Gives Warning On Winter Accidents

Chief Lists Rules For Drivers, Pedestrians

Chief of Police Norman Sanford cautions today that light snow will be just one disguise in which winter creeps up on motorists to sabotage their war-essential transportation.

"Don't skid your car into the junkpile while transportation is so vital to victory," Chief Sanford cautions. "Check carefully that careful driving was more than an elementary precaution in the motorist's own interest, that it was a Chief Sanford said.

"Increased essential driving due to war work makes it essential to conserve the man hours, automobiles and tires that skidding smash-ups and road blockades subtract from the war effort.

Two Chief Dangers "Research by the National Safety Council's Committee on Winter Driving Hazards showed inadequate traction and reduced visibility as the two prime dangers. All drivers should immediately check the condition of such vital equipment as tire chains, windshield wipers, defrosters and lights.

"Light snow usually means heavy snow is coming. Street and highway departments, of course, will do all they can to keep the roads open, but today's war traffic is too important for any motorists to neglect the most elementary safeguards to minimize tieups and iron out the annual December-March peak of accidents.

Chief Sanford listed rules for winter driving as follows:

"Use brakes or simultaneous gripping. Have tire chains in car and use when needed. Check conditions of windshield wiper and defroster. Lights should be in perfect condition for longer hours of darkness now prevailing. Drive at less than 25 m. p. h. on snow or ice covered highways and city streets, and watch for children on sleds.

Leave plenty of room between you and the car ahead. Necessity for sudden stop on ice should be avoided. When not protected by tire chains, light application of brakes on off-and-on to point of impending skid will give better directional control than locking brakes.

Take icy curves slowly, even when aided by sand or chains, and don't try to pass car ahead of you on hill or curves when streets and highways are covered with packed snow. Without sand or chains on an icy road, it is unsafe to overtake and pass vehicles in urban areas, and hazardous in rural areas, unless road is clear for at least a half mile.

Chains Indispensable Tire chains are indispensable under extreme conditions of ice and snow. They make it possible to stop in 40 to 60 feet shorter distance, provide needed traction—often essential for getting underway or climbing a grade. Pedestrians, too, should exercise greater caution since "off the job" direction to workers also delay victory, the police official warned. Walk slowly and carefully. Fall may incapacitate you for weeks. Watch out for icy steps, particularly on stairs. Hold on to railings. Allow more distance for auto-remember, it is slippery for those as you don't depend on ability to stop on ice and snow if an auto makes no effort to give you free passage, don't try to beat it across the street. You may fall, the car may skid.

Our boys must keep on fighting—we must keep on fighting. WAR BONDS AND STAMPS. Buy them. Keep on buying them. Keep on buying them. Keep on buying them.

Wage Stabilization Forms Available

John E. Manning, collector of Internal Revenue, advanced today arrangements have been made through his office to provide local supplies of forms and other material under the salary stabilization regulations of the Internal Revenue Bureau.

Collector Manning said that he had received communication from Robert E. Hannegan, commissioner of Internal Revenue stating that in accordance with the provisions of the most efficient service possible to the public, the nearly 100 collection districts supplement the 13 regional offices of the Salary Stabilization Unit in distributing material and general information needed by businessmen.

The collector said that in accordance with this policy, salary stabilization forms and other technical blanks, regulations and other literature will be available in Room 200, in his office in the Federal Building, Newark, N. J., and also at divisions and branch offices in the City of Hackensack, Bloomfield, East Orange, Newark, Jersey City, Hoboken, Union City, Paterson, Passaic, Elizabeth, Morristown, New Brunswick, and Perth Amboy, in this district.

This service, he explained, is intended to save businessmen needless expense by obtaining forms and general information regarding salary stabilization in accordance with the questions concerning salary stabilization will have to be referred to the regional salary stabilization office in Newark, N. J., where specially trained personnel are available. Applications and other things also should be made there.

Mrs. Karsten Anderson, Fred Freilinguosen and 40 members of the staff are absent on leave serving with the U. S. Military Forces.

Marines Forming Women's Platoon

"Be A Marine! Free A Marine To Fight!"

That's the battle-cry of the United States Marine Corps Women's Reserve as they begin organizing a Northern New Jersey Platoon of women.

Already many Northern New Jersey women are proudly wearing the forest-green uniform of the Central Postal Directory and the United States Marine Corps. Women there have received training combat Marines to fight in the field and are reported that they are doing a capable job.

Others are in training to work with a "comparative" detecting camouflage, discovering actual topography from aerial photographs, hydrometers and all other technical instruments, and work formerly done by combat Marines.

