

Kovak Named to Authority Post

EDISON — The township Housing Authority, shopping for a suitable executive director to replace the capable Mrs. Patricia Hooley, solved the problem last night by naming her "boss" to the job.

Thomas Kovak, 52, authority chairman for two years, was named director in a resolution adopted unanimously by his four fellow commissioners, Willard Dunham, James Elder, J. Walter Doll and Robert Larson.

The selection followed a pre-meeting caucus of the four commissioners in the mayor's office. Kovak was not present during the caucus, but it was reported that he had been selected informally for the post prior to last night.

Mrs. Hooley resigned at the regular December meeting and has joined her family in Rochester, N.Y. She was appointed to a five-year term on the authority July 1, 1957, and named director in May 1959, following the resignation of William Clark.

Kovak's appointment is effective immediately, at the same salary paid Mrs. Hooley, \$9,000 per year.

Kovak is the only state-appointed member of the authority. He was named to his post Aug.

9, 1955, by former Commissioner-Director Joseph McLean of the state Department of Conservation and Economic Development.

All other members are appointed by the mayor and Township Council, although the authority appoints its own executive director.

Following his appointment at the special meeting, he said he will submit his resignation as a regular authority member to Commissioner-Director H. Mat Adams, who must fill the state-appointed post on the body.

To Resign Post

Kovak also plans to resign his full time \$6,000 a year post as the township's assessment investigator to which he was appointed in 1958.

Meanwhile, vice chairman Dunham will serve as acting chairman, replacing Kovak, until the authority reorganizes.

The body hopes to reorganize at the January meeting, but that may be delayed until Kovak's replacement and a commissioner to fill the vacancy left by the resignation of the Rev. Lloyd Williams are found.

Kovak was named from among six applicants for the job, who included at least three other local men. He said he

THOMAS KOVAK

was not one of the original applicants, but was urged to seek the post by friends who insisted he was qualified because of his knowledge of urban renewal and public housing procedures.

He explained he did not seek it for the money involved, because his combined earnings exceed the \$9,000.

He told other members, the press and several spectators

that in his six-year affiliation with the authority, he has become dedicated to it and its work. In the new position, he said, the dedication will be even greater.

Kovak attended Middlesex Junior College, Perth Amboy; earned a certificate of graduation from Webster Law School, New York, and has taken extension courses at Rutgers University.

He served as manager of Linwood Grove from 1951 through 1958; was district supervisor of the 5th Congressional District for the U. S. Census Bureau in 1950-51, and has held other supervisory posts.

He was with American Smelting Refining Co., Perth Amboy, for 13 years, where he held various posts, including trainer of supervisory personnel under the War Manpower Commission Training Within Industry Program.

Relief Administration

He was with the state Relief Administration and helped set up the Civilian Conservation Corps during the depression years.

Kovak is married to the former Louise Larson, has three daughters and lives at 3 Dey Place. A native of Perth Am-

boy, he moved to Edison in 1950.

He is a member of the National Association of Housing and Redevelopment Officials, the Middlesex County Assessors Association, the International Association of Assessing Officers and the Metuchen Elks.

In his new post he will supervise the authority's two current redevelopment projects in North Edison, the new 100-unit low rent public housing projects in Bonhamtown and North Edison, and the existing low rent project, North Edison Gardens.

It is not known when state and local officials plan to fill the two vacancies on the authority. Kovak's assessment investigator's post also will have to be filled.

High Praise

Authority members and the body's attorney, Morris Brown, were high in their praise of Kovak and confident of his abilities for the job. Elder noted that all applicants were given careful consideration.

In other business the authority awarded a contract for an estimated 80,000 gallons of No. 6 fuel oil for North Edison Gardens to Hess, Inc. of Perth Amboy. Hess submitted a price of \$2.57 per barrel (55 gallons).

Mayor Addresses Young Democrats

Mayor Anthony Yelencsics and council candidates, Norman Freeman and Frank Marchitto addressed members of the Edison Young Democratic Club at the Meadow Rod and Gun Club last Thursday night.

Chester Just, program chairman, introduced the speaker of the evening, Dr. Francis W. Hopkins, Professor of Economics at Douglas College, who spoke on the comparative merits of a state income tax versus a sale tax for New Jersey.

Yelencsics complimented the club for its help in turning out a good primary vote in the recent election. He said, "We will be victors in the November election if we all continue to work hard and get the vote out in Edison."

R. Joseph Ferenczi, president, pledged the support of the club to elect the slate in November.

Harold Saffer reported on the activities of committeemen and committeewoman on Primary Election Day.

Sidney A. Frankel, political actions chairman, reported on the results of the recent election in Edison, Middlesex county and on the State level.

It was announced by Ferenczi that the Middlesex County Young Democratic Convention will be held at Edison Lanes, May 4, at 2 pm. The State convention will be held in Trenton, May 19.

Harold Saffer and Mrs. Albert Christiansen were appointed chairmen of the annual picnic to be held at the Meadow Rod and Gun Club, June 18.

Democratic Gubernatorial Candidate Richard J. Hughes, Senator John Lynch and Secretary of State Edward J. Patten were among the guests at the Sixth Annual Mayors Ball in Linwood Ballroom Saturday evening. Shown above with the guests are, from left, Valentine S. Meszaros, Lynch, Hughes, Patten, John Delesandro, executive director of the affair, and Roy E. Etsch, chairman.

Office of the Middlesex County
Young Democratic State Committee

Dear Sir:

Enclosed is a copy of the Resolution for the designation of Middlesex County as the 15th Congressional District that was adopted unanimously by the New Jersey State Young Democratic Organization at their regular meeting in Trenton at the Hotel Stacy Trenton, January 31st.

This resolution was introduced by the Young Democratic Club of Middlesex and received by the State Organization at their December meeting for action in January.

It is with great pleasure that we make this announcement. The Middlesex County delegation was gratified by the action of the State Organization and President Robert Higgins. On behalf of the Middlesex County Young Democratic State Committee, we wish to commend the entire Middlesex County Young Democratic membership for their efforts in this matter and in particular our President Valentine S. Meszaros under whose leadership this accomplishment was made possible. The Committee would also like to thank Roy E. Etsch our special representative and Norman A. Cohen our Legal Advisor for their splendid work.

Yours truly,
Young Democratic Club of Middlesex County

John A. Delesandro, Jr.
State Committeeman

RESOLUTION

WHEREAS, it has been proposed that the State of New Jersey's number of Congressional Districts be increased to 15; and

WHEREAS, Middlesex County is presently divided, and a portion of the County is in the 5th Congressional District and the remainder of the County is in the 3rd Congressional District; and

WHEREAS, the population increase in Middlesex County is such as Middlesex County would comprise (1) Congressional District; and

WHEREAS, there are no other areas in the State that are gerrymandered in such a manner as Middlesex County; and

WHEREAS, it is the considered opinion of many political science experts that Middlesex County should become the 15th Congressional District; and

WHEREAS, the existing Congressional District into which Middlesex County is divided is unfair to the citizens of Middlesex County and deprives them of their own representative in the Congress of the United States of America,

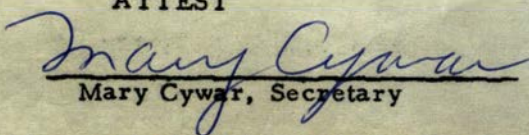

NOW, THEREFORE, BE IT RESOLVED, that the Middlesex County Young Democratic organization and their entire membership do hereby urge that Middlesex County become New Jersey's 15th Congressional District enabling the citizens of Middlesex County to have a representative in the Congress of the United States of America; and

BE IT FURTHER RESOLVED, that a copy hereof be spread on the minutes of the Middlesex County Young Democratic Organization, and that copy hereof duly certified by the Secretary of the Organization, be forwarded to the New Jersey State Young Democratic Organization, and the necessary public officials.

IN WITNESS WHEREOF, I have hereunto set my hand and seal this 27th day of December, 1960.

ATTEST

Valentine S. Meszaros, President

Mary Cywar, Secretary

3500 Watch Halloween Parade

More than 3,500 people turned out to watch a band of 300 children in a wide variety of costumes parade down Main St. on Halloween night. The parade was sponsored by Fugle Hummer Post 65, American Legion, and was led by Clifford Killian, Past Commander of Post 65, as Grand Marshall and the Metuchen High School Band. Also in the line of march were the First Aid Squad, the Fire Dept., and the American Legion Band.

Judging took place at the YMCA and the following were prize winners:

Most original: 1st, John Meehan; 2nd, Gary and Patty Harrison, Funniest: 1st, Randy Tkacs; 2nd, Edward Thomas, Most Attractive: 1st, Mary Eastman; 2nd, Ann Marie Darrah.

Best Imitator: 1st, Stephen Bradley; 2nd, Douglas McKeown, Best baby costume: 1st, Sean Wosatka; 2nd, Michelle Arnone.

Judges were: Mrs. G. H. Blauth, County President, American Legion Auxiliary, Chairman; PTA Presidents, Mrs. Archie Jensen, Metuchen High School; Mrs. T. F. McLaughlin, St. Francis; Mrs. Thomas Sherrick (alternate) Franklin, Mrs. Daniel Robinson, Edgar; Mrs. Robert Williams, Campbell; and Mrs. John Sayers, President Metuchen PTA Council.

Prize money was donated by the Chamber of Commerce and candy was distributed to participating children by members of the Legion Auxiliary. After the judging movies were shown in the "Y" for the youngsters.

Water Department Wins Safety Award

The Edison Township Water Department was the recipient of a Safety Award at the last meeting of the New Jersey section of the American Water Works Association. This award is for the year 1960, and covers almost thirty thousand man hours of accident free operation.

Township officials expressed great satisfaction upon hearing of the award and commended the personnel of the Water Department for having practiced sound accident prevention methods.

The Department personnel includes: Roy Taylor, Superintendent, William Maisson, George Maisson, Joseph Kady, Joseph Mastrocola, Paul Tripodi, Michael Kostow, William Height, John Williams, Russell Wilson, Al Perduk, James Hamilton, William Clarke, John Heller, Wendall Slavick, Edward Dechart, Frank Dolan, and Charles End, former Superintendent, recently retired.

Open House

The local schools are holding an "Open House" this week, in observance of American Education Week. A public invitation has been issued to the residents by Superintendent of School, Joseph Ruggieri to visit the schools.

"Here is an opportunity to see your schools, their maintenance, equipment and operation. This is a time to see your investment in the biggest cooperative enterprise in the Nation, the education of youth. You have always admirably supported your schools in Edison. Therefore, we urge you to visit your schools at any time, but particularly during this open house session," stated Ruggieri.

The schools will be open from 7:30 to 9:00 p.m., on the following days. Edison High School, morning session, will be held Monday.

Thursday, November 9, Benjamin Franklin, John Marshall; Monday, November 13, Edison High School (pm sessions).

Tuesday, November 14, Piscataway Town, Bonhamton, Oak Tree, Washington, Thomas Jefferson (Grade 8);

Wednesday November 15, Sand Hills, Thomas Jefferson (Grade 7) Thursday, November 16, Stelton, Clara Barton, Lincoln (Grades K-4), Camp Kilmer (Grades 5 & 6), James Madison.

United Fund Month

November is United Fund Month in Edison. Chairman of the campaign, Louis Chismar, has urged all residents to support the drive.

Co-chairmen of the local drive are Frank Weir and Arthur Ring.

Captains for the drive include: Mrs. H. Benitz, Kip Sheppard, Mrs. W. Ostergaard, Mrs. Elizabeth Lambley, Mrs. George Dikun, Charles Ferrari, John Pribish, Frank Goldschmidt, Arthur Koyen, Martin Malague, Thomas Vouglas, Louis Trabalka, Wilfred Burdin, Mrs. Robert Paszmant, Mrs. N. Kramer, Mrs. S. Tobiasson, Mrs. Walter Murray, Mrs. Lois Codella, Mrs. R. Hansen, Richard Ford, Mrs. William F. Wilson, Mrs. Samuel Edenzon, and Mrs. John A. Casale Sr.

Students Collect For UNICEF

Edison High School students combined business and pleasure this Halloween, and collected money for UNICEF, as well as having a party at the school.

Under the chairmanship of Nellie Matyas, of the Future Homemakers of America, 387 members of the High School clubs collected \$1706.69, which will be turned over to UNICEF headquarters in New York.

"Pennies save lives, how many will you save?" was the slogan used this year.

All the students returned to the school, where the Future Homemakers Club were hostesses at a party. Refreshments were donated by the girls. Music for dancing was provided by a group of volunteer musicians from the school.

This is the second year the campaign has been conducted.

Appoint Two To Advisory Council

O. H. Yoxsimer, General Manager of Westinghouse Electric Corporation in Metuchen and President of the United Fund, and Nathan Barnett, Executive Director of the United Fund, have been named members of the United Fund Advisory Council of United Community Funds and Councils of America.

Their appointment was announced by Irving A. Duffy, president of the National association that serves 2,200 United Funds and Community Chests. Duffy is vice-president, General Products Group, Ford Motor Co. The United Fund Advisory

Council, composed of 174 volunteer and staff United Fund leaders from all sections of the country, advises and recommends on policies and national programs of UCFDA which relate to local operations of United Funds and Community Chests. Matters of mutual concern that are studied by the Council include those involving medical research and health; local, state and regional approaches to United Fund problems; relations with national health and welfare agencies such as Red Cross; and the development of corporate support of United Way campaigns.

With a margin of almost 3,000 votes over his Republican opponent Frederick W. Henrick Jr., Anthony M. Yelencsics led his entire Democratic slate to an overwhelming victory in the election yesterday.

The mayor and more than 1,400 persons were completely surprised when a parade started in the Pines, last night with people carrying placards and banners announcing their support of Yelencsics in his bid for the congressional seat. The cheering and wild ovation that greeted the parade told of the support given to the proposal.

Yelencsics said he was too surprised to make a speech but expressed his pleasure at the confidence shown by the people.

In a statement made by Bill Gambocz, he said the voters "clearly demonstrated their confidence and trust in his ability and competence as chief executive of one of the largest and certainly the most progressive communities in Middlesex County."

"In view of the demonstration of complete confidence given by 50,000 people of Edison and fully aware of Yelencsics great qualities as an administrator, a man of great heart, a capable business man and a dedicated servant of the people, we, The Committee for Yelencsics For Congress place his name forward for the newly-created 15th Congressional District. We are certain people not only in Edison, but in the entire Middlesex County know Mayor Yelencsics' progressive and warm-hearted approach to government. With this man in Congress, Middlesex County will know a new and great era of representation of the whole county so sorely needed in Washington."

Gambocz said 25 municipalities of Middlesex County had been polled and all had expressed their support of Yelencsics for Congress "all the way."

Yelencsics said last night he had never participated in a "dirty" campaign than was waged

in Edison during the past few months."

He added he was pleased at the result of the election and thanked the workers and Democratic committee people for their support in the election.

Yelencsics polled 9,784 votes to retain his office for the second term. His opponent, Frederick W. Henrick, Jr., polled 6,993 votes.

Dr. William Toth will keep his Democratic seat on the Council also for the second term. Frank Marchitto, who is completing the unexpired term of Walter Wood, will hold the second Democratic seat and Norman E. Freeman was elected to fill the seat being vacated by William Margolis. The election of the three keeps the Democratic control in the Council. Toth received 9,605 votes, Marchitto 9,344, and Freeman 9,370.

The total votes cast for the Republican Council candidates were: Lynn Cornell, 6,687; George Ruddy, 6,912; and Mark Jarrett, 6,450.

Yelencsics, president of Boro Motors, was the first mayor under the mayor-council form of government adopted by the township in 1957. The voters, showing their approval of the progress of the township under the strong leadership of the Democrats in the past four years, swept Tony Yelencsics into office for the second term.

Should Yelencsics succeed in gaining the nomination for the Congress seat in the Primary Election in April it will become necessary for the voters in Edison to elect a new mayor.

More than 1,400 persons were present at the Pines when the announcement was made. It was received with a gasp of surprise both from Yelencsics and the spectators. The cheering that arose from the gathering told of their acceptance of the nomination.

In an impromptu speech Yelencsics expressed his pleasure at the honor of being nominated to campaign for the congressional seat from the new 15th district.

School Elects Council Officers

An exciting campaign, equal in its enthusiasm to national, state, and local efforts, came to a dramatic close in October at the Thomas Jefferson Junior High School. Charles A. Boyle, Principal and David J. Gusak, Vice Principal, announced results of the school wide Student Council Election.

The student body elected Jay Greengarten of 19 Hamlin Rd., Highland Park, president; Robert Fitch of 24 Simmons Rd., Edi-

son, vice president; Pamela Hauck of 208 Second Ave., Fords, secretary, and Diana Boardman Player Ave., Edison, treasurer.

Neil Hahl of 978 Ellis Pkwy, was the student master of ceremonies at a pre-election assembly which was highlighted by the candidates' speeches before the student body.

Michael J. LaPlace and William N. Rey, teacher advisors, were in charge of proceedings.

Amboy Ave., Metuchen, N. J., Education Co-ordinator of the Metwood Chapter of Women's American ORT, said, in announcing the local observance: "Our reason for observing ORT Sabbath is to join with our coreligionists in giving thanks for what ORT has been able to do. One of our prime reasons for being thankful this year is the forthcoming opening of an ORT school in India.

ORT also operates schools in Europe, North Africa, Iran and the Americas.

Will Honor ORT

Tribute to the world-wide vocational rehabilitation activities of ORT (Organization for Rehabilitation through Training) will be paid on Friday, November 17, by the Temple Neve Shalom, 250 Grove Ave., Metuchen, in a special ORT Sabbath service being held at the Temple. The services will be conducted by Rabbi Hershel Matt. ORT is a world-wide organization that gives vocational education and training to impoverished, unskilled, and uprooted Jews. ORT Sabbath services in honor of its work are being sponsored on November 17 in more than 200 temples and synagogues throughout the country by Women's American ORT.

High School PTA Hear Pupils Panel

What the high school student can do to gain recognition and status in the community was the topic of the first meeting of the Edison High School PTA.

The panel of 4 students and a moderator discussed the subject included moderator, Stuart Westcott, Sharon Boyler, Joan Hendrickson, Wayne Fisher, and James McKennon.

An adult-supervised car control program; an Institute government week; and a junior executive course were among the programs which the students felt would be beneficial to both the pupils and the community.

First vice-president, Mrs. Robert Holmes conducted the meeting, in the absence of president, Shamus Curry.

In Our Mail

(Editor's Note) Because of limited space in last week's issue of the Edison Times, "In Our Mail" was not printed.

Although it is after the election, we still feel our readers are entitled to know what other readers think.

Therefore, we are publishing letters intended for last week's issue.

Dear Sir:

As President of the Federated Woman's Club of Metuchen, Borough Improvement League, I wish to clarify our position as a Civic and Cultural organization in this community for our members and also any other persons interested in us during this period when political issues are uppermost in people's minds. Our policy is to be non-partisan in our views, but at the same time to bring to our members and friends attending our meeting, or reading of our activities in the press anything of civic or cultural interest.

At our meeting on October 19, a representative from the local Chamber of Commerce was invited to speak briefly on the question of high rise apartments although that organization had been on record as endorsing this issue. At the time of the invitation we were unaware of any ORGANIZED group in opposition although individuals have expressed themselves as against high rise apartments. Because no one was present to speak against this issue we have been criticized about our indiscretion in handling this program. Another speaker at this same program was one of the local Republican candidates. Both political parties had been invited to speak briefly, but the Democrats were unable to have someone at the meeting.

The point is, that just because we went on with having one side of an issue and one side of a partisan organization appear, no harm was intended the opposing sides and if any indiscretion has been made on our part we apologize. What does concern us is that, as a civic organization, current local topics and issues be presented solely for information

and consideration and not to tell anyone how they should think and vote.

Although the argument in favor of high rise apartments was presented and only a candidate from one political party was present to speak for his party, it was solely our intention to familiarize those present with the referendum and the candidates of both parties and not to persuade anyone how to vote.

Again, we apologize for any unintentional attitude and if we have been indiscreet this time we will endeavor to be more discreet in the future, but let us go on record to say that we are anxious to continue to bring anything of civic or cultural interest to our members and friends attending our meetings or reading of our activities in the press.

Sincerely,
Mrs. H. S. Unangst, President

Borough Improvement League

To the Editor:

This is an open letter to all Volunteer Firemen in Edison Twp. The Volunteers are a group of thoughtful, courteous, considerate, dedicated men and I would like to commend any action on their part.

Our Police Auxiliary, Safety Squad, Civil Defense, and other Volunteer Organizations are not to be left out because they too, do more than their share. I wonder sometimes, if a great many people, might take them for granted, and not realize just how wonderful and devoted these people are. They are on call night and day.

I could go on and on singing their praises but, at present, I am interested in an article that was written in the Edison Times, this past week, dated October 18, and to a certain paragraph concerning, you our Volunteer Firemen.

The article told of a meeting sponsored by the League of Women Voters, for both the Republican and Democratic candidates for the office of mayor and Township Council.

This letter would never have been written, if it was my first to a newspaper, if I had not carefully read the Editorial, same

paper, same date, page 4, headlined

PARTISAN??

Partisan or not Partisan?
That question seems to be the question in the minds of most of our Readers.

You say, you would like to be non-partisan. (I believe people in our township are finding it more and more difficult to remain non-partisan).

You say, you cannot get the co-operation of a min political party. (You neglected to say you had the co-operation but you goofed). (You only printed what you wanted the readers to read).

And then, you wrote, You could not very well print what you didn't know. This is the part of your Editorial that prompted me to this letter.

Why don't you practice what you preach, as the saying goes!

Instead you put an article on the front page of your paper with only half truths, and put doubts in the minds of people. (I am thinking of our Volunteer Fire Dept), that their might be some doubts questioning their efficiency. How could you? Anyone with any common sense knows that in case of disaster, we would owe our lives and our properties to those same volunteers I mentioned above.

I attended that meeting and it was I who questioned the Mayor about our Volunteer Fire Dept, and it was not what you said.

I will tell you how the question came about and why I asked it.

Your article, in your paper, dated October 11, page 8, had a story and a picture of some of our firemen. I got to thinking of how many volunteers and how many paid firemen we do have in a township as large as this one and is still growing. It was Fire Prevention Week and Edison was observing it.

The meeting was about half-way over when I decided to question the Mayor.

My question was spontaneous. It was in no way meant to be political.

I went to the meeting to listen to both sides and I resent the fact that you distorted, the facts.

I asked the Mayor how many paid firemen we had, - He answered me.

Appoint V.L. Donati

Appointment of Victor L. Donati as industrial relations manager of the Ford Motor Company assembly plant in Edison has been announced by J. E. Acker, plant manager.

Donati was formerly manager of the organizations and system department in Ford's Automotive Assembly Division in Dearborn, Mich. He replaces Richard L. Healy who recently transferred to the Company's Mahwah assembly plant in a similar capacity.

Donati is a native of New York City where he attended public schools. He received his B. A. degree in business administration from Indiana University in

answered me.

I then asked him and I quote "With a township as big as ours, close to 50,000 people, why don't we have more paid firemen?" unquote. He answered, "Because we have the very best Volunteer Fire Dept anyone could have". I am not disputing that fact, I agree with him. BUT HE STILL DIDN'T ANSWER MY QUESTION!

Never at any time was their efficiency questioned. You have had corrections and retractions in your paper - I would appreciate it if you would make a correction and replace the above mentioned story with the truth.

Yours truly,
Margaret P. Donovan

1950 and from 1951 to 1954 he attended Wayne University in Detroit, majoring in Business Administration.

He joined Ford in July 1950, serving in cost accounting positions in the Manufacturing Services Division from 1950 to 1953. From 1953 to 1960 Mr. Donati was assigned to Lincoln-Mercury Division where he advanced rapidly. During this period he was accounting procedures analyst, cost analyst, budget administrator, supervisor of the personnel and budget unit manager of the manufacturing administrative department, and supervisor of organization and systems section. In 1960 he was appointed manager of the administration department in Ford Division.

TO ALL WHO NEED HELP

The DRAMA DESK

BY GORDON UNDERWOOD

THE CRITICS scratched their hard boiled eggheads in October 1942, when Thornton Wilder's allegorical drama of mankind, "The Skin of Our Teeth," opened on Broadway. Later, when it won the Pulitzer Prize, the eggheads popped out of their cracked skulls and loudly admitted what most of us already knew, "The Skin of Our Teeth" is a great play.

It is also a difficult play to direct, enact and interpret—especially so when the cast and crew are teen-age, high school amateurs. Usually they have two strikes against them: a well-meaning but inept director, and a thoroughly white-washed manuscript.

But Allah be praised! Robert W. Stevens, director of the recent Highland Park High School production, knows his theatre from A-to-Z, and lovingly rehearsed his cast to brilliant professional polish, working with an untampered script. Mr. Stevens used every nook and cranny of the stage, aisles and auditorium to parade his players by the skin of their teeth from the Ice-to-Atomic Age in two hours of electrifying theatre.

Scenery, costumes, lighting, props and make-up matched the flawless performances onstage. The role of Sabina is a tour-de-force. She is the author's solo Greek Chorus; femme fatale, wry critic and central character of Mr. Wilder's march-of-time. Joan Goldstein sank her strong, white teeth into this difficult role with great relish, depth and understanding. As Mrs. Antrobus, the eternal mother, Mary Winters brilliantly shone as a

young character actress with a late future. David Wald was equally excellent as Mr. Antrobus, the brawny, brave and brainy male animal. John Smith as Henry Cain, the Antrobus problem child and Wendy Weiner as his sister, Gladys, were splendid.

Space prohibits us from mentioning the long list of bit and walk-on players who supported the five principal players, but their contribution was effective. Mankind and the Fabulous Invalid will be indestructible as long as there are playwrights like Thornton Wilder, creative directors like Bob Stevens and inspired performers like The Class of '62 of Highland Park High School.

Plan Children's Theatre Party

B'Nai B'Rith Women, Ramoth Chapter, will present a benefit showing of "Misty", the story of a horse, starring David Ladd, on Thursday, November 9th, from 2:00 to 4:30 in the afternoon.

The motion picture together with cartoons will be presented at the Forum Theatre, Main St., Metuchen.

Due to teachers' convention that date, schools will be closed.

Guild To Produce Drama, 2 Comedies

One of the New Brunswick community's oldest cultural activities, the Queen's Theater Guild, will mark its 36th theater season with the production of two comedies and a drama.

The Guild, which is the undergraduate, play-producing unit of the State University in New Brunswick, will open with a showing of "Ah, Wilderness" by Eugene O'Neill on Nov. 10, 11, 16, 17 and 18. All of the productions start at 8:30 p.m. at the Little Theater on the Douglass College campus.

The Friday night opening of the play represents a change in QT policy. Last year all of the season's plays opened on Thursday evenings.

Also scheduled for this season are "Candida" by George Bernard Shaw, to be seen Feb. 16, 17, 22, 23, and 24 and a revival of "A Trip to Chinatown" by Charles Hoyt on April 27, 28, May 3, 4, and 5.

Subscription tickets for the season have just gone on sale. Mail inquiries and reservations should be addressed to the Queen's Theater Guild, Douglass College, New Brunswick.

Dinner

The Miss Raritan Valley Home Builders contest will be the feature attraction of a dinner-dance, sponsored by the Home Builders Association of Raritan Valley, on Nov. 11.

The affair which will be held at the Colonia Country Club, is open to the public.

Insurance Facts

by I.C. Berg

The insurance industry makes a substantial contribution to medical research - a fact often overlooked or forgotten. A reminder was contained in an advertisement published in Nutmeg State newspapers by the Insurance Information Office of Connecticut. From the text came this quotation: "Because of their traditional interest in conquering illness and disease, insurance companies . . . contribute not only to heart studies but also to projects seeking the causes and control of such diversified maladies as cancer, mental disorders and even the common cold. The Life Insurance Medical Research Foundation is a good example. All funds for the Foundation, dedicated to combatting diseases of the heart, have been provided by Life insurance companies . . . More than 140 institutions throughout the country have received Foundation grants . . . grants which have made possible 341 different programs and 404 fellowships. Because of this financial support, a researcher at this moment may be recording important advances in the study of arteriosclerosis or hypertension or other diseases of the heart and blood vessels."

Announce Play

The Center Players of the Metuchen Jewish Community Center have chosen "The Warm Peninsula", a comedy by Joe Masteroff, for their major production of the year.

Miss Vivian Paszament, of the Players Pyramid will direct the production.

Other plays of the Center Players include: "Dear Charles", "Harvey", "Tender Trap", and "Picnic".

Sinatra To Head Bank Department

The appointment of Edward M. Sinatra as head of the Home Mortgage Department of First Savings and Loan Association was announced today by John F. Cerulo, Executive Secretary of the institution. He said the creation of the separate department to handle this phase of the association's business was to provide improved services to prospective home owners.

Cerulo said First Savings now is advancing funds for the purchase or construction of homes at the rate of more than \$300,000 per month. He pointed out that such transactions involve a substantial amount of work which must be handled quickly to properly serve the public.

"Mr. Sinatra's appointment to head this specialized department will enable us to continue providing prompt service on making commitments, and giving home buyers the best possible service," Cerulo declared. "It is another step in expansion and growth of the association."

A native of Perth Amboy, Sinatra graduated Perth Amboy High School and attended Rutgers University. Prior to joining First Savings, he was with the Metropolitan Life Insurance Co. He and his wife Shirley, are the parents of a daughter, Pamela, aged 5.

New Homes Ready At Tamarack

The third and final section of Tamarack at Oak Hill was opened Saturday. This residential development of custom built executive homes is situated in the heavily wooded area directly adjacent to the Metuchen Country Club.

The final section offers the choicest lots available at Tamarack. According to the builder, Philip T. Ruegger Jr., "We are offering a new split-level home which is different in layout and design from any we have built in the past."

Ruegger has been building quality homes in the Metuchen Area for over 8 years, the most recent, before Tamarack, was Beacon Hill.

Tamarack features Ranches, Split Levels, Colonials, & Split Ranches, with 3, 4, and 5 Bedrooms, 2 1/2 Baths, Oversized Kitchens, Full Basements, Minimum 1/2 Acre plots, 2 Car Garages, Finished Family Rooms, City Sewers, and all utilities in and paid for. Tamarack homes start at \$30,000 and are designed for the ultimate in gracious living.

Agents for Tamarack are: W. Bohlen & Associates, Realtors, 495 Main St. Metuchen.

Ramot Chapter Wins Award

B'Nai B'Rith Women, Northern New Jersey Council, has cited Ramot Chapter of Metuchen as part of its 1961-62 membership campaign which is now under way.

Award of a felt insignia was presented to Mrs. Stanley Levine of Metuchen, Chapter membership chairman, at the Council membership kickoff luncheon at the Downtown Club in Newark.

The awards were given to chapters which have added 18 or more new members in the period April 1--October 13.

Northern New Jersey Council consists of 32 chapters with almost 6,000 members.

Mrs. Joseph Taller of Elizabeth, Council vice-president and overall membership drive chairman, presented the awards during the luncheon meeting attended by Council and District officers plus chapter leaders and membership chairmen.

County Units Make Cancer Dressings

Over \$1,000 was saved Middlesex county cancer patients by the efforts of the county's fifty dressings units operating under the auspices of the American Cancer Society.

Each municipality had at least one unit actively engaged in preparing the 27,123 dressings that were made during the twelve months' period ending September 1, 1961. Cancer dressings are made of clean, white cloth, donated to the Society, and from absorbent wadding purchased by the funds contributed to the local chapter during its annual Crusade.

Mrs. George Laprade, Piscataway, Co-Service Chairman of the Middlesex Chapter, said, "We are thankful for the efforts of the 1,000 women who devote themselves to this program. Through the years countless families have been serviced by the Cancer Society without any charge. It is not unusual for one patient to require \$45 worth of dressings in a week. We are glad to save them this expense."

Anyone interested in this program may contact Mrs. Laprade, KI 5-8105, or Mrs. Albert Heim, South Amboy, PA 1-0506, or call the Chapter office, CH 9-8585.

Theater Party

The Middlesex County Douglass College Alumnae Club will sponsor a theater party at the Little Theater, on the campus on Thursday evening, Nov. 16 at 8:30.

Eugene O'Neill's "A Wilderness" will be presented for the benefit of the Scholarship Fund. Tickets may be obtained by contacting Mrs. Tom Hughes (CH 9-3788) and Mrs. Louis Barnett (LI 9-2719).

Westinghouse 10TH ANNIVERSARY IN EDISON BUY THE PRODUCTS YOUR NEIGHBORS MAKE! TELEVISION • STEREO • RADIO • PHONOGRAPH.

Westinghouse television-radio division kicked off "10th anniversary in Edison" celebration by honoring 39 10-year employees hired during first two months of local operations. Exchanging congratulations are Edison Mayor Anthony Yelencsics

(left) and Division Manager O. H. Yoxsimer. Group stands under huge 30 foot x 8 foot banner announcing anniversary to visitors and motorists passing the Route 27 plant.

Westinghouse Plant Honors Employees

The Westinghouse television-radio division in Edison began a month-long "10th Anniversary in Edison" with a special luncheon Friday honoring the 39 employees who have worked at the plant continuously for the ten years it has been opened.

In addressing the guests, Mayor Anthony Yelencsics stated "Industry is the lifeblood of any community. We in Edison are proud to have the Westinghouse division as one of our industrial neighbors and are particularly proud of you who have proven yourselves to be good citizens and employees."

"Certainly you have done a

great deal for the reputation of our community as a good location for industry," added Mayor Yelencsics, "for no matter what else our community may be able to offer industry, the most important factor is people. . . good solid citizens like yourselves."

Also paying tribute to the long service employees was O. H. Yoxsimer, manager of the division plant, who said, "We hope that Westinghouse will be able to count you among its leading citizens for many years to come."

Those honored by Westinghouse at the luncheon included: Margaret Andrews, Florence Balknow, Olive Berry, Mary Bors, Eugene Boychuck, Louis Cassaro, Celia Cherry, Helen Czok, Theresa DeSantis, Doris Dymond, Louis Dauban, Joy Folbrecht, Emily Gonyo, Paul Greiza, Thomas Harper, Lillian Holbrook, Barbara Hunyadi, Marie Izganich, Helen Jacobs, Marie Kane.

