

## Edison School Budget Tops \$5 Million Mark

Means about \$32 More School Taxes for Owner of \$15,000 Home

A three quarter million dollar increase which includes \$200 teacher pay raises puts the proposed 1963-64 Edison school budget over the \$5 million mark.

A starting salary of \$4,900 for teachers with a bachelor's degree is provided in the \$5,004,850 proposed budget.

The 1963-64 budget represents an increase of \$754,567 over last year's \$4,100,151 budget. Of this, \$445,950 represents increased teaching costs.

Based on these figures plus this year's mortgage payments on school buildings, the owner of a \$15,000 home will pay about \$32 more in school taxes.

The budget will be presented to the Board of School Estimate on February 1. Board president Samuel White and secretary John Anderson will represent the school board. Mayor Anthony Yelencsics, Council President Dr. Neil McDonald and Councilman Bernard J. Dwyer will represent the township.

If the new budget is accepted by the Board of School Estimate, Edison teachers and librarians will receive across the board increases of \$200. Other new scale salaries are: maximum for bachelor's, \$8,000; minimum, non degree, \$4,500; maximum \$7,400; master's degree, \$5,200 to \$8,400; bachelor degree plus advanced work in a given field, \$5,500 to \$8,800; and doctor's degree, \$5,800 to \$9,200.

New item in the budget is \$12,000 for educational television.

Other provisions are \$5,000 for site improvements and a \$10,000 increase in equipment-instruction.

Edison Teachers Association

ation requests for paid Blue Cross-Blue Shield coverage and for two days off for the principal Jewish holidays were denied. White said that at present it is not legal for boards to assume medical plan costs and that Jewish teachers are permitted to take off the Jewish holidays.

No specific criticism of the budget which covers all operating costs of Edison's 14 schools came from members of the public.

Philip Capellupo, president of the Taxpayers Association, did ask that Thomas McAvooy, slated to

assume Secretary Anderson's post when the latter retires this year, not be replaced in his present capacity. Capellupo said the school system needs more clerks not administrators.

White pointed out the Edison school system is somewhere near 12th largest in the state and "we need people to operate it."

Superintendent of Schools Joseph M. Ruggieri announced formal notice of accreditation of the high school had been received from the Middle Atlantic States Association of Colleges and Secondary Schools.

EYESORE--The Metuchen school board has asked the Borough Council to "use its best endeavors" to acquire this house and destroy it. The unsightly structure stands at the entrance to the high school property.

## Board OK's Addition

The Zoning Board of Adjustment will recommend to Borough Council that a building permit be granted Joseph Kaiser to allow enlargement of his business, Kaiser's Flower Shop, Alfred F. Larkin, board secretary, said.

Kaiser, who appeared before the board last week, seeks to make an addition to his existing business at 499 Main street, which is in an R-2 residential zone.

The board also approved, subject to the Planning Board's granting of a subdivision, a variance application of Mrs. Mary C. Peck, who asked permission to erect a dwelling on an under-sized lot.

## Steve Capestro, Man with 2 Heads

Steve Capestro is now "a man with two heads." The affable director of Edison's Health, Welfare and Recreation Department last week was given additional duties as director of the Department of Parks and Public Buildings, James Roosevelt, township business administrator, said yesterday.

The appointment is temporary "pending reorganization and a change in the administrative code, to be recommended to (township) council sooner or later," Roosevelt said.

The recommendations will not be made until council has resolved the 1963 budget which Roosevelt turned over to the governing body Saturday. The budget probably will be introduced early next month.

Capestro was named to the parks job to succeed John Ellmyer, township Democratic sparkplug and long time public servant, who died December 30.

The appointment by Mayor Anthony M. Yelencsics was reportedly a popular one among Edison residents.

Capestro, Democratic municipal chairman in Edison, since April, is a former district committee man. He resides at 60 Carleton street in the Fords section of Edison. He is a graduate of Toms River High School, Franklin and Marshall Academy and Rutgers University.

In college, Capestro and Vinnie Utz of Metuchen shared honors as the "Touchdown Twins."

He is a member of the Knights of Columbus, Elks and Moose Lodges, the Lions Club, Veterans of Foreign Wars, American Legion and Catholic War Veterans. He also is a member of the Holy Name Society and a trustee of the Holy Rosary Parish of Perth Amboy.

### First Aid Course

The Edison First Aid Squad will offer the standard Red Cross first aid course beginning Monday at 7:45 p.m. in the Squad Two building on Route 27 in Menlo Park.

The six-week course will be taught by John Wilkins. It is open to the public.

## Sewer Work Not Urgent As Thought

The Middlesex avenue-Jesmond road sanitary sewer should be put in as soon as possible, but the project is not as urgently needed as Borough Council was led to believe last week.

What's more, construction of the sewer, scheduled for this year, won't solve all the neighborhood drainage problems.

These are the views of Councilman Donald J. Wernik, a former member of the Board of Health, who this week investigated citizen complaints that raw sewage was collecting above ground in several Jesmond road yards.

Mayor Walter K. Timpson chose Councilman Wernik to look into the situation because of the councilman's acquaintance with the case.

Dye tests run by Charles W. Rannels Jr., borough sanitary inspector, showed the soil to be free of the sewerage that area residents said was spilling out of a septic tank, the councilman said.

Neither Councilman Wernik nor Rannels saw or smelled any sewerage, he added.

"We did see water standing above ground and some of it might, on occasion, be stagnant," the councilman said. Construction of the new sewer will not solve this problem, which he believes has come about because drainage patterns were changed when a new home was built there.

"There is no imminent health violation now," Councilman Wernik said.

## Funeral Services This Week For Former Boro Councilmen

Funeral services were conducted this week for two prominent Metuchen residents and former borough councilmen, John Christian Stockel and Edmund F. Grimm.

Services for Stockel, 62, of 143 Lake avenue, who died last Wednesday aboard a cruise ship in the West Indies, took place Monday.

Stockel, former councilman and acting mayor, was a prominent New Jersey trial lawyer.

Active in Republican politics on state and local level, Stockel was engaged in the practice of law with his brother C. Christian Stockel.

Funeral services were conducted by the Rev. Arthur E. Matott of the First Presbyterian Church of Perth Amboy. Burial was in Hillside Cemetery.

Surviving are his wife, the former Margaret Houghton; two sons, John Houghton of Roselle and Edward Houghton of Edison; six grandchildren; two sisters, and five brothers, Henry of Edison and Hans, C. Christian, Wilson J. and Lester E. of Woodbridge.

Services took place yesterday for Grimm, 61, who died Sunday in Perth Amboy General Hospital.

Requiem mass at Our Lady of Peace Church, Fords, was followed by burial in Resurrection Cemetery, New Market.

Grimm, a Democrat, was elected to two terms on council, beginning January 1, 1934. He completed 10 years as a member of the Borough Zoning Board of Adjustment last year.

A native of Pittsburgh, Pa., he had resided in Metuchen 35 years. He was division comptroller of the Carborundum Company and had been with the company more than 35 years.

He was a past president of the Metuchen Golf and Country Club. He resided at 14 Simpson place.

Survivors are his wife, Mrs. Margaret F. Grimm; a daughter, Mrs. James Wester of Edison; a son, Edmund F. Grimm, Jr., of Roanoke, Virginia; a brother, William C. Grim

# Democrat Flanagan Will Be Candidate for Boro Mayor

By HELEN PILKINTON

Robert F. Flanagan will be the Democratic candidate for mayor of Metuchen in this year's borough election.

Names of two candidates for Borough Council were not released.

Most political observers believe Dr. Irvine L. H. Kerrison, defeated in last year's council race, will be one of the contenders in the Democratic bid to regain control of the borough government.

Election of two out of three candidates of either party will determine party control.

Flanagan, who completed a three-year term on council December 31, was the party's unanimous choice for the mayor race, Theodore Blostein, municipal chairman, said.

Flanagan's name will appear on the April 16 primary ballot. Assuming he wins voter support, he will campaign for the seat presently held by Republican Mayor Walter K. Timpson.

Mayor Timpson probably will announce his decision on whether or not he will seek reelection "in two weeks."

Decisions of Timothy Moriarty Jr. and John A. Potts, incumbent Republican councilmen, are expected next month.

Deadline for filing as nominees is March 8.

Flanagan, Democratic municipal chairman during the last two campaigns, did not seek reelection to council last year because of pressures of his work in the legal department of Atlantic Mutual Insurance Company of

New York City. He also was faced with the possibility of being transferred to the company's western offices.

Company organizational changes during the last year have made it possible for him to accept the invitation of his political colleagues to seek the municipality's top political office.

"Good government is important to all of us for our well-being and I am delighted that my professional obligations now permit me to reenter active politics in Metuchen," Flanagan said.

District committeemen and women, who urged the party's selection committee to approach Flanagan about candidacy, "were delighted when the committee obtained his decision to run," Blostein said.

"With Flanagan as our mayoralty candidate, the Democratic party is in a position to regain control of the borough government and protect our program of long-range planning and tax stabilization," he continued.

Flanagan has been active in borough affairs since moving here in 1953 from Jersey City, where he was born February 7, 1919.

In his first venture into politics in 1959, he won a

## Special Snow Parking Law

Borough Council has instituted steps to ease parking problems of residents of the half-dozen narrowest Metuchen streets during snow storms.

Council passed on first reading an amendment to a two-year old ordinance prohibiting all on-street parking for 72 hours after a three-inch snowfall. According to the amendment, scheduled for public hearing and final adoption January 21, persons residing on the selected thoroughfares will be given one side of the street parking privileges during such emergencies.

After plows have cleared the no-parking sides of these streets, the vehicle owners may move them to the cleared sides, Councilman Timothy Moriarty Jr., chairman of the department of public safety, explained.

According to the amendment, parking will be prohibited on the west side of Newman street in the Jefferson Park Apartments area and on Carlton road between Woodbridge and Amboy avenues, on the north side of Victory and Elm courts, on the south side of Kate lane and on the east side of Roosevelt court.

ROBERT F. FLANAGAN

council seat by more than 300 votes. As a councilman, he was deputy director and director of the department of public safety and welfare and director of planning and zoning. He is a former member of the Metuchen Planning Board. Flanagan is a member of the Metuchen Lions Club, the St. Francis Holy Name Society and St. Francis Council, Knights of Columbus. He is a past grand knight and past trustee of the latter organization.

A World War II veteran, he entered the Army following his graduation with a bachelor's degree from St. Peter's College, Jersey City, in 1941. After two years as an enlisted man in the Panama Canal Zone, he was recommended for officer training. He was honorably discharged as a first lieutenant in anti-aircraft artillery in 1945.

After his release from service, Flanagan enrolled in St. John's University law school as an evening student. He was graduated with a law degree in 1952 and was admitted to the New York State bar the following year.

With his wife, the former Margaret E. Donnelly of Jersey City, and the couple's three children, Barbara, Margaret and Robert, Flanagan resides at 167 Mason drive.

## Edison Man Is Head of Group For the Retarded

Gil Finne of Oak Tree road, Edison, has been elected president of the Raritan Valley Unit of the New Jersey Association for Retarded Children.

John Bertrand of Duluth, Minnesota, has been appointed executive director of the local association.

Finne asked that anyone interested in receiving information on services available for retarded children may contact the Raritan Valley unit office at 94 Bayard street, New Brunswick, Monday through Friday, 8 a.m. to 8 p.m.

## 1800 ATTEND PATTEN RALLY

### An Open Letter-

Dear Friend:

Former Secretary of State Patten has been a candidate for public office five times in the past 28 years -- twice for the office of Mayor of Perth Amboy and three times for Middlesex County Clerk. To make the scandalous charge that it would be a "tragedy" for Middlesex County if Mr. Patten were elected was serious enough, but to delve into his personal habits and into his personal life is gutter politics engaged in by no other candidate of either party at any time in the history of Middlesex County. The real tragedy is that in Mr. Patten's sixth campaign, he faces a fellow Democrat, and that that fellow Democrat has carried on a campaign that reaches the very lowest level in this county's political history.

Until now, Mr. Patten has not uttered one word reflecting upon his opponent. On the other hand, Mr. Otowski's conduct in invading Mr. Patten's private life and his personal attacks upon respected leaders at whose table he has eaten for years poses the question of whether he is worthy of all the honors heretofore bestowed upon him by a great party, and whether he is worthy of any future honors. He has not limited his attacks to these people. He has attacked the 25 Democratic municipal chairmen because they endorsed Mr. Patten and not him. He has attacked Freeholder Director Karl E. Metzger, County Clerk M. Joseph Duffy, Perth Amboy Mayor James J. Flynn, Jr., and National Committeeman David T. Wilentz.

These attacks are being made by a man who has been on the public payroll his entire adult life and who was appointed and nominated as a freeholder by the very Democratic Organization he now attacks.

He has said of his sponsor and lifelong friend, Mr. David T. Wilentz, "he is in the twilight of his years and he has lost touch with the people". Whether he is in "the twilight of his years" is for God to determine -- not Mr. Otowski.

He desires a joint appearance on radio station W.C.T.C. Until now, Mr. Patten has accepted every challenge and invitation to appear. In the future, however, except for the commitment made to the County League of Women Voters, Mr. Patten will not demean himself by appearing in his presence.

Almost daily, Mr. Otowski lists as his accomplishments a series of activities and deeds performed by the Middlesex County Board of Chosen Freeholders. Yet never once in this campaign does he mention or give the slightest credit to that distinguished body of which he is only one member. As an illustration: He talks about the achievements and the wonderful work at Roosevelt Hospital.

May I remind this man that it was the vision and the foresight of some of the men he now criticizes who advocated and saw to it that Roosevelt Hospital was built. It was built long before Mr. Otowski was a freeholder.

Mr. Otowski and those Democrats who oppose Mr. Patten have a right to attempt to destroy the Democratic Party that has helped produce thirty years of efficient, responsible and progressive government under this Democratic administration. But, if this is their purpose, they should state it openly. People have a right to the truth.

In addition to its fine record on the county level, this Democratic organization, with the help of many independent voters, has given support on election day to Governor Hughes, Senator Williams and President Kennedy. The resulting Democratic majority in this county has often been crucial in deciding state elections. This strength of the county Democratic organization is no accident, it is the result of character and integrity. It is important for Democrats, whether they are organization or independent Democrats, that the character and integrity of the present Democratic organization be preserved.

Sincerely,

Campaign Manager

GUESTS AT THE PATTEN RALLY Saturday evening in Linwood Grove were, from left, Joseph Corse, acting superintendent of the Department of Weights and Measures, Senator John Lynch, Guest

of Honor Edward J. Patten, Joseph Pecararo, South Brunswick Democratic Municipal Chairman, and Anthony Lambaise Jr., Middlesex Borough Democratic Municipal Chairman and general chairman

An overflow crowd of 1800 persons paid tribute Saturday night to Edward J. Patten, Democratic Organization candidate for the 15th Congressional Dis-

trict nomination, at the "Congressional Ball".

