The Quill

For those residents interested — and we think many should be — the Clark Board of Adjustment will meet December 19.

The Board will hold its meeting Monday night in the Council Chambers at 8 p.m.

And a meeting of a different sort is planned for this Saturday. It will be story-telling time at the Clark Public Library.

The 10 a.m. story-hour will be for children in kindergarten and in the first, second and third grades. The 11 a.m. story hour will be for the older children in the fourth, fifth and sixth grades. Seventh graders are also invited.

At the 10 a.m. story-hour, children will hear "9-days to Christmas", "Around the Year," and "The Christmas Story".

Children attending the 11 a.m. story-hour will hear "Voyage Wee Red Cap" and "Christmas Spider," from the Animals' Christmas.

At both story-hours, the story-teller will also read Christmas poetry and give an explanation of Hannukah, the Jewish Festival of Light. Music will serve as a background for the stories and poetry.

Tickets can be picked up at the children's desk in the library. Each child will need a ticket to attend a story telling session.

The Christmas story teller is Mrs. John Malloy, a resident of Clark.

Mrs. Malloy promises to weave an enchanted spell for the youngsters — and the library holiday decorations are delightful themselves — so why not pick up a ticket for your child now?

It's Christmas tree selling time again — and the Clark Jaycees will benefit from at least some of these sales.

Walter Kosenski, Christmas tree dealer, will donate 50¢ to the Jaycees for everyone who buys a tree there and gives him one of the flyers being distributed by the Jaycees.

His trees are displayed at the corner of Raritan Road and Central Avenue, near where the Dairy Queen operates during the warm weather.

What helps the Jaycees benefits the town because their proceeds are used for community projects.

Well, what do you know? We didn't think about it — but sure enough — they're charging sales tax on Christmas trees. You don't realize it until you get right down to having to pay cold cash for something and then that sales tax hits you.

Granted, our highways, schools and institutions desperately need more funds — but now we find out that next year it's going to cost \$3.2 million just to ADMINISTER the sales tax. You can buy a lot of red tape for that money.

The deadline for submitting petitions for the candidates for the Board of Education is January 5 at 4 p.m. Three members, each of whom will serve a three year term, will be elected in February.

It was announced at a Board meeting Tuesday night that two of the Board members whose terms expire this time will not seek re-election. These men are John Keena, who has served on the Board for nine years and Douglas Turner, who has served two terms.

The third member of the Board whose term expires this year, Robert Verner, has also served for six years. He was not available for comment on whether or not he would seek a third term.

We hear a lot about the Board of Education in Clark — whether it's budget voting time . . . or plans for the summer program . . . or Council President Winters' failure to appoint a Municipal Council liaison these past months.

But hearing a lot about the Board is not nearly as important as doing something about it.

There must be at least three residents of Clark who are willing and dedicated enough to serve their own children and the township as a whole by volunteering to seek election.

The pay is great, too. You don't receive a salary — but the sense of satisfaction must be worth \$1,000,000.

BIGGEST CHRISTMAS PRESENT EVER from the Clark State Bank to two lucky Clark youngsters. Two of these holiday stockings will be awarded on December 22 at the bank. Entry blanks are available at both offices of the bank: Raritan Road at Commerce Place and Westfield Avenue at Lincoln Boulevard. The petite young chamer looking earnestly at the stocking above is Miss Stephanie Barri Enis of 184 Gibson Boulevard, Clark. If looks could deliver — she'd be a sure winner.

Town GOP To Be Guests At Brunch

Republican Mayor William J. McGuire and Councilmen Edward Getchis and Bernard Yarusavage will be guests of honor at a Legislative Brunch this week to meet with Republican state and county elected officials to discuss legislation and problems of special interest to Clark.

"What's more important than getting elected is giving the people good government on every level," said Loree "Rip" Collins, Union County Republican Chairman, in announcing a Legislative Brunch for members of the governing bodies of each Union County town.

The Brunch is set for Saturday, December 17, at 9:30 a.m. at the Stage House Inn, Scotch Plains. The Republican Mayors and Municipal Governing Body members who will hold office after January 1, 1967 will meet with Senator Nelson F. Stamler, Assemblymen Frank X. Stamler, the senior GOP elected official, will preside over the discussion, Collins said.

