## Second Vote on School Budgets Seen 'Not Worth Cost or Delay'

Carter E. Porter, president of the Board of Education, Monday night read a statement setting forth the board's views on submitting school budgets to the electorate.

The board believes a proposed budget should go into effect "unless it is voted down by a majority of the voters cast providing that the 'no' vote comprises at least 16 percent of the registered voters," the statement said.

In the event of defeat, it continues, the board should recommend the same budget or a reduced one to the Township Committee within five days, as "the second ballot after a first defeat appears to us not to be worth the cost or delay."

A proposal that would eliminate all public voting on school budgets is before the General Assembly and has the support of the New Jersey State Federation of District Boards of Education and the New Jersey Education Association.

The local board also recommends that the public vote only on proposals for tax dollars to support new programs, new benefits and new facilities, and that there be no vote on bond interest, planned minimum surplus, state or federally mandated items such as special education, transportation and social security and the current year's cost plus inflation and population growth projections.

"The inflation factor to be used could be supplied by the state and the population growth determined by a conference with the town and private school authorities," the statement said.

The board maintains that these proposals "would offer a better balance between positive local control of educational development by a populace that will make the effort to understand the problem and the effects of the various solutions, and the more frequent situation, in this state of voter apathy."

"We, members of the Cranford Board of Education, feel strongly that the public should have the right to determine the development of the educational program for its children by voting on the budget and electing members of the board. On the other hand, we feel that the efforts and experience of board members should not be negated by public apathy or the public's failure to meet the obligations imposed by inflation or government mandate."

A copy of the statement has been sent to the New Jersey State Federation of District Boards of Education.

### School Closing Policy Adopted At Board Session

Policy for closing school on days not authorized in the official school calendar was adopted Monday night by the Board of Education.

The decision to close school for reasons such as inclement weather, plant failure or extraordinary staff projects is to be made by the superintendent of schools.

In the event of the death of a prominent person, an appropriate memorial service at school assemblies will be conducted. The superintendent, with board concurrence, may close school part or all day after considering the following factors:

The impact of the death on the local system, the degree of the tragedy involved (sudden and/or violent), direction from the State Department of Education, the reaction of federal, state and local government and the business community, and the probability of pupils observing or participating in other memorial services.

School closing policy came under fire last March when schools were kept open on the day of former President Eisenhower's funeral. Sixty-five Hillside Avenue Junior High School students walked out of class in protest.

Resignations were accepted from the following teachers effective June 30: Miss Tommie L. Biggs, high school social studies teacher, due to her forthcoming marriage; Mrs. Elizabeth Brake, librarian, at Bloomingdale Avenue and Roosevelt Schools, due to personal reasons; Anthony Colella, remedial reading teacher at Orange Avenue Junior High School, to accept position as learning disability teacher consultant for the Millburn public schools; Mrs. Judith Morgan, speech correctionist, due to commutation problems; Edward A. Otto, German and social studies teacher at Hillside Avenue Junior High School, due to early retirement to enter the ministry, and Jack Spear, social studies teacher at Hillside Avenue Junior High School, to accept graduate assistantship at Seton Hall University.

The board appointed Joseph V. Gallucci, helping teacher at Lincoln and Sherman Schools, to replace Mrs. Ruth Janovsk as principal of the two schools. Mrs. Janovsk was promoted to director of elementary curriculum and instruction.

Mr. Gallucci, who holds a B.A. degree from Jersey City State College and an M.A. degree in school administration from Seton Hall University, served three years as an elementary teacher in Roosevelt School and four years as helping teacher at Lincoln and Sherman Schools. His new salary will be \$11,000.

The following new teachers were hired for the 1969-70 school year:

Miss Cheryl Boydman of Springfield, secondary school English teacher. Miss Boydman was graduated this month from Newark State College with a B.A. degree and will receive a salary of \$7,000.

Miss Sara Jane Cook of Huntington, W. Va., as an elementary school librarian. Miss Cook received her B.S. degree from Ohio University and master's degree from the University of Kentucky. She has had two years' experience as a school librarian and will receive an annual salary of \$8,000.

## Canoe Rally Sunday Under Sponsorship Of Local Jaycees

The Cranford Jaycees will sponsor their first "Jaycee Canoe Rally and Treasure Hunt" at the Cranford Canoe Club, Springfield and Orange Aves., this Sunday.

Starting at 5:30 p.m., family groups will take off in canoes to hunt for various items and locations up and down the river. Each family is to spend an hour on the water, competing against time and one another to obtain as many "treasures" as possible. Prizes to be awarded include tickets to the Jaycee Football Classic between the New York Giants and Philadelphia Eagles, a trophy, beach accessories, a home appliance and the fee for an afternoon of family canoeing.

An entry fee of \$5 will be charged to cover the cost of canoe hire and prizes, and the proceeds will be used for Jaycee projects.

### Library Summer Schedule

Under the summer schedule which began this week, the Public Library will be open Mondays, Wednesdays and Fridays from 9 a.m. to 9 p.m., and Tuesdays and Thursdays from 9 a.m. to 6 p.m. There will be no library hours on Saturdays.

The Board of Education will conduct two discussion meetings this week on five revised school building plans.

The first meeting will be held tonight at 8 o'clock at Orange Avenue Junior High School, and the second will be held on Tuesday at 8 p.m. at Hillside Avenue Junior High School. Details of the five plans are outlined in a flyer delivered yesterday to every home in Cranford.

Carter E. Porter, board president, said the Board of Education will have to select one plan for detailed study by July 1 in order to have a bond issue referendum in October.

Mr. Porter urged all Cranford residents to attend both meetings, tonight's meeting at Orange Avenue and the second presentation of the five plans, and the June 24 meeting to inform the members of the Board of Education of their reactions to the five plans.

The proposals range in cost from \$4 million for Plan A, which provides for renovating Cranford High School and four elementary schools, to \$8.7 million for Plan C, which calls for building a new four-year high school on the Hillside Avenue tract.

The five plans under consideration by the school board are a synthesis of six alternate plans presented and discussed a year ago as possible solutions to the school system's housing problems. Included is one new plan: An addition to Hillside Avenue Junior High School for use as a three-year high school, an addition to Orange Avenue Junior High School for use as a three-year junior high school, and renovation of three of the five older elementary schools. The newest proposal, Plan E, would cost an estimated \$6 million and would establish a six-three-three organizational plan.

Mr. Porter said the school board a year ago presented three pupil housing problems to the community: Overcrowding at the junior and senior high schools, the need to renovate the four older elementary buildings and the high school, and the apparent community dissatisfaction with the six-four-two pattern of organization. At that time, six alternate plans were presented and discussed as possible solutions to the housing problems.

During the past year, the Board of Education has appointed an architect, had test borings made at various sites to determine building suitability, studied the overcrowding at the secondary level, had the architect in cooperation with the state prepare plans and a cost estimate for the expansion of the present high school and develop a cost estimate for the construction of a new four-year high school, re-studied the need for renovating the older buildings, reviewed the findings of the Jaycee community survey regarding population mobility and community attitude on the present school pattern of organization, and requested the staff to study changes in program to meet the foreseeable needs of pupils in the areas of higher learning, vocational training, education of handicapped and other areas.

Among the criteria the board will use in evaluating the plans, Mr. Porter Please turn to Page 8

## 'New Community' Plans to Be Outlined At Meeting Monday

An open meeting of the New Community Foundation will be held in Fellowship Hall of Calvary Lutheran Church at 8 p.m. Monday, featuring a talk by Warren Roche, foundation vice-president.

In making the announcement, Raymond S. Molnar, co-chairman of the foundation's Cranford division, stated that the meeting is in response to requests received from Cranford residents for in-depth information on plans of the Newark Central Ward's New Community Corp., a grass roots organization whose goal is to rebuild 45 acres of slum area into a modern community owned and operated by the residents themselves.

Mr. Roche is one of the original organizers of the foundation, which is the suburban fund raising arm of the self-help project.

The meeting will feature a comprehensive outline of New Community Corp. plans, goals and progress to date and a slide presentation.