In an atmosphere charged with confidence in victory, Patten's arrival there was greeted by a

standing ovation by the throng that applauded enthusiastically for two minutes while the band played, "Happy Days Are Here Again".

Anthony Lambaise, Jr., general chairman of the Ball, opened a short speaking program by calling attention to the fact this was the first time in the political history of the county the Democratic chairmen of every

### County Committee Appoints Two

The appointments of two men to posts in the Middlesex County Tercentennial Commission, an organization which has been set up to plan and prepare for the county's participation in the celebration, during 1964, of New Jersey's 300 years of history, was announced today by William Kurtz, chairman of the Commission.

Louis P. Booz, Perth Amboy City Engineer who has been a member of the Commission since it was established in December, 1961, has been named to serve on the Advisory Committee which will select a research assistant for Earl S. Miers, noted Lincolnian and author of many historical books.

Miers, an Edison resident, was chosen by the Advisory Committee to prepare a "History of Middlesex County" which is to be illustrated and distributed for use in the upper grades of the elementary schools in the county.

The ultimate selection of an illustrator and general advisory and research help are also functions of the Committee. Booz has devoted many years to historical research on local communities and possesses one of the most complete libraries on the subject in New Jersey.

Clifford L. Miller, Edison publicist, was appointed to serve as Secretary of the Commission, filling a post left vacant by the resignation of Stephen G. Callas of Edison. Callas, who is Public Relations Director of the New Jersey State Treasury Department, said the work load of his

Clifford L. Miller

regular duties would prevent his being able to devote the effort to the Commission work that it deserves.

Miller is editor of a railroad labor publication and the writer of "Grist From the Mill" which appears in the weekly editions of the Edison Times. He has done extensive public relations and publicity work in state and local political campaigns and served as Press chief of the Citizens for Hughes Committee in Middlesex County during the recent campaign.

As Secretary of the Tercentennial Commission it will be his responsibility to create and coordinate a Public Relations Corps from appointees within the yet to be established Municipal Committees, in addition to the regular secretarial duties.

### Edison Boys Enter Business World

With last week's issue of the Edison Times, approximately 30 paper boys started delivering the paper to the homes of Edison residents.

Joining our Educational Program, which will enable them to earn US Savings Bonds, to be used toward their future education, these boys have been building paper routes, and will continue to do so for the next few weeks.

Each boy who has an established paper route, at the end of four weeks will be given a camera outfit. The boy who has the largest number of customers at the end of each month, will be given a \$50 US Savings Bond.

Their enthusiasm and ambition has proven their willingness to further their education. With the support of Edison residents this enthusiasm and ambition will continue to grow.

These boys, who have entered the business world in a small way, are the future business men of the country. They are learning the intricacies of handling accounts and materials they are using in their business.

We hope everyone will welcome these boys and assist them in building a fund for their education.

### Appoints Committees For Library Group

In conjunction with National Library Week, beginning April 9, according to a proclamation issued by Edison Mayor Anthony M. Yelencsics, Mrs. Charles W. Wira, president of the Friends of the Library of Edison, and members of the executive board have appointed the following standing committee chairmen: Mayor Anthony M. Yelencsics, memorial and special gifts; Mrs. John Powers, public relations; Mrs. Rosalie Charney, program; Mrs. William Prash, member-

ship; Mrs. Matthew Drwal and Mrs. Carl E. Nurnberger, publicity; Mrs. Edward Kasner, ways and means; Mrs. Edward Crocker, historian.

Heading the Young Citizens as committee chairmen are Jacques Wood, president; and Robert Holmes, vice-president.

Committee chairmen for contributions are Mayor Anthony M. Yelencsics, industry; John J. Bunker, business and professional; Dr. Jerrold Finkel, M.D.

(Continued on Page 14)

The proposed new Edison Library, shown above, will be constructed on an acre plot, at the corner of Plainfield Ave. and Division St. A fund drive and membership campaign for the library is now in progress.

## Library Group Begins Fund Drive

Mrs. Charles Wira, president of the Friends of the Library of Edison, has announced a Fund Drive and Membership campaign will commence this week which has been proclaimed National Library Week by Mayor Anthony M. Yelencsics.

A goal of \$35,000 has been set by the organization to supply furniture and equipment for the library.

Funds have been appropriated for the construction of this badly needed facility in the amount of \$225,000. However, this amount represents building costs alone, and will have to be supplemented for equipment, additional books, shelving, and tables.

The proposed library will be 11,500 square feet in all, with 5,750 square feet on each floor. The building will be one story high in the front, and two stories in the rear.

The building will be located on one acre of ground at the corner of Plainfield Avenue and Division Street. The acre was a portion of the Thomas Jefferson Junior High School, but was given by the Board of Education to the Township for the purpose of building a library. The rear of the building will include parking facilities for forty cars.

The architect is John Mac-William of Main Street, Metuchen.

## 150 Attend Church Hat Social

More than 150 members and friends of the Altar Rosary Society of the Church of the Guardian Angels enjoyed a "Hat Social" last week in the church hall off Plainfield Avenue in Nixon. Preceding the affair a short business meeting was held.

It was announced there are 103 members in the group. Women of the parish who wish to be registered as members of the society are asked to contact Mrs. Mary Bohn, membership chairman.

Mrs. Janet O'Donnell, Easter Candy chairman stated the project will net more than \$400.

It was announced the Society will, as its church "Memorial Project", be the donors of the Main Altar in the new church. The goal is \$5,380. Most future fund raising projects of the group will be aimed at this goal.

In making her announcements, Mrs. Mary Gardzinski, president, asked all volunteers who are to help with this Sunday's Communion Breakfast for the church Father and Son Holy Name group, may contact either Mrs. Lillian Drinda, general chairman or Mrs. Florence Rynone, kitchen chairman.

Mrs. M. Preckl, outing chairman, stated those planning to go on the trip on May 12, be advised that the bus will leave from the church grounds promptly at 12:15. The group will attend a performance of "Carnival" and have dinner at Patricia Murphy's.

Mrs. Lois Codella and Mrs. Tommie Murray, co-chairman of the "Indoor-Outdoor Fair" to be held on May 17, 18, 19, announced plans have been made for special kiddie rides, games, a clown and magician visit and glass blowing exhibit. Also, there will be a handicraft and fancy goods booth.

Father Thomas I. Flynn, pastor addressed the group. He announced the date for the First Holy Communion, has been set for Saturday May 5 in the main church. On the following day, Sunday, May 6, the parish Crowning will be held at the Shrine at the St. Margaret Mary's Church in Bonhamtown.

Father Flynn also introduced the following nominating committee. Chairman, Mrs. Madge Jenkins, Mrs. Irene Fuzak, Mrs. Mary Dritschel, Mrs. Victoria Galsky, and Mrs. Elsie Burke.

It was announced the next meeting of the group scheduled for May 7, will have as its theme, "Flower Arrangements."

## Jefferson Faculty Present Show

Approximately 20 faculty members heard curtain calls at a variety shows in Thomas Jefferson Junior High School Thursday and Friday evenings.

The acts were introduced by Master of Ceremonies Ronald Roman and included dances, vocal numbers and comedy skits. The third annual variety show was for the benefit of a general fund for the school and will be used to supply equipment for the many school-sponsored clubs.

Mrs. Margaret Calamoneri opened the program with a song. A skit, entitled "Dr. Ben Casey," included George Asprocolas, John Gorgas and William Staples. Edward Williams portrayed Yogi Bear and Miss Doris Renaldo was Jaguar.

One quartet included Cedric Richardson, Ronald Roman, Winston Hughes and Clarence Jolly. The second quartet was Mrs. Eleanor Krasnof, Mrs. Calamoneri, Mrs. Judith Asprocolas and Mrs. Marie Brandt.

The square dancers were Charles Boyle, Charles Schweitzer, Staples, Gorgas, Mrs. Gertrude Ferrara, Miss Joan Yelencsics, Mrs. Rose Zdunek and Mrs. Janet Valocsik.

Persons who participated in a skit were Mrs. Mildred Harrison, Asprocolas, Miss Renaldo, Miss Sandra Lobel, William Rey, Williams, Gerard Gonsalves, Boyle, Schweitzer, Mrs. Valocsik, and David Guzak.

Miss Bette Lewis and her "models" presented a fashion show. Vocal numbers were presented by Hughes and Richardson. The finale was the song sung by the entire cast.

The stage settings and equipment were handled by George A. Lockett, C. Jay Johnston, Miss Marilyn Wittenbrader and George Esso.

## Area UJA Goal Set At \$40,000

The Jewish community of the greater Metuchen area has set a goal of \$40,000 as its share of the nationwide United Jewish Appeal Campaign for 1962, it was announced today by the UJA Committee of the Metuchen Jewish Community Center in Grove Avenue.

The United Jewish Appeal with a national 1962 goal of \$95 million, is the major American agency aiding immigrants to Israel and refugees and distressed Jewish families overseas. UJA aid programs are carried out by its three member agencies; the United Israel Appeal which helps to absorb immigrants to Israel; the Joint Distribution Committee, which aids Jews in 28 countries, including Israel where it conducts a special welfare program for the aged, chronically ill and handicapped immigrants, and the New York Association for New Americans which assists Jewish refugees to the U.S. The United Hias Service, which provides for the resettlement of Jewish refugees throughout the world also benefits from the UJA campaign.

The General Committee for the Metuchen UJA fund raising activities has also announced the appointment of the following groups and divisions who will assist in this year's leadership

for the Metuchen, Edison, Fords area:

Co-chairmen are: Allan A. Bass, Alfred J. Rauchman and Theodore T. Simkin. Heading the Initial Gifts Group are: David Filenbaum and Philip Gelber. In charge of the Women's Division will be Mrs. William Greenberg. David Brown, Joel Fish and Murray Gornitsky will direct the General Solicitation Committee.

The special Youth Committee will be led by Bernard Novick, Robert Forster and Rosalind Gottlieb. The Finance Committee will be headed by Herbert Grodnick and James Olkein.

The UJA Advisory Committee for Metuchen includes: Rabbi Hershel Matt, Dr. Paul Cohen, James Izenberg, A. Albert Harris, Milton Robbins, Dr. Curt Rolland, Dr. Walter Nelson, George Olmezer, Samuel F. Simkin and Herbert Weissberger.

### Meet Tomorrow

The regular meeting of the Slovak American Citizens' Club of the Raritan Bay area will be held Thursday, April 12 at 8 p.m.

Plans for a picnic will be discussed and committee chairman will be appointed.

Meetings are held at the Tumble Inn, Ford Ave., Fords.

## Garden Club Sees Flower Arrangements

Mrs. John Regan of the Nixon Garden Club, highlighted the Evening Woman's Club meeting last Wednesday at St. Luke's Parish Hall, with demonstrations of beautiful flower arrangements. She showed how simple arrangements could be made to beautify the homes as well as ones that could be entered in a flower show.

Mrs. William T. Campbell was elected president for the coming year and the following other officers are: vice-president, Mrs. Richard Carpenter; treasurer, Mrs. William Fallon; recording secretary, Mrs. Richard Miller, and corresponding secretary, Mrs. Andreas Duus.

Installation of officers will be held at the club's dinner meeting, June 13th at the Log Cabin Inn.

Miss Ann Smutny, Recreation co-ordinator of the Middlesex County T. B. & Health League, also spoke to the group and members volunteered to attend her classes to enable them to teach the aged at Roosevelt Hospital and the N. J. home for Disabled Veterans.

President Mrs. William J. Jones gave a report on the 6th District Conference she attended with Mrs. Donald Carr, Mrs. Richard Marshall, Mrs. Richard Fink and Mrs. Robert B. Smith. She also introduced a new member of the club, Mrs. Kenneth Houseman.

Welfare chairman Mrs. Richard Marshall announced a film entitled "Time and Two Women" will be shown at her home 52 Beacon Hill Dr., tomorrow evening at 8:30 by George Carlson of the American Cancer Society. Dr. R. G. Matfield will speak to the group. Easter tray favors for children at the Middlesex General Hospital and St. Peters will be made. The committee will send Easter cards and plants to patients at the Middlesex Nursing home.

Mrs. Bernard Siems and Mrs. George Robertson with Mrs. Marshall have volunteered their services at the Cerebral Palsy Center and any member of the Evening Woman's Club wishing to assist at the C. P. Center, please contact Mrs. Marshall. American Home Chairman, Mrs. Campbell announced the

## Miss Munson Sets Wedding Date

The wedding of Miss Virginia Munson of 31 Brookville Rd. and Thomas Gibbons of Winfield has been set for April 28, 1962.

Miss Munson is the daughter of Mrs. Joseph Terhune of 85 Idlewild Rd. and the late Alfred Munson. Her fiancé is the son of Mr. and Mrs. Luther Gibbons of Winfield.

A graduate of Edison High

School, Miss Munson is employed at Berkley Bakery of Highland Park. Mr. Gibbons is employed by Washington Park Esso Service Station.

Thirty-five guests attended a shower for Miss Munson given by Miss Maureen Sweeney of Brooklyn, N.Y., at the home of Mrs. Terhune.

next meeting of her department will be held April 17 at the home of Mrs. Jacob Krauzner, 41 Buchanan Rd., and anyone planning to attend please call her before the 16th.

The club accepted the boards' recommendation to donate to the

"Judy Dinnisen Fund" and also to have E. W. C. sponsor a Brownie Troop.

Refreshments, served by the hospitality committee, Mrs. J. H. Denny, Mrs. Wallis George and Mrs. George Robertson climaxed the meeting.

### Dems Support Patten

The Middlesex County Democratic Organization has made no secret of their unqualified support of popular Edward J. Patten as candidate for nomination for the coveted 15th District Congressional seat.

With the announcement of the candidacy for two men, both staunch Democrats, both well-known and both with many followers, the Democratic party had to make a choice of the man they would support. When all the pros and cons were weighed and evaluated they concurred Patten was their man.

The genial former Secretary of State Patten has a list of accomplishments in public life that would merit pride. Time and again he has come before the voters asking for their support to elect him to offices where he served the people. His dedication to his pledge to the people is verified by his accomplishments.

The new congressional representative must be a man who will best serve the people of the County. The 15th District is a new frontier for the people of Middlesex County and new frontiers take experienced, dedicated, proven leaders.

Edison voters will serve themselves well to nominate a man like Patten to represent them in Congress.

### Stockwell Denies Solicitation Calls

H. Edwin Stockwell, president of the United Cerebral Palsy Association of Middlesex County has issued the statement that the county organization is not conducting a telephone solicitation of old clothing.

