KIWANIS COOKOUT -- The Kiwanis Club of Belleville held its 19th annual cookout for the children at the Cerebral Palsy Center recently, treating the kids to hot dogs and hamburgers. From left in front row are John Iannuzzi of the Kiwanis Club and center students Marvin Pena and Quadsia Niaz, and from left in back row are Cerebral Palsy Center Associate Director Ken Watson and Kiwanis Club members Ed Carolyn, Grace Perdue, Dom Tibaldo, Mike Marotti, Nino Bucciarelli, Gene Reilly, Mario Drozd and Mike McTigue.

World War II hero gets medal, 52 years later

By Robert Oakes

After a 12-year effort to secure proper recognition for their service during World War II, retired Air Force pilot Robert Wertz, a one-time resident of Belleville, and his flight crew have at last received their medals.

Wertz, 77, was the pilot of a B-17 bomber that was shot down over Germany on Feb. 16, 1945.

Along with five other crew members, Wertz was taken prisoner by German soldiers and held in POW camps until they were liberated by American soldiers in May of that year.

After 52 years, Wertz and the other crew members have at last been properly recognized. They were awarded the Distinguished Flying Cross at the Eighth Air Force Heritage Museum in Savannah, Ga. on May 16.

Ret. Gen. Louis Lyle, Wertz' commanding officer during the war, was instrumental in securing the award, an effort which began 12 years ago.

Lyle was in attendance at the ceremony to pin the medals on Wertz and the three living crew members: co-pilot Melvin Durst of California, radio operator Ed Giering of Connecticut and ball turret gunner Kenneth Jeansen of Washington.

The crew was part of the 303rd Bomb Group stationed at Molesworth, England during the war.

It was on their 23rd mission, while bombing oil refineries at Langendreer and Munster, Germany, that the American bombers encountered what Wertz called

"real heavy flak" from the German defense.

After sustaining severe damage, Wertz said he and his crew were forced to bail out over Klese, Germany, five miles from the Belgium border.

Wertz and the five others who survived the battle were captured and held at several different POW camps during the following three months. Wertz described how he and the other prisoners were moved from camp to camp aboard railroad box cars which, on one occasion, were attacked by American fighter planes.

11 shops found violating ban on tobacco sales to minors

By Robert Oakes

The Belleville Health Department last week issued the results of an undercover investigation regarding the sale of tobacco products to minors.

Of the 46 local businesses inspected, 11 were found to be in violation of the law, the

department said.

New Food and Drug Administration rules, recently announced by President Clinton, require that retailers not sell cigarettes or smokeless tobacco to anyone under the age of 18. Also, shop clerks must check the photo I.D. of anyone under age 27.

As part of the Health

Department's investigation, each of the 46 locations were given information regarding the new laws. The establishments, ranging from convenience stores to hotels and bars, were then selected at random for inspection.

An undercover volunteer would attempt to purchase cigarettes. If the clerk complied

with the law and asked for I.D., the volunteer would reveal her real identity.

If the clerk sold the product to the underage volunteer without asking for proof of age, a Health Department representative would enter the store and issue the owner a warning.

This warning gives those

locations that were in violation an opportunity to comply before receiving actual fines. Penalties for selling tobacco to underage persons can range from \$250 for a first offense to \$1000 for a third offense.

The local investigation, part of a state-wide federal survey, was intended to educate retailers about

the laws regarding the sale of tobacco products to minors.

The department hopes that this effort will effect a substantial decrease in cigarette use among minors.

Because 82% of adult smokers began smoking before their 18th birthday, the department feels it is particularly important to target minors in order to deter this habit.

Shaq visits Columbus Hospital, kicks off fundraiser

Los Angeles Lakers star center leads effort to get medical van in place to help Newark youngsters

By David P. Biggy

Shaquille O'Neal causes a lot of misery for opposing centers in the National Basketball Association, where he frequently clears some space and rocks the rim with powerful slam dunks.

But he has a soft spot for Columbus Hospital in Newark, the place Shaq was born, and where on Friday, June 27, he helped dedicate the recently renovated pediatrics unit.

"This is where I'm from. Newark is my town," O'Neal said as he made his way through the hospital in the early afternoon, paying visits to some hospitalized youngsters on occasion.

The 7-foot-1 Los Angeles Lakers center, who was joined by his mother, Lucille Harris, and a host of relatives, also helped kickoff a fundraising effort, *Born at Columbus*, to raise money that will allow the hospital to purchase a \$160,000 medical van designed to serve the healthcare needs of Newark's children.

The All-Star center also hosted an evening fundraiser for the Columbus Hospital Foundation, in which the proceeds from the dinner event will go toward helping staff, operate and maintain the medical van.

"This very exciting event raised funds for one of the most important community health projects

Columbus Hospital has undertaken," said Carol Ann Gauthier, executive director of the Columbus Hospital Foundation. "Our goal is to make quality healthcare available to children in each of Newark's five wards."

O'Neal was born in Columbus Hospital on March 6, 1972 and spent six years in Newark before moving with his family to San Antonio, Texas. Prior to graduating Cole High School, Shaq helped lead his team to a 68-1 record throughout his high school career, including a Class AAA state title during his last season.

From 1990 to 1992, O'Neal played under legendary coach Dale Brown at Louisiana State

University. Following his sophomore season with the Tigers, Shaq was named college basketball's Player of the Year by the Associated Press, United Press International and *Sports Illustrated*.

The following year, he became the first LSU athlete to be named the Southeastern Conference Athlete of the Year.

Immediately after his junior season, Shaq entered the NBA draft and was selected first overall by the expansion Orlando Magic. O'Neal played for three seasons with the Magic before being signed as a free agent by the Lakers.

Shaq visited the hospital as a hoard of youngsters and adults buzzed around the hospital's front entrance and in the main lobby.

For a man known for his thunderous jams and rap songs, he was fairly soft-spoken during his short time at the hospital, as he visited sick youngsters, talked with wheelchair-ridden adults and played it up cute to a baby here and there.

"We're raising money for a mobile unit that will help kids who really need it," O'Neal said during his brief press conference. "Most of the kids, especially in the part of the community that I come from, can't afford to come up here and get their shots or proper medical care. This will help to make sure their shots are in order."

The medical van, according to a design by Lifeline Corp., will be equipped with a pair of exam rooms, cargo space to keep lab records and house lab equipment, a blood drawing station, a storage

Shaquille O'Neal, center, gets a shot in with plastic surgeon and medical staff Secretary Rocco Tutela, left, and Carl Porcaro, Columbus Hospital's vice president of medical services.

attic, a lab specimen refrigerator and consumables cooler. On the outside of the van, the slogan "Setting sail for a healthier Newark" accompanies the hospital name.

"We were delighted to have Shaquille join us as we inaugurated *Born at Columbus* and began our fundraising efforts for our mobile unit," said John G. Magliaro, president and chief executive officer of Columbus Hospital.

"Shaq is an athlete and role model, who symbolizes the sense of responsibility and generosity of spirit we want to nurture in America's youth today, and his determination to make a difference is evident both on the basketball court and in his private life. We're proud that he joined us as a partner in our efforts to support our community and to help the children and parents of Newark."

Shaquille O'Neal, rear center, gathers with some fans on June 27 in the main lobby at Columbus Hospital in Newark, as Shaq kicked off the hospital's \$160,000 fundraising effort to purchase a new medical van.

School No. 3 students donate \$1G to palsy center

For the past several years, School No. 3 has developed activities to support the school and community. The activities are supported by the staff, students and parents and are monitored by the sixth-grade students and teachers.

The Belleville Kiwanis Club provided incentives to motivate the interest in the project. Past activities have included raising money to purchase audio-visual materials to benefit the entire school and a bulletproof vest for the Belleville Police Department.

During the 1996-97 school year, a penny campaign was instrumen-

tal in raising money to benefit the students of the Cerebral Palsy Center of Belleville. Several Cerebral Palsy Center students visited School No. 3, accompanied by Ken Watson, director, to meet the students and to initiate a bond among all the students.

Watson met with staff members and Raffaella Saulino, principal, several times to discuss his appreciation and the purchase of supplies for his physically-challenged student body.

The sixth-grade students developed the objectives and activities for the entire student body in order to achieve their intended goal of \$1,000.

They made announcements over the public address system to rally their peers, presented monthly winners with incentives provided by the Belleville Kiwanis and motivated all students to participate on a monthly basis.

Susan Rovell and Isobel Villano, sixth-grade teachers, also supplied incentives that they purchased to encourage the school project.

The culminating activity was a visit to the Cerebral Palsy Center on June 17 for the presentation of a check to Watson on behalf of the children. The check will purchase student equipment.

The sixth-grade students also purchased educational materials, games and puzzles to hand to the children.

The Cerebral Palsy Center will host a ceremony thanking the faculty and students of School No. 3 and the Kiwanis for its support of the project.

LAW SCHOOL GRADUATE -- James P. Krupka, right, son of John and Betty Glendenning of Belleville, receives a degree of juris doctor from Rutgers Law School in Newark. Krupka also holds a bachelor of science degree in administration of justice from Rutgers University in New Brunswick. He is currently working as a law clerk for the firm of Gaccione, Pomaco and Beck in Belleville.

BOOKS AND BEYOND -- From left, Lia Sprechini and Geoffrey Dos Santos, second-graders at School No. 3, introduce the school's second annual participation in the national "Books and Beyond" reading program. Students participated in a five-week program under the direction of school librarian Elizabeth Rowan, with this year's theme being "Jump in and Swim." The Home and School Association supported the program with incentives and record-keeping assistance, and the students in grades K-3 finished with 163,701 minutes of reading over the five-week period. The school hopes to surpass that mark next year, when the program will include the fourth grade as well.

Human resources director named

Michele Rakow of Belleville was recently appointed director of human resources at R.D. Hunter & Company LLP, certified public accountants and consultants, Paramus.

With a master of science degree in human resource management from Rutgers University and over

five years experience in employment law, policies implementation, benefits administration, and employee relations, Rakow's first priority is to establish a functioning Human Resources Department for the firm.

The newly founded department will serve the firm's over 90 employees in their three office locations in Paramus, Princeton and New York City.

Currently an active member in the Society for Human Resource Management, Rakow's previous experience includes work in the non-profit sector.

The Crime Watch

By Robert Oakes

• Elizabeth Caban, 43, of Newark was arrested and charged with possession of marijuana. She was stopped in her car at the end of Mill Street just after midnight on Saturday morning, police said. Officers said they noticed a strong marijuana odor and discovered a portion of a cigarette in her possession.

• Rigoberto A. Chavez, 23, and Rocky Velez, 19, of Newark were arrested and charged with aggravated assault against police officers late on the night of July 1.

The men were observed driving erratically by police, and Chavez, the driver, ran his car into the police cruiser, forcing it off the road, according to police.

The officers said they pursued the men onto Mill Street where they were forced to stop, and both Chavez and Velez jumped the officers and began to attack them before they were subdued. Chavez was also charged with driving while intoxicated.

• An Oldsmobile Cutlass was reported stolen during the night of June 30 on Division Avenue.

• Daniel Irlanda, 19, of Newark was arrested and charged with theft on Saturday night at the Washington Avenue Pathmark. Irlanda, employed as a cashier at the supermarket, was reportedly observed by an undercover store detective removing \$50 from his drawer. An internal investigation found that Irlanda had taken \$812 in total over the course of a week, police said.

• Jose B. Chimbo, 24, of Nutley was arrested and charged with driving while intoxicated after reportedly hitting two parked cars at the intersection of Franklin and Caroline streets late on the night of June 30.

• Three juveniles, ages 15, 16 and 17, were arrested and charged with delinquency and breaking and entering on the afternoon of July 3 after reportedly being

observed breaking the window of, then entering a Bloomfield Avenue apartment.

The responding officers said they saw the suspects run from the apartment and into the backyard. After pursuing them on foot, the officers caught all three juveniles, they said. The 15 year old, from Belleville, was released to his parents. The parents of the 16 and 17 year olds, from Newark, could not be located, and they were sent to the Essex County Youth House, police said.

• Charles Wickliffe, 38, of East Orange was arrested and charged on Saturday night with possession of cocaine, possession with intent to distribute and possession within a school zone.

The arresting officer said he stopped a vehicle on Franklin Street because it had an expired registration. The vehicle was then found to be unregistered and uninsured, and when the officer asked the two men inside to step out of the automobile, they began to run, the police said.

The driver escaped, but Wickliffe was caught and found to have 59 plastic vials containing a white powdery substance in his possession, police said. A warrant has been issued for the arrest of the driver, the officer said.

• Ramon Perez, 50, of Newark was arrested and charged with shoplifting at the Rossmore Pharmacy on Washington Avenue on Saturday.

Officers said they noticed the suspect exiting the store with a white plastic bag in hand. When Perez saw the police, he threw the bag into the bushes and began to walk swiftly in the opposite direction, the officers said.

The officers said they stopped the suspect, retrieved the bag and discovered that it contained goods stamped with Rossmore price tags. When the shop owner was questioned, he confirmed that the items were not paid for, the officers said.

NEW DOCENT -- John Doeffering of Belleville graduated recently from the docent training class at Essex County's Turtle Back Zoo in West Orange. Docents are volunteers at the county facility and Doeffering will be helping at the forthcoming "Night Moves" nocturnal tours during the summer at the zoo.

Belleville Senior News

A Senior Citizen's Lament

Thought I'd let my doctor check me
'cause I didn't feel quite right.
All those aches and pains annoyed me
and I couldn't sleep at night.
He could find no real disorder
but he wouldn't let it rest.
What with Medicare and Blue Cross,
wouldn't hurt to do some tests.
To the hospital he sent me,
'though I didn't feel that bad.
He arranged for them to give me
every test that could be had.
I was fluoro-scoped and cysto-scoped,
my aging frame displayed.
Strapped upon an ice cold table
while my gizzards were x-rayed.
I was checked for worms and parasites,
for fungus and the curd,
While they shoved long needles in me,
taking samples of my blood.
Doctors came to check me over,
probed and pushed and poked around.
And to make sure I was living,
had me wired up for sound.
They have finally concluded,
their results have filled a page,
What I have will some day kill me,
my affliction is old age.

Glad to hear that Elanore Bellina is out of the hospital. Francis Cuzzo is home sick. Joan DeCapua is in Mountainside Hospital and Annette Sansone and Juan Winkler are in the hospital.

Last week, I wrote about the trip by the Friday Social Club to the Granit resort in the Catskills that went bankrupt and caused the seniors to return one day before their vacation had ended. Well, trip coordinator Josephine Molinaro informed me that the Granit management has refunded the cost involved and made the many seniors happy. This is a first class act.

July has quite a few birthdays, so happy birthday Anthony Bellina, Dan Ippolito, Albert Walker, Betty McCabe, Dan Tribuno, Chris Paduto, Betty Wiss and Elsie Gorvat. A special 85th birthday to Sal Calabro and to my daughter Phyllis Lager, also a very happy birthday from mom and I. I forgot Joe De Fabbio.

Joe and wife Josephine celebrated their anniversary on the 4th of July. What a day to pick, Joe! Ed and Dotty Barbig, Millie and John McGee, John and Helen Basel, Mr. and Mrs. Joe Cortise, Mr. and Mrs. Joe Fornarotto, George and Grace Cosenza, John and Francis Iracane are all celebrating their anniversaries this month.

What in the world would a person do with the 12 guns that they can purchase legally in one year. Yes, some states allow you to purchase one gun a month. A large number of these guns have been traced to robberies and illegal persons. Legal persons buy them and sell them for illegal uses. Why do we allow this to happen? No matter what they say, guns do kill people.

There is one who, if we trust Him
Guides our life o'er swelling tide.
He came down on earth to save us,
On the cross for us He died.
Trust Him now! Accept thy Savior,
For but He can sin atone.
Trust Him and when twilight cometh,
He will not leave thee alone.
Trust Him while thy life remaineth,
He will gladden all thy days.
Trust Him! And for mercies given,
Ceaseless sing His glorious praise.

Evelyn C. West

Once again we had a beautiful day for the 4th of July celebration at the Municipal Stadium. From my vantage point across from the high school, I and my many guests were able to observe a fantastic display of aerial fireworks. The persons responsible for this display should be commended for a job well done. I was not able to observe the display at the stadium but I understand they were one of their best they have had. At last we get something for our tax dollars.

The capacity crowd covered the lawn in front of the high school and they showed their approval with a large round of applause.

I hope something good will come out of this new line up on the Town Council. I was very disappointed that the old line up did not hold the line on our tax rate. I think they could have if they had tried hard enough. You can only pull your belt in so many notches, then something has to give. How about giving us a break?

Tid bit: Faith is the first factor in a life devoted to service. Without faith, nothing is possible. With it, nothing is impossible. Mary McLeod Bethune.

Keep Belleville beautiful.

World War II hero gets medal

(Continued from Page 1)

Then, just before the defeat of the German forces, he was among prisoners that were marched 175 miles from Nuremberg to Moosburg. There they were held until being freed by American soldiers under Maj. Gen. George Patton.

"Looking back on it, it could have been worse," Wertz said.

He described the camp commandants as "strict but fair," saying that they were ordered by Hitler near the end of the war to execute all of the POWs, but refused to carry out the command.

Wertz has received other awards

for his service during World War II, yet the Distinguished Flying Cross has made him especially proud and happy.

He said, "After I got it, I was proud, especially for my wife, our kids and grandkids, and my crew." Wertz was particularly happy to know that his crew received the recognition he felt they deserved.

Wertz grew up on Overlook Avenue in Belleville and graduated from Belleville High School before entering the military. After the war, he studied engineering at Lehigh University in Pennsylvania. He now resides in Alexandria, La.

Residents to compete with bugle corps

Joe Pepek, and Etna Londono, both of Belleville, will be members of the Raiders Drum and Bugle corps when they travel the East Coast this summer.

The Raiders, based in Bayonne, are 1996 Drum Corps International World Champion Division III finalists. The musical group will be competing with other units from as far away as England, Canada and Japan in the DCI Summer Music Games, on the road to Walt Disney world.

Pepek, lead soprano bugle, will be returning for his fifth year with the corps.

Londono, a member of the auxiliary, will be a four-year veteran on sabre, rifle, and flag. Londono's photo has also appeared in a number of drum corps publications, including the 1996 Drum Corps International yearbook.

Both Raiders are graduates of the Belleville High School music program under the direction of Mark Fabio.

"This is the finest corps that the Raiders have fielded in their seven-year history, and it says a lot about the ability of a performer to be able to compete at this level," according to Director George Lavelle Jr.

"Until we leave for our August tour, every Saturday and Sunday will be filled with shows and practice. Everyone works together to produce the most entertaining and

professional product possible," he said.

