# SCHOOL YEAR PURSUIT

# Dedication

## OUR NOBLE LORD

We, the loyal subjects of the Class of 1962, with love, honor, and respect, dedicate our *Monad* to Hugh D. Kittle, the lord of our court. An educator for the past thirty-seven years, Mr. Kittle was graduated from Bucknell University, where he received his B.A. degree in mechanical engineering. He received his M.A. at Montclair State College and continued his studies at Pennsylvania State College, Newark State College, and Rutgers University. The father of two sons and a daughter, Mr. Kittle boasts nine grandchildren. He is a fishing enthusiast and an avid sports fan. In addition, he is a commander

and active participant in the United States Naval Reserve.

A devoted principal for twenty-six years, Mr. Kittle is admired for his understanding, foresight, determination, and endeavor. Although his noble reign ceased with his resignation on December 22, 1961, Mr. Kittle will be remembered as a standard bearer of learning and a guiding influence.

The Class of 1962 feels that words of gratitude are not enough, and so in this dedication we have made a more permanent gesture toward thanking Mr. Kittle for everything he has done for us and for Belleville High School.

### GENERAL SUPERVISOR

Mr. Michael Rosamilia, formerly head of the Social Studies Department, assumed the post of General Supervisor early in 1962. His new duties entail supervision of personnel throughout the system and curriculum of grades 7-12. He must observe and inform the teachers of the latest trends in education, help the teachers through bulletins and the professional library his office maintains, and, generally, work toward raising the educational standards of our schools.

### SUPERINTENDENT OF SCHOOLS

Dr. Frank M. Durkee assumed the responsibilities of superintendent of Belleville's School System in the fall. The Class of 1962 wishes to congratulate him upon the appointment and sincerely hopes he has a most successful future in supervising the educational needs of the community.

### ASSISTANT SUPERINTENDENT OF SCHOOLS IN CHARGE OF BUSINESS

Mr. Harold Dufford is that jovial individual who assumes the responsibilities of overseeing the maintenance of all schools, property, and personnel during the year.

## Board of Education and Associates

### BOARD OF EDUCATION

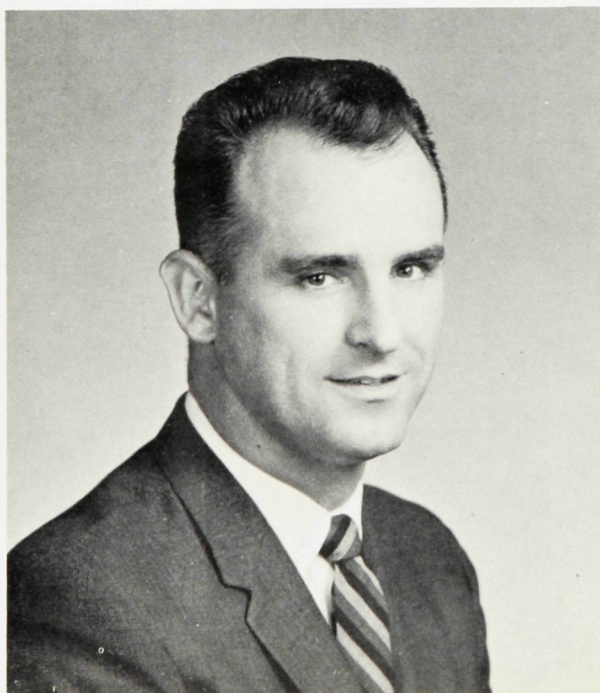

The Board of Education and its associates spend many long hours planning and promoting better educational facilities for the town's young people. Pictured are Mr. Richard Drake, president; Mr. Ernest Arvidson, vice-president; Mrs. Mary Shader, secretary to the board; Dr. Frank Durkee, superintendent; Mr. Arthur Pico; Dr. Frank Di Ruggiero; Mr. Nicholas Juliano, Mrs. George Brown, Mr. Max Schwartz, Board attorney; and Mrs. Norma McCool.

## Keeper of the Great Seal

GEORGE T. LEES

Our acting principal, Mr. George T. Lees, has competently assumed the responsibilities of overseeing our estate. His dignity and congeniality command respect from both the student body and faculty. As advisor to the *Spotlight*, Mr. Lees has been helpful and understanding. His long hours of work and devotion to duty deserve our praise and appreciation.

## Guardian of the Dungeon

MR. AUSTIN MacARTHUR

Our Mr. Mac in the middle of the year stepped into Mr. Lees' position. Some of us remember his business classes in Room 209, his lively jokes, his pleasant personality, and his friendliness. Of course, some of us will never forget those snappy sessions in the office or in Room 4 when we no longer lived up to our school's code of chivalry.

### ADMINISTRATION STAFF

#### EDITOR-IN-CHIEF

Arlene Schachter was our hard-working editor, who met and discussed the yearbook with her staff each week.

#### ASSISTANT EDITORS

Our assistant editors, Betty Scheible and Judy Van Demark, greatly aided our editor in the planning and producing of our yearbook.

#### LITERARY STAFF

The Literary Staff wrote the articles, scheduled the pictures, decided on the theme, planned the dedication, supervised the Art Staff, and was responsible for the choice of the cover. They spent many long hours trying to make the yearbook one of high distinction and of value.

## The Scribes and Illuminators

As we, the Class of 1962, turn the pages of our *Monad*, we are recapturing the experiences of four years of learning and developing friendships. This book is a permanent tribute to the fond memories we will carry with us upon graduation.

Turn back the clock of time to the year 1387 and Chaucer's England. Make a pilgrimage with us as we read *The Belleville High School Tales*. We hope you will enjoy this journey and come back again to read it over.

#### BUSINESS STAFF

Under the guidance of Mr. Schultz and Mrs. Cerami, the Business Staff solicited advertisements from the stores and industries in town to help cut down the cost of the yearbook for each student. Besides this they secured subscriptions and took care of all financial matters.

#### ART STAFF

Our Art Staff, with the help of Mr. Diehl, was responsible for all the creative drawings and designs. They are Wayne Current, Carole Lane, Susan Hock, Mr. Diehl, Lynn Hundertpfund, Linda Mesmer and Jane Cuzzo.

#### MONAD ADVISORS

The Senior Class owes a great deal to our *Monad* advisors. Mary Kelly, assistant literary advisor, and Thelma Weidman, literary advisor, left most of the decisions up to the staff but contributed helpful suggestions. Charles Schultz and Muriel Cerami, missing when the picture was taken, took care of the business end of the *Monad*.