And, Irving Landy, William Maguire, Anna Miller, Genevieve Mozgal, Rose Nisticio, Elizabeth Olah, Rose Peterson, Sophia Pinkiewicz, Michael Procanik, Joseph Schulak, Helen Sharkey, James Shiffner, Ann Silivano, Helen Stofega, Mary Toth, Dirk Veldkamp, Frank Yuhos, Rose Zeigler and Peal Zupko.

Book Fair

A Book Fair is being planned by the Bonhamtown-Benjamin Franklin School P.T.A., on November 13 through November 15. The books on sale will be for all ages. They will also be on display during the next P.T.A. meeting scheduled for Wednesday, November 15, in the Benjamin Franklin School. This sale will be open to all the parents.

Mrs. Melvin Falk, president of the P.T.A., announced also Joseph Ruggieri, Superintendent of Schools and John Ahearn, principal, will be the guest speakers.

Edison Eagles Remain Unbeaten

Undeclared but once - tied Edison High Eagles moved in spirits yesterday to its sixth victory, 21-7, over Union at Edison. All three Edison touchdowns came on quick strikes.

The first, near the end of the first quarter, was set up by Ed Deisley's 35-yard runback of an intercepted pass. He grabbed a flat pass at midfield and got back to the Union 15. On the next play Frank De Sylvestro followed a horde of blockers on a sweep around right end to score.

Edison wrapped it up with two touchdowns in the fourth quarter. Steve Toth's fumble recovery at the Union 25 set up the first.

Rose Mutarelli of House of Loveliness tied with Eunice McGuire for high game handicap of 206.

It took three plays before end Rich Onder caught John Di Muzio's 18-yard pass in the end zone.

The final Edison score came on a 43-yard screen pass, Di Muzio to Buddy Van Pelt. The Union line, which hadn't been able to crack the solid pocket of blockers that guarded DiMuzio all afternoon, suddenly found those blockers wilting away. It charged in, only to have DiMuzio loft the ball to Van Pelt on the 40. Van Pelt was unmolested on his ramble into the end zone.

Union, which lost its fourth against two victories and a tie, averted a shutout when Don Kiebler dashed 47 yards with an intercepted pass against the Edison scrubs. There were about four minutes left to play.

Kiebler's score followed the games' pattern -- sudden spurts. Union actually staged the longest march, 42 yards after the second-half kickoff to the Edison 19 where Edison held on downs. Edison's longest sustained drive, from its own 20 to the Union 35, also failed to pay off.

Statistically, it was all Edison. The total Edison offense was 246 yards (a notable 143 through the air) while Union rolled up just 114, of which 33 came on passes.

Council Features Home Safety

Five phases of home accident prevention will be highlighted in New Jersey State Safety Council's Fourteenth Home Safety Conference to be held on Tuesday, Nov. 14, from 10 a.m. to 3 p.m. in Military Park Hotel, Newark. The theme of the Conference will be "New Frontiers in Safe Family Living."

The session is sponsored by the Council's Women's Division with 22 statewide women's organizations from throughout the state and the nine women's committees of the State Council. Delegates are being invited to represent these groups at the Conference where information will be provided for use in home safety programs at meeting of their respective organizations during the ensuing months.

Irmagene N. Holloway, Ed. D., Safety Program Specialist for Women's Activities, Division of Accident Prevention, U.S. Public Health Service, Washington, D.C., in a talk, "New Challenges to Safe Home Living," will give a forecast of changes in safe home living patterns as a result of researches in how engineering, environment and behavior influence accidents.

Lewis F. Presnall, Industrial

Consultant, National Council on Alcoholism, N.Y.C., is a talk "A New Map For an Old Frontier" will tell how the mis-use of alcoholic beverages in the family environment is assuming new prominence as a cause of home accidents.

A color film, "Safe at Home," will open the afternoon session. It will show how adults can learn about safety from children in a novel treatment of the prevention of accidents in and around the home.

Miss Beth Peterson, Home Economist, E. I. du Pont de Nemours & Co., Wilmington, Delaware, in a talk "Off-the-Job Safety is Planned On-the-Job" will outline in detail a new company plan for safe family living effectively carried on by a large industry to prevent off-the-job accidents.

"Don't Bet Your Life" will be the subject of a talk by Clyde R. Powell, Magician and Safety Psychologist, Lehigh Safety Shoe Co., Division of Edleco Johnson Corp., Endicott, N. Y. It will dramatize safety through the medium of magic which compares unsafe acts with the hazards of gambling.

Arrange Course For Senior Citizens

A special course on health and nutrition has been arranged for senior citizens of Perth Amboy and vicinity under the joint sponsorship of the Middlesex County Tuberculosis and Health League and the Raritan Bay Social Planning Council.

The course will be held on four consecutive Tuesday afternoons beginning November 14 and will start at 1:30 p.m. The Elizabethtown Consolidated Gas Company is lending its facility at 220 Market Street for these sessions and is also providing its home service representative Miss Jane Cooke, to put on demonstrations after each lecture.

The opening talk on November 14 will be EAT BETTER, LIVE LONGER; on November 21 the subject will be WHAT FOODS AND WHY; the third session, November 28, will be a discussion on SHOPPING WISELY and the final date, December 5, will be devoted to YOUR MANAGEMENT MATTERS.

A basket of food, donated by the Mayfair Super Markets, will be presented at each session. On the final afternoon diplomas will be awarded to those who have attended at least three meetings.

The Program Planning Committee in charge of arrangements consisted of Mrs. John Papp, Jr., Chairman, Raritan Bay Social Planning Council; Mrs. William Conway, Chairman, Problems of Aging Committee, Middlesex County Tuberculosis and Health League; Israel Silver, Executive Director, Perth Amboy Y.M.H.A.; Philip W. Swartz, executive director, United Fund - Raritan Bay Area; Allan Bass, Social Security Administration; Rev. William Watson, St. Peter's Protestant Episcopal Church; Charles Kochak, Perth Amboy Recreation Department; John Henry, Jr., Perth Amboy Housing Authority; Mrs. Sarah Stern and Mrs. Estelle Sher, Golden Age Club and Miss Rose Golosoff, Middlesex County Tuberculosis and Health League.

Registration is free. Application blanks may be obtained from any member of the Program Planning Committee.

Show Space Car

The Astro-Gnome, America's First Space Car, is on exhibit at the Menlo Park Shopping Center through Saturday, November 11. The car will be on display in the Mall.

This car has been in the making for more than 3 1/2 years and is owned by a New York author and public relations man, Gene Schoor. The car, made completely of aluminum, is of a revolutionary design and is valued at more than \$35,000. Designed to travel at unusual speeds well above 100 miles-per-hour, the car will be used primarily as a show car.

The unusual glass bubble top opens as a convertible top does in a normal car, allowing the driver to step down into the car. The top part of the body is painted all white, while the sides are a silver color. The body is all aluminum.

This car was designed by one of New York City's foremost industrial designers, Richard Arbib, after consultation with America's seven Astronauts, and was aptly named the Astro-Gnome. It is the only car of its kind in the world.

This event is sponsored by the Merchants Association of the Center.

Bashew Enrolls In Engineering Course

Charles W. Bashew of 238 Old Post Road, Edison, is among 507 students who launched their college careers this fall at Union Junior College in Cranford.

An engineering major, Bashew is enrolled in UJC's Evening Session.

Union Junior College, a "two-year community college of the academic disciplines," offers majors in liberal arts, engineering, science, and business administration. UJC has an enrollment of 1,000 students in its Day and Evening Sessions, including 90 student nurses from Elizabeth and Perth Amboy General Hospitals.

Edison Jets Lose To Sacred Heart

Before approximately 2500 spectators, the Edison Jets lost the deciding game for the southern division championship of the Central Jersey Pop Warner Football Conference, Sunday at Roosevelt Field to Sacred Heart Knights.

A 38-yd. pass in the first quarter, and a 28-yd. pass in the last quarter by the Knights were the deciding plays of the game that defeated the Jets 20-7.

In the last quarter, Bill Pollex partially blocked a Sacred Heart fourth down punt, which set up the Jets tally from the Knights 5-yd. line. Here Pollex converted from the 3-yd. line for the touchdown. The extra point was scored by a pass from Joe Policastro to Bob Barone.

Earlier in the game the Jets threatened to the Knights 12-yd. line before fumbling the ball.

Next week the Jets meet the Northern Division Champions, the South Plainfield Eagles, in a post-season game at Roosevelt Field at 2: p.m.

Visit Edison Light

Mrs. Sam Farhy, Den mother of Den 2, Pack 47, took Kurt Farhy, John Hoffman, Daniel Keller, Kenneth Laudadio, William Nooney, and Robert Sherkness on a trip to the Edison Light.

Each boy received a card with an inscription of one of the seven bronze tablets.

Boy Scout News

Den 2 held the opening ceremonies of the monthly pack meeting, held in the Stelton School. The theme of Sleepy Hollow was carried out, and Den 2 won the award for having the most original costumes. Attendance awards were given to Den 1 and Den 2.

The Webelos Den presented a skit on fire prevention. Brian Bonemico achieved the Webelos rank.

Den 3 held the closing ceremonies.

The committee will meet at the home of Mrs. Sam Farhy, 5 Weldon Rd., on Nov. 13. Parents of Den 2 will be guest. Billy Schafer, Bruce Hall, and Keith Kosco were given prizes for their costumes at the combined pack meet and Halloween party. Twenty boys were presented awards for their scout work. Three mothers were given their service pins by Cub Master, Ken Schafer.

Graduating from Webelos into scouting was William Benitz, son of Mr. and Mrs. Harold Benitz of Highland Ave.. Cubmaster Pet-

runcola present him with his Webelos Badge and introduced William to Scoutmaster Kip Sheppard who received him into Boy Scout Troop 24.

Den 1, with Mrs. Alexander Petroncola as Den Mother, won the attendance award—keeping "Cubby" for the month. "Cubby", who goes to the Den having the most parents present during Pack Night, is a small man all made of tin with a funnel for a cap.

Cubmaster Petroncola announced that a trip to the Newark Airfield is planned for Nov. 11. The Cubs will be guests of the Newark Airline and will receive the United Airlines Wings from the company.

The annual candy sale is on. Proceeds from this sale will help the boys cover the expense of their subscription to "Boys Life".

At a special ceremony Brownie Troop 54, sponsored by the New Dover Methodist Church, held an investiture ceremony for five new girls who had completed their requirement of attending four meetings entitling them to join the Scout Troop. The girls welcomed into the troop were: Cynthia March, Karen Karabinchak, Jeanne Macki, Tail Schmeider and Elaine Yarger. Mrs. William Christ and Mrs. Walter Wolenski, Leader and Co-Leader helped with the refreshments. Cub Pack 24 held their monthly

Install Officers

Newly elected officers of the Fords-Clara Barton Little League were installed Saturday evening at the annual dinner, held at the Phoenix Grill.

Democrats Smother Republicans in Edison Voting

By JOHN PRIBISH
EDISON — The Democrats continued their strong hold of the township government by retaining the majority and by three Township Council seats in yesterday's election.

It was no contest as the Republicans were swamped by wide margins, but not the 5,000 vote spread predicted by Democratic leaders.

Incumbent Mayor Anthony M. Yelenecis announced his Republican opponent, Fred Beretta, by a vote of 8,734 to 6,699, or a margin of 2,035.

It was the first time Yelenecis, president of Boro Motors, made his spot of the Democratic ballot in two campaigns. Four years ago he won by 2,600 votes over his brother-in-law, Thomas A. Swales Jr. The mayor was then fifth on the eight-man ticket. But yesterday was a different story.

Some 17,000 votes were cast by

DRIVER PAYS \$105 IN COURT

METUCHEN — A motorist who claimed he drove a car through town to aid a pregnant woman passenger was fined \$105 in Municipal Court last night for driving while on the revoked list.

Edward A. Halligan of New Monmouth was arrested Oct. 16 on a charge of having no license in his possession, but he admitted to Magistrate Martin A. Swales that his license was revoked six months ago for drunken driving. He said he felt the condition of his passenger merited his driving.

Fined in other cases were: Joseph D. Watson, 20, of Plainsboro, passing a red light, \$50; Harry Franklin Jr., 13, Carter Road, New Brunswick, speeding, \$30; Mrs. Sue Donner of 2 Nara Road, Edison, passing a stop sign, \$5, and speeding, \$10; John J. Grant, 31, of Scott Ave., South Amboy, driving an unregistered vehicle, \$15, and Ralph Chamberlain of New Brunswick, \$5 for two parking violations.

Detention was returned on a careless driving charge against Thomas Rusowski of 55 Lake Ave.

GRAVY MASTER

MADE BY GRAVY PEOPLE

George Stucky was back for the GOP council members. He received a surprising 6,912 votes, some 215 more than Mark J. Lett, who received 6,697.

The power of the Democratic vote-getting machine is shown by the 2,154 difference in votes cast for Stucky and Lett, high on the GOP ticket, and Yelenecis, high on the Democratic slate.

Township voters approved the four referendum questions and supported Democratic candidates for governor, assembly and freeholder.

Henrici managed to carry but four of the township's 30 voting districts.

Yelenecis is the township's first mayor under its new charter (strong mayor-council) adopted Jan. 1, 1928. His term is for four years. The councilmen will serve the same terms.

Democratic gubernatorial candidates are as follows: Guide J. Briganti, 9,356; J. Edward Crabell, 9,348; Joseph C. Doren, 9,261, and Norman Tansman, 9,354.

Results for Republican assembly candidates are as follows: Matthew E. Hawke, 6,735; Charles A. Flanagan, 6,592; John H. McInnis, 6,696, and Leo A. Ryan Jr., 6,694.

Democratic freeholder candidates are George L. Burton Jr. and Mrs. Edythe S. McAndrew received 9,332 and 9,337, respectively.

Their Republican opponents, Anders Christensen and John T. McCarthy, registered 6,611 and 6,651, respectively.

Results of the referendums are as follows:

Institutions No. 11 Yes 7,772, No 2,113; Green Acres No. 21 Yes 4,362, No 4,119; National Emergency (No. 3) Yes 8,448, No 1,817, and Railfines (No. 4) Yes 6,438, No 3,627.

Apartment, Republicans Win

By JAMES MCNICOLLE

METUCHEN — Eleven apartments and a Republican majority shared close victories yesterday as 78 per cent of the borough's 7,470 registered voters went to the polls.

The narrow referendum victory by 183 votes, 2,306 to 2,123, and each winning candidate promised later in the evening to support the wishes of the majority of voters.

Walter Timpon, GOP candidate for mayor, won over his opponent, George L. McCaulan, 2,306 to 2,123, but the two-seat council race went to Republican, George B. Pollack, 2,777, and Democrat, incumbent Dr. Thomas Weber.

Republicans carried every office in the borough except the council seat, handing majorities to candidates from James P. Mitchell to Pollack.

Weber Scores Heavily

Surprisingly, however, Weber drew the most local votes, 2,940, and was topped by only one candidate on the entire ballot, Mitchell, who tallied 3,088.

Republicans and Democrats alike termed the Weber results a great personal victory.

Weber's running mate, William Harper, tallied the lowest total of local candidates, 2,637, compared to 2,748 for the losing Republican council candidate, John P. Stevens III. Regardless, the spread between victory and defeat, at most, was less than 200 votes of the 5,943 cast.

Neither side gloated over the victories of their candidates, however, as the 2 out of 3 win for Republicans gives them control of the borough administration for the first time since 1929.

The council remains split 3-3, but Timpon, as mayor, will have the GOP deciding vote. He replaces Democratic Mayor Ernest McMahon.

The Democratic council lineup remains with Weber, Robert Flanagan and George Olmsted, Pollack, former magistrate, will join Republican Councilmen Jack Potts and Timothy Moriarty Jr.

The Republican majority almost surely means that Democratic appointees Len Seavey, borough attorney, and Alfred Lackin, deputy borough clerk, will be out of borough jobs when council reorganizes Jan. 1.

Republicans opposed creation of the deputy clerk job, and former superintendent Timothy Moriarty Sr. and borough attorney Robert Moss should get back the jobs taken from them by Seavey and Lackin.

Borough voters gave down-the-line victories for other Republican candidates from governor to freeholder, and each of the four state public questions passed with substantial majorities.

The yes and no votes on public questions were:

Institutions, 3,007-1,543; Green Acres, 2,778-1,488; national emergency, 2,771-437, and railfines, 2,561-438.

One Write-In Vote

Aside from the one write-in vote for governor for Dr. Sol Gushman, Board of Education member, votes on the state and county level were: Governor, James P. Mitchell, 3,088; Richard J. Hughes, 2,562, Assembly, Republican; Matthew E. Hawke, 2,282; Charles A. Flanagan, 2,172; John H. McInnis, 2,173, and Leo A. Ryan, 2,012, Democratic; Guido J. Briganti, 2,352; Norman Tansman, 2,353, Freeholder, Republican.

AMBOY BACKS POLICE RAISE

PERTH AMBOY — Voters here voted 11,601 votes; J. Edward approved a pay increase of \$300 (Crabell (D), 11,387; Joseph C. Doren (D), 11,644; Norman Tansman (D), 11,349; Matthew E. Hawke (R), 11,321; Charles A. Flanagan (R), 11,321; John H. McInnis (R), 11,321; and Leo A. Ryan (R), 11,321).

The vote for freeholders was: George L. Burton Jr. (D), 11,336; Mrs. Edythe S. McAndrew (D), 11,176; and Anders G. Christensen (R), 11,321; John T. McCarthy (R), 11,321.

The performance of world-famed cellist **PABLO CASALS** at the White House next week will be far recorded.

White House Press Secretary Pierre Salinger said the tape will be made mainly for historical reasons and at the moment is not expected to be distributed generally.

Casals will play at a White House dinner Monday honoring **GOV. LUIS MUNOZ MARIN** of Puerto Rico.

The 64-year-old cellist accepted the special invitation of **PRESIDENT AND MRS. KENNEDY** to perform. He has given public performances only rarely since 1947.

JACK BENNY said today in London he was "distressed and embarrassed" by the arrest of a stagehand for stealing his violin.

"The violin was worth about \$2," said the American comedian, "and as far as I'm concerned, it wasn't stolen."

CHRISTOPHER BUTLER, 34, told a court yesterday that he took the violin Monday night as a souvenir. The judge freed him on a promise of good behavior.

Benny appeared at the annual royal variety show Monday night before **QUEEN MOTHER ELIZABETH** and the **DUKE AND DUCHESS OF KENT**.

"I bought the violin for the sole purpose of throwing it on the stage during the act," said Benny. "I threw it on the floor and forgot all about it."

Drinkers should go on the wagon three or four days a month to keep from becoming alcoholics, says a non-abstaining expert on alcoholism.

The expert, **ARCHER TONGUE**, executive director of the International Bureau Against Alcoholism, Lausanne, Switzerland, says he drinks beer or wine with meals on some occasions but abstains completely for three or four days each month, just to make sure he doesn't become dependent upon alcohol. "I do this,"

Actor **ALAN LADD** has lost his suit against the government for a refund of \$65,579 on his 1954 federal income tax.

Ladd claimed that his income from a 1954 British movie was not taxable and that the government should refund the money.

FEDERAL JUDGE HARRY C. WESTOVER, however, ruled against Ladd yesterday in Los Angeles. The judge upheld the government's contention that foreign income is limited by the law to an exemption of \$1,718, which Ladd had not claimed.

GOV. IN NASSAU LOSES TOP POST

MINEOLA, N. Y. (AP)—Republishers have lost the top post in a rich Long Island county almost imperceptibly Republican since its founding in 1896.

Voters in Nassau County elected Eugene H. Nickerson, a young Democratic lawyer, as county executive Tuesday by a narrow margin.

His upset victory was interpreted by some as a blow at the political fortunes of Joseph P. Moynihan, who works in New York City, who recently was named leader of the Nassau Republican party.

Only once before—in 1913—had the county bordering New York City ever elected a Democrat to countywide office, sending an assemblyman to Albany.

Nassau, long famous for large estates, has been called the nation's fastest growing county with an influx of industries and commuters to work in New York City.

NEW YORK—Cary Grant's still pining for Nancy Kwan who's supposed to be marrying Maximilian Schell. He soaked in the back way at Basin St. East to hear Peggy Lee, and phoned Nancy to come meet him the same route, and she did.

Jack Benny's doing a Jack Paar impersonation on TV in January and has engaged Hugh Downs to play Hugh Downs. (Jack P. used to be Jack R.'s summer radio replacement.)

The Twist is spreading! The Roundtable switches to a nightly Twist show soon—the Camelot cafe will present the "Alan Freed Twisteroo show" Nov. 16.

Alex Freeman, one of the Twist's prime proponents, is in bed with a sacrilegious condition, which he denies he got Twisting.

Jim Thurber, suddenly a celebrity due to "Is Sex Necessary," came back to Ohio State around 1959 when I was a student—and I've been a ringide Thurber admirer all the years since. One favorite tale concerned a Texan going to Thurber at a N. Y. cocktail party and saying:

"Why do all you Ohioans get in a corner at cocktail parties and brag about Ohio? If you liked Ohio so much, why didn't you stay there instead of coming to N. Y.?"

Thurber answered: "Well, you see, out there competition was too tough."

Barbara Nichols of "Let's Ride," who can't seem to get a steady beau, was told by Jack Carter's wife Paula Stewart, who said the same show, "I'll get you a date!"—and did, with her husband, Bert Bacharach Jr., Marlene Dietrich's musical director, Paula, Jack, Barbara and Bert got along just dandy at Show Inc. Illustrated's party at Sheraton East.

Sayreville Pupils, Principal Invited to See Play in N.Y.

WASHINGTON (AP)—When the curtain falls on "Sunday in New York," says producer David Merrick, the heroine is "moral, chaste and married."

He thinks the 146 teen-agers headed out of the National Theater during Monday night's Washington opening probably have the wrong impression of his show.

So last night, he invited the Sayreville, N.J., youngsters to see the play from start to finish after school in New York.

They were led from the Washington theater by Principal Margaret Walsh, who said later, "This is no play for 16-year-olds." The show-stopping exodus came about 15 minutes before the first act curtain.

The principal "didn't give the play a chance," Merrick complained at a news conference yesterday. "I think it's probably one of the most moral plays I know. It winds up the way any teacher, or Sunday School teacher, would want it to wind up."

For another look at "Sunday in New York," all the youngsters have to do is produce their \$1.75, second-balcony ticket stubs from the Nov. 6 performance in Washington. Merrick said he will see to it that the stubs are honored for comparable seats after the play begins its Broadway run.

Principal Walsh? "I'd be delighted to have her come, too," Merrick said. "I'll know about her; she can come in without a ticket stub."

Merrick said the walkout probably made a bigger impression on the students than the play. "My guess is that what this school teacher found to be not stuff was probably very tame to her pupils," Merrick said.

new! Tasty Finger Food For Toddlers

Best news ever for self-feeders! Gerber Meat Sticks make a nutritious finger food for toddlers. These teeny-weenies are made from selected, lean Armour Pork and Beef for protein to spare. Nonfat dry milk solids are added to increase protein content and provide other important nutrients. What's more, Gerber Meat Sticks are low in fat...and, they're mildly seasoned, to suit the taste of toddlers. Heat slightly or serve "as is" right from the container. Big brother and sister will like them, too.

Polio Shots Given To 386 Persons

MADISON TOWNSHIP — Some 386 polio shots were given at the polio clinic sponsored by the Sayre Woods South PTA.

Nurses who assisted were: Doris McGuire, Martha Kyle, Lorraine Moran, Barbara Thomas, Myra Richmond, Mrs. Riggs, and PTA president, Mrs. Anna Rice.

Clinical assistants were: Marion Ritchie, Dorothy Nyman, Nancy Nash, Esther Thiele, Jean McGraw, Imogene McDonald, Shirley Kaevsky, Margaret McNelis, and Edith Burstin.

Glady's Trainer and her hospital committee served coffee and cake to the workers. Doctors participating were Dr. George G. Brennan and Dr. P. E. Fornica. Mrs. Blanche Hoffman, chairman of the safety and mental health committee, said those who received their first polio shots Sunday should get their second shot in two to six weeks from their own doctor.

PTA SUPPORTS POLIO VACCINE

SPOTSWOOD — Despite a request by Stewart Landrum assistant superintendent of local public schools, that the PTA defect a resolution presented by the executive committee at this month's meeting, the organization voted to support the Board of Education in its action as deemed necessary to see that children coming into the school and those already in school are inoculated with polio vaccine.

Landrum, in speaking against the measure, asked that action on adoption of the resolution be deferred until the conference of 5 court case in Woodbridge is determined. Members of the PTA explained they are not trying to dictate to the Board of Education but are taking this means of letting the board know their feelings in the matter.

The president, Paul Faust, announced the theme has already been selected for the annual Fun Night to be held in the spring. It will be "Down Mexico Way."

Members were asked to bring to the December meeting, 100¢ rubbers which may be too small or too large for their children. These will then be exchanged among members. Speaker at the December meeting will be Alexander Sider Jr., B.S.M.S. assistant director of admissions at Rutgers University. His topic will be "Preparing the Primary Grade Child for College."

Four Girl Scouts Are Invested

MONROE TOWNSHIP — At an informal investment ceremony held in the auditorium of School No. 3, four girls were invested into Girl Scout Troop 341. They are Patricia Crandall, Theresa De Salvo, Patricia German and Natalie Toriano. Mrs. Charles Kenderish, leader, pinned each girl. Mrs. Carole Pendleton, assistant leader, also received her pin.

Mrs. Kenderish spoke on the aims of a Girl Scout, pointing out that Scouting should be for fun. She said the pleasure is derived from the knowledge that what is done will give pleasure to others. She told the group that in a Girl Scout troop girls have the opportunity to set goals that are possible to reach, to learn to reject those they find not possible, to learn to perform many necessary chores without fretting, to learn to adapt to new situations, to learn concerns for other people and how to get along with them and how to develop self-reliance.

"The purpose of Girl Scouting," she said, "is to help girls develop into happy, healthy, responsible girls today so many may be able to take their place in the world of tomorrow."

Parents of the girls were served refreshments following a game period. Weekly meetings of the troop will be held Monday nights.

Spotswood, over the weekend. Members of Circle 3 of Christ Memorial Lutheran Church at 2108 Adirondack Ave. will meet tomorrow night at the home of Mrs. Edward Skegal, 2108 Adirondack Ave.

A movie in honor of Our Lady of Perpetual Help will be held at 8 tonight at Immaculate Conception Church.

A meeting of the Junior 6-12 will be held at 6:30 p.m. tomorrow at Immaculate Conception auditorium.

There will be a Holy Name Society meeting at 8 p.m. tomorrow.

Milltown

MILLTOWN — Final plans for the pinetree bazaar which will be held Wednesday, Nov. 29, in the cafeteria of Our Lady of Lourdes Church by the Altar Society were considered at the meeting of the society Monday night. It will be held from 1 to 2 p.m.

Mrs. Alben Wragg conducted the meeting Monday. Tentative plans for the annual holiday dinner which will be held early in January at the Log Cabin were made. The Rev. Francis Dwyer spoke.

The auxiliary of Clark-Moore Post 2119, Veterans of Foreign Wars, will sponsor a party at the Menlo Park Soldier's Home, Nov. 14 with the Ossie Waleen orchestra donating services for the entertainment. Mrs. Joan Piaton junior vice president is chairman of the hospital work for the auxiliary.

Mrs. Ann Schmitt, president of the auxiliary and her husband, Past Commander Matty Schmitt, attended the dinner for the department commander at Sea Lion, Nov. 12.

Past President Mrs. Betty Twomey and her husband, of the local unit, who is commander of Post 3706 of Highland, also attended the dinner.

A rehearsal of the senior choir of the Methodist Church will be held Friday at 7:30 p.m. in the Wesley room of the church with Donald Kallbach in charge.

At the meeting of Old Glory Council 22, Daughters of America, Monday night, conducted by Mrs. Evelyn DeHart, the charter was read in memory of Mrs. Mary Reener who will be buried Friday.

A funeral committee composed of Mrs. Esther Walz, Mrs. Doris Bailey, Mrs. Ella Carney and William Weist was appointed. Mrs. Bailey, Miss Eleanor Dunsen and Mrs. Weist on the state home and orphan host committee.

First nomination of officers was held and the following were nominated: Mrs. Carney, counselor; Mrs. Annabelle Rapp, associate counselor; Miss Ethel Schover, conductress; William Weist, warden; and Mrs. Dellart, 18-month trustee. Second nomination will take place at the Nov. 20 meeting.

Music Department Plans Rehearsal

MADISON TOWNSHIP — The music department of the Woman's Club of Laurence Harbor will rehearse for the program they will present at the guest house. The rehearsal will be conducted by Mrs. William Weeks, music chairman, in the Veterans of Foreign Wars Hall, Route 23, tomorrow at 1 p.m.

Two buses will leave for the theater party at the Paper Mill Playhouse tonight at 7 from the Laurence Harbor Community Church. The trustees of the Free Public Library of Madison Township at the circle, which is sponsored by the Woman's Club, are sponsoring the trip for 100 guests. They will attend the performance of Bert Parks in "The Music Man."

Mrs. Axel Rieken has been named chairman of the American home department to fill the vacancy created by the resignation of Mrs. George Joeh.

INSTRUCTIONS TO VOTERS

DETAILED EXPLANATION

This is a Primary Election. Therefore you are confined legally to a choice of candidates for nomination within your own political party. The machine is so adjusted as to comply with the law, and will not permit you to vote in the primaries of more than one party.

Starting at the left of the face of the machine, turn down the number of pointers that there are candidates to be voted for. Do not be afraid of spoiling your ballot. The machines will not permit you to vote for more than the legal number of candidates for any office.

Remember: No votes are counted until the red handle is moved back to the left. Therefore if you desire to change your vote from one candidate to another, you may do so by merely turning up any pointer in question, and then turning down any other pointer of your choice. YOUR FINAL CHOICE OF POINTERS MUST BE LEFT DOWN ON THE VOTES WILL NOT RECORD.

VOTERS!

Familiarize yourself with this ballot and instructions. It will assist you in voting, and save time on Election Day.

IMPORTANT!

All voters who can, should vote early in the day and thus avoid possibility of congestion and inconvenience to themselves and others near the close of the polls.

POLLS OPEN FROM 7 A. M. TO 8 P. M., Eastern Standard Time.

Mayor Anthony Yelencsics (second from left) puts car bumper sticker on Edison Township Police Car as Albert E. Manning of Nutley, past-International President of the Refrigeration Service Engineers Society (extreme left) watches approvingly. When Mayor Yelencsics heard of the RSES war on 'Death Traps' (abandoned refrigerators) he ordered 200 stickers for placements on all official cars in Edison Township, New Jersey. John Sulek of Carteret, president of RSES Garden State Chapter, Newark, and Gordon Underwood of Edison, RSES State Representative, were also on hand for the occasion.

Taking Course At Merck

Dr. A. Peter Caparelli, chief sanitarian of Edison Division of Health, is one of 74 persons taking a five-day course in principals of epidemiology at Merck and Company, Rahway. The course has been given on Feb. 15, Mar. 1, 8, and 15, and will conclude on Mar. 29.

It is sponsored by the Veterinary Medical Association of New Jersey, the United States Public Health Service, and the New Jersey State Department of Health.

The course covers principles of epidemiology, use of biostatistics, food-borne diseases, staphylococcal diseases, zoonoses, and poliomyelitis and the enterovirus diseases. This course is designed to acquaint health officials and others with the epidemiologic approach to disease control, both of human and animal-borne type.

Plan Luncheon

The Middlesex County Homemakers Day will hold a luncheon April 6 at St. Paul Evangelical Reformed Church in Milltown.

There will also be a meeting from 10 a.m. to 3 p.m. Mrs. Percy Vroom and Mrs. William Dohrman are local representatives and will have tickets for sale and transportation if needed.

There will be a panel discussion on living assurance for members and recognition of leaders and council members. There will also be a hobby display and a fashion show.

Mrs. Fred Langbein will be installed as a new council member.

Joseph Hynes will arrange to provide refreshments throughout the party which will run from 9 to 1:30 a.m. Another committee meeting was tentatively set for Friday April 21, at the chairman's home.

Tickets can be secured from Mr. Mooney, 52 Sturges Rd.

Roosevelt Appointed Business Administrator

James F. Roosevelt of 171 West Milton Ave., Rahway, has been appointed business administrator of Edison and will assume his duties April 15.

The appointment, made by Mayor Anthony M. Yelencsics and confirmed by the Township

his new post at a salary of \$11,500 a year.

Educated in France and Cornell University, Roosevelt majored in administration accounting and mechanical drawing. He speaks French fluently and also Italian, Spanish and German. He completed various courses at New York University and other schools in Europe while a Federal employee. The courses included business management, safety engineering and aviation safety. Through past experience he is familiar with I.B.M. operations, cost accounting, purchasing and contracting procedures, Federal State and municipal legislation, promotional and advertising techniques, highway design, parking facilities and programs, sewage disposal, public safety and public works, New Jersey laws, financing procedures, authorities legislation, public speaking, Urban Renewal, planning and zoning.

From November 1957 to the present time Roosevelt has been the business administrator of Rahway and has been responsible for municipal administration.

Previous assignments from 1948 to 1957 were with the Federal government in Germany and France.

James F. Roosevelt

Council last Wednesday, will fill the vacancy created by the resignation of James F. Alloway last January.

Rutger's La Crosse Outlook

Undefeated freshman teams don't always grow up to be winning varsity teams, but at least they're an indication that help is on the way.

That's the situation facing Al Twitchell, Rutgers lacrosse coach, this spring. He has on hand the players who helped the Scarlet frosh post a 7-0 record last year, scoring 105 goals in the process.

In addition, the veteran coach has an experienced trio of defensemen, a topnotch goalie in co-captain Ted Koch, and is hoping for improvement from holdover midfielders and attackmen to give Rutgers more scoring punch than it was able to muster last year when it had a 7-5 record.

If Rutgers can make up for a lack of experience, it should be able to better contend with the likes of Navy, Army, Johns Hopkins, Princeton and Mount Washington, the teams it lost to a year ago.