In 1996, the corps was also a finalist at the Drum Corps East Division II Championship and the North American Open. In addition, the Raiders are four-time Garden State Circuit champions and are the only corps to hold that honor in the 35-year history of the Garden State Circuit.

The Raiders' 1997 production is titled "Jazz Is..." The repertoire will consist of "It Don't Mean a Thing If It Ain't Got That Swing," "Don't Do Anything Until You Hear From Me (A Tribute to Cootie)," "On Fire" and "What a Wonderful World," with a closer of "Air Mail Special."

The 1997 tour will include performance along the entire Eastern seaboard. The Raiders are expected to compete at the Drum Corps International Atlantic Division III Championships in Erie, Pa., the North American Open in Cary, N.C., the Jersey Showdown at the Meadowlands in East Rutherford, and the Drum Corps International World Championships at Walt Disney World in Florida.

On Sunday, July 13, the Raiders will participate in the seventh annual Bugles by the Bay at 3:30 p.m. in Bayonne.

Information about the Raiders or the show may be obtained by calling 339-2398.

Jazz Up Hot Dogs With a New Twist

Summertime means grill time for most Americans. During these warm-weather months, people like to take advantage of the beautiful weather by cooking and eating their meals outdoors.

Hot dogs, burgers, steaks and kabobs tend to be popular barbecued foods that almost everyone enjoys eating. No matter how these foods are cooked, they taste great. However, did you know that there is a way to enhance the flavor of grilled foods? How can you do it? With condiments, of course. Whether you smother your burger, hot dog, steak or other favorite barbecued dish in ketchup, mustard and/or mayonnaise, condiments seem to make the foods taste better.

This year, why not spice up backyard barbecues and thrill your guests with a new array of condiments that taste wonderful on all types of foods. The following tasty toppings, courtesy of "Marinades: The Secret of Great Grilling" (HarperPerennial), by Melanie Barnard, certainly will jazz up grilled summer meals.

In addition, July is National Hot Dog Month, which celebrates the delicious taste of this longtime favorite food (especially at the ballpark). Each year, more than 16 billion hot dogs are sold in the United States. In honor of this celebration, at your next barbecue, throw some hot dogs on the grill, and top them with these delectable, traditional-with-a-twist condiments.

KUTZTOWN PICKLE RELISH

Makes about 3 cups

Use for burgers, steaks, hot dogs, ham steaks or pork chops

- 2 Rind from 1/4 large watermelon
- 2 tablespoons salt
- 1 cup cider vinegar
- 1/2 cup sugar
- 4 whole allspice
- 4 whole cloves
- 4 black peppercorns
- 1 cinnamon stick, broken in half
- 2 thin slices fresh ginger
- 2 2-inch strips lemon peel, colored part only

Cut off all of the pink fruit from the watermelon rind and discard. Cut the rind into 1-inch cubes and place in a medium bowl. Dissolve the salt in 3 cups of water and pour over the watermelon. Push the rind down to submerge in the brine. If the brine doesn't completely cover, add a small amount of water as needed. Cover the bowl and let the rind stand 6 hours at room temperature or overnight in the refrigerator.

Drain the rind and rinse thoroughly under cold water. Place the rind in a saucepan and cover with fresh water. Simmer gently over medium-low heat until just fork-tender, about 18 minutes.

Meanwhile, in a large saucepan, bring the vinegar, sugar, and 1/2 cup of water to a boil, stirring to dissolve the sugar. Add the allspice, cloves, peppercorns, cinnamon, ginger, lemon peel, and the watermelon cubes.

Partially cover the pan and simmer over medium-low heat until the watermelon is tender and translucent, about 20 minutes. Let the pickles cool in the syrup, then chill at least 12 hours or up to 4 weeks before using. (If a milder pickle is desired, remove the spices from the syrup after 12 hours.)

CIRCUS DOG MUSTARD

Makes about 2 cups

Use for hot dogs and hamburgers

- 3 tablespoons vegetable oil
- 1 large onion, coarsely chopped
- 1 large green pepper, coarsely chopped
- 2 garlic cloves, minced
- 1/2 teaspoon celery seeds
- 1/2 cup Dijon mustard

In a large skillet, heat the oil and cook the onion and green pepper over medium-low heat, stirring often, until the vegetables are softened and tinged with gold, about 10 minutes. Add the garlic and celery seeds. Continue to cook for 5 minutes. Stir in the mustard and cook, stirring, for 3 minutes to blend flavors.

The mustard sauce can be used immediately or cooled and refrigerated, covered, for up to 2 days. Reheat gently to use.

CILANTRO MUSTARD MAYONNAISE

Makes about 1 cup

Use for hot dogs, hamburgers, pork chops, spareribs, fish steaks like salmon or swordfish, or shrimp

- 1/2 cup Dijon mustard
- 1/2 cup mayonnaise, regular or reduced-fat
- 1/2 cup chopped cilantro
- 1 tablespoon chili powder
- 1 teaspoon ground cumin

In a small bowl, stir together all of the ingredients. Cover and refrigerate for at least 1 hour or up to 3 days before using.

HOROSCOPES

July 13-19

ARIES — March 21/April 20

You have big dreams this week as everything at work goes rather well. You begin to realize how far you can advance in the workplace if you just put in the extra effort. Your romantic life blossoms when you meet someone who sweeps you off your feet. Libra plays a key role.

TAURUS — April 21/May 21

Don't give up the fight too easily in the middle of the week. With a little extra effort, you can make great strides at work. You take a big step in a romantic relationship. That special someone you've been dating reveals his or her true feelings and wants to ask you an important question. Think of what you truly want before answering.

GEMINI — May 22/June 21

While you feel like you've been on an emotional roller coaster the past few weeks, everything goes smoothly now. Your days pass without any problems at work and at home. While this would have been boring just a few days ago, it's a welcome change now. Pisces plays an important role later in the week.

CANCER — June 22/July 22

Your sense of humor wins the approval of superiors at work and gets you noticed by important people. You'll be smiling all the way to the bank. Unfortunately, your personal life isn't as rosy. You have a spat with a loved one, which gets you down. Don't get discouraged; things will be back to normal soon.

LEO — July 23/August 23

You are in control this week. Co-workers look to you for advice and help, and you set the pace of a new project. As for your personal life, once again, you're in charge. You finally ask that interesting person out. Don't get nervous; he or she will say yes.

VIRGO — Aug 24/Sept 22

Your perfectionist nature stands out early in the week. While your efforts delay the completion of a job at work, you ensure that the job is done properly. Superiors are pleased with your efforts. As for your love life, an on-again-off-again relationship moves full speed ahead, and you are happy with the results.

LIBRA — Sept 23/Oct 23

Even though you can be indecisive, this week, you're in the driver's seat. You know exactly what you want and how to get it. Don't let anything stand in your way. Work for that promotion; ask that special someone out. This is your chance to shine. Don't let yourself down. Cancer plays a key role.

SCORPIO — Oct 24/Nov 22

Don't let your ego get the best of you when it comes to work early in the week. You are not the only person who knows what he or she is doing. Don't forget that. As for a family matter, you will be told repeatedly what you need to do to prepare for a family event. Try to remain calm.

SAGITTARIUS — Nov 23/Dec 21

Someone you haven't seen in a very long time comes back into your life. You think about what could have been back then and what will be in the future. Stay determined, and work toward your dream. Taurus and Virgo play important roles early in the week.

CAPRICORN — Dec 22/Jan 20

Don't get distracted at work this week. You have a lot to do, and you need to stay focused in order to get it all done. Co-workers try to get you involved in an internal dispute; stay out of it. As for your family life, you'll be relaxed. Loved ones help you with a problem that you're concerned about.

AQUARIUS — Jan 21/Feb 18

A business proposition offers you almost unbelievable benefits. However, before you make a move, think about it. Be realistic, and consider if all of the perks really are possible. Loved ones are there to give you advice if you need it. Don't make a hasty decision. Scorpio plays a key role.

PISCES — Feb 19/March 20

You see life through rose-colored glasses during the middle of the week when everything goes well. You advance at work, and your personal life is moving along well. Someone you've been interested in shows that he or she also is interested in you. Now's your chance to make a move. Don't be nervous; it will work out in your favor.

Friday's Child to play at Hoboken night club

Friday's Child, featuring two members from Bloomfield, will play at Maxwell's in Hoboken today, July 10, at 9 p.m.

Tickets may be purchased at the door or reserved in advance by calling 798-0406.

Friday's Child is supporting the upcoming release in stores of its self-titled compact disc with a series of shows on the New York City and Hoboken club circuit. The band will also do a series of in-store performances at Borders Books and Music and Barnes and Noble Superstores throughout the tri-state area.

Their acoustic-guitar driven sound recently was featured at the Peekaboo Festival in Manhattan, where they were one of the bands chosen to represent the New York chapter of NARAS, the organization which produces the Grammy show.

In addition, they have been receiving airplay on WJHA-FM in Denville, WBRS-FM in Boston, and a series of other college and commercial radio stations on the East Coast.

Friday's Child is led by singer/guitarist Tommy Walker of Bloomfield, who is the songwriter

and frontman for the band.

The band includes Rick Ippolito, also of Bloomfield, on fretless bass and backing vocals, and Dave Drzewiecki of Kearny on drums.

A graduate of New York University's Tisch School of the Arts Film and Television Department, Walker is an accomplished session guitarist and singer, with an extensive background in classical, jazz, blues, and folk guitar styles, as well as rock. He is a member of NARAS, the Songwriters Guild of America's ProShop and BMI.

Ippolito, who attended the Manhattan School of Music and majored in composition, has assisted in completing several orchestration for the most recent Broadway revival of "Showboat." In May, he premiered his timpani concerto with the Colonial Symphony in Morristown.

Drzewiecki has played drums with a number of New Jersey-based bands and is an experienced session drummer. He formerly was the drummer for Split Infinity, a band which also included Walker and Ippolito.

Admission is \$6.

OUR OPINION

Life in Silver Lake

By Marie Strumolo Burke
A feature of Belleville Times

I hope everyone is interested in how the Feast of St. Anthony's went. But if you're not, I'm going to tell you anyway.

How great it was seeing old friends again. Do you know how hard it is to get this type of event "off the ground?" So, a lot of thanks needs to be given. Let me try to name the ones I can remember.

First, there wouldn't be a feast if we didn't have a pastor like Father Dennis. What more can I say about him, other than "the sun did shine" the day he came to St. Anthony's?

And second, there's our Angel, Angela Cuozzo-Zarro, who keeps a "cool head" while others run around crazy. She was the keeper of the lists, the workers, the volunteers, and whatever.

Then, there were our St. Anthony's men: the manager, Nicky Inaugurato, and his assistant managers, Billy Bizzarro, Eugene Romano and Nicky Trabucco. Talk about a team! Whatever problem came up, an S.O.S. was sent to "Nick the Boss," and he arrived on the scene with his "men."

OK, now let's get to thanking the town manager, Ray Kimble; Public Works Director Charlie Cerami; Health Officer Tom Longo, and Belleville's Finest,

who I understand donated their time to "keep the peace," along with our Belleville firemen.

And don't let me forget one of the best workers in public works, Anthony Marotti. While we were snuggled in our beds, he was up at the "crack of dawn" with his "pal," the town sweeper, cleaning Heckel Street so another Feast Day could begin.

Speaking of security, we had the feast security dog, as Father Dennis called him, Jefferson Davis, or better known as J.D., who sat on his mom Judy and dad Tommy Bowers' porch on Heckel, making sure there were no incidents.

The best day of the feast was on Sunday, when the procession arrived with St. Anthony being heralded through our streets.

Thanks to the Zarro family, a beautiful golf cart was donated in memory of their mother and father, which was driven by Jerry Inaugurato, the "Boss" father. Oh, what a sight, seeing people giving ribbon donations to the saint!

The hookup of the golf cart was masterminded by Jerry Inaugurato and committee member Pat Barbone.

Another highlight of the feast was when Benny's Hideaway opened on Heckel Street, with

attractions like to Acquario Sound Band with D.J. Tony DeFelice, and opera singer Fernando Ponti from Argentina.

The Desiderio Band ran into some problems and could not perform, but their singer did.

All of this entertainment was compliments of Louie Good; Giuseppe Barritta; Nicola and JoAnn DelMauro; Benny DelMauro and Nickie; Annette and Anthony DelMauro; Tips and Toes Nail, Nutley; Annette and Vincent Scoca, attorneys at law; Pat Barbone's Auto Repair and Gas, Belleville; Franco's and Joe's Pizzeria, Caldwell; Cafe Intermezzo; Carmela, Michael and Jerry Robertiello, Newark; and Mario Della Fera, Home Improvements, Bloomfield.

The hosts, Benny and Nickie, made me chuckle a bit when they told me that there were people he had never seen before, indulging in food set up in the house. I guess after dancing at Benny's Hideaway, they got a little hungry.

Being good Silver Lakers, they took it in stride and made them feel at home. Only in Silver Lake could this happen.

To show you what camaraderie we had, even the Republicans helped out the Dems. You should have seen Richard Yanuzzi carrying "fish bowls" for the Democratic Club. One hand washed the other, though, 'cause I lent Richard a table so that the Republicans could do their thing.

People helping people. I like that.

OK, kids, that's it 'till we meet again.

Remember, we love Silver Lake and St. Anthony's Feast, too.

ROTARY GIFT -- The Rotary Club of Belleville recently donated a television and videocassette recorder to School No. 3's fifth-grade class. From left in front row are fifth-graders Thomas Rafferty, Robert Angevine, Melissa Parecco and Samantha Buttacavoli, and from left in back row are Frank Cozzarelli, Rotary president; Shirlee Sherman, past president; Joan Pannetti, fifth-grade teacher, and Robert Cozzarelli, president-elect.

FIRST UNION SCHOLAR -- Christa DiBenedetto, second from left, of Belleville, a Rutgers University student, has been named a First Union/Department of Community Affairs scholar and will serve a summer internship at the Housing Authority of Bayonne, where she will work in the field of affordable housing. Others from left are Jerome Greco, director of public affairs and government at First Union National Bank; John Mahon and Ava Mitchell of the Bayonne Housing Authority, and Jane Kenny, commissioner of the New Jersey Department of Community Affairs.

Our China policy is not working

By Congressman Bill Pascrell, D-8

What images come to our minds when we think about this time of year?

Most of us conjure up visions of baseball, barbecues, and trips to the shore.

For the members of Congress, however, each June marks the annual ritual in which we debate and decide on whether to accord China what is called MFN or "Most Favored Nation" trading status for another year.

China currently enjoys MFN position, which means that the U.S. has a normal trading relationship with China, as we do with Great Britain or Canada.

President Bill Clinton and his predecessors have promoted a policy of "constructive engagement" with China. He, along with many members of Congress in both parties, argue that through trade with China, the United States has a powerful means to monitor and influence matters such as weapons proliferation, human and religious rights, democratic reforms, and of course, trade.

While some believe that constructive engagement has compelled China to open itself and reform its ways, I and numerous members of Congress assert that continuing MFN for China has perpetuated a long series of broken promises.

Recently, after all the debate, a majority of members of Congress decided that we should proceed on the current path and continue Most Favored Nation status to China for another year. Although we who would like to end MFN lost this round, the ranks of those who believe this policy is foolhardy is growing, and it is a circle that is increasingly bipartisan.

I, and all those who treasure liberty and freedom, strongly desire that China stop selling sophisticated military technology to rogue states. We pray that China will improve that way it treats its citizens. We yearn for China to shed its repressive Communist tradition, and for it to join the growing legion

of democratic nations.

We wish for China to stop permitting the employment of workers who toil for slave wages. This is choking our manufacturing base to death.

We have heard that through MFN for China, the U.S. can oversee and sway China's military and weapons policies.

Nothing could be further from the truth. China has snubbed its nose at the U.S. and the rest of the democratic community of nations by performing such misdeeds as arming Iran with missile guidance systems, 400 tons of poison gas ingredients, and supplying them with advanced laser technology to be used in enriching uranium for nuclear weapons. And this is only one example of China's aggressive arms proliferation policy.

Even staunch advocates of constructive engagement with China would have to admit that it has done absolutely nothing to foster democratic reforms or human rights in China.

Before the brutal slaughter of pro-democracy protesters at Beijing's Tianamen Square on June 4, 1989, China possessed Most Favored Nation privileges.

Subsequent to this ruthless crackdown, Congress once again voted to extend MFN to China, under the misguided rationale that if we cut off China, it will somehow drift even further away from the democratized world. But each year since, we have renewed MFN, and China is still laughing all the way to the bank.

Those Chinese dissidents who have not managed to escape from China have been imprisoned for speaking out against this repressive regime. And the United States Conference of Catholic Bishops publicly called on the U.S. to oppose MFN for China because of a pattern of worsening persecution of religious clergy and those who plainly wish to worship their God. Simply put, constructive engagement had done anything but nurture democracy, nor has it cultivated a great respect for human rights by the Chinese government.

Most frustrating, the yearly drill of renewing MFN for China has become an exercise in futility because it has done the exact opposite of what free trade was designed to do. Free trade with China has been disastrous for American industry.

Recently, The Wall Street Journal reported that our trade deficit with China was 41 percent higher in the first four months of this year than in 1996. Last year, the U.S. trade deficit with China ballooned to \$40 billion, and it is expected to mushroom beyond \$50 billion this year.

These appalling numbers do not reflect a successful trade policy; to the contrary, they reveal a failed policy.

In my Congressional District, where many hard-working men and women rely on manufacturing jobs to put bread on the table for their families, these numbers have spelled catastrophe.

Since 1991, one textile company has lost more than 50 percent in sales, because business has been siphoned to China. Another textile producer has laid off half of its 400-employee work force during part of the year because inexpensive Chinese fabrics have supplanted quality American goods.

The bottom line is that our industries cannot compete when China allows its workers to be paid substandard wages, often in factories owned by the Chinese government. We should hardly expect any country to have the high standard of living we enjoy in America, but we cannot fight a fair contest when Chinese workers are being paid pennies per hour.

When all is said and done, America's trade policy with China can be characterized as a failure. It has not met any of the stated objectives which MFN proponents have put forth. Our "trade as goodwill ambassador" policy has made China no better a world citizen, and it certainly has not "constructively engaged" American industry or workers.

Of All Things

By Frank Orechio

A feature of the Nutley Sun, Bloomfield Life, Belleville Times and Glen Ridge Voice

• A NUTLEY adult allegedly abused a child in her custody, and as a result, the Division of Youth and Family Services ordered the youth be removed from the influence of the stepmother and was placed in a neighboring community in the home of her birth mother. The matter came before DYFS because the child bore physical injuries which led the authorities to conclude that the child was abused. That's too bad. We expected a higher standard of civility from the stepmother.

