

Drill Team Fete Planned By VFW Post

Plans for a testimonial dinner for the Ladies' Drill Team of Capt. N. R. Wake Post 333, VFW, to be held at the Cranford, Garwood, on November 20, were discussed at a meeting of the post in Veterans' Memorial Home Tuesday night. The drill team placed first

in national competition at the VFW national convention in New York City in August. Township officials and VFW dignitaries have been invited to attend the dinner, which will be followed by dancing. It was announced that the post's annual children's Christmas party will be held at Veterans' Memorial Home at 1:30 p.m. on Saturday, December 10. A donation of \$10 was voted to the United Fund. Donations also were authorized to the Christmas

Seal Sale and the VFW Children's National Home. Accepted as new members were Robert W. Niedrach of Plainfield and Eugene Mason of Cranford. An American flag will be presented to the Cranford Boys Baseball League at that organization's annual Awards Night. The post is sponsoring a basketball team in the Cranford Recreation League. It was reported that the post joined with the auxiliary in conducting a card party for approximately 150 veterans at Lyons Hos-

pital on October 23. Senior Vice-Commander John Dolan presided. **Martin Jewellers** (Continued from Page 1) Junior, Mr. Siegel pointed out, dedicated itself to bringing to residents of the area the finest in nationally-advertised merchandise at the lowest possible prices with all types of flexible payment plans available. The local store, located at the corner of North Union avenue and Alden street, has been enlarged and modernized three times and now occupies one of the largest areas of any jewelry store in the county.

In 1949, a branch store was opened in Westfield, and in 1956 Martin Jewellers purchased Dunham's Jewellers in Kenilworth. With the acquisition of Taylor's Jewellers, the buying power of Martin Jewellers has increased to the point where it is competitive with any jewelry store in the area, Mr. Siegel said.

Mr. Siegel, who resides at 715 Willow street with his wife and three children, has been active in local affairs for several years. He is a member of the Planning Board, Cranford Rotary Club, Cranford Post 212, American Legion; Fiske Post 333, VFW; United Chapter, D.A.N.; Composite Lodge, F.A.M.; Cranford Historical Society, Temple Beth-El and the Cranford Business Association, of which he is a past president. In conjunction with its latest expansion move, Martin Jewellers is now conducting a store-wide sale.

College Post (Continued from Page 1) as a big advance in the college's aim to meet its responsibilities of the future," Dr. McKay said. "We realize we must find the ways to finance our capital expansion to meet the needs of an ever-increasing number of Union County area high school graduates seeking admission to higher education. This will only be possible if we can continue to expand our plant to meet these needs."

Mr. Siegel, a former student at Union Junior College, has been a member of the editorial staff of The Cranford Citizen and Chronicle for the past two-and-a-half years. His position on the local newspaper will be taken over by Miss Barbara Fletcher of 717 Willow street. She is a graduate of Cranford High School and the Newark College of Business Administration, where she majored in English.

A former part-time employee on the newspaper while attending college, Miss Fletcher also worked one summer on the editorial staff of The Citizen and Chronicle. For the past year and a half she was employed as an editorial secretary in the public relations department of the National Headquarters of the Boy Scouts of America, Cranford, N.J.

after he made his escape from the Moscow prison camp, Mr. Metzner entered the Technical University of Berlin, having to start his studies all over again — this time in German — since his Russian records had been destroyed. It took four more years until his dream of coming to America came true.

In 1924 Mr. Metzner landed at Ellis Island speaking a few words of English with a distinct Russian accent acquired from that grammar book and Conan Doyle's mysteries. One of the requisites then to enter this country was to have an academic degree and at least \$25. He had the degree but only \$18. He managed to borrow the other \$7 and soon became a dishwasher in a Bronx restaurant.

Present Plaques (Continued from Page 1) told them that before this can be accomplished they must first take personal pride in their profession. The speaker urged support of the realtor movement, pointing out that it is like a house, with the roof represented by the national association, the walls by the state associations and the floor by the local associations. He said the whole structure is only as strong as the floor on which it is built. He reported on the growth of the multiple listing service throughout the nation.