Against last year's "Big Three", Navy, Army and Johns Hopkins, the Scarlet scored only a total of seven goals. The team had only 105 in 12 games. Of the 105, 68 were scored by players who were seniors. The scarlet will miss most severely Dick Pencek, 2nd team All-American choice on defense; Ed Wiesmeier, who scored 28 goals playing the crease; and Bill Fleishman, a speedy midfielder, who had 14 goals.

The only returnee who did much scoring is co-captain Tony Pisano, who will hold down one of the attack positions. He had 12 goals and 17 assists last season. Bolstering this area will be 6-4 Dick Anderson, a junior who did not play last year, Roger Matthews, one of the top frosh scorers last year, and Jack Ruhlman, who developed late and chipped in with five goals and two assists in the final games

of the year.

The personnel situation in the midfield is much improved, with Twitchell talking in terms of employing three units. Veterans in the midfield are Herb Schmidt, the soccer All-American; Sam Mudie, outstanding football quarterback; Tony Terrizzi and Dick Allio. Allio had 7 goals, 6 assists, Schmidt had 6 goals, and Terrizzi 4 goals and an assist last year. Mudie scored one goal. Also back from last year is reserve Joe Nazzaro. The major additions to the midfield are Clem Ferraro and Jim Anderson, who were standouts for the freshmen. Ferraro is experienced at the center draw and Anderson has good speed and is a quick learner.

With Koch minding the goal and

All news must have the name and telephone number of the person submitting the item in order that we may check for accuracy.

Pohl Appointed Dance Chairman

A meeting was held Saturday, Mar. 25, at the home of William F. Pohl of 31 Parkerson Rd., who has been appointed general chairman of the Spring Dance of the United Democrats of Edison, Inc.

Joseph Rehl accepted the post of assistant chairman. The dance will be held May 20, at the CIO-UAW Hall, Vineyard Rd. Ed Barron's orchestra will provide

the music.

A capacity attendance of 300 was predicted by John Mooney, president of the club, and ticket chairman of the affair.

Tickets are being mailed to members. The entertainment is being handled by Arthur Tucker and decorations by Mrs. Susan Howland.

A buffet supper is planned and John Collins will be in charge.

Rutgers Expands Summer Courses

An expansion of nearly 50 per cent in the number of credit courses is scheduled this summer by the Rutgers evening sessions in Newark and New Brunswick. Dr. Ernest E. McMahon, dean of Rutgers University College and University Extension Division, announced today.

The University College summer session begins June 12 in both centers with classes meeting on Monday, Wednesday, and Friday evenings until August 8th.

The increase in offerings this summer, according to Dean McMahon, is necessary because of growing numbers who wish to continue studying through the summer but who nevertheless need to work during the day.

The University College summer sessions are open not only to State University evening students but also to other University students interested in accelerating their graduation date or making up one or two courses in evening summer study, according to the Rutgers announce-ment.

Preliminary registration may be made for these courses until Wednesday, June 7th, with final registration scheduled June 8th and 9th from 6:00 to 9:00 p.m. at 601 Broad Street, Newark, for Newark students and at 77 Hamilton St., New Brunswick, for New Brunswick students.

Henry Dobroski of the Newark University College staff is serving as registrar of the summer session in Newark and Michael Nelson of the New Brunswick University College staff as registrar of the New Brunswick evening college summer session.

will sing two anthems: "Christ, Whose Glory Fills the Skies," by T. F. H. Candlyn, and "In Joseph's Lovely Garden" by Dickinson. The choir is under the direction of the Rev. Joseph Payson. There will be no church school on Easter Sunday. Families are urged to worship together.

Monday
8:00 p.m. - The Board of Deacons will meet for study and business.

The Edison Jewish Community Center, Congregation Beth El, Jefferson Boulevard, has announced the following schedule of religious school and services for the Passover season.

A model seder for the children in the Sunday and weekday religious schools will be held on Sunday March 26th from 10:00 a.m. to noon. No classes will be held on Sunday March 26th but all children are urged to attend the model seder which will be conducted entirely by the pupils.

Leader of the model service will be Mark Wang assisted by Jeffrey Miller, Barry Silk, Arlene Rosenthal, Madeline Feinberg, Brian Loeb, Richard Kaplan, Kenneth Singer, Harry Feldman, Barnett Levine, Larry Fishback, Steven Salzmanowitz, Harvey Cherlin, Alan Freilich, Phyllis Cohon, Jeffrey Ettin, Bruce Reider, Melanie Sokol, Allen Kaplan, Jerry Klorman, Donna Rosenthal, Gerald Voice, Mickey Klorman, Susan Wasserman, Lewis Knapp, Ronald Loeb, Gary Greenspan, Linda Cohon, Steven Glanzrock, David Sokol, Karen Kwitter, Susan Zoland, Mark Metsky, Mitchell Nichowitz, David Ichel, Audrey Alexander, Michael Wang, Barbara Freeman and Leonard Balon.

Arrangements are being made by the Sisterhood under the chairmanship of Mrs. Milton Entenberg.

Passover recess begins at the end of session on Thursday, March 30. Classes resume in the Sunday Department on April

9th and in the Weekday Department on Monday, April 10th and Tuesday, April 11th.

The schedule of services: Friday, March 31, 6:00 p.m.; Saturday, April 1, 9:30 a.m., 6:30 p.m.; Sunday April 2, 9:30 a.m.; Thursday, April 6, 8:15 p.m.; Friday, April 7, 9:30 a.m., 8:15 p.m.; Saturday, April 8, 9:30 a.m.

Film On Rumor Shown To PTA

"The Tragedy of Rumor" was the theme of the program presented recently by the Sand Hills-Bonhamtown PTA at the Bonhamtown school.

Manuel Rose, program chairman, introduced Murray Bernotski and Harold Borak of the Anti Defamation League, who requested six volunteers to demonstrate how destructive the power of "gossip" can be. Film clips were shown and each person related the identical story to one another and at the conclusion the true facts of the original story were either grossly exaggerated or omitted entirely by the time it reached the sixth party.

There will be no nominating committee this year for the Sand Hills-Bonhamtown PTA since this is the final year for the present PTA. Next year the Benjamin Franklin school PTA will be formed and officers will be elected at that time.

Mrs. Malvin Falk requested volunteers for the Edison Health Center for Wednesdays, once a month from 9:00-10:00 A.M. Anyone interested may contact Mrs. Falk.

Honor Grabedunkel On 75th Birthday

The Edison Democratic Club held a surprise birthday party for the club's Sgt.-at-Arms, Henry "Cappy" Grabedunkel, at

Keefe Brasseur's Hollywood Club Thursday evening.

Mr. Grabedunkel celebrated his 75th birthday. He was born in Jersey City, and is a retired Fire Captain from that city's department. He was a member of the fire department for 45 years. He moved to Edison in 1953, and has been a member of the Edison Democratic Club since that year.

He has been the school crossing guard at Vineyard and Mercury Roads since 1953, and still maintains that post. He resides with friends at 131 Vineyard Rd., Edison. Approximately 50 members of the club honored "Cappy" including Mayor Anthony Yelen-

scis, and councilman William Ashton.

In a short business meeting prior to the party, the club announced that it would again hold the summer husband and wife bowling league. Members and friends interested in obtaining information of the league may contact Robert Wood, 49 Glenville Rd., Edison, club entertainment chairman. Last year the club had 10 teams enrolled, and plans for expansion of that year.

It was also decided the club would hold its summer picnic again this year, the eighth consecutive picnic. The executive board will meet at a future date to select the picnic committee.

It was announced by the club's scholarship committee, that Edison High School had been officially notified that the club would again award a \$500 scholarship to a worthy graduating Edison High School Student. This year is the second consecutive year that the club has made this award.

The guidance director of the high school has been asked by the club to accept the applications of all students interested in competing for the scholarship. The award is made possible through funds obtained from the Feb. Scholarship Dance, and Dance chairman Peter Chmielewski thanks publicly all merchants and businesses whose aid appeared in the Dance ad book, and those members and friends of the club who purchased dance tickets.

Sorority Holds Card Party

The Beta Pi Chapter of Beta Sigma Phi Sorority held a St. Patrick's Day Card Party March 17, at the Elizabethtown Gas Co., Main St., Metuchen. Proceeds will go to Multiple Sclerosis Foundation Fund.

Final plans for the affair were made at a meeting on Wednesday at the home of Mrs. Jack Tilley, chapter president, with Mrs. Alfred Rice as co-hostess.

It was announced that the Annual Mother's Day Dinner would be held on May 9, at the Greenbrier Inn, Route 1, North Brunswick.

A report was made by the nominating committee consisting of Mrs. L. Robert Schweitzer, Mrs. Gilbert Miller, and Mrs. Michael Frino. Election of officers will take place at the next meeting. A cultural program "Let's Match Wits" was presented by Mrs. Nicholas Slavick.

Infant Baptized

Susan Nancy Oliveto, daughter of Mr. and Mrs. Hector Oliveto of 8 Estok Rd., was baptized in St. Matthew's Church March 12.

The godparents are Concepcion Inigo and Vicente Oliveto, both of Buenos Aires, Argentina. The proxy godparents who were at the ceremony were Murray Zlelony and Alvaro Zaera.

The parents entertained at home following the ceremony. Susan was born Dec. 29, 1960 in Muhlenberg Hospital, Plainfield.

Son Born

Mr. and Mrs. James J. O'Leary of 61 Richard Rd., Stephenville, have named their son, born March 15, 1961, Thomas Patrick O'Leary.

The baby weighed 10 pounds and 9 1/2 ounces. He was born in Muhlenberg Hospital, Plainfield.

PTA Fashion Show At School Tonight

A fashion show, one of the major fund raising projects of the Sand Hills-Bonhamtown PTA will be held tonight at the Clara Barton school.

Mrs. Harriet Rosenman of Edison, representing the houses of Henry Rosenfeld and Jerry Gilden in New York, will be the commentator.

Models for the show are: Mrs. Lois Falk, Mrs. Ethel Cort, Miss

Frances Szostak, Mrs. Cecile Yellin, Mrs. Ella Jean Malone, Mrs. Betty Atanas, Mrs. Bernice Post and Mrs. Ruth Drumheller.

Hair styling will be through the courtesy of Town and Country Hairdressers, 454 Main Street, Metuchen.

Mrs. Charlotte Shipkin will provide piano accompaniment and refreshments will be served.

Discarded Refrigerators Continue To Claim Childrens Lives

Unattended abandoned refrigerators become silent killers of young children and the 1400 members of RSES from coast to coast have been waging a fight to save children's lives in their local areas since 1953.

The Edison Times lauds the fine public service of RSES. Any reader in this area who knows the whereabouts of such a 'Death Trap' should call CHarter.9-0432 or Kimball 1-5787. The doors and hinges will be removed without cost or obligation.

In a recent newspaper account, reporting the finding of the lifeless body of a five year old boy in an old refrigerator after a seven hour search, it was stated the old refrigerator was temporarily placed on the back porch pending its final disposition. It's the same story—too often repeated—an unused refrigerator with doors intact, awaiting another victim. A few moments spent in removing the door, or at least placing the box in a position to make the door inaccessible would have prevented another youngster from becoming a "statistic".

TRAGEDY STRIKES AGAIN

Shortly following the statement in the September issue of this publication, that the abandoned refrigerator campaign was having its effect in reducing the number of reported incidents this year, tragedy struck the small community of Rosiclare, Ill., a town of less than 2500 residents.

The bodies of Laura Ann Wallace, 6, and Carol Jean Lowe, 8, were discovered by Kenneth Wallace, father of Laura Ann, suffocated in an unused refrigerator which Wallace owned and stored on the porch of a vacant building. Mr. Wallace told authorities he had faced the refrigerator with the door towards the wall and apparently someone had moved it away without his knowledge.

It is apparent that the only positive method of making discarded or out-of-service boxes harmless is to remove the door.

SAFETY

More of our chapters and associations are concerning themselves with the subject of safety. More chapters are appointing safety chairmen to prepare programs for chapter discussion and this program should be encouraged in the interest of not only our members' safety, but the public as well. As you well know, the "Save A Child's Life" program has been an important part of our International safety program and many chapters are continuing this activity without interruption. This program is having a telling effect. If the experience of the past months will hold for the balance of the year, it may be possible to report a sizeable reduction in the number of reported tragedies. We should remember, though, that the peril still exists and the public needs constant reminding of the hazard.

LAWS DO NOT

ANSWER PRESENT PROBLEM

New refrigerators are now required by Federal law to be equipped with inside releases, but that does not answer the present problem and will not be effective until all current refrigerators become obsolete and are safely disposed of. Again this year more than a million boxes will be discarded, each one an inviting nuisance for a small child, unless an alert public makes sure the discarded box is made harmless.

EVERY MEMBER HAS

A RESPONSIBILITY

Not only members of the Refrigeration Service Engineers Society but all industry personnel have a responsibility in "saving a child's life". Watch for the unused refrigerator on porches, back yards, garages, refuse dumps and be sure that it is "deactivated".

Remember school vacation time is the dangerous period of the year.

Stamp News

Nigeria has scheduled new printings of the 1959 black-and-white postage due set in colors as follows: 1d red, 2d blue, 3d green, 6d yellow and 1/-blue. Printing will be on the new "FN" (Federation of Nigeria) water-marked paper. Release date is not specified.

According to the Nigerian Philatelic Agency in New York which supplied the information, it is further stated that the first definitive of the new country was Jan. 1 set of 13 values for 1/2d to one Pound.

The Agency emphasized that the preceding QEII regulars had been issued Sept. 1, 1953, before the 1954 constitution was proclaimed, and that the Independence commemoratives of Oct. 1, 1960 were the first stamps of any sort issued by the Federation. (From Linn's Weekly)

The United Nations Postal Administration announced today that its second commemorative stamp for 1961, honoring the International Monetary Fund, will be issued on April 17 rather than on April 6 as previously announced.

Persons desiring first day cancellations of the stamps may send in a reasonable number of addressed unstamped envelopes to the UN Postal Administration, United Nations, N.Y. First day cover requests must be postmarked before midnight April 12, 1961.

The number and denominations of stamps to be affixed should be clearly marked in pencil in the upper right hand corner of each envelope.

No mixed orders for both first day covers and mint stamps will be processed but will be returned to the sender.

They will be issued in both 4 and 7 cent denominations.

The vote on the least necessary stamps are as follows: The American Women stamp, Auto-

Political Notices

With the nearing of the Primary Election, April 18, The Edison Times has received a large number of releases from both the Republican and Democratic parties.

It will be a policy of the Edison Times not to use any release from either party, unless signed by the person being quoted in the article.

Letters, to be used in the "In Our Mail" column must also be signed and any letter of a political nature must include the signature as part of the letter when printed.

All items must be in the Edison Times office, 237 Plainfield Ave., Edison, by noon Monday, unless the meeting takes place on Monday evening. In that event, items will be accepted until 10 a.m. Tuesday.

A timely new White Ace Album for the postage stamps of the Confederate States of America is in preparation and will be released in about four weeks, just as our nation starts its four-year observance of the centennial of the Civil War. This will be the twenty-seventh in the White Ace Historical Album series published by The Washington Press, Newark 2, New Jersey.

The album will have mounting spaces and historical annotations for all of the Confederacy's postal issues between 1861 and 1865, the years of its existence. An unfurled Confederate flag in full color will grace the top of every page, complimenting a brilliantly

illuminated tableau showing Confederacy President Jefferson Davis and the two capitals at Richmond, Virginia; and Montgomery, Alabama. An attractive red, white, and blue border in a star motif will enclose the mounting area of each page.

Blank pages with matching borders and tableaux also will be available. Collectors of Civil War covers and mementoes, such as newspaper and magazine clippings, will find these tastefully designed and historically appropriate album pages ideal for displaying their material.

As is standard with all White Ace Albums, the Confederacy pages are 8 1/2 x 11" sheets of bristol-white rag-content card stock with rounded corners and punched for three-ring binders.

Senior Wins 2nd Prize In County Contest

Miss Joyce Yelencsics, daughter of Mr. and Mrs. Kalman Yelencsics of 115 S. Main St., has been awarded \$15 as second prize in the county-wide essay contest co-ordinated by the New Jersey Division of Employment Security.

The essay submitted by Miss Yelencsics was on the topic - "Jobs for the Handicapped - A Community Challenge".

A senior at Edison High School, Miss Yelencsics will enter Cornell University, Ithaca, N.Y., in September. She will major in psychology.

Miss Yelencsics is president of the Academy of Science Club in Edison High School. She is co-editor of the school newspaper and served as news editor during her junior year. In her junior year she was elected a member of the National Honor Society.

CP Building Progresses

With the first signs of spring, the pace of activity in Roosevelt Park is being stepped up as workmen are moving forward in the construction of the new \$215,000 Treatment Center for the United Cerebral Palsy Association of Middlesex County.

And as the building committee pushes ahead with the new construction to meet the September deadline, others affiliated with the association are redoubling their efforts in the current fund raising campaign for \$30,000 toward the annual operating expenses of the center.

The building committee, at a meeting with contractors earlier this week, received further assurance that the new center will be available for the opening of the special CP school in September.

The committee also learned the good news that the recently conducted Middlesex County Bowling Tournament will net the association about \$4,500 toward the construction of the new structure.

It also received a heartwarming report from Edward Ryan, business agent of Local 20 of the Sheet Metal Workers International Association of New Brunswick that 40 members had signed up to volunteer their efforts in the construction of the building, equivalent to a \$4,300 donation.

Herbert J. Ulmer, executive director of the association, pointed out this week that the combined efforts of industry and labor will account for approximately \$35,000 in materials and services toward the \$215,000 center.

The land has been made available on a long-term lease by the Middlesex County Board of Freeholders.

The combined efforts of all concerned should make the new Treatment Center one of the most modern in the state, certainly a far cry from the renovated former county road department headquarters at 277 Bertrand Avenue, Perth Amboy, which has served for a dozen years as the association's Treatment Center.

The new one-story building,

beautifully situated in one of the county's most attractive parks, will be constructed of daylight block with a brick veneer. Functional in design, it will provide approximately 17,000 square feet of floor space.

This will be a building without steps, with extra wide hallways complete with handrails for those children who have difficulty walking.

It will include four classrooms, doubling the capacity of the present center. Six rooms will be devoted to therapy and treatment, and a large room will serve as a combination auditorium and lunchroom as well as a meeting place for educational programs.

More important than the bricks and mortar is the fact that the new center will permit the association to nearly double the enrollment currently handled. Now 157 youngsters are receiving treatment and benefiting from the educational program conducted at the Perth Amboy center. Nearly 400 will be able to receive similar attention in the new building.

But even the new center will not be able to enroll all those afflicted with cerebral palsy in the area. It is estimated that there are 600 CP victims in Middlesex County.

Joseph J. Seaman, chairman of the current fund raising drive which is being conducted outside the United Fund area, points out the vital necessity for meeting the current \$30,000 goal.

"If we are to give these children the type of treatment and therapy they deserve we must meet our campaign objective," says Seaman. "Our experience in past years as well as during our building campaign two years ago assures us that the people of the area will provide us with the necessary funds to meet our goal."

Jefferson Notes

By Gail Elizabeth Bobal

On Tuesday, March 21, a demonstration lesson was given by Mrs. Heady, the elementary school supervisor. She showed how to conduct a lesson using "Current Events" and "Current Science" - a "Read" publications. The demonstration lasted one class period and was given in one of the classrooms. This was a demonstration lesson for English and social studies teachers enabling them to use more effectively, these publications. Teachers from Thomas Jefferson, Edison High, and some elementary schools attended this demonstration.

Last week Thomas Jefferson was visited by Mrs. Margaret Jensen of Metuchen. She is a consultant in health education for the Middlesex County Heart Association. She gave a lecture on the human heart and later showed the film "Your Heart - How It Works". She familiarized the students with the work

of the Heart Association. The students showed great interest in the program.

The mathematics play that was shown March 24 was very successful. The audience showed great interest and applauded very much for both the participants and the teachers who directed it.

The play was shown twice. At the end of each showing Mr. Boyle, the principal, gave a short lecture.

Both the seventh and eighth grade choruses are rehearsing for the Spring Music Festival on May 12. The seventh grade chorus is practicing several selections, including a number from the show "Oklahoma". The eighth grade chorus is rehearsing a Japanese song as well as several other selections. I am sure both choruses will be very successful in the festival.

Albert A. Anderson was born in Fords. He has one brother and two sisters. He attended Our Lady of Peace School in Fords and St. Mary's High School. He also attended Seattle University for his bachelor's degree. His main activities in college were sports.

Mr. Anderson entered the Army in June 1956. He was discharged in June 1958.

After leaving the Army, he became a sales engineer. He handled customer relations in the electrical wire and cable industry. He then accepted a contract as a mathematics teacher in Thomas Jefferson. He went back to Rutgers University to prepare for his teaching profession. He has always liked mathematics and English, and feels that they are two of the most important academic subjects. Five classes of mathematics are taught daily by Mr. Anderson.

Mr. Anderson's hobbies are mainly along the athletic line. His favorite sports are golf and bowling and he plays the piano well.

His greatest ambition is to continue teaching, though he would like to compose a musical play. He has composed many melodies but lacking lyrics.

The first job Mr. Anderson ever held was as a surveyor's helper. Occasionally, he still helps his uncle who is a surveyor.

Mr. Anderson likes to teach in Thomas Jefferson. He hopes to someday go for his master's degree. His immediate plans are to continue teaching mathematics.

Dr. Paul B. Jennings, cardiologist and member of the Middlesex County Heart Association, Inc., was the moderator of a panel on heart care and diseases before the Washington School #9 P.T.A. held March 14th, at the school.

"Proper diet, moderate exercise, elimination of tension and regular physical checkups are factors which contribute to a healthy heart and long life," Dr. Jennings said.

The panel members were Roger Acker, Walter Lindquist and Edward Primka, teachers,

who were judges in the fourth annual sewing contest of the Vogue Pattern Service and the General Federation of Women's Clubs. Mrs. J. H. Denny of 24 Bodnarik Drive was the winner of the local contest. She will face judges in the final round of competition in New York in May.

and Mrs. C. C. Briggs and Mrs. William Schaefer, P.T.A. members.

A film on Rheumatic Heart Disease was shown and Dr. Jennings discussed heart disease in children. A question and answer period was held. An informative display to test your I.Q. was on exhibition.

Safety and Civil Defense Chairman, Mrs. C. C. Briggs, introduced Detective Joseph Smoliga of the Juvenile Bureau of the Edison Police Department, who gave a talk on bicycle safety. Pamphlets were distributed and questions were answered from the floor.

Tickets for the first annual variety show "School Daze", sponsored by the Association P. T. A. Scholarship Fund of Edison Township, to be held April 12, 13 and 14 at the Clara Barton School, were sold by Mrs. William Stock of the Scholarship Fund committee.

The morning and afternoon kindergarten classes of Washington School were taken on a tour of the Edison Post Office, by their teachers, Miss Sally Stafford and Miss Elizabeth Rowland. Robert Moran took the children on the tour showing them exactly what happens to the mail from the time it is deposited in the mail box until it leaves the post office. The children enjoyed the tour very much and hope to go there for another tour next year. Both classes drew pictures of their tour and made two books with the pictures. John Hart and Raymond Hyde made an extra trip to the post office, March 16th, to deliver the two books to Mr. Moran and thank him on behalf of both classes for the nice time they had.

Anniversary congratulations to Mr. and Mrs. James Haggerty of 3 Louise Road. Jim and Mildred celebrated their 17th wedding anniversary on March 19th. Best wishes to you both, may you have many more happy years together!!!

Happy Birthday wishes to Mrs. Barbara Spiewak of 138 Winthrop Road. Mrs. Spiewak celebrated her birthday on March 20th. This birthday wish may be late Bobbi, but it is sincere.

March 23rd, nine year old Dennis Haggerty of 3 Louise Road will enter Saint Peter's Hospital for surgery. He expects to be there about 14 days. Dennis is the son of Mr. and Mrs. James Haggerty, and attends Saint Matthews School. Get well soon Dennis.

Two well-known members of our Washington Park Men's and Women's Bowling Leagues are seeking election to Democratic County Committee posts, along with Mayor Yelencsics and his fellow candidates, on the Regular Democratic Organizational ticket, on Primary Day Tuesday, April 18th. I am speaking of Art Tucker and Joan Dalton.

Birthday wishes to Jimmy Schlett of 106 Winthrop Road. Jimmy celebrated his 9th birthday at his home Sunday with his family. He is the proud owner of a new bicycle, from his parents, Jimmy's sister, Karen, also received a gift, but not as nice as her brother's. Karen has a spanking new cast, Karen fractured her wrist Friday, at school, while playing in the school yard at Saint Matthews.

Happy Birthday wishes to Mrs. Irwin Friedfeld of 39 Colton Road. Adele will celebrate her -th Friday March 31. Don't worry, Adele, I won't tell your age.

Sincere sympathy to Sergeant Einar M. Vangerud of 40 Kenmore Road on the recent loss of his beloved wife Elfrida. Sincere sympathy also to Sergeant Vangerud's four children, Dennis, Donald, Carol, and Joyce on the loss of their Mother. Mrs. Vangerud passed away Friday March 24th, at the Watson Army Hospital, Fort Dix New Jersey.

A unique battery developed for the Army's Nike Zeus anti-missile missile system has extremely high energy-to-weight ratio. One of these batteries could, for example, supply power to a water pump for fire fighting in inaccessible areas and can readily be carried by one man.

400 Parents Attend PTA Meeting

More than 400 parents were present at the meeting of St. Matthew's PTA of Edison in the school cafeteria Wednesday.

Mrs. John Kosco presided and introduced Sister Mary Clarice, principal, who greeted the group and announced the Easter vacation. School will close Wednesday March 29 at 12:45 and reopen Thursday, April 6. The Rev. James Duffy, pastor, expressed his pleasure at the large turnout and extended his blessings for the Easter Season.

Sister Mary Clarice conducted a panel discussion of "Guides for Efficient Home Study". The faculty members participating were: Sister M. Nativitas, at the Junior High School level with ways in which parents can help youngsters prepare study home-

Elks Elect New Officers

During the past week the Metuchen Lodge No. 1914 B.P.O.E. held their election of officers for the year 1961-62.

The following men were elected: Exalted Ruler, Henry Behr; Esteemed Leading Knight, Thomas Perri; Esteemed Loyal Knight, Edward Norris; Esteemed Lecturing Knight, Cleto Pinaire; Secretary, Joseph Markano; Treasurer, Richard Kain; Tiler, Michael DiSalvo; Trustee 5 Years, Walter B. Keifer, and Alternate Delegate State and Nat. Conventions, Clifford LaRocque.

For the first time non-members will be permitted to witness the installation ceremony if they are guests of a member. Installation will take place on Saturday evening, April 15, 1961, at 8 p.m., in the Elk's home. There will be dancing from 9 p.m. to 1 a.m. A buffet supper will be served. There will be no admittance fee.

work; Miss Rose Russo at the Intermediate level with the proper approach youngsters should take to the preparation of written work, and the parent's part in seeing that the child understands what he has written and Mrs. John White at the Primary level, who stressed the importance of the youngster doing the work himself with the parent's patient understanding and interest.

A wealth of information was gained from this excellent panel. Next month's meeting on April 26 will feature the presentation of "Christopher Records".

Club To Establish Blood Bank

The Lucky Hearts' Club has voted to establish a Blood Bank Registry whereby blood would be made available to persons anticipating heart surgery or for any club members hospitalized with any other illness.

The registry will have a file of persons, organizations, and industries willing to make donors available for this purpose. Any person interested in registering may do so by calling CH 9-2405 between the hours of 6 and 8:30 p.m.

The group met in the home of the president LeRoy Hilyard of Dayton.

Mrs. Hilyard, chairman of Good Will, reported her committee had visited two persons recovering from recent heart surgery. One of the main purposes of the club is to visit those persons anticipating heart surgery or those recovering from heart surgery to re-assure them and to lessen the fears generally accompanying such an operation.

Hartley Shein, chairman of By-laws Committee, presented the by-laws which were accepted by the membership.

The next meeting will be held at the home of Mrs. William Haas of Carteret. Special event for the evening will be a "white elephant" sale.

Henrici Reports Slate Activities

The following talk was delivered Thursday evening to the Republican Organization at the March meeting of the Edison Committeemen and committeewomen by Fred Henrici, one of two candidates for Mayor.

"I would like to report to you tonight some of the activities being carried on by the Henrici-Capellupo-Friend-Hall slate. I think it is important because it shows how open primaries can help - not hinder - a political party.

"First we are distributing hundreds of flyers which state our platform as follows:

"If elected, we will do everything in our power to accomplish the following:

1. Provide business - like administration with a minimum of politics.
2. Eliminate split sessions - provide school busses for children travelling hazardous routes.
3. Put the brakes on new housing developments - provide for orderly growth - eliminate downgrading.
4. Encourage good industry to come in - to help with taxes and increase employment.
5. End secrecy in Town Hall. Give the public the facts - ask for their guidance.
6. Cut municipal expenses through better purchasing. Get the dead wood off the payroll.
7. Cut municipal taxes. It can be done - without impairing any essential services.

"We then go on to say: Our present administration takes orders from the political bosses in Perth Amboy. What the bosses want comes first - what the public wants comes last. We will never know the blessings of good government in Edison until we defeat the bosses.

"Please notice that this flyer is so worded that if it falls into the hands of a Democrat it is still an effective piece of literature. He can't support us in April but it gives him good reason to do so in November.

"In addition to the flyers, we are appearing at all Council, Zoning Board, Planning Board, School Board and other public meetings to fight for what is right. This being an election year, the Democrats are on their good behavior but they do have certain commitments to the bosses. They had to come through on the approval of a 234 house development in the Paffendorf farm last March 15th which they had downgraded from one acre lots to 1/5 acre lots.

"The third thing we are doing is trying to find top notch Republicans to fill out our organization. We are working hard at it, and we can use all the help we can get.

"The point I am trying to make is that there is no reason for good Republicans to fight each other. Our common enemy is the

by Mrs. Beatrice Yetman

Little Diane Orlacchio was baptized last week at Our Lady of Peace Church. According to her brother and sister, Allan and Ann, she was the best baby there.

Pack 53 of Our Lady of Peace held their regular monthly meeting last Thursday. A film was shown to the boys while their parents discussed insurance for the pack. It was unanimously decided to subscribe to the insurance at \$1.00 per boy. Ray Larson and Ted Larson, Cubmaster and assistant, then discussed the achievement awards which the Cubs earn. They stressed that the boys EARN them and that parents be very fair about signing the books for them. Mr. Larson stated that the Pack now has a full committee and each person on the committee is assigned a specific job; he said that if there is any question at all about Pack activities, at any time, to call him or his assistant and the party inquiring would be put in touch with the proper person for the information, if they could not answer it directly.

The awards were then given out, with five boys going into Webelos. The Webelos den now consists of 19 boys preparing for their entrance into Boy Scouting.

Skills were presented by several dens and the meeting was adjourned.

The Our Lady of Peace Neighborhood of the Metuchen Area Girl Scout Council held their regular meeting at the home of Mrs. John Schein, Neighborhood Chairman. Among her announcements, Mrs. Schein told her Scout leaders that the next meeting would be held at the Bamberger's Community room. A special film on the new program ideas for the Girl Scouts would be shown at this meeting, which will be held in conjunction with several other Neighborhoods.

Mrs. Schein also announced that she would be showing a new film purchased by the Council "Stranger", to the P.T.A. of Our Lady of Peace School, after which she hoped to be able to show it to every child in the school.

Mr. and Mrs. John Crawford, he is owner of Crawford's Texaco on Amboy Ave., are in Florida for the annual motorcycle races. We expect to hear all about them sometime this week. We hope that Jack wins!!!

Happy Anniversary to Mr. and Mrs. Raymond Lender of Larchmont Rd. This marks their 12th year of Connubial Bliss. Mrs. Lender is also celebrating her birthday this week, age was not discussed...

Here's some news about the Democrat bosses. I know Phil Capellupo, Jim Friend and John Hall join me in pledging not to say anything publicly that will hurt the chances of any G.O.P. candidate in November. It is much too important that the mess in Town Hall be cleaned up."

Clara Barton Neighborhood of the M.A.G.S.C. Troop #25 under the leadership of Mrs. Ritter and Troop #114 under the leadership of Mrs. Lila Levy held a special program to celebrate Girl Scout Week. The mothers of the girls and the troops sponsor, the Clara Barton Women's Club, were special guests. A special ceremony was held in which the girls received their World Pins.

The Clara Barton Neighborhood at the Hungarian Reformed Social Center in Perth Amboy. A patriotic theme dominated with specific attention to a history of seven different Revolutionary War flags. After the playlet, all the guests enjoyed singing patriotic and Girl Scout songs.

The Clara Barton Neighborhood will hold their Court of Awards in May. Mrs. Edward Lefner, chairman, will be assisted by Mrs. Raymond Curcio. The theme of the Court of Awards will be "Our Heritage - Middlesex County". More on this event later.

We have some news from Edison High School, too. Edison beat Princeton High in two debates held last week at Edison High School. The members of the winning teams were Cheryl Favallon, Nancy Larson, Sandy Karp and Jerry McCormick.

Edison also took part in the all County debate. About seven schools in the area participated. One of the Edison teams won 4 out of 6 of their debates. Members of that team were Ronald Schuster, Ted Rosenoff, Cheryl Favallon and Nancy Larson.

It's nice to know that Edison is winning scholastically as well as athletically. Congratulations!!!

You'll be happy to know that Jack Crawford came through the motorcycle races in Daytona Beach without a scratch. In fact, Jack was very pleased to tell us that there were no spills in the pro races. Those in the sportsman class were not serious. Jack came into prize money, too. He came in 10th in a field of 51, so he is rightly proud. Looking forward to next year, too.

I'm sure a lot of Clara Barton residents will be going to see

Hudson To Manage Ichel Slate

James M. Hudson, executive vice chairman of the Edison Republican County Committee, said he will manage the Regular Republican slate of Albert Ichel, candidate for mayor, and Mark Jarrett, Lindsey Cornell and George Ruddy, council candidates.

Hudson said that "in view of some confusion as to which of the two GOP slates is a rebel slate," his endorsement of the Ichel slate would remove any doubt as to which is the rebel slate.

The Ichel slate, Hudson, declared, is the slate selected by the committee set up by the chairman, attended by the chairman and three vice chairmen of the organization, including the self-declared candidate for

mayor, Fred Henrici.

