Lions Attend StateConclave

Cranford Lions Club was represented by six delegates at the 36th annual convention of Multiple District 16 of New Jersey on Friday, Saturday and Sunday at Atlantic City.

Heading the delegation was Robert J. Laier, Sr., international counselor. Others attending were: Manning E. Rowitz, deputy district governor; Albert Davies, returning president of the local club; Edward Shaheen, Arthur Williams and William Griffiths.

Mr. Rowitz received an award from Vincent McMany of Maplewood, retiring district governor, in recognition of his efforts as deputy district governor.

District 16-E was enlarged from the 39 clubs of Union and Essex counties to include also the 19 organizations of Morris and Warren counties.

Mr. Laier, Mr. Rowitz, Mr. Shaheen, Mr. Williams and Mr. Griffiths were accompanied by their wives.

Jaycee Chapter Plans Installation

Maurice F. Finnerty will be installed as president of the Cranford-Kenilworth Chapter, Junior Chamber of Commerce, at a dinner meeting Wednesday evening at the Coach and Four Restaurant.

Mr. Finnerty succeeds John Gamba, who has served since the formation of the new chapter. Irving Feuner of the South Orange-Maplewood Chapter, state vice-president, will be a guest at the meeting.

Mr. Gamba will present a report on the chapter's "Miss Cranford" contest.

Two Orchestra School Scholarships Awarded

Louis Haar, director of instrumental music for the Cranford public schools, has announced the selection of two girls to receive half-tuition scholarships to the Union County Band and Orchestra School, Roselle, offered by the Roosevelt School Parent-Teacher Association.

The recipients are Suzanne Kirk, violin, and Gail Griffiths, drum. Mrs. H. W. Boardman, music chairman, presented the awards to the girls for outstanding achievement on their instruments during the school assembly on Tuesday.

Trustees Approve Contract for New Heating System

The Board of Education Monday evening confirmed the awarding of a contract to Herbert T. Richardson of Clifton for the installation of two new boilers and conversion of the heating system from coal to oil at Sherman School.

The board's building, grounds and equipment committee had previously been authorized to award the contract. The Clifton firm was low bidder.

In addition to accepting the base bid of $29,570, the board voted to accept an alternate of $1,550 for an incinerator. Louis G. Troutman, committee chairman, recommended that this be done and also suggested that the board allocate $500 for any contingency that may arise when the work is begun. This also was approved, making a total of $31,629 provided for the work.

It was pointed out that the Clifton firm also installed the new heating plant at Cranford High School. Burton C. Belden commended the work the company did at the high school. Mr. Troutman pointed out that the present heating system at Sherman School is almost 30 years old.

A contract for a fence around the school yard at Sherman School was awarded to the low bidder, Cyclone Fence Department, American Steel & Wire Division, U.S. Steel Corporation, Newark, for $2,901.

Seelbach Painting of Cranford was awarded a contract to paint stairways, corridors and lunch room at Lincoln School at a cost of $2,220 and the gymnasium at Sherman School for $670. The first will supply labor and equipment and the school system will provide the paint.

L. Hammett Company of Union was awarded a contract for general, art and kindergarten supplies at $13,480. This was the only bid received. The breakdown is as follows: General supplies, $9,068.10; art supplies, $4,024.90; kindergarten supplies, $1,103.92; minus a discount of $716.92 for a complete order.

Kingdon Company of Union, also the only bidder, was given a contract for 200 tons of anthracite coal for Lincoln and Roosevelt Schools for $2,447.

The board voted to purchase physical education supplies from the following low bidders in the following amounts: Athletic Trainers Supply Company, New York, $333.10; Solomon's Sport Shop, Elizabeth, $710.98; and Sportsman's Shop, 17 North Avenue, west, $43.60.

Athletic supplies and equipment were purchased as follows: Athletic Trainers Supply Company, $293.30; and Solomon's Sport Shop, $2,381.63.

Herbert McCullough, board secretary, reported text books costing $16,980.55 will be purchased. Dr. Howard R. Best, superintendent of schools, said the reserve in this account is not very high and explained that the board budgeted "pretty close" for the 1955-56 school year.

Trustees Favor Lower Ceilings

M. L. Taliaferro, president, has been authorized by the Board of Education to inform State officials that the trustees favor the reduction of ceiling heights for school buildings to help reduce the cost of construction.

Mr. Taliaferro commented that the local board will probably construct new buildings soon and such a reduction in ceiling height would lower the total cost of the total project.

Dr. Howard R. Best, superintendent of schools, told the board a group within the State Department of Education has such a proposal under consideration. He pointed out that neighboring states have already taken such action.

Dr. Best said many architects feel such rules should be permissive rather than mandatory.

Safety Message

In cooperation with the "Safe Driver of the Month" program of the Cranford Kiwanis Club, Police Chief William A. Fischer today issued the following message:

"Speed: This season's National Safety Council Slogan is 'Slow Down and Live.'

"Not deliberately, probably, but any accident at speeds too fast for road, weather, or the driver's physical condition can make the consequences the same as driving straight into an unyielding wall. Speed violations are a contributing factor in about 9,000 traffic accidents each year in which at least one person is killed. "SLOW DOWN AND LIVE."

Rouvet's Yacht Basin Featured in Magazine

Deerfield Yacht Basin, located 12 miles north of Fort Lauderdale, Fla., and owned by E. Martin Rouvet, formerly of Cranford, is featured in a story in the current issue of "The Boating Industry," a trade magazine.

Mr. Rouvet, who left Cranford for the Florida Gold Coast about three years ago, has developed a full-fledged basin with all yard facilities including a well built railway capable of hauling up, to 45 foot boats of five foot draft and two covered storage for 24 foot size cruisers. He also has dock space for 14 to 45 foot boats and an easily approached fuel dock.

The magazine article commends the former local resident on the fine appearance of his installation and on the fine landscaping.

Miss Arth Graduates At Benedictine Academy

Miss Mary Susan Arth, daughter of Dr. and Mrs. Gleb Arth of 104 Oak lane, was graduated with honors last week from Benedictine Academy, Elizabeth. She graduated from St. Michael's School here and attended Benedictine on a scholarship.

Miss Arth served as editor of the school yearbook during the past year and was president of the junior class, vice-president of the sophomore class and active in other school organizations. She plans to enter Cornell University in the fall.

Miss Arth will be co-hostess at an lawn party at her parents' home Sunday afternoon for the 65 members of her graduating class.

Local Students Join Westfield Song Recital

Four Cranford residents participated in a song recital by the pupils of Ruth Boyer last Wednesday evening at her studio, 819 East Broad street, Westfield.

Local pupils taking part were Donald Cooper, Virginia McArthur, Joye Skaarup and Arlene Smith. Mrs. A. W. deGroot was accompanist.

Refreshments were served after the recital.

Sherman Pupils View Foreign Doll Exhibit

The students in Mrs. Christina Diel's third grade at Sherman School on Friday viewed an exhibit of over 60 foreign dolls, dressed in native costume, which are among a collection, of one of their classmates, Charles Emmet Knipe of 16 Hillcrest avenue.

Mrs. Diel described each doll and its country of origin to the children, most of the dolls having come from the Mediterranean countries of Madeira, Morocco, Egypt, Turkey, Greece, France, Spain and elsewhere in that area.

The dolls were brought home to Charles by his father, Charles A. Knipe, who is with the passenger department of the New York office of the Cunard Steamship Company, Ltd.

A display panel of picture postal cards of all the countries along the Mediterranean also was shown.

Mrs. Knipe took photographs of the children's classroom with each student holding one of the dolls in the collection.

Real Estate Board Speaker Presents Rules of Success

"Success is not a destination—success is the direction in which you are going." H. H. Zigler, sales manager for the Dale Carnegie Institute, told members of the Cranford Real Estate Board in a talk on the topic, "The Rules and Tools of Selling Success," at a meeting last Thursday night at 30 South avenue.

The speaker also declared that to prepare for success one must "keep positive and keep working."

Mr. Zigler was introduced by William C. McPherson, president of the board, who also conducted the short business meeting.

The board voted to donate again to the Little League baseball organization. It was reported by the secretary that the board now has 38 active members.

No two cases of cerebral palsy are ever exactly alike. The most common effects are awkward, jerky movements of arms and legs, speech disabilities and grimacing. There may also be visual and hearing difficulties.

Town Opens Seven Playgrounds Tuesday; New One at Walnut School

With the opening of seven playgrounds on Tuesday morning, the Township Recreation Committee will begin its largest summer program for children in history.

Full-time supervision will be supplied at six playfields and part-time direction at another. The newest playground will be at the Walnut Avenue School. Full-time supervision also is planned for Cranford High School, Roosevelt School, Memorial Field, Sunny Acres and Lincoln Avenue Field. Supervision will be available at the Adams Avenue Field in the morning.

Four playgrounds were opened last year with full-time supervision at the high school, Roosevelt School, Sunny Acres and Memorial Field and part-time direction at Adams avenue and Lincoln avenue fields. When attendance fell off at the Adams Avenue site, full-time supervision was provided at Lincoln Avenue Field.

Mrs. Charles Schillinger, playground chairman, reports the playgrounds will be open from 9 a.m. to noon and 1 to 4 p.m. for all children from 5 to 14 years of age.

Supervisors for the playgrounds were announced as follows: Walnut Avenue School, Mrs. Dolores Kellner who taught at the high school; Memorial Field, Thomas Tipaldi, teacher at Cleveland School; Roosevelt School, Miss Jean Alexander who taught at Cleveland School; Cranford High School, Miss Jean Almquist who taught at Walnut Avenue School; Lincoln Avenue Field, Miss Edith Dunfee who returns as a playground supervisor after a year's absence; and Sunny Acres, Miss Janet Copeland who was in charge there last year.

James Avery, high school teacher and coach, will serve as general supervisor and be in charge of all competition and sports.

In addition, six assistant supervisors will be hired. Their assignments are not definite at this time.

A new phase of the program will be the sponsorship of baseball for boys over 14 years of age at Memorial Field. Several teams will be organized if there is enough interest with games being played in the late afternoon, it was announced.

If there is enough interest, the teen-age baseball program will get underway at 7 p.m. Boys were permitted to practice last year at Memorial Field and the program was well received by the year. The Recreation Committee

Cummings, Ditzel Named Firemen

Appointment of two additional paid members of the Cranford Fire Department, effective August 1, was approved Tuesday night by Township Committee on recommendation of Public Safety Commissioner Fritz.

The new appointees are Albert Cummings, 25, of 11 Eastman street, and Wesley Ditzel, 23 years old, of 202 Centennial avenue. Both have served as callmen.

Mr. Cummings has been a resident here for 12 years, while Mr. Ditzel has resided in Cranford for 19 years and presently is employed at Hyatt Roller Bearings Division, Clark.

The new appointees will bring the paid personnel of the department to 13 firemen, three captains and one chief.

Vacation Schedule Set For Municipal Court

Magistrate Charles J. Stevens announced today that a vacation schedule will be in effect in Municipal Court during July and August.

Court will convene on the following dates: Monday, July 11; Monday, July 25; Tuesday, August 9; Tuesday, August 23, and Tuesday, August 30. Regular weekly sessions will resume on Monday, September 12.

United Fund Names Gill To Head This Year's Drive

At a meeting of the executive board of the Cranford United Fund, Nelson Lightcap, president, announced the appointment of Edward Gill of 407 Central avenue as executive director for this year's campaigns.

In his capacity of executive director, Mr. Gill will have overall supervision of the general administrative matters of the annual drive to be held in October.

Mr. Gill, industrial relations supervisor at Western Electric Company, Kearny, was active in organizing many of that company's fund raising drives for the Community Chest and Red Cross and set up the present payroll deduction plan which has operated successfully for the past four years. He has been active in the Cranford United Fund drives, and served as assistant executive chairman in last campaign.

A graduate of Rutgers University with a degree in industrial engineering, Mr. Gill has also done graduate work at the University of Newark and New York University. An active in civic affairs, he has served as an officer and director of the Newark Junior Chamber of Commerce for the past five years.

A veteran of World War II, Mr. Gill was a captain in the Air Force and served in Africa, Europe and the Middle East. He is married and the father of one daughter and three sons.

Safety Plea To Motorists

A plea to Cranford motorists to protect their own lives and the lives of their loved ones by observing special driving care over the coming long holiday weekend was issued today by Police Chief William A. Fischer. He added that members of the police department will be on the alert for all traffic law violations in an effort to protect other motorists and the offenders themselves from the often tragic results of careless driving.

Cranford First Aid Squad also will cooperate in the move to keep motorists safety-conscious during the Independence Day rush by stationing their Miller-Cadillac First Aider alongside the Garden State Parkway near the Centennial avenue bridge from noon until 10 p.m. Monday.

While the new ambulance is on display as a warning to motorists, the Old Packard rig will answer routine calls for aid, Capt. Harry P. Page said. The First Aider will be in radio contact with police headquarters during the vigil so it can respond also in the case of any emergency, he added.

This is part of a general safety

(Continued on Page 8)

Few Seniors Working

Only 12.3 percent of the Class of 1955 has found permanent employment, according to a survey made by the guidance department of Cranford High School.

Out of the 171 students receiving diplomas, only 21 planned to start working immediately. The figure is not as bad as it seems as 39.7 percent of the class will attend four-year colleges in the fall while an additional 15.2 percent will attend other institutions of higher learning.

In addition, 14 members of the class plan to enter the armed forces, while the additional 24.5 is unemployed or undecided on future plans. The percentage of students going into the armed forces is somewhat lower than last year, but it is likely to become larger by September if the usual trend continues.

Because the high school now has a curriculum that is called a single curriculum, it is not possible to determine what courses of study students in the various categories took.

This year's figures in the various categories correspond roughly with those of last year at this time, Gerhard Kellner, guidance director, reports.

Willsey, Past Health Officer, To Move to Middlesex Friday

After 31 years as residents of Cranford, Mr. and Mrs. William Willsey of 22 Cranford avenue will move tomorrow to Middlesex Borough to make their home at 29 Whitney street. Until he retired in 1948, he had been health officer in Cranford for 17 years.

Mr. Willsey remained active as health officer of Kenilworth, Garwood, Mountainside, Roselle Park, and Winfield until last year. He fell and broke his hip in December, 1953, in Mountainside, and several months later resigned from the health officer duties in the five nearby communities.

Mr. and Mrs. Willsey have sold their home at 22 Cranford avenue to Chester Budd of Bayonne, a supervisor for Westinghouse Electric Company.

Township health officer from September 15, 1931, Mr. Willsey began his duties in Cranford on a part-time basis until he became director and health officer of State Health Unit No. 2, which embraced Cranford, Garwood, Mountainside and Clark. When State funds for this program were withdrawn, Mr. Willsey continued as part-time health officer for these communities as well as Kenilworth, Winfield and Roselle Park.

Work in the public health field was begun by Mr. Willsey in 1910 when he was appointed an inspector of the New Jersey State Health Department. He became health officer in Perth Amboy in 1913.

During his tenure in Perth Amboy, which continued until 1923, he encountered the infantile paralysis epidemic of 1916, the foot and mouth disease and tuberculosis in cattle and the flu epidemic which followed World War I. While in this post, he was the first to appoint public health nurses. He retained them on his staff despite pressure from the State Health Department. A few years later, the Department of Maternal and Child Health was established by the State Board of Health. He also served as health officer in Hackensack for a time.

Mr. Willsey came to Cranford in 1925 as executive secretary of the New Jersey Health and Sanitary Association, which maintained offices here. He attended the State Health Officers' Course at New York University and took

Legion Post Elects Dixon As Commander

Cranford Post 212, American Legion, elected George L. Dixon of 107 Pine street commander at a meeting Tuesday evening at the Casino, succeeding Commander F. Edwin Winter.

Also elected were: Edmund W. Hone, first vice-commander; Daniel Moses, second vice-commander; William Turk, third vice-commander; George Farnsworth, finance officer; Frank Jacoby, chaplain; Horace Jones, sergeant-at-arms; Frederick L. Smith, historian; Thomas A. Albana, Sr., judge advocate, and Thomas L. Hamilton and Fred Casoni, members of the executive committee.

Elected as delegates to the Union County Committee were: Mr. Heinz, Mr. Dixon, Frederick L. Smith, Howard Bingle and Arthur Metz. Alternate delegates to the Union County Committee are: Mr. Moses, Mr. Hamilton, Mr.

May Discuss Memorial Track, Business Women Favor Plan

Mrs. G. Holmes Williams, chairman of the athletics and health committee of the Board of Education, reports she will contact Mayor Fred P. Andersen, Herbert Jacobus, chairman of the Township Recreation Committee, and representatives of the Cranford Rotary Club concerning the further development of Memorial Field and especially the construction of a track.

A letter from the Rotary Club informing the board of its interest in the development of a track was referred to Mrs. Williams' committee. The athletics and health committee, Mrs. Williams said, will see in what way or ways it will be able to cooperate in such a project.

Mrs. Williams expressed the hope that the Board of Education will be able to cooperate extensively.

It was suggested by the chairman of the athletics and health committee that a meeting might be arranged of representatives of the Board of Education, Township Committee, Recreation Committee

(Continued on Page 8)

Two Local Youths Begin Training at Naval Academy

Two Cranford youths began their studies this week at the U.S. Naval Academy, Annapolis, Md.

They are: Thomas Holroyd, son of Mr. and Mrs. Lincoln Holroyd, Jr., of 217 Central avenue, and Ronald J. Doyle, son of Mr. and Mrs. Frank E. Doyle of 14A Parkway Village.

Thomas Holroyd left for Annapolis on Sunday to begin his four-year course at the naval academy under an honor school appointment made by the headmaster of Admiral Farragut Academy, Pine Beach.

To receive this appointment he had to be among the top 10 of 120 honor school students throughout the country who took competitive examinations recently. He was graduated earlier this month at Admiral Farragut, where he received the Arion award in music and also a bandmaster's award.

Ronald Doyle left for the naval academy on Tuesday morning. He gained his appointment as a member of the naval reserve after passing mental and physical examinations in March. He was a members of the Naval Reserve unit in Elizabeth.

A graduate of Cranford High School in 1954, he attended Holy Cross, Worcester, Mass., during the past year. In addition to gaining the appointment through the Naval Reserve, he was the first alternate appointment of Congressman Harrison A. Williams, Jr., of Westfield, representative from the Sixth Congressional District.

At Middlesex, Doyle was a basketball star at Cranford High School, holding the school's all-time scoring record. He also played basketball at the Bullis School this past year, where he was team captain. He was a member of the CHS baseball team.

Another Cranford youth, Midshipman Robert Albertson, son of Mr. and Mrs. George Albertson of 37 Spruce street, has begun his junior year at the naval academy.

Leaving Cranford

Oak Lane Tract Sold To Larsen

Although H. A. Larsen was the successful bidder on several townships owned tracts in the lane Township area, he will be required to pay the same fine pending outcome of a Superior Court action filed this week by Ralph Della Serra.

Mayor F. P. Andersen, who presided at Tuesday night's meeting of the Township Committee, where the sale took place, said that the committee was served with the Superior Court action about 20 minutes after the meeting was convened.

Following a brief recess, the mayor declared that it was the opinion of Township Attorney C. H. Warsinski that the township could proceed with the sale of the property, as advised, but that the court action might delay the final transfer of title.

Mr. Della Serra claims that in 1950 he owned vacant land on Denman road between Lincoln avenue and Denman place, which adjoined lands owned by the township and the Board of Education. He also owned vacant lots on Oak lane. The school board, he claimed, was interested in purchasing the property on Denman road and that he had it appraised at that time at $12,000. The board offered $4,000 for the property, which he accepted. He claims the suggestion was made that the township might trade him other township-owned land for his lots on Denman road. He offered $2,500 for the township-owned Oak lane property on January 30, 1950, but was told the offer was insufficient. He claims that he was told that $4,000 would be acceptable and increased his offer to that sum, but the transaction never was consumated.

He asks that the land be conveyed to him for $4,000 or that his

(Continued on Page 8)

Seek Hearing Before PUC On Water

A petition requesting a formal hearing before the Public Utility Commission on the matter of water supply in the Plainfield-Union Water Company area and issuance of an order by the commission directing the company to provide additional facilities described in engineering reports as necessary for completely satisfactory service to the area, is scheduled to be filed with the PUC in Trenton today.

Announcement that the executive committee of the Inter-Municipal Water Committee, headed by Mayor Fred P. Andersen, has authorized its counsel, Township Attorney Carl H. Warsinski, to file such a petition, is contained in a

New Water Main Ready for Inspection

The new 36-inch main constructed by the Elizabethtown Water Company from Linden through Cranford to Roselle, which will contribute an additional two to four million gallons of water a day to the Plainfield-Union Water Company system, now is being flushed out and sterilized in preparation for final inspection tomorrow morning, it was announced today by Robert Kean, Jr., president of Elizabethtown.

Following approval by the underwriters, there will be a testing period, but the new line will be available for use over the week-end and should be in full scale operation early next week, Mr. Kean said.

statement issued today by the committee.

At the same time the water company issued a statement announcing completion by the Elizabethtown Water Company of a new 36-inch water main from Linden through Cranford to Roselle which will bring two to four million additional gallons of water a day into the Plainfield-Union system and describing the water supply picture for the area as "vastly improved."

In its statement, the executive committee of the Inter-Municipal group acknowledges that progress has been made in improvements started by Plainfield-Union in 1954, culminating in the 36-inch Elizabethtown main connection in Roselle scheduled to be put into use this week-end.

"However," the statement continues, "the advice of the engineering firm hired by the Inter-

(Continued on Page 8)

Lions Install New Officers

Alfred Frigola was installed as president of the Cranford Lions Club at the last regular weekly dinner meeting of the season Tuesday night in the Coach and Four Restaurant. He succeeds Albert J. Davies. Dr. Earl A. Dunfee, past deputy district governor, officiated at the installation of the new president.

Officiating at the installation of other officers for the ensuing year were Past Presidents William Frederick, Victor D. Shaheen, John E. Allen and William Klein.

The other new officers are: Vice-presidents, Edward J. Shaheen, Daniel J. Heyburn and Louis Lerda; secretary, Charles Schillinger; treasurer, Edward C. Rearick; tail twister, William Meyer; Lion tamer, Robert Goodrich; song leader, Robert J. Laier; chaplain, the Rev. Albert Allinger, and historian, Jack Cox.

Installed as trustees were: Mr. Connors, Henry J. Lovett, Nicholas LaCorte and John V. Nostrand. Mr. LaCorte, George S. Sauer and Charles J. Stevens are the club's legal advisers.

Retiring President Davies, who conducted the meeting, was presented with a president's pin by Past President Roy K. Scheller.

A letter of thanks was read from Donald Klein, a member of this year's graduating class at Cranford High School, who received the club's G. K. Warner Memorial Award of a $25 Savings Bond for highest scholarship.

Dr. Dunfee, delegate of the Cranford club, reported on the Lions International convention held in Atlantic City last week. Club singing was led by Mr. Meyer with Mr. Rearick at the piano.

Members voted to adjourn until September 13.

Fireworks, Music Planned on July 4

In observance of Independence Day, a music and fireworks program will be held Monday evening at the lagoon area of Nomahegan Park, Thomas: J. Butler, chairman of the Memorial and Independence Days Committee, announced today.

The fireworks display is scheduled for 9:15 p.m., and the program will get underway at 7 p.m. with a band concert by musicians furnished by Elizabeth Local 151, American Federation of Musicians. The band will be under the direction of Nick Romeo, Jr.

Robert S. Dow will lead in the singing of the "Star Spangled Banner." Mr. Butler, acting as master of ceremonies, will introduce Mayor Fred P. Andersen, who will present a short address of welcome.

Arrangements have been made with Fire Chief Howard G. Schundler to sound three blasts on the fire siren, one quarter of a minute apart at 6 p.m. Monday if the celebration is to be postponed on account of rain. In such event the program will be held over to the next clear night.

Postmaster Arthur Metz is in charge of the arrangements for the fireworks display.

Police Capt. Lester W. Powell, delegated by Chief William A. Fischer to handle assignments for the occasion, has 25 regular officers and 30 auxiliary policemen will man the park area to handle traffic and for spectator protection.

Parking will be permitted along Kenilworth boulevard in the vicinity of the pistol range and park area and in the infield of Springfield avenue, Capt. Powell reported. There also will be parking in the vicinity of the baseball diamond and in a large lot adjacent to the diamond where the grass has been cut for this purpose, he said.

Places where parking will not be permitted will be posted with "No Parking" signs Monday afternoon by members of the police department.

Fire Chief Schindler reported Engine No. 2 and a complement of 12 men from his department will be stationed in the area for the duration of the fireworks display.

Also on hand will be the First Aid Squad's radio-equipped Miller-Cadillac First Aider manned by a crew in charge of Capt. Harry P. Page.

A meeting of the Memorial and Independence Days Committee will be held July 13 in the Municipal Building to wind-up its program for the year.

Andersen Heads UN Celebration

Mayor Fred P. Andersen has agreed to serve as honorary chairman for the observance of United Nations Week in October, Mrs. C. G. Albury, chairman, announced today.

Under the direction of Mrs. Albury, a committee will be formed to plan a full week of activities in connection with the observance. The committee will work in cooperation with the Cranford Chapter of the American Association for the United Nations. Mayor Andersen asked the chapter earlier this year to plan this year's celebration.

It was announced by the chapter that the final study group session of the season was held at the home of Mrs. Albury, 116 Eastman street, vice-chairman. The historical background of the United Nations Charter was dis-

MILTON BERKOWITZ

Boys' Camp Open Sunday

At ceremonies Sunday afternoon, the Cranford Boys' Camp at Silver Lake near Hope will open its 29th season.

Participating in the program will be Robert M. Crane, vice-president, the Rev. Robert G. Longaker, pastor of the First Presbyterian Church, and representatives of Cranford Post 212, American Legion, who will present an American flag to the camp.

Willis Bird, registrar, reports there are no openings at this time for any week during the summer. There are some names on a waiting list in case there is a cancellation, Mr. Bird said. For the opening week, 43 boys are registered.

Milton Berkowitz of Roselle, a fifth grade teacher in Roosevelt School, is camp director. Robert McClintock, a student at the College of William and Mary, will be assistant camp director.

Serving as counselors will be: Robert Achilles, Harry McNally, Jack Potter, Donald McCord, Stephen Ayre, Donald McClintock and Jim Hudson.

Dave Gordon, chef at the Lawrenceville School, will return as camp cook and his helpers will be Bendlin and Harold Prachyo.

A graduate of Brooklyn College where he majored in physical education, Mr. Berkowitz completed work for his master's degree in school administration and supervision at Montclair State Teachers College this month.

Mr. Berkowitz has had three years' camp experience at Camp Cherokee in the Poconos and has engaged in youth work at the Elizabeth YMHA during the winter months. He is a World War II veteran and participated in the campaign in Africa and Italy.

Request Early Copy

Because The Cranford Citizen and Chronicle office will be closed all day Monday, July 4, in observance of Independence Day, early copy is urgently requested from advertisers and publicity chairmen for next Thursday's issue.

Aid Squad Fund Passes $700 With Assist From Children

Collections in the First Aid Squad's current, fund drive have passed the $700 mark, including $7.40 contributed to the fund Tuesday night as the proceeds of a recent fair conducted by a group of children from the Willow street and Springfield avenue area, it was reported today by Second Lt. A. A. Bendlin, drive chairman.

Picking up of coin cards at local homes was started Sunday and will continue week-ends and evenings during the week, the chairman reported. He said the cards are being collected by uniformed members of the squad.

It had been hoped to complete the project by the end of this month, but the collections will be a little late in some sections, Mr. Bendlin said. He requested householders to be patient and wait until their cards are picked up by qualified squad members.

Proceeds of the drive will be used to finish construction of the squad's new headquarters building at Centennial avenue and North avenue, east, and to purchase first aid equipment and supplies for the new building and the two ambulances.

With the concrete floor laid and the garage door hung, it is hoped that the squad's ambulance may be housed in the new building in the near future. All that remains to be done to make this possible is the installation of window glass and closing in of the window frames.

The fair which benefitted the fund campaign was conducted last week in the backyard of Phillip Brubaker, son of Mr. and Mrs. N. H. Brubaker of 710 Willow street. Featured were booths and games patronized by children from the neighborhood.

Other young people participating in this project included: Edward and Kenneth Sheehan, Edward and Erdman, Jack Sullivan, Thomas Mitchell, Peter Jan

(Continued on page eight)

First Aid Squad Story Told Kiwanis

Victor D. Shaheen, president of the Cranford First Aid Squad, outlined the history of that organization and told of the work now being done by its members at a meeting of the Kiwanis Club at Marion Restaurant on Tuesday.

Mr. Shaheen, who was introduced to the Club by Walter M. Cooper, club treasurer and vice-president of the squad, told of the organization of the present group in May, 1953, and then related its growth until the present time.

The group now has three qualified instructors in first aid, crews of volunteers who are available 24 hours a day, two ambulances, one equipped with a radio hooked in with police headquarters, and is in the process of erecting a building to house the equipment and crews on duty.

Night crews are set up to handle calls from 7 p.m. to 5:30 a.m. and serve in teams, one team being on duty each night for one week, then they are relieved by another crew. The squad members working in Cranford are made into a day crew, being on call at all times.

Speaking of the services rendered by the squad, Mr. Shaheen pointed out that 45 calls were answered during the month of May, or an average of about one and one-half calls a day.

He also said that the funds for the operations of the squad came from four main sources, namely: Cranford Township funds; public drives for support, such a drive being in progress at the present time; donations from users of the services of the squad; and assistance from various civic organizations, veteran organizations and service clubs. The latter groups, he declared, have been most generous in offering assistance of all types, especially volunteer labor on the new building.