Telephone calls to Middlesex County residents, in the name of Cerebral Palsy, are being made by another organization outside the county and will in no way benefit the United Cerebral Palsy Association of Middlesex County or the United Cerebral Palsy Association of New Jersey, according to Stockwell.

"If residents of Middlesex County would like to assist the work being carried on to rehabilitate cerebral palsied victims of this area, by donating clothes or other articles no longer wanted, please call the United Cerebral Palsy Association of Middlesex County at LI 9-5580, and arrangements will be made to have the material picked up," added Stockwell.

### Flood Damage Is Deductible

Internal Revenue Service announced today that the new law signed by President Kennedy on March 31, 1962 permits taxpayers who have suffered property damage from storms and flood earlier this year to deduct the casualty losses on their 1961 returns.

Taxpayers who have already filed their 1961 returns can file amended returns to claim their losses, IRS said. Internal Revenue said that the new special treatment is limited to taxpayers whose property is in an area determined by the President to warrant Federal disaster assistance.

So far 11 states have been determined to warrant such assistance and tax relief for disaster victims. The states are: Idaho, Nevada, Colorado, Delaware, Maryland, New Jersey, Virginia, West Virginia, Kentucky, North Carolina and New York.

### Westinghouse Union Endorses Patten

Edward J. Patten, Democratic Organization candidate for the 15th Congressional District nomination, has been unanimously endorsed by the Westinghouse union's Local #401, I.U.E., which consists of 1600 members at the Edison plant.

Edward G. Devlin, President of the union, announced the endorsement following the local's membership meeting, at which Patten was backed for the Congressional seat. The meeting was held at the United Auto Workers' Hall, Vineyard Road, Edison.

Devlin said, "Edward J. Patten was a friend of labor when he was Mayor of Perth Amboy, Middlesex County Clerk and N. J. Secretary of State. He is a progressive and responsible Democrat, who would support bills and programs that help union members."

The president of the Westinghouse union cited some of the federal legislation Patten has supported during the present Congressional campaign which would benefit unions and their members.

Extension of supplemental unemployment insurance benefits; establishment of a Manpower Development and Retraining Program for workers thrown out of work because of automation and other reasons; federal aid to education; medical care for the aged; expanded civil rights; expanded housing and urban renewal programs; a public works program in areas suffering high unemployment; liberalized Social Security benefits; and other proposals that would aid union members.

### Grist From The Mill

by Clifford L. Miller

ED PATTEN'S visit to the home of Mr. and Mrs. Abe Fisch in Twin Brooks was responsible for an improvement in more than representative government. Tobey Fisch has been trying for a year to get Abe to repair the hole he left in the ceiling of the recreation room when he repaired the drain pipes above. Even the needling of his neighbors had failed to shake Abe's serene contemplation of the jagged gap in the plaster from the vantage of his reclining easy chair. But when he came home one day three weeks ago and dropped the bombshell that she was to be hostess for a campaign soiree, if there hadn't been a hole there before, it surely would have appeared then. This story has a happy ending - Abe had it fixed.

THE JUNIOR BASEBALL LEAGUE under the guidance of General Manager Paul Fox, player's agent Ken Fellows, and other devoted men will hold the annual tryouts at Lindenau Field this Saturday and Sunday. One of the boys that every manager has been hoping to land is young David Bernotsky, the tricky twirler from Ashley Road, who baffled the batsmen in the Little League last year while his teammates squeezed out runs when needed. Davey's dad managed the Cardinals to their first Edison Little League pennant and is now moving up to the Junior circuit as a manager. Since League rules provide that a father-manager

has first choice for his own son as a player, all of the other managers might just as well look for someone else. Mike Bernotsky picks Davey Bernotsky.

NEW BRUNSWICK guests at the Congressional Ball table of Marlon and Freeholder Joseph Costa were Senator and Mrs. John A. Lynch and Commissioner and Mrs. James A. McGarry. They joined the party formed by the Democratic Committeemen, Committeewomen, and their spouses, in the four Districts into which Costa's old 9th District is now divided. It must have made Joe feel a little conscious of his political fecundity to see 16 people sitting where once sat only he and Marlon.

NOBODY dances the Polka like the Pollacks. But what happened when Ed Kaminsky, Democratic Committee candidate in the 29th District, tried to "Roll Out The Barrel" with the Committeewoman of the 28th District? Eleanor Sheridan (her husband is that big Irish cop with the sergeant's stripes) can cook, talk, and dance in Polish but after two times around the floor with Ed she said something that sounded like, "Nierozumieczyt nyz", and they quit dancing until the next waltz. Ed says he is a little out of practice since he doesn't go to the Falcons on Friday nights anymore.

## Officials To Plan Arsenal Land Use

The first step in a total plan for usage of Raritan Arsenal land will begin Monday when Edison officials will meet with county and state committees to coordinate their proposals.

As was suggested by Robert Steadman, economic advisor in the Federal Defense Department, at a meeting earlier this month, and stressed by county officials, the municipalities, county and state must be ready to present an organized plan, agreeable to

all levels of government to the General Services Administration to assure proper release and development of the 3200 acres of Arsenal land.

According to James Roosevelt, business administrator, although Edison would like to have the present administration building at the Arsenal to use as a Municipal building, he feels the Federal government will keep it for its own uses.

Roosevelt pointed out, if Edison could obtain the building,

it would make ideal offices for the local government and would release the present Municipal Hall, in Plainfield Ave., for the Police Department, or possibly for the library.

Although the state, the county and Edison, have all expressed desire for various areas of the Arsenal for their own uses, there has not been a definite plan released which denotes and stipulated purpose.

Mayor Anthony M. Yelencsics has stated his prime interest is to assure the mayor sections of the property be used for industrial purposes, noting that the township needs ratables and employment to counteract the closing of the Arsenal as a military installation.

Possible county uses included homes for various departments, such as the Road Department, Department of Weights and Measures, or the Election Board.

A county junior college or detention home has been suggested for the area which is now housing army personnel, the hospital, and the golf course.

## Doctors Approve Hospital Plan

While speaking to the Edison Lions Club members at the Pines, Vincent Huether, executive vice president and chairman of the board of the Community Hospital Group, Inc., stated that every area doctor queried so far about the proposed 200 bed hospital planned for erection in Edison has indicated wholehearted approval of the project.

Huether went on to stress the urgent and dire need for the hospital, pointing out that population growth in the central New Jersey area continues to grow by leaps and bounds and all signs indicate that the area will continue to grow over the next 10 to 20 year period without any let up.

The speaker emphasized that not everyone was aware of the importance or significance of the fact that the council of Edison Township has provided the 45 acre land site for the hospital. Huether stated that the committee is most grateful for the council's cooperation.

In other business, Charles Silagy, co-chairman of the forthcoming Charity Ball which is to be held at the Pines on May 12 and which is to benefit the build-

ing fund of the proposed hospital, announced that ticket sales are going exceptionally well, with most medical and dental groups indicating a desire to attend.

Dr. Rudy Domino, sight conservation chairman, stated that the club has netted over \$100 from the sale of stamps. The money will be used to pay for eye examination equipment installed by the Lions Club at the new eye clinic of the Edison Township Health Center.

"Ballet Anyone?"—Four of Edison's loveliest "dance hall girls" are shown above rehearsing for their part in "El Rancho Edison," a two-act variety show to be presented Thursday, Friday, and Saturday at 8 at the Edison High School Auditorium. The chorus line includes from left to right: Chris Braun, Joseph Kruger, Walter Ostergaard, and George Merkel. With a cast and crew of over 100 singers, dancers, and behind-the-scenes workers, the show went into dress rehearsal Monday night. Directed by J. "Peppy" Varga, recreational director of Personal Products Corp., Milltown, the home-talent show is being produced by the Associated P.T.A. Scholarship Fund of Edison Township. Funds from the show will provide scholarships for worthy Edison High School Seniors. (Photo by Coronet Studio)

## Amboy Hospital Sets New Record

At Perth Amboy General Hospital during March the pathology laboratories performed 17,144 diagnostic procedures. This is a new record, according to a report released by director Robert S. Hoyt.

During the period 1,318 patients were admitted. Staying an average 7.8 days, they required 11,952 days of care and 1,654 x-rays. 829 operations

were performed and 185 babies were born.

The Emergency Room treated 1,107 patients, including 126 involved in automobile accidents.

## Move to Edison

Mr. and Mrs. Louis Milroad of North Arlington, New Jersey have recently taken occupancy of their new home at 24 Cedar St., Menlo Park.

Purchased from Mr. and Mrs. Robert Buerk, the house is a four-room frame bungalow, on a 100 by 150 foot lot.

Listed by Victor Katen Agency, the sale was made through Lechner-Timpson Co., Metuchen, with Frank Ferreira as sales representative.

**Special additive in today's Shell Heating Oil helps give more warmth per gallon, top heating performance**

THERE'S a new additive in today's Shell Heating Oil. Called FOA-5X®, this Shell product works round the clock to protect your fuel system—from storage tank to burner head.

FOA-5X helps reduce build-up of heat-robbing deposits that can collect in critical areas of burner nozzles. It lets Shell Heating Oil burn in a radi-

ant, even flame. It helps reduce service calls and expense. The result: more warmth per gallon of fuel—top heating performance at minimum cost.

Before you buy your next gallon of heating oil, call us. We will give you complete details about Shell Heating Oil with FOA-5X and about our services.

# The DRAMA DESK

BY GORDON UNDERWOOD

BONIFACE BARNEY Ballon of "The Fireside" pioneered live theatre on the local grocery-and-grog circuit last fall with "Born Yesterday," and later followed-up with a fine production of "Caine Mutiny." His latest, a musical revue, "From Under The Table" is perhaps the type of entertainment best suited to the intimate confines of the Fireside setting.

The tab revue presented by Actor's Showcase features five talented performers, back-stopped by a crackerjack pianist named Joseph Rademacher. Much of their material is saucily satiric and sophisticated and all of it is wisely within the bounds of good taste.

In solo, Natalie Fine delightfully delivers a witty "Ode To Mr. Clean" and a hilarious housewife commentary on "Green Stamps;" Robert Blumenfeld bemoans his frustrated fate as an unsuccessful philan-

derer; Doris Meyer vocally examines the habits of "Robert The Rabbit;" Virginia DeAngelis does a nifty "Boston Beguine," and Ernest Albrecht makes the most of his "Keep A Stiff Upper Lip" routine. In pairs and altogether, short skits by the showcasing actors and a neat bit of tapping by Doris Meyer and her girl friends round out the revue. It is a pleasant way to spend a Saturday evening.

## Teachers To Hear Frank Gervasi

Frank Gervasi belongs to that glamorous group of journalism's elite--the roving foreign correspondent who captures readers' imaginations with colorful, personalized eyewitness reports from the hot news centers of the world.

The famous foreign correspondent, who appears on May 1st at Greenbrier Restaurant to speak before the Middlesex County Teachers Association - Legislative Dinner has been based in Rome for the past dozen years, making only sporadic visits home.

For more than a quarter century, he has been traveling, studying and observing the political and economic scene in Europe, Africa and the Middle East.

Gervasi has authored two books, "Big Business" and "To Whom Palestine?" He has visited Palestine, now Israel, many times as a journalist and businessman. His book, published in 1946, predicted the creation of the Jewish State.

Since his return to the United States in 1961, he has been lecturing widely and is busy writing his first novel. Also on the agenda is a book on Fascism, its origin, rise, decline and fall, a subject he knows well through his long years in Italy.

Three scholarship winners will be announced at the dinner. The distinguished service award will be given to the leading educator in Middlesex County for the school year 1961-62.

## To Present "Wizard of Oz"

The nationally known Suzar Marionettes will present the "Wizard of Oz" on Sunday, April 29 at the Madison Township High School, Route 9 and 18, sponsored by the Sisterhood of Temple Beth Ohr.

Performances will be at 2 p.m. and 4 p.m.

## Oscar Derby Winners

Edwin Deyter, Jr. of 9 Windsor Road, Edison, picked five-out-of-six Academy Award winners in our 'Oscar Derby' and won first prize. Stella Kolinowski of 111 Meredith Road, Colonia, was second with her five-out-of-six but mailed her entry one day later than Deyter, Jr. The earliest entry with four-out-of-six was Mrs. Robert Rawlins of 26 Eardley Road, Edison, our third prize winner.

Picture of our winners will appear in next week's edition.

## Photo Exhibit At Cinema

The Cinema at Menlo Park Shopping Center is presenting a photographers print exhibit now thru May 6th inclusive. Participating are twelve members of Central Chapter of the Professional Photographers Association of New Jersey.

The Exhibit, under the chairmanship of Mike Q. Coronet Studio, Edison, consists of 96 photographs representing the work of new members to the profession as well as photographers of long standing reputation. Among the exhibitors are Frey Sen Studio, F. S. Petercsak, and Gene Lucas of Metuchen; Koolkin Studio and Jack N' Jill Home Studio of New Brunswick; Douglas Meaney Studio of Plainfield; Orren Jack Turner and Artistic Photography of Princeton; Urban's Cottage Studio of Woodbridge; Edward Burke of Old Bridge; Peskin-Goldman Studio of Lakewood; and Coronet Studio of Edison.

Congratulations go to Mr. and Mrs. Michael Yanick of 6 Harrison Ave. They have a baby boy. His name is Paul Mark.

Mr. and Mrs. Mike Esso are the proud parents of their first child a baby girl, born April 4. A baby shower was held for Mrs. Samuel Sitem of Mill Rd. The shower was given by Mrs. William Baum and Mrs. Saverio Dandola. Twenty guests gathered for the occasion at 4 Adele Ct. the home of Mr. and Mrs. Baum.

Karen Kuria who is a very "hep" gal delighted her friends by having a Twist Birthday party. She was eight on April 7. Those who attended her party were: Linda and Sandy Soloman, Barbara Saffer, Judy and Margie Anderson, Candy Christiansen, Patty Ann Hrenick, and Joanne Drotar.

Others who had birthdays recently are: Mrs. Anna Bolyog of 37 Candy Court was 86 on April 4. Mrs. Gerard Kelly of Old Post Rd. was taken to the Edison House for dinner and to a show for her birthday on April 5. Marilyn Nagy was two on the same day. Janice Darlene Breza had her second birthday celebration April 10.

I'd like to urge all residents of Districts #12 and #13 (Bonhamtown, Nixon section) to back our two Edison news carriers. They are Kevin Kelly Li-8-5575

## Memorial Fund Aids Three Groups

Contributions of \$1,650 each were presented this week by the Wesley T. Hansen Memorial Fund to United Cerebral Palsy Fund, Middlesex County, American Cancer Society, Middlesex Chapter, and Perth Amboy Lodge of Elks Crippled Kiddies Fund.

