## The Quill

During 1966 much happened in our town. In this year as in any year there were moments of happiness and moments of sadness, there were tragic and joyful events, there were blessings we didn't deserve and nuisances we did deserve. But in 1966 as in every year that this paper has chronicled the happenings of Clark man has made progress.

### JANUARY

Winters named President of Council.  
Mrs. Helen Uhrin wins Jaycee Citizens Award.

### FEBRUARY

Residents adopt school budget. Swintek, Bakum, Salvesen elected to School Board.

Barbara Curran named Editor and Associate Publisher of Clark Patriot.

### MARCH

Clark library opens new facilities.

### AUGUST

Belluscio seeks Freeholder seat on Democratic ticket.  
Clark Patriot celebrates first birthday.

### SEPTEMBER

Yarusavage named Campaign Manager for Walter Halpin seeking the County Clerk seat.  
Cillo and Kaczmarek win in Democratic primary. Belluscio loses his quest for Freeholder spot.

### OCTOBER

Winters denies charge he's helping Democratic opposition.  
Republicans continue "Good Guys" campaign.

### NOVEMBER

Burger, Boyle and Kaczmarek win Council seats. Get this only Republican to survive local Democratic victory.  
People vote for PBA salary referendum by overwhelming margin.  
Clark Soccer team to play for State Championship.

### DECEMBER

Three seats open for election to Board of Education.  
Lehigh Valley to confine operations to daylight hours.

The new year will bring more joy and more sadness and this paper will continue to record what happens in Clark. It will do its best to serve the best interest of all of the people and it will share their triumphs and disappointments. So, we begin 1967 with you and with the firm conviction that "man will not only endure, he will prevail."

## Retiring Clark Councilmen Receive Plaques

Councilman Robert M. Johnson and Councilman Thomas Winter who complete their terms of office on the Clark Municipal Council December 31, received plaques in recognition of their service at the final meeting of the governing body for the year.

Identical sets of resolutions were presented to two men, Councilman Bernard Yarusavage offering the re-

solution for Mr. Johnson and Alexander Paschenko offering the similar resolution for Mr. Winter.

The resolution is as follows:  
WHEREAS, ROBERT M. JOHNSON - THOMAS WINTER has served one term of office as a member of the Municipal Council of the Township of Clark, and

WHEREAS, ROBERT M. JOHNSON - THOMAS WINTER has fulfilled his duties and discharged his office in an outstanding manner, and

WHEREAS, the Township of Clark wished to express appreciation for the faithful service of its respected Councilmen, ROBERT M. JOHNSON - THOMAS WINTER

NOW THEREFORE, BE IT RESOLVED by the Governing Body of the Township of Clark that this body does

hereby express its appreciation for the faithful and worthy service of ROBERT M. JOHNSON - THOMAS WINTER as members of the Municipal Council, and

BE IT FURTHER RESOLVED that the Clerk of the Township of Clark be and is hereby authorized and directed to forward a certified copy of this resolution to ROBERT M. JOHNSON and THOMAS WINTER.

COMBINING TALENTS - Mrs. Voynick's sixth grade and Mrs. Gambino's second grade classes combined talents recently to present to the student body of the Frank K. Hehnlly School a dramatic duo. Sixth graders Larry Chesal and Cliff Platt wrote the play pictured above, called "Future Christmas" which they combined with the second grade play, "Santa's Helpers". The result was a delightful peek into the future at Santa's use of electronics with the message that, "It is better to give than to receive".

## Clark Council Will Reorganize Jan. 3rd

Three newcomers to public office will take their seats on the Clark Municipal Council when that body organizes for the year during a special ceremony scheduled for January 3 at the Municipal Building.

The new members of the governing body, all Democrats, are Richard Burger, representing the second ward, John Boyle, representing the third ward and Thomas Kasmarek of the fourth ward.

## Yarusavage Pledges Help With Program

Councilman Bernard Yarusavage set the stage for the reorganization of the Clark Municipal Council on January 3 when he read a statement into the record of proceedings at the final council meeting of 1966, expressing his fervent hope that members of the governing body might work together during the coming year to expedite numerous projects already started and to start work on other projects which are of great importance to the people of the community.

Of greatest concern to Councilman Yarusavage is the re-introduction of the Traffic Ordinance which had to be deleted from the agenda since action by Council could not be accomplished during the 1966 year, a requirement under the law.

Mr. Yarusavage also expressed a desire for the installation of traffic lights at Broadway and Walnut Avenue and at Westfield and Brant Avenues, and the completion of the Madison Hill Road Project and the improvement of Oak Ridge Road.

Continuing, Mr. Yarusavage said, "with the architect already selected for the new Fire House, let's see if we can begin building the new stations which would serve public safety in the decentralization of fire fighting apparatus and which will help relieve the pressure of growing pains for space in the municipal building."

"I hope that direction will come from Council in 1967 to engage a traffic consultant to study our traffic problems in general and in particular, the intersection of Raritan Road and Central Avenue.

"Perhaps we can draft and adopt a more comprehensive ordinance concerning the scavengers, God willing, we may even be able to work towards our own Post Office.

Councilman Yarusavage expressed the hope that the new Council President would appoint a councilman liaison committee to work with Council and the Attorney on Capital Improvements and land acquisition, and closed his remarks pledging his support and that of Councilman Getchis, and seeking the cooperation of fellow Councilmen for the civic growth of Clark in 1967.

## Clark State Bank Makes Kids Happy

It was a very merry Christmas for the five grand - children of Mrs. Freda Pashian and for seven year-old James Koellhoffer --who were winners of eight-foot - high stockings filled with toys. More than 1,000 area residents entered the contest conducted by the Clark State Bank.

Mrs. Pashian who lives at 195 Gibson Boulevard, Clark, submitted her entry at the Clark State Bank's main office in Raritan Road. The Koellhoffer entry was registered at the bank's branch office in Westfield Avenue.

Holdover councilmen are Edward Getschis and Bernard Yarusavage, Republicans and Victor Catalano and Alex Paschenko, Democrats. Mayor William J. Maguire will continue to hold the reins of government for the next two years.

In addition to the address by the Mayor, which will reflect accomplishments of the past and express the hopes of the future, those in attendance will learn who the Magistrate, Township Attorney and Prosecutor will be for the year ahead. These are appointments of the Mayor which are subject to confirmation by the Municipal Council.

One of the first orders of business will be the election of a Council President. Who this will be is still a question, but it is most certain that the new council leader will be a Democrat since that party has control by a 5-2 majority.

For the past year or more, Council has operated as a Committee of the Whole, and it is not known whether the new Council President will wish to continue this policy or whether he will desire to divide the work among committees headed by a chairman. It is the prerogative of the Council President to operate under the method which best suits his pleasure and at the same time gets the support of the majority of the Council members.

