## DEDICATION

## "Reggie the Dean"

We, the members of the Class of 1958, proudly dedicate this edition of the *Monad* to Mrs. Regina Degnin, who, by her ever-present friendship and willingness to help us with our problems, has gained the high regard and esteem of us all.

Mrs. Degnin not only teaches English but also is the acting head of the Language Arts Department. In addition to this, she has been our guidance counselor for four years.

Mrs. Degnin received her A.B. degree from the College of St. Elizabeth and went on to receive her Master's degree from Seton Hall University.

Having an affinity for traveling, Mrs. Degnin has visited Europe, South America, Mexico, and the Caribbean Islands. She also enjoys swimming, knitting, sewing, and reading, and, of course her dog, "Dennis the Menace".

#### BOARD OF EDUCATION AND CO-WORKERS

We wish to thank the Belleville Board of Education and those affiliated with it for their sincere interest in our welfare and education. We sincerely appreciate the long hours of hard work and the willingness to give freely their devotion and time to our interests and to those who will succeed us.

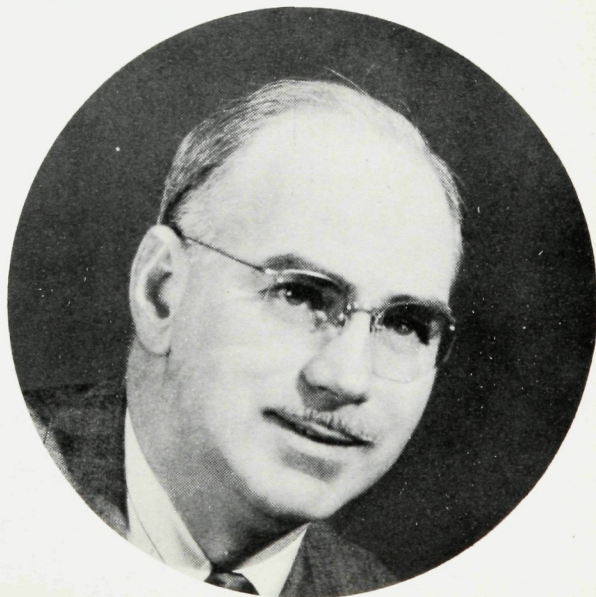

At a board meeting, seated from left to right, are Michael Rubino; Eugene Kelly; William Kintzing; Evan H. Thomas, superintendent of schools; Mrs. Mary Shader, secretary; Harold Dufford, assistant superintendent; William Boyd, president; Max Schwartz, attorney to the board; Dr. Palmer Burde, vice-president; Dr. Frank Di Ruggiero; and George Brown.

### "The Big Quacks"

MR. EVAN H. THOMAS  
Superintendent

It took a Disney to foresee the whimsical appeal that his little characters would have on the young as well as the old. It took a Mr. Evan H. Thomas to plan and to give to the youth, as well as the older people of Belleville, the preparation for a more vibrant present and a better future. His boyish laughter, his ready wit, his poise as a speaker, his understanding of the spontaneous exuberance of youth, and his foresight for our needs have made a lasting impression upon us all.

# "Scrooge's Staff"

The *Monad* staff, better known as "Scrooge's Staff," is composed of a group of hard-working, capable seniors headed by Sue Schaffer, editor-in-chief.

Every Tuesday afternoon, the staff met in Room 113 to discuss and plan the many, many features and important details that were so necessary for publishing a good yearbook.

This year we have introduced various new ideas in an effort to make the 1958 *Monad* the best Belleville High School has ever had to offer.

We wish to publicly thank Miss Weidman and Miss Green, our staff advisors; Mr. Diehl, our art advisor; Mr. Schultz, our business advisor; and Mr. Kondreck, our photographer—all whose guidance and assistance has helped to make this yearbook possible.

## ADVISORS

Mr. Schultz, business advisor, gives Miss Weidman and Miss Green, staff advisors, the first payment for a copy of a *Monad*.

*Thelma Weidman*

## PHOTOGRAPHY STAFF

Our editors, Kay Chieffo and Marilyn Torromeo, are shown here snapping a picture of Mr. John Kondreck, the photographer who worked with us.

## SALESGIRLS

These efficient *Monad* salesgirls have worked hard collecting subscription payments throughout the year for the yearbook.