Retired Men Combine Work With Pleasure

Much active welfare work is being carried out by the Rahway Retired Men's Club despite their involvement in numerous holiday festivities. Anton Bader, Workshop chairman and the club's perennial Santa Claus, indicated in his report given at the meeting held Monday at Trinity Methodist recreation hall that the handicapped and underprivileged children are receiving much attention.

A visit during the week to the Children's Specialized Hospital, was described reflecting the joy the sick and crippled youngsters received from the frequent gifts from The Rahway club. This visit closely followed the trip to the St. Michael's Home, Hopewell, after a fire the preceding day had wiped out some of their prized toys and playthings.

Appreciation of this work by the public was again manifested by liberal donations of toys, dolls, games, puzzles and other articles from various citizens including a quantity from Mrs. James Hahn, Linden; Mrs. H. A. Johnson, Iselin; William F. Cleveland, Cranford; Mrs. Clyde Linaberry, Rahway; Home Economics Department, Rahway Junior High School; Mrs. Walter Buell, Rahway; glasses to aid "Eyes for Needy" received from William E. Cook, Arnold Priezt, club members; Mrs. Isaac Hicks, Rahway. A delivery of articles will be made Friday to the State School for Retarded Children, Avenel. A member of the club will serve as Santa Claus at a local institution next week.

The birthday anniversary of Frank Archaga, was celebrated with song led by Vice-president Randolph L. Gilman and Pianist William E. Cook and club congratulations extended by President John M. Kiesecker. A L. Shore was welcomed to membership.

"Amish Farms and Houses" in Lancaster county Pa., was the film program projected by Boyd Ginter and Joe Ricci. A poem by Morris Basher, the club poet-laureate, was read, also a description of the progress

being made in Woodbridge for the general welfare of the aging.

The club Christmas dinner is held today (Thursday) at the Main Restaurant, with Walter Clapp, chairman, and Aime V. Carhuff in charge of program. The Christmas show at Radio City Music Hall will be attended Thursday morning, December 22. The social period was in charge of George Zona, Arnold Priezt, Lester Hardenberg, Alois Sautter, Le Roy Clark and John Irvine.

Henry Dipple, organizer and first president of the Rahway Club, reported an increasing interest in Clark for establishment of a club for senior citizens in that township. He also reported for the Welfare Committee on the physical condition of Hezekiah Fitch, Maurice Rushmore and Daniel Norante. Grover Kluck was welcomed back after being confined to his home.

SCHOLARSHIP APPLICATIONS INCREASE BY 10 PER CENT

New Jersey students this year submitted 22,336 applications for college scholarships—a 10 per cent increase over last year—according to a report issued today by the State Scholarship Commission, Department of Education.

Since 1959 New Jersey has granted awards to 5 per cent of the high school graduating class.

Roosevelt PTA Holds Family Life Program

The Parent and Family Life Program of Roosevelt School P.T.A. featured a film "The Child Molester" presented by the "We Must Care" Organization which had headquarters in Ridgefield, N.J. Guest speakers following the film were Milton Halberson and Mrs. Carole Spahn. Mr. Halberson explained that this is an organization formed by individuals to try to determine what causes a person to become a child molester. Such persons must have proper psychiatric treatment at an early stage. Through this treatment offenders can be restored to mental health and converted to useful citizens. If they are released untreated they may return to society and kill or mutilate other small children. Fines or jail sentences are no cure for such offenders.

This organization has been encouraged in its field by the late President John F. Kennedy, the U.S. Justice Department, F.B.I. Director J. Edgar Hoover and the U.S. Department of Health, Education & Welfare.

Mr. Halberson stated that people in this locality should form an organization to help find ways of preventing any child molester from harming young children. Posters should be placed around the city warning of such offenders and how they may act. He also stated that such an offender may be a next door neighbor or someone they know and have been taught to trust. More news

printed about such offenders will do more harm than good to them, by our bringing into the open their many ways in which they can harm children.

A film "Say No To Strangers" has been scheduled to be shown in all Rahway Schools in January.

Refreshments donated by board members were served by Mrs. Herbert Freeman and Mrs. Dominick Stamato, co-chairman and aided by Mrs. Mary Quinn.

At the time of his retirement, Mr. Ehresmann was a construction mechanic in Esso Research and Engineering's Mechanical Division, where he had been a member since 1959.