Following the talk, Mr. Roche will conduct an audience question-and-answer session and explore ways in which private citizens may participate in helping to further the program in Cranford.

## AFS Student From Finland To Attend CHS Next Year

Elina Lehto, a high school senior from Petajavesi in southern Finland will attend Cranford High School next year under the foreign student program sponsored by the Cranford Chapter of the American Field Service.

Her American parents for the year will be Mr. and Mrs. Kenneth M. Kaiser of 4 Virginia St., and her American sisters will be Nancy Kaiser, a junior at Cranford High School, and Joanne Kaiser, a sophomore at Hillside Avenue Junior High School.

The final meeting of the Cranford AFS chapter will be held Tuesday night at Union College and will include a farewell party for Marta Maturana from Chile, who has been here for the past school year, and for Will Duarte from Guatemala, who has been in Cranford since February.

There also will be an orientation session for the families who will be Cranford hosts for the 44 AFS students from 23 countries who will visit in local homes during the week of July 13-18. This is part of the AFS bus tour program in which 3,000 students who have spent a year in this country have a chance to visit in other homes and see other

parts of the United States before returning to their own countries.

There is still an opportunity for a few more host families to share this experience, and interested persons may call Mrs. Kaiser or Mrs. Homer J. Hall of 310 Prospect Ave. for details.

The AFS chapter meeting is open to the public, and anyone interested in the foreign student program is invited to attend.

In making the announcement of plans for Miss Lehto to attend Cranford High School next year, Dr. Homer J. Hall, president of the local AFS chapter, said:

"Cranford is fortunate to have such a fine student selected by AFS International for our program next year. The care with which the personality and background of these AFS students is matched with the individual host family is a secret of the success of the whole program."

The Cranford chapter is now completing its program of fund raising for the year, to cover the expense of student visitors to Cranford and possibly of students from Cranford who may go abroad. The expense of these programs is supported in both cases by equal contributions from the host chapter and by the student or his sponsoring chapter.

## Criteria for Orderly Community Cited by Mayor in Talk to Police

Police Chief Matthew T. Haney reviewed the current status of his department and outlined plans for the months ahead at a departmental meeting in the Municipal Building on Sunday.  
The attending police officers were commended by the chief for their high level of performance in recent months, pointing out that the number of arrests for criminal activity in the community depicted a well-trained force.  
Chief Haney introduced Mayor Edward K. Gill, whom he depicted as "probably the one person in Cranford most responsible for our high quality police force, relatively low crime rate and absence of racial unrest."  
Mayor Gill related that in his opinion a good police record depends upon the two basic principles of good police training and sound law enforcement.  
"However," he said, "changes have taken place in recent years which affect the social, economic and cultural structures of our community and pose new problems to today's police officers."  
"It is not the police officer's responsibility to solve these problems," Mayor Gill continued, "but he should understand them. He should know the causes for the unrest and in this way be better prepared to handle the problem."  
The mayor pointed out that new police equipment devised to meet changing conditions requires constant upgrading of police officers.  
"Continuing education for police officers is a must if we are to avoid asking our police to solve 1969 problems with 1925 techniques," he said.  
Mayor Gill asked that there be no relaxing of "the firm law enforcement which we have asked for in the past."  
"However," he continued, "there are several new dimensions to consider if we are to avoid overreacting in a manner that will make a minor trouble into a major one."  
The mayor suggested that whenever possible the police department should identify the potential sources of trouble or troublemakers and make all necessary plans to meet the incident.  
"Above all," he said, "we should make the position of the community and the police department quite clear. If all parties know the ground rules and are familiar with what is expected of them, and what the consequences of breaking the law will be, there can be no serious misunderstanding."  
"A community which expects the enforcement of law in a firm but rational manner can be of tremendous support to its police. Potential troublemakers who know in advance the consequences of violating the law will be less likely to test our enforcement."  
"All of these contribute to an orderly citizenry, an excellent relationship between citizens and police and a community whose citizens can walk the streets in safety."

Sun worship is an all American sport. For those who participate, a beautiful tan is a status symbol worth baking for. Too much roasting, however, results in more burn, less status. Everyone reacts differently to Old Sol. The best advice is to take it easy. Ten minutes on a side is enough for the first day. If you must bake longer, do it before 10 a.m. or after 2 p.m., since the sun's rays are strongest during that four-hour period. And don't be fooled by a cloudy or hazy sky. You can burn on cloudy days too!

Avery, chairman of the Union County Coordinating Agency for Higher Education, and Mrs. Anna Grygotis, secretary, are shown signing contracts with Union College, Cranford, and Union County Technical Institute, Scotch Plains, providing for utilization of both institutions to provide a two-year college program for the county. Looking on are Dr. Kenneth Iversen, acting president of Union College; standing at left, and Robert P. Douglass, president of the Union County Vocational School Board of Education.

## Sign Contracts to Provide County With Two-Year College Program

The Union County Coordinating Agency for Higher Education on Monday executed contracts with Union College, Cranford, and Union County Technical Institute, Scotch Plains, to utilize both institutions to provide a comprehensive two-year college program for Union County.

The contracts were approved unanimously by the Coordinating Agency and signed by James S. Avery of Scotch Plains, chairman, and Mrs. Anna Grygotis of Linden, secretary, at a meeting at Union College.

Under the plan, Union College will provide university-parallel programs and Union County Technical Institute will provide technical and occupations-oriented programs. In addition, students in the college-level programs at the Technical Institute will earn college credits and associate in applied science degrees through Union College.

The contracts call for the Coordinating Agency to provide each year "a sum for the purpose of compensating Union College and the Union County Technical Institute for such public higher educational services as they shall render" as appropriated by the Union County Board of Chosen Freeholders.

Robert P. Douglass of Scotch Plains, president of the Board of Education of the Vocational School in the County of Union, and Dr. George Baxel, superintendent, signed the contract for the Union County Technical Institute, while Dr. Kenneth W. Iversen of Cranford, acting president, and LeRoy W. Smith of Elizabeth, secretary of the board of trustees, signed for Union College.

"We are confident that this arrangement making use of existing facilities will provide the highest quality and least expensive program of two-year college education for the citizens of Union County," Mr. Avery said. "It enables us to make use of Union College, which is recognized as one of the leading two-year colleges in the nation, and Union County Technical Institute, which is highly regarded for the quality of its technical programs."

team. In forming this committee, Mrs. Silver stated:

"We will show our concern with teacher morale and communicate his concern through a teacher support team. At first this will be an exploratory committee which will seek ways to communicate parent support and interest in teachers as a whole and as individuals."

Mrs. Silver explained that the newly formed recommendation committee will be concerned with parent morale.

"This, too, is an exploratory committee," she said. "The purposes are to increase parent interest in school affairs and community affairs which directly affect the school, and to develop channels by which recommendations from the community of parents can be made and acted upon."

Mrs. Bernard Teiger will be chairman for this committee.

## Charges Public Not Consulted On School Plans

Criticism of the way in which the Board of Education developed its five alternate school building programs was expressed at Monday night's board meeting by Dr. Harry Dougherty, president of the Association for Better Cranford Schools.

He maintained that the board "has not opened a single, meaningful board workshop to the public for the last eight months."

"The board has searched and studied each of these plans with-

out consulting the public — without even giving the public an opportunity to listen and learn," Dr. Dougherty charged. "Now the board hands the public the whole basket of apples and says in effect, 'You have one week to pick the one with the fewest worms in it.'"

## Retired Fire Chief Schmitz Is Honored at Dinner-Dance

Nearly 200 persons attended a dinner-dance last Thursday evening at the Westwood, Garwood, in honor of former Fire Chief John N. Schmitz, who retired last December 1 after 45 years' service.

The guest of honor was lauded for his leadership and loyalty to the department and was termed a "fireman's fireman." Best wishes for a long and happy retirement were extended by former Mayor Ira D. Dorian, toastmaster; Mayor Edward K. Gill, Public Safety Commissioner Wynn Kent, Fire Chief Bernard Fleming, Fire Chief Martin Burke of Westfield, who spoke on behalf of a dozen fire chiefs from neighboring communities who attended the affair, and William Dugan, president of the New Jersey State Fireman's Association.