#### BUSINESS STAFF

The Business Staff, under the direction of Mr. Schultz, has spent many hours soliciting advertisements for the *Monad* from various businesses.

#### MONAD STAFF

This year's staff, headed by Sue Schaffer, worked many long hours to make this yearbook a success.

SUE SCHAFER  
Editor-in-Chief

DOLORES WILSON  
Assistant Editor

#### ART STAFF

It was this group headed, by Peggy Robinson, who met with Mr. Diehl to plan and discuss the delightful Disney characters we find in this *Monad*.

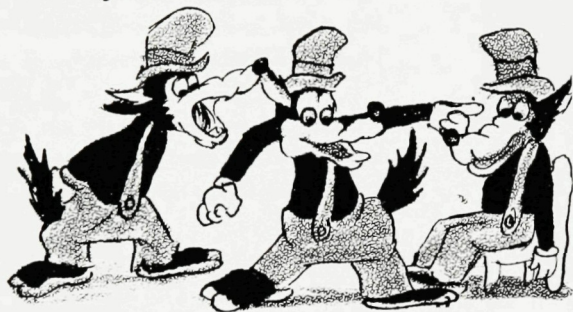

# "The Big Bad Wolves"

DR. FRANK M. DURKEE

*General Supervisor*

Dr. Durkee is that man who is frequently seen visiting classes and attending after-school meetings and workshop gatherings. He has spent many hours bringing modern educational methods to Belleville High School.

MR. HUGH D. KITTLE

*Principal*

Our journey through Disneyland could not have been quite as successful without our principal, Mr. Kittle.

We, the Class of '58, want to thank you, Mr. Kittle, most of all for the guidance and leadership you have shown us and the help you have given us to fill our years at Belleville High with memories we will always cherish. We will never forget your "public address" voice, your hovering presence during the assemblies, your cheerful grin at our asinine antics, and your encouraging manner in all our classes.

MR. RAYMOND O. SMITH

*Vice-Principal*

We have all in one way or another come in contact with Mr. Smith. Those of us who have been lucky enough to meet and know him in a history class have gained valuable knowledge; those of us who have met him in that basement room, Number 4, have undertaken reformation.

Mr. Smith's friendly personality and encouraging smile have followed us down the paths of our Disneyland and helped us along the way. We have all appreciated his help and kind understanding.

## CLASS

"Hey there, hi there, ho there, you're as welcome as can be." So felt the Mouseketeers entering Belleville's own Disneyland in September 1954.

Lacking Mickey, our ever-faithful leader, we chose very capable substitutes in the persons of Pat McCabe, president; Dolores Wilson, vice-president; Marie Volk, secretary; and Jerry Ippolito, treasurer. Mr. Lees also helped to guide the Freshman Mouseketeers into Disneyland.

As in the Land of Fantasy, joy and laughter prevailed over all of us. However, the tables were turned as the she-mice spent Twirp Week bestowing endless services upon the he-mice, which ended with the ever-popular Twirp Dance. Next came the Magazine Campaign; all the Freshman Mouseketeers scurried about selling magazines. As a result of our hard work, the Freshman Class took first place in the campaign, which added much "cheese" to the kitty. Of course, we shall always remember our Christmas Dance, where a good time was had by all.

As we continued on our venture through Disneyland, we elected as our leaders Mike Ianelli, president; Nick Cetrulo, vice-president; and June Loesner, secretary-treasurer. Mr. Chiara helped the Sophomore Senate in planning the traditional Sophomore Hop.

Finally becoming upperclassmen, the Mouseketeers were represented in the Student Council by Bob Tangredi, vice-president; and Joan Kosinski, secretary. Our own Junior Class officers were Bill Valante, president; Judy Avallone, vice-president; and Betty Corbett, secretary-treasurer. Under these able leaders and with the help of Mr. DiMaggio, our class advisor, the Junior Senate arranged for the Disneyland Junior Prom to be held at the beautiful Chanticleer. The Mouseketeers will never forget this memorable occasion. Winter Wonderland, sponsored by the Junior Mouseketeers, will also stand out in our memories.

## HISTORY

We were all very proud of the eight Mouseketeers who were tapped into the National Honor Society at the end of our junior year.

