New Jersey—Your State and Mine

Motorists and School Children

Local schools opened last week and more than 140,000 students in the state are back to school. There are some changes in the day to day activities of school children across the state. These changes are due to new laws passed by the state legislature and the efforts of the state Department of Education to improve education in New Jersey.

Teen-Age Drivers

Teen-Age drivers are putting New Jersey's roads to the test. In 1954, the Institute for Living, a behavioral science organization, conducted a study of teen-agers' driving habits. The study found that teen-agers are more likely to exceed the speed limit, drive recklessly, and engage in other dangerous behaviors behind the wheel. These findings are concerning as teen-agers are more likely to be involved in car accidents compared to older drivers.

Thrill of Football

The football season is rapidly approaching and with the excitement of the upcoming games, it's time to plan your tailgating party. Whether you're a die-hard fan or just enjoy the atmosphere, there are plenty of options to choose from. Tailgating is a great way to enjoy the game with friends and family while watching the game from the comfort of your own tailgate setup.

Carpenters Take Early Lead As Play Begins; Honkers Records 412

Conover & Son carved out a 5-0 triumph over the Heli Bros Monday night at the Hightstown Recreation Center in the opening game of the fall season in the Liberty Bowling Association. Monday officially opened the season but a series of matches were won by the Hi-Hel boys last week at the Christmas and New Year's Holiday parties.

Two of the big reasons why the Conover Five were in the thick of the fight for the American Legion American title were Howard and Smith. During the Indians' brilliant rookie left hand, has clamped up 15 hits and has 20 strikeouts to his credit. Smith, a great performer in either the indoor or outdoor, tips the club just about in ease of any other valuable place winners.

Here’s where you get a big new Chrysler for the price a small car will cost!

We have only a limited number of the popular 1955 Chrysler Cadet left, so there won’t be any more. To clear them now, we’ll give you the dream deal of a lifetime. We’ll give you such a big allowance on your old car that you’ll actually be getting a big new Chrysler for no more than you’d expect to pay for a small car in a few years.

Moreover, you’ll be getting the car that set the style and performance pace in 1955... with sales up 74% more than any other line car. Popular car analysts are predicting a 150% increase in 1956 sales. And the prices are right.