Daniel Haneyhan, regional vice-president of the New Jersey Board of Realtors, urged attendance at the state convention December 3-7 at the Traymore Hotel, Atlantic City. President Edward J. Shaheen conducted the meeting. Among the guests were Mr. Shaheen's uncle, Thomas Shaheen, past president of the board of realtors of Camden, Calif.; George S. Sauer, past president; and Mr. Haneyhan.

Language Saved (Continued from Page 1) As a boy he had an insatiable desire to know more about other continents and borrowed books from the high school and city libraries. He also poured over newspapers and magazines, reading first an account of his favorite sporting events in a German newspaper and then in a Russian one.

Foreign names of automobile models were a puzzle to him, and he would try to find out the meaning of the names. He was particularly interested in the names of English names in Russian, which he found in a Russian dictionary. later he was a machinist's helper in a railroad shop. Finally his dream of training with a German manufacturer helped him to get a job with Babcock & Wilcox in Bayonne. After the plant shut in 1931, Mr. Metzner made his way west by taking a bus to Harrisonburg, Pa., and walking out the back of the train.

Back in the East once more, the young man enrolled in an advanced English course at Columbia University, where he met a Russian who worked for Esso Bayway Refinery. The friend told him of an opening there in the library, and Mr. Metzner has been with the Technical Information Division of Esso Research and Engineering Company for 25 years. He is a senior postmaster in the division.

Mr. Metzner is married and has three children. A daughter, Mrs. Gordon Siegel, recently returned from Germany, where her husband is stationed with the Army. His son-in-law, who studied Russian at Army Language School, spoke good Russian after a six-month intensive training course. Mr. Metzner reports.

Two sons are in the military. One is in the Army, and the other is in the Navy. Mr. Metzner is a senior postmaster in the division.

Halloween Relatively Quiet; Investigating False Alarms

"Mischief Night" and Halloween both were relatively quiet in Cranford. Police Chief Lester W. Powell reported this week. Members of the Auxiliary Police supplemented the regular police force and some off-duty regular men also were given special assignments on both Thursday and Friday nights.

Most serious offenses reported, Chief Powell said, was the turning in of four false fire alarms. Pointing to the exposure of firemen to hazardous conditions and the expense of equipment out unnecessarily, Chief Powell and Fire Chief Bernard A. Doyle, Jr., joined in announcing that an extensive investigation is being made and that if the culprits are found they will be prosecuted to the full extent of the law.

False alarms were turned in from box 415, at Orange and Pacific avenues, at 9:58 p.m. Friday, and from box 412, at Columbia and Belmont avenues, at 12:17 a.m. and 11:15 p.m. Saturday and at 1:25 a.m. Sunday.

Roderick W. Smith of the First Church of Christ, Scientist, reported to the police that sometime between Friday and Sunday a number of parking standards and signs in the church parking lot were broken or carried off by vandals.

There were two cases of Halloween mischief, reported last Wednesday night and five on Thursday night, "Mischief Night." These included breaking of windows in model homes, throwing of pumpkins (one of which broke a window and a light in a home), writing obscene words on sidewalks, destruction of a jack-o-lantern on a porch and anonymous phone calls.

There were numerous instances of writing with soap on windows of business establishments, homes and cars.

Sandra Williams, daughter of Mr. and Mrs. G. Holmes Williams of 14 Madison drive, was honored recently at a surprise party in observance of her sixteenth birthday anniversary. Guests included Gale Leland, Carol Potter, Patricia Downing, Judy Gitzer, Elva Reeves, Beth Epstein, Jack Peters, Kathy Morrison, Nancy Chew, Betty Eudene, Janet Ray, Joan Penneville, Diana DeLonge, Bonnie Korman, Beth Ferro, Linda Huff and Jeanne Peter.

OBITUARIES

Clara Low, Play Producer, Dead

The Rev. Robert G. Longaker officiated at services yesterday at 3 p.m. for Mrs. Clara L. Low, who produced many amateur dramatic performances in Union County. Mrs. Low, wife of John H. Low, lived at 1507 Springfield avenue. She died Monday at the Cranford Hall Nursing Home of a brief illness.