Specialist Schools

After six exciting weeks of training at Camp Lejeune, the United States Marine Base at New River, North Carolina, many of the Women Marines are about to specialize in schools throughout the country. Some of these schools include the Parachute Rigging School at Lakehurst, N. J., where the Women Marines learn the care, repair and packing of parachutes used by Army and Navy paratroopers; the Link Training School at Atlanta, Ga., where the women learn to teach Marine pilots to "fly blind" in those part-foggy days which close everything in plain days; the Radio School at the University of Wisconsin, the United States Army School of Normal, Oklahoma, where they learn to do almost everything on airplanes, from motor repair to engine troubles and fueling; the Aerographer School at Lakehurst, N. J., where they learn all phases of weather observation. Many Women Marines are being assigned to duty in the Army Corps.

Those Eligible

The Northern New Jersey Platoon with headquarters in the Federal Building in Newark, in charge of Lt. Selma C. Parker, USMC, 5003, is organizing this week a new unit in Northern New Jersey between the ages of 20 and 35 inclusive are eligible to be members of the Northern New Jersey Platoon. This platoon will leave for training as a unit and stay together until the end of their "boot camp" training.

For information, booklets and applications write to the U. S. Marine Corps Recruiting Station, Federal Building, Newark, N. J. Be part of the Women's Reserve. The recruiting office is open from 9 a. m. to 5 p. m. daily. For more information, write to the U. S. Marine Corps Recruiting Station, Federal Building, Newark, N. J. Be part of the Women's Reserve.

Obituary

PETER VENSKUS, of 144 Liberty Avenue, proprietor of the Liberty Hotel, died at his home, 144 Liberty Avenue, Newark, N. J., on Friday, January 7, 1944, following a short illness. Funeral services were conducted at the Hudson Funeral Home in Linden, N. J., on Saturday, January 14, 1944.

Venskus, who was born in Lithuania, came to this country 40 years ago and had resided in Linden 15 years before coming to Hillside two years ago. He is survived by his wife, Mrs. Katherine Venskus, two sons, Peter and Frank who are in the Navy; a daughter, Mrs. Mary David, a stepdaughter, Miss Lillian Scherber, a brother, Joseph and two sisters, Mrs. Lokady Lenkis of Elizabeth and Mrs. Agnes Walekunas of Elizabeth, and two grandchildren.

MRS. KARSTEN ANDERSON Funeral services were held Friday afternoon for Mrs. Karsten Anderson, 81 St. 1303 Wm. street, at the Honeywell Funeral Home, 1070 North Broad street, who died January 4 at her home. Interment was at Hanover, N. J.

She is survived by her husband, Nils Anderson, a daughter, Mrs. Lillian A. Holcombe and a son, Albert G. Anderson.

MRS. AGNES STYKER A high mass of requiem was offered yesterday at St. Mary's Church, Brandon, Vt., for Mrs. Agnes T. Styker of 1524 Compton terrace, who died Sunday at her home after a long illness. She was 74 years of age.

Funeral services were held Saturday afternoon at the Honeywell Funeral Home, 1070 North Broad street, for Mrs. Elizabeth Burke Sanford, wife of Fire Captain Frank Sanford, of 23 Long avenue, who succumbed to a heart attack in Newark January 4. Interment was in the Evergreen Cemetery.

Mrs. Sanford was born in Elizabeth July 15, 1881 and had been a resident of Hillside since 1910. She attended the Hillside Presbyterian Church. In addition to her husband, survivors are two daughters, Mrs. Gertrude Gehring of Hillside and Mrs. Charlotte Spitzberger of Hackettstown and three grandchildren.

Welcome these Soldiers of Victory!

THE "shock troops" of your Government's 4th War Loan Drive—a drive that must raise \$14 billion to put the punch behind the punch that may make 1944 the date of doom for the Nazis—will soon call on you to buy your personal quota of Bonds. For, of the \$14 billion that must be raised in this Drive, \$5.5 billion worth must come from individuals.

Welcome these American men and women—5 million of them—who are not only buying their share of Bonds but are giving their time to call on you, personally.

Every office, every plant, every home, every individual in America has a quota to meet. Your personal quota is at least one extra \$100 Bond. That's above your regular Bond buying.

If possible, buy your extra Bonds during this drive at the plant or office where you work. A volunteer Bond worker will sell you there. Otherwise, welcome him to your home when he calls. Or find one in the thousands of retail stores all over the United States. They want to find you—you must help see that they do.

If you are unable to make your purchases from a soldier of victory be sure to go to one of these other special War Bond stations to buy your extra Bonds:

BANKS AND TRUST COMPANIES
U. S. POST OFFICES
SAVINGS AND LOAN ASSOCIATIONS
BUILDING AND LOAN ASSOCIATIONS
BROKERAGE AND INVESTMENT FIRMS
MOTION PICTURE THEATRES
CREDIT UNIONS
CERTAIN GOVERNMENT AGENCIES
NUMEROUS CORPORATIONS AND FIRMS FOR THEIR EMPLOYEES
PRODUCTION CREDIT ASSOCIATIONS
NATIONAL FARM LOAN ASSOCIATIONS
MISCELLANEOUS BOND BOOTHS
RADIO STATIONS
RETAIL STORES
NEWSPAPERS

Remember your job in this Drive is to buy more than your share of Bonds. That's the only way you can be certain you are still backing the attack. So be ready to meet your War Bond representative with an open check book.