As Senior Mouseketeers, we accepted much of the responsibility of the happenings in Disneyland. Bill Valante was elected president of the Student Council and Joan Kosinski, treasurer. The Senior Senate was headed by Richard Abbott, president; Pat McCabe, vice-president; and June Loesner, secretary-treasurer. Mr. Miller, our advisor, offered the Senate a word of advice when needed. The Senate sponsored the Harvest Moon Ball and the Victory Dance early in the year.

Gene Pinadella and Pat McCabe led the Mouseketeers on the football field while Carol Damiano, Judy Avallone and Rachel Manzella headed the Twirling Squad. The basketball team captain was Dom Klein. Joan Kosinski led our pretty cheerleaders in keeping up the spirit of our teams.

While Don Behan and Dave Thaler were busily assigning *Spotlight* articles, Sue Schaffer reminded the *Monad* staff of the approaching deadlines. The Mouseketeers exhibited their acting talent in the presentation of *Holiday for Lovers*, directed by Mr. Caracciolo.

The enjoyable Rye Beach Trip and our never-to-be-forgotten Dinner Dance preceded the event we had for so long been anticipating—commencement.

Now it's time to say good-bye to all our family. As we, the Mouseketeer family, walk through the halls of Disneyland for the last time, our minds are filled with many happy memories . . . the good times we've had and the friends we've made. Long after the pages of this *Monad* have grown yellow with age and each Mouseketeer has made his way in the outside world, we shall still retain the happy memories of our four years in Disneyland.

"Paul, I have a wonderful idea!" Could you just imagine an abstractionist painting trucks, bridges, tunnels, even sewers?

If you thought a rummage sale was going on backstage, you were terribly mistaken. It was only the colorful and attractive wardrobe of the cast.

"Daddy, Henri's not my husband." A case of mistaken identity is enough to add confusion to any situation.

# Disneyland Presents HOLIDAY

Congratulations are in store for the cast of the Senior Play. They are Barbara Lemp, Bob Spatz, Dorothy Fulmore, Harold Brandman, Ellen Stulman, Phyllis Woods, Dave Thaler, Gail Gruhin, and John Curch.

# Senior Class Play for LOVERS

"Hallelujah, I lost two daughters and gained a husband." There's nothing like having a happy ending to any story to put you in a good mood.

"Close your eyes, please." If you couldn't recognize the characters in the play, it was only because of the fine work of the make-up committee.

"No, no, that's in the other scene." Our director, Mr. Caracciolo, seems even more confused than the props committee. However, due to the long hours of extra work, Mr. Caracciolo was able to put forward one of Belleville High's most successful plays.

"Stand back, kids, here they come." This picture might serve as a warning to anyone who has intentions of going to a corrida.

**SOPHOMORE SENATE**

This is the earnest and hard-working Sophomore Senate. The officers are Nick Del Guercio, president; Nick Agresta, vice-president; and Theresa Del Presto, secretary. They all have worked hard to build up their treasury and to make their annual dance a success under the supervision of their advisor, Mr. Chiara.

## SENIOR SENATE OFFICERS

Pictured above are the Senior Senate officers, who have led our Senior Class through a very successful year. They are Pat McCabe, vice-president and Richie Abbott, president. Their advisor is Mr. Henry Miller. June Loesner, secretary-treasurer, was absent when the picture was taken.

## SENIOR ADVISORS

Henry Miller, Gerald Caracciolo, Ralph Correll, George Lees, Michael Rosamilia, Charles Schultz, Muriel Cerami, Alma Gray, Elsie Sandford, and Anne Snedeker are the advisors responsible for directing the Senior Class activities.

## SENIOR SENATE

This smiling group is the Senior Senate. They have planned two successful dances, The Halloween Hop and the Victory Dance. They have also sponsored the Senior Dinner Dance, the Rye Beach Trip, and other necessary activities to help in the graduation program.

#### POLIO DRIVE

This year's Polio Drive was held during the week of January 12, 1958. The campaign was headed by William Valante with Mr. Ralph Correll as advisor. The total amount collected was \$47.65. This money was given to the Belleville Infantile Paralysis Fund.