Guests introduced by Richard Parker were: Mortimer Leber and Fred Wesche of the Roselle-Roselle Park club, Herman Mosnick of the Linden club, Frank Keenen of Woodbridge, Howard Hermes of Plainfield, James Cahill, guest of David A. Murray, and James W. Reilly, guest of Sidney Hausmann.

George Marko was presented with an award for two years of perfect attendance. The birthday of Russell Hoagland was observed. Walter K. Schweizer presided.

Genius is eternal patience. — Michelangelo

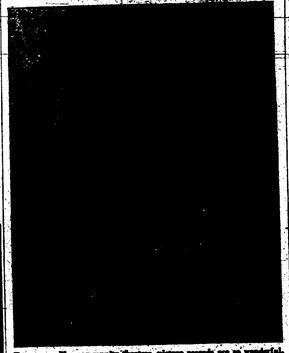
The SNAPSHOT GUILD



For groups like community theaters, picture records are as wonderful, they're almost a must.

Snap An Illustrated Secretary's Report

A feature of practically every group meeting I've ever attended has been a reading of "the minutes of the last meeting" from the secretary's book. These reports form the permanent record of the group's activity. But, why not make a still more interesting record to supplement this one? Snap a picture record of major events —it'll be a lot more interesting to present to future members of the group than formal words written in a book.

It won't take much time, nor would it be an expensive project. A roll of film and carton of flash bulbs will likely cover a major event. Keep step-by-step records of important projects, to show how they were carried on. Not only will this give you interesting pictures, but they can be a guide for similar projects the group may undertake in the future.

We've heard of one group that not only made its picture record a self-supporting project, but even added a little to the treasury with it. As soon as you make the first such pictures, you'll find various members clamoring for prints. And they'll be willing to pay a few cents for them. Since extra prints from your negatives are inexpensive, you can easily charge enough for the extra prints to take care of the expenses of the picture-taking project.

The picture taking itself may even create new interest in the projects and serve as a means of stirring up enthusiasm among the people taking part.

—John Van Guilder

Junior VIA Fetes Adviser

Mrs. Walter J. Conley, adviser, was presented with a gift at a dinner at the Coach and Four Restaurant last Wednesday evening by the Junior Village Improvement Association. She was honored on the completion of her term as adviser.

Other guests at the dinner were: Mrs. W. J. Gubas, president of the Village Improvement Association, and Mrs. Herbert I. Mitchell, chairman of the Evening Department of the VIA.

Plans were discussed concerning the New England boiled dinner to be held Election Day at Sherlock Hall. Mrs. Fred Thome was appointed chairman from the Junior VIA in the combined project for the benefit of the Nurse's Scholarship Fund.

The next meeting is planned for September 12 at which time it is proposed to have a representative of Kessler Institute, East Orange, speak on the work done for upper extremity amputees. Those interested in attending should contact Miss Joan Bauries, membership chairman.

Ann Crowell Attends Jersey Girls' State

Miss Ann Crowell, daughter of Mr. and Mrs. A. H. Crowell of 4 Berkeley place, is attending the Jersey Girls' State, sponsored by the American Legion Auxiliary, this week on the campus of Douglass College, New Brunswick. Cranford Unit, 212, American Legion Auxiliary, is sponsoring the local candidate who was selected by the high school principal.

Miss Crowell served as vice-president of the junior class at Cranford High School during the past year and is president of the French Club next year. She is a member of the National Honor Society and has been active in other school organizations.

Assisting in Boys' State

Sons Grand Conductor A. Jules Dannemeyer of Cranford, 40 and 8 director of nurses' education for the state of New Jersey, will be among officers of the New Jersey Grand Voiture, La Societe des 40 Hommes et 8 Chevaux, who will assist Grand Chef de Gare Joseph Sims of Jersey City at Boys' State graduation exercises at Rutgers University, New Brunswick, on Sunday.

Also assisting from Union County will be Sons Grand Draspeau Fred Schultz of Rahway and Grand Commis Voyageur Richard Meyen of Linden.

Care With Hoselne

While Hoselne can be added to any water supply it would be very dangerous to put it into the supply for a farm, since accurate control of the amount requires special equipment and expert operation.

Graduation Exercises

Historical Unit Elects

William F. Hoffman, 210 Hampton street, was reelected president of the Cranford Historical Society at the annual meeting of the board of trustees at the home of R. A. Clement last Thursday evening.

Roderick W. Smith was elected vice-president; Albert B. Caldwell, second vice-president; Curtis G. Culin, treasurer; L. Eileen O'Brien, corresponding secretary, and Oliver L. Richards, recording secretary.

Directors Culin, O'Brien, Leslie Crump and Smith were reelected, and John H. McCoy was named to succeed Robert Schwegler, resigned, all for three-year terms. Elected as life members were Mr. Smith, Frank T. Whitty, Clarence L. Fritz and Fred P. Andersen. The Cranford College Club was elected a sustaining member and Ira D. Durkin, Mrs. D. L. Copeland and Mrs. Thomas Flanagan were elected to regular active membership.

Trustee Caldwell, who has been in the hospital, was welcomed back.

Dr. Homer Hall proposed that the trustees take up the subject of a public reception or other gathering for all members of the society at least once a year. He suggested this action be taken in connection with Cranford Days. President Hoffman is to name a committee to carry out this idea.

Trustee O'Brien reported that he and President Hoffman represented the society on a recent trip around Manhattan Island promoted by the Port of New York Authority. He reported that they also attended the fifth annual meeting of the New Jersey Historical Society at Freehold.

Mr. O'Brien called attention to the fact that the present Cranford Museum is rapidly approaching the point where it is far too small to function properly and said that some steps would have to be taken in the very near future to expand its possibilities. He said that it was attracting widespread attention throughout the state and is being visited by more and more non-residents than ever before.

The following of trustees was read into the record: William F. Hoffman, R. A. Clement, O. L. Richards, C. W. Tripp and Homer L. Hall, whose terms expire in 1956; Wesley A. Stanger, Austin Dohrman, Harry H. Heins, A. B. Caldwell and John Lehman, whose terms expire in 1957, and C. G. Culin, L. E. O'Brien, Leslie Crump, Roderick Smith and John McCoy, whose terms expire in 1958.

Announcement was made that Chales W. Tripp would be host at the next quarterly meeting at the home of his daughter, Mrs. George Mack, 637 Willow street.

Mrs. Clement and her daughter served refreshments after the business session.

The difference between perseverance and obstinacy is, that one often comes from a strong will, and the other from a strong won't. — Henry Ward Beecher

The embellishments of life per se are poor substitutes for the charms of being shining resplendent and eternal over age and decay.—Mary Baker Eddy

Social Happenings

Mr. and Mrs. William J. Evans of 5 Wade avenue entertained Sunday at a family birthday and supper party for their son, Ricky, who is 3 years old. There were 20 guests present from Westfield and Cranford.

Mr. and Mrs. Thomas J. Gore, Jr., and son, Tommy, have returned to Alexandria, Va., after spending several days with Mrs. Gore's parents, Mr. and Mrs. Armand van Gelder of 106 Lincoln avenue, east.

Miss Allison Gaul and Miss Bernice Post of Cranford are leaving on a two weeks' motor trip to Florida. They also plan to visit Havana, Cuba, before returning home.

The Misses Barbara Wulf of Eliot street, Doris Poeltler of 217 South Union avenue, Theresa Capey of 216 High street and Dorothy Schmitz of 39 Hollywood avenue, are spending this week at Seaside Park.

Miss Shirley Merritt, daughter of Mr. and Mrs. Thomas F. Merritt, Sr., of 1 Spruce street, has returned after a vacation and sightseeing tour in Canada. On the way home she stopped off to visit a few days with her brother-in-law and sister, Mr. and Mrs. C. S. Cressey, Jr., and family, in Portland, Me.

Susan Morris, 9-year-old daughter of Mr. and Mrs. Edmund W. Morris of 212 Columbia avenue, left by plane Monday from Idlewild Airport to visit her uncle and aunt, Mr. and Mrs. Donald Bever, at Vermilion, O. While visiting there she will participate in a sailing camp conducted by the Vermilion Boat Club. Mr. Bever has won the state boat championship of the Great Lakes for the past three summers and was fifth in the international race in Havana in February.

Mr. and Mrs. Louis Pfirman and son, Warren, of 231 Walnut avenue, leave tuft for a month's vacation in Florida.

Mr. and Mrs. Howard Cowperthwaite of 308 South Union avenue left yesterday for Eastham, Mass., where they will spend several days as guests of Mr. and Mrs. A. C. Miskelly, formerly of Cranford.

Mr. and Mrs. Patrick J. Grul, and family of 107 Holly street are vacationing for a week at Lavallette.

Mr. and Mrs. Frederick Deacon of 117 Spring Garden street left Friday for a two weeks' visit with their son and daughter-in-law, Mr. and Mrs. John F. Deacon in Northfield, Ill.

Mr. and Mrs. Howard Carroll and their son, Robert, of 28 Parkway Village spent the week-end at their cottage in Binghampton, N.Y.

Mr. and Mrs. Robert A. Carley, formerly of 6 Oak lane, moved on Friday to their home in Detroit, Mich., where Mr. Carley has been sent by Standard Oil Company. Mrs. Carley was a member of the College Club, and is a past president of the Junior Women's Club of Elizabeth. The couple has four sons, Christopher, Robert, Michael and David.

Pott–Jackson Troth Announcement Made

Mr. and Mrs. S. M. Harrison of 48 South Union avenue have announced the engagement of their niece, Miss Edna Jackson, to Edwin Pott of Elizabeth.

Miss Jackson is employed by Sonoco Paper Products Company in Garwood. Mr. Pott is employed at Baker Platinum Refinery Company, Newark.

No date has been set for the wedding.

–BIRTHS–

Dr. and Mrs. Charles Richard Merwarth of Durham, N. C., announce the birth of their first child, Michael Richard, on June 15 at Duke University Hospital, Durham. Mrs. E. V. Rodgers of 7 English Village is the maternal grandmother and Mr. and Mrs. Charles Merwarth of 367 South Union avenue are the paternal grandparents.

Mr. and Mrs. W. M. Wight of 100 Oak lane have announced the birth of their third daughter, Polly, Tuesday in Muhlenberg Hospital, Plainfield.

Mr. and Mrs. Russell Herman of 36A Parkway Village have announced the birth of a daughter, Melissa Lou, Tuesday in Muhlenberg Hospital, Plainfield.

Surprise Bridal Shower Honors Miss Burelbach

Miss Carolyn Burelbach, daughter of Mr. and Mrs. F. M. Burelbach of 31 Hamilton avenue, was honored last Thursday evening at a surprise bridal shower given by Mrs. D. Richard French of 58 Madison avenue.

Gifts were arranged beneath a miniature shower curtain for the "bathrook" shower.

The guests were Mrs. R. A. O'Neill, Mrs. William T. Collins, Mrs. Meredith Conley, Mrs. L. J. Daviet Jr., Mrs. Richard Dorian, Mrs. Avery B. George, Mrs. Joseph Wortley, Mrs. Walter Wurth and Mrs. F. M. Burelbach of Cranford and Mrs. John Easch of Westfield.

Miss Burelbach is the fiancee of John Leslie Eddy, Jr., of Cleveland, O., son of Mr. and Mrs. John Leslie Eddy of Dallas, Tex.

Leaf Scorch Common Ailment Of Shade Trees

One of the most common troubles of shade trees is leaf scorch. It affects particularly the hard or sugar maple, but other trees, such as soft maple and the Japanese cut-leaved red variety are often seriously injured.

Affected leaves present a dry scorched appearance. The discoloration may be light or dark brown, depending on the kind of tree attacked. The lesions are very irregular and involve a considerable portion of the leaf. The effect is usually first evident between the veins or along the margin of the leaf and ordinarily all the leaves on a given branch are affected more or less uniformly. It frequently happens that only one side of a tree is affected and that side is seen to be the one most exposed to heat or to drying winds.

Leaf scorch is caused by the failure of the tree to supply sufficient amount of water to the leaves at a critical time. An immense quantity of water is evaporated from the leaf surface during hot dry weather, especially by the action of drying wind. If the water supply is deficient for any reason, the exposed leaves actually dry out. Trees with defective root-systems are particularly subject to this disease, as are also those whose roots have been partly removed or covered with impervious material such as asphalt or concrete pavement. Trees growing in poor soil where the drainage is excessive and the water table low, may show the disease, only in unusually dry seasons.

Anything which can be done to improve the general condition of the tree and keep it strong will reduce the injury. In trees with permanently suppressed or injured root systems, it is advisable to prune some of the branches, to maintain a more even balance between the top and the roots. If this is done carefully and judiciously, it will not injure the appearance of the tree and may actually improve it. Fertilizers, particularly those containing large amounts of potash, are reported to reduce leaf scorch. Suitable insect control should also be undertaken since this may contribute to the general vigor of the tree.

Surprise Bridal Shower Held for Miss Aeckerle

Miss Barbara Aeckerle, daughter of Mr. and Mrs. George Aeckerle of 1 Algonquin drive, was honored at a surprise bridal shower given by Miss Edna Pfirman at her home, 221 Walnut avenue, last Wednesday.

Miss Aeckerle will be married to Bruce Hodge of Scotch Plains at the Cranford Methodist Church on July 16. Her attendants will be the Misses Pfirman, Jean Bevan and Nancy Petrecca, all of Cranford.

New Occupants for Cranford Home

Mr. and Mrs. Peter Wortley, formerly of Easton, Pa., are now living in their home at 81 Henley avenue, which they purchased from Mr. and Mrs. Frederick Dowling who have moved to Burlingame, Calif. This Multiple-Listed property was sold by Mrs. Hazel Hamilton of the office of G. E. Howland, Cranford realtor.

Planning Board Approves Map For Development

Following a public hearing last Thursday evening in the Municipal Building, the Planning Board approved a sub-division request for the construction of 31 homes on Hallows Hill road and on two new streets, Panther lane and Lenape trail.

About 25 persons attended the session. Their questions were answered by E. Duer Reeves, chairman, and Township Engineer Patrick J. Grall. It was reported that all of the homes will be built on lots of 75' x 100' or larger.

This development will be known as "Heathermeade Hills" and T. V. Albert of Scotch Plains will be the builder. Carroll Sellers, local attorney, represented Mr. Albert.

An amendment to the zoning ordinance prohibiting uniformity in exterior design of buildings in Residence A and B zones was approved.

Mr. Reeves presided. Also present were: Mrs. Jacob Stanley, secretary, Mayor P. Andersen, Township Attorney Carl Warsinski, Mr. Grall and John Biach, Howard Siegel and Charles F. Hansel, Jr., board members.

Warinanco Tennis Club Plans 'Ladies Night'

A "ladies night" will be sponsored Wednesday evening at the Warinanco Park tennis courts, Roselle-Elizabeth, by the Warinanco Tennis Club from 6:30 to 8:30 o'clock.

The club reported the object of the program is for girls and women players to meet and get to know each other. Interested persons should ask for Gene Terpak, chairman, at the courts.

Community Service Plaque to Post, Auxiliary

Capt. Newell Rodney Fiske Post 335, VFW, and its Ladies Auxiliary were presented plaques at the state encampment at Asbury Park for winning first place in community service.

John Fagan, senior vice-commander, accepted the plaque for the post and Mrs. Betty Butler, past president, received the award for the auxiliary.

The encampment was attended by 15 members of the post led by Commander Willis Bird, while a large delegation from the auxiliary was on hand, including members of the women's drill team.

UJC Registers 200 Students

A registration of 200 students for its summer term was announced today by Union Junior College.

Classes began on Monday evening.

Kenneth W. Iversen, director of guidance and student activities, said an extra curricular program is being planned for the students. Among activities under consideration are a picnic, trip to New York City, swimming at a local pool and refreshments on warm evenings at the college.

Mr. Iversen reported that most of the students come from other colleges. They are making up courses and taking studies they couldn't otherwise get, Mr. Iversen explained.

Game of Polo

Though many people still believe that the game of polo is a mystery, science has left a very good idea of what brings on the malady. It is caused during the months of spring, which mean the baby calls and its pure nectar. The stunning wild rose bush. And there is very little mystery today about what kinds of virus are responsible.

FRIGIDAIRE THRIFTY TWIN
Room Conditioners are Twin Powered for CRANFORD Weather!

Inside the beautiful new Frigidaire Thrifty Twin are two complete cooling systems. That means you can adapt to weather changes as they come along. On real "scorchers" you use both systems—use only one when it's just moderately hot and save up to ½ the cooling cost. It's the one right way to enjoy ideal comfort every day! Frigidaire's exclusive "Great Circle Cooling" ensures cool, healthful comfort. Magic Guide gets all the air into all the room regardless of window location. No annoying drafts—no hot and cold layers — no wasted cooling power. Dehumidifies, filters, ventilates and exhausts stale air. See new models for casement windows, too. 2RC13-55

Zimmerman Promoted

G. Frank Zimmerman, principal of Cranford High School, has been promoted to the rank of lieutenant colonel in the United States Marine Corps Reserve. His advancement was announced by the commandant of the Marine Corps.

Lt. Col. Zimmerman entered the Marine Corps in 1942 as a first lieutenant. He saw action with the Second Battalion of the 23rd Marines during the invasions of the Marshall Islands, and Saipan and Tinian Islands. He was with the air support command during the Okinawa engagement.

He was advanced to captain in 1944 and to major in 1950. Following the war, he remained in the reserves and has been on active duty each summer. He will report to Quantico, Va., for two weeks' training next month.

Lt. Col. Zimmerman is designated an air operations and intelligence officer. During World War II, this assignment was known as an air ground officer.

He has been principal at the high school since September, 1949, and previously served as vice-principal for three years. A native of Millville, he graduated from high school there and holds a bachelor of science degree from Bucknell University and a master's degree from Columbia University. He began teaching economics and social studies in Cranford in 1935.

The local educator is a past commander of Cranford Post 212, American Legion.

Permits Approved for 22 New Dwellings

Permits for 22 one-family dwellings were among 31 building permits approved Tuesday night by the Township Committee.

Ten of the permits were issued to United Homes, Inc., for new homes on Blake avenue with construction cost estimated at $15,000 each. Five of the permits were issued to Abroe Builders for 5 Carolina street, $11,000; 59 Morse street, also at $11,000; 58 Morse street, 51 Concord street and 21 Carolina street, all at $13,000 each. Edward Associates were granted four permits for new homes on Browning road with construction cost estimated at $14,000 for two of the dwellings and $15,000 for the other two. Helmut A. Larsen was granted a permit for 421 Manor avenue at $17,000. William P. Kiernan, 532 Lexington avenue, $12,000; and A. & M. Builders, 218 Scherer street, $12,000.

Esso Research Develops Laboratory on Wheels

A test car that is literally a laboratory on wheels has been developed by Esso Research and Engineering Company, Linden.

A high-speed movie camera in the dashboard records instrument readings at up to 85 frames a second. Only 15 seconds of the film produces more than 25,000 pieces of scientific information on power, rate of acceleration, speed and other performance factors important to the development of fuels and lubricants.

The sun visor holds a tape-recorder microphone for the driver's comments during tests. A generator in the trunk supplies electricity for the electronic equipment—enough to run an average-sized home.

Lieutenant Colonel

G. FRANK ZIMMERMAN

Social Security Advice Offered For Domestics

The Elizabeth social security office today offered some advice to domestic workers and their employers.

People who work in private households — even handy men who do yard work outside the house and baby-sitters who are paid as little as $1 a week by one household employer — may report their cash wages count toward full-age and survivors insurance. Benefits to a worker retiring in the future will range from $30 to $108.50 a month; total family benefits can be as much as $200.

Ralph W. Jones, district manager, stated that two credits are paid for every dollar of his cash pay). His employer will add ½ the amount of his own and pay the total (4 percent of the worker's wages) to the district director of Internal Revenue.

As the new law brings nearly all persons who work in private households under social security, every household worker should have a social security account card. The place to get a card is in the nearest social security office. In Elizabeth, the office is located at 268 North Broad street.

The worker should make sure that his household employer copies his name and social security number just as they appear on the social security card. If the employer puts the correct name and number on the quarterly report of the worker's cash wages which she sends to the District Director of Internal Revenue, the employee will know that he is getting credit for all his earnings that count toward monthly benefits to himself or his dependents in his old age, or to his family in case he should die.

Attend Legion Boys' State

Two Cranford boys, Walter Sosnowski and Richard Powers, are among 614 boys attending the American Legion-sponsored Jersey Boys' State this week on the Rutgers University Campus, New Brunswick. The boys are sponsored by the American Legion posts in their home communities and are selected by their high school principals.

Walter, son of Mr. and Mrs. Walter Sosnowski of 1042 Raritan road, will be president of next year's senior class at Cranford High School, president of the Hi-Y and president of the Cranteen. He is an outstanding member of the basketball and baseball teams.

Richard is the son of Mr. and Mrs. Thomas F. Powers of 411 Lincoln Park, east, and the late Mr. Powers. He will be a senior next year at Holy Trinity High School, Westfield, where he is president of the boys' Glee Club and president of the Holy Trinity chapter of the National Honor Society.

Hobbyists Operate Own Railroad

Two Cranford men, William Young, a printer, and Harry Quick, driver-salesman for the Reel-Strong Fuel Company, are members of a group of men who have a king-size hobby — they own and operate their own railroad.

The three-foot gauge line of the Pine Creek Railroad is located four miles north of Freehold on Route 9. It runs Sundays only for passenger service, on a timetable governed by the passenger demand, for a fare of 20 cents round trip.

Originators of the line were Jay Wulfson, partner in a South River manufacturing company; Pete Rasmussen, a Jersey Central station agent, and Mr. Young. Mr. Quick, William Cleland, a Westfield student; William Morrison, retired, and his son, Andrew, also a student in Westfield, have entered the project during the past two years, all pooling their resources and time.

The railroad came into being when Mr. Wulfson, Mr. Rasmussen and Mr. Young bought a three-ton locomotive, built in 1924 by the Baldwin Locomotive Works, from the Raritan River Sand Company in Nixon, thereby saving it from the scrap heap.

They got the wheels and frames for the tender and passenger car from a lumber company in Waverly, Va., where they were used on a logging road until 1935. The rails came from the same lumber company. Since then more rail has been purchased, coming from the Bridgeton and Harmon narrow gauge line in Maine. The ties came from the Raritan River Railroad.

The boys laid 800 feet of track and Mr. Rasmussen, a veteran railroader, repaired the locomotive. Last year a ramp was built for passengers boarding the train at the Route 9 end of the track and a switch and engine house were put in down by the creek.

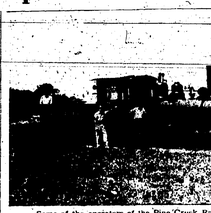
This year they have added about 200 feet more to the main line, and they are now in the process of building a caboose, modeled after one on the narrow gauge Colorado and Southern Railroad. Also, they have added a hand car (the pump type) from the East Broad Top Railroad in Pennsylvania.

Recently, the Jersey Central donated its abandoned passenger depot at Freneau to the little line.

Mr. Wulfson, who refers to the railroad as a "narrow gauge operating museum," hastens to explain that the line is not operated for profit. No wages are paid, and all money collected goes for the operating expenses, such as coal, electricity and insurance, he reported. He added that if there is any left over it goes toward additional equipment. The line just about broke even last year, he said.

Mr. Wulfson has been riding locomotives since he was a youngster and has always wanted to own one. And now with the help of the other men in the group his wish has been fulfilled. Incidentally, Mr. Quick formerly was employed by the Rahway Valley Railroad in Kenilworth.

It is reported that even the wives and sweethearts of the men are getting into the act. They are doing the painting around the place.



Some of the operators of the Pine Creek Railroad, located near Freehold, are shown with the engine. Left to right in the picture are: Wilson Sutphin, Thomas Taber, Jay Wulfson, Mr. Young and Mr. Quick.

Police Alerted To Crack Down On Vandalism

The police department has been alerted to crack down on all vandalism cases reported, it was disclosed at Tuesday night's meeting of the Township Committee by Public Safety Commissioner C. L. Fritz.

Mayor F. P. Andersen said the entire Township Committee endorses any action that will curb a further spread of recent acts of vandalism.

The subject was brought before the committee by Public Works Commissioner Howard Cowperthwaite who reported that several acts of vandalism have occurred recently to property of contractors employed by the township.

Commissioner Cowperthwaite also said that considerable damage has been done at Memorial Field where, he pointed out, the money for repairs comes out of the Recreation Committee's budget and thus reduces the funds available for recreational purposes.

He declared that he will report every case of vandalism to the police and will endeavor to punish the guilty youngsters. He urged parents to cooperate by warning their children of the consequences involved.

New 'Pillow'

Army Engineers have developed a new collapsible "pillow" container capable of storing 10,000 gallons of gasoline in forward battle areas. The synthetic rubber tank may be filled by pipeline or baseline from small barges and tankers or pumping stations. The "pillow," reinforced with an inner and outer layer of nylon cloth to prevent evaporation, can be made ready for use quickly simply by unrolling it like a rug from its protective box.

— SYNOPSIS OF —
MINUTES OF MEETING OF THE UNION COUNTY BOARD OF CHOSEN FREEHOLDERS
By Michael F. Kealy, Clerk of the Board

Regular meeting of the Union County Board of Chosen Freeholders was held at the Court House, Elizabeth, N. J., on Thursday, May 19, 1955.

Director Benninger presiding. Roll call showed nine members present.

Freeholder Herlich made a motion that the minutes of April 28th and May 3rd be approved, which was duly seconded by Freeholder Hickok and unanimously carried.

The following communications were read and ordered filed:

Legal Aid Society of Union County thanking this Board for allowing them the use of one of their rooms in the basement of the Court House.

State Highway Dept. advising Commissioner Palmer approved of the action taken by this Board in awarding contracts for glass beads and white traffic paint, type 11; was referred to Roads and Bridges Committee.

State Highway Dept. advising Commissioner Palmer approved of the action taken by this Board in awarding contracts for reinforced concrete pipe for use in the maintenance and repair of County Roads during 1955, was referred to Roads and Bridges Committee.

Bonnie Burn Sanatorium, enclosing resolutions adopted by the Board of Managers accepting bid of The Foregger Co., Inc. of New York for furnishing one Anesthesia Machine, less trade-in on one old machine; accepting bid of Penn Dairies, Inc., of New Brunswick for furnishing Ice Cream requirements for the year 1955 and accepting certain items of meat requirements from Gol Pak Corp. of Union City, N. J., and The Martin Packing Co. of Newark, was referred to Public Welfare Committee.

George S. Sammond, reporting injuries received by Mrs. Della Sammond while walking across the southeast side of Bridge walk on the E. Milton Avenue Bridge, Rahway, was referred to Insurance Committee and Insurance Advisor.

Thomas F. Malanga, Jr., advising he represents Mrs. Rose Ziegler who fell and was injured while walking on a foot path at the side of construction of a bridge at South St., Elizabeth, was referred to Insurance Committee and Insurance Advisor.

Lefroy C. Johnson of Berkeley Heights, calling our attention to the dangerous condition of Mountain Avenue from the Bell Labs all the way to the Warren Township Border, was referred to Roads and Bridges Committee.

State Highway Dept. advising that the Commissioner authorized payment to Union County of $99,365 on account of our 1955 Motor Vehicle Aid apportionment, was referred to Roads and Bridges Committee.

Township of Cranford, asking the County to construct a culvert across Wadsworth Place at the Casino Brook, was referred to Roads and Bridges Committee.

Corps of Engineers, U. S. Army, advising application has been made for a permit by the Public Service Electric & Gas Co. of Newark to install aerial transmission lines across the Elizabeth River immediately downstream of the Front Street Bridge, Elizabeth, was referred to Roads and Bridges Committee.

County Clerk, enclosing Oath of Office of H. Roy Wheeler as a member of the Board of Taxation.

Annual report of Bonnie Burn Sanatorium for 1954 was received and ordered filed.

Monthly reports were received from the County Treasurer, the Supt. of Weights and Measures, and the County Physician, and were ordered filed.

Report of Public Property Committee on bids received on May 5th for installation of new lighting fixtures at various locations in the Court House and new lighting fixtures in the Voting Machine Building at the County Yard, Westfield, and recommending award of contract to J. J. Tomasulo and Co., lowest bidder on both items, was read and ordered filed.

The following resolutions were introduced and moved for adoption:

(43) — Freeholder Carr for Public Property Committee, approving two temporary appointments of Seasonal Laborers in the Dept. of Public Works, was on roll call unanimously adopted.

(2) — Freeholder Carr for Public Property Committee accepting bid of J. J. Tomasulo and Co. of Roselle Park for the installation of new lighting fixtures at various locations in the Court House for $5,800 — installation of new lighting system in the Voting Machine Building, Scotch Plains, for $,850, and authorizing Director and Clerk to execute agreements covering same, was on roll call unanimously adopted.

(3) — Freeholder Herlich for Finance Committee, approving six personnel actions in various departments, was on roll call unanimously adopted:

(4) — Freeholder Hickok for Roads and Bridges Committee, granting James C. Tomasulo six month leave without pay as Chief Clerk in the Road Dept., effective May 8, 1955, was on roll call unanimously adopted.

(5) — Freeholder Valentine for Public Welfare Committee, accepting bid of the Foregger Co. of New York for furnishing one Foregger Anesthesia Machine less trade-in on an obsolete machine, making a net delivered price of $1,550.00, was on roll call unanimously adopted.

(6) — Freeholder Valentine for Public Welfare Committee, accepting bid of Penn Dairies Inc. of New Brunswick, N. J., for ice cream requirements for the year 1955 at Bonnie Burn Sanatorium at their bid of $1,502.50, and authorizing Director and Clerk to execute agreement covering same, was on roll call unanimously adopted.

