FOOTBALL

Linden's light, hard-fighting gridders opened the '47 football season right in style by thoroughly trouncing the Blue and Gold of Cranford 25-0 at the Cranfield field. At Manasquan, however, the small, speedy Tigers found the shore champs a little too good, and they dropped a hard-fought 19-0 game. The following week Linden traveled to Rahway, where one of the season's top contests was played. The Tigers, trailing the Scarlets 6-0 in the last few minutes of the game, pushed over a touchdown to take a 7-6 lead, only to see it fizzle out in the final five seconds. After the Rahway encounter, the Orange and Black lost three successive close ones to big and heavy Long Branch, Carteret, and Woodbridge elevens, each by a slim one-touchdown margin. As November moved in and cold weather began to take a hold on the gridiron, Linden traveled to Hillside, where the sectional group III champs crushed the Tigers 27-0. The Orange and Black soon returned to winning ways, however, as they upset undefeated Clifford Scott in the big surprise of the year 14-0. In the annual Turkey Day classic Linden once again proved its mastery over Union High as the Tigers romped over the Farmers 32-0 to complete the season.

THE HOMEROOM

One of the most memorable places in Linden High School is the homeroom. It is a favorite meeting place of friends, and it is there that those little things occur which will always be a part of cherished school memories. Last-minute studying or homework being done is not an unfamiliar scene. Faces are all a-glow when Cynosures, Chronicle editions, and—report cards are distributed. Election of officers usually highlights the beginning of homeroom activities. This is followed by various programs and discussions.

The spirit of Christmas is especially felt when students joyfully decorate their rooms to add a bit of festivity to everyday routine. In addition to regular sessions on Friday mornings, the Juniors and Seniors alternate in assembling in the auditorium for business meetings and singing, and unlike the underclassmen, elect class officers.

GIRLS' S P O R T S

Miss Siegman and Miss Ciccone supervise Girls' Sports. We compete in many exciting games of basketball and baseball. 300 points are needed for an "L"; 200 for a numeral. Many play for the fun of playing, not for the "L."

The tiger cagers once again turned in a .500 or better record for the third consecutive year, and they proved that as always, they can be found at or near the top of the Union County basketballers.

The season opened on a disappointing note, as North Plainfield High School defeated Linden 48-35. The Tigers, however, soon crashed the win column against Cranford at the High School gym 48-33. After dropping two tough ones to Rahway and Regional by 30-28 and 39-31 scores, the Orange and Black captured their next six out of seven

