Linden High School

## Preface

We, the members of the Class of 1959, are now ending a very important chapter in the story of our lives, a chapter that took us four years to write. In it are our happiness and unhappiness, our anticipations and our disappointments; and best of all, the wonderful memories we have gathered in Linden High School. In the years to come one of us may be the architect who designs your home, the postman on your route, the teacher of your children, the healer of your body, or the man who brings you close to God. We hope that through this, our story, our 1959 Cynosure, you will better understand us, our hopes, and our dreams.

To tell our tale, we have chosen music as our theme. The songs we sang in assembly, the ones we heard whistled as classes passed, our football and basketball songs, the ones we caught ourselves humming on a special day, our Alma Mater; and finally the songs at graduation, these have become a vital part of our lives during our stay at Linden High School.

In the 1959 Cynosure we have tried to capture the music in our lives in school, so that we may keep it forever.

## dear Linden High.

ALEX OLAH

The day rings are picked out is a mighty big one for the senior class. Will it be a round or a square ring? Will it have a red or a blue stone? These are questions that eventually get answered by each individual student. Then all that remains is the long wait until the rings finally arrive and prove we're really seniors.

Lunch serves a dual purpose for Micky Gerber and friends. The Spanish idioms that they didn't have time to do the night before, just have to get finished before class today.

John Lewentowicz makes a gallant effort to retrieve the ball for the Seniors.

Lennie Codella assists Mr. Barr in serving half-time refreshment to teachers.

Yah! Yah! Seniors

Arthur Whiteman records the score as teachers watch the game.

## Senior-Faculty Game

One of Linden High's many traditions is the annual Senior-Faculty Basketball Game. One senior boy from each homeroom is chosen for a team to play against the teachers on a chosen day after school. The game is sponsored by the Student Council and the proceeds of the game are used for a scholarship for a senior boy or girl in Linden High.

To everyone's amazement the victorious team is usually the teachers.

This is one event which everyone, both teachers and students, look forward to with great anticipation each year.

Exciting action is provided by John Lewentowicz as he attempts to retrieve the ball.

# King and "Queen

Halloween is a time of fun and excitement for all. As everyone in Linden knows, it is celebrated in a special way. The students of the high school elect a Queen and King under the leadership of the Student Council. Each senior homeroom nominates one girl and one boy. This year the nominees were Robert Beck, Delores Amoscato, Carol Calabrese, John Chrauowski, Mary Ann Devlin, John Deem, June Gaydos, Donald Goleme, Linda Jauch, Bob Hoover, Delores Kmetz, Ronald Kologi, Pat Leskin, John Lewentowicz, Arleen Nester, Stephen Ombalski,

Kathy Paffrath, Bob Petraitis, Marie Scioscia, Bob Sawicki, Rita Vandermeer, Eddie Strapp, Arlene Yakimof and Ted Zawacki.

Ted Zawacki and Arlene Yakimof were enthusiastically chosen King and Queen. The attendents were Carol Calabrese, Bob Hoover, Pat Leskin, John Lewentowicz, Kathy Paffrath, Bob Petraitis, Rita Vandermeer, and Eddie Strapp.

All the grammar schools and junior high schools participate in the parade by making floats and having the pupils march in a

variety of costumes.

Mayor Hurst proudly crowns Ted Zawacki King of the 1958 Halloween Parade.

"Honor your partner."

"Four hands round."

Dave Wojtowicz and Joan Zuber follow suit.

Recognize these familiar calls? Each year the words "Honor your partner" open an evening of fun for the juniors and seniors of Linden High. This year, for the second time, two separate barn dances were held. The Senior Barn Dance took place on November 3, while the Junior Barn Dance followed on November 21.

The senior decorating committee followed the traditional autumn theme which always proves effective. Shorty Warren and his Western Rangers provided the music, and halfway through the evening Bob Konecny, Senior Class President, led the Grand March to the cafeteria for refreshments. The refreshment committee, too, followed tradition by serving cider and doughnuts.