Jaycee-ettes Entertain Children

Christmas is for children and the Clark Jaycee-ettes did their part this week to see that this was fulfilled. On December 8, they gave a party at the Woodbridge State School, a school for retarded children, where they entertained a cottage of 53 little girls.

The Jaycee-ettes, through some very generous donations, were able to provide cookies, ice cream, soda and some toys for each child they reported.

Some larger toys, such as a phonograph, were also presented to the school. It was a wonderful experience for the organization to be able to give some Christmas cheer to children who may otherwise have been forgotten said Mrs. Walter Nellis, the chairman of this endeavor.

Children of the Jaycees and Jaycee-ettes were also entertained at a Christmas Party on December 11 in Charlie Kelly's Pine Room. Approximately 40 children attended. They played games and saw some Christmas movies at special treats and received a gift from Santa Claus. Mrs. John F. Boyle was chairman and reported that "the children all went away with full tummies and happy hearts."

Clark Woman To Act As Census Interviewer

A sample survey of those who performed farm work for cash in 1966 will be conducted in this area during December as a part of the Census Bureau's monthly Current Population Survey, according to John C. Cullinane, director of the Bureau's regional office in New York.

Census Bureau interviewer who will visit families here during the December survey is:

Mrs. Rhoda E. Girus, 110 Gertrude Street, Clark

A section of the survey form is to be filled for those who did any farm work at all in 1966. The information, obtained annually for use of the U.S. Department of Agriculture, will supplement the regular monthly employment inquiries conducted by the Census Bureau to furnish facts for the Department of Labor's Bureau of Labor Statistics.

All information is kept completely confidential and is used only for statistical purposes.

The survey will be made during the week beginning December 12 among sample households in this area and in other selected areas throughout the United States.

A.L.J. Regional Girls: Play Rough and Tumble 'Powder Puff' Football

The senior girls opposed the juniors in the second annual powderpuff football game. Nolan Fiel dominated the anxious players and it was a rough and tumble game.

As the game started, rules for two hand touch were in effect. But, after the second play, the girls were engaged in a real game of tackle. The coaches of the senior team, Wayne Garrick and Phil DiBattista didn't object to the new rules, they said.

The two teams battled back and forth. After each play, more and more mud covered, bruised girls got off the ground. But, this didn't dim the enthusiasm of the

players. The first touchdown of the game was run 34 yards by Anna Massari on the senior team. To add an extra point to the score, Jessica Sinclair, ran the ball over the goal line.

After running back and forth for a while on the field Lynn Merkel came through in the second quarter with a touchdown for the juniors. But, the junior team failed to make the extra point, which gave the seniors the victory 7-6.

To add to the fun, several boys took positions as cheerleaders, colorguard and a twirler. Danny Gibbons, Tony Parise and Bob Harris acted as cheerleaders. The

colorguard consisted of Herb Decker, Wayne Tambo and Bob Potignano. Bill Techanuck was the twirler. These boys, along with Bob Ziobro and Jim Soreano, as the band cheered the seniors to victory. They also provided the half-time entertainment for the spectators.

Know Your Union County Government

Freeholder - **ARTHUR C. FRIED**

The Union County Planning Board was created by a resolution of the Board of Freeholders on March 4, 1965, thus becoming the 20th County in the State to have a Planning Board of Planning Department.

The original resolution was revised on January 1, 1966 to increase the membership of the Board from seven to nine. The Board is now composed as follows: the Freeholder Director, one Freeholder member appointed by the Director the County Engineer, and six citizen members appointed by the Director with the approval of the Board of Freeholders. The citizen members serve three year staggered terms, and all members serve without compensation.

In October, 1965, the Board of Freeholders, after receiving the recommendation of the Planning Board, passed resolutions creating the position of County Planning Director and employing a salaried professional to serve as Director. In addition to the Planning Director, the present staff consists of an Administrative

Assistant, Clerk - Stenographer, and Planning Aide.

A Planning Board attorney has also been appointed whose duties, in addition to normal legal work required by the Board, are to research and disseminate information on the varied Federal Aid programs available to the municipalities and the County. The professional staff position of Assistant Planner has been approved by the Planning Board, and funds have been provided in the 1966 County Budget for this position.

The purpose of the County Planning Board is to formulate a long-range county planning program and to provide planning assistance to the municipalities within the County. The primary function of the County Planning Board is to develop a comprehensive plan for Union County which gives sound planning guidance to the general development of the county and to devise and administer the basic machinery for the implementation of the plan.

