## Zoning Board Decision Reversed By Committee

### Allison Application Refused; Taxpayers Seek More Information.

Reversing the decision of the Board of Adjustment, the Township Committee Tuesday night denied Elizabeth R. Allison a permit to change the dwelling at 219 Central avenue from a one-family to a two-family house. The committee was unanimous in its decision.

Request for a more complete analysis of the recommendations of the Citizens' Advisory Committee was made in a communication from the Taxpayers' Association, signed by David N. Brown, president. The association asked for copies of correspondence which passed between the advisory group and the Township Committee, and requested that the association be free to ask members of the advisory group to discuss the recommendations at meetings of the Taxpayers' Association. Commissioner Buckley said the association could come to the Township Committee, as it has on a number of occasions, and secure whatever information it wishes, and Mayor George E. Osterheld announced that insofar as the committee is concerned the association is at liberty to ask members of the advisory group for an audience.

The request of Charles E. Kaitzenbach to open a dinner club November 24 on the Kaitzenbach estate was referred to the Board of Adjustment.

Permits for seven new structures, seven alterations and four signs were issued in October, with new valuations amounting to \$12,480, according to the report of Building Inspector Eugene E. Steck.

The police department's report for October, presented by Commissioner Edmund P. Sullivan, showed that \$774.00 in stolen goods had been recovered. Fines amounted to \$261. The town received \$30, the State \$146, and the County \$25.

Road Commissioner Frank McCullough reported that he and Commissioner Buckley had authorized the water company to extend its mains on Preston avenue, on Henley avenue from Franklin to Elmora, on Clay from Manor to south Sixth street and on south Sixth from Clay to Dunham. He said request had been made to install an additional fire hydrant on Springfield avenue and at Belmore avenue and Kaplan street. Their action was ratified.

McCullough reported also that a map establishing accurately the boundary line between Cranford and Roselle will be made by a group engaged in connection with the Federal relief program. Another group will make a survey of the streets, gathering such data as length of streets, type of pavement, conditions of streets, sidewalks and gutters.

### Mr. Elizabeth Plummer Dies After Brief Illness

Mr. Elizabeth Cook Plummer, 82 years old, one of Cranford's pioneer residents and a direct descendant of Revolutionary ancestry, died last night at the old Plummer homestead in Riverside Drive, after a brief illness. She was the widow of Abram Halsey Plummer.

A native of Nantucket, Mass., Mrs. Plummer was a daughter of Joseph Cook, who was associated for many years in the whaling industry in Nantucket. She came to Cranford more than 50 years ago from Brooklyn.

She was a member of the First Presbyterian Church, the Wednesday Morning Club, Currier Memorial, W. C. T. U., and other social and fraternal organizations.

Survivors are a brother, John B. Cook of Kingston, N. Y.; a sister, Mrs. M. L. Weston of Brooklyn, N. Y.; four daughters, Mrs. H. B. Hegeman, Mrs. J. G. Bremser, Mrs. E. R. Crane and Miss Helen C. Plummer; and two sons, William W. Plummer and Joseph A. Plummer, president of the Board of Education, all of Cranford; thirteen grandchildren and one great-grandchild.

Funeral services will be held from the home, 420 Riverside Drive, at 3 o'clock Friday afternoon in charge of the Rev. William R. Sloan, pastor of the First Presbyterian Church. Interment will take place in Fairview Cemetery, Westfield.

### ATTEND STATE MEETING

Avner R. Denman, Township Clerk; Wm. T. Wild and A. E. Caldwell of the American office; T. McLaughlin, supervising engineer, and George G. Teller, tax collector, are attending the State Convention of the New Jersey League of Municipalities today and Friday at Asbury Park.

## Junior Service League Spends \$1,633 for Welfare in '33 and '34

The Cranford Junior Service League, of which Mrs. Howard M. Park is president, spent \$1,633 for welfare work in the community during the past year, according to the annual report submitted at a recent meeting.

Of this amount, \$955.77 was spent for milk—twenty and one-half quarts having been delivered daily to needy families. Five hundred twenty gallons of milk were given to help feed undernourished children in the Lincoln School district. Other items of expenditures included: \$107.48 for gas, electric light, fuel, doctor and drug bills; \$124.95 for grocery orders; \$125 for rent.

The League also distributed 75 garments from the Needlework Guild, provided clothing for nineteen families, distributed fifteen Thanksgiving baskets collected by the Junior Red Cross, filled 85 Christmas stockings in cooperation with the Grant P. T. A., the Girl Scouts and the Progress Club; sent twelve boys to camp for two weeks and gave direct help to nineteen families in Cranford and Garwood during the winter.

The League's motor corps provided transportation every week for crippled children from the Children's Country Home in Westfield to the Orthopedic Hospital in Orange, made emergency hospital and clinic trips with needy patients, made bandages and sweaters for needy hospitals.

### Presbyterian Choir To Present Program

An evening musicale is being planned by the choir of the First Presbyterian Church for the music lovers of Cranford. The program will be held at 8:15 o'clock next Thursday evening in the Presbyterian church. There will be no admission but a silver offering will be taken.

As a special feature, the choir will present the Cranford Glee Club, whose director is J. H. Rath, and the Bayonne Leader, with Stittik conducting. Mr. Stittik will direct the men's chorus numbers. There also will be two groups of organ numbers.

The following program will be given: "Vox Celeste" (Alcock), "Steal Away" (Hill), "Swing Low, Sweet Chariot" (Hill), by the Presbyterian Choir; Oesper Solo, to be announced; "The Shepherd's Sunday Song" (Kreutzer), "The Christians Are Telling" (Haydn), "John Peel" by the Bayonne Leader and Cranford Glee Club; Organ Solo, to be announced; "Gloria," from Twelfth Mass (Mozart), "Bull on a Rock" (Christians) and "Vox Celeste" (Alcock), Presbyterian Choir.

## Union Food Stores In New Home Here

The Union Food Store, formerly located at 31 south Union avenue, opened this week in its new and larger home at 106-108 Walnut avenue. The new store is equipped with all modern facilities, including electric refrigeration. The vegetables are kept garden fresh with the new spray system.

The Union Food Stores opened a small store at 29 south Union avenue in May, 1929, with Edward Brinde as manager. In September, 1932, the company was obliged to seek larger quarters to cater to the increased trade, and the adjoining room was taken. Mr. Brinde has made a wide circle of friends, since coming to Cranford and has been active in many community affairs.

The new store will be open for inspection at 8 o'clock tonight at which time refreshments will be served. Tomorrow and Saturday are the official opening days. The store carries a complete line of fruits, vegetables, groceries and meats.

### Cranford Scout Troops To Hold Rally Dec. 7

Cranford Boy Scout troops will hold a rally in the gymnasium of the First Presbyterian Church December 7.

The program will include a skit by members of Troop 75, a knot tying relay, a skit by members of Troop 77, a first aid contest, a skit by members of Troop 79, an O'Connell drill, a skit by members of Troop 80, songs and yells. The evening's program will be opened by the taking of the oath of allegiance and scout oath in massed formation. For the closing exercises, the scouts and scouters will form a circle and taps will be sounded and the Scout benediction pronounced.

## 1,700 Visit Schools During Education Week

### Supervising Principal Praises Cooperation of Townspeople and P. T. A. Units.

More than 1,700 parents and friends visited the Cranford Public Schools last week during the local observance of American Education Week. Dr. Lloyd N. Morrisset, supervising principal of public schools, told the Board of Education, at its meeting Monday night in Grant School. Dr. Morrisset praised the splendid spirit of cooperation which the townspeople are showing, particularly the Parent-Teacher Associations.

The board adopted several amendments to its by-laws, on recommendation of Chairman Frank M. Crumbach. Principle changes are as follows: Employees, other than teachers, with less than five years' service, will be granted two instead of three weeks' annual vacation with pay; all pupils who participate in various athletics will be given a thorough physical examination by the school physician, and the record placed on file with the supervising principal. Authorization was given by Howard Cooperthwaite, chairman of the athletic committee, to offer the use of a school auditorium for two nights to the Cranford Dramatic Club for the presentation of a show for the benefit of the Athletic Association.

At the suggestion of Dr. Morrisset, the board approved a motion made by Harry R. Sloan, chairman of the finance committee, that an additional clerk be employed at an annual salary of \$1,000 for Grant or Roosevelt Schools. At present, one clerk works half time in each building, as does one principal.

A request for permission to use one of the schools on Saturdays to teach French was turned down when Dr. Morrisset recommended that all teaching in the school buildings be done by teachers under the supervision of the Board of Education and during school hours, if possible.

On recommendation of R. T. Robinson, chairman of the buildings and grounds committee, the board voted to invite the Community Symphony Orchestra to use the High School auditorium for two nights, on October 20 and 21, for rehearsals, and provide light and heat. It was pointed out that the orchestra is a community as well as an educational organization, and should be encouraged.

## Charles M. Ray Buys Interest In Newspaper

### Present Staff Member Elected Secretary of Corporation.

Announcement was made this week that Charles M. Ray of 119 North avenue, west, managing editor of the Citizen and Chronicle for the past two years, has purchased an interest in the newspaper. At a reorganization meeting held at 10 o'clock on Tuesday, other officers are: President, E. C. McMahon, and vice-president and treasurer, John K. Clouid.

Prior to coming to Cranford, Mr. Ray was connected with several Indiana newspapers. He attended DePauw University and was graduated from Indiana University where he was editor of the Daily Student, the university newspaper. He is a member of Sigma Delta Chi, national professional journalistic fraternity, and of the Cranford Rotary Club, and has been active in civic and political affairs since taking up residence here.

## Republican Women To Hear Congressman

Congressman Donald H. McLean will speak on "National Legislation" before members of the Cranford Women's Republican Club at the November tea at 2:30 o'clock Tuesday afternoon at the home of Mrs. Lane McLean in 16 Central avenue.

## Beardslee Wins Prizes In N. Y. Horticultural Show

At the annual autumn exhibition of the New York Horticultural Society held in the American Museum of Natural History, New York, last week, L. R. Beardslee of Cranford was awarded the following prizes for his exhibits:

First for single chrysanthemums in six inch pots; third for single chrysanthemums in eight inch pots, and third for chrysanthemum specimen in any shape. Six hanging baskets of single chrysanthemums was used in this class.

Mr. Beardslee is opening his greenhouses, 206 Cadzow avenue, from 3 to 9 o'clock Sunday afternoon and evening, to the public. All townspeople have been invited to view his various exhibits.

## Greeley Shareholders Will Receive \$76,400

### B. & L. Association to Mail Checks Dec. 14 to Holders of 382 Matured Shares.

Directors of the Greeley Building & Loan Association of Cranford announced this week that following the regular meeting December 14, checks will be mailed to the shareholders in the total amount of \$76,400, covering the value of 382 matured shares.

The directors point out that an investment in the Greeley Building & Loan will, doubtless, compare favorably with any other investments made, as the shareholders receive a fair return on the amount invested and at the same time the principal has been kept unimpaired. They further point out that the average individual can find no better place to employ funds than in a properly conducted Building and Loan Association.

Four years of an unprecedented depression has found the Greeley in a sound financial position and the directors are now ready to loan money on the stock of the Greeley or on sound conservative first mortgages on property located in Cranford.

## Returns From West With Lions and Bears

### Frank Fischer Has Successful Hunting Trip in Arizona and New Mexico.

While most of the local nimrods were spending the month of October in whistling up their dogs, oiling their guns, greasing up the hunting boots and laying in a stock of shells preparatory to annihilating the small game in this vicinity, Frank Fischer, son of Mr. and Mrs. Paul Fischer of 772 North avenue was out in the western country with a "30-30" looking for real excitement—and finding plenty!

In company with Miss Ruth Emy, of 23 Delhart Place, Elizabeth, Mr. Fischer, left October 5th for Paradise, Arizona, where he engaged the services of E. E. Lee and his brothers, Cliff and Dale, expert big game hunters, as guides. The Lee boys have the most complete big game hunting outfit in Cochise county and their packs of hounds are among the finest trained in Arizona. Situated as they are, only forty miles from the Mexican border and about ten miles from the New Mexico line, they are in easy reach of one of the widest sections of the great Southwest.

Cliff and Dale Lee, with the guides, and Ed Lee, the cook, with a pack outfit consisting of fourteen horses and eleven hounds, guided their hunters, Mr. Fischer and Miss Emy, across the state line into New Mexico where most of their hunting was done in the Mogollon Mountains, the Gila forest and the Sheridan Mountains. They killed two mountain lions, two lynx cats, a black bear and a brown bear, the latter being

## Charles Hansel Renamed To Park Commission

### Local Resident Reappointed for Five-Year Term on County Board.

Charles Hansel of 12 Springfield avenue, a member of the Union County Park Commission since its inception, was renamed Friday for a five-year term by Supreme Court Justice Clarence E. Case. Mr. Hansel took his oath at the office of County Clerk McLeod. The post draws no salary.

Mr. Hansel has long been interested in Union County's park system and served on the first preliminary park commission. He is president of the board for several years.

After taking his oath Friday, Mr. Hansel attended a meeting of the park commission in the administration building at Warmanon Park and received the congratulations of fellow-members. Other members of the commission are Arthur R. Wendell, Rahway, president; Carlton Brown, Summit; Ambrose McManus, Elizabeth, and Charles A. Reed of Plainfield. W. Richmond Tracy is engineer and secretary, and David Armstrong of Rahway is counsel.