Hudson added, "Henrici himself was considered as a candidate by the committee but was found not to have the necessary qualities of leadership and ability which the Republican Organization so proudly requires. Mr. Henrici then announced his candidacy and since that time has been motivated purely by and attitude of 'sour grapes.'

"This self-styled candidate proceeded to hand pick his slate. He also in front of our organizations has made pledges and promises of good conduct in the primary and has since been fit to viciously attack other Republicans in an open attempt to initiate a Nazi-like purge. It is for these reasons and many others that I feel it incumbent upon the Edison Republicans to elect the Ichel, Jarrett, Ruddy and Cornell slate for the good of the Party and the Township."

48 Teams To Compete In Gold Medal Tournament

The Fourth Annual Gold Medal Basketball Tournament, sponsored by the Edison Recreation Department, will be the largest ever held, with 48 teams from throughout the state participating.

All net proceeds from the tournament will be used to purchase balls and bats for the Edison Junior Baseball League. Approximately 250 boys between the ages of 14 and 16 participate in this league and are supervised by volunteer workers. The boys are uniformed, equipped and insured.

Michael Wasnick is the president of the League. Other committee members are Paul Fox, vice president, Ken Fellows, treasurer and William Fullop, secretary.

Tickets for the tournament are on sale at the Recreation Department, 88 Idlewild Rd., and at the Edison Times office, 237 Plainfield Ave. The ticket entitles the bearer to attend all games during the tournament. Games will be held April 3, 4,

5, 6, 7, 8, and 9 at the Clara Barton, Oak Tree and Edison High Schools. The times are 7, 8 and 9 p.m.

Teams playing in the tournament are: Junior - Ferrari Lunch, St. Catherine's, Metuchen A.A., Bubrows T.V., Eastern Motors, Modern Genes, Tri-County All Stars, South Plainfield, English Painters, Linden P.A.L., St. James C.Y.O., Holy Rosary C.Y.O., Summit A.C., Star of the Sea, Fords Bearcats, Sacred Heart of South Amboy; Senior - Tomcats Five, Ed Sabo, Linden P.A.L., Perth Amboy Kovaks, Walter's Men Shop, Veltes Barbers, Sacred Heart, Edison Window Cleaning, Metuchen A.A., Gambinos Grill, Sayreville Electronics, South Plainfield, Sakels Movers, Watchung A.C., Union Tire, Milltown A.C., Men-Camp Kilmer, Andy's Shell, Instructors, Plainfield All Stars, Metuchen A.A., Giordano Trucking, Tony's Grill, Metuchen YMCA, Yusko's A.A., Meade St. Aces, Blocks Market, National Bank of Elizabeth, Sacred Heart, Air Reduction, Sam Johnson,

sored by the Middlesex County Young Democrats. The annual Mayors Ball will be held at the Linwood Grove on April 29th. Harold Saffer and Mrs. Albert Christiansen were appointed co-chairman of the picnic to be held on June 18th at the Meadow Rod and Gun Club Edison.

John Delesandro, Young Democratic State Committeeman announced that the State Convention of the Young Democrats will be held at the Stacy Trent Hotel, Trenton, N.J., on Friday and Saturday, May 19 and 20th. Richard Hughes, Democratic candidate for governor will be the main speaker at the dinner.

The next meeting of the Edison Young Democrats will be on Thursday, April 20th at the Meadow Rod and Gun Club, Overbrook Ave., Nixon Section of Edison.

MOTOR VEHICLE QUESTION BOX

Q. How can I obtain a replacement for a lost driver license or vehicle registration certificate?

A. Duplicates for lost driver licenses and lost registration certificates can only be obtained after receiving verification from Trenton. This can be accomplished by sending to the Division of Motor Vehicles, Trenton, New Jersey, a completed form RB 15 (request for lost driver license) or form RB 16 (request for lost registration certificate). Forms are available at all New Jersey Motor Vehicle agencies. This may also be accomplished by letter, requesting the desired duplicate. The letter should state full name, address and personal description if a driver license has been lost; or name, address, license plate number, expiration month and vehicle description for a lost registration. No fee is to be submitted with this request.

Upon completion of a record verification, an application for a duplicate will be prepared and mailed accompanied by a "temporary authority to operate". The temporary authority is valid for 20 days to allow the applicant time to complete the application and complete the duplicate transaction, either by mail or at a Motor Vehicle agency. If the signed application is returned to Trenton or presented to a Motor Vehicle agency for validation, it must be accompanied by the \$1.00 duplicate certificate fee.

Officer Discusses Children's Safety

Lt. William Fisher of the Edison Police Department discussed the problems of children's safety with the members of the Stelton School P.T.A., March 21.

As head of the traffic bureau Fisher was able to explain the reluctance of the State to install traffic lights at the dangerous intersections and he urged parents to re-educate themselves where speed limits, stop signs, and other traffic regulations are concerned. He also stated that cars parked in the no parking zones by the school will be ticketed because of the threat of the children leaving the school.

Two films were shown by the officer who stressed the importance of a safe route to and from school, but reminded the members that a child cannot be depended upon to use good judgement and if an accident should occur it is "the responsibility of both the driver and the parent".

The program was arranged by Mrs. Stanley Fleagle, safety and civil defense chairman. P.T.A. President Mrs. Albert Petro presided over the business portion of the meeting which included the selection of a nominating committee to choose a slate for the next school year. Mrs. Richard Buck will serve as chairman, assisted by Mrs. Richard Welbe, Mrs. P. Kweintniak, Mrs. Harry Levine and Mrs. Robert Brooks.

Additional nominations may be made at the April meeting. The program for that meeting will be a discussion by Mrs. Evelyn Headly, Elementary Supervisor, of the reading habits and teaching techniques in the Edison schools.

Mrs. Robert Steinman, treasurer, reported on the association's finances, including the returns on the annual bazaar held March 10.

School principal John Kerr urged the members to attend a Parent Education meeting to be held on April 26 concerning the testing and marking systems used at Stelton. A panel discussion will be conducted on topics such as the value of intelligence tests and their relationship to the child's actual class work.

Panelists will be John Oros, School Psychologist, Mrs. Roberta Ponder, John Ahern, Miss Anita Krueger and Mrs. Louis Hof. Mr. Kerr will moderate.

A progress report on the Scholarship Fund Variety show was given by Mrs. F. Langenohl. Tickets are still available for the April 12 performance but Thursday and Friday tickets are almost sold out.

Kosco Receives Sales Award

John Kosco of Boro Motors Inc., received the "Top Hat", Ford Motor Company Inc., salesman award, at a dinner held Saturday evening in Frank Dalley's Meadowbrook, Cedar Grove.

The portable television set was presented to Kosco by Jack W. Mendel, Newark District Sales manager. The citation represents the highest sales honor accorded by the Ford Motor Co.

The "Top Hat" award is given to only one percent, or 300 of the nation's Ford dealership salesmen.

Local Ford salesmen who qualified for 300-500 Club membership and attended the dinner are Chris Marzella of 34 Sims Rd.; Orrin Sauber of 5 Lee St. and Robert Haines of 8 Sims Rd., all salesmen at Boro Motors.

Pet Forum

by Roy Gibbs & Bruce Jensen

The easter season is again upon us and with it comes the inevitable baby chicks, bunnies and ducks. In order to give them a fighting chance to survive we will try to cover briefly the minimum care of these little pets. When you purchase your chicks at your local pet dealers, you should also buy two or three pounds of chick starter mash and litter (cedar shavings or crushed sugar cane) for the bottom of the pen or brooder.

Since six is the minimum number of baby chicks which by state law can be sold to a customer you can count on having six of them to take care of.

The first three or four weeks of a baby chicks life are the critical ones, this is the time in which, even the experienced farmer may lose them.

The most important rule to follow in these weeks is to keep them warm. To do this you require a brooder, this need not be an expensive or elaborate one, it can consist of a cardboard box with a light bulb in it, by varying the wattage of the light bulb you can control the temperature in your brooder. A temperature of 95 degrees should be maintained for the first two weeks and then should be dropped five degrees a week until heat is no longer required. Do not forget to supply plenty of ventilation, you want to warm your chicks, not cook them.

Firemen Plan Minstrel Show

Raritan Engine Co. 2 will hold their 1st Annual Old Time Minstrel Monday and Tuesday evenings, April 24th and 25th at 8:00 p.m. in the Clara Barton School.

Tickets for this affair can be obtained from any fireman of Raritan Engine Co. 2. A dress rehearsal will be held Saturday afternoon at 2:00 p.m. for the benefit of the school children.

Chris Seich is the chairman and Steve Lako co-chairman, with Seich and Donald Dudics in charge of the program book and Steve Lako the ticket chairman.

The talent for this show is all local, with the popular Henry "Heine" Anderson, an honorary member of this organization, coaching the entire show. The music will be furnished by George Ruddy and his orchestra. Henry Anderson and George Ruddy have been rehearsing with the entire cast, and will continue to hold two rehearsals a week until the

show.

The cast will include such experienced persons as Alan Bates, Jerry Young, Betty Robbins, Miss Bagdi, and Miss Lee Gulya as solo singers; some of the end men will be Dick Krauss, "Frog" Barcellona, John Egan, Jr., (son of the Woodbridge Police Chief Jack Egan), "Matty" Klaein, Bill Barth, Paul Hanson, and the fire company's own Michael "Ike" Anderko and John "Doll" Kalman.

Other acts will include Marilyn Rogan, dancer; The Andrews Sisters' Trio; and as an added attraction the Bachenski sisters Trio, tiny tots with a song and dance novelty.

The president of the Fire Company, Steve Madger, will be the interlocutor of the show, the chorus will consist of members of the fire company, Ladies Auxiliary, Clara Barton First Aid Squad, and students of Edison High School.

La Crosse Outlook

(Continued from Page 1)

Frank Lugossy, Joe Kowalski and George Darlington returning to defend, the Scarlet should be more stingy this spring. Koch, a 6-6 senior, was honorable mention All-American last year, is an excellent passer and dodger

and makes it difficult to feed from the rear of the cage because of his great height. Pushing the top three defenders are Bob Vecchio, a reserve last year, and Bill Hall, top frosh defender. Increased potency on offense,

Improved depth, and experience on defense should combine to give the Scarlet another successful season. Just how good will depend on how fast the key sophomores catch on to the fast pace of varsity play.

Under Al Twitchell, who will assume the position of Director of Athletics at Rutgers, effective July 1, Rutgers has enjoyed winning seasons in 10 of 11 seasons. Rutgers had a 7-7 mark in 1950 -- Twitchell's first season. His overall record has been 86-31-1.

Twitchell, who currently is assistant director of athletics, is president of the United States Intercollegiate Lacrosse Association.

A former president of the Lacrosse Coaches Association, he has been coaching since 1935, when he was graduated from Rutgers following a noteworthy undergraduate career as a football and lacrosse player. He started his coaching career at North Plainfield High School, went to Sewanhaka High on Long Island in 1937, shifted to Hofstra College briefly, then returned to Sewanhaka as head coach of football and lacrosse. He returned to Rutgers in 1947 as an assistant in lacrosse and 150-pound football. He was varsity line coach from 1948 to 1951. In 1950, he succeeded his own former lacrosse coach, Fred Fitch.

Twitchell climaxed his lacrosse coaching efforts in 1958 when he received the first annual "coach of the year" award, established in memory of the late Army coach Morris Touchstone. Twitchell was coach of the north team in the annual north-south game in 1953.

ATTACK: First unit probably will include Tony Pisano, Dick Anderson and Roger Matthews, with Jack Ruhlman providing reserve strength. Pisano, co-captain is leading returning scorer (14 goals, 17 assists). Anderson is top feeder and Matthews is excellent dodger. Ruhlman came fast last year, may surprise. This will be completely new unit, will take time to work smoothly. MIDFIELD: Six of last year's squad members are returning, but none did much scoring.

PTA Show Holds Dress Rehearsal

The first dress rehearsal for members of the cast of "School Daze," a home-talent variety show of the Associated P.T.A. Scholarship Fund of Edison, was held at the Clara Barton School on Monday.

According to David Keller, producer of the show, a second rehearsal is planned for April 10. The two-act production, featuring thirty original song, dance, and comedy numbers, will be pre-

sented on April 12-14 at the Clara Barton School.

With a cast of more than 100 local parents, the show is certain to top all expectations and raise the funds needed to provide a scholarship for a deserving Edison High School graduate, Keller said. Working closely with J. "Peppy" Varga of Personal Products Corp., director of the show, Keller said the variety and quality of local

With tickets sales running ahead of schedule, those interested in attending the show should contact their P.T.A. representative or local school. They may purchase tickets at the door for available seats, Mrs. John Torak, ticket chairman, reports.

Final arrangements for staging and props are being made by Carl Goldstein. Other chairmen and committee active in the show include: costumes, Mrs. Margaret DeMers; posters, Richard Welbe; publicity, John Nelson; ushers, Mrs. Norma Erceg; makeup, Mrs. Myron Sewitch; and program book, Mrs. Steven Papp.

Alfred J. Rauchman

Morris Brown

Name Chairmen For 1961 UJA Campaign

Alfred J. Rauchman and Morris Brown have been named co-chairmen of the Greater Metuchen UJA Campaign for 1961. It was announced today by Herbert Weissberger, President of the Metuchen Jewish Community Center. In accepting the co-chairmanship of the campaign, Mr. Rauchman and Mr. Brown said, "The opportunity to help world Jewry with actual shelter and rehabilitation and the sharing of this responsibility with our Jewish Community in Metuchen is a source of great pride and gratitude."

Rauchman is Secretary of Margaretten & Company, Inc. of Perth Amboy and has been a special agent of the Aetna Life Insurance Company since 1949. He is also the district agent for the Massachusetts Mutual Life Insurance Company.

Rauchman served in the U.S. Army with duty in the Pacific during the Second World War. He is married to the former Marilyn Margaretten and resides at 12 Hale Court, Metuchen, together with their children,

James, 9 and Amy Ann, 6. Morris Brown has been associated with the law firm of Wilentz, Goldman, Spitzer & Sills since 1956. For nearly two years he has been counsel to the Edison Township Housing Authority.

Formerly a resident of Carteret, he served in the U.S. Navy between 1946-1948. Early in his career, he served as secretary to the Honorable Thomas F. Meaney, Judge of United States District Court of New Jersey.

Brown played varsity football while a student at Carteret High School. He obtained his B.A. Degree at George Washington University and his L.L.B. upon his graduation from Harvard Law School in 1955.

Brown is a member of the Tau Epsilon Phi Fraternity, the Middlesex County Bar Association, the Metuchen Jewish Community Center and member and counsel of the Edison Township Young Democratic Club.

He resides at 20 Clive Hills Road, with his wife, the former Sylvia Cohen of Bath, Maine, and their children, David, 4 and Alan, 2.

Edison's New Business Manager a Roosevelt

EDISON — James F. Roosevelt, 36, last night was appointed township business administrator at a salary of \$11,500 per year.

The Township Council confirmed the appointment, submitted by Mayor Anthony Yelencsics.

Roosevelt, a distant relative of President Theodore Roosevelt, is currently the city administrator in Rahway. His appointment is effective April 15. He replaces James A. Alloway, who left Jan. 6 for a similar post in Elizabeth for \$13,500.

The new administrator will be paid \$500 more than Alloway was getting when he left. Alloway started at \$9,000. Township Clerk Oscar Kaus has been acting administrator, aided by Andrew Muller, director of finance.

Singled Out

Roosevelt, who lives at 717 W. Milton Ave., Rahway, took over his post in that city in November 1957. He was one of 12 applicants considered by Yelencsics over a three-month period and apparently had an edge over the other applicants in early February, when the mayor singled out his qualifications for special mention without revealing his name.

JAMES ROOSEVELT

He studied in France, getting the equivalent of a B.A. degree, and majored in administration, accounting and mechanical drawing at Cornell University. In addition he has completed studies in business administration and other courses at New York University

and overseas, while a federal employee.

Roosevelt commented that he is happy with his present job but concerned that since Rahway "has reached the saturation point," it will limit his professional growth.

He feels that Edison offers "not only a sound growth potential, but also a sense of accomplishment to someone in my field."

Worked In Europe

The new official worked for the federal government from 1948 to 1957 in France and Germany in an administrative capacity. Prior to 1948 he was assistant chief of mission of CARE.

He is familiar with an I.B.M. operation such as Edison's; cost accounting, purchasing and legislation on all levels. He supervised 350 employees in Rahway, a city of 27,684, not quite two-thirds of Edison's current population.

Roosevelt's resume notes that he was in large part responsible for the reduction of Rahway's municipal tax rate in the past three years.

He is a member of a number of professional associations and the father of one child.

Long-Awaited Code 2/161 Makes Appearance

EDISON — The Board of Health last night adopted on first reading its long awaited Public Health Code. The ordinance has been several years in preparation.

Replacing a short, generalized code in effect for more than 30 years, plus amendments over the years, the new ordinance is 49 pages long and sets down specific regulations and fines in 32 categories.

It takes more than an hour of fast reading to get through it and regulates everything from barber shops to sewage systems. Marriages, births, housing and animals are few of the topics upon which it touches.

The code will have a public hearing March 8 following the Township Council meeting. It is also scheduled for adoption on that date and will be read in its entirety prior to the hearing.

Included among the 32 chapters of the code are the following:

Powers and organization of the board; reportable diseases; diseases of animals; regulations on food and drink, milk, ice and food vending machines; nuisances; smoke control; garbage and refuse; weeds and debris; dogs,

cattle and horses; slaughtering of animals; water supply; bathing places; swimming pools; boarding homes for infants and children; births and deaths.

Among its highlights are prohibitions on burying or removing bodies from town without first getting a permit from the registrar of vital statistics; regulation of home swimming pools over 120 square feet, or 12 feet in diameter, or with 18 inches of water; regulation of barber shops and beauty parlors; provisions for all public places, such as prohibition of cake soap, common drinking cups or towels, plus adequate sanitary facilities.

The code prohibits cattle raising without approval of the zoning and health officers and expressly forbids keeping of pigs.

Many portions of the code require separate licenses.

Penalties range from \$2 to \$100 fines, or up to 90 days in jail for refusing to pay the fines. Two convictions in a six-month period provide for imprisonment of up to one day for each dollar of the normal fine.

The code will become law 30 days after final passage.

To Seek Council Seat

Edison Democratic councilman William N. Margolis, a member of the all-Democratic council since the birth of the new form of government in 1958, has announced he will not be a candidate for reelection in 1961, when his term expires, "because of heavy business requirements."

Margolis, who is a nationally renowned labor relations authority and consultant, made the announcement before the Edison Democratic county committee at a meeting held at the Old Town Hall.

Shortly after Margolis reveal-

Norman E. Freeman

ed his decision, Norman E. Freeman, 35, of 33 Matson Road, a certified public accountant and current president of the Edison Chamber of Commerce, was unanimously selected by the committeemen and committeewomen to run in the council spot Margolis will vacate.

Freeman was unanimously recommended to members of the county committee by the Executive Board of the Edison Democratic Organization, which studied and screened several aspirants before picking Freeman, who also served as campaign manager for the council candidates in the 1959 election.

Margolis told Mayor Anthony M. Yelencsics, who is also the party's municipal chairman, that "it has been a great privilege to have worked with you and my fellow councilmen for the past 3 years - first in establishing a brand new form of government, and, secondly, in contributing to the high quality of government that has made Edison Township respected and admired in the

Give Life Membership To First PTA President

Mrs. Elsie F. Loetzer

Mrs. Elsie Loetzer of 21 Main St., Piscatawaytown area, was presented with a life membership in the PTA at the annual Founders Day Program in the Piscatawaytown School 3 last night.

Mrs. Loetzer was the first president of the PTA group started in the school in 1921. She held the office for five years.

Past presidents of the group participated in a candle lighting ceremony. Each was presented with a corsage. Mrs. John Schrum was the guest speaker. The program was under the direction of Mrs. V. Piccola, a past president.

The PTA will sponsor a square dance in the school March 17.

P.A. First Savings To Open Branch In Edison

The groundbreaking ceremonies for the new branch of the Perth Amboy First Savings and Loan Association were attended by township officials, company executives and many guests yesterday noon at the site of the new office, Clara Barton. Shown from left to right: Mayor Anthony M. Yelencsics, Hulyer E. Romond and John F. Cerulo.

The Perth Amboy First Savings and Loan broke ground yesterday at Fifth Street and Anboy Avenue to begin construction of their second branch office to be opened in less than two years.

Construction on the glass front cement block building began yesterday and is expected to be completed within four months.

The first shovel of dirt at the site was turned by Chairman of the Board Robert L. Clare and President John J. Quinn. Also present were Mayor Anthony M. Yelencsics and Willard Dunham

assets of \$13,478,743.

The manager of the Edison office is A. Clayton Hollender Jr.

Sol R. Kelsey and James P. Haney are vice presidents and John J. Reager is the treasurer. The assistant treasurers are Irving Goldstein, Edward P. Carloski and Mrs. Ellen M. McCordel.

John F. Cerulo is executive secretary and manager and Lottie M. Peterson is assistant secretary. Francis J. Mulligan is the manager of the Woodbridge

office.

The directors of the company are Clare, Cerulo, Goldstein, Haney, A. Clayton Hollender Sr., Kelsey, Eugene Kress, Quinn, Reager, Carloski, John E. Toolan and Michael J. Trainer.

Toolan of the law firm of Toolan, Haney and Romond, is the attorney.

Dems To Give \$25 Award

Obituaries

MRS. JOHANNA PFAFF

Funeral services were held Saturday at the Runyon Mortuary, Metuchen, for Mrs. Johanna Pfaff of 535 Main St., Metuchen, who died Feb. 15. Cremation followed in Rosehill Crematory in Linden. Mrs. Pfaff, a native of Germany, lived in this area for 50 years.

Schedules Second Lenten Program

A Lenten Service, the second of six scheduled Lenten program on the theme "Urgent Christian Concerns," will be held tonight at the Edison Community Presbyterian Church at 8:00 p.m. Rev. John Murray, associate executive of the Synod of New Jersey, will speak on the subject "Twenty Years in Hell's Kitchen," and Tom Irwin will lead the worship service. A coffee hour at 7:30 p.m. will precede the service.

The church choir will meet for weekly practice tomorrow at 8:00 p.m., and on Friday evening the church session meeting will be held at 8:00 p.m.

The sacrament of Infant Baptism will be administered at the Sunday morning worship service at 11:00 a.m. Youth fellowship groups will meet in the afternoon and evening at the church: Junior High group at 5:30 p.m., and the Senior High group at 6:45 p.m.

Rev. Fowler's weekly discussion group, "What Christians Believe," will meet for its third session at the church on Tuesday at 8:00 p.m.

The Edison Community Presbyterian Church is located at 76 Glenville Rd., across Colton Rd. from Edison High School.

She and her husband, Henry, operated Pfaff's Restaurant, now Oak Hills Manor, from 1926 until 1939. She served as chief dietician at Roosevelt Hospital for 16 years until 1955. She was a member of the First Presbyterian Church.

ALBERT H. BUBB

Funeral services were held yesterday morning from the Runyon Mortuary, Metuchen, for Albert H. Bubb of 27 Lake Avenue who died Saturday at his home. Interment was in Sunbury, Pa., where Mr. Bubb was born 49 years ago.

Mr. Bubb was an engineer at the Westinghouse Corporation for 19 years. He is survived by his wife, Helen Walter Bubb; a son, Allen of Metuchen, and two sisters in Sunbury.

Girl Scout Program

The Oak Tree Girl Scout Neighborhood will sponsor a Thinking Day Program in Oak Tree School Feb. 27 from 7:30 to 9 p.m.

A Thinking Day film will be shown. Each troop will supply cookies representative of the country they chose to study this year. The cookies will be served as part of the refreshments.

Our Own Wisdom: When the doctor says we are sick, we are sick.

Church Plans New Education Building

The Congregation of the New Dover Methodist Church, New Dover Road, has approved the formation of a building committee to prepare plans for a new Christian Education Building.

Frank Hermann and Clarence Lewis, were named co-chairmen of the committee. Other officers are: Publicity, Robert Kendrick and Miss Mildred Vollmar; financial secretary, John Patterson; visitations chairman, Clifford Harris; church school superintendent, Herbert Schaefer; advance gifts, Roland Wuest; trustee, Anthony Grazulewicz; memorial guests, George Tooker, and church treasurer, Mrs. Selma Sievers.

Howard Young, conference director of stewardship and the Rev. Albert Sweet, pastor, will work with the committee.

This will be the fourth expansion since 1961 when the first Christian Education Building was started. It was completed in 1952. Since that time a parsonage was built and Wesley House where the Sunday school classes are presently held.

The New Dover Church will celebrate their 112th anniversary in a few months.

Elks 39th Campaign At Half-Way Mark

Clifford C. LaRocque, Exalted Ruler of Metuchen Lodge, B.P.O. Elks, today appealed for support of the Elks' 39th Annual Shield Campaign now approaching the half-way mark in its month-long drive.

"This campaign," he said, "has no connection with any other appeal for crippled children. The sheet of seals mailed to every home earlier this month has no price. The enclosed return self-addressed envelope offers the public the opportunity to participate in this great charity work carried on by the Elks for handicapped children. No contribution is too small."

LaRocque said, "Response to last year's appeal amounted to \$102,466.89 which came from nearly 57,000 contributors throughout the State."

"Elks help for individual cases is seldom publicized for obvious reasons," continued LaRocque, "but their support of cerebral palsy clinics and other

worthy institutions is well known."

Metuchen donated \$250 to the cleft palate clinic and spent more than \$2,000 for examinations, therapy, operations, and X-rays, purchased braces, shoes and wheel chairs.

"This Shield Campaign," he concluded, "deserves your most generous support, because it is the only state-wide fund raising venture where every cent collected is spent in New Jersey for New Jersey children without regard to race, color, or creed."

Starlet School Has Graduation

THREE GRADUATES OF THE BAMBERGER'S STARLET FINISHING SCHOOL receive instructions from the teacher, Miss Doris Zeek, right, before the fashion show. The girls are, from left, Jade Jurissen, Karen Snyder and Margaret Stout.

The Starlet Finishing School of Bamberger's, Menlo Park, held a graduation and fashion show on Thursday evening.

The theme of the show was "Swing into Spring". The school, for young ladies 14 to 17 years of age, completed a four week course of instruction.

Mr. Andre of Bamberger's Beauty Salon helped the girls with their hair problems and correct styling. Pat McLeach a Barbaron Model showed the proper way to walk. The use of basic make-up was demonstrated by Miss Doris Zeek, the instructor of the course.

The following girls participated in the graduation and fashion show: Linda Harvey, Diane Torok, Linda Evans, Margaret Stout, Jade Jurissen, Bonnie and Ruth Armstrong, Barbara Arduini, Rayna Weingart, Linda Kimmerle, Leslie Ensor, Norma Faggioni, Linda Ferguson, Pat Naterelli, Karen Snyder, Mary Donough, Pat Carrigan, Carol Bettas, Mary Fusco, Leslie Karchonas and Jane Margaretten.

The course will be held every four weeks and anyone wishing to join the school may sign an

application in the Junior department in Bamberger's, Menlo Park. This was the fourth session given.

Receives 10-Year Service Pin

Mrs. Bella Katz, 16 Bradley Drive, Haven Village, was presented a 10-year service pin and the Department of Army Certificate of Service by Lt. Col. Earle H. Jordan Jr., deputy post commander for Camp Kilmer.

Spring Hats To Be Shown

The Women's Society of Christian Service of the Wesley Methodist Church will sponsor a pre-season showing of Spring hat styles Monday at 8 p.m. in the Fellowship Hall.

The hats, including all styles, shapes, materials and colors, will be shown by Mrs. Emil Lang of Willow Grove, Pa. Purchases may be made. Refreshments will be served.

Express An Opinion

According to personal conversations and many telephone calls to the office, the consensus is that something is wrong at the Edison Post Office.

Various complaints about service, including pick-ups and deliveries, have sifted in from residents. Questions have been asked by township residents who are served by other post offices and comparisons made.

To date we have had only one person who lauded the service given by the Edison Post Office, (she incidentally is served by the Nixon Post Office). There are probably many more persons who are satisfied with the mail service. We just haven't heard from them yet.

Our Nixon reader who approves of the Post Office system had wide and lengthy praise for all the officials, the deliveries and the pick-ups. She called at 12:45 a.m. to say so and argued her point very well until 2:05 a.m.

We are glad she called us to give her views on this topic, so important to Edison residents. However, a matter that concerns so many persons and is so important to the growth of Edison should receive more than verbal support or condemnation.

A central post office for Edison will remain a topic of conversation and no action just as long as the people of Edison talk and do not act. And this will hold true for the kind of service we get from any federal or municipal department.

The service given by the Edison Post Office will play a large role in whether we are granted a central post office with outlying branches as postal zones, a system now used in most of the larger areas.

If Edison loses the mail business of the large companies and industries because of the lack of service by one post office, we will lose our strongest argument in favor of a central office.

It is of utmost importance that every resident of Edison express their view of the postal service they receive, and state whether they feel a central post office will be a benefit or detriment.

We will be glad to publish letters expressing the opinions of residents. Most important of all and to do the most for whatever opinion each reader has, letters should be sent to state executive officials and the post office department.

Stamp News

The Haddonfield Stamp Club has scheduled its fifth annual stamp exhibition March 17th and 18th at the Haddonfield YMCA. An excellent group of U.S. and foreign material will be exhibited from the 1840 "Penny Black" to date.

The public is invited to view and enjoy the 88 frame exhibition. The British Post Office has announced that a special slogan postmark "Buy Stamps in Books" is being used in stamp cancelling machines throughout the country Feb. 1-28.

Another slogan postmark for Stamford Quincentenary Celebrations will be used at Stamford Feb. 13-28, and again June 19-July 1 inclusive. A special handstamp was used

on correspondence posted at the temporary post office at the International Gifts and Fancy Goods Fair in Blackpool, Lancs, from January 30-February 3, (Lynn's)

Dear Madam Editor:

The Menlo Park Civic Association would like to take this opportunity to thank everyone who contributed to the success of the Thomas Alva Edison Birthday Celebration which was held at the Edison Tower, Menlo Park, Edison Township, on Saturday, February 11.

We would like to mention those who gave of time and material. Among these were: the Edison Township Recreation Department, the Edison Township Department of Public Works, the Edison High School Band, the Edison Flower Shop, the Raritan Valley Bus Service, the Boy Scouts, the Girl Scouts and the Edison Volunteer Fire Company No. 1. Our most heartfelt thanks must go to the Ladies Auxiliary of the Edison Volunteer Fire Company No. 1, who provided and served the refreshments.

Also, we would like to compliment the "Edison Times" for their excellent news and pictorial coverage of the affair.

Very truly yours,
MENLO PARK CIVIC ASSO.

Rutgers Athletes Have Full Week

Rutgers' final two home basketball games and the most important wrestling meet of the season highlight this week's Scarlet athletic schedule.

Toni Kuol's basketball team will face Fordham here Wednesday and Lafayette Saturday. The wrestlers will travel to Bethlehem, Pa., Saturday to clash with Lehigh in what could be a battle of undefeated teams.

Freshman basketball games with Fordham and Lafayette will precede the varsity contests. The week's other home activity includes varsity and freshman fencing meets with Columbia Saturday, a frosh swimming meet with Trenton High School Wednesday and a hockey game against Lafayette Saturday at the Ice Palace in South Plainfield.

The varsity and freshman swimming teams will visit NYU Saturday and the frosh wrestlers will accompany the varsity to Lehigh.

A freshman indoor track meet at Lawrenceville Wednesday, hockey at Villanova Friday and participation in the National AAU track meet in New York Saturday round out the week's schedule.

The basketball team has a chance to conclude the week as the first Rutgers quintet to finish over the 500 mark since 1948-49. Following the two home games, the Scarlet will conclude its schedule at Lehigh and Penn State.

Rutgers bowed to Lafayette, 87-77, earlier in the season and the Leopards should again provide a stiff test for Kuol's improving five. Fordham is experiencing a sub-par season but boasts an outstanding sophomore in 6-3 Bob Melvin of Orange.

The Scarlet leads Lafayette, 41-36, in their long series and trails Fordham, 12-17.

Lehigh and Rutgers took undefeated wrestling records into today's meets, but the Engineers will be a solid favorite Saturday. Lehigh scored a 22-8 victory over an Iowa State team which

Ferenczi Heads Young Dems

THE NEW PRESIDENT OF THE EDISON YOUNG DEMOCRATS ASSOCIATION, R. Joseph Ferenczi takes the oath of office from Township Attorney Christian J. Jorgensen, right. Watching the installation are, from left, Harold Saffer and Sidney Frankel.

R. Joseph Ferenczi was installed as president of The Edison Young Democratic Club Thursday night in Tally Ho Inn, Amboy Ave.

Other officers installed were: First vice president, Mrs. Vincent Yaede; second vice president, Sidney A. Frankel; third vice president, Harold Saffer; executive secretary, Mrs. Nicholas Slavick; recording secretary, Chester A. Just; corresponding secretary, Mrs. Anthony Marciano; treasurer, Mrs. Matthew Drwal; sergeant at arms, John Galambos; legal advisor, Morris Brown, and trustees, John Delesandros, Valentine Meszaros and George Calias.

Morris Brown, program chairman, introduced the installing officer, Christian J. Jorgensen, Edison Township Attorney. A resolution was passed stat-

ing the Young Democratic Club of Edison Township endorsed the candidacy of the Honorable Anthony M. Yelencsics as Mayor and pledged their support toward his reelection.

Jorgensen gave a brief talk on the political picture in Middlesex County. He said he fully endorsed Richard Hughes for Governor of New Jersey. He stressed the fact that Judge Hughes in the State House would "insure four more years of capable Democratic leadership in New Jersey."

A movie "Gift from the Earth" was shown. There were eighty members present.

Three new members introduced were Mrs. Frank DiNocola of 34 Edmund St., Mrs. Michael Rittenwald of 110 So. Main St., and Mrs. Eugene Kady of 14 John St.

Cracked Valve Caused Explosion

The explosion that severely damaged an Edison home recently was caused "by a cracked valve in the street," Public Service officials told Edison Mayor Anthony M. Yelencsics Monday night at a meeting held in his office.