(7) — Freeholder Valentin for Public Welfare Committee, accepting various items of meat requirements for Bonnie Burn Sanatorium from Gol Pak Corp of Union City and Martin Packing Co. of Newark, lowest bidders on each items, was on roll call unanimously adopted.

(8) — Freeholder Valentine for Public Welfare Committee, authorizing the rejection of bids received for beds and mattresses and authorizing Committee to readvertise for same.

(9) — Freeholder Herlich for Finance Committee, resolving that all bills presented for payment be ordered paid, was on roll call unanimously adopted.

Freeholder Bluetumpfel reported that the meeting held on Monday, relative to the Tax Equalization Table was well received by the public and that another such meeting will be held in September.

There being no further business to be considered, and no motion duly made and seconded, Director Benninger declared the meeting adjourned until Thursday, May 26th, 1955, at ten a.m.

MICHAEL F. KEALY
Clerk of the Board

NEWSLETTER
From Your Congressman HARRISON A. WILLIAMS

New Challenge in Foreign Policy

The foreign aid program which the Foreign Affairs Committee has been considering for several weeks is one of the most important measures to come before this Congress. With the lessening of overt hostility on the part of the Soviet Union, it appears that we are probably entering a new phase of the cold war which will demand increased attention to the political, economic and diplomatic methods of pursuing our foreign policy. For many years we have been spending billions of dollars to build and maintain a strong military establishment as a deterrent to direct Communist aggression. This policy has succeeded and we hope will continue to succeed. However, this enormous investment in defense is useful and profitable should the Communists, through economic and political means, break up the free world alliance. We must not only be determined and capable of halting Soviet military expansion. We must also champion the basic principles of freedom, democracy and economic progress. Let us keep these points in mind:

(1) No one believes, I am sure, that the fundamental objectives of the Soviet Union have changed, despite their recent peaceful-sounding words. Their goal undoubtedly remains the same — ultimate domination of the world.

(2) It is clear, however, that they have shifted their tactics. This shift is a great challenge and a great opportunity to the West. We must formulate policies to pursue the cold war on grounds which could be more favorable to freedom and democracy.

(3) If the competition with the Communists is to take place on an economic and political level rather than principally at the military level, the position of the West could be greatly improved if we have the courage to meet the test.

Freedom Holds The Answer

Democracy, freedom and our economic system of providing abundance hold much greater hope for meeting the rising expectations of the peoples of the world than does the system of forced development which marks Communist methods. No true believer in our heritage, it seems to me, would deny this premise.

We have the system and the principles with which to successfully pursue the cold war on the grounds that are presently emerging. In a very real sense, the cold war, on the level of winning men's minds, is just beginning. The answers to this new challenge are not easy and there will be resistance when you are attacked would be. In finding new answers we must draw on all the courage and conviction at our command, to utilize our vast reservoir of natural, economic and technical resources.

We Must Take The Lead

Proceeding from this position, I introduced an amendment to the foreign aid bill stating that the policy of the Congress is to administer this legislation in such a way as (1) to encourage the development of free institutions unfettered by colonialism; (2) to discourage feudal economic practices, and (3) to encourage regional economic cooperation.

Although this amendment failed in committee, I am pursuing it in open debate in the House of Representatives. It is of utmost importance that we stand with those millions of people in the world who are now struggling toward political freedom and healthy economic structures. Only if we show that we are behind them, on the side of change and progress toward democracy, can we possibly win the political and economic struggle of the cold war.

We took a significant step in this direction last week when the House of Representatives passed Congressman McCormack's resolution stating that it is the sense of the Congress that we oppose the continuation or extension of colonialism in any form.

318 EAST BROAD STREET, WESTFIELD, N. J. — WE 2-0143

OBITUARIES

Miss M. Prendergast

The funeral of Miss Margaret Prendergast, 89, of 314 Lincoln avenue, east, will be held at 8:30 a.m. today from the Dooley Funeral Home, 228 North avenue, west, and thence, to St. Michael's Church, where a high requiem mass will be offered at 9 a.m. Interment will be in the family plot in St. Mary's Cemetery, Plainfield.

Miss Prendergast died Tuesday at the Brookside Nursing Home after a long illness.

She was born in St. Clair, Pa., the daughter of the late John and Kathryn Coon Prendergast, and came to Cranford in 1893. She was a communicant of St. Michael's Church and a member of its Rosary Society.

There are no immediate survivors.

Mrs. Joseph N. Scher

Funeral services for Mrs. Eleanor Scher, 46, wife of Joseph N. Scher of Westfield and sister-in-law of Herman Scher of 347 Walnut avenue and Sidney Scher of 15 Doering way, will be conducted at 10:30 a.m. today at Gray's, 220 East Broad street, Westfield, by the Rev. Richard L. Smith, pastor of the First Presbyterian Church of Westfield. Interment will be private.

Mrs. Scher died suddenly at her home on Monday.

She is survived by her parents, Mr. and Mrs. Herman C. Frey; two daughters, Mrs. Jean Tenyck and Mrs. Alyce J. Anger, and a brother, Winton Frey.

Mrs. George Maile

GARWOOD — Funeral services for Mrs. Emma Maile or 62 Second avenue, widow of George Maile, were conducted in Elizabeth on Monday by the Rev. Eric S. Tougher, pastor of the Garwood Presbyterian Church. Cremation followed in Roselle Crematory, Linden.

Mrs. Maile died at her home last Thursday night after a long illness. A native of Germany, she lived in Newark before moving to Garwood five years ago.

Surviving are two daughters, Mrs. Lilly Steeber, with whom she lived, and Mrs. Elsie Condit of Garwood; nine grandchildren and seven great-grandchildren.

Expert Reports Furniture Marks Easily Fixed

Since pieces of wood furniture and many of most home furnishings they are subject to such minor damages as having paper stuck to the surface, cigarette burns and even small cracks.

Such a blemish needn't be regarded as a tragedy. Miss Gena Thames, extension home furnishings specialist at Rutgers University, says any one of these imperfections can be removed fairly easily.

"To remove paper adhering to the surface of finished wood, you need just two things — some warm oil and some No. 3/0 steel wool," says Miss Thames. "The oil can be any lightweight oil — mineral or paraffin, olive, boiled linseed or lemon oil. Saturate the paper with the warm oil and let it stand for a few minutes. Using the steel wool pad, rub lightly with the grain of the wood. Apply more warm oil as the damaged area if necessary. Wipe the entire surface with a dry cloth.

"To remove cigarette burns, rub the charred surface with 3/0 steel wool, being careful not to scratch the surrounding area. Wrap steel wool around the end of an orange stick or a pencil with the point removed. If the burned place is not deep, remove all the charred parts and color and fill the spot with color in oil added to sealer or varnish or use a colored sealer or varnish stain. Several coats of this may be needed. If the depression is deep, fill it with stick shellac."

The New Jersey State University specialist says small cracks may be filled with a wood-forming plastic that has been colored with colors in oil. Dissolve the color in oil in a very small amount of the plastic material. Then add wood-forming plastic filler with denatured alcohol, if necessary.

Women On Wheels

One out of four trailer coaches now being built will be used by service men and their families, particularly for Reservists and National Guardsmen who want to maintain family life when called to active duty. Two-thirds of present production of "mobile homes" is going for defense workers, with 75 per cent for non-defense markets.

Safety Group Plans Drive

Governor Meyner announced today that George F. Smith, president of Johnson and Johnson, will direct the New Jersey State Safety Council's campaign for Safety Council's campaign for safety to finance council activities for the next three years.

Governor Meyner, who will serve as honorary chairman, said Mr. Smith's acceptance was an outgrowth of a recent conference at which the council's accident prevention and safety programs for the next three years were discussed. At the conference, in addition to Governor Meyner were Harold G. Mangelsdorf, council president, and Frederick H. Groel, member of the executive committee, and Lee Bristol, who directed the council's fund campaign three years ago.

The campaign for funds to finance the council's activities for the next three years will start in the fall. Financial support will be sought from industrial and commercial concerns in all 21 counties.

The State Safety Council, in operation since 1947, is an outgrowth and an expansion of the activities of the Newark Safety Council, organized 31 years ago. The state council currently directs operations of 14 safety councils throughout the state, the New Jersey State Fire College and the Industrial Fire Chiefs' Association of New Jersey. With the exception of the old safety council, it is the largest in the nation.

The state council has a total of 1,044 volunteer workers cooperating with 795 four years ago, and works closely with the State Department of Labor and Industry, Department of Education, State Health Department, Department of Law and Public Safety and 60 active statewide organizations.

The work of the council has figured prominently in placing New Jersey foremost among the states that have been honored for reducing the rates of accidents and fatalities or carrying on effective programs in accident prevention.

VFW Auxiliary's Incoming Officers Assume Posts

Mrs. Thomas Kerner conducted her first meeting as president of the Ladies' Auxiliary of Capt. Newell Rodney Fiske Post, Veterans of Foreign Wars, at Veterans' Memorial Home Monday night. Charges to the new officers of the auxiliary were given by Mrs. Thomas Butler, installing officer.

Congratulations were extended to Mrs. Butler as newly-elected state department chaplain, and to Mrs. William Jones, who was named department legislative and credentials chairman at the state encampment in Asbury Park last week-end.

Mrs. Jones also was installed as Fifth District president at the encampment.

The local auxiliary was presented with plaques for first place in community service in the state, and two checks were received for membership increase during 1954-55. Community projects sponsored locally during the year included: Easter egg hunt, children's yearly Christmas parties, and participation in parades, athletic events and other community affairs.

The unit's drill team, which took first honors in state competition for the sixth year, now is preparing to defend its national championship in Boston, Mass., in August.

Mrs. Jones reported on the Fifth District program for the coming year. Gifts were presented to the new department officers, and the evening concluded with refreshments.

Miss Eppler, Flaig To Attend College

The names of two Cranford High School graduates who will attend college in the fall were inadvertently omitted from a list of such students in last week's edition of the Cranford Citizen & Chronicle.

They are: Virginia Eppler who will attend Cedar Crest College, Allentown, Pa., and Ronald C. Flaig who will attend Muhlenberg College, Allentown, Pa. He will take a pre-medical course.

Willsey,

(Continued from page 1)

special work at Rutgers University.

The former health officer is credited with establishing scores of health regulations, many of which are still in force. Not all of Mr. Willsey's efforts to improve health in the community met with immediate public approval. In fact, some brought impassioned public hearings prior to adoption, but most have since been proved to be for the best interests of the public as a whole.

Among the various measures which Mr. Willsey was instrumental in having enacted were: Regulation of the garbage collection and disposal system; a campaign in 1935 for immunization against diphtheria and smallpox which has since been conducted almost continuously; ordinances to improve the plumbing installations in dwellings and public places and to require septic tanks for dwellings built anywhere not on streets; and an ordinance requiring that all milk sold in Cranford be pasteurized.

Ordinances regulating and controling the keeping and slaughtering of domestic animals and fowl within the township were among the measures which were fought at public hearings, but which subsequently were adopted. Some of these have since been amended and brought up to date.

When Mr. Willsey was appointed registrar of vital statistics in January, 1939, he reorganized this department and installed a new system with provisions for permanent records of births, deaths and marriages.

A native of Schoharie, N. Y., Mr. Willsey spent his early days on a farm, later moving to Coopers-town. Since coming to Cranford, he has taken an active part in civic and community affairs. He was a founder and past president of the Lions Club and a past president of the Rotary Club. He was one of the instigators of the Cranford Recreation Commission, started here in the late '20's. He also was a member of the Board of Education for two years, one of which he served as president. He resigned this post when he was appointed health officer.

New Nights

(Continued from page 1)

Department, parking past 6:30 p.m. on Tuesdays and Thursdays will be prohibited. Cars remaining in the area after that time will be ticketed and towed away.

James Avery, high school teacher and coach, and Thomas Tisdall teacher at Cleveland School, will again be in charge of the program. To make the skating more enjoyable, recorded music again will be available.

Aid Squad

(Continued from page 1)

Terrence Kelly and Janet Brubaker.

Victor D. Shaheen, president of the First Aid Squad, announced today that the regularly scheduled meeting of the squad next Monday night will be postponed until July 11 because of the Independence Day holiday.

Andersen Heads

(Continued from page 1)

caused with Mrs. Paul Powers as leader.

Under Mrs. Powers' leadership, a group from the chapter will be trained to answer inquiries on the United Nations. These persons will be assigned to booths in various sections of the town during UN Week. This program will get underway early in September.

Safety Plea

(Continued from page 1)

project arranged by the Union County Safety Council in cooperation with the Second District of the New Jersey First Aid Council in which ambulances will be displayed along Route 22 and other busy highways over the coming holiday and on other week-ends during the summer. Harley Ferrel of the Garwood First Aid Squad, district mobilization chairman for the First Aid Council, is in charge of arrangements.

May Discuss

(Continued from Page 1)

and other interested parties to discuss how the objective of a track at Memorial Field could be attained.

Mrs. Williams also reported that it is expected a practice track at the rear of Cranford High School will be ready for use in September or October. Trees have been cleared from the area, but it still must be landscaped and seeded.

Seek Hearing

(Continued from Page 1)

Municipal Committee and that engaged by the water company both indicate that additional expansion and improvement are necessary if the consumers are to be guaranteed; (1) adequate pressures in all sections of the area, and (2) adequate water in the reasonable future.

"We feel that the program initiated by the Inter-Municipal Committee has proceeded reasonably well. We are satisfied, however, that there can be no relaxation of effort at this time. We acknowledged also that the Plainfield-Union Water Company is as anxious as we to solve the problem for its customers and that there may be some room for differences of opinion as to the proper course of procedure and detail of expansion.

"In the opinion of the executive committee, the proposed course of action, on a reasonable, thoughtful, and dispassionate basis, can best lead to solution of our problems at the earliest possible date. Our petition for a formal hearing and order by the PUC is based on this premise."

Reviewing Plainfield - Union's position for the summer of 1955, George M. Hankey, chief engineer of the company, remarked that "the final link in the area's water defense chain was forged this week with completion of a new 36-inch water main which will bring two to four million gallons a day to the Plainfield-Union area."

"New wells, new pipelines, and arrangements to purchase water in wholesale quantities," he added, "have gone into Plainfield-Union's campaign against summer drought. Consequently, the entire water supply picture for the area is vastly improved."

Town Opens

(Continued from page 1)

will provide equipment and will arrange games for the teen-agers.

In the regular playground program, softball leagues again will be set up for juniors and seniors. There will be both intra-field and inter-field competition. In addition, all-star teams will be selected for competition with playgrounds in other communities.

All sports activity will be conducted in the morning, Mrs. Schlinger said, and practice sessions and coaching will be conducted in the afternoon.

An arts and crafts program will be held on all playfields.

A theme will be selected each week for all the activities. The first week will be devoted to organization and registration, but the theme for the week of July 11 will be "Davey Crockett."

Other activities will include hop scotch, volleyball, badminton, tether ball and other sports and games. Such quiet games as checkers, chess, marbles and jacks also will be available.

A story hour will be held each afternoon. Special events will be held each week including pie eating contests, peanut hunts, doll shows, pet shows and watermelon eating contests.

Field days will be held with the Sperry Plains playgrounds, while a field day among the various playgrounds will mark the end of the program. Once again children winning in local competition will be entered in the county championships sponsored by the Union County Park Commission.

It was announced that the tennis courts in the rear of Cranford High School also will be available.

Mrs. Schlinger said children can register at any time on any day, but all children must register. As part of a health program, supervisors are directed to check for rashes and to send or take home any children who seem to be ill.

Once again the playfield at Sunny Acres is being conducted in cooperation with the Union County Park Commission. The site and permanent playground equipment is supplied by the commission, while the recreation committee provides supervision and equipment and supplies for games and crafts.

Legion Post

(Continued from page 1)

Winter, Roy D. Irving and Robert Laier.

The following were named as members of the Cranford American Legion Holding Company, Inc.: Mr. Hamilton, William F. Herzog, Jr., Mr. Winter, Louis J. Daidone, Edward R. Morrison, Mr. Hunt, Mr. Hingle, Mr. Jacoby, Matthew W. O'Shea and Mr. Beardsworth.

The new officers will be installed in September.

Oak Lane

(Continued from page 1)

former lots on Denman road be returned to him by the Board of Education on which he will refund the $4,000 paid by them.

The township is ordered to show cause today by Superior Court why an order should not be issued restraining and enjoining the defendant from selling or transferring the land. Township Attorney Warsinski will represent the township at today's hearing.

In selling the Oak lane property to Mr. Larsen, Mayor Andersen pointed out that the land was sold with certain restrictions and that the dwellings are to be in the $23,000 to $24,000 price range.

An amendment to the zoning ordinance to prohibit "look alike" dwellings in the same neighborhood was passed on first reading after having been postponed and amended at the previous meeting. Walter Hatch, 9 Waverly place, said that while he agreed with most parts of the ordinance, it was his opinion that it restricts a lot of good houses, as well as a lot of bad ones. Some of the latter are sanctioned the main roof ridge clause which, he contended, would have made it impossible to build many of the present dwellings in Cranford.

Mayor Andersen explained that the problem is a difficult one and that the committee is not yet fully satisfied that the present ordinance is the solution, although some such ordinance is needed now. He explained that the ordinance had been revised once and believes that it achieves what the committee desires at this time. He said it probably will have to be revised again and that the committee will continue to study the situation and endeavor to see that it is fair.

Also adopted on final readings were ordinances vacating a part of Jefferson park, east, and providing for the paving of Brookside place from Orchard street to Willow street, and Spruce street from Torbush street to Brookside place. The latter will cost approximately $15,000, part of which will be paid by the state.

At the last meeting, additional information had been requested from the Board of Adjustment on the hearing of the application of R. C. Speth for permission to convert his home at 224 North avenue, west, from a one to a two-family dwelling. Following receipt of the information, the board's action that the application be denied was received and filed.

Approval was given the renewal of these retail consumption liquor licenses: Cranford Hotel, Commuters Tap Room, The Lodge, Riverside Inn, Club 415 and Duke's Tavern. Also approved were these retail distribution licenses: Scher's Liquor Store, Breen's Liquor Store and Barnett's Wines and Liquors. The Coach and Four, Inc., was granted renewal of their restaurant-conditional license, and Capt. N. R. Fiske Post, 335, VFW, was granted renewal of its club license.

Reference to the committee of the whole was a letter from the Cranford Rotary Club offering its assistance in furthering the development of a running track at Memorial Field, as suggested in a recent editorial in The Citizen and Chronicle.

Edward M. Feeley, 513 Springfield avenue, in a communication said he is concerned with the amount of truck traffic on Springfield avenue, particularly after 9 p.m. and through the night. He said the trucks cause the houses to vibrate, keep children awake and depreciate property values. He questioned whether there is an overweight and pointed out that some appear to be exceeding the speed limit. Public Safety Commissioner Fritts said the police have been alerted to watch for speeding trucks and to check on these phases of the problem to the public safety department.

F. J. Hetteman, 121 North Ledge avenue, complained that trucks are being parked in rear of his home on Township Clerk J. Walter Coffee was advised to write Mr. Huetteman and his neighbor of the restrictive use of Residence "B" properties.

Unity Chapter, DAV, reported that they have engaged an architect and desire to know the size and shape of the lot which the township proposes to convey to them. The request was referred to the mayor for reply.

Encounter Rough Weather During Schooner Yacht Trip

Paul B. Littlehale of 114 Orchard street was scheduled to arrive home today following the adventure of a 6,500-mile cruise half way around America on a famous schooner yacht which included being imprisoned for 10 days due to heavy seas, a near-record run from Miami, Fla., to Antonio, Isle of Pines and the Caymans to Pedro Bluff Harbor, Jamaica, BWI, and a record - breaking day crossing from Kingston, Jamaica, to Cristobal, Canal Zone.

The trip was made on the Sea Star, owned by Capt. William W. Snyder of San Francisco, under charter to Mr. Littlehale with Dr. and Mrs. Raymond Prigge of Miami and P. Terrell Pringle, Jr., of Atlanta, Ga., as crew-members besides Capt. Callan H. Ritch of Canada and Steward, Esmond Jackson of Kingston, Errol Flynn's original selection for steward on his African cruise, completed the crew.

The Sea Star, originally built for Fred Ames of Boston as Primrose IV holds a trans-Atlantic record for 50-foot schooners and a second in the English Fastnet race.

Mr. Littlehale reported that with favorable winds the 80-foot yacht made the crossing from Kingston to Cristobal in the record time of three days, one hour and 55 minutes, despite mountainous seas. He described the passage as "the greatest 72 hours test of a lifetime in racing and cruising." The racing enthusiasts had set themselves a goal of 3 days and one-half days.

After being buffeted by severe winds in the Gulf of Mexico, the John Alden designed schooner yacht arrived in Kingston Harbor, Jamaica, on June 15 following the near-record run from Florida.

In describing the passage meeting, Mr. Littlehale remarked in a letter to this newspaper:

"Under the best conditions it is a rough, tough stretch of sailing. We have had almost every brand of weather known to the Atlantic, the Florida Straits, the Caribbean and the wild and lonely Gulf of Mexico.

"It was a wonderful trip but very tough going. I often wonder why anyone in his right mind goes in for ocean racing or long-range cruising."

True Meaning Of 20-20 Vision Known by Few

(This column is presented as a public service by The Cranford Citizen and Chronicle in cooperation with the New Jersey Optometric Association. Questions may be addressed to the New Jersey Optometric Association, 162 West State Street, Trenton 8, N.J.)

"My eyes are perfect, I have 20-20 vision."

The term "20-20" refers to the size of the letters which are readable 20 feet away. These letters are about three-eighths of an inch high. Most eyes are able to read letters of 20-20 size though proper lenses may be necessary. If the letters must be made larger in order to be identified, the denominator of the fraction becomes larger, for example, 20-40, 20-60, 20-100, and so on. If even smaller letters can be seen, the vision is expressed as 20-10.

A person whose vision is 20-40 would require letters twice the size of those necessary for 20-20 vision, while 20-100 letters would be five times as large. This does not mean that 20-20 vision is therefore five times worse than 20-20. It is worse, yes, but not in direct proportion to the size of the fraction.

How much worse 20-100 vision is than 20-20 vision depends upon other factors. This expression is but one of all the many visual skills of a pair of eyes. It indicates only how clearly they see at distance, it tells nothing of the interest fields of vision, the eye muscle action, the ability to see at a close, point, and above all, it does not tell how much "effort" or nervous energy may be necessary to keep clear vision.

There are many clues of poor vision in which vision is not considered, but not effective. Many people who wear glasses have 20-20 vision without them. Headaches, fatigue, nervousness may occur from use of eyes which see poorly. Sharp vision is essential, perhaps, but not a complete visual requirement, but it is not the only one which a pair of eyes must have to be what might be called "perfect."

Peter J. Clark Heads Postal Supervisors

Peter J. Clark of 300 South Union avenue, assistant postmaster at the Cranford Post Office, has been elected president of the New Jersey State Association of Postal Supervisors.

He was elected at the group's annual meeting Saturday in Asbury Park.

Mr. Clark was named to his new post recently following the death of Alfred C. Lang. He had been serving as superintendent of mails.

Reelected Secretary

James C. Tomasulo of Cranford, Union County road supervisor, has been reelected secretary of the County Road Supervisors' Association of New Jersey. He also was named to a committee on constitution and by-laws of the reactivated organization.

Chronicle Publisher On Boys' State Panel

Charles M. Ray, publisher of The Cranford Citizen and Chronicle, was a member of a panel which discussed "The Role of a Free Press in the United States" yesterday at the American Legion-sponsored Jersey Boys' State at Rutgers University, New Brunswick.

Also on the panel were: Lloyd P. Burns, executive secretary, New Jersey Press Association; Thomas C. Turnbull, New Jersey editor of the Philadelphia Inquirer; Fred W. Burgner, managing editor, Trenton Times, and John K. Quad, executive editor, New Brunswick Home News.

Final Section Of Parkway Opens Friday

The final major section of the Garden State Parkway will be opened tomorrow to put New Jersey's scenic superhighway in full operation for the first time.

Governor Robert B. Meyner will signal the opening at noon during a brief ribbon-cutting ceremony at the Route 17, Paramus, northern terminus of the Parkway. The new section extends four miles from Route 46, East Paterson, to the northern terminus.

The governor's car will lead the way over the new section immediately after the ribbon-cutting, and he will be the first to pay a 25-cent toll at the new toll plaza going into operation tomorrow. The Bergen County toll plaza is located across the northbound and southbound roadways of the Parkway midway along the new section.

Tomorrow's opening in time for the July 4 holiday week-end traffic will provide travelers with a continuous Parkway route of 164 miles between Route 17 and the southern terminus near Cape May at the bottom of New Jersey. It will be the first time that motorists had the benefit substantially the full length of the Parkway.

While the Parkway is a project-ed 165-mile route, one mile of the superhighway's branch leading to Paterson has been deferred. Still under construction is a bridge over the Great Egg Harbor Bay between Cape May and Atlantic counties, a temporary detour via US Route 9 being necessary pending completion of that span. The both directions of traffic of the northbound roadway in Cape May time being.

Give Service Award

Charles F. Frank of 473 Bryant avenue, a member of the clerical group in the general business and accounting office of Esso Research and Engineering Company, Linden, has completed 10 years' service with the company. He was presented with his service award this week.

By Eric H. Peterson, Jr.
Agricultural Agent - Union County

Backyard vegetable growers who want to keep producing high quality crops all season have a word of advice from Charles A. Nissley.

This is the same counsel that he is giving professional growers, but scaled down a bit to fit the home garden.

For example, Professor Nissley reminds vegetable farmers to go easy with their tractor cultivators to avoid damage to growing vegetables. Cultivation now has weed control as its main purpose, and he advises shallow cultivation, not deeper than an inch.

For smaller operators this means an easy workout with the scuffle hoe or rake to avoid breaking off feeding roots of plants. However, one deep cultivation—maybe 12 or 14 inches—with a single-footed tool midway between rows allows air and water to get into the soil with considerable benefit to plants.

July 10 is about the last date for planting late corn to make a crop. The Rutgers specialist recommends Lincoln and Goldencross Bantam varieties.

Tomato tamato, most popular home garden vegetable, can be kept in top shape by loosening the soil between rows, and between plants, too, if this is possible and digging in a little fertilizer. This will help toward getting a heavy set of high quality fruit.

Sweet crops now for fall harvest it's not necessary to dig. In fact, it's better not to. A thorough raking is usually sufficient—then plant your seeds.

Blaze in New Home Confined to Bathroom

Responding to a call from a passerby who noticed smoke coming from a new house being constructed by Charles Truncale of Rahway at 207 Rankin avenue, firemen found a pile of rags burning against a plastic wall in the bathroom Sunday afternoon.

Fire Chief Howard O. Schindler reported some of the plastic tile was melted off the wall and wood under the windowsill was burned. He said the cause of the fire was undetermined.

New Dodge Custom Royal Lancer 4-Door Sedan—the flair of a Hardtop, the roominess of a Sedan.

SOLID: *that's the way Dodge builds 'em!*

There are a number of exciting discoveries waiting for you when you join the growing ranks of proud Dodge owners! Its dashing style. Its surging power. Its remarkable handling ease.

But none of these is more rewarding to you than the deep-down dependability you find built into the very fiber of this great automobile.

Right from the start you sense the rugged qualities that put Dodge in a class by itself. Here is a car that does not ask to be pampered, or babied over bumps. Here is stamina and endurance that takes all roads as they come, and brings you lasting rewards in driving satisfaction.

That's the way Dodge builds cars. Through the years and over the miles you'll learn to appreciate how much Dodge dependability means to you.

•Why Do We Celebrate Independence Day?

The summer vacation season officially opens—for many concessionaires at least—on Monday when we celebrate Independence Day. The observance will be especially welcome this year as it means a long three-day holiday.

Most are already considering ways of spending this long week-end, such as trips to the shore or mountains, visits to relatives, attendance at fireworks displays or other enjoyable endeavors.

In the rush to get where we are going and to participate in the activities planned, we seem to lose sight of what we are celebrating. Why do we celebrate Independence Day? Certainly not just to provide a long week-end at the start of the summer season.

We might do well to pause long enough in our pleasure—seeking for a brief meditation on the value and significance of the day. A few minutes rereading the "Declaration of Independence" would be time well spent.

Because we are so conscious today of the danger of Communism, we often lose sight of the basic premises upon which this nation was organized. A rereading of the "Declaration of Independence" may help to put us back on the right track. Because these basic premises set such a solid foundation, this nation has grown and prospered. With this success in mind, we should realize that future growth and prosperity also may be found by following a similar course.

There are parts of the declaration which should be long remembered and seriously considered before we lightly reject them in the light of some current issue:

"We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness. That to secure these rights, Governments are instituted among Men, deriving their just powers from the consent of the governed."

Sometime during the coming week-end, find a comfortable corner where it is quiet and give a little thought to the real meaning of this most important celebration. Doing so should make this one of the most rewarding vacations you have ever had.

• Full Summer Program for Cranford Young People

School's out, and our young people have before them two long months of summer in which to improve themselves both physically and mentally through wholesome recreation—or to get into trouble through lack of worthwhile things to do.

Many local agencies are working together to counteract the street corner influence on youth with "nothing to do" by insuring that there will be full opportunity for all Cranford young people to spend the golden hours of summer days in recreational pursuits that are character-forming as well as interesting.

The Township Recreation Committee, for instance, is set to start Tuesday on the largest municipal playground program in its history. There will be supervised activities at fields throughout the community for children of all ages, including baseball, softball and other sports, contests, shows, crafts—something for everyone. The Union County Park Commission also is opening its supervised playground in Unami Park on Monday.

Many young people will have an opportunity to spend part of their vacation in the open country as a result of the operation of the Cranford Boys' Camp, the Union Council Boy Scout Camp at Marcella, the several Girl Scout camps open to Cranford and other similar projects. Campership programs of the Cranford Welfare Association and individual local organizations have made this possible for a number children who otherwise would not enjoy a change of scene during the summer.