Much has been accomplished during the past year, but Council is still faced by many problems which will challenge office holders, both new and experienced.

The public is invited to the reorganization session and it is expected that an overflow crowd will join the festivities.

## Hehnlly School Cubs Enjoy Xmas Program

Cub Pack 245, sponsored by the Frank K. Hehnlly School enjoyed Santa Claus and also received a great deal of satisfaction in providing Christmas dinners for two needy families at their annual Christmas program.

Ken Andres, a freshman at Arthur L. Johnson Regional High School, told the story "How the Grinch Stole Christmas," to the delight of the boys and their parents.

Denis Katsanis left cubline for the Boy Scouts in a candle-light ceremony. The cubs decorated a Christmas tree with decorations they had made under the direction of den mothers.

Awards were presented by Cubmaster Arthur Kage as follows: Den 1, Larry Keil, silver arrow; bear books to the following: Brian Bass, Sam Giant, Randy Haisch, Larry Kiel, Robert Schardlene and Tom Nasto.

Den 5, James Sharski, Bear Badge, Denner Stripe; Bruce Roche, Lion Book; Neil Simpson, Lion Book; Assistant Denner.

Den 9, Dennis McNett, Bear Book; William Hermon, Denner Stripe.

### Rahway Hospital Graduates Class Of Nurses Aides

The Rahway Hospital classroom was the scene of a graduation ceremony on Friday, December 23, honoring seven students enrolled in a pre - employment nurses aide training program.

The students were welcomed by Mrs. Shirley Dozier, R. N., Clinical Instructor at the hospital. She introduced Mrs. Marie Brennan, R.N., Director of Nurses, who congratulated the group upon successfully completing their 60 hours of training in patient care. Mrs. Brennan stressed the immediate need for their services within the hospital and assured them they would find their employment self-satisfying and rewarding. She said that follow-up work and future inservice training would increase their knowledge and skills further.

John L. Voder, Director, then addressed the graduating class. He commended their decision to enter the nursing field and likened their employment to a step up a ladder of progress. "A nurses aide can go on to become a practical nurse, a practical nurse can go on to become a registered nurse and then even earn a degree. It depends upon the individual and how much she wants to make of opportunity. I encourage you to go on."

"You have taken the first step by seizing the opportunity to train as a nurses aide. The second step is to use that training by working in a hospital, Rahway Hospital. The third step up the ladder can be further education."

Mrs. Dozier presented the graduates with white carnations as recognition of their achievement and said that caps will be presented to them at a future date. Mrs. Dozier's students then surprised her with a gift of appreciation for her interest and understanding. A spokesman said they would never forget her practical advice, stemming from her own extensive experience and training. Slogans such as "Anticipate, use your head, save your feet" vividly recall their teacher's instructions. Mrs. Dozier was graduated from Wagner College School of Nursing and served as Director of Nursing at Polyclinic Hospital, New York City.

Donald Pierce, Personnel Director, indicated that ten candidates originally enrolled for the course and he considered the percentage who had followed through

most gratifying. They are Miss Mary Ellen Bacon, Mrs. Ethel Brown, Miss Margaret Fields, Mrs. Marguerite Moore, Mrs. Mary Frances Roberts, Mrs. Audrey Robinson and Mrs. Zsuzsanna Sarai.

Mr. Pierce screens applicants for the training course and the Nursing Department makes the final selections. The hospital anticipates repeating the program at an early date and is accepting applications at the present time.

### New Year Songs In Austria

Chimney sweeps in Austria went around on this date singing New Year's songs. When these boys were not looking, people tried to steal some of their broom straws, which they tied together and preserved as a token of ensuing good fortune. Also, to foretell events in the following months it was customary to drop melted lead in water; then from the shapes the metal assumed, individuals tried to figure out future happenings.

### GOOD LUCK TOKENS

The Romans sent friends good-luck tokens, sometimes exchanging small copper coins with the head of Janus on one side, and a boat on the other; for he was the protector of ships and trade. Little Roman presents, such as gilded nuts, were known as "strenae". Gradually presents became more costly, and the Roman rulers exorbitant in their demands for expensive gifts.

### Servicemen May Register At U. J. C.

Applications will be accepted by Union Junior College from servicemen returning to civilian status and planning to attend college under the so-called Cold War GI Bill even though the deadline has passed for all other applicants, Dr. Kenneth MacKay, UJC president, announced today.

Dr. MacKay said a similar policy was adopted last summer for returning servicemen, and provided an opportunity for many of them to begin their college

careers at least six months early.

The UJC president said returning servicemen seeking admission to Union Junior College's Day or Evening Sessions in February should indicate in their requests for applications that they are veterans and plan to attend under the new G.I. Bill. He urged them to file their applications as early as possible, so they can be processed and reviewed by the faculty Admissions Committee.

Union Junior College, a "two-year community college of the academic disciplines," offers majors in liberal arts, engineering, science, and business administration. MAC transfers its graduates with advanced

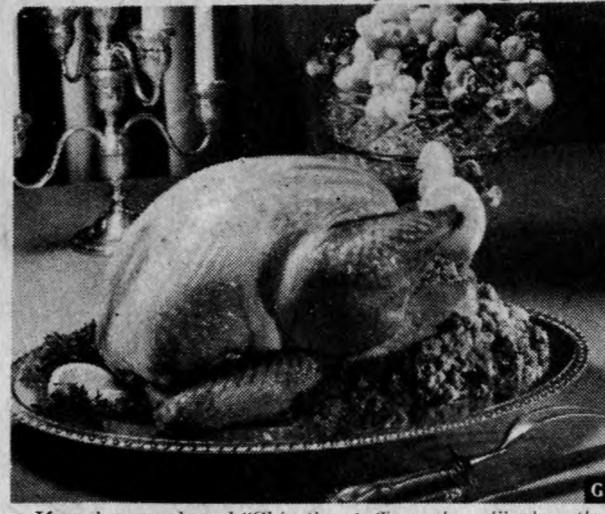

standing to more than 400 colleges and universities throughout the country.

Dr. MacKay said all applicants must be high school graduates, and must submit College Board scores and recommendations from their high school principal, and a high school transcript. All students must have a minimum of 16 entrance credits.

### New Idea for Turkey Stuffing

If you've ever heard "Skip the stuffing, please!" when the holiday bird appeared at your table, fill it with this delicious mixture next time. Here from The Lipton Kitchens is a wonderfully moist stuffing with a bit of zip, a load of good flavor and an easy seasoning trick to it. Bottled real Italian dressing added to the crumb mixture gives you the most tempting peppy flavor you could wish for, with no more trouble than opening the convenient bottle. Brush the bird after stuffing with more of the dressing. Roast. Garnish with "bracelets" of orange slices and parsley. You'll never hear "No thanks" again.