Checks totaling \$4,950 were presented to representatives of three organizations by Mrs. Hansen in the offices of Local 373, International Association of Bridge Structural & Ornamental Ironworkers, AFL-CIO, in Perth Amboy, N. J.

Before his death recently, Mr. Hansen for many years was business manager of Local 373, chairman of North Jersey District Council of Ironworkers, first vice president of New Jersey Building & Construction Trades Council. The veteran labor leader also was a member of Perth Amboy Housing Authority and active in civic and fraternal groups.

John Wade, who has succeeded Hansen, and Arthur Jensen, the local's president, said the contributions to the three Middlesex charities represented donations from local ironworkers unions throughout the country in lieu of flowers for Mr. Hansen. Accepting the checks were Herbert Ulmer, Cerebral Palsy; Alfred Dietzel, Cancer Society, and William Varady, Perth Amboy Elks.

Local 373 recently contributed \$5,000 to the Rutgers University Institute of Labor-Management Relations in memory of Mr. Hansen. The institute's building is now under construction.

Mrs. Wesley T. Hansen, center, presents checks of \$1,650, on behalf of the Wesley T. Hansen Memorial Fund to Alfred Dietzel, left of the Middlesex County Cancer Society, and Herbert Ulmer, right of the Middlesex County Cerebral Palsy Fund.

## Spring Dance

Mrs. Nicholas Colombaris of 6 Moryan Rd., Edison, is serving as chairman for a spring dance to be sponsored by the PTA of St. Demetrios Greek Orthodox Church, Perth Amboy, Sunday, May 6, at 8:30 p.m., in the church hall.

Funds will aid in PTA projects, including purchase of a sound movie projector and religious volumes for the proposed church library.

## Move To Edison

Mr. and Mrs. Joseph Gallagher of Newark, N.J. have purchased a 5-room ranch home at 18 Sturgis Rd., Nixon Park and took occupancy April 4.

Former owners, Mr. and Mrs. James Riley Jr. are moving to Edison Village.

The transaction was made through Lechner-Timpson Co., of Metuchen, with sales manager, Stanley Lease handling the transaction.

## Youth Symphony Concert Apr. 15

The Middlesex Youth Symphony will present a special concert dedicated to the memory of Allen E. Warner, a former member of the Douglass College Music Department, on April 15.

The program is sponsored by the Douglass College Department of Music in cooperation with the Middlesex County Music Educators Association. It will be held at Voorhees Chapel at 3:30 p.m. There will be no admission fee.

The Middlesex Youth Symphony is composed of young people from Dunellen, East Brunswick, Edison, Keyport, Middlesex, New Brunswick, Piscataway Township, Plainfield, Sayreville, Metuchen and Highland Park.

The conductors are Max Pecker, former conductor of the New Brunswick Symphony, Jerry

Kupchynsky, director of instrumental music at East Brunswick High School, and Daniel Schuman, assistant professor of music at Douglass.

The Youth Orchestra rehearses each Friday from seven to nine p.m. in the music building at Douglass College.

## Suggestion Plan Marks 20 Years

During the month of April employees at the Hyatt Bearings plant in Clark, New Jersey will be taking part in a special Suggestion Campaign celebrating the 20th Anniversary of the General Motors Suggestion Plan.

In the twenty years that the General Motors Suggestion Plan has been in operation, over \$40 million in awards have been made.

Last year at the Clark Plant thirty percent of all suggestions won awards.

## Oak Tree

Mrs. E. Berto

LI 8-1858

Mrs. Catherine Purgavie of Trenton is spending a few weeks with her son and family, Mr. and Mrs. Robert Purgavie of Oak Tree Road. Mrs. Purgavie, who at 72 is quite a traveler, spoke of her recent experience while in Cocoa Beach, visiting her daughter, Mrs. Thomas Kelly. Mrs. Purgavie had the pleasure of meeting Marine Lieutenant Colonel John Glenn.

According to Mrs. Purgavie, she had gone to 9:30 a.m. services at the Presbyterian Church near Cape Canaveral, when the astronaut came in with another young man and sat near her. After the service, he shook hands and exchanged greetings with her, even signing his autograph for her. As they stepped outside the church, they could not move because of all the people, photographers and newsmen. Mrs. Purgavie said that Glenn was very nice about it, smiling and trying to shake hands with everyone. Her biggest thrill and surprise was seeing herself, Glenn, the

sion consultant at the United States Life Home Office; pension consultant with Kwasha, Lipton and Clark; Alexander and Alexander Inc., and Joseph Froggatt and Co. prior to his joining White and Winston last year.

He resides with his wife and six children at 76 Sharon Ct., Metuchen.

church and all the people on a television special the next morning over Dave Garroway's show.

An Open House will be held in the new Education Building on Palm Sunday April 15 between 3:00 p.m. and 4:00 p.m. at the New Dover Methodist church. Parents and friends are invited to visit the classrooms and wander through at your leisure.

The next regular meeting of the Men's Club of the New Dover Methodist Church will be held April 27 at 8 p.m. The Men's Club and the MYF - Methodist Youth Fellowship - are sponsoring the April covered dish supper. The entertainment will be a magician performing especially for the children. The program will start immediately after the supper which will be held at 6 p.m. on April 29.

Cub Pack 24 met at the Oak Tree School cafeteria Friday evening at 7:30 p.m. The opening ceremony was conducted by Den 1, under the guidance of Mrs. Alexander Petrunicola, Den Mother. Dens 1, 3, 4, 5, and 7, presented skits on Islands Of The World, their theme for the month. The honor of holding the Cubby for the month was split by Dens 2 and 4.

Cubmaster Petrunicola told the parents of the coming Pine Wood Derby Contest. Each Cub Scout received a kit and would get together with their Dads to work on their project, being ready to race at their next Pack meeting.

Also on April 14 the Pack would take a trip to the Edison Laboratories in West Orange, The Thomas Edison Shrine. The theme for the April pack meeting is Cub Scout Troubadours.

Celebrating his 10th birthday April 8, was Glenn Linczyk, son of Mr. and Mrs. S. T. Linczyk of Old Raritan Road. Guests included James and Gregg Jubak, John Romanofsky, John Peters, Douglas Corey, Thomas Moran and David Medisci.

Also celebrating this week were: Jamie Grausso, Grove Ave.; Allan Forgioni, Freedmon Ave.; Marion Heisler, Mundy Ave.; Daniel Jordan, Oliver Ave.; Henry Tempe, Tingley Land and Michael Senkew of Grove Ave. A Happy Birthday to all!

The Fourth Quarterly Conference, with the Rev. Harry Goodrich, District Superintendent presiding, was held recently with the Junior Youth Fellowship presenting a Lenten play entitled "The Shepherds' Reunion" directed by Mrs. Audrey Waeger and Mrs. Audrey Davis.

Members of the Youth Fellowship participating included Catherine Thomas, Michael Hryshkanych, Jeanne Kendrick, Susan Anderson, Linda Ostlin, Gary March, Wayne Peterson and Elaine Waeger. At the close of the Conference, movies of the ground breaking ceremony and consecration services of the new Education building were shown. Mrs. Waeger, Advisor of the

YPF, closed with the announcement that the Youth Group is planning a trip to the American Bible Society in New York on April 25. Time of departure will be announced.

Brownie Troop 2, under the leadership of Mrs. Harry Parsons, held their regular meeting Friday afternoon and practiced their dance for the annual Metuchen Area Council May Festival which will also be a celebration of 50 years of Girl Scouting.

Plans were made for their coming trip to Terry Lou Acres on Old Raritan Road. Terry Acres is a Game Farm run by Franklin Terry and is at the intersection of Old Raritan Road and Terril Road. Terry has many of the animals from Deer Park, among them are Deer, Llama, Honey Bear, Rabbit, a Mountain Lion, Buffalo, Sheep and Goats.

He also has a section for Pony Rides, a main attraction for the young. The girls are also working on get-well cards for one of their members -- Anne Peters who is convalescing at Muhlenberg Hospital from a recent car accident.

The New Dover Methodist Youth Membership Class plan to visit the St. Cecelia Roman Catholic Church on Palm Sunday, April 15, at 3 p.m. The Rev. DeMarcelis will speak about Roman Catholicism and a guided tour of the church will be held. On April 28, the class will visit the Jewish Synagogue in Avenel at 2 p.m.

Congratulations to Mr. and Mrs. Alexander Hoch of New Dover Road whose 17th wedding anniversary was celebrated at home with a family party on Saturday, April 7.

## PTA Elects

### Mrs. Harry Holt

Mrs. Harry Hold was elected president of the James Madison School PTA at a meeting held in the school last week.

Other officers elected were: Vice president, Mrs. Kurt Koerner; second vice president, Mrs. Samuel Moore; recording secretary, Mrs. Delbert Hoffman; corresponding secretary, Mrs. Charles Kohlbusch; treasurer, Mrs. Edmund Kuell, and honorary vice president, school principal Joseph Kreskey.

It was announced the Spring Open House will be held in the school May 3 from 7:30 to 9 p.m. There will also be a bake sale.

## That's Where The Money Goes

Next Monday is the deadline for Federal Income tax returns, and employees at the Westinghouse television-radio division in Edison had a total of \$1,791,779 taken out in payroll deduction during 1961 for Federal withholding and Social Security taxes.

Payroll deductions at the local Westinghouse plant last year also included \$371,701 invested in United States Savings Bonds and in Westinghouse stock under the company's employee stock purchase plan.

## Boy Scouts Honor Andrew Turnbull

Andrew Turnbull of Boy Scout Troop 44 was awarded the highest rank in Scouting Thursday evening during an impressive candlelight ceremony called "Lighting the Eagle Trail". President of Raritan Council, Herman Stern, made the presentation. Andrew, in turn, presented miniature replicas of the Eagle Scout Badge to his parents, Major and Mrs. S. Jay Turnbull.

Stern read and presented to Andrew a citation from Joseph A. Brunton, Jr., Chief Scout Executive. Andrew also received the American Legion Good Citizen Award from Commander John Kortz of the Legion's Colonia Post.

Andrew Turnbull, 15, is a student at Colonia Junior High School. He transferred to Troop

and Dr. Raymond J. Curcio, D.D.S., medical; and William B. Hegedus, civic organizations.

Charles W. Wira, Charles Mitchell and William B. Hegedus have been named committee chairmen for auditing.

Members on the special committee include: William J. Gambocz, Edward Grygo, Mrs. Frank Doll, Charles W. Wira, Mrs. William Kuprick, Mrs. Joseph Hanish, Mrs. William Aspinwall, Mrs. Richard Gallagher, George Ruddy, Sol Cohon and Mrs. James A. McGuinness.

Executive board members of the Friends of the Library are: Mrs. Wira, president; Mrs. Charles Mitchell, first vice-president; Mrs. John Powers, second vice president; Mrs. Ernest Downie, treasurer; Mrs. Donald Davison, recording secretary; Mrs. Kenneth Logan, corresponding secretary; and Mrs. Edward Crooker, librarian.

Mrs. Wira announced the co-operation of the Superintendent of Schools, Joseph M. Ruggieri, is making it possible for the library organization to obtain posters from the Edison High School and the Thomas Jefferson

Junior High School. These posters will be exhibited at the group's June 4 meeting at the Clara Barton School, and then distributed throughout Edison Township.

It was pointed out by Mrs. Wira that two young men, students at Edison High School, a senior and a junior, have volunteered to work with the younger citizens.

## School Observes Career Week

In observance of National Beauty Career Week Frank's School of Beauty Culture Inc. of New Brunswick has distributed literature, concerning the advantages of a career in beauty culture, throughout local high schools.

Mrs. Richard Tossell of Old Bridge, representing the company, has been lecturing to students in high schools. Mrs. Tossell is a student at the beauty school and is training to become a teacher.

Frank's Beauty School is holding open house during the week. The special week is sponsored by the National American Cosmetology Schools.

## Squad To Hold Fashion Show

Capt. Matthew Curto, of the Edison First Aid Squad 2 reported the annual fund drive will be completed by the end of the month, at the monthly meeting held last week. Mrs. Gloria E. Day presided at the meeting, in the absence of president Alexander DiFrenza.

A Fashion Show, to benefit the fund drive, will be held at the Squad House, Route 27, Menlo Park, on Friday, April 13. Mrs. Day will be hostess.

Safety precautions enroute to and from ambulance calls were stressed by Lt. Malcolm Thorne.

Lt. Michael Arace reported 53 calls were answered by members of the squad during the month of March. These calls involved 234 man hours. There were 23 emergency, 20 transportation and 10 miscellaneous.

Major repairs of the ambulance have been completed and the ambulance is on full time call once again, according to Lts. Louis Sands and Thorne.

## Girl Scouts To Change Age Groups

Names for four age levels within the Girl Scout program, to replace the three-level structure that the organization has used since 1938, were announced today by Mrs. Charles U. Gulmer, President, Girl Scouts of the U.S.A.

Beginning in September 1963, age groupings for the 2,685,000 girls in Girl Scouting will be as follows: Brownie Girl Scouts, aged 7 and 8 years; Junior Girl Scouts, aged 9, 10, and 11 years; Cadette Girl Scouts, aged 12, 13, and 14 years; and Senior Girl Scouts, aged 15, 16, and 17 years. Until that time, troops will continue in the present pattern of Brownie Scouts aged 7 through 9, Intermediate Girl Scouts aged 10 through 13, and Senior Girl Scouts aged 14 through 17.

The sequence of names, according to Mrs. Gulmer, has been selected to give a feeling of progression through the entire Girl Scout age range of 7 through 17 years. "Brownies" is the popular name for the youngest members of the Girl Guide/Girl Scout movement around the

world. "Junior" indicates that the girls just beyond Brownie Girl Scout age look forward to moving on into the more advanced levels within the program. "Cadette" is an adaptation of the word "cadet", used in its historic sense to describe a younger son of a great family. The Cadette Girl Scout as the second oldest daughter or sister in the Girl Scout family is training herself for her future. "Senior" clearly identifies the status of the high school age group as the oldest girl members in Scouting.

The background for program change was supplied in part by two studies conducted for the Girl Scouts of the U.S.A. by the Survey Research Center, University of Michigan, 1955-1958. The first study dealt with needs and interests of adolescent girls, both within and outside the Girl Scout organization, and the second study with attitudes of Girl Scouts and their leaders toward the existing program.

There will be no change in the fundamental elements of the Girl Scout program, which were shown by the University of Michigan study to be as valid today as they were 50 years ago. The entire structure will be streamlined, however, and a careful design for progression will be built on the development pattern of girls growing up in the United States of America in the 1960's. A major objective is to make the Girl Scout program of informal education a more effective complement to the present-day school curriculum.