Limited by the enabling legislation, the Board, for the most part, makes recom-

mendations and acts primarily as an advisory body. One major duty is to review subdivision plans in regard to their design and future impact on the community. Also, the enabling legislation empowers the Board to approve or disapprove these subdivisions as they affect drainage on county roads.

Other primary duties are to gather information and pursue special studies of the overall growth and development of the County and to make this information available to the general public. Also, the Board advises and consults with the Board of Freeholders and provides special services or information when requested.

The secondary duties of the Planning Board are as follows: (1) to coordinate municipal planning problems and to advise and consult with local planning Boards and governing bodies on planning and development matters; (2) to consult with state agencies in regard to regional problems affecting the development of the County; (3) to participate in regional and national planning associations' activities; (4) to assist in the promotion of sound development programs for all public and private facilities in the County.

Each of these duties is performed with the expressed purpose of providing for a maintaining the future health and well-being of all citizens of the County.

Stanley A. Fink
Clark Chairman
Of Dimes March

At a recent organization meeting of the Union County March of Dimes campaign for 1967, Stanley A. Fink of 203 Gibson Blvd. was named Chairman for the Clark Drive. Last year Mr. Fink served as co-chairman in Clark with Richard Givney, who this year stepped down after many years of untiring work for the March of Dimes.

In the very near future

Mr. Fink will be naming various sub-chairman to head parts of the March of Dimes campaign in Clark, such as the Mothers' March, Business & Industry, Teen-Agers, and Professional.

Anyone interested in participating in this year's campaign can call him at 382-6070.

Mr. Fink is an attorney practicing in Clark. He is a graduate of Marietta College in Ohio and Washington & Lee University School of Law in Virginia. He was a former resident of Linden and a product of the Linden School system.

This year's Clark March of Dimes Chairman is also a Vice-President of the Clark Jaycees, a member of the Union County Bar Association, and the New Jersey Bar Association. Mr. Fink is married and has one child.

March of Dimes statistics show that birth defects are the nation's second greatest destroyer of life—the greatest childhood health problem in the United States today. They destroy an estimated half-million lives every year before birth. They annually kill at least 60,000 children and adults. They are the leading cause of childhood chronic mental and physical disability. Mr. Fink urges everyone to give generously to aid in reducing these awesome statistics.

Rahway Safety Council Elects Officer Slate

Election of officers was held Tuesday and by the Rahway Safety Council at the residence of Louis R. Rizzo, president. They are: Carl A. Carlson, 446 Grove Street, president; Frank D. Brunette, 1070 Baumann Court, vice-president; Fred A. Grimaldi, 750 Elm Avenue, secretary; Salvatore Prezioso, 944 Inwood Place, treasurer; A. Wade Linkin, 1206 Stone Street, assistant secretary.

The fortieth anniversary of the council will be celebrated Tuesday, January 10 at Alberti's restaurant, Route 27 and Six Roads, when the new officers will be installed. Anthony Marino, of 306 East Stearns Street, who was selected to membership, will be inducted at that time.

The proximity of the holidays caused the council to issue urgent plea to all homes to use utmost caution with Christmas trees and the lighting and stressed the dangers from wiring and the use of inflammable trees and decorations. Holiday traffic hazards were stressed and all motorists urged to avoid everything that would weaken their driving ability.

Traffic problems were discussed at length following a letter from Arthur E. Taylor, 704 Central Avenue, listing the frequency of cars going the wrong way on Central between Madison and Jefferson Avenues. The lack of adequate sidewalks at certain points was listed and will be discussed with city officials.

John Sousa and Frank Brunette will prepare a safety program that will be laid before children and parents and operated jointly as far as possible. Special recognition will be given the school crossing guard of the year, a plan inaugurated successfully the past year. Members of the council will check on the efficiency of the guards.

The Rahway Jaycees asked the cooperation of the council in the selection of a young man qualified to receive the distinguished service award of the year. President Rizzo made numerous suggestions for increasing the effectiveness of the council's safety program. Important suggestions were made by Richard Archer, Cass Beiger, Robert R. Miller, James J. Daly and Vincent Keller.

