Dear Sir and Brother:-

We have just completed the extensive alterations contemplated when we purchased Club House and now have a Club House and Lodge Room that we may well be proud of. The greater part of cost of these alterations we have been able to pay out of our earnings of the past two years.

In our temporary quarters, although uninviting, we lived up to our predictions and showed our original stockholders that they were making an investment and not a donation.

We now propose to distribute our earnings and place our association on a dividend basis, allowing shareholders to participate annually in the earnings. With our present Club House and facilities we should double our present receipts.

To enable all of our members to participate we are issuing 900 additional shares of \$10.00 each, making total number issued 2,000, the proceeds of which will be used to pay off second mortgage, which becomes due shortly, and all other outstanding indebtedness. This additional stock is offered to our present stockholders and to those members who have not as yet subscribed, the holdings of no member to exceed 20 shares, 20% to be paid when subscription is allotted and the balance on or before July 1st. Those members who have not completed payments on first subscription can have amount so paid credited to new stock subscribed for. The Association reserves the right to make such allotments on subscriptions as they may deem to be to the best interest of the Association.

Our financial statement sent you for 1922 shows what we have done in the past, the future speaks for itself; if you want to take advantage of this offer fill in attached subscription blank and return at once, but make no payments until stock has been allotted to you, which will be done immediately after the subscription lists closes on April 15th.

Yours fraternally,

F. J. ANDERSON,

President.

Dear Sir and Brother:-

The sixth meeting of the Allied State Convention committee was held in the home of Atlantic City Aerie #64, May 14th 19 Aeries being represented. Worthy State President Armond T. Nichols was present and took an active part in the proceedings.

A few of the Aeries not having been represented at any of the meetings of the Committee Bro. Nichols volunteered to communicate with them direct requesting their support.

Chairman Clayton stated that posters and show cards for the convention had now been distributed throughout the state in addition to the pamphlets sent out for the entire membership; that the press of the entire state were receiving bulletins bi-weekly of what was being done and that the success of the parade and convention now rested on the support of the aeries throughout the state.

A resolution was unanimously adopted asking that Bro. Nichols continue for another term as State President.

A resolution was adopted asking the entire membership of the state to display the National colors while the convention was in session.

Atlantic City #64 announced their intention of presenting the name of W.S.P. Armond T. Nichols before the national convention for Worthy Grand Chaplin and a resolution was adopted by the committee indorsing the candidacy of Bro. Nichols also requesting every aerie in the state to adopt resolutions favoring his nomination and instructing their representatives accordingly.

Hoboken, N. J., June 29, 1923.

Dear Sir and Brother:-

The Convention is over; the citizens of Hoboken, the Press, in fact, every body who witnessed it, proclaims it a huge success and the best ever held in this vicinity. All are astounded at the wonderful display and large turnout in the parade. The delegates have nothing but praise for Hoboken Aerie and voted it the best convention ever held.

We are now strongly entrenched with the people of Hoboken, many of whom never knew that we were in existence. They are inquiring as to the objects of our Order and many are making applications for membership.

The time is now ripe for a drive for new members. They can be secured with little effort. We want a Class of at least 300 by September. If each member only makes a slight effort more than this number can be easily obtained. If we get this number we will initiate them in royal style at a Class Initiation to be held in one of the public schools. To each member securing candidate a button will be presented bearing this inscription: "I have got mine; have you got yours?"

We enclose application form and would ask that you secure your candidate and return same at once. Initiation fee is \$10.00 under the age of 50.

Counting on your co-operation and support to make this drive the success we anticipate and taking this opportunity of thanking the members and their wives, etc., for the support and assistance they gave in making this convention the wonderful success it was, I remain,

Hoboken, N. J., January 14th, 1924

Dear Sir and Brother:

The Grand Aerie Convention of 1924 will be held at Providence, R. I., week of August 11th next; the N. J. State Aerie in Wildwood, N. J., June 27th and 28th next.

We are preparing to participate in the parades that will be held at both Conventions. We will compete against the best in the Order at Providence, but we are confident that our Marching Club will duplicate its previous showings and will return with prizes as they have at previous Grand Aerie parades.

