just a week away now."

Belleville opens the season with an away game in Weehawkin and Papisidero is taking full advantage of his practice days. The boys have been working very hard and with the competitiveness for the open positions keen, there figures to be a hungry group of athletes taking the floor for the opener a week from Friday.

"There's a good blend of personalities out there," said Papisidero. "The seniors on the team are really taking charge and the younger kids really want to make this team a winner."

Two players who Papisidero is very impressed with is Joe Zangari and Sterling Lutz. Both players are seniors and expected to see a great deal of action. "Zangari and Lutz came ready to play this year," said the coach. "They really have surprised me with their effort and super attitude. I think we'll know more about the kids after the scrimmage this Friday night."

That scrimmage will be at home tomorrow night starting at 5:30 p.m. against St. Aloysius of Jersey City and will be a crucial test for the young Bucs.

The Bills are playing well, as are the Chargers. Buffalo has a big disadvantage with their last three games on the road. The Bills have had by far a much tougher schedule than the Jets or Miami this year, with the likes of Dallas, Philly, San Diego, Denver and Cincinnati on the slate. San Diego has the offense here, but the Bill defense might be the difference. Buffalo, 24-23.

**KANSAS CITY at DENVER:** Another big game. The Chiefs and Broncos are both 8-5 and tied for first, along with the Chargers. The Chiefs have been doing it with Joe Delaney and a super defense while the Broncos rely on Craig Morton and an awesome defense. Should be close and low scoring. Denver 13-10.

**SAN FRAN at CINCINNATI:** Both clubs are 10-3, the NFL's biggest surprises of 1981 by far. The 49ers have the great secondary which will be tested by Ken Andersen. Cincy, on its home field is super and since San Fran has already clinched, the Bengals might have an edge. Cincy 23-21.

The rest of the NFL: Detroit over Green Bay, Minnesota over Chicago, Miami to stop New England, St. Louis to edge New Orleans, Tampa Bay to upset Atlanta.

Last week: 8-6. For the year: 89-64.

**Christmas Market** — St. Thomas the Apostle Church, Bloomfield, is holding a Christmas Market Place on Dec. 5 from 9 a.m. to 9 p.m. at St. Thomas School, 50 Byrd Ave., Bloomfield. The market will have 10 boutiques. Hand made aprons, Christmas items, silk flowers and homecakes will be available as well as many other items. All proceeds go to the St. Thomas the Apostle Parish.

## Roles as Mayor and Senator plus for each, says Orechio

By Phil White

Although residents of the 30th Legislative District stand to benefit from the increased political influence of newly-elected Senate President Carmen Orechio, the Nutley legislator says his overall objective is "to represent all the citizens of New Jersey."

He is concerned, however, with the caps law and its forcing layoffs of police, fire and health workers throughout the state. He also believes something may be done to adjust the formula which determines the amount of state aid given local school districts. Both the caps law and the school aid formula are areas that have troubled leaders in Nutley for the past six years.

"Obviously my holding office on a local level continues to give me a special awareness of problems affecting people at home as well as understanding the overall challenges to home rule, but as a state senator, I must share the interest of my own constituents with the seven-and-a-half million other residents of New Jersey," Orechio said.

He offered his observations during a 15-minute interview on a variety of subjects which is being shown on cable television this week. Orechio also predicted Tom Kean would be certified as governor-elect which has happened, that the caps law will absolutely be modified by the legislator, and that he enjoys public service so much he already has decided to run for reelection to both the senate in two years, and for his seat on the Nutley Board of Commissioners in 1984.

But Orechio is reluctant to admit

## Town meetings to be aired on cable TV

(Continued from page one.)

encourage others to ham it up."

With that in mind, Chieffo said some tapes might be edited, "but we strive for accurate representation in editing."

Mayor Michael Marotti thinks the project is interesting and worth a try, noting "there are good and bad points to it."

"Some people are nervous about speaking without a camera, imagine how they will feel in front of one," he said, pointing out one of the disadvantages of the new project.

However, he thinks it might be a good idea to inform people of what is happening in local government through television in order to urge their attendance in person at a meeting.

Marotti said he always urges people to attend meetings more often and lend their opinions, critical or not.

"I tell them they have only themselves to blame if they don't like something we (the town commission) did. Maybe the television will help."

that serving as senate president will make significant additional demands on his already complicated and busy schedule.

"I'm already in Trenton two or three days a week," Sen. Orechio says. "The only additional time I see developing would be when the governor is out of the state and my having to take over in his place. At those times, I would be required to be in Trenton," Orechio says.

Others close to the Trentons scene disagree, noting the senate president alone has awesome responsibilities and powers in appointing committee chairmanships, scheduling every piece of legislation for floor debate and voting, as well as determining to which committee proposed bills are referred for study.

