My dear Voter:-

At the coming Democratic primary election, to be held on Tuesday, September 23rd, 1924, you will be called upon to select a candidate to represent you in the House of Congress, from the Eleventh Congressional District.

May I take the liberty of setting forth my reasons as to why I am a candidate for this high office?

Two years ago, I was invited to become a candidate for Congress, by my friends and the leaders of my party in Hudson County. At that time it was understood that Mr. Eagan was not to be a candidate. After my candidacy was announced, and having received numerous endorsements in this Congressional District, I had started out to make an agressive campaign.

At my opponent's request, a conference was held in the presence of the heads of Hudson County's Democracy. He pleaded with the party leaders to prevail upon me to withdraw from the race, assuring all present that he would not again become a candidate. I stepped aside and agreed with the heads of our organization that there was merit in my opponent's request.

I bent every effort in behalf of his candidacy, and to-day, as my opponent, he has broken his agreement, not only with me, but has turned his back on the party leaders who so loyally supported him for twelve years.

In 1912, Mr. Eagan, personally solicited and received the support of Mayor Hague, and continued to receive the same support for the next twelve years. Recently he lauded Frank Hague as the greatest leader the Democratic party has ever had in Hudson County and the State of New Jersey. Now he assails him because Mr. Hague is standing by the agreement of 1922, which called for me to be the organization candidate for Congress in 1924.

If successfully nominated and elected, I promise to step aside at the end of two terms or four years, as I believe this is sufficient time to properly represent the people of this District, and give another deserving Democrat the opportunity to enjoy this high honor.

I pledge you now, that I shall introduce, in my first term, a bill to revise the Volstead Act, in order to legalize the sale of light wines and beers. I will do it in my first year as a member of the House of Congress, and will spare no effort to have such a bill enacted into law.

In the event of my election, I promise to use my best efforts, that the City of Hoboken be re-imbursed for the loss of taxes of its piers. The original purpose of the government in taking over these piers has been attained long ago, and any further retention of them will be a gross injustice and an unwarranted loss of revenue to the citizens of that City.

Our Government should amply provide and care for our sick and disabled war veterans. Some of the country's prosperity should be theirs. I believe this is our country's greatest duty.

I believe that labor has a right to organize, to bargain collectively, and that they should not be restrained in this respect, either by injunction of the courts or otherwise.

I promise to support and aid the postal-employees to obtain a living wage.

I favor the proposed Federal Parole System. In our Federal Courts the Judge has no discretion, no matter what the circumstances be, upon the conviction of a first offender.

If successfully nominated and elected, I will continue to serve you, one and all, faithfully to the end. Should you so favor me, I will be more than grateful, and do all within my power to prove myself worthy of your confidence as your Congressional Representative of the Eleventh District.

I remain,

Very respectfully yours,

O.J. auf du Heide

The Leaders of Hudson County's Democracy are solidly behind the candidacy of the Honorable Oscar L. Auf der Heide for Congress.

Mayor Patrick R. Griffin of Hoboken has said the following of his candidacy:—

"It is unfortunate that anything should interfere with harmony in the ranks of the party in Hudson County this fall, when we have such an excellent chance of electing a Democratic President and a United States Senator.

As far as Congressman Eagan is concerned it is perfectly plain, even from his own statements, that he **agreed two years ago** not to become a candidate again this year for the nomination in the Eleventh District, and it is the natural expectation of the leaders that he would support the Democratic ticket agreed upon, and especially the candidate of the organization put forward for Congress in his district.

He has been the party nominee since the district was organized in 1912; has served five terms in Congress and received the organization support in his six times up for the nomination. The organization has never failed him and he should not go back on it now.

Having agreed not to become a candidate he should step down gracefully and give another good Democrat, Oscar L. Auf der Heide, a chance."

BALLOT IS AN EXACT V ELECTION L'V May 3rd, 1923. Dear Friend:-May we present for your consideration some of the reasons why we believe our candidates should be elected and the present City Commissioners defeated? It is your right to use the ballot to correct abuses in the government of this city. Now is the time to exercise your right. The manner in which the City Commissioners have abused your confidence is shown in the high rents, high taxes and high water rates. Taxes have been increased from \$22 to \$45 in four years. The debt of our city has jumped from \$5,000,000 to \$13,000,000. The cost of governing the city has increased from \$1,000,000 in 1914 to \$2,500,000 this year. Property assessments have gone up from \$71,000,000 to \$92,000,000 since the City Commissioners first took office. We have published these facts in the public press. The City Commissioners have not denied them. Four more years of this kind of government will ruin Hoboken and the people who live here. We do not believe you want to do this. We believe you want to live and let live. Therefore, we ask your vote for the men who are pledged to LOWER RENTS, TAXES AND WATER RATES, as follows:

HEAVY VOTE MARKS FIRST MUNICIPA ELECTION IN WHICH WOMEN PLAY RO

The Hoboken City Commissioners were swept into office for their third term yesterday by a vote which swamped the opposition so completely that the only word adequately descriptive of the victory is

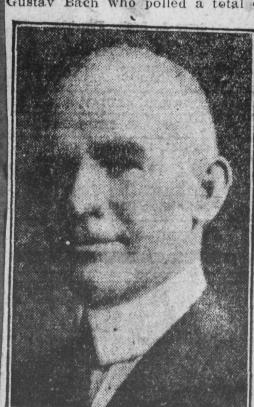

In every section of the city the administration candidates overwhelmed their opponents. Not only in every ward but in every district throughout the city the administration victory was complete.

Almost immediately after the polls closed great crowds gathered in front of the Hudson Observer building to watch the returns as they were thrown on the screen on the City Hall. When it became known that the five commissioners had again been re-elected the enthusiasm became such that cheering broke out from the crowds that was heard for many blocks around.

"LANDSLIDE" PARADE.

Shortly afterwards a big parade came along Washington street bear As to the opposition candidates ing the banners of the B. N. Mcthey went under with an adverse Feely Association. Headed by a hand, they sang and cheered as they marched along. They headed quite so high as had been hoped straight into the City Hall, and there gave the standard bearer of the association a rousing reception, congratulating him on again heading the organization ticket, this time by a substantial majority.

As had been anticipated McFeely ran ahead of his ticket in almost every district in the city. When the total was reached for the city it was found that he was 554 votes ahead of his ticket, polling a total of 12.469. Mayor Griffin ran second on the ticket with a total vote of 11,915. Third on the ticket was Gustav Bach who polled a total of

M'GOVERN IS EXPECTED TO LEAD THE TICKET

Candidate For County Clerk
Has Wonderfully Good
Record in Hudson Co.

There is one Democratic candidate for office about whom very little is heard—County Clerk John J. McGovern. McGovern is busy campaigning for Senator Edwards and the rest of the ticket; he does his own campaigning the other eleven month in the year, and all the other years.

McGovern is an all-year-'round campaigner, and is usually looked up-

on to lead his ticket, which is likely to be the case this year.

McGovern's conduct of office has never been under criticism and his conduct of war work made him a conspicuous patriot throughout Hudson County, and in every drive that was launched. Although too old to go to war, he is one man who more than made up in his work at home, including wondeful inspirational work in the draft board of West New York.

McGovern, as a runner at the polls, is in a class by himself. He is now seeking his second term as County Clerk.

PRECISION SHOWN IN VOTE TALLIES

"Come-Back" of "Billy" Verdor Worries Harry Lambert "Muchly"

The filing of the primary election returns in Hoboken was accomplished with the efficiency notable in recent years under the direction of City Clerk Daniel Haggerty. That the election officers are also becoming speedier in their work of tallying the votes was evident from the fact that there was little less of time in receiving the boxes at the City Hall.

A little more than wo hours after the polls closed the last of the districts had been completed and the returns filed at the city hall. City Clerk Haggerty supervised the filing of the returns assisted by Edward Sharkey and James Toohey while Edward Coyle and Tom Kehoe listed the official returns and had completed the tabulations shortly after one o'clock.

That there was only the difference of one figure on one candidate between the totals as made up by the newspapermen and the official returns of the city clerk was also something of a record in election returns in Hobo-

William P. Verdon's "comeback" in Hoboken which the result of the election indicates, was a matter of general discussion in the city yesterday. Not the least worried at the results was Harry Lambert, lieutenant of Pierre P. Gorven in Hoboken.

At noon the complain against Judge Doherty and others, on behalf of Mayor Griffin, had been completed. It chargest hat Judge Richard Doherty, William P. STORMY SESSION.

One of the stormiest sessions was witnessed in front of the Newark street side of the Hoboken City Hall, directly outside of Police Headquarters, when the Newark men were dismissed by Judge Doherty. Mayor Griffin and Commissioner McFeely issued orders to Lieutenant Joseph Clark, who was in charge of the police taking care of the alleged repeaters, to hold the men as they came out of headquarters.