At the Junior Barn Dance, also decorated in the autumn theme, Bud Page and his Rhythm Orchids called the dances. Steve Orlando, Junior Class President, led the Grand March to the cafeteria for their cider and doughnuts. There he thanked all of the chairmen and sponsors of each committee for their help in making the evening such a success.

Shorty Warren and his band call at the Senior Barn Dance.

#### EVERYBODY SWING

"Dos-E-Do."

"Now all join hands."

An accomplished group, the Cheerleaders and newly formed Pep Squad, under the guidance of Mr. John Fay, added much vim and vigor to football and basketball games. The Cheerleaders proved their skill and agility by performing intricate maneuvers designed to keep the crowd cheering. Whether winning or losing they were always on hand to encourage the team and provide school spirit. The Cheerleaders were under the direction of Mrs. Florence Casale and also included in their activities several pep assemblies.

An important and colorful adjunct of the marching band is the Twirling Squad. This group led by Captain Marie Scioscia spends much time and effort perfecting the weekly routines presented by the band during football season. All these long and frequent practices are under the direction of Mrs. Julia Creitz. Half time atmosphere at the football games was highlighted by their spirited strutting and twirling

Clockwise: M. Scioscia, Capt.; B. Kofka, E. Ujobai, H. Wall, A. Sudia, V. Haviland, D. Wosniak, L. Tobaygo, C. Nering, C. Garbus, M. Hilla, M. Homa.

Strike up the band.

## The Music Men

The Linden High School Band added color and music to our football games this year. Their bright orange and black uniforms fit in with the beautiful colors of the fall season.

The band also took part in the annual Halloween Parade, Memorial Day Parade and introduced and concluded the assembly programs. Anyone able to play a band instrument was eligible to participate. The band was under the able direction of Mr. Ostrander.

The role of Head Majorette was filled by pretty Susan Parks.

Her sprightly twirling captured the eyes of all the spectators.

Each year Linden High School has had two of its band members chosen for participation in the All-State Band, which meets annually in Atlantic City. This year was no exception. Louis Margaglione and George Chew capably represented Linden High School.

The Linden High School Band did much to further our school spirit, on the playing field, in the community and in the school.

# "Sing, Sing, Sing"

The members of Linden High School's choral groups find pleasure, enjoyment, and experience through vocal participation under the guidance of Mrs. Salher.

The Glee Club consists of girls, who through their hard work, will learn to appreciate and understand music. They combine their voices to produce music enjoyed by the entire school

Choir members concentrate on improving their talent and increasing their knowledge of the musical field. They put time and effort into their work and are an asset to Linden High School

This year our school is honored to have two members of our student body participating in the New Jersey All-State Chorus. David Garber and Bertha Armstead.

Our vocal groups have played a large part in the school year and have won the admiration of their audiences.

Bertha Armstead All State chorus member.

The services of the Studio Guild are very valuable to the entire school. They aid in the scenery department of the Senior Play each year as well as contribute colorful posters toward its success. On the whole, most of the art work seen in the school can be attributed to the members of the Studio Guild

Secretarial Appointments by Miss Planeta and Mrs. Bahery are made to assist the Office Staff, the Guidance Department, the CYNOSURE Staff, the CHRONICLE Staff, and other teachers who need their services.

Members of the Studio Guild put the finishing touches on the F.T.A. scenery.

Those clubs here represented render a variety of services.

Under the auspices of Mr. Lawrence Kinsella and Mr. Michael Merola, the members of the Cafeteria Corps maintain order in the cafeteria during lunch. Afterwards it is their duty to see that the cafeteria is clean and in order.

The members of the stage and projection crew work 'behind the scenes' for the assembly programs and other school productions. Under the capable direction of Mr. Edward Smith, they are responsible for the lighting effects and various other aids in staging. The boys also set up and run visual aid films used in class.

Our Student Council sponsors two of the service clubs. The Service League consists of girls who, during free periods, act as office receptionists and messengers.

The newly organized Fire Drill Squad has proven very helpful in evacuating the school quickly and efficiently during drills.