Mr. Dugan made a plea for stricter law enforcement and better protection for both firemen and policemen who, he charged, have been injured by hippies, yuppies and others while answering calls in line of duty. His remarks brought a round of applause.

The guest of honor received an inscribed watch, a diamond tie tac, a wallet, and check for "a long vacation," and other gifts. Charles Kardel, president of Branch 37, Firemen's Mutual Benevolent Association; John E. Haviland, president of the Firemen's Club of Cranford, and Fire Capt. Clark Duckworth, chairman of the dinner committee and on behalf of all who attended, made the presentations.

Mr. Haviland, long active as a volunteer member of the department, noted that Chief Schmitz was retiring after 45 years' service but the building in which the department is housed dates back to 1909. He urged that, with the progress and innovations in fire-fighting techniques, the township needs a new fire headquarters.

Invocation was offered by Fire Chaplain Rev. Arnold J. Danquist, pastor of Calvary Lutheran Church, who also paid tribute to the late Fire Capt. Edward Ruhlard, retired, and who was to have been honored at the dinner. Capt. Ruhlard died April 29.

Also introduced were Public Affairs Commissioner Malcolm Pringle, Finance Commissioner Jack McVey and Public Works Commissioner William Meyer; Township Engineer P. J. Grall, Township Administrator John F. Laezza, Jr., Police Chief Matthew T. Haney, Township Assessor John Duryee, Tax Collector Harold J. Seymour, Township Treasurer Agnes Matlaga and several other members of the fire, police and municipal departments.

Members of the guest of honor's family attending included Mrs. Schmitz, his son and daughter-in-law, Fireman William J. Schmitz and Mrs. Schmitz; his sons-in-law and daughters, Mr. and Mrs. Robert J. Poeltler of Clark and Mr. and Mrs. Charles Hess of Hazlet; a brother, Clarence C. Schmitz of Cranford and his brother-in-law and sisters, Miss Marian A. Schmitz of Cranford and Mr. and Mrs. Fred Jones of Oradell.

Retired Fire Chief Howard Schindler, now residing in Lake Wales, Fla., and Mrs. Schindler also were present.

Visiting fire chiefs present included Edward Dowd of Roselle, Frank Miklos of Linden, Hugh Cameron of Union, Robert Day of Springfield, John Burns of Elizabethtown, John Rowley of Plainfield, John Partington of Milburn, George Frick of Winfield, John Moroli of Garwood and Robert Volte of Clark. Also present were Retired Chiefs Howard Denk of Union and Elwood Johns of Roselle and Retired Capt. Edward Kuhlenschmidt of Cranford. Also attending was William Malon, president of the New Jersey FMBA.

Assisting Capt. Duckworth with arrangements were Capt. Charles Frankenberger, Capt. Edward Reade, Capt. Robert Griffin, Capt. Theodore Chamberlain, Lt. Randolph Kirkman, Lt. Stephen Eustice, Lt. John Haviland, Firemen

JOHN N. SCHMITZ

Russell Ditzel, Dale Gangaware, Leonard Dolan and Wesley Ditzel. Chief Fleming was honorary chairman.

Former Mayor Dorian related that Chief Schmitz joined the department as a callman January 1, 1923 and became a paid fireman February 1, 1928. He was advanced to captain February 1, 1950, to deputy chief January 1, 1964 and to chief September 1, 1965, succeeding Chief Bernard A. Doyle.

He noted that the retired chief's family has long been associated with the local department. His father, the late Nicholas Schmitz, served as a callman for six years. His son, a former callman, has been a paid fireman since December 1, 1964, and his brother, Clarence Schmitz, retired in 1965 after 42 years as a callman.

"We have made every effort since moving to our new campus more than a decade ago to provide on-campus and off-street parking for all students and all faculty members."

**One paint for every-thing in your house?**

**Yes.**

MANOR HALL Latex Enamel is the new premium paint from Pittsburgh Paints. It is the first latex flat enamel. It gives you a rich, flat finish that outlasts ordinary paints two or three times over.

You can use it anywhere inside your home—on walls, ceilings or woodwork, in living room, dining room, bedroom, bathroom, kitchen, nursery or den. Anywhere you want a surface that keeps looking luxurious for years and years.

One more thing. MANOR HALL has excellent hiding power and one coat, in most colors, applied according to directions will cover most any painted surface. High hiding is easy for paints which have poor washability, but the combination of high hiding and ease of dirt removal can be found only in a superior product like MANOR HALL.

If a can of MANOR HALL gave you only one kind of paint, \$12.50 a gallon might seem high.

For the combination MANOR HALL gives you, it's a bargain.

By MR. CHARLES

What you notice about a pretty girl is how pretty she is—not how great her makeup is. Whenever someone says: "I like your eye shadow," something's wrong. When that same someone says, "What marvelous eyes you have!" everything's right. Putting on makeup should be as much fun as finger-painting. All you need is the confidence to plunge in, smear it on, then blend until you like what you see. There are too many women who are afraid of any makeup other than lipstick and eyeliner. This shouldn't be. What should a woman feel more at home with than her own face?

And when someone says "I love your hair do," be sure to tell them about MR. CHARLES HAIR FASHIONS, 35 Alden Street, 276-3508. Be sure to mention that our highly trained beauticians are experts in cutting, coloring, permanents and frostings, as well as the sale and service of wigs, wiglets and falls. And don't forget about our SAUNA BATH. It is the only one in the area.

HELPFUL HINT: If your eyes are small and close together, apply eyeliner from the inner corner of the eye to the outer corner.

The Union County Planning Board has presented City Federal Savings and Loan Association with a plaque as the recipient of the 1968 Planning Award for outstanding architectural design. City Federal's Cranford branch office building at Walnut and South Aves. was the winning building.

Designed by Edward Durell Stone of New York, the Cranford office is a one-story structure featuring a huge cantilevered roof of curved laminated timbers supported by circular columns with steel fins. Basically a circular glass-walled structure, the building features an interior lobby water fountain located on top of a unique circular vault which is situated midway between the ground and basement levels.

The basement contains a community room which is made available without charge to local civic and fraternal groups for meeting purposes. The main banking lobby features oiled walnut counters, a white marble check desk around the vault and red wall-to-wall carpeting. Walk-up and drive-in windows are also provided.

Western Electric locations across the nation. The event was a highlight of the company's 100th anniversary celebration.

## Explanation Given Of Extended Flag Flying in Town

Because of weather conditions during the past weekend, the American flags placed in the town center Saturday by the Chamber of Commerce in observance of Flag Day became wet and were not taken down until they dried out on Monday.

Many inquiries were received and Thomas F. Korner, patriotic officer of the VFW and flag custodian for the chamber, made the following explanation:

"The flag code permits the flag to be flown during the hours of darkness provided it is properly illuminated, as evidenced by the flags in front of the Post Office and Municipal Building as well as the flag at Veterans' Memorial Home. These flags are flown 24 hours a day and are illuminated at night.

"The flags placed throughout the town by the Chamber of Commerce on special patriotic holidays are affixed to a street light pole and they, too, are illuminated during the hours of darkness.

"However, it is not the general practice to leave these flags up over night. The unusual weather conditions of the past weekend caused the flags to become wet. To take them down and store them would have subjected the flags to mildew and eventual rot. The most practical way to dry the flags was to let them fly in the sun on Monday. They were then taken down and stored.

"The Veterans of Foreign Wars is keenly aware of all flags being flown in Cranford and are the self-appointed guardians to see that

no disrespect is given to our national symbol."

## More to Cancer Crusade Than Mere Giving

In announcing this week that the annual Cancer Crusade was "well on its way towards its town goal of \$9,250" and expressing thanks "to the hundreds of block workers who have given so much of their time and their friends and neighbors who have been so generous," John T. Connor, Jr., local chairman, also stressed the fact that "one of the central aims of the crusade is to familiarize our friends and neighbors with the facts about cancer."