This sticker in your window means you have bought 4th War Loan securities.

Let's all **BACK THE ATTACK!**

YOUR HELP NEEDED

New Jersey has launched its 1944 appeal to fight infantile paralysis, which means it is your turn once more to enlist in the battle against this most treacherous enemy of childhood.

The campaign, which culminates in the nationwide celebration of President Roosevelt's birthday on January 30, is sponsored by The Celebration of the President's Birthday for The National Foundation for Infantile Paralysis.

It offers you the chance to extend a helping hand to the maimed victim of the polio scourge—to the crippled, oft-times bedridden child whose future you can determine.

The work of The National Foundation for Infantile Paralysis and of its County Chapters is too extensive for listing here. Briefly, the humanitarian program of the various chapters includes free hospitalization of polio victims, obtaining special orthopaedic devices, training technicians in the Sister Kenny method, providing elaborate and costly equipment and apparatus—and much more.

The Chapters, functioning virtually without administrative expense, apply every cent they raise directly to the care of those felled by paralysis. Money is no object in the treatment of victims, and in most cases the entire cost is underwritten by the Chapter.

It is at this point that your role becomes apparent. It is for you to provide the ammunition for the unrelenting fight against the dread malady. It is for you to provide that financial bulwark which permits science to fight polio with every instrument at its command.

More funds than ever are needed this year, because the County Chapters have expanded their programs to provide unprecedented care for patients.

If you could see the brave figure of a child walking unaided from a hospital bed after overcoming the effects of infantile paralysis, if you could watch Kenny technicians slowly strengthening and straightening twisted limbs, if you could see the joyous faces of parents—then it would not be necessary to ask for contributions. Because you would be there first, with your hand outstretched.

A BITTER LESSON

"Subsides are the tangled net in which a free people become so enmeshed that they become helpless pawns of a dominating centralized government. Farmers have learned that they who control the finance of farmers' business, control the farmers' liberty and freedom of action. Farmers have learned this through experience with the misdirected government activities in recent years, sorrowful experience with the arbitrary, autocratic exercise of power by government administrative agencies. Subsidies, given with the idea of encouraging production, defeat and destroy much of the incentive that should come with increased returns because farmers fear the government domination that accompanies subsidy payments." — New York City Federation of Women's Clubs.

CHURCH OF CHRIST, SCIENTIST
"Life" is the Lesson-Sermon subject for Sunday, January 16. Golden Text: "This is the record, that God hath given to us eternal life, and this life is in his Son." (I John 5:11). Sermon: Passages from the King James version of the Bible include: "For as the Father hath life in himself, so hath he given to the Son to have life in him." Truth, unfolding its own immortal life. (John 5:26) Correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include: "Jesus said substantially, 'He that believeth in me shall not see death. That is, he who perceives the true idea of Life loses his belief in the King James version of the Bible. Life—life obtained not of the body life in himself, so hath he given to the Son to have life in him.' Truth, unfolding its own immortal life." (p. 324-5)

NEWS OF OUR MEN and WOMEN IN UNIFORM

Keep Holiday Date Made Last March

Last March two brothers, Owen J. Lynch, with the 125th Infantry Company—Camp at Fort Lewis, Wash., and John J. Lynch, gunner's mate, first class in the Navy, together with the latter's buddy, Charles Hilbert, torpedoeman third class, were all home on furlough together. They made a date then to meet again for the Christmas holidays and while the two Lynch boys were able to keep the date, Hilbert was a few days late although he did keep the date with his buddy.

Owen and John Lynch were home for the holidays as they said they would be, John returning from his second trip around the world to keep the appointment. Hilbert, however, did not arrive back until January 2 from Ireland, his third trip across, but by the time he returned Owen was on the way back to his post.

The Lynch brothers brought many gifts back with them. A third brother, P. F. C. William C. Lynch, is with the Medical Corps in North Africa. They are sons of Mr. and Mrs. John Lynch Sr., of 544 Fairview street, Hillside, is the son of Mr. and Mrs. Charles Hilbert Sr., of 100 Hillside avenue.

O'Neil Promoted To Private First Class

SELFRIDGE FIELD, Mich.—Pvt. Richard J. O'Neil has been raised to the grade of private first class at Selfridge Field, a base of the AAF.