Interment in Fairview Cemetery, Westfield, followed the services at Gray Memorial, 12 Springfield avenue. Born in New York, Mrs. Low lived here more than 60 years. She was a charter member of the Cranford Dramatic Club and had directed or produced at least one play each year since the club was formed in 1918.

In addition to her dramatic work here, she took part in the production of plays in Elizabeth, Plainfield, Westfield, and Bound Brook.

A student of phonetics at Hunter College, New York, before 1900, Mrs. Low said last year that she believed the suburban theater movement would continue to be successful if it got out of the rut of presenting only light comedies and followed the road to experimental theater.

Mrs. Low headed the surgical dressing department here for the American Red Cross during World War I. She was a member of the Progress Club.

Besides her husband, she leaves a son, Bayard C. of Houston, Tex.; a daughter, Mrs. Margaret L. Whitton of North Bergen; a granddaughter and two great-grandchildren.

Mrs. Elizabeth I. Dembke, formerly of 344 Lincoln avenue, died last Thursday in St. John's Nursing Home, Charlottesville, Va., after a year's illness. She was the widow of Hugo O. A.

Dembo, who died about 40 years ago, a native of Brooklyn. Mrs. Dembke lived in Cranford for 30 years. She lived in Orange avenue before moving to the Lincoln avenue address. She went to Charlottesville about a year ago. A member of First Presbyterian Church, she had been a member of its Woman's Association, now the Margaret Greene Association.

She leaves a daughter, Mrs. Helen E. Jones, Charlottesville; a stepdaughter, Mrs. Elsie D. Schweikart, Elmhurst, N. Y.; a grandson and a great-grandchild. Services were held at the Hill & Irving Funeral Home in Charlottesville. Burial was in the family plot in Scitville, Va.

Mrs. Tillie Kotlarz, a solemn high mass of requiem was celebrated for Mrs. Tillie Kotlarz, 84, of Unionville, L. I., mother of John Kotlarz of Cranford, Tuesday morning in St. Adalbert's Church, Elizabeth. A resident of Elizabeth until August, Mrs. Kotlarz died Friday in the East Meadow Road (L. I.) Hospital, following a short illness.

William F. Wilson, Sr., Dr. Fred W. Druckenmiller, pastor of Connecticut Farms Presbyterian Church, Union, officiated at services Monday morning for William F. Wilson, Sr., 65, of 48 Delaware drive. Mr. Wilson died last Thursday at his home after a heart attack.

Mr. Wilson was a self-employed distributor of Mayfair Ice cream products in the Passaic-Paterson area for the past 15 years. He was born in Morrisville, Pa. Mr. Wilson lived in Walker avenue, Union, for 25 years before coming to Cranford five years ago. He was a summer resident of Seattle and a member of the Seattle Club. His wife was the late Mrs. Mary Wilson.

The funeral was from the Gorry & Gorry Mortuary, 380 Elizabeth avenue, Elizabeth. Burial was in Mt. Calvary Cemetery, Linden.

Surviving are a son, William T. Wilson, Jr., of Colonia, a daughter, Mrs. William Daily, Cranford, and four grandchildren. The funeral services were in the Cranford Funeral home, 1500 Morris avenue, Union. Burial was in the Cranford Memorial Park, Kenilworth.

Capt. David D. Swaris, Services will be held at 2 p.m. tomorrow at Gray's 318 East Broad street, Westfield, for Capt. David D. Swaris, Sr., 72, of 222 Virginia street, Westfield, formerly of Cranford.

He became general price manager in 1948, returned to Kenilworth two years later as labor relations manager, and then was transferred again to headquarters as a project manager of the purchasing and traffic division before he was assigned to the DEW Line.

He is a past president of the Stanley S. Holmes chapter of the Telephone Pioneers of America, born in Ottawa, Ill. Mr. Lohman was graduated from Northwestern University, Evanston, Ill.