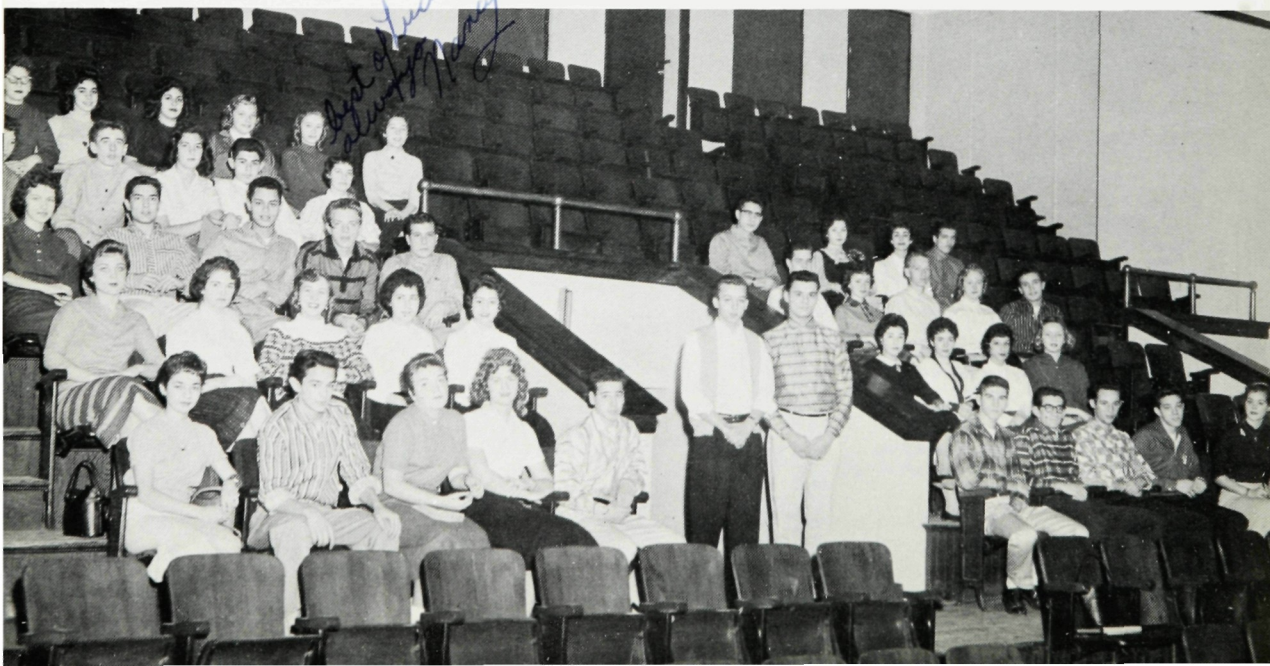

Mr. Correll, Student Council advisor, is seen here with the four officers. They are Joan Kosinski, treasurer; Mike Morano, vice-president; William Valante, president; and Lola Di Bella, secretary. These five are responsible for running successfully the Council and of informing the student body about its plans and the way they are to function.

## STUDENT COUNCIL

Many of the improvements in B. H. S. are due in part to the fine efforts of the Student Council. Some of the functions sponsored by the Council were the Polio, Community Chest, and Red Cross Drives. The *Spotlight* is made possible by subsidization obtained from the annual Magazine Campaign, which is always a success. Through the efforts of the Council, we were able to improve the lot adjacent to the school and supply a parking area. The Council was also able to purchase some additional equipment for the music room.

#### THE GENERAL ASSEMBLY

The General Assembly is composed of one representative from each homeroom. These students keep their homerooms informed about the activities of the Council as well as participate on various committees.

The staff members of the *Spotlight* work hard each month writing articles in order to give the students of Belleville High an interesting and enjoyable newspaper.

## SPOTLIGHT

The students here at Disneyland are kept well informed on the activities taking place in and around the school. This job is done by the bimonthly newspaper publication called the *Spotlight*.

It is up to Don Behan and Dave Thaler, our editors-in-chief, to see to it that the articles are well-written and in on time. Assisting Don and Dave are Carol Jacobson, Bob Tangredi, and Dolores Wilson. Faculty aid is given by Mr. Raymond Smith and Mr. Eugene Westlake.