His home is at 1313 Bristol street, Hillside, N. J. He has been in the Army since July 25, 1942. The promotion was gained through diligent service. It was announced by Carl C. Carlie, second lieutenant, Quartermaster Corps, his immediate commanding officer.

Cerven Stationed At Fort Bragg, N. C.

Peter P. Cerven, of 1289 Avy street, has arrived at the Field Artillery Replacement Center, Fort Bragg, N. C., for basic military training. He has been assigned to Battery B, 5th Battalion, 2nd F. A. Training Regiment.

Oravec Begins Air Cadet Training

GREENSBORO, N. C.—Pre-Aviation Cadet Joseph T. Oravec, son of Mrs. Bertha Oravec, of 419 Yale avenue, Hillside, N. J., has arrived at Basic Training Center No. 10 of the Army Air Forces Training Command.

While attached to this station, Pvt. Oravec will take basic training in the Army Air Forces and undergo a course in physical conditioning.

He was formerly employed by Continental Electric Co. of Newark, N. J. He attended Hillside High School.

Byrne Promoted To First Lieutenant

George F. Byrne, son of Mr. and Mrs. Owen Byrne, of 1205 Woodruff avenue, has been promoted from second to first lieutenant with the U. S. Signal Corps stationed in California. He has two brothers in service. Lt. (j. g.) Frank O. Byrne of the U. S. Navy and Army Air Cadet John N. Byrne, training at Monroe, La.

Shackley Family In Armed Service

Two sons of Mrs. Charles Shackley, of 23 Coe avenue, and the late Charles Shackley Sr., former member of the Hillside Police Department, are now in the nation's armed forces.

Arthur Shackley is stationed somewhere in England and P. F. C. Charles Shackley Jr. is in Ireland. A daughter, Ruth Shackley, is employed by the Army Air Corps.

IN AUSTRALIA

Made Defendant In \$50,000 Damage Suit

Louis Zimmerman Jr., of 265 Florence avenue, was made defendant in a \$50,000 damage suit filed last Thursday in Federal Court, Newark, the outcome of an accident last July 22 on Route 25 near Haynes avenue, Newark, which resulted in the death of two people.

The estates of Harvey Lee Steward, of Caroline County, Maryland, and Marion F. Carroll, of Essex County, are each seeking \$25,000. The latter was a passenger in the auto owned by Steward. An additional \$1,000 is sought for loss of the car. The plaintiffs are represented by Kennel & Rafner of Newark.

For Firmer Gums, Brighter Teeth, a Sparkling Smile - use IPANA and MASSAGE

PUT your smile on the credit side—make it bright and attractive as it can be!

Don't take chances with "pink tooth brush." Give your gums the same regular care as you do your teeth.

If you should ever see "pink" on your tooth brush—see your dentist at once. It may not be serious but get his advice. Perhaps he'll tell you that your gums are lax—evidence of healthful chewing by today's soft food. And, like so many dentists, he may advise the "stimulation of Ipana and massage."

Each time you brush your teeth, massage a little extra Ipana onto the gums. Ipana Tooth Paste is designed not only to clean teeth but, with massage, to help your gums to become firmer, healthier.

Get a tube of Ipana today—and start tonight with Ipana and massage. Let this sensible dental routine help you to have firmer gums, brighter teeth—a sparkling, more attractive smile.

IPANA TOOTH PASTE

Made in Hillside by Bristol-Myers Company

Reddy Kilowatt says:

"NOW while their bodies are growing and their sight is strengthening, see that your children have good light to read by. Don't let them strain their eyes as they sprawl on the floor to read their favorite books . . . Light for reading should be well diffused, clear and non-glaring . . . Young eyes have years of work ahead of them and good lighting pays in dividends more precious than money."

Next Tuesday, with the eyes of the world upon us,

THE FOURTH WAR LOAN IS LAUNCHED!

TUESDAY, the 18th of January, America's Fourth War Loan starts.

It is the largest of all war loans in terms of individual participation—in the amount you must dig down for.

And—it is, perhaps, the most important of all War Loans. For it comes at a time when the eyes of all the world are upon us; the eyes of our friends, the eyes of our enemies, the eyes of our own fighting men.

We have just entered the crucial year of the war, a year of destiny; a year that promises to decide how good or bad a world we'll have to live in all the rest of our lives. And the world is wondering how deeply we mean it when we promise our men we'll back their attack, and when we promise our Allies we'll stick with them not only through the winning of the war but through the winning of the peace as well.

The Fourth War Loan is the home front's first big test of this new and vital year. It will take unity and determination of will of all the people to make the Loan succeed.

The need for this and other War Loans should be clear to every American. This war is the costliest effort ever undertaken by any country. It costs 250 million dollars each day. This is just the cost of the war, in addition to the regular, inescapable cost of running a great and huge country. Taxes can't take care of all this outgo. Neither can government borrowing from insurance companies, savings banks, corporations, and other large investors. It is necessary to turn to the people, their weekly wages, their savings ac-

counts, the money tucked away in pantry sugar bowls, in socks, under mattresses.

