BELMAR, NEW JERSEY, FRIDAY, APRIL 23, 1943

South Belmar Sets 10 P. M. Curfew for Children Under 16

Ordinance Requires All on Streets to Be Accompanied by Adults—C. D. Seavey, Mayor

South Belmar council voted Tuesday evening to set a 10 p.m. curfew from today until April 30 for all children under 16 years of age. The ordinance will go into effect Friday and will remain in force until the council relieves it, or until this date.

The ordinance was written to require all children on the street to be accompanied by an adult. It is designed to prevent them from being alone outside of their homes after dark.

The council had been asked to consider curfews and other restraint measures on children by a group of parents who said they were concerned about children being alone after dark.

The ordinance will be enforced by city officials, and anyone found without an adult will be held in the police station until the adult comes to claim them. The ordinance is a necessary step to prevent crime and disturbances in the community.

The council will consider the ordinance at its next meeting, and it may be extended if necessary.

The ordinance is a step in the right direction, and it is hoped that everyone will cooperate to make sure that it is followed.

B. D. Seavey, Mayor

The council will consider the ordinance at its next meeting, and it may be extended if necessary.

The ordinance is a step in the right direction, and it is hoped that everyone will cooperate to make sure that it is followed.

To dedicate Altar as a War Memorial

Continued from page 1.

...determining for you a financial assistance, for you to begin you an opportunity to participate in the memorial if you desire to do so.

"The sole thought of your committee is the building of a monument that will be a great credit to all who revere and have a lasting tribute to those who make the supreme sacrifice. It is only right and proper that every one who wishes to join in this splendid undertaking should have that privilege."

"It is a ruling of the committee that the names of contributors will not be published, but it is not contrary to this rule, to inform you that the Holy Name Society and Catholic Daughters of America have each donated $100 to this fund."

"This annuity, the Most Reverend Bishop has graciously consented to be put on us on the day of dedication, May 15th, at 3:00 p.m., let us look forward to that day by making all necessary preparations for its success."

"Any contributions you desire to make may be forwarded to Anthony Griffin, treasurer, 690 F Street, Belmar, and be added to any member of the committee."

"We have the cooperation of our Pastor, we invite your interest and assure you that something will be formulated to carry out the plans now underway."

Your Garden

By: A. C. McLellan
N.J. Agricultural Extension Service

It is a mistake to have the planting of all bulbous material until the soil has thawed. But better results are obtained if the soil is firm, as it has an opportunity to make more growth in the winter. It is possible, in some cases, that the bulb may not bloom, but the resistence is not likely to be as successful as if the bulb is transplanted while the plant is practically dormant.

The roots, not the bulbs, are the garden's main concern in this business. It is true that it is impossible to dig a plant after it has bloomed, but it is possible to get some growth by root replanting. To do this, first, a good part of the soil should be taken off the bottom of the plant at its basal plate, then the earth should be removed from around the plant with a spade and a hock, and the plant should be well watered. When the plant is well watered, the roots should be cut into small pieces of about an inch in length before replanting, and then the plant should be placed in the soil and the earth should be put about it. It is a good practice to fertilize bulb beds at the first of July and you can look forward to bloom all summer. Practically all plants are dormant and ready for transplanting at this time. The farther advanced the plant's growth, the greater the shock it sustains when it is transplanted, it is advisable to prune them as when the chore is done while the plant is still in its infancy.

The leaves and blooms will remain if they are cut off while the plant is still in its infancy. The leaves and blooms will remain if they are cut off while the plant is still in its infancy.

To the plant in manufacturing its food. Sap containing manure is good for this purpose. The farther advanced the plant's growth, the greater the shock it sustains when it is transplanted, it is advisable to prune them as when the chore is done while the plant is still in its infancy.

Transplanting, at its best, is a Substantial growth of foliage and thus a must for the gardener's main concern in this business. Sap containing manure is good for this purpose. The farther advanced the plant's growth, the greater the shock it sustains when it is transplanted, it is advisable to prune them as when the chore is done while the plant is still in its infancy.

SAP containing manure is good for this purpose. The farther advanced the plant's growth, the greater the shock it sustains when it is transplanted, it is advisable to prune them as when the chore is done while the plant is still in its infancy.

What is seen coming out of the plant in manufacturing its food. Sap containing manure is good for this purpose. The farther advanced the plant's growth, the greater the shock it sustains when it is transplanted, it is advisable to prune them as when the chore is done while the plant is still in its infancy.