For those who remain at home throughout the summer, many of the pleasures of camping out will be experienced through the day camp programs of the Girl Scouts, Brownies and the Westfield YMCA, also open to Cranford children. Equally important in the well-rounded summer program for the younger children are the Daily Vacation Bible Schools conducted by local churches.

Also outstanding on the summer scene are the softball leagues conducted by the Recreation Committee, the Little League baseball program and the tennis activities made possible by the municipal courts on Springfield avenue. And for the musically inclined, there is the Union County Band and Orchestra School conducted in Roselle.

These and other projects of a similar nature combine to form a picture of Cranford as a community which has the welfare of its young people at heart the whole year round.

• A Careful Driver Is Still the Best Safety Device

In an editorial at this time last year, The Citizen and Chronicle called attention to "several danger spots in our own community where action is needed to lessen the odds against motorists traveling on holidays or any other days throughout the year." The year has gone by, and, while preliminary action has been taken in some cases, not one of the proposed safety projects has reached fulfillment.

Township Engineer Patrick J. Grall reported receipt last week of a letter from the traffic light division of the State Highway Department promising to expedite approval for proposed traffic lights at Elizabeth avenue and North avenue, east, and at Orchard street and North avenue, west. Mr. Grall reported also that the State Motor Vehicle Department is considering recommending safety islands or a traffic light, or both, at the intersection of Walnut avenue and Raritan road, following several traffic counts there.

A traffic re-routing plan tried temporarily early in the year in the area of Springfield avenue and Riverside drive was abandoned after a short time, and no other plan has yet been tried to relieve the danger inherent in the short uphill spur of Riverside drive into Springfield avenue.

Another danger point referred to in last year's editorial was the triangular intersection of Springfield avenue and Kenilworth boulevard. The suggestion was made that smoother flow of traffic there could be accomplished through construction of a traffic circle, if the county could be interested in making the necessary expenditures. No action has been taken in this matter.

In its plans at this time last year, the local Traffic Coordinating Committee also mentioned the possibility of widening the intersection of Orange and Springfield avenues, but there have been no signs of action on this proposal either.

While the mills of officialdom continue to grind slowly, it might be well for individual motorists to remember that they can take definite action to insure their own safety on the road by driving carefully, whether in Cranford or elsewhere, over the coming long week-end and throughout the year.

Rotary Discusses Alternative Track Site Proposals

Alternatives possible in choice of location for a cinder track for the use of Cranford High School were discussed by the Rotary Club at its regular meeting last Thursday at the Methodist Church.

The proposers of the resolution passed at the previous meeting in support of a Citizen and Chronicle editorial expressed a desire not to limit the choice of location to Memorial Field and asked the secretary of the club to correct the misunderstanding of the intent of the resolution in the minutes of the meeting. Sites at the Walnut Avenue School and at the high school have been proposed by some members as possible locations for consideration.

The completed program for the coming year was announced by President-elect Peter J. Clark and were distributed to the membership together with rosters of the club.

The district governor's monthly letter was read and showed the Cranford Club in 11th place in the total of 38 clubs in attendance standing.

Vincent Sarnowski introduced Rotarian visitors, who included C. S. MacFarland and Kirmitt Dow of Westfield, former District Governor Henry Elwell of Elizabeth, William Roppel and Henry Friedricks of Fanwood and Arthur Williams and Richard Dorian of the Roselle-Roselle Park Club.

Club singing was under the direction of Horace K. Corbin, Jr., with Arthur M. Hansell at the piano.

The meeting was conducted by President C. Van Chamberlin.

Receives Public Service Gold Service Emblem

Alex Gritske of 7 Oneida place, who was awarded the Edison Electric Institute medal in 1950 in recognition of his successful application of artificial respiration in saving a life, was presented with a gold service emblem last week in honor of his completion of 25 years' service with Public Service.

Mr. Gritske is employed in the substation department of the company's Essex Electric Distribution Department.

Congressional Award Winner to Study Here

The winner of a "congressional scholarship" offered by Congressman Harrison A. Williams, Jr., of Westfield, Miss Naomi Marzas of Elizabeth, will attend Union Junior College on a $400 scholarship from the college.

She plans to major in liberal arts and then to study chemistry. As recipient of the "congressional scholarship," she will spend six weeks this summer working at Representative Williams' Washington office.

Although 50 Union County high school seniors applied for the scholarship, none was from Cranford.

Special Ranch House Designed For Small Lots

A lot of people who bought small lots years ago, before rambling Cape Cods and later equally wide ranch houses became so popular, have a real problem. How can they stretch their lot to make it encircle the type of house they like. They just can't cut another hole in it so one can with a belt when the waist band swells. But, difficult as it seems, the case is not entirely hopeless.

Like many another building problem it can be and has been solved on the architect's drawing board. Architect William G. Chiogolis, AIA, of New Jersey, has designed a three bedroom ranch house so that it looks as well stood "on end" toward the street as it does placed broadside. It works as well too! The rear sitting porch becomes a side porch. The main entrance is on the opposite side where you may step right out of your car into the foyer. The garage (which is now in the rear) is set back so that a lot of extra side yard space is not needed for the back-around.

This 58½-foot house (70½ feet with garage) might thus be built on even a 50-foot lot (page "believe it or Not" Ripley) depending on the required side yard setbacks.

This house and many other famous Houses-of-the-Month are available to the homebuilding public this area at the office of the local House-of-the-Month member, Builders' General Supply Company, 336 Centennial avenue.

Men In Service

Peter Sheahan, son of Mr. and Mrs. Elven Stuart Sheahan of 113 Spring Garden street, on a one year's assignment with the 74th Fighter Interceptor Squadron, 6 miles inside the Artic Circle, has been promoted to airman first class. The 74th is the "Flying Tiger Squadron" of Burma Fame in World War II.

In Retrospect

From the Files of The Cranford Citizen and Chronicle

Five Years Ago

Showing one of the greatest gains in Union County, Cranford's population had increased from 12,860 in 1940 to 18,708 in 1950, according to preliminary figures released by Charles A. Gering, district supervisor of the Bureau of the Census. The 5,848 increase, representing a 45 percent population growth during the decade, came as a surprise to most local residents. Among local officials who came nearest to estimating the current population of the community were Postmaster Arthur E. Metz and Police Chief William A. Fischer. Postmaster Metz, basing his estimate on the increased number of postal stops, had predicted a year earlier that the township was near the 18,500 mark, and Chief Fischer had predicted that the population count would be in excess of 8,000.

Howard R. Bingle was elected commander of Cranford Post 212, American Legion, succeeding Michael Davis. Others elected were: Vice-commanders, Calvin Shire, William Poorman and William Herzog, Jr.; finance officer, Ira Dorian; chaplain, Harold Glovier; judge advocate, William Quinn; historian, Fred Smith; sergeant-at-arms, Michael Korecki, and executive committee at large, Fred Casoni and Lester Baxter.

Cranford's new parking meters, ordered several weeks previously by the Township Committee, had arrived, and installation was expected to start over the week-end.

The Cranford Police Department's pistol team scored its third consecutive victory in the Union County Police Pistol League by defeating Roselle, 1,054 to 965. This left the local department tied for first in the league.

Nathaniel R. Foster was reelected president of the Cranford Historical Society at the quarterly meeting of the board of trustees at the home of Capt. Francis Hansel, 209 South Union avenue.

August Thermann, Jr., was installed as president of the Cranford Lions Club at the group's final dinner meeting of the season at the Coach and Four Restaurant.

Ten Years Ago

The Rev. Robert G. Longaker of Sparrows Point, Md., was extended a unanimous call to the pastorate of the First Presbyterian Church at a special congregational meeting. He was to assume the pastorate in the fall.

Cranford-Kenilworth area had passed the million-dollar mark in bond sales, Robert E. Crane, local war finance chairman, announced.

Robert J. Laier, Sr., was elected governor of Lions District 16-E at the annual regional conference in Newark. He succeeded Fred Shehadi of the Lions Club of the Oranges.

The Packing Engineering Corporation received the Army-Navy "E" for production, the first such award to a Cranford concern. Over 100 employes, their families and guests attended the ceremonies.

Cranford was to observe the 169th anniversary of Independence Day with ceremonies at the World War II honor roll. A feature of the printed program was to be a list of 1,800 local service personnel prepared by the War Dads. Copies were to be available for mailing to service men and women. G. Nelson Kling was to be master of ceremonies.

Fifteen Years Ago

Organization of an emergency mobilization squad to reinforce the local police force in time of crisis was approved by Cranford Post 212, American Legion. The proposal was to be forwarded to Police Commissioner J. Edward Wolf and the Township Committee.

Cranford members of the Molly Pitcher Brigade, women's volunteer defense training corps, went to Freehold for dedication of the organization to the ideals of New Jersey's Revolutionary War heroine.

Janet Duff received the Christian Doctrine Medal awarded by the Holy Name Society and a medal honoring her for meritorious school work at the St. Michael's School graduation exercises.

Protests against the proposed construction of 20 detached double-unit apartments on Centennial avenue off South avenue were heard by the Zoning Board. Application was delayed until more information could be obtained about the set-back of the units. Planned set-back distance from the street was 20 feet, while other houses are 40 feet from the street.

Reservations were filled for the second week at Cranford Boys' Camp and few vacancies existed for the first week. The camp staff planned several days of painting and repair work before the first group's arrival on July 7.

Peter Wargo, Anna Robbins, Margaret Reinera and Richard B. Bunnell of the Class of 1940 were speakers at commencement exercises for 167 Cranford High School graduates.

Collections for the Emergency War Relief Fund of the American Red Cross in Cranford reached $2,000. Increased numbers of European refugees had raised the quota to 4,000, and Edward Montenecourt, drive chairman, urged more contributions.

Twenty Years Ago

Liquor licenses for six taverns, two clubs and five dispensaries were renewed by the Township Committee. All were renewed without comment, except in the case of the club license of the VFW for 9 Union avenue. The governing body decided that complaints of noise did not justify withholding the license.

Daniel J. Arnold, Jr., Suzanne Bracken and Helen Schelmann.

Riggs Steward, senior editor of the "Spotlight" and president of the National Honor Society at Cranford High School, received the most honors in the Class of 1935. He won the Parent-Teacher Association scholarship, Sarah Edmond science prize, Lions Club flag for top scholastic class average, VFW prize for highest history average, and the Board of Education Medal for the highest general average of the entire school for 1934-35.

Walter E. Cooper succeeded Louis R. Pompliano as commander of Cranford Post 212, American Legion.

VFW Auxiliary Elects Mrs. Butler State Chaplain

Mrs. Betty Butler of 428 Casino avenue, a past president of the Ladies Auxiliary to Capt. Newell Rodney Fiske Post 235, VFW, was elected state chaplain at the VFW encampment Saturday at Asbury Park.

Mrs. Butler served as state conductress last year and formerly was state guard. She is in line for election as junior vice-president next year, which would lead to the state presidency in several years.

Mrs. Butler formerly served senior vice president of the Fifth District and turned down the presidency to hold a state post. She has been active in the local auxiliary for almost nine years and formerly was active in Red Cross work as a Gray Lady and in the motor corps.

Her husband, Thomas J. Butler, was appointed chairman for next year's state encampment. A past commander of the local post, he is president of the Veterans Memorial Home, Inc., and general chairman for Monday's observance of Independence Day in Cranford.

At the encampment, Mrs. Butler received an award for attending up the second largest number of new members in the state in the past year. The local auxiliary received a second place award for the largest percentage increase in membership during the past year.

Mrs. Marion Jones of the local auxiliary took the oath as president of the Fifth District.

Car Looting Charge Against 12-Year-Old

A 12-year-old Cranford boy was apprehended in the South avenue parking lot with a camera which he had removed from the glove compartment of a car Sunday morning, Capt. Lester W. Powell reported.

Police were informed by Oscar Hess of 7 South Union avenue at 9:10 a.m. Tuesday that he had seen a boy tampering with cars in the lot. Capt. Powell, Sgt. Archie Bird and Patrolman William Crissey responded and surprised the culprit standing beside a car with the camera in his possession.

Capt. Powell said the boy was released in the custody of his mother pending Juvenile Court action.

Two months ago three boys ranging from 12 to 14 years of age were apprehended by police while looting cars in the same lot. They were sent to Juvenile Court, which referred the case back to the Cranford Juvenile Conference Committee.

New Map of State Available Free Soon

A new road map of New Jersey—the first to be issued by the State Highway Department since 1946—will be ready for free public distribution in about three weeks, Commissioner Dwight R. G. Palmer announced in Trenton today. Motorists desiring a copy of the map should address a card to State Highway Map, Box 786, Newark, N. J.

While full details of the 1955 edition were not revealed, Commissioner Palmer predicted the latest map will be the "most detailed encyclopedia" of New Jersey roads ever published.

Chief at Convention

Chief William A. Fischer of the Cranford Police Department attended the annual convention of the New Jersey State Chiefs of Police Association in Long Branch on Monday, Tuesday and yesterday. Capt. Lester W. Powell was in charge of the department during the chief's absence.

Mrs. Holroyd, Daughter Sail To Join Mr. Holroyd in Iran

Mrs. Lincoln Holroyd, Jr., and daughter, Carol, 14, of 217 Central Avenue, sailed yesterday on the Constitution from Genoa, Italy, on their way to join Mr. Holroyd, a training specialist for Standard Oil Company (New Jersey), who has been in Iran since April on a loan assignment to the international oil consortium' project at Abadan. They plan to fly to Abadan from Rome.

Mrs. Holroyd will remain in Abadan until the completion of her husband's two-year assignment there. Carol, who has just completed her freshman year at Cranford High School, has been accepted to continue her studies at the American Community School in Beirut, Lebanon.

The Holroyds' son, Thomas, 16, who was graduated from Admiral Farragut Academy, Pine Beach, last month, left Sunday to begin a four-year course at the Naval Academy in Annapolis, Md.

They have another daughter, Johanna, 21, who was graduated from New Jersey College for Women last June. She is now living and working in Pittsburgh, Pa.

Following the completion of Mr. Holroyd's assignment, he and his wife and daughter will tour a number of Europe before arriving back in Cranford about July, 1957. On his return to the United States, he resumes his position as a training specialist at the Esso Training Center in Elizabeth on a leave of absence granted him by the company.

During the Holroyds' absence, Mr. and Mrs. Elwood Vick of Kenilworth will reside in their home.

Mrs. Holroyd, who is on a two years' leave of absence as a librarian assistant at the Cranford Free Public Library, was entertained recently at a tea held by Mrs. Channing Rudd of 218 Central Avenue. Mrs. Holroyd's mother, Mrs. Eleanor Eayres of 217 Central avenue, also was a guest.

Dramatic Club Directors Named

Roger Norton, John Cathout, John Starr, Mrs. Chester Williams and Mrs. Walter Thorn have been appointed as new directors of the Cranford Dramatic Club, it was announced by Mrs. John Hoffman, secretary, following the June meeting of the board last week. All are residents of Cranford, and all have been active in club affairs or theatre productions.

In addition to the new directors, the following are members of the board: George W. Scott, president; James Rich, vice-president; Mrs. Hoffman, recording secretary; Mrs. Russell Herman, corresponding secretary; Edward Marshall, treasurer; Mrs. Jacob Stanley, Mrs. George Trumpore, Paul Dunham, Edwin George and Arba Taylor.

The coming season will be the 36th year of the Cranford Dramatic Club, making it one of the oldest and best known of the New Jersey little theatre clubs. It was announced that an important play is scheduled for production in the early fall months and that members will have full opportunity to take part or participate in various production activities.

Harrison-Jackson Announcement Made

Mr. and Mrs. S. M. Harrison of 48 South Union avenue have announced the engagement of their niece, Miss Edna Jackson, to Edwin Pott of Elizabeth.

Miss Jackson is employed by Sonoco Paper Products Company in Garwood. Mr. Pott is employed at Baker Platinum Refinery Company, Newark.

No date has been set for the wedding.

David C. Ogden arrived on Sunday from Birmingham, Ala., to spend the summer with his grandparents, Mr. and Mrs. Jacob Stanley of 9 Sylvester street. His parents, Mr. and Mrs. Cameron Ogden, formerly of Cranford, are expected here in July.

Mr. and Mrs. Charles C. Goodfellow, Jr., and their children, Dolly, Chuck and Geoffrey, of 403 Claremont place will leave this week-end for two weeks in Grafton, Vt., Quebec, Canada, and Newfound Lake, N.H.

Miss Schaffner Becomes Bride In Trinity Rites

In a double-ring ceremony at Trinity Church at 2:30 p.m. Saturday, Miss Dorothy Carol Schaffner, daughter of Mr. and Mrs. Robert H. Schaffner of 950 West End place, became the bride of Paul Howard Truex, Jr., son of Mr. and Mrs. Paul H. Truex of Bridgeland. The Rev. Frank V. H. Carthy, rector, officiated. A reception followed at the Suburban Hotel in Newark.

Given in marriage by her father, the bride wore a gown of white peau de soie over white satin with portrait neckline, long lace sleeves, hoop skirt and chapel train with nylon accordion pleats. Her illusion fingertip veil of nylon tulle was attached to a crown of pearls and rhinestones.

Mrs. Howard Mayer of Elizabeth was matron of honor. Miss Ann Thorn of Lancaster, Pa., a cousin of the bride, was bridesmaid. They wore strapless gowns of pink nylon net over taffeta with stoles and full skirts of ballerina length cut in handkerchief style. Their hats were of pink net with crowns of pink and lavender flowers, and they carried colonial bouquets in shades of pink, lavender and white.

Dr. William Coulburn of Collingwood was best man. Ray James of Pitman and James Barry of Haddonfield served as ushers.

Following a wedding trip to Sea Island, Ga., the couple will reside at 17 West Holly avenue, Oaklyn.

The bride, a graduate of Cranford High School, was employed as a dental assistant in Westfield.

Mr. Truex, who served two years with the Navy in Europe, is employed as a salesman by Remington Rand, Philadelphia. He is a graduate of the College of South Jersey and is attending Drexel Institute of Technology in Philadelphia. He is a member of Alpha Lambda Pi Fraternity.

Luncheon Honors Leaving Teachers

The faculty of Lincoln School gave a luncheon in honor of Miss Marilyn Jacoby and Thomas Stone, teachers who are leaving the local system, at Markos Restaurant last Wednesday.

Attending in addition to members of the school faculty were: Mrs. Ruth Janovatk, elementary supervisor; Miss Beatrice Warner, principal of the school; Mrs. Kathryn Popp, school nurse; Mrs. Gertrude Todd, Miss Warner's secretary, and Mrs. Aurelia Kisely, a former kindergarten teacher in Lincoln School.

Miss Florence E. Messick was chairman of the luncheon committee.

Mr. and Mrs. James Nolan and their son, Timothy, formerly of 23 Parkway Village, moved on Monday to their new home in Scotch Plains.

Mrs. William Watt and her son, Donald, of 19 Oneida place spent the week-end in Leonardo with Mrs. Watt's father, John Shaw.

Lee Michaels, son of Mr. and Mrs. Adlai E. Michaels of 122 Oak lane, celebrated his tenth birthday anniversary on Tuesday afternoon. Following a performance at the Cranford Theatre, he and his guests enjoyed refreshments at home. Attending were William Ray, Neil Dennis, Jay Kenlan, Robert O'Reilly, Wayne Skaarup and David Hodgekiss.

Mr. and Mrs. John Staut and their children, Linda, Eric, Dennis, Jill and John, have returned to their home in Pittsburgh, Pa., after spending three weeks with Mrs. Staut's parents, Mr. and Mrs. Frank Perre of 9 Roger avenue. The Staut family has just returned from Sukuoka, Japan, on the island of Kiushiu, where Mr. Staut was employed by the government for the past year.

Donald Andersen, Bride to Reside In Cranford

At a nuptial mass Saturday morning in St. Michael's Church, Miss Katherine McIntosh became the daughter, of Mr. and Mrs. D. Smead Berry of 606 Prospect avenue, became the bride of Donald Edward Andersen, son of Mr. and Mrs. Andrew P. Andersen of 118 Columbia avenue.

The Rev. Mark J. Dooley, assistant pastor, officiated at the ceremony and celebrated the mass. A reception followed at the home of the bride's parents.

Escorted by her father, the bride had her sister, Miss Martha J. Berry, as her only attendant.

Andrew N. Andersen of Iselin was best man for his brother. Ushering were Daniel S. Berry of Cranford, brother of the bride; Thomas J. Dukes of Roselle, Daniel H. Heyburn, Jr. and William J. Cinch of Plainfield.

Following a wedding trip to Bermuda, Mr. and Mrs. Andersen will reside in Cranford.

A graduate of Cranford High School, Mrs. Andersen attended Syracuse School of Design, New York City, and was with McCann-Erickson, Inc., New York City.

Mr. Andersen is a graduate of Cranford High School and Seton Hall University, South Orange. He served two years with the Army of Occupation in Japan following World War II. He is assistant sales promotion manager with the Buchanan Electrical Corporation, Hillside.

New Cranford Residents Feted By Knowlsons

Mr. and Mrs. Lee K. Knowlson of 715 Orange avenue entertained last Wednesday for Dr. and Mrs. John D. Mullins, who have just taken up residence at 3 Locust drive.

Dr. Mullins, who recently received his Ph.D. at the University of Florida, came here to take a position with Merck and Company, Rahway. He had a teaching fellowship at the University of Florida during his two years of graduate work there.

Guests included: Mr. and Mrs. Donald Irving, Mr. and Mrs. John Connolly, Mr. and Mrs. Warren Douglass, Mr. and Mrs. Edward Kurzinski, Mr. and Mrs. George Fryett, Mr. and Mrs. William Whitmyer, and Mr. and Mrs. Theodore Godfrey.

Social Happenings

Mr. and Mrs. Frederick of 117 Spring Garden street left Friday for a two weeks' visit with their son and daughter-in-law, Mr. and Mrs. John F. Deacon in Northfield, Ill.

Mr. and Mrs. William B. Braddon of 308 Manor avenue left Saturday for a vacation at the summer home of Mr. and Mrs. Andrew P. Andersen of 118 Columbia avenue.

Adm. and Mrs. E. D. Stanley of 316 Casino avenue returned last Thursday from a three weeks' motor trip through the Middle West including visits with friends and relatives in Chicago, Omaha, Lincoln and Minneapolis. While in Lincoln, Mrs. Stanley attended the fiftieth anniversary reunion of her graduating class from the University of Nebraska.

Mrs. J. Walter Coffee of 118 Oakland street will leave today to spend the month of July at Camp McWain, East Waterford, Me. Mr. Coffee will join her for his vacation next month.

Mr. and Mrs. Nelson E. Skaarup and children, Joye and Wayne, of 127 Lenox lane, will leave tomorrow to spend a month at their summer home at Boothbay Harbor, Me.

Mr. and Mrs. William Vesely of Colonia and Mrs. Ethel Hansen of Mountainside, of 372 South Union avenue, recently had dinner at Luchow's Restaurant, New York City, and attended a ball game at Yankee Stadium. The occasion marked the wedding anniversaries of the two couples.

Miss Nina Whitacre, a former teacher in the Cranford schools now residing in Chesterfield, N. J., visited friends in Cranford while the guest of Miss Gladys Estabrook of 42 West Holly street.

Mr. and Mrs. Fred Bell of Miami, Florida avenue celebrated their 20th wedding anniversary last Thursday evening with a picnic supper at their home. Guests were present from Sea Girt, Pequannock and Cranford.

Mr. and Mrs. Donald True, who have been residing in Lake Forest, Ill., will move tomorrow to Hastings-on-Hudson, N. Y., where Mr. True will take up a teaching position at Hastings-on-Hudson High School. Mrs. True is the former Miss Patricia Knowlson, daughter of Mr. and Mrs. Lee K. Knowlson of 715 Orange avenue.

Mr. and Mrs. Arthur W. Akins of 4 English Village spent the week-end in Baltimore, Md., visiting their son and daughter-in-law, Mr. and Mrs. Robert Akins.

Carnival Pair Fined $185

Taken into custody following a scuffle in which Det. Lt. Thomas H. Woods suffered a fracture of the middle finger of the right hand, Mr. and Mrs. Robert J. Horton, carnival workers from Philadelphia, Pa., were fined a total of $185 on an assortment of charges when arraigned before Magistrate Charles F. Scherer in Municipal Court Monday night.

On a disorderly person charge, Horton was fined $100 by the judge and battery and $10 for using profanity. He also was fined $25 for possession of stolen property (a revolver), while his wife was fined $25 and $5 costs for operating a motor vehicle with fictitious plates, $5 and $5 costs for operating on unregistered vehicle and $10 for carrying a concealed weapon.

The pair was arrested Sunday afternoon by Lt. Woods and Det. Sgt. Edward Lt. Woods said he became suspicious when he saw them putting a set of tires on the rear of a truck-house trailer in a store parking lot on Walnut avenue. He notified Sgt. Bird, on duty in a radio car, and as Sgt. Bird arrived on the scene Mrs. Horton was driving the truck out onto Walnut road.

When Sgt. Bird stopped the truck to question Mrs. Horton, her husband ran up and began using abusive language, Lt. Woods reported. The detective then interceded, and informed Horton he was under arrest as a disorderly person. Horton refused to get into the police car, however, and swung at him with a pair of cutting pliers with a 12-inch blade around the end. Lt. Woods said.

At this point, the lieutenant reported, Horton ran to a service station at the corner of Raritan road and Walnut avenue where a number of other carnival workers were getting gasoline for their trucks and jumped into one of the trucks.

While Sgt. Bird kept the other carnival workers back, Lt. Woods ordered Horton out of the truck and then pulled him out by the arm when he refused to comply. As the man landed on his feet he swung at the detective with his fist, knocking his glasses to the ground and hitting him in the right eye, according to the police report.

Horton broke away again and started to run, Lt. Woods reported, so he tripped him and then held the man on the ground while Sgt. Bird handcuffed him.

At this time, Lt. Woods reported, he began to feel sore pain in the middle finger of his right hand. He was treated by Dr. Abraham Thaler, who said the finger was disjointed and the ligaments completely torn from the joint.

Horton was taken to headquarters in a police car, while Patrolmen Robert Ryan and Raymond Davidson followed in the truck and trailer with Mrs. Horton. Police reported that a search of the vehicle disclosed an unloaded 22 calibre nine-shot revolver with a six-inch barrel.

Lt. Woods said it was learned later through the New Jersey Bureau of Identification at West Trenton that the revolver was stolen from Sears and Roebuck in Perth Amboy last December.

The detective said investigation also revealed that the plates he discovered in Mr. and Mrs. Horton attaching to their vehicle had been issued for a truck which was wrecked several months ago.

Horton was held at police headquarters and his wife was taken to the Union County jail to await Monday night's arraignment. Their Child — Welfare Society pending disposition of their case.

Mr. Horton's employers and fellow workers were en route to Elmira, N. Y., after completing a stand in Clark Saturday night.

Christian Feted For WE Service

Charles Christian of 21 Herning avenue was honored recently at a dinner in Harrison given by his co-workers at Western Electric Company in Kearny in observance of his 40th anniversary with the company.

There were 125 guests present, and Mr. Christian was presented with a diamond tie pin.

The following day, the company honored him with a party at which he was presented with a diamond tie pin.

Fined in Kenilworth On Larceny Charge

Taxpayers Favor Cut in Height Of School Ceilings

Cranford Taxpayers Association has informed Dr. Frederick M. Raubinger, state commissioner of education, that it favors a reduction in the ceiling heights of school buildings to reduce the cost of construction.

"We feel," the association said in a letter to Dr. Raubinger, "that the present ceiling requirements in constructing school buildings add materially to the cost of the building and that the adoption of that with modern treatment for soundproofing, ventilation and lighting, high ceilings are no longer required. We, therefore, respectfully request that you give this matter some consideration, and if possible, amend the building code so that the ceilings can be lowered. The health of the pupils would not be affected with proper treatment of rooms, but the cost of construction would drop a substantial amount."

A similar letter was sent by the association to Harold Morrison, chairman of the Committee on Code Revision, a copy of the communication to Dr. Raubinger went to Governor Robert B. Meyner, State Senator Frederick Hand and Union County's four assemblymen, Mrs. Florence P. Dwyer, C. Ford Thomas, Carlyle W. Crane and William B. Vanderbilt.

At a recent meeting, the Board of Education authorized its president, E. J. Tuliszewicz, to inform Dr. Raubinger and the code revision committee that it favors a reduction in the height of ceilings for school buildings.

Freeholder Board Minutes Synopsis

Adjourned meeting of the Board of Chosen Freeholders of Union County, was held at the County Court House, Elizabeth, N. J., on Tuesday, May 3rd., 1955 at ten a.m.

Director Bennigar presiding. Roll call showed seven members present and two absent.

Following resolutions were introduced and moved for adoption:

(1) — Freeholder Hickok for Committee on Roads and Bridges — accepting bid of the Lehigh Construction Co., Inc., of Linden N. J., lowest bidder for the work of constructing new reinforced concrete bridge and relaid work over stream on Inverness Drive near Martine ave., Scotch Plains, N. J., at $14,854.60, and authorizing Director and Clerk to execute agreements covering same, was on roll call unanimously adopted.

(2) — Freeholder Hickok for Roads and Bridges Committee, recommending bid of Lehigh Construction Co., Inc., of Union, N. J., for work over stream on Park avenue near Westfield avenue, Scotch Plains, N. J., the lowest bidder, at $17,032.40, and authorizing Director and Clerk to enter into agreements covering same, was on roll call unanimously adopted.

