2005

As we look back on our high school experiences, some questions need to be asked. Were these **The Best Years of Our Lives**? Is being a student at Cranford High School **As Good As It Gets**? Some lectures were **Lost in Translation** and some days we were left feeling **Clueless**. There were also days where our high school in the Garden State was more like a **School of Rock**. Who could forget the freshmen wandering **Dazed and Confused** in the halls, or the seniors who **Can't Hardly Wait** for **Graduation Day**? These questions and many more will be answered as we look back on the year 2005.

STUDENT LIFE

From what to wear when we wake up in the morning to what to do that night, the students of Cranford High School **Question Everything**. Whether tanning **On the Beach**, singing along to your favorite band **On the Waterfront**, staying up all night **Before Sunrise**, or blowing out **Sixteen Candles**, we always find a way to have a **Thrill Ride**.

Clubs

Whilst *In Good Company* the students of CHS join numerous clubs. Even though we do not have a *Fight Club*, there are over seventy clubs in the high school. They include the **Visible Women** who prove that *She's All That*, the **Spanish Honor Society**- who never speak in *Spanglish*, the **Literary Society**- CHS's very own version of *The Dead Poet's Society*, and **Toys for Tots**- who create a *Toy Story* for children. In all, the clubs form their own **League of Extraordinary Students**.

UNDERCLASSMEN

*In the Garden State, the underclassmen are still far from their Two Weeks Notice, yet continue the perceived Mission: Impossible and prepare for Life or Something Like It. The atmosphere of each Big Night underneath the lights remind each and everyone of them that, with the faculty's support, they will face their four years not alone but *In Good Company*.*

FRESHMEN

Clockwise from top left: Jake Skelcy happily struts into the cafeteria. These joyful freshman take time to socialize during a biology lab. Kate Sweeney and Mesut Ozcan enjoy being lab partners in their science class. These three freshmen girls laugh after seeing the Magical Power Ranger Lunchtime Karate Spectacular! Kristen Falzon and Matt Heinle find even the most rigorous studies enjoyable. Ethan Fiamingo bangs out a wicked rhythm at the fall Spirit Rally. Middle: Despite a valiant effort, the freshman tug-of-war team falls to the superior strength of the sophomore squad.

**CLASS OF
2006**

FACULTY

Whether we feel *Lost in Space* or *Totally Confused*, the Faculty makes a *Deep Impact* on all of us. When CHS felt more like *High School Boot Camp*, when the *Struggle* to reach that *Perfect Score* seemed *Far and Away*, when pulling late nights and early mornings became *overwhelming*, we were *Guided By* our teachers to *Reach for the Stars* and to *Keep on Truckin'* through those *Impossible Years*. They were there for it all - from when we were *Dying to Belong* as freshman, to when we were wishing to be in *A Galaxy Far, Far Away* as seniors - and we owe much of what we learned to the great educators of Cranford High School, who will continue to inspire *The Next Generation* to make these *The Best Years of Our Lives*.

SENIORS

From *Rugrats* to *Top Guns*, our senior class shows it's the archetype of success. By far, the four years at Cranford High School represent a *A Long Strange Trip* with some occasional *Blue Mondays*. Nonetheless, this lively bunch turns this place into a *Rock and Roll High School*. With our *Blue Heaven* behind us, we shoot out to make new *Contacts in Big Business* or be *The Big Man On Campus*. Whether we become *Doc Hollywood* or *Ace Ventura Pet Detective*, our hearts will always be with CHS.

Above: YOUNG AND INNOCENT...
This inseparable group of Brookside girls got together for Secret Santa at Kate Bithers house before Christmas in 6th grade. Once it began to snow that day the girls got into the holiday spirit.