• LAST week's Nutley Sun published a picture of my late sister, my brother, Carmen, and me as part of a series which the editor was publishing regarding old photos of Nutley people, places and things which appear in a new pictorial book on the township and will be available to the public this month at the Nutley Public Library. The cut lines underneath the photograph stated that the picture was from the 1920's. That would make me about ten years old, but pictures don't lie in this case. I looked more like a teenager - and the truth is I was in my teens which means the picture was from the 1930's.

• IN Nevada, the State Boxing Commission is determining what penalty Mike Tyson should pay for biting off a piece of Evander Holyfield's ear. To ingratiate himself to the board, Tyson went public with a statement apologizing for biting Holyfield. In his apology, Tyson tried to justify his action by mentioning anti-social acts by other

Mike Tyson

athletes. Without naming him, he cited Roberto Alomar, the Baltimore Oriole who spat on umpire John Hirschbeck last season. Imagine this sick young man comparing saliva with an ear chewing session. In his plea, Tyson asked that he not be penalized for life. The word should go forth to the world that a brutal act of the kind Tyson committed against Holyfield demanded no less than life time banishment. Failure to go the limit will only encourage others to follow in Tyson's sordid footsteps.

• THE first six months of this year have come to a close affecting area institutions and residents in many ways. Bloomfield College president, Dr. John Noonan, who enjoys a national reputation for leadership in the field of faculty and curriculum development in higher education, received the 1997 New Jersey Pride Award in Education by New Jersey Monthly Magazine. Publisher, Kate Tomlinson, cited Noonan, "for his dedication to redefining the college's mission to prepare

students to reach their full potential in a diverse society - an accomplishment for which all New Jerseyans can be proud." Well said! Former United States Senator Bill Bradley, in supporting Noonan's nomination for the award, stated that Noonan recognizes America's future depends on the ability of all Americans, regardless of skin color or eye shape, to enter the economic mainstream and contribute their skills and talents to make America more competitive on a world stage. Noonan has a vision for Bloomfield College which moves us closer to this ideal. He could also have pointed out in addition to the inclusion of all Americans of all skin color or eye shape, that Noonan also recognizes age has no limitations for continuing education. One recent graduate of Bloomfield College was looking at age 80. The former Fulbright lecturer and visiting professor of higher education at Teacher College Columbia University, has spoken on more than 300 college and university campuses. Nowhere in the citations by the prominent people that praised Noonan was there mention of a quality that underlies all the other abilities - VISION. He now will have an area dedicated as a college campus to meet his dreams of a full campus university. God bless you, Jack. Those who know and love you, they are indeed fortunate to call you friend.

Squeaky Clean warns about summer cleaning ripoffs

Summer is upon us, and so is the hassle of cleaning.

While the sun is beaming and days get lazy, hopefully you will be outside enjoying the season.

To free up some of your time, leave your carpet and upholstery cleaning to Squeaky Clean. It is an honest and hard-working company that will professionally clean any type of carpet, area rug and/or upholstery.

The owners, Donna and Art Velotti, are true to their word that there are no hidden charges. The price you see is the price you pay. They are not like many other companies that give you a low ball price so they can get their foot in the door and try to upsell you.

"Oh, Mrs. Jones, you need extra work in this area and it's going to cost you an extra couple of bucks," "Oh, Mr. Johnson, you are going to need shampooing so it will be \$10 per room more." Sounds familiar, doesn't it.

What also sounds familiar is there is going to be a traveling fee of \$30 to come to your house to work. Also, look at their ads and get the magnifying glass out for that fine print. \$50 minimum, shampooing extra, loose back pillows extra, wool and berber extra, etc. Squeaky Clean does not have fine print in their ads. What you see is what you pay. Two rooms \$34.95 is what you pay. There are no mini-

mums and there are no extra charges.

On top of all that, Art and Donna offer a satisfaction guarantee. If you are not fully satisfied, Squeaky Clean will come out and redo the job. Then if you are not satisfied, they will rip up your check!! That is how much they stand behind their work.

Squeaky Clean has done over 1,100 jobs and all have been satisfied. Art and Donna started this business in April 1996 and to satisfy that number of customers in that time frame, they are doing something right.

Squeaky Clean cheerfully offers a list of references as well as competitive pricing. Pricing is so good it is almost cheaper than renting a machine and doing it yourself.

So sit back this summer, and let Squeaky Clean take care of all your cleaning. Art does all the work himself; therefore the best job is always expected. Compare Squeaky Clean's pricing of shampoo and steam cleaning to the competitors' pricing for steam cleaning only. The dual process deep cleans carpets because the shampooing loosens imbedded dirt and the steam extraction picks it all up.

So go throw the ball around with the kids or work in your garden and leave the cleaning to Squeaky Clean.

Columbus Hospital nurses honored for excellence

Columbus Hospital in Newark recently awarded the annual Marie Pescatore Award for Nursing Excellence to two recipients at a dinner held at the Manor in West Orange.

The annual award was established in the name of Marie Pescatore, the first director of nursing at Columbus, by her friend and benefactor, Joseph Laraja of Upper Montclair, in recognition of Pescatore's many years of service to Columbus Hospital and her dedication to health care.

This year's nurse recipients were Union resident Maribeth Santillo, R.N., director of nursing ambulatory services; and Robert Vollero, R.N., director of clinical practice, who resides in North Plainfield.

Health center expands services

Columbus Health Center, a division of Columbus Hospital, located in the Ironbound section of Newark, has expanded its services to better meet the needs of its community.

In addition to adult primary care services, the center is now staffed by highly qualified specialists in cardiology, family practice, pulmonology, internal medicine, pediatrics, psychiatry and pulmonology.

Columbus Health Center also offers diagnostic, preventive and therapeutic services including labo-

rary testing, flexible sigmoidoscopy, and pulmonary function testing.

The center is open Monday through Saturday, with day and evening hours. It offers free blood pressure screenings every Wednesday between 4 and 8 p.m.

For more information on the services offered at Columbus Health Center, call 589-5099.

Columbus Health Center is fully licensed by the state of New Jersey's Department of Health.

Referral group opens Essex County chapter

Business Network Int'l (BNI), a networking organization specializing in business referrals among members, is opening a new chapter in Essex County.

"The Business Network is a

great way for businesses to experience growth by duplicating their marketing efforts through word-of-mouth," said Louise Sylvestro, a broker with The Prudential, New Jersey Realty.

The organization presently has almost 650 chapters across the U.S., Puerto Rico, Canada and the United Kingdom. Last year alone, BNI generated over 552,000 referrals, resulting in over \$150 million worth of business for its members.

"This is the type of lead-generation we hope to bring to the area," said Patricia Tyner, marketing consultant with The Right Style, Inc., of Glen Ridge.

BNI was founded in 1985 by Ivan Misner.

"Our style of networking is based on the philosophy 'givers gain'; if I help you, then you'll help me and we'll all do better business," said Misner, who is the author of "The World's Best Known marketing Secret" and "Seven-Second Marketing."

The Essex County Chapter of the BNI will meet every Thursday at 7 a.m. at Nevada Diner and Restaurant, 293 Broad St., Bloomfield. Phone number: 743-9393.

For information about BNI or to make reservations, call Anna Banks at 673-3539 or BNI headquarters at 1-800-825-8286.

Provident Bank promotes three to vice president

Angel Denis, Michael Parzel and Lorraine Rathjen were advanced to the office of vice-president of the Provident Savings Bank, according to an announcement from Paul Pantozzi, bank president and chief executive officer.

Denis joined Provident in 1983 as a member of the Management Potential Group. He served the bank in several departments, including Treasury and Pension.

In 1994, he was advanced to assistant vice-president.

Denis, a Hamilton Square resident, graduated from Jersey City State College with a bachelor of science degree and attended the National School of Banking. He is an active member of the Hudson County Mentor Program.

Parzel joined Provident in 1977 as a teller trainee. He was promoted to the office of assistant treasurer and later named an assistant branch office manager.

In 1985, he was advanced to

assistant vice-president.

Parzel, a Franklin Park resident, attended the National School of Finance and Management and graduated with honors.

Rathjen joined the Provident as an assistant treasurer in 1991 upon the bank's acquisition of the Mutual Aid Savings and Loan Association. In 1992, she was named an assistant vice-president of Provident, prior to her promotion to vice-president.

She has helped Provident develop and implement new and expanded commercial deposit product lines.

Rathjen, a North Plainfield resident, attended Monmouth College, Brookdale Community College, the New York Automated Clearing House and holds membership in the Banking Institute.

Provident, founded in 1839, maintains 38 offices throughout New Jersey, including three in Bloomfield and one in Belleville.

Center for Hospice Care receives accreditation

The Center for Hospice Care, Inc.'s Morristown center has achieved accreditation from the Joint Commission on Accreditation of Healthcare Organizations.

The Center for Hospice Care, Inc., is based in Glen Ridge.

Formed in 1951, the Joint Commission is dedicated to improving the quality of the nation's health care through voluntary accreditation.

The Center for Hospice Care received Joint Commission accreditation after an on-site review in March which found The Center for Hospice Care, Inc. had demonstrated compliance with the Joint Commission's national standards for long-term care.

"Accreditation standards exceed federal and state requirements," said Charles Blair, executive vice president of the Division of Accreditation Operations of the commission.

"Further, because this is a voluntary program, accreditation represents The Center for Hospice Care's decision to be recognized

for its efforts to provide quality care," he said.

Lorraine Sciara, president and chief executive officer, praised caregivers and nonprofessional employees alike in working to meet the Joint Commission's benchmarks of quality.

"Everyone works hard to achieve this recognition. We view it as another step towards excellence," she said.

"By achieving accreditation, The Center for Hospice Care has joined an elite group of Joint Commission-accredited long-term care organizations," Blair said. "Only about 1,300 long-term care organizations have received accreditation nationwide."

The Center for Hospice Care, Inc. is a nonprofit organization that provides spiritual, emotional and physical support for terminally ill patients and their families, regardless of ability to pay.

For more information, call The Center for Hospice Care, Inc. at 429-0300.

B.B.C. Breakfast set for this Sunday

The Belleville Baseball Commission will host its third annual awards breakfast this Sunday at the Chandelier in Belleville.

The event commences at 9 a.m. and lasts until about noon. This years honorees include current Belleville Board of Education Vice President **Louis Pallante**, **Paul Disporto**, **Dr. Michael Ippolito**, **Dr. Lori Ippolito** and **Tom Apicella Sr.** and family.

Pallante has been involved with the recreation baseball program in Belleville for 25 years. He was also a member of the first B.B.C. Executive Board back in 1993.

Disporto is also an original member of the B.B.C. Executive Board. He is a long time coach and president of the Belleville Minor Little League.

Michael and Lori Ippolito own Philmore Associates and are being honored for their years of sponsorship to Belleville youth baseball.

Ditto Tom Apicella and his family, who own the Chandelier and have spent numerous hours supporting the programs.

Former Belleville High School baseball standouts **Brian Dena** and **Joe DePeri** will receive the 1997 B.B.C.'s Players of the Year award. In addition, the following teams will receive trophies: Cosenza's Pizzeria, the Intermediate League champs, Russo Family Chiropractic, the Minor Little League World Series champs, Nicolette Auto Body, who won the Belleville Minor League Western Division title, Giordano & Cataldo, which captured the Minor Little League Tournament and Twin Towing, which was a finalist in the Belleville Minor Little League tourney.

The 12 year old players of the Belleville Minor Little League who are graduating from that level of play will also receive trophies, as well as the Belleville players who participated in the District 8 Challenger Division of the Bloomfield Southern Little League.

The Challenger Division is a program that allows physically and mentally disabled youngsters to play baseball.

The B.B.C. will also be presenting a special plaque to one of its long time coaches, **Ray SaBanko, Jr.**, in recognition of his selection as the 1997 Belleville Baseball Coach of the Year, otherwise known as the **Ray Rafferty Award**.

Tickets for this event are \$15 or two for \$25 for adults and \$7.50 for kids. Players receiving trophies are given free admission. All players and parents must contact their respective coaches for advance ticket reservations.

All other interested parties can call B.B.C. president **Bruce Morgan** at (201) 759-1663 or B.B.C. Player Agent **John Kusiak** at (201) 759-4726.

If you're interested in sponsoring the event, call B.B.C. Vice President **Anthony Sessa** at (201) 450-4753.

All Star Break

Baseball has reached its traditional half way point with the all star break. The game itself was played last Tuesday and the second half begins tonight.

My St. Louis Cardinals are playing lousy, but thanks to the fact that the play in the N.L. Central, they're just two games out of first.

The surprise of baseball right now has to be the Pittsburgh Pirates who everyone thought would be terrible and who currently is playing .500 baseball and leads the N.L. Central.

Whether the Bucs win the division or not, give them credit for playing heads up, gutsy baseball combined with a low payroll.

Met League Baseball

I was at the Belleville Twins game in the Metropolitan League last Sunday. Let me tell you, it's a good quality of baseball. What I liked the most about it was the fact that the players can only use wooden bats.

There's nothing better than wooden bats, baseball played on natural grass on a sunny day.

Admission to the games is free and the team is in the midst of its longest home stand. This Sunday, they'll be playing a doubleheader at Belleville High School against Clifton.

The first game is nine innings, the second will be seven. Stop by and see these guys play. I think you'll be pleasantly surprised by the high quality of baseball.

Essex County American Legion All-Stars get tied up in Morris County

Belleville's Pagan gets an inning of work during 8-8 tie against Morris stars

By David P. Biggy

Nine innings of American Legion baseball. Beautiful, sunny skies on a Sunday afternoon. Two All-Star teams playing on the Fourth of July weekend.

It was a real blast of an All-Star game on Sunday, July 6, when the Essex County American Legion All-Stars traveled to Gardner Field in Denville to take on the Morris County American Legion All-Stars, and the teams played to an 8-8 tie.

This game marked the just the fourth time these All-Star teams met during the past 12 years, as Morris County extended its series lead to 3-0-1. Each team was comprised of players in the American Legion leagues of each county.

A number of local players from Orechio Publications' circulation area were selected to the Essex All-Star roster.

Bloomfield's Mike Fornarotto went 3-for-3 with a double, a run scored and one run batted in, while Jim Killian also ripped three hits and scored twice. Nutley's Adam LaReau went 1-for-2 with a run scored and Eric Murray went 1-for-1 with a double and a run scored.

On the mound for the Essex All-Stars, Glen Ridge's Chris Boyette pitched one inning, allowing one run on no hits, four walks and posting a strikeout. Boyette plays for the Verona American Legion squad. Belleville's Eddie Pagan also pitched an inning, striking out and walking two while allowing no runs or hits.

Essex got on the board in the second inning after Killian singled and later scored on hit by Livingston's Mike Violette.

Essex jumped out to a 3-0 lead when Fornarotto singled and stole second, and then came in on a hit

by the Suburban Knights' Mike DeLorenzo.

In the fourth inning, Mark Mattesky of Caldwell managed a leadoff walk. LaReau then singled and Fornarotto drove in Mattesky with a single. Montclair's Jeff Schriber drove in LaReau on a sacrifice fly for a 5-0 Essex lead.

With the score 5-2, Essex scored three more runs in the seventh inning. Killian singled and scored a run, and Murray walked and also scored to help Essex extend its lead.

The Morris All-Stars scored five runs in the bottom of the seventh to tie the game, and that's how the game ended.

"It was a great day for baseball. We had a nice crowd and the players, coaches and fans seemed to have a lot of fun," said Jeff Goldberg, the Essex County American Legion vice chairman.

"A lot of these players know each other from playing during their high school careers and during conference play. It was really exciting for everyone."

Last year, the Morris All-Stars won the game, 5-2. In 1995, Morris also won, 9-8, and Morris took the teams' 1986 meeting, 10-8. Their first game was scheduled in 1985 but it was rained out.

Goldberg said about 15 college and professional baseball scouts attended Sunday's All-Star game.

Some of the college scouts in attendance were from Rutgers, Seton Hall, Montclair State and Raritan Valley College.

Some pro franchises that sent scouts included the Kansas City Royals, Chicago Cubs, Arizona Diamondbacks, St. Louis Cardinals, Cleveland Indians, Philadelphia Phillies and the Major League Baseball Scouting Bureau.

Fall recreation soccer, football registration taking place throughout summer; tennis lessons available

Fall Applications Available

Applications for the Belleville Recreation 1997 Fall Sports programs are now available in the schools and at the Recreation office. Boys and girls, ages 6-14, may participate in Recreation Soccer. Belleville resident children who will be 6 by December 31 and who will be no older than 14 on December 31, 1997 are eligible. Nobody above 8th grade can play, and all returning players must re-apply.

Boys ages 7-10 can play touch football, if they so choose. Belleville boys who will be 7 by December 31 and who will be no older than 10 on December 31, 1997 are eligible. All returning players must re-apply.

For both soccer and touch football, all completed applications must be returned to the Recreation Department, 407 Joralemon Street, with birth certificates. The registration deadline for soccer is August 1, and the deadline for touch football will be August 22. Children are advised not to register for more than one fall sport since football, soccer and touch football games and practice schedules conflict.

For the convenience of persons unable to register during daytime office hours, registration will also take place at the Recreation office on Wednesday nights, 6-8 p.m., from June 11-August 6.

Call 450-3422 for other information.

Junior Bucs Football Registration

There will be registration for the Belleville Recreation Department's 1997 "Jr. Bucs" tackle football program at the Recreation House, 407 Joralemon Street, now through August 1. Boys who will be 7 years old before September 1 and who will not be 15 before December 31 are eligible. Those wishing to play tackle football must weight a maximum of 145 pounds, and no one above 8th grade can play. Players will be broken down into three teams according to specific age/weight requirements as set by the All-County Youth Football League.

To register, players must obtain an application from their school or the Recreation Department office. All completed applications with parental approval must be brought to the Recreation House by August 1, with two recent passport size photos of the player and a copy of his birth certificate. All returning players from last year's team must re-apply. Practices will begin around July 28. Children are advised not to register for more than one fall sport since football, soccer and touch football games and practice schedules conflict.

For the convenience of persons unable to register during regular daytime office hours, registration will also take place at the Recreation office on Wednesday nights, 6-8 p.m., from June 11-August 6, 1997.

Call 450-3422 for other information.

Pre-School Registration

The Belleville Department of Recreation and Cultural Affairs is accepting registration for the pre-school play program for 4 year old children. The program consists of games, stories, songs, art, outside play when weather permits, short rest periods and occasional holiday parties especially designed for pre-school children.