(3) — Freeholder Hickok for Roads and Bridges Committee, recommending a contribution of $4,300. to the Town of Westfield towards a contemplated improvement to a stream which crosses Summit Ave., Westfield, and authorizing the Director and Clerk to execute agreements covering same, was on roll call unanimously adopted.

(4) — Freeholder Hickok for Committee on Roads and Bridges recommending a contribution of $2,800. to the Township of Springfield, towards the completion of improvements to a stream which crosses Milltown Road, Springfield, and authorizing Director and Clerk to execute agreements covering same, was on roll call unanimously adopted.

(5) — Freeholder Zerega for Purchasing Committee, accepting bid of the Automatic Voting Machine Corp., of Jamestown, New York, for furnishing ten horizontally arranged voting machines, as per specifications, to be delivered at the Voting Machine Building, Westfield, N. J., for the sum of $1,490. or a total of $14,900. and authorizing Director and Clerk to execute agreements covering same, was on roll call unanimously adopted.

There being no further business to be considered, Freeholder Herlich made a motion to adjourn, which was duly seconded by Freeholder Hickok. Director Benninger declared the Board adjourned until Thursday, May 12th, 1955 at ten A.M.

FAMILY LIFE TODAY

By PHYLLIS PAGE BRADSHAW

Specialist in Human Relations

Rutgers, the State University

PHYLLIS BRADSHAW

Most mothers despair over their 10 and 12-year-old boys and ones they will grow up to be tramps. Soap and water are like poison at this age. Clothes are just a necessary evil, but the dirtier the better. And manners—the youngsters don't even know what the word means.

But don't give up; Mothers of 16-year-olds will never believe they will look back and regret that this period is over. But the adolescent changes include a deep interest in manners. The exact age when boys become interested in girls varies, but it's easy for parents to determine when it happens to their son. The whole household will be surprised to find cover the bathroom boy with his hair not only combed but also slicked back. Among the oldest manners are the polished shoes that suddenly appear.

In junior fenagle, the greatest weekly wrangle was to get Tom to shine his shoes. Saturday morning was the time set aside for this and to the parents, it was a piece of agony. It probably was agony for Tom, too, because every week the shoes were polished. At 45, Tom completely flabbergasted his parents by polishing his shoes during the week. He became the most avid shoe polisher his family had ever seen. One day he came charging in the house in high glee and started polishing the same shoes over and over. Finally, his mother discovered that Tom has heard that shoe stores get that high gloss on shoes by 15 coats of polish. And that's what he was doing!

Times change. Boys do grow up. Even though those fundamentals don't seem to register enough with the 10-year-old, by the time he's in his early teens, the whole household will be surprised to find that the boy with his hair not only combed but also slicked back. Among the oldest manners are the polished shoes that suddenly appear.

Stop Street Count Costs Driver $30

Pleading not guilty to a stop street violation because, he explained, he wanted to avoid adding points to his driving record, Spyros Karathanos of Elizabeth was fined $25 plus $5 costs by Magistrate Charles A. Stevens in Municipal Court Monday night.

Other motorists who were fined $5 and $5 costs of the same charge included: Edward F. McMahon, Winfield; Joseph A. Lagas, Roselle Park, and John G. Schuhmann, Linden.

Speeding charges brought fines of $15 plus $5 costs for. William D. Applebaum of Irvington and $8 and $5 for Ralph C. Barley of Roselle.

Fines of $8 plus $5 costs were levied against the following for having red traffic lights: Michael Molisso, Montville; Rutus E. Young, Plainfield; Rudolph C. Meixner, 807 West End place, and Henry Michael Zelac, Linden. Joseph S. Barbara of Plainfield and Stephen P. McCarthy of Bayonne were fined $5 plus $5 costs, each, for the same offense.

Other motorists were penalized as follows: Stanley Lechowitz, Carteret, improper parking, $2; Clifford Lobb, Roselle, unsigned driver's license, $1 and $1 costs, and Ben Benjamin, 18 Johnson avenue, no registration in possession, $1 and $1 costs.

Olympic Park Offers Fireworks, Concerts

Fireworks, patriotic concerts and a new circus will be holiday fare for the thousands expected to enjoy the July 4 week-end in Olympic Park, Plainfield's Independence Maptewood resort is arranging to accommodate crowds in excess of 100,000 on Saturday, Sunday and Monday.

Programs for the Coming Week in Cranford Churches

Psalms Topic for New Alliance Sermon Series

Evangelistic themes, devotional messages, prophetic outlines and a picture of the life of Christ will be presented by the Rev. George A. Aitcheson, pastor of the Alliance Church, in a series of sermons on "Meditations in the Psalms" starting at the 7:45 p.m. evangelistic service with the church his Sunday.

Special vocal and instrumental service will continue throughout the summer, and visitors are welcome.

Services Sunday will begin at 9:30 a.m. with the Bible School, which also will remain open all summer.

The Lord's Supper will be observed at the morning service at 11 a.m. Sunday. Dr. Aitcheson will continue his series of sermons on "The Offerings of the Tabernacle," speaking on "The Meat Offering."

A group of men led by Edwin Lowrey will conduct a service at the Union County Jail in the afternoon. Junior, Intermediate and Senior Youth Fellowships will meet at the church at 6:30 p.m.

Because of the holiday, the executive board will meet at 8 p.m. Tuesday instead of Monday. There will be no monthly meetings of the Bible Class during July and August.

Regular mid-week Bible study and prayer meeting will be held at the church Wednesday at 8 p.m. The Women's Missionary Prayer Band will meet at the home of Mrs. L. A. Conover, 10 Retford avenue, on Wednesday at 10 a.m.

A group of Junior and Intermediate girls left Saturday to attend Camp Cheerio in the Poconos, the Pioneer Girls' Camp located in Stroudsburg, Pa.

A group of men from the church will conduct a service at God's Lighthouse Mission in New York tomorrow night. Cars will leave the church at 7 p.m.

Methodist Children's Church Starts

Children's Church began Sunday in the Methodist Church and will continue until September 11.

Boys and girls of all ages are urged to attend the one morning service at 9:30 with their parents.

The younger ones (kindergarten through fourth grade) are dismissed at the singing of the second hymn to go to the Educational Building for a story.

Vacation Church School started Friday with an enrollment of 150. Weekday sessions will continue through July 8, with the exception of July 4. New enrollments will be accepted during the week.

Theme of the school this year is "The Teachings of Jesus." The closing program will be held at 7 p.m. next Thursday.

Commissioning of young people who will attend the Junior High Conference in Lebanon will take place at the morning service this Sunday. Attending from the local church will be: Nancy Brooks, Lucy Halton, Russell Hawes, Fern Redman and Harold Sjursen.

Dr. Albert Allinger's topic will be "Rights vs. Privileges" at this Sunday's service. Mrs. Alexander Ellenbacher will be the soloist. Mrs. Doris Reitweiher, organist, will use the following selections: "Crusaders' Hymn," by Roger Wilson, based on the familiar German melody; "The Glory of God," by Ludwig von Beethoven, and "The Song of a Hero," by Robert Volkmann.

Young people of the church will attend a Yankee baseball game in New York tomorrow. Information on the trip may be obtained by calling the church office.

CHRISTIAN SCIENCE CHURCH SERVICES

How understanding of the Ten Commandments brings freedom from fear and limitation will be brought out at Christian Science services Sunday.

Keynoting the Lesson-Sermon entitled "God" is the Golden Text from Psalms (77:13): "Thy way, O God, is in the sanctuary: who is so great a God as our God?"

Scriptural readings from the King James Version of the Bible will include the following words of Moses (Deut. 6:4,5): "Hear, O Israel: The Lord our God is one Lord: And thou shalt love the Lord thy God with all thine heart, and with all thy soul, and with all thy might."

Among the passages to be read from "Science and Health with Key to the Scriptures", by Mary Baker Eddy is the following (209:4): "Moses advanced a station to the worship of God in Spirit instead of matter, and illustrated the grand human capacities of being bestowed by immortal Mind."

Daily Bible School Opens At Osceola

Daily Vacation Bible School of Osceola Presbyterian Church, opened Monday morning with an enrollment of 77 children and a large teaching staff. Classes will be held each weekday from 9 to 11:30 a.m. through July 8, with the exception of July 4. Closing exercises will be held at 7:30 p.m. on July 8.

Frank Muncel was ordained and installed as an elder, and George Fulcher was installed as a member of the board of trustees at the morning service Sunday.

The following young people were commissioned as delegates to summer camps and conferences: Island Heights — Lois Foster, Dianne Turtil, Virginia Meyers, Janice Ruch, Janice Coop and Linda Schoenberger; Blair III — Charles Dittemer, Fred Davies, Carol Staeger, Christine Carey, George Crater, Lon Guilford, Barbara Lawrence, Russell Meyers, Barbara Schaar, Betty Tiedemann and Katherine Van Blarcum.

Church School for all ages will meet at 9:15 a.m. and regular morning service will be held from 10:15 to 11 a.m. Sunday.

'Born Free' Sermon Topic Of Rev. Longaker

At the 9:30 service Sunday in the First Presbyterian Church, the Rev. Mr. Longaker's Independence Day message will be "Born Free!"

For the next three Sundays in July, Mrs. Gladys Gould of Westfield will be guest organist. The vocal selections Sunday will be a solo by Robert Gorman, tenor, "Bless O Lord This House" and a solo by Marilyn Vosberg, soprano, "My Heart Ever Faithful" by Bach.

Daily Vacation Church School opened Monday morning with an enrollment of 128 children. The theme of the school this year is "Living and Working Together as Christians." There will be Bible Study, worship, special activities and recreation.

Joy Wisniski and David Boyd will leave for Junior High Camp at Island Heights on Monday.

Named by Legion

Matthew W. O'Shea of Cranford Post 212, American Legion, has been installed as sergeant-at-arms of the Union County Committee of the American Legion. He was elected at the annual convention recently in Roselle Park.

Thought for the Week

By Dr. George A. Aitcheson, Pastor of Alliance Church.

I have just returned from a brief vacation in the mountains of Pennsylvania some 70 miles west of State College. The weather was good, the air so clear and invigorating, and the companionship most enjoyable, so that I had a delightful time.

However, one thing that interested me so much, was the tone of the conversation I had with different persons; and it is something that I am encountering everywhere that I go these days. It convinces me that the great majority of people are materialistic-minded. So many of them are thinking of a job or a better one. The purchase of a new home if not already the owner of one. Social security, retirement pension, and a good financial guarantee for their children.

Few, so very few, comparatively speaking, are giving much time and attention to the thought of eternal things. They are not heavenly-minded. Little thought is being given to be problem of life after death; but with a shrug of the shoulder, they say: "Well, let that take care of itself when the time comes." The whole question is complaisantly settled with the words: "Since God is a God of love, we know that He will do the right thing by us when the time comes to die." Therefore, the only thing to worry about is the present, and how one can get the most out of it.

It is no wonder that one feels these days like a stranger in a foreign land when he introduces a conversation along spiritual lines. Not that people are averse to speaking about church and religion; but how the mood and attitude change in them when he maneuvers the conversation along the lines of making sure of Heaven, and consequently certain of coming there.

I am fully aware that to speak of such a place as "Hell" these days is entirely out of date. One who does is said to be anachronistic or an old fogy. Consequently, I am not going to do so. But the fact remains that the people of America do not believe in a hereafter, even though 96 percent of them do believe in God. The materialistic attitude is ample proof of this. This, to my humble opinion, is the cause of the alarming increase of juvenile delinquency, and the rapid increase of crime over all the world. The home has become a hotel where the family eats and sleeps. Parents are losing their children while they grab for the "almighty Dollar."

The solution to all of this is to be found in the words of the Apostle Paul in his letter to the Christians at Philippi. Here they are. "Whatsoever things are true, whatsoever things are honest, whatsoever things are just, whatsoever things are pure, whatsoever things are of good report; if there be any virtue, and if there be any praise, think on these things. Those things, which ye have both learned, and received, and heard, and seen in me, do: and the God of peace shall be with you.

Receives Certificate

George B. Gerrity of 221 Columbia avenue has been awarded a certificate from the special courses division of Newark College of Engineering. His major field of study was refrigeration and air conditioning.

In all ranks of life the human heart yearns for the beautiful: an the beautiful things that God makes are His gift to all alike— Harriet Beecher Stowe

To cultivate a sense of the beautiful is one of the most effectual ways of cultivating an appreciation of the divine goodness. — C. N. Bovee

HOW CHRISTIAN SCIENCE HEALS
STATION WOR 710 K.C.
SUNDAY 1:15 P. M.

Holy Eucharist Celebration Dates Listed by Trinity

Holy Eucharist will be observed on weekdays at Trinity Episcopal Church next week as follows: Independence Day at 9 a.m., Wednesday at 7:15 a.m., and next Thursday at 9 a.m.

On Sundays during July and August and the first Sunday in September, Holy Eucharist will be observed at 8 and 9:30 a.m.

During the month of July, the Rev. Carroll M. Bates, assistant pastor, will be in charge of the parish and services while the Rev. Frank V. H. Carthy, rector, is on vacation. Miss Carole Smith will be the organist.

"What Is a Hypocrite?" will be the sermon topic this Sunday.

New Pastor In Parsonage At St. Mark's

The Rev. C. W. Moore, successor to the Rev. Samuel I. Matchett as pastor of St. Mark's A.M.E. Church, has moved into the parsonage at 209 High street. The Rev. Mr. Matchett, who served the local church for nine years, has assumed the pastorate of St. Mark's AME Church in East Orange.

Redecoration of the parsonage has been completed under supervision of Ernest Mayers, president of the board of trustees.

An invitation to the community to visit the church was extended by the new pastor, who comes to Cranford from the Bethel AME Church in Pressfield. Sunday services are held at 11 a.m. and from 7 to 8 p.m.

Calvary Church Sewing Unit Schedules Summer Sessions

The charity sewing unit of the Women's Guild of Calvary Lutheran Church, Cranford, will meet Tuesday for overseas, annuity for the Kinderfreund (Lutheran welfare home in Jersey City) and children's pajamas for the John Runnells Hospital for Chest Diseases, Berkeley Heights, will meet in the church house at 10 a.m. Tuesday.

This group will continue to meet during the summer on the first and third Tuesday of each month from 10 a.m. to 4 p.m. All women are welcome to attend and sew, either by hand or machine, for any portion of the scheduled time. A sandwich usually is brought by each one attending, and coffee and dessert are served at noon.

Mrs. Svend Ernst of 13 West Holly street, in charge of the unit, suggested that women who would like to help but who do not have time to stay at the church might do some crocheting or knitting at home on baby sacks, bonnets and booties. Wool will be supplied to those requesting it.

The Sacrament of Holy Communion will be administered at the 9:30 a.m. service in the church Sunday by the Rev. Arnold J. Dahlquist, pastor. This will be the last communion until the first Sunday in September. "The Cure for a Twisted Mind" will be the pastor's sermon topic. A small group of new members coming by letter of transfer will be received at this service.

Mrs. Marin Sieg, minister of music, announced that the summer music program will offer solos each Sunday instead of the customary choir anthems. Mrs. Raymond Heartel will sing "But Thou Dwellest in the Secret Place," by Smart, at this Sunday service. George Schlenker will accompany her at the organ.

Association Treasurer

Fred C. Rebstock of Cranford has been elected treasurer of the New Jersey Press Association. He is advertising manager of the Elizabeth Daily Journal.

Study Type, Size, Sites for New Schools

With an organizational pattern adopted and enrollment forecasts completed, the School Planning Committee of the Board of Education will now turn its attention to what type of buildings are needed to fill the requirements of the studies.

Among the questions the committee must decide is what kind of buildings are needed, what size they should be and where they should be located. Burton C. Belden, committee chairman, reports the group is also looking into the question of a decision on these questions by September 15.

While no meetings are planned, studies are underway in an effort to arrive at solutions to the various problems. Every possible combination will be considered, Mr. Belden said, in an effort to come up with the best solution.

At a meeting last week, the Board of Education adopted a 5-1 organizational plan. This means students in the kindergarten through sixth grades will attend the elementary schools and then go to a two-year junior high school. Cranford High School would then become a four-year institution. The Cranford school system now operates on a 6-6 plan.

Speaking before the Cranford PTA Council, recently Dr. Herman R. Best, superintendent of schools, said several alternate plans are under discussion in the area. The school system's overcrowding problem. As possible solutions he listed two new junior high schools, two new elementary schools and the conversion of Cleveland and Sherman schools into junior high schools and an addition to Cranford High School.

With the adoption of a 6-2-4 plan, an addition to Cranford High School is ruled out except to handle the ninth through 12th grade pupils. Mr. Belden said further studies will be needed before it is known how large the proposed high school building will be adequate for the ninth through 12th grades.

Finding sites for new schools or any type may also be a difficult problem for the committee. The school board owns property behind Cranford High School, which is now under development as a practice area for athletic teams, beside Walnut Avenue School formerly known as the Cranford Oval, and in Bloomingdale avenue.

It is likely that the board will again adopt a plan of constructing new buildings or additions in both sides of town in an effort to gain approval from all areas.

Tuberculosis Unit Elects Crane

Robert Crane of Cranford has been elected vice-president of the Union County Tuberculosis and Health League, Inc.

Warren W. Halsey of Springfield, superintendent of Jonathan Dayton Regional High School, was elected president at the annual business meeting held in Elizabeth. Other officers are: Dr. M. T. Weisman of Elizabeth; treasurer, William T. Ritchie, Jr., of Clark Township, and secretary, Raymond Jackson of Union.

Mr. Halsey succeeds Dr. John E. Runnells of Summit as president since 1932. He was presented with a gift in honor of his guidance and direction of the program of the league for 23 years.

Dalgish, Henn to Get Esso 20-Year Awards

Gordon R. Dalgish of 37-A Hillcrest road and Albert C. Henn, of 8 Sutton place, will receive 20-year service buttons at Esso Standard Oil company's Bayway Refinery in Linden.

Mr. Dalgish is division head of buildings and grounds and Mr. Henn is supervisor of thermal cracking and light ends.

Mothers' Circle Meets

Preliminary plans for fall activities were discussed at a regular meeting of the Mothers' Circle of Brenner Chapter, Order of DeMolay, at the Masonic Temple last Thursday night. Mrs. Beatrice Lachenauer was welcomed as a new member.

Girl Scouts Hold Court of Awards

Girl Scouts of Troop 60 recently held their annual Court of Awards at a cook-out at Unami Park. The program included games, singing and refreshments.

Second class rank was awarded to the following by Mrs. Jane S. Ronnlund, troop leader: Susan Babcock, Karen Beebe, Alice Bennett, Joan Bennett, Patricia Cox, Donna Hines, Paula Hollerback, Melinda Morris, Cathy Powers, Shirley Rakacs, Joyce Reeves, Joyce Roden, Susan Ronnlund and Genie Zalewski.

Proficience badges were given to Susan Babcock, Pat Cox, Donna Hines, Shirley Rakacs and Joyce Roden. Susan Ronnlund received a prize for the most sales during a candle sale, and Joan Bennett received a prize for perfect attendance. Assisting Mrs. Ronnlund was Mrs. Joseph Rakacs, co-leader.

The following members of the troop recently went on a overnight camping trip to Cranford Boys' Camp near Hope: Karen Beebe, Patricia Cox, Alice Bennett and Susan Ronnlund. The trip was made by bus and Mrs. Ronnlund accompanied the girls.

Miss Cranford Third in Contest

Miss Dolores Winfield, daughter of Mr. and Mrs. Warren Winfield of 14 Oneida place, won third place in the annual "Miss New Jersey" contest Saturday at Wildwood.

Miss Patricia Campbell of Camden was selected as "Miss New Jersey" and will represent the state in the 1955 Miss America pageant. Miss Campbell beat out 44 other girls for the crown, including Miss Winfield and Miss Mimi Leihwand of Hillside, a student at Douglass College, New Brunswick, who was runnerup.

In the competition, Miss Winfield was sponsored by the Cranford-Kenilworth Chapter, Junior Chamber of Commerce.

Boy Scout Council Elects

After serving for 10 years as commissioner of Union County Boy Scouts of America, Harlon W. Drew of Cranford has been succeeded in the post by Councilman Paul A. Veisley of Linden.

Arba S. Taylor of Cranford has been reelected president of the council. Both actions were taken last week at the council's annual meeting in Elizabeth. Mr. Drew was assigned to head the organization an dextension committee.

Reelected vice-presidents were: Dr. Kenneth N. Albrecht of Elizabeth, George C. Fischer of Roselle Park and Herbert R. Otto, Sr., of Hillside, while new vice-presidents include James J. Carney of Rahway and Lyman L. Parks of Westfield, chief of the Union County park police.

Chief Parks, who had been organization and extension committee chairman, was named head of camping and activities.

Other officers elected include: John V. Nostrand of Cranford, treasurer; George L. Andersen, assistant treasurer; and national council representatives, Mr. Taylor, Dr. George J. Deyo, Roderick C. Smith of Cranford, former council president; Jerome Danziger, Mr. Otto and Harry A. Lavine.

Peter Cranford residents elected include: Mr. Drew, Joseph Petrik and C. J. Whiting as members-at-large of the executive board, Mr. Smith as a council trustee and Burton C. Belden and Eli Lesinger, Jr., as council members-at-large.

Mr. Smith headed the nominating committee.

Men In Service

Navy Lt. (jg) Robert B. Burditt, son of Mr. and Mrs. Arthur N. Burditt of 118 Hillside, and husband of the former Miss Jeanette Farley of Camilla, Ga., reported to the Clarksville, Tenn., Base for duty June 13. Before entering the Navy in October 1952, he was graduated from Cranford High School, Union Junior College and the Massachusetts Institute of Technology in Cambridge, Mass.

M/Sgt. Kenneth Neill, son of Andrew J. Neail of 19 Myrtle street, recently was graduated from the Seventh Army Non-Commissioned Officer Academy in Munich, Germany. A platoon sergeant in Company D of the Ninth Infantry Division's 61st Tank Battalion, he successfully completed a five-week course in leadership, map reading and other military subjects. M/Sgt. Neail, a veteran of service in the Far East, entered the Army in 1940 and arrived in Europe in April of this year for his present tour of duty. His wife, Margaret, lives in Battle Creek, Mich.

John D. Dobrowolski of 45 Coldevin road, serving with the attack aircraft carrier USS Midway on a world cruise with the Seventh Fleet, recently was promoted to the rank of airman.

Treasurer Reelected

Richard W. Dorlan of 214 Elizabeth avenue has been reelected treasurer of the Union County Safety Council for 1955-56.

PUZZLE SOLUTION

You have a relatively narrow lot and yet your favorite house is a wide ranch type. What to do? How will you get the square peg in the round hole?

Perhaps the above plan will solve your puzzle.

It is designed so that, with a wide plot, it may be placed broadside to the street. But on a narrow lot, it may be placed "on end," the attractive living room with its large brick chimney toward the street. This way, even a 50 ft. lot might accommodate it, including the side driveway to reach the garage which then revolves to the rear of the house.

If your taste runs to other types of homes, we have them too — large and small — in our Master House-of-the-Month Portfolio.

It is at your service! With it and our other services you can write Q.E.D.* after your home building problem, whatever it may be.

Concrete Mix Plant Rushing Itself Right Out of Business

Business is booming at the Cranford Concrete Company's establishment in North avenue near the Roselle Park line, but all the activity is aimed at closing the plant by July 10.

This paradox is explained by the fact that the plan is supplying concrete for the widening of the Garden State Parkway to three lanes in both directions from Route 22 in Union to the Raritan River in Woodbridge, including the sections through Cranford and Kenilworth. July 10 is the deadline for completion of this project.

The Cranford plant is working 18½ hours a day to meet the deadline and is turning out 2,000 yards of concrete daily. Weldon Castings Company of Westfield is operating the plant. Cranford Concrete Company is an affiliate of the Weldon firm and the Wel-Don Concrete Corporation of Scotch Plains.

During the original construction of the parkway in this area by the State Highway Department, the same set-up was used. Until it was reactivated for the widening project, the plant lay dormant.

The area has been the scene of some controversy because of the dust being dropped by the trucks on North avenue and approaches to the parkway. Although the road has been sweepi and scraped many times, the dust remains because of the continual use by the trucks. It's likely a certain amount of the debris will continue until the project is completed.

Traffic is so heavy from the plant that a man has been assigned full-time to control motorists in the area. Somewhat of a traffic problem has been created by the large number of trucks coming back and forth from the plant and parked in the area.

A huge mixing mill into which raw materials are poured is the center of the plant. From the batching mill, the materials are dropped into two bins that supply the cement mixing trucks as they pass underneath. Cement is in one bin, and the other contains sand, stone and water. Bulldozers are used to shove the huge amounts of sand and stone near a giant crane used to raise the materials to the top of the batching plant.

If the trucks seem in a great hurry, there is a good reason for it. The concrete begins to harden in 20 minutes in warm weather, Donald Butterfield, supervisor of the plant, reports.

Aubrey Welke Honored For Long WE Service

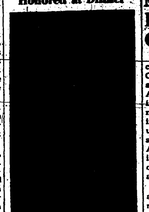
A diamond-studded pin was presented to Aubrey L. Welke, 2 Heathemede place, this week by the Western Electric Company, Kearny, marking his 25th year with the Bell Telephone System manufacturing firm.

He started with the company at Hawthorne Works in Chicago in 1920 as a junior clerk and was transferred to the Kearny Works eight years later. At the present time he is schedule analyst in the field service organization at the Kearny plant.

A native of the Midwest, Mr. Welke attended Tilden H i g h School in Chicago, Ill., and later studied business management at Northwestern U. in Newark.

The Welkes have two children, Carol Ann, 13, and Ronald, 16. Mr. Welke is active in social service work with the Christian and Missionary Alliance Church in Cranford and also is an amateur stamp collector and gardener in his spare hours.

Honored at Dinner



ALLAN C. KANE

Newark Lions Reelect Local Man as Secretary

Allan C. Kane of 105 Wildare drive has been reelected as secretary of the Weequahic Lions Club of Newark. At a recent dinner at Clinton Manor, Newark, he was presented with an inscribed bronze plaque in appreciation for his service during the past year.

Mr. Kane, an estate analyst, is associated with the George J. Ledinbinder Agency of the Continental American Life Insurance Company in Newark. During World War II he served as a first lieutenant in the Combat Engineers. In the recent Red Cross United Appeals Campaign he acted as chairman of the urban merchants in Newark.

He has lived in Cranford since August, with his wife and two children.

Leader at Conference

Mrs. Arba S. Taylor of 611 Brookside place, president of the Elizabeth YWCA, served as a volunteer leader at the YWCA northern area young adult conference at Sebago Lake, Sloatsburg, N. Y. Mrs. Taylor was another member of the Cranford Dramatic Club, assisted with the dramatic workshop.

Den Mothers Honored at Picnic Of Cub Pack 44

Each den mother of Cub Pack 44, sponsored by Osceola Presbyterian Church, was presented with a certificate of merit for her work during the past year, as the pack held its annual picnic at Nomahegan Park last Wednesday evening. Den chiefs also received certificates. The presentations were made by Cubmaster J. P. Hartzler.

Mrs. H. Ritter won the clothespin naming contest, and Mrs. J. Jennis won the hammering contest.

Cub awards were presented as follows: Wolf badges, J. Wherrity, G. Hartzler, G. Weck; gold arrow, D. Connolly; silver arrows, C. Jones and D. Harckettx (2); bear badge, R. Pierce; gold and silver arrows, E. Dewey; lion badges, F. Weck; gold and two silver arrows, D. Morrell.

Webelos R. Holzhauser, J. Roth and B. Todd were presented with their graduation certificates by the den father, J. Field.

William Petruski was inducted as a new member of the pack.

It was announced that the pack won gold stars at the Gold Star Inspection held in Linden last month.

Next meeting of the pack will be held in September.

Martin Jewelers Renovates Front On Alden Street

Martin Jewelers, which will celebrate its 10th anniversary in Cranford in October, has effected a renovation to its front on the Alden street side of the store. This is the fourth renovation to be made since the store was opened in October, 1945, and will permit uninterrupted viewing of the silver and China departments from the Alden street side. This alteration, in keeping with the general motif of the store, presents a modern and tasteful appearance.

Howard Siegel, owner and operator of Martin Jewelers, thus marks another milestone in his efforts to give Cranford the finest shopping facilities: the greatest variety of quality merchandise in silver, China, jewelry and giftware; the most modern and comfortable atmosphere; the friendliest and most courteous service.

"When I opened Martin Jewelers in 1945, I pledged to the people of Cranford that I would bring to them the finest quality merchandise at the lowest possible prices, offered in the friendliest manner," said Mr. Siegel, "and I have never lost sight of this pledge. Renovation and extension of the Alden street side of the store now gives us 1500 square feet of selling and display area and represents an other step in my efforts to further my pledge."

To celebrate this occasion, Martin Jewelers will hold open house tomorrow morning, at which time awards will be given. The public is invited.

Commended for Work At Cerebral Palsy Unit

Two Cranford women have been commended for their volunteer work at the Union County Cerebral Palsy Center in Elizabeth by Mrs. Paul C. Cornish, center coordinator.

They are: Mrs. Raymond Ohirock and Mrs. James Turner. During the past year, the 30 children of the center have attended full-time classes for speech, occupational and physical therapy. About 70 palsy received one or more treatments each week.

Local Actor in Comedy At Foothill Playhouse

Fredrick Lindley of Cranford appears as Linus Larabee in "Sabrina Fair," a light-hearted comedy by Samuel Taylor, which opened last night at the Foothill Playhouse in Rahway. The current production will continue tonight, tomorrow night and Saturday night, and also next Wednesday, Thursday, Friday and Saturday nights.

The part of Craig was played by Allan Whitney of Cranford in the presentation of George Kelly's biting satire, "Craig's Wife," at the Foothill Playhouse during the past two weeks.