To keep up our high former standard, we will require funds for music, badges, etc., which are not available from our limited Social Fund, so we ask your support in disposing of the enclosed tickets; donations run from 1 to 15 units as printed on ticket; each ticket entitles the holder to admission to the Reception to be held at Palace Garden on Saturday evening, February 23, 1924. Each book of tickets nets \$1.20, which amount kindly turn in to the Secretary with stubs as soon as sold; additional books may be obtained from the Secretary, should you desire same.

All members and their ladies are invited to join the Marching Club and participate in the above parades; full particulars about arrangements, etc., will be announced later.

Confident that you will show your pride in our Aerie by disposing of all of these tickets, thus assuring us of success at both parades, I remain,

Fraternally your in L. T. J. & E.,

F. J. ANDERSON,
Worthy President.

P.S.--The Secretary will be at the Club House on Monday and Friday of each week from 7 to 9 o'clock P.M., for the collecting of dues, etc.

HOBOKEN, N. J., April 14, 1924

Dear Sir and Brother:

This Aerie with its Marching Club will participate in both the State Convention Parade at Wildwood, N. J., on June 28th and the Grand Aerie Parade at Providence, R. I., August 13, - 14 1924. Arrangements are now under way for Outings to both conventions and all members, their families and friends are invited to join.

Wildwood, N. J., is situated at the extreme southern end of this state and next to Coney Island, N. Y., is considered the finest amusement resort in the world. It has a beach and boardwalk five miles long, considered the finest in this country, and its fishing and bathing is unsurpassed. We have engaged a special train to leave New York Friday, June 27th, at 7:00 P.M., arriving at Wildwood at 11:00 P.M., leaving Wildwood Sunday at about 7:00 P.M., giving you two full days at this wonderful resort. The entire cost of this Outing will be \$18.00, which includes railroad fare and two days' lodging and meals at one of the best hotels located directly on the beach.

For the Outing to Providence, R. I., we are negotiating for a steamer and if we can get the required number, arrangements will be made to have steamer leave Hoboken about 7:00 P.M., arriving at Providence next morning, leaving Providence same evening about 9:00 P.M., giving you ample time to see all the wonderful sights that this famous New England city affords. The cost of this trip, including fare and stateroom on boat, will be about \$10.00.

To complete arrangements we must know how many we will have to provide for, particularly for Providence, where transportation is limited owing to the large crowds that will attend from all over the United States. We are therefore enclosing card for you to sign, making known your intentions as to both Outings. If you sign to go and find out later that you will be unable to do so, you will be under no obligation, if you notify the committee in proper time.

It is urgent that you return cards at once so that we can complete and make proper arrangements.

You are requested to attend next meeting of Aerie, Wednesday, April 16th, when new By-Laws will be submitted for final reading and adoption. There will also be nomination of officers for the ensuing year.

On Easter Monday, April 21st, we will hold a Masque and Civic Dance at the Club House for the members and their friends. All are requested to mask, and the usual good time is assured to all who attend.

Feeling confident that from the wonderful time we had on our Outing to Atlantic City last year we will have a still larger crowd this year, and assuring all of an even better time we look for a large enrollment for both outings.

Yours fraternally in L. T. J. & E.,

F. J. ANDERSON,

President.

HOBOKEN N. J., January 12, 1925.

Dear Sir and Brother:-

Our band, under the efficient instruction of Prof. Knox, is now considered one of the best in the state. They are badly in need of new uniforms. Forty men to be uniformed is a considerable item. The only fund available for this purpose is our Social Fund and as it is from this fund the cost of instruction and all other expenses of band are paid same is not in condition to defray any expense of this kind. The band has earned some little money playing on the outside which they are willing to put towards the cost of these uniforms. They have been of great assistance to this Aerie. They practice regularly and willingly answer every call made upon them for their services. We want them to look as good as they play, so we ask your support in disposing of the enclosed book of tickets; donations run from 1 to 15 cents, as printed on ticket. Each ticket entitles the holder to admission to Reception and Dance at Palace Garden, Saturday evening, February 21, 1925. Each book nets \$1.20, which amount kindly turn in to the Secretary with stubs as soon as sold. Additional books can be obtained from Secretary.

Confident that you will show your pride in our Aerie Band by disposing of all these tickets, I remain,

We have accepted the invitation of Brooklyn Aerie #393 to attend their big ball at Stauch's, Coney Island, Saturday evening next, January 17, 1925. No admission will be charged, and as to the good time that you will have, just ask those that went down last year. Enough said.

We will leave Club House accompanied by Aerie Band promptly at 7:30 P.M.