"Why I Am a Candidate for Commissioner"

For Commissioner

\[ \text{HOWARD W. HAYES} \]

That the general public may know the real intent and sincerity of my decision to be a candidate for the office of Commissioner in the Borough of Belmar, I give the following resume:

1. I feel that I have something to offer my community in this office.
2. I feel that my relationship to the promotional work of our Borough, has given me an insight for the future, that will be an asset to our community in grasping opportunities that will be opening for shore communities now, and in the years just ahead. Faster modes of travel and other developments, brought about by the war, are going to open vast fields to the shore areas, and those with experience in promotional undertakings will be most valuable persons in official capacities.
3. I have developed and will continue to enlarge a sound business enterprise in our community. Therefore, I am interested that the business life of our Borough enlarge and develop.
4. I am a home and family man. Therefore, I am interested in the best educational, cultural and social attitudes and activities in our community.
5. I am affiliated with and active in the Civic, Service, Fraternal and religious life of our community. Therefore, I have a real interest in the work and progress of the moral, social and religious life of our community.
6. I am independent politically, and without political obligation to anyone, accept the general policy of the Borough of Belmar.
7. I always enjoyed a reputation of honest, fair and courteous treatment in all my business, social and other relationships.
8. Last, I feel that I have always been progressive and had the WELFARE OF OUR COMMUNITY AT HEART.

Because of the above facts, and only upon the belief that I am able to offer my community, in service, in the office of Borough Commissioner, I have submitted my name as a candidate for this important office, and solicit your consideration and vote on the basis of my record in our community, as I have endeavored to briefly state it above.

THE SECOND REPORT to VOTERS of BELMAR on the OUTSTANDING SERVICE of

LEON T. ABBOTT, MAYOR
CARL W. SCHROEDER, COMMISSIONER
EDWARD F. LYMAN, COMMISSIONER

HERE ARE 15 MORE REASONS WHY BELMAR H.A. IS ADVANCED UNDER THE ADMINISTRATION OF THE PRESENT BOARD OF COMMISSIONERS, IN REASONS WHICH REFLECT THE BUSINESSLIKE AND EFFICIENT GOVERNMENT THEY HAVE GIVEN TO THE PEOPLE OF BELMAR.

The ABBOTT-SCHROEDER-LYMAN CAMPAIGN COMMITTEE, believing that the re-election of the present Board of Commissioners is vital to the future welfare of Belmar, takes this means of reviewing the SECOND YEAR of the present administration. It likewise urges you to go to the Polls May 11 and cast your vote for these outstanding, qualified public officials.

Here is the Record of Major Improvements in Belmar for 1940

1. Your present Board of Commissioners purchased a new Segrave pumper for the Good Hope Company to replace the obsolete Segrave pumper.
2. Your present Board of Commissioners successfully applied to the state and federal governments for $10,961 in W.P.A. funds and state funds.
3. Your present Board of Commissioners purchased land and buildings and equipment for and transferred to the State Board of Commerce and Navigation, B, D and C Streets, Surf and Snyder Avenues, and Seventeenth Avenue and D and E Streets.
4. Your present Board of Commissioners successfully applied to the state and federal governments for $10,961 in W.P.A. funds and state funds.
5. Your present Board of Commissioners purchased land and buildings and equipment for and transferred to the State Board of Commerce and Navigation, B, D and C Streets, Surf and Snyder Avenues, and Seventeenth Avenue and D and E Streets.
6. Your present Board of Commissioners purchased land and buildings and equipment for and transferred to the State Board of Commerce and Navigation, B, D and C Streets, Surf and Snyder Avenues, and Seventeenth Avenue and D and E Streets.
7. Your present Board of Commissioners purchased land and buildings and equipment for and transferred to the State Board of Commerce and Navigation, B, D and C Streets, Surf and Snyder Avenues, and Seventeenth Avenue and D and E Streets.

SUMMER RENTS . . .

Lifting of the ceiling on rents charged for summer homes, as promised this week by Rep. James C. Auchincloss, will do much to ease the problem of the shortage and renting of rents last year by the OPA. Under the frozen order of 1942 a summer property owner who rented for a low rate price in the summer was bound to maintain this price as a ceiling.

Summer rentals in the Jersey Shore are in many cases complicated. Resort property owners know that poor weather can delay the renting of many homes, and frequently homes are rented only in August in one season and in July in another. Conditions applicable to summer homes are not the same as those which govern all-season properties, so many summer rentals are made by owners who are not used to such arrangements.

The exemption promised by the OPA to Representative Auchincloss will end many hardships for those who have rented homes which provides the income needed to keep summer properties in a livable condition.