"I doubt very much that the presidency will take much additional time but you must remember that I pretty much have been more than a full-time public official for several years," Sen. Orechio continued.

"I am, for example, in daily contact with key officials in the Nutley Department of Public Safety. My hub of operation has been and continues to be my senate office [in Nutley] where I've available to pretty much anyone. So I don't see any impairment in my ability to serve because of being selected as the senate president," Orechio said.

Orechio admits his political philosophy leans toward greater

control by municipalities and less by the state. That seems to jive with plans being announced by Tom Kean.

"Of course, whenever state monies are given to local governments or agencies, there has to be some controls so we in Trenton know the money is being spent wisely and for the intended purpose," Orechio said.

"But if you're suggesting that because of my advocacy of 'home rule' I will more in accord with Tom Kean's views than otherwise might be expected, all I can say is that I don't think we'll have a problem getting along because we both realize that cooperation is now a political necessity."

"With both houses of the legislature controlled by the Democrats, and with a Republican governor, he's going to need our cooperation and we're going to need his. Otherwise, nothing will be achieved during the next four years," the new senate president believes.

Orechio is still critical of both Kean and President Regan for cutting funding to the states and social agencies. But the Nutley senator says he's ready to closely scrutinize the new federal block grant funds.

"We're going to be taking a very close look at services provided by the state and which should be reduced, or can be curtailed or even completely eliminated," he said.

**Basket Giving** — Mary V. Senatore is pictured here preparing to deliver Thanksgiving baskets to needy families last week. The baskets were donated by the Mary V. Senatore Civic & Welfare Association

## Lamberti's Buc shots

(Continued from page 13.)

playoffs, the score of the game and both teams' records that year. For a bonus, name the team the victor defeated in the AFL title game and the score. The answer: the Jets lost to Kansas City, 13-6. The Jets were 10-4 that year while KC, the wildcard club was 11-3. The game was played at Shea Stadium. Kansas City then defeated Oakland for the AFL title by a score of 17-7.

For this week's quiz, let's go to college basketball. Can you name the four teams in the 1978 final four and the two clubs that made the finals? Also: name the MVP of the championship game.

**Fine Arts Display** — Sixth grade students at School 3, under the direction of Gerri Corwyn, have been diligently working on the construction of Shakespeare's Globe Theatre. The wood and stucco stage is partially completed. The project, connected with the fine arts curriculum, has created such an interest that students are seen working on it at lunch and after school.

# Daniel Serritella, 55; plumbing contractor

A service was held Monday for Daniel A. Serritella, 55, who died last Thursday at Clara Maass Memorial Hospital.

Mr. Serritella had owned Daniel A. Serritella & Son Plumbing Contractors in Belleville since 1955. He was past master and secretary of America Masonic Lodge 256 and a member of Nutley Masonic Lodge 25. He was a worthy patron of Electra Chapter 68, Order of the Eastern Star, Irvington, and past president and secretary of the Bright Water Beach Association of Ocean Beach.

A Navy veteran, Mr. Serritella served in World War II and the Korean Conflict. Born in Bloom-

field, he moved to Belleville in 1936.

Surviving are his wife, Jean; two sons, Daniel A. III of Georgia and James R. of Belleville; his mother, Mrs. Josephine Serritella; three sisters, Mrs. Ann McDaniel of Belleville, Mrs. Marie Cerreto of West Orange and Mrs. Josephine Sorice of Belleville, and two grandchildren.

Arrangements were made by the Irvine-Cozzarelli Memorial Home where the service was held. Interment was in Hollywood Memorial Park, Union.

# Louis Holck; carpenter

A service was held on Nov. 14 for Louis F. Holck, 76, who died on Nov. 11 in Paul Kimball Hospital, Lakewood.

Mr. Holck was a carpenter out of Local 15, United Brotherhood of Carpenters, Hackensack, before retiring. He was a member of the Adoniram-Highland Lodge 80, F. A. M., Lyndhurst.

Born in Brooklyn, he lived in Lyndhurst and Belleville, moving to Wageswood three years ago.

Surviving are his wife, Miriam; a daughter, Mrs. Lola Clark; two sons, Glen and Warren; a sister, Mrs. Helen Aldridge; four brothers, Harry, George, James and Waldron, eight grandchildren and one great-grandchild.

The Collins-Calhoun Funeral Home made arrangements.

# Alex Calamai Army veteran

A Mass was offered in St. Anthony's Church on Nov. 3 for Alex Calamai who died Oct. 30 in Community Hospital, Toms River.

Mr. Calamai worked as a carpenter for Union Local 1342 of Bloomfield for 30 years, before retiring.

Born in Belleville, he lived in Bloomfield for three years before moving to Toms River.

He was an Army veteran of World War II.