Literature distributed during the campaign pointed out that cancer is no longer an automatic death sentence, listed the "Seven Warning Signals," suggested elementary precautions such as avoidance of cigarettes and the wearing of light, protective clothing when exposed to the sun for long periods, and stressed the importance of regular medical checkups including tests for cancer.

Those who contributed to this

year's Cancer Crusade are deserving of thanks for their support of a worthy cause. Others may still join in and help insure full attainment of the 1969 goal by forwarding their contributions to their respective district captains or directly to Mr. Connor at his home, 25 Arlington Rd.

But even after all this, an important part of the over-all job remains to be done — implementation by individuals of the lifesaving suggestions included in the educational material distributed by the American Cancer Society.

The society points out that about 100,000 Americans will die needlessly of cancer this year — and the word "needlessly" is stressed, because if those 100,000 had had their disease diagnosed and treated in time, the chances are that they would be alive and well.

A word to the wise is sufficient — we hope.

"WITH HIS COMPLICATIONS, DOC, WILL HE BE WELL BY JANUARY?"

## Letters to the Editor

### Some Children Get Lollipops via Tantrums

20 Hampton Rd.  
Cranford, N. J.  
June 16, 1969

Dear Sir:  
Please permit me to reply to the letter from a junior high school student asking whether threats of walkout or violence are the only means of prompting administrative action. Let's examine the relationship between student and administration for clues to the answer.

Adult neighbors, years ago, reached agreement that the state shall be responsible for education of children in a certain area. Since the state consists of all these adult neighbors, in effect they agreed that collectively they would be responsible for educating their children.

An earlier experiment with cooks and broth provided evidence that schools could be operated more effectively with an executive and legislative (policy) body of limited size. From this emerged the concept of school boards and administrative officials for public schools.

Now, if a student has an idea for change, he must sell it to his adult neighbors — or their designated representatives — if it is to be acted upon.

The question in last week's letter resolves simply to which process is more effective for selling ideas — reason, emotion, temper,

tantrums, or violence? Doesn't the answer depend upon the nature of the potential buyer?

Some parents are persuaded by tantrums to give a child the candy it desires — others are not. In either case, the child is convinced he should have the candy and is being harshly punished if his request for candy is denied while a neighbor's child gets the lollipop via tantrums.

May I caution children to review their premises before reaching a verdict in the case of "reason vs. tantrum"? The jury may have examined a great deal of evidence in reaching its decision. All jurors are not swayed by the same evidence; nor is it possible for the observer to know which bit of "evidence" was the most effective.

School administrators, like other officials, are subjected to a constant assault of ideas, pressures and actions. You can't know if it was the noisy demonstrator or the quieter letter that changed an opinion.

Some day, if you study well and don't eat too much candy, you may be the adult charged with responsibility for administration of a school. Please keep good notes of your ideas, now, so they will not be denied to your children and your neighbors' children.

### Good Conduct of Majority of Students Cited

248 Hillside Ave.  
Cranford, N. J.  
June 13, 1969

Dear Sir:  
A letter in yesterday's Citizen and Chronicle, from an Orange Avenue Junior High School student, implied that the students at the Hillside Avenue Junior High School had used unruly tactics, "threats of walkout or violence," in gaining a modification of the school's unwritten dress code. This is rather a distortion of the situation, and an injustice to the students, administration and fine hard-working Student Council of the latter school.

The fact that some 60 out of over 1,000 students were involved in an over-publicized unfortunate misunderstanding a couple of months ago, for which they were suspended from school, does not give an accurate picture of the general good conduct of the student body at Hillside Avenue, anymore. I feel sure, than the rude behavior of some Orange Avenue students at a recent talent show is indicative of that of most pupils at that school.

The truth is that for the first time, Hillside Avenue was permitted to have a "Freedom of Dress Day." I believe Orange Avenue has always had a similar, so-called "slob day." On this day, according to their principal, they conducted themselves with sufficient propriety that it was the recommendation of the faculty that for the remainder of this school term they be allowed to wear "shorts and other cool clothing that is clean, neat and appropriate."

While I happen to be one of the many parents who feel that the discipline of dressing appropriately should be as much a part of a child's education as more formal subjects, and that there should be definite limits as to what is acceptable, I think we should "tell it like it is."

Perhaps misunderstandings such as this are inevitable in the divided school setup we now have. Let us hope that one of the proposed new building programs might resolve this problem in the future.

### Reaction Sought to Sr. Citizen Housing Offer

8 Wood P.  
Cranford, N. J.  
June 16, 1969

Dear Sir:  
On May 27, Mayor Edward K. Gill made a statement to the public announcing the proposal of the United Automobile Workers to sponsor senior citizen housing. They have done this in numerous cities in the state, and since they located their district headquarters here, Cranford also was offered the opportunity.

Mayor Gill requested at that time that interested individuals or clubs write to him. As community improvement chairman of the Village Improvement Association, may I call attention to the urgency of this request.

Many other localities are eagerly awaiting such an offer.

Senior citizen housing in Cranford would help solve the dilemma of many of our older residents faced with the problem of how to live in their own home town on retirement income.

I urge that interested persons write to Mayor Gill and express their feelings on this subject, whether pro or con.

### Cranford Still Fighting a Civil War?

28 Hamilton Ave.  
Cranford, N. J.  
June 16, 1969

Dear Sir:  
Not until I became involved in baseball did I realize that Cranford is fighting a Civil War. Surprised? It's true. I take pride in saying I'm from Cranford, but this blot on the town is a shame. Instead of pulling as a town to have decent recreation facilities for our children, we have that old nonsense of the north and south side of town facing us — who gets what... they have more than we have... how much money do we get... and of being CHIEFLY... but it exists. Everyone in our town pays taxes, has the

same mayor, same light company, same police station; but why do we dig separationism exist in our schools and our recreational facilities, for that matter anything that goes on in our town?

God made us all in his image, why then do we carry on about which side of our town we come from? When you first moved into town you're buying or renting a home, not a section of town. But if you become involved in any community affairs, lo and behold the Civil War crops up. The Civil War, as I remember, was fought between the states, not between sections of town as in Cranford. The Civil War was fought in 1865, not in

### School Dress Code Seen 'Outdated and Unfair'

5 Wadsworth Ter.  
Cranford, N. J.  
June 15, 1969

Dear Sir:  
Over the past year, the students at Orange Avenue Junior High School have quietly and non-violently accepted, or at least adhered to the policies set forth by our administration. There have been no walkouts or massive protests held at our school, for we believe that violence is not the cure for our problems. While Hillside Avenue and Cranford High School students have disrupted classes to illustrate their dissent, students at Orange Avenue have tried to present their grievances diplomatically. Though in the eyes of the town the walk-outs at these schools were wrong, violence has seemed to prevail over diplomacy.

The only written dress code I've ever seen in my school states that, "No shorts or sandals are to be worn during school hours." Also included on this list are items such as hats, etc. I have never seen the words, "NO CULOTTES," written on any list. Yet our administration constantly harasses students for wearing culottes. Even culottes that resemble skirts are said to be shorts with flaps. If distinctions like this are to be made, we might as well call a skirt shorts that are just sewn together differently. In this town's grammar schools culottes and sandals are allowed to be worn; but at Orange Avenue they are afraid we will get our feet

crushed, so we're not permitted to wear sandals. Yet on Sloppy-Joe Days, June 18 and 19, sandals are allowed to be worn. This is like saying it's unsafe to cross at a red light except on certain days.

In many girls' wardrobes, culottes have become a definite and distinctive part, because they are the style of today. Girls ordered to change their outfits often comment that culottes play a major role in their wardrobe, and the response from the administration is, "You better start sewing a new wardrobe."

Rules are needed, and I for one am willing to follow them as long as they are within reason. I feel that this dress code is totally outdated and completely unfair. When a rule is made, it should be specifically stated and should apply to all. At my school, this unwritten dress code has failed in both these points. No one really knows what the dress code is, and this is because it applies only to a certain minority. Daily enforcement of this rule varies depending upon the mood of the administration and the students involved. HOW CAN THEY EXPECT THE STUDENTS OR THE PARENTS TO COOPERATE FULLY WITH THEM WHEN A RULE DOES NOT (AND NEVER HAS) APPLY TO ALL?