#### MONAD SALESGIRLS

These efficient *Monad* salesgirls have diligently collected subscriptions and payments for the yearbook each month. Their hard work was certainly appreciated by all.

# Seniors

And now, my lords and loving  
followers,

That purchased kingdoms by your  
scholars' deeds,

Cast off your childhood, put on  
wisdom's robes,

Mount up your royal places of  
estate,

Environéd with troops of noble-  
men,

And there make laws to rule your  
provinces.

RICHARD ZELLER

WILLIAM WOYTOWICH

As the Class of '62 approached their Fortress of Scholarly Pursuits the year of our Lord nineteen hundred fifty-eight, they were entranced by the knights and damsels of higher court-positions they would achieve in years to come. As the trees beyond the moat turned to red and gold, the Town Crier proclaimed for all to hear the manifestations of a growing feeling of unity. Ted Mantegna, Richard Burnley, Susan Longo, and Lorraine Malanowski were elected president, vice-president, secretary, and treasurer respectively. The outstanding event of the year was the successful Yule Festival. And so the Class of '62 ventured further along the path of higher learning.

After a summer of knights in shining armor and damsels in brief bathing attire, they returned to find their Noble Lord with a "crew-cut" and former Teacher Lees advanced to the position of Lower Noble Lord. The Annual Proclamation read as follows: President Mike Chieffo, Vice-President Elaine Lanfrank, and Secretary-Treasurer Judy DeFalco. A trio of fair maidens, the Delicates, represented the court throughout the land with their fine voices. The budding of the trees heralded the election of Judy Pirone and Alex Iacullo as secretary and vice-president to the Student Council.

When fall came over the land once again, the members of the court began the Year of the

Junior Promenade. The Wayne Country Club was the place to which they journeyed for a treasured evening of festivities. Once again the Annual Proclamation was issued listing Roger Wartell, Lynn Hundertpfund, and Judy DeFalco as president, vice-president, and secretary-treasurer respectively. In an otherwise mediocre year of Tournaments of Skill, the Junior Varsity Football Team honored the court with an undefeated season. The closing of the term brought the National Honor Society tapping ceremony for outstanding scholars and the Student Council elections. Bob Pucciarello was chosen president of Student Council and Pat Scaglione, Gloria D'Agostino, and Cathy Jensen were elected to the lower positions.

The Senior Court began its reign with a flourish. Through the fine efforts of all the knights and damsels, the Magazine Campaign broke the record for high sales. A well-fought battle in the community against the Black Knights resulted in a victory for a new Fortress of Scholarly Pursuits to be built in the near future. However, their joy was dimmed by the retirement of their Noble Lord in December. For the last time the Annual Proclamation was posted. It read as follows: Andy Provence, president; Eileen Budd, vice-president and Barbara Beretsos, secretary-treasurer. A year full of many and varied festivities was heralded by the Victory Celebration. Soon to follow were the Hallowe'en Dance, the victorious Thanksgiving game, the Yule Festival, the National Honor Society Valentine Dance, the Senior Play, Junior Promenade, and the Senior Dinner Dance. And at last the knights and damsels, attired in flowing robes and carrying their scrolls, crossed over the drawbridge to even greener and richer meadows of success.

and last, a class reunion in twenty-five years

# Senior Play

"Hold fast to that line, Grandpa," were the words which began one of the highlights of this past school year. It was the presentation of *Tammy, Tell Me True* held on March 23 and 24 by the Senior Class. It is a fast moving story of the ups and downs of a shanty boat girl amid the bustle of college life.

Although the cast was exceptionally large, each member added a significant part to the successful production. Laughter and fun were ever present. It is certain that the cast will also remember the antics which took place backstage, especially the ever-opening doors.

Our many thanks and appreciation go to Miss Jami-gochian, who guided our theatrical debut and also to everyone who contributed to the play's success. We sincerely hope that it will remain an enjoyable memory to all.

*Dorothy Demanski, stage manager; Lucille Cariccola, student director; Miss Jamgochian, our director; and Mike Kelly, who worked on props, talk over the various ways to present the scenes of "Tammy, Tell Me True."*

*"The rule in this house," said Mr. and Mrs. Schaeffer, "is never to say no." Mr. and Mrs. Schaeffer are Mike Pellechio and Arlene Schachter. Tammy, a little bewildered, thinks the children are a bit zany.*

*In this scene Sandra Rook (Judy De Falco) shouts at a surprised Tammy, "That's the girl!" Poor Tammy is accused of kidnapping Sandra's aunt, Mrs. Call.*

*The sanity of Mrs. Call is the question to be decided. Most of the cast took part in this climactic scene. The finish is in Mrs. Call's favor.*

*Tammy Tyree (Lucille Soldo) watches with pleasant surprise as Mrs. Call and Grandpa (Theresa Scutti and Walter Orth) "cut a rug."*

*While she is waiting to find out about a job "to earn her keep," Tammy begins to notice that college life is a lot different than what she had expected.*

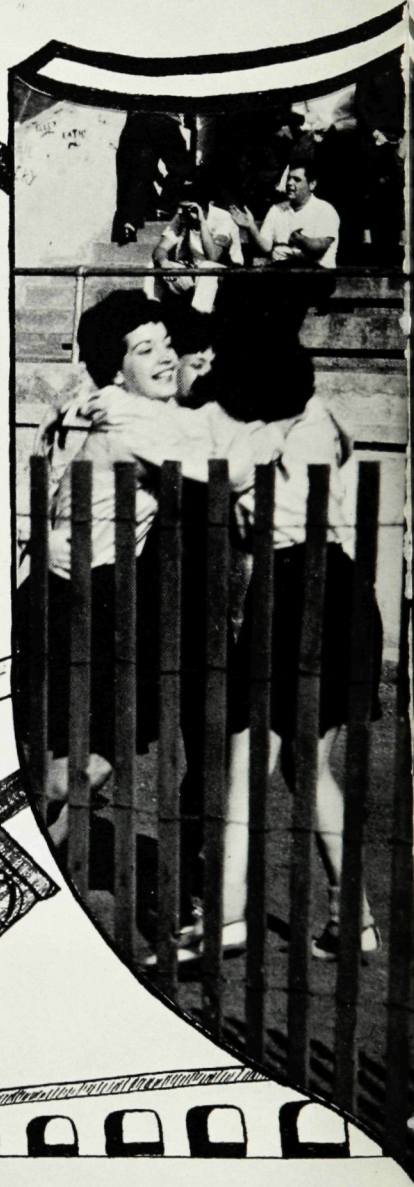

*Tammy (Lucille Soldo) introduces her new friend Prof. Thomas Freeman (Harold Mamay) to her Grandpa (Walter Orth) as Joey (Alex Petrillo) looks on.*