## Charles M. Ray Buys Interest In Newspaper

### Present Staff Member Elected Secretary of Corporation.

Announcement was made this week that Charles M. Ray of 119 North avenue, west, managing editor of the Citizen and Chronicle for the past two years, has purchased an interest in the newspaper. At a reorganization meeting held at 10 o'clock on Tuesday, other officers are: President, E. C. McMahon, and vice-president and treasurer, John K. Clouid.

Prior to coming to Cranford, Mr. Ray was connected with several Indiana newspapers. He attended DePauw University and was graduated from Indiana University where he was editor of the Daily Student, the university newspaper. He is a member of Sigma Delta Chi, national professional journalistic fraternity, and of the Cranford Rotary Club, and has been active in civic and political affairs since taking up residence here.

## Republican Club Holds Victory Celebration

The combined Republican campaign committee, the leaders and the successful local candidates were lauded by members of the Cranford Republican Club last night at a "victory celebration" in the club headquarters.

Capt. J. H. Frazer, who presided, congratulated the combined campaign committee for its splendid cooperation in bringing about a Republican victory locally in face of a Democratic landslide nationally, and particularly praised the chairman of the municipal committee, Mrs. Mabel B. Lovell, for her fine work.

Mrs. Lovell told of the splendid assistance which she and other members of the campaign committee had received from every G. O. P. group in the Township. She reported also that the campaign was a success financially.

Former Mayor Aldrich lauded the incoming Township Committee men, J. Edward Wolf, re-elected, and Frederick G. Sykes, and predicted a successful year for the Township.

The club voted to sponsor its annual "Kiddies' Party." Children from needy families will be fed this year—with toys, candy and an afternoon of games. A donation of \$5 was made to the Red Cross.

A letter of appreciation was received from the Township Committee for the club's recent vote of approval and confidence in the Committee.

Two new members, Harold E. Steele, 103 Benjamin street, and Michael Augustine, 2 Fifth avenue, were accepted. Music and refreshments followed the business meeting.

## Cranford Eleven Upsets Carteret's Title Hopes

### Weekley's Men Win 7-6 Decision Over Old Rival; Blue and Gold Faces Millburn Here Saturday in Final Tilt of Season.

Cranford High School's football team rose to new heights at the Cranford Oval Saturday afternoon when it stopped the steam-roller advance of Carteret for the Group III State championship by a one-point margin. It was the visitors' first defeat of the season. Cranford won, 7 to 6, in a game which was rough and packed with excitement for the more than 2,000 spectators who witnessed the contest.

A free-for-all battle was narrowly averted between the halves when Carteret followers crossed the field, claiming that Cranford had fallen by inches to make its well deserved and hard earned touchdowns early in the second half. Many and varied arguments followed, but trouble was averted when additional police, armed with night sticks, were detailed to the field. They remained until the field was cleared after the game.

Cranford will bring its 1934 football season to a close at 2:30 o'clock Saturday afternoon when it meets the Millburn eleven at the Oval. Saturday's game will mark the twelfth annual clash between teams representing the two schools. Despite the fact that the visitors do not have as impressive a record for this season as the locals, Saturday's game is expected to be a hard-fought contest from start to finish because of the long-standing rivalry between the two schools.

Cochise County's men gained their one-point victory over Carteret Saturday afternoon by outsmarting the McCarthy men. Tying the score in the second quarter, the Blue and Gold lined up with Cy Dadd back as though to place-kick for the extra point. Intent upon blocking the kick, Carteret rushed Dadd, leaving Cameron free to cross the line and receive a pass from Griffiths.

The game got underway suspiciously for the visitors. Within three minutes the plakin carriers from Carteret had marched the length of the field and had scored a touchdown on a beautiful pass from Combs to Koel. Koel's attempt to convert failed.

It appeared as though Cranford was decidedly outclassed. However, the Blue and Gold resumed the fray an inspired eleven. By the beginning of the second quarter, the Blue and Gold had scored a down-the-field attack but the first opportunity to score was lost when Stanley dropped a pass in the end zone. After an exchange of kicks Cranford again started goalward.

The Blue and Gold carried the ball to the three-yard line where Ed Tomcayk plunged through the line for a marker. Cries of protest were uttered by the Carteret team, Coach McCarthy and the unofficial coaches among the Carteret rooters, including Joe Medwed, but Referee Pries turned a deaf ear to their contention that Tomcayk had failed to make the required yardage.

The teams battled on almost even terms during the third and fourth quarters, with Cranford showing slight superiority.

Cy Dadd was credited with the longest punt of the day. Standing on his own five-yard marker, he kicked the plakin over the head of Carteret's safety man and it bounded back to the visitors' three-yard line, where it was

## Trinity Women Complete Annual Bazaar Plans

### Sale to Be Held Thursday, Friday, Nov. 22-23, in Parish House.

Final plans for the annual bazaar to be held Thursday and Friday, November 22 and 23, under the auspices of the Women's Guild, were announced this week.

The sale will be open to the public at 2:30 o'clock on each afternoon and on Thursday evening, when a New England supper will be served from 6 to 8 o'clock. Tickets for the supper are priced at 50 cents, and may be obtained from Mrs. Cross of 5 Hamilton avenue. Following the supper there will be games which will be of interest to both men and women.

The following booths will be under the supervision of the members of the Guild: Growing plants and flowers; Mrs. Lisa R. Bendish and Mrs. J. Ross Bates; foods; Mrs. E. A. Hamilton and Miss May Cross; white elephants; Mrs. George Hansel, Mrs. J. H. Garrison and Mrs. Frank Sloan; dolls; Mrs. C. D. Marsac and Mrs. Hobbs; Frankfurters and rolls; Mrs. John Wagner and Mrs. J. H. White; surprise packages; Mrs. Grant Cross and Mrs. A. L. Roberts; utilities and handkerchiefs; Miss Irene Wemple and Miss Howell; candies; Mrs. W. W. Moorhead, Mrs. Harold Millard and Mrs. F. E. Schroeder; ice cream cones; Mrs. William Nagle; cigarettes; Mrs. E. L. Hedberg; tea room; Mrs. D. L. Griswold and Mrs. L. B. Mason; grab bags and gold fish; Mrs. Templeton; articles suitable for card party prizes; members of the Evening Auxiliary.

On Friday evening there will be cards and games under the supervision of the Young People's Fellowship.

An invitation has been extended to the public to attend.

## Lions Club Witnesses Skit by School Pupils

As a part of the local observance of American Education Week, a scene from the "Pied Piper of Hamelin" was presented before members of the Cranford Lions Club Friday evening in Coleman's Inn by Cranford school pupils.

The dramatization was made by three seniors—Riggs Stewart, Agnes Nimms and Dorothea Keyser. Barbara Schulte gave an introduction and read the story of the "Pied Piper" up to the scene which was enacted. Taking part in the play were James Kress, David Pinkerton, William Ganschow, Charles Roberts, David Damon, Charles Keyser, Lionel Olmber, Mary Burton, Lois Williams and Garth Seavy. Music was furnished by Howard Grant.

The grade school children, directed by Mrs. Wanda of Grant School, took part were: Hilda Nipper, Joan Knightlinger, Clifford Vliet, Rae Rattan, Lola Pattison, Joy Miller, Eljen Emery, Betty Ann Morley, Howard Grant, Howard Tudor, Billy and Vera Sims, Harold Mander, Mrs. John Mander, Lorraine Schmitt, Mrs. John Mander, Dorothy Clark, David Randolph, Billy Reusch and Jean O'Keefe.

## George I. Biefang Named Federal Housing Chairman

George I. Biefang of 42 West Holly street yesterday was named chairman of the local housing administration by Charles Edison, regional director of the Federal Housing Administration.

Mr. Biefang is president of the Stephens Sales Corporation of Plainfield, treasurer of the Cranford Safety Council and a member of the Cranford Rotary Club, and numerous other civic and fraternal organizations in the township.

### Rev. Foynker Will Give

The Rev. Foynker will give a sermon at the Cranford Presbyterian Church at 10 o'clock Thursday morning, November 22, on the subject, "The Power of the Word."

The Cranford Presbyterian Church will observe the 100th anniversary of the signing of the Declaration of Independence on Thursday, July 4, 1935. The church will observe the anniversary by holding a special service at 8 o'clock on that day. The service will be held in the church and will feature a special program of music and prayer.

The Coal Question

It has been brought to our attention that coal is being trucked into Cranford from Pennsylvania by outside dealers and sold at astonishing prices.

While we do not blame local residents for getting their coal for as low a price as possible, we would admonish them to be certain of the character of the man they are dealing with, as well as the quality of the coal and the weight that they are getting. Cranford coal merchants are local residents. They are here year in and year out. They pay taxes here and give other support to the community enterprises. Their scales are checked regularly by the Union County Bureau of Weights and Measures. They are dependable. In the event of a coal shortage, residents cannot look to the man who trucks coal from Pennsylvania, they must look to their Cranford dealers.

In most instances, the coal that is trucked in here and sold for a low price is an inferior grade of coal, and the buyer is getting no bargain, regardless of what price he pays. Local dealers have several grades of coal, and are prepared to compete in price and quality with any coal that may be trucked into the Township.

We would suggest that Cranford residents consult Cranford dealers first before purchasing coal.

New Traffic Rules

Welcomed by the residents of Cranford is the new one-hour parking regulation in the business district effected last week by Police Commissioner Edmund P. Sullivan, Police Chief Carl A. Massa and the Police Department.

Under the new rule, the parking areas around the town center are kept open so that residents desiring to shop may find a convenient place to park near the various business houses, and the same cars are not parked in the business district throughout the day as has been the case heretofore.

Police Commissioner Sullivan is making a thorough study of traffic conditions in the Township and other changes may be expected shortly. Cranford is to be commended for having a police department that is keeping abreast of the times.

Congratulations, Mr. Hansel

Congratulations are in order to Charles Hansel of Springfield avenue, who last week was reappointed to the Union County Park Commission for a five-year term.

Mr. Hansel was one of the prime movers in the establishment of a County Park System, and deserves much of the credit for the beautiful parks that the County has today.

Being loyal to his home town, Mr. Hansel has never let an opportunity pass to improve the various sections of the County Park System in the Township.

We again congratulate Mr. Hansel on his reappointment as well as to the townspeople for having a man of his ability from Cranford on the Union County Park Commission.

FARLEY AND THE MAILS

(N. Y. Herald Tribune, Nov. 1, 1934)  
To the New York Herald Tribune:  
As a staunch Republican from preference as well as by inheritance, I have been deeply impressed by the efforts you are making to put Farley before the people as he is.

One point, however, it seems to me has been somewhat neglected in calling attention to his political career, and that is the failure made as the Postmaster General.

Any one who has to come into business contact with the mails these days knows full well how poor the service is.

If the service is poor from the business man's point of view, from the viewpoint of the individual who depends upon the mails to carry letters promptly the service is as undependable as broken reeds to lean on.

It has occurred to me that it might not be too late to tell the readers of your great newspaper some facts.

I live in Cranford, N. J. My neighboring town, Westfield, is two miles away. It took nineteen hours to send a communication there through our mail service.

Special delivery letters, first class mail, sent from New York to Cranford, postmarked 12:30 m., are delivered in Cranford the following morning. The letters are stamped as arriving here at 7 a. m. Some of this mail is very important and a special delivery stamp is put on to speed delivery, but it has no effect.

One might go on indefinitely citing instances of the kind of service that our present Postmaster General gives us.

Thank you for your inspiring editorial page.

BUSINESS.  
Cranford, N. J., Oct. 30, 1934.

Legion of Honour of France  
The Legion of Honour, the only order of France, and one which in its higher grades ranks in estimation with the highest European orders, was instituted by Napoleon Bonaparte on May 19, 1802, as a general military and civil order of merit.

Horse Racing in Italy  
The Fallo, the horse race held twice a year in the public square of Siena, Italy, still allows—as it has done for several hundred years—the potting, mauling or stalling of a rival horse.

More Deadly, Too?

Island Sank Into Sea  
The island of Tusanaki, in the Cook Islands, sank into the sea in 1893, crowding over 18,000 inhabitants.

BRISBANE THIS WEEK

Eckener, a Real Man  
Wanted Mail Advertising  
One Happy Man  
How Many Would Die?

Dr. Hugo Eckener, who has flown 90,000 miles in his Zeppelin, and about 400,000 more miles teaching young pilots, is in New York. It is a pleasure to see such a powerful person, well past sixty, planning a new line through the air between the United States and Europe, "coast-to-coast in 48 hours." He, of course, would run the ships on the first ferry-ride himself.

A government spokesman urges advertisers to advertise by mail, writing nice "Dear Mr. Jones" letters, telling what the advertiser has for sale. Eugene Meyer, Jr., who owns the Washington Post, says that is wrong and means government competing with honest, long-suffering newspapers and their advertising profits. He asks, by implication, how can the press be free if you take away its money?

That worry is unnecessary. The advertiser who tries to advertise by mail throws money out of the window and soon finds it out. And advertisers are intelligent. Henry Ford says, truly that Americans don't "want a dole," and those that take the dole always turn against those that give it.

There is, however, the fact that America doesn't want revolution, or too many dangerous riots, and you may take it from the British that the dole is cheaper than revolution. England was near enough to the French revolution to realize that.

President Knobel of the United Lutheran Church of America worries about the future of religion, anti-religious forces, he says, are growing constantly in this and other countries; hundreds of millions of people are "spiritually blind." Rev. Dr. Knobel asks, "How do you know that in two years from now you might not be asked to die for your faith?"