During exams, the sophomores of our school were the only group allowed to come to classes casually dressed. My question is,

**COMMENCEMENT DIGNITARIES** — Participants in Union College's 36th annual commencement on June 5 included, left to right: William S. Beinecke of Summit, chairman of the board of the Sperry & Hutchinson Co., who delivered the principal address; Dr. Kenneth W. Iversen of Cranford, acting president; Dr. Deborah Cannon Wolfe of Cranford, a member of the State Board of Higher Education, and Hugo B. Meyer of Summit, chairman of the board of trustees of Union College and president of U. S. Fiber & Plastics Corp., Stirling.

## Degrees Conferred Upon 161 At Union College Exercises

Associate in arts degrees were conferred upon 161 men and women in the day and evening sessions by Dr. Kenneth W. Iversen, acting president, and Hugo B. Meyer of Summit, chairman of the board of trustees, as the 36th annual commencement exercises of Union College were held on June 5.

Dr. Kenneth C. MacKay, president-emeritus of Union College, presented a Scroll of Honor to Dr. Robert W. Van Houten, president of Newark College of Engineering. Dr. Van Houten was cited "for his more than two decades of distinguished leadership in higher education," and "for the manifold community and civic services by which he has become a beloved and respected first citizen of his county and state."

The board of trustees of Union College presented the Scroll of Honor "in profound appreciation to President Robert W. Van Houten, educator, civic leader, and humanist to a generation of engineers, and in warmest affection to Bob Van Houten, early and persevering friend of the two-year college, good neighbor and valiant comrade-in-arms in all the glorious battles of Academe."

The guest speaker was William S. Beinecke of Summit, chairman of the board of the Sperry & Hutchinson Co., who discussed college unrest on American college campuses.

Greetings were extended by Dr. Deborah Cannon Wolfe of Cranford, a member of the State Board of Higher Education, and Edward Cohen, director of the Two-Year College Division of the State Department of Higher Education.

The invocation and benediction were by the Rev. G. Sidney Waddell, pastor of the Wallace Chapel, A.M.E. Zion Church, Summit. Prof. Forrest E. Dexter, Jr., of Cranford, presided, and Prof. Hermann J. Bielefeld of Summit was marshal of the academic procession.

James A. Webster, Jr., of North Plainfield, received the Alumni Prize as the class valedictorian, and Raymond R. Volk, Jr., of 527 Willow Ave., Garwood, received the Post-Day Award as "the graduate who most nearly represents the ideals of Union College."

Both of the graduate award winners are veterans of the armed services. Mr. Webster served four years in the Air Force and Mr. Volk is a veteran of two years' service in the Army.

A business administration major at Union College, Mr. Webster was named to the President's List for academic honors for the past three semesters and was awarded the \$500 Seland Memorial Scholarship at the end of his freshman year. He is a member of Alpha Sigma Mu, veterans' fraternity, and played in

tramural football and softball. The valedictorian is the son of Mr. and Mrs. James A. Webster, Sr., and a graduate of North Plainfield High School. Mr. Webster plans to transfer to New York University, where he will continue his education in the field of accounting.

Mr. Volk, the son of Mr. and Mrs. William Volk, Sr., of Cliffside Park, is a graduate of Cliffside Park High School. He majored in liberal arts and plans to transfer to Livingston College, where he will major in drama.

Mr. Volk has been active in little theatre since his graduation from high school and has appeared in or directed some dozen plays. Most recently, he directed the Union College production of "The Night of January 18th." Mr. Volk also served as parliamentarian of the Student Council and was a member of the Geology Club.

This summer he plans to conduct an experimental drama workshop at Union College. While in service he was an instructor of missile electronics at El Paso, Tex.

cessfully address those vital issues which are of broad interest to the community."

In a joint statement released by Mr. Pfeiffer and Mr. Vassallo, the two nominees said:

"We are pleased with this appointment since it represents, for the first time in the history of Cranford, the involvement of a professional man as an active participant in municipal government activity."

Currently serving as first vice-president of the Cranford Jaycees, Dr. Flinn has been active in numerous civic and service organizations. He is co-chairman and moderator of the Jaycees' "Education Workshops on Narcotics and Drug Abuse" and representative to the Joint Civic Committee for the Encouragement of Candidates for the Board of Education. He is a Union County Republican committeeman and a member of the Republican Citizens' Committee. Active in the local Rotary Club as well as the Jaycees, he also holds membership in the Westfield YMCA.

In addition to his many civic activities, Dr. Flinn is a member of local, state and national dental and orthodontics groups and serves as co-chairman of Children's Dental Health Week in Cranford.

## Cancer Drive Nearing Goal

The Cranford phase of the American Cancer Society's 1969 Cancer Crusade is well on its way toward the town's goal of \$9,250, with contributions thus far totaling \$6,822.96. It was announced this week by the local chairman, John T. Connor, Jr., of 25 Arlington Rd.

"I want to commend the hundreds of block workers who have given so much of their time and

their friends and neighbors who have been so generous, and especially the district captains who assumed the enormous task of organizing and coordinating groups of neighborhoods across the town," Mr. Connor said.

Serving as district captains are: Mrs. Rosemary Helrich, Mrs. Dennis Diamond, Mrs. Floyd Weeks, Mrs. Jerry Paradiso, Mrs. Tania McAndrew, Mrs. Millie Dudas, Mrs. W. R. Downey, Mrs. Robert Kniss, Mrs. Nancy Waters, Mrs. G. H. Pospisil.

Mrs. Carl Sauer, Jr., Mrs. Christine Kealy, Mrs. Gail Dunigan, Mrs. Esther LeMayo, Mrs. G. T. Seemon, Mrs. Kenneth Riha, Mrs. Michael Ryan, Mrs. Joan Simpson, Mrs. D. K. Knowlson, Mrs. A. A. Horak and Mrs. Thomas Joyce.

Publicity chairman for the Crusade was Thomas Joyce; business and industry chairman was C. Van Chamberlin, and professional chairman was George Sauer. Mr. Connor reported that some donations had not yet been received and urged contributors to speed contributions to the appropriate district captains.

"One of the central aims of the Crusade," the chairman pointed out, "is to familiarize our friends and neighbors with the facts about cancer. For, if caught early, most forms of this dreaded disease are curable, and people owe to themselves and their loved ones the importance of looking out for signs of cancer. Have a thorough medical check-up, including a test for cancer, regularly."

# One More Mayor Located; Two Pictures Still Missing

A picture of John H. Cromwell, mayor of Cranford in 1899 and 1900, was presented to Township Committee last week by former Mayor Jea D. Dorian, president, and Roderick W. Smith, past president of the Cranford Historical Society.

In making the presentation, Mr. Dorian said that of the 30 mayors who have served Cranford since its incorporation in 1871, pictures of all but two have now been placed in the executive conference room in the Municipal Building. Still missing are the pictures of Henry Harris, mayor in 1876, and James McGowan, mayor in 1870.

Mr. Dorian reported that Mr. Smith had found a newspaper clipping with a picture of Mr. Cromwell. As it indicated he was a past master of Azure Lodge, 129, F&AM, a picture of Mr. Cromwell was located in the local Masonic Temple. To verify the picture was of the father and not the son, a copy was sent to Florida, where a former resident and friend of Mr. Cromwell made positive identification.

In expressing the township's appreciation to the Historical Society for obtaining pictures of the township's former chief executives, Mayor Edward Gill said very few communities have such a collection of pictures of former mayors. He invited townspeople to view the collection when visiting the Municipal Building.

## UC Graduate Transfers Cover 4 Corners of U. S.

The dispersal of the Union College Class of '69 may not be to the four corners of the globe, but graduates of the two-year college will touch base at the four corners of the United States, according to Anatole K. Colbert, director of counseling.