This is as it should be. In a democracy, war is the business of all the people. Some must fight, some must work and put up the money.

It's the *only* way to raise the money. It's also the *right* way to raise the money. It gives you a good place to invest the extra money you have today. It's a curb on inflation, on that dangerous bulk of pocket money that leads to black markets and disastrous spending. It's a mattress for tomorrow, a sort of individually planned Social Security that will bring in welcome money in the years ahead when income might not be the Mississippi flood it is today.

These last are not the reasons for the Loans. They are extra reasons, however, over and above the \$1 interest you get on every \$3 you invest. The fundamental reason for the Fourth War Loan is that your beloved America, at war and in danger, needs your help!

Every one who has a job or savings, should invest at least \$100—if possible, \$200, \$300, or \$500 extra. Some 5,000,000 Americans, volunteers, will be working to sell these Bonds. One of these volunteers will ask you to buy, where you work, at your home, or some other place. If by some chance, you're missed, find out where to buy and buy on your own.

The place where you work will have a quota. That's where you should make your major investment. That's where your personal quota really counts.

But . . .

The place you live also has a quota. Try to invest there, too. Other people will ask you. Salespeople, in

retail stores, have volunteered to help and have an individual quota. If they ask you to buy, try to buy from them, too. Movie theaters, restaurants, schools, banks, postoffices, and many other places also will be selling bonds.

The Fourth Loan is a test of us as a nation.

The eyes of our fighting men are upon us to see if we are backing them.

. . . The eyes of our Allies are upon us to see if we're with them.

. . . The eyes of our enemies are upon us to see if we are soft enough to fall for a non-victorious, here-today-gone-tomorrow peace . . .

Are we? The answer is in your pocket!

Let's all **BACK THE ATTACK!**

Single Bad Period Again Brings Defeats on Court

That same one-bad-period jinx continued to pursue Hillside High School's basketball team Tuesday night as it dropped its fifth straight game to Plainfield, 35-29. After being defeated by a point 17-16 at the half, the Comets allowed the opposition to take the third period 12-6 and the final 7-6. For three of the four quarters Hillside held Plainfield to a tie.

Hillside's cagers went down to another defeat on Friday when they lost to Rahway, 41-35. It was another instance of a single bad period doing all the damage. Holding Rahway to 15-11 in the opening period, with the score at one time deadlocked at 11-11 due to a pair of field goals by each team, the Comets fell down badly in the next quarter. Rahway outscored Hillside 9-2 with Huger, center, contributing five points. It also managed to hold Hillside's center scoreless throughout the game.

White's third period center team scored nine points and Hillside took the final 13-8, but it was not enough to overcome the first, half leadback. Rahway followed was high with 14 points followed closely by Sparks with 12. Richkus had 10 for Hillside and kept it close in the running with three successive goals early in the fourth period, but his efforts were cut short when he was eliminated on personal fouls.

Welcome Home Party For Pacific Veteran

A "welcome home" party was given for Frank Intraorbato, U. S. Marine, first class, son of Mr. and Mrs. Frank Intraorbato, of 167 Silver Avenue, on Sunday. The guest of honor was served and decorations for the occasion were carried out in red, white and blue. The party was in the dining room of the Hillside Fire Department, which is at present serving in the Army Air Force somewhere in Italy.

High School P.-T. A. Neighborhood Night

Neighborhood Night was observed last night by Hillside High School P.-T. A. with members of the Board of Education as guests. Mrs. Oliver S. Walling, former member of the board, presented a letter P.-T. A. membership to Superintendent Principals Arthur Woodfield, William H. Cox, principal, reviewed school problems in relation to current conditions.

Patricia Jennings, high school senior who has won many honors in public speaking, was in charge of the traditional lighting ceremony in honor of the founders. Mrs. Charles Blizard, president, announced the receipt of 16 letters from members of the crew of the U. S. S. "New Jersey" who were sent "buddy bags" made and filled by the association. A play by George Beach, "George-Porgie," will be presented in the near future under the direction of Mrs. Ula Orr Clark.

Men and Women... you can GET A JOB AT HYATT

IT'S A NICE PLACE TO WORK and you'll be helping Uncle Sam win the war!

Hyatt makes the roller bearings that keep tanks, planes, guns, ships, tractor bulldozers and trucks rolling. It's vital war equipment. The boys at the front need it and we can't lag behind.

We're asking you to do your part by coming to Hyatt and help us build these bearings. We've all kinds of essential jobs open for both men and women, skilled and unskilled workers. Let the operators, clerks, typists, inspectors, laborers and others. We doubt if you can find a better place to work, one where you will be happier. Nice surroundings and good pay with quick promotions. If you are untrained we teach you and pay you while you learn.