*There can be only one hero on a campus, but obviously Chuck (Paul Russo) would like to change this. Professor Everett looks on puzzled. The cast here are Sam D'Andrea, Paul Russo, Gloria D'Agostino, Grace Hucko, Marlene Ameo, Peggy Santiglia, and Jim Debesis.*

Activities

### FRESHMAN SENATE

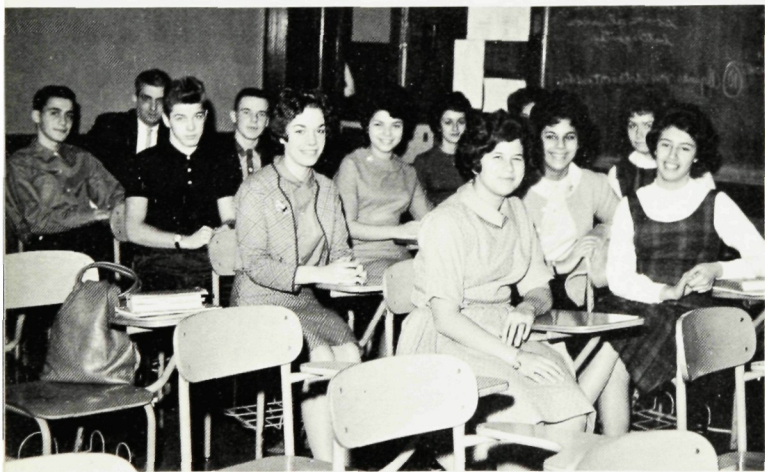

This smiling group was under the guidance of Mr. Perry. They did a fine job of planning and running the fabulous Freshman Christmas Dance. The officers were Joseph Cervasio, president; Marlene La Luna, vice-president; Mary Jo Turano, secretary; and Pat Costa, treasurer.

## The Royal Ministers

### SOPHOMORE SENATE

Under the direction of Mr. Salzarulo, President, Gail Ritchey; Secretary, Joan Di Fazio; Treasurer, Jeannie Golden, and Vice-president, Janet Borino held an unforgettable dance in March. They all worked hard to make their annual dance a successful one and certainly are to be congratulated.

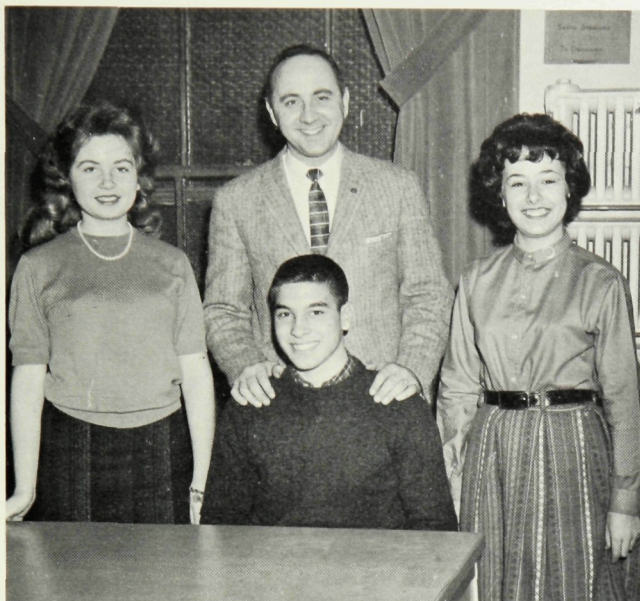

### JUNIOR SENATE

The Junior Senate sponsored one of our biggest social events of the year, the Junior Prom. It was a formal affair held at the Westmount Country Club on April 26. President Sam Constantino, Vice-president Joe Latore, and Secretary-treasurer Jane Wittek planned this successful and elegant evening under the supervision of Mr. Di Maggio.

#### SENIOR OFFICERS

The competent officers for this year were Vice-President, Eileen Budd; President Andy Provence, and Secretary-treasurer, Barbara Beretsos. Mr. Henry Miller was their understanding and helpful advisor.

#### SENIOR ADVISORS

The successes of our senior year can be attributed to the helpfulness of the senior advisors. They aided us with the dances, the Senior Play, the Senate, the Senior Dance, and the commencement exercises. Most of the advisors are also senior homeroom teachers, for which bravery they should be commended. Shown are Mr. Graves, Miss Jamgochian, Mrs. Cerami, Miss Andree, Mr. Correll, Mrs. Di Maggio, Mr. Babb, Mrs. Snedeker, Mr. Miller, Mrs. Rogers, Miss Schneider, and Miss Mary Lou Berardinelli. Absent when the picture was taken were Miss Weidman, Miss Kelly, Mr. Schultz, and Mr. Conrad.

#### SENIOR SENATE

The Senior Senate was very active this year. They sponsored the Victory Dance in September and the memorable Halloween Dance. Through the history classes they conducted a vote for the outcome of the New Jersey gubernatorial election.

This student organization is composed of elected representatives from each homeroom. Their discussions are reported back to the student body. Our Student Council does many things for the school. They purchased the sport trophies and the noon-hour dance records. They co-sponsor nearly all the assemblies and several dances a year, such as the Valentine Dance.

## Privy Council

### OFFICERS

Mr. W. Ralph Correll was the helpful faculty advisor to the Student Council. Robert Pucciarello was president; Gloria D'Agostino, treasurer; Patricia Scaglione, vice-president; and Cathie Jensen, secretary. These officers were elected by the entire student body and did a fine job of leading the Student Council.

### MAGAZINE CAMPAIGN COMMITTEE

This year's Magazine Campaign Committee did a splendid job of handling the Student Council's major event of the year, its Magazine Campaign. The total sales were pushed over the \$14,000 mark in a highly successful campaign with a clear profit of \$4,000.

The Committee selected and carried through the Busy Bee theme, and, with Mr. Correll as their advisor, was responsible for the recording and doing the paper work of the drive, programming the assemblies and drawings, and supplying prizes. It was a lot of hard work, but the results were well worth the effort.

### CHIEF CLERKS

The *Spotlight* editors shown here are Linda Mesmer, one of the two art editors; Craig Lukowiak, features; Arlene Schachter, make-up; Alan Lemberger, sports; Barbara Underwood, news; and Roger Wartell, editor-in-chief. Not in the picture is Carole Lane, co-editor of the art. The editorial staff worked together for long hours outside of school to meet deadlines, gaining valuable experience and having a wonderful time. Faculty advisors to the student publication were Mr. George T. Lees, Mr. Augustus McGinnis, and Miss Mary Kelly.