Union College graduates will be transferring to the University of Alaska, University of Hawaii, University of Miami, Fla., and a number of colleges in the Northeast.

Some 85 percent of this year's graduates will be transferring to four-year colleges and universities, Mr. Colbert reported, an average that has been maintained over the past two decades.

The most significant change in this year's transfer pattern, he said, is the increase in the number of colleges to which students are applying. While applications to New Jersey colleges still top those to out-of-state institutions, there is a marked decrease in the number of in-state transfers.

Among the four-year institutions Union College students will be transferring to are Boston University, University of Colorado, Clarkson College of Technology, University of Houston, University of Maryland, New York University, University of Vermont, Northeastern University, University of Oklahoma and Wisconsin State University.

In all, Union College students have applied to 90 colleges and universities in some 30 states.

The transferring students include not only graduates of Union College, but also students who have completed two years of college work without qualifying for the associate in arts degree. These students have, however, met the

## Dr. Weiss Tells Plans to Prepare Way For Next Newark State College President

Dr. Nathan Weiss of 37 Concord St., who assumed the post of acting president of Newark State College in Union last week, was appointed by a unanimous vote of the college trustees on the basis of an interview with the trustees in which he advanced his ideas about the future roles of the college and its president.

Dr. Weiss, who had been serving as chairman of the department of social science, was named to serve until a permanent appointment is made to fill the vacancy caused by the resignation of Dr. Eugene G. Wilkins, president of the college since 1950.

"Although I do not intend to create any revolutions, I am not by nature a seat-warmer. I am an activist. I hope to prepare the way for the next president," Dr. Weiss said.

"I would continue the same kind of humane, compassionate approach that has characterized the administration of Dr. Wilkins. Those of us who have worked with him can never fail to appreciate his humanity, kindness and understanding," he added.

"The role of a president," Dr. Weiss said, "is to initiate and recommend policies and to develop support for these policies within the democratic organization of the college."

Dr. Weiss said he considers the improvement of the black-white campus relationships, further development of the college into a liberal arts institution and a simultaneous strengthening of the teacher education program to be "policy priorities." He would intensify recruitment of qualified black faculty members, strengthen the Exceptional Educational Opportunities program for black students and develop a "concentration" of black studies.

He said he would like to see the college continue its growth in liberal arts by a further development of new and proposed liberal arts majors. A policy of continuous growth for the teacher education program should be maintained as well, he said.

He plans to encourage student and faculty to become involved in problems of the urban community, urge a recruitment of more black students into teacher education and promote participation in community projects by all students, he said.

Dr. Weiss said he intends to be in "constant consultation" with those about him so that everyone affected by a decision will be "informed and involved." He said he would like to investigate possible uses of educational technology, such as information retrieval systems and closed circuit television, on the campus.

Dr. Weiss holds a B.A. degree in history from Montclair State College, where in 1947 he played guard on an undefeated football team. He holds an M.A. degree in political science from Rutgers University and a Ph.D. in government from New York University.

Dr. Weiss joined the faculty at Newark State in 1961 and was promoted to the rank of full professor of political science in 1964. As chairman of the Department of Social Science, he supervised changes within that department that marked the growth of the college from an institution of teacher education to a multi-purpose facility with a strong emphasis on liberal arts. He inaugurated new courses in history, political science and social welfare (the last in conjunction with the Department of Special Education). Last spring Dr. Weiss's department held a two-day conference on urban affairs that drew participants from areas throughout the eastern seaboard. He has served as a member of the Faculty Senate, the institutional planning board, the college athletic committee and the college curriculum committee.

Dr. Weiss also represents the college as a consultant to school systems requesting help with human relations as they implement programs of racial integration.

During World War II Dr. Weiss served as a corporal in the Army Air Force in the Philippines and later in occupied Japan. He taught social studies for 12 years in the Fallsburgh, New York, school system and served as chairman of the Department of Social Studies at Fallsburgh High School for two years before coming to Newark State.

At the final session of the Northern New Jersey Annual Conference of the United Methodist Church at Drew University, Madison, last Thursday afternoon, New Jersey Area Bishop Prince A. Taylor, Jr., appointed Rev. John R. Dexheimer to his seventh year as pastor of the Cranford United Methodist Church.

Coming to Cranford in 1963 after serving pastorates in Kenilworth and Hillsdale, Rev. Mr. Dexheimer has been an active participant in community and ecumenical activities. He is also president of the Monday Club, an organization of clergy in New York City, and is a member of the Mayor's Committee on Group Relations.

He serves on the Northern New Jersey Annual Conference's board of the ministry, program committee, and New Jersey area study committee. He recently concluded a three-year chairmanship of his denomination's Camp Aldersgate campaign committee, during which nearly \$600,000 was raised among the United Methodist churches in the northern half of the state and in Rockland County, N. Y., to build a conference camp in Swartswood.

The fire siren is not sounded here for alarms of any type between 9 p.m. and 8 a.m., it was learned this week from Fire Chief Bernard Fleming.

## Health, Extended Care Center Host for Rotary Club Meeting

The Cranford Rotary Club met recently at the Cranford Health and Extended Care Center, where the members were hosted for luncheon and given a tour of the facilities.

Mrs. Virginia Bain, director of nurses, was in charge of the tour and of the nurses who served as guides to the 60 Rotarians and guests who attended. Mrs. Bain said that the dining room, used by the club, normally could feed 96 patients using regular chairs, and that additional geriatric chairs brought the capacity up to 120 diners.

Mrs. Jean Nassau, administrator, related that the first wing was opened August 28, 1966, and the fourth and last wing during the past February. Each wing, she said, had a capacity of 31 patients and a total of 128. Present occupancy is 116.

Mrs. Nassau pointed out that the center provides medical and rehabilitation care between the hospital and the nursing or private home. She indicated that at the present time, about 98 percent of the patients are on Medicare, with 100 days of care provided by that program.

Private patients, Mrs. Nassau said, have no limitation on their stay at the center, which provides physical therapy with three registered therapists and three aides, six afternoons a week. Speech therapy is provided daily, as are social services under a full-time recreation director.

Mrs. Nassau said that any of the community's organizations are welcome to use the parlor or dining room as meeting places after 7 p.m. and that occasional luncheons could be served.

Club President Glenn B. Klinefelter conducted the meeting.

### Regional Plaque Honors Vietnam War Casualties

GARWOOD — The names of Thomas Badavas and Richard Swelgin, who were members of the Class of 1965 from Garwood at Arthur L. Johnson Regional High School in Clark, are listed among four named on a bronze plaque presented to the school by the Class of 1968 in honor of graduates of the school who gave their lives in Vietnam.

Since the Vietnam War has been the first war fought since Johnson Regional was established, the plaque, after listing the four names, reads: "... have given us something that A. L. J. never possessed before, a heritage of bravery and gallantry."

The class members did not wish this to be a perpetuating plaque. Instead, the plaque optimistically and helpfully expresses their feeling: "Let this be the end of lives lost in Vietnam."

# Senators Take One Game Lead in American League; O's, Sox Tied

By TOM HOPKINS  
In a race as close as your next breath, the Sportsman's Shop Senators now hold a one game advantage over the Martin Jewelers Orioles and the Reel Strong White Sox in the American League. The Senators and the White Sox swept their two games this week but the Orioles lost a share of first place when the Medic Athletics shut them out 8-0 last Saturday.

The Senators got the scare of their lives from the Packing Engineering Indians before coming from behind with two runs in the last of the sixth to eke out a 7-6 victory. The Senators opened fast in the first when an error and a single by Rick Stevens put two men on and Bob Hahn unloaded a Ruthian blast that cleared both fences for a quick 3-0 lead. It was Hahn's sixth homer of the year. They scored another in the second on hits by Mickey Schutler and Art Walch. The Indians counted one in the third to draw within three runs by virtue of Jim Kastleman's double. The Indians grabbed the lead in the fifth when three walks, an error and hits by Joe Fitzgibbon and John Bender pushed over four tallies. The Senators came back to tie it in the last of the fifth on a fielder's choice and a two base error. Again the Indians charged into the lead in the sixth on back to back doubles by Mark Schultz and Jim Kastleman. With defeat staring right at them, the Senators rebounded again. Two walks and an error loaded the bases and Hahn came through again with a double to knock in the tying and winning runs. Ed Kurovski went all the way for the win and Mark Schultz was nipped for the loss.

