— OF THE —

W. A. ALLEN IMPROVED BUNDLE KINDLING WOOD.

No. 1 EXCHANGE PLACE, JERSEY CITY, N. J.

This wood is prepared expressly for family use and kindling coal fires.
It requires no Fire-lighter to start it. Each piece will burn from a match.
It burns quick and freely and does not smoke. It will kindle a coal fire in half the time required
with ordinary kindling wood. It is the best and cheapest kindler in use, and as a summer fuel it
has no equal.

To kindle a coal fire, use according to the printed directions which accompanies each bundle.
Don't wait for the wood to burn and form a bed of coals before putting on the coal, as it is necessary
to do with ordinary kindling wood, but put on the coal before or immediately after lighting the fire.
Do this, and we guarantee it to do all we claim for it and give perfect satisfaction. Orders by
mail for Jersey City, Brooklyn and New York receive prompt attention.

THE GROCERS KEEP IT.

Mr. D. W. Clegg,

Washington, D. C., March 2d, 1885.
 Dear Sir:—I have examined your Combination letter-sheets, and have no doubt that they will prove a convenience to the public. It is the best device of the kind that has come to my notice. Very respectfully,

FRANK HATTON, Postmaster General."

D. W. Clegg, Esq.,

My Dear Sir:—I have carefully examined your Combination letter-sheet. I have never seen a more simple, convenient and economical device for correspondence purposes. It is also well adapted for inclosing remittances by mail. In my opinion, a popular demand for these letter-sheets must follow upon their introduction. Very respectfully,

E. J. DALLAS, Chief of Dead Letter Office."