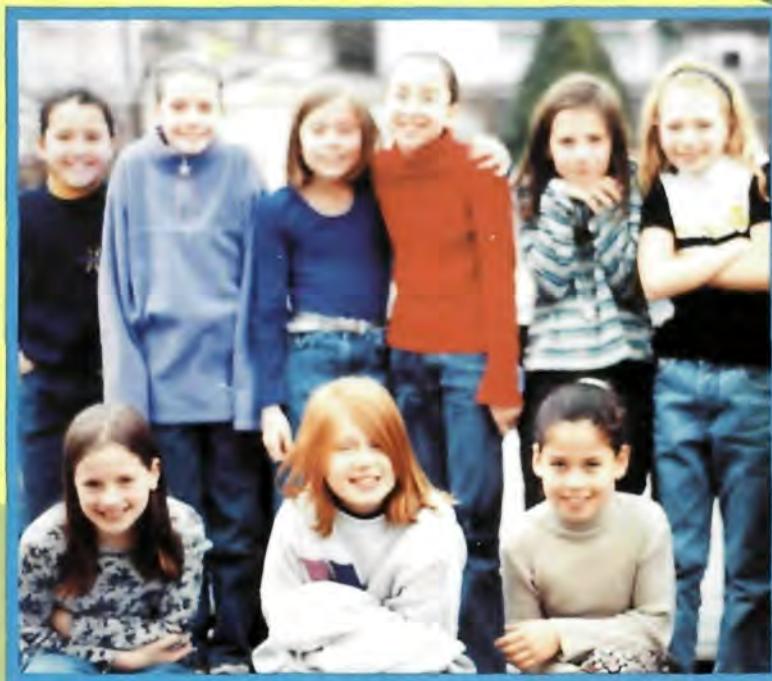

Right: BRIGHT YOUNG THINGS...
These Orange Avenue Boy Scouts couldn't wait to receive their next badge.

Left: THE BIRTHDAY PRESENT... A day at the Salon for Alyssa Procaccino's birthday was full of curls and manicures for this young group of Hillside Avenue girls.

Below: EVERYTHING PUT TOGETHER... As the weather gets chilly these Hillside Avenue girls take advantage of the day and play together outside before it gets too cold.

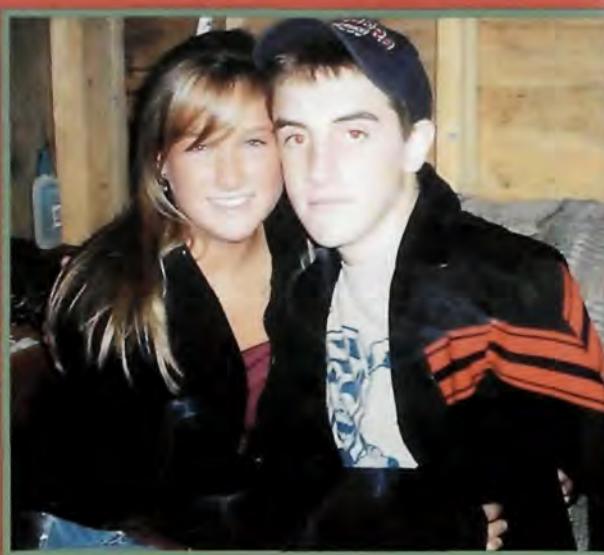

Below: YOUNG AMERICANS... Camping each year these boys give "bunny ears" as they pose and play in the lake.

Left and Right: LEAN ON ME... Even at age 2 Bridget Klebaur and Phil Henehan were best friends vacationing in North Carolina together. Now they spend weekends in Fort together as they look forward to their summer vacations together each year.

Now

Left: STEEL HUG... Aileen Salerno and Amanda Choy-Shan have remained close friends. They still manage to share a laugh and enjoy each others company.

Right: THOSE WERE THE DAYS... Eating milk and cookies was one of these boys favorite pasttimes when they were younger. Now they catch up with each other over lunch.