The *Spotlight* covers sports, gossip, interviews, social and educational activities, and humor. Current problems are discussed in both the editor's and the school president's column. The circulation of the school newspaper has been greatly increased this year, and the content has been increased from four to six pages.

Here is an informal picture of Dave Thaler and Don Behan, co-editors of the *Spotlight*; and Mr. Raymond Smith and Mr. Eugene Westlake, staff advisors.

Our versatile music-maker Mr. Mattick is pictured here in an informal pose during one of his few spare moments. He keeps himself busy as both twirling and band director. He is one of Belleville High's greatest assets, and we certainly appreciate the many enjoyable musical programs arranged by him.

## BAND

This year's Band, under the direction of Mr. Mattick, is no doubt, one of the best in the state. The members of the band have performed splendidly both at football games and concerts.

## CHEERLEADERS

Our eight vivacious cheerleaders—Marie Visco, Phyllis Woods, Susan Bade, Joyce Coleman, Joan Kosinski, Carol Barnett, Charlene Shapiro, and Betty Corbett—did a wonderful job of keeping up our spirits and morale during the football and basketball seasons.

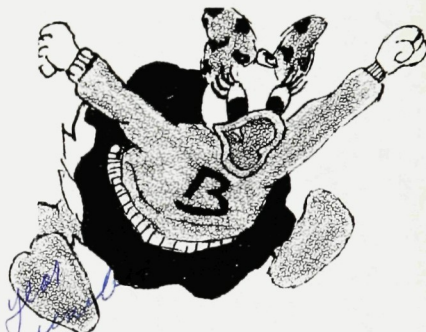

### CAPTAIN AND ADVISORS

Joan Kosinski, our cheering captain, is shown here with her two advisors, Miss Thomson and Miss Forgerson.

## MAJORETTES

This well-chosen group of charming ladies deserve high praise for their wonderful dance interpretations executed on the field. Their sacrifices of early morning practices were forgotten every Saturday when they stepped on the field and were rewarded with the applause from the spectators.

## TWIRLERS

Here are our attractive and talented drum majorette and co-captains. Carol Damiano, as drum majorette, has created many pleasant moments of entertainment with her original twirling and dance routines during the pre-game and half-time football shows with the support of her co-captains, Judy Avallone and Rachel Manzella.

The Choir is an organization composed of a group of musical students selected by their director, Dr. Peck. They appear at the Christmas and Easter assemblies and the musical program known as the Spring Concert.

## MUSIC DIRECTORS AND ACCOMPANISTS

Our photographer catches Mr. Mattick and Dr. Peck going over some music with Grace Lombardo and Bill Watt, student accompanists. Grace and Bill usually can be found playing the organ or piano for all our assemblies and concerts.

## BAKER'S DOZEN

The Baker's Dozen was organized eleven years ago and has become famous throughout the state. The girls have presented programs for various organizations around town and take part in the school concerts which are enjoyed by all. Under the direction of Dr. Samuel Peck, this year's Baker's Dozen has been a big success.

The orchestra is shown here performing at our Christmas Assembly. The orchestra, which has doubled in size since last year, also takes part in the Thanksgiving Assembly, the Easter Assembly and the Spring Concert.

## CHRISTMAS ASSEMBLY

*These three drummers, Richard Albagli, Gerald Coppola and Fred Ruff, are seen here playing Haskell's Rascals.*

Pictured here is Belleville High's most loved musical organization, the Dance Band. Under the direction of Mr. Mattick, these boys have worked hard in order to entertain us at our assemblies. They also played at the Band Concert and have toured neighboring high schools.

## DANCE BAND

## NATIONAL HONOR SOCIETY

Here are the seniors who made the National Honor Society in their junior year. They are from left to right: Patricia Maucione, David Thaler, Catherine Chieffo, Alexander Cacciarelli, Ann Valentine, Robert Tangredi, Dolores Wilson, and Donald Behan.

Outstanding qualities of leadership, character, scholarship, and service qualified these students for membership in the National Honor Society.

## MAGAZINE CAMPAIGN COMMITTEE

"We want a touchdown," echoed through the halls of Belleville High throughout the 1957 Magazine Campaign. This year's very popular theme encouraged many to participate and make the campaign a success. The committee and its advisor, Mr. Ralph Correll, are to be congratulated for their outstanding work. Their efforts were rewarded as the campaign closed with a sum total nearing \$8,000. A certain percentage of this amount was retained by the school.