A session is from 9 a.m. to 10:45 a.m. or 12:45 p.m. to 2:30 p.m., five days a week with class limited to a maximum of 23 students in each session. The cost of the 32 week program is \$150.00. The mothers of the children accepted must participate by serving one duty day about every 8 or 9 days according to a published schedule. School will begin on Monday, September 15, and will run through May, 1998.

Children born between October 1992-September 1993 who will enter kindergarten in September 1998 are eligible. Participants must be Belleville residents. Since there are just a limited number of openings, applications will be accepted on a first come, first served basis only.

Children (and their parents) must be able to speak and understand english in order to participate. Children enrolled in the morning program cannot also be in the afternoon program, or vice versa. A \$25.00 deposit is required to hold your spot in the program.

For further information and enrollment, contact the Belleville Recreation Department at 450-3422, as soon as possible, Monday through Friday, 8:30 a.m. to 4 p.m.

Volunteers needed

Volunteer cheerleading coaches/advisors are needed for the 1997 programs.

Programs are being run from grades 3 through 8.

Practices will be run during July and August. There will be games starting September and will run through November.

If interested, please call the Recreation Department, 450-3422, any time between 8:30 a.m.-noon and 1-4 p.m.

Soccer Coaches Needed

The Belleville Recreation Department is seeking persons interested in coaching its 6-14 year old soccer league. The league is separated into several divisions according to specific age groups.

The children learn the basics of

soccer and all those attending regular practices play in all games. Games are played on Saturday and Sunday afternoons, beginning in mid-September. All volunteer coaches will be required to attend a Certification Clinic before the season begins.

Those interested in coaching may call the Recreation Department at 450-3422, weekdays before 4 p.m. To obtain an application for a coaching position, call league director Carmen Goglia at 751-7560.

Tennis Lessons

The Belleville Recreation Department announces that tennis lessons will be provided free of charge to all Belleville youngsters ages 8 to 15.

Tennis lessons will be given at the Belleville Municipal Stadium on Monday, Tuesday and Wednesday mornings beginning June 30, for six weeks (last day,

August 6). Participants must wear sneakers and provide own racquet and balls. The schedule is as follows:

Ages 8-11, 9 to 10 a.m.

Ages 12-15, 10 to 11 a.m.

Registration will take place at the courts. There will be no lessons when there is rain.

1997 Playgrounds Open

The Belleville Recreation Department's summer playground program will begin June 30 and will continue through August 8.

Under the supervision of the Dept. of Recreation and Cultural Affairs, the five playground sites are located at School No. 9, the Municipal Stadium, the Recreation House, Clearmon Field and the Friendly House. The special education playground is set up at the Belleville Little League field.

The playground will be open

daily to all Belleville residents from grades Kindergarten through 9 from 9 a.m. to noon and 1 p.m. to 4 p.m. Playgrounds are closed noon to 1 p.m. for lunch and when it rains.

While there are no restrictions as to which area a person must attend, generally youngsters attend the closest playground to their home.

An adult director will be on hand at each playground to organize athletics, games, tournaments, parties and other activities; and an arts and crafts supervisor will travel from site to site to do special projects with the children one day each week.

Tentatively, tennis lessons, "open swim" and special tourna-

ments are planned throughout the summer. These programs are all pending the hiring of qualified instructors/supervisors and pending the availability of adequate facilities.

Applications for all summer programs participants must be completed and signed by a parent. Registration forms will be available at the Rec House office and at all playgrounds. No pre-registration will be required; however, parents must accompany their children to m playground on the first day so that application forms may be signed before participation.

There will also be a special event for all children ages 4-12 on July 4 at the Municipal Stadium.

For further information, call 450-3422. Special education playground information may be obtained by calling 450-3494.

'Newman's Own Fund' donates to library

Paul Newman and Joanne Woodward have made a generous donation to the Belleville Public Library and Information Center through the "Newman's Own Fund." the grant will be used for book purchases, literacy training and the library's cultural mission.

Library Director Adrea Cohen wrote to the Newmans for funding and explained to them what the library does. They were impressed and concerned with the library's mission.

Cohen said that the donation will help a little, but cannot make up for the enormous cut that was made by the township in the library's budget. She hopes that the Township Council will restore the library's funding and support the library.

"We need to restore our hours in the fall at the main and Shafter Branch libraries. We need the help of the town fathers to do this. We are not asking for a great deal of money. Monies being saved from cutting hours of part-time help at the library will go towards the purchase of books - the library will be in danger of losing its state aid if 3,410 books are not purchased this year," she said. "This is a minimum number. We generally try to purchase at least 4,500-5,000 books yearly for the community."

Library offers one-on-one job counseling

This summer and early fall the Belleville Public Library and Information Center is offering one-on-one counseling for job and career development and job search skills for the unemployed, as well as those who would like to update their skills on career development and job search.

Individual counseling will be offered on Monday evenings from 6 p.m. to 9 p.m. through July and August. On Saturday,

individual counseling will be held on Saturdays from 10 a.m. to 1 p.m. on Sept. 6, 13 and 20. An individual counseling session is 30 minutes to one hour in length.

Counselors are Jane Gaertner, assistant director of cooperative education and internships for NJIT, and Glen Jacobs, employment services representative for the New Jersey Department of Labor.

To register for counseling, call the library's Circulation Desk at 450-3434, or come in person to the library to register.

Children's room hosts Science @ the movies

The James J. Cozzarelli Jr. Children's Room at the library is hosting a children's "Science @ the Movies" summer video theatre this summer.

The movies will be featured on Fridays at 2 p.m. on July 11, 18, 25, Aug. 1, 8 and 15. A science fiction movie special will be featured on Aug. 21, 28 and 29, also at 2 p.m. Call 450-3436 for further information.

The photography of Frederick Dammont

The July photographic exhibition in the Trustees Gallery features the photography of professional physicist and award-winning amateur photographer Frederick Dammont, titled "In the Mountains."

The exhibit focuses on a color print show of western U.S. mountain scenes of recent 8 x 12 inch prints of new and vintage photographs from 35mm slides.

Dammont, a veteran of more than 20 one-man print exhibits, is a world traveler and a popular photo-slide essay lecturer. "My images are based on a highly individual perception of existing subject," he said, "both in natural and urban art settings and are greatly influenced by impressionist vision."

His preferred medium is slow-speed 35mm film color slides, eventually used in the presentation of his popular photographic essays. The essays, compiled in the course of his world travels, reflect the more photogenic cultural and aesthetic aspects, characteristic of the geographic area.

Dammont's photography can best be characterized as a highly personal perception of existing subjects.

The exhibit will be on display during summer hours. Call the library in advance at 450-3434 if you are coming from a distance to see the exhibit, as the gallery also serves as the library's meeting room.

Note: All events unless otherwise noted take place at the Belleville Public Library and Information Center, 221 Washington Ave.

Obituaries

Antonio Rivera-Fontan

A Mass for Antonio Rivera-Fontan, 67, of Belleville was offered July 3 in St. Michael's Church, Newark, following the funeral from the Spatola Funeral Home, Newark.

Mr. Rivera-Fontan died June 30 in the Northfield Manor Nursing Home, West Orange.

He was a construction worker for Wade Inc., Linden, for 22

years, before retiring in 1988.

He was a member of Teamsters Local Union 472, Linden.

Born in Puerto Rico, he lived in Newark before moving to Belleville in 1993.

Surviving are his wife, Margarita; three sons, Wilfred, Carlos and Edward Rivera; four daughters, Maria Gonzalez, Judith Carlucci, Sonia Cunha and Mildred Selby; several brothers and sisters, and six grandchildren.

John Cahill

A Mass for John P. Cahill, 81 of Belleville was offered at St. Peter's Church, Belleville, after the funeral from the Kiernan Funeral Home, Belleville.

Mr. Cahill, who died July 2 in St. Barnabas Medical Center, Livingston, worked for Wagner Electric Bloomfield, formerly Tungsol Electric, for 38 years before retiring as a supervisor in 1980.

He was a World War II Army veteran.

Born in Newark, he moved to Belleville 50 years ago.

Surviving are his wife, Marguerite; three sons, Paul, James and Joseph; a daughter, Maryann Krall; a sister, Kathryn Rainey, and five grandchildren.

Catherine McNulty

A Mass for Catherine T. McNulty, 81, of Clifton was offered yesterday in St. Clare Church, Clifton, following the funeral from the Allwood Funeral Home, Clifton.

Miss McNulty died July 5 in the Arbor Glen Nursing Home, Cedar Grove.

She had been a secretary for the New Jersey Realty Co., Newark, for several years, retiring in 1977.

Born in Belleville, she moved to Clifton 50 years ago.

Surviving are two sisters, Veronica Rhenn and Mary.

TREATMENT AT HOME

More and more treatment procedures for ongoing health problems, such as wound care and intravenous therapy, can now be provided in a non-hospital setting. Patients can be discharged much earlier from the hospital after medical treatment or surgery, then obtain follow-up care and instruction at home. This is good news for those who have diabetes related complications (such as neuropathy) and other health problems that limit mobility. Aside from health professionals who are trained to instruct patients about how to manage their conditions at home, what makes home health care possible is a wide variety of medical devices which were once available only in hospital settings and are now available through pharmacies.

Many items are available through us at ROSSMORE PHARMACY, 338 Washington Avenue (759-1956, 759-1968). We are Blue Cross and Medicare approved. "Your Doctor Knows Us. Your Doctor Trusts Us." Gifts, Timex watches, transistor radios, cameras, film, baby needs, cosmetics, toiletries and Russell Stover candies are stocked. Open: Daily 9am-10pm, Sundays 9am-9pm.

HINT: One of the primary benefits of home health care is receiving treatment in the comfort and privacy of the patient's own home, rather than in an unfamiliar hospital setting.

NOTICE OF SALE
TOWNSHIP OF BELLEVILLE

COUNTY OF ESSEX, NEW JERSEY

\$5,875,000 General Obligation General Improvement Bonds,
Series 1997A ("Bank Qualified" pursuant to I.R.C. Section 265(b)(3))
Book-Entry-Only Bonds

SEALED PROPOSALS (The "Proposals for Bonds") will be received by the Chief
Financial Officer (hereinafter the "Chief Financial Officer") of the Township of
Belleville the "Township") in his office at the Municipal Building located at 152
Washington Avenue, Belleville, New Jersey 07109 until 11:00 a.m., New Jersey time, on
July 17, 1997 (the "Bid Date"), and then publicly opened and considered for the pur-
chase of \$5,875,000 aggregate principal amount of General Obligation General
Improvement Bonds of the Township (the "Bonds"). Bidders are required to submit
bids for the Bonds in accordance with the terms of this Notice of Sale.

The Bonds. The Bonds shall mature on July 15 in the years and in the amounts set
forth below:

YEAR	BONDS
1998	\$300,000
1999	\$300,000
2000	\$300,000
2001	\$350,000
2002	\$350,000
2003	\$350,000
2004	\$350,000
2005	\$350,000
2006	\$350,000
2007	\$400,000
2008	\$400,000
2009	\$500,000
2010	\$500,000
2011	\$525,000
2012	\$550,000

The Bonds will be dated July 15, 1997 and will bear interest at the rate per annum
specified by the successful bidder therefor in accordance herewith, payable semiannu-
ally on July 15 and January 15, (the "Interest Payment Dates") in each year until matu-
rity, commencing January 15, 1998. Interest will be paid by check, draft or wire trans-
fer mailed, transmitted or delivered to the registered owners thereof registered as of the
first day of the month in which an Interest Payment Date is due. The Bonds will be
issued in fully registered book-entry form as more fully described in the Official
Statement and will be payable as to both principal and interest in lawful money of the
United States of America. The Bonds will be in denominations of \$5,000 or any integral
multiple thereof or in such denominations as is determined by the Issuer.

Redemption

The Bonds shall be subject to redemption prior to maturity as follows:

The Bonds maturing on or before July 15, 2007 shall not be subject to redemption
prior to their stated maturities. The Bonds maturing on or after July 15, 2008 shall be
subject to redemption prior to maturity, at the option of the Township, in whole on any
date or in part on any Interest Payment Date on or after July 15, 2007 upon notice of
redemption as required herein at the respective prices expressed as percentages of the
principal amounts set forth below (the "Redemption Price"), plus in each case
accrued interest to the date fixed for redemption:

Redemption Period	Redemption Price
(Both Dates Inclusive)	
July 15, 2007 to July 14, 2008.....	101 %
July 15, 2008 and thereafter.....	100 %

If the Township determines to redeem a portion of the Bonds prior to maturity, such
Bonds shall be selected in inverse order of maturity and by lot within a maturity by the
Chief Financial Officer or his designee. So long as the Bonds are in Book-Entry form
in the DTC System, the portion of such Bonds to be redeemed shall be selected in a man-
ner consistent with DTC practice.

Unless waived by any owner of Bonds to be redeemed, official notice of any such
redemption shall be given by the Registrar on behalf of the Township by mailing a copy
of an official redemption notice by registered or certified mail at least thirty (30) days
and not more than sixty (60) days prior to the date fixed for redemption to the registered
owner of the Bond or Bonds to be redeemed at the address shown on the Bond
Register or at such other address as is furnished in writing by such registered owner to
the Registrar.

All official notices of redemption shall be dated and shall state: (i) the redemption
date; (ii) the Redemption Price; (iii) the CUSIP numbers of all Bonds being redeemed;
(iv) the maturity date of each Bond being redeemed (v) the original issue date of the
Bonds; (vi) the rate of interest borne by each Bond being redeemed; (vii) if less than all
outstanding Bonds are to be redeemed, the identification (and, in the case of partial
redemption, the respective principal amounts) of the Bonds to be redeemed; (viii) any
other descriptive information needed to identify accurately the Bonds being redeemed;
(ix) that on the redemption date the Redemption Price will become due and payable
upon each such Bond or portion thereof called for redemption, and that interest there-
on shall cease to accrue from and after said date; and (x) the place where such Bonds
are to be surrendered for payment of the Redemption Price, which place of payment
shall be the principal corporate trust office of the Paying Agent.

Prior to any redemption date, the Township shall deposit with the Paying Agent an
amount of money sufficient to pay the Redemption Price of all the Bonds or portions of
Bonds which are to be redeemed on that date. Upon the payment of the Redemption
Price of the Bonds being redeemed, each check or other transfer of funds issued for such
purpose shall bear the CUSIP number identifying, by issue and maturity, the Bonds
being redeemed with the proceeds of such check or other transfer.

Official notice of redemption having been given as aforesaid, the Bonds or portions
of Bonds so to be redeemed shall, on the redemption date, become due and payable at
the Redemption Price therein specified, and from such date (unless the Township
shall default in the payment of the Redemption Price) such Bonds or portions of Bonds
shall cease to bear interest. Upon surrender of such Bonds for redemption in accor-
dance with said notices, such Bonds shall be paid by the Paying Agent at the
Redemption Price. Installments of interest due on or prior to the redemption date shall
be payable as herein provided for payment of interest. Upon surrender for any partial
redemption of any Bond, there shall be prepared for the registered owner a new Bond
or Bonds of the same maturity in the amount of the unpaid principal or there shall be
made an appropriate notation on the Bond certificate indicating the date and
amounts of such reduction in principal, except in case of final maturity.

In addition to the foregoing notice, further notice shall be given by the Registrar on
behalf of the Township as set out below, but no defect in said further notice nor any fail-
ure to give all or any portion of such further notice shall in any manner defeat the effec-
tiveness of a call for redemption if notice thereof is given as above prescribed.

1. Each further notice of redemption given hereunder shall contain the information
required above for an official notice of redemption.

2. Each further notice of redemption shall be sent at least 30 days prior to the
redemption date by registered or certified mail or overnight delivery service to all reg-
istered securities depositories then in the business of holding substantial amounts of
obligations of types comprising the Bonds such depositories now being The Depository
Trust Company of New York, New York; Midwest Securities Trust Company of
Chicago, Illinois; Pacific Securities Depository Trust Company of San Francisco,
California; and Philadelphia Depository Trust Company of Philadelphia, Pennsylvania) and
to one or more national information services that disseminate notices of redemption
of obligations such as the Bonds.

All bidders for the Bonds must be participants of The Depository Trust Company,
New York, New York ("DTC") or affiliated with its participants. The Bonds will be
issued in the form of one certificate for the aggregate principal amount of the Bonds
maturing in each year. Each certificate will be registered in the name of Code & Co., as
nominee of DTC which will act as securities depository for the Bonds. The certificates
will be on deposit with DTC and DTC will be responsible for maintaining a book-entry
system for recording the interests of its participants or the transfers of the interests
among its participants. The participants will be responsible for maintaining records
regarding the beneficial ownership interests in the Bonds on behalf of the individual
purchasers. Individual purchases will be made in book-entry form on the books and the
records of DTC and its participants. Purchasers will not receive certificates represent-
ing their interest in the Bonds purchased unless the book-entry-only system is terminat-
ed.

Interest on the Bonds will be payable by payments made authorized nominee, DTC
will credit payments of principal of and interest on the Bonds to the participants of DTC
as listed on the records of DTC, who in turn

will be responsible for remitting such payments to
the registered owners. See "Book-Entry-Only System" in the Official Statement.
Principal of the Bonds will be payable at the principal corporate trust office of the
Paying Agent.

Each proposal must specify:

- a single rate of interest that the Bonds are to bear, in a multiple of 1/8th or 1/20th
of 1%;
- the principal amount of Bonds the bidder will accept, which shall be \$5,875,000
or any lesser amount that is a multiple of \$1,000, the Bonds so accepted being the first
to mature; and
- the price the bidder will pay, which shall be not less than \$5,875,000 nor more than
\$5,875,000.

The Bonds will be sold to the bidder specifying the lowest rate of interest. As between
such proposals specifying the same rate of interest, the Bonds will be sold to the bidder
who offers to accept the least amount of Bonds. If two or more such bidders offer to
accept the same least amount of Bonds, then the Bonds will be sold to such bidder offer-
ing to pay the highest price. If two or more such bidders offer to pay the same highest
price, then the Bonds will be sold to one of such bidders selected by lot from among all
such bidders. The purchaser (also referred to as the successful bidder) must also pay
an amount equal to the interest on the Bonds accrued to the date of payment of the pur-
chase price.

Each bidder is required to deposit a certified, treasurer's or cashier's check drawn
upon a bank or trust company and made payable to the order of the TOWNSHIP OF
BELLEVILLE, NEW JERSEY in the amount of \$117,500, and such check must be
enclosed with the proposal. When the successful bidder has been ascertained, all such
deposits will be promptly returned to the persons making them, except the check of the
successful bidder, which will be applied in part payment for the Bonds or to secure the
Issuer in part, from any loss resulting from the failure of the successful bidder to com-
ply with the terms of its bid. No interest will be paid upon any deposits, including the
deposit made by the successful bidder.