The new age levels will become effective with the simultaneous release of four handbooks for girls in September 1963. Preparations for a smooth transition in the fall of 1963 are already under way in Metuchen, Edison Township and Menlo Park Terrace, according to Mrs. William V. Cariste, President of the Metuchen Area Girl Scout Council.

Mrs. D. Vizthum has been appointed Program Launching Coordinator for the entire council area. She will coordinate a large-scale effort to explain plans for change to the Girl Scout family and to other community groups that work closely with the Girl Scouts; to organize troops within the present three age levels in such a way that the change to four levels may be accomplished without confusion; and to train the council's 663 adult volunteers in details of the revised program as soon as information becomes available.

## Boy Scout Troop 12 Holds Court of Awards

Boy Scout Troop 12, sponsored by Piscataway School No. 3 held a Court of Awards and parents night in the school.

George Smith, district commissioner, made the presentation of the charter, and John Hehn, committee chairman, accepted in behalf of Troop 12.

During the court of awards, Virgil Sargeant, assistant Scoutmaster, presented tenderfoot awards to Richard Barr, Stanley Bleckicki, William Hudson and Carl Curcio.

Remson Kentos, assistant scoutmaster, presented the second class award to Neil Hendrickson.

Gary Schmidt was the recipient of the first class award, presented by Fred Longenohl, assistant scoutmaster.

Merit badges went to Remson, Kentos for swimming, and Jay Tharas for citizenship in the nation, presented by committee man Edward Kimball.

Emil Matula, committeeman, made the officer warrant presentation to William Enoch for bugler.

Service stars were presented by John Hehn, committee chairman for first year to: Neil Hendrickson, Richard Hoffman, Richard Smith, David Weishaar, Bruce Harkins, Kevin Casey,

David Fink, Emil Katula, John Miller, Robert Minisi, Michael Mound, Kevin Page, John Stefanl, Henry Van Liew and Benno Van note.

Recipients of second year service stars were: Gerard Alarie, Michael Ciencia, William Enoch, Michael Harrison, Robert Jorvath, Dennis Miller, Joseph Newmann, John Spielberg, Ronald Kermes, Roger Kermes, David Colletto, Robert Machi, Thomas Moran, Virgil Sargent, Gary Schmidt and Joseph Lona.

Third year service stars were presented to Michael Brown, Richard Hehn, Robert Huegel, Edward Kimball, Kevin Kelly and Remson Kentos.

John Tharas, Neil Toblason, Charles Schneider and Douglas Smith were recipients of four-year service stars.

A skit on "Water" was presented by the comedians of the Harrison patrol. A camping demonstration skit was depicted by the Raccoon patrol.

Nicholas Slavick, institutional representative for Middlesex Council Boy Scouts, addressed the group briefly.

Neil Toblason and Jay Tharas, scouts of Troop 12, received the Ad Altare Dei award from Bishop George W. Ahr in Trenton. This achievement is the highest award

## Start Construction On Hospital Wing

Ground was broken last week for a new wing being built at the Middlesex Rehabilitation and Polio Hospital in North Brunswick.

Located parallel to and on the east side of the original building the new wing will be joined to the existing structure by a short corridor. The new wing will provide adequate space for a kitchen, dining room, storage facility and a medical examining room. In addition, a central heating plant will be installed to replace the original equipment which will be kept to provide emergency service.

Construction will be in excess of \$100,000 said Maurice Dorsen, Hospital Administrator, and was made possible by financial assistance offered the non-profit voluntary Rehabilitation Hospital by the Middlesex County Freeholders, the Robert Wood Johnson Foundation, the Hospital Women's Auxiliary, and donations

from the many friends of the hospital during the past few years.

The new construction will help to relieve the present overcrowded conditions and help to provide additional urgently needed bed space. Plans for the expansion were approved by the New Jersey State Board of Control of the Department of Institutions and Agencies and completion is expected in the early fall.

The Indri Construction Company of Highland Park was awarded the construction contract. Machine Craft was awarded the contract for the kitchen equipment.

The Rehabilitation and Polio Hospital is a member agency of the United Funds of the New Brunswick and the Raritan Bay Area and the Hospital is a member of the American Hospital Association, the New Jersey Hospital Association and the Conference of Rehabilitation Centers.

Edward Patten, candidate for the nomination for the 15th Congressional seat, was greeted in Edison at Linwood Grove Saturday by his campaign manager, Mayor Anthony M. Yelencsics.

## Patten Rally

(Continued from Page 1)

one of the 25 municipalities in the county had demonstrated their solid support of a single candidate by their united sponsorship of such an affair. A hand-lettered parchment scroll, bearing the names of all the municipal chairmen and attesting to their regard for Patten, was presented in a simple ceremony.

Patten's campaign manager, Edison Mayor Anthony M. Yel-

encsics, introduced the candidate, Patten spoke briefly. He thanked the assemblage for the 100 per cent representation of every municipality that they presented, posed for a few photos, and then joined the guests at the tables. He and Mrs. John A. Lynch and the Assemblymen, Freeholders, and Mayors and their wives that had flocked there to bear testimony to their support.

An entertainment feature of the evening was the introduction of the Patten campaign song, "Patten For Congressman", by

## Democrat Dr. I.L. Kerrison Says He Will Run Again

Dr. Irvine L. H. Kerrison is a man of his word. Moments after the Rutgers professor was defeated in the 1962 Borough Council race, he told fellow-Democrats he would "give his best next year."

DR. I. L. H. KERRISON

His candidacy was announced today by Theodore Blostein, Democratic municipal chairman, who lauded Dr. Kerrison as "a man of the highest caliber."

Dr. Kerrison, 46-year-old director of development and professor of management and labor relations at the Rutgers University Institute of Management and Labor Relations, is the second announced candidate for the 1963 borough election.

Robert F. Flanagan, former councilman, will head the Democratic ticket in his bid for mayor.

The party's other council candidate has not been named.

Republican Walter K. Timpson, incumbent mayor, had no comment to make on whether or not he would seek reelection. GOP Councilmen John A. Ports and Timothy Moriarty Jr. last week said they would not run this year.

The party that wins two out of three seats in November gains control of the borough government.

Dr. Kerrison, who ran third in last year's election of two councilmen, polled just over 100 votes less than the second biggest vote-getter, Councilman Nicholas Alicino.

A native of Oldham, England, Dr. Kerrison moved to this country via Canada at the age of 13. He was reared in Detroit and moved to Metuchen in 1947, when he joined the Rutgers faculty.

He resides at 27 Newman street with his wife, Eleanor, and daughter, Marguerite Louise, a high school junior.

He is a trustee of the Metuchen Free Public Library and a member of the executive board of the Child and Family Service Bureau. He was 1962 campaign chairman for the Colleges and Schools Division of the United Fund and 1961 campaign chairman for the Middlesex County Mental Health Association.

He is a member of St. Luke's Episcopal Church and various educational, welfare and industrial relations organizations on federal, state and local levels.

Dr. Kerrison has served on labor arbitration panels of the American Arbitration Association, Federal Mediation and Conciliation Service, New York and New Jersey State Boards of Mediation. He is the author of two and editor of three volumes on industrial relations and has written numerous pamphlets and periodical articles in that field.

He received bachelor's, master's and Ph.D. degrees from Albion College, Wayne State University and Columbia University, respectively.

Before joining the Rutgers faculty, he served, at various times, as industrial relations advisor to U.S. Operations Mission to Thailand and to the Thai Department of Public Works in Bangkok, as a consultant to the U.S. Mutual Security Agency in Washington and as a lecturer in economics at the University of Michigan.

ARTISTS AND MODELS—Members of B'nai B'rith, Ramoth Chapter of Metuchen, preview styles and paintings to be part of the chapter's fashion and art show Wednesday in Temple Neve Shalom, Metuchen. Models (l-r) are Mrs. Henry Cohen, Mrs. Henry Karger and Mrs. Albert Cohen. The program will begin at 8 p.m.

## Metuchen Newsdealers Have Anti-Smut Plan

Metuchen newsdealers will establish separate sections in their stores for "adult" publications in an effort to discourage minors from browsing through "girlie" magazines.

They will police the special sections to keep youngsters out.

In some stores, magazine displays for teenagers will be established or enlarged.

Five dealers this week jointly advised Mayor Walter K. Timpson and members of Borough Council of their plans to alter the magazine displays.

Participating are the Corner Confectionery, Danford's Corner, Thomas N. Perri, Seldow's and the Village Sweet Shop.

Mayor Walter K. Timpson is "very pleased" with the proposed action.

He read a letter detailing the plan at a council conference session Monday night.

The merchants' move followed "recent unfavor-

able publicity" regarding their businesses. William R. Angle of 167 Middlesex avenue has been waging a one-man fight to rid borough newsstands of "girlie" magazines.

"We are obliged to carry and display a wide variety of reading material in our businesses and are in business to serve the entire public," the letter stated.

"We can agree, since we are parents as well as businessmen, that all the publications we offer for sale are not in the best interests of minors and have in the past refused to sell these publications to them," it continued.

The dealers also assured the mayor, council and borough residents that "Metuchen newsstands never have, and do not now carry 'pornographic' material" and have no intention of doing so.

## Forrest St. Land Sale Shapes Up

Prospects for the sale of 29 acres of borough-owned land for development of an industrial park look better than ever.

Lehigh Valley Railroad officials have consented to construction of a grade crossing, to provide access to the land-locked tract at the foot of Forrest street, Mayor Walter K. Timpson announced.

Meanwhile, Mayor Timpson and a real estate broker representing an industrial developer, are continuing negotiations.

Price of the land is not of prime concern, the mayor said.

"What we are interested in is income from the land," he said. The borough might net as much as \$100,000 a year in tax rates in three to six years, he said.

The developer is thinking in terms of seven or eight plants, each covering 60,000 to 70,000 square feet, the mayor said. He described the businesses as "clean light industries."

The question of who would pay for building the grade crossing has been mentioned in the talks, he said. If the developer chose to hire the railroad to build the crossing and equip it with safety features required by the Public Utilities Commission, the construction price would be deducted from the sale price.

The mayor said the borough will ask the railroad to estimate construction and equipment costs immediately.

Initial steps toward possible sale of the tract—the only sizable block of industrially zoned land owned by the municipality—were taken by Mayor Timpson and three other borough officials in December. They met with railroad representatives to request cooperation in establishing the crossing. Participants in the preliminary meeting were Industrial Commissioner Walter J. Duff, Borough Engineer W. Franklin Buchanan, Borough Attorney Robert F. Moss and the mayor.

## Rojac Linked To Articulate

### Edison Magistrate Roland Winter Is Agent for Both Realty Companies

A second firm represented by Edison Magistrate Roland Winter stands to benefit from official plans to downgrade a choice residential section of the township.

The real estate firm of Rojac Corporation, according to records in the office of the Secretary of State, lists Winter as registered agent for the company.

The title "Rojac" is obviously a combination of Winter's first name and his law partner's surname, Jacobson.

The same three girls

ROLAND WINTER

listed as officers of Articulate Company are listed as stockholders, incorporators and officers of Rojac Corporation. The trio works or has worked in Winter's Perth Amboy office.

Articulate is the firm which in September was about to buy an estimated million dollars worth of public land in the Red Top section of Edison for approximately \$102,000.

The bottom was knocked out of the Red Top deal after the arrangements were made public in several stories published by The Recorder.

The Rojac holdings to be downgraded according to master plan proposals are located in the northwest corner of the township,

The Articulate Company, which is linked with Rojac through Winter and the common officers, has been buying substandard lots for modest prices throughout Red Top.

Last September, when Articulate owned about 93 of the small lots, the township offered to sell the surrounding public land with a minimum bid set at \$102,000.

At the time, the master plan called for downgrading of the Red Top area to accommodate high rise apartments. The downgrading would have boosted the value of the land well over the \$1,000,000 mark, in the opinion of real estate authorities.

Mayor Anthony Yelencsics said at the time he would fight any move to zone Red Top for high rise apartments. It was revealed in October, his brother Kalman had received Articulate tax bills. Kalman said the bills were mailed to him by mistake.

The Secretary of State's office does not have public records identifying the stockholders of Rojac or Articulate, and Mayor Yelencsics claims he is unable to discover the identities of the stockholders.

The Edison Taxpayers Association earlier this month sent a request to Secretary of State Robert B. Bickhardt for the identification of majority stockholders of Articulate. The stockholders are still unidentified.

## Schools Dig 100,000 Hole

Metuchen's local purpose tax won't go up this year, but the borough can't make up the \$100,000 increase in the Board of Education budget.

The school budget increase means a tax hike of \$16.80 to the owner of a \$20,000 home, board member Mel Wolock figured.

Borough Council, which expected to end budget conferences last week, conducted informal public hearings on the budget Monday. Tentative introduction of the budget is set for February 4.

MORE FOR THE MANY--The proposed expansion of the Metuchen-Edison YMCA will meet the area's growing demands for recreational facilities. Included among the improved facilities will be an olympic size, four lane swimming pool with a gallery with seating capacity for nearly 200 people; additional shower, locker and checking facilities; two drying rooms, and a make-up room for women and girls with individual dressing booths. The expansion is expected to look like this artist's rendering.

## State Says All or Nothing For Center Street Traffic

Center street between Durham and Middlesex avenues must be one-way all the time or not at all. This is one of several criticisms of the new Metuchen traffic ordinance made by Daniel J. Puliti, chief of the traffic regulation section of the State Division of Motor Vehicles. The Center street stretch would be one-way during school hours according to the new borough law.

Part-time one-way streets were "contradictory to state statute," Puliti told The Recorder yesterday.

Puliti and Borough Attorney Robert F. Moss have tentatively scheduled a meeting in Trenton next week to go over the proposed ordinance. After it has been passed by the state, the ordinance will be introduced at Borough Council.

The state also will veto a one-way westbound rule for Talmadge avenue because Durham avenue, one block south, is one-way in the same direction.

There are no objections to eliminating all but one (Brunswick avenue) of the borough's light traffic streets, but the state will require listing of a weight limit of four tons.

Except for the format of the ordinance, the state and borough are "not too far apart" in most other areas, Puliti said.

Among changes that have been okayed are those

involving Newman street. When the ordinance becomes law, parking on the west side of Newman will be prohibited between Essex avenue and High street. The extension of Newman through the Jefferson Park Apartments will be one-way southbound with parking on both sides.

### Candidates Night Set

The Metuchen PTA Council will sponsor a "candidates night" Tuesday at 8 in the cafeteria of the high school.

Dr. Burr Coe, superintendent of the county's vocational schools, will moderate the program.