## De Olde Towne Crier

### THE SPOTLIGHT STAFF

The *Spotlight*, Belleville High School's newspaper, regularly presented to the student body events of school and local importance. Thorough coverage of the plans for a new high school was a highlight of the 1961-1962 school year.

In addition to news, the student body enjoyed thoughtful editorials, original poetry by students, "Heavenly Heaps," and various other improved features. All five issues were enthusiastically received by the entire school.

#### DANCE BAND

The Dance Band's annual tribute to the Big Bands has always been a favorite of the audience at the Band Concert. They performed such entertaining selections as "Stompin' at the Savoy," "La Cucaracha," and "Theme from Peter Gunn."

## Merrie Minstrels

On March 7, Mr. Troutman co-ordinated the various bands, Twirlers, and novelty numbers to produce the spectacular Seventh Annual Band Concert. Among the more unusual attractions were the appearance of a woodwind quintet, the Varsity Band's performance of an original work by John Colarusso, and the senior members' Comedy Skit.

#### CONCERT BAND

The Concert Band has been the fundamental unit of the band program. During the football season most of its members marched in formation with the Twirlers. Later they worked to insure the success of the Band Concert, where they played six numbers. They also performed for the school during the year.

#### COMEDY SKIT

The Band Concert reached a peak of levity as some very cultured seniors participated in a panel discussion called "Open Notes." This parody was highlighted by two bathing beauties as hostesses and several facetious commercials.

### VARSITY BAND

Mr. Troutman auditioned band members for seats in the select Varsity Band. This organization played the more difficult works in the Band Concert. John Colarusso, the band president, is seen here conducting his own composition, *Oriental Dance*.

### CHOIR

Under the direction of Mr. Troutman the Choir became an all-girl group of about forty voices. Primarily composed of upperclassmen, it performed in the Thanksgiving, Christmas, and Easter assemblies and in the Spring Concert.

### MEN OF NOTE

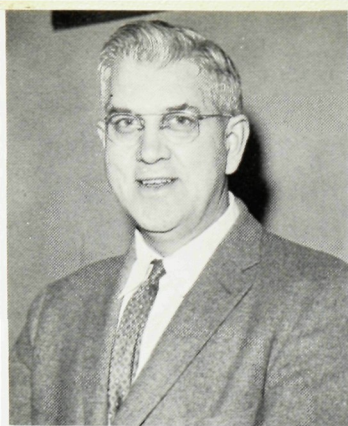

Although boys at Belleville High School have been notoriously reluctant to sing, the response to the formation of a new male vocal group was enthusiastic. Perhaps Mr. Troutman has reversed the trend by establishing the Men of Note as a Belleville High School tradition.

### TWIRLERS

The Twirlers gave two fine performances at the concert. Here they are shown executing a routine to "March Foundation." They also did a swing number called "Riffin' the Blues."

#### DR. PECK

The efforts of Dr. Samuel Peck, school music supervisor, have increased the cultural appreciation of the student body. He is building the Orchestra into a noteworthy organization and this year has established several new groups. The various trips to musical and dramatic offerings at the Paper Mill Playhouse and in New York have become extremely popular with the students.

## The Troubadours

#### ACCOMPANISTS

Almost every musical organization in Belleville High School was dependent upon one of the several fine piano accompanists in the school. Pictured here are Barbara Underwood and Eric Gross. Not shown are Ben Hissem, JoAnn Torre, and Sharon Grundfest.

#### BAKERS DOZEN

While the Bakers Dozen has grown in size so that the name is no longer appropriate, the group has also grown in musicianship. Under the direction of Dr. Peck, the girls performed for the school and for many local organizations. Their annual appearance at the Port of New York Authority was unexpectedly televised. Shown here are the girls caroling to weary commuters before Christmas. This picture is printed by the courtesy of the Port of New York Authority. Clara Maass Hospital is another annual caroling engagement of the Bakers Dozen.

#### HOURGLASSES

This new mixed vocal group was organized by Dr. Peck to fill an important need in the music department. The Hourglasses, who rehearsed twice each week before school, performed locally and at the holiday assemblies.

#### CHEERLEADING CAPTAIN AND ADVISORS

Judy Pirone, our capable captain, was an inspiration as well as a leader. Miss Ida Thomson and Mrs. Elaine Shepard advised the group.

Our "enthusiastic twelve" were Nina Pipitone, Cathy Jensen, Mary Liloia, Barbara Salamone, Barbara Russo, Captain Judy Pirone, Donna Betchick, Sharon Puchalik, Sue Miller, Jaclyn Melius, Helen Denzler, and Marilyn Paganelli. These girls were always present to enliven us all at our football and basketball games. They did a wonderful job.

## Cheerleaders

Here they are shown urging our football team on to victory.

## MAJORETTE

Drum Majorette Barbara Bailey and co-captains Phyllis Clemente and Elaine Lanfrank planned the choreography for the football games, assemblies, and the Band Concert.

# Majorettes

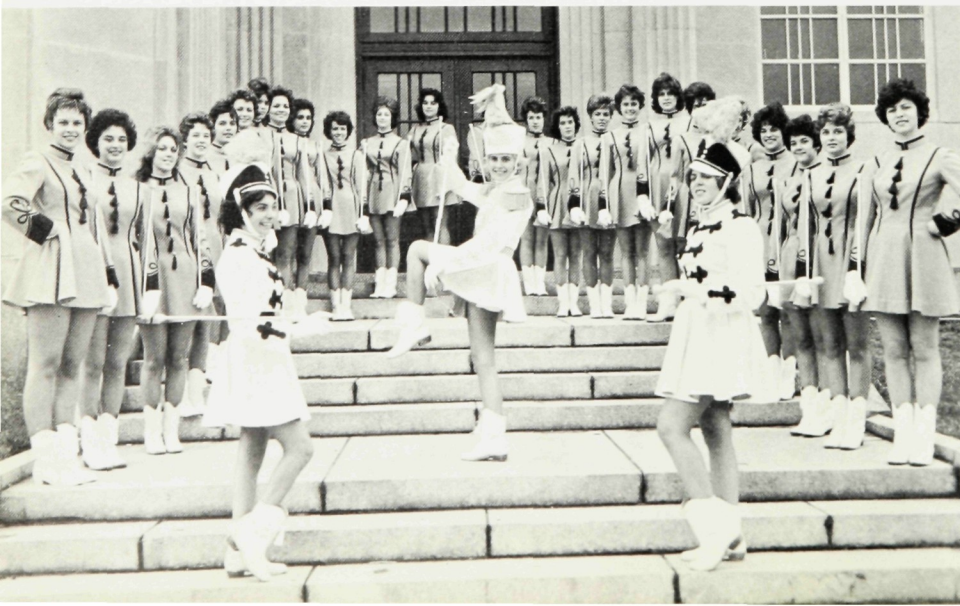

## THE SQUAD

The Belleville High School Twirling Squad of 1961 deserves congratulations for their fine performances at football games and other special occasions. The girls were under the competent leadership of Barbara Bailey and her co-captains Phyllis Clemente and Elaine Lanfrank.