Let us hope it will not be as bad as that, while wondering respectfully how many would be willing to die, or like the ancient martyrs, court death for the sake of martyrdom.

There are various ways of making a living in America, that finds it so difficult to conquer lawlessness. One way is to smuggle in Chinese, inflicting fearful hardships upon the unfortunate immigrant Chinese and charging them from \$1,000 to \$1,500 for bringing them here. Smuggling Chinese is connected with the opium traffic. While smuggling in Chinese you can also smuggle with each one a considerable amount of opium. Federal agents looking for opium found eighteen frightened Chinese in an isolated house in New Jersey, guarded by a powerful negro from Trinidad and five police dogs that would have mangled the unfortunate creatures had they tried to escape. Friends expected to bring the fee for smuggling them in, failed to appear, hence their detention.

Doctor Laby of the New England hospital says the much discussed experiment of transplanting in men the glands of monkeys is a failure. However, partial transplanting of the parathyroid gland, from one human being to another, has proved successful, opening up great possibilities. Failure of monkey gland transplantation is not bad news. There is enough of the monkey in man up to sixty years of age to make any monkey gland transplanting at that age seem unnecessary. Somebody said, long ago, that man is one-third man, one-third monkey, one-third dog. That is a little severe, but the monkey part is sufficiently accurate.

Japan is busy fortifying South Sea islands that she holds under mandate of the League of Nations, and complaint is made aimlessly. Nothing to surprise anybody in that fortification news. Japan is an intelligent country.

It takes a country with statecraft and in the dodo class, like ourselves, to possess Guam and fail to fortify the place because polite Britishers, acting as mouthpieces for Japan, requested us not to do so?

The achievement of the admirable flyers, Sir Charles Kingsford-Smith and his aid, Capt. P. G. Taylor, proves that the United States knows how to build airplanes. The plane that came across the Pacific from Honolulu, 2,408 miles, in fifteen hours, beating by far the best record, is an American Lockheed plane built at Glendale, Calif., and the engine was built by the American Pratt & Whitney Aircraft company.

If the United States should ever get interested in building the world's greatest air line, as it will do, or bitterly regret it, the material is at hand. © The Postmaster Syndicate, Inc. WNU Service.

Making The Home More Livable

The Indirect Lamp Enlivens the Card Table

By Jean Prentice

ALL work and no play makes Jack a dull boy. To which we add, play without good lighting makes Jack a dull partner! Most of us enjoy entertaining guests, don't we? We get pleasure from providing attractive decks of cards, nice allies and tempting candies. And then, when every detail seems perfection for the comfort of our visitors, we sometimes fall down miserably.

We pull up to the card table a lamp whose small shade serves only two persons at the best, or else fails to cover the raw light from the bulbs so that the glare on the dummy hand makes us twist and fidget.

Or perhaps the bulbs are woefully small with the result that before the evening's over our energy has seeped away with our efforts to see. (I've been guilty of such provisions myself, but know better now.) From lighting scientists who have considered our needs at play as well as at work, this advice has been secured: Provide an indirect lamp of either the metal or glass reflector type, similar to the ones in the sketches, for your game table. They give a light as soft as that on a shaded porch upon a summer's

HAND EMBROIDERY

By Therie Nicholas

At the World's Fair recently Sallie Hand forgot her fan and her hobby to model this stunning hat and coat. After shopping with a companion who covered the Fair for fashion hints, in the various villages which are proving such an attraction to sight-seeing visitors, costume-international was devised, inspired by this handsome coat, a Patou creation, discovered in the Hungary exhibit. This coat was embroidered by Hungarian peasants for Princess Yolanda of Italy. As embroidery is a trimming feature finding definite place in current fashions, this exquisite wrap with matching purse may be regarded as a highly significant style exponent. Sallie wore a strictly American hat, a colonial tricorn with a smart veil over one eye—an eminently smart style destined to become widely popular this autumn and winter.

Hats and Matching Bags

Feature of Fall Season  
Hats with matching bags or bag-nuffs are a feature this season, a fashion that was started by Patou. One of the newest ensembles consists of a hat and handbag of black, gray and white plaid velvet. The bag-bonnet type bag has crystal bead tassels at the sides. The hat has a double brim caught up at the side with matching silk ribbon. Another set has a hat of black velvet with a softly draped double brim tipped with a flat circle of black sequins. The muff is made of alternate strips of velvet and sequin bands and the set is designed for smart informal wear.

First Cotton Mill  
The first cotton mill in America was built at Pawtucket, R. I., by Samuel Slater.

ON SOCCER TEAM Miss Lucille Lansing, daughter of Mr. and Mrs. Chester A. Lansing of 117 south Union avenue, and Miss Lovene May, daughter of Mr. and Mrs. C. Leo May of 57 Normandie place are members of the soccer team of the sophomore class at the New Jersey College for Women, New Brunswick.

EXECUTIVE BOARD MEETS The executive board of the Roosevelt F. T. A. met at the home of Mrs. R. J. Trumbauer in 7 Herring avenue Tuesday. After a cooperative luncheon a business meeting was conducted by Mrs. E. B. Hayden, the president. Reports of the chairman were given and various plans for the future were discussed. Mrs. Doss reported the association now has 244 members, and the reports are not yet all in.

ANNOUNCE ENGAGEMENT At a party Saturday night, Mr. and Mrs. Caesar Bracuto of 507 Jackson avenue, Elizabeth, announced the engagement of their daughter, Carmela, to John Erico, son of Mrs. Michael Erico of 9 Garden place, Cranford. The wedding will take place in April. Guests were present from Elizabeth, Cranford, Newark, East Orange and Trenton.

LEGIONNAIRES PAY DUES Approximately 50 per cent of the members of the Cranford Post, No. 212, American Legion, have already paid their 1935 dues. It was reported at Tuesday night's meeting of the post in the Casino. As the post's second meeting in December falls on Christmas, the meeting will be held December 27.

RECEPTION FOR RELATIVES AND INTIMATE FRIENDS was held at Echo Lake Country Club after which Mr. and Mrs. Dickson left on a wedding trip through the South. They will be at home after November 20 at 207 north Union avenue, Cranford.

SAEA ALLEN HONORED An unusual distinction has been accorded Miss Sara Allen of 42 west Holly street, a freshman at Mount Holyoke college. She has just been initiated into Beta Kappa, the honorary literary society of the college, membership of which is usually drawn only from the junior and senior classes. Election to it depends upon the literary merit shown by the candidate, evidenced by the acceptance of her work in the College monthly publication, or by the high recommendation of the English department.

STAGES SUCCESSFUL PARTY St. Theresa's Guild of St. Michael's Church held a well-attended card party Tuesday afternoon in the school auditorium. Mrs. C. A. Ryan was chairman of the committee in charge. She was assisted by Mrs. William Quinn, Mrs. Samuel Ray, Mrs. M. Radinski, Mrs. A. A. Rauchfus, Mrs. John J. Skeehy, Mrs. Fred Sgarinis, Mrs. Leon Scully, Mrs. Michael Slane, Mrs. Edmund Sullivan, Miss Helen Schaeffer, and Mrs. Wade Poston. Luncheon was served prior to the party.

# UNION FOOD STORES

## COMBINATION FOOD MARKET

106-108 WALNUT AVENUE (3 Doors from South Avenue) CRANFORD, N. J.

# GRAND OPENING SALE

STARTS FRIDAY, NOVEMBER 16th TO WEDNESDAY, NOVEMBER 22, INCLUSIVE

### To Our Many Friends and Patrons!

We are pleased to announce the opening of our NEW, up-to-date "UNION FOOD STORE" at 106-108 Walnut Avenue, Cranford, under the able supervision of Mr. Edward Briede who has been serving you for over 13 years.

This NEW STORE is one of the finest of the many we have in New Jersey, equipped with all modern facilities, including electric refrigeration, assuring you the best foods possible, at very low prices.

We are grateful to you, our patrons, and wish to take this opportunity to thank you for your enthusiastic reception to our only UNION FOOD STORE in Cranford, thereby enabling us to progress so rapidly, within five years.

### A Brief Summary of This Store's Progress:

In May 1929 the "UNION FOOD STORES" opened a small store at 29 Union Avenue, with Edward Briede as manager. Apparently his personal service and actual values rendered to the thrifty housewives of this community were most satisfactory for in September, 1932, we were obliged to seek larger quarters to cater to our increased trade properly. We therefore rented an adjoining store, enlarged our quarters and in addition to the staple line of groceries, fruits, and vegetables, added a complete line of fresh

prime meats and again were prepared to serve our patrons efficiently.

Now, once again, we found our quarters too small to take care of our fast growing business, and HERE WE ARE, in a brand NEW STORE—located right in the heart of Cranford, for your convenience, with delivery service. We are putting behind us our past accomplishments and look forward with increased enthusiasm to our one aim, to give you better service, at lower prices and more satisfaction than ever before.

We appreciate your cooperation in the past and solicit your suggestions and ideas for the future. We earnestly wish to make this "UNION FOOD STORE" not just a part of our business, but a source of profit and service to you.

We extend a most cordial invitation to our many patrons and friends to visit our NEW STORE Thursday evening, November 15th, for inspection and to partake of the REFRESHMENTS that will be served by Mr. Briede.

### "NO MERCHANDISE SOLD THURSDAY NIGHT!"

DON'T FAIL US!!! We'll be seeing you tonight at 8:00 o'clock. ALSO, be sure and visit us FRIDAY or SATURDAY, November 16th and 17th, our official opening days and take advantage of the many SAVINGS we offer you, as you will see below. Last, but not least, your orders will be delivered absolutely FREE.

School News Of Interest To Parents, Teachers, Pupils

Roosevelt School
On Wednesday evening, November 7, an evening session was held in Roosevelt School. The purpose was to allow parents to visit the teachers and to glean an idea of what goes on in school.

Roosevelt 1
Mrs. Tracy's class was pleased to entertain in chapel on Thursday. Louise Johnston had charge of the program. She explained to those present that Robert Louis Stevenson is our class poet and told a few facts about his life.

Roosevelt 2W
The following pupils in Miss Warren's room have been absent: Virginia Graham, Edwin Johnson, Crawford Carhart, Richard Peason, Harry Velt, Joanne Weber, Robert Merrick, Rita Maitre, Hilda Cordes, Stephen Horvath and Frances Dunbar.

Roosevelt 4
"A Viking Book" containing stories and illustrations, inspired by Viking Tales that the class enjoyed tremendously, is in the making. Stories written by Ethel Hoagland and Jacqueline Brown, and copied by Carol Trumbauer and Eileen Martens are among those stories to be included.

Roosevelt 6G
Miss Garland's class has organized an Athletic Club in order to promote good sportsmanship, cleanliness of person and the class room, good health and the enjoyment of sports with their classmates.

Sherman School
Sherman Kindergarten
One day Herbert Dittel took us to see his father's farm. We had such a good time that we decided to have a farm in our kindergarten.

Sherman 15
Wednesday morning and evening our parents came to see our best work. Children Gene, Lester, Edmondson and Henry Armstrong brought their fathers some flowers.

Cranford Library Cooperates In Book Week Observance

"Books are gates to lands of pleasure. Books are keys to wisdom's treasure. Books are paths that upward lead. Books are friends—come, let us read!"

The first countrywide celebration of Book Week was held in 1919, under the auspices of the American Library Association. The object of the week is to make people book conscious.

High School News
Our reventful second team showed the Union 6-0 tie back so hard at them that they are still dizzy. Last Monday, our second squad defeated the Union second team, 20-0. This team has a record of 1-1 and has only let one opponent cross their goal line.

High School News
Our reventful second team showed the Union 6-0 tie back so hard at them that they are still dizzy. Last Monday, our second squad defeated the Union second team, 20-0. This team has a record of 1-1 and has only let one opponent cross their goal line.

RETURNS FROM WEST

(Continued from page one)

The black bear weighed over 250 pounds and killed one of the hounds before being killed off. The largest of the two lions, a male about 2 1/2 years old and a beautiful specimen, also caused considerable excitement. Although badly wounded with two shots, he viciously attacked two of the dogs and with a swipe of his paw ripped one of Mr. Fischer's boots nearly off his foot before he was finally killed.

Mr. Fischer and Miss Erny, both very fond of hunting dogs, have asked the writer to give a share of the credit to the bear hounds "Jake," "Smoke," "Sounder" and "Goose" and the lion hounds "Blue," "Spot," "Rye," "Peggy" and "Rip," so that their master may show them their names in print.

These hounds, which have been raised for years by the Lee brothers, are part bloodhound and redhound or foxhound and seem to possess an almost uncanny instinct in doing their work. Each dog is trained for tracking certain animals. On Mr. Fischer's trip, one pack was used for bears and another for lions.

The Lee place, snugly nestled in the eastern foothills of the Chiricahua Mountains in southeastern Arizona, proved an ideal headquarters and Mr. Fischer and Miss Erny say they greatly enjoyed the hospitality of the ranch and its picturesque surroundings.

While in the Gila forest Miss Erny had the rare pleasure of meeting and talking with "Old Man Lilly," one of the best known characters of the Old West and one of the greatest of all game hunters. The "grand old man" of other days is now 83 years old and is still robust and fairly active.

Old Man Lilly's greatest feat was the killing of a huge black bear weighing over 1200 pounds (considered a freak of nature) which had done considerable damage in the region and seemed to be immune to all efforts to get rid of him.