His conclusion is that "present facilities will be at their ultimate use by 1960" and it is therefore necessary to start preparing now for that time. Mr. McGovern said that the committee must consider the various alternative solutions, and the school board will have to determine the solution.

The academically gifted child is the subject of another study committee which was organized last year, according to Edward Gill, a board member who is chairman of the committee. In this connection, Mr. Gill pointed out that Cranford has had accelerated programs in the past and still does, but it is desirable to improve them. The study committee has spent 10,000 man-hours in research, sending questionnaires all over the nation and observing outstanding programs in other systems.

Dr. Leonard E. Moody, chairman of finance and teachers and salary committees, related that much attention had been given to the controversial question of teachers' merit pay. The 1958-59 budget is two million dollars, 70 percent of which will be in personnel salaries, and Dr. Moody said that these expenses are all operational; that is, no construction expenses are included in the figure.

The teachers' committee, he explained, hires full-time and part-time teachers as well as all substitutes. (Continued on Page 7)

Public School (Continued from Page 1) does not interfere in its administration. Dr. Clark W. McDermott, superintendent of schools, explained the functions of his office. The superintendent developed, he said, out of the school board's need for a professional adviser and its need for someone to function for it. The superintendent stated that his job is to coordinate the components of the local system and to act as an "extension of the board in day to day administration of policy." He also helps interpret the school system to the public.

Herbert McCullough, secretary of the Board of Education, described the activities of his office. Many board recommendations are carried out by the secretary as well as being recorded by him. In addition to the usual duties of a secretary, Mr. McCullough handles many business activities of the school system, including the payroll and benefits for the 367 school employees. He also is responsible for arranging and conducting school board elections.

Long range planning problems were discussed by James E. McGovern, second elected member of the school board to address the day. "These questions are being considered by a special 14-member committee composed of board members, township commissioners, future needs have been projected from their study of present facilities."

and \$5 values, in addition to the customary sheet form. The new, red, white, and blue stamp marks the first time that Savings Stamps have been printed in more than one color, according to the postmaster. It will continue to feature the Minute Man, as on the old green stamp, but the American flag has been added to the background.

The gift books will be especially appropriate as the Christmas season approaches. Mr. Metz pointed out that the 25-cent stamp contains 10 25-cent Savings Stamps, the \$5 book 20 stamps—and there's no extra charge for the book itself," he added.

At present, only the 25-cent denomination will appear in the patriotic three-color theme. However, all other Savings Stamps will continue to be sold; The 10-cent stamp in red, the 8-cent in blue, the 51 grey, and the \$3 brown.

KENILWORTH Citizen and Chronicle GARWOOD

Vol. LXV, No. 41.

CRANFORD, NEW JERSEY, THURSDAY, NOVEMBER 4, 1958

SECTION THREE

Blydenburgh, Mascaro Reelected; All Democrats Win In Kenilworth

KENILWORTH — For the second consecutive year, Kenilworth voters went "down the line" for all Democratic candidates.

Councilman Raymond Blydenburgh and Frank J. Mascaro were reelected to the local governing board, defeating Republicans Nune Zampaglione and James Carroll. So sweeping was the Democratic victory here, that even Jack B. Dunn, Westfield Congress hopeful, drew almost 80 more votes than Mrs. Florence P. Dwyer, GOP incumbent, who overcame the Democratic tide for a slim reelection margin.

Reelection of Blydenburgh and Mascaro keeps the Borough Council firmly in Democratic control. Councilman Ernest Vardella, whose term ends next year, remains the lone GOP member. The Democrats took control for the first time in the memory of political observers in 1956 and solidified it last year.

Returned to Borough Council

RAYMOND BLYDENBURGH

FRANK MASCARO

Blydenburgh topped even popular Harrison A. Williams, Jr., Democrat Senate voter, in leading the ticket here. The council totals: Blydenburgh, 1978; Mascaro, 1466; Zampaglione, 1197; and Carroll, 999.