Colonia AAUW To Help Students College Graduates

The Colonia Branch of the American Association of University Women will be helping hand to OPERATION NATIVE SON sponsored by the Woodbridge Chamber of Commerce. OPERATION NATIVE SON has been the object of offering career opportunities to local college prospective graduates in an attempt to encourage these graduates to work in the area.

The project also benefits local firms which cannot provide interviews on college campuses. There are at least fourteen companies in the area which will interview local talent.

The interviews will take place on December 28, from 9 a. m. to 4 p. m., at the Colonia Junior High School, Inman Avenue and Garden State Parkway, Colonia, (Woodbridge).

The Colonia Branch of the AAUW will participate in this worthwhile venture. The Branch will operate a snack bar for the participants during the entire day in which the interviewees and interviewees will be offered many fine and tasty foods. The snack bar will be manned by club members who will donate their time to help make the project a success. The members will also provide the refreshments for sale to the participants of the program.

Mrs. Herbert Hutt is heading this AAUW project. The proceeds from the snack bar will go toward the club's most worthy goal—a fellowship for a deserving student.

Mrs. Edmund Hoener reported the library is open every day after regular school hours. Anyone who is interested and would care to work in the library is asked to contact Mrs. Hoener.

Three Christmas trees have been purchased for the school and have been joyfully decorated by the children.

Mrs. Morgan Mackey reported the Fashion Show a very great success.

On December 15, the children of the school will have

their Christmas Program at 7:30 p.m.

Eugene Wurga, Principal, announced schools would close for Christmas recess on Friday, December 23 at 1:45 p.m. A new American Flag has been presented to the school by the P. T. A. Hostesses for the evening were Mrs. Mackey and Mrs. Arendorf with Christmas decorations prevailing.

Christmas tree fires spread so quickly, according to Liberty Mutual Insurance Companies, that a person should make sure the rest of the family is out of the house and the fire department has been called before he tries to put the fire out.

Georges Honored On Golden Anniversary

Mr. and Mrs. Herbert George, of 327 Hamilton Street, Rahway, were feted this week at a party given in their honor celebrating their Golden Anniversary. The celebration, which was held at Rocky's was given by their two daughters, Mrs. Joseph Sepesi and Mrs. Helen Pepinger. Many friends and relatives attended the event to honor the happy couple.

A message of congratulations was received from President and Mrs. Lyndon Johnson and well wishes were received from Governor Richard Hughes, Senators Clifford Case and Harrison Williams, Mayor Henderson, and Mayor-elect John Marsh. A congratulatory telegram was received from General and Mrs. Dwight D. Eisenhower.

Mr. George came to Rahway 54 years ago from Brooklyn, New York. He married the former Helen Ella Radison of Rahway on November 21, 1916. The late Rev. Merrill officiated at the ceremony in the Baptist Church. Mrs. George had previously lived in Bayonne before coming to Rahway, in 1905.

Mr. George was employed by Merck & Company for 39 years before retiring 5 years ago. He is a member of the Merck Quarter Century Club and also the Retired Men's Club of Rahway.

Mr. and Mrs. George have five grandchildren and ten great-grandchildren.

Martin Rahway Dimes Chairman

Daniel L. Martin, of 454 Hamilton Street, has been appointed chairman of the 1967 Rahway March of Dimes by the Union County Chapter of the National Foundation.

Mr. Martin is a licensed land surveyor associated with Marsh & Lawrence Civil Engineers & Land Surveyors Rahway. A native of Rahway, he is a charter member of the Rahway Jaycees and has held several offices including director, treasurer, and vice-president. For the past five years he has been a member of the Mayor's Halloween Committee and is a member of the Mayor's Citizens Advisory Committee. A deacon in the First Presbyterian Church, Rahway, Mr. Martin is a mem-

ber of the YMCA Ushering Service, Princeton University. He participated in the Rahway YMCA Building Fund Drive, the 1966 Cancer Crusade and the 1966 March of Dimes. Mr. Martin is also a member of the New Jersey Society of Professional Engineers.

In accepting the position Mr. Martin said that his first goal is "to acquaint the citizens of Rahway of the work of the National Foundation. The National Foundation's greatest effort now is helping correct birth defects. At one time people did not speak of polio but the National Foundation educated the public of the need and it was conquered. Now people do not like to speak of birth defects, but this does not prevent them from being a national tragedy, and the way we can conquer birth defects is by supporting the March of Dimes."