Old Man Lilly, who used no hounds but always tracked his quarry on foot, finally rubbed him out after trailing him over a wide territory for seventeen days. Such famous men as Zane Grey have visited Lilly, hoping to learn some of the secrets of his great

Western Electric Employees Join Red Cross First

Cranford employees of the Western Electric Kearny Works were first to send in their subscription to the Red Cross in the 1935 Roll Call, according to an announcement today by Chairman William B. Bragdon.

The annual Roll Call had an encouraging start for the Cranford chapter, which includes the Boroughs of Garwood and Kenilworth. Several hundred dollars were received through the mails Monday and Tuesday, and an house-to-house canvass for membership subscriptions is now being conducted by a large number of co-workers.

In Garwood, Mr. Bragdon will be assisted by Mrs. Schemmer, and in Kenilworth by Mrs. Claude H. Butler. The drive, which opened Sunday, will continue through Thanksgiving Day.

Advertisement for Durafilm paint, featuring a woman painting a wall and the text: 'Even kitchen fumes won't harm walls painted with Durafilm. Lucas DURAFILM the porcelain-like interior finish that cleans with soap and water.'

knowledge of wild animals, but to none will the uncommunicative nonagenarian divulge what he alone knows.

Mr. Fischer and Miss Erny returned last Thursday night bringing with them the hides of all the animals, as well as the taxidermist, Otto Senbell of Martinsville, N. J., in mounting them. They also brought the skins of four large rattlesnakes and a bull-head snake, a number of poisonous spiders including tarantulas, a road runner (the only bird that kills poisonous reptiles), and several rock specimens, among which were mica, copper and various ores.

This was Mr. Fischer's fourth big game trip and Miss Erny's second. While they had some narrow escapes, they were fortunate in coming through with only minor injuries considering the nature of the region in which they hunted. Mr. Fischer's bruised face is the result of being thrown from a horse on one of the steep trails.

The Fischer home is not unlike a museum, with a large moose head, deer, porcupine, snakes, waterfowl and fish adorning the walls. The writer is wondering how the trophies of the latest hunt can be displayed without building an addition to their cozy residence.

Testimonial Dinner Honors William Peterson

Fellow employes and friends of William Peterson of 114 south Union avenue will hold a dinner in the Parkview Hotel, Elizabethport, tonight in his honor. Mr. Peterson recently completed thirty-five years' service with the Western Electric Company. Starting at the company's Hawthorne Works in Chicago, Mr. Peterson was transferred several years ago to the Kearny Works. A number of company officials are expected to attend tonight's affair.

"Another Language" to Be Staged Here Nov. 23-24

The Cranford Dramatic Club will present the three-act play, "Another Language," by Rose Franklin, on Friday and Saturday evenings, November 23 and 24, in the Casino, under the direction of S. E. Barringer. T. Kennedy Heston is supervising director for the month.

The cast includes Mrs. Robert Adams, Mrs. Hamilton Fay, Mrs. Harold Fisher, Mrs. Charles Messerve, Mrs. R. A. Rockwell, I. W. Owe, Everett Fay, Paul Crispin, Frank Ramsey, E. Allen Smith and William A. Percival. Reservations are being made for the "Club Dramatique" which will be held on Saturday, December 8, at 9:30 o'clock at the Casino. An excellent floor show will be presented at midnight, followed by supper and dancing until 2:30 a. m. Reservations may be made with Mrs. W. Spencer Damon in 3 Madison avenue.

Mrs. E. A. Dunfee Heads Boy Scout Mothers' Club

Mrs. E. A. Dunfee was elected president of the Boy Scout Mothers' Club at a meeting Tuesday afternoon at her home. Other officers are: Vice-president, Mrs. W. J. Conley; secretary, Mrs. E. H. Meyer; treasurer, Mrs. P. Backmyer. Chairmen of committees are as follows: Program, Mrs. C. Porter; publicity, Mrs. A. Scholz; finance, Mrs. J. E. Jackson; and membership, Mrs. M. Seavy.

Those attending the meeting were Mrs. W. J. Conley, Mrs. E. A. Dunfee, Mrs. E. H. Meyer, Mrs. C. Porter, Mrs. P. Backmyer, Mrs. J. E. Jackson, Mrs. M. Seavy, Mrs. R. Mead, Mrs. M. Terry, Mrs. A. Scholz and Mrs. E. Taylor.

Safety Council Plans For Community Meeting

Plans are underway for a community safety meeting in Cranford. It was reported at a meeting of the Cranford Safety Council last night in the Township Rooms. It is planned to show motion pictures on safety subjects in an effort to make local residents more "safety conscious."

Charles F. Bearles, an industrial engineer and a member of the Newark and Hudson County Safety Councils, has been named chairman of the public education committee. His group will confer with the Board of Education relative to sponsoring a safety poster contest in the schools. Request also will be made for the boys in the manual training department to construct bulletin boards on which the various safety placards may be posted around town.

It was reported that nineteen organizations have voted to join the Council. Representatives of many of the groups were present last night.

The traffic committee, of which Thomas Hartford is chairman, is working on several projects, which will be made known later. The next meeting will be held December 12. Frank A. Abbott, the president, was in charge.

Roosevelt P.-T. A. To Hear Talk on Books

Mrs. H. Haagenzen of the Cranford Public Library will speak on "Books for Children" at the meeting of the Roosevelt P.-T. A. at 3 o'clock Monday afternoon. The speaker also will explain the picture filing system. Miss Jeanette Armstrong will give a report on the P.-T. A. convention held recently in Atlantic City. There will be a regular business meeting followed by a social period. Mothers of the first and second grades will be hostesses.

ON BAD EMINENCE

George "Baby Face" Nelson, mid-west killer and outlaw, who is now ranked as Public Enemy No. 1 by the Department of Justice, succeeding Charles "Pretty Boy" Floyd, who was slain by federal agents and police in Ohio.

There was a department of the post office in France known as the Cabinet Noir, which opened and read private letters as they passed through the mails. It was organized under Louis XIV, disestablished during the revolution, again established by Napoleon, and lasting until the last years of the restoration.

The term "gossinia" is simply a recent nonsense-spelling of the words gossamer and gin. Its origin may be traced to grammar-school arithmetic, where "seven gossinia forty-nine seven times." Children refer to the multiplication table as the "gossinia" table; and by contraction, to division as "gossinia."—Literary Digest.

## Borough To Take Gravel From Jackson Pond

### Pit to Be Drained, Then Re-filled and Park Built Around It.

At the regular meeting of Council Tuesday, Highway Chairman Charles Vitale recommended to Council that arrangements be made to take over the old Jackson pond at the rear of the Harding School, running from 18th street to 15th street and that the same be drained and the gravel removed for use on the highways in the Borough.

Vitale stated that he had made tests at various points in the pond and finds that it contains excellent gravel. A committee has been appointed by Mayor Kozmiza including Vitale, the Mayor and Attorney Ulrich, to call on the owners of the property—the Kenilworth Realty Corporation—to request a deed to the premises. It is understood that the owners offered the Borough a deed several years ago to the property but that at that time the Borough refused to take it. It is expected that appropriation will be made in the 1935 budget to cover the cost of drainage. Vitale stated that work would be started in the early spring and ditches would be constructed to drain the water, after which the gravel will be removed. The pond will then be refilled and a lake allowed to form. A park will be built around the lake.

Council adopted a petition which Borough Clerk William Bruder was instructed to forward to the President of the United States. The petition was adopted in behalf of the United Engineering Corporation, match manufacturer of the American Can Company, buildings at the foot of Monroe avenue. The petition requests that in the interests of the industry and the people employed thereby, that the government refuse to lower the tariff on matches which are being shipped into this country by foreign manufacturers.

Collector and Treasurer John E. Butler submitted his monthly report showing that during the month he received receipts of \$915 in the assessment account, and \$96.52 for interest in connection therewith. The current account showed the collection of the following taxes during the month: 1935 taxes, \$6,520.00; 1934 taxes, \$4,006.18; 1933 taxes, \$1,886.39; 1932 taxes, \$600.10. Interest and costs in connection with delinquent taxes, \$351.77. Other income showed the following collections: Redeemed property \$40.07, Tax Searches, \$18.00, 1932 Special Taxes \$341.27, Bus Line Tax \$25.71, 10 per cent employees' salaries \$72.52.

Mr. Butler reported disbursements as follows: Executive and Administrative expenditures, \$473.96; Assessment and Collection of Taxes, \$150.00; Interest on Current Loans, \$460.40; Interest on Temporary Loans, \$99.87; Police, \$610.71; Fire Department, \$31.47; Poor Fund, \$5.00; Care of Borough Highways, \$956.06; Street Lighting, \$301.05; Tax Revenue Notes, \$23,168.00; Water Hydrants, \$1,221.00; Scavenger Service, \$82.50; Local Schools, \$5,000.00; Traffic Control, \$29.20; Shade Tree Commission, \$16.00. The current account showed a balance in the bank on October 31st of \$3,518.34.

Police Commissioner John Graf submitted the police report for the month of October, showing that during the month the department made eight arrests, including one case of drunken driving, 2 cases of disorderly conduct, 2 Borough ordinance violations, 3 weights and measure violations. Fines collected amounted to \$103, of which \$100 was forwarded to the County.

An application for transfer of location for liquor business was received from William F. C. Herbst. He requested that he be given permission to move his business from its old location at the American Keystone grounds to the Kramer Building at the corner of Boulevard and 21st street. Council granted the request at the regular transfer fee of \$2.

A communication was received from the New Jersey State League of Municipalities inviting the governing body to participate in the leagues convention to be held at Asbury Park today and tomorrow. The sum of \$85 was appropriated for expenses for the members who would attend. Council will be represented by the Mayor and Councilmen Vitale, Rowan, Graf, Falkinburg and Arthur. The Clerk's office will be represented by William Bruder, Collector and Treasurer's office by John E. Butler, Tax Assessors by Joseph A. Bailey, Sr., Police Department by Chief George D. Conklin, Engineering Department by Malcolm C. Oady and Legal Department by Edwin H. Ulrich.

Mr. Lundin, chairman of zoning, reported that he is arranging a meeting for the purpose of adopting the zoning ordinance.

Highway Chairman Vitale reported that the work on Michigan avenue is rapidly nearing completion. He stated that there is still \$600 left for work on Michigan avenue and at the same time is progressing that amount will be ample for the completion of the work. Mr. Vitale reported that it was necessary to cut trees in the path of the highway on Michigan avenue and two

loads of wood were sold for \$10, which was turned over to the collector. Mr. Vitale recommended that the remaining wood be given to the fire department and churches in the Borough. Council voted that this request be granted. Mr. Vitale reported that he had conferred with Mr. King of the County Engineer's Office, and that the county is willing to construct two-foot wings on 20th street. Mr. Vitale suggested that the Borough accept the county's offer. A resolution was adopted accepting the offer.

Chairman of the Building Committee Rowan reported the issuance of two building permits during the month of October.

Councilman Charles Vitale was appointed representative to the Union County Emergency Relief Administration for the purpose of discussing appropriation for local relief.

William E. Mergott was reengaged as an assistant to Mr. Butler in the Collector's office to November 30, 1934.

Three resolutions of sympathy were adopted expressing the Council's sympathy to the families of Oswald Nitschke, William Rowan and Tilden Falkinburg. Mr. Rowan's mother and Mr. Falkinburg's mother passed away since the last meeting of Council.

## MARTONIA RITES

Funeral services for Mrs. Eleanor Martonia, widow of the late Rocco Martonia of 19th street, were held Tuesday afternoon from the home. Interment was held in the St. Mary Cemetery in Plainfield. Mrs. Eleanor Martonia, who was 65 years old, leaves a daughter, Mrs. Mary Malaspino of Kenilworth, and a son, Mr. Martonio of Roselle Park.

## BOUCEK BUYS PROPERTY

Joseph Soucek of 1025 Emma street, Elizabeth, purchased the property at 68 Newark avenue, offered at public auction Tuesday by the Borough of Kenilworth for \$1400. Mr. Soucek was the only bidder. He plans to move to the Borough and take possession immediately. The Borough bought in the property at the recent tax sale and foreclosed on the tax lien.

## RODERICK LISTER HURT

Roderick Lister, 10 years old, son of Mr. and Mrs. William Lister of 54 Newark avenue, was struck by a car driven by James S. Williams, 408 Grand street, Roselle, on Sunday afternoon in the vicinity of the Wright Coal Company on Michigan avenue. Williams was passing a truck which was parked at the Coal Company at right angles with the road when he struck the youngster who was riding a bicycle. The boy was picked up by Sam Vitale and taken to the St. Elizabeth Hospital, where he was treated for bruises about the face and deep lacerations of the forehead and also for a possible fracture of the skull. He was confined to the hospital.

## THANK VOTERS

Councilmen John Graf and Harry Lundin wish to express their gratitude to the voters of the Borough for their support on election day. They have both promised to carry on the Borough's work in the same prudent manner that they have heretofore shown. Both the terms of Mr. Lundin and Mr. Graf expire on January 1 next, and they will then be sworn in by Borough Clerk William Bruder to serve for the next three years.

## MAKE CONCERT PLANS

At a business meeting of the Kenilworth Choral Society on Wednesday evening discussion was held on the date to be selected for the winter concert, which is scheduled to take place in December in the Harding School. The date will be announced at the next rehearsal of the society.

## CHARGED WITH SHORT WEIGHT

A. Kelly of Meckes street, Springfield, was arrested last Wednesday on the charge of delivering coal without a proper certified weigh master slip. The complaint was made by Charles E. Ayres, assistant superintendent of the Union County Weights and Measures.