Councilman Blydenburgh, non-affiliated last April over John T. Surveant, a Republican, again showed his strong voter appeal Tuesday by amassing the highest total in each of the borough's five districts. He received 36 votes in the First District, 341 in the Second, 278 in the Third, 235 in the Fourth and 407 in the Fifth.

Mascaro received 323 votes in the First District, 316 in the Second, 268 in the Third, 272 in the Fourth and 303 in the Fifth. Zampaglione had 228 in the First, 203 in the Second, 223 in the Third, 208 in the Fourth and 351 in the Fifth. (Continued on Page 2)

More Than 500 Attend 'Back To School' Program

KENILWORTH — More than 500 parents took part in the "Back To School" program of the Kenilworth PTA last week, visiting classrooms at Harding and McKinley schools, meeting teachers and viewing samples of their children's work.

United Nations Week was observed by the reading of the United Nations Prayer by Gabriel Weber, a sixth grade pupil in Mrs. Isabelle Larkin's class.

Mrs. Larkin, international relations chairman, supervised the decorations in the cafeteria and decorations in the flags in the auditorium, where the monthly meeting took place.

The annual observance of "Back To School" was explained by Miss Signe Swisher, school principal. Edwin W. Kinn, superintendent of schools, spoke briefly on the observance of National Book Week, describing a display of books at the rear of the stage.

Refreshments were served in the cafeteria by Mrs. Rose Swelgin, hospitality chairman, and her committee of sixth and seventh grade mothers.

Attack Here Admitted By 3 Newarkers

KENILWORTH — Three men arrested Tuesday in Newark in the abduction-rape of a Newark secretary will be charged with rape and robbery by Kenilworth authorities, Police Chief Edward Shupak said yesterday.

The trio has been charged with abduction and attempted assault and battery by Newark police. They have confessed the crimes, Newark police report.

Charged with the crimes are Casper Shepperd, 19, of 181 Peshine avenue, Newark; a truck driver, John Henry Jones, 20, of 128 Peshine avenue, a machinist, and a painter, William J. Jones, 18, of 187 Peshine avenue, a pizza pie baker.

Miss Audrey Levay, 20, of 215 Elmwood avenue, Newark, the attack victim, remained in fair condition yesterday at Columbus Hospital, Newark. She was beaten about the face and suffered a skull fracture.

Newark police said the car in which the secretary was attacked was inadvertently driven to police headquarters Tuesday by a police officer.

Dayton 'Open House' Is Next Thursday

SPRINGFIELD — In observance of American Education Week, a special faculty committee of the Jonathan Dayton Regional High School has made plans for an "Open House" between 9:30 a.m. and 2:30 p.m. next Thursday.

Parents and other visitors are invited to attend regular classes and observe the high school in actual operation.

\$135,000 Fire Razes Store; Tripodi 'Good'

KENILWORTH — A fire of undetermined origin destroyed the Treasure Trove, a furniture store at 10 Michigan avenue, on Friday afternoon. Damage has been estimated at \$135,000.

Dominick Tripodi, of 445 Sheridan avenue, a volunteer with the Kenilworth Fire Department, suffered a back injury when a fire hose broke loose and a stream of water forced him against the side of a fire truck. He was reported in good condition at Alexian Brothers Hospital, Elizabeth, yesterday.

The two-story building valued at \$35,000 was described as a complete loss by firemen. Abraham Lewis of Millburn, valued the contents at \$100,000 and said there was little of value that might be salvaged from the store.

The fire continued to smolder over the weekend, and firemen were called to water it down. Fire Chief Leon Scaramuzza said the alarm was turned in at 1:10 p.m. At its last meeting, Troop 16 chose two girls to visit Thomas Klen, a little boy who is recuperating from polio. They are Kathy Boylan and Joan Anthony, who will play games and read stories to him. Each week two other girls will visit him. Troop leaders are Mrs. Lynn Kramer, Mrs. Edward Leikaukas, and Mrs. Adolph Leikaukas.

Girl Scout Troop 63 had a Halloween party on Tuesday evening, October 28. Each girl came in costume, and played games, ducking for apples, pulling marshmallows, and dancing.