The six candidates for the Board of Education invited to appear are Robert B. Smith, Eugene Michale, Andreas Duus, Joseph Vinck, William Rhoades and Lewis Weeks.

School board elections are February 13.

### Cost of Curbs Hits \$17,500

Installation of curbs and gutters in Central avenue will cost Metuchen approximately \$17,500, Borough Engineer W. Franklin Buchanan told Borough Council. The borough also expects to spend \$17,000 this year for construction of sidewalks.

## Only Two Attend Budget Hearing

Only two Metuchenites, both interested in the Library Board appropriation turned out for informal public hearings on the borough's 1963 budget Monday night.

No representatives of the League of Women Voters or the Metuchen Taxpayers' Association showed up to quiz Mayor Walter K. Timpson and councilmen about the number of tax dollars required to run the borough (\$783,852.76), how they would be spent, or possible tax hikes.

While the tab for local purposes—\$4.84 per \$100 of assessed valuation—remains the same, taxpayers can expect to pay about 55 cents more per \$100 for schools and to the county.

"Always remember, if the citizens were not happy they would be down here," Malcolm S. Kerr of 18 Dorian road, library board vice chairman, said. His companion at the meeting was Dr. Irvine L. H. Kerrison of 27 Newman street, a library trustee and just-announced Democratic council candidate.

The Library Board fared well. Its allocation was increased by \$4,300 in municipal funds and almost \$100 in state aid.

Over all, the borough budget for local operations totals \$20,902.04 more than it did last year.

In addition, a whopping

\$130,000 is earmarked for capital improvements this year. That is \$95,000 more than for 1962.

Capital funds and an additional \$139,000 for use in "stabilizing the tax rate" will be taken from the 1962 surplus, Mayor Timpson said.

Withdrawal of the sum will leave \$100,495 in the surplus account. In utilizing this surplus, the borough will be going on a partial pay-as-you-go plan, he said.

The budget includes provisions for two percent across-the-board raises for all borough employees, longevity increases for policemen and other hikes to bring salaries of a few previously-underpaid employees up to par.

The added funds for the library will pay for a full-time children's librarian, increasing the staff to three full-time employees, and adding six more hours a week to the library schedule.

The Recreation Commission will get \$17,320—\$1,120 more than last year. Pay for new part-time workers accounts for \$820 of it.

Areas of operation drawing less this year than last include the Police Department (down by \$2,350), road repairs and maintenance (\$4,400 less) and the Planning Board (\$1,550 less).

## Chamber Awards Parade Trophies

Thousands of Edison residents and out-of-towners lined the route of march of the Edison Memorial Day parade Wednesday morning.

Favored with good weather, the parade started from Central Avenue at approximately 10:30 as scheduled. Leading the march was the white station wagon patrol car of the Edison Police department.

As the parade passed the reviewing stand at Route 1 and Plainfield Avenue judges from the various veterans organizations and the Edison Chamber of Commerce made their choice of recipients of the trophies.

The winners were: adult marching group, Edison Township Paid Firemen, and youth marching group, Kadets of America; adult band, Coral String Band of Elizabeth, and youth band, Melrose Drum and Bugle Corps of South Amboy; most original float, "Spirit of '76" by Sons of the American Legion, Clara Barton, and best decorated float, "Lest We Forget" by VFW Auxiliary Post 3117.

The judges were Joseph Colajay, Clara Barton Post 324, American Legion; Edwin Ellison, VFW Post 3117; Edward Hughes, Father and Son Post 435; Jacques Wood, President of Edison High School Key Club; John J. Bunker, President of Edison Chamber of Commerce; Alexander M. Bell Jr., Executive Vice president of the Chamber, and Mrs. Antoinette M. Baratta, treasurer of the Chamber.

## PTA's Plan Safety Forum

An action committee to improve traffic safety in the school, residential and play areas in Edison Township has been formed by the Edison Council of P.T.A.s. Their goal is to make Edison the "safest community for growing children".

The several principals and P.T.A. members discussed traffic in school zones, school buses and sidewalks. It was decided that there is a great need for educating the public in the ways of traffic safety in Edison. Richard Jago, assistant Superintendent of schools, pointed out that the New Jersey Turnpike, Garden State Parkway and Route 1 crisscross the township, which means people leaving these highways and entering Edison tend to drive at a faster speed. This factor increases the traffic hazard, on Edison roads, to the children in the schools and residential areas.

A program planned to reach all adults in Edison will be put into effect in September at the beginning of the school year. The chairman is Mrs. Alvin A. Wolf, and co-chairman, Mrs. Lydia Gumba. V. A. DeMers, president of John Marshall School P.T.A., Kempton Coady, principal of Oak Tree School and John Ahern, principal of the Benjamin Franklin School, will plan the education information. Mrs. F. W. Henrici will do the publicity.

The next meeting will be held June 18 at Oak Tree School. Safety chairman from all Edison township schools will attend this meeting as well as a representative from the traffic division, Edison Police Department.

## Jaycees Win State Award

The Edison Junior Chamber of Commerce received the state award for Community Development, a project submitted at the New Jersey State Convention of Jaycees in Asbury Park May 27.

The award, an expense paid trip to the National Community Development Seminar in Oakland, California, in late July, was received for the local club by President W. Lee McClain. The presentation was made by Dr. Robert Watson, president of the N. J. State Jaycees.

The award was made on the basis of the Raritan Development Council, organized by the Edison Jaycees for the study of the use of Raritan Arsenal land. The committee is headed by Jack Mullen. It was started in August 1961.

As a result of the Council 184 acres of Arsenal land was released for development by the Federal government. The Council worked with Federal, state, county and municipal officials.

The second part of the award-winning project was the Industrial Survey under the chairmanship of George Lane. The summation of the survey will be released in a printed booklet this month. The survey began in October 1961.

Both the Council and the survey committee are still active.

## HONORS COME TO EDISON SENIORS

(pictures on page 6)

The annual award assembly was held yesterday morning in the high school when more than 25 scholarships and 33 awards were presented to members of the 1962 graduating class.

## Crowds Observe Scout Program

A program, designed to encourage the Cub Scout to advance into Boy Scouting and join a troop, was held last weekend in Roosevelt Park.

Highlighting the Saturday evening program was: a Sea Explorers ceremony; the Edison High School Band; members of the Order of the Arrow Indian Dance Team; the First Medium Tank Battalion and the 53rd Armory New Jersey ARN9.

Guest speakers included State Senator John A. Lynch and Mayor Anthony M. Yelencsics.

The event was sponsored by the Northern District of the Middlesex County Inc., Boy Scouts of America, with the following local troops participating: Troop 24 of Oak Tree, C. C. Sheppard, scoutmaster; Troop 12 of Piscatawaytown, John Tharass scoutmaster; Troop 78 of North Stelton, Ralph Greener scoutmaster; Troop 2 of Highland

Park, Parker Tappen, scoutmaster; Troop 15, Glenn Lindberg scoutmaster; Troop 14, James Johnson scoutmaster; Troop 47, Stanley W. Sisko scoutmaster; Troop 46 Herman Deane master, all of Metuchen; Troop 47, Russell J. Mundy scoutmaster; Troop 46 Herman Deane scoutmaster; Troop 75, Leo. J. Northart, scoutmaster; and Troop 38, Arthur Hall, all of Edison.

The troops set up camping sites in the park area on Friday evening and held all-day demonstration of typical camping techniques on Saturday.

George Carlisle, Northern District Chairman was in charge of arrangements, assisted by Charles Bauerdorf, Alan Krebs, Milton D. Spivack, Dale R. Sutton, John W. Hayes, Jr., Michael Farinich, George McCauslan, Andrew Lipnick, Stanley Levine, Thomas Peake, and Joseph N. Masci.

BOY SCOUTS OF THE NORTHERN DISTRICT are shown in the Roosevelt Park stadium during the program they presented to encourage Cub Scouts to continue in the scouting courses. The ceremonies climaxed an overnight camping trip in the park Friday evening. (Photo by Joseph Shirley)

### Temple To Receive Official Charter

Temple Emanu-el, the state's newest reform synagogue, will celebrate Shavuot, receive its charter and install officers for 1962-63 at its regular Friday service, June 8, at 8:30 p.m. in the sanctuary at 76 Pleasant Avenue.

Shavuot is primarily a celebration commemorating the receipt of the Ten Commandments by Moses at Mount Sinai. Since these are the basic laws of Judaism, this holiday has been referred to as the birthday of the Jewish religion.

Additionally, the Temple will be celebrating the receipt of its official charter from the Union of American Hebrew Congregations. The Union is the central Organization of all reform synagogues in this country. The presentation of the charter is the official recognition of Temple Emanu-el as a full member of the reform or liberal movement of Judaism.

Rabbi Albert G. Baum, the director of the New Jersey Council of the Union and the spiritual advisor to new congregations in this state, will make the presentation of the charter as well as conduct the regular services. Rabbi Marshal Hurwitz, the Temple's spiritual leader, will assist Rabbi Baum on this occasion.

The third part of the celebration will be the installation

Members of the North Edison Little League Auxiliary make final plans for a dance to be held June 15 at the Pines. All proceeds from the affair which is open to the public will be used for Little League activities. Pictured from left, are, Mrs. Robert Hyde, Mrs. James Farnell, Mrs. Harold Riedel, Mrs. James Hendry, chairman of the affair; Mrs. Daniel Russo, president of the Auxiliary, and Mrs. Leonard LaBanco.

of the newly elected officers of the Temple. Rabbi Baum will also conduct the installation ceremonies. The officers being installed are: Marvin Rosenblum, president; Henry Karger, first vice president; William Rabin, second vice president; Dr. Marvin Sitrin, third vice president; Mrs. Sam Arons, recording secretary; Mrs. Irving Patchen, financial secretary, Mrs. Milton Saltzman, corresponding secretary, Gordon Berkow and Sam

### Couple Celebrates Golden Anniversary

Mr. and Mrs. Frank F. Vickery Sr. of 55 Coleman Street, Nixon, observed their golden wedding anniversary on Memorial Day.

In honor of the occasion their sons and daughters arranged a surprise family dinner at the Fireside and open house at their home.

The couple was married on May 30, 1912 by the Reverend William S. Cranmer of the First Reformed Church of Somerville.

They resided in New Brunswick until 1952, at which time they moved to their present home

in Nixon.

Mr. Vickery is an engineer at the Raritan Arsenal where he has been employed for the past 25 years.

The couple have five children: Frank and Fred, both of Edison; Alfred and Mrs. George Bannon, of New Brunswick, and Mrs. John Pisuk of South River, and seven grandchildren.

Among those from out of state who attended were Mrs. Vickery's sister, Mrs. A. Hagerty of Florida, and many relatives from Massachusetts.

### Bourjois Gives Paris Touch

Paris is coming to Edison. Or at least a part of Paris will come to Edison when Bourjois Inc. of New York and Paris will open its new plant in the middle of July.

Makers of the world-famous Chanel line of perfumes and cosmetics, Bourjois Inc. will begin manufacturing and packaging at the Langstaff Ave. plant about July 15, according to Rudolph Buckwald, plant manager.

The building will not only house the packaging division, but will also have a laboratory for experiments and research; a powder room where the finest talcs and bath powder will emerge with the fragrance of Chanel No. 5, 10, etc.; and according to Buckwald will be the supply station of the entire country as well as the export center.

Employing approximately 100 persons, the plant will be completely air conditioned and will have the latest automated packaging facilities.

Executive offices of the concern are in New York City. The company, also manufactures the Evening in Paris line of perfumes in their Rochester, N.Y. branch.

Buckwald, who has been with the company more than 30 years, was also manager of the Long Island branch, the entire facilities of which will be moved to the new plant in Edison.

He will be assisted by Walter Holderer, assistant plant manager in charge of personnel, who has also been transferred from the Long Island plant.

### Campbell Appoints Company Agents

James T. Campbell, F.I.C., District Representative for the Lutheran Brotherhood Life, Health and Accident Insurance Company of Minneapolis, Minnesota, has announced the appointment of two local representatives in the area.

Campbell, lives at 30 Overbrook Ave., Edison, and manages and is a sales representative for the Lutheran Brotherhood in Monroe Township, and Middlesex and Somerset Counties. The Brotherhood is a fraternal life,

health and accident company offering exclusive benefits to Lutheran's and the company also aids the Lutheran church.

The two new local agents are William Young, Ventura Dr., Rt. 3, Somerville, who will be servicing the Somerville, Raritan, Basking Ridge area, and Daniel M. Cherwien, 11 Sycamore Dr., Old Bridge, who will be servicing Old Bridge, Sayrewoods South, and Spotswood.

### Executive Board Meets Tomorrow

The executive board of the Edison Young Democrats will meet at the home of Ray Check at 8 Dunder Road on Thursday, June 7, at 8:30 p.m.

Check will present plans for a Practical Politics Seminar which the club is sponsoring for the benefit of local Democratic Committeemen and Committee-women. Check, who serves as the club's secretary, is a political science graduate of Seton Hall College and is self-employed as a public relations consultant.

The club will hold its annual picnic at the Meadow Rod and Gun Club on Saturday, June 23.

### To Receive Degree

Edward A. Meeks, author and editor of the Atlantic Monthly will receive an honorary degree from Rutgers University at commencement exercises on June 6.

### Accidents Shouldn't Happen

Summer months are accident months for children. With school out, children are on the streets, in swimming pools, playing in dangerous areas, for far longer periods, thus increasing the times accidents can happen.

Even while in their own homes boredom sets in during a hot rainy day, leading inquisitive minds to experiment with fire; medicines, carelessly left within reach; and guns, not under lock and key.

These are some of the things that account for more than 15,000 deaths of children every year.

With proper training to prevent and avoid accidents many children will not become statistics during the summer. It is such training that will be available to only a few of the children in Edison when the Safety Course, instituted by the Child Safety Council Inc., is begun in local schools in September.

Due to the lack of donations from businesses and residents in Edison, there will be only enough money to supply materials for the course to a few selected elementary grades.

The safety courses, tailored to meet the understanding capabilities of youngsters, are relatively inexpensive, about 40 cents per child. Adequate donations to cover the cost of the materials have fallen far short of the needed \$3,600.

It is too late to provide the

training the children will need this summer.

However, with Edison selected as a test area by the Council let us hope youngsters will be able to receive training in safety habits that will show a sharp decrease in deaths when the summer of 1963 rolls around. At the end of the three year test period in Edison, it would be gratifying to be able to show other communities, just what adequate instruction in safety will do to keep our youngsters alive and healthy.

The best way to do it is to support the program for Edison youngsters. Give them the books, pamphlets, posters and other materials that might save their lives. Send your contributions to Chief of Police John Ellmyer Jr. or to the Edison Times.