### HOLIDAY SAUSAGE STUFFING

- 1 pound Italian sweet sausage, cut in 1/2 inch pieces
- 1 large onion, minced
- 1/2 cup Wish-Bone Italian Dressing
- 6 cups soft bread crumbs
- 6 eggs, beaten
- 2 tablespoons snipped parsley
- 1/2 cup grated Parmesan cheese
- 1/2 teaspoon basil

In medium skillet, brown sausage well; remove and drain on absorbent paper. Drain fat from skillet, reserving one tablespoon; add onion and sauté until tender. In large bowl, combine bottled real Italian dressing, bread crumbs, eggs, parsley, Parmesan cheese and basil. Add bread mixture and sausage to onion in skillet and cook about 1 minute, or until mixture begins to set, but is still moist. Makes 2 quarts stuffing for an 8 to 12 pound turkey.

mmmer, silent prayer for the deceased, the flag salute, the singing of a Christmas carol, "O Come, All Ye Faithful," led by music chairman, Mrs. William Cox and the recitation of the preamble to the Constitution of the American Legion Auxiliary.

Greetings were given by Past County President, Mrs. Joseph Walsh, who wished the members a very Merry Christmas and a prosperous New Year.

National Security chairman, Mrs. Walsh announced \$75 in U.S. Savings Bonds were purchased by the members.

Mrs. Frank Krov was appointed Constitution and By-Laws Chairman.

The unit donated Christmas baskets to two needy families.

President Mrs. Kenneth Rea reported that the recent candy sale was a financial success.

After the meeting, a Christmas party was held. A delicious buffet supper

was served. Gifts were exchanged and the singing of carols were enjoyed by the members. The committee consisted of Chairman, Mrs. Joseph Walsh, Mrs. Edward Kucharski, Mrs. Thomas Smith, Mrs. Michael Gudor, Mrs. Sadie Dwyer and Mrs. Charles Flammer.

### WILLS FAMILY WELCOMES SON

Mr. and Mrs. Robert James Wills of 64 Westfield Avenue, Clark, are the proud parents of a son, Robert James Jr., born December 17 at Memorial General Hospital, Union. The baby has a sister Wendy Susan, 14 months old. The maternal grandparents are Mr. and Mrs. Frank Fomkin of Jackson, N.J. and the paternal grandparents are Mr. and Mrs. William R. Wills of 10 Joseph Street, Clark. Mrs. Caroline Goida of Linden is the maternal great-grandmother.

### New Year Gifts Custom of Old

The giving of presents on New Year's Day is an old habit. Some say it started first to propitiate the gods, then the rulers, later the lawmakers. Finally, it was practiced for selfish reasons only, in many cases. Some sources claim this started in southern Asia, before the time of Christ, while others attribute the idea to the Romans. The practice was mentioned by such writers as Tacitus and Suetonius. Julius Caesar once declared he had dreamed that Roman senators were presenting him gifts on the first day of the new year.

The notorious Caligula used to stand in the hall of his palace on New Year's Day to collect offerings from his subjects. This became such a "racket" in Italy, that, in 458, Pope Leo the Great abolished the custom, declaring it a "relic of heathen superstition".

Ancient Egyptians had a special New Year's gift, an earthenware flask (with a neck shaped like a lily), called a "pilgrim's bottle." On it was an inscription — a wish that the receiver would have only good fortune in the New Year.

The New Year's greeting card is really a form of gift; this custom is credited to the Chinese, who have sent such cards for over a thousand years.

**Cadet Epprecht In Queens Guard**

Cadet J. Epprecht Jr., of class of 1968, son of Mr. and Mrs. J.R. Epprecht of 905 West Lake Avenue, Rahway, has been selected to march with the QUEENS GUARD, the Rutgers University Air Force ROTC trick drill team.

A history major, Cadet Epprecht was selected after weeks of rigorous training, under the command of Junior and Senior Cadets, for his proficiency in marching and the use of the 1903 Springfield Rifle and 14-inch bayonet.

The QUEENS GUARD was formed at the State University in 1957 and, as of this date, ranks as number one among the teams now competing at the National Championship Drill Meet held each year in Washington, D.C. The GUARD was named National Champions in 1961 and again in 1965. The crack team marched in the Inaugural Parades of the late President Kennedy in 1961 and of President Johnson in 1965.

It is with such men as Cadet Epprecht that the QUEENS GUARD expects to regain the National Championship Title again in the 1967 Championship Drill Meet.

### Story Hours Scheduled By Clark Library

The Clark Public Library scored a direct hit with its first children's Story-Hour, held in the Meeting Room of its new building on Saturday December 17.

Over 175 children came to hear the guest storyteller, Mrs. John Malloy of Clark, tell Christmas Stories and explain the meaning of Hanukkah, the Jewish Festival of Lights.

Children in kindergarten and first, second and third grades were the largest group to come. 125 showed up for the 10 a.m. session. About 50 children in 4, 5 and 6 turned out for the second session at 11 a.m.

A story hour for children on a regular schedule is part of the proposed library program for 1967. The Library Board in its 1967 Budget Request, has asked for additional funds to employ a full-time, professionally trained children's librarian. Storytelling will be one of her many duties. Until such funds are available, storytelling for Clark's children can only be offered occasionally.

The Library will be open on Saturday, December 31, the day before New Year's and Tuesday evening, January 3 from 7 - 9 p.m.

CAMPUS QUEENS — Miss Marilyn C. Chelborg of 17 Beach place, Maplewood, left, was crowned as "Miss Night Owl" and Miss Kathleen J. Brighton of 539 East Grant Avenue, Roselle Park, was crowned as "Miss UJC" at the annual Christmas formal of Union Junior College, Cranford. The dance was held December 21 at the Chanticleer, Millburn. Miss Chelborg was crowned by Timothy Erday of 343 Newark Avenue, Union, president of the Evening Session Student Council, (left) and Miss Brighton was crowned by Anne Hook (right) of 869 Thorn Street, Rahway, president of the Day Session Student Council.

**New Year's Day January 1**

New Year's Day is the most important January holiday, and the only one the entire world observes, regardless of race or religious belief. No doubt the greeting, "Happy New Year" in various languages has been most often heard around the globe.

New Year's Day is a legal holiday in all our states, the District of Columbia, Canal Zone, Guam, Puerto Rico, and the Virgin Islands. (There are no National Holidays in the United States; for each individual state has jurisdiction over the dates that it observes. The President and Congress can designate holidays only for the District of Columbia and federal employees, throughout the nation.)