## METHODISTS HAVE PARTY

The girls and boys of the Upstairs Department of the Methodist Episcopal Church gave a party in the basement on Wednesday evening. George Scott, who was in charge of the games, made a number of successful suggestions. Refreshments were served.

## HELPS POLICE

James Nolan of 9th street has been assigned to work in the Police Headquarters through Emergency Relief Administration.

## MINOR BLAZE

A field fire caused by hunters on Newark avenue on Monday afternoon at 3:30 o'clock was extinguished by the Volunteer Fire Department.

## Indian Shell Mounds

In the heart of St. Petersburg, Fla. are to be found a number of Indian shell mounds which contain bodies of aborigines, sitting upright and in an almost perfect state of preservation.

## Hard Work Counts

"Hopeful fish do best," said Uncle Eben. "He mighty fish best it alye. Hebbe to git you as much as workin' hard fish swimin' a little better."

## SOCIAL ITEMS

Mrs. Isabelle E. Kuntz of 23rd street and her sister, Mrs. Charles Garrett of Chicago, who spent the summer with her, left for Chicago last Thursday. Mrs. Kuntz will spend the winter there.

Mr. and Mrs. Edward J. Branham of 14th street and Sheridan avenue, are the parents of a baby girl born on October 5. The baby has been named Frances.

Five members attended the Parent-Teachers Convention which was held last Friday in Atlantic City. They were Mrs. A. Glyn, Mrs. Frank Fitzpatrick, Mrs. Phillip, Mrs. A. Scott and Mrs. D. F. Kelly.

The Ladies' Aid Society of the M. E. Church will meet tonight at 8 o'clock at the home of Mrs. Elmer Crowhurst on 20th street.

A special meeting of the Parent-Teacher Association together with the Board of Education and the Borough Recreation were held Tuesday night at the Harding School.

Mrs. Charles Vitale is recuperating at her home from a recent illness. She returned from the Elizabeth General Hospital Tuesday.

## FOR KNITTING CLASS

A knitting class sponsored by the Union County Home Demonstration Agency was formed by Mrs. George D. Conklin on Wednesday afternoon in the sitting room of the first house, Mrs. E. Decker instructed the ladies in knitting. Those present were: Mrs. Louis Scherer, Mrs. Sinclair, Mrs. Warren Gaughan, Mrs. William Lister, Mrs. Frank Davis, Mrs. William Bruder and Mrs. George Conklin. The club will meet weekly.

## TO SPONSOR CARD PARTY

A meeting of the Firemen's Volunteer Department was held in headquarters on Wednesday evening. Final arrangements were completed for the card party and dance which will be held Friday night, November 16. The committee consists of Joe Fuller, chairman; Allan Knudson, Frank Fitzpatrick, Thomas Merritt, Harry Cousins and Louis Restell. The members plan to hold a card party once a month.

## CARS IN COLLISION

Nicholas Lungo of 608 Third avenue, Elizabeth, who drives a bakery truck in Kenilworth, collided with William Vincent of Michigan avenue at the intersection of 21st street and the Boulevard on Saturday afternoon. Both cars were damaged. Camillo Marabelli, who was a passenger in the truck, suffered lacerations of the right index finger and an abrasion of the face.

## ATTENDS ELIZABETH SERVICE

The Sunday School classes of the Methodist Church attended the regular Friday night services of the Temple Beth Israel on East Jersey street, Elizabeth. The Rev. Raphael H. McAmid, Ph.D., delivered a sermon on Armistice Day.

### YOUR CHILD AND THE SCHOOL

By HARRY H. HARRIS  
Director, Physical and Health Education  
New Jersey State Department of Public Instruction

## Concentrated Sunshine

The shorter day of the autumn and winter means "bad liver, old time" to an increasingly large number of parents. Or it may be the halibut or the salmon that is the benefactor. The needs, values, and results are just the same. Your child's health and vitality should make the choice.

But of one thing we are sure, and it is that a great many children are in absolute need of one of the liver oils and it is very likely that practically all children would be benefited. We witness one of the marvels of science and take it so calmly. We discover that sunshine is essential to the normal growth of children and to the health of adults. We find out why. Other investigations discover in the fish liver oils those chemical elements called "vitamins," and it turns out that they are identical with the elements manufactured in our bodies under the influence of the sun's rays. Thus, when the short day comes and children are deprived of sunshine because of attendance at school, we have at hand nature's own product and substitute.

I shall never cease to regard these discoveries as being among the greatest triumphs of man. We should rejoice in this knowledge and we should use it, that coming generations will be ever better fitted to carry on the world's work. To say that it is one of our obligations as parents and teachers is not putting it too strongly. Sunshine is essential and it is better than the substitute. Lacking it in quantity, we should rely upon the next best; one of fish liver oils. But, as always, get your physician's advice.

Don't prescribe for your child without a physician's advice. Dr. Frankel will discuss the dangers of this next week.

## COMING EVENTS

### THURSDAY

5:30 p. m.—Lions Club of Roselle and Kenilworth, Van Court Inn, Roselle.

8 p. m.—Installation of the Post No. 2238 and Auxiliary, Borough Hall.

8 p. m.—Prayer and Bible Study, New Orange Park Gospel Hall.

8 p. m.—Prayer meeting, First Baptist Church.

8:30 p. m.—Kenilworth Choral Society, M. E. Church.

## DRIVE SAFELY

### ROLLER SKATING

ROLLER skating has developed into quite a problem in the larger cities and towns, requiring drastic police protection to prevent injury and loss of life. Some municipalities have found a way to abate the hazard by setting off certain areas in which skaters must stay in and in which motor vehicles are prohibited.

A set of simple safety rules for roller skaters is offered here:

Do not skate in the street except in protected areas.

Do not skate in the street after dark without a flashlight or reflector button on your back or skates.

Do not hitch onto passing vehicles or "crack the whip."

Do not skate with traffic; be sure to face oncoming vehicles.

Do not skate three or four abreast.

Thor Electric Laundry Equipment

God Liver Oil Supply  
The United States gets more cod liver oil from Norway than from any other country.

## HUMAN BONES TURNED TO GEMS

An archeologist has found that the Incas turned human bones into turquoise. Ovens have been found where human remains were transmuted into gems.

## Marrow in Bones Fluctuates

Experiments showed how the marrow in human bones fluctuates. In man the source of red blood cells may be as much as 5 per cent of the body weight.

## London Has Many Trees

In the square mile which holds the City of London there are 700 forest trees, with the plane tree most numerous.

## Ancient Anchor Found

Believed to have once belonged to a galley of the old naval republic of Pisa, a 12-foot anchor was found recently off the coast of Italy near Leghorn.

## Soviet Lists 20,000 Native Plants

The flora of the Soviet union have been classified in a 20-volume edition. More than 20,000 species of plants are described.

## First Sorting of Mail

During the Civil war the sorting of mail was first tried in an effort to get soldiers' mail to them promptly. It was so successful that the railway mail service developed.

## Mushrooms an Early Food

Mushrooms were used as food at least as early as 500 B. C.

## Population Increase

During the last decade three-fourths of the total population increase in this country occurred in or within 30 miles of our 96 cities of over 100,000 population.

## Chief Cross Led Warriors

Ohio's Chief Cross (Tarhe) marched on foot at the head of his warriors through the whole of Gen. W. H. Harrison's campaign into Canada and was an active fighter in the battle of Thames in 1813—at seventy-two years of age.

## First Sorting of Mail

During the Civil war the sorting of mail was first tried in an effort to get soldiers' mail to them promptly. It was so successful that the railway mail service developed.

## Mushrooms an Early Food

Mushrooms were used as food at least as early as 500 B. C.

## Population Increase

During the last decade three-fourths of the total population increase in this country occurred in or within 30 miles of our 96 cities of over 100,000 population.

## \$69.50 buys both an ELECTRIC WASHER and IRONER

This is the regular price for this equipment and this is standard equipment selling at that price. The washer with its ironing attachment are part of the standard Thor line and Thor products have justly earned their reputation for long and satisfactory service.

The Thor washing method is to set six currents of water at work, keeping the clothes moving about so they cannot bunch. At the same time twelve other currents are thrown directly on the clothes and the force of the water is sufficient to loosen and remove the dirt. The balloon type rubber rollers on the wringer are so smooth and soft, that fasteners pass through without injury.

By removing the wringer and putting the ironing attachment in its place, you convert the washer into an electric ironer. You can do all your pressing on it. It cuts ironing time in half or even to a third.

Thor electric laundry equipment has been tested at our laboratories and the reliability of its performance proved.

## Borough To Take Gravel From Jackson Pond

### Pit to Be Drained, Then Re-filled and Park Built Around It.

At the regular meeting of Council Tuesday, Highway Chairman Charles Vitale recommended to Council that arrangements be made to take over the old Jackson pond at the rear of the Harding School, running from 18th street to 15th street and that the same be drained and the gravel removed for use on the highways in the Borough.

Vitale stated that he had made tests at various points in the pond and finds that it contains excellent gravel. A committee has been appointed by Mayor Kosmutsa including Vitale, the Mayor and Attorney Ulrich, to call on the owners of the property—the Kenilworth Realty Corporation—to request a deed to the premises. It is understood that the owners offered the Borough a deed several years ago to the property but that at that time the Borough refused to take it. It is expected that appropriation will be made in the 1933 budget to cover the cost of drainage. Vitale stated that work would be started in the early spring and dredges would be constructed to drain the water, after which the gravel will be removed. The pond will then be refilled and a lake allowed to form. A park will be built around the lake.

Council adopted a petition which Borough Clerk William Bruder was instructed to forward to the President of the United States. The petition was adopted in behalf of the United Engineering Corporation, machinists manufacturers of the Borough, located in one of the American Can Company buildings at the foot of Monroe avenue. The petition requests that in the interests of the industry and the people employed thereby, that the government refuse to lower the tariff on matches which are being shipped into this country by foreign manufacturers.

Collector and Treasurer John E. Butler submitted his monthly report showing that during the month there were receipts of \$915 in the assessment account, and \$96.52 for interest in connection therewith. The current account showed the collection of the following taxes during the month: 1932 taxes, \$5,530.00; 1933 taxes, \$4,068.18; 1933 taxes, \$1,598.39; 1932 taxes, \$600.10. Interest and costs in connection with delinquent taxes, \$351.77. Other income showed the following collections: Redeemed property \$40.07, Tax Searches, \$18.00, 1932 Special Taxes \$341.27, Bus Line Tax \$25.71, 10 per cent employees' salaries \$72.52.

Mr. Butler reported disbursements as follows: Executive and Administrative expenditures, \$473.96; Assessment and Collection of Taxes, \$150.00; Interest on Current Loans, \$460.40; Interest on Temporary Loans, \$969.63; Police, \$461.71; Fire Department, \$31.47; Poor Fund, \$5.00; Care of Borough Highways, \$956.06; Street Lighting, \$301.05; Tax Revenue Notes, \$23,158.00; Water Hydrants, \$1,251.90; Sewerage Services, \$22.50; Local Schools, \$5,000.00; Traffic Control, \$28.20; Shade Tree Commission, \$16.00. The current account showed a balance in the bank on October 31st of \$2,518.24.

Police Commissioner John Graf submitted the police report for the month of October, showing that during the month the department made eight arrests, including one case of drunken driving, 2 cases of disorderly conduct, 2 Borough ordinance violations, 3 weights and measure violations. Fines collected amounted to \$103, of which \$100 was forwarded to the County.

An application for transfer of location for liquor business was received from William F. C. Herbst. He requested that he be given permission to move his business from its old location at the American Keystone grounds to the Kraemer Building at the corner of Boulevard and 21st street. Council granted the request at the regular transfer fee of \$2.

A communication was received from the New Jersey State League of Municipalities inviting the governing body to participate in the leagues' convention to be held at Ashbury Park today and tomorrow. The sum of \$85 was appropriated for expenses for the members who would attend. Council will be represented by the Mayor and Councilmen Vitale, Rowan, Graf, Falkinburg and Arthur. The Clerk's office will be represented by William Bruder, Collector and Treasurer's office by John E. Butler, Tax Assessors by Joseph A. Bailey, Sr., Police Department by Chief George D. Conklin, Engineering Department by Malcolm C. Cady and Legal Department by Elvin H. Ulrich.

Mr. Lundin, chairman of zoning, reported that he is arranging a meeting for the purpose of adopting the zoning ordinance.

Highway Chairman Vitale reported that the work on Michigan avenue is rapidly nearing completion. He stated that there is still \$650 left for work on Michigan avenue and at the rate work is progressing that amount will be ample for the completion of the work. Mr. Vitale reported that it was necessary to cut trees in the path of the Highway on Michigan avenue and two

loads of wood were sold for \$10, which was turned over to the collector. Mr. Vitale recommended that the remaining wood be given to the fire department and churches in the Borough. Council voted that this request be granted. Mr. Vitale reported that he had conferred with Mr. Kling of the County Engineer's Office, and that the county is willing to construct two-foot wings on 20th street. Mr. Vitale suggested that the Borough accept the county's offer. A resolution was adopted accepting the offer.

Chairman of the Building Committee Rowan reported the issuance of two building permits during the month of October.

Councilman Charles Vitale was appointed representative to the Union County Emergency Relief Administration for the purpose of discussing appropriation for local relief.

William E. Mergott was reengaged as an assistant to Mr. Butler in the Collector's office on November 30, 1932. Three resolutions of sympathy were adopted expressing the Council's sympathy to the families of Oswald Nitschke, William Rowan and Tilden Falkinburg. Mr. Rowan's mother and Mr. Falkinburg's mother passed away since the last meeting of Council.