### In Our Mail

Dear Mr. Underwood:

Thank you for sending your notice of MAGGIE in the Edison Times.

It gave the entire cast a real shot in the arm. Thank you for mentioning me.

Sincerely,  
John Griggs

### Grist From The Mill

by Clifford L. Miller

WHEN scholastic achievement is rewarded during Award Night at Edison High School, Theodore Pittiglio will be the recipient of an unique prize. Not that there is anything so unusual about a \$500 scholarship award or about a deserving student, even though we could well afford to have more of both, and not even because this particular award has now been made for the third consecutive year.

THERE was nothing earth-shattering about the manner in which all possible candidates for the donation were screened by a committee of educators and public servants who examined the scholastic dossiers of hundreds of boys and girls without knowing their names and who were identified only by numbers.

IT WAS ONLY a logical procedure by which they selected three of those who most nearly met the requirements and, still without knowledge of the sex or identity of the ones they had chosen, presented their selections to a Board of Scholarship Award Trustees who made a final, and still unknown, choice on the basis of more personal data. Only then was the reference material handed back to the school authorities for identification.

EVEN the manner in which the money for this praiseworthy award was raised is not a matter of extraordinary achievement. It

was accomplished mainly by a formal dance, held annually for that purpose, and over-financed by the generous cooperation of almost one hundred local merchants who advertised in the dance program.

AND YET the award that Theodore Pittiglio will receive, like the award presented last year to Miss Bonnie Drysdale and the one received the year before that by Dietmar Tech, is unique. The element that makes it so is that the organization which has set up this scholarship fund is not one that has scholastic achievement as its primary objective. The Edison Democratic Club is, as its name implies, a political club dedicated to the furtherance of good government in Edison according to the principles and doctrines of the Democratic Party. It is a volatile club, seething with the acids and alkalis of political debate which react into the salt of community action. It is just what its motto proclaims it to be, "A Political Club with Civic Pride", and never was a slogan's truth more fully demonstrated than by the altruism of the Edison Democratic Club in setting up an award which can help young Americans realize their ambitions for a college education.

## Baby Boy Born In Ambulance

For the first time, in quite a few years the Edison First Aid Squad 2, Menlo Park, delivered a baby in the ambulance enroute to St. Peter's Hospital last week.

A nine-pound baby boy made his debut into the world at 2:50 a.m. May 28, as the ambulance squad, realizing they were not going to get to the hospital in time, stopped in a Gulf Station in Raritan Ave., Highland Park.

Mrs. Margaret Rose, 25, of Virginia Ave., Edison, welcomed her first son. The Roses have three daughters.

Doing the honors for the mother were Squad Capt. Matthew Curto, an experienced hand at

deliveries, Mrs. Lois Jogan, Raymond Dixon and Albert Kruszewski.

## Elects New Officers

At a regular meeting of the Edison Township Business and Professional Women's Club held last week at the Maris Agency, Ford, the following officers were elected for the coming year.

Mrs. Marion Niece, president; Mrs. Dorothy Krog, vice president; Mrs. Elizabeth Sullivan, recording secretary; Miss Edna E. Morales, corresponding secretary; and Mrs. Margaret Underwood, treasurer.

Charles R. Wira, son of Mr. and Mrs. Charles W. Wira of Liddle Ave., Fords, was graduated from the Delaware Valley College of Science and Agriculture, Doylestown, Pa. with a bachelor of science degree in animal husbandry last week.

While attending college he was photography editor of the year book, Cornucopia; president of the Animal Husbandry Club; vice president of the Glee Club, and an inter-collegiate livestock judging team member.

He has been accepted by the Michigan State University, East Lansing, Mich., where he will work toward a masters degree in physiology.

340 To Attend Girls Institute

Learning more about citizenship and about the government of the state in which they live will be the purpose of the 340 New Jersey high school girls who will attend the annual Citizenship Institute at Douglass College this month.

The week-long institute, which is sponsored by the New Jersey State Federation of Women's Clubs, will be held June 18-22. Mrs. Karl G. Wenzel of Sparta, Youth Conservation Chairman of the Federation, is director of the institute.

Among the speakers scheduled to appear during the program are U. S. Senator Harrison A. Williams Jr., Dr. Mason W. Gross, president of Rutgers, Mrs. Douglass Wagner, new president of the NJSFWC, and Mrs. Eleanor Reppert, matron of Clinton Farms.

A highlight of the week will be a trip to Trenton where the delegates will meet with Gov. Richard J. Hughes. While at the institute, delegates will live in Douglass College dormitories, supervised by housemothers.

Mrs. Wenzel, who is heading Citizenship Institute for the first time this year, is a professional musician who has appeared as soloist with the Cincinnati Symphony Orchestra and has served as choir director of groups in both the U. S. and Canada.

To Receive Degrees At UJC June 7

Richard L. Schick of 5 Kearny St. and Bruce E. Thurston of 990 Wood Ave. both of Edison, are among 66 candidates for Associate in Arts degrees at Union Junior College's 29th annual commencement on Thursday, June 7.

An outdoor program is scheduled for 6:45 p.m. on the lawn in front of the college's Nomahegan Building in Cranford. In case of rain, the ceremonies will be conducted in the Dr. Arthur L. Johnson Memorial Library.

Dr. Carroll V. Newson, senior vice-president of Prentice-Hall, Inc., and former president of New York University, will be the guest speaker.

Degrees will be conferred by Dr. Kenneth C. MacKay, UJC president, and Dr. Kenneth W. Iversen, dean. Prof. Hermann J. Bielefeld of Summit, chair-

man of the Humanities Department, will present awards.

Schick, who majored in business administration in Union Junior College's Evening Session, is a graduate of Thomas Jefferson High School, Elizabeth. An employee of the Esso Research and Engineering Company, Linden, Schick plans to transfer to Rutgers University to major in management.

At UJC, Schick is a member of Gamma Iota Alpha fraternity, the German Club, and the Athletic Association.

Thurston, who majored in engineering in Union Junior College's Day Session, is a graduate of Cranford High School. He is employed by Foodtown Supermarkets, Linden, and plans to transfer to Rutgers University to major in engineering physics.

Thurston is a member of the Sparta Rod and Gun Club.

## The DRAMA DESK

BY GORDON UNDERWOOD

A show biz chapter of history  
Began in Boston in '83  
When B.F. Keith's on its opening bill  
Went S.R.O. with vaudeville.  
Thus began an era of two-a-day  
Of 40 weeks' Keith-time acts could play;  
To comics, terpsiters and magicians  
The coveted spot was next-to-close.

For 40 years on Keith-Orpheum circuit  
Each show biz great his turn did work it.  
In the 20's a Hollywood studio  
They bought and renamed it: R.K.O.  
Silents and talkies, some poor, good and great  
R.K.O. produced until '48.  
From then 'til now (in spite of tv)  
R.K.O. remains tradition'ly  
A show biz legend, very much alive  
On its birthday today: No. 75.

If the undisciplined poetry of this former habitue' of Greenwich Village causes you to pause and note the Diamond Jubilee of R.K.O. showmanship, then we will retire to our pad, Dad, and count the beans in our espresso house beverage.

Last week we had the pleasure of dining with Harry Mandel, national president of RKO, during a pre-jubilee celebration, marking the 'new (refurbished) look' which these owner-operators are giving many of their RKO showplaces from coast-to-coast. The RKO empire, started by Benjamin Franklin Keith, has weathered the economic onslaughts of three wars, two depressions, radio and television, and as the dawn of their 75th birthday breaks, their confidence is reborn by the ever-increasing return of the moviegoing public to their box offices.

Presidential confidence and pride in his 75-year-old 'baby' is genuine and we wish Mr. Mandel complete fulfillment of his optimistic outlook of the future. During the Diamond Jubilee, you, too, can add personal congratulations to the three genial managers of the RKO New Brunswick houses: Tom Wright at the State; John Thompson at the Albany and Steve Kucsan at the Rivoli.

## Elks Announce Flag Day Service

Sunday, June 10, marks the 51st mandatory observance of Flag Day by the B. P. O. E. Although June 14th is the actual day of observance, the Grand Lodge grants dispensation to change that date to accommodate the general public.

Instituted by the B. P. O. E. in 1907, Flag Day, June 14th, was not officially adopted until August 3, 1949, when the then president of the United States, Harry S. Truman, signed Public Law 203.

The Elks, thus, not only became the first fraternal organization to celebrate Flag Day, but also was the first to make it mandatory long years before the observance became a national observance by legal decree.

Speakers at the service will be Mayor Walter Timpson of Metuchen and Mayor Anthony M. Yelencsics of Edison. Ceremonies start at 4:30 p.m. The Elks cordially invite all.

## Receive Unit

Edison First Aid Squad 2, Menlo Park, have received an emergency oxygen and resuscitation unit donated by Mr. and Mrs. James J. O'Brien of 2 Nottingham Rd.

The unit was presented in memory of their son, Donald who died April 27, 1962. The tent and unit will be available to residents.

## Golf Tourney

Entries for the third annual golf tournament, sponsored by the Edison Recreation Department will close June 8. Open to all residents and any person employed in Edison, there is no entry fee.

Entrants are requested to list their name, address, telephone number and average score with the Recreation Department in writing.

There will be four flights, with the "honor system" as the basis for tourney classification: A flight for golf average 70-79; B flight for golf average 80-89; C flight for golf average 90-99; D flight for golf average 100 and over.

Entrants will be classified into proper flights and draw will be made for match play on June 11.

Eighteen hold matches will be required to be played within ten days, at a time and course to be decided by the opponents. An eighteen hole match will be played in the final round of each flight at a course to be designated by the Recreation Department.

Trophies will be awarded to the winner and runner-up in each flight.

## To Install Officers

The New Jersey Society of Professional Engineers will hold the installation of new officers at Spring Lake Country Club June 29.

The ceremonies, installing Anthony J. DelMastro of 36 Claremont Ave., Nixon, as president, will be part of the State Trustees meeting.

John Kosco, (left) sales manager for Boro Motors Inc., Metuchen, receives a Gold Car Sales Leadership Award from Richard A. Godfrey, Ford Division Newark district sales manager, at an awards luncheon at the Swiss Chalet in Ramsey. The award was presented to Ford dealers who turned in outstanding sales performances and outsold competition in their areas during 1961.

## Patrols Go To Olympic Park

Ten buses took 500 school safety patrol members and their chaperones to Olympic Park, Irvington, this morning for the annual outing.

The children, students at the parochial and public schools in Edison, received two strips of tickets, one from the sponsors of the trip, the PTA's and the

Patrolmen Benevolent Association Local 75, and one from Mayor Anthony M. Yelencsics.

Detective Joseph Smoliga, director of school patrols, said the outing was arranged for the youngsters in recognition of the service they gave to their schoolmates.

THE STAFF OF WASHINGTON SWIM CLUB consult with President Clyde Everly, center, before the season gets under way. Members are, from left, John Bonk, Ben Embly, Teddy McCormack, custodian of the wading pool, Everly, Jim O'Leary, pool manager, Larry Graham, swim team manager, and Nick Romanetz. Not present for the picture but also on the staff are Dave Chamberlain, head lifeguard, and Barry Zweig.

## Swim Club Opens Fourth Season

The opening day ceremonies of the Washington Swim Club, Old Post Road, were attended by nearly 1,000 persons Memorial Day afternoon.

The fourth season got under way with a flag raising program by Girl Scout Troop 121. President of the club Clyde Everly gave the welcome address.

Ice cream and soda was served to guests and a band provided

music for dancing. The membership of 260 families will have new deck shuffle board and basketball facilities for this year.

The plans for the Summer include Teen-age Night every Wednesday and Adult Night Saturdays. The 40 by 90 foot pool and the wading pool will be open weekends only until after schools close.

## Rummage Sale

There will be a rummage sale in the Edgar Room of the Grace Reformed Church, Woodbridge Ave., opposite Raritan Arsenal, Thursday from 6 to 9 p.m. and Friday from 10 a.m. to 2 p.m.

## Eagles Topple East Brunswick

The Edison nine added another win to their list as they edged East Brunswick 4-1.

The only scoring for East Brunswick was Jay Adams' home run in the seventh with no one aboard.

With Ken Smith pitching a four-hitter, the Eagles scored in the third and seventh innings. The third inning was a big inning, starting when Ed Deisley walked and went to third on a throwing error by the pitcher. Dorsey Finn came to bat and walked. Then Mike Krychowsky singled and brought in Deisley. Frank Di-Silvestro loaded the bases with a bunt single. Ken Smith then singled scoring Finn, and Krychowsky scored on the same play when the ball was overthrown when they tried to get him at third.

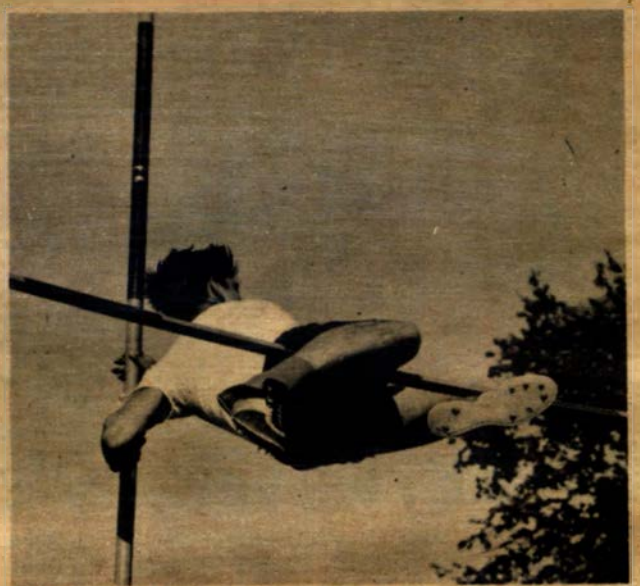

In the seventh inning Darryl Fisher led off with a triple and came home when the second baseman Chuck Boils for East Brunswick, overthrew the peg from right field over the third baseman's head.

Ken Smith was the winning pitcher making his record 9-1. Jack Curley was the loser.

## Attend Convention

The New Jersey Savings and Loan League convention in Atlantic City last week was attended by Mr. and Mrs. Inman C. Whipple, Robert F. Moss and Mr. and Mrs. William H. Stiles.

Whipple is a director of the Metuchen Savings and Loan Association and Stiles is the executive vice president. Moss is attorney for the Association.

## Edison Frosh Lose To S. Brunswick JV

by Gregory Prehodka

In their last game of the season, at Roosevelt Park, the Edison High Freshman Track Team, lost by only 7 points to South Brunswick Junior Varsity.

The high point man for Edison was Joe Savage, who has been out of competition for a couple of weeks and just came back to score 10 points.