## ASSEMBLY COMMITTEE

The Assembly Committee is a teacher-student committee that plans all assembly programs for our school. This year they have done their best to put on numerous and entertaining programs that would please everyone.

## GUIDANCE AND OFFICE WORKERS

The guidance and office workers are under the direction of Mr. Samuel Slifkin and Mrs. Thomas McMahon. These girls give up their study periods to help with typing, filing, and doing many other odd jobs. They should be complimented for their help in running the office smoothly and efficiently.

## CAFETERIA WORKERS

These industrious students devote part of their lunch hour every day of the school week to work in the cafeteria. Under the assistance of Mrs. Copestake, the head cashier, they keep things running smoothly.

## JUNIOR RED CROSS

The Junior Red Cross has had a very active year. In addition to the regular yearly collection, they also worked on a school chest to be sent overseas. They also made party boxes and cups for the different hospitals. The officers are Anne Kennedy, president; Beverly McWalters, vice-president; Karen Pennypacker, secretary; and Lois Van Dyke, treasurer. Miss Andree is the advisor.

## Freshman Team

The Freshman Football Team experienced another successful year, compiling a record of 9 wins and 3 losses. Under the direction of Coach Eugene Westlake, the Frosh piled up a seven-game winning streak before tasting defeat.

This year's Varsity Football Team is pictured here at the annual Varsity Club Dinner at the Robin Hood Inn.

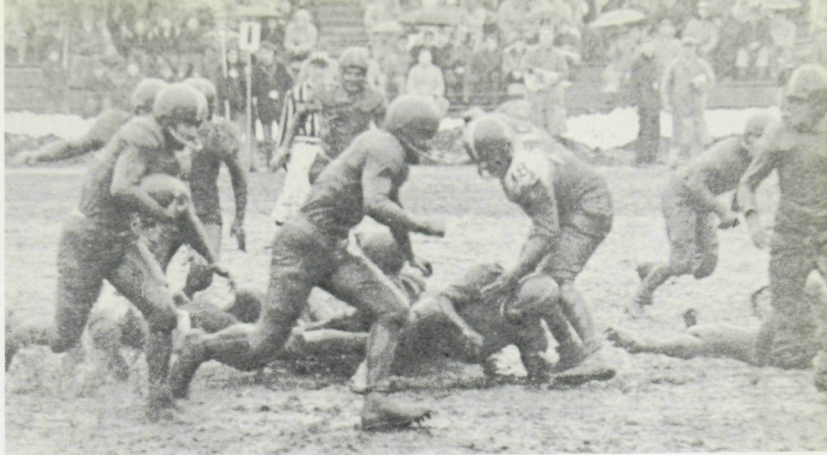

Led by Gene Barra, who finished second in the Essex County scoring race, Belleville High School's Varsity Football Team ran up a record of six wins and two defeats. After having their first game postponed because of a flu epidemic, the Bellboys, although still weak from the flu, agreed to play Bloomfield. The Bengals, who had been given a high pre-season rating, were lucky to escape with their skins as they squeezed by with a 7-6 decision over Belleville. The Nutley game had to be cancelled. The Bellboys, now fully recovered, showed their muscles by running all over West Side 30-6. From then on it seemed as though nothing could stop the Blue and

Nine out of ten football stars use Lux, or at least they should after this game with Nutley.

# BALL

Gold as they rolled over Irvington 38-13; South Side, 32-0; and Kearny, 20-7. Thanksgiving Day, 1957, will long be remembered by Belleville as the Bellboys met Orange at Municipal Stadium. Belleville could do no wrong that day as they rolled to a 47-12 score. After downing East Orange 27-13, the Blue and Gold looked forward to ending the season with a victory over Nutley. Maybe it was the mud or maybe it was just one of those days, but Nutley upset the Bellboys 13-0.

In post-season honors Gene Barra, Pat McCabe, and Bill Bartell were named to the Essex County Football Team.

J. V. Coach Tom Testa, Varsity Coach John Westlake, and Freshman Coach Gene Westlake are shown here together discussing strategy.

The Junior Varsity Team, under the training of Coach Tom Testa, had a successful season winning eight of its ten last games for a total of 9 wins and 9 losses.