HOW TO GET TO THE HYATT PLANTS

To reach Harrison Plant (take bus 43 which connects with all Newark bus lines) or R. & M. Tubes to Harrison. Plant is opposite tube station.

To reach Clark Township Plant (take bus 25 from Elizabeth, Bus 54 from Woodbridge, Perth Amboy, etc.)

HYATT BEARINGS DIVISION OF GENERAL MOTORS

HARRISON, N. J. CLARK TOWNSHIP, N. J.

Hyatt has been in business a long time before the war and will be a long time afterward.

Emerson Director Of Fidelity Union

Horace K. Corbin, president of Fidelity Union Trust Company, Newark, announced this week, following the stockholders' annual meeting that Sturdt A. Emerson of the Newark law firm of Hood, Lafferty and Emerson, was elected a member of the board of directors. Mr. Emerson enlisted in the Army Air Corps in 1917, was promoted to a lieutenancy this week, following the outbreak of the Japanese War I as instructor in flying and as a test pilot.

He was admitted to the New Jersey bar in 1920 and joined the Elizabeth law firm of Whittier and McLean, of which in 1922, he became a partner. He also became a counselor and was president of the Union County Bar Association in 1937. On February 1, 1941 Mr. Emerson joined Hood, Lafferty and Emerson as a partner.

In 1922, Mr. Emerson married Charlotte Nelson Platt, daughter of Clinton N. Field, of Newark, has three sons and resides in the Westminister section of Hillside.

Plans Discussed By Progress Women

Plans for the year were discussed at a meeting of the executive board of the Women's Progress Club held Tuesday evening at the home of Mrs. Benjamin Flieder, of 274 Williamson Avenue. Mrs. Philip Henoch, president, was presented with a silver cigarette case.

The club's next meeting will be held next Tuesday at Progress Hall on Maple Avenue.

P. B. A. Gives Dinner For Harry R. Vogel

A dinner in honor of Harry R. Vogel, who retired December 31 as public safety commissioner, was given last Wednesday evening at Fatzky's Grill on Yale Avenue by the Hillside Local 70, Patrolmen's Benevolent Association.

Members of the Township Committee and Chief of Police Norman L. Sanford lauded Vogel's services to the community. Vogel is successor as public safety commissioner. Charles Grant, chairman, William Dieroff and Harry Goheen.

At the business session, the P. B. A. voted to purchase \$2,000 in war bonds during the coming Fourth War Loan drive. About an equal amount of other government securities already held by the association.

RESUMES COLLEGE STUDIES

Princess O'Rourke Mayfair Feature

Moviegoers should have no difficulty in warming up to the new Warner Bros. picture "Princess O'Rourke," which is its premiere at the Mayfair Theatre Saturday. The film starring Olivia de Havilland and Robert Cummings is a storehouse of fun—jam-packed with all the ingredients that make for outstanding entertainment. The lovely Olivia is cast as Maria, a royal princess in exile. Cooped up in her luxurious suite in a grand New York hotel, she suffers from ennui. Under the constant surveillance of her guardian uncle, she never reaches the West Coast. After only a few hours a heavy fog turns it back to New York harbor.

By this time the beautiful Princess is sound asleep, having piled herself with enough sleeping pills to put her out for two days. Lucky for her, young Eddie O'Rourke, the co-pilot, was there to take her under his wing. The Eddie was a good boy, reared right, so he sent the sleeping beauty to his apartment in the care of his friend's wife. To nobody's surprise, of course, Maria and Eddie fall in love. The complications that ensue to Eddie's courtship and his state of prolonged shock when he discovers she is a real Princess, make for hilarious laughter. But boy gets girl in the end, and everybody, except Uncle, is very happy.

The associate feature will be Walt Disney's "Victory Through Air Power."

'Black Rhapsody' Premiere At Mosque

Ernesto Lecuona, Cuba's most famous composer-pianist, (Siboney) "Malaguena," "Always In My Heart," "Antuluisa," etc.), whose "Black Rhapsody" will have its world premiere as a ballet in "Viscent Youmans' Revue" at the Mosque Theatre, Newark, on Friday evening January 21, has been a prominent figure in music since child-

hood. Born in Guanabacoa, Cuba, on August 7, 1898, he was an accomplished artist at the age of five and made his first public appearance at the Circulo Hispano de la Habana. At 17 he composed his first Gato Negro work, "Cuba Y America," a two-stop which became quite popular in Cuba and is still played by military bands in his sister republic. Receiving his diploma at 18 from the National Conservatory of Havana as "First of Piano and Singing," he composed his first group of six Cuban dances for piano. At 17, Lecuona made his initial journey to New York where he played at Aeolian Hall and recorded several compositions for Victor and Columbia.