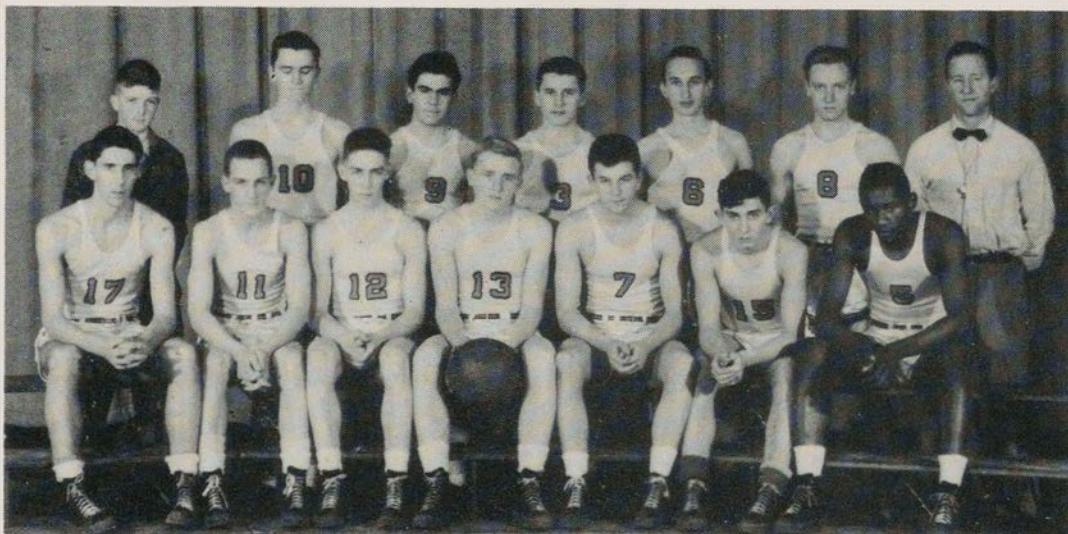

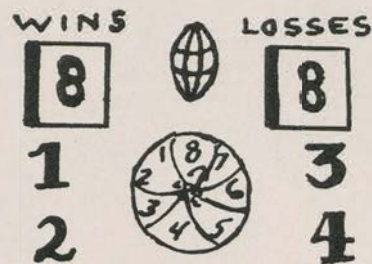

games, spearheaded by the fine play of George Martis, Jack Callander, and Ed "Nemo" Burke. The Tigers vanquished Union, Rahway, Cranford, Plainfield, Union and Hillside in a series interrupted only by a one-point defeat at the hands of North Plainfield. In what was probably the most exciting game of the year, the Tigers beat Hillside into submission 61-60 after five long periods of play. The Orange and Black hit their highest score of the year, and George Martis recorded the highest individual score of 17 points in the Comet game.

Following the Hillside game the Tigers entered a losing streak that stretched through four games, Edison, Plainfield, Jefferson, and Regional, and it did not come to an end until the last game of the regular season, when Linden, led by Callander and Martis, downed Roselle Park 43-38 to bring the regular season to a close with a record of 8-8.

Linden won its first round game of the County Tournament when Union succumbed to the fast attack of the Tigers 43-33. Westfield, however, matched the Orange and Black most of the way in the second-round game, and in a sudden burst at the end defeated the Linden Cagers 43-37.

The individual scoring crown was taken by Jack Callander, whose 177 points put him 26 points ahead of the number two scorer, George Martis.

CLUBS

It is hard to overestimate the importance of clubs to Linden High School. The usefulness and enjoyment of their membership attracts many students each year. The time spent in club activity, though small compared to class work, is both enjoyable and profitable. Since these groups are composed of people gathered together because of common interest, friends are readily and easily made. Perhaps the most logical argument for clubs is this union of common interest.

Facts learned through these activities are often useful later. Hobbies and interests may be developed that will be followed even to the extent of a career in later life. The musical organizations give valuable training to talented students. Some pupils who have started with music as an avocation or hobby have found, in the end, that it is their vocation. The dramatic groups give similar training in the field of acting and play production. Membership in the Library Squad suggests another career. The scientific clubs may present ideas for future vocations, although they are mainly hobby organizations. Other groups follow the literary, linguistic, artistic and outdoor interests as hobbies. Office holding in clubs gives experience in administration invaluable in later life. There are discussion groups which give the member a chance to express himself, to listen to and to discuss other people's opinions.