The utility company executives revealed to Yelencsics that the explosion cause "is extremely rare," and that the exact cause of the cracked valve is still being investigated.

It was pointed out that when the gas escaped because of the cracked valve, it could not penetrate the ice covering the ground, and followed the course of least resistance, which was the soil around the pipe. The gas probably followed the pipe into the home, creating an accumulation of gas.

Public Service officials emphasized that if any persons smells gas, the firm should be called immediately to take protective action. If prompt action is not taken, Yelencsics said he should be notified.

A group of Edison Township citizens had requested Yelencsics to investigate the explosion. The mayor then requested the Public Service and the Public Utilities Commission to send representatives to a meeting, in order to have the explosion discussed before the committee, which had four persons present last night. The committee's spokesman was Samuel H. Feinstein, of 31 Sims Road. Other members present were Richard Spivack, 33 Sims Road, Hugh Murphy, Jr., 51 Eardley Road and Robert Boles, 27 Eardley Road. Yelencsics urged residents who seek additional information on the incident to contact Mr. Feinstein.

The Public Service firm was represented by Joseph McCarron, an executive assistant, and Joseph Hopkins, division superintendent.

entire State."

Yelencsics thanked Margolis "for the exceptional service you helped provide for the citizens of Edison Township. We will always be grateful to you."

Freeman has been a resident of Edison for the past 9 years and has been extremely active in civic affairs. Living in the Washington Park section of the township, Freeman was president of the Washington Park Civic Association for two years.

Freeman was one of the early founders of the Edison Jewish Community Center and was its president from 1953-56. Under his leadership, the center grew and construction was started on the organization's present building. He is now serving on the Board of Directors.

Freeman is currently finishing a second term as president of the Edison Chamber of Commerce. The Chamber of Commerce also became a strong force in the campaign for a central post office in the township.

He is a member of the following organizations: Stelton Exchange Club; Junior Chamber of Commerce; N.J. Society of Certified Public Accountants; American Institute of Certified Public Accountants; Jewish War Veterans; and Cambridge Lodge No. 662, F and A.M.

Freeman was born and raised in Brooklyn, New York. He received a Bachelor of Science degree in accounting from Long Island University.

A veteran of World War II, he served for three years in the Army Air Force.

Freeman has been married for 13 years, and is the father of two children, Paul, 11 years old, and Barbara, who is 7 1/2.

The Executive Committee that recommended Freeman to the

Party's county committeemen and committeewomen consisted of Edison Democratic leader Christian J. Jorgensen, Mayor Yelencsics, municipal chairman, the seven Democratic council members, Dr. Neil A. McDonald, president, William F. Ashton, Bernard J. Dwyer, Margolis, Frank Marchitto, Frank J. Takacs and Dr. William Toth. Alto Freeholder Joseph R. Costa, Julius C. Engel, John Ellmyer, Sr., Steven Madger and George Hollingshead.

The committeemen and women also endorsed the four Democratic candidates for the April 18 primary and the November 7 election: Anthony M. Yelencsics for mayor, and his three council running mates, Dr. Toth, Marchitto, and Freeman. All other Democratic candidates were also supported.

Yelencsics disclosed that persons who desire to register for the primary can do so by appearing at the Town Hall between 9 and 4:30 P.M.

Henry Grody, president of the Robert B. Meyner Democratic Club, issued an invitation to Yelencsics and his running mate to attend the club's next meeting on Saturday, March 4, at 8:30 P.M.

The Washington-Nixon Democratic Club also extended an invitation to the four candidates to a buffet affair on April 8, at the Ye Cottage Inn.

An appeal was made to the leaders for additional campaign workers.

Discuss First Aid At PTA Meeting

The importance of first aid in the home was the topic of discussion by James Cannon and Willard Stockton before the Lincoln School PTA, Feb. 14, in the school.

Cannon, a member of the American Red Cross, described the symptoms and treatment of burns and shock due to injuries. He also discussed the different methods of artificial respiration explaining that the mouth-to-mouth is the most accepted method today.

Stockton, a member of the East Brunswick Rescue Squad, spoke on the control of bleeding. Mrs. Ralph Robinson, Founder

Day chairman, introduced the past presidents of the PTA. The annual collection for Founder Day was made.

Dr. Myra Biggs, principal, said that the school time lost due to inclement weather will probably be made up during the Easter vacation.

Mrs. Clifford Corbett, president, reported the cupcake sale held Feb. 7, was successful.

NORMAN FREEMAN, center, president of Chamber of Commerce, welcomes Dr. C. B. Miles, manager of Mobil Chemical Company's research and development division, on the company's decision to erect a firm on Route 27. Looking on, left to

Chemical Research Firm Planned For Route 27

The reputation of Route 27's Miracle Mile as an industrial center continued to rise with the announcement that a chemical research and development center will be erected on a 14-acre tract by the Mobil Chemical Company adjacent to its sister firm, the Socony Paints Products Company.

The parent firm is the Socony Mobil Oil Company of New York.

According to Dr. C. B. Miles of Westfield, manager of Mobil's Chemical's research and development division, the one-story center, to have 21,000 square feet, will provide an important nucleus for future expansion of research activities. Mobil Chemical, formed six months ago, operates internationally in the manufacture and sale of chemicals.

Miles said work on the building is expected to begin in several months, and estimated completion by midsummer. He also

added that sufficient land was purchased "to permit a very substantial expansion in the future."

C. J. Lockwood, Socony Paint president, said the firm had received excellent cooperation from township officials. Mayor Anthony M. Yelencsics welcomed Mobil Chemical to the community, citing the tax revenue the township will receive as a result of the firm locating here.

Miles also pointed out the firm selected Edison over Boston for the following reasons: Socony Paint, a sister company, has a plant here; headquarters of Mobil Chemical will be in New York; Edison is within 10-15 miles from various climates; a thruway is expected to be constructed adjacent to the plant's property; other chemical industries are in the area; availability of cultural facilities, and universities are available for employees seeking to further their education in night study.

County Heart Group Goal Is \$50,000

The 1961 Middlesex County Heart Fund campaign, seeking a goal of \$50,000, will be officially launched Feb. 1 at the annual Kickoff Dinner to be held in Coby's Restaurant, South Amboy.

Reservations must be made for the dinner by tomorrow in the office of the Middlesex County Heart Association, 263 Loring Ave., Edison.

Principal speaker will be Dr. Jerome G. Kaufman, a Newark cardiologist and past president of the Essex County Medical Society. He will discuss strokes and the effect of the diet on heart disease.

Chairmen of the Heart Fund drives in all 36 Middlesex County communities will be introduced by James VanDerveer of South Amboy, county chairman.

Dr. Arthur L. Roth of Metuchen, county Heart Association president, will review the activities of the county group during the year. A film, "Those Good Old Days," will be shown outlining the work of the Heart Association and the need for Heart Fund workers.

The Heart Fund campaign in this community will begin during the first week of February, climaxing on Heart Sunday, Feb. 1. The year-round program of the Heart Association includes educational programs for schools, clubs and civic groups, aid to research into methods of fighting heart disease and post-operative nursing care for cardiac patients.

tients.

The Middlesex County Association also maintains a Work Classification Unit at St. Peter's Hospital for use by area industry in evaluating the work potential of cardiac employees.

Bell Expands Telephone Use

New Jersey Bell Telephone Company customers can reach more than 130 million other telephones around the world, and these represent more than 97 per cent of all the phones on earth.

The 1960 edition of "The World's Telephones", just released by the American Telephone and Telegraph Company, reports that in 1959 the number of phones in the world rose to 133.6 million, a gain of almost 9 million over the previous year. More than half of these phones are in the United States.

All figures in the report are as of the end of 1959, as it takes a year to compile the statistics. At that time, the United States had 70,821,000 phones. Today there are more than 74 million.

The U.S. also led the field in telephones per 100 persons, with 39.5. Brazil, with 1.48 telephones per 100, reported the smallest number per capita of the major countries. Russia was second from the bottom with 1.9 telephones per 100.

The "talkingest" people in the world, according to the report, are Canadians. They averaged more than 530 phone conversations per person in 1959. Next was Iceland, with 508 conversations per person.

Since 1950, the report shows, the number of telephones in the world has almost doubled. The United States' phones increased 74 per cent in that period, while in Asia, the number of phones more than tripled. In Europe and South America, they doubled. No growth figures were available from Russia.

Tyler Re-elected Library President

Leavenworth H. Tyler has been re-elected president of the Edison Township Library. Other officers re-elected were Mrs. Frank Doll, vice president, and Mrs. Edward R. Crooker, secretary and librarian.

Other board members are Mrs. William Margolis, Mrs. Edward Kasner, Earl S. Miers, Mayor Anthony M. Yelencsics and Superintendent of Schools Joseph M. Ruggieri.

The annual Library report was submitted, showing a circulation of 62,994 books. Books at the Library as of Dec. 31 were 16,518, compared to 16,278 for the same period a year ago.

A total of 1,878 new books were purchased.

Salary expenditures totaled \$13,652.42, \$152.42 over the appropriation.

Other expenses, plus the salary deficit, totaled \$9,052.56, leaving a \$85.76 balance from the \$8,900 appropriation and \$238.32 Library State aid.

A total of \$1,071.06 was turned over to the Township Director of Finance from monies acquired through fines and paid books.

McMahon To Teach Graduate Courses

The Rutgers Graduate School of Education has announced Dean Ernest E. McMahon of the State University's evening divisions and a national leader in adult education, will teach the first of its new series of graduate courses in the field of adult education.

Dr. McMahon's course in the Administration of Adult Education will be given on the New Brunswick campus on Saturday mornings from 9:30 to 12:50 beginning February 4.

The instruction, which is designed for directors, teachers, and leaders of adult schools and colleges, grows out of the increasing need for adult education, the Rutgers announcement reports.

Boundaries For Four Districts Issued By Police Chief

Chief of Police John W. Ellmyer Jr. has issued new regulations covering districts and their boundaries to desk lieutenants and all members of the department. They went into effect Monday.

District 1 is bounded on west side of Main St., north from Woodbridge Ave. to Delta Ave. (Metuchen boundary), west to Bonhamtown branch of the Pennsylvania Railroad, south to U.S. 1, west on U.S. 1 to Woodbridge Ave., Woodbridge Ave. to Crowells Lane, south to Raritan River. Southern boundary line will be the Raritan River to imaginary continuation on Main St. in southerly direction, including Raritan Arsenal to Main St.

District 1 also includes all business establishments located on U.S. 1 (north and south sides), west from Main St. to the College bridge.

District 2 - North side of U.S. 1 from Pennsylvania Railroad (Bonhamtown Branch-Pabco Plant), west to Woodbridge Ave., along Woodbridge Ave. (north side) to Duclos Lane to Mill Brook at Orange St., along Mill Brook to 5th Ave., then along Edison Township western boundary to Piscataway Township boundary lines, to New Durham Rd. (south side), to Metuchen boundary line, south to Route 27 to Edison boundary, to Bonhamtown branch of the Pennsylvania Railroad to Route 1.

District 3 - East side of Main St. from Woodbridge Ave., north to Metuchen boundary, north along Metuchen boundary to Route 27, east along Route 27 (south side) to Woodbridge boundary, south along Woodbridge boundary to King George Post Rd. (north side) to Raritan River. Southern boundary will be Raritan River. West to an imaginary continuation of Main St. in a southerly direction.

District 4 - This district will include everything north of Route 27 at Menlo Park, north of New Durham Rd. and north of the Northern Metuchen boundary within the Edison boundary.

When working the day shift, 8 to 4, desk lieutenants will see to it that four officers assigned to Districts 1 and 2 also be assigned to any school crossings that are necessary. These include Plainfield Ave. and Orington Ave.

and Route 1 and Plainfield Ave.

Between the hours of 7 a.m. until 7 p.m., each day, desk lieutenants will assign one patrolman to each patrol car (except Districts 1 and 2 on day shift) if cars are available.

Between the hours of 7 p.m. to 7 a.m., desk lieutenants will assign two patrolmen to each patrol car if possible. If there is one odd patrolman, he will be assigned to District 3.

Plan 2nd Phase Of Conferences

Continuing its orientation programs for newly elected mayors, councilmen, committeemen, and other municipal employees, the Rutgers Bureau of Government Research will conduct the second phase of its Municipal Orientation Conference in New Brunswick Saturday, February 4.

The February 4th conference will get under way in the Engineering Building on the Queen's Campus at 8:45 a.m. and continue through the afternoon.

The second part of the series will consider functions of municipal boards, municipal officers, and budget preparation. Consulting sessions will be provided for each major phase of the program.

Newly elected municipal officers wishing to attend the second phase of the Conference on February 4th may secure registration information at the office of the University Extension Division, Rutgers - The State University, 35 College Avenue, New Brunswick, New Jersey.

32 PBA Ball At Linwood Feb. 24

The 32nd annual ball of the Patrolmen's Benevolent Association, Local No. 75, will be held Friday night, Feb. 24, at Linwood Grove. It will start at 9 o'clock.

Subscriptions for the ball are \$1.25 each.

Ordinance Is Needed

The second major snowstorm of this winter should be one more point in favor of the mayor and council adopting a firm ordinance, with penalties provided, for forcing property owners to clear the snow from sidewalks.

In many school districts of Edison children walk to school. These youngsters are forced to walk on icy roads because many home owners will not shovel paths in front of their homes. And the same people are the ones who will protest to the police if a motorist endangers the life of a child by driving too fast past their home when the streets are clear. Yet their own attitude places the children in just as much danger.

The local police department conducts a lively campaign for the safety of school children from the time school opens in September until the closing days in June. Then begins another safety campaign to protect the children from motorists during the Summer months.

This is fine, and we are among the first to commend the department for their alertness in protecting the children.

Everyone agrees safety of the children should be a prime factor. That is everyone except the residents who refuse to clear the snow from the sidewalks in front of their homes.

There is a need for an ordinance to make clearing walks mandatory. The mayor and council should fulfill this need as soon as possible.

Clans Honor Robert Burns

A dinner honoring the 202nd anniversary of Robert Burns was held in the Roger Smith Hotel, New Brunswick, by Lady Helen MacGregor, Lodge 194, and Clara MacGregor 246, Order of Scottish Clans, Saturday evening.

Worthy Chief James Jack Jr. of Piscataway Township, welcomed the guests and introduced the Grand Lodge Officers, Grand Deputy Mary Margaret Barnes from Margaret MacLean Lodge 199 of Linden and Royal Deputy Robert A. Cain from Clan MacKenzie 204 of Plainfield.

Mrs. Elizabeth Dalglish of Edison, Chief Daughter, addressed the group. The Highland Dancers from Trenton, including Isobel Stewart, Sandra Stewart and Sheila Crawford, present New Jersey Champion Highland dancer, entertained.

Lionettes Install New Officers

Mrs. Michael Tartza was installed as president of the Edison Lionettes at a dinner in the Pines, Route 27, Monday evening.

Other officers installed by Mrs. Frank D'Aquila, outgoing president, included: Vice President, Mrs. Donald Hayles; secretary, Mrs. William Conte; treasurer, Mrs. Loring Willis; Lionette Tamer, Mrs. John Kovach, and Tail Twister, Mrs. Charles Silagy.

Mrs. Alfred Urfer, troop leader of Girl Scout Troop 45, sponsored by the Lionettes, led the girls in a flag ceremony. The troop was presented with a 50-star American flag by the Lionettes.

Stamp News

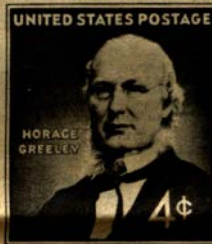

RANGE CONSERVATION

The 4-cent Range Conservation stamp, which will be first placed on sale at Salt Lake City, Utah, Feb. 2, will feature a reproduction of a line drawing "The Trail Boss", by Charles M. Russell, printed in black, and a contemporary range scene printed in yellow and blue. This stamp, designed by Rudolph Wendelin, will be 0.84 by 1.44 inches in dimension, issued in sheets of 50, with an initial printing of 120 million.

Collectors desiring first day cancellations of this stamp may send addressed envelopes, together with remittance to cover the cost of the stamps to be affixed, to the Postmaster, Salt Lake City 1, Utah.

A close-fitting enclosure of postal card thickness should be placed in each envelope and the flap either turned in or sealed. The envelope to the Postmaster should be endorsed "First day covers 4 cent Range Conservation Stamp." Orders must not include requests for uncanceled stamps. The Range Conservation first day covers requests must be postmarked before midnight January 28th.

The stamp honoring Horace Greeley, the renowned publisher and editor, will be first placed on sale at Chappaqua, N.Y., Feb. 3rd.

Collectors desiring first day covers may follow the above instructions with remittance going to the Postmaster, Chappaqua, N.Y. The Greeley Stamp first day cover requests must be postmarked before midnight January 30th.

Church Schedules Cana Conference

Our Lady of Peace Church announced today that it has scheduled another Cana Conference I for married couples of the parish to be held in the church auditorium February 19, beginning at 2:00 p.m.

Rev. Thomas Dentici, assistant, St. Anthony's church, Hightstown, is conducting the conference series which is designed to help couples find more happiness in marriage.

Father Dentici points out that one of the primary causes of failure in marriage today is the false assumption that marriage is a strictly "fifty-fifty" proposition.

"This concept is based on justice rather than love -- and it is virtually impossible to live by justice alone," he says, adding: "Happiness is marriage demands that partners give of themselves completely."

According to Father Dentici, communication between married couples is absolutely essential to compatibility. "It is more important," he says, "that husband and wife sit together in the evening and discuss their joys, sorrows, problems and every-day experiences than in absolute silence -- in entertaining themselves with television." He points out that only through constant communication can married couples foster and maintain the companionship they sought through marriage.

Registration for the conference ends February 5. Couples may enroll by calling Mrs. Hugh Gallagher, LI 8-3900; Mrs. George Lukoskie, LI 9-3770 or our Our Lady of Peace Rectory, VA 6-2276.

Churches Organize Youth Rally

The Youth Committee of the Metuchen - Edison Council of Churches is organizing a rally for the senior high young people and their friends of the nine participating churches (First Presbyterian, Centenary Methodist, Saint Luke's Episcopal, Dutch Reformed, Second Baptist, New Hope Baptist in Metuchen and the Marconier Reformed, Saint Paul's Lutheran and the Community Presbyterian of Edison).

This rally will be held Sunday, Jan. 29 at 7:30 p.m. in Fellowship Hall of the Metuchen Dutch Reformed Church.

The speaker will be the Reverend Eugene Durkee of the Somerville Reformed Church, who worked with young people in Metuchen when he was studying at the New Brunswick Theological Seminary and has made many friends in these two communities. His subject will be "The Army of the Lord and You." Leaders of the buzz-huddles discussing Reverend Durkee's message will be Rev. Joseph Fowler, Rev. Ben Whitaker, Rev. William Twiddy, Rev. Sanford C. Mayo, Rev. Graham Robinson, Richard Bates, Mr. and Mrs. L.C. Whipple, Richard Granholm, and Charles V. Hinton.

This rally is planned to be the climax of Youth Week.

PTA Schedules Show Tryouts

Mrs. F. Langenohl, representative to the Associated P.T.A. variety show committee, told the Stelton P.T.A. tryouts for the show will be held on Jan. 30 at the music room of the Edison High School at 8:00.

Mrs. Joseph Tangolics is chairman of a Parents Education meeting, on Feb. 1 at 8:00 at the school auditorium, on the subject of "Books" and "Getting Your Child to Read."

P.T.A. president Mrs. Albert Petro turned the meeting over to

Francis Sowinski

Sowinski To Present Scientific Paper

Chemist Francis Sowinski of Nixon will be among the contributors of scientific papers at the 13th annual meeting-in-miniature which the North Jersey section of the American Chemical Society will hold at Seton Hall University in South Orange Monday.

Collaborating with Dr. Harry Yale of Yale, Sowinski's paper is concerned with the synthesis of a series of new organic compounds and a comparison of these compounds with a group of older related compounds as to their effect on the normal or conditioned responses of rats and Phebus monkeys. What is involved, primarily, is an effect on the hypothalamic centers of the brain. These compounds are known to penetrate into this portion of the brain.

Richard Weibe, chairman of the Fathers' Night Program, who introduced A. Vaughn Havens, Professor of Meteorology at Rutgers University as guest speaker. Professor Havens showed a film and slides of Tyros I.

The second segment of the program consisted of three selections presented by the Senior Accordion Group of the Union Conservatory of Music.

Banquet Honors Louis Pulasty

The 11th Annual Chief's Banquet was held Saturday at the Phoenix Bar and Grill, honoring 1960 Chief Louis Pulasty.

The following guests gave talks: Supervisor of Fires Joseph Simon; Council President Dr. Neil McDonald; Councilman Frank Marchitto; Former Township Business Administrator James Alloway; Paul Penn, N. J. Turnpike Authority; and William McGrau, Director of Safety.

Also introduced were Captain Michael Petruski of Clara Barton First Aid Squad, Captain William Pinter of the Edison Township Police, and Mrs. John Onder, President of the Ladies Auxiliary.

President Steve Madger presented rings to those who were active in service for 25 years. They are: Former Chief John Vincz, 1947, Former Chief John Dudash (1949), and Former Chief Peter Lucas (1950). The president also presented to Father David a Chaplain's hat and badge.

Schedule Speakers At Health Forum

Four speakers on subjects of interest to women will appear at the Second Annual Health Forum on Tuesday at 10 a.m., and 11 a.m.

"Child Psychiatry" will be discussed by Dr. Ralph Branciale of the N.J. State Diagnostic Center and Lt. Leonard J. Iatesta of the N.J. State Police will speak on "Narcotics." After these two speakers, lunch will be served to those attending.

The afternoon program will be "light after dark" by Harry McClosky, President of the Eye Foundation of Delaware Valley, Inc., who will show the film "Dr. Kelly" with his talk.

Dr. William Kalb, Chairman of the Nutrition Committee, Essex County Medical Society will talk on Diet and Weight Control.

The Health Forums are sponsored by The Woman's Auxiliary to the Middlesex County Medical Society who are assisted this year by the members of St. Peter's Hospital Auxiliary, Middlesex Hospital Auxiliary and the Middlesex Hospital Aid Association.

The program will be held in the Doctors' Conference Room at St. Peter's Hospital and is open to the public.

Registration is at 9:30 a.m. As an aid in evaluating the number attending, the chairman from the Medical Auxiliary, Mrs. Charles Gandeck and the Co-Chairman Mrs. John S. Van Mater would appreciate it if those planning to attend would call Ch 7-1141 or Ki 5-3448.

Mrs. Payson Heads Election Study Group

Mrs. Katherine K. Neuberger, president of the New Jersey Federation of Republican Women, announced today the appointment of a committee of outstanding women to make a study for the Federation of New Jersey election laws.

Mrs. S. Edward Payson, of Edison chairman of the Middlesex County Election Board, will be chairman of this new committee. Serving with her will be Mrs. Anna Morford, chairman of the Board of Elections in Monmouth County; Miss Evelyn Burns, a member of the Cumberland County Election Board; Mrs. Marion West Higgins, assemblywoman from Bergen County; and Mrs. Beatrice M. Stiles, assemblywoman from Bergen County; and Mrs. Beatrice M.

Mrs. Beatrice M. Stiles, assemblywoman from Essex County.

At the meeting of the Board of Governors of the Federation held at the Princeton Inn in Princeton, Mrs. Warren Nissley of Bergen County announced the beginning of an intensive membership drive all over the state to be called "Stairway to the State House". Mrs. Nissley stated that Republican women in every county are preparing programs and plans designed to insure victory in the coming gubernatorial campaign.

Panel Discusses Report Cards

"Not all students are A students," was stressed by Miss Anita Krueger, Elementary Supervisor of Edison Township Schools, who acted as moderator of a panel on "Understanding Your Child's Report Card" at a meeting of the Piscatawaytown School P.T.A.

Further discussion of the panel pointed out that we are limited to our abilities, a child does the best he can, working to his capacity. A "C" is an average mark, but a good mark. A report card informs the parent of the progress of the child, helps the teacher evaluate a child and helps the pupil do better work.

Mrs. Matthew Drawl, program chairman introduced the panel. Teachers who served were Mrs. Florence Lachenmayer, Mrs. Frances Williams, Mrs. Lillian Sweet. Parents were Mrs. Peter Staley, Mrs. Thomas Wogan, Warren Smith.

A Valentine Dance will be held on Feb. 10, for the 5th, 6th and 7th grades from 7:00 - 10:00. There are 472 members as of date, a goal of 500 members has been set.

Fire Police Group Names Officers

The Oak Tree Volunteer Fire Company was host of the Middlesex County Fire Police Association at the Firehouse, Oak Tree Rd. Wednesday evening.

The officers elected included: President, Wilbur Elvas of Madison Park; fire chief (re-elected), George A. Ulrich of Oak Tree; assistant fire chief, John Mackey of Lawrence Harbor; recording secretary, Jerome Wojciehowski of Carteret; treasurer and chaplain, Arthur Chapman of South Amboy; financial secretary, Joseph Yeatts of Roselle Park; sergeant at arms, John Davidson of Oak Tree; quartermaster, Frank Bardecker of Oak Tree, and educational director, Edward Hartman of South Amboy.

Scouts Discuss Swim Course

The January meeting of the leaders of all Brownie and Girl Scout troops of the Stelton area was held last Wednesday at 130 Hillcrest Ave., the home of Mrs. Raymond Morris, neighborhood chairman.

The possibility of a swimming course for Girl Scouts was discussed and a new Brownie camp program was presented to the group for thought.

Plans for the annual Mother-Daughter Banquets, to be held during Girl Scout Week in March, were initiated. There will be two dinners, one for the Brownies and one for the Intermediate group.

Capparelli Describes Health Services

Dr. A. Peter Capparelli, chief sanitary inspector of Edison, described the functions of the Edison Health Center to the Clara Barton Democratic Club in the Amboy Avenue firehouse Wednesday evening.

He explained the work being done in pre-school child care, and baby keep-well stations.

He was introduced by Gordon Koehler, president.

Plans were made for a 'Get Acquainted Night' Feb. 15 to introduce newcomers in the Clara Barton area to the Edison Council members.

The club unanimously endorsed Anthony M. Yelencsis for re-election as mayor.

Center Schedules Management Course

The Rutgers New Brunswick Extension Center will introduce in its spring term beginning next week a special Workshop in Practical Management, according to Harry S. Layton, Center director.

The course, which will use examples and case studies to examine the major managerial problems, will meet on the New Brunswick campus Monday evenings from 8:15 to 10:05 beginning January 30th.

Among the items which will be discussed in the Workshop are management theory, manufacturing economics, plant services, personnel and human relations problems, union relations, cost reduction and control.

Stuart Whitehead, manager of the Plastics Manufacturing Department of the Organic Chemicals Division of American Cyanamid, will be the workshop leader.

Registration may be made this week for this workshop and other New Brunswick Extension Center evening courses at 35 College Avenue, New Brunswick, afternoons and evenings.

Charles A. Schweitzer

Guidance Counselor At Junior High School

With a view toward introducing the members of Thomas Jefferson Junior High School faculty to the residents of Edison, I am presenting a brief background on the life of a guidance counselor, Charles Adam Schweitzer.

Mr. Schweitzer, born in Elizabeth Feb. 15, 1921, has a twin brother, two sisters and another brother. He attended St. Michael's Grammar School and Sacred Heart High School in Elizabeth. His first job, held when a high school student, was as a grocery

clerk on Saturdays and after school, and paid \$5 a week. At the outbreak of World War 2, Schweitzer joined the Coast Guard, and was commended for bravery in action.

Following his discharge from service, Schweitzer went to Seton Hall University where he was awarded his bachelor degree. He received his master degree from Fordham University. Although he attended school in the daytime and worked nights, he finished a four-year course in three years. He worked for the American Oil Company and as a recreation advisor. For two years he served as a social case worker in Elizabeth.

Schweitzer has completed the special training, credits and teaching experience needed to receive the necessary certificate, granted by the New Jersey Commissioner of Education, to become a guidance counselor.

According to Schweitzer, his main ambitions are to be happy and to help anyone he possibly can. He said he loves children and is interested in helping them.

PTA Meeting Feb. 6

Miss Anita Krueger, helping teacher, will be the guest speaker at the next meeting of the James Madison School P.T.A. Monday night, Feb. 6, at the school.

She will speak on "History of Edison Township Schools." Founders' Day also will be observed at the meeting.

Jefferson Notes 9 Students On

By Gail Elizabeth Bobal

The Debating Club held their first debate Jan. 19th on "The Resolution that the United States Was Justified in Breaking Diplomatic Relations with Cuba". Each team did their best and will continue the debate next Thursday. The moderator on this topic is Ronald Beebe.

There will be a faculty basketball game Jan. 27 at 7:30 pm in the Thomas Jefferson Gymnasium. The AM teachers Versus the PM teachers. No adults are allowed. The school wishes the children to be appropriately dressed for the game. (No slacks or dungarees, please).

There will be a variety show for the eight graders of the school Jan. 31. Approximately 15 pupils will be participating in a ten-act show. The theme will be "Visit to Broadway". Outsiders are welcome and the admission is free.

It is the duty of all departments to be responsible for an Assembly during the year. This Variety Show will be put on by the English Department. Another Variety Show will be next month. The Variety Show is sponsored by Clarence Jolly.

High School Lowdown

by Nora Redmond

The latest snow storm was welcomed by EHS students because they not only got a day off of school but also had an opportunity to watch the inauguration on TV.

EHS sophomores, however, were not as happy as the rest of the students. The reason -- the Sophomore Hop was canceled until this Friday night. Oh well, better late than never.

Committees for the Junior Class play "Beauty and the Beast" have been formed. Committee chairmen include: Charlotte Halteman, publicity; Marilyn Weiss, invitations; and Bill Lynch, tickets. Those few paint-splattered juniors seen after school are proof that the scenery for the play has been started.

The wrestling team scored a 30-23 victory over Bridgewater-Raritan last Thursday. So far the team has lost only one dual meet -- keep up the good work boys!

New officers for the French Club were elected recently. They are: Eileen Hansen, president; Joan Galt, vice president; Suzanne DeVoe, treasurer; and Karen Zagorew, secretary.

Eagle Cagers Suffer Sixth Loss In Row

Friday the 13th did not prove to be the day for Edison High School to crack the win column. Piscataway High School's Chiefs won their third game of the season as they downed Edison, 66-57, at their home court. This marked the Eagles' sixth straight loss in their second full varsity season.

Matmen Take Third Match

Nine students have been placed on the high honor roll in Edison High School according to an announcement by Frank D'Aquila, guidance director.

The students are: Ninth grade, Leslie Kramer, Judy Jobbins, Susan Ballou and Kathleen Mizenko; tenth grade, Karl Knudson, Jane Capellupo, Frank Kursay and Robert Holmes; and twelfth grade, Joyce Yelencsics.

Students listed on the "A-B" Honor Roll are: Ninth grade, Freda Brown, Shirley Manfre, Joseph Mehok, Geraldine Letinski, Joan Smith, Cheryl Cornett, Carol Parsolt, Laura Sabine, Mary Bagan, Leslie Calamari, Gayleatha Brown, John Wedland, Gessie Brown, Jade Jurissen, Diane Eckhardt, Carol Bednarz, Frank Grasso, Nancy Brooks, Jill Brosseau, Estelle Gardner, Jill Mann, Arleen McDonald, Linda Michkowski, Patti Pavloff, Valerie Tango, Henry Mardyks, Douglas Moss, Richard Luebecke, John Rosko, Richard Weinberg, Everett Slage, Louise Bablak, Sandra Kazlau, Darlene Kulakowski, Evelyn Meyer, Sophia Moskowicz, Florence Reinhardt, Kateryna Usenko, Margaret Van Pelt, Harriet Weiner, Sharon Wanke, Diane McIntyre, Fred Jinoch, Teddy Olymbios, Leonard Tylka, Linda Sitem, Alan Jaffe, Patricia Poles, Lawrence Girard, Dawn Larson and Andrew Lycosky.

Grade ten, Dennis Frey, Fred Pfeiffer, Cheryl Folbrecht, Loretta Hubbard, Mary Ann Mutarelli, Waltentyna Usenka, Madeline Yaros, Richard Festger, Charlene French, Roanne Denton, Kenneth Dombrowski, Karen Hansen, Ronald Reider, Maureen Adamic, Marilyn Silagy, Kathleen Serenska, Linda Ferguson, Pauline Prusko, John Hudanish, Beth Robinson, Barbara Skimmer, Ann Fitch, Allyson Benner, Jerrylin Tagliareni, James Galt, Catherine Gelsz, Ingrid Hepp, Bernard Karl, James McKennon, Emilie Naurock, Robert Oros and Helen Scott.

Grade eleven, Ellen Farkas, George Coleman, Dennis Burlone, Conrad Klein, Bonnie Kulakowski, Sandra Lillis, Steven Cichinski, Paul Engetenberg, Barbara Litwornia, Theresa Mennuit, Ted Pittiglio, Joanne Pandolfi, Joseph Yaczyn, William Van Pelt, Suzanne DeVoe, Helen Farkas, Arlene Hergenhan, Helen Kolt, Donna Olchnary, Gloria Rothman, Daniel Wasnick, Frank DiSilvestro, Charlotte Halteman, Joan Lucas, Pat Sweryd, Darryl Fisher, Frederick Schwartz, Fred Bernath, Dennis Drotar, Victoria Huang, Terry Martin, Ronald Slowich, Frederick Smith, Eileen Hansen, Karen Zagorew, Julia Delahunty, Margery DiNunio, Diane Shroba, James LeGates and David Heranney.

Edison High School's wrestling team registered its third win in four attempts last Wednesday night as they defeated Bridgewater - Raritan Township. The upset minded matmen managed five pins--worth 25 of their final points--in building the final score to Edison 30 - Bridgewater - Raritan 23.

Things didn't look too well for Edison as George Anderson was pinned in the opening match, Sal Cirri, wrestling in the 105 lb. class, came back with a quick pin to even the score at 5 all. Paul Tannura kept things going as he pinned his opponent in the 114 lb. class. This put the Eagles in front 10-5.

After Paul Grande was pinned at 122 lbs., Bridgewater pulled farther away as Paul Engstenberg and Steve Povalac were pinned in the 129 and 135 lb. brackets respectively. This event marked the first time that Povalac, a freshman, has been pinned in actual competition.