Each proposal shall be made on the form of Proposal for Bonds provided by the Issuer
and must be enclosed in a sealed envelope and should be marked on the outside
"Proposal for Bonds." If mailed, proposals should be addressed to or in care of Hon.
Arthur L. Minsky, Chief Financial Officer, Township of Belleville, 152 Washington
Avenue, Belleville, New Jersey 07109. Responsibility for proper transmission of the bid
is solely that of the bidder regardless of the means of delivery.

Award of the Bonds to the successful bidder or rejection of all bids will be made by
the Issuer after 11:00 a.m. on the Sale Date with no withdrawals of bids allowed until
after 11:30 p.m. on the Sale Date and then only if such award has not been made prior
to the withdrawal. The Issuer reserves the right to reject all bids, and any bid not com-
plying with the terms of this Notice may be rejected. The Issuer reserves the right to
waive any irregularity or informality in any or all proposals.

The Bonds will be delivered and the purchaser must accept delivery and tender full
payment therefor within thirty (30) days of the award of the Bonds to the successful bid-
der (the "Closing Date"), at the offices of Frohling, Hudak & McCarthy, P.C.,
Newark/Roseland, New Jersey, Bond Counsel for the Bonds ("Bond Counsel") or at
such other place and date as may be agreed to by and in the sole discretion of the Issuer.
PAYMENT FOR THE BONDS AT THE TIME OF ORIGINAL ISSUANCE AND
DELIVERY SHALL BE IN IMMEDIATELY AVAILABLE FUNDS. Delivery of the
Bond certificates to DTC shall constitute delivery to the purchaser.

If the Bonds qualify for issuance of any policy of municipal bond insurance or com-
mitment therefor, any purchase of such insurance or commitment therefor shall be at
the sole option and expense of the purchaser and any increased costs of issuance of the
Bonds resulting by reason of such insurance, unless otherwise paid, shall be paid by the
purchaser. Any failure of the Bonds to be so insured or of any such policy of insurance
to be issued shall not in any way relieve the purchaser of any contractual obligation aris-
ing from the acceptance of its proposal for the purchase of the Bonds.

It is anticipated that CUSIP identification numbers will be printed on the Bonds, but
neither the failure to print such number on any Bond nor any error with respect there-
to shall constitute cause for a failure or a refusal by the purchaser thereof to accept
delivery of and to pay for the Bonds in accordance with its proposal for the purchase of
the Bonds. All expenses relating to the printing of CUSIP numbers on the Bonds shall
be paid for by the Issuer, provided, however, that the CUSIP Service Bureau charge for
the assignment of the numbers shall be the responsibility of and shall be paid for by the
purchaser.

The purchaser may, at its option, refuse to accept the Bonds, if prior to their delivery
any income tax law of the United States of America, not in effect as of the date of this
notice, shall provide that the interest thereon is taxable, or shall be taxable at a future
date, for federal income tax purposes, and in such case the deposit made by the pur-
chaser will be returned and the purchaser will be relieved of its contractual obligations
arising from the acceptance of its proposal.

The purchaser should consult with its own tax advisors as to the ultimate tax impact
of the ownership of the Bonds.

The obligations hereunder to deliver and accept the Bonds shall be conditioned on
the availability and delivery at the time of delivery of the Bonds of (a) the approving
opinion of the law firm of Frohling, Hudak & McCarthy, P.C., which will be furnished
without cost to the purchaser, to the effect that the Bonds are valid and legally binding
obligations of the Issuer and that all the taxable property therein will be subject to the
levy of valorem taxes to pay the Bonds and interest thereon without limitation as to rate
or amount, and that interest on the Bonds is excluded from gross income for federal
income tax purposes under current law if the Issuer complies with all conditions subse-
quent contained in the Internal Revenue Code of 1986, as amended (the "Code"), except
to the extent that interest on the Bonds held by a corporate taxpayer is included in the
income computation for calculation of the corporate alternative minimum tax after
December 31, 1986, and that interest on the Bonds is not includable in gross income
under the New Jersey Gross Income Tax Act, such opinion to be substantially in the
form set forth in the Official Statement distributed in preliminary form in connection
with the sale of the Bonds; and except to the extent necessary to issue their opinion as to
the legality of the Bonds, Bond Counsel will not examine or review or express any opin-
ion with respect to statistical or financial data or other information relating to the Issuer
or the accuracy or completeness of documents, materials or statements made or fur-

nished in connection with the sale, issuance or marketing of the Bonds; (b) certificates
in form and tenor satisfactory to Bond Counsel evidencing the proper execution and
delivery of the Bonds, receipt of payment therefor, and the compliance with the require-
ments of the Code necessary to preserve the exclusion of interest on the Bonds from
gross income under the Code; (c) a certificate, in form and tenor satisfactory to Bond
Counsel and dated as of the date of such delivery, to the effect that there is no litigation
pending or (to the knowledge of the signer or signers thereof) threatened affecting the
validity of the Bonds; and (d) payment, in IMMEDIATELY AVAILABLE FUNDS, from
the Purchaser to the Issuer of the full amount of the price bid plus accrued interest from
the dated date of the Bonds to the Closing Date less the amount of the good faith deposit.

A Preliminary Official Statement has been prepared and may be obtained from the
Hon. Arthur L. Minsky, Chief Financial Officer, Township of Belleville, 152 Washington
Avenue, Belleville, New Jersey 07109, (201) 450-3300. The Preliminary Official
Statement is deemed to be a "Near Final Official Statement", as of its date, within the
meaning of Rule 15c2-12 of the Securities and Exchange Commission, but is subject to
(a) completion with certain pricing and other information to be made available by the
successful bidder for the Bonds and (b) amendment. The Preliminary Official
Statement, as so revised, will constitute the final "Official Statement". By the submis-
sion of a bid for the Bonds, the successful bidder certifies that he has received and
reviewed a copy of the Preliminary Official Statement and contracts for the receipt of a
reasonable number of copies of the final Official Statement within seven (7) business days
of the award of the Bonds. In order to complete the final Official Statement, the suc-
cessful bidder must furnish on behalf of the underwriters of the Bonds the following
information to Bond Counsel and the Township by facsimile transmission or overnight
delivery received by Bond Counsel and the Township within twenty-four (24) hours after
the award of the Bonds: (a) initial offering prices (expressed as a price, exclusive of
accrued interest, or yield per maturity), (b) selling compensation (aggregate total
anticipated compensation to the underwriters expressed in dollars), (c) the identity of
the underwriters if the successful bidder is a part of a group or syndicate and (d) any
other material information necessary for the final Official Statement, but not known to
the Township (such as the bidder's purchase of credit enhancement). It shall also be the
obligation of the successful bidder to furnish to DTC an underwriter's questionnaire
and the denominations of the Bonds not less than seventy-two (72) hours prior to the
delivery of the Bonds.

Concurrently with the delivery of the Bonds, the officials of the Township who will
have executed the final Official Statement will deliver to the purchaser of the Bonds a
certificate stating that, to the best of their knowledge, the Preliminary Official
Statement did not as of its date and as of the sale date, and the final Official Statement
did not as of its date and does not as of the date of delivery of the Bonds, contain an
untrue statement of a material fact or omit to state a material fact required to be includ-
ed therein for the purpose for which the Preliminary Official Statement or the final
Official Statement is to be used or necessary to make the statements therein, in
light of the circumstances under which they were made, not misleading, providing
such certificate shall not include consideration of information supplied by, or which
should have been supplied by, the successful bidder for the Bonds.

On or prior to the Closing Date, the purchaser shall furnish to the Issuer a certificate
in a form acceptable to Bond Counsel setting forth information with respect to the
Bonds including the "issue price" of the Bonds within the meaning
of Section 1273 and other applicable provisions of the Code. The purchaser will be
required to certify the initial offering price to the public at which a substantial amount
of the Bonds were sold. This shall include but not be limited to specifying, with respect
to each maturity of the Bonds, the initial offering price to the public, expressed as a per-
centage of the face amount or dollar amount per \$5,000 denomination, at which price at
least more than ten percent (10%) of the Bond maturity will be sold to the public. In
the event that all the Bonds of one (1) or more maturities are to be held by the pur-
chaser for investment and are not to be offered for resale to the public, the purchaser
shall specify on such certificate the purchase price being paid by the purchaser to the
Issuer for each such maturity, which purchase price shall be at least equal to the fair
market value price of such maturity on the Sale Date to the purchaser. For purposes of
this paragraph, "public" does not include bond houses, brokers, or persons or orga-
nizations acting in the capacity of underwriters or wholesalers of the Bonds.

In order to assist the bidders in complying with Rule 15c2-12(b)(5), the Township will
undertake, pursuant to the Resolution and a Continuing Disclosure Certificate, to pro-
vide annual reports and notices

Environmentalism Comes Home

(NAPS)—Here's good news for a change about our environment.

According to a recent survey, green issues are in the bag on the home front.

Asked how—or if—environmental concerns affected their actions at home, respondents to a recent Plastic Bag Association (PBA) survey revealed a number of heartening trends, such as these:

- Over 71 percent teach their children the environmental basics, including the three R's: reduce, reuse, recycle.

- More than 62 percent volunteer time at least once each year for an environmental cause. Most popular volunteer efforts include community recycling drives (39 percent) and highway or beach litter clean-ups (22 percent).

- Nearly 84 percent of those surveyed say they consider the environmental platform of a candidate when choosing how to cast their votes.

- Eighty-four percent of those surveyed said they "always" recycle one or more kinds of materials either at home or at a collection center.

Consumers also keep the environment in mind at the mall and grocery store:

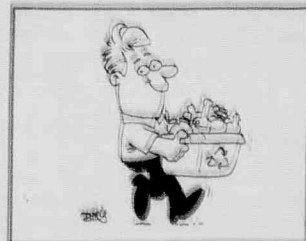

- When shopping, over 21 percent "always" and over 76 percent "sometimes" choose products based on the packaging's recycled content or recyclability.

- Ninety-three percent of those surveyed "always" or "sometimes" consolidate shopping purchases to use fewer bags, or refuse a bag

when one isn't needed.

- When returning home, more than 88 percent reuse their plastic bags. Grocery bags are most commonly reused, followed by retail and dry cleaning bags.

You can learn more about protecting our environment through plastic bag reuse and recycling by calling the Plastic Bag Information Clearinghouse at 1-800-438-5856. You can also test your environmental knowledge by visiting PBA's Web site at www.plasticbag.com.

Monthly payments are for 30-year conventional fixed rate mortgages as detailed below. Please call about Lower Downpayment/Lower Monthly Payments/Other Options.

For purchase prices up to \$268,375, monthly mortgage payments (principal interest) quoted in our ads are to qualified buyers based upon a 20% downpayment and a conventional 30-year fixed rate loan at 7.75% with 3 points. As an example: if a \$100,000 loan would mean \$62 monthly payments of \$716.42. For purchase prices from \$268,375 to \$625,000, the monthly payments are to qualified buyers based upon a 20% downpayment and calculated at 7.075% with 3 points on a "Jumbo" 30-year fixed rate mortgage with an A.P.R. of 8.20%. An example: if a \$200,000 loan would mean \$80 monthly payments of \$932.07. Figures herein are approximate and do not include property taxes, boarder insurance, HOA/homeowners association dues for a condominium purchase, interest rates quoted as of April 2, 1997, and subject to change. Not responsible for typographical errors; while information is believed accurate, we request that the payment be validated with a mortgage provider prior to purchase.

MARIO TAKES OVER - U.S. Representative William Pascrell (D-8th) administers mayoral oath of office to a long time friend, Mario Drozd, in presence of Mrs. Drozd and son. Former Mayor Vincent Canning is on dais. Former Mayors Marina Perna and Michael Marotti were in attendance at the event last week.

Exclusive-use parking spaces endorsed for the handicapped

By Howard Klausner

The Township Council was unanimous Monday in endorsing parking spaces for the handicapped that would be assigned solely to the resident requesting the space.

Township Attorney Robert Giordano said, "The State gives us specific permission to do so."

Mayor Mario Drozd asked Giordano to draw up an ordinance that would provide exclusive parking privileges for those drivers who

requested them.

The decision came in the wake of publicity involving Fred Rupp, a partially mobile driver, who obtained a parking space in front of his house only to find it being used by another handicapped driver.

The story of Mr. Rupp's problem appeared in the Belleville Times, and was then picked up by the Star-Ledger, TV Channel 12 and WABC-TV.

Drozd held up a video tape of the Channel 12 broadcast which

had been presented to him by Mr. Rupp.

Council Member William Escott, a retired detective, said, "When I was in the police, we ticketed cars that used someone's handicapped space, regardless if it were another handicapped driver."

The Council members agreed that it was pointless to make someone prove that he or she was handicapped before granting the parking privilege, and then allow someone else to usurp the allocated space.

Victims of drive on 'illegals'

Family evicted from apartment later found to be legal residence

By Howard Klausner

Building Inspector Robert Domenick told the Township Council Monday that under pressure to remove "illegal" residents as soon as possible, he had ordered a family to vacate an apartment thought to be illegal.

After the eviction, the apartment was found to be legal, after all, Domenick said.

A couple with two young children were residing in an apartment under a sporting goods store on

Joralemon Street.

The apartment was in apparent violation of township zoning law.

The landlord argued that the apartment had been in non-conforming use for 46 years.

The apartment was discovered by school authorities who were checking residences of students, in the drive to remove illegal residents from the schools.

Assistant Superintendent of Schools Dr. Joseph Ciccone said that 59 students had been removed from the Belleville schools on the

basis on non-residency.

"Of these, 25 percent were residents of illegal apartments," Dr. Ciccone said.

Residents of an illegal apartment can be given 30 days in which to vacate. Stays are frequently given by the courts.

In the case of the Joralemon Street apartment, court action came too late to prevent the eviction.

"So the landlord lost a tenant," Domenick said.

UNDER IMPROVEMENT - A repaving project of the parking lot off William Street adjoining St. Peter's School caused the removal of scores of vehicles whose owners were unaware they were supposed to move.

Wakefern scholarship winner a hard worker

By Howard Klausner

A succession of scholarship grants has made it possible for Thomas J. Esposito to guarantee payment of his first year at Montclair State University, starting in September.

His most recent award of \$1,000 under the Wakefern-ShopRite Scholarship program is added to a \$1,030 grant from the State of New Jersey, \$2,000 from the Belleville Foundation, \$300 from the Belleville Chamber of Commerce and \$500 from the Frank Zarro Memorial Fund.

Esposito is listed in Who's Who Among American High School Students, holds the United States Student Council Award, and has been named U.S. Achievement Academy All-American Scholar.

"I'm very proud of him," his mother, Maria, said.

A divorced mother of two boys, Maria Esposito has worked for Wakefern for 30 years and is employed in its Springfield headquarters.

Thomas works weekends at the West Orange ShopRite store.

"I like to work with figures, and I was one of 11 students to take calculus at Belleville High School," he said.

"Belleville High School really prepared me a lot. The teachers were really good and I had a really good time. I met a lot of good people," he said.

"I'm not a book person, really, but I remember what I hear, and I never had a problem with school work. And I have a lot of drive."

Five foot eight and weighing 185 pounds, he has the build of a college halfback, but he was not interested in school athletics.

"I was active in recreational athletics. I played baseball and basket-

ball for the town."

Sometimes intense, sometimes easy going, he joked with his younger brother Vincent. "You're going to have to work hard to do as good as me."

Vincent smiled complacently. He is on the honor roll of the Middle School and plans to outdo his brother

COLLEGE BOUND - Thomas Esposito and his proud mother, Maria, are counting some \$5,000 in scholarship grants that will take the recent Belleville High School graduate to Montclair State University.

The Contractor cometh

Church has to empty its lot, six cars are towed in the rush

By Howard Klausner

St. Peter's Church has offered sanctuary for many years to neighborhood car owners who are denied parking on local streets on Sunday. It is the custom for scores of residents along William Street and adjoining streets to drive the family car into the church school parking lot on the weekend.

Then came the announcement by a paving contractor hired to

repair the parking lot that he would be on the scene Monday, and all cars had to be cleared out.

School authorities first placed warning tickets on parked cars advising the owners that the lot had to be vacated.

Then came parking tickets for those who ignored - or were unaware - of the order to move.

Finally, six cars still on the lot were towed, so that the paving job could commence.

Township Manager Raymond Kimble said that the Rev. Joseph Girone, Pastor of St. Peter's inquired about the summonses issued to the parked cars.

Kimble said it was possible that Municipal Judge Frank Zinna may dismiss the summonses, which carry \$47 fines.

In any case, Father Girone said that the parking lot will be open to the public again, as soon as the paving is completed, hopefully by this weekend.

Town Hall exterior cost increases

By Robert Oakes

A resolution to increase the contract for the exterior masonry of the Municipal Building was approved by the Township Council on July 8 in a 6-1 vote.

The contractor, Silcon Inc., will receive an additional \$26,700 for labor that exceeded the specifications of the initial contract, bringing the total cost to \$458,000.

The vote was taken after several citizens raised some questions about the increase and about whether additional renovations were actually performed.

Louise Cordasco of Belleville

Avenue asked for the exact amount of increase and was given the figures by Mayor Mario Drozd.

Resident Vincent Frantantoni wanted to know exactly what was the additional work performed by Silcon.

Mayor Drozd responded that during the course of the renovation, it was discovered that some old limestone needed replacement. This was not anticipated during the drafting of the original contract, he said.

But Frantantoni insisted that he could not see where the work was done. "I want to know exactly which pieces (of limestone) were replaced," he said. "I don't

believe any were replaced."

The mayor then promised to learn the exact details and provide him with the information.

Councilwoman Angie Paserchia cast the disapproving vote.

"The council should be able to provide an answer for the people about where the work was done," she said. "I think the resolution should be delayed until we know more about the limestone."

But Councilman James Messina did not want to delay payment to the contractor. "I'm sure (Silcon) is depending on this contract," he said. "I'd hate to keep them waiting for their money."

First woman appointed to water commission

A former administrative assistant at Orechio Publications has become the first woman to be named a director of the North Jersey District Water Supply Commission in Wanaque.

Colleen DeStefano, who joined the commission in 1981, was appointed deputy executive director, the second highest ranking position at the state's largest water supply operation.

Orechio Publications publishes The Nutley Sun, Belleville Times, Bloomfield Life and Glen Ridge Voice.

The towns of Nutley, Bloomfield and Glen Ridge are members of the commission, which supplies drinking water to 86 communities in a six-county area of New Jersey.