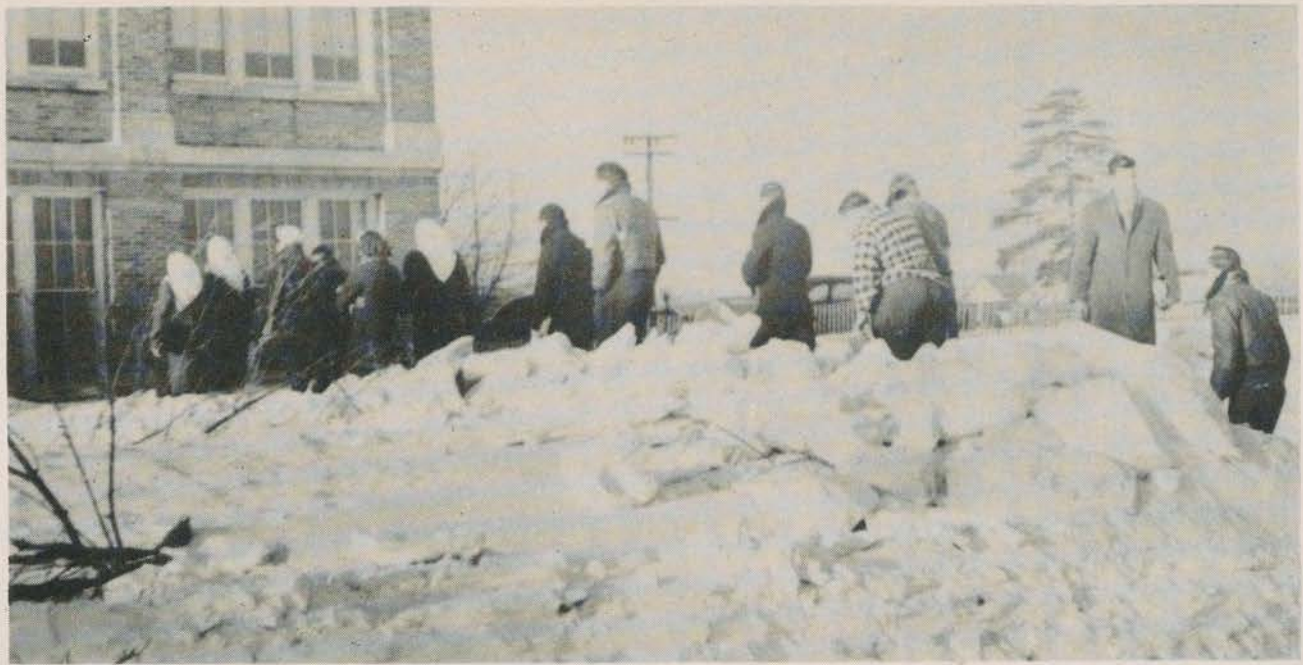

The interest shown by the students of Linden High School in clubs makes apparent their realization of the important part played by these organizations. Almost every student joins at least one during his four years at high school.