Butch Kowal Association To Play Santa' Again For Needy Rahway Youngsters

The Butch Kowal Association is "at it again"—and many Rahway youngsters will benefit. In their annual role as "Santa," the group will again distribute holiday gifts to the needy.

Mario R. DiBenedetto, president of the Butch Kowal Association, has announced that the organization will, for the fourth consecutive year, distribute clothing shoes and other apparel to the children of a number of needy families of Rahway. The annual effort of the Association is a segment of its continuing charitable contribution to the community. The membership unanimously adopted a resolution at their last meeting that all items shall be purchased from Rahway merchants exclusively.

Volunteer members, together with the children and their families, conduct the shopping at the local stores during the week prior to Christmas. Mr. DiBenedetto reports that the merchants have always been "more than generous" in extending discounts on purchases which is significantly contributory to the aims of the Association's program.

Christmas trees should not be located near exits in the home, says Liberty Mutual Insurance Companies, which cite reports of persons trapped in rooms by flames blocking the doorway.

Rahway YMCA Reclassifying All Swimmers

The undefeated Morris-town boys YMCA swim teams will invade the Rahway pool on Saturday afternoon at 3 p.m. to meet the locals in a Central-Area YMCA league meet. The Rahway team coached by Bob Polheimus has a season record of 1-1 following their 122 to 68 win over Perth Amboy on Saturday afternoon.

The Irving street swimmers won 14 of 18 events including team records set by Chuck Slanovec, who raced home in record time of 0.59.6 in the 100 yard freestyle and 100 yard butterfly in 1:13.8, both in the 13/14 age group. The other record was set by Shon Gallagher in the 11/12 year old 40 yard backstroke in the time of 27.3.

Double winners beside Slanovec were Craig Backes in the 11/12 40 yard freestyle and breaststroke; John Berko in the 15/17 age group in the 100 yard back and butterfly.

Other single winners for the Rahway team were in the diving division; Sandy Johnson 13/u, Ted Osborne 14/u, in the 9/10 age group Ron Panone in 20 yard freestyle; Lindsay Johnson, 20 yard butterfly. In the 13/14 age group the winners were Larry Berko in the 20 yard backstroke; Jim Wight the 100 yard breaststroke, while Steve Pozyccki was a 15/17 age group winner in the 100 yard freestyle.

The other relay team in the 15/17 160 yard freestyle included Rod Havrlik, Tom Eurell, George Howell and Terry Morgart. Rahway dropped their first meet of the season to Somerville last week.

Jazz Devotees Lose Shrine

Devotees of jazz soon will be losing one of their Greenwich Village shrines, the room at 108 Waverly Place. The room houses the Institute of Jazz Studies, the result of a labor of love by a handful of jazz buffs, which in a few months will be the focal point of a happy marriage between the cool world of jazz and the inquiring world of the academician.

The Institute recently was acquired by Rutgers University and will be relocated in the John Cotton Dana Library on the State University's Newark Campus. One result of this will be to restore to the city of Newark a significant role in jazz, which it once played as a stopping off place in the 1920's for

jazz musicians from the no delivery of cards and letters on Christmas Day other than Special Delivery. Put ZIP in your Christmas mail... add ZIP Codes to the address and return address.

Greeting cards with a five-cent stamp may be sealed and contain writing. They are given priority in delivery and forwarding.

Remember to mark all mail for which you have paid special charges with the type of handling it should get (airmail, Special Delivery, Special Handling, etc.)

You can write DO NOT OPEN UNTIL CHRISTMAS on the outside of a Christmas package that goes through the mails. If a letter is enclosed it must be noted outside the package and first-class postage should be paid for the letter, in addition to the parcel post rate.

During the week just before Christmas long distance gifts and greetings should be sent by airmail to assure on-time delivery.

You can help the post office by separating greeting cards into local and out-of-town bundles.

Check the return addresses of the people who send you gifts and greeting cards and add their ZIP Codes to your mailing list. ZIP Code your responses to them for better mail service.

Using the new Christmas stamp as postage for your greeting cards assures first-class service and decorates the envelope too.

This time of the year there are quite a few temporary postal employees delivering mail. You can help them by making sure your address number is not covered so they can easily identify your building, and putting your name on your mailbox.

Everyone at the Post Office wishes you a Happy Holiday Season and thanks you sincerely for your cooperation. Merry Christmas.