Throughout the year, these girls contributed their time and efforts by attending rehearsals, marching in parades, and performing at the football games and the Annual Band Concert. We appreciate their fine efforts and are proud to have them representing our school.

Here are our lovely twirlers during one of their fine half-time shows.

# The Twirlers

## National Honor Society

This year's National Honor Society, headed by President Roger Wartell, Vice-President John Colarusso, and Secretary-Treasurer Susan Longo, had fifteen members tapped last May. Along with the officers were Robert Babb, Steve Chinnock, Helen Denzler, Grace Hucko, Alex Jacullo, James Jacobus, Barbara Kraly, Nina Pipitone, Judy Pirone, Patricia Scaglione, Elizabeth Scheible, and Barbara Underwood.

These students were selected on the basis of their showing possession of the four characteristics sought by the National Honor Society: character, leadership, scholarship, and service. They assisted this spring in the tapping of new members from the Senior and Junior classes. They co-sponsored the Valentine Dance, Cupid's Coronation Ball, along with the Student Council.

## Literary Society

The Literary Society, under the direction of Mr. Alex Conrad, had their weekly meetings on Monday mornings. The members whetted their cultural appetites in a broad survey of world literature.

## Physics Club

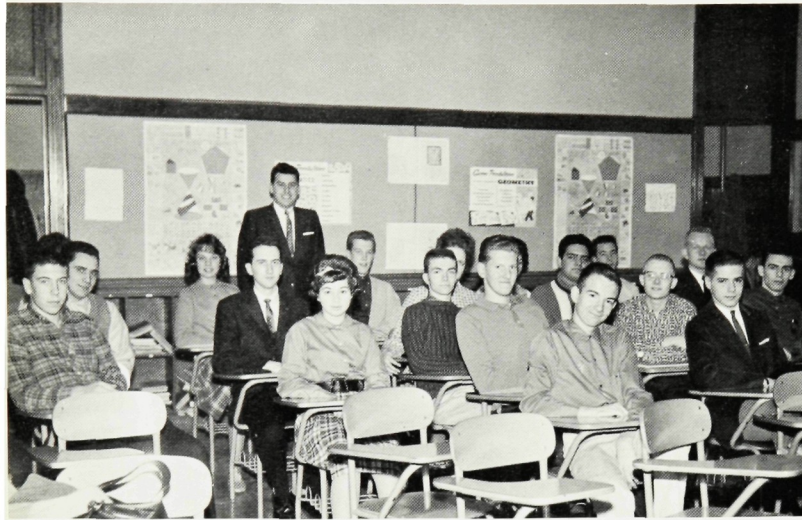

This group, consisting of juniors and seniors, has grown quite popular in the past year. President John Colarusso managed to interest the members with various talks and experiments. With Miss Mary Lou Berardinelli's excellent supervision, they enjoyed the many benefits of the club.

## Math Club

Every Wednesday morning at 8:10 the Math Club led by Mr. Mario Di Maggio could be found in Room 205. The purpose of the club was to discuss topics not offered in class because of a lack of time. The members are those with sincere mathematical interests and a desire for advanced learning.

## Calculus Club

This was another group sponsored by Mr. Di Maggio. They met on Thursday mornings in Room 205. The Calculus Club was interested in higher mathematics. Most of the members were seniors who had an adequate mathematics background and wished to further their studies.

## Math Lite

The *Math Lite* is one of the newest publications in Belleville High School. The members met on Tuesdays at 8:10 in Room 205. The *Math Lite* was issued four times during the year. The paper usually contained interesting puzzles and problems. The group was under the direction of Mr. Mario Di Maggio.

## Future Nurses

President Carol Pallante, Vice-President Judy Tremel, and Secretary Helen Fitzpatrick were aided by Miss Alice McKenzie in getting various speakers for the club. Their purpose was to show the girls in this club the different aspects and opportunities in nursing. They also have visited several hospitals.

## Future Physicians

The members of this club were students who maintained marks above average and expressed an interest in the medical profession. Under the direction of Miss Galeotafiore, they have heard different speakers and visited various hospitals. The officers were Andy Provence, president; Joyce Fieremosca, secretary; and Judi Underwood, treasurer.

## Future Teachers

The Future Teachers Club consisted of sophomore, junior, and senior girls who met once a month. The aim of the group was to help its members learn more about the teaching profession. Officers for this year were Susan Longo, president; Joy Fulmore, vice-president; Jane Wittek, secretary; and Mary Liloia, treasurer. Miss Galeotafiore did an excellent job in keeping the club lively and exciting. This was evident from the group's large membership.

## Library Assistants

The library assistants, with their many duties, were definitely a help to Mrs. Roche. They could be seen checking and filing books, collecting library fines, and doing numerous other jobs. Their work was voluntary, and through their time and effort the library was kept in tip-top shape.

## Guidance and Office Workers

These capable girls were always willing to give up their free time to help with office duties. They kept busy with typing, filing, and doing various odd jobs around the Guidance Department and General Office. This worth-while experience will help them in later years with their own secretarial and office work.

## Cafeteria Workers

The student cafeteria workers were volunteer students who worked every day during their lunch hours for a nominal fee. They assisted behind the counters, at the milk wagon, and with the dishes and trays.

## Audio - Visual Aids

This group was important in behind-the-scenes activities. They were responsible for lighting during assemblies and for showing P.T.A. films as well as assisting in our classes. These boys could also be heard each day performing the morning exercises. Mr. Nucera directed these activities.

## High School Red Cross

The High School Red Cross was kept quite busy this year with many worth-while services. These included having the annual roll call, making chests for overseas' children, helping in numerous blood banks, and distributing favors for hospital patients at various holidays. This group was under the capable supervision of Miss Andr  e.