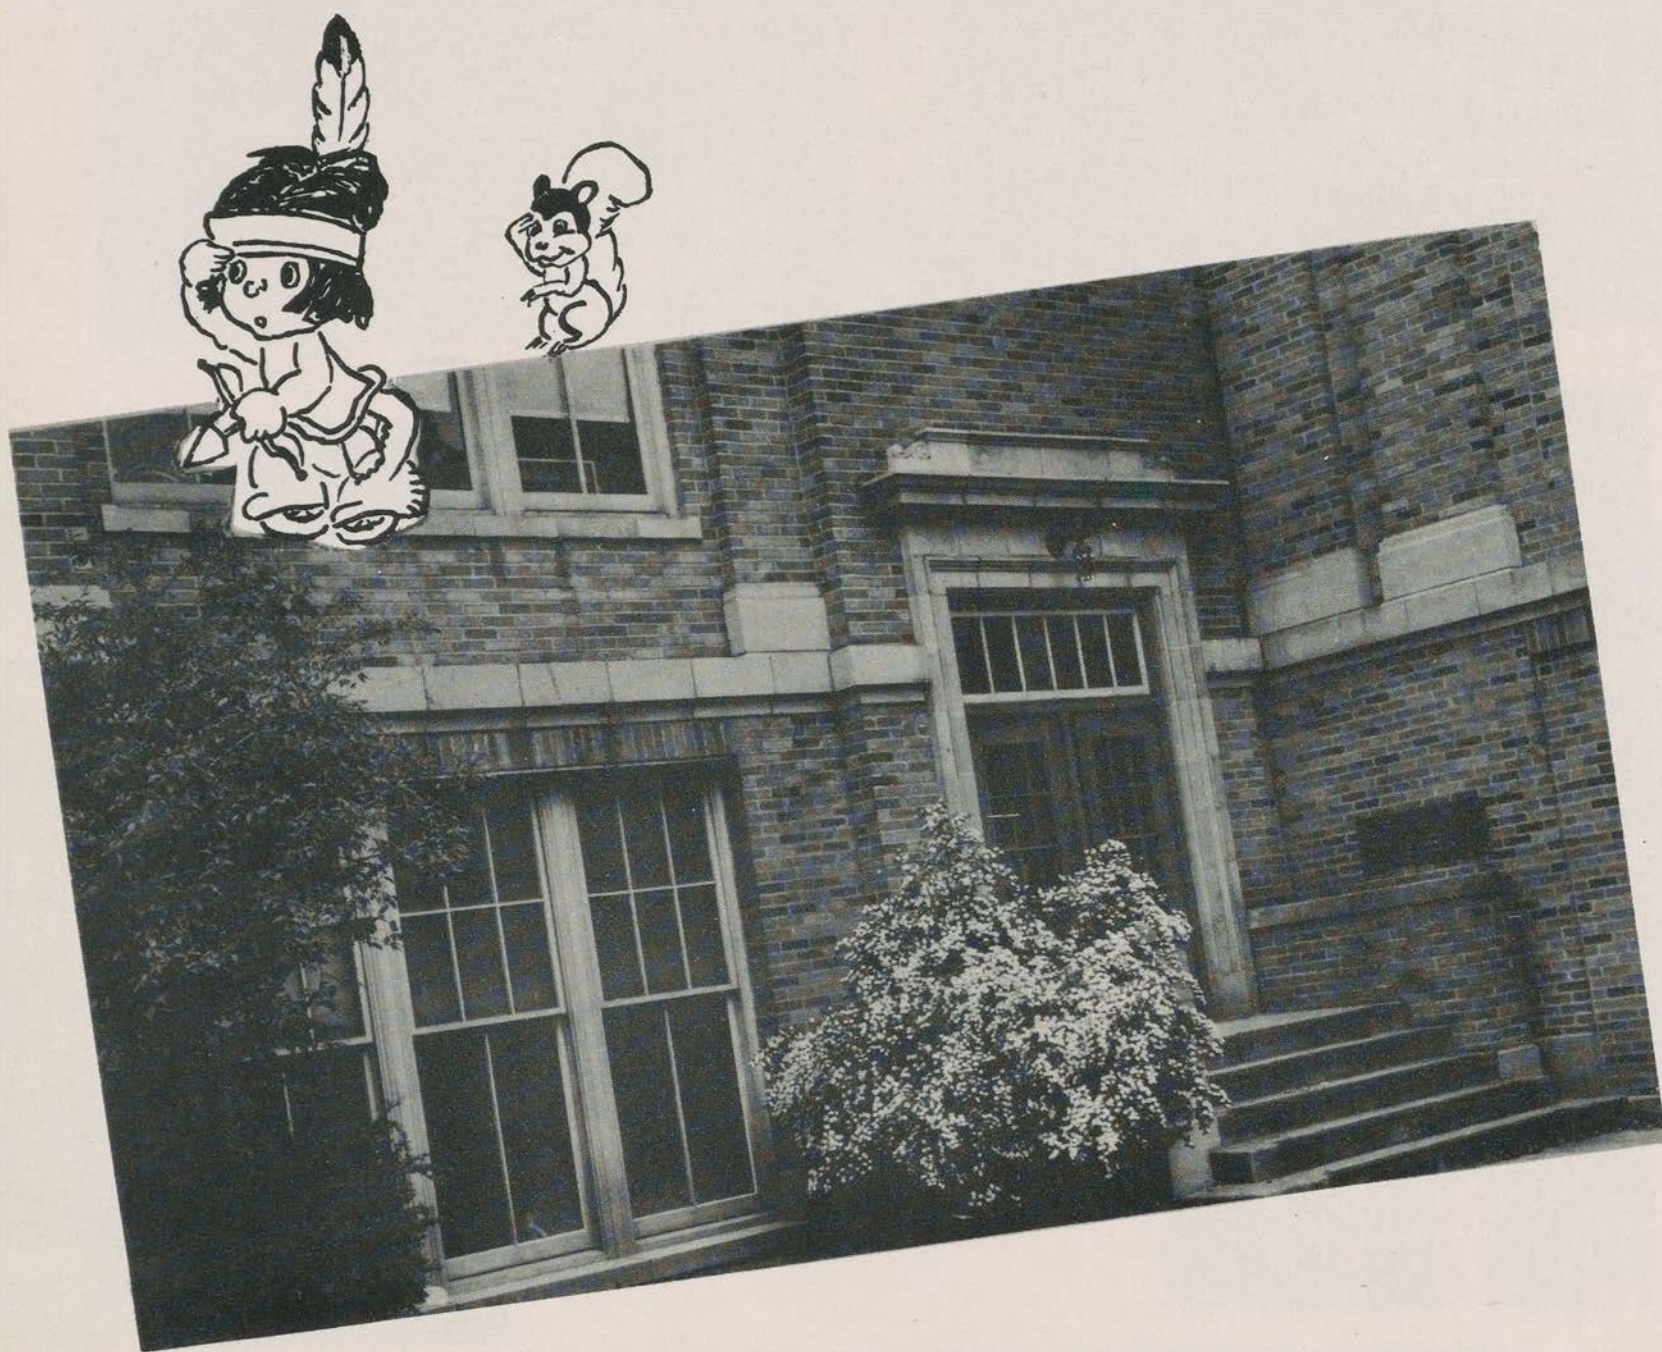

QUALITY STREET

This year's senior class production was "Quality Street", a delightful comedy, written by James M. Barrie. The main character, Phoebe Throssel, portrayed two different people—her true self, a school teacher, and a pretty, flirtatious girl, supposedly her niece. The cast and stage managers under the direction of Miss Gilkeson did a superb job in presenting the play. The various committees also contributed greatly to its success by the choosing and upholstering of furniture, the painting and arranging of scenery, the selecting of costumes, and the skill in the make-up.