## BASKETBALL

Despite the fact that the Belleville Cagers did not win the Essex County Tournament, the 1957-1958 basketball season will always be remembered as the year the Bellboys "almost" beat Bloomfield and the year Butch Klein set a new B.H.S. single-game scoring record with 36 points.

After getting off to a slow start by losing five of their first nine games, the Bellboy five led by Dom Klein, Jack Cullen, Bob Vasele, and Nick Cetrulo started to roll and ran off victories against Nutley

Led by "Butch" Klein, the Bellboys compiled a record of 10-5. Here he is shown on his way to scoring two of his 383 points.

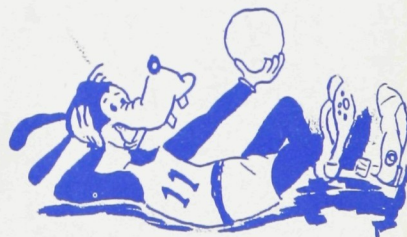

Pictured here inspecting the uniforms before an important game are Tom Kosinski, Ronnie Russo, George Lees, James Keller, and Joseph Zoppa.

67-51; Kearny 60-47; East Orange 60-38; Irvington 68-57; Columbia 64-59; and South Side 68-54.

As a result of this string of six straight triumphs, Belleville was invited to the Essex County Tournament played at Seton Hall and were seeded fifth. Following a 52-48 victory over East Orange, Belleville met Bloomfield in the quarter-finals. After leading for three quarters, the Bellboys finally succumbed 49-47.

Hats off to Coach John Westlake for a job well done!

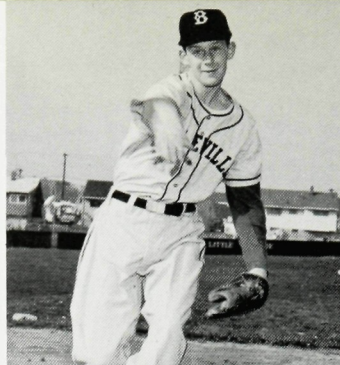

The Freshman Basketball Team, under Coach Eugene Westlake's direction, had a highly successful season. Of the eight games played this season, the team lost but three: the second Kearny game and the two others with St. Benedicts and Garfield.

#### JUNIOR VARSITY BASEBALL

In 1958, B.H.S. fielded a Junior Varsity Baseball Team, whose chief asset was its depth especially in the outfield. Due to this depth and balance, the team was expected to do well and proceeded to start off the season by winning two of its first three games. Coach Leonard Marciano should be commended for a job well done.

## BASEBALL

As Belleville High's Varsity Baseball Team entered the 1958 season, indications of having a fine season were backed up by a team consisting of a number of seniors. The Bellboy nine, which was captained by shortstop Bob Valese, opened its season on April 16 and promptly proceeded to reel off victories against Passaic, Bloomfield and Garfield. Other seniors on the squad were Dom Klein, Jack Cullen, Bob Tangredi, Gene Napoliello, Ed Szep and Lou Long. Congratulations to Coach Ed Berlinski and a team of which Belleville should be proud.

#### COACHES

Bill Bennet and Michael Rosamilia preparing to go out on the Passaic River during practice.

## CREW

Due to the fact that only two lettermen were returning to the varsity eight, pre-season predictions were on the derogatory side. However, Belleville started out by defeating Lower Merion of Ardmore, Pennsylvania. Because B.H.S. is one of two schools that have crew teams in New Jersey, the Blue and Gold is forced to race college freshman and varsity lightweight crews. In spite of this, Columbia University just barely managed to edge out the Bellboys. The 1958 Crew Team coached by Bill Bennett and Michael Rosamilia was composed of the following boys: bow position, Ed Anderson; No. 2, Pete Boniface; No. 3, Art Connolly; No. 4, Bill Watt; No. 5, Bob Metcalf; No. 6, Tom Lamb; No. 7, Richie Abbott; stroke, Howie Beresford; and coxswain, Jim Ameo.

"Ready all! Ready all! Row!" Coxswain Jim Ameo gives the command to Belleville High's 1958 Varsity Crew.