## Modern Dance

This year, a new club was formed. It was under the direction of Mrs. Elaine Shepard. The girls in this group met every Wednesday in the girls' gym at 8:00 a.m. They worked very hard on their dance routines, yet at the same time they all enjoyed themselves and looked forward to performing in the community and school.

## Girls' Tumbling

The girls began practicing early in the year for their part in the spring Physical Education Show. They could be found in the girls' gym every Monday morning under the supervision of Mrs. Elaine Shepard. Their objective was to learn basic tumbling skills and to have a good time.

## Drill Team

Under the direction of Miss Ida Thompson, the Drill Team, which consisted of 32 girls, was taught a precision marching routine. Each Tuesday morning the girls worked enthusiastically in the boys' gym. A vote of thanks goes to these young ladies for their excellent performance at the Physical Education Show.

## Leaders Club

These girls, who could be seen wearing the white gym suits during our physical education classes, were the members of Leaders Club under the direction of Miss Thomson and Mrs. Shepard. The necessary points were earned by their athletic ability and hard work during class and after school. Pat Gennell, president, was assisted by Anita Miele, vice-president, and Theresa Goglia, secretary-treasurer.

## Boys' Tumbling Club

It is quite an experience to watch the boys on Wednesday mornings in the boys' gym setting up their apparatus and getting down to work. Under the direction of Mr. Pete Spera, they practiced intricate tumbling stunts and worked out on the ropes, rings, and parallel bars. All their time and effort was shown in their part of the Physical Education Show.

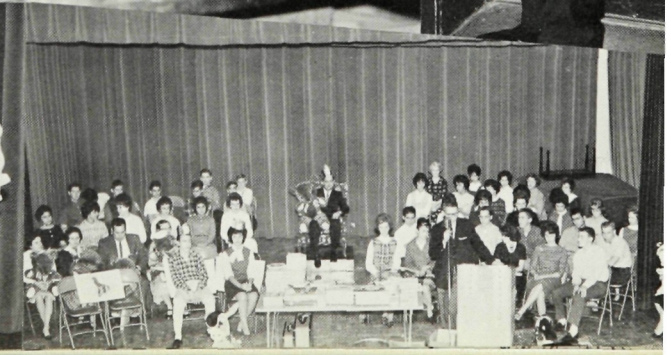

## Track Club

Every Friday morning at 8:00 a.m. the Track Club met in the girls' gym. The main purpose of the club was to get the boys in shape for spring track meets. High jumping, sprinting, and hurdling were among the fundamentals taught. Mr. Testa, the coach, was always there ready to give advice.

## THE SEASON'S JOUSTS

The Bellboys of 1961, although they did not have an impressive record, certainly did not lack in their fine spirit and enthusiasm. Despite a season of three wins and six losses, Belleville fans witnessed nine well-played games. The team had a triumphant 20 to 12 victory over our neighboring rival, Bloomfield, and closed the season on a high note by defeating Orange on Thanksgiving Day. We can truly be proud of the boys on the squad and the outstanding ability they displayed.

Under the direction of their coach, Mr. Peter Spera, the Junior Varsity Football Team ran up a record of two wins, five losses, and a tie. Although this is not a remarkable record, it does not indicate the close scores of some of the games. The boys had fine spirit, played good football, and acquired the much-needed experience to go on to victory next year.

### CO-CAPTAINS AND COACH

Co-captains Alex Iacullo and Mike Suppa, who were voted most valuable players, are pictured here with Coach Ed Berlinski.

### FOOTBALL MANAGERS

John Recinnetti and Billy Sutton were responsible in seeing that all equipment was available and satisfactory.

### VARSITY and JUNIOR VARSITY TEAMS

Robert Byers, receiving a pass, is trying to evade a perspective tackler from Bloomfield High School.

During the Southside game, Belleville's Richard Luzzi was brought down by several Southsiders after Richard had made good yardage.

#### FOOTBALL COACHES

Belleville's football coaches, who did a fine job and worked hard with the team, were J.V. Coach, Peter Spera; Head Coach, Edward Berlinski, and Line Coach, Thomas Testa.

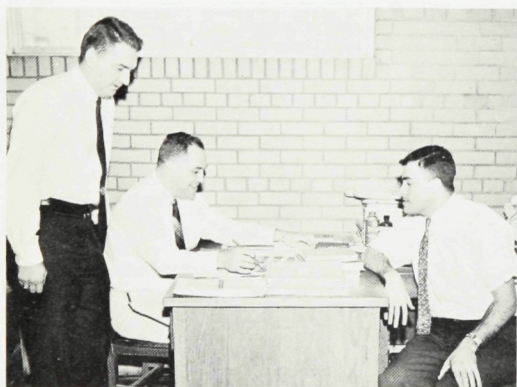

A trend for bigger and better football was displayed by the 40 players of the Freshman Football Team. The skill acquired in strenuous defensive and offensive drills accounted for an undefeated season of six wins and no losses. These boys will become fine varsity performers.

#### FRESHMAN FOOTBALL TEAM

#### BASKETBALL COACHES

Shown here are our fine coaches who encouraged the team to develop good sportsmanship even though the school did not have a winning season. They are Charles Travers, Junior Varsity; John Westlake, Varsity; and Nick Petti, Freshman.

#### VARSITY BASKETBALL

After one of its toughest seasons, Belleville High's Cagers found themselves in an embarrassing situation as far as wins and losses went. The quality of the team was much better than its 3-12 record indicated. In the game against Clifton, the Bellboys lost by a 57-55 score with the winning basket being scored with 25 seconds remaining in the game. A field goal played as the buzzer went off proved a victory for Passaic in a 46-45 game against the Blue and Gold.

Next year three juniors out of the five starters will be returning. Dave Hatch, Bobby Byers, and Richie Luzzi have gained much experience and will put it to good use in the oncoming season. Dave Hatch supplied much of the strength under the boards, along with Bob Byers' height. Tony Raimo showed himself to be an excellent ball handler. His quick hands and fine eye put him in double figures in many games. Richie Luzzi and Fred Carsillo, along with Mike Chiefo, Joe Petrillo, Ray Hackett, Roy Harmon, Rodger Gaglione, and Marty Levin added depth and points to Belleville's cause.

## Basketball

Hatch (14) unsuccessfully defends a Clifton player. Richie Luzzi (22) and Bob Byers (32) look on.