Post Office Window Service Is Extended

Postmaster Warren T. Moulton announced today that the hours of window service at the Rahway, Clark and Colonia Post Offices will be extended for the convenience of the public.

Additionally, Postmaster Moulton offers the following Christmas mailing hints:

Airmail cards and parcels should be mailed to Service-men overseas no later than December 10 to assure before Christmas delivery.

All gifts should be packed in sturdy boxes. Cardboard boxes should be wrapped in heavy paper and tied with string cord.

Don't let any gifts rattle around in your Christmas mail packages. Sufficient cushioning is important to give the box strength. There may be a set of the encyclopedia shipped in the box on top of yours.

Each package you mail should include a slip showing the person receiving your Christmas gift and listing the contents. In case outer wrapping of package comes loose your gift will still be delivered.

In addition to articles normally prohibited, in the mails, matches, lighter fluid and alcoholic beverages may not be mailed to overseas military addresses.

Make sure your addresses are written or printed clearly and that they are complete. Don't let your mail end up in the Dead Letter office because your handwriting can't be read.

Gift parcels to distant States should be mailed by early December, and those for local delivery by December 15.

Don't forget that under normal conditions there is

SOCIAL NEWS TO REPORT

The amateur electrician has caused more than one home fire during Christmas-time, according to Liberty Mutual Insurance Companies, which advises that worn or frayed wiring be replaced -- not repaired.

Two weeks is the limit advised by Liberty Mutual Insurance Companies to keep a Christmas tree in the home, otherwise it reaches a dangerous stage of dryness -- no matter how well it's treated against burning.

Here Are Tips For Delicious Holiday Cookies

By Anne L. Sheelen
County Home Economist

It's Christmas cookie baking time. An assortment of holiday cookies, gaily decorated or plain, in a variety of shapes, textures and flavors add to the festive spirit of this season.

Professional looking homemade cookies are easy to acquire when you follow the directions closely and are conscious of a few hints common to the basic variety being prepared.

Pressed cookies, which include the recipe for Spritz given below, should have a well-defined shape, be tender, and have a rich buttery flavor.

When preparing pressed cookies, mix the dough as directed. It should be pliable. If it is warm, chill for a short time. However, if it is too cold, it will crumble. One secret to success is to use a cool baking sheet. If the baking sheet is warm, the fat in the dough will melt and the cookies will pull away from the sheet when the press is lifted. Having the correct baking temperature will prevent spreading while they are in the oven.

Drop cookies, which include the Holiday Fruit Drop recipe featured, should have a fairly uniform mound shape and a delicately browned exterior.

For drop cookies, if the dough seems soft, it can be chilled. Place the dough on the baking sheet by spooning up the amount recommended in the recipe and pushing it off with another spoon. Peeking up the dough will result in the mound effect after baking. Drop cookies are baked when no imprint remains when the center is lightly touched with your finger.

Rolled cookies, which include the Zucker Kuchen recipe, should be of uniform shape, lightly browned, and crisp texture.

The secret of success with rolled cookies is in limited handling and not working too much flour into the dough during the rolling process. Rolling the dough to uniform thickness is essential for an attractive product. Dipping the cutting knife in flour makes this process much easier.

In general, most cookies store well. Crisp, thin varieties should be placed in a container with a loose cover; soft varieties in a container with a tight-fitting cover.

SPRITZ

- 1 cup butter or margarine
- 2/3 cup sugar
- 3 egg yolks
- 1 teaspoon flavoring (almond or vanilla) or 1/4 cup grated almonds
- 2 1/2 cups flour

Heat oven to 400 degrees F. (moderate) Mix butter, sugar, egg yolks and flavoring thoroughly. Measure flour by dipping method or by sifting. Work in flour. Using 1/4 dough at a time, force dough through cookie press on ungreased baking sheet in desired shapes. Bake 7 to 10 minutes, or until set but not brown. Makes about 6 dozen cookies.