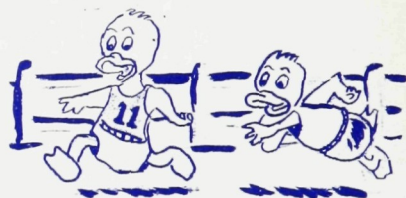

Pictured above are some of Belleville's outstanding distance men.

Big Bill Bartell, Essex County champion ace shot putter, holds B.H.S.'s record at 54 feet.

## TRACK

This year, track has retained its reputation as the fastest growing sport in

B.H.S. Coached by Mr. MacArthur, the team gained experience in the newer events, hurdles and pole vaults. These new events, added to the points from the "old reliable" events, paid off with wins and a fine seasonal record. The team also participated in the County and Big Ten Meets. Though primarily a senior team this year, prospects are very bright for the future.

Pictured here is the 1958 Track Team.

*Armand,  
my very best  
wishes for successful  
future & memories of  
"pleasant" childhood  
Mr. Mac*

## CROSS COUNTRY

After a six-year interval, Cross Country made its return to Belleville High. Expertly coached by Mr. MacArthur, the team entered competition on a varsity level and posted wins over teams with more experience. The Cross Country Squad never competed on a

home course and consequently was at a disadvantage throughout the season. Confusion often resulted because of the lack of previous knowledge of the track course. Nevertheless, the team made a fine record and it is everyone's considered opinion that this time Cross Country is here to stay.

## GOLF

This year's Golf Team is composed of a hard-working group of boys who have their sight on the state championship. Much is to be expected from the three veterans, Don Morano, Tom Senior and Michael Gilroy. The Golf Team has always been successful, last year coming in second in the state tournament. This year's schedule includes playing against St. Benedict's, Montclair, West Orange, Bloomfield and Newark Academy. Other members of the team are Arthur Morano, Richard Nisavoccia, Robert Gaccione and James Nisavoccia.

## BOWLING

The Bowling Team, under the supervision of Mr. George Lees, rolled up a record of six wins and two losses. Out of a league of nine teams, Belleville placed third after losing to Seton Hall. Louis Pomponio receives the high single game award with a score of 244. Louis Crudele holds the high average of the season. Congratulations are due to Captain Jerry Borrello and his team for a very successful season.

## Freshman-Sophomore Winners

The girls who have worked hard to wear those white gym suits during class and after school belong to the Leaders' Club. They earned this privilege by receiving the necessary points for outstanding work in the field of athletics. This year Kay Chieffo, president, was assisted by Carol Damiano, vice-president; E l e n o r Steffensen, secretary; and Sandy Niles, treasurer. The advisors are Miss Thomson and Miss Forgeron.

## Junior-Senior Winners

Presenting the one and only "Zealots," the champs of the Junior-Senior Basketball League. These girls really deserve credit for the efforts they put out to win over their competitors, the one and only "Camees I," who were upset by the "Zealots."

## Leaders' Club

These girls are the winners of the Freshman-Sophomore League, the "Techniques." Teamwork, effort, and long hours are three very good reasons for the success of these ambitious freshmen. With three years of hard playing ahead of them, they should prove to be real champions.

# DISNEYLAND CODE

We ask you to pay close attention to the following paragraphs containing a few helpful rules of conduct and etiquette which we feel ought to aid future classes to struggle through their last and memorable years of Belleville High.

Always chew chewing gum, especially in the gym classes. Sometimes this runs into quite a great deal of money, since particular attention seems to be paid to this pastime. But patience is a virtue; and with years of practice, one or two outstanding creatures manage to chew without being caught. This should be tried, however, only by experts.

Never return pens and pencils when doing your homework. The person from whom you borrowed them doubtlessly has more money than you and can easily replace them. You need them much more than he.

Never pass a note until you have read it. The contents may be none of your business, but it was naughty of them to pass notes anyhow.

Be especially careful not to miss the fun of knocking people down in the halls on the way to lunch. You are lots hungrier than they are, anyhow.

Be sure to go up the "down" stairway. What are a few signs in your young life?

When introduced, the correct reply is "Hiya, Kid." This may be frowned upon in some circles but it carries the general idea and is as brief as possible thus carrying out modern need for speed and progress.

Ignore all "Don't Walk on the Grass" signs while walking to school and jump over the rails every morning to keep in condition.