The freshman have won 2 and lost 6 games this season but considering they played several J. V. teams this year it isn't a bad record. I think in the final article of the season, special thanks should be given to coach Ed Adams by the Freshman team and the school for teaching the team and guiding them in the ways of track and teaching them good sportsmanship.

The scoring in the meet went as follows:

Pole vault: (1) Joe Miko 8'6" (2) S.B. (3) Greg Prehodka 7'6".  
High hurdles: (1) S. B. (2) John Hanley (3) Joe Miko  
100 yd. dash: (1) S. B. (2) Fran Ditommaso (3) Williams

# Select Park Attorney to Fill New Assistant Solicitor Post

Highland Park Borough Attorney Herman B. Hoffman has been tapped by Democratic leaders for appointment as assistant county solicitor.

He will be named to the position soon after the adoption of the county fiscal budget that is now scheduled for introduction Monday. Hoffman will get a salary of \$7,000 per year.

The position was created by the Board of Freeholders after some criticism was levelled at the propriety of hiring Hoffman to serve as legal advisor in land acquisition by the county on a per diem basis.

Hoffman has been working for the county since the freeholders embarked on a program for the expansion of the county park system. He has been handling the negotiation and title work in connection with purchases made by the county.

## **\$7,000 a Year**

The per diem payments made to Hoffman reportedly approximated \$7,000 per year.

Hoffman will serve as assistant to County Solicitor Warren Wilentz, who was named to the county post when Samuel V. Convery was appointed to the county bench. He has previously served as county prosecutor.

Democratic municipal chairman of the borough, Hoffman is a lifelong resident of Highland Park, and attended New Brunswick High School and Rutgers University. He was graduated from law school in 1939.

He has been a practicing attorney since his admission to the bar in 1940. He has confined most of his law practice to his borough law office. He was the first attorney to open full-time offices in the Park.

## **Inducted in 1941**

In July 1941, Hoffman was inducted into the Army as a private. He was discharged in January 1946 with a captain's rank. He served in the Asiatic-Pacific Theater and also performed work for the Army Judge Advocate's Office.

He became interested in politics and in 1946 he was an unsuccessful candidate for the Highland Park Borough Council. He was named Democratic municipal chairman in 1952.

He led the Democrats to vic-

tory in the same year and they have maintained control ever since. The borough was one of the Republican strongholds until Hoffman came along.

He is a trustee of the Middlesex County Heart Association, and a member of the Elks Lodge, Jewish War Veterans, Bnai Brith, Ahavais Achim, Highland Park Conservative Temple and Center and the New Brunswick and Middlesex Bar Association.

stood Daw... Assemblywoman Hughes or both. Assembly Bill Eight was enacted in 1962 and adopted from New York statutes. people are politicians.

The only answer to paragraph seven in Angle's letter has already been stated. Angle just doesn't know what the law says.

These may not be the answers Angle is looking for, but they are honest answers. The opening paragraph and the conclusion of Angle's letter are not worthy of him. Comment by me can only give value to these otherwise worthless remarks.

## Abracadabra, Inc.

Edison school children interested in learning their 3 R's would do well to investigate Red Top, Rojac and now Rennaw. In fact, a fourth "R", Racioppi, might well be added to insure complete instruction in the complicated world of Edison Real Estate.

For a detailed schooling, of course, the children might have to listen closely to instructions from those who know most about the firms, their registered agents. These gentlemen form a kind of "Who's Who" of Edison political and public life.

All of you, of course, recall the famous names attached to Red Top--Roland Winter, the Edison magistrate, and Kalman Yelencsics, brother of the township's mayor.

Mr. Winter seems to have an affection for another of these firms--the Rojac Corporation. And, if our syllable instruction is well founded, that makes a nice word formed from ROLand Winter and Lewis JACobsen, who happens to be Mr. Winter's law partner.

But Mr. Winter isn't the only Edison

official who likes to play word games. Take Township Attorney Christian Jorgensen, let him mix in his secretary's last name (Wanner), spell it backwards and RENNAW! Almost as snappy as Prestol, isn't it?

Go back to Mr. Jacobsen (that's Mr. Winter's law partner, remember) and we come up with the fourth "R", Racioppi. Now the only Racioppi we've been able to find in the state's alphabet of corporations is Racioppi Bakery--incorporated, of all things, to engage in construction, developing and home financing.

Well, anyway, some Racioppi is now identified as one of the owners (along with Mr. Jacobsen) of a lush 40 acres off Parsonage Road in the vicinity of the Menlo Park Shopping Center. That tract is about to grow apartments, of the common garden variety.

All of which proves the magic performed in Edison real estate can be a rather profitable way to entertain the public. Of course, it can be expensive for the audience when the magicians are public officials.

Assemblywoman Hughes said (1) that the relative intent of Assembly enacted into law to permit community to establish its own community standards of (2) that it was the legislative intent of the bill to permit Metuchen to establish an Obscene Literature Commission to determine which magazines, contemporary Metuchen, that she would not expect and New York City to establish standards if both communities were subject to the new law, (4) that she was willing to sponsor an act to clarify the working of the Jersey Supreme Court with the new law as certain members did by declaring it unconstitutional, which would be only one interpretation for each community to establish standards, and (5) that the bill was intended as censorship?

Assemblywoman Hughes sponsored Assembly Bill No. 100, blyman Musto. I called Mrs. Hughes since it was read either certain members WAS MISINTERPRETATION. Mrs. Hughes informed me the bill was unanimous.

Why didn't you tell me? I called a member of the Citizens Committee for Decency who was informed that all in Westfield cooperate by not placing 63 magazines for teenagers to view?

If this is censorship, we have a stupid group of legislators who voted

# *O'Connell To Edit Recorder*

12/27/62 ✓

Walter O'Connell will be the new editor of The Recorder, Edward J. Mack, publisher, announced this week.

O'Connell will succeed Kenneth O. Hartnett who has taken a position with the Associated Press in New Haven, Connecticut.

The new editor will assume duties with the Recorder January 1, Mack said.

O'Connell is now editor of the Recorder's sister newspaper, The Sentinel.

He joined the Sentinel last May after covering Sayreville for the Daily Home News.

He has been a newspaperman for five years, working for daily, weekly and semi-weekly publications in Staten Island, Mount Kisco and Scarsdale, New York.

The father of two children, O'Connell and his family reside in Raritan.

A Jersey City native, O'Connell was a classmate of Hartnett at St. Peter's Prep in that city.

O'Connell has a bachelor's degree from Wagner College, Staten Island.

Mack said that he anticipates no change in the Recorder's editorial policy.

## Hospital Group Opens Campaign Headquarters

Campaign headquarters for the proposed 200 - bed non - profit general hospital to serve this area, Metuchen and portions of Woodbridge and other communities, was officially opened yesterday by Mayors Anthony M. Yelencsics of Edison and Walter K. Timpson of Metuchen.

Located at 6 Stoney Road on Route 27 in Edison, the office will serve as focal point for all fund raising activities conducted by the Community Hospital

Group, Inc.

The opening ceremonies were made official with the presentation of a Campaign Key to Success by Mayor Timpson to Mayor Yelencsics, President of the Hospital Group.

Said Mayor Yelencsics, "The opening of this office marks another step towards the day when we will witness the reality of a new hospital - one which will fulfill a vital community need."

The campaign office is staffed

and fully equipped to handle and process the many details of committee organization and planning. It is also large enough to accommodate medium sized committee groups during the course of the fund raising activities.

The proposed non - profit general hospital will help alleviate the daily increasing need for hospital facilities in an area experiencing phenomenal growth and expansion.

Mayor Anthony M. Yelencsics of Edison Township discusses campaign letter with Metuchen's Mayor Walter K. Timpson and secretary Alice Nowicki at newly opened campaign headquarters offices, 6 Stoney Road, Edison, for the proposed new 200-bed non-profit hospital to serve the area.

## Name Yelencsics Campaign Manager For Edward Patten

Anthony M. Yelencsics, Mayor of Edison Township and former Democratic chairman there, has been appointed campaign manager for Edward J. Patten, Democratic Organization candidate for the 15th Congressional District nomination.

The appointment of Yelencsics was announced by Patten, who said, "Mayor Yelencsics is capable, conscientious and popular and will be an efficient, vigorous and inspiring campaign manager."

Patten added "He has demonstrated exceptional ability and leadership as a captain in the U.S. Marine Corps; a successful businessman; and as Mayor of Edison Township, one of the most expanding, dynamic and progressive communities in the East."

Yelencsics said "I have accepted the honor and responsibility of serving as campaign manager for Edward J. Patten in his campaign for the Democratic nomination for Congress in the 15th District."

"Because I am convinced he is the better qualified person to represent the people of Middlesex County, as witness, his distinguished service as Mayor of Perth Amboy; Middlesex County Clerk; and N.J. Secretary of State. He has also proven his dedication to the public interest as teacher, lawyer, public servant and humanitarian."

"Because during his entire adult life, Edward J. Patten has not only served the public generally, but specifically, has worked for and helped every Democratic candidate in every municipality in this county."

"Because I am an Organization Democrat and am proud of the accomplishments of the party in this county and will exert my every effort and energy towards maintaining its solidarity."

Yelencsics continued: "Because I resent the personal attacks upon this distinguished citizen by his opponent. Not once in all the campaigns in which Mr. Patten participated, did anyone, whether Republican or Democrat, have reason to, nor did anyone, in fact, comment unfavorably about Mr. Patten. Particularly offensive is the recent statement by Mr. Patten's opponent that 'It would be a great tragedy to the Democratic Party, if Ed Patten is the nominee.' The real tragedy is that Mr. Patten's opponent is so blinded and consumed by personal ambition that he imagines he is superior not only to Mr. Patten, but to everyone else in the county. This ambition he pursues without regard to the injury he may inflict upon all concerned, including his friends and the party which shaped his career and which alone is responsible for the fact that Middlesex County will have a Congressman," the campaign manager said.

Yelencsics said "I appeal for support, not only to Organization Democrats, but to the thousands

of independents who have known Mr. Patten for a lifetime and know of his character and integrity and his unselfish dedication to the public interest."

Yelencsics, who is 41, graduated from Metuchen High School and Rider College, where he received a Bachelor's Degree in Finance and Accounts. Still holding the rank of captain in the U.S. Marine Corps reserves, Yelencsics served 4 years during World War II and received the Purple Heart following the Battle of Okinawa, in which he was wounded.

Anthony M. Yelencsics

Patten's campaign manager was elected Mayor of Edison Township in 1957 and was re-elected in 1961. He also served as Democratic Municipal Chairman for 2 years, but declined to run again for the chairmanship in order to concentrate on his Mayoralty responsibilities. He is a past president of the Lions Club; a member of the Metuchen BPO Elks, Lodge 1914; Moose Lodge 1978 of Edison; VFW Legion Post 3117; American Legion, Clara Barton Post 324; the Exchange Club; Chamber of Commerce, and was recently named honorary member of the Girl Scouts of America.

He is a member of the Edison Planning Board; chairman of a Citizens' Committee for Land Study Use of Raritan Arsenal; a member of the Library Board, and serves on the executive committee of the N.J. League of Municipalities.

He and his wife, the former, Norma Anderson, and their two children, reside at 121 Buchanan Rd.

## Personal Taxes Due May 1

The Edison Township Board of Assessors has announced that Personal Property Tax forms are being mailed to owners of Tangible Personal Property used in business. The completed form, in duplicate, is to be returned to their office on or before May 1, 1962.

Those failing to comply with this date shall be subject to penalty as prescribed by law.

Any taxpayer not receiving Personal Property forms in the mail is responsible for obtaining them from the assessor's office.

## To Study Chamber Merger

John Bunker, President of the Edison Chamber of Commerce, has appointed a committee to meet with a like committee of the Metuchen Chamber of Commerce to study any mutual functions of the two chambers in order to determine whether there would be any benefit in terms of greater efficiency and service to both communities if the chambers operated jointly.

This is the result of a request from the Metuchen Chamber to explore such possibilities. Even

though Metuchen and Edison are separate communities, the Metuchen Chamber feels there is a possibility that a combined chamber will serve the residents and businesses of this area more effectively.

The committees have been selected so that each represents a cross section of their respective chambers. The Edison

Committee is composed of Richard Calmus, Westinghouse, Chairman; Harold Peterson,

Revlon; Dr. Craig Morris, Optometrist; Dorothy M. Krog, Edison Times; Mrs. Leonard Papp, Coletto Trailer Court and Dr. Clarence Burgher, Veterinarian. The Metuchen Committee consists of Edwin Oswald, Socony, Chairman; Donald Wernik, Wernik's Pharmacy;

William Bergen, L & S Stores; George Alcorn, National Bank of New Jersey; Robert Moss, Attorney and Philip Ruegger Jr., Northwest Construction Company.

# John Ellmyer Sr. Town Benefactor

John Ellmyer Sr., known affectionately by his numerous friends as "Mr. Democrat" died at Middlesex General Hospital, New Brunswick, Dec. 30, 1962. Since his admission to the

John Ellmyer Sr.

hospital on Dec. 20, he had undergone two hernia operations.

The funeral service took place on Thursday at the Quackenboss Funeral Home, New Brunswick, with the Rev. James Martin, pastor of St. James Episcopal Church, Nixon, officiating. Interment followed in Franklin Park, North Brunswick.

Mr. Ellmyer, who died at the age of 76 and was the husband of the former Anna Sorg, is also survived by his son, Police Chief John Ellmyer Jr., another son, Robert Frank Ellmyer, four grandchildren and one great-grandchild.

Born in Brooklyn, second eldest of a family of 13, Mr. Ellmyer had to quit school in the eighth grade to help support his family. He progressed from a New York newspaper delivery boy to his last position as Director of Township Parks and Playgrounds by 1936 and each step up the ladder was a story of hard work and integrity.

In 1925 he designed and sold

fountain pens at the Hudson Terminal, but was forced to close down operations when railroad officials curtailed services due to the stock market crash. In 1926 the late Commissioner Edward Meeker appointed him as a township treasurer at an annual salary of \$600 and five years later he was elected to the town council on the Democratic ticket.

Among his many outstanding achievements Mr. Ellmyer was one of the top five township employes in the continuous service classification in 1936, he was given the "Outstanding Citizenship" award of the Veterans of Foreign Wars Memorial Post 3117 in 1956, and in 1958 he received a "Certificate of Appreciation" from the Edison Democratic Organization.

Into an already well-filled life Mr. Ellmyer managed to fit three years service on the Board of Education, was a member of the Junior Order of American Mechanics, an honorary member of the Italian-American Club, and Raritan Engine Co. No. 1. He was also a member of St. James Episcopal Church and in his few spare moments of leisure he enjoyed raising and training canaries.