SUMMER RENTS...

TOO LATE...

Banking Commissioner Agger’s complaint regarding lacked beiing what should be the state’s share of loan applications, which were exploited 10 years ago to the extent that shareholders were robbed of their capital out of private hands into the public purse, was made known this week. Many of them are true, others are merely pulled out of thin air, but they serve to point out that many summer residents have with difficulty their losses.

HARD TO BELIEVE, BUT TRUE...

Why resort advertising salesman for a New York paper called at the office this week, and read aloud two stories of the seashore.

"The city clerk in Cape May received a letter from a Pennsylvania resident who owns a summer home in that vicinity. The man said he never thought it necessary to the clerk to send цены for painting his summer home black. He explained that black rules are not to be used, unless it is in the case of the black antis."
LETTERS TO THE EDITOR

Mr. Norman C. O'Harra, chairman of the Women's Auxiliary, will be in charge of the program. Each group will hold a brief business presentation.

ALL-ROUND, ALL-QUALITY, ALL-CAR SERVICE

AND THE SPRING TUNE-UP OF YOUR CAR SHOULD BE DIFFERENT, TOO!

NO MORE TOP SPEEDS!
You'll be driving at 80-85 mph this spring and summer — and that means that your car's timing, oil, brake condition, carburetor, spark plugs, chain and belt condition are not adjusted for top-speed driving.

NO MORE HIGH-GEAR GAS
We use lower-octane gas today, so our engines are designed for this low-octane gas. But you can't just use its new diet. Whether you need a tune-up or major performance adjustment, we do it right.

LESS GASOLINE
In addition to bringing your engine to proper high-performance condition, a proper top-speed driving schedule will cut gasoline consumption by 1000-1500 miles per gallon.

LESS DRIVING
Your generator and voltage regulator should be put in top condition now to give you the possibility of a rainbow before the rain. Your battery itself should be checked, too — now and at the start of every season.

CARS ARE BEING DRIVEN LONGER
As your car's mileage goes up — as your brakes, lights, tires and steering system grow old — you must guard against the possibly of a breakdown before it happens. Your battery itself should be checked, too — now and at the start of every season.
Pt. William Brown, Belmar, entered the Tenth Avenue pavilion on the boardwalk to be installed. The Lady's Aid of the Coast Methodist Church will hold a worship service at 2:30 p.m. on Easter Sunday.

The Belmar Choral club under the direction of John Cubbon, will again present the pageant "He Is Risen" will be held at 5 p.m. on Easter Sunday. The Church of the Resurrection, Third Avenue and Sylvania, will be the setting. Elwood C. Van-Blarcom, publicity.

Mrs. Raymond Braly will serve coffee and cookies in the church basement Tuesday, April 27, 1943, as the sponsored and the nominating committee will hold guest services. The memorial will be 11 a.m. and an all-day service will be held at the church. The New Bedford P. T. A. is host to fathers' Sunday, April 24, 1943, and from 2 to 3 p.m.

PT. James Foye has been transferred from Camp Orange to Camp Lee, Va. He is a first lieutenant with the 14th Engineers Battallion.

The Belmar post office will close early from noon until 2 p.m. in observance of Good Friday. The postmaster said it will be a late delivery in the afternoon.

Pt. Harold Taffee of Belmar has been transferred to the 18th Air Bomber Group. He was stationed in the Casablanca Theater until his return in a plane from Tunis with his parents.

Easter Services at St. Rose's Church

Following the annual Easter service at St. Rose's Church on April 21, the Rev. J. W. Williams, pastor, will deliver the annual sermon of greeting according to the usual custom. The service will begin at 7 a.m.

The Rev. Joseph B. Sutphin is now stationed at the army's Medical Replacement Training Center at Camp Peary, Va.

The Rev. J. W. Bennett Funeral Home

The Belmar Choral club under the direction of John Cubbon, will again present the pageant "He Is Risen" will be held at 5 p.m. on Easter Sunday. The Church of the Resurrection, Third Avenue and Sylvania, will be the setting. Elwood C. Van-Blarcom, publicity.

There is no food served in the church basement Tuesday, April 27, 1943, as the sponsored and the nominating committee will hold guest services. The memorial will be 11 a.m. and an all-day service will be held at the church. The New Bedford P. T. A. is host to fathers' Sunday, April 24, 1943, and from 2 to 3 p.m.

A personal note from the Rev. Joseph B. Sutphin is now stationed at the army's Medical Replacement Training Center at Camp Peary, Va.
