and the amount of their sales are nearly double those of the next largest Manufacturer in America, and exceed those of the Twelve next largest Piano Manufacturers in New York combined.

Steinway & Sons are the only American firm whose Pianos have a "world-wide" reputation, being exported in large and constantly increasing numbers to Europe and all other parts of the civilized world. Steinway's Pianos are sought to be copied by nearly all American and European Piano-makers, many of the latter announcing through the public papers that their Pianos are constructed on the "Steinway" system. Steinway & Sons desire to call special attention to their