In early times such places as Cambodia, New Guinea, Peru, Burma, Babylon, Greece, there was a "period of suspended animation", observed with "fasting and austerity," before the dawn of a new year. The Hebrews and the Natchez Indians in America also noted such a time.

Since the advent of a new year is symbolic of the fact that "Life is in the end victorious and that death is swallowed up forever" (Theodore Gaster), the day has long been looked forward to, and greeted with joy. Early men rejoiced because nature was taking on new life; they stopped work, and joined with families and friends in a season of good fellowship. Quarrels were settled; friendships, renewed; rich and poor greeted each other; and many persons observed religious rites on New Year's Day.

This holiday is the oldest one; and both primitive and civilized peoples have noted its arrival with some kind of festivity. Through the centuries, numerous traditions and customs have become associated with New Year's Day; therefore, when we modern celebrate the day, we engage in some practices that are reminiscent of antiquity.

**Clark Library Circulation Up For Third Month**  
Circulation at the Clark Library topped the 7,000 mark for the third month in a row according to announcement made this week by Edward A. Temkin, Library Director, thus indicating that the new building has made it possible to better serve the entire community.

The final count for November's circulation showed 7,222 books, 55 magazines, and 9 pamphlets were borrowed for home use.

So far this year the library has had a circulation of 62,789. With one month yet to go the library has already surpassed its 1966 estimate of 56,000. From the looks of things the library will end the year with a circulation of well over 65,000.

In addition to the circulation record, the staff helped 349 borrowers to find books and information, added 157 new books to the shelves and registered 215 new borrowers.

The 100 chairs donated by the Kiwanis Club of Clark arrived before Thanksgiving. With this generous gift, the library can now make greater use of its meeting room.

The Abraham Clark Council #73, Daughters of America donated a flag to the library on the occasion of its dedication and this flag now stands in the reference area.

Mr. Temkin reported that the Clark Patriot had been instrumental in furthering the work of the library.

**BANNOCKS IN IRELAND**  
Bannocks, with holes in them, like our doughnuts, are made especially for New Years in County Antrim, Ireland. The Scots prepared "hot pot", spiced, sweetened ale, sometimes with spirits added; when the clock struck midnight, the family drank together.

Ever since young America discovered the exports of London, the guitar has been accepted as the "in" instrument among teenagers. Of 1.5 million guitars sold last year, more than half were sold to teenagers.

Now another teenage trademark, the portable phonograph, has been combined with the guitar in a brand new offering for the strum-along set.

The new Guitarmate, by General Electric, is a combination electric guitar/stereo phonograph set which enables the player to solo, or accompany his favorite recording group, while the phonograph provides amplification.

With the guitar jacked into the phonograph, the stringed instrument is literally played through the phonograph speakers. Stereo amplification comes from two pickups in the guitar, each with a volume control plus a tone control.

One pick-up produces a soft, mellow tone such as might be desired for jazz, and the other gives a sharper tone more typical of country and western music.

Whatever the brand of music desired, the two-in-one product gives the beginner an unusual opportunity to learn by playing along with experts.

The phonograph, a General Electric Trimline 400 stereo set, features solid state design with a four-speed automatic changer, 14 watts peak power, and audio controls for loudness, treble, bass and balance. It weighs less than 30 pounds and features a convenient carrying handle on top for ready portability.

### Clark Women Get Awards At Union Jr.

Miss Martha Scull of 299 Oakridge road, and Mrs. Helen K. Vane of 158 Victoria drive, both of Clark, are among 18 who have been awarded certificates by the Union Junior College Institute for completing a 10-week "Legal Aspects of Nursing" course at Union Junior College, Cranford.

The instructor was former Deputy Attorney General Norman D. Weisburd of Westfield. The course was designed to inform graduate nurses of their responsibilities and rights in view of the increasing number of malpractice suits against all medical practitioners, Mrs. Marion H. Leary, nursing coordinator, said.

The course covered the Nurses Practice Act, contracts as they affect nurses, criminal laws applicable to nurses, wills, and the legal relationships between the nurse and other medical professions and technicians.

Miss Scull is employed by Memorial General Hospital, Union, while Mrs. Vane is employed by Air Reduction Company, Inc., Murray Hill.

**Resolutions -- And Keeping Them**  
Making New Year resolutions has long been an American custom. Even though some scoff at this idea, and few succeed in keeping all of their resolutions, we are encouraged in the attempt by the poet, Alfred Tennyson, who wrote:  
I hold it truth with him who sings  
To one clear harp on divers tones  
That men may rise on stepping stones  
Of their dead selves to higher things.

**TIME ZONES**  
Because of the different time zones in the United States, the West can hear or see by means of radio or television, the earlier celebrations in the East, such as that in Times Square where pandemonium reigns when the old year is over.

While many Americans celebrate New Year's eve in this hilarious fashion, others consider its arrival more seriously. Therefore, they "take stock" of themselves, review their mistakes and failures, and, following the advice of Sarah C. Woolsey "Yesterday's errors let yesterday cover", resolve to do better.

### Know Your Union County Government

Freeholder - ARTHUR C. FRIED

"Know Your Union County Government" By Arthur C. Fried, Freeholder No. 15 Engineering Department (Part 1)

The office of the County Engineer performs substantially all the engineering services required by Union County.

The work is done by trained personnel under the direct supervision of the County Engineer, who in turn, is directly responsible to the Board of Freeholders. The duties of the County Engineer are many and varied,

but all must be carried out with the common purpose of providing safe and efficient highway transportation facilities.

The Union County Engineer's office is the focal point of road management. In it lies the responsibility for carrying out the policy decisions of the Board of Freeholders, for keeping records and for providing all necessary information. To do this effectively, the office must be staffed with sufficient trained personnel, and must also be provided with adequate supplies and equipment.

The Engineering Department's main functions are to provide professional en-

gineering services for the construction and maintenance of more than 156,253 miles of county roads, bridges, culverts, storm sewers, county parks and buildings, etc.

The duties of this department, which is directly responsible to the Board of Freeholders, are to cooperate with the Union County Road Department, The State Highway Department, Boroughs and Townships, the Federal Government, private engineers, public organizations and citizens.

The Department also provides preliminary investigations, engineering reports results of field surveys, and prepares plans and specifications, estimating quantities and costs on new construction or repair and maintenance of roads, bridges, etc.

The Department prepares reports and resolutions for the Departments of Roads and Bridges, prepares agreements with municipalities for the receipt of bids

and award of contracts, supervises construction, furnishes lines and grades. In addition the Department inspects materials and operations for the improvements being carried out, prepares monthly and final estimates for payments to contractors, and certifies to the Board of Freeholders as to the satisfactory completion of projects. The Department thus handles all related work for the design and construction of roads, bridges and drainage systems in the County.