### MARTIONIA RITES

Funeral services for Mrs. Eleanor Martionia, widow of the late Rocco Martionia of 18th street, were held Tuesday afternoon from the home. Interment was held in the St. Mary Cemetery in Plainfield. Mrs. Eleanor Martionia, who was 55 years old, leaves a daughter, Mrs. Mary Malaspina of Kenilworth, and a son, Mr. Martionio of Roselle Park.

### SOUCEK BUYS PROPERTY

Joseph Soucek of 1026 Emma street, Elizabeth, purchased the property at 68 Newark avenue, offered at public auction Tuesday, by the Borough of Kenilworth for \$1400. Mr. Soucek was the only bidder. He plans to move to the Borough and take possession immediately. The Borough bought in the property at the recent tax sale and foreclosed on the tax lien.

### RODERICK LISTER, BURY

Roderick Lister, 10 years old, son of Mr. and Mrs. William Lister of 34 Newark avenue, was struck by a car driven by James S. Williams, 408 Grand street, Roselle, on Sunday afternoon in the vicinity of the Wright Coal Company on Michigan avenue. Williams was passing a truck which was parked at the Coal Company at right angles with the road when he struck the youngster who was riding a bicycle. The boy was picked up by Sam Vitale and taken to the St. Elizabeth Hospital, where he was treated for bruises about the face and deep lacerations of the forehead and also for a possible fracture of the skull. He was confined to the hospital.

### THANK VOTERS

Councilmen John Graf and Harry Lundin wish to express their gratitude to the voters of the Borough for their support on election day. They have both promised to carry on the Borough's work in the same prudent manner that they have heretofore shown. Both the terms of Mr. Lundin and Mr. Graf expire on January 1 next, and they will then be sworn in by Borough Clerk William Bruder to serve for the next three years.

### MAKE CONCERT PLANS

At a business meeting of the Kenilworth Choral Society on Wednesday evening discussion was held on the date to be selected for the winter concert, which is scheduled to take place in December in the Harding School. The date will be announced at the next rehearsal of the society.

### CHARGED WITH SHORT WEIGHT

A Kelly of Meckes street, Springfield, was arrested last Wednesday on the charge of delivering coal without a proper certified weigh master slip. The complaint was made by Charles E. Ayres, assistant superintendent of the Union County Weights and Measures. Kelly will be tried before Mayor C. A. Kosmutsa in Police Court on Friday night.

### METHODISTS HAVE PARTY

The girls and boys of the Episcopal Department of the Methodist Episcopal Church gave a party in the basement on Wednesday evening. George Scott, who was in charge of the games, made a number of successful suggestions. Refreshments were served.

### HELPS POLICE

James Nolan of 9th street has been assigned to work in the Police Headquarters through Emergency Relief Administration.

### MINOR BLAZE

A field fire caused by hunters on Newark avenue on Monday afternoon at 3:30 o'clock was extinguished by the Volunteer Fire Department.

### Indian Shell Mounds

In the heart of St. Petersburg, Fla., are to be found a number of Indian shell mounds which contain bodies of aborigines, sitting upright and in an almost perfect state of preservation.

### Hard Work Counts

"Hopin' fob de best," said Uncle Eben, "is mighty fine, but it ain't liable to git you as much as workin' hard fob sumpin' a little better."

## Borough To Take Gravel From Jackson Pond

### Pit to Be Drained, Then Re-filled and Park Built Around It.

At the regular meeting of Council Tuesday, Highway Chairman Charles Vitale recommended to Council that arrangements be made to take over the old Jackson pond at the rear of the Harding School, running from 18th street to 15th street and that the same be drained and the gravel removed for use on the highways in the Borough.

Vitale stated that he had made tests at various points in the pond and finds that it contains excellent gravel. A committee has been appointed by Mayor Kosmütz including Vitale, the Mayor and Attorney Ulrich, to call on the owners of the property—the Kenilworth Realty Corporation—to request a deed to the premises. It is understood that the owners offered the Borough a deed several years ago to the property but that at that time the Borough refused to take it. It is expected that appropriation will be made in the 1935 budget to cover the cost of drainage. Vitale stated that work would be started in the early spring and ditches would be constructed to drain the water, after which the gravel will be removed. The pond will then be refilled and a lake allowed to form. A park will be built around the lake.

Council adopted a petition which Borough Clerk William Bruder was instructed to forward to the President of the United States. The petition was adopted in behalf of the United Engineering Corporation, machinists of the Borough, located in one of the American Can Company buildings at the foot of Monroe avenue. The petition requests that in the interests of the industry and the people employed thereby, that the government refuse to lower the tariff on matches which are being shipped into this country by foreign manufacturers.

Collector and Treasurer John E. Butler submitted his monthly report showing that during the month there were receipts of \$915 in the assessment account, and \$96.52 for interest in connection therewith. The current account showed the collection of the following taxes during the month: 1935 taxes, \$5,200.00; 1934 taxes, \$4,096.18; 1933 taxes, \$1,548.19; 1932 taxes, \$200.10. Interest and costs in connection with delinquent taxes, \$351.77. Other income showed the following collections: Redeemed property \$40.07, Tax Searches, \$18.00, 1932 Special Taxes \$341.27, Bus Line Tax \$25.71, 10 per cent employees' salaries \$72.92.

Mr. Butler reported disbursements as follows: Executive and Administrative expenditures, \$473.96; Assessment and Collection of Taxes, \$150.00; Interest on Current Loans, \$460.40; Interest on Temporary Loans, \$989.63; Police, \$610.71; Fire Department, \$31.47; Poor Fund, \$5.99; Care of Borough Highways, \$956.05; Street Lighting, \$301.05; Tax Revenue Notes, \$23,168.00; Water Hydrants, \$1,221.00; Scavenger Service, \$82.50; Local Schools, \$5,000.00; Traffic Control, \$29.20; Shade Tree Commission, \$16.00. The current account showed a balance in the bank on October 31st of \$3,518.34.

Police Commissioner John Graf submitted the police report for the month of October, showing that during the month the department made eight arrests, including one case of drunken driving, 2 cases of disorderly conduct, 2 Borough ordinance violations, 2 weights and measure violations. Fines collected amounted to \$103, of which \$100 was forwarded to the County.

An application for transfer of location for liquor business was received from William F. C. Herbst. He requested that he be given permission to move his business from its old location at the American Keystone grounds to the Kramer Building at the corner of Boulevard and 21st street. Council granted the request at the regular transfer fee of \$2.

A communication was received from the New Jersey State League of Municipalities inviting the governing body to participate in the leagues' convention to be held at Asbury Park today and tomorrow. The sum of \$85 was appropriated for expenses for the members who would attend. Council will be represented by the Mayor and Councilmen Vitale, Rowan, Graf, Falkinburg and Arthur. The Clerk's office will be represented by William Bruder, Collector and Treasurer's office by John E. Butler, Tax Assessors by Joseph A. Bailey, Sr., Police Department by Chief George D. Conklin, Engineering Department by Malcolm C. Cady and Legal Department by Elvin H. Ulrich.

Mr. Lundin, chairman of zoning, reported that he is arranging a meeting for the purpose of adopting the zoning ordinance.

Highway Chairman Vitale reported that the work on Michigan avenue is rapidly nearing completion. He stated that there is still \$500 left for work on Michigan avenue and at the same work is progressing that amount will be ample for the completion of the work. Mr. Vitale reported that it was necessary to cut trees in the path of the Highway on Michigan avenue and two

loads of wood were sold for \$10, which was turned over to the collector. Mr. Vitale recommended that the remaining wood be given to the fire department and churches in the Borough. Council voted that this request be granted. Mr. Vitale reported that he had conferred with Mr. Kling of the County Engineer's Office, and that the county is willing to construct two-foot wings on 20th street. Mr. Vitale suggested that the Borough accept the county's offer. A resolution was adopted accepting the offer.

Chairman of the Building Committee Rowan reported the issuance of two building permits during the month of October.

Councilman Charles Vitale was appointed representative to the Union County Emergency Relief Administration for the purpose of discussing appropriation for local relief.

William E. Mergott was reengaged as an assistant to Mr. Butler in the Collector's office to November 30, 1934.

Three resolutions of sympathy were adopted, expressing the Council's sympathy to the families of Oswald Nilschke, William Rowan and Tilden Falkinburg. Mr. Rowan's mother and Mr. Falkinburg's mother passed away since the last meeting of Council.

### MARTIONIA RITES

Funeral services for Mrs. Eleanor Martionia, widow of the late Rocco Martionia, of 19th street, were held Tuesday afternoon from the home. Interment was held in the St. Mary Cemetery in Plainfield. Mrs. Eleanor Martionia, who was 65 years old, leaves a daughter, Mrs. Mary Malaspino of Kenilworth, and a son, Mr. Martionio of Roselle Park.

### SOUCEK BUYS PROPERTY

Joseph Soucek of 1026 Emma street, Elizabeth, purchased the property at 66 Newark avenue, offered at public auction Tuesday by the Borough of Kenilworth for \$1400. Mr. Soucek was the only bidder. He plans to move to the Borough and take possession immediately. The Borough bought in the property at the recent tax sale and foreclosed on the tax lien.

### RODERICK LISTER HURT

Roderick Lister, 10 years old, son of Mr. and Mrs. William Lister of 64 Newark avenue, was struck by a car driven by James S. Williams, 408 Grand street, Roselle, on Sunday afternoon in the vicinity of the Wright Coal Company on Michigan avenue. Williams was passing a truck which was parked at the Coal Company at right angles with the road when he struck the youngster who was riding a bicycle. The boy was picked up by Stan Vitale and taken to the St. Elizabeth Hospital, where he was treated for bruises about the face and deep lacerations of the forehead and also for a possible fracture of the skull. He was confined to the hospital.

### THANK VOTERS

Councilmen John Graf and Harry Lundin wish to express their gratitude to the voters of the Borough for their support on election day. They have both promised to carry on the Borough's work in the same prudent manner that they have heretofore shown. Both the terms of Mr. Lundin and Mr. Graf expire on January 1 next, and they will then be sworn in by Borough Clerk William Bruder to serve for the next three years.

### MAKE CONCERT PLANS

At a business meeting of the Kenilworth Choral Society on Wednesday evening discussion was held on the date to be selected for the winter concert, which is scheduled to take place in December in the Harding School. The date will be announced at the next rehearsal of the society.

### CHARGED WITH SHORT WEIGHT

A Kelly of Meckes street, Springfield, was arrested last Wednesday on the charge of delivering coal without a proper certified weigh master slip. The complaint was made by Charles E. Ayres, assistant superintendent of the Union County Weights and Measures. Kelly will be tried before Mayor C. A. Kosmütz in Police Court on Friday night.