Injured by Saw

Struck on the left arm by a power saw which he was using at a new home under construction on Crane parkway, Theodore Adamkowski, 43, of 51 Prospect avenue, Bayonne, suffered a torn arm muscle, police reported. He was treated by Dr. Abraham Thaler.

Girls Present Play For March of Dimes

A play was given recently by Barbara Sorge, 9; Linda Sorge, and Joan Davis, 11, to raise funds for the March of Dimes. Entitled "Katherine and Frederick," it was written by the girls themselves.

About 30 children attended the affair, which was held on the lawn at 132 Hillcrest avenue, the residence of Joan Davis. Linda and Barbara reside at 134 Hillcrest avenue.

Ice cream, cookies and soda were donated by Mrs. Howard Davis and Mrs. Herbert Sorge.

Prepare for Crossing Elimination Hearing Before PUC Next Month

GARWOOD — Culmination of a campaign started early in 1954 by Councilman Lewis M. Goss for a hearing before the Public Utility Commission on Garwood's request for elimination of the Center street grade crossing was reached when he announced at Tuesday night's Borough Council meeting that July 27 has been agreed upon as a date for such a hearing and that preparations are under way for pre-sentation of the borough's case in Newark.

Council President Goss reported the July date was suggested to him the latter part of last week by William McGrath, director of the PUC's division of railroads. He said that he later informed Mr. McGrath that this date would be convenient for Garwood's representatives, and that shortly confirmation of the scheduling of the hearing is expected "in a matter of days."

Congressman Harrison A. Williams of Westfield has shown an interest in the matter and plans to be one of those attending the hearing in Newark, Councilman Goss said. The councilman reported he had informed Representative Williams of the action and had been assured that he would keep it open for the trip to Newark.

Others already busy preparing facts and figures for presentation at the hearing include Borough Engineer Patrick J. Grall and Borough Attorney Louis Dugas, while members of the police department also are preparing photographs and traffic data in support of the borough's case, Councilman Goss related.

He added that letters are being sent to all local organizations which answered the original ques-

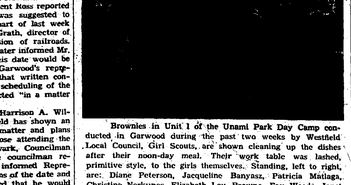
Summer Recreation Program at St. Anne's

GARWOOD—Final arrangements for the summer youth recreation program scheduled to start Monday in St. Anne's School will be made at a meeting in the school at 1 p.m. today, it was announced by the Rt. Rev. Msgr. John M. Walsh.

The program, which will include arts, crafts, woodworking, motion pictures and devotional periods, will be directed by Mrs. John Mahn, assisted by 12 women of the parish. It will continue from 9 a.m. to 12 noon, Mondays through Thursdays, all during July and the first week in August.

One feature of the schedule will be weekly excursions to near by parks and other points of interest.



Even Dish Washing Is Fun at Unami

Brownies in Unit I of the Unami Park Day Camp conducted in Garwood during the past two weeks by Westfield Girl Scouts, found dish washing a pleasant task following after their noon-day meal. Their work table was lashed, primitive style, to the girls themselves. Standing, left to right, are: Diane Cassidy, Christine Mattiaga, Christine Norkunas, Elizabeth Lou Browne, Fay Woods, Jane Cull, Mary Vogt, Carol Ann Gudoski and Karen Hurley; kneeling, Beth Ann Rambo and Dale Preuss.

Garwood's First Girl Scout Day Camp Program Ending

GARWOOD — Parents have been invited to bring their lunch and eat with their daughters at Unami Park Day Camp in Garwood, sponsored by the Westfield Local Council, concludes its program in Unami Park today. The camp, conducted at the park during the past two weeks, will close at 1 p.m.

Mrs. Edwin Bugle of Scotch Plains, director of camping activities for the Westfield Council, declared that this year's Day Camp in the borough was only the beginning, and that future planning indicates the program here will grow bigger and better each year.

Purpose of the project, Mrs. Bugle said, were to teach the girls to live and enjoy in the out-doors, and to give them an opportunity to learn to live together, to learn camping skills and to progress in fire building and cooking.

During the camp session, the girls have learned how to clear an area for a fireplace and set up a tripod to hang a pot over the fire for one-pot meals. They also have had practice in stick cookery.

The girls set up kitchen areas and learned dishwashing procedures. Members of one unit helped earn a table for their equipment, for dishwashing and for hanging tools.

Crafts also have been an important part of the Day Camp routines, Mrs. Bugle reported. In learning how to use a jack knife, the girls whittled buckles from wood and also made cord belts on which to put them. During nature craft study, they identified trees and used leaves to print on kerchiefs. All the girls made hobo bags from bandannas for carrying their eating utensils. These bags were strung on a line while they were in camp.

There are two units in the camp, each consisting of 12 girls ranging in age from the third grade Brownies through the Inter-

Adopt New Report Cards For Kindergarten, Grade 1

KENILWORTH—A new type of report card for kindergarten and first grade pupils has been adopted by the Board of Education.

At an adjourned meeting last Wednesday evening in Harding School, the board approved the new system. Students in these grades will be marked satisfactory, unsatisfactory or improved. Space is allowed on the card for comments by the teacher. The card is aimed to give more specific information on emotional and social growth rather than academic achievement.

In all other classes but the kindergarten and first grades, the standard report card indicating grades in subject matter will be retained.

To put the new system into effect, the board voted to purchase 1,000 report cards from the Academic Press, Taylor, Pa., 500 for the kinddrgarten and 500 for the first grades.

The new type of report card was recommended by Edwin W. Kraus, superintendent of schools, and adopted unanimously.

Two new teachers were hired. They are Mrs. Mary A. Newman of Cranford as a sewing instructor and Donald R. Shanks of Hillside as a physical education teacher. Shanks takes the place of Mrs. Barbara Rappaport who declined the appointment offered previously by the board.

Mrs. Zada Shepard, school nurse, will be assigned to act as safety guide under the non-degree heading by a 7-2 vote. Mrs. Emil Elias and Mrs. Myra Reynolds opposed this action. Mrs. Elias said the board should go along with its previous stand of placing Mrs. Shepard on the former teacher's salary guide which did not have a section for non-degree teachers. During the 1954-55 school year, Mrs. Shepard was paid $3,800 and she will receive $4,200 this

Day-Long Celebration Here Monday

GARWOOD — This borough's community celebration of Independence Day will get under way at 9:30 a.m. Monday, with track and field events for young people at Unami Park, continue with baseball games at the park and Bell Stadium in the afternoon and conclude with fireworks and dancing until midnight.

A report on the details of the program was presented Tuesday night at the Borough Council meeting by Councilman Frank J. Ragonese, who is co-chairman with Councilman I. George Cassabona for the celebration.

Joseph Troiano, recreation director for the Recreation Commission, is in charge of the athletic events at the park, which will be conducted from 9:30 to 11 a.m. Boys and girls will be divided into four age groups—5 to 7, 8 to 10, 11 to 12 and 14 to 16—for dashes, high jumping, broad jumping and other events.

The double header at Unami Park starting at 1 p.m. will be played between teams of the Babe Ruth League as follows: Thatcher vs. Dit, and Statbest vs. PAL.

There also will be a Little League double header at Bell Stadium, starting at 1:30 p.m. Marking the opening of the second half of this league's season, Seneca will meet PAL in the first game, and Fibro and ACOA will play the second game.

Dancing will start at 8 p.m. on the tennis courts in Unami Park and continue until midnight, with an interruption at about 9 p.m. for

(Continued on Page 8)

Two Holiday Games Slated For Little League

GARWOOD—A double header for Little League teams will be held Monday, July 4, starting at 1:30 p.m. at Bell Stadium. This will be the beginning of the second half of the season. Sonoco will compete against PAL in the first game, and Fibro and ACOA will play against each other in the second game.

The Garwood All-Stars, comprising 20 boys, five from each team, will play against the Irvington All-Stars on Sunday, July 10, at 1:30 p.m. at Bell Stadium.

Tonight ACOA will meet Fibro starting at 6:15 p.m., and tomorrow night PAL and Fibro will play starting at the same time. These games were scheduled for prior dates but were rained out.

PAL was in first place this week, having won six and lost one, followed by ACOA, four to three; Sonoco Products, three to four and Fibro, last with one to six.

Fibro won over Sonoco, 7-6, Friday night, and in other games last week PAL beat ACOA, 5-0; PAL stopped Fibro, 14-1, and ACOA defeated Sonoco, 6-4.

Louis Casale, president of the

(Continued on Page 8)

Business B Zoning District Proposed: Would Ban Drive-Ins on Boulevard

KENILWORTH — Addition of a Business "B" District to the borough's zoning ordinance is proposed in an ordinance passed unanimously on first reading Tuesday evening by Borough Council.

In another ordinance, a District "B" District is established along the Boulevard. This district would be from Nineteenth to Twenty-fourth streets on the southerly side of the Boulevard and from Nineteenth street to Michigan avenue on the northerly side of the Boulevard.

The ordinance also prohibits drive-in type establishments, car washing business and farmer's markets, or car any other business where food or beverages or any merchandise is sold to customers in the open or where such customers do not enter an enclosed permanent building.

Both ordinances have been approved by the Planning Board and will be subjects of public hearings on July 12.

In other business, the council accepted the streets in the Kenilworth Homes development, but the builder, G. & H. Construction Company was required to post a one-year $5,000 maintenance bond.

Borough Engineer Thomas Trousdale recommended that the streets be accepted.

Councilman Walter Boright, transportation chairman, reported that Public Service Coordinated Transport has decided to continue its extended service on Bus Route 28 up the Boulevard to Springfield avenue in Cranford. It was originally scheduled to discontinue the service on July 6.

Councilman Oliver J. Brown, Jr., representative to the Regional Animal Control Plan, reported he attended a meeting in Westfield on June 10 of the SPCA. He said the SPCA threatened to discontinue its animal shelter in Rahway on August 1 because it was running out of funds. Mr. Brown said the SPCA reported that it will cost $36,000 to operate the plan this year and that the 10 member communities were contributing only $25,000.

Mr. Brown said the SPCA agreed to keep the shelter going. A plan was set up whereby the SPCA will ladopt a budget which each member municipality will be asked to approve. The plan will then operate within that budget, Mr. Brown explained. Mr. Brown was one of the four municipal representatives appointed to serve on the budget committee.

The Cranford Visiting Nurse Association reported that it is notifying all charity cases in Kenilworth that the association is no longer rendering nursing service after June 30, 1955. All inquiries in the future, the association said, will be referred to the welfare department. Mr. Boright recommended and the council approved sending a letter to the association thanking it for past services.

St. Theresa's Church was granted a permit to operate a raffle on October 8.

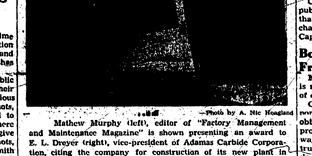
Mr. and Mrs. J. Gallo of 221 North Eighteenth street complained in a communication that a fire hydrant is located in the middle of their property. They requested that it be moved to the end of their property. The communication was referred to the water committee.

The council approved plenary retail consumption liquor licenses for 10 local taverns and plenary retail distribution liquor licenses for 10 local taverns and plenary retail distribution liquor licenses for two liquor stores. A resolution was adopted reaffirming that the council has no objection to a club liquor license for the Kenilworth Veterans Center.

Following a public hearing, the council confirmed the report of the Board of Assessors regarding the opening of North Twenty-second street between Washington and Monroe avenues.

Councilman Anna Myers, council president, presided in the absence of Mayor Robert C. Krueger.

Adamas Receives Citation



—Photo by A. Nic Hoagland

Mathew Murphy (left), editor of "Factory Management and Maintenance Magazine" is shown presenting an award to E. L. Dreyer (right), vice-president of Adamas Carbide Corporation, citing the company for construction of its new plant in Market street. Witnessing the presentation are: (l to r) Mayor Robert C. Krueger and V. D. Barker of Barker Engineering Company, president of the Kenilworth Manufacturers Association.

Sgt. Neville Becomes Acting Chief Tomorrow

KENILWORTH — When Police Chief George Conklin begins his vacation tomorrow, Sgt. Thomas Neville will be acting police chief of the Kenilworth Police Department.

Councilman Ernest Vardalis, public safety chairman, reported that Sergeant Neville will be in charge because of the illness of Capt. Edward Stupak.

Borough Gets Dirt From Parkway Project

KENILWORTH — This borough is richer by some 125 truck loads of dirt.

Councilman Frank Mascaro reports that the borough was able to obtain the dirt from the widening project of the Garden State Parkway. On Saturday, about 125 truck loads of dirt were carried down the Boulevard to an area behind the Fourteenth street Field where it will be stored until needed.

Second Shots Given 103

KENILWORTH — For the time being at least, the administration of Salk polio vaccine to first and second graders in Kenilworth has been completed.

On Friday morning, 103 public school youngsters were given their second shots. Two weeks previous 133 children got their first shots, but 30 of these pupils failed to show up for the second one. There are no plans at this time to give these children their second shots, Health Officer William P. Smith reports.

There is a possibility, Mr. Smith said, that they might be able to get the second shot in the fall, but such a program will be up to the National Foundation for Infantile Paralysis, which has contributed the vaccine for the first and second grades.

Mr. Smith also reported that there are no plans at this time to give the second shots to children of St. Theresa's School who earlier received their first shots. There also is a possibility these will be given in the fall, Mr. Smith said.

The second shots on Friday were given by Dr. Morse Shepard and Dr. Roland Johnkins, school medical inspectors. Among those assisting were: Mrs. George Pappas, Mrs. Fred Bein, Mrs. Emil Elias; Mrs. William C. Smith and Mrs. C. W. Thomas, parents, and Mrs. Mae Kook, Miss Edna Mulligan, Mrs. Catherine Renner, Miss Joan Faherty, Mrs. Emid Levy, Miss Eileen Hastings and Mrs. Harriet Frankle, and Mrs. Zada Shephard, school nurse.

Mr. Smith praised Edwin W.

PARENTS
Beware — of Old Abandoned Refrigerators
There is a great danger in the menacing form of that old, discarded ice box or refrigerator that you may have in your back yard.
Every year children die from suffocation because they love to play in these dangerous cabinets. Here's what you should do if you see a discarded box in your neighborhood or in the junk yard:
Remove the door. It's the best way to make such a cabinet safe.
Remove the latch on the door by taking out the screws on the door plate.
Drill holes in the door and remove the rubber gasket.
OR
... Tell the policeman in your neighborhood about this dangerous menace.
THE CHILD YOU SAVE MAY BE YOUR OWN!
PUBLIC SERVICE

GS Day Camp Sets Opening

KENILWORTH—A day camp for Girl Scouts and Brownies will open Tuesday at the Wild Cherry Day Camp, Eighteenth street and Lafayette avenue.

Mrs. A. G. Cassera, director, reports an enrollment of between 40 and 50 girls is expected. The camp will be operated for three weeks on Tuesdays, Wednesdays and Thursdays. The dates of the camp are: Tuesday, Wednesday, next Thursday, July 12, 13, 14, 19, 20 and 21.

The theme of this year's camp will be "early settlers." The program will include games, crafts, including camp crafts and cookouts, singing and dancing.

Mrs. C. W. Murphy is assistant director and the unit leaders will be: Mrs. Murphy, Mrs. A. G. Bassett, Mrs. Joseph Miller and Mrs. Billy Emmert. Peggy Kuck and Barbara Lugara will be counselors.

This is the fourth year that a day camp has been operated in Kenilworth for Girl Scouts and Brownies.

Mrs. Cassera reports each unit will be arranged according to age and that a couselor and assistant will be assigned to each group. Each girl will bring her own lunch except on cook-out days.

Many Girl Scouts, Mrs. Cassera said, are unable to attend the day camp because they will be at Camp Chickagami, Bear Mountain, New York, during all or part of the day camp period.

Adopt New

(Continued from page 1)

coming year under the new schedule. If the original action advocated by Mrs. Elias had been carried out, the school nurse would have been paid $4,550.

Dr. H. Fester Mitchem was rehired as school dentist. He will be paid at the rate of $6 per hour for 133 hours of work. Salvatore Cirillo voted against the appointment.

Mrs. William Bridges was rehired as attendance officer.

Alfred J. Marone of Elizabeth was awarded a contract to refinish blackboards at a cost of 35 cents per square foot. Kenneth Glover, administrative assistant, was hired to do summer work at the school.

The board voted $200 for special educational programs to be offered during the year.

Mrs. Helen Arthur, board secretary, was requested to advertise for bids for roofing work and fuel oil. They will be received on July 11.

Honor Roll

(Continued from Page 1)

sixth grade class — Shirley Amoroso, Nelson Brown, Loretta Horth, Elizabeth Lang, David Malcolm, Kathleen Moulder, Kenneth Patrylow and Susan Simms.

Also, Mrs. Mabel Anderson's seventh grade class — Grace Erdrich, Arleen Grady, Barry Ruth, Fred Schumm, Gary Slagan, Judy Vonderau and Susan Wayne; Antonio Fortunato's seventh grade class — Elizabeth Hatch, Ann-marie Bruno, Carolee Bucci, Maureen Munley, Kay Starn, Paul Silock and Florence Terrelli; Miss Jeanne Russo's seventh grade class — Janet Arthur, Carol Dolan, Wilhelm Flacher, Josephine Golanka, Irene Herman, Rosemarie Mangini, Patricia Trehan, William Buresch, Carol Ann Daugherty, Joseph Benentente, John Keenay and Patricia Martin.

Also, Joseph Cuasto's eighth grade class — Elzbeth Fischer, Elizabeth Ford, Carol Hogeboom and Patricia Negola; and Miss Margaret Ray's eighth grade class — Richard Blakaba, Mildred Mackenzie, Ellen Mathews, Carolyn Obst, Judy Whitehead and Mary Lou Wissler.

The following pupils attained the progress honor roll: Mrs. Biedermann's class — Phyllis Brockby, Bill Gerhart, Marian Hage, Karen Kent, Patricia Kukla, Frank Martin, Arlene Maiturro, John Rae, George Toppe and Robert Herlick; Mrs. Cammarata's class — Jean Bodnar, Herbert Maiwaldt, Donald Echloff, Carol Cliefete and Louis Lento; Mrs. Hales' class — John L. Lo Bianco, Theresa Thermuhlu, Dale Harmsen, Eileen Knudson and Dorothy Galonka.

Also, Mr. Cusato's class — Kenneth Colbert Malcolm; Margaret Musir, Harriet Reynolds and Arlene Sacks; Miss Nowcomb's class — William Dunkenmann, Cornelis Van Vliet, Else Blunck, Elizabeth Ford, Marie Hufgreen, Ann Kowatch, Patricia Negola and Antoinette Vitale; and Miss Ray's class — Barbara Bonhard, Nancy Honrath, Eileen Kovacs, Edward Pasko and Mary Lou Wussler.

Summer Rites Schedule Told

KENILWORTH — While the Rev. John R. Dexheimer, pastor, is on vacation, a retired Methodist minister and two local lay speakers will conduct services in the Community Methodist Church.

On July 10, the Rev. John J. Wade of Belvidere will conduct the service and preach. A retired minister, he is a former pastor of the Belvidere Methodist Church. Ted Nihart, baritone, will be soloist.

Frank Davis, Jr., of Kenilworth, treasurer of the Board of Trustees, will conduct the service on July 17. Mrs. Helen Conklin, soprano, will be soloist.

A member of the Board of Trustees, Howard D. Murphy, will officiate at the morning worship service on July 24 and preach. Raymond Scheuerer, tenor, will sing.

The Rev. Mr. Dexheimer expects to return in time to conduct the morning worship service on July 31. At this service, Mrs. Hazel Murphy, soprano, and Mrs. Agnes Whitehead, alto, will sing.

The pastor announced that during his absence, members of the church may contact the Rev. James A. Parr, pastor of St. Paul's Methodist Church, Roselle, for necessary pastoral services. He said the Rev. Mr. Parr can be reached at 421 Wheatsheaf road, Roselle.

Crash With Police Car Results in $20 Fine

KENILWORTH — An Irvington woman, Florence Ward, found guilty Monday evening it doesn't pay to get involved in a traffic accident with a police car.

She pleaded guilty to a charge of careless driving Monday evening in Municipal Court and was fined $15 and $3 cost of court by Magistrate William Bruder. According to Kenilworth police, a car she was driving was in collision on June 7 with a police car driven by Patrolman Joseph Ventre at the intersection of Sixteenth street and Sheridan avenue. Damage to the police car was estimated at $60.

In the only other traffic case Monday evening, a Newark man, Armand Perry, was fined a total of $16 for passing on the right on the Garden State Parkway.

Second Shots

(Continued from Page 1)

Kraus, superintendent of schools, and other school officials for what he described as their "wonderful organization." He thanked the physicians, school nurse and others who assisted for their cooperation.

Attendance Records Cited

KENILWORTH — "Mountaintop Experiences" is the topic Joseph Spacek has chosen for his message at the Family Bible Hour at 11 a.m. Sunday in Kenilworth Gospel Chapel. Mr. Spacek is the Bible teacher now directing the Vacation Bible School at the chapel. He will also speak at the evangelistic service at 8 p.m.

A group from the chapel will be in charge of the evening service tonight at the Jerry McAuley Water Street Mission in New York, leaving the chapel at 6:30 p.m.

Tomorrow at 7:30 p.m. a series of weekly street meetings will commence at Union Center, continuing each Friday throughout the summer.

A service for prayer and Bible study will be held on Wednesday at 8 o'clock, when the study of the Gospel of St. Mark will be continued.

Attendance awards were presented by Fred G. MacKenzie, superintendent, at last Sunday morning's service to Helen and Mary Ann Unglaub for 11 years' regular attendance, to Joyce Thall for 10 years' attendance, and to Beatrice Thall and Joseph Henshaw for nine years.

Eight-year bars went to Barbara Johnson, Marion and Virginia Lawson and Ernie Rodd; seven-year bars were won by Donald Johnson, Leonard Pacienza, James Seale and Lois Seifert. Those winning six-year bars were: Lynn Arthur, Lewis Boright, Evelyn and Walter Dierche, William French, William Gerhart, Dale Jelley, Virginia Matthews, Donald Poppas, Carol Lee Schindler and Edward Weber.

Five-year awards were presented to David Arthur, Daniel and Nancy Boyle, Linda Furze, Loren Harms, Robert Miller, Sharon Rogers and George Thapp, while pupils winning four-year bars were Kathy Mayer, Jean Smilowicz, Linda Weber and Harry Wilde. Bars for three years' attendance went to Warren Fair-banks, Sherry and Teddy Florczak, Carol Ann Goehner, Sandy Matthews, Paul Mascillini, Ann Ann Schindler, Janet Shreve, Diane Weber and Barbara Whittle.

Two-year bars were won by Billy Arthur, Joyce and Richard Goldie, Bruce Harms, Thomas A. Roland at a dinner Sunday at the Hotel Douglas, Newark.

The awards results from attendance drives conducted by CYO groups for presentation on the "Catholic Youth Presentation" show on WATV, Newark, on Sunday evenings during the past year. The winners were chosen by write-in votes from the listeners.

Cricketeer Anniversary

The Lock Joint Pipe Company, which has a plant in Kenilworth, celebrated its 58th anniversary Saturday. It is one of the largest manufacturers of concrete pipe in the world.

An open house was held at the local plant in observance of the Anniversary. The company employs 2,000 persons in 20 plants throughout the country and has branches in a number of foreign countries.

Captain Sixpack Convalescing

Captain Edward Stupak of the Kenilworth Police Department who has been off duty for several weeks is still convalescing at home. He is not expected to return to duty for some time.

Glasik Win Two

The Glasiks scored two victories this week in the Small Fry Baseball League. They blanked the Cardinals, 7-0, and topped the Orioles, 3-2. Ron Urquhart was the winning pitcher in both games and was the hitting star against the Cardinals, batting a double and a triple. Fielding of Bracken, Gianf first baseman, was outstanding. Among his fine plays was an unassisted double play. Anglin played well for the Cardinals.

Kenilworth Briefs

Llst Three-Game Card

Three games are scheduled this week in the Kenilworth Small Fry Baseball League. Activities get underway tonight with the Giants meeting the Indians. Following the Independence Day holiday, the Dodgers and Yankees play on Tuesday evening, while the Cardinals take on the Indians on Wednesday night. All Small Fry League games are played at the Fourteenth street and Monroe avenue field.

Wins Cash for Idea

Harold Frolich of 613 Richfield avenue has won cash awards for two suggestions accepted by the Weston Electrical Instrument Corporation, Newark, where he is employed.

Cited by Boss

Michael Marko of 38 North Twenty-third street will receive a 10-year service button at the Standard Oil Company's Bayway Refinery in Linden. He is employed as a pipefitter.

Awarded 'Oscar'

Loretta Mulligan of 36 South Twenty-second street was presented an "Oscar" for an outstanding performance in the annual mid-season Girls' softball competition. She received the award from Archbishop Thomas A. Boland at a dinner Sunday at the Hotel Douglas, Newark.

The awards results from attendance drives conducted by CYO groups for presentation on the "Catholic Youth Presentation" show on WATV, Newark, on Sunday evenings during the past year. The winners were chosen by write-in votes from the listeners.

Union Man, Kathe Seibert In Church Rites

KENILWORTH — The marriage of Miss Kathe Marie Seibert, daughter of Mr. and Mrs. Ludwig Seibert of 388 Lincoln drive and William Frank Young, Jr., son of Mr. and Mrs. William Frank Young of 2130 Van Buren place, Union, took place Saturday afternoon at Calvary Lutheran Church, Cranford.

The Rev. Arnold J. Dahlquist, pastor, officiated at the double ring ceremony. Mr. Seibert escorted his daughter to the altar.

Mrs. Hubert Giordano of Union was matron of honor. Bridesmaids were Miss Edna Figler of Kenilworth and Miss Inge Stanneck of Clark Township.

Hubert Giordano of Union was best man. Ushers were Lawrence Smith of Union and Warren Eaton of Bloomfield.

George Schlenker of Kenilworth was organist and Russel Conklin, formerly of Union, was soloist.

Following a reception at the home of the bride's parents, the couple left for a honeymoon in Canada.

The bride is a graduate of Jonathan Dayton Regional High School, Springfield, and is employed by Bristol-Myers Products Division, Hillside.

The bridegroom is a graduate of Union High School. He was employed by Pete Wender and Son before entering the Air Force. He is an airman first class and was stationed at Mitchell Field, Long Island, and will be assigned to Alaska.

Two Teachers Hired For Regional School

SPRINGFIELD—Board of Education of the Union County Regional District No. 1 has hired commercial and health education teachers to begin their new duties in the fall at Jonathan Dayton Regional High School.

They are: Mrs. Mildred Pelts of Roselle who will instruct in commercial subjects at a starting salary of $4,200 and Miss Betty Leonard of Ridgefield who will teach health education with a salary of $3,300.

Local League In State Loop

GARWOOD—The Garwood Babe Ruth League has officially received membership in the New Jersey Babe Ruth League for 1955, it was announced this week by Richard Stahlberge of Englewood, state director of the baseball program for boys between the ages of 13 and 15.

Membership in the state league makes Garwood eligible to take part in the New Jersey All-Star tournament starting July 16. Semi-final and final rounds in the playoff will be played in Oradell on July 30 and 31.

After Sunday's games, Dit, PAL and SlaBest were tied for first place with two wins to one defeat each, leaving Thajcher still at the bottom of the standings with one victory and two losses.

In the first game, Thatcher took its first game from PAL, 8-7. Billy Trisinski was the winning pitcher, with Joe Provenzano catching for Thatcher. Mooney Leitzel pitched to Billy Morrison for PAL. Thatcher got seven hits and the losers had nine.

The second game saw Frank Kennedy pitch the league's first no-hitter as SlaBest swamped PAL 12-2. The winners had 13 hits. Ralph Bianchi caught for SlaBest. James Morrison was the losing pitcher, and his catcher was Nick Mirgliotta.

Thatcher will face Dit, and SlaBest will play PAL in a double header at Unami Park in connection with the Independence Day celebration here Monday. Action will start at 1 p.m.

Officers of the league are: President, Pat DiPablo; vice-president, William Gerrity; secretary, Joseph Trolano, and treasurer, Donald Legg.

Garwood Socials

Miss Helena Czajkowska of 360 Fourth avenue entertained over the week-end Mr. and Mrs. Paul Czajkowski of Norfolk, Va., Capt. Paul Lorenzen, USN, and Miss Sue Juszynska of Brooklyn, N.Y.

Mrs. John Ferrari of 320 Spruce avenue recently spent 10 days in Overlook Hospital, Summit, where she had a general check-up.

Mr. and Mrs. Matthew Hirsch, Sr., of 464 Third avenue, and their son-in-law and daughter, Mr. and Mrs. Nils Peterson of Westfield, and Mr. and Mrs. John Saland of 444 Third avenue, were the guests at Gracie Mansion in New York City (home of the mayor) over the week-end of Mrs. Celia Wagner on Sunday.

Members of the Junior Choir of St. Paul's Evangelical and Reformed Church were honored at a banquet held on Sunday night in the church hall. Also attending were their parents and guests.

Mr. and Mrs. James Aklan of 304 Walnut street and her brother-in-law and sister, Mr. and Mrs. W. P. Funk of Roselle, on Sunday visited their uncle, Mrs. Clara Devitt and her sister-in-law, Miss Hazel Devitt, both of Chicago, who are spending a vacation in New York City.

Mrs. John Sweney of 347 Beech avenue has returned from Wilkes-Barre, Pa., after attending the funeral of her uncle.

Cpl. Eugene Ferrari of 320 Spruce avenue, member of the National Guard of Westfield, spent the week-end on duty at Sea Girt.