The Department also devotes considerable time to the routine operations which go on from day to day. These include, maintaining a complete inventory and record of county roads and bridges; investigation of all permit applications for construction on County roads of curbing, driveways, sidewalks, and other related work, and the issuance of permits for same; maintaining automatic recording rain and tide gauges at various locations in the county, collecting and

tabulating the data from instruments and sending the results at regular intervals to the U.S. Weather Department, and the New Jersey Department of Conservation and Economic Development, Division of Water Policy and Supply.

The Department cooperates with the various departments of County Government furnishing data and services as required.

The County Engineer and his staff work with all municipalities in the County to study and survey intersections of county roads and municipal streets in connection with the installation of traffic lights, consent to traffic ordinances, widening of intersections, and channelization, as required, subject to the approval of the State Department of Law and Public Safety, Bureau of Traffic Safety, Division of Motor Vehicles.

The County Engineer meets with the Department of Roads and Bridges at two regular meetings month-

ly and acts as its secretary. Special meetings are held at the request of municipalities to consider special problems. A complete set of minutes is kept of all meetings and copies are on file in the office of the Clerk of the Board of Freeholders.

The County engineer also attends the conference sessions and the regular meetings of the Board of Freeholders, and overseas, guides, and provides technical information for the operation of the Bridge Maintenance Department.

### Federal Income Tax Forms Will Be Mailed Soon

Within the next few days your postman will deliver a booklet of instructions for preparing your 1966 Federal Income Tax return.

"Save it," is the advice of Joseph M. Shutz, District

Director of Internal Revenue for New Jersey. "It contains a blank tax form already identified with your name, address and social security number exactly as it is listed in Internal Revenue's master file."

If you use this form, or the peel-o-way label from it, for your 1966 tax return you will insure prompt processing of your return and speed the delivery of any refund you may be due.

If you have an accountant prepare your return, give him the pre-identified tax form and ask him to use the label from it on the return he fills out for you.

Also enclosed in the booklet is an envelope addressed to the Internal Revenue Service Center at 11601 Roosevelt Boulevard, Philadelphia Pa., 19155. This should be saved and used to mail your tax return if you expect a refund or there is no tax due.

## With the U.S. Armed Forces

Marine Reserve Second Lieutenant Robert L. Sevell, son of Mr. and Mrs. Leo L. Sevell of 368 Oak Ridge Road and husband of the former Miss Valerie J. Kostyal of 416 Oak Ridge Road, all of Clark, has completed his first solo flight at Helicopter Training Squadron Eight (HT-8), Ellyson Field, Pensacola.

In preparation for qualification as a helicopter pilot he completed an extensive ground training course in rotary wing aircraft principles and will receive flight instruction in the Navy's Bell and Sikorsky helicopters.

Upon completion of his helicopter training he will be designated a Marine Aviator. Lt. Sevell is a graduate of West Virginia Wesleyan College, Buckhannon, West Virginia.

First Lieutenant Carl H. Chesley, son of Mrs. Rosaline Chesley of 19 Conger Way, Clark, was graduated December 16 from the Air University's Squadron Officer School, Maxwell AFB, Alabama.

Lieutenant Chesley was one of 430 students specially selected for the 44 class to receive the professional officer training. The course is conducted by the Air Force's senior educational institution as part of the military career development program.

The lieutenant is being reassigned to England AFB, La.

Lieutenant Chesley, a graduate of Rahway High School, served a tour of duty in Southeast Asia.

The lieutenant received his B.S. degree in optics in 1962 from the University of Rochester, and was commissioned there upon completion of the Air Force Reserve Officers Training Corps program. He attended New York University through the Air Force Institute of Technology education program. Lieutenant Chesley is a member of Delta Upsilon.

His wife, Lois, is the daughter of Mr. and Mrs. James Mattel of 920 Old York Road, Raritan, N.J.

Marine Sergeant Willie Huff Jr., son of Mr. and Mrs. Willie Huff of 570 Capabainco Plazo, Rahway, was promoted to his present rank while serving at the Fort Meade Marine Barracks. His promotion was based on time in service and rank, military appearance, and knowledge of selected military subjects.

Frederick W. Springer, 20 son of Mr. and Mrs. Fred W. Springer, 1065 Jacques Avenue, Rahway, was promoted to Army specialist fourth class Dec. 8 in Vietnam, where he is serving with the 1st Cavalry Division.

Spec. Springer, a radio teletype operator in the division's 478th Aviation Company in An Khe, entered on active duty in December 1965 and was stationed at Ft. Gordon, Ga., before arriving overseas last August.

He is a 1964 graduate of Rahway High School.

PFC Anthony Horling III is stationed in Saigon with the Fourth Infantry and is serving in the Communications Branch. His brother Richard, Seaman in the U.S. Navy, having finished boot training in the Great Lakes section at Waukegan, Illinois, was sent to Midway Island, while in training, he received a citation for temporary Second Class Petty Officer. Both are sons of Mr. and Mrs. Anthony J. Horling Sr., well-known local locksmith, is their grandfather.

Marine Corporal Henry A. Sobolsk, son of Mr. and Mrs. H.A. Sobolsk of 74 Parkway Drive, Clark, is serving with "B" Company, First Battalion, Fourth Marine Division, Third Marine Division Phu Bai, Vietnam. The Company is engaged in search and destroy missions against the enemy and a determined effort to win the people to the side of the legitimate government of South Vietnam.

Fireman Richard D. Temple, USN, son of Mr. and Mrs. Raymond B. Temple of 344 Seminary Avenue, left Newport, R.I. as a crew member aboard the destroyer USS Vesole of Destroyer Squadron-24, Cruiser Destroyer Force, Atlantic Fleet for a four-month deployment with the Sixth Fleet in the Mediterranean.

The Vesole is scheduled for various operations and exercises with other units of the Sixth Fleet, plus visits to a few of the many scenic and historic ports on the three continents that ring the Mediterranean.

While deployed with the fleet the Vesole will be playing an important part in the Navy's overall mission, "control of the seas."

Seaman Recruit John McCarrall, 18, USN, son of Mr. and Mrs. John McCarrall of 55 Union Parkway, Clark, has been graduated from nine weeks of Navy basic training at the Naval Training Center here.

In the first weeks of his naval service he studied military subjects and lived and worked under conditions similar to those he will encounter on his first ship or at his first shore station. In making the transition from civilian life to Naval service, he received instruction under veteran Navy petty officers. He studied seamanship, as well as survival techniques, military drill and other subjects.

**CHRISTINE WILEY SORORITY PLEDGE**  
Miss Christine C. Wiley of 1120 Plymouth Drive, Rahway, is among 11 Evening Session students at Union Junior College, Cranford, who have pledged to Gamma Iota Theta sorority.