- #### HOLIDAY FRUIT DROPS
- 1 cup shortening
 - 2 cups brown sugar (packed)
 - 2 eggs
 - 1/2 cup soured milk, buttermilk, or water
 - 3 1/2 cups flour
 - 1 teaspoon soda
 - 1 teaspoon salt
 - 1 1/2 cups broken pecans, 2 cups candied cherries, halved, 2 cups cut-up dates

Mix shortening, sugar, and eggs well. Stir in soured milk. Measure flour by dipping or by sifting. Blend dry ingredients; stir in. Stir in pecans, cherries, and dates. Chill at least 1 hour. Heat oven to 400 degrees F. (mo-

derate) Drop rounded teaspoonfuls of dough about two inches apart on lightly greased baking sheet. Place a pecan or candied cherry half on each cookie, if desired. Bake 8 to 10 minutes until almost no imprint remains when touched lightly. Makes about 8 dozen cookies.

ZUCKER KUCHEN

- 1/2 stick (1/4 cup) butter or margarine
- 1 cup sugar
- 1 cup dairy sour cream
- 3 1/2 to 4 cups sifting flour
- 1 teaspoon soda
- 1/2 teaspoon baking powder

TOPPING

- 1/3 cup butter or margarine, melted
- 1 1/3 cups crushed vanilla wafers
- 1/2 cup sugar
- 1 1/2 teaspoons whole anise seed, crushed or ground

Cream butter or margarine. Add 1 cup sugar and continue creaming until light and fluffy. Add eggs one at a time, beating well after each addition. Stir in the cream. Sift together the flour, soda, and baking powder. Fold into the creamed mixture gradually. Blend thoroughly. The dough will be soft and somewhat sticky.

Place about 1/4 of the dough at a time on a well floured pastry cloth or board and shape into a rectangle. Roll out dough 1/4 to 1/8 inch thick. Turn or move dough occasionally so that it does not stick to the cloth. Be careful not to work too much flour into the dough, or the cookies will not be tender. Brush rolled out dough with melted margarine. Sprinkle with mixture of vanilla wafers, 1/2 cup sugar, and anise seed. Cut into rectangular shapes with a pastry wheel or a table knife. Place on a baking sheet. Bake in a moderate oven (350 degrees F.) 15 to 20 minutes or until lightly browned. Baking time will depend upon thickness of dough. Cool.

Yield: 8 to 9 dozen cookies, about 2 by 2 1/2 inches.

When buying a Christmas tree, two ways to make sure it is not dangerously dry is to shake it vigorously and note whether needles fall.

David Jones 20-Years At J & J Post

David Jones of 14707 Oracle Place, Pacific Palisades, California, received a 20-year service award from Johnson & Johnson at an awards banquet held December 12 at the Brown Palace Hotel. The Pacific Region of the company's Health Care Division is holding a planning conference here December 11-14. Mr. Jones is manager of the Los Angeles sales division.

Presentation of the award, an engraved silver bowl, was made by Wayne E. Dorsett, national sales manager of the Health Care Division. Mr. Jones joined Johnson & Johnson, manufacturer of surgical dressings, baby and medical products, in 1946, and had headed the Los Angeles division since 1952. Under his leadership, the division has been consistently honored by the company for outstanding sales achievements.

AGREEMENT REACHED

An official transfer agreement has been reached between the Elizabeth General Hospital and the Workmen's Circle Home for the Aged and Infirmary for inter-agency transfer of patients, effective January 1, 1967. Both in-profit corporations.

Anyone who thinks a metallic Christmas tree is perfectly safe could be in for a shock, according to Liberty Mutual Insurance Companies, which points out that frayed wiring against the tree boughs makes the tree bristle with dangerous electrical energy.

THERE ARE OPENINGS NOW IN NAVAL RESERVE

Lieutenant Commander Richard J. Zimmerman, Commanding Officer of the U. S. Naval Reserve Training Center in Elizabeth, announces that due to an increase in the naval reserve first enlistment quota for the month of December there are immediate openings in the Naval Reserve for qualified men.

Presently the training center is especially desirous of enlisting qualified high school seniors. For further information interested parties can visit the center at Fourth Avenue and Palmer Street, Elizabeth, or call 351-3474.

REUNION ON WHEELS

More than 1500 campers, parents and staff are expected to attend the New Jersey YMHA-YWHA Camps "Reunion on Wheels" on Sunday, December 25, at the Twin City Roller Rink, 1018 Sherman Avenue, Elizabeth.

EXTENDED CARE

The New Jersey health industry mobilized this week for a campaign to inform the public regarding a rela-

tively little-known phase of the Medicare program, known as "extended care", which goes into operation January 1.

Many persons go too far to add authenticity to their Christmas displays -- cotton batting for snow scenes, straw for manger scenes.