Mr. and Mrs. Henry E. Collins, of Dunmore, Pa., and Mr. and Mrs. George S. Collins of Clarks Green, Pa., were the week-end guests of Mrs. Ivory Collins' son-in-law and daughter, Mr. and Mrs. Richard W. Harper, Sr., of 316 Locust avenue. The Harpers' son and daughter, Earl and Marjorie, returned with their grandparents to spend the summer at their summer home in Cortez, Pa.

Firecracker Warning

In response to several complaints received about persons setting off firecrackers in Garwood, acting Police Chief Thomas J. Colwell has ordered members of his department to "crack down" on offenders. He said a stiff fine will be sought for anyone brought up on this charge.

Chief Coming Home

Word has been received that Police Chief Fred Falzone may return home this week from Jersey City Medical Center, where he has been confined for treatment for injuries sustained in a head-on collision on the Pulaski Skyway, Jersey City, on May 8. His son, Fred, Jr., who was on the danger list for several time after the crash, was reported doing very well but will have to remain in the hospital for some time yet.

BOROUGH OF GARWOOD
CURB AND GUTTER ASSESSMENT

NOTICE is hereby given that the assessment ordinance submitted to the Mayor and Council by the Board of Assessors assessing all benefits and assessments against lands and real estate specially benefited by reason of the construction of concrete curb and gutter on the Lenape Avenue, Westfield Avenue, Third Street and Central Avenue, adopted on May 17, 1955.

Please take notice that a public hearing will be held by the Mayor and Council of the Borough of Garwood, N. J., on Tuesday Evening, July 12, 1955 at 8:30 P.M. (Daylight Saving Time) for the purpose of considering said report or confirmation, at which hearing all persons in interest may be present.

By Order of the Mayor and Council
WALTER S. McMANUS,
Borough Clerk.

Dated: June 23, 1955. 6-30

BOROUGH OF GARWOOD
PAVING ASSESSMENT

NOTICE is hereby given that the Board of Assessors of the Borough of Garwood will meet at the Municipal Building on Monday, July 11, 1955 at 8:30 P.M. (Daylight Saving Time) for the purpose of considering said report or confirmation, at which hearing all persons in interest may be present.

By Order of the Mayor and Council
WALTER S. McMANUS,
Borough Clerk.

Dated: June 23, 1955. 6-30

BOROUGH OF GARWOOD
ORDINANCE

AN ORDINANCE Relating to Public Dancing, Music, Entertainment and Eating Places in the Borough of Garwood, and Providing Penalties Therefore.

BE IT ORDAINED by the Mayor and Council of the Borough of Garwood as follows:

Section 1. That it shall be unlawful for any person, firm or corporation to conduct, manage or promote any dancing, entertainment, exhibition or performance in the Borough of Garwood, whether or not an admission fee is charged to witness the same, or a price is or is not to be awarded to any or more of the participants therein.

Section 2. That for the promotion of the general welfare and morals of the community, it shall be unlawful for any person, firm or corporation to conduct, manage or promote any dancing, entertainment, exhibition or performance in the Borough of Garwood, whether or not an admission fee is charged to witness the same, or a price is or is not to be awarded to any or more of the participants therein, unless the person, firm or corporation conducting, managing or promoting

Public Works Department Preparing Playgrounds

Members of the Public Works Department have been kept busy in recent weeks with various projects to insure that the municipal playgrounds will be in tip-top shape for the Recreation Committee, it was reported today by Township Engineer Patrick J. Grall.

The grass has been cut at Memorial Field and the softball diamonds shaped up for use. New basketball backstops also have been installed here, with metal equipment replacing the old wooden stops.

Apparently the result of youthful vandalism, four new drinking fountains installed recently at Memorial Field have disappeared, Township Engineer Grall reported, and children using the field during the summer will have to get their drinking water at the field house.

A monkey cage and a slide have been installed for the use of young people visiting the Adams Avenue playground. The whole area was seeded earlier in the year and the grass now has been cut in readiness for the season.

Members of his department also have been repairing and enlarging the baseball backstop at the rear of Cranford High School with this size and wood, Mr. Grall related. He said the grass at the rear of the high school and also at Roosevelt School also will be cut in preparation for Tuesday's opening. Two men have been assigned full-time to the grass cutting to insure completion of this work in time, he said.

A new table had to be built for the play area in Sunny Acres to replace one ruined when someone built a bonfire on top of it, the engineer reported.

New basketball backstops (purchased by the Parent-Teacher Association) also have been erected by the Public Works Department at the Lincoln School playground.

The roller skating rink at the South avenue parking lot has been shaped up and a light and a new table and benches installed.

For the season ahead, Mr. Grall said, his men will resurface some of the basketball courts at the playgrounds, starting with the one at the rear of the high school. It is planned also, he said, to build a blacktop shuffleboard at the Sunny Acres area.

Cub Pack 178 Has Annual Picnic

Cubs defeated den mothers, 20-8, in a special softball game as Cub Pack 178, sponsored by St. Michael's Church, held its annual picnic in Echo Lake Park, Westfield, recently. Cubs, parents and small brothers and sisters attended. The program included food, games and awards.

Contest winners were: Egg throw: McVey and Van Bergen; sack race, O'Hara and Imperato; wheel-barrow race, Kelly and Burke; piggy-back, Miner and Raffio; wheel-barrow (junior), Willy and O'Boyle; piggy-back (girls), Patty McHarg and Marge Miner.

Packmaster Sorrentino made the following final awards of the season: Gene Barrett, gold arrow for two bear badges; Richard Stammann, two silver arrows on wolf badge; Terry Kelly and Allen Willy, wolf badges; Floyd Imperato, gold and silver arrows on lion badge.

The highest rank of cubs scouts, Webelos, was attained by David Lynch, John Flugrath and A. Miguel Tarro.

Gold and silver medals were passed out to the recent winners in the cub scout track meet.

Drill Team Retains Title

The women's drill team of Capt. Newell Rodney Fiske Post 339, VFW, retained its state VFW championship Saturday at the state encampment at Asbury Park.

Although unopposed, the team had to attain a high enough score to be awarded the championship by the judges. The team will travel to Boston in August to attempt to retain its National VFW crown.

The team performed for the judges Saturday afternoon at Asbury Park High School athletic field. They were scheduled to march in the parade Saturday evening, but a rain canceled the march.

It was the fifth state title for the Cranford team in the past six years. They lost only to Linden in 1953 by one-tenth of a point.

Past Commander Feted by VFW

GARWOOD—Past Commander Edward Duncan of Linden was honored at a farewell party Saturday night by members of Bay Leaf Post, 6807, Veterans of Foreign Wars, and guests, at Bay Leaf Memorial Hall, 231 South avenue.

Lawrence Mayer, chairman, was assisted by Thomas Englese, Leo Mazer, Peter Zazeski and Fred Von Kummer.

Mr. Donovan, who has been employed by Sonoco Products Company for the past 20 years, plans to move to Lopatcong Township (near Easton) with his wife and daughter, to be near his work when Sonoco moves to Phillipsburg in the near future.

He was commander of the post from 1947 to 1949 and again in 1954-55. Mr. Donovan served in the China, Burma, India Theatre during World War II with the Air Force and was recalled to active duty again in 1950 and served for two years, seeing duty in the Korean Conflict. He is a former manager of the Sonoco team in the Garwood Little League.

The only freedom worth possessing is that which gives enlargement to a people's energy, intelect and virtue. — Theodore Parker

Safety Message

In cooperation with the "Safe Driver of the Month" program of the Cranford Kiwanis Club, Police Chief William A. Fischer today issued the following message:

"Safe" speed depends on the following factors:

Physical — Road surfaces, hills, intersections, degree of curves and other roadway limitations.

Mechanical — Engine power, brakes, tires, wheel alignment, ability to hold the road and other points of good maintenance.

Personal — Driver's mental and physical condition, capabilities, limitations, and coordination.

Weather and Visibility — The influence of wet or muddy roads, or poor visibility.

Share-the-Road — Other motorists, pedestrians, bicycles, carts and animals.

These must all be considered in determining what is a "SAFE" speed. SLOW DOWN AND LIVE.

Honor Graduate to Enter Harvard Medical School

Costan W. Berard, son of Mrs. Frances B. Orlando of 139 Elizabeth avenue, who was graduated cum laude in biology at Princeton University recently, will enter Harvard Medical School in September. He is working at the Ciba Pharmaceutical Company in Summit during the summer vacation.

He is an honor graduate of the Pingry School, Elizabeth, where he participated in student government, dramatics and publications.

At Princeton he was elected to Phi Beta Kappa in his junior year and Sigma Xi in his senior year. He was a member of Elm Club, serving as its vice-president in his junior year and president in his senior year.

He was co-chairman of Bicker in September during his last two years and was crew manager in his freshman year. He also was associated with the news department of WPRU and the Interclub Council. He was elected graduate officer of Elm Club for the next three years.

Stolen Goods Charge Holds Second Man

Charged with receiving stolen property, John Porter, 34, of 22 Johnson avenue, was held for the Grand Jury by Magistrate Charles J. Stevens in Municipal Court on Monday.

According to the police, Porter and Charles Murry, 29, of Elizabeth, tried to sell a stolen electric calculating machine to a Garwood tavern owner. The police said the machine was stolen from the office of the F. Britton Company, 22-26 Smith avenue, west, on the night of March 7, at which time a fountain pen and a small amount of cash also were taken.

Murry was arraigned previously and held for the Grand Jury, also on a charge of receiving stolen property.

Police are still seeking a third person believed to have made the forced entry into the local office.

The names must be bowed and saved if powerful, actual standards of excellence are set up before them. — Dr. Charles Malik

Mrs. Ecob Honored At Stark Shower

GARWOOD—Mrs. Robert Ecob of 253 Hickory avenue was honored at a surprise stork shower last night held at the home of Mrs. Fred Wehrum of 523 Willow avenue. Attending were 35 persons from Westfield, Cranford and Garwood. The affair was arranged by friends active with the guest of honor in Pre-School Mothers and Parent-Teacher Association work.

Mrs. Ecob is membership chairman of the PTA, and her husband is treasurer of the association. She was chairman of the summer roundup for pre-school children last year.

The Ecobs have four children.

Advanced by PS

EDWARD G. OUTLAW

Assistant Superintendent Post for Cranford Man

In connection with changes in the organization of the electric distribution department of the Central Division of Public Service Electric and Gas Company, Edward G. Outlaw of 26 West End place will become assistant division superintendent of the Elizabeth area, effective as of tomorrow.

Starting with the company on September 1, 1930, as a cadet engineer, Mr. Outlaw was assigned to Central Division as an assistant engineer in 1941. In 1947, he was promoted to division substation engineer, which position he has held until his present promotion.

He received his bachelor of science Degree from the University of North Carolina in June, 1938, and his master of science degree from the University of Pennsylvania in 1939. In August, 1943, Mr. Outlaw entered the United States Navy at the Naval Training School at Fort Schuyler, N. Y., and served as a radio technician until March, 1946. During World War II he served as a lieutenant (jg), and saw service overseas in the Pacific Theatre of Operations.

He is poor whose expenses exceed his income. — Jean de la Bruyer

Coffee Trees

During its ten-year life, the carefully-nurtured coffee tree produces about 30,000 ripe red "cherries," on the average—the equivalent of only 10 to 12 pounds of roasting coffee. It takes 125 billion cups of the beverage to quench America's thirst for it, every year.

He who is not liberal with what he has, does but deceive himself when he thinks he would be liberal if he had more. — W. S. Plumer

Four-Club Race Develops In Recreation League

A four-team race has developed for the championship of the Cranford Recreation Softball League.

VFW, defending champions, and Barnett's Outlaws are tied for first place with 7-1 records and the Drive In and Breen's Gold Checks are only a half-game behind with 7-2 marks. Johnson & Johnson remains in contention with five wins and three losses.

VFW held on to first place Tuesday evening by edging a 3-0 win over Johnson & Johnson in an 11-inning contest. Twill allowed only six hits in going all the way. Hits by Brinkerhoff, Pells and Poelter scored the winning runs in the top of the 11th.

The Drive In won its seventh game of the season by topping A & P, 12-2, Tuesday evening. It was the eighth straight loss for the grocerymen.

Barnett's Outlaws held on to first place by ripping the Blue Boar, 8-2, Friday evening. Rebelji was the winning pitcher and Johnny Fiore, the loser.

A homerun by Bell paced J & J to a 12-7 win Friday over the Columbia — Hendrix — Colson Roadmaster Bicycles. Charlie Chandler was the winning pitcher. A six-run rally in the first inning clinched the game for the newsmen. Paul Diddle was the losing pitcher.

The big game this week comes up Tuesday evening when Barnett's Outlaws take on the Drive In. A & P and the G-Men battle for last place the same evening.

Other games this week include: Tonight, Harris Limited vs. Citizen & Chronicle and Johnson & Johnson vs. G-Men; and tomorrow, VFW vs. Harris Limited and Blue Boar vs. Breen's Gold Checks.

It was incorrectly stated last week that the G-Men defeated the VFW. Actually, the veterans downed the G-Men, 10-8.

The standing of the league:

	W	L	Pct.
Barnett's Outlaws	7	1	.875
VFW	7	1	.875
Drive In	7	2	.778
Breen's Gold Checks	7	2	.778
Johnson & Johnson	5	3	.625
Harris Limited	3	5	.375
Blue Boars	2	6	.250
Citizen & Chronicle	2	6	.250
A & P	1	7	.125
G-Men	1	7	.125

Galloping Hill Pitch and Putt Course Planned

A pitch-and-putt golf course — probably the first such public course in the state — will be developed by the Union County Park Commission on land which will become available as the result of the relocation of several holes at Galloping Hill Golf Course, Kenilworth and Union.

In making this announcement today, W. H. Tracy, engineer and secretary for the park commission, explained that the course will be located on land along the section of Fairway drive in Union which lies between the Garden State Parkway entrance off Boulevard and the Route 22 bypass duct which crosses Chestnut street.

Mr. Tracy stated that the course is expected to relieve the pressure from heavy play at Galloping Hill Golf Course. It will, he states, also afford beginners an opportunity to learn the game, and enable present golfers to perfect their approach shots and putting, all in a shorter period of time than it would take to play on a regular golf course such as Galloping Hill or Ash Brook in Scotch Plains.

Kern to Pitch For Riverside On Sunday

Cranford's Don Kern will take the mound again Sunday for the Cranford Riversides against the Riverside-Linden Buckeyes at 3:30 p.m. at Memorial Field.

Kern was wild in his first and only start this season for the Riversides as he lost to the hard hitting Elizabeth Question Marks, 8-2. Kern had not pitched for several weeks and found the mound at Memorial Field uncomfortable. Kern is the type of pitcher who needs a lot of work.

Wet grounds caused postponement of the Riversides-Linden Buckeyes game Sunday at Wheeler Park, Linden. It has not yet been rescheduled.

Two games were played Sunday. The Westfield Hawks increased their lead to two full games over the Linden Buckeyes, defeating champions, by whipping the Question Marks, 7-2. In the other game, the Plainfield Blue Stars upset the Elizabeth Braves, 4-3. The Plainfield Dreiers-Elizabeth AA contest also was postponed because of wet grounds.

The games Sunday, the Question Marks take on the Elizabeth Braves at Warinanco Park Field No. 8, Roselle-Elizabeth; the Westfield Hawks are host to the Elizabeth AA at the Plainfield Dreiers and the Linden Buckeyes at Green Brook Park, Plainfield.

The standing of the league:

	W	L	Pct.
Westfield Hawks	6	1	.857
Linden Buckeyes	5	2	.714
Question Marks	4	4	.500
Elizabeth Braves	4	4	.500
Plainfield Blue Stars	3	4	.429
Elizabeth AA	2	4	.333
Plainfield Dreiers	2	4	.333

Phillies Hold Minor LL Lead On Cox No-Hitter

Jackie Cox hurled a no-hitter for the Cranford Phillies against the Reds, 11-0, to remain undefeated in the Minor Division of the Cranford Little League.

The Phillies are in undisputed possession of first place, a position they gained in the four-game week by trouncing the previously undefeated Senators, 12-4. The Phillies played errorless ball and supported Cox with a 10-hit attack.

The Red Sox won their first game of the season, topping the Senators, 8-6. Tom Eagan took the mound for the Red Sox and got credit for the victory as he received Rowland Reinhardt hit a double and single for the Senators, while Chet Micer belted a double and single for the Red Sox.

With Jim Christie leading the hitting attack, the Pirates walloped the Athletics, 26-4. With Steve Willauer holding the Athletics in check, the Pirates scored in every inning. Donnie Tydings, losing pitcher, struck out seven.

Alliance Nears Church Softball League Title

Cranford Alliance neared the championship of the Cranford Inter-League Softball League on Monday evening.

The Alliance nine topped Calvary Lutheran, 4-2, as Osceola Presbyterian upset St. Michael's, 9-8. In the third game, Zion Lutheran of Rahway surprised Cranford Methodist, 14-5.

After Cranford Alliance took a 6-0 lead in the first inning, Calvary Lutheran tied the score in the third frame. Two walks, a single by Jack Cooper and two ground outs did the damage. Jack Richardson scored the winning run in the fifth when he hit a single, stole second, went to third on a passed ball and stole home. Joe O'Neil was the winning pitcher and Don Hollagut took the loss.

Osceola scored twice in the top of the seventh and then stopped St. Michael's rally in the bottom of the frame for the victory. St. Michael's got the first two men up in the seventh inning on second and third base, but couldn't score.

The league will be idle now until July 11 because of the Independence Day holiday on Monday.

The true motives of our actions, like the real pipes of an organ, are usually concealed; but the gilded and hollow pretext is pompously placed in the front for show. — Caleb C. Colton

Patient waiting is often the highest way of doing God's will — Jeremy Collier

Three Area Golfers In Hill Club Tourney

Three Cranford area golfers have qualified for the Galloping Hill Golf Championship.

They include: Jerry Sabatini of Kenilworth who had a 81-87—74; Carl Trischmann of Garwood had a 84-80—74 and Alvin Peterson of Cranford who fired a 80-85—75.

Lenny York of Elizabeth and Ray Sullivan of Hillside tied for the medal in the qualifying round with 71. Mike Kascin of Mountainside is the defending champion.

Firemen Win Over Linden

For their third win in four defeats in the Union County Firemen's Softball League, Cranford topped Linden, 10-4, in Linden Tuesday night.

Linden drew first blood, getting one run in the top of the first inning on a hit and two walks. But Cranford tied the score with four in the second. Cranford's half of the second opened with a home run by Wes Diizel, followed by three doubles and two walks.

Both teams had two runs in the third stanza, Linden on a triple, an error and three singles and Cranford on a single, a double, a hit and an error. Linden's final run came in the fifth on a walk, a stolen base and a double, leaving the score then 7-4 in Cranford's favor.

A home run by Joe Specht accounted for another Cranford tally in the sixth, and two more were added in the seventh for insurance.

Harold Domaratius was the winning pitcher. He allowed Linden seven hits and two walks while striking out two. Linden's Tyburny gave the Cranford batters 12 hits, walked three and struck out one.

Cranford finishes the regular season with a game in Berkeley Heights at 6:30 this evening. A game with Kenilworth rained out last Wednesday will be played in Unami Park at 6:30 p.m. next Wednesday.

Blues Handed Scott Only Loss of Season

Clifford Scott of East Orange, winner of the Four-County baseball title, has been declared baseball champion of North Jersey, Section 2, Group II by the executive committee of the New Jersey Interscholastic Athletic Association.

Scott compiled a 13-1 record, losing only to Cranford in a 4CC contest.

In this area, Thomas Jefferson of Elizabeth tied New Brunswick for the Central Jersey Group IV title, and Linden gained the North Jersey, Section 2, Group III crown.

Celebrates Birthday With Echo Lake Win

Harry Barrow of Cranford celebrated his 70th birthday by winning the event in Class AA (for those 70 years of age and over) in the Echo Lake Country Club's senior golf tournament last Wednesday. He turned in a card of 87-16—68.

J. W. Lang of Cranford was low with 32 shots in a putting match.

Doyle Joins Albertson At Navy

The two leading scorers in the history of Cranford High School basketball have enrolled at the U. S. Naval Academy, Annapolis, Md.

Ronald J. Doyle of 14A Parkway Village began his midshipman duty Monday, while Midshipman Robert Albertson of 27 Spruce street is in his junior year at the academy.

During the 1954 season, Doyle scored 311 points in 24 games for a 27.3 average per game, the most points scored in one season. In the previous season, Albertson scored 686 points in 23 games for a 21.7 per game average, the highest average ever compiled by a Cranford High School cager. Albertson was a member of the varsity at Navy this past season.

Coach Bill Martin has described Doyle as the best shooter he has ever coached. Although very fast, Doyle featured a set shot from outside. In addition, he scored lots of points on drives. A fine allaround player, he has a good one-hand push shot and an excellent jump shot from the keyhole. Under Martin's guidance he developed into a good defensive player although this was his weak point.

Martin's coaching has obtained from the Recreation Department of the Union County Park Commission.

keep in the forefront of our minds the fact that freedom we take away the liberties of those whom we hate, we are opening the way to loss of liberty for those whom we love. — Wendell Wilkie

Three Teams Tie for East Lead in LL

With only three games left to play, three teams are tied for first place in the Eastern Division of the Cranford Little League.

The Yankees, Indians and Orioles each have won four games and lost three. The Tigers are in the cellar with two victories against five defeats.

Winning two games, the Orioles moved back into contention for the second half championship this week. On Monday evening, the Orioles scored 11 runs in the second inning and coasted to a 14-6 win over the Yankees. Taliaferro and Delia Salla shared the pitching duties for the winners with Taliaferro being credited with the victory. They were both wild, walking nine. Dave Delia Longes started for the Yankees as they pitched five innings of good relief ball. The Orioles' other win was scored over the Tigers, 9-8, last Thursday evening.

The Indians gained a share of the lead Tuesday evening by walloping the Tigers, 15-7. Farrel, Weber, Johnson and McKay and two hits apiece for the Tigers to keep the pressure on, while Veneri and Hanna each had a pair of safeties for the Indians. Adubato got the starting pitcher and Shreiber took the loss.

Behind the two-hit pitching of Clint Cooper, the Yankees edged the Indians, 2-1, last Wednesday evening. Starr drove in the winning runs in the third inning when he doubled to score DeLonges and Byrens who had singled. Alan Kohn scored the only tally for the Indians in the fifth frame when he singled, went to second on an error, third on a passed ball and scored on an infield out.

The schedule for the final week of the regular season follows: Tonight, Indians vs. Orioles; Tuesday, Indians vs. Yankees; and Wednesday, Tigers vs. Orioles.

The standing of the division:

	W	L	Pct.
Yankees	4	3	.556
Indians	4	3	.556
Orioles	4	3	.556
Tigers	2	5	.286

TOWNSHIP OF CRANFORD

ORDINANCE NO. 53-19

AN ORDINANCE providing for the laying out, opening, establishing and grading of Nassau Street in Willow Street, and Spruce Street in Union County, New Jersey.

BE IT ORDAINED by the Township Committee of the Township of Cranford, New Jersey:

Section 1. That Brookside Place, from Orchard Street to Willow Street, which is presently open, from Orchard Street to Nassau Street, be and the same is hereby established as a public street, and the construction of a bituminous concrete pavement, curbs, gutters, sidewalks and other necessary appurtenances thereto, in accordance with plans and specifications prepared by the Township Engineer and on file in his office.

Section 2. That the cost and expense of said improvement be assessed upon the property specially benefited thereby, and that the Township Committee of the Township of Cranford is hereby authorized to levy assessments therefor.

Section 3. To temporarily finance said improvement, the sum of $150,000 is hereby appropriated and bonds or temporary notes of the Township are hereby authorized to be issued in the amount of $150,000 pursuant to the Local Bond Law. Said bonds or notes shall mature at a rate not exceeding 5% per annum and shall be payable not exceeding 10 years from date of issue.

Section 4. That the public right, in, over and upon the lands of Ralph Park East described in Section 2 of this ordinance be terminated and relinquished, and that Ralph Park East be and it is hereby vacated.

Section 5. That Ralph Park East, being more particularly described as follows:

Beginning at a point in the northerly side line of Lincoln Avenue said point being distant 1,000.00 feet, said point also being the intersection of the northerly side line of Lincoln Avenue with the westerly side line of Ralph Park East; thence (1) along said westerly side line of Ralph Park East on a northeastwardly direction along a curve to the left having a radius of 25 feet; thence (2) along a curve to the right having a radius of 25 feet; thence south 75 degrees 31 minutes 30 seconds east 25 feet to the westerly side line of Lincoln Park East; thence (3) along said westerly side line of Lincoln Park East on a curve to the left the various courses 248.52 feet to the southerly side of Lincoln Avenue; thence (4) along said northerly side line of Lincoln Avenue 25 feet to point or place of beginning.

Section 6. That the Township Committee of the Township of Cranford, in the County of Union, New Jersey, hereby declares its intention to close the above described portion of Ralph Park East hereinbefore described as soon as the same shall be opened and improved, and that the Township Committee of the Township of Cranford, in the County of Union, New Jersey, hereby declares its intention to close the above described portion of Ralph Park East hereinbefore described has not been opened or improved as a public street and it is now deemed to be for the best interests of the Township of Cranford

Garwood Briefs

St. Paul's Sermon

"This Freedom" will be the sermon topic of the Rev. Walter C. Pugh, pastor of St. Paul's Evangelical and Reformed Church, at the 11 a.m. worship service Sunday. There will be Sunday School classes at 9:45 a.m. Monthly meeting of the Consistory will be held at 8 p.m. Tuesday.

Feted on Retirement

In honor of his retirement after 28 years with the Suburban Trust Company in Westfield as a maintenance men, William F. Korsens of 249 Second avenue was feted at a banquet at the Mountainside Inn last Thursday night. He left Saturday for a week's vacation in Asbury Park. Mr. Korsens and his wife have resided in Garwood since 1929. They have a son, William J. Korsens of Beechwood; a daughter, Mrs. Thomas McNamara of Garwood, and three grandchildren.

At Summer School

Alan H. Ricardson of 346 Spruce avenue, has enrolled in the summer school of Wheaton (Ill.) College, where he is taking courses in composition and speech.

Garbage Schedule Change

Because of the holiday Monday, a change in the garbage schedule for next week was announced today by Frank Adlassnig, acting superintendent of streets. Collections will be made Tuesday and Thursday on the south side and Wednesday and Friday on the north side.

Playground Improvement

Specifications for black-topping of the two playgrounds at Lincoln and Franklin Schools were approved at a special meeting of the Board of Education last Thursday night. Bids will be received at the regular meeting of July 11 in Franklin School.

Driver Averts Tragedy

William W. Loveland, Jr., of 347 Locust avenue, saved his own life and possibly those of several other motorists when he drove a disabled truck over a precipice on a steep mountain grade on Route 9 in Vermont recently. The Garwood man, a truck driver for Donald M. Snyder, Scotch Plains landscaper, was transporting a bulldozer when the truck's brakes failed to hold while coming down the hill. Rather than risk crashing into other cars on the crowded highway, he veered off the road and jumped from the vehicle seconds before it crashed into a deep ravine. Truck and bulldozer were demolished. Taken to Putnam Memorial Hospital, Bennington, Vt., by his wife, who was following in a car and witnessed her husband's leap, Mr. Loveland was treated for multiple abrasions and lacerations and released.

Playgrounds Opening

The summer playground program for local boys and girls sponsored by the Recreation Commission will begin at Washington and Lincoln Schools at 10 a.m. Monday, it was announced by Joseph Troiano, recreation director. The program of games, contest, crafts and special activities will continue each weekday from 9 a.m. to 5 p.m. Assisting Mr. Troiano this year will be Miss Marlene Zaboda of Clark, a senior at Jonathan Dayton Regional High School, Springfield.

Bridal Shower Held For Miss Doris Colwell

GARWOOD—Miss Doris T. Colwell, daughter of Mrs. Anna B. Colwell of 414 North avenue and the late Samuel L. Colwell, was honored at a surprise bridal miscellaneous shower last Wednesday night in the hall of Bay Leaf Post (26), Veterans of Foreign Wars.

The affair was attended by 40 persons from Roselle Park, Springfield, Mountainside, Newark, Morris Plains, Linden, Kenilworth, Elizabeth, Westfield, North Plainfield and Garwood. A buffet supper was served.

Arrangements were made by members of the bridal party, including Miss Colwell's sister, Mrs. Wilfred L. Burdin, and niece, Miss Jean M. Steffen, of Garwood; her niece, Mrs. Gerald Jennings, of North Plainfield; Mrs. William Conklin of Kenilworth, and Miss Mary Martin of Westfield.

Decorations were in white, yellow and aqua.

Miss Colwell will become the bride of Ralph G. Mann, son of Mrs. Alice Mann of 317 Myrtle avenue and the late Ralph Mann, on September 10 in the Church of St. Anne.

Day Long

(Continued from page 1)

the fireworks display. Music will be supplied by Pat DiFabio and his orchestra.

Missed by many at the park Monday night will be Guiseppe Ragonese, who officiated at the borough's fireworks displays for many years. Mr. Ragonese, father of Councilman Ragonese, died during the past year. This year's display will be in charge of Benjamin Cembrola. The fireworks will be set off in the baseball diamond area of the park.

Acting Police Chief Thomas J. Colwell announced that there will be angle parking on the right side of Center street in the vicinity of the park Monday night and no parking on the left side of the street. On Hemlock avenue, traffic will move one way toward Cranford, and on Hazel avenue cars will proceed one way in the direction of Westfield.

Members of the Civil Defense Police Reserves will report at police headquarters at 7 p.m. to help regular police handle traffic and the crowds during the evening's events.