Gamma Iota Theta is one of seven fraternal organizations on the Union Junior College campus.

Miss Wiley, a graduate of Rahway High School, is enrolled as a liberal arts major. She is the daughter of Mr. and Mrs. Robert H. Wiley.

## Clark Council Completes Year

At its final meeting of the year held on Tuesday, the Clark Municipal Council voted unanimously to retain Merrigan Associates to formulate job descriptions and a proposed salary guide line of all municipal personnel, and to report their findings, and recommendations to the Governing Body. The resolution was introduced by Councilman Yarusavage and seconded by Councilman Paschenko.

Council authorized release of performance bond in the Douglas Park Subdivision matter, subject to posting of maintenance by Winthrop Development Company.

In another action, Council declared null and void and rescinded amendment to the Traffic Ordinance introduced on first reading at a meeting held September 26.

Irvine B. Johnstone, Jr., was authorized by resolution to represent and defend the Township of Clark in an appeal to the Superior Court of New Jersey, Appellate Division, by Terrance and Helen Galloway.

Two resolutions were approved providing for the transfers of funds and third resolution authorized the Director of Revenue and Finance to cancel certain items from the assessment rolls and tax books. These are routine year-end actions necessary to clear the books of the Township.

A final resolution was unanimously approved increasing to \$800 per annum, the salary of the Township Welfare Director.

November reports of activities of the Building Inspector, Bureau of Health, Plumbing Inspector, Tax Collector, Township Clerk and Treasurer were received and filed as was the quarterly report of the Director of the Department of Public Safety.

A letter from Temple Beth O'r expressing interest in obtaining town owned property adjacent to their property in Valley Road was referred to the Planning Board.

The Township Engineer advised the Council of action to be taken with regard to recommendation of County Engineer for extension of curbing from Oak Ridge Road to Meadow Road.

The Engineer also forwarded three alternate plans relative to the proposed intersection improvement at Central Avenue and Raritan Road.

The Board of Freeholders presented a resolution granting approval of Ordinance No. 66-34.

A communication was received from United Community Services advising that their Board of Directors had voted unanimously to advance sufficient funds to those agencies serving in Clark, without their conducting separate appeals for funds in 1967. Clark voted recently to join the Eastern Union County Group and hence forth will conduct a drive for funds in the Township.

A communication was received from Chief of Police William H. Muth thanking each and every Township official who took part in the compiling and passage of Personnel Policy.

By unanimous vote Council approved a bond ordinance providing for the installation of curbing and sidewalks on Valley Road from Broadway to Liberty Street and Valley Road from Sycamore Road to Ross Street. The ordinance appropriates the sum of \$22,000 for the improvement and provides for the issuance of \$20,900 of bonds to finance the cost.

Bingo Licenses for St. John the Apostle R.C. Church John L. Ruddy Post 7363 V.F.W. and Temple Beth O'r were approved. Raffle licenses were approved for the Clark Lions Club and St. Agnes Altar Rosary Society.

**NEW YEAR OMEN IN SCOTLAND**  
In Scotland if one met a beggar, sexton, gravedigger, or a person with empty arms on New Year's Day that presaged ill fortune. However, if one encountered a rich man, or someone with his arms loaded, this was a sign of good luck. And in Lanchashire to share a lighted match with another was sure to bring him harm. In some localities, chimneys were cleaned out to assure prosperity. It was a belief of the Spaniards that if a person had a gold chain in his pocket on the first day of the year, he would never lack for cash in the coming months.

## LEGAL NOTICES

**NOTICE TO PERSONS IN MILITARY SERVICE UNDESIRING TO VOTE IN VETERANS' HOSPITALS AND TO RELATIVES AND FRIENDS**

# Ray's Corner

By RAY HOAGLAND

As the bells toll the closing of another year, we can look back with pride at what our youngsters accomplished during the year.

Again the Recreation Department provided the city with many outstanding programs and with new champions from all sections of town. Over 1,000 boys and girls represented the city in competition in various parts of the state in Junior Olympics, track and field, swimming, boxing, wrestling, and other sports.

Over 200 boys and girls between the ages of 9 and 13 competed in the annual Junior Olympics championship at Rahway River Park last June. Gwen Culbranson won three gold medals, including a fifth place in the United States in the High Jump. Phip Hannibal and Tim Solomon won two events. Other winners were Kathy Harris; relay team of boys of Hannibal, Ray Brown, John Jones, Greg Clark, relay of girls Kathy Harris, Tanya Palmer, Francis Taylor, Roslin Taylor, girls broad jump, Louise Santangelo; girls running broad jump, Diane Lordi; boys softball team, Frank Skocypoc; girls softball throw Leigh Rollinson; Midget boys and girls 50 yard dash, Sandra Snowden; standing broad jump, girls, Pam Gallo; running high jump, Mike Okaly; Junior division 50 yard dash girls, Gwen Culbranson; Kevin Quinn, 100 yard dash for boys; relay team of Hooper, Jeter, Bell and Kirby; running broad jump for boys James Maye, and softball throw for girls Cheryl Bailey. The Rahway youngsters won 33 medals in the state finals at New Brunswick.

The annual fishing derby held at the Milton Lake on July 4 had over 250 children present for this annual affair, co-sponsored with the VFW and the Sideliners. The Lakers won the championship of the Butch Kowals Assn. Recreation Department summer basketball program.

Tully Field won the junior softball playground championship. Cleveland won the senior softball playground title. Albert Housman was awarded a trophy from Al Brain of the department's Stamp Club. Madden Field won the playground championship and the city finished fourth in the Union County championships in Elizabeth in August.

Rahway finished third in the 18th annual playground championship. Reliable Movers won the third annual Slow Pitch softball game with Clark's Main Tobacco. They won the regular league title and Gun Rack won the play-off championships. The Recreation department organized a Trailer and Camping Club in November.

The Baton-Lasses of the department won the third place trophy in the small junior team division at the Garden State Twirling Festival held at Bordentown. The team was under the direction of Mrs. Margaret Cannon, members of the team were Maureen and Mari Jean Thron, Kathy Pekarsky, Lori Flaherty, Nadine Snyder, Ann Peterson, Connie Bieljeski. Other Rahway winners were Lori Flaherty first novice solo; Connie Bieljeski, second place novice solo; Linda Cherubini, 3rd place novice solo; Maureen and Mari Jean Thron a third place in the duets.

Garay, reach the state finals.

The Cross Country team finished over the 500 mark and the swimming team has dropped its first two matches as of this date. The varsity basketball team is 3-1 and appears to be a factor in the Watching Conference at the holiday break. The junior high school basketball team under a new coach Jim Dunn won 2 of the first 3 games. Tony Martin won a gold medal in the Springfield Regional wrestling tournament last week.