DeStefano, an Oak Ridge resident, said she sees her new role at the commission as facilitating water regionalization and concerted water resource management concepts in the state's Water Supply Master Plan through creative alternatives means to reduce escalating municipal water department costs.

"Water cost reduction is critical to maintaining high quality supplies that remain financially accessible to water-intensive businesses

as well as senior citizens and families on limited incomes," DeStefano said.

"The North Jersey District Water Supply Commission has a critical part to play in New Jersey's future as there are many new forces at work in the water industry, which would ultimately undermine the quality, quantity and accessibility of our drinking water supplies," she warned.

The North Jersey District Water Supply Commission is a five-member commission appointed by the the governor and presently chaired by Robert Rubino of West Caldwell. Commissioners include Vice Chairman Henry Martinez of Newark, Robert Coyle of Totowa, Louis Cuccinello of Haledon and Al Restaino of Nutley.

Coyle commended DeStefano's past accomplishments at the water agency, but said "her most important skill is a rare ability to see through the smoke and mirrors of the global battle now being waged for control of the earth's shrinking supply of pure water.

"DeStefano understands the various strategies that will determine the future of the public water supply in New Jersey," Coyle said.

Prior to joining the NJDWSC in

Colleen DeStefano

1981, DeStefano was a member of the legal department at the Hackensack Water Company, now United Water Resources. Her first assignment at the North Jersey Commission was to assist the manager of the then just-launched Wanaque South Project, a joint venture between the NJDWSC and Hackensack Water. The project was completed in 1987 and included two river diversion pumping stations and the new Monksville Reservoir in upper Passaic County.

DeStefano was named personnel director in 1986. More recently, she was assigned to oversee executive staff operations in addition to her role as human resource officer.

Water from the commission's Wanaque and Monksville reservoirs serves nearly 2.5 million people in 86 communities. The commission's district extends from Monmouth County north through Sussex County.

Resident feted on Nurses' Week

Rosemarie Giachetti, R.N., of Belleville, was honored for nursing excellence at a recent ceremony during National Nurses' Week at Clara Maass Medical Center.

Giachetti was cited for her dedication to her patients and peers in her position as a staff nurse.

"Nurses Have the Courage to Care" was the selected theme for National Nurses' Week by both the New Jersey State Nurses Association and the American Nurses Association.

The Crime Watch: Bottle!

Police Officers Robert Klein and James Sochaski chased and caught two suspects who had reportedly had tried to steal a bottle from a liquor store on Bloomfield Avenue, July 8.

One of the suspects, 16, had fought off a store clerk by smashing a bottle of Snapple and threatening to use it as a weapon, police said.

The juvenile and Joseph Melillo, 18, of Bloomfield, were arrested.

A Belleville woman, 31, took her one-month-old baby with her when she attempted to steal \$271 in merchandise from the Pathmark Store on Washington Avenue, July 14, police said.

Police Officers Richard Giordano and John Giacobbe were told by store security officers that the suspect was taking items from the shelves and putting them in the baby carriage.

Police learned later that she was wanted as an escapee by Newark police. The baby was placed with family members while the mother was held without bail.

Police Officers John Pinto and Anthony Weedo arrested Randy Shifrel, 42, of New Milford after security officers at Pathmark on Belmont Avenue said he had tried to leave the store with \$42 worth of merchandise, including a heating pad, July 12.

At Belleville Park, Emilio Lopez, 40, of Lyndhurst was charged with open lewdness on the

early afternoon of July 10.

The arresting officers were Sergeant Fred Esposito of the Essex County Police and Belleville Detective Ralph Marotti.

On July 7, at 2:30 p.m., Detective Marotti and Detective Dante Pasquale arrested a man seated in a car in the parking lot of the Belleville Motor Lodge.

Police said he had a smudge of white powder on his nose and admitted that he "did a little

cocaine".

Dante Caprio, 43, of Lake Hopatcong, also produced two vials of cocaine, police said.

At 1:52 p.m. on July 7, Police Officer Patrick Goldrick observed a driver leaning sideways in his seat. Goldrick stopped the car and saw a hypodermic needle on the front seat, police said.

Arrested for possession of a hypodermic needle was Vincent Neri, 26, of Bloomfield.

Coppola is named All-American Scholar

The United States Achievement Academy has announced that Alicia Marie Coppola of Belleville, has been named an All-American Scholar.

The USAA has established the All-American Scholar Award Program to offer deserved recognition to superior students who excel in the academic disciplines. The All-American scholars must earn a 3.3 or higher grade point average. Only scholars selected by a school instructor, counselor, or other qualified sponsor are accepted. These scholars are also eligible for other awards given by the USAA.

Coppola will appear in the All-American Scholar Yearbook, which is published nationally.

The Academy selects All-American scholars upon the exclusive recommendation by teacher, coaches, counselor, and other qualified sponsors. Once awarded,

the students may be recognized by the USAA for other honors.

Coppola is the daughter of Mr. and Mrs. John Coppola from Belleville. The grandparents are Mr. and Mrs. Manuel Lelinho of Nutley and Mr. and Mrs. Angelo Coppola, also of Nutley.

The student just finished her freshman year at Queen of Peace High School in North Arlington, where she has received first honors and currently ranks seventh in her class. She is a cheerleader for Queen of Peace high school, a member of the student newspaper, and held a feature dance role in the spring musical, "Hello Dolly!"

She has services her community as an altar server for Holy Family Church, Nutley and is an alumni of Good Shepherd Academy, where she ranked third in her graduating class. She also assistant-coaches the seventh and eighth grade cheerleaders.

Only One Day

Lord, please let me live every day as if it were my last.
And strive to make amends for all the sins that fill my past.
Let me be kind to everyone in thought and word and deed,
And share what worldly goods I have with those who are in need.
Help me, oh Lord, with strength of heart and with your holy grace
To walk in calm and patience and keep my humble place.
I want to be your servant, Lord, and always do your will
Until my eyes are closed in sleep, until my heart is still.
Be merciful to me, oh Lord, for my imperfect past
And let me live my every day as if it were my last.

From Divine Word Missionaries

Welcome back to Eleanore Belina after a stay in the hospital. To Dorothea Behan who has been taking care of her husband, Fred, who is not feeling well.

Welcome to Eleanore Greenberg, who became a member of the Tuesday Senior Club.

Last week, I forgot Ervia De Luca's birthday, so a special happy birthday, Ervia. Also, happy birthday Stephanie Kralej.

Did you ever think of ways to burn up calories without going jogging or to a health gym? Playing cards for one hour consumes 111 calories, washing the car burns 196 calories, mowing the lawn uses 351 calories, scrubbing floors burns 440 calories. Now you have the simple way to become more healthy. (For 150-pound person).

When giving gifts to the elderly, forget the cologne and dusting powder. Grandma must have several unopened boxes gathering dust on her shelves. She doesn't need bracelets, brooches or earrings. Grandpa doesn't need another tie. With grocery prices going thru the roof, older persons on fixed incomes would appreciate a basket of practical goodies.

People living in small quarters do not need more "things," so don't send music boxes or bric-a-brac. A generous supply of postage stamps, some felt tip pens. Be sensible about the gifts you give to elderly people.

The Innocent Kiss

Has it actually come to this,
That a child is forbidden to give an innocent kiss,
And all the pleasures of youth miss
Causing him morbid always to be.
Resulting from normal emotions being suppressed
You will see
Bitterness, rape and such
Since tampering with nature
Is really too much.

By Kathryn Van Riper

It seems to me that no matter what plan comes out of Congress or the state house that the senior citizens are going to be hit the hardest. They will give a bone to the seniors and the low paid workers and prime rib to the rich. The poor get poorer and the rich become millionaires. Give us a break. When will it stop? Call your legislators and let them know how you feel. Do it now.

It's a shame that a bill in Congress to have the board that reviews the injuries sustained in accidents to be made up of doctors was defeated. It seems that this board is now made up of lawyers. (Do they know more about injuries than doctors?) Well, according to Congress, they seem to think so. But why not? Isn't Congress made up of mostly lawyers? What a farce. They have a good thing going for them and they don't want to let go. Let your representative know how you feel about this. When you don't feel well, I don't think you will go to a lawyer for treatment unless you are going to sue someone. I know that I go to a doctor when I don't feel well. How about you?

Something has been bothering me for sometime. This is courtesy on the road. Some drivers are so rude that they create accidents. They don't stay on their side of the road, they don't use their directional signals, they don't stop for red lights, they turn on red whenever they please and they never acknowledge the fact that you gave them a break. Do you recognize yourself? If you do, shame on you. When I give you a break, all I ask is that you wave your hand in thanks.

Tid bit: God has a thousand ways where I can see not one. When all my means have reached their end, then His have just begun. Esther Guyot.

To Joe and Lani: May the blessing of the Lord be upon you. Belleville is a beautiful township!

COMMENCEMENT SPEAKER -- Richard Ruffalo, a teacher at Belleville High School, addresses the graduates of Caldwell College at the college's 55th commencement ceremony recently. Ruffalo, a former national Outstanding Teacher of the Year, continues to teach at the school despite having lost his eyesight to an inherited incurable disease 16 years ago. Ruffalo also received an honorary doctorate of humane letters from Caldwell.

School No. 7 students support abuse prevention

Fifth- and sixth-grade students from School No. 7 recently sold paper bears to raise money to support child abuse prevention programs.

More than \$200 was raised for Prevent Child Abuse - New Jersey (PCA-NJ).

"The commitment and enthusiasm these students displayed was great! They set a positive example for all of us," said Sharon Copeland, executive director of PCA-NJ.

"The students learned two very valuable lessons. It is important to help people, and anyone can make a difference, no matter their age," she said.

All the students got involved in selling paper bears for \$1 each to their classmates and others. When they were through with their month-long campaign, the wall of the school's main hallway was covered in bears - a display of caring by children who took action to help.

PCA-NJ's mission is to prevent child abuse in all its forms - physical, sexual, emotional and neglect.

PCA-NJ focuses on increasing parents' effectiveness through home visitation and parenting education programs, as well as providing public education and awareness about child abuse and how everyone has a role in preventing it.

For more information about PCA-NJ and its programs or how you can get involved, call 1-800-CHILDREN or write to 35 Halsey St., Suite 300, Newark, New Jersey 07102-3031.

Residents get degrees in UMDNJ joint program

Sheila Martin and Amiera Salib, both of Belleville, were among students who received bachelor of science degrees in clinical laboratory sciences in joint programs with the University of Medicine and Dentistry-School of Health Related Professions during commencement ceremonies on May 21 at the PNC Bank Arts Center in Holmdel.

Veterans can save hospitals that have mended their wounds

Military veterans are being asked to register for an ID card that will grant them access to medical services at all veterans hospitals nationwide.

The move — spearheaded by Nutley resident Jack Magnifico, Essex County Commander of the American Legion — has been initiated in an attempt to stave off possible federal cutbacks this October.

Currently, veterans hospitals are available to most Americans who have served their country, but that could change.

The purpose of Magnifico's registration drive is to display greater participation by veterans to the federal government, in an effort to halt Washington from closing veterans hospitals as a cost-savings measure. The issue stems from the fact that only 4 percent of the 728,000 veterans now living in New Jersey utilize veterans hospitals.

For example, the Essex County Veterans Hospital, East Orange, currently has only 260 of its 900 beds filled.

With so few vets using veterans hospitals, it's no wonder the feds are eyeing cutbacks.

Still, Magnifico is on the right track. Veterans hospitals and the services they provide should be saved from the fiscal ax.

Despite some bad publicity in years past, virtually all patients in veterans hospitals are well taken care of. Indeed, veterans hospitals have a long and proud history.

Magnifico says that many modern procedures — such as open heart, brain and nerve

surgery, and artificial limbs — all came about as a result of treatments provided at veterans hospitals.

Tax dollars have already paid for construction of the hospitals, now the facilities need patients to survive. Magnifico is correct to state that: "If veterans hospitals make money, it puts money back into the VA system."

Magnifico is now circulating registration forms to veterans for the ID cards. The signed forms will be forwarded to the Veterans Administration. Magnifico has already gathered 625 signed registration forms throughout Essex County, his goal is 3,000.

The Board of Commissioners recently signed on to Magnifico's idea to enclose the registration forms in municipal property tax notices, scheduled to go out in August.

Currently, veterans hospitals are working on cancer research, and making efforts to treat Agent Orange and Gulf War Syndrome.

Magnifico said the East Orange facility has gained momentum in striving for improvements under its director, Kenneth Mizrach.

Veterans hospitals serve a useful purpose, particularly in times of war and other disasters. Military veterans should take a few moments to fill out the registration forms and thereby avail themselves of the medical services provided at VA hospitals.

For more information or to register, contact Jack Magnifico, 25 Chestnut St., Nutley, N.J., 07110-2412.

YOUR OPINION

On Bernard O'Connor

To the editor:

One of Belleville's finest citizens passed away this Saturday.

Bernard O'Connor loved Belleville. Barney was always involved, from his early days starting the Young Democrats to just recently joining the John V. Kelly Civic Association.

Barney always put his family first and his love for Belleville was unsurpassed.

If it was saving trees or getting Belleville the reservoir property that the town blew in 1988 or being the town plumbing inspector for over 20 years, Barney served Belleville well.

Not only did Barney help me in my campaigns or with anything that would benefit Belleville, but he was a good and loyal friend for the past 13 years to me, I first met him when we worked on Vinnie Strumolo's 1984 campaign.

He opened the door for me to meet a whole array of people in Belleville. We went through a lot together. From his heart operation to all the campaigns, I'll tell you one thing - he was one of the best Bellevillites that ever lived. Barney, job well done.

Water meter problems

To the editor:

Your article regarding the installation of remote reading water meters of Belleville taxpayers was certainly very enlightening. It answered the question of why I was receiving estimated water bills since my water meter was located on the outside of my home.

The incompatibility of Public Service equipment with existing water meters is not the problem of the taxpayers. The equipment should have been tested by Public Service without water meters before the inception of the program.

There are several solutions to this fiasco.

1. Replace Public Service with a company that can read the existing water meters with their equipment.

2. Public Service should supply each water customer with the proper meter at no cost to the customer.

3. Bring back the township meter readers to do the job.

It is appalling to think that the water customer in Belleville be expected to make a \$100 purchase to remedy the situation that was not created by them. We are overtaxed as it is. Please don't burden us with this, too.

Of All Things

By Frank Orechio

A feature of the Nutley Sun, Bloomfield Life, Belleville Times and Glen Ridge Voice

• **RECENTLY**, Michael Francis, the former chairman of the New Jersey Sports and Exposition Authority was indicted on new influence-peddling charges by a state grand jury that expanded earlier charges against him. Four additional counts of concealing ties to reputed mobsters to profit himself and his Fairfield-based mall-cleaning business puts Francis in a bigger hole. He is also charged with threatening labor trouble at an Atlantic City mall where he sought a \$500,000 cleaning deal. I've known Michael Francis for many years. He was Essex County Republican Chairman for one year. In all the years that I have known Francis, I never saw this side of him. But, I guess, that's the way it is with life: meeting people in politics, you only see one side most of the time — and if we hang in long enough, we finally see the other side — much to our regret.

• **A 1967** graduate of Nutley High School who now resides in Edmonds, Washington, Robert A. Shepard, was selected as the recipient of Washington State's Award of Excellence in Education. The award recognizes the awardee for his outstanding leadership, contributions and commitment to education. The ceremony was held May 28th at the State Capitol Building in Olympia. Governor Gary Locke and Dr. Terry Bergeson presented him with the certificate.

He is the son of Lillian Shepard and the late Richard A. Shepard of Nutley.

• **LAST** week's Nutley Sun published a stunning statement in connection with a story regarding the Nutley Family Service Bureau. The following took my breath away — "Due to recent decrease in support by the United Way and increased expenses, the Nutley Family Service Bureau may have to close its doors forever." At the very least, the services of the Nutley Family Service Bureau should be folded into the Department of Health in the Public Affairs Department. If the town budget can't afford it, then economies must be found in other areas to permit the program to continue within the town wide budget.

• **NUTLEY** School Superintendent, Dr. Frank Votto should be commended for his effort in merging handicapped youths into mainstream classrooms. Approximately 400 disadvantaged students currently live in the school district. Students involved include those with learning or physical impairments, some are blind or deaf, some suffer medical illness and some from a rare behavioral problem. Director of Special Services, Barbara Hirsch, renowned for her expertise in this special field says she enthusiastically supports the new efforts toward inclusion. "It gives all the youngsters the opportunity to reach their maximum potential," she said. Votto issued a warning that, "We have to make sure that a handicapped student can succeed." He is absolutely on target. It would be a greater tragedy if a handicapped student judged to be

incapable of assimilation into the mainstream was forced into anyway — and then failed the acid test. Failure could lead to the most dire of consequences.

• **LAST** Thursday night was another "standing room only" event sponsored by the Passaic County Republican organization with over 1,000 people in attendance. The happening was a Pegasus at the Sports Complex. It was a fundraiser to help the GOP candidates win in November. The lead-off man for the organization is Senate candidate Norm Robertson who is cut above what people expect of elected public officials.

• **FORMER** Congressman Bill Martini joined the prestigious law firm of Sills, Cummi, Zuckerman, Radin, Tischman, Epstein & Gross headquartered at Newark's Legal Center.

• **NUTLEY** Mayor Gary Furnari is holding a campaign fundraiser on Thursday, July 24th, 7-9 p.m. at his campaign headquarters, 590 Franklin Ave. RSVP to 667-1414.

• **FORMER** Democrat Mayor Ken Gibson is a candidate for Essex County Executive. Gibson is a decent enough guy, but he has been away from active politics for so many years, one wonders where his base is.

Something for all at the library this summer

Wondering what to do on your summer vacation? Whether you are a child, teen, adult or senior, there is something for you at the Belleville Public Library and Information Center this summer.

In the James J. Cozzarelli Jr. Children's Room, there are daily activities for the children from Monday through Friday. Just get a copy of "Explore Science at the Library Notebook."

At the Shafter Branch Library, from Monday through Wednesday, there are daily activities. Pick up their listing.

Both libraries are sponsoring "Science @ the library summer reading clubs. There are science storytimes, special guests to answer questions on science, computer training, the opportunity to be a scientist, the Belleville Library Players, a volunteer program in the James J. Cozzarelli Jr. Children's Room and the Live Monday Night Performances for families.

In the Adult department, there are craft programs for teens, adults and senior on Mondays, Tuesdays and Wednesdays, opera and light opera programs, travel film programs, and musical film programs. There are also the Eight Live Monday Evening performances and concerts.

The adult department also has a one-on-one job counseling service, on Monday evenings, provided by a Special Populations Grant from the New Jersey State Library. Don't forget that you can also pick up a CD, an audiocassette, a video, or a book for enjoyment on your summer vacation.