Against the Rankin Fuel Red Sox, the Senators had it a little easier as Rick Reimlinger and Bob Hahn combined to shut out the Sox on four hits, 11-0. Chuck Speer with two hits and Bob Speer and Dave Foppert with one each were the only Indians to hit safely. Meanwhile, the Senators scored in four of their six at bats to coast to a 14 and 3 record. The well balanced Senator attack was paced by Mark Egan, who had three singles and a double. Rick Stevens, Art Walch and Rick Reimlinger each weighed in with two hits apiece as the Senators banged out 13 hits in all. Chuck Speer was pinned with the loss for the Red Sox.

The White Sox kept with the pace as Len Dolan pitched a 7-1 win over the Athletics and Slade Martin came up with another fine effort as he shut out the Albert Antoine Tigers 7-0 on one hitter. The A's scored their lone run off Dolan in the second when Bill Higgins singled home Brad Johnson who had reached base on an error. Rod McCormick doubled for the A's but was thrown out at the plate by John Lipari when he tried to score from second on Tim Moran's single in the fourth. Ken Avery and Brad Johnson had the other hits for the Athletics. The Sox scored one in the first on hits by Len Dolan and Geoff Walters. They added three in the third on doubles by Dolan and Slade Martin and singles by Walters and Joe Residue. The Sox completed the scoring with three more in the fourth and base knocks by Dolan, Martin and Clark Abrams. Dolan and Daidone with three hits apiece along with Martin and Walters with two each led the Sox batting order. John Esposito was the loser for the A's.

Slade Martin allowed only three Tigers to reach base against him as he gave up one walk, a base hit by Mike Cermak and the White Sox committed a lone error. Slade also had two hits and two RBI's

to help his own cause. Len Dolan, Geoff Walters, John Lipari and Jeff Thompson carried the rest of the batting load for the Sox with base hits when it counted to run the team record for the year to 14-4 and draw abreast with the Orioles in a tie for second place.

The Indians surprised the Builders General Yankees by knocking them out of the pennant race with a 5-3 win. Mark Swetman held the usually hard hitting Yanks to five hits and allowed only two runs in the fourth. Chris Gower opened with a walk and Pete Sharkey hit his third home run of the year. Jim Kastleman, John Bender and Mike Toth also hit safely to score the other two runs in the inning. Bender, Toth and Joe Fitzgibbons also had hits for the Indians. The Yanks scored two on singles by Gary Putzer, Marty Klein and Charlie Silvey and one on singles by Mike LaForge and Silvey's second hit. Mark Swetman gained the win and Lars Swenson was the losing hurler.

Gary Fingergerman ripped three hits and Chuck Stevens added two as the Orioles pounded out 11 hits to humble the Yankees 9-2. Most of the Orioles' batting order had a hand in the scoring as Jim Daubert, Alan Jacobs, Gregg Hartnett, Kevin O'Brien, Deah Ellis hit singles and John Coffey had a big double which drove in the eventual winning runs. Alan Jacobs allowed two runs in the first inning on doubles by Don Servente and Bob King. He allowed one more hit in the second to Charlie Silvey and then slammed the door the rest of the way. Jacobs yearly record now stands at 7-1. He retired 14 of the last 15 he faced. Gary Newhardt was tabbed for the loss.

Ken Avery came up with a great effort as he shut out the Orioles 8-0 on a three hitter to knock the O's out of a first place tie. He gave up widely spaced singles by Pete Costanzo and Gregg Hartnett and a first inning double to Alan Jacobs but never was in any serious trouble as he K'd nine along the way. Mike LaForge, Avery, Brad Johnson and Bob McCormick all singled in the first for two runs which was one more than Avery needed the way he was pitching. They scored six more in the fourth on hits by John Esposito, Jed Petrick, Mark Pitinger and Tim Moran plus the help of the suddenly porous Orioles defense. Pete Costanzo who went the first four for the O's deserved a better fate, but would have had to pitch a no-bitter to keep the O's from dropping their fourth of the year.

The O's tangle with the White

Sox and Senators this week which should shed some light on who is to be the winner in the American League race. It is possible the race will not be decided until the last day of the schedule or at least the next to the last day when the White Sox and Senators collide.

## Wildcats Open Lead in Cougar Loop to 3 Games

By JOSEPH CHRISTIANO  
The Medical Wildcats widened their lead to three full games in the Cougar League during the past week. They beat the Pumas 35-6 with a 27-hit outburst. Robert Cormier pitched and led the hitting spurge for the Wildcats.

The second place Badgers nipped the Bearcats 3-2 behind the 4-hit pitching of Todd Gibson, who fanned eight and gave up two walks. The big bats for the Badgers were Dennis DeJenne with three singles, Bob Shapiro with a double and a single and Dave Schurer with two singles. The Bearcats scored their two runs on hits by Boehm and McQuade.

The third place Wolverines came up with two runs in the bottom of the seventh to win a tight extra inning game against the Lions, 5-4. Jim Stratton smacked the hit that brought in the winning run. George Deaver, who went the first six innings for the Lions, struck out 19 Wolverine batters.

The fourth place City Federal Bobcats defeated the Panthers in a slugfest match 17-10. Kevin Smith went 6 for 6 with a double and five singles, all of them drives to the outfield. Bob Callaghan was 4 for 5 with a triple, double and two singles. The lead changed hands throughout the game with the Bobcats pulling ahead with 8 runs in the fifth and 3 runs in the sixth. Smith was the winning pitcher and Greenspan of the Panthers took the loss.

The Bobcats won their second game of the week by downing the Wolverines, 4-2. Malcolm Pringle, who was injured in the beginning of the season and has only been pitching for four weeks, won his fourth straight game and his second one-hitter against the Wolverines. Sherm of the Wolverines got the only hit, a misjudged pop fly with two down in the sixth inning. Pringle struck out 13 and was masterful in setting the Wolverines down in four out of six innings. Kevin Smith and Bob Callaghan were the batting stars for the Bobcats, each going 2 for 3. Smith had 13 hits in his last 14 times at bat. Sherm was the losing pitcher for the Wolverines.

The Jaguars doubled their previous victory total by winning both of their games this week. The first victory game against the Pumas, a resounding 21-7 win. Bernstein, the winning hurler, struck out 13 while walking nine and hitting one batter. Rubenstein got two doubles and a triple to lead the Jaguar attack. The second victory of the week was a strong 7-4 win over the Bobcat nine. Pelosi pitched a fine game getting nine strikeouts and allowing only four hits. Bernstein starred at the plate, batting in four runs with a double and a single.

The Lions, fighting to reach the 500 mark, defeated the Pumas behind the three-hit pitching of Joe Christiano, who in his second ap-

## Pranio Hurls No Hitter in Unami Loop

Chicasaw pitcher Joe Pranio struck out 11 and walked but one in his perfect game over the Union County Trust Company Shawnees in the Unami League. The Michaels Custom Kitchen Chicks scored nine runs in the first inning and went on to drop the Shawnees 20-0 with Steve Sabora, Mark Collier, Tom Pranio, Dar Gallagher, Steve Jaszek and Mike Sheehan gathering hits. For the Shawnees Ray Cox, Kevin Papa and Mark Benner shared the chucking assignment.

The Path Mark Crees racked up two wins this past week to move into second. In their first win the Baron Drug Hurons went down 10-2 with Brian Bradford the winning pitcher with 12 strikeouts and teammates Don Bloshuk, Larry Urban and Al Giannobile hitting the ball to bring home the win. Huron safeties were by Richard George and Russ Poland. Tom Boland and Richard George shared the mound duties for the losers.