The Women's Golden Age program held weekly meetings and their Sewing Circle meets on Tuesday morning at the old Recreation center.

The annual punt, pass and kick contest was held with the Bell Motors and the Jaycees.

Dave Holland, Vic Grabachoff and Tom Schweitzer were selected on Watching Conference Baseball team. Kathleen Salagay, competed in the National Roller Skating championship at LeVittown, N.Y.

Len Kalish was selected on the annual AAU-Diving team that competed against Canada this summer.

James Mintel won the ninth annual state Field Archery championship this year.

Ray Covino won the men's and Mrs. Daniel Thron won the women's Golf title at the Colonia Country Club. James Jackson and Len Harden won the AAU boxing titles.

Albert Smith was selected as a player on the PBA Softball team all-stars. Robert Oscolese of Clark won the Jr. Mr. America title.

Ben Doyle was selected as captain of the Seton Hall University varsity track team for this winter.

Sampson Brown was selected as the linemen of the year at Rutgers University. William Cook was honored by the NAAU at their annual dinner.

Joe Williams again had an outstanding season for the Toronto Rifles.

Andrew DiNetta starred on the Montclair State College football team.

Sean Gallagher won a gold medal in the annual AAU junior olympics 100 meters backstroke for boys 11/12.

Lee Hoodzow completed undefeated swimming season for the Seaside Park Swim Club.

The Chiefs won the City baseball championship when they defeated the Recreations in both games this summer in the Intera County league.

The Pop Warner football team completed it's best season in its history with three wins. They were again coached by the popular Albert Smith.

Bob Scarpitto set a league record in the AFL this year by winning the punting title with a 45.8 average. Scarpitto has been selected for the annual All-Star game to be placed on Saturday January 21 in Oakland. Scarpitto was in town following the Buffalo game and visited his family and his biggest fan Jim Quinn of the Quinn and Boden Company.

George Gulick of Clark, President of the Lucky Five Club was in a hunting party of 18 which took eight bucks and does during the two days of doe season. Three turkeys were shot the week before the deer hunting opened.

## Indians Upset Cranford 69 66 In Watching Race

Rahway's Indians moved into second spot in the Watching Conference with a 69-66 win over Cranford on Friday night. The Indians never trailed in the contest that was tied three times in the first half.

With the score tied at 19-19 with 5:33 left in the second period, Steve Varanko hit from the side, George Wilks made good on two free throws and Joe Dorsey tapped one in to give the locals a 25-19 margin.

The Dave Arnold coached team increased their lead to 39-27 at the half-way mark.

Billy Thomas opened up the second half when he scored on the opening play to increase the lead to 14 points. The largest margin Rahway held was 15 points about midway through the third period.

The home team began to cut into the Indians lead when with 4:15 to go in the game Motley hit from the corner to make the score 67-55. Dorsey tapped one in and it was 69-56 at the 2:27 mark, then Cranford scored ten points in a row, but two missed foul shot closed out the game.

The Indians shot 29 of 66 from the floor and had 11 of 23 from the free throw line, while Cranford had 25 of 46 and 16 of 25 from the foul line. George Wilks was the leading scorer, hitting on 7 of 20 from the floor. He scored 15 of his 21 points in the first half. Rahway's record is now 3-2 and in the Conference 3-1.

## Clark Drops 63 59 Game To Scotch Plains

Clark's Crusaders dropped a hard fought Watching Conference game to the league leading Scotch Plains-Fanwood Raiders on the Crusaders court Friday night.

The Raiders lead 32 - 27 at the half, then opened with eight straight points, led by Fred Boetke, Dan Jayson and two by Ken Arnesen.

Jayson, who scored the four points against Rahway here last week in the last eight seconds to win the game, led the scoring with 24 points, while Arnesen had 20.

Frank Padusniak with 16 and Eric Jann with 15 lead the Clark team in scoring. Clark's record is now 1-4.

## Three Undeclared Teams Compete In Clark League

The magic number of undeclared teams in the Clark Adult Basketball League has been reduced to three.

Charley Kelly's with four men in double figures defeated the John Boyle A.C. by a 78 - 54 score while the Original Plas clipped the Clark Firemen 89-44 and the Country Squires took a squeaker from John Schwartz by a 44-40 count.

Jim Brower paced Kelly's with 15 points while Dennis and Chinchar had 14 points each. Bill Kennedy scored 13 for the winners.

Defending champs, the Original Pals had six men in double figures. Jim Powers had 22 points, Jack Kelly 17, Mike Marzano, 16, Joe Poli, Jerry Mella, and Bob Griffith ten each.

Ken McMurdo and Tony Falzone had 10 points each for the Clark Firemen.

Big Doug Williams had 24 points and Marty Rossman had 10 points to pace the Country Squires. Al Geiger scored 11 points for John Schwartz.

## Bill Carkhuff Letter Winner At Maryville

Bill Carkhuff, son of Mr. and Mrs. Waldo Carkhuff of 682 Maple Avenue, Rahway N.J., is a letterman on the 1966 Scot football team at Maryville College, Maryville, Tenn.

Letters were announced at the annual football banquet sponsored by the Honaker Club.

Carkhuff, a sophomore majoring in health and physical education, was a center on this year's Maryville team.

A program of academic scholarships for athletes was announced at the banquet by Maryville President Dr. Joseph J. Copeland. The College will provide total assistance of \$5,000 in addition to funds supplied by the Honaker Club for athletes who meet the College's scholastic standards.

Maryville is a four-year, co-educational college of the liberal arts and sciences. Related to the United Presbyterian Church in the U.S.A. it is situated in the foothills of the Great Smoky Mountains in East Tennessee.

**Clark Cagers On The Road For Two Games**  
Clark's basketballers will "hit the road" for their next two games. Tomorrow night they will travel into the Watching Hills to meet Berkeley Heights in a conference game. Both teams have a 1-4 record. Tuesday, Clark will travel to Westfield for their first meeting with the Blue Devils.  
The Clark team has shown much improvement in the last two weeks, winning over Cranford and dropping a close game to Scotch Plains. The return to action of Frank Padusniak, has helped the club as had the scoring of Eric Jann, who is developing into a fine foul shooter.  
A Jayvee game will open the program at Berkeley at 6:45.

### Indians Play Kenilworth Friday Night

Rahway's Indians basketball squad will travel to Kenilworth tomorrow night to meet the winless Bears in a holiday feature. The Bears have dropped five in a row.

The all-junior team from Kenilworth playing their first season of varsity ball are led by Rick Wager, Pat De Rogatis and Larry Pugliesi.

