**NEW ENGLAND
MUTUAL LIFE INSURANCE COMPANY.**

BOSTON AND NEW YORK.

110 Broadway, corner Pine Street, N. Y.

WILLARD PHILLIPS, Pres't.

B. F. STEVENS, Sec'y.

CASH ACCUMULATION, \$2,500,000.

This is the oldest wholly Mutual Life Insurance Company in the United States, having been organized in 1843, and has been uniformly successful, having always made large returns in cash dividends to all the policy holders. Last cash dividend 89 per cent.

It is strictly a benevolent institution for mutual protection, and entirely beneficent in all its workings and tendencies.

By the last report of the Insurance Commissioners, the surplus of assets over liabilities was \$1,250,000, being proportionately greater than any Life Insurance Company in the United States. Expenses proportionately "LESS" than any other Company.

This Company, being purely mutual, insures at the lowest possible rates; and if the premiums paid exceed the ACTUAL cost, the surplus is returned to the parties insuring.

Every fifth year, at the time of declaring the dividends, the business is, as it were, closed, so that its actual position and solvency are made manifest at that time, and the surplus funds are divided *pro rata* among all the insured. This guards the assured against any possible loss from inefficiency on the part of the Company, and is a sure guaranty as regards the future.

Insurance may be effected for the benefit of married women, beyond the reach of their husband's creditors. Creditors may insure the lives of debtors.

Printed documents of an interesting character, showing the benefits of the mutual plan and the advantages generally of life insurance, supplied gratis, or forwarded free of expense, by addressing

JOHN HOPPER, Agent for the Co.,

110 Broadway, cor. of Pine Street, N. Y. City.

Parties at a distance may insure from blanks, which will be supplied and forwarded free of expense.

HORACE WATERS, No. 481 Broadway, New York.

SABBATH-SCHOOL BELL, No. 1,

contains 144 pages, and nearly 200 tunes and hymns, and is the most popular Sunday-school book ever issued. Among the most popular pieces are "Kind Words," "Eden Above," "Christian Hero," "Beautiful Zion," "I Ought to Love my Mother," "The Angels Told me So," "In the Light," "Rest for the Weary," &c. Prices—paper covers, 20 cts. each, \$15 per 100; bound 25 cts., \$20 per 100; cloth bound, embossed gilt, 30 cts., \$25 per 100.

SABBATH-SCHOOL BELL, No. 2,

is an entire new work of 192 pages, and nearly 225 tunes and hymns. As the music is a little more difficult, it is just the book to follow Bell No. 1. Nearly one million of these Bells have been issued and are now ringing through this and other countries. Among the many choice pieces may be found, "Shall we Meet Beyond the River?" "There is a Beautiful World," "Sorrow Shall Come Again no More," "Don't You Hear the Angels Coming?" "Thou, God, Seest Me," "Sabbath Bells, Chime On," &c. Prices of Bell No. 2 are same as Bell No. 1. Both numbers can be obtained in one volume, price, bound copy, 40 cts., \$35 per 100; cloth bound, embossed gilt, 50 cts., \$45 per 100. 25 copies furnished at the 100 price. Mailed at the retail prices.

OPINIONS OF THE PRESS ON McAULIFFE'S IRISH WHISKEY.

GENUINE IRISH WHISKEY AT LAST.—We do not know any thing better, with which an Irish American would like to entertain his friends, than a drop of the *real stuff*, and this our friend JOHN McAULIFFE, has placed within the reach of his countrymen, in this city.—*Irish American*, Dec. 28, 1857.

The public of New York are indebted to JOHN McAULIFFE for supplying Irish Whiskey with the aroma and smack of the *Old Sod*, and his success is attributable to the pride he feels in selling it pure and unadulterated.—*Irish News*, Dec. 18, '57.

Not a headache in a hogshead of it.—*Evening Post*, Dec. 23, 1857.
The Ta'let says: A word to the wise.

One tod of McAULIFFE's Whiskey is worth a tun of the vile mixtures of the day.—*Hoboken City Gazette*, and numerous others.

STEINWAY & SONS'

Gold

Medal

PATENT OVERSTRUNG GRAND AND SQUARE PIANOS,

Are now considered the best Pianos manufactured.

These Instruments have taken twenty-six First Premiums—Gold and Silver Medals—within the LAST SIX YEARS, in competition with Pianos of the best makers of New York, Boston, Philadelphia and Baltimore.

Among the Judges were GOTTSCHALK, WM. MASON, H. A. WOLLENHAUPT, and other musical celebrities.

STEINWAY & SONS do not refer to artists who were in this country many years ago, or to certificates or testimonials given a long time since, as it is a well known fact that such important improvements have been made in Pianos, QUITE RECENTLY, that many makers, whose Instruments were justly considered to rank among the best, years ago, cannot by any means claim the same position at the present time.

We subjoin the following certificate, given within the last six months, by nearly all the leading and most prominent artists and musicians now residing in this country:

"The undersigned having personally examined and practically tested the improvement in Grand Pianos, invented by H. STEINWAY, in which the covered strings are overstrung above those remaining, do hereby certify:

"1. That as the result of the said improvement, the voice of a Piano is greatly improved in quality, quantity and power.

"2. The sound of STEINWAY'S improvement is much more even, less harsh, stronger, and much better prolonged, than that realized in any other Piano with which we are acquainted.

"3. The undersigned regard the improvement of Mr. STEINWAY as most novel, ingenious and important. No Piano of similar construction has ever been known or used, so far as the undersigned know or believe."