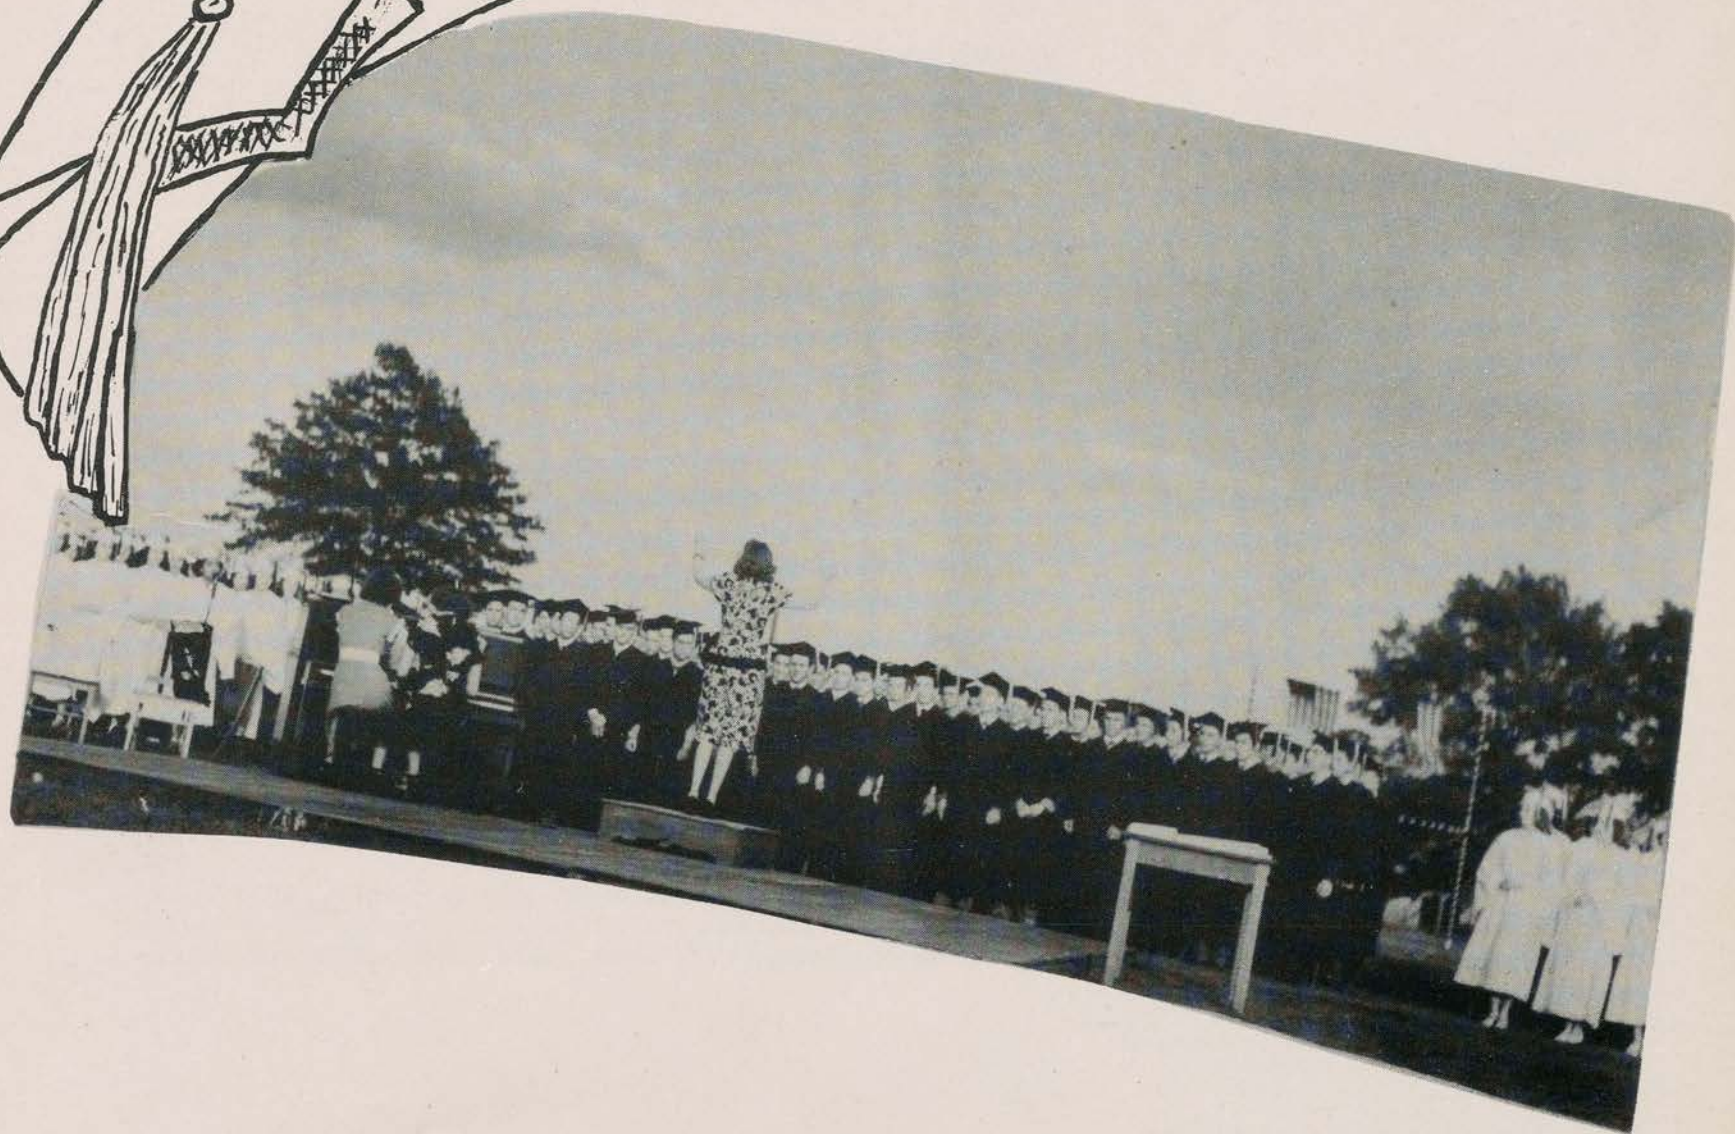

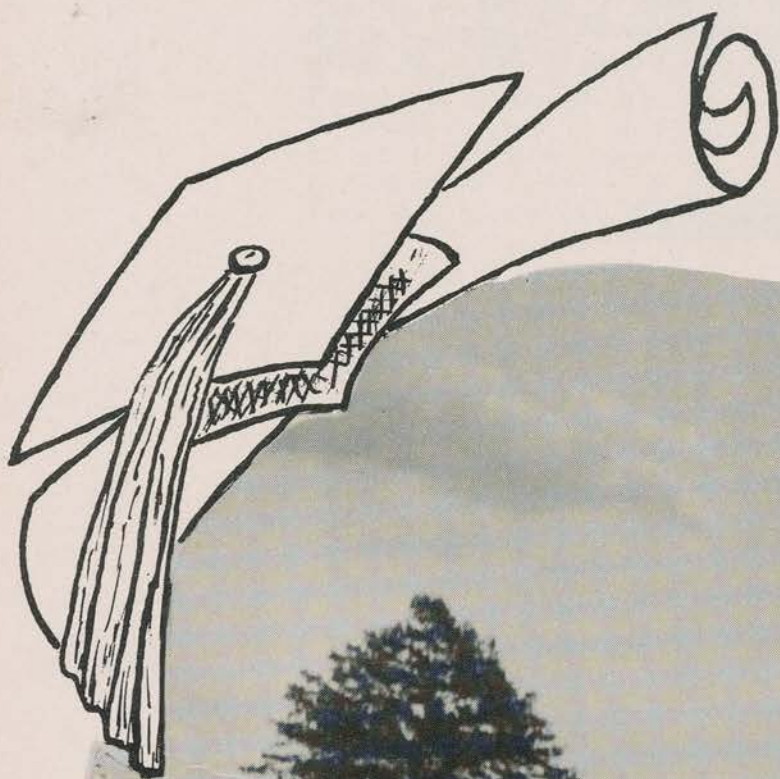

Spring, young and tender.

"Thus came the lovely spring with
a rush of blossoms and music,
Flooding the earth with flowers
and the air with melodies vernal."

STUDENT COUNCIL

The Student Council is a means by which the students themselves have a voice in the management of the school and its activities. Each homeroom chooses a representative to attend the weekly meetings held in room 132 on Wednesdays. Elections are held each spring to select officers for the coming year. Fred Weid was elected President, John Humcke Vice-President, and Margaret Galella Secretary. Miss Smith is the adviser.

The council had a very interesting program this year. Some of the various activities were the Stamp Drive for Veterans, Candy sales at the P.T.A. meetings, March of Dimes campaign, and the organization of a Hospitality Committee.

Linden High's silksters proved themselves to be the Group III power of Union County by going through the first undefeated dual meet schedule in fifteen years. In relay competition the Tigers distinguished themselves by placing second in the Penn Relays, and by placing third in the Long Branch Relays. The Tigers opened the season April 30 with a hard-earned victory against Union at the Farmers' field 64½ to 52½; then in the closest and most exciting meet of the year the Orange and Black toppled a highly rated Regional team from the ranks of the undefeated by a score of 60-57. After the two opening games there was no real competition left on the Tiger schedule, and the Linden silksters rolled over Edison 84-33, Rahway 83-34, Cranford, 72-45, Westfield 70-46½, and Carteret 92-24.

All in all the general picture of the track team showed a great rebirth in spirit as well as in the quality of the individual. In the state meet on June 14th Linden placed third among all the teams in New Jersey to climax one of the Tigers' most successful track seasons.

Linden High School's nine was one of the top scholastic baseball teams in Northern New Jersey last year. The Little Tigers carried off the North Jersey Section II Group III Championship with a 12-4 record that included victories over some of the best competition in the state.