The locals are expected to start with George Wilks, who has developed into a good outside shooter; Bill Thomas, a fine play maker; Steve Varnanko, a good shooter and rebounder; Joe Dorsey, the only junior on the starting five; a good close in shooter and rebounder Bill Thorpe. One of the best reserves in the area is, Rahway's Charlie Motley, who can come off the bench and play an outstanding game for you. Motley tallied 12 points in the Cranford game, playing only about a quarter.

The Jayvees will open the program at 6:45. The team will not play until next Friday night when Kenilworth plays at Rahway.

**PREPARATION FOR WELDING SKILL**

An invitation to study our welding department is extended to adults who possess the necessary aptitudes, skills, and foresight to meet the demands of this highly competitive industry. The welding curriculum is designed to prepare and update individuals with some technical and trade background in areas of basic welding techniques and more sophisticated welding processes. The field of welding offers a future of continuous employment with steady advancement. It can offer employment in practically any industry: automotive, aircraft, construction, structural fabrication, and even in the electronic field.

The shop courses assure a firm foundation for success in production, maintenance, fabrication, or construction. Many of the alumni are holding responsible positions in industry and are capable of leading others in job procurement. The courses are specifically designed to fill the needs of the individual and industry. Courses are offered not as firm programs, but as basis for workable training programs adjustable to individual company needs and requirements. Though, in some instances, the courses carry similar subject titles, the trend and emphasis reflect the approach of the specific program and its objectives. All courses are 45 hours in length. The semester is 15 weeks long and 3 hours per session.

All subjects are industrially oriented. Manipulative skills and the application of the latest welding equipment, such as, tungsten and metallic inert gas welding (MIG-TIG), are especially emphasized since these processes are most widely used in industry. Basic oxy-acetylene are stick arc welding methods are also emphasized in great detail.

Anyone interested in future welding skills should contact the Vocational and Technical School either by calling 233-3910 or 687-2899 for additional information, or contact the school in person at 1160 Globe Avenue, Mountainside, between 7 p.m. and 9 p.m. Monday through Friday, or 957 Ball Avenue, Union, between 7 p.m. and 9 p.m. on Monday or Wednesday.

**TRAILSIDE MINERAL CLUB ELECTS NEW DIRECTORS**

The Trailside Mineral Club is looking forward to an exciting season under the new Board of Directors elected at the last monthly meeting of the Club. President will be William E. Babock of Warren Township. Other officers are Vice-President for Programs, Fred Yunker of Springfield; Vice-President for Field Trips, Donald Peck of Warren Township; vice-President for Junior Members, John Sosnowski of Westfield; Secretary, Mrs. Harold Cramer of Westfield; and Treasurer, Herman A. Werber of Westfield. Filling out the Board are Members-at-Large, Mrs. Ralph Mc Lain of Jersey City, Karl Dunkelmann of Rahway and Allen Bliss of Iselin.

The Trailside Mineral Club holds regular monthly meetings on the second Thursday of each month at 8 p.m. in the auditorium of the Union County Park Commission's Trailside Nature and Science Center, in the Watchung Reservation. Field trips have been made to Pennsylvania, Connecticut and various localities in New Jersey. The public is cordially invited to all monthly meetings of the Club.

**IS COMEDY FABIAN'S FORTE?**

(Note: Fabian's surname is actually Forte.)

The answer to that question, if rehearsals now in progress are any indication, is a definite "Yes!" as first nighters and subsequent audiences will discover when they see "John Loves Mary" during its two-week engagement at the Paper Mill Playhouse, December 26 to January 8.

Heretofore, the handsome young recording film and TV star has played juveniles, straight young character roles or top-lined musical specials in his 19 television and numberable movie appearances, but his talent and comedic ability is already apparent to his vivacious co-star, Zina Bethune, and the fine supporting cast of the Norman Krasna comedy which includes Roland Winters, Len Gochman, Lawrence Luckinbill, Christina Gillespie, Ralph Dunn and Fran Carlson.

At a rehearsal break, Zina Bethune recalled that just a decade or so ago, she was also "in rehearsal" as the lead dancer in the Ballantine production of "The Nutcracker Suite." This year in Millburn, the week before Christmas now heralds extended joy to come for New Jersey theatergoers of all ages, when the rollicking Norman Krasna farce ushers in the winter season of entertainment.

### Family Fun With Bikes

If you're dreading winter and its attendant miseries of snow and ice, keep in mind this surprising fact—there are actually almost as many nice days during the winter as there are snowy or rainy ones. During the winter months of December, January, February and March, there are approximately 70 days of snow or freezing conditions—leaving more than 50 days of enjoyable, brisk weather.

Take advantage of this fact by promoting outdoor activities in which the whole family can join. One of America's most popular family sports is bicycle riding and Japan's bicycle industry, major supplier of bicycles for the U.S., estimates that more than 60 million bike riders enjoy this pastime year round. Knowledgeable parents make it fun for their children by picking a destination of interest—like a particularly historical building or an interesting restaurant for lunch. But don't make the distance too far or the younger members of the family may tire.

Even very young children can enjoy these bike outings if you see that they're safe and comfortable. Passengers should never be carried on the cross bars of the bicycle. If you have children of the toddling age, carry them in a small safe seat securely fixed onto the frame over the rear wheel.

Your sporting life won't have to be limited this winter if you remember how many nice days there really are. And your family will enjoy touring the great outdoors on bikes.

**JUNIOR BOOSTERS**

The Junior Boosters of Rahway High School bought and decorated a Christmas tree for the school's courtyard. In this location the tree could be seen and enjoyed by everyone. The Junior Boosters wish each and everyone in the community a Happy Holiday Season.

**Medical Olympic Coverage by AMA**

Altitude, enteritis, and logistics are problems expected to be encountered by the medical and training services committee of the American Medical Association in preparing for the 1967 Pan American and 1968 winter and summer Olympic games.

Merritt H. Stiles, MD, Spokane, Wash., committee chairman said, "There is no specific risk attached to the altitude itself, and competitors will be in no greater danger than they would be in competing with equivalent effort at sea level."

Medical personnel for the games, he said, include three physicians, two nurses, and 10 trainers for the Pan American games; two physicians, one nurse and two trainers for the winter Olympic Games and four physicians, two nurses and 10 trainers for the Mexico City Olympic Games.

**Welfare Aid—1975**

An estimated 9.2 million persons will receive aid in meeting their regular living costs—as compared with just under 8 million in 1965, according to a recent study of the Tax Foundation, Inc. And state-local spending under this phase of public welfare is anticipated to increase from 1965 levels of \$4.1 billion to \$5.4 billion by 1975.

The report states that although the number of those receiving old-age assistance is projected to decline by 375,000 by 1975, this decrease will be more than offset by an estimated rise of 1.54 million persons in the aid to dependent children category.
