EXCHANGE PLACE **TAYLOR'S HOTEL** JERSEY CITY, N. J.
EUROPEAN PLAN.
GEO. B. DE REVERE, PROPRIETOR.

HAVING leased the above-named old-established Hotel, situated in Jersey City (in view of the North River and Harbor), I would respectfully inform the traveling public that, having thoroughly REMODELED, RENOVATED and REFURNISHED the house anew, I am prepared to cater successfully to the wants of those whose pleasure it may be to favor me with their patronage. Two hundred finely furnished rooms, single and en suite, well lighted, ventilated and heated (steam or open grates), furnish ample accommodation for gentlemen and families visiting the Metropolis, either on business or pleasure. The spacious dining room and cuisine are in charge of competent and experienced stewards. The tables are supplied with the choicest viands of the season.

Attention is called to the convenient location of the Hotel, it being directly opposite the Pennsylvania, Baltimore & Ohio, New York, Susquehanna and Western, Lehigh Valley, and West Shore Railroad passenger stations, and within a short distance of the New York, Lake Erie & Western Railroad, the Red Star and Netherland lines of steamships. Also, within ten minutes of City Hall, Wall Street and the business portion of New York City, via the Cortlandt and Desbrosses Street Ferries. Also, in close proximity to the Brooklyn Annex Boats for Brooklyn, Coney Island, Brighton Beach and Manhattan Beach,

Prices are consistent, rooms ranging from One Dollar per day upward.

A spacious Barber Shop, Billiard Parlor and Café are attached to the Hotel.

**BAGGAGE CHECKED AND CONVEYED TO AND FROM
DEPOT FREE OF CHARGE.**

A share of your patronage is respectfully solicited.

W. A. Allen Improved Bundle Kindling Wood

No. 1 Exchange Place, Jersey City, N. J.

This wood is prepared expressly for family use and kindling coal fires.

It requires no Fire-lighter to start it. Each piece will burn from a match.

It burns quick and freely and does not smoke. It will kindle a coal fire in half the time required with ordinary kindling wood. It is the best and cheapest kindler in use, and as a summer fuel it has no equal.

To kindle a coal fire, use according to the printed directions which accompanies each bundle. Don't wait for the wood to burn and form a bed of coals before putting on the coal, as it is necessary to do with ordinary kindling wood, but put on the coal before or immediately after lighting the fire. Do this and we guarantee it to do all we claim for it and give perfect satisfaction. Orders by mail for Jersey City, Brooklyn or New York receive prompt attention.

The Grocers Keep It.