With the score 18-10 in favor of Bridgewater, co-captain George Yunker put Edison back in the running as he pinned his foe in the 140 lb. slot. The other co-captain, Richie Sivertson, was held to a draw, the first one all year, in the 147 lb. class. With each wrestler receiving two points apiece for the draw, the scoreboard this time read 20-17 Bridgewater.

Gary Needham, wrestling in the 156 lb. class, knotted the score 20-20 via a close 2-0 decision. After Al Ernst was out-pointed 7-1 in the 167 class, Edison was again on the short end of a 20-23 score.

This set the stage for a re-sounding finish. Mike Tartz, only weighing about 150 lbs., was prepared to wrestle as a 177 lb. entry. Wrestle he did as he put Edison in front by way of the ever popular pin. Steve Sawicki, a newcomer to the wrestling team, then proceeded to wrap up the match as he chalked up Edison's fifth pin of the evening. This closed out both the scoring and the night.

Edison will make its next appearance tomorrow at East Brunswick. The Eagles will be the underdog because the "Eastern Zebras" won the Middlesex County Tournament last month.

Blue-Gold Fete Set By Pack 79 Feb. 22

Cub Scout Pack 79, sponsored by the Jewish Community Center of Metuchen, will hold its annual Blue and Gold Dinner at the center Feb. 22 at 7:30.

Mrs. James Izenberg is chairman of the affair, assisted by Mrs. Frank Molnar, Mrs. Meyer Salt, Mrs. Israel Segal, Mrs. Joseph Nagy, Mrs. Dorothy Mendes, Mrs. Laurence Ginsberg, Mrs. Alfred Pauchman and Mrs. Harry Belenfsky.

The monthly pack meeting will be held tonight at which time inspection will take place. The monthly theme is South America.

Pet Forum

by Roy Gibbs & Bruce Jensen

We have been asked repeatedly to give some advice on the house-breaking of a puppy so here are a few simple suggestions which may help. To begin with your puppy should be confined to a small area for the first few days. This will give him a place which is his and will save wear and tear on the carpets.

It will be necessary to pick the puppy up and place him on a piece of newspaper after each meal. A puppy eats often, so this process should be repeated often.

To help him get the idea you are trying to get across, there are many good liquid house-breaking aids which may be purchased at your local pet shop. A drop or two on the paper is usually sufficient and later he will seek out the paper by himself. This is what is known as paper training.

It is inevitable that he will misbehave, and when he does, if you catch him in the act, punish him. Don't punish him unless you catch him in the act as he won't know what he is being punished for. Just count to ten then get out the bottle of skip stain, and some water and clean up.

Make up your mind to keep a better lookout on him in the future. Remember to reward him with a pat or some sort of dog goodie. Be firm and, above all, be patient. You should be able to get him more or less used to the paper in about two weeks.

If the weather is not inclement, the ideal thing is to take your puppy outside to some soft spot. Never let him dirty on the pavement but only at the curb or in some grassy place.

If you know of a place where some other dog has gone before it will be a great help to take your puppy there. If there is a specific spot that you would like to train him to, use your house-breaking aid again in that spot. This can be discontinued as soon as the spot is established.

Don't be discouraged, if at first he becomes a little confused, and waits until he comes in and then dirties on the paper. After the first few times he will get the idea that the reward comes when he does his duty outside.

The two rules which apply in all training, apply doubly in this case - firmness and patience! Good luck.

Propose New State Inspection Laws

The traffic safety committee of Middlesex County Safety Council recommended a five-point program calling for a revision of state traffic regulations covering vehicle inspections.

The proposals, unanimously passed at a meeting of the committee held (Wed. Dec. 28) in Oak Hills Manor, Metuchen, stemmed from a discussion covering congestion and delays at inspection stations. It was pointed out that close to 50 percent of the vehicles are being turned down at state inspections as a result of drivers failing to correct faults in vehicles prior to inspection and also due to the large number of vehicles requiring re-inspections.

A. B. Morrison, assistant plant manager of Du Pont Photo Products, chairman of the traffic safety committee, will forward the recommendations to Governor Meyner, Attorney General David D. Furman, Acting Motor Vehicle Director Ned Parsekian, and the Chief of the Bureau of Traffic Safety, Gerald Discol.

The recommendations are as follows:

That the time limit required for correcting faults found at state inspections be changed from 14 days to five days, and also be assessed for each additional inspection required.

That a specially designed temporary sticker shall be conspicuously displayed on the windshield of vehicles failing to pass inspection due to minor defect or defects, and the sticker shall have the date when the vehicle is to be presented for inspection. During the interim period such a vehicle may be driven to a garage, residence of an owner or place of repair within a ten mile radius of the inspection station;

In the case where unsafe and hazardous conditions are uncovered during state inspections, a specially designed sticker shall be applied and a summons issued to the operator for operating a motor vehicle with unsafe or faulty equipment;

New and used car dealers shall be required to have an approved inspection sticker on all cars before delivery to purchasers; and

No person shall make, issue or knowingly use imitation or counterfeit of an official certificate of inspection, and no person shall display any certificate of approval of inspection knowing the same to be fictitious or issued for another vehicle.

To Address PTA

The Rev. Joseph J. Burns, O.S.A., will address the St. Matthew's School PTA on "Reading and the Child, Present and Future," in the school cafeteria today at 7:30 p.m.

The annual Father's Night will be held under the direction of John Kosco, husband of the president of the PTA.

Girl Scout Cookie Sale To End Feb. 3

The Raritan Valley Girl Scout Council launched its annual cookie sale Friday and it will continue until Feb. 3.

The committee announced that the purpose of the sale is to provide funds for the outdoor program, which includes maintenance, development and administrative expenses at Camp Sacajawea, the established camp in Lafayette; Camp Melken, the troop camp in Neshanic; and Shady Oaks and Pinewood, the day camps in Johnson and Thompson Parks.

A year ago, over 147,000 boxes were sold by the council.

Girl Scout neighborhood cookie chairmen were given instruction and lunch by the McGowan-Educator Co. at Colonial Farms. Area chairmen attending were Mrs. Barney Sokol of Stelton and Mrs. John Balint of Nixon.

Second Course Of Adult Study Series

The second semester of the Adult Study Course Series at the Edison Jewish Community Center, Congregation Beth El, on Jefferson Boulevard, will commence tonight and continue over succeeding Wednesdays.

Elementary Hebrew will be taught from 8-9:00 by Maynard Klorman, a member of the religious school staff who has studied at the Jewish Theological Seminary in New York. Intermediate Hebrew will be taught from 8-9:00 by Rabbi Robert Layman. Both courses are continued from the first semester and no new registrations can be accepted.

A new course titled "A Survey of Jewish History" will be offered today from 9-10:00. Teaching the course, which is offered to all members of the community, will be Fred Berkowitz, a resident of Edison Township, who attended Rutgers University.

Registration for the survey course will be at 8:30 today.

Show Planned By Scholarship Group

Edison PTA Scholarship Fund Trustees, heartened by the disclosure that \$1,600 needed for its annual scholarship to an Edison High School senior has been raised by area PTA's, is now preparing for its first annual variety show.

The show, "School Daze," will be held April 21-23-24 at Clara Barton School. All talent for the show will be recruited entirely from area residents. Auditions will be held Monday.

The committee plans to publish a program book. All advertisers are urged to contact Mrs. Steven Papp, 711 Old Post Rd. It was emphasized that patron and ad support, combined with the income from the sale of tickets, would eliminate further contributions from area PTA treasuries.

Manny Rose is chairman of the screening committee which will select this year's scholarship winner.

On February 2, the Church of the Guardian Angel will hold a card party which, from all indications, should be a very successful affair. Among the girls in our area who are putting forth a great deal of time and effort on this affair are Rosemary LeGrand and Tommie Murray. Homemade refreshments will be served as the first treat of the evening.

Don't forget the Square Dance on Saturday, January 28, at the Edison Jewish Community Center on Jefferson Blvd. Part of the crew working on preparations for this affair is Elaine Schrob of Phillips Rd. and a number of girls in Washington Park. In addition to the square dancing there will be several surprises in store for all. Hope to see you at both affairs.

It's been a busy week at the Levey house on Phillips Rd. Marvin "Jack Benny" Levey celebrated his 39th birthday. A-

drienne and Marvin also celebrated their 11th wedding anniversary. Congratulations are in order.

Eileen and Lou Findel of Smalley Rd. joined with Jackie and Stanley Richman, and Roz and Seymour Richman of Washington Park, last weekend at the Concord Hotel at Klamasha Lake in New York State. From all reports they had a wonderful time.

May we extend our sincere condolences to the Bridges family on Meyer Rd. on the passing of Mrs. Bridges' mother.

The Girl Scout Troop, Intermediate Group, in our area, went bowling last week at the Edison Lanes. The girls had a marvelous time and are most anxious to go again.

Freeman to Run for Edison Council

EDISON — Democratic councilman William N. Margolis, a member of the all-Democratic council since the birth of the mayor-council form of government in 1958, announced last night that he will not be a candidate for re-election in 1961, when his term expires, "because of heavy business requirements."

Margolis, a labor relations, authority and consultant, made the announcement last night before the township Democratic county committee at a meeting in Old Town Hall.

Shortly after, Norman E. Freeman, 35, of 33 Matson Road, a certified public accountant and president of the Edison Chamber of Commerce, was unanimously selected by the committeemen and women to run for council.

Screened Aspirants

Freeman was recommended by the executive board of the Edison Democratic Organization, which screened several aspirants before picking him. Freeman served as campaign manager for the council candidates in the 1959 election.

Margolis told Mayor Anthony M. Yelencsics, municipal chairman: "It has been a great privilege to have worked with you and councilmen for the past three years — first in establishing a new form of government, and, secondly, in contributing to the high quality of government that has made Edison Township respected and admired in the entire state."

Yelencsics thanked Margolis "for the exceptional service you helped provide for the citizens of Edison Township. We will always be grateful to you."

Yelencsics predicted Freeman "will be a valuable asset to the Edison Township council, because of his fine ability, sincerity and character."

Freeman has been a resident of Edison for nine years and active in civic affairs. He was president of the Washington Park Civic Association for two years.

He was one of the early founders of the Edison Jewish Community Center and its president from 1953-56. He is now serving on the Board of Directors. He also served on the Mayor's Committee For a Hospital in Edison.

Freeman is currently finishing

Heads Chamber

a second term as president of the Edison Chamber of Commerce. He is a member of the Stelton Exchange Club, Junior Chamber of Commerce, N.J. Society of

Certified Public Accountants, American Institute of Certified Public Accountants, Jewish War Veterans and Cambridge Lodge No. 662, F. and A.M.

Freeman is a native of Brooklyn and received a B.S. degree in accounting from Long Island University. A veteran of World War II, he served for three years in the Army Air Force.

Freeman has been married for 13 years, and is the father of two children, Paul, 11 years old, and Barbara, who is 7½.

The executive committee that recommended Freeman consisted of Democratic leader Christian J. Jorgensen, Yelencsics, the seven Democratic council members, Freeholder Joseph R. Costa, Julius C. Engel, John Ellmyer, Sr., Steven Madger and George Hollingshead.

The committeemen and women also endorsed the four Democratic

candidates for the April 18 primary and the Nov. 7 election: Yelencsics for mayor, and his three council running mates, Dr. William Toth, Frank Marchitto and Freeman. All other Democratic candidates were also supported.

The next meeting of the group is slated for March 27 to map final primary election plans.

Yelencsics said persons who desire to register for the primary can do so by appearing at the Town Hall between 9 and 4:30 p.m.

An appeal was made to the leaders for additional campaign workers.

DECLINED

Three retiring presidents of the United States (John Adams; his son, John Quincy Adams, and Andrew Johnson) declined to attend the inaugurations of their successors.

Young Democrats Install Officers

EDISON — The Edison Young Democratic Club installed new officers Thursday at the Tally Ho Inn, Amboy Ave.

Installed were: president, R. Joseph Ferenczi; vice presidents, Mrs. Vincent Yaede, Sidney A. Frankel and Harold Saffer; secretaries, Mrs. Nicholas W. Slavick, Chester A. Just and Mrs. Anthony Marcano; treasurer, Mrs. Matthew Drwal; sergeant at arms, John Galambos; legal adviser, Morris Brown, and trustees, John Delesandro, Valentine Meszaros and George Callas.

Brown, program chairman, introduced the installing officer, Christian J. Jorgensen, township attorney and political leader.

A resolution was passed to endorse the candidacy of Mayor Anthony M. Yelencsics and pledge support toward his re-election.

Jorgensen gave a brief talk on the political picture in Middlesex County and the state. He endorsed Richard Hughes for governor and said Hughes in the State House would insure "four more years of capable Democratic leadership." A movie, "Gift from the Earth," was shown. Eighty persons attended.

Appoint Marchitto to Council

By HENRY WALLHAUSER

EDISON — Frank Marchitto, an electrical union official, was appointed to fill the unexpired term of Walter H. Wood on the Township Council yesterday at the council's reorganization meeting.

Marchitto, who is 45, lives at 74 Oakland Ave., Nixon. He has lived in the township since 1920.

The term will run until Jan. 1, 1962. Wood resigned due to increased demands of his work.

Succeeds Morse

In a list of appointments to township boards, William Saley of Oak Grove Lane was named to fill the Planning Board post of George Morse, who resigned because of time devoted to his business and to the state Bingo Commission, of which he is a member.

Sworn in as a police sergeant was Joseph Marino, who will serve as Municipal Court clerk. In this job, he will take over duties formerly performed by Sgt. John Jacob, who recently retired from the police force.

Other appointments approved by the council were:

FRANK MARCHITTO

John J. Anderson as secretary of the Board of Education for a five-year term; Neil McDonald and Bernard Dwyer, both councilmen, as members of the Board of School Estimate; Arvlean Petrics and Fred Loeser for one-year terms to the Board of Welfare, and

Carolyn Doll as a library Trustee for five years.

John Zimmerman was again named township engineer, for a one-year term, and August Doeler was re-appointed to the Zoning Board of Adjustment, for five years.

Mayor Anthony M. Yelencics, in a brief statement wishing residents a Happy New Year, said a new public library would be 1961's major goal. He said the township would also aim this year for a new police station, and firehouse, and additional facilities at the municipal boat basin.

Council President Neil McDonald, elected for his fourth year to the president's post, said he looked forward to "a productive and exciting year" for the council.

Marchitto, born in Jersey City, attended Piscataway School No. 3, and started his apprenticeship as an electrician with Local 456, International Brotherhood of Electrical Workers, in 1936. He attended Middlesex County Vocational School evening classes during his apprenticeship, and became a journeyman electrician in 1941.

Snow Clearance Bill Approximately \$3,000

Mayor Anthony M. Yelencsics reported that approximately \$3,000 was the price tag for the snow clearance program for last month's storm and said he felt the figure was probably one of the lowest in the county.

He attributed the costs to overtime pay for township employees. "We did not have to rent a single piece of outside equipment," he said. "We had the equipment and the manpower to combat the storm - one of the worst in history - at a minimum cost to the township," he added.

40 Wild Dogs Killed, 6 Captured In Hunt

The Health Department reports that its annual wild dog hunt resulted in 40 dogs being killed and six captured. The hunt was held in the North Edison area. The department's monthly report shows 10 dog bite cases and 2,854 dog licenses issued as of Nov. 30.

MEET TONIGHT

The regular meeting of the Edison Township Housing Authority will be held in the Council Chambers of the Municipal Building at 8 p.m. today.

Tax Books Open For Inspection

Area residents interested in inspecting township tax assessment books for 1961 may do so Saturday when they will be available from 2 to 4 p.m. at the tax office in the Municipal Building.

Hopes For Post Office Rest With New Administration

If the township is to realize its dream for a township-wide post office it will be up to the new federal administration, Mayor Anthony M. Yelencsics told the Township Council last week.

The mayor issued the report after huddling with Bert B. Barnes, first deputy assistant to the Postmaster General. Yelencsics disclosed Barnes said that instead of a central post office for the township, Edison residents can look forward to more and more mail service from post offices outside the municipality.

Regarding Barnes' statement, the mayor said it was "very disturbing."

Township officials and residents joined in paying high tribute

to James Alloway, business administrator who turned in his official resignation at the meeting. It takes effect Friday. He assumes a similar post in Elizabeth Saturday.

The mayor praised Alloway for a "tremendous contribution" to the township during his three years as administrator.

William N. Margolis, acting council president, went even further, saying, "I don't think we could have moved from the township commission form of government to the mayor-council system without his help and professional knowledge."

Oscar Kaus, township clerk, was appointed as liaison between the township and federal government on the sanitary sewer project being carried out with the help of federal funds. Alloway was acting as liaison.

The township accepted a \$290,000 payment from Metuchen as the borough's share of the costs of erecting a pumping station and gravity sewer lines from Metuchen to the county trunk lines.

Council awarded a \$3,525 low bid contract to Joseph Mennuti Construction Co. for the installation of 565 feet of main along Johns St.

The council's action making Russell Ave. a one-way street towards Route 1 received approval from the Department of Motor Vehicles.

A club liquor license was approved for the Edison Moose Lodge.

Owen In Line For Metuchen Board

Metuchen Borough Council President Samuel Owen, who completed six years on the council Sunday, reportedly will be appointed to the Planning Board next month, it has been learned.

Mayor Ernest E. McMahon revealed Owen, a Democrat, and his November running mate, Councilman Edwin Risler, would be named to appointive positions.

Although Owen would not comment on the appointment, he reportedly will replace board member Wendell Ayres, who does not plan to seek reappointment when his term expires in February.

Owen at present is chairman of the Central Jersey area and vice president of the state Federation of Planning Boards.

Appoint Marchitto New Council Member

Frank Marchitto, appointed to serve out the unexpired term of Councilman Walter Wood, took the oath of office Monday noon in the Municipal Building.

Wood stated in his resignation to the Council, that he did not have the time for council duties due to his business demands.

Marchitto, 45, has resided in Edison since 1920. He is a graduate of Piscataway School 3. He resides at 74 Oakland ave.

He started his apprenticeship as an electrician with Local Union 456, International Brotherhood of Electrical Workers in 1936. He attended Middlesex County Vocational School evening classes during his apprenticeship.

He became a journeyman electrician in 1941. In 1942 he enlisted in the Navy Seabees and served with the 85th and 86th Battalions in the Aleutian Islands. After his discharge in 1945 he resumed work with Local 456 and was elected to serve on the

Executive Board the same year.

He was elected Business Manager in June of 1957 and is still serving in that capacity. His hobbies are golfing and wood-working.

Dr. Neil A. McDonald was named council president to serve his fourth term in that office.

Appointments by Mayor Anthony M. Yelencsics and confirmed by the council included: Mrs. Carolyn Doll, Board of Trustees of the Edison Public Library, 3 years; John J. Anderson, Board of Education secretary, 5 years effective Feb. 1; McDonald and Councilman Bernard Dwyer, Board of School Estimate, 1 year; Mrs. Arvleane Petrics and Fred Loeser, Board of Welfare, 1 year and 2 years, respectively; John Zimmerman, Township Engineer, 1 year; William Saley, Planning Board, 6 years, and August Doler, Board of Adjustment, 5 years.

Saley will replace George Morse, who resigned because of business demands.

Mayor Yelencsics thanked the various municipal boards for their services during the past year. He extended his congratulations to Marchitto. The first project of the council for 1961 the mayor said will be a new public library building for the township. He also announced provision will be made in the budget for the purchase of land for a new police headquarters. He also said plans were being made for another firehouse and improvements at the boat basin.

Metuchen Man Heads Conservative Club

GOP Councilmen Assume Office

The Metuchen Borough Council swung to a Republican majority with the installation of new Councilmen John Potts and Timothy Moriarty in Borough Hall Monday. The oath of office was administered by Borough Clerk Rufus Renninger.

Recommended by Mayor Ernest E. McMahon and approved by the council were the following appointments to municipal offices: Leon Semer, borough attorney; W. Franklin Buchanan, borough engineer; Thomas Eosso, superintendent of Public Works; Irving T. Woerner, zoning and

building inspector, and Harold Breen, fire inspector.

The mayor also named James F. Donahue Jr. a councilman and Paul Dzurella to the Local Assistance Board. Donahue's term will be for one year, Dzurella's for four.

Donald Wernik was appointed to the Board of Health for four years, and Dr. Irvine L.H. Kerrison was named to the Library Board for five years.

Another re-appointment was Bernard Belkove for a five-year term on the Zoning Board of Adjustment.

Violation Clerk Post For Joseph Marino

Joseph P. Marino, promoted to the rank of sergeant, will be in charge of the violations bureau in Municipal Court, Mayor Anthony M. Yelencsics announced the promotion, which took effect Sunday.

Marino, who resides at 77 Lakeview Blvd., will succeed Sgt. John Jacob, who is retiring after

32 years on the force, 15 of them as violations clerk. Marino had been assistant violations clerk since February, 1957, and a patrolman since 1954.

He was born in Brooklyn. He is married to the former Lorraine Moertner. They have five children.

Brownie Troop 115 held a Christmas party December 19th for 16 members of their group.

Mr. and Mrs. R. Nuber entertained Mrs. Nuber's mother, Mrs. Robert McNeill for the Christmas holidays.

Mr. and Mrs. Paul Sickles and their son, Bob, of Denville also were guests at the Nuber home.

Mr. and Mrs. Stanley Fleagle were hosts to Mrs. Fleagle's sister and her husband, Mr. and Mrs. John Bellinger of Brentwood, L. I. The Fleagles son, Russell, is making a habit of having his head sewed back together. This time he fell out of bed. Two stitches were required to close the wound.

The P.T.A. Executive Board of Stelton School held a Christmas party at the home of Dr. and Mrs. Robert Steinman, Monday evening, December 19th.

Welcome home from the hospital to Peter Grudzinski of 64 Walnut Street, Pete and his wife have just returned from a rest in Pennsylvania visiting Mrs. Grudzinski's mother. We hope your recuperation is complete, Pete.

House guests at the George Miller's of 61 Walnut St., were Mrs. Miller's brother, Bill, from Washington, D.C. and her mother, Mrs. Lillian Berger of Hammon, N.J. Brother Bill had to extend his stay a little because of the bad traveling weather. The choir of the Stelton Baptist Church held their Christmas Party on December 19th.

Sorry to hear of Ken Pursolt's illness. We are glad he's back home again.

Best wishes for a speedy recovery to two-year-old Rosemary Santoli, and a happy birthday to her too.

My column didn't appear last week because of the rush of the Christmas preparations. I was honored with guests for Christmas Eve and Christmas morning too. They were my brother, Joe and his wife, Connie, and their

two children, Marilyn and Joey, along with my mother and father, Mr. and Mrs. Joseph W. Nagy. We had a very wonderful Christmas.

For the New Year Weekend, my husband and I attended a celebration at Raritan Engine Company No. 1, House 1. The party was preceded by a dinner party at Howard Johnson's with friends Doris and Bill Weissenborn. Right about now I'm tired.

Newlyweds Return From 3-Week Trip

A twenty-inch snow storm welcoming Captain and Mrs. Francis R. Sahn back to Camp Kilmer was the climax of the couple's three week honeymoon in the south.

After a military wedding at the Post Chapel, performed by the Rev. William M. Twiddy of the Centenary Methodist Church, Metuchen, and a reception at the Camp Kilmer Officers' Open Mess, the newlyweds spent a week in New Orleans and two weeks in St. Petersburg, Florida.

Mrs. Sahn is the former Shirley Lorraine Woody of Edison, Captain Sahn is a native of Lakeland, Florida.

While on their trip, Captain Sahn and his bride visited Mr. and Mrs. Orion Hall in St. Petersburg. Mr. Hall is a World War II friend of Captain Sahn. Captain Sahn, an Army career officer, is the Assistant Intelligence Officer of the II United States Army Corps, with headquarters at Camp Kilmer.

The Sahms will take up residence at the Post soon after the first of the year.

Two Area Students Make Dean's List

Two area residents have been selected for the Dean's List of the Rutgers University of Arts and Sciences, Dean Harry G. Owen has announced.

Collectors desiring first day cancellations of the 4 cent Henry Credo stamp may send addressed envelopes, together with remittance to cover the cost of the stamps to be affixed, to the Postmaster, Richmond 19, Va. At close-fitting enclosure of postal card thickness should be placed in each envelope and the flap either turned in or sealed. The envelope should be endorsed "First day cover 4 cent Henry Credo Stamp. Orders for covers must not include requests for uncanceled stamps.

The stamp will be available at local post offices on January 12.

The new 15 cent International Air Mail Stamp to be first placed on sale at Buffalo, New York, on January 13, was redesigned to conform to the 10 and 25 cent denominations, with a vertical gutter between the pictorial portion and the value tablet to aid in the printing on the Giori

presses. The Statue of Liberty, the wording "Liberty For All", and the airplane silhouette will be printed in black, and the lettering "U.S. Air Mail" and the denominations "15" will be orange.

Collectors desiring first day cancellations of the redesigned 15 cent International Air Mail stamp may send addressed envelopes, and remittance to cover the cost of the stamps to be affixed, to the Postmaster, Buffalo, 5, New York. Envelopes submitted should be of ordinary letter size and each must be properly addressed. The envelope to the Postmaster should be endorsed "First Day Covers 15 cent Air Mail Stamp. Orders for covers must not include requests for uncanceled stamps. The 15 cent Air Mail first day cover requests must be postmarked before midnight January 8, 1961.

The 11/4 "Palace of the Governors" regular postage stamp in sheet and coil form; the 11/4 cent embossed envelope; the 21/2 cent "Bunker Hill" regular postage stamp in sheet and coil form, and the 21/2 cent embossed envelope—all six items in pre-cancelled form—was removed from sale in Washington Agency on Dec. 31st.

Congratulations

Westinghouse Supervisor, Carroll Avitable, (center) and Division Manager, O.H. Yoxsimer, (left) admire 25-year service award presented to Mr. Avitable by his immediate supervisor, Quality Control Manager, C.A. White.

Honor Employees For Service

At a special luncheon held Friday at the Westinghouse Television-Radio Division plant in Edison, Division employee Carroll Avitable was honored on the 25th anniversary of his employment with the Company.

Mr. Avitable, Supervisor of the Incoming Inspection Department, was presented with a sterling silver tie clasp by C. A. White, Manager of Quality Control.

A native of Vermont, Mr. Avitable, who now resides at 1414 Field Avenue, South Plainfield, began his Westinghouse career at the Company's East Springfield, Massachusetts plant in 1935, as a tester. Shortly thereafter he was transferred to

the Westinghouse plant in Chicopee Falls, Massachusetts, and two years later he moved to the Radio Division, at that time located in Baltimore, where he became an inspection supervisor in 1941.

A year later Mr. Avitable was transferred to the Sunbury, Pennsylvania plant, where he remained until he moved with the Television-Radio Division to its present location in 1952.

Other employees honored for Company service include: Ten years of service, Thomas Davis, 42 Weldon Road, Washington Park, and Five years of service, Floyd Zawacki, 115 Oakland Avenue, Nixon.

Events in Edison

The Edison Times will publish every week in the Events in Edison column all notices of meetings and special affairs to take place within two weeks from the date of publication. All items for this column must be written and sent to this office, 1036 Amboy Ave., Ford, N.J., by Friday before the date of publication. There will be no charge.

Edison Fourth In County Meet

Edison High School's young wrestlers finished a close fourth in the Middlesex County Invitational Wrestling Tournament Championship last Thursday night.

Five schools participated including East Brunswick,

Piscataway, Perth Amboy, and Sayreville, East Brunswick was declared the winner as a referee's decision in the final contest between East Brunswick and Piscataway's heavyweights. These three points enabled the host school to nose out Piscataway by just one point.

Five points separated the first four schools. Edison with 23, came within one point of tying last year's winner, Perth Amboy. East Brunswick had 28, Piscataway 27, Perth Amboy 24, Edison 23, and Sayreville finished fifth with 11 tallies.

The Eagles didn't break into the scoring column until Steve Povalac, a freshman, bested his opponent from Piscataway in the 135 lb. division. Getting the feel of things, Edison proceeded to sweep the next three classes to make it a solid four-in-a-row. George Yunker decisioned Knight, also from Piscataway, 8-2 in the 140 lb. class. Captain Richie Sivertson decisioned Emmonds from East Brunswick, 6-0 in the 147 lb. class. Junior

Gary Needham closed out the scoring for the Eagles by beating Bernatti of Piscataway in the 156 lb. class, 15-11.

Although his team did not win, Coach Loysen has a lot to be optimistic about. His team came within five points of a big victory and, in accomplishing this, they fell only one point short of tying last year's experienced victor. Of the four boys that reached the finals, THREE of them are underclassmen. This is certainly something to look forward to. And, of course, he won't forget the pride he felt as he watched his team stomp Sayreville last week in their big opener.

Edison Revises 1961 Schedule

Edison High School has revised the schedule for the 1961 football season.

The change occurs in the first two games. Instead of playing the first game with the Indians from Piscataway, Edison will find itself playing host to Bridge-water Township. The second game of the year, originally scheduled with Trenton High School will now be played with Somerville.

Two more changes are expected to unfold before the 1962 campaign gets underway. As yet, however, no definite arrangements have been disclosed. As one might guess, Edison is trying to strengthen its schedule as much as possible.

Edison has also severed basketball relations with the Trenton Tornadoes. Therefore, the second game with Trenton that was originally slated for the 24th of February, will most likely be switched to a make-up game with Highland Park.

Registration Open For Spring Term

Registration for spring term evening courses begins tomorrow at Rutgers University for the new term which gets underway January 30.

Beginning students, who complete their registration and file their high school record by January 20, may apply for work towards a Bachelor of Arts or Science degree, according to Miss Osie Labaw, registrar of the New Brunswick Division of Rutgers University College, the evening division.

Those applying for evening degree courses should register at 77 Hamilton Street through Jan-

uary 27 from 1:30 to 4:00 and 6:00 to 9:00 p.m. Those interested in the adult nondegree courses should register at 35 College Avenue from Jan. 9-13, 1:30 to 4:00 and 6:00 to 8:10 p.m.; Jan. 16-20, 1:30 to 4:00 and 6:00 to 9:00 p.m.; and from Jan. 23-27, 1:30 to 4:00 and 6:30 to 9:00 p.m.

FIREMEN'S PARTY

William Borwegen was the chairman of a New Year's Eve party sponsored by Raritan Engine Co. 1 in the Plainfield Ave. firehouse.

More than 120 persons participated in the dancing and supper. The other members of the committee were James Colletto, Robert Borwegen, Muzzle Colletto and Harold McGorvin.

Pet Forum

by Roy Gibbs
& Bruce Jensen

Dogs come in all shapes and sizes, from the tiny Chihuahuas to the huge Saint Bernards, the choice is yours.

However, there are a few things to take into consideration when choosing a dog.

First, you must decide on the amount of room you have, generally speaking, small dogs are better for an apartment while large dogs should have room to run.

Second, the cost of upkeep, that is feeding and in the case of French Poodles, professional clipping.

Third, the amount of grooming time you are willing to give. Long haired breeds require more combing and brushing to keep them looking well than the short hair varieties.

Always procure your dog from a reliable source. Have him examined by a veterinarian at once and get the shots he requires.

When you get him home, remember that he is a baby.

There is one basic rule to follow and that is to praise him when he does right and scold him when he does wrong. You must be patient, consistent and firm at all times.

Habits are easily formed and something which is cute in a puppy may be annoying, to say the least, in an older dog. He will be a member of your family for a long time. Dogs live from ten to twenty years depending on size and breed. Don't expect too much of a very young puppy.

Under three months, be satisfied with the essential housebreaking, don't browbeat your dog.

Be careful when you choose him.

Be careful when you train him, and he will be your good friend for life.

Optimistic Report From Westinghouse

Mark W. Cresap, Jr., president of Westinghouse Electric Corp., has issued an optimistic year-end statement, citing the continued progress made during 1960.

He reports billings in 1961 are expected to show an increase for the fourth consecutive year, but the challenge to management — as in most industry during 1961 — will continue to be intense cost-price pressure on profits.

With 1960 sales expected to slightly exceed last year's \$1,910,000,000, the Westinghouse backlog of new orders has held steady — thus paralleling the experience of the electrical industry for the year. From this base, Westinghouse 1961 sales should show improvement over the past year, but are not expected to equal the \$2,009,000,000 record sales of 1957.

A decline in prices for appliances and most electrical equipment, coupled with an increase in labor and material costs, has greatly intensified the pressure on earnings. This adverse effect will be evident in the fourth quarter of 1960 and will extend into 1961, although improvement is anticipated in the second half.

Effort to ease the continuing profit squeeze will include increased research activity to accelerate the development and marketing of new products, as well as greater capital expenditures to improve operating efficiency.

Capital expenditures are expected to increase for the third consecutive year, to between \$60 and \$65 million, with heavy emphasis on plant improvement programs and other cost-reduction measures.

EXTRA SEAT FOR MIDDLESEX?

Population Shifts Could Lead To Sharp Changes in Assembly

TRENTON (AP)—Preliminary census figures for New Jersey give the state Senate a chance to approve sharp and unexpected shifts in county voting power in the Assembly.

Under a proposed constitutional amendment passed by the Assembly May 9, the new census figures would give Bergen, Middlesex and Morris counties Assembly seats they did not expect to receive.

Essex and Hudson counties would lose more seats than they expected.

The amendment, which requires three-fifths vote of approval in the Senate to go on the Nov. 8 general election ballot, would enlarge the Assembly from 60 seats to 67. It would require the secretary of state to apportion the seats among the 21 counties starting with the 1961 election.

Adjourned Until Sept. 12

The Senate adjourned to Sept. 12 before the census figures were available.

On the basis of population before the census, Hudson and Essex counties were expected to lose only one seat each. Bergen, Monmouth and Union counties were to get two added seats each and Camden, Middlesex and Burlington were to get one added seat each.

The census proved the estimates to be off the mark in some cases. A legislative staff researcher used the mathematical formula in the proposed amendment and came up with a different shift in Assembly seats.

His calculations showed Essex and Hudson would lose two seats each, not one.

Bergen would gain three seats, not two.

Middlesex would gain two seats, not one.

Morris would gain one seat, instead of remaining the same.

Union would get only one added seat, not two.