Fire Chief Thomas J. Brittain reported he will station a fire truck and 10 members of his department at the park, and Magistrate James T. Leonard, president of the First Aid Squad, said members of the squad also will man one of the ambulances at the scene of the celebration.

Two Holiday

(Continued from Page 1)

league, announced that the press box and the public address installation have been completed. He expressed his thanks to James Guerriero and his committee for their cooperation. Individual team standards have been purchased for display on the outfield fence. Assisting Mr. Guerriero were Herbert Wertwein, Archie Darroch, Joseph Mest, William Patten, Walter Stefanski, Al Toth and Mr. Casale.

Garwood's First

(Continued from page 1)

mediate Scouts. The leaders of Unit 1, which selected the name of Cheetaws after the first civilized Indians living in the East, are Mrs. Richard Harper and Mrs. John Banyasz. Unit 2 selected the name Cherokees. The leaders are Mrs. Mario Miccio and Mrs. Fred Degenhardt.

Mrs. Howard Fenwick is the registered nurse on duty and also the leader of the Elves, the young children of the staff. Mrs. Philip Cull, the food chairman, purchased the food each day for the menus made up the previous day.

Each unit elected patrol leaders. For Unit 1 it was Janet Cull, with Jacqueline Banyasz as assistant patrol leader. Unit 2 elected Eilcen Chaborda patrol leader and Jeanne Deredita assistant. Day Camp started each day at 9:15 a.m. with a flag ceremony and closed at 4 p.m. The color guard on the opening day, June 20, was made up of Eileen Chaborda, Jeanne Deredita, Marilyn Hayden, Marjory Harper and Kathleen Hartig.

Westfield Local Council Girl Scouts have also sponsored a Day Camp in Mountainside this year for the first time. It was held for five days in the wooded area of the Central Avenue School in Mountainside under the direction of Mrs. Harry Moore and Mrs. Eugene Kelly with a staff of 22. Seventy Mountainside Brownies and Girl Scouts spent the five days helping to clear the primitive camp site, learning the outdoor skills, studying nature and working on various crafts.

Prepare for Crossing

(Continued from page 1)

tionnaire sent out on the crossing elimination question, requesting each one to name a representative to a committee to attend the hearing.

Mr. Ross also urged that all members of the local governing body make every effort to be present at the hearing, exact time of which will be announced later.

"Although setting of the hearing date does not mean that the crossing will be eliminated next week, it is a big step in the right direction, one which has not been acknowledged to us in the past, and you have a right to be proud of what you have accomplished," Mayor William H. Severage declared in congratulating Council President Ross on the success of his efforts.

Councilman Ross also expressed thanks to Mrs. Hortense Kessler, PUC president and her assistants for their prompt action in setting a hearing date following the filing of an amended petition by the borough last month to supersede one filed on July 13, 1950.

Following a campaign promise made in the fall of 1953, Councilman Ross began gathering data on the grade crossing soon after he assumed office as a member of the local governing body on January 1, 1954. Decision to file an amended petition was reached by the council last January 11, on the basis of reports presented by Councilman Ross on conferences he had held during the preceding year with Governor Robert B. Meyner and other officials in Trenton and Mrs. Kessler and other PUC representatives in Newark.

Council passed on final reading an ordinance banning carnivals, circuses, mobile amusements and similar exhibitions or rides in the borough, after amending the measure to provide that "functions otherwise prohibited by the ordinance but conducted on property owned by the Board of Education of the Borough of Garwood with approval of said Board are hereby specifically authorized and exempted from the provisions of this ordinance."

There were no comments made at the public hearing preceding final passage of the measure, but a letter was read from Mrs. Frederick C. Wehrum, Jr., president of the Parent-Teacher Association, requesting that the ordinance be revised or not passed because "our budget is almost wholly dependent on our annual fair." This fair each year has featured children's rides which would have been banned under the ordinance as it passed on first reading on June 14.

The amendment was proposed by Council President Ross and seconded by Councilman Frederick C. Wehrum, Jr., who cast the only dissenting vote when the measure was passed on first reading. Approval was unanimous on the final reading.

Lt. Leo Ragonese of Liberty Hose Company No. 1, who appeared after the ordinance had been passed finally, declared the addition of the amendment looked to him like favoritism, "leaving the fire department out in the cold."

"We were among those who ran carnivals in the past (they were the only means we had of raising funds for our welfare work), and we agreed to eliminate them for the good of the community as a whole," Mr. Ragonese remarked, "but the idea was that the council was to eliminate them for all organizations."

Councilmen Wehrum and Ross replied that there was a difference between a regular carnival and the special type of children's fair run by the PTA, and Councilman Ross added that he didn't see why the Board of Education wouldn't be ready to give approval to any local organization to run a one-day affair with small rides of the type conducted by the PTA.

Councilman Frank J. Ragonese pointed out that the wording of the ordinance as finally passed seemed to give "permission to the Board of Education to run any type of carnival they want." To this Councilman Ross replied that he felt the board could be trusted to use good judgment, and that the mayor and council also have the right to re-amend the ordinance in the future if issues appear.

"We don't want any organization to feel that we have taken something from one and given it to another, because the ordinance was not written so," Mayor Severage declared in summing up. "I feel this a good ordinance and one that Gagwood has needed for a long time."

Following a report by Councilman Ross, police chairman, that all recommendations made after inspections by police and fire departments and the Board of Health had been complied with, council approved renewal of licenses for the borough's 11 taverns, two liquor stores and one club.

Councilman Wehrum, chairman of streets, issued a request to residents living along the brook to refrain from throwing junk and refuse into the stream as it causes extra work for members of the department, especially in times of heavy rains and flooding.

Mayor Severage announced there will be only one council meeting each month during the summer, on July 12 and August 9.

THE UNION COUNTY PARK COMMISSION
Elizabeth, N. J.
NOTICE TO BIDDERS
Sealed Bids will be received by The Union County Park Commission at 2:00 P.M. on Wednesday, July 6, 1955 at the Administration Building, Acme and Caston Streets, Elizabeth, N.J., and then and there publicly opened for the furnishing of various construction equipment to be used during the remainder of this year in the Union County Park System.

Seven Playgrounds Open Tuesday With Enrollment Below Last Year's

Although registration is several hundred below last year's figure on opening day, a record enrollment is expected for the seven municipal playgrounds opened Tuesday by the Township Recreation Committee.

Registration on Tuesday was approximately 400 as compared with the 600 who enrolled last year on opening day. Mrs. Charles Schlinger, chairman, said the very warm weather probably was the reason for the smaller enrollment. The seven playgrounds at Cranford High School, Roosevelt School, Memorial Field, Walnut Avenue School, Lincoln Avenue Field, Adams Avenue Field and Sunny Acres were closed early on Tuesday afternoon, because of the heat.

Mrs. Schillinger announced the appointment of Dick Keating of 627 Raritan road as a supervisor at Lincoln Avenue Field. Mr. Keating has been discharged after 22 months of service in the U. S. Army. Prior to going into service, he was a physical education major at Upsala College, East Orange, where he was a member of the varsity baseball team. He is now pitching for Montclair in the Essex County League. He expects to return to his studies at Upsala in the fall.

The appointment of Peter Scholz and Jerry Kotlarz as playground assistants also was announced. They will be assigned to various fields to assist in the supervision of sports.

Robert Hobbie and Pete Keve have been hired to umpire playground league games and assist in coaching. Betty Pendersen and Bea Reaves will be arts and crafts assistants.

Mrs. Schillinger reported that the registration at the Adams Avenue Field was poor and that no supervision will be provided there unless an increase is reported by Tuesday. A similar situation developed last year and the field was closed.

Junior and senior softball teams will be organized at each field and leagues formed. Games will get underway on Monday. In addition, all-star teams will be formed to meet teams from other communities.

A theme of "Davy Crockett" has been selected for this coming week. All activities, stories and programs will be centered around this theme.

Full-time supervision is being provided at all playgrounds except Adams Avenue Field where supervisors are available only in the morning. Mrs. Schillinger described the turnout at the new Walnut Avenue Field as "Good." It is expected, Mrs. Schillinger said, that full-time supervision will continue at the new field.

Mrs. Schillinger pointed out that children register at the playgrounds at any time.

Local Scout Named to Attend World Jamboree in Canada

Francis Petrik, son of Mr. and Mrs. Joseph Petrik of 11 Birchfield Avenue, and two other scouts will represent Union Council's 10,000 Boy Scouts and leaders at the eighth world Jamboree from August 18 to 25 at Ontario-on-the-Lake, Canada.

An Eagle scout, he is a member of Explorer Post 476, sponsored by Cranford Post 212, American Legion. He attended the third national Jamboree in California in 1953 and during Boy Scout Week, assisting in presenting a copy of the Boy Scouts' report to Governor Robert B. Meyner.

Roy Irving, Western District commissioner and former adviser of Post 476, will be assistant scoutmaster of the New Jersey troop at the world jamboree. This unit will include boys from all parts of New Jersey and Puerto Rico.

The local youth, Ralph Thomas, an Eagle scout of Troop 1, Elizabeth, and Richard Reitman of Troop 87, Linden, were selected to attend the jamboree by a committee headed by Harlon W. Drew of Cranford, former council commissioner.

The boys will leave August 13 to attend a two-day pre-jamboree training session at the Watchung Council's reservation at Glen Gardner.

While at the jamboree, the local boy hopes to see a Philippine scouter, Jamie Neric, who was a guest of his parents last fall.

Prior to joining the local post, Eagle Scout Petrik was a member of Troop 25, sponsored by St. Michael's Church, Elizabeth. He began his scouting eight years ago as a cub and advanced to the highest rank of Webelos. He also holds the Ad Altare Dei, catholic award.

Young Petrik is a sophomore at Seton Hall Preparatory School, South Orange, which he attends on a scholarship. He has gained the high honor roll there.

Mr. Petrik is a member of Union Council's executive board and is chairman of the Diocesecan Lay Scouting Committee.

Mr. and Mrs. Petrik and Francis will be host on July 15 for a one-week visit of a scout from Puerto Rico. Their guest will be Carolos Cintron Morales, 16 years old, of Juana Dias.

The visits of Carolos and three other scouts from Puerto Rico to

(Continued on Page 8)

Ambulance On Tour

Uniformed members of the First Aid Squad making their rounds to collect coin cards in the current fund drive will be preceded, starting this evening, by the squad's Miller-Cadillac First Aider equipped with a public address system to announce the coming of the collectors.

Second Lt. Albert A. Bendlin announced the new plan today, explaining that it had been decided upon because in many instances collectors found that residents, unprepared for beforehand, reported they had mislaid their cards or hadn't had time to fill them. He said the ambulance will traverse streets in various sections a half-hour or so before collections are begun in a particular area.

While making these rounds, the ambulance also will stop to permit inspection by interested persons when requested, Second Lt. Bendlin said. He remarked that many townspeople may not have had an opportunity to look over the new ambulance and its equipment since it was delivered last August.

Persons away on vacation or who may not be home for any other reason when collections are made in their neighborhood may mail in their coin cards to Mr. Bendlin at 119 New street or to Walter M. Cooper, squad vice-president, at 109 Mlin street.

Collections will be continued by uniformed squad members on evenings and week-ends until the

(Continued on Page 8)

Cranford Boys At Scout Camp In Marcella

Members of Boy Scout Troop 80, sponsored by the First Presbyterian Church, and Troop 76, sponsored by Cranford Post 212, American Legion, are at Camp Winnebago, Union Council's site in Marcella.

These will be joined by boys from five other Cranford area troops during the summer.

At camp this week are 17 boys from Troop 80 and 14 members of Troop 76. On Sunday, 11 members of Troop 80 will begin their second week at the camp.

Three other Cranford troops will be at camp starting Sunday. They include: Troop 75, sponsored by the Cranford Methodist Church, 27 boys; Troop 77, sponsored by the Cranford Alliance Church, 10 boys; and Troop 78, sponsored by St. Michael's Church, 28 boys.

On August 7, 10 members of Boy Scout Troop 82, sponsored by the Community Methodist Church, Kenilworth, will begin a two-week stay at the camp, while 23 members of Troop 83, sponsored by St. Theresa's Church, Kenilworth, start a one-week stay at the camp on July 24.

Court Next Monday On Summer Schedule

Under the summer schedule in effect for Municipal Court there was no regular court session this week, but Magistrate Charles J. Stevens will sit next Monday night. Only other regular session in July will be on the night of Tuesday, July 26 (instead of July 25 as originally scheduled).

Other summer court sessions will be held on Tuesday, August 23, and Tuesday, August 30. Regular weekly sessions will resume on Monday, September 12.

Model Home Entered

A new house at 104 Kenilworth boulevard used by the G. and H. Construction Company of Kenilworth as a model home has been entered twice and articles removed after it was locked up at 8 p.m., it was reported to the police last night. Capt. Lester W. Powell investigated and found entry was gained by forcing a rear window.

Home Track for High School Favored by Boosters' Club

In his annual report, George M. Lincoln, president, told the Cranford Boosters' Club that the organization has been pressing for a track layout at Memorial Field or other location "so Cranford High School can be host to major track meets."

"With the outstanding success which Cranford track teams have had under Coach Weckley, we feel their contests 'away,' Mr. Lincoln said.

At the annual meeting last Wednesday evening, Michael Ferro was elected president, succeeding Mr. Lincoln. Also elected were: F. Richard Lewis, vice-president; Peter Malloy, treasurer, and James Avery, secretary.

The membership drive under the direction of E. Calvin Shire netted

The Cranford Boys' Camp at Silver Lake near Hope began its 29th season at 2:00 Sunday afternoon.

The Rev. Robert W. Conklin, pastor of the First Presbyterian Church, gave the invocation. Past Commander F. Erwin Winter, representing Cranford Post 212 of the American Legion, presented the camp with an American flag. Mr. Winter and two other representatives from the post led the campers in the pledge to the flag.

Robert M. Crane, representing the camp's executive board, of which he is vice-president, introduced the camp director, Milton Berkowitz, who introduced his staff.

For the first week of camp, 43 boys are registered. Arriving at camp on Sunday were David Powell, Donald West, Thomas Cathcart, Jimmy Cathcart, Don Lewis, Sheldon Cohen, David Hudanish, Davy Engmann, Richard Erdmann, Robert Talbot, John Starr, Thomas Mitchell, Dick Duemmler, William De Chabert, Steven Tyrer, Peter Jones, James Bride, Billy Marek, Allen Witley, Billy Little, Phil Brubaker, George Warner and Paul Seiser.

Also, Walter Bernard, Richard Eichinger, Bobby Allen, Jeff Fleuren, David Leary, Tommy Andresen, Robert Etherington, Ricky Huston, Robert Speth, David Arnold, Thomas Charles, Clinton Crane, Joseph Warsinski, Rudy Stewart, George Burnash, Charles Sizer, Arnas Gordon, Bruce Wells, Robert Mowen, Jr., and William Plummer.

Sewer Job Started

Township Engineer Patrick J. Grall reports that work was started yesterday on the relief trunk lateral sewer being constructed for the northeastern section of the township.

Boys' Camp Opens Season

The Cranford Boys' Camp at Silver Lake near Hope began its 29th season at 2:00 Sunday afternoon.

The Rev. Robert W. Conklin, pastor of the First Presbyterian Church, gave the invocation. Past Commander F. Erwin Winter, representing Cranford Post 212 of the American Legion, presented the camp with an American flag. Mr. Winter and two other representatives from the post led the campers in the pledge to the flag.

Robert M. Crane, representing the camp's executive board, of which he is vice-president, introduced the camp director, Milton Berkowitz, who introduced his staff.

For the first week of camp, 43 boys are registered. Sewer Job Started

Township Engineer Patrick J. Grall reports that work was started yesterday on the relief trunk lateral sewer being constructed for the northeastern section of the township.

Fire Damage Figure Listed

Fire losses in Cranford from January 1 through June 30 of this year totaled $14,525, as compared with the $8,040 for the first six months of 1954, according to the semi-annual report of Fire Chief Howard G. Schindler.

Chief Schindler said the increase was accounted for by several dwelling fires during the past six months, in which the greatest single loss was $4,000 in a fire at 6, 8 and 10 Johnson avenue on January 18.

The report showed that members of the department answered a total of 178 alarms during the first half of the year, including 108 general and 70 still alarms. During the same period of 1954 there were 245 calls, of which 52 were general and 193 still alarms.

Fire prevention inspections were conducted as follows: Stores, 104; notified to clean up and reinspected, 8; offices, first, second and third floors, 24; apartments, hotels and rooming houses, 30; nursing homes, 3; lumber, coal and junk yards, 13; garages and service stations, 36; factories, 14; total, 282.

Oil burner inspections during the half-year were made as follows: Oil burner installations, 84; burner replacements, 7; tank replacements, 19; furnace replacements, 2; burner and furnace replacements, 15; final inspection of gasoline tanks, 1; underground tank inspections prior to final approval, 40; total, 142.

Permits were issued as follows: Oil burners, 116; burner replacements, 7; tank replacements, 3; furnace replacements, 1; First Aid

Name Successor to Mrs. Harold Haagensen, Retiring Today After 23 Years' Service

With the retirement today of Mrs. Harold Haagensen as head librarian of the Cranford Free Public Library, the Board of Trustees announced the appointment of Mrs. Bertie Wall Daly of Denville to succeed her.

Mrs. Haagensen is retiring after 32 years' service. She joined the library staff in 1922 and served successively as children's librarian, assistant librarian and since May, 1940, as head librarian.

A native of California, Mrs. Daly is a graduate of the College of William and Mary, Williamsburg, Va., class of 1937. She majored in English and library science. At that time William and Mary had an accredited library school, since discontinued.

Mrs. Daly is a certified public librarian in the State of Virginia and was librarian in several schools in that state. She subsequently married and had a family and in 1950 returned to library work.

She was a reference librarian in the Morristown Public Library from 1950 to 1952 and in the Orange Public Library she served as senior librarian in charge of reference from 1952 to 1954.

Mrs. Daly comes to Cranford from the Flemington library where she took over as head librarian in September, 1954.

The new librarian has three children, two girls in high school and a younger son. Her home at present is in Denville, but she and Mr. Daly plan to locate in Cranford when a house is available.

Mrs. Daly is a member of the American Library Association, the New Jersey Library Association, Alumnae Association of William and Mary, Kappa Kappa Gamma, American Association of University Women, Daughters of the American Revolution, Denville Girl Scout Association and the Soroptimist Club of Huntdron County.

The library board announced that its previous appointee, Mrs. Oliver L. Liley of New York, was unable to accept the position.

When Mrs. Haagensen announced her retirement in January, the board expressed its deep regret, but stated that it appreciates her desire for more leisure after her many years of service to the community.

"Mrs. Haagensen will be greatly missed by the public who have always found her gracious, efficient and willing to help in every way," the trustees said at that time. "She has been especially

Girl Scouts Assist Garden Project

Some of the girls enrolled at the Girl Scout Day Camp being conducted at the Girl Scout House on Springfield avenue under direction of Mrs. Ira Kerzman are shown working in the rock garden at Cleveland School. One morning a week is devoted to this work as a service project in cooperation with the Crane's Ford Gardeners. Left to right in the picture are: Patty Bower, Eileen Zioko, Lynn Gillespie and Patty Sangiuliano.

Day Camp Provides Varied Round of Activities for Girls

Girl Scout Day Camp, directed by Mrs. Ira Kerzman, is now in its second week.

Morning activities include flag ceremonies, singing, games and dancing. Mrs. Henry Zioko has taught the scouts American and European folk dances.

Cookouts, nature and crafts and swimming are also included on the camp program. The first cookout was the fall cooking. The group was divided into two patrols. One patrol made the fires and the other prepared the food. For the second cookout, cooking will be done by patrols.

As a service project in cooperation with the Crane's Ford Gardeners, the girls also have been weeding one morning a week to weeding and planting activities in the rock garden at Cleveland School.

Mrs. Arthur Kightlinger has been instructing the scouts in tin painting. Nounds, White and Library Grote, program aides, are assisting her. Mrs. Norman White is teaching the fundamentals of basket weaving, assisted by Barbara White and Helen Weber, junior counselors. The girls have made baskets and placemats.

The Rev. John Hunn, assistant pastor of the First Presbyterian Church, instructs 20 of the girls in canoeing. The Ulhigh Canoe Club has donated the use of its canoes for the program.

Last Thursday was "Backwards Day." Scouts attended camp dressed backwards. Eileen Zio-

No Pressure Failure Here

Water pressure in Cranford mains has risen above the danger level during the current hot spell, despite drops experienced in some other communities served by the Plainfield-Union Water Company, it was reported last night by Fire Chief Howard G. Schindler.

At the request of the water company, Chief Schindler posted a notice at fire headquarters instructing that police headquarters was to be notified if pressure dropped below 30 pounds per square inch, but such notification was not found necessary.

Lowest reading recorded here recently was that of 44 pounds at 8:45 p.m. Tuesday. High that day had been 82 pounds at 8 a.m., and the reading was 60 pounds at 6 p.m.

Yesterday's high was 85 pounds at 6 a.m., and the lowest reading was 65 pounds at 6 p.m. Pressure was on the way up again at 7 o'clock last night with a reading of 67 pounds.

Low readings over the week-end were 69 pounds at 8 p.m. Saturday, 59 at 8 p.m. Sunday and 50 at 7:30 p.m. Monday.

Communities reporting low readings Tuesday night included Roselle Park, 34 pounds at 8:15 p.m.; Westfield, 32 pounds at 7:30 p.m., and Plainfield, 37 pounds at 7:30 p.m.

In Westfield, as a result of the drop of more than 20 pounds below a normal reading of 55 pounds, emergency restrictions on outside water use were put back into effect Tuesday night on request of the water company. Garwood also reported a 20-pound drop, but readings continued above the 30-pound mark so no emergency measures were taken there.

Mayor Fred P. Andersen, chairman of the Inter-Municipal Water Committee, reported that his group is keeping a close check on water pressure readings in all com-

Trustee Vacancy Discussion Slated

The special committee of the Board of Education named to consider a recommendation to fill a vacancy will meet sometime next week, Mrs. G. Holmes Williams, chairman, reports.

The vacancy was caused by the resignation of Louis G. Troutman, former board president, who has moved to Madison. Also on the special committee are Channing Rudd and Joseph Kohn.

One of the suggestions the committee will consider, Mrs. Williams said, is that one of the two men endorsed by the Joint Civic Committee for Encouraging Board of Education Candidates who lost at the last school election be appointed to fill the vacancy.

Valuations Rise At Slower Rate

Although there was a definite slackening in the rate of increase, new building valuations recorded during the first six months of this year again showed an increase over those for the same period of the previous year, according to figures released this week by Building Inspector Fred J. Deller.

Through June 30, Mr. Deller's office issued 290 permits for new valuations totaling $2,728,800, as compared with 285 permits for valuations totaling $2,629,500 in the first six months of 1954. This represented an increase of slightly less than 4 percent, whereas the 1954 total had been an increase of 24 percent over the figure for the first six months of 1953, which in turn had represented a 47 percent increase over the six-month figure in 1952.

The biggest single item in the total valuations figure continues to be that for new dwellings, but there is a decrease evident in this category for the first half of 1955. During the first half of this year there were 189 permits issued for new dwellings with estimated valuation totaling $1,896,500, as compared with the 1954 first-half figures of 196 residence permits with total valuations of $2,451,800. The 1953 figures for the same period were 153 dwellings with valuations of $1,770,000.

Total figures for all permits and valuations were as follows for the first six months of this year: January, 30 permits for valuations totaling $283,600; February, 13 permits, $95,100; March, 41 permits, $547,900; April, 70 permits, $568,900; May, 80 permits, $709,400, and June, 57 permits, $525,900.

New dwelling permits and valuations were as follows by months: January, 21 permits for homes with valuations totaling $278,000; February, 5 permits, $71,000; March, 30 permits, $373,500; April, 45 permits, $547,000; May, 56 permits, $682,800, and June, 32 permits, $44,200.

New home developments resulted in large valuation figures for every month thus far this year except February, when there were only five residence permits issued, covering valuations estimated at $71,100.

In January there were 10 permits issued in North Cranford Estates for homes valued at $12,000 and $13,000 each on Wadsworth terrace, and five to Barry Homes for dwellings on Preston and Rankin avenues valued at $12,000 each.

The March figures included 11 permits to North Cranford Estates for homes on Wadsworth terrace valued at between $12,000 and $13,500 each, and six to Winwood Corporation for dwellings on Connecticut avenue and Concord drive valued at $12,000 each. Also dwelling this month's total were permits to Cranford Hall for an addition with valuation of $150,000 and to N. Tomasulo for a restaurant at 333 North avenue, east, valued at $4,000.

In April there were 29 permits issued to Morval Homes for dwellings valued at $11,000 each on Crane parkway and Mendell avenue, and to the same concern for dwellings valued at $15,000 on Parkview manor and Edgewood

(Continued on Page 8)

Forecast: Hot Weather To Continue

The weatherman has nothing but bad news to report today. His forecast for today is: Mostly fair and hot with temperatures again in the 90's.

Yesterday's high of 92 was a welcome relief to the 100-degree figure reported by the Weather Bureau at Newark Airport at 5:15 p.m. on Tuesday.

If the mercury rises above the 90-degree mark today as predicted, it will be the sixth consecutive day that the thermometer soared to that point or higher. In a 48-hour forecast, the weather bureau sees no appreciable change from today's forecast.

Despite the hot weather, not a single case of heat exhaustion was reported in Cranford. Everyone, however, felt uncomfortable.

The 101 degrees on Tuesday was the highest for a July, topping the previous record of 95 set in 1949. Tuesday's weather was made more uncomfortable by the high humidity, which reached the 81 percent mark during the afternoon.

Clark Begins Rotary Term

Peter J. Clark became the Cranford Rotary Club's president for the year 1955-56 at induction ceremonies held at the Methodist Church during the club's regular luncheon meeting last Thursday.

C. Van Chamberlin, retiring president, thanked the club for its support during his term of office, and expressed appreciation for the cooperation of officers and directors during the year. He singled out the fine programs provided under the supervision of Mr. Clark as vice-president, as most noteworthy in a year of excellent performance and good will.

Charles M. Roy was congratulated by Mr. Chamberlin on his attainment of a perfect attendance record of 20 years. Twenty-seven members were cited for perfect attendance during the Rotary year. Club attendance averaged over 90 percent for the year.

Past President Robert M. Crane conducted the induction ceremonies in the absence of William A. Fischer, chairman of the past presidents' committee. Mr. Crane delegated to Mr. Ray the introduction of the new board of directors, consisting of Past Presidents Chamberlin and Harold M. Wilson, and Horace K. Corbin, Jr., Vincent F. Sarnowski and Dr. Anthony Sordill.

John L. Black greeted Dr. Edward M. Coe as the new treasurer, William J. Dodds was installed as secretary by Roy H. Mac Bean. The Rev. Robert G. Longaker performed the same function for Arthur K. Burditt as vice-president, and remarked that both had joined the club on the same day.

In presenting Mr. Clark as president, Mr. Crane called attention to the fact that he was recently

Skating Program Attracts Few First Night

With attendance far below normal, the Township Recreation Committee's two-a-week roller skating program got underway Tuesday evening at the South avenue parking lot.

For the remainder of the summer, the program will be held each Tuesday and Thursday evening from 7 to 8:30 o'clock. Recreation officials cited the very warm weather as the reason for the slim turnout Tuesday evening.

If the weather cools off, a larger attendance is expected at tonight's program.

James Avery and Thomas Tipaldi, teachers in the local school system, are supervisors for the program. This is the second season the committee has offered the roller skating program for the residents of the township. It was reported that adults as well as children are invited to participate.

Mayor Praises Efficient Handling of Holiday Traffic

Efficient handling of the crowd of 14,000 persons and 2,500 vehicles present as Cranford celebrated Independence Day with a band concert and fireworks display in the lagoon section of Nomahegan Park brought praise from Mayor Fred P. Andersen Monday night for the 26 regular and 20 auxiliary policemen and the First Aid Squad and Fire Department crews on hand at the park.

"The coordinated efforts of these various groups to insure the carrying out of our exuberant celebration without mishap," the mayor remarked in a brief welcoming address, "affords a good example of the teamwork which no other nations have mastered and which makes America the nation it is."

Capt. Lester W. Powell, delegated by Police Chief William A. Fischer to direct the police detail at the park, reported that the fireworks display ended at 9:55 p.m. and the park was cleared of traffic by 10:25 p.m. He also complimented the men under his direction for their efficient work.

Two children who suffered minor abrasions when they fell while playing in the area were treated at the scene by members of the First Aid Squad.

The fireworks display, in charge of Postmaster Arthur F. Metz, was described by many as one of the best seen here in years.

Some competition from spectators who insisted on lighting their own sparklers resulted in a warning announcement by the police over the amplifier regarding these articles and firecrackers. Capt. Powell reported the police confis-

Aid Cerebral Palsy League

Mrs. E. L. Scheideler, executive director of the Union County Cerebral Palsy League, commended several Cranford children for their work in raising funds for the Cerebral Palsy League.

Claire Hallenbeck, Diane Dinsmore, Ange Sorrentino, Cory Tamburr, Janet Hopkins and Angela Sorrentino, of Hillcrest avenue, recently entertained neighbors and friends with a program including songs and dances. Mrs. Scheideler stated that $6.75 earned by the children will be used to help the Union County Cerebral Palsy Center continue with its program of training handicapped children to talk, stand and walk.

Hank Detering of 207 Beech street recently held a book sale. The $4.75 which he raised was given to the Cerebral Palsy League.

Bob and Cindy Staiger, Judy Herzog and Jackie and Barbara Lione opened a museum for the benefit of the same charity and donated the proceeds of $3.05 to the organization.

Mrs. Scheideler stated that it was gratifying to learn that so many Cranford children were interested in helping less fortunate children.