When Clark did as directed he and Judge Doherty had a clash. As the men filed out of headquarters, they were halted and informed that they were again under arrest and cautioned not to move. Judge Deherty, with his court clerk and several constables, went to the corner of Newark and Bloomfield streets and insisted on knowing why the men were being halted. Mayor Griffin and Commissioner McFeely were at his heels and informed him that they had issued the orders and he was doing his duty in carrying out official orders.

Judge Doherty asked Clark who he was, and the latter responded that he was a police lieutenant attached to headquarters. Doherty is alleged to have announced that he was the Judge of the Court of Common Pleas and he had his clerk there to issue

Clark then went outside again a resumed his activities in nolding alleged repeaters in check. He Mayor Griffin and Commissioner Feely, who directed that the mer taken up to the City Hall Arm which was done. Judge Dohert alleged to have followed to the mory and ordered them to leave : threatened anyone who interfer with arrest.

Mayor Griffin and Commisioner McFeely McFeely summoned Corporation Counsel Fallon. He appeared in a few moments and informed Julge Doherty that he had been in touch with the Prosecutor's office and that he had directed that all of the men be held until he had a chance to come to Hoboken to investigate. He said further that he was trying to get in touch with Judge Swayze.

Doherty then asked what they were being charged with, and Fallon said they were charged with conspiracy to vote fraudulently at the election.
Judge Doherty is then alleged to hav said to the men that in view of the circumstances they had better st where they were.

The men were kept in the Arm all morning. City Hall Custodi Thomas McLaughlin and a horde assistants went out and, under direction of Mayor Griffin, purchased large pots of coffee, candwiches and cigarettes and furnished the men with the same. Needles sto say, they were hungry and many were in dire straits for a "butt."

Democratic Headquarters

Hoboken, N. J., May 4th, 1923.

Dear Madame and Sir:-

At the approaching election for five Commissioners, who, for the next four years, are to administer and conduct, under Commission Government, the departments of our City, we congratulate the citizens that there is no issue or grave political question, upon which the electorate is divided and taking sides.

It is axiomatic that the management of our local affairs should be managed by those who best understand those purely local affairs which belong to the people of this City, and who are most competent to manage them. Under Commission Government law, to obtain the most excellent government, the personnel of the Commissioners must be MORAL, INTELLIGENT and GIFTED WITH A KNOWLEDGE OF PUBLIC AFFAIRS. If the Commissioners elected are incompetent in public matters, and selected by a scheming politician, the City will have a much worse form of government than the old Councilmanic form.

For eight years PATRICK R. GRIFFIN has been your Mayor and Director of Public Affairs, GUSTAV BACH your Director of Revenue and Finance, JAMES H. LONDRIGAN, your Director of Streets and Public Improvements, BERNARD N. McFEELY your Director of Public Safety, and HARRY L. SCHMULLING your Director of Parks and Public Property.

On every occasion these five men have given you the utmost of freedom and privilege, and the highest degree of equality and justice, regardless of the religious creed, the political affiliation, the nationality, the position of affluence or needy circumstances of all persons who have sought their action and deed.

Possessing a precise and familiar knowledge of the many difficult matters appertaining the City's Government, they coupled their experience and skill with a sincere honesty of purpose in the carrying out of every detail of the City's work, which has been vast and of much importance.

Acting with dignity and in unison they have merited the popular favor to such an extent that they are without any real or sincere opposition.

In appealing for the continuance in office of our Commissioners we believe you will ask yourselves, before voting, this question:-

WILL THE CITY BE BEST BENEFITED BY CONTINUING AT THE HEAD OF ITS DEPARTMENTS OUR PRESENT FIVE COMMISSIONERS, WHO HAVE PROVEN THEIR OUALIFICATIONS, HAVE DEMONSTRATED THEIR TALENTS, AND WITH WHOSE INTEGRITY WE ARE THOROUGHLY CONVERSANT, INSTEAD OF SUBSTITUTING UNTRIED AND UNKNOWN MEN WHO ARE TOTALLY LACKING IN THE EXPERIENCE AND TRAINING THAT IS SO ESSENTIAL AND IMPORTANT IN THE ADMINISTRATIVE, JUDICIAL AND LEGISLATIVE POWERS LODGED IN THE OFFICE OF COMMISSIONERS?

At the municipal election to be held May 8th, 1923, when the polls will be open between 6 A. M. and 7 P. M., you must vote under the preferential election act.

We respectfully appeal to you to re-elect the intire Board of five Commissioners by marking a cross (X) in the square at the right of each of the names of:-

GUSTAV BACH

PATRICK R. GRIFFIN

It is not compulsory to vote a second, third or fourth choice and, at this election, there is but little use for the voter to express more than a first choice.

Very respectfully submitted,

Democratic City Committee.