Scout council wins award

The Girl Scout Council of Greater Essex and Hudson Counties announced that it has won a national award for its Baby Bundles project in the 24th annual "Colgate Youth for America" campaign, a search for the country's best community service projects by young Americans.

The announcement of the winner was made in New York by Jonathan Silverman of TV's "The Single Guy." Amy Yasbeck of "Wings," and Debra Messing of "Ned and Stacy," three of the members of this year's judging panel.

The program was established in 1972 to encourage community responsibility in young people.

According to the council, the Baby Bundles project was a drive by Girl Scouts to collect items such as diapers, formula, baby food, bibs, towels and clothes. Individual troops collected the items and then bundled them for distribution to needy babies. More than 700 bundles of items were produced and distributed throughout the council's jurisdiction.

"Community service has always been an integral part of the Girl Scout program, helping girls to become resourceful, independent and caring young women," said Jan Lilien, executive director of the council.

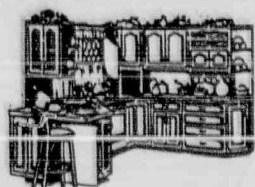

"The baby bundles project was a great success, providing valuable assistance to those in need and teaching Girl Scouts that it is possible to make a difference in their communities," she said.

U.S. clubs and troops of six national youth organizations - Girl Scout, Boy Scouts, Camp Fire, Girls Incorporated, 4-H and Boys and Girls Clubs - were invited to enter their best community service projects in the Colgate campaign. Cash grants were awarded for the best projects in each of the organizations. The Girl Scout council was awarded a \$100 fourth-place prize.

The Girl Scout Council of Greater Essex and Hudson Counties serves approximately 11,000 girls and adults in Essex and Hudson counties and Summit and New Providence in Union County.

For additional information, contact the council at 120 Valley Road, Montclair, New Jersey 07042. Call 746-8200 or fax 746-4163.

Mr. and Mrs. Mario Iannelli - nee Michele Complitano

Michele Complitano bride of Mario Iannelli

Holy Family Church, Nutley, was the setting May 21 for the marriage of Michele Denise Complitano, daughter of Mr. and Mrs. Anthony Complitano of Belleville, to Mario Iannelli, son of Josephine Iannelli of Totowa, and the late Mario Iannelli.

The Rev. Albert Malgeri performed the ceremony which was followed by a reception at Nanina's-In-The-Park, Belleville.

Escorted by her father, the bride wore an Italian satin off-the-shoulder gown accented with gold beading. A matching headband held her veil and she carried white silk gardenias, gold eucalyptus and palm leaves.

Beth Demgard of Manasquan was the maid of honor. Bridesmaids included Rosemaria Complitano of Belleville, sister-in-law of the bride, Andrea Lemongello of Belleville, Robin Savona of Aberdeen, Maryann Mancini of West Paterson, sister of the groom, Carolyn Del Guercio of Caldwell and Katie Del Guercio of Chatham. Kristin Iannelli and Racquel Mancini, nieces of the groom of West Paterson, were junior bridesmaid and flower girl respectively.

They were in sand-colored sleeveless cocktail gowns and carried white silk cymbidium orchids.

Sal Iannelli of West Paterson served as his brother's best man. Ushering were Anthony and Nicholas Complitano of Belleville, brothers of the bride, Joseph De Feo of Riverdale, Kurt Albinson of Wayne, Billy MacTaggart of North Haledon and Robert Meyer of Wayne. Ryan and Sean Iannelli, nephews of the groom of West Paterson, were junior usher and ringbearer respectively.

Mrs. Complitano chose a bone evening gown with matching jacket while the groom's mother was in a beige evening gown. Corsages were of gardenias.

Mrs. Iannelli, an alumna of Belleville High School, Bergen Community College and William Paterson College, is a service representative with Merkert Enterprises of New York, Fairfield.

Mr. Iannelli, a graduate of Wayne Hills High School, Upsala College, East Orange and NJIT, Newark, is a master's candidate at NJIT. He is a civil engineer with Tams Consultants, New York.

The couple is living in Totowa after honeymooning in Hawaii.

Belleville residents receive materials management certificates

Belleville residents Edilberto Daclan and Tomas Ortiz recently completed a certification program in material management offered by Bloomfield College's Materials Management Institute in Bloomfield.

Taught by senior professionals employed in their fields of instruction, the certification program addresses the way materials are acquired, controlled, stored and distributed. The seven courses also cover specific area of production and inventory control, purchasing, quality control, distribution, traffic and warehouse management.

The Materials Management Institute (MMI) is a model of cooperative planning between the academic and corporate sectors, providing continuing education opportunities for adults working in industry.

Bloomfield's MMI offers one of the nation's few professional certificate programs in the field of materials management that holds classes both on campus and on site

at a company workplace.

Through the years, major companies such as AlliedSignal Inc., Engelhard Corp., Sandoz Pharmaceuticals Corp., Schering-Plough, PSE&G and many others have welcomed faculty from the MMI to hold classes on-site, while more than 100 New Jersey companies, such as Hoffmann-La Roche and Royal Doulton, have sent individual employees to the Bloomfield College campus to enroll in classes.

Daclan is employed by the Seton Leather Company. Ortiz is employed by Valley Hospital.

MMI holds classes in the fall, spring and summer sessions. Bloomfield College also offers a bachelor's degree in business with a concentration in materials management, the only such program in New Jersey.

For more information about Bloomfield College's Materials Management Institute, call Ed Pfefferkorn at 748-9000, extension 413.

Clara Maass renovates parking deck

The two-level parking deck located on the Clara Maass Medical Center campus in Belleville will be temporarily closed for renovations beginning Monday, July 21.

The renovations are expected to be completed by the early fall.

During the renovation period, valet parking will be made available for all visitors and outpatients to the medical center, beginning at 10 a.m. Visitors and outpatients should follow designated signs which lead to a drop-off point where a Clara Maass representative will park the vehicles in an on-

campus lot.

For those interested in self-parking, a free shuttle service will be provided. The shuttle service will transport visitors and outpatients to and from the main entrance of the hospital. Visitors will be directed to shuttle drop off and pick up points in the visitor parking area, located across from the emergency room entrance.

A designated lot, located on the corner of Magnolia and Newcomb streets, will be available for visitors to the Continuing Care Center and the Professional Building, 36 Newark Ave.

Master of arts degree awarded

Marc G. Manara, son of Charles J. Manara of Bloomfield and Rochelle Manara of Toms River, received a master of arts degree in criminal justice from Villanova University in Villanova, Pa., on May 18.

Manara, a former resident of Belleville, also received a bachelor of arts degree from Villanova in 1995.

He attended School No. 8, Belleville Middle School and Belleville High School before transferring to Seton Hall Preparatory School in West Orange for his sophomore year. He graduated from Seton Hall Prep in 1990.

Nutrition On-line

By Michael A. DeAngelis

A feature of The Nutley Sun,
Belleville Times, Bloomfield Life
and Glen Ridge Voice

As the old saying goes, all good things must come to an end. This is the last installment of "Nutrition On-line" that I will be writing.

Over the past two years, this column has attempted to provide a source of nutrition information that each reader could use.

I would like to share with you some final gems of nutrition wisdom.

Always remember that all foods can fit into a healthy diet as long as you control how much of that food you are eating.

When you are looking for advice, be sure to seek out a registered dietitian (RD). She or he is the only true nutrition expert. You can find a registered dietitian through your local hospital or on the web at www.eatright.org.

Be wary of diets and health plans that sound too good to be true because most likely they are too good to be true.

There is never one answer in nutrition. No one food is the super food; it takes a well bal-

anced diet that resembles the Food Guide Pyramid to make a healthy diet.

Above all else, continue to seek out knowledge about nutrition. Never let your hunger for knowledge stop.

Fortunately, for myself, I will be moving to Boston to pursue a Master's in nutrition communications and a Ph.D. in nutrition.

I would like to thank Frank and Carmen Orechio for giving me the chance to write for Orechio Publications.

I would like to thank Steve Galvacki, Natalie Waldron, and all of the staff at Orechio Publications for their patient guidance and support.

Finally, being healthy means eating healthy and living a healthy lifestyle including exercise.

The most important wisdom to remember is that eating should be fun, exciting, and healthy. Never deprive yourself of the enjoyment of food.

Eat well and enjoy life!

Chronic pain workshop July 30

When a neurologic medical doctor and a chiropractor square off to discuss which approach is better for the treatment of chronic pain, you might expect to get your "ear" chewed off.

However, this will not be the case as Dr. Sylvain Junger, M.D., neurologist, and Dr. Steven Clarke, chiropractor, two leading authorities in the field of chronic pain medicine, invite the public to a chronic pain workshop on Wednesday, July 30, at 7:30 p.m. at 271 Washington Ave., Nutley.

The evening will feature live demonstrations of each doctor's proven techniques.

Dr. Clarke obtained a doctorate of chiropractic from the Logan College of Chiropractic, St. Louis, Mo.

In addition to residency at the Montgomery clinic, Dr. Clarke spent three years as a physician's assistant to two of the nation's top-ranked chiropractors. He brings these skills and techniques to one of Essex County's most successful

chronic pain practices.

Dr. Clarke specializes in neuromuscular rehabilitation and personal injury and has his pain clinic in Nutley.

Dr. Junger is the director of the Pain Center of North Central Neurology.

After obtaining his medical degree at the Medical College of Virginia, he completed a neurology residency at Henry Ford Hospital in Detroit, Mich., and then a neuromuscular fellowship in Chicago, Ill.

He has served as a medical consultant for a pain center in Northern New Jersey and maintains offices in Belleville, Denville and Lafayette.

Anyone interested in attending the chronic pain workshop should call 586-8555 for reservations. Refreshments and handouts will be available.

A drawing will be held during the program and the winner will receive a whole body therapeutic massage by a licensed therapist.

Montclair Community opens cafe

It's no fun to dine alone.

That's one of the reasons why Montclair Community Hospital is opening the Senior Cafe later this month.

Under the direction of the dietary department, the Senior Cafe will be open Monday through Friday from 4-6:30 p.m. Membership is open to anyone in the community 55 years or older. There is no fee for membership and a full course menu is offered for only \$3.50 per meal.

"Where else can you enjoy a home-cooked meal at this price?" said Sr. Patricia Finnerty, director of the dietary department at Montclair Community Hospital. She noted that in the coming months, the Senior Cafe will host theme parties, birthday celebrations, special events, movies and "seminars of interest to the mind, body and spirit of our senior community."

"The cafe will not only offer a delicious and nutritious meal, but also provide healthy socialization, particularly for seniors who are living alone."

The daily menu includes soup, salad, fresh vegetables, a hot entree, dessert and hot or cold beverages.

For more information or a membership application, call 509-6143.

House of the Holy Comforter undergoing major expansion

For more than 80 years, The House of the Holy Comforter, located on Pleasant Avenue in West Orange, has served the needs of seniors from Bloomfield, Glen Ridge, the Oranges, Montclair and the surrounding area.

Generations of local families have relied on the director and staff of "the House" to provide high quality assisted living in a home-like setting full of Victorian charm.

Now The House of the Holy Comforter is expanding that tradition of caring.

Beginning in the fall, a major addition, located at the rear of the existing landmark building, will provide up-to-date accommodations for 40 male and female residents.

Board member Diane Mayo, who represents Christ Church of Bloomfield and Glen Ridge, said, "We on the board see this as the beginning of an exciting new chapter in the life of the House."

Signs of this new life are already evident. Work on the roof is underway and workmen from Construction Insights, Inc., are at work on the interior. When opening day arrives, the expanded House will also be complemented by lush new landscaping.

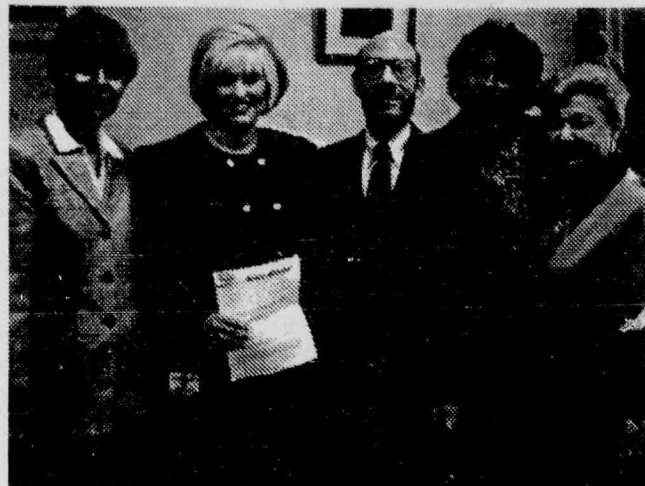

But in the midst of all the change, one thing will remain the

same: The House of the Holy Comforter's tradition of service to its residents. Under the direction of Health Care Management, Inc. of Hackettstown, residents will continue to enjoy all the comforts of home without the worries and responsibilities of home ownership. As in the past, meals will be served in a graciously-appointed dining room and activities will abound. Residents will also have the option of attending regularly scheduled religious services in a sparkling new chapel.

Mayo said she believes that the director and staff of the newly expanded House will also be prepared for outreach.

"We have always been an asset to the community," she said, "and now we want to be a resource as well. We look forward to holding our first open house so our friends and neighbors can see the way we have expanded and refurbished our home. Later on, when the residents have settled in, we also plan to initiate a series of seminars on topics of interest to area seniors and their families."

Though The House of the Holy Comforter's new building will not be open until the fall, inquiries are always welcome. For further information, call 736-1194.

Celebrating the presentation of the Healthy Bones grant are, from left, Joanne Simonetti, RN, program director of the Women's Health Center; Gail Beyer, RN, Community Awareness nurse; Len Fishman, New Jersey Commissioner of Health and Senior Services; Crystal Branch, RN, an orthopedic nurse; and Dee Freedman, senior peer advisor at Clara Maass.

Clara Maass receives grant for osteoporosis program

The Osteoporosis Service at the Women's Health Center at Clara Maass was recently named one of 17 state agencies to receive a portion of a \$100,000 grant for osteoporosis prevention, exercise and education programs.

The Women's Health Center was the only Essex County facility to participate in the program.

"Project Healthy Bones," which will run through April 1998, is designed to increase osteoporosis awareness among women over the age of 60 who are at risk for osteoporosis and related disabilities. The first session of the program began July 2 and includes educational units in addition to exercises using wrist and ankle weights. These exercises are specifically selected to safely build muscle, maintain bone strength and improve balance.

In addition to the scheduled classes, program participants are required to exercise on their own at home and make lifestyle changes that promote healthy bones and overall wellness. Senior volunteers who complete an intensive training program lead their peers in weekly exercise and education classes.

"This program will empower older women to make the necessary lifestyle changes to reduce their risk of osteoporosis," explains Joanne Simonetti, RNC, MS, program director at the Women's Health Center. "It will also help control the effects of osteoporosis in those women who are already

affected."

Twenty-eight million Americans, 80 percent of them women, suffer from some degree of osteoporosis. Project Healthy Bones is administered by the Department of Health and Senior Services' Osteoporosis Prevention Program, founded in 1991 with the help of a grant from the Centers for Disease Control and Prevention (CDC).

"Osteoporosis is a major public health problem, but it can be alleviated through proper exercise, education and lifestyle change strategies," said Annette Cozzarelli-Franklin, MD, medical director of the Women's Health Center at Clara Maass. "We are delighted that the Women's Health Center was selected to participate in the program."

The Osteoporosis Service at the Women's Health Center offers a complete and comprehensive health program providing in-depth screening and medical evaluation to aid in preventing and treating osteoporosis. The Women's Health Center at Clara Maass provides specialized services geared toward women's wellness and illnesses. Services available include a dedicated breast service, perinatal program, diagnostic imaging services, support groups and a health resource center. For more information on services available through the Women's Health Center, please call 1-888-WOMEN-OO.

New era in health care introduced in Kearny

Ushering in a new era of health-care, Clara Maass Medical Center introduced the latest addition to its continuum of care with the grand opening of the Clara Maass Continuing Care Center at Kearny.

The state-of-the-art facility at 195 Belgrove Drive — housed in the newly-renovated Congoleum building — features a 90-bed skilled nursing facility and a 30-bed assisted living residence.

"For years, Clara Maass has served residents of Kearny and Hudson County from across the Passaic River," said Robert S. Curtis, president and CEO of Clara Maass Medical Center. "Today, this newly renovated state-of-the-art structure not only symbolizes a bridge Clara Maass has built to Kearny, but a commitment to delivering the highest quality of care at a convenient location for the citizens of Hudson County."

For more than a decade, the Clara Maass Continuing Care Center at Belleville has operated 182 long-term care beds on the campus of the medical center. Like Belleville, the Kearny facility will provide a comprehensive program of care for its residents, including 24-hour nursing care. Additionally, the resources of Clara Maass Medical Center are readily available for emergencies and diagnostic services.

"Just as the Continuing Care Center at Belleville provides 24-hour nursing care and ancillary services, with a quality that exceeds all set standards, the Kearny facility will carry on this legacy," added Curtis.

"The Continuing Care Center at Kearny will mirror the excellence set forth by its sister facility in Belleville," said Billiejean O'Brien, vice president of Continuing Care and Home Health, reflecting on the recent deficiency-free rating the Clara Maass Continuing Care Center at Belleville received from the New Jersey Department of Health and Senior Services. The initial operations survey of the Kearny facility followed this trend of excellence and deficiency-free ratings for the skilled nursing and assisted living areas.

In addition to providing a Continuing Care option to residents of Hudson County, Clara Maass also initiated the development of the area's first hospital-based, licensed, assisted living residence.

"We want the aging population to have a variety of choices," said Patricia Meyers, assistant vice president of Continuing Care.

"Assisted living offers seniors another viable option. It promotes independence, while providing residents with personal or healthcare assistance."

Assisted Living became available in 1991, when the New Jersey Department of Health proposed several innovations in long-term care. Clara Maass' program is designed to meet the changing health needs of residents by providing services including nursing, pharmacy, physical and occupational therapy, nutritional counseling and social services.

"The development of an Assisted Living Residence is in direct response to the changing needs of our community," commented Curtis.

The Assisted Living Residence offers a flexible and responsive solution to the needs of an aging population. The Kearny facility comprises an entire floor and includes a separate street entrance, private parking, and a hotel-like lobby with concierge and security. Personal care assistants — cross trained in diverse roles — provide assistance with daily living tasks, medication administration, housekeeping, recreation and meals.

"It is the ability as well as the experience of Clara Maass in caring for all forms of geriatric conditions that will make the Assisted Living Residence in the Continuing Care Center at Kearny an outstanding choice in long term care," said O'Brien.