### JUNIOR VARSITY BASKETBALL

Though the J V's record for the season was not a good one, the boys could not be criticized for lack of enthusiasm. Particularly good this season were Len Longo and Bill Rush. After winning the opening game against Garfield, the J V's entered a losing streak which was eventually broken with a 25-23 win over Orange.

In the Essex County J. V. tournament the Bellboys beat Archbishop Walsh by a score of 52-43. They were eliminated from the tournament with a loss to West Orange. The season ended with losses to South Side and Seton Hall by two and one points respectively.

### BASKETBALL MANAGERS

The managers, Ken Miller, Ray Fersko, and John Resciniti, were responsible for keeping the uniforms and equipment in order.

At the Southside game Bob Byers put one into the basket.

### FRESHMAN BASKETBALL

The Freshman Team was the bright spot in this year's basketball schedule. They finished the season with 9 wins and 4 losses. Led by Frank Ray and Tony Raniero, they showed a great deal of ability as well as spirit.

The first two games were won by narrow margins. Then the Passaic team defeated the Frosh by a 70-43 score. Archrival Nutley was beaten 52-40. In the last four games of the season the freshman won sweeping victories climaxed by the 63-20 win over Irvington.

The Junior Varsity and Coach Marciano gathered at Clearman Field. Eighteen freshmen came out for the team, the first time in seven years that the underclassmen showed such interest. The captain was Joseph Cervasio.

The team had just received their uniforms. Coach Marciano at Clearman Field explained how the group should wear and take care of their uniforms.

## Baseball

The Varsity Baseball Team in the beginning of the season had an unsuccessful start, losing eight games and winning only one. They defeated Kearny 10-3. The team seemed to have shaped up better when underclassmen were given the privilege of playing on the Varsity Team. Frank Ray and Mike Liloia played outstanding ball.

After dropping three close games, the Junior Varsity Team won two in a row defeating Bloomfield 10-3 and West Orange 1-0. The two pitchers who seemed to have stood out were John Kearny and Alan Coppola. Kearny defeated Bloomfield and Coppola shut-out West Orange.

The Varsity at the Belleville Stadium received new uniforms this year. Coach Berlinski expected a good showing during the season. Several seniors made up the squad. Two pitchers returned. They were Bob Pucciarello and David Hatch. Joseph Petrillo was appointed captain of the squad.

On the dock at the Passaic River ready for a good day's workout are Belleville's 1962 Varsity oarsmen. Left to right are Stroke Andy Provence, Bob Patterson, Jim Bade, Bob Higgins, John Wohltman, Coxwain Bob Babb, Larry Bernard, Walter Orth, Joe McDermott, Ray Morrison, and Mike Rega. Kneeling in the background is Marty Jaquith.

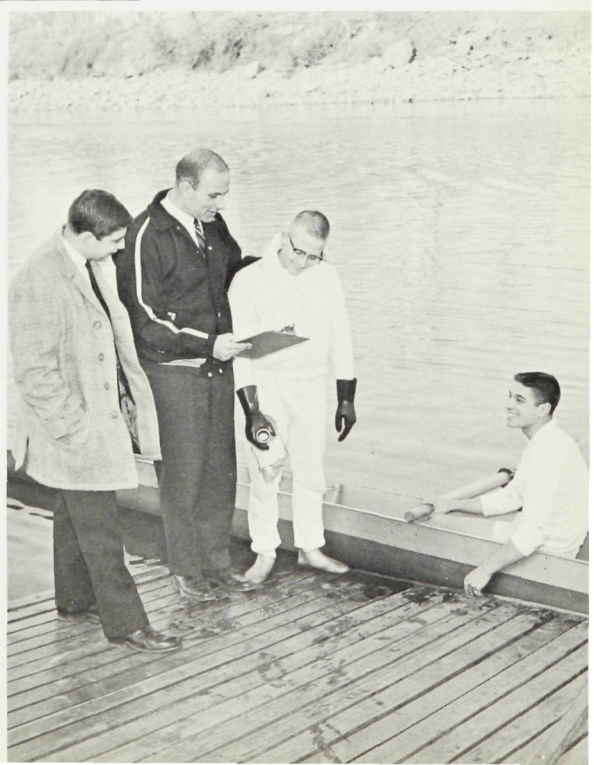

Coxwain Babb puts the varsity shell through its paces. The oarsmen are Stroke Andy Provence, Bob Patterson, Jim Bade, John Wohltmann, Walter Orth, Bob Higgins, Joe McDermott, and Larry Bernard.

## Crew

In the beginning of the season the Crew looked very promising. At Arlington High, Poughkeepsie, New York, they won by three lengths. Unfortunately they lost in a close race by only six seats in the Lower Marion High race at Philadelphia. Their third race with Blessed Sacrament High, New Rochelle, New York, was won by a wide margin of ten lengths. The group looked forward to events in the Poughkeepsie Regatta and the Schoolboy National Championship event at the New Jersey Regatta at Redbank.

Coach Scher was very pleased with the strong junior crew which should shape-up extremely well next season.

*Things look fine while coaches Lally and Scher inspect results of a practice run as Coxwain Bob Babb and Stroke Andy Provence look on approvingly.*

## Track

At Belleville Municipal Stadium are B.H.S.'s Cindermen ready and willing for a tough practice. They are under the direction of Coach Tom Testa. The squad looks relatively strong. With seven returning lettermen, a fine season is expected. Outstanding men are Jim Harvey in the mile run, Tom Greco in the 220 and 100 dashes, Bob Byers in the high jump, and Chris La Para and Bob McGoewn in the hurdles. Gus Brown, Vincent Sorrentino, Roger Wartell, Jim Eisenhard, and Al Lemberger will participate in other events of the season.

A rigorous training period of 5- to 6-mile courses through Belleville Park produced a team of individually fine runners. Because of the lack of depth, the team won one out of thirteen meets. In some cases a good fifth man would have meant a victory. In the Big Ten Meet Belleville placed seventh out of nine schools, and in the Essex County meet, placed tenth out of thirteen schools. Robert Harvey a junior, placed fifth and fourteenth in these meets.

James Harvey and Robert Babb qualified for a sweater and letter, while James Debesis and Andy Provence each qualified for a letter. Other members of the team were Arthur Assantes, Tom Terzo, Paul Gabrian, Bruce Bray, Marty Ollenschlager, and John Stesallis. Mr. Mario DiMaggio was their hard-working, competent coach.