Monmouth would still get two added seats and Burlington and Camden one added seat each.

The possible new lineup in the Assembly would mean a tremendous increase in voting power for Bergen County.

It now has six seats, only half as many as Essex. The proposed amendment would give the two counties almost equal voting power. Essex would still have the largest delegation, with 10 seats, but Bergen would be right behind it with 9 members.

And instead of having three seats less than Hudson, Bergen would have a two-seat edge on it.

Counties now solidly Republican in the Assembly—Bergen, Monmouth and Morris—would have a net gain of six seats in the 1962 Legislature if the amendment were approved by the Senate and the voters. Counties now solidly Democratic—Burlington, Camden, Hudson and Middlesex—would have a net gain of two seats. Counties with split delegations—Essex and Union—would

have a net loss of one seat each, diminish the representation of small counties entitled to only one seat each.

Action Blocked

Despite the requirement in the state Constitution for reapportionment after every federal census, Essex and Hudson have blocked all efforts in the Assembly since 1951 until this year. They allowed the 67-seat measure to pass in the belief it would hurt them less than other proposals which had support.

The Senate has turned a cold shoulder to the idea of enlarging the Assembly on grounds it would

The census figures for the 21 counties in the state are:

County	1950	1960
Atlantic	132,399	161,067
Bergen	539,139	777,682
Burlington	135,910	224,209

diminish the representation of small counties entitled to only one seat each.

Instead, it passed a perennial proposal using a different mathematical formula and based on the 60-seat house. The effects of the Senate measure are unchanged by the census figures. Hudson and Essex would each lose three seats and one seat each would be added to delegations from Bergen, Burlington, Camden, Middlesex, Monmouth and Union counties.

Wants House Seat for County

David T. Wilentz, Democratic national committeeman from New Jersey, says that if the state gets a 15th congressional district in next year's reapportionment, it should go to Middlesex County.

One of the more solid Democratic counties, Middlesex is represented in Congress by two Republicans because it is split into the Third and Fifth Congressional Districts.

Wilentz says dividing Middlesex County was a gerrymandering tactic engineered by the GOP 30 years ago.

Prior to the division Middlesex invariably was represented by a Democrat, Wilentz contends.

Under the 1960 census, on which representation in Congress is based, Middlesex had the biggest population jump of any county in the state—264,872 to 432,282—Wilentz noted. He insists it is entitled to separate representation as the 15th Congressional District.

Cinch for GOP

The preliminary census figures now indicate that the Third District, as it is now constituted, will have a population of 611,000. It is represented by Rep. James C. Auchincloss (R).

And Rep. Peter Frelinghuysen's district, the Fifth, will have a population of 738,318. It has been represented a great many years by Republican congressmen. The late Charles Eaton held sway in the district for a decade or more.

Northern Middlesex is attached to Somerset and Morris counties in the Fifth while the county south of the Raritan River is part of the Third along with Monmouth and Ocean.

The preliminary United States Census total indicated that New Jersey will probably gain one congressman.

"Maybe the Republicans in Monmouth and Ocean would be glad to get rid of us," Wilentz commented. "As it is now, we're chopped up in pieces."

He said the Republicans have "their own" one-county district—the Sixth covering Union County represented by Mrs. Florence P. Dwyer.

Congressman-at-Large?

If the Legislature cannot agree on the tricky problem of realignment the congressional district borders, the extra seat would go to a congressman-at-large, elected by the entire state.

Connecticut, Texas and a few other states have this arrangement. But politicians are not anxious to be forced into a statewide campaign for the seat every two years.

Sen. John A. Lynch (D-Middlesex), in his campaign for reelection, deplores that the county had been cut "down the center" in setting off the Third and Fifth Districts.

He had planned to offer a bill in the Legislature to realign the congressional districts but gave up when the Democrats fell short by one vote of electing a majority in the Senate.

Lynch explained it would have been useless to offer the measure because the Republicans had the votes and they would defeat the move.

However, he said he would seek to get "fair treatment" for Middlesex when the Legislature tackles the reapportionment problem next year.

What Is Cost of Boro Schools? Here Are Some Answers

How much did it cost to educate one youngster in Metuchen's public schools last year? How do the borough's costs compare with other districts in the state?

Graphic answers to these questions have been provided by the New Jersey School Development Council in a survey on school finances in 51 New Jersey districts.

According to the Council, Metuchen's cost per pupil for the 1959-60 school year was \$382.61—far below the average of other districts surveyed.

IN THE 51 DISTRICTS SELECTED BY THE Development Council, the cost per pupil ranged from a high of \$783.65 to a low of \$189.53. Metuchen ranked 42nd.

The mean for the 51 districts was slightly over

\$486, more than \$100 per pupil higher than in Metuchen. The Development Council, in its report to Metuchen Superintendent Warren Butler, kept the other 50 districts anonymous, identifying them only by number.

The per pupil cost was determined by using the total funds spent by the school system last year, excluding the cost of food services, capital outlay and debt service. This total (\$1,093,620) was divided by 2858.3, the average daily enrollment for the year in Metuchen.

IN ALL PHASES OF THE SURVEY, METUCHEN ranked low—in most cases in the lower half of the districts surveyed.

The borough ranked 30th in teachers' salaries with a cost per pupil of \$254.10. The range in this

category was from \$395.87 to \$86.73.

Administration salaries cost Metuchen \$13.07 per pupil and principals' salaries were averaged at \$14.69 per pupil. In the survey, administration salaries ranged from \$48.69 to \$4.34, with Metuchen ranking 31st, and the principals' salary spread was from \$39.68 per pupil to \$4.57, with Metuchen 38th.

ONE OF THE BOROUGH'S HIGHEST RANKINGS was in the expenditure for textbooks, figured at \$5.76 per pupil locally to give Metuchen 20th place in the survey. The spread on this item, however, was from a high of \$16.85 to a low of \$2.90 per pupil.

Although debt service is not included in the school operation costs, the survey showed Metuchen spent \$73.42 per pupil in bond retirement last year to rank 15th among the 51 districts.

In noting the debt service figure, however, Superintendent Butler quoted Dr. Paul Moore of Columbia University, a recognized authority on school financing, who believes a high correlation exists between high debt service and a quality school system.

In capital outlay last year, Metuchen spent \$41,085, or \$14.38 per pupil to rank 33rd among the districts surveyed.

BASED ON ITS TOTAL EXPENDITURES LAST year of \$1,357,068, including the food service, capital expenditure and bond retirement items, Metuchen's per pupil cost was \$474.78, or 43rd in the 51 districts.

The report also noted that in the average New Jersey school district, 61 cents of every tax dollar is being used for school purposes compared with 51.3 cents in Metuchen.

Edison Teachers' Raise Is Probable

The Edison Board of Education reportedly is favorably considering a request by the Edison Teachers' Association for a \$200 across-the-board increase in the salary guide.

Superintendent Joseph Ruggieri said Edison must consider the scales of comparable nearby school districts in making its decision "because we are in a competitive market for teachers."

"It looks like everybody is going along with a \$200 increase this year," Ruggieri said.

THE TEACHERS ALSO ARE asking that the difference between the bachelor's and master's guide be increased to \$300 at each step from the present \$200. Ruggieri described the request as "reasonable."

If adopted, the teachers' proposal would increase the starting salary to \$4,600 for instructors with bachelor's degrees and \$4,800 for master's degrees. Maximums would be raised to \$7,600 and \$7,900 after 15 and 16 years, respectively.

Requests by the teachers for fringe benefits, including group hospitalization insurance, are still under consideration. Board members have met with township officials to discuss the possibility of providing hospitalization for some municipal employees.

THE BOARD, AS YET, HAS made no decision to include additional funds in next year's budget to provide bus transportation for certain children within the two-mile radius of school buildings, Ruggieri said.

The board is not entitled to state reimbursement for youngsters within the two-mile limit.

Residents of Fifth avenue in the Oak Tree section have asked the board to allow their children to ride the bus to Oak Tree School, although they are just under the two-mile limit.

The parents cited the hazard (See TEACHERS Page Two)

Costs, Salaries Above U. S. Average

The cost per pupil of the average U. S. school district, according to a recent article in the magazine "Changing Times," is \$292. The average U. S. teacher's salary is \$5,144 and the average U. S. school has 24.2 pupils per teacher.

Using the same criteria (all costs except debt service, capital outlay, pupil transportation and tuition paid to other districts) Metuchen's cost per pupil for 1959-60 was \$389.91.

The borough's average teacher's salary is \$5,964 and the Metuchen pupil-teacher ratio is 21.1. Here are some other comparison figures:

	Cost Per Pupil	Average Teacher Salary	Pupil Teacher Ratio
Average U. S. District	\$292	\$5,144	24.2
Average of top 10 percent of U. S. school districts	\$431	\$6,674	20.3
Average of top 10 percent in N. Y., N. J., Pa.	\$557	\$6,961	18.4
Median of 62 suburban towns	\$683	\$6,587	17.0
METUCHEN	\$389.91	\$5,964	21.1

Assessors Ask It Be Dropped

Tax On Personal Property May Die Under New Law

The household personal property tax, long a thorn in the sides of taxpayers and collectors alike, soon may be abolished in Metuchen and Edison under the revised state tax law passed last year.

Effective since 1959 in accordance with the state general property tax law, the personal property assessment has been variously described as a nuisance, discriminatory, unworkable and costly.

Tax collectors and assessors in both Metuchen and Edison told The Recorder they will take advantage of the new law to recommend that the Borough and Township Councils abolish the tax.

ACCORDING TO ONE LOCAL assessor, the state is apparently attempting to discourage municipalities from using the personal property tax by its new law.

The tax is being kept formally alive, he believes, for the

benefit of those communities where the number of owners is great and value of property as low that real estate taxes will not support the schools. This is not the case, he says, either in Metuchen or Edison.

At present, the personal property tax in Edison is levied on apartment house owners who reside on the premises. It is figured at 10 percent of the assessed valuation of the house. Renters are not taxed.

An ordinance requiring a moving permit before leaving Edison was enacted last year to enable the township to levy the tax against tenants, but this is not being enforced.

IN METUCHEN, THE personal property tax also is based on the assessed valuation of real property but levied in a different manner. Joseph Marra, borough tax assessor who drafted the system, says it is based on the premise that the larger the

house, the more personal property it will hold.

On any house in the borough assessed up to \$15,000, the personal property tax is \$200. For each additional \$1,500 of assessed valuation on the structure, the personal property tax goes up \$10.

Considering the automatic \$100 state exemption, the highest personal property tax in Metuchen is \$800. With the present tax rate of \$14.39 per \$100 of assessed valuation, the most anyone pays now is \$72.85, according to Marra.

IN THE CASE OF TENANTS, Metuchen has made an attempt to standardize valuations. Renters in Jefferson Park are taxed at a valuation of \$500; in Redfield Village at \$600.

However, Marra added, enforcement of the tax on renters is unfeasible. To adequately enforce the tax, he believes, would require a full-time assessor, clerical help and a car.

It would cost the borough, Marra estimates, an additional \$20,000 a year. A competent full-time assessor could not be obtained for less than \$12,000, he said.

AS DIFFICULT AS THE present system is, the complexities will increase when the new law goes into effect. According to Mrs. Elbel Vahnel of the Middlesex County Board of Taxation, special clauses will be needed to instruct assessors in administering the new legislation.

Personal property taxes, under the new law, must be standardized throughout the state. They will be set at the bulk real estate value of all household property.

How this figure will be determined without a costly house-to-house study has not yet been decided.

IN ADDITION, THE personal property tax will no longer be included on the real estate tax bill, as is now done in Edison and Metuchen. Personal property taxes must be billed and collected separately.

Most objectionable to the taxpayer, however, probably will be the elimination of the \$100 exemption under the new law. For once it would appear, Marra believes, that economy and efficiency will best be served by eliminating a tax.

Edison Presents Plans For 100-Unit Housing

The Edison Housing Authority this week presented to the federal government detailed plans for a 100-apartment low cost housing project. The government has already agreed to contribute \$1,663,242 which will include planning and administrative overhead as well as construction costs.

Seventy of the apartments will be built on a tract slightly more than six acres

that the Housing Authority is in the process of buying in the Bonhamtown section of Edison on Avenue C. The area is near South Main street between Route 1 and Woodbridge avenue.

The other 30 apartments will be built as an extension of the North Edison Garden housing project. The Housing Authority is also buying properties to clear a 7-acre tract for redevelopment in North Edison west of Edward avenue. This area, which has been declared blighted, now contains, in addition to a number of homes, two churches and a community center.

OFFICIALS OF THE HOUSING Authority have now reached an agreement with the congregation of the Mount Zion Church on Virginia avenue and Lincoln place on a sale price. Edison Township has agreed to make available some property adjacent to the redevelopment project on which a new church can be built. Negotiations are also in progress with representatives of the Mount Pleasant Baptist Church and a meeting will be held toward the end of this week to discuss relocation.

The community center owned by the North Edison Civic Improvement Club will also be affected by the redevelopment and plans are being made to find a new site for the center.

WHEN THE BONHAMTOWN housing project is completed, the central offices of the Edison Housing Authority will be moved there from North Edison Garden. Mrs. Patricia Hooley, executive director, said the change will provide a more central location for the authority offices.

Fifty of the 76 apartments in the Bonhamtown facility will be reserved for male heads of households over 35 years of age and for single women or widows over 62. This will be the first housing project for the elderly in Edison.

The Bonhamtown project will include 11 buildings of frame and brick built along a horseshoe-shaped road and will have sufficient off-street parking to provide one space per family. The (See EDISON Page Two)

Harmony Supreme!

"It is the first time in five years there hasn't been a question raised," said an amazed Dr. Ralph Brancale, president of the Metuchen School Board, as a tentative 1961-62 budget of \$1,508,507 was unanimously adopted Tuesday night.

The only comment from the audience came from Richard Hess of the Metuchen Taxpayers' Association who said, "I'm happy with it."

The budget will reduce the school tax rate five points, through the use of \$28,562 in surplus funds. It will come up for formal adoption at a special meeting January 24.

Jefferson Residents Get Official Apology

In response to letters to the editor of The Recorder and a reported deluge of written and telephoned complaints to the office of the Jefferson Park Homes concerning poor snow removal following the December 11-12 blizzard, the Presidential Management Corporation last week delivered letters of explanation and apology to all apartments in the Metuchen project.

THE LETTERS, SIGNED BY Manuel Shapiro, Jefferson Park general manager, referred to "angry letters" and "unhappy comments" about the poor snow removal job . . . by the Borough of Metuchen and the management of Jefferson Park Homes.

"Obviously we cannot speak for the Borough of Metuchen," the letter stated. "For ourselves, we would like to do some explaining without in the slightest trying to indicate that a proper snow removal job was done."

The letter from Shapiro stated that the development was prepared for normal winter conditions, but "suddenly the storm came, dropping more snow in a shorter period of time and accompanied by more cold during (See JEFFERSON Page Two)

Depict Growth in Israel

A program highlighting the cultural growth of Israel is being planned for January 24 by the Metuchen Chapter of Hadassah.

Entitled "Israel Fair," the program is scheduled for 9 p.m. at the Metuchen Jewish Community Center. Mrs. Earl Feder is general chairman.

The "Face of Israel" an exhibit will be on display, as well as articles donated by the Israeli Consulate, the Israel Trade Commission and the United Israeli Appeal.

Objects donated by persons in the community, highlighting the cultural progress of the new nation, also will be shown. The fair will be open to the public.

. . . And March of Dimes Won

THE STUDENTS—A more conventional attire may have been the reason the MHS coeds came out on the long end of the score in baskets, but on the short end in laughs in Monday's fray. The student squad included (from left) Kathy Pick, Patty Langmaack, Janet Brancale, Veronica Herman, Cathy Dickson, Sheila Messer and Louise Grabenstein. The official winner of the hectic contest, however, was the March of Dimes for which more than \$300 was collected.

and after the storm, than in many, many years.

"AT AN EARLY POINT during the storm some of our equipment started to fall due to weather and weight of snow. We attempted to hire more men and equipment without success because everyone, including cities, towns, boroughs, industry, etc. were competing for manpower and equipment," the letter continued. It was concluded with an apology for "inconveniences caused."

Edison

(Continued from Page One)
apartments will be of the two-story garden type.

RICKER AND AXE, A HUDSON county firm, is the architect for the project and the Edison housing officials hope to be able to advertise for bids in May. Both the Bonhamtown and North Edison Gardens apartments will be let as a single contract.

The 36 North Edison Garden apartments will have three, four or five bedrooms to take care of larger families. The existing

apartments in this project have 1-4 bedrooms with the majority of them either two- or three-bedrooms.

All 50 of the Bonhamtown apartments for the elderly will be single bedroom type although two will have a living room that can be converted into a second bedroom.

RENTS WILL BE BASED ON the size of the family and family income but will be approximately 20 per cent lower than comparable commercial apartments, Mrs. Hooley said. Rent will be about 20 per cent of family income after allowable deductions.

More brick will be used in the Bonhamtown project than in the North Edison Gardens, although the colored wood panels which are a feature of the North Edison Gardens construction also will be used in Bonhamtown.

THE 77-ACRE REDEVELOPMENT in North Edison for which the Housing Authority is buying property will be cleared, street improvements will be made and the colored wood panels which are a feature of the North Edison Gardens construction also will be used in Bonhamtown.

The area, near Inman avenue,

will include light industrial, commercial and residential zones as well as a park. The Authority has already bought about 25 percent of the privately-owned properties on the 77 acres and within the next 60 days will take title to the township-owned land which will account for an additional 25 to 30 percent.

Two-thirds of the cost of the development will be paid by the federal government and one-third by the township. However, the township will provide roads, a sewage treatment plant and James Madison Elementary school which has already been built.

NO DEVELOPER FOR THE tract has been selected although the Housing Authority is negotiating with several and hopes a contract will be signed with some developer by mid-summer, Mrs. Hooley reports.

A second redevelopment project of more than 95 acres is in the planning stage. This tract will be immediately adjacent to the 77-acre tract and Edward avenue will be their common boundary.

After plans are in a more advanced stage, the Housing Authority will present an application to the federal government for a grant and loan to further the project.

ACCORDING TO THE PRESENT plans, this area will be primarily residential but the type and cost of the housing will not be decided upon until market studies now being made by Saunders, Kahn Associates of New York has been completed.

The market research firm will determine what type of housing will best fit the needs of the area, according to Mrs. Hooley.

Yelencsics Wants To 'Finish Jobs' In Second Term

Edison Mayor Anthony Yelencsics said this week he has decided to seek a second term "to complete many of the projects I've started during my first four years."

"Anybody who serves one term isn't given enough time to do the things he wants to do," Yelencsics said, as he announced he will be a candidate for reelection on the Democratic ticket this year.

His second term, if he wins it, will very likely be his last, the mayor revealed.

"I don't think I'll go past a second term. If I'm lucky enough to get one," Yelencsics told The Recorder. "Two terms in the same office are enough for any man."

AMONG THE PROJECTS started during his administration which the mayor "would like to see completed," he lists a new police station, a central townships library, a new firehouse, an expanded municipal garage, a municipal boat basin and a multi-million dollar school building program.

Most of these are still in the planning stage. Land has been acquired for public library adjacent to Jefferson Junior High on Plainfield avenue and discussions have been held concerning construction of a police headquarters off Route 27 on a tract adjacent to the W. T. Grant Co. warehouse.

Yelencsics, proprietor of Boro Motors in Metuchen, was elected in 1957 as the first mayor under Edison's reorganized mayor-council form of government. He defeated his brother-in-law, Republican Thomas Swales.

A LIFE RESIDENT of the Bonhamtown section of the township, Yelencsics is also vice president of the Edison Bank past president of the Metuchen Lions Club and a member of the Metuchen Elks, Edison Moose and Metuchen Exchange Clubs. He is now serving as Edison's Democratic municipal chairman.

Yelencsics is expected to be unopposed at the April primary. There has been no word from the township Republican camp as to whether a challenge is being made. Dr. A. B. "Josh" Billings, GOP municipal chairman, had been mentioned as a potential challenger until he announced last week he is moving to Delaware after the primary.

The only other formal declaration of candidacy to date has come from J. A. Friend, a Republican hopeful for one of the three council seats to be filled this year.

PAINTING OF 'NONSENSE'—Adams Garrett (right), art teacher at Franklin Junior High School, discusses his painting "The Politicians" with David L. Yunik, president of Bamberger's New Jersey at the opening of the store's annual show. The painting, one of two to win top "purchase awards" in a store-sponsored competition, is Garrett's interpretation of "that nonsense" that went on at the two national political conventions last year.

Junior High Art Teacher Paints Salable 'Nonsense'

By HELEN KILKINTON
Recorder Staff Writer

"A terrific force . . . a giant pattern of banners and movement and confusion . . . masses of people."

These are the things Adams Garrett saw as he sat in front of his television set during the 1960 national political conventions in Los Angeles and Chicago.

These are the things he later put down on canvas, the result being his award-winning oil painting "The Politicians."

Garrett, whose very person makes one think of the artist and vigor displayed in his painting, is the quick-thinking, always-moving art teacher at Franklin Junior High School.

He also teaches creative painting in the Metuchen Adult Education program and does occupational therapy work at Roosevelt Hospital.

IN COMPETITION with approximately 250 paintings, "The Politicians" has just been named for one of two top "purchase awards" by Bamberger's New Jersey.

MAIN STREET OF THE FUTURE — AS ENVISIONED BY THE BOARD OF REVIEW

Idea of Tree-Lined Main Street Brings Mixed Reaction in Boro

A mixed reaction was expressed in Metuchen this week to the prospect of lining the sidewalks of downtown Main street with shade trees, as proposed by the Borough Board of Review.

The secretary of the Shade Tree Commission said "it would be very costly" . . . the president of the Metuchen Garden Club said "it sounds very nice if it can be done" . . . a downtown merchant asked, "would it bring any more customers to Main street?"

The proposal was advanced by

Martin D. Jessen, chairman of the Board of Review, in a report to the Borough Council this week.

He suggested that trees be planted on both sides of Main street, from the Pennsylvania Railroad to Middlesex avenue, to "soften the harsh line of the street and dispel that western cow town look."

"On a hot summer day," Jessen said, "one almost expects Hoot Gibson to ride up in a cloud of dust." The report recommends that several varieties of trees be planted to avoid wholesale loss due to blight

and to give a varied pattern to the street, especially during the fall.

However, Henry Bruno, secretary of the Shade Tree Commission, said the commission had been considering the same idea but rejected it for several reasons, primarily the expense involved.

The cost of the project, according to Bruno, would be about \$160 a tree, or approximately \$8,000 for the entire project. This figure includes breaking through the sidewalk, excavating and planting.

Another factor, Bruno said, is the

Dems Considering Metzger, McDonald

Middlesex County Democratic leaders will meet next week to discuss the possibility of supporting a Middlesex Democrat for the party's gubernatorial nomination, according to David Wilentz of Perth Amboy, national committeeman and key figure in state Democratic circles.

Mentioned by Wilentz as "worthy of consideration" for the nomination were Metuchen's Karl Metzger, director of the county Board of Freeholders, and Dr. Neil McDonald, president of the Edison Township Council.

Wilentz also cited State Senator John Lynch of New Brunswick and Secretary of State Ed Patten of Perth Amboy as possible candidates.

BEFORE ANY CANDIDATE can be endorsed, however, Wilentz said the Democratic leadership must first determine the advisability of placing a Middlesex County hat in the ring at all.

"I do not believe in endorsing a candidate merely because he is geographically expedient," he said. "There are many other considerations to be taken into account. These are all good men and I would want to be sure they had a chance before encouraging them to run."

Metzger, a former mayor of Metuchen, was elected to his second term on the Board of Freeholders last November, leading the Democratic ticket in the county.

COMMENTING ON HIS POSSIBLE gubernatorial candidacy, Metzger said, "It's most flattering but highly unlikely."

PTA Endorses Budget

The executive board of the Metuchen High PTA has gone on record unanimously supporting the proposed 1961-62 Metuchen school budget, it was announced last week at a meeting in the school.

The budget of \$1,508,507 will be voted on by Metuchen citizens at the school election February 14. The PTA has scheduled its annual card party for next Wednesday at 8 p.m. in the school cafeteria. Tickets will be available at the door.

CC Elects 6 Directors

Six persons were elected to three-year terms on the board of directors of the Metuchen Chamber of Commerce at meetings held recently. They will begin their new terms on Tuesday when the board meets to elect officers for 1961.

The Professional and Service Division has elected William Eschling, local attorney, and Dorothy DeLuca, realtor, representing the Industrial Division will be Eugene Cook of the Lorraine Oil Co. and Helen Huseman of the Elizabethtown Consolidated Gas Co.

Named by the Retail Division were Herman Zula of Morris Stores and Richard Hecht of Metuchen Hardware.

At a meeting Tuesday, the Professional Service and Industrial Division heard Edward Jarvis of the Tel-Hughes Co.'s local plant discuss the toothbrush industry.

Tryouts Set For 'Rainbow'

Auditions will be held tonight for the Greta Players' forthcoming production of "Finian's Rainbow." Tryouts will be held in St. Luke's Parish House on Oak avenue at 8 p.m.

According to Mrs. Greta Frankel, spokesman for the Players, anyone wishing to participate in the production is invited to audition. Parts are available for both children and adults.

Also needed, Mrs. Frankel added, are people interested in working backstage on scenery, costumes and lighting.

Named by the Retail Division were Herman Zula of Morris Stores and Richard Hecht of Metuchen Hardware.

At a meeting Tuesday, the Professional Service and Industrial Division heard Edward Jarvis of the Tel-Hughes Co.'s local plant discuss the toothbrush industry.

Split Sessions At Oak Tree? —'Not Likely'

The expanding population of the North Edison area, causing a burgeoning enrollment at the Oak Tree Elementary School, is resulting in expressed concern by Oak Tree parents that their school may be the next to go on double sessions. A special committee has been appointed by the Oak Tree PTA to survey the population trends in the area and determine the future school needs.

Mrs. Fred Henric of 11 David court, Stephenville, a spokesman for the committee, said, "We have already gathered enough material to show that a new school is needed in this area as soon as possible."

EDISON SCHOOL OFFICIALS this week reassured the parents, however, that as things now stand double sessions are not anticipated at Oak Tree this fall. Assistant Superintendent Richard Jago said the school administration hopes that all elementary school double sessions can be eliminated in September.

"As we see it now, there will be no need for double sessions at Oak Tree in September," Jago said. He admits that the three elementary schools now being built will provide no direct relief to the North Edison area but "we don't see the Oak Tree School being filled to the capacity" (See SESSIONS Page Two)

Shade Tree Battle Won By Borough

The Borough Shade Tree Commission has won its battle to keep trees along the southern end of Main street—but they won't be the same trees.

The State Highway Department has agreed to "reimburse" Metuchen with a dozen 24-inch diameter red oaks, in compensation for the six oaks and sycamores which will be destroyed in construction of the new east-west freeway.

The present trees, on Main between Cedar and McPherson streets, are 35 to 40 years old, described as "in their prime" by Henry Bruno, secretary of the commission. They are in the path of a temporary road to be laid during the freeway construction.

BRUNO HAD ASKED THE Highway Department to change the route of the temporary road so the trees could be spared. The state rejected Bruno's request but offered the 12 substitute trees as an alternative.

Although he said he would rather have retained the existing trees, Bruno commented that he is satisfied with the state's offer.

"USUALLY, IN THIS SITUATION, they will only give you two-inch diameter trees," he declared.

Bruno said the state's offer was made by Oliver Deacon of the landscape division of the Highway Department, after Bruno sent him a copy of a Recorder story outlining the commission's effort to save the trees.

REV. GRAHAM ROBINSON

Name New Assistant At Reformed

The Rev. Graham H. Robinson, a New Zealander, this week was appointed assistant minister of the Reformed Church of Metuchen by the Rev. Harry Ver Strae, pastor.

In the position, Rev. Robinson will have responsibility in youth work and do general pastoral calling.

Rev. Robinson came to this country last year and has completed one semester's work toward a master's degree in religious education at Union Theological Seminary, New York. He will continue his studies on a part time basis.

BORN IN AUCKLAND, NEW Zealand, he received a degree in English literature from the University of Auckland, one of four colleges that make up the University of New Zealand.

He then spent three years at the Presbyterian Seminary in Dunedin, New Zealand, and was ordained in December, 1956. He worked with the Board of Christian Education of the Presbyterian Church of New Zealand for two years before coming to this country.

His wife, Eileen, and the couple's four daughters, Bridget, 13; Deborah, 10; Kristen, 7; and Rebecca, 5 will arrive here from New Zealand about February 10. The family will reside at 68 Spring street, Metuchen.

Schedule Dance Concert for Kids

The third offering this season of the Metuchen Family Concert Association will be "Around the World Folk Dances" on February 12 at 8 p.m. at the Metuchen High School.

Dr. Ralph Brancale, president of the association, stated that the performance had been scheduled as a matinee to provide an opportunity for more children to view the concert.

FIRST FOR THE PRESIDENT—Dr. Ralph Brancale (left), president of the Metuchen Board of Education, receives the first copy of the "Know Your Schools" brochure, prepared by the Metuchen League of Women Voters, from a delegation of Boy Scouts. Making the presentation are (from left) John Tedrow, Tom Tedrow, Steve Chamberlain and Mrs. Joseph Palmaccio, president of the L.W.V. The scouts volunteered to distribute the new brochure throughout the borough.

city that we will need double sessions there next year."

OAK TREE PRINCIPAL Glenn Farris also said the present enrollment trend makes double sessions "anticipated" at this time. Both Jago and Farris left the door open, however, for the possibility of Oak Tree double sessions if the enrollment between now and September sufficiently increases.

At a PTA meeting this week, Farris reported the current Oak Tree enrollment is 628, an increase of 141 since last December and 199 since last June.

Mrs. Henriel said the Oak Tree parents will actively campaign for inclusion of an elementary school for the North

Edison area in any bond proposed by the Edison Board of Education. The board is currently considering a bond issue for additional township high school facilities.

"We would rather have a large bond issue for a high school and the elementary schools we need than to wait another year or two for a school here," Mrs. Henriel explained.

MRS. JOSEPH JUBAK, president of the Oak Tree PTA and member of the special committee, agreed that "the information we have gathered shows that another elementary school is needed."

However, neither the committee nor the PTA itself has yet taken an official position on the situation.

Mrs. Jubak said the committee may recommend a new school

it's worth repeating...

That we are affiliated with the Order of the Golden Rule is a fact worth repeating, because it is an interesting and significant fact.

Membership in the Order is not a once-a-member-always-a-member sort of thing; members must make application for reaffiliation each year, and each application must be carefully reviewed before it can be accepted.

Accordingly, we feel it is worth mentioning, worth repeating, that we have just received notice that our application for reaffiliation has been accepted, and that we start at this time another year of service to the community as the only local member of the Order.

As in the past, you may depend on us for service which is truly "... measured not by gold, but by the Golden Rule."

Highland Park Still Looking For High School Principal

By WALTER SHEPARD
A rumor of unknown origin but

interesting purport was quoted at last night's session of the board of Education.
Daniel J. Sullivan, president of the board, is not being considered for the principalship of Highland Park High School.
Sullivan, however, was not present and Vice President William Horowitz was presiding when the question was raised.
The rumor was cited by Miss Janet Waldron, a frequent visitor to the school board meetings as a member of the board of directors of the Highland Park Taxpayers' Association. However, it was without some connection with items discussed at the meeting.
For minutes before posing a question, Waldron had asked what progress was being made in the search for a new high school principal.
Had No Success
Superintendent of Schools Kenneth L. MacKenzie explained that a search has been conducted for a successor to R. Richard Johnson, but that due to the time of year no success has been encountered and little is expected.
He predicted, however, that a principal would be selected in time for the opening of the new school year in September.

It was then that the rumor regarding Sullivan was cited. Understandably, because of its unexpected nature, it was greeted with incredulous sounds, among them a flutter of laughter.
When they had recovered their composure, a couple of board members agreed that from a scholastic viewpoint, Sullivan might be qualified since he is the holder of a doctor's degree.
However, it was also indicated that Sullivan's duties with Johnson might make the principalship unattractive from a salary viewpoint.
Once the board had regained its composure, MacKenzie hastened to point out that Sullivan has never shown any interest in the principalship nor, the superintendent added, has he ever been considered.

was pointed out that the three Mrs. Bennett Rich, Dr. Henry Winkler and Aaron Beck, have been doing outstanding work. Lack of any opposition to it, in itself, a tribute to their records, it was inferred.
Board members were gratified to hear MacKenzie report that a letter of accreditation has been granted to the high school by the Middle States Association of Colleges and Secondary Schools. The accreditation runs through Dec. 31, 1965, according to the notice read by the superintendent.
In other business, the board approved four substitute teachers for the high school: Robert Torrore, mathematics and history; Charles Cresser, mathematics, business education and science; Miss Mary Jackson, social studies; business English and elementary studies; and Mrs. Ida G. Edson, art, home economics.

More College Students

MacKenzie announced that while high school substitute lists are well filled, need still exists for substitute teachers in grammar grades. As a result, applications will still be taken, he added.

Meyner Wins Point On Assessor Bill

TRENTON (AP) — A bill designed to protect local tax assessors from removal from office is back before Gov. Robert B. Meyner in the form he wanted it.
The bill, sponsored by Sen. Charles W. Sandman, R-Cape May, is designed to protect assessors who do not set assessments at full true value in 1961. The true

value standard will go out of existence next year, when a new assessment law takes effect.
Meyner conditionally vetoed the bill last month and the Legislature repassed it with his suggested amendments. The Assembly completed the action yesterday by a 33-0 vote just before the 1960 session passed out of existence.

of a total of 141 graduates who went to four-year colleges, while last year's graduating class saw 92 of 141 going on to colleges and universities.
He also reported that, other than being considered, the scholastic aptitude tests required by many colleges and universities are playing an increasingly important part in qualifying graduates for acceptance.
MacKenzie also listed several recommendations by Miss Marion H. Myers, head of the business education department, for studies to be included in that department. She suggested a transcription course for students taking secretarial training while minimal shorthand note-taking and personal-use typing were being recommended for college preparatory students as possible aids in their further studies.
No action was called for on these suggestions, although board members agreed they showed merit.