Surviving are his wife, Jennie; two sons, Anthony and Gerald; two daughters, Mrs. Sandra Capelle and Mrs. Roseanne Penna; a sister, Miss Alice Calamai and four grandchildren.

The Zarro Funeral Home amde arrangements.

# Ernest Ferrara; tool designer

A Mass was offered on Nov. 12 in Holy Family Church for Ernest Ferrara, 73, who died Nov. 8 in Clara Maass Memorial Hospital.

Mr. Ferrara was a tool designer for the Curtiss Wright Aeronautical Corp., Woodbridge for 35 years, before retiring eight years ago.

Born in Montclair, he lived in Bloomfield before moving to Belleville 40 years ago.

Surviving are his wife, Margaret; a son, Ernest; two daughters, Mrs. Sandra Conte and Mrs. Judith Cardinale, and five grandchildren.

The S. W. Brown and & Sons Funeral Home made arrangements.

# Service held for E. Maue

A service was held for Elizabeth M. Maue, who died Nov. 4 in Clara Maass Memorial Hospital.

Mrs. Maue was born in Aurora, Illinois, living in Jersey City before moving to Belleville 23 years ago.

Surviving are a daughter, Mrs. Raymond Neary of Belleville and a brother, Frederick Habermeyer of Illinois.

The S. W. Brown & Son Funeral Home made arrangments. Rev.

# Obituaries

# Leonard Romanowski; Armory employee, 67

A Mass was offered Friday in St. Peter's Church for Leonard H. Romanowski, 67, who died Nov. 10 at the East Orange Veteran's Administration Hospital.

Mr. Romanowski worked for the Jersey City Armory 20 years before retiring five years ago. He was a World War II Army veteran.

Born in Bloomfield, Mr. Romanowski moved from Nutley to Belleville 35 years ago.

Surviving are his wife, Rita; a daughter, Mrs. Susan Coponi of Belleville, and two grandchildren.

The Kiernan Funeral Home made arrangements. Interment was in St. Peter's Church Cemetery.

# John Sheridan, 64; retired security guard

A Mass was offered on Nov. 7 in St. Peter's Church for John Thomas Sheridan, 64, who died Nov. 3 in Community Hospital, Dover.

Mr. Sheridan was a security guard employed by Engelhard Industries, Newark for three years, leaving in 1974.

Previously he was a metal polisher with the Viking Tool and Machine Corp., Belleville for 28 years.

He was an Army veteran of World War II and a member of the

American Legion Post 105 of Belleville for 18 years.

Surviving are a son, James J., of Forked River and four sisters, Mrs. Marie Fredlund of Bloomfield, Mrs. Dorothy Martin of Belleville, Mrs. Dolores Boardingham of Forked River and Mrs. Eleanor Nye of Belleville.

The Irvine-Cozzarelli Memorial Home made arrangements. Interment was in Mount Olivet Cemetery, Bloomfield.

## TAX SALE

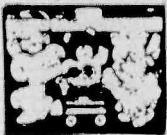

**NOTICE OF SALE OF PROPERTY FOR NON-PAYMENT OF TAXES, ASSESSMENTS AND OTHER MUNICIPAL LIENS**  
PUBLIC NOTICE IS HEREBY GIVEN that the undersigned, Collector of taxes in the Town of Belleville, in the County of Essex, will sell at public auction in the Council Chambers in the Town Hall of said Town on  
TUESDAY, DECEMBER 15, 1981

at 11:00 A.M. the following described lands:  
Said lands will be sold to make the amount of municipal liens chargeable against the same on the first day of July, 1981 as computed in the following list together with interest on said amount from the first day of July to the date of sale and costs of sale.  
Said lands will be sold in fee to such persons as will purchase the same subject to redemption at the lowest rate of interest, but in no case in excess of eighteen per centum annum. The payment for the sale shall be made before the conclusion of the sale or the property shall be resold.  
Any parcel of real property for which there shall be no other purchase will be struck off and sold to the Town of Belleville in fee for redemption at eighteen per centum, and the municipality shall have the same remedies and rights as other purchasers, including the right to bar or foreclose the right to redemption.  
The sale is made under the provision of an act of the Legislature entitled, "An Act concerning unpaid taxes, assessments and other municipal charges on real property and providing for the collection thereof by the creation and enforcement of liens thereon." (R.S. 54:5-10 to 54:5-11.)  
At any time before the sale the undersigned will receive payment of the amount due on any property, with the interest and costs incurred up to the time of payment.  
The said lands so subject to sale are described in accordance with the tax duplicate, including the name of the owner as shown on the last tax duplicate and the aggregate of taxes and assessments which were a lien thereon the first day of July, 1981, exclusive, however, of the lien for taxes for the year 1981 are listed below:

Given under my hand this thirteenth day of November, 1981