## Cross Country

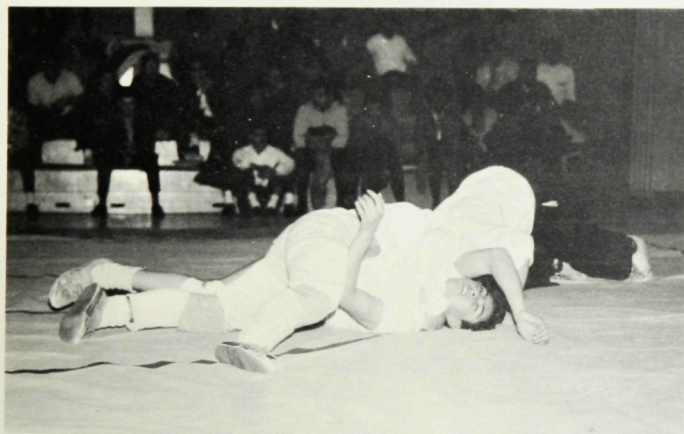

Last year's wrestling was started as an intramural sport, but this year it began as a regular team of nearly 94 members who practiced three times a week beginning at 7 a.m.

At first the team met Montclair and St. Benedict's on the clinic basis. On January 12, the first formal wrestling match was held with West Orange. Twelve weight divisions competed with Belleville, who defeated West Orange by a 29-19 score. A week later they met their arch-rival, Nutley, winning by a score of 26 to 18. To a packed gym at Belleville, our boys met and defeated Essex Catholic with 29 points against Essex Catholic's 4. The final game was against Irvington Varsity Team, a group having had four years of experience. Even with defeat at 30 to 18, the boys did very well.

All of the boys showed enthusiasm and worked hard throughout the entire season. The bulk of the group is composed of freshmen.

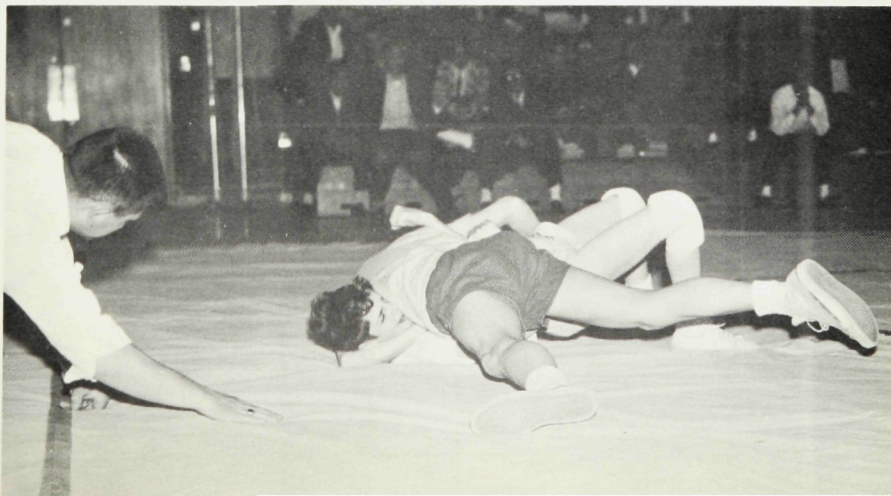

This is only a part of the Wrestling Team photographed in the boys' gym early one morning. Mr. Scher is the coach of the team.

Captain Andy Provence (face not showing) moving in to pin down his opponent. Andy is in the 138-pound class.

## Wrestling

Dave Sheldon is shown being successful with his Nutley opponent in the 105-pound match.

## Golf Team

Pictured above is the nucleus of the 1962 Golf Team. Flanking Mr. Salzarulo are Arnold George, Forbes Kennedy, Ken Foley, and Rodger Gaglione. Absent when this photograph was taken was Charles Librizzi.

If experience is a criterion, this season should be a successful one. Librizzi, the team's number one player, is a veteran of several campaigns and is expected to be a consistent point-getter. All of the above players have game experience.

## Boys' Bowling Team

Belleville High School was one of eight teams participating in the Northern Jersey Interscholastic Bowling League. The boys bowled every Thursday at the Bell-Clair Lanes in Montclair.

Although the team's won and lost record has been far from impressive, the team's average was a very respectable 823. Individually, one of the highlights of the year was a 256 game recorded by Bob Patterson.

Pictured above are James Connell, William Cifune, Coach Mr. Salzarulo, Alan Berg, Robert Patterson, and Arnold George.

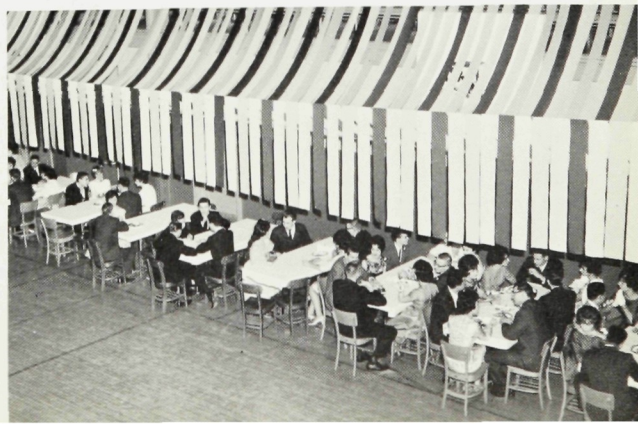

From October through March on Friday afternoons, an enthusiastic group of female bowlers could be found at Branch Brook Lanes. Since the league's beginning two years ago, girls' bowling has increased greatly in popularity. This year there were eight teams under the direction of Mr. Salzarulo and Miss Decker.

Pictured here are Marilyn Monaco, Theresa Swetel, Roberta Moore, Mary Ellen O'Rourke, Beth Thayler, Pat Scaglione, Lorraine Straface, Mr. Salzarulo, Roseann Trusey, Janice Davey, Priscilla Morrell, Diane De Groat, Janet Borino, and Barbara Beretsos. Miss Decker was absent when this picture was taken.

# In Memoriam

## Mr. George Thomas Lees

We are suddenly aware of how inappropriate words become when attempting to use them to express the feelings of so many. Each of us feels a great personal sorrow over the loss of our Acting Principal, Mr. George T. Lees. How can we describe our feelings toward him?

Perhaps it can be summed up by stating simply—to know him was to love him.

To the students of Belleville High he was a friend we respected and an understanding administrator, never too busy to listen to our problems. Our interests were his; our worries, his worries.

To the faculty he was their friend, confidant, leader, and inspiration.

We, the Class of '62, have a special distinction. We are his class—there has been none before us and now none will follow.

The best tribute we could pay to Mr. Lees would be to remember him and live life as he saw it—with dignity, with courage, and with integrity.