From the age of 17 to the present, for thirty years, Lecuona's name and music have spread throughout the world, his classical compositions being played by symphony orchestras, his popular dances and songs being heard in movies, night clubs, dance halls, stage, and on radio. His own orchestra, known as the Lecuona Cuban Boys' (South America, and even been heard in a sensational engagement in China they played for three years in South America alone. Only two major countries were missed on the tour, the United States and Russia. It was Lecuona's music, however, which introduced the rhythms and songs to the U. S. A. At the Mosque Theatre several of his new songs will be sung by Esther Borja and his ballets directed by Eugene Van Grona will include "Zambra Gitana" and "Rumba Finales" besides the "Black Rhapsody."

Cagney Film Feature For New Theatre

George Sanders and Marguerite Chapman in "Appointment in Berlin" and Ann Miller, Rochester Freddy Martin and his orchestra in "What's Buzzin Cousin" comprise the screen fare at the New Theatre, Elizabeth, tomorrow and Saturday.

The week's main program, for three days beginning Thursday, will feature James Cagney in "Johnny Come Lately" with The Burnsteds directed by Eugene Van Grona will include "Foolish Glimmer" with the associate film.

On the request program next Wednesday and Thursday will be "The Rains Came" with Myrna Loy and "Under Two Flags" with Ronald Colman. Gladys Colburn, Rowland Russell and Victor McLaglen.

Plant Helps Build Landing Craft

One Of Many Working On Vast Program
Ferdon Engineering Engineering Co. of Hillside, one of the plants listed this week by Under Secretary of the Navy James Forrestal as participating in the vast landing craft construction program, on the completion of which depends the success of the forthcoming operations for 1944. Mr. Forrestal said:

"Invasion dates have been set. American men are coming to storm hostile shores more difficult than any we have heretofore tackled. Heavy casualties must be expected. Casualties will be less if our men are better equipped. The more power we can put in our punch, the more versatile our attack, the more we can reduce the casualties will be in this most hazardous of military operations, the landing, on a hostile shore for three to five days, of experienced, well-equipped enemy."

Many Types
The Navy—with the aid of the many contractors, shipbuilders and workers of the nation—already has produced 20,000 landing craft, embracing various types, from 450-foot dock ships to amphibian tractors. Guadalupe, Africa, Attu, Kiska, Sicily, Salerno, Tarawa—these are some of the places where the landing craft have been used in all of these. An even more ambitious program is in prospect—we are engaged in building 45,000 additional such various special types.

WINTER NEEDS FOR YOUR FAMILY AND HOME . . . Economically Priced at SOLOMON'S

"One of Hillside's Good Stores"
1299 LIBERTY AVE. WA 3-9507 HILLSIDE, N. J.

operate galleys equipment. And—in one lot there are 850 valves—some of them of forged steel—others of various other metals. Mevied parts go into a single craft and the makers of them are scattered throughout the entire Union. This landing craft program calls for the intelligence, skill, industry, brains and brawn of some 4,000 prime contractors, 30,000 subcontractors and their hundreds of thousands of employees. For the United States Navy will reach into the small and large factories, the farm-lands, and the mines, before it can get the finished materials to assemble into the landing craft at the 67 shipyards, where the vessels will be assembled.

"Success in invasions to come will depend upon the sweat that we put into these landing craft today. The more they are built, the sooner will the war be over and the lower the cost in human lives. That is our resolution for 1944."

What did he do? He figured out a system of printing twelve bills with a plate such as formerly printed only eight, and there was the 50 percent output gain. Economy in paper, ink and shipping charges started right away saving two million dollars a year besides the original ten million dollars. Last spring Mr. Dewey recommended that something of the same sort be done about printing bonds. His technical experience is an asset to the nation, and I think he ought to be heard on this subject. He will ultimately be heard.

Support Good Men
Congress is not the Puppet Show for the amusement of bureaucracy that it was a year ago. This column, released January 6, 1943, fairly gurgled over the fact that the 77th Congress apparently had a mind of its own, a conclusion which succeeding events have justified. Congress has lifted the old custom hold-up and made its power felt and understood.

Reasons for Both
It would be possible to write a book full of reasons why poor people ought to buy bonds as well as relatively well-to-do folk and banks. The first reason is that there are infinitely more poor people and their purchases amount to a lot more. Second, 100 many people with their own half-paid jobs are spending money helplessly and hastening inflation. Third, poor people are getting to need money after this war. They will need it more than ever. It is smaller because small bonds cost less, and people who pay taxes big money every economy they can be afforded. As a matter of fact, I was disappointed when bonds from the third War Loan appeared in such unglorious size and shape. If it is safe to print a \$100 bill 500 inches, surely a \$25 bill does not need to be as big as a high school diploma.