### METHODISTS HAVE PARTY

### GOOR AND THE

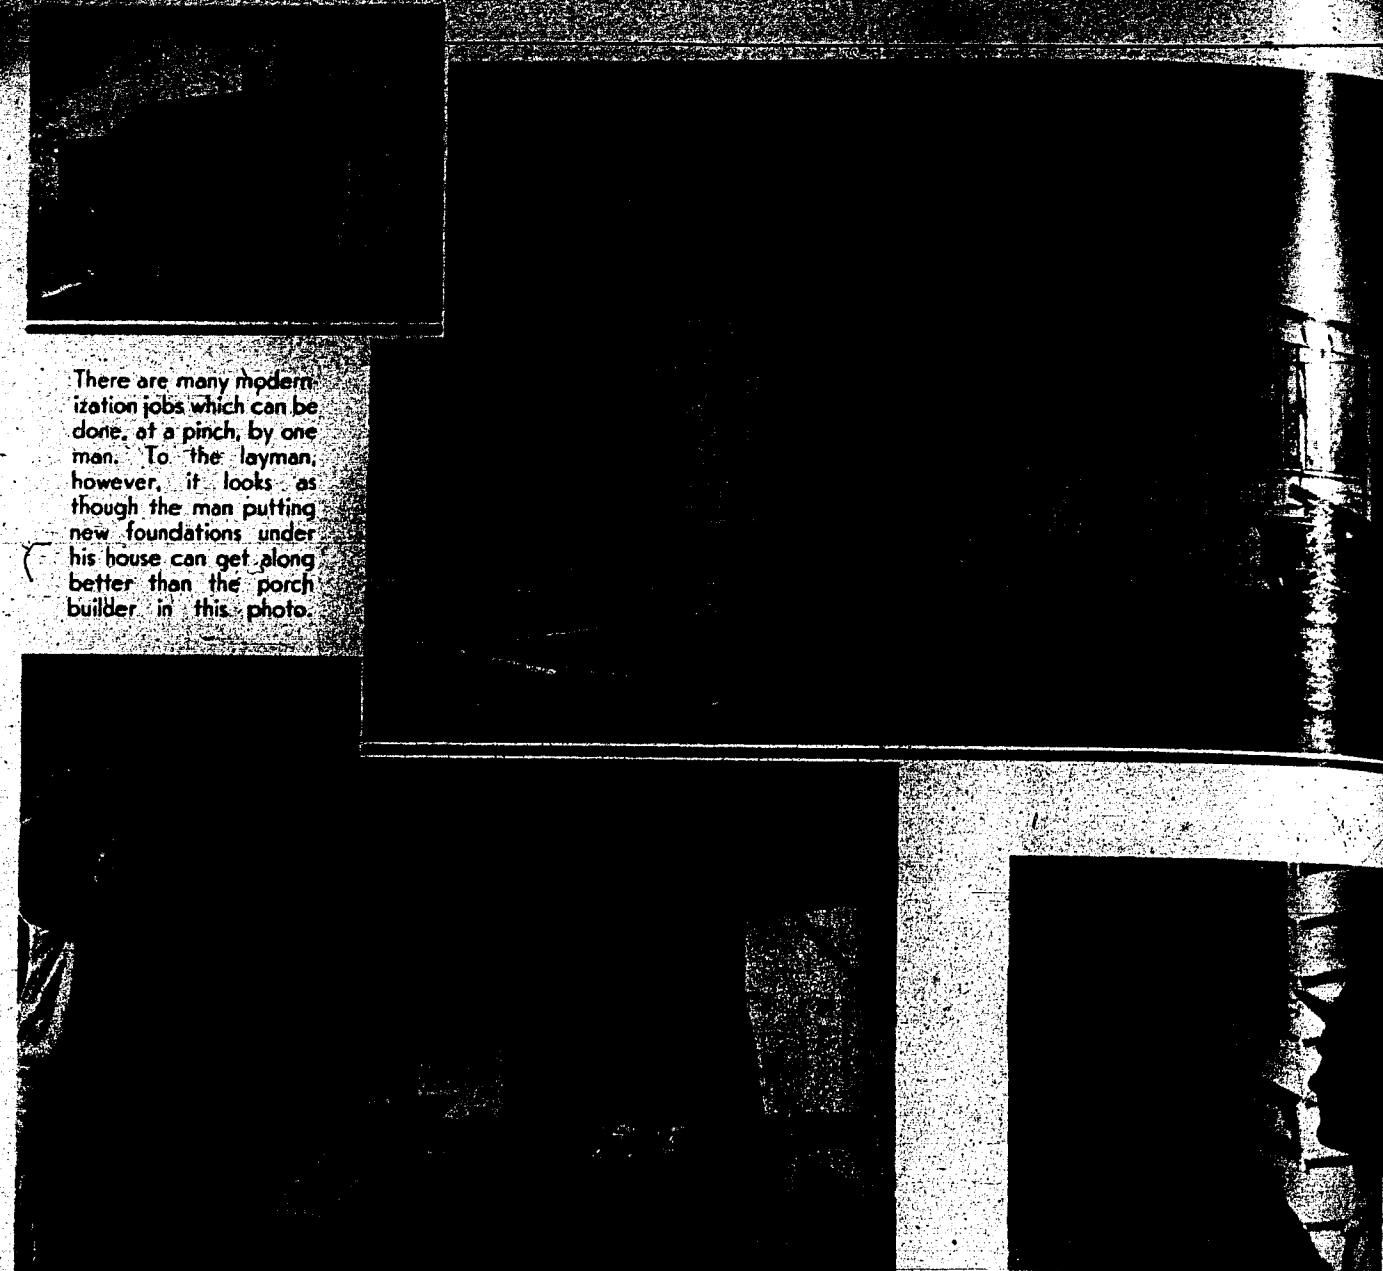

By Dr. Allen  
Director, Physical and  
New Jersey State Department

Concentrate  
The shorter days and winter months' to an increase of parents. Or it but that for

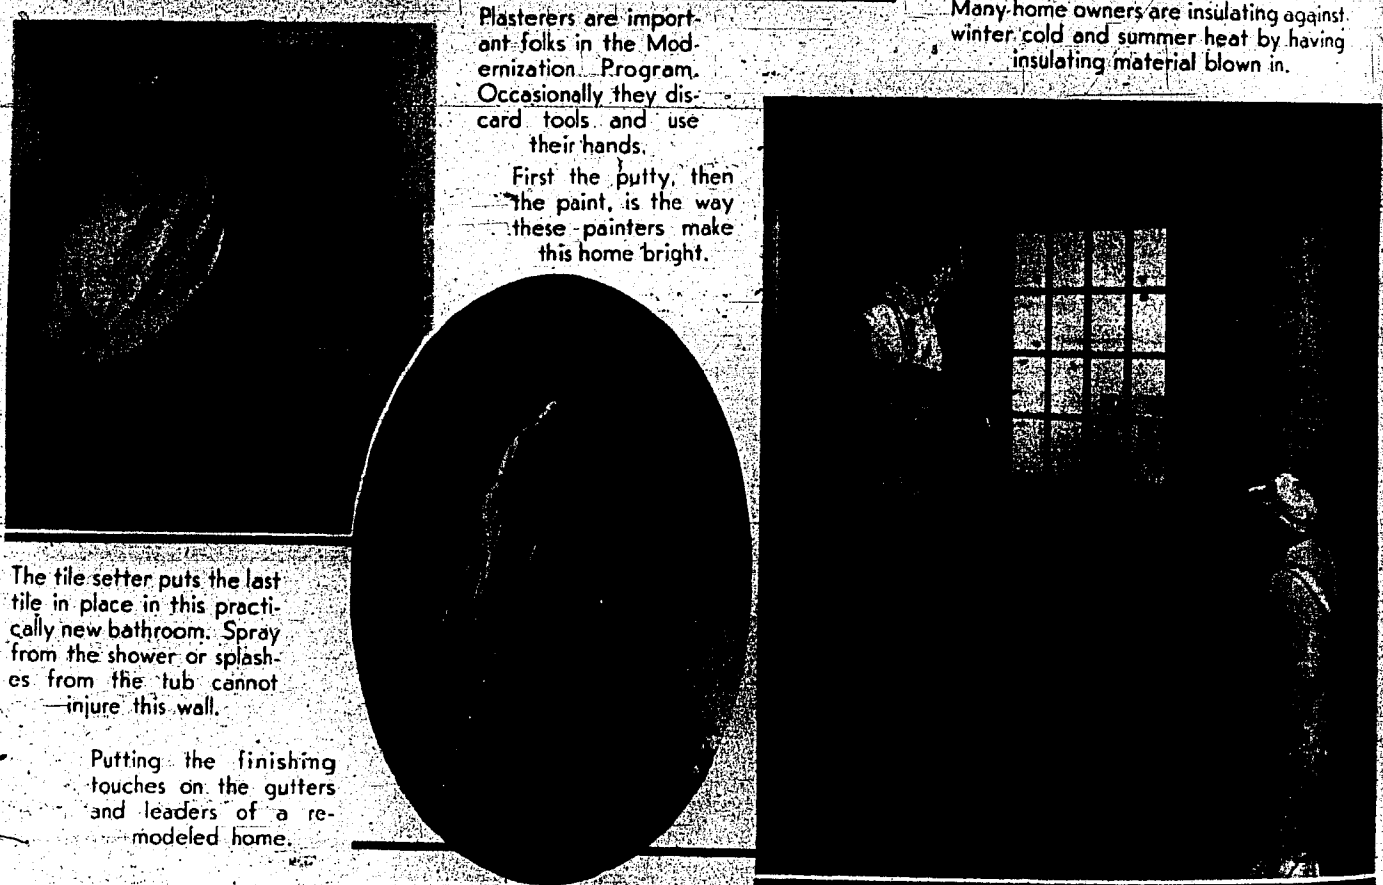

we are sure, and many children are of one of the first very likely that practically all children would be benefited. "We willness one of the marvels of science and take it so calmly. We discover that sunshine is essential to the normal growth of children and to the health of adults. We find out why. Other investigations discover in the fish liver oils these chemical elements called "vitamins," and it turns out that they are identical with the elements manufactured in our bodies under the influence of the sun's rays. Thus, when the short day comes and children are deprived of sunshine because of attendance at school, we have at hand nature's own product and substitute.

I shall never cease to regard these discoveries as being among the greatest triumphs of man. We should rejoice in this knowledge and we should use it, that coming generations will be ever better fitted to carry on the world's work. To say that it is one of our obligations as parents and teachers is not putting it too strongly. Sunshine is essential and it is better than the substitute. Lacking it in quantity, we should rely upon the next best, one of fish liver oil. But, as always, get your physician's advice.

Don't prescribe for your child without a physician's advice. Dr. Irving will discuss the dangers of this next week.

There are many modernization jobs which can be done, at a pinch, by one man. To the layman, however, it looks as though the man putting new foundations under his house can get along better than the porch builder in this photo.

Plasterers are important folks in the Modernization Program. Occasionally they discard tools and use their hands. First the putty, then the paint, is the way these painters make this home bright.

Many home owners are insulating against winter cold and summer heat by having insulating material blown in.

There's no need to lose touch with a single out-of-town friend—talk with them. You can call 50 miles for a quarter-an-hour in N.S. ☺

The Week's Events in a Progressive Community

St. Paul's Church Adopts Resolution Opposing War

St. Paul's Evangelical Lutheran Church accepted the following resolution Sunday: A Christian congregation dedicated to the task of building God's kingdom here among men—we do solemnly affirm that war is a denial of the gospel of Jesus Christ and its very principles upon which we are endeavoring to build God's kingdom.

Therefore, be it resolved that St. Paul's Evangelical Lutheran Church go on record before man and God as definitely opposing to future wars and definitely committed to the promotion of peace and good-will among men.

Furthermore, be it further resolved that we approve heartily all efforts being made by our agent, the Federal Council of the Churches of Christ in America, to bring about a reduction in armaments believing with them that the piling up of armaments is not a guarantee of peace but a step in the direction of war.

Be it further resolved that a copy of the resolution be forwarded to the Federal Council; the commission on Christianity and social problems of the Evangelical and Reformed Church and that a copy be incorporated into the church records as a guide for future action.

SUB DEBS REORGANIZE The re-organization meeting of the Garwood Sub Debs was held Monday evening at the home of Miss Dorothea Hund in Cedar street. Plans were made for the coming year. Cider and doughnuts were served to the Misses Ann Chumak, Winifred King, Ann Kaszin, Jean Castaldi, Viola Lotgren and Dorothea Hund. The next meeting will be at the home of Miss Chumak in 92 Third avenue.

GARWOOD PRESBYTERIAN CHURCH The Rev. Dr. R. T. Graham, pastor of the Garwood Presbyterian Church, will have as his subject at the 11 o'clock service Sunday morning, "Turning the World Upside Down," and at the 8 o'clock service Sunday evening he will preach on "The Strong Man Armed."

PLAY WITH PHILHARMONIC Louise Casale of 3 Third avenue and Mathias Felder of 126 Windsor place are members of the Elizabeth Philharmonic orchestra which opened its 1934-35 season last night in the Masonic Temple, Elizabeth. Miss Casale plays second violin with the orchestra and Reider plays the trumpet.

Wonderful Nature Nature gives to every time and season some beauties of its own; and from morning to night, as from the cradle to the grave, is but a succession of changes so gentle and easy that we can scarcely mark their progress.—Dickens.

First State to Aid Blind To Ohio goes the credit for establishing the first state institution for the care of blind children. It was built in 1827.

Seneca A. C. Defeat North Siders, 6-0

The Seneca A. C. found the North Side F. C. a most formidable foe but finally found a hole in the latter's defensive wall in the final quarter when they scored a touchdown on a pass from Charley Amerahak to Louis Peluso. The try for extra point failed when Amerahak narrowly missed "Flash" Wyres pass. The game took place at Unani Park on Sunday afternoon.

After bidding on even terms for three quarters the Seneca began invading the goal zone of the North Siders and finally pushed over a score after two futile attempts. On a fake reverse play Amerahak faked back of the secondaries to leave a wide pass to "Louie" Peluso who ran forty yards behind sparking interference for the only score of the game.

Generational broken field punning by Phil Kliner, punting by Dugan, featured the backfield display of the losers while O'Desky and Ralph George stood out on the line. The victors attacked was led by Horace Wyres, Amerahak, Paulino Kuster and Pells. The lineup: Seneca A. C.: North Side F. C. Shaddeger Left End W. Shek Left Tackle W. Russell Left Guard J. Wyres Center J. Smith Dow Right Guard O'Desky Koroni Right Tackle Pushman Guerrero Right End Wepprecht Pells Quarterback Peluso Left Halfback Joe Dugan Amerahak Right Halfback Jack Dugan H. Wyres Fullback Donovan Referee, R. Broton; umpire, M. Mazidi; timer, J. Chincbar; head linesman, J. Shak.

Penn Was Borne In London William Penn, the eminent Quaker and founder and proprietor of the colony of Pennsylvania, was born in London October 14, 1644. He died July 30, 1718, and was buried in the churchyard of the Friends' meeting house at Jordans, near Chalfont St. Giles, Buckinghamshire, England.

Find Quarries Lost 3,500 Years Egyptian quarries, lost 35 centuries, were discovered by a Cairo museum official in the desert west of the Nile, near Abu-Simbel. The quarries contain dolomite, a gray colored rock and amethystine quartz is present in the rock.

Action of Ice Sheets The retreats and advances of various ice sheets, a geological survey reveals may be "chills" of the earth, as glacial periods have existed for but a very small part of the life of the earth.

No Excuse "Tain no excuse as you have done your best," said Uncle Eben. "If you is got to do any real good you got to keep right on tryin' to do better next time."

King Tut's Tomb King Tut-Ankh-Amen's burial place was actually composed of four separate rooms. The first, an ante-chamber, measured 12 by 24 feet; the second only 12 by 12 feet; the inner tomb or burial chamber 12 by 26 feet; and the final one, about 12 by 15 feet. All the rooms were more than 10 feet in depth.

SOCIAL ITEMS

Last Friday the Phi Gamma entertained twenty-five members and their friends at the Presbyterian Church. Supper was served followed by group singing. Testimonies were given by some of the members. Mr. Elman of Plainfield closed with a fine spiritual message.