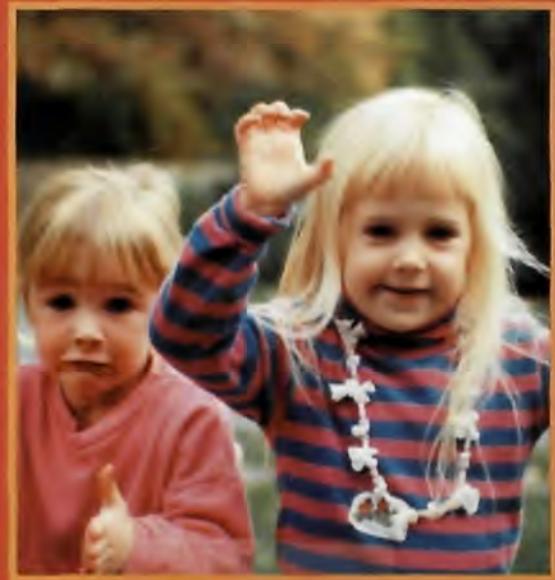

Left: THREE SMART GIRLS... Getting ready for the first day of school these three girls pose for the camera in their new school clothes that they loved picking out themselves.

Below: YOUR FACE OR MINE?... Making funny faces, Lauren O'Hara and Kate Bither loved playing out in the front of Lauren's yard when they were younger.

Left and Below Left: SITTING PRETTY... Cori Eberling and Megan Scotti sit together as childhood friends at a birthday party. Their childhood friendship has remained strong through all these years.

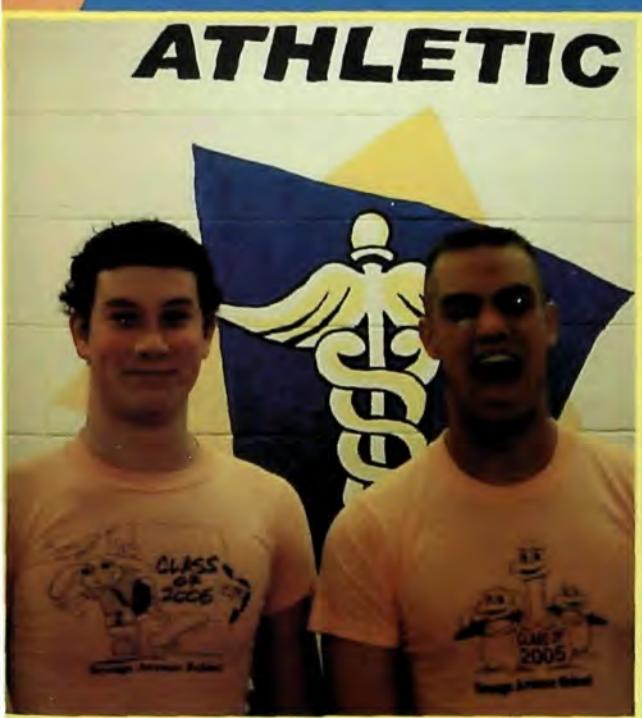

Left and Above: BLAST FROM THE PAST... Taking a break from a day of fun and games at Unami Park these boys get together for a picture. They can all be seen walking through the halls of CHS with each other at different times.

Right: YELLOW JACKET... Having a blast in their yellow class of 2005 t-shirts, Craig Rutmayer and Steve Caprio wait to get on the bus. Now they wait for graduation day as a part of the class of 2005.

Left: THAT WAS THEN...THIS IS NOW... Before a 7th grade dance this trio prepares for the night ahead. As seniors now they are preparing for their Prom.

2005

Our time here at CHS has come to an end and we are left wondering, where did all the **Good Times** go? Were these our **Golden Years** or is the best yet to come? We are left with **Bittersweet Memories** of all the **Blood, Sweat and Tears** encompassed in our experience: from the angst and worry of being freshmen to the dreaded SATs to the nights out with friends to rigorous sports events to the college searches. It all boils down to this moment, to the end of these **High School Years**. We can only hope life will take us somewhere great, somewhere unimaginable. Until then, **Let The Good Times Roll**.

The 2005 Golden C Staff would like to thank everyone at CHS, Normandy Studios, and all parents for their cooperation and dedication in helping us complete a piece of history. This yearbook was created with InDesign and 2005 YearTech using digital images.