Plans were made to attend a meeting with joint parent-teacher associations on Jan. 19, also preparation for the regular budget hearing Jan. 25, and the school district election Feb. 14.

ASSIST FROM THE OFFSPRING—Metuchen's two new councilmen both brought their 10-year children along to hold the Bibles as they were sworn into office by Borough Clerk Rufus Renninger (left) Monday. Assisting Councilman Timothy Moriarty (second from right) is son Thomas and holding the Bible for Councilman John A. Potts (right) is daughter Diane. Watching the ceremony is Mayor Ernest McMahon.

GOP Hoped To Persuade Dems To 'Restudy' Jobs

One thing about Metuchen Republicans, they keep their campaign promises early. Councilmen Timothy Moriarty and Jack Potts pledged themselves during last fall's campaign to work for the elimination of the new posts of deputy borough clerk and assistant tax collector. They made their move Monday, only minutes after they had been sworn in.

ALTHOUGH TO THE SPECULATORS at the council organization meeting, it appeared to be just one in a series of GOP "insurance" moves aimed at bolstering the Democratic majority, Moriarty said the Republicans actually had an outside hope of success.

"If we could have convinced one of them (the Democratic councilmen) that this should be rescinded, it would have passed," he noted.

Moriarty's motion called for the two positions to be abolished but he explained he was offering it to the new council to "give the matter a full airing."

THE MOTION MET THE same fate as two earlier GOP moves to block appointments by Mayor Ernest McMahon. Moriarty, Potts and Republican James Donahue supported it, the three Democrats voted "no," and McMahon cast the tie-breaker with his fellow Dems.

"We had to make the move at this time," Moriarty said after the meeting. "We had promised during the campaign to work for the abolishment of these jobs and this was the logical time to do it."

"We had hoped that one of the Democrats would have been

New Edison Councilman Likes Job

Edison Township's newest councilman, Frank Marchitto, 45, of 74 Oakland avenue, is already so enthusiastic about the job he thinks he will run for reelection after he finishes serving the unexpired term of Walter H. Wood.

Wood, who resigned due to the increased demands of his work, leaves an unexpired term of one year, until January 1, 1962.

MARCHITTO, AN OFFICIAL of the International Union of Electrical Workers, has been a resident of the township for 40 years.

Outlining his platform, Marchitto said he hasn't had a chance to take a definite stand as yet but that he believes in economy in municipal government.

At the same time, he continued, "I feel that the people of Edison should receive everything that the council can provide for them in all departments."

WHEN ASKED TO GIVE AN opinion on the township's efforts in snow removal, Marchitto stated, "I think we may have been caught unprepared during the last big snowfall but I don't believe it will be the case in the future. I understand that plans have already been made to improve our efforts in this field in the future."

The new councilman who asked what he thought about his appointment said, "It came as a surprise to me. I was greatly honored and I wish to thank those who appointed me. I will prove the way I feel by taking full advantage of this appointment."

Borough Budget Hearings Slated

Public hearings on the Metuchen budget will be held January 18, 19 and 20 at 2:30 p.m. at Borough Hall, according to Councilman Thomas Weber, chairman of the Finance Department.

The order in which budget matters will be heard has not yet been determined but will be announced well in advance of the hearings, Dr. Weber said.

The board, increasingly sensitive to voter reaction, has pre-

sented a tentative 1961-62 budget which is \$74,000 higher than the one finally adopted by the Borough Council last year, but by using surplus funds to actually lower the school tax rate.

The difference in the amount to be raised by taxation between last year's budget and this year's

proposal is \$36,512. This the board has agreed to make up from surplus funds, expected to total more than \$165,000 at the end of the present fiscal year.

THAT MEANS METUCHEN voters would be asked to approve a levy of \$1.195371 on

their tax bills for schools, the identical amount they paid during 1960.

If rates in the borough increase, which they are expected to do, the school tax rate could drop as much as six or seven points for 1961.

The appropriation of this \$36,512 from surplus funds, together with the estimated \$52,000 to be used for renovation of three rooms at Franklin School, would cut the board's surplus to about \$25,000, according to Robert Hallmann, finance chairman.

THE SURPLUS, HALLMANN explained, includes the \$137,000 currently on hand, an expected \$13,000 from this year's operations and \$17,000 in unanticipated revenue.

Despite the board's obvious attempt to woo its opponents of past budget decisions, its proposal to appropriate surplus funds met public opposition.

Several persons at this week's hearing suggested that taxes be raised rather than depleting the surplus to what they consider an unsafe level.

At the other extreme, it was also suggested that more surplus be used to lower the tax rate even further. Hallmann promised to take both suggestions under consideration.

GONE FROM THIS YEAR'S session, however, was the overt dissatisfaction and tension which marked budget hearings of past years. Only specific requests were for a librarian and physical education teacher on the elementary school level.

"We would like to ask for more," said a representative of the Washington PTA, "but I'm afraid we can't afford it."

The chief reason for the increase in the tentative budget is a \$77,810 hike in the proposed appropriation for teachers' salaries. The board is recommending \$839,100 in the teachers' salaries this year, up from \$761,290 in 1960.

It also provides for a \$100,000 increase in the salary of the board's new treasurer.

THE NEW TEACHERS would include six at Metuchen High School and two at Franklin, according to Dr. Ralph Brancato, board president. The board is also allocating \$500 for an assistant principal at the high school to be paid in addition to his regular salary.

Any resentment at the board's suggested \$12,500 raise, while operating on a budget from which \$36,000 was chipped by the Borough Council, was drowned by the Board's Brancato at the hearing opened.

"The board may be suspect," Dr. Brancato said, "for having a surplus after our budget was defeated." He explained, however, that the saving resulted from hiring new teachers at salaries lower than expected plus a "check of foresight" on certain book-keeping operations.

HALLMANN ASSURED THE public that this budget is not padded in the long run.

"There is only one place the budget can be cut," he stated, "and that is in salaries."

"If this budget is approved, it will be resubmitted to the public as is," he promised.

Would Unite State Park With Tower

A new layout for the state-owned park adjoining the Edison Memorial Tower was discussed last week at the final meeting of the committee for the rehabilitation of the tower.

This concept would bring the state park and the tower property under a single, unified master plan and would, in effect, merge them although the Stevens Institute might continue to hold title to the tower.

It is expected that the State Department of Parks will have made a decision on the proposed park would look, although it may be several weeks before the map is ready.

MEANWHILE, CHARLES B. Carman, Metuchen architect and chairman of the rehabilitation committee, told the committee members that progress has been made on temporary repairs to the tower's lower levels and clock.

Carman lauded George Everer, a committee member and past president of the Edison Park Civic Association, who has donated many hours of work to fixing the tower's electrical system.

Despite the handicaps, Everer has succeeded in getting four of the tower's 16 loudspeakers working and has fixed the clock so that it chimes every quarter hour, Carman reported.

The question of financing further repairs was discussed but no

decision was reached.

THE EDISON TAXPAYERS Association today severely reprimanded the Edison Township board of assessors for opening the tax books for the legal minimum of only two hours.

Mrs. Mary Main, ETA president, charged the assessors with "a secretive handling of the tax assessments," and said they are complying with "the letter of the law, but not the spirit."

The Edison tax books will be open for public inspection from 2 to 4 p.m. Saturday at the municipal building.

"IN TWO HOURS, ALL OF the 46,000 residents of Edison are supposed to be able to check tax assessments," Mrs. Main said.

"There are only three books," she continued, "One interested citizen cannot do an intelligent job in less than 15 minutes. At that rate, not more than 24 people can look at the books in the time allotted."

"For four years we have been working to get the tax books open for a reasonable amount of time," Mrs. Main said. "They should be open at least one evening a month."

MRS. MAIN SAID ETA members will be on hand Saturday to assist township residents in obtaining desired tax information. She suggests residents bring their block and lot number and find out which book their assessment is in before they get in line.

The assessment for land and improvements "should be one-fourth of the amount you could sell your house for," she explained. "If they are more, register a complaint."

BEST IN EDISON—The home of Mr. and Mrs. William Marion at 13 Hillcrest avenue, in the Washington Park section of Edison, won first prize in the annual Christmas home decoration contest sponsored by the Edison Chamber of Commerce. Two-Hour Tax Book Showing Blasted by President of ETA

ONE OF THE REQUIREMENTS of Alloway's position is that he live in the community. And, while he firmly agrees with the requirement, he still regrets leaving Edison.

Alloway believes all persons employed by a community—and he includes teachers in this classification—should be required to live there to know the working problems of the town first hand.

Municipal employees who live outside the city limits are quite apt to scream the loudest for an increase to boost their salaries without concern for the taxpayers, the administrator said.

"When the employee is a taxpayer himself, he thinks twice about a boost in the rates," he commented.

IT IS, HOWEVER, "WITH A great deal of regret" that Alloway, his wife, Ruth, and their two children, Jim, 6, and Lynn Marie, 3, vacate their home at 44 Brookfield road.

"We have made a lot of friends and, particularly with children, it isn't easy to pull up stakes," he said.

Alloway, a non-political cog in the wheels of the township government, was appointed to office by Mayor Yelenecis. His successor has not been named.

He did his undergraduate work at Grove City College in Pennsylvania, receiving a bachelor's degree in history and politics.

WORKING ON A FELLOWSHIP, he then went to the Phi Institute of Wharton Graduate School of the University of Pennsylvania and was graduated with a master's degree in government administration. He has taken some night and Saturday courses toward a Ph.D. at Rutgers.

As a part of his graduate work, he spent six months as assistant city manager of Trenton. From there, he went to Fair Lawn, N. J., as assistant city manager and chief of finance, the position he left to take the Edison position.

He has been married for 10 years and has two children.

Drive for Theater Picking Up Steam

The Greta Players of Metuchen are close to realizing their aim of a community theater for Metuchen according to Mrs. Greta Frankl, spokesman for the players.

The group which launched its building drive with a series of performances of the Rodgers and Hammerstein musical, "South Pacific," has met with unusual success, said Mrs. Frankl.

In addition to money raised through "South Pacific" many patrons have offered financial and professional help, she added.

WARREN WILENTZ, Middlesex County attorney, has offered his legal assistance in incorporating the Greta Players as well as his financial support. Additional help has been offered by a local architect and builder and an anonymous gift of \$200 has been received.

The final performance of "South Pacific" for the benefit of the building fund will be held Friday night at the Educational Building of St. Luke's Episcopal Church at 8 p.m.

HOWEVER, AT LEAST three benefit productions will be held this month for St. Luke's Episcopal Church, the Hillside Academy in Perth Amboy and the Lafayette School PTA in Fords.

Starting in Friday night's performance will be Tola Kats as Nellie Forbush, Herbert Cooper as Emile deBouque, Elaine Lipkin as Lisa, Andy Renick as Lieutenant Cable and Mrs. Frankl as Bloody Mary.

Girl Scout Leaders Will Meet Today

A meeting of neighborhood chairmen and volunteer leaders of the Metuchen Area Girl Scout Council will be held at 1 p.m. today in the Girl Scout office on Main street, Metuchen.

Mrs. Robert Holmes, Council training chairman, said a training schedule will be set up for the spring and methods of improving the neighborhood scouting program will be discussed.

Start Classes For Moms-To-Be

A new series of classes for expectant mothers is being started next week by the Middlesex County Visiting Nurse Association.

The class will meet each Tuesday, from 10 to 11:30 a.m., at the Middlesex General Hospital nurses' residence in New Brunswick. The first class will be next Tuesday.

LOCAL TALENT—The Vinnie Bell Quartet, which will be featured at the second presentation of the Middlesex County Family Concert Association Monday night at Metuchen High School, has three-fourths of its membership from the Metuchen-Edison area. Bell (standing) is from Clara Barton, Joe Andre (right), the bassist is from Edison and Buddy Brower (left), the pianist, soon will be moving to Metuchen from Newark. Bob Alexander (center), the drummer, is from Perth Amboy. The quartet recently completed an engagement at the Sands Hotel, Las Vegas.

Bell Quartet To Present 'History of Jazz' Monday

"The History of Jazz" featuring the Vinnie Bell Quartet, will be presented by the Metuchen Chapter of the Middlesex County Family Concert Association on Monday at 8:30 a.m. in the Metuchen High School auditorium.

Bell, an accomplished guitarist, is also a composer and arranger. Among the songs for which he is best known are "Barracuda," "Trailblazer" and "The Jersey Bounce."

Members of his quartet are Buddy Brower of Metuchen, pianist; Joe Andre of Edison, bass; and Bob Alexander, drums. The group has appeared at the Sands Hotel in Las Vegas and has recorded many well known artists, including Eddie Fisher, Vic Danne, Julius LaRosa and the Mary Kay Trio.

On February 12 the Concert Association will present a bonus concert, "Around the World Dancers." On March 18 the Bell Telephone Choir, whose previously scheduled appearance was cancelled because of the recent snowstorm, will present a concert.

Baptists Return Visit of Guests Who Came to Church During '60

Persons who visited the First Baptist Church during 1960 will have the courtesy returned by church members next week.

Starting Monday evening, members of the Metuchen church will visit persons who signed the guest register at the church during the last 12 months. They will talk to the visitors about joining the congregation.

The Rev. William Tarr, pastor, will speak on "The Lord and His Word" at 8:30 and 11 a.m. services Sunday. The pastor's topic for the 7:30 p.m. service

Gil Augustine To Be Speaker At BIL Session

Gilbert P. Augustine of Perth Amboy, well-known industrial executive, educator and athletic official, will speak on "The Act of Positive Action" at a meeting of the Borough Improvement League at 2 p.m. today in the BIL House.

Augustine is director of welfare, safety, community relations and training for the Perth Amboy plant of the American Smelting and Refining Co. He is a former principal of the S. E. Shull School in Perth Amboy and a college instructor.

Also on the BIL agenda will be Alice Jane Lipone, a senior at Metuchen High School, who will speak on her experience at a Citizenship Institute, held last summer at Douglass College under sponsorship of the New Jersey Federation of Women's Clubs.

Throw Away CD Calendar

Holders of calendars issued by a pharmaceutical firm and containing civil defense instructions on the back are requested to disregard the instructions according to a statement from Thomas S. Dignan, state Civil Defense head.

According to Dignan, the calendars contain misinformation which if widely disseminated could result in mass confusion.

Druggists in the area have been asked to discontinue issuance of the calendars and steps are being taken to ban their distribution nationally.

The information in question is Air Raid Instructions which list an evacuation signal, "New Jersey," said Dignan, "done not and has never had such a civil defense warning."

26 Metuchen High Students Tapped for Honor Society

Twenty-six Metuchen High School students — nine juniors and 17 seniors — became members of the National Honor Society at a surprise assembly program Friday morning.

3 inch station card from Boston Park Hotel
9 PM. 1955 not to be used.

The program was conducted by the eight seniors who were named to the Metuchen Chapter of NHS last year.

Principal speaker was Dr. William Warner, State Director of Secondary Education. Brief addresses also were given by Warren N. Butler, superintendent of Metuchen schools, Dr. William J. Numan, high school principal, and Dr. Ralph Brancaccio, president of the Metuchen Board of Education. Plans and membership certificates were presented by Dr. Brancaccio.

CHARACTER, SCHOLARSHIP, leadership and service, the four points on which nominees

to NHS are evaluated by faculty members, were discussed briefly by Phil Daro, Althea Lippner, Joan Van Winkle and Allen For. Miss Van Winkle is chapter vice president and Daro is treasurer.

Nancy Dietz, chapter president, gave the address of welcome. Barbara Austin, secretary, explained how members are chosen.

Other chapter members participating were Jon Sanders, who talked on the history and purpose of the NHS and explained the significance of the society's emblem, and Sharon Hattmann, who conducted opening exercises.

FOUR MEMBERS OF THE Key Club — Michael Williams, Nick Hager, Bob Davis and Arnold Schwartz — acted as ushers at the assembly. Barbara Miesinger was in charge of decorations. The NHS faculty council at Metuchen High is comprised of Dr. Numan, William Gardner, James Kelly and Aime W. Hydo.

The students tapped are:
JUNIORS — Sara Bollinger, Patricia Blubaugh, George Buttler, Judith Claypool, Alex Freed, Deno Kolas, Nina Pantaleoni, Vera Wilson and Joseph Zarinsky.

SENIORS — Jeanne Alexander, Susan Berkowicz, Marilyn Daines, James Diario, Joy Fullmer, Veronica Herman, Nancy Iselt, Lisa Isenberg, Nancy Kinney, Joan Kluksa, Sheila Messer, Barbara Muenger, Katherine Petricolas, Charles Prickitt, Fred Ratliff, Thomas Sakmyster and Peggy Weeks.

Valentine Dance Is Saturday—If No Snow

By KAREN ZAGOREN

One can well imagine the topic for future reunions of the Class of '61—Snow, Snow, Snow. The winter of 1961 shall always be remembered by all NHS students if for no other reason than the number of free days unexpectedly given to us then, taken away at the end of the year.

Due to the latest accumulation of white stuff the wrestling match with Freehold was not held Friday. Also cancelled was the first evening rehearsal of the Junior Class play, "Beauty and the Beast," to be presented in three weeks (assuming, of course, that it doesn't happen to snow that weekend).

The annual Valentine Dance will be held Saturday and, although details are still vague, participation is keen. Seniors Pat

Exchange Club Ball March 24
The Metuchen Exchange Club has scheduled its eighth annual Constitution Ball dinner-dance for March 24 at Oak Hills Manor. It was announced this week by Saxon Palmeter, chairman. Tickets are available from the Exchange Club member.

The club's annual \$300 scholarship to a Metuchen High student is financed in part from the annual dance. Serving with Palmeter on the dance committee are Donald Surpless, James Claypool, Joseph Fishkin, Morton Berkowicz and Andrew Daus, club president.

Marcello and Phyllis Birken, junior Carol Goldenfarb, sophomore Use Tech and freshman Sharon Wankle have been selected as finalists for the Queen of Hearts contest. The queen will be crowned at the dance.

Students have been casting their ballots for the last two weeks in the election sponsored by the "Edison Eagle."

IF YOU WONDER WHY MR. Joseph Messer has been seen so much recently, it is because he is no longer confined to the wood shop. He has been appointed vice principal for the afternoon session and has recently taken over his new duties.

The position has been vacant since September when Mr. John Keen accepted the principalship of Seton School.

The guidance department has announced that juniors interested in taking the National Merit Scholarship Examination should contact Mr. John McGowan. The registration fee is \$1.

It has also been announced that all state colleges will be sending out acceptance notices in early March.

THE SOPHOMORE CLASS has initiated something new at EHS. All sophomores who have failed to pay their dues will be excluded from class activities.

Members of the Modern Dance Club under the direction of Mrs. Anne Freeman have been practicing for their recital which will be held in April.

Sophomore Roger Mondies has been selected to the All-State Band. Ironically, Roger plays the trumpet in the EHS band but obtained status by playing the bass clarinet. Steve Glickstein, another sophomore, also attended the recital.

Other members of the band are practicing for participation in the All-County Band which will be formed in the near future. The Hello-Tones and Hi-Fi, EHS vocal groups, are also expected to participate in a concert sponsored by this group.

SENIOR CAROL CONNOR and sophomore Kathy Serenka were elected, through appreciation and interviews, to represent EHS on the fashion board of a

Awards Given By Cub Pack 24
Robert Hutchins and Wayne were welcomed as new members in the Cub Pack 24. Oak Hills Manor was the site of the ceremony. Mr. Ralph Goddon, room master.

Wolf badges were presented to six cubs at the meeting. They are Harry Baeker, Clayton Spangenberg, Bruce Irvine, Mark Piech, Paul Raussen and Gary Schultz.

Committeemen and den mothers for the year were named. Committeemen are Joseph Jukak, institutional representative; Goddon, scoutmaster; Alex Petrucola, assistant scoutmaster; Charles Rowe, committee chairman; Hugh Irvine, treasurer; Albert Ward, program, and Louis Croson, activities. Den mothers are Mrs. Joseph Jukak, Mrs. Charles Rowe, Mrs. Edward Piech, Mrs. Raymond Lewis and Mrs. Alex Petrucola. Assistant den mothers are Mrs. Arthur Price, Mrs. Ralph Goddon and Mrs. Hugh Irvine.

Two Metuchenites Given Suspensions

Two Metuchen residents had their operator's licenses suspended under provisions of the New Jersey Point System, Ned Pareskian, acting director of the Division of Motor Vehicles, announced this week.

They are Eugene E. Smith, 29, of 671 Middlesex avenue, whose license was suspended for three months beginning January 4, and Robert King, 32, of 50 Christol street, whose license was suspended for two months beginning January 11.

Effortless
High among the special pleasures of Cadillac ownership is the car's remarkable handling ease. It seems almost to drive itself. In parking, traffic, or on the open road, a Cadillac maneuvers with scarcely more than your thoughts to prompt it. And contributing to this relaxing feeling of effortless driving is the superb silence of the Cadillac engine... the virtual absence of travel noise... and those deep and buoyant Cadillac seats. Your Cadillac dealer will be more than happy to let you see for yourself how deftly a 1961 Cadillac handles.

Why Do Citizens Seek Board Seats?

Why does a person want a seat on the Board of Education? What motives prompt citizens to run for the non-salaried posts which usually produce more headaches than praise?

The Metuchen League of Women Voters put that question to the four candidates for the borough school board in Tuesday's election.

The question submitted by the LWV was: "What is your paramount reason for seeking office as a school board member and what do you consider your specific qualifications?" Here are the candidates' replies.

HERBERT E. BEHRENS: "Our children and schools need the continuing support of understanding citizens. My education, teaching experience and school committee work enable me to understand what the school system should accomplish for each child and to recognize and view sympathetically school problems."

"I have demonstrated the willingness to give time. I am able to work well in a group. From my occupation I realize the necessity of facing problems on impartial evaluation of facts. I am well aware that economic problems facing a school board are closely related to those of the taxpayers."

MRS. LOIS LORD: "A—Pride in Metuchen and belief that education is an important part of our defense in the cold war and in our hope for future prosperity."

"B—Service on several volunteer boards of directors, executive business experience and membership in the League of Women Voters where I have heard much about education in general and the Metuchen schools in particular."

NICHOLAS A. PRISCOE: "I am a teacher with 25 years' experience. I have a high regard for the responsibility of a school board member to the community."

"I believe I can give my time and knowledge in developing and maintaining the best possible school system within the financial limit of our community."

W. EDWIN STOCKWELL: "I wish to thank the many citizens who have requested me to seek office as member of the school board. As a past board member, I am well aware of my responsibility and I am prepared to give the required time and effort."

"My sincere interest is in the continued development of a school system which will stand up as one of the best in the state."

HERE'S HOW THE '61 FORD TAKES CARE OF ITSELF

Lubricates itself—You'll normally get 30,000 miles between oil changes (which cost only about \$1.00 and take about 20 minutes) because Ford has replaced conventional grease fittings with a modern lubrication system. Cleans its own oil—You'll get 10,000 miles between oil changes because Ford's Full-Flow oil filter gives you filtration through three... trapping more dirt than any other type of filter made. Adjusts its own brakes—New Truck Stop brakes adjust themselves automatically. Guards its own muffler—Ford mufflers are double-wrapped and shielded to last three times as long as ordinary mufflers. Protects its own body—All steel underbody parts are specially treated to resist rust and corrosion, even in galvanizing the body panels beneath the doors. Takes care of its own finish—Just wash and wax Ford's new Trimcoat Leade, Ford, and it continues to gleam like new. It never needs waxing.

Church Council Host to Rally For Area Youth

The Rev. Eugene Durkee of the Somerville Reformed Church was the speaker at a rally for senior high young people of the nine churches in the Metuchen-Edison Council of Churches which was last week in the Reformed Church of Metuchen.

Rev. Durkee, who worked with young people in the borough when he was a student at the New Brunswick Theological Seminary, discussed "The Army of the Lord and You."

The program was under auspices of the council's youth committee. Leaders of discussion groups held after the address were the Rev. Benjamin Whitaker, the Rev. Joseph Fowler, the Rev. Stanford C. Mayor, the Rev. Graham H. Robinson, Richard Bates, Mr. and Mrs. L. C. Whipple, Richard Granholm and Charles V. Hinton.

Participating churches were First Presbyterian, Centenary Methodist, St. Luke's Episcopal, Reformed, Second Baptist and New Hope Baptist of Metuchen, Marcorum Reformed, St. Paul's Lutheran and the Community Presbyterian of Edison.

Jo Anne, 11; Stephen, 8, and Robert, 4, are the other members of the Yelencsis family.

CC Installation Dinner Postponed

The annual Metuchen Chamber of Commerce installation dinner dance, at which Donald Wernik will be installed as 1961 president, has been postponed from February 25 to March 4, according to Helen Hussman, chairman. It will be at the Metuchen Elks Lodge.

The reason for the postponement: the new president can't make it.

Wernik, recently named Metuchen's "young man of the year," will be attending a State Junior Chamber of Commerce dinner February 23 at which the New Jersey "Young Man of the year" will be named. Wernik is Metuchen's entry for the award.

**Streets Clear,
Crews Lauded**

What a difference two months make!

The Metuchen Public Works Department, caught with its bal-
last down for the first big snow-
storm of the season last Decem-
ber, received nothing but praise
in official circles for its handling
of the 17 inches of snow which
fell on the borough Friday and
Saturday.

Councilman George Olmstead
and Robert Flanagan, both De-
mocrats, lauded the public works
crews for their "long hours put
in during the storm" and the
"efficient manner" in which the
streets were cleared. Main street
was kept drivable throughout
the blizzard.

Republicans, who led the pro-
tests after the December storm,
said nothing.

Olmstead also said he will in-
troduce legislation prohibiting
curb parking in residential areas
where driveways are available,
after snow plows were hampered
on many streets by parked cars.

Governor Nominates 3 Judges

idw news 1/4/61

KLEMMER KALTEISSEN

By REGINALD KAVANAUGH

Gov. Robert B. Meyner's batch of nominations to the Superior and County Court benches here is meeting mixed reactions today.

The Republicans are openly "disappointed" and the Democrats appear to be something less than 100 per cent enthusiastic.

In fact, the only ones perfectly content are the nominees:

Veteran County Court Judge Klemmer Kalteissen of Hillcrest, Piscataway Township, and Ralph L. Fusco of Metuchen, who are headed for Superior Court judgeships, and John B. Molineux, another Metuchenite, Meyner said he would nominate to the County Court bench.

Heads PUC

Fusco, 49, has been on the state Board of Public Utility Commissioners since 1956 and has served as president for two years. He

is a former deputy attorney general.

Molineux, 57, is a former assistant county prosecutor. He served as first assistant under Prosecutor Alex Eber between 1951 and 1956.

While the Democrats are well pleased with Kalteissen's nomination, they have vehemently opposed Meyner in his desire to name his friend Fusco to the Superior Court.

And Democratic party leaders have refused heretofore to back any Republican for a county judgeship except Charles M. Morris Jr. of East Brunswick.

Nevertheless, state Sen. John A. Lynch said last night he "would not oppose" any of the nominations.

"I will move all three for confirmation," said the senator whose

See GOVERNOR, Page 33

RALPH L. FUSCO

JOHN B. MOLINEUX

Governor Submits Names of Kalteissen, Fusco and Molineux

Continued from Page One

opposition could effectively block Meyner.

Lynch pointed out that he wanted Morris named to the county court judgeship but added that Meyner "is the governor and the one who makes the appointments."

Meyner named three Republicans and two Democrats to Superior Court judgeships during a press conference yesterday afternoon.

One More Coming

He said a sixth nomination, for a Democrat, should be ready by next Monday.

The judgeships were created by the legislature two weeks ago.

The nominations, plus two others for county judges, will be sent to the expiring 1960 legislative session Tuesday. If the confirmations are not forthcoming immediately, the governor indicated he would resubmit the names to the 1961 Senate.

Other Superior Court nominees submitted by Meyner are:

Leon Leonard of Ventnor, Atlantic County judge, a Republican. Michael H. Cohen of Haddonfield, Camden County judge, a Republican.

Arthur W. Lewis of Marlton, a former state senator and assemblyman from Burlington County, a Republican.

Meyner said he would nomi-

nate Assemblyman Paul M. Salsburg of Atlantic City to succeed Leonard.

The elevation of Kalteissen would create a new vacancy on the County Court bench here upon his confirmation.

Harry L. Morley of Highland Park, Middlesex County Republican chairman, said, "Frankly, I'm disappointed that Mr. Morris was not named."

Morley added:

"Not once was I officially told that Mr. Morris would not get it."

And, he said, he was not consulted before yesterday's nominations were announced by the governor.

Morley said that normally party leaders are consulted before such appointments are made. "I just heard about it five hours ago," he added.

The party chairman said he had not decided what action, if any, he would take. "But I'm certainly not going to do anything to hurt the Republican party of Middlesex County."

Democratic leaders have been pushing Kalteissen's candidacy since 1958 and were angered when the governor ignored their wishes.

On the other hand, they opposed Fusco's appointment down the line, to a point where a stalemate existed until yesterday's nominations were announced by the governor.

Fusco had bucked the county Democratic organization on a number of occasions and county

leaders felt that he should not be rewarded with a seat on the Superior Court bench.

As late as last month. Democratic leaders were seen as solidly behind Morris for the County Court position. Informed sources were saying it was "Morris or no one."

Barring unforeseen developments, the three nominees could be confirmed by Jan. 23.

Molineux' confirmation could come sooner but nominees to the Superior Court bench must go before the Senate Judiciary Committee of which Lynch is a member.

Following the normal steps, the Senate could vote on the Superior Court nominees on Jan. 23 but, Lynch said, the process could be speeded up.

Served 20 Years

Kalteissen, 66, has served more than 20 years as a County Court judge. He was first appointed on April 1, 1940, by Gov. A. Harry Moore.

He is the eldest of the nominees named by the governor to the Superior Court.

There is no indication yet where Kalteissen would serve. However, it is known that he would be interested in the Matrimonial section of Chancery Court.

The vacancy created by the death of Superior Court Judge Nicholas A. Tomasulo of Cranford, who handled matrimonial matters in Union County, has been filled temporarily by a County Court judge.

And there has been agitation in Middlesex County for the establishment of a matrimonial court here.

Middlesex County now has two Superior Court judges, James R. Giuliano, assignment judge, and Joseph Halpern of Somerville, who was recently elevated to that post.

It has been expected that Giuliano would be re-assigned to his home county, Essex, and that Halpern would become assignment

judge in Middlesex.

There has been no indication whether another Superior Court judge would be assigned to duties in the Middlesex County Courthouse.

The Superior Court bench pays \$22,000 annually.

Kalteissen currently receives \$20,000 as a County Court judge and Fusco's annual salary is the same as president of the PUC. Molineux is in private practice.

Was Freeholder

Before going on the bench in 1940, Kalteissen spent 15 years as a Middlesex County freeholder. He was elected to the board in 1925, breaking the solid Republican lineup.

A native of this city, he was educated in local schools. His studies at the New Jersey Law School were interrupted by World War I but he received his law degree in 1920.

Fusco, a native of Perth Amboy, is also a graduate of the New Jersey Law School and has

been practicing law for 25 years.

He served in the Army Air Corps during World War II and in the Air Force during the Korean War as an intelligence officer.

Prior to his appointment to the PUC, Fusco was a deputy attorney general and special prosecutor in Bergen and Passaic counties.

Molineux, a member of the law firm of Hicks, Kuhlthau, Molineux and Nagle of this city, is a former president of the Metuchen Board of Education and a past president of the Middlesex County Bar Association.

ROBBINS JOINS WILENTZ FIRM

Home News

1/5/61

The law firm of Wilentz, Goldman, Spitzer & Sills of Perth Amboy yesterday announced that Norman Robbins of Fords has become an associate member of the firm.

Admitted to practice in New Jersey in 1960, Robbins has been a member of the bar in Washington since 1950 and New York since 1951. He was graduated from Georgetown University Law School in 1950. He was on the staff of the Georgetown Law Review and previously had been graduated from CCNY and had done post-graduate work at Columbia University, University of Michigan and Pace Institute.

Commissioned as a Japanese language officer in Military Intelligence in World War II, he later served with Signal Intelligence and on detached service with Naval Intelligence in Washington.

Before joining the firm, which is headed by former New Jersey attorney general and present Dem-

ocratic National Committeeman David T. Wilentz, Robbins was an executive with a Massachusetts insurance company and later with a toy manufacturer in Passaic.

Recently appointed legislative secretary to state Assemblyman Norman Tanzman, Robbins is a past vice president of the 2nd Ward Democratic Club of Fords, and is legal adviser to the Woodbridge Young Democrats. He has been active locally in several efforts to protect residential neighborhoods against attempted encroachments by a large department store and by apartment houses, and is vice chairman of the Citizens Committee for a Charter Study of Woodbridge.

Natives of New York City, Robbins and his wife Sylvia live at 50 Webb Drive, Fords, with their children, Marc, Spencer and Allison.

Piketown, Ohio, is the site of one of the largest atomic energy plants in the United States.

Sherman Hoffman, "Faith Through Reason" and Mrs. Robert Eisner, "What the Liberty Bell Proclaims."

Mrs. Stuart Katz, chaperone, led seven members of the local United Synagogue Youth group who attended the national convention in Chicago which closed this week. They were Ray Beier, Marvin Goodman, Janet Yafie, Betsy Beier, Arlene Fertig, Steve Porges and Rae Katz.

Annual Meeting Held By Women's Guild

The Women's Guild for Christian Service of the Highland Park Reformed Church held its annual meeting and installation of officers yesterday in the church rooms.

Mrs. Robert S. Filmer will continue as president, and Mrs. Stephen C. Austin was installed as vice president and Mrs. Delmer Cottle as secretary.

Mrs. Adolph Zimmerli read the annual reports of board members, and aims of the organization were read by Mrs. Clem Ford, Mrs. Irving Decker and Mrs. William Freeman.

Douglas Bruce Campbell Takes Bride in West

Miss Margaret Elizabeth McKean, daughter of Mr. and Mrs. Grace W. McKean of Bozeman, Mont., was married Monday in Bozeman Presbyterian Church, to Navy Airman 3C. Douglas Bruce Campbell, son of Mr. and Mrs. Duncan Campbell of River Road, Franklin Township.

The couple left on a wedding trip through the Northwestern states. When they return, they will live in Alameda where he is stationed at the Naval Air Station.