Chance for Economy
Congressman Charles S. Dewey

LOOKING AHEAD
By GEORGE S. DEWEY
President, Hillside National Bank of Hillside, N. J.

AMERICA'S FOURTH WAR LOAN DRIVE starts January 15. The drums of promotion will be throbbing already when this article is published. I hope this loan goes over with ease and enthusiasm like the other three, and there is no reason to doubt that it will, but there are two possible changes in the overall war plan picture that would please a lot of people, and I sincerely believe they would improve itself. (1) An effort ought to be made to sell more bonds to people in the low income brackets. (2) The bonds themselves ought to be smaller in size.

TEAMWORK
American Style
War-time transportation means supplying the Home Front with moving great quantities of men and war material. Lehigh Valley—the Route of the Black Diamond—and other railroads meet this challenge with the same spirited teamwork that characterizes our fighting forces. The still greater movements necessary for victory will be handled with the same all-out cooperation. . . Lehigh Valley is proud to be a member of this record-breaking team—proud to pay tribute to it.
LEHIGH VALLEY Railroad
ONE OF AMERICA'S RAILROADS—ALL UNITED FOR VICTORY

TIRE SHORTAGE Predicted For 1944!
Forget Optimism - - - Look at FACTS!
Too many automobile owners have lived in the land of dreams as regards to new tires which may be available in 1944. Don't be deluded as to what you might expect. Be guided by the major thought that the tires you have must last you through 1944. They must be carefully nursed during the emergency—receive more careful attention than ever before—by tire experts who will tell you the plain facts—and know how to make your tires last.
These Things YOU MUST Do - - -
Drive carefully. Drive under 35 miles per hour. Don't slap on your brakes and cause skidding. Don't bump over curbs. At the first sign of damage to your tire, bring it to your tire expert for a careful examination and have the repair made immediately. When it's time for a recap, have it done then rather than to continue driving until the all-important rubber has worn through the fabric.
We'll Do Our Part - - If You Do Your Share
We are anxious to keep you driving. Millions of men and women depend on automobiles to get them to work. Farmers and industries depend on tires. If you do your share in watching the tires you own well do our best to preserve them for you.
You Can't Drive On False Hopes—Let Us, Your Independent Tire Dealer, Keep You Rolling—It's Our Job and Duty

H. S. Girls Invited To N. J. Party

NEW BRUNSWICK, Jan. 12.—A birthday party marking the twenty-fifth anniversary of New Jersey College for Women is to be held Friday evening, January 21, in the home of Mrs. Ralph C. Armstrong, of 674 Duquesne terrace, Union, when high school girls and club members from Union and nearby towns will join N. J. C. alumnae at 8:15 o'clock for an informal program provided by the college. Parents and teachers of students in Union and Hillside High Schools have also been invited to attend, and parents of students now at N. J. C. will be welcome if they communicate with the chairman, The Union party is one of a series of 75 similar affairs scheduled for the anniversary year.

Former Resident Bride Of Soldier

A wedding of interest took place on Sunday afternoon at the First Methodist church of Trenton when Miss Shirley White, daughter of Mr. and Mrs. Samuel White, of Trenton, became the bride of Corporal Alfred Henker, son of Mrs. Augusta Henker of Elizabeth, formerly of Hillside, and the late Robert Henker. The ceremony was performed by the Rev. Berryman McCoy. Miss White had as her only attendant her sister, P. F. C. Ruth White of the Marines. Henker, as his best man his brother, Robert Henker.

Social Items

By SALLY McGHEE

MR. AND MRS. CHARLES SMITH, of 1211 Salem avenue, entertained on Sunday Mr. and Mrs. H. Redlich and daughter, Betty, of Philadelphia; Mrs. R. Branch and J. Miller, of Irvington.

Sinai Ladies Plan For Installation

Plans for the installation of the new officers of the Ladies Auxiliary of Sinai Congregation jointly with those of the congregation were made at a meeting of the installation committee of the auxiliary Tuesday night at the home of Mrs. Harry Braunstein, of 107 Schuyler avenue, Newark. The installation, which will take place at the synagogue on January 21, is in charge of Mrs. Braunstein and Abraham Mankowitz.

Former Hillside Girl Is Married

Mr. and Mrs. John Carmichael, of Kenilworth, N. J., are the bride and groom in the marriage of their daughter, Helen Baxter, to William O. Wesley Dwyer, Jr., of Trenton, N. J., on Friday, Jan. 11. The ceremony was performed on Christ Church, in Trenton, N. J., at the residence of the bride's parents, 411 West 4th street, Newark. The bride was escorted by her brother, Robert Baxter, to the altar. The groom was escorted by his brother, William Dwyer, Jr.

NOTICE

We deserve a better Board of Education. Help us elect 3 new members who will give to Hillside a more advanced, more progressive, more representative school system.