The Orange and Black opened up the season with a winning spurt of five games that consisted of a 5-2 win over Edison, a 7-1 win over Roselle High, 3-1 and 2-0 victories over New Brunswick, and an 11-10 tooth and nail victory over Plainfield. Following the game at Plainfield the Tigers visited Jefferson, where they lost a hard fought 4-3 decision, but they soon countered back at the expense of Westfield High 16-0 and St. Patrick's 10-0. In the next two games, however, Linden lost a pair to Roselle Park and Rahway, but came back to defeat St. Mary's with the top score of the year 17-1; and after a loss to Roselle High the Tigers finished the season by beating Hillside, Cranford, Woodbridge, and Union the last two by shut-outs, 1-0 and 5-0.

Congratulations . . .

For the effort shown by you in completing your high school education!

Now some of you will continue your education while others will accept positions immediately after being graduated.

GREENBERG'S recommend that you do not choose a position which pays the most; choose a position where there is opportunity to learn and earn. Whatever you choose at this time will probably become your career. In order to seek advancement, you should work diligently and conscientiously. If you can improve your work by making a change, contact your supervisor and make your suggestions. If accepted, fine; if not, at least you have tried and will try again. Advancement will follow if you will be honest with yourself and your employer . . . Don't be governed by the clock! An executive is not born; he works hard and reaches his goal.

CLASS WILL

We, the senior class of 1948, being of sound mind and body, do hereby declare this to be our last will and testament.

To the Linden High School faculty we express our sincere gratitude for their perseverance in dealing with us during the past four years.

To the Juniors we leave all our trials, tribulations, joys, responsibilities, and the great honor of being Seniors.

To the individuals we bequeath the following:

John Papuzynski's good looks to Sam Soldo
Tommy Chapman's athletic ability to Micky Callander
Jeanne Rathjen's sparkling personality to Jean Turano
Jimmy Campbell's musical ability to Mae Plunkett
Larry Krivit's camera fiendishness to Frank McGovern
Judy Scheckner's efficiency to Olga Lehotzsky
Robert Smith's keen mind to Pete Woytowicz
Janet Regenthal's acting ability to Bob Hagelin
Janet Harris' title of best dressed to Joan Martin
Dorothea Bohling's place on the honor roll to Arlene Weitzman
Owen Gallagher's dancing feet to Al Phelan
George Wright's voice to Joe Russo
Janet Zyglarski's pep to Peggy Vranken
Arlene Ferguson's sense of humor to Robert Segal
Dorothy Nicolai's beauty to Jean Dixon
Harriet Polin's voice to Joan Woodfield
Eleanor Sefchick's handbox look to Lillian Wenis
George Sweet's full time schedule to Bill Sebring
Leon Wolfberg's optimistic air to Ray Tomaszewski
Ralph Richter's vocabulary to Joe Mayer
Marian Mehrman's lilting violin to Francis Galbraith

May the above bequests be faithfully carried out.

ADS

So you read the ads, heh? Did you ever stop for a second and give them a little thought? Before you decide to buy something, why not look through these ads and find out what businesses are backing you? At the close of every year almost every business establishment in this vicinity has been approached by some member of the advertising staff who represents your school. Many of these businessmen renew their ads year after year, but do you know who they are? The only way to find out who they are is to read the ads. Remember, it is these ads that make it possible to reduce the cost of your publication. Find out who our backers are, and patronize them! Thank you!

THINGS TO REMEMBER

Our first day in Linden High.

The hard time we had getting to school by 8:35.

Actually seeing the band wearing new uniforms.

The mad rush to lunch.

The day the football team sported their new uniforms.

The thrill of being on the Honor Roll.

The day our Senior pictures were taken with everyone dressed in his "best bib and tucker."

Rushing to Greenberg's for our senior rings.

The superb performances in "George Washington Slept Here."

Plaid shirts and dungarees at the Junior-Senior Barn Dances.

Struggling to and from school during "the big snow."

That super-colossal Senior Play, "Quality Street."

The girls learning the "Irish Lilt" in gym.

That exciting 61-60 basketball game between Hillside and Linden.

Linden High talent exhibited on "Cavalcade of Youth" on W.N.J.R.

The swell times we had at the Proms.

Gift Day.

The Senior Trip.

Receiving that long-awaited diploma on graduation night.