The Royal Seven met at the home of Miss June Stephens of 69 West Tuesday evening. Those present were the Misses Dorothy Sachel, Rose Seaman, Margaret Mikko, Josephine Parise, Anne Valentino and Marian Degross. The Look Outs held a party at the home of Miss Rose Seaman, 112 Center street, last Friday evening. Among those present were the Misses Marie Pauls, Marie Schnell, Marie Friedrich, Doris Kemp and Rose Seaman; and Masters George Parise, Frank John, Frank Kenopick, John Grindlay, J.P. and Thomas Britton.

A Monte Carlo and Bazaar will be held Friday evening, November 16, in the St. Anne's Parish Hall. Admission is free. The Garwood Boy Scouts attended the Princeton-Lehigh football game at Princeton, Saturday afternoon. The Rosary Society of St. Anne's Church is holding a card party November 21 in the church hall. The Rev. and Mrs. B. W. Tannler of Myrtle avenue entertained Mrs. Tannler's mother, Mrs. C. Philitt and sister, Mrs. J. H. Strein of Scranton, Pa., for a few days. Mr. and Mrs. Walter Ergott of Myrtle avenue spent the week-end in Jersey City.

At 11 o'clock Sunday morning, St. Paul's Evangelical Lutheran Church will hold a "Brotherhood service." All the men of the church are urged to attend. The Young People's Service will be held at 7:30 p. m. The victory of Mayor David J. H. Murray and Tax Collector Daniel Snyder will be celebrated tomorrow evening at the regular monthly meeting of the Garwood Civic Republican League in their club house on Center street. Music and entertainment will be furnished and refreshments will be served. Mr. and Mrs. George Howarth entertained at their home, 418 Third avenue, Tuesday evening. Those present were: Mr. and Mrs. Robert Wilson, Mr. and Mrs. Earl Seaman and daughters, Blanche and Rose.

The Phi Alpha Sigma Sorority postponed its regular meeting, scheduled for last Friday to tomorrow. The meeting is to be held at the home of Miss Alice Miller.

King Tut's Tomb King Tut-Ankh-Amen's burial place was actually composed of four separate rooms. The first, an ante-chamber, measured 12 by 24 feet; the second only 12 by 12 feet; the inner tomb or burial chamber 12 by 26 feet; and the final one, about 12 by 15 feet. CHIEF INSPECTOR

Joseph H. Weaver of Cambridge, Mo., who was appointed director of the bureau of navigation and steamboat inspection by Secretary of Commerce Hoover. He replaces Arthur J. Tyrer, formerly head of the navigation service, and Dickinson N. Houser of the inspection service, who conducted the inquiry into the Morro Castle disaster in New York. The two, however, will remain as assistants to Mr. Weaver.

Never Stops Raining There is a place where it never stops raining. It is located, notes G. H. Turner in the Kansas City Times, in a sparsely settled part of Paraguay, not far from the border of Brazil. There, in the valley of the Parana river, where the Parana divides, its waters into 21 arms, is the wettest spot on earth. It has been falling steadily there for at least 100,000 years. The phenomenon is explained by the fact that a prevailing wind blowing constantly in one direction over the Great Chaco's falls catches the spray of the falls, forms the spray into clouds, and then blows the clouds far over the country where the cloud vapor condenses and falls to earth in the form of perpetual rain.

Untruthfulness "Untruthfulness," said "Hi-Ho," the sage Chinatown, "is most dangerous when it takes the form of self-deception."

Horses Called Barbs Some horses are called barbs because they are a breed imported into Spain from the Iberian country in northern Africa by the Moors.

Scotland's Divisions Several of the parliamentary divisions of Scotland are so large that it requires a fortnight to tour them.

Bananas Until the Nineteenth century, bananas were not known beyond the tropics, except by reputation.

Dust Storm of 1901 The famous dust storm in 1901, which afflicted nearly all Europe, had its origin in the Sahara desert.

Within the Tropics Forty per cent of the earth's surface lies within the tropics.

**Republicans to Tender Testimonial to Collins**

Tentative plans for a testimonial dinner to Sheriff C. Wesley Collins, as chairman of the Republican County Committee, were made Monday night at a meeting of a number of party leaders at the home of Under Sheriff Lee S. Rigby in Springfield. The affair will be held in the Elks Club, Elizabeth, early in December.

Under Sheriff Rigby was named general chairman, Mrs. Helen Glaeser of Plainfield, vice-chairman of the County committee, was named secretary, and Robert J. Murphy of Summit, vice-chairman of the County committee, treasurer.

Governor-elect Harold G. Hoffman has consented to act as toastmaster. Two or three other men, prominent in State Republican circles, also will speak. There will be dancing following the dinner.

The affair will be open to friends of Sheriff Collins. Distribution of tickets will be handled by Deputy Sheriff Alexander H. Clark.

**Board of Review Honors Three Scouts**

William Cordes and Ray Porter were awarded music merit badges and Assistant Scoutmaster Frank Jacques received a public health merit badge at the Boy Scout Board of Review Tuesday night. Allen Waters appeared before the board as the first Cranford scout to try out on the new first class review. Announcement was made that Arthur Scholz will be the examiner in physical development and athletics. Chairman A. S. Clark presided.

**Regulation Bowling Alley**  
Bowling alleys are from 41 to 48 inches wide, and the length is about 50 feet. From the head or apex pit to the foul line over which the player may not step in delivering the ball, the distance is 60 feet. On each side of the alley is a 9 1/4-inch gutter about 3 1/2 inches below the alley surface.

**Our Venomous Snakes**  
This country's four venomous species of snakes are the rattlesnake, the copperhead, the coral and the moccasin. Some classifications will give as high as 27 different species that are poisonous but this list includes 15 different classes of rattlers which differ only in markings and localities in which they are found.

**Contents of Potatoes**  
Eighteen per cent of a potato is starch, 2 per cent is protein, and 78 per cent is water. Potatoes are rich in all essential minerals except calcium and are well supplied with the important vitamins except vitamin A.

Dorn right tackle Ondracjak  
Stanley right end Romanowski  
Griffiths quarterback Kose  
Dadd left halfback Klirk  
Korner right halfback Combe  
Tomczyk Dumanak  
Score by periods:  
Cranford 7 0 0-7  
Carteret 0 0 0-0

Touchdowns - Cranford, Tomczyk; Carteret, Kose. Points after touchdowns: Cranford substitutions: Swartz for Poystan Tomczyk for Nordstrom, Lusardi for Dadd, Nordstrom for Stanley, Angill for Griffiths, Carteret substitutions: Marcinak for Klirk, Ward for Baranczuk. Referee, Freese; head linesman, Goodpale; umpire, Silabee; and field judge, Sanzin.

**WITH WIDE SASH**

By CHERIE NICHOLAS

Belts are by no means out of the picture this season but sashes are "in." Silk sashes, who is sending out such lovely things from Paris, graces this charming evening dress of blue and white striped wool with a wide sash of tangerine red velvet. The fact that this gown is fashioned of a sheer woolen weave is significant, for the latest fashion reports laud this wool for evening gowns.

**Challis Blouses**  
Wool challis with dark background and small bright flower patterns make practical blouses for everyday wear.

**Armistice Is Observed Quietly in Cranford**

Armistice Day was observed in Cranford Sunday with special services in several of the churches and with a special program at the Cranford Theatre Sunday evening, conducted by Capt. N. R. Fluke Post, No. 235, V. P. W. Members of the V. P. W. and its Auxiliary, and members of Cranford Post, No. 212, American Legion, and its Auxiliary, attended the 11 o'clock service Sunday morning in Trinity Church. The official Legion Armistice Day ritual was exemplified by Commander Louis R. Pompilano, Senior Vice-commander Thomas S. Burr, Adjutant Guy Peck, Jr., and Chaplain Harlow W. Drew. On Saturday evening, the Legion held an Armistice Eve dinner in Coleman's Inn, with J. B. Fairman as the guest speaker. Music was furnished by Paul Ostell and Charles Paulkner. On Monday evening the post sponsored the picture, "Forgotten Men," in the Roosevelt School auditorium. The banks and a few other business houses were closed Monday in observance of the sixteenth anniversary of the signing of the Armistice.

**LEADING DESIGNERS SHOW LONGER COATS**

Costumes composed of three-quarter coat, skirt, long blouse or tunic are sponsored by leading couturiers both for morning and afternoon wear. In some houses the coats remain really three-quarter and swager in line, with fullness starting from the shoulders or knee sleeves. In other houses, like Marcel Rochas, the three-quarter coats have been lengthened into seven-eighths. On more frilly models the swagger coat is replaced by a close-fitted garment with line indicated and flared effect on the skirt. This is particularly sponsored by Worth. In all cases the skirt underneath remains quite straight and narrow.

**Quilting Hues Will Be Popular for Fall Styles**

Call to the neighbors and have a quilting bee. It's quite the thing this season, what with the revival of quilted silk and velvet wraps. Quilted fabrics are all over the place, not only in evening wraps, but for daytime clothes, sports outfits and practically anything else you may think of. A little jacket of quilted green felt, worn with a brown, woolen sports frock, adds a distinct flipp to the picture, and quilted handbags, in woolsens, satins or velvets, are seen in our best shops. The quilted velvet toque is one of the new wrinkles of the season, and the peak of elegance is reached in the luxurious quilted velvet and satin evening wraps seen about town.

**New Hand-Knits for Fall - Adopt Color Contrasts**

Brown, with either turquoise or old gold for contrast, is a favorite color for hand-knits for fall. Next in line is dark green, set off by maize-gold or dusty beige. Bright reds have created quite a furore for two-piece dresses, with reverse and flaming leading the field.

**Only One Pearl Lagoon**  
Only one pearl lagoon within the territory of the United States has been found, and this is a small island, some 1,200 miles northwest of the city of Honolulu. This is under the jurisdiction of the United States bureau of fisheries.

**1700 VISIT SCHOOLS**

(Continued from page one)  
tions of George M. Chinery of the supply committee that \$310.50 be spent for library books, \$107.25 for music books and between \$150 to \$200 for library books for grade pupils. The items are within the budget.

A communication from Alvan R. Denman, clerk of the Township, asking for the specific cash requirements to operate the schools to June 30, 1935, was referred to the finance committee and Dr. Morrisett. The letter stated that a previous estimate showed that \$229,408.19 would be needed, but that it is understood that this figure would be reduced by \$37,000, an amount by which the board cut its budget last spring.

Mrs. Elizabeth M. Bates read a letter from Miss Sarah Edmond, who retired July 1 as supervising principal of Cranford Public Schools, thanking Mrs. Bates and the board for the tributes to her and complimenting the board on the fine spirit which today exists in the Cranford schools.

The Teachers' Club, through its secretary, Edna Rash, informed the board that the club had sent one of its members to the State P.-T. A. Congress recently in Atlantic City and that the expenses had been borne by the club.

Attorney George Sauer informed the board that the Township Committee now has under advisement an ordinance to require all residents to secure a permit before moving in or out of the Township or from one district to another in the Township. Information gleaned from the permits would enable school authorities to know accurately at all times the number of pupils in all localities in the Township and would make it easier to plan to accommodate the pupils, particularly at the opening of school in the fall. Suggestion that immediate action be taken was made by Floyd B. Shannon, chairman of the publicity committee.

**School Pupils Present Rotary Club Program**

Pupils of the Cranford Schools conducted the program at the luncheon of the Rotary Club last Thursday in Coleman's Inn. It was arranged in observance of American Education Week.

A playlet - "Tom Sawyer" book report - was offered by the following grade school pupils: Doris Jean O'Dell, Russell Keppel, Richard Marriner, Billy Spork, Bobby Pope and Frank Spaw. It was followed by a symposium on "Activities in the American High School," presented by students of the High School. Riggs Stewart spoke on "The Socialized Discussion, and Project Teaching" and Wade Poston, "Developing Appreciations, Repetition and Drill, Assignments." Howard Rath talked on "Debating and Dramatics." Roger Norton on "Athletics and School Publications," and Arthur Brown, on "School Government and Assemblies." Two new members were elected, H. W. Thayer and Joseph K. Taylor.

It was announced that the County meet will be at the Winfield Scott Hotel, Elizabeth, on December 5, at 6:30 p. m.

Visitors were R. L. DeCamp, Westfield; Skiff Grimmer, Roelle; John O. Anderson, Elizabeth; and Dr. Lloyd N. Morrisett, supervising principal of the Cranford Public Schools.

**Budget Director**

Daniel Bell is the acting director of the Budget since the retirement of Lew Douglas.

**Toys for Children**

Educators know that children derive the greatest pleasure from constructive toys; that a doll whose face is recognizable as a member of the human family, and whose clothes can be taken off and buttoned on, gives the greatest happiness to a small girl. The wise mother will turn to a kindergarten teacher, to an authoritative book, or she will study her own child, to discover what toys serve their purpose best. And when she goes out to select toys, she will choose them not from her own but from the child's point of view.

**Color Girl for U. S. N. Academy**

The only qualification to be chosen color girl for the United States Naval Academy is that she be chosen by the midshipman who is in command of the color company. The color company is selected as a result of certain competitions among all companies in the regiment during each academic year.

**Animal Awehat**

The war-bug is probably the ugliest animal that nature has created, and every time it leaves its burrow it does a double amount in the air outside its front door! Incidentally, it lives in a burrow, made by another animal; it doesn't trouble to build its own home.