In their second outing which could have well been a football score the Crees blasted the Shawnees 36-16. Andy Schuydric fanned nine and knocked out four hits to help his own cause in a game that was called after four innings because time had run out. Again it was Al Giannobile three hits, while Mike Gribble, Brian Richard, Don Bloshuk and Larry Urban came through with hits. For the Shawnees the pitchers were Ray Cox, Jim Ortega and Jim Dwyer. Elliott Dorin had three hits, Kevin Papa a triple and double, and Mark

Benner two singles. In other action the Cranford Jaycee Crows defeated the J. B. Williams Comanches 12-7. Mike O'Leary and Mike Egan threw for the win while Jim Shubert went all the way for the Comanches. A fine double play was turned by the Crows' Mike Egan in the fourth inning when he speared a line drive and fired to first to double the runner. John Bilavsky had two hits. Both Rick Pawlick and Jim Forrester had triples. Jim Shubert had a bases loaded double in the fourth for the losers.

All other games were rained out.

# Phillies Tally Only NL Sweep As Rain Abbreviates Schedule

By KEN FORRESTAL  
The Robbins and Allison, Phillies won two games to extend their win streak to three for the first time this season. Their sweep was the only one registered as rain shortened the Saturday schedule.

The Phillies' first victory was a brilliant three-hitter pitched by Jim Zielenbach, who struck out seven as his team toppled the Pirates, 3-0. Jim kept things pretty well under control as the only hit out of the infield was a double by E. J. Carlin in the Pirate third and that was as far as any Bucanier was able to reach. Carlin also singled in the sixth with the remaining hit going to John Hoffecker. The Phillies got their runs in the third when Keith Jackson opened with a double, his first hit of the season. However, he was picked off third when Paul Helfrich rapped one to second. Dorin walked and a double steal put runners on second and third. Mike Forrester singled to score one and Dale Sabora belted a hard liner to second. He was safe on a fielder's choice as Dorin and Forrester crossed the plate. To prove it was no fluke, Keith Jackson doubled again in the fourth, but was stranded. Scott Kamin singled twice and Sabora once. Ray Elliott batted well the way for the Cranford Realtor Pirates, striking out six.

The Phils then stopped the Dodgers, 8-1, in a rain-shortened three-hitter by Bill Folinuz. The Dodgers threatened in the top of the first when Rich Komoroski got on with an error and Rich McKinney singled, but a sharp double-play was started by Gary Dorin to squelch the attack. The Phillies opened the bottom of the inning with a pair of runs as Dorin hit a single and scored on Scott Kamin's triple down the left field line. Scotty came home on Bill Folinuz' one-bagger. The victors picked up two more in the fourth on three errors and a single by Folinuz. The Dodger fourth saw them get a run when Tom Jakob tripled and Glen Baldwin singled him home. The Phils racked four runs in the abbreviated fifth on three errors and singles by Kamin and Dale Sabora. Folinuz was the winner and Rich McKinney lost his first start.

The Kiwanis Giants staved off a fifth inning rally by the Cranford Elks' Reds to top them, 8-7. In the Giant first, Terry Guy was awarded first base on a catcher interference call. Skeets Sheehan singled, Hugh Sharkey's double and two walks produced three runs. The Giants scored again in the third when Sheehan again singled, Sharkey's double and one by Tom Aagaard brought in two runs. A walk and a single by Mark Helfrich tallied another.

The Reds scored their first run in the third when an error was followed by a single by Alan Friermuth. In the Giant fourth, two walks and a sacrifice fly by Sheehan brought in another score. The Reds chalked two up in the fourth on errors and a hit batsman. The last Giant run came in when Tom Aagaard singled and crossed the plate on Pete Pierce's triple. Then, in the Red fifth, they were given three runs on three walks and Ken Zier's double. Noel McCoy singled to bring in Zier. Tony Bongiorno did the hurrying for the Reds and Pierce and Guy shared the Giant mound as Pete got the win with Terry Guy's relief. Sheehan had three singles and Hugh Sharkey three doubles for the day. Pierce also doubled and Dave Helmstetter singled for the Giants.

The Knights of Pythias Cubs set back the Reds on Saturday, 5-3. The Reds jumped to a one run lead in the first on singles by Ray Gribble and Ken Zier. This held until the bottom of the third when Joe Chirico banged a grand slam home run which cleared the flagpole in deep center field. The Reds fought back in the top of the fourth to rack up two on singles by Doug Dick and Ken Zier and the assistance of a Cub infield error. In the bottom of the fifth, Cub pitcher Charlie Garcia scored all the way from first on a steal of second and air overthrown. Garcia twirled a strong game scattering six hits, fanning 11 and allowing only two walks.

The Cranford Savings Braves overcame the Dodgers, 7-1, as Joe Gachko hurled a three-hitter, striking out seven. Paul Sauer pitched five innings for the Kohler-MacBean team and was relieved by Rich Komoroski. Rich singled in the first and his team got their lone run in the fifth when Tom Jakob singled and came home on Rich McKinney's triple. The Braves' power came from the bats of Jonathan Brown, with two doubles and a single, and singles by Craig Bogardus, Brian Wyatt, Bobby Umbrico and Joe Gachko. The American Legion Cardinals

and the Cubs played a wild 9-6 game as the Redbirds picked up eight walks and the Cubs seven. John Eodorchak started for the Cards and was relieved in the second by Marc Strasser who went on to receive credit for the win. Neil Brown was the Cub hurler and the Cub hitters were Joe Chirico with a double and a single and one-bagger by Brown, Charlie Garcia, Mitch Hazook, Jon Schwalbach and Jim Hobbie. The Cardinal strength came on singles by Strasser, John Weaver, Dan Heyburn and Dan Holleran. Bruce Ehrlich banged out a double and single.

### Seminole Hold One Game Lead In Nomahegan

The Gibson Associates Seminoles retained their one-game lead in the Nomahegan League by powering past the J. DiFabio Roofing Cherokees 6 to 0. Lead off batter Vince Gower cracked a double and pitcher Jim Murphy rapped a single to start the Seminoles on a four-run spree in the first inning.

Again in the fourth inning, Gower got on and Murphy tripled. Dave Cree followed with a double to give the Seminoles their four hits and six runs. Seminole moundsman Jim Murphy picked up his seventh win, striking out 12 and allowing only two Cherokee singles. Tom Serzan handled the pitching duties for the Cherokees. He took the loss but in the process struck out 13 Seminoles and contributed a single to his own cause. Gary Thill also got into the hit column with a well executed bunt for the other Cherokee safety.

The Suburban Trust Co. Apaches defeated the Victor Dennis Realtor Navajos 8 to 0. Apache pitcher Terry Moran pitched a good game and gave up only four hits. There was good team support by the Apaches. Gary Lozier took the loss for the Navajos while giving up only three hits. Collecting the hits for the Apaches were Jack Toth with a triple and Steve Madonia and Terry Moran each with singles. Charlie Williams played well at third for the Navajos and hit a single and a double. Other Navajo batters were Gary Lozier and Bill Velicky with a single each.

In a slugging match featuring four home runs including a grand slam, the Cranford Body and Fender Works Cheyennes outlasted the Cherokees 8 to 6. Mike DeCato picked up his first win of the year although he needed help from ace fireman Peter Van Bergen in the sixth. Tom Palmer had the grand slam as well as a single; Peter Van Bergen had a double and single in addition to his homer; Mike DeCato a homer and Joe Lipari a single. For the Cherokees, Don Putzer had a three-run homer and a single, Tom Serzan had a double and losing pitcher Gary Thill had two singles.

It looked like it was all over early when the A. M. Brown Mohicans opened with five runs in the first, but the Cheyennes, behind a gritty pitching performance by Joe Lipari, kept coming back to eventually take the game 12 to 8. Tom Palmer, Kyle Schultz, Peter VanBergen and Paul Rinaldi each had two hits for the Cheyennes while Bob Willoughby, Dave Hillitsky, Tom Donahue, Lovey Williams and Joe Attanasio each safetied for the Mohicans. Dave Hillitsky started for the Mohicans and was relieved by Scott Clay and Kenny Politz.