Without the support of community members, Clara Maass may not have been able to deliver this unique healthcare option to the residents of Hudson County," said Mary Morrison, executive vice president and CEO. "We are pleased we have many friends across the river, and are absolutely sure that all Kearny residents will marvel at this beautiful facility."

The Continuing Care Center at Kearny opened its Resource Center in February and is currently accepting applications for both assisted living and long-term care arrangements. Individuals or families interested in learning more about the assisted living residence or long-term care at the Continuing Care Center at Kearny should call 844-4802. Appointments may be scheduled and tours arranged for interested parties.

DOCTOR'S DAY — Philip A. Rispoli, M.D., a resident of Bloomfield, and James Heimann, M.D., a resident of Roseland, celebrate Doctor's Day with Mildred Rispoli and Donna Criscito of the Essex County Medical Society Auxiliary at Clara Maass Medical Center in Belleville. Dr. Rispoli is a family practitioner and immediate past president of the Clara Maass medical staff, while Dr. Heimann is a radiologist and medical director of radiology at Clara Maass.

A CELEBRATION — William Catena, M.D., a resident of Nutley and an infectious disease doctor on the medical staff of Clara Maass Medical Center in Belleville, celebrates Doctor's Day with Mildred Rispoli of the Essex County Medical Society Auxiliary.

Trustees receive NJHA award

Three Atlantic Health System trustees received the New Jersey Hospital Association's (NJHA) Trustee of the Year award at the organization's recent annual meeting.

Honored for their leadership roles in the formation of Atlantic were Herbert Dooskin, chairman, Atlantic's Board of Trustees and past chairman, Mountainside Hospital; Clifford Michel, vice chairman/treasurer, Atlantic, and past chairman, Morristown Memorial Hospital; and Bartholomew Sheehan, Jr., vice chairman/secretary, Atlantic and past chairman, Overlook Hospital.

"Extending the honor to more than one person is a departure from NJHA tradition, but given their collaborative efforts to positively impact health care delivery in northern and central New Jersey, they each deserve the award in their own right," said Gary Carter, president of the NJHA. "They embody the best in trusteeship."

As chairmen of their respective hospitals, the honorees recognized

that the health care environment in New Jersey was undergoing radical transformation and that the restructuring of health care delivery would inevitably cause a concentration into fewer, larger health care systems. At a time when most hospitals in New Jersey were pursuing clinical affiliations, the trustees acknowledged the true benefits that a fully-merged entity would bring to the communities their hospitals served.

Atlantic Health System, formed in May 1996, now includes four of New Jersey's premier hospitals — Morristown Memorial, Overlook in Summit, Mountainside in Glen Ridge and The General Hospital Center at Passaic. The system is also affiliated with Chilton Memorial Hospital in Pompton Plains and Newton Memorial Hospital.

Atlantic hospitals serve 2 million people in eight counties in northern and central New Jersey, have a combined total of 2,150 acute care beds and provide a wide array of health care services.

A message from Dr. Shurminsky

Well, I did it! On July 3, I got zapped!

Over the last year, many of you have been seeing information about laser vision correction. The sales pitches sound great, but many have expressed apprehensiveness about the whole thing. So I figured if I was going to consult my patients on the procedure, it was time for me to do it myself.

I chose to have LASIK on myself. You have heard or seen ads for refractive surgery but no explanation about the options. LASIK is more involved than the basic PRK. It uses a microkeratome to create a flap on the surface of your eye. The flap is put back in place after the laser is done.

I must admit I was a little nervous going in, but the whole experience was rather pleasant. I felt some discomfort for 10-15 seconds during the first part of procedure, but after that point, it was all uphill. It was over in 20 minutes, start to finish, both eyes.

I went home that night in a blur, but got up the next morning and drove to the grocery store. My vision was 20/30, 18 hours after the procedure. There was a little scratchy feeling that day, but no more than a bad contact lens day. I returned back to work on Monday, July 7, but could have two days earlier.

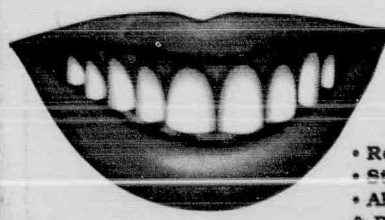

If anyone wants information about this procedure or wants a first hand testimonial about it, please give me a call. I would be more than happy to speak with you. I even videotaped my own surgery.

GALA "REBIRTH" — Belleville physician Dr. Peter Amirata, second from left, and his wife, Heidi, left, reservations chair of the Renaissance Ball to benefit the Columbus Hospital Foundation, Newark, join Dr. Patrick Ciccone, third from right, and his wife, Grace, third from left, who served as ball chairwoman; Judge Anthony Iuliani and his wife, Jeanne, a foundation trustee and decorations chair for the event, at the foundation's recent ball. The annual black-tie gala, held at the Pleasantdale Chateau, West Orange, hosted more than 400 people, netting \$152,000 for the hospital. The evening's festivities, organized by the Columbus Hospital Women's Auxiliary, included entertainment by actor-comedian Joe Piscopo, who was recently named to the foundation's board of trustees.

Oakes & Friends to play Page One Cafe Saturday

Songwriter and musician Robert Oakes of Nutley will perform two sets of original music and lyrics Saturday, July 19, from 8 p.m. to 10 p.m. at the Page One Cafe, 219-221 Glenridge Ave., Montclair.

Guitarist Paul Badalamenti and percussionist Mike Saporito are among the 'Friends' scheduled to appear that night with Oakes, whose intriguing lyrics and soft but intense musical style have captivated many listeners.

Oakes' lyrical voice is often very poetic, with sound patterns and images blending naturally together into a structured flow of thought and feeling.

Spirituality and Love, often expressed through natural imagery, are usual themes in his songs.

The group's musical style stems out of the American folk tradition, including references to Irish, Latin and Middle Eastern traditional music, as well.

Oakes accompanies his voice with acoustic guitar, yet he also plays bamboo flutes, tin whistle, dulcimer and percussion.

Badalamenti weaves some very interesting electric and acoustic guitar leads into the

Robert Oakes

songs, which often appear to express musically what Oakes shows with his words.

Saporito's drumming talent and musical sensitivity enable him to create some very tasteful percussion parts, lending the group a sound rhythmic backdrop.

Oakes, a student at Montclair State University, is working this summer as an editorial department intern at Orechio Publications, which publishes The Nutley Sun, Belleville Times, Bloomfield Life and Glen Ridge Voice.

Bob Oakes, Sr., Robert's father and famed local blues singer, is expected to make a cameo appearance with the group that night.

HOROSCOPES

July 20-26

ARIES - March 21/April 20

The end of the month seems to bring the end of your good mood. Don't get discouraged; you feel happier by the week's end. A co-worker asks for your advice on a project. Be honest even if you think your opinion will not be appreciated. A loved one comes to you for help. Don't let him or her down.

TAURUS - April 21/May 21

Even though you may want to, don't lock yourself in the house this week. There's more to life than just work and sleep. Go out on the town; you'll meet interesting people who can turn into good friends. A romance even may bloom. Another Taurus figures prominently in your life late in the week.

GEMINI - May 22/June 21

Don't let a co-worker talk you out of something that you truly want to do. You know what you are capable of, and you shouldn't let anyone stop you. When it comes to your love life, you have the time of your life this weekend. A close friend reveals his or her true feelings for you, and you are flattered.

CANCER - June 22/July 22

A superior at work trusts you with a company secret; don't let him or her down by telling others. Your loyalty wins you praise and will benefit you in the future. A loved one asks you to help with a friend. While you feel out of place, your input is truly needed and will be taken seriously.

LEO - July 23/August 23

You are the center of attention wherever you go this week, whether at work or at play. Your manager puts you in the spotlight when you create a plan that will serve the company well. Your outgoing nature wins praise from your friends and loved ones. Capricorn plays a key role early in the week.

VIRGO - Aug 24/Sept 22

You aren't able to sit still at work, because co-workers and managers continually give you more work to do. Don't get overwhelmed. If you remain calm, you can handle it all. As for loved ones, they have you jumping through hoops to get a family matter taken care of. While it's frustrating, everything works out in the end.

LIBRA - Sept 23/Oct 23

Try not to be gullible this week, because co-workers try to take advantage of you. Stand your ground, and don't make any quick decisions. That special someone whom you've been dating wants to step up the relationship. Think about what you really want before saying yes. Leo and Cancer are involved later in the week.

SCORPIO - Oct 24/Nov 22

Stand tough at work early in the week. It seems as if nothing is going your way. Yet, don't get depressed, because things get back to normal soon. A friend introduces you to an interesting stranger. Don't be shy; get to know him or her.

SAGITTARIUS - Nov 23/Dec 21

Your gregarious nature is challenged during the middle of the week when a loved one blames you for a family problem. Don't immediately get on the defensive. You know you are not at fault, but yelling will not remedy the situation. Remain calm, and be rational. Leo plays a key role.

CAPRICORN - Dec 22/Jan 20

You have a well-deserved week of rest, Capricorn. All of the hard work you've been putting in at your job and with family members finally pays off. Take some time for yourself; just relax. Do the things you normally don't have time to do. You'll thank yourself for it.

AQUARIUS - Jan 21/Feb 18

It's a good thing that you are a tranquil person, Aquarius, because you have a trying week in front of you. Things at work seem to backfire, and for every step forward, you take two steps back. Family members also demand a lot of you this week. No matter what you do, it doesn't seem to be enough. Things get better by the week's end.

PISCES - Feb 19/March 20

You gain a sense of freedom this week. Everything that was holding you back at work seems to disappear. With no barriers in front of you, you make great strides and get noticed by the higher-ups. That special someone surprises you with a romantic evening. Enjoy it to its fullest.

Varsity club extends thanks to senior athletes

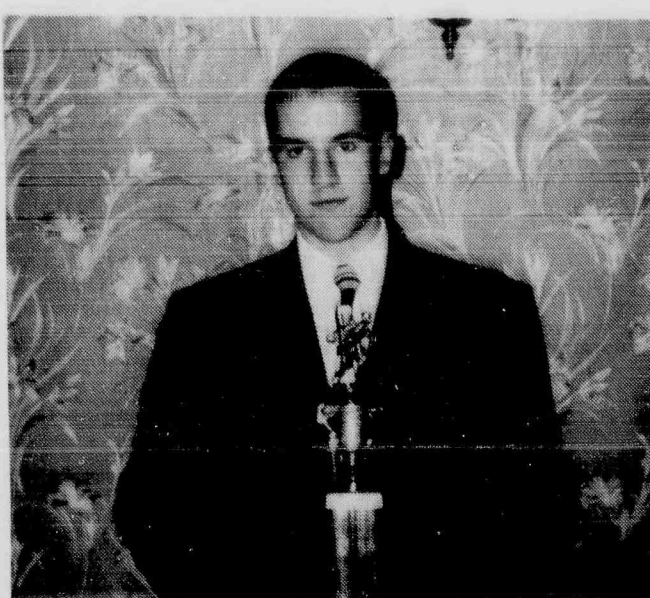

Baseball standouts, from left to right, Ed Pagan, Lou Pallante, Tom Dyer, Marc Lawrence and Rich DeFalco get together for one last high school sports photo during Varsity Club dinner.

Crew members, from left to right, Mike Schmidt, Edwin Mercado, coach Dave Silletti, Edwin Garcia and Scott Horst all enjoyed the Varsity Club dinner at the Chandelier.

Senior members of the Lady Buc softball team, from left to right, Joelle DellaVolpe, Jessica Rotino and Kim Mahoney get together for photo during Varsity Club ceremonies.

Senior Kevin Lee had a fine season for the Buccaneer bowling team. He was among the B.H.S. senior athletes honored by the Varsity Club at the Chandelier last month.

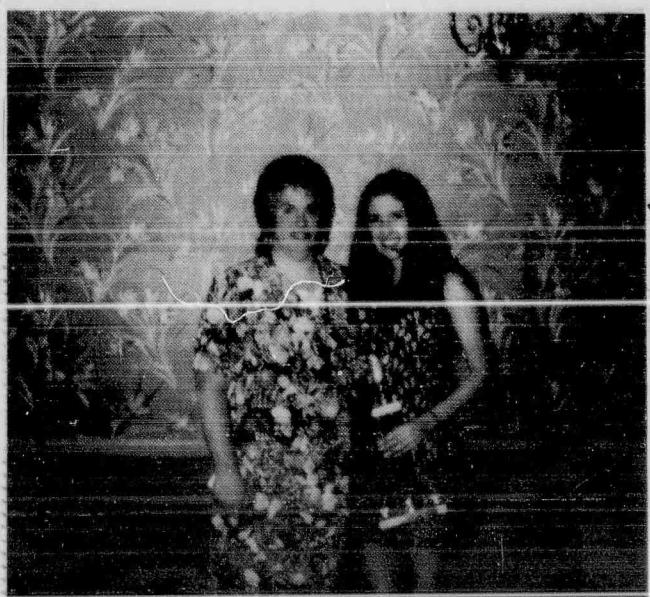

Girls crew coach Maureen Russo (right) with senior D. Line during Varsity Club festivities.

The Buc tennis team, left to right, A. Corino, Coach Tony Salese, L. Chinchankar and S. Rueda. The team battled a tough schedule this spring and was very competitive.

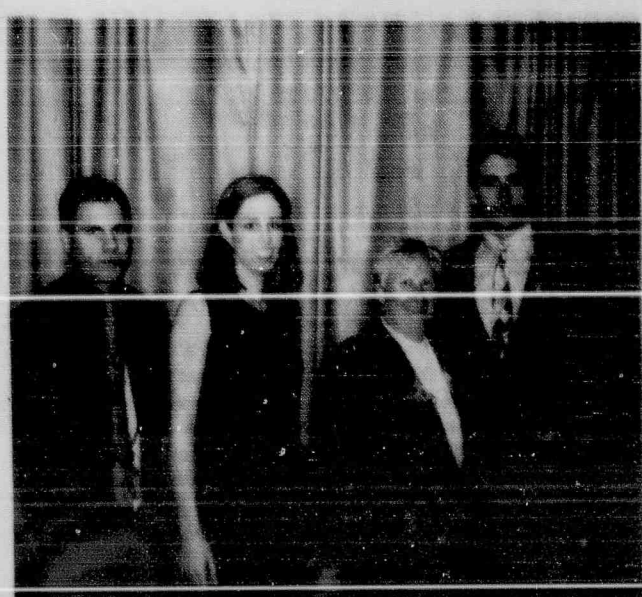

Girls basketball coach Cheryl Marion (left) with players Dilma Hernandez, Deana Addis, Joelle DellaVolpe and Kim Mahoney at Varsity Club dinner.

Cheerleading advisor Carol Russo and senior captain Devon Wille are all smiles during picture taking at Chandelier. The Varsity Club did a great job, once again, in honoring Belleville High School senior athletes.

Wrestling standouts Chris Zarro (left) and Tim Hands enjoy festivities at the Chandelier during Varsity Club dinner held last month.

From left to right, seniors Rich DeFalco, Deana Addis, Athletic Director Karen Fucello and senior Tom Dyer enjoy a moment together at Varsity Club dinner held at the Chandelier. Dyer was a three sports star in football, basketball and baseball.

"We haven't been getting the defensive play," said assistant coach Charlie Giachetti, who will now be the head coach for the rest of the season with Galisto preparing

In the night cap, Twins pitcher John Probst hurled a no-hitter for the first five innings and the Twins held a precarious 1-0 lead. However, in the Phillie sixth, a Twin error opened the door to three Phillie runs. There were two very close plays at home plate and in both instances, the call went against the Twins.

"We've got to go with the players who are here every game. Hopefully, we'll get rolling."

TREATMENT FOR FIBROMYALGIA

Fibromyalgia is a chronic disorder characterized by aches, pains, and stiffness in joints and muscles. The character of the pain may vary considerably and is felt at the points where muscles attach to bones by the ligaments. Common tender points are at the front of the elbow and hip joint, the back of the knee or shoulder, the base of the neck, and along the vertebrae. Recent research suggests that a combination of antidepressants may help relieve these deep aches. According to research presented at a meeting of the American College of Rheumatology, the combination of amitriptyline and fluoxetine relieved pain and sleep disturbances among fibromyalgia patients significantly better than when the antidepressants were taken independently.

People react differently to drugs. Anyone with chronic aches, pains, and stiffness needs to discuss their symptoms and the various ways of alleviating them with their physician. For all your prescription needs see us at ROSSMORE PHARMACY, 338 Washington Avenue (759-1968, 759-1956). We are here from 9am-9pm daily, 9am-9pm Sundays.

The beneficial effect of the antidepressants mentioned above on fibromyalgia apparently rests with their ability to increase levels of serotonin, a brain chemical that seems to be involved in the pain of fibromyalgia.

Weichert, Realtors' New "Computer Classroom on Wheels" - Weichert, Realtors is testing a mobile computer center that will bring hands-on, state-of-the-art training to Weichert sales offices. The mobile center will make it easier to keep abreast of the latest software applications for real estate and will complement the on-going training conducted by technical field trainers who travel to each Weichert office providing on-site computer training.

Weichert unveils marketing program for waterfront properties

Weichert, Realtors has introduced a new marketing program designed specifically for waterfront and waterview properties, announced James M. Weichert, president.

Developed by Weichert's marketing department, the Waterfront Properties Program is the latest of Weichert's successful niche marketing programs.

"The Waterfront Properties Program addresses the particular needs of property owners looking to sell their waterfront home, and focuses marketing efforts to reach to people looking to own property

on the water," said the Weichert president.

The program includes showcasing all of Weichert's waterfront and waterview listings on the Internet in a special section of Weichert's website at <http://www.weichert.com>.

Weichert's exclusive SMART Map technology pinpoints hot zones of buyers to maximize the impact of marketing dollars by targeting the most likely buyers, allowing the development of a campaign to provide seamless coverage of the best sources of buyers.

Melson-Campanile earns award

James M. Weichert, president, has announced that Kathleen Melson-Campanile, a sales associate with Weichert, Realtors' Upper Montclair Office, has been recognized as the office's top producer in May.

With 17 years of experience, including 15 as a broker, Melson-Campanile is an all-around real estate professional. In addition to her real estate licenses, she holds certification as a paralegal, with

emphasis in real estate law.

Among her achievements are membership in Weichert's 1996 Million Dollar Sales and Marketed Clubs. She has also been honored as a member of the New Jersey State Million Dollar club.

Melson-Campanile, who lives in the Brookdale section of Bloomfield, is active as a volunteer with Hospice, Inc. in Glen Ridge.