Several members of the troop went on a hike around Surprise Lake Saturday. They were accompanied by Mrs. James Ferguson and Miss Sheila Ferguson. Leaders of the troop are Mrs. Fred and Mrs. George Carpenter and George Carpenter.

Girl Scouts, Brownies Elect Officers, Hike, Visit Patient

KENILWORTH — A variety of activities, including election of officers, a Halloween party, visits with a hospitalized boy and a hike, were conducted recently by various Girl Scout and Brownie troops, it was reported today.

Girl Scout Troop 19 elected officers last week. The following were elected: President, Sandy Lang; vice-president, Joann Kus; secretary, Pamela Applebaum and treasurer, Helen Randall. Troop leader is Mrs. Henry McGeehan.

At its last meeting, Troop 16 chose two girls to visit Thomas Klen, a little boy who is recuperating from polio. They are Kathy Boylan and Joan Anthony, who will play games and read stories to him. Each week two other girls will visit him. Troop leaders are Mrs. Lynn Kramer, Mrs. Edward Leikaukas, and Mrs. Adolph Leikaukas.

76 Percent of Voters Cast Ballots Tuesday

KENILWORTH — A "moderately heavy" outpouring of eligible voters — 76 percent — took part in Tuesday's general election, according to the results of the election reported by the county clerk, J. McGeehan.

Last November, 84 percent of the electorate turned out in the election featured by a mayoral, gubernatorial and two congressional contests.

KENILWORTH — Gerald Sherrod, chairman of the arrangements committee, reported today that plans for the Congregational Dinner at Community Methodist Church this Sunday evening at 6 o'clock have been completed.

"The program at the dinner has two purposes," said Mr. Sherrod: "first, we want to remind our older members and tell our newer ones how we built our excellent parsonage, beautiful church, and new educational building; and second, we want to present the needs of the church to the people." Assisting Mr. Sherrod in the arranging of the program are George Carpenter and George Carpenter.

Mediocre Roselle Foe for Saturday

Cranford High's victory-hungry football squad will have a pretty good chance to register its second win of the season Saturday, when it meets a mediocre Roselle team at 10:30 a.m. at Simpson Field.

The Rams, like the Cougars, are in a re-building year after an excellent 1957 season. So far this year, they are 2-4, with wins over Scotch Plains and Springfield and losses to Hillside-Cranford's lone victim — and Clark, among others.

Roselle was completely outclassed last Saturday in dropping a 25-0 verdict to Clark Regional (Cranford lost to the Crusaders by a 20-7 score).

In the second period, Joe Donnelly from his own 25 broke through the middle of the line and scored on a 10-yard run. The first five, Bob Leil went around left end to pick up their first six points. Paul Kunkin kicked for the seventh point.

51 Attend Jaycee Trip To Princeton

Fifty-one boys attended last Saturday's Jaycee trip to Princeton, N.J., sponsored by the Princeton Jaycee Chapter of Cranford.

Dr. R. E. Watson, Jaycee's president, returned.

There was a last-minute rush to get the boys on the bus. The organization was able to locate only 11 more to add to the original 40. At least 50 more boys are expected to attend the trip.

The Jaycees plan to continue the trip on a Sunday basis, expanding next year's group to at least 100 boys. Dr. Watson reported.

Accompanying the boys on the trip was a party of Jaycees acting as hosts and chaperones, headed by Bob Ferner, Ed Robinson, Bob Cogan and Mory Seidel.

Park Turns Back Cougars, 19-13

By HOWARD ARNHEIM

Roselle Park's highly-talented football team rolled to its sixth straight win last Saturday at Memorial Field, stopping Cranford's Cougars in a 19-13 victory.

Park's defense held the Cougars to only 59 yards on the ground but Cranford's outstanding aerial attack made it a close game.

As soon as Park took possession of the ball they began to move. In nine plays they went 76 yards for their first touchdown. From the five, Bob Leil went around left end to pick up their first six points. Paul Kunkin kicked for the seventh point.
