RESOLUTION

WHEREAS October 21, 1979, will mark the one hundredth anniversary of the invention by Thomas A. Edison of the first practical incandescent electric lamp; and

WHEREAS the career of Thomas A. Edison has enhanced the lives of United States citizens and of millions of people throughout the world by his many inventions, including the phonograph, the motion picture camera, the "universal" stock ticker, the storage battery, the magnetic ore separator, the fluorescent lamp, and the miner's lamp; and

WHEREAS many of the power and communications capabilities existing today are a reflection of the work and dedication of Thomas A. Edison; and

WHEREAS, the genius of Thomas A. Edison has helped develop the modern technological era enjoyed by the world today;

NOW, THEREFORE, BE IT AND IT IS HEREBY RESOLVED by the Municipal Council of the Township of Edison,

1. That the Mayor of the Township of Edison is authorized and requested to issue a proclamation designating the year 1979 as "Thomas A. Edison Centennial Year" in recognition of the completion by Thomas A. Edison of his invention of the first practical incandescent electric lamp on October 21, 1879.

2. There be established a commission which shall be designated as the "Thomas A. Edison Centennial Commission";

3. The functions of the Commission shall be to prepare a program to observe the Thomas A. Edison Centennial Year and to plan

encourage, develop, and coordinate observances and activities in connection with such program; to consider, in preparing its program, any plans or programs developed by State or local public agencies or private organizations, in connection with the Thomas A. Edison Centennial Year, and to consult with representatives from such agencies or organizations to coordinate such plans or programs; to initiate the development of publications, documentary and bibliographic projects, conferences, seminars, and public programs in connection with the Thomas A. Edison Centennial Year, and to encourage and coordinate similar activities by State and local public agencies and private organizations, and, to encourage efforts to preserve and develop historic sites.

4. The Commission shall be composed of fifteen (15) members who shall be appointed by the Mayor.

5. The Commission shall cease to exist on January 31, 1980.

**THIS IS TO CERTIFY** that this is  
a true and compared copy of a  
Resolution adopted by the Municipal  
Council of the Township of Edison  
on Jul 8 1978.