#### Stage Groups

The stage groups this year did exceptionally well in entertaining the school while obtaining valuable experience for themselves.

The Dramatic club presented a one act play in assembly. The play was directed by Mrs. Scher and put on entirely by club members.

The Forensic Club furthers ability in public

speaking and was highly successful this year. The club participated in assembly with dramatic poetry reading under the direction of Miss Gilkeson.

The Debate club, under the supervision of Mr. Jamison, held its first debate tournament in Linden High School. The club featured debates in the assembly against Red Bank Catholic High School.

#### Back Stage

With the time consuming effort of the faculty and seniors, Sabrina Fair was a huge success. The cast, who naturally were the most important people, did a fine job under the expert coaching of Mrs. Scher. But most people don't see or hear of the work done behind the scenes.

The Prompters, also directed by Mrs. Scher, were constantly alert to the actions and lines of the actors to prevent any mishap. Makeup was applied skillfully and quickly under the guidance of Dr. Lawrence. Another important committee was the Costume committee, headed by Miss Turtur; they helped the cast between acts with many costume changes.

The Properties Committee, aided by Mr. Scullion, worked to find props suitable to the play. While the preparations concerning the cast and properties were being carried out,

#### with Seniors

Mr. St. Andrassy of the Printing Committee was busy setting-up type, Mr. Sklaw and his Publicity Committee were getting patrons to support the play, and Mrs. Beck's Ticket Committee was planning the seating and ticket distributions.

Mr. Young and the boys of the Stage Crew spent many weeks in building the set for the play. The Playbill Committee prepared the material to be included in the printed program. Glamor and festivity was added to the occasion by Mr. Moldaschl's Usherettes who were dressed in the traditional formal gown.

Stage Manager, Doris Grayson, worked with Mrs. Scher and the cast to make each performance sure and smooth. Every person on every committee worked hard to make this years' Senior Play, Sabrina Fair, the wonderful success it was.

It is doubtful that there are many people in Linden High School who don't look forward to our yearbook, the Cynosure.

There are many factors which lead to the final publication of the *Cynosure*.

The editorial staff, headed by its new ad-

visors, Miss Gallagher and Miss Burd, works many hours putting our book together.

The advertising and circulation committees, under the supervision of Mr. Haiko and Mr. Jamison, respectively, give financial assistance and distribute the *Cynosure*.

# "Gym" Dandies

This year the Girls Sports Program included such activities as soccer, basketball, baseball and badminton. A new addition to the program which proved quite successful was the Hawaiian Hula Dance. The girls were taught both the interpretive hand motions as well as the basic foot step.

During the year many girls qualified as officials for basketball and volleyball games. They not only learned more about the basic rules of the game, but aided their teacher by refereeing these games during class.

Under the instruction and guidance of Mrs. Creitz and Mrs. Casale, the girls had the opportunity to develop or increase their athletic ability, sportsmanship and team spirit.

# Student Council

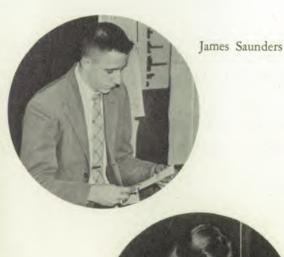

The Student Council, the governing body of Linden High, is an important factor in the progress of Linden High. They took on new tasks this year. Book covers were sold, the Fire Drill squad was organized, cards were sent to Marlboro Hospital at Christmas, and booster buttons were sold.

Members of the Student Council are elected from each homeroom. These officers meet once a week to convey ideas and suggestions of the students.

This year the elections went off smoothly with the aid of voting machines.

This year Linden High's Chemistry Club has been organized under a system different from that experienced in the past. In place of one body, composed of many students, are four separate groups. These groups enable each individual to pursue and satisfy his own interests more fully than under the previously used system. Each group explores a different phase of chemistry. Members are expected to participate in weekly programs. They start with funda-

mentals and progress to more complex theories.

Duane Tietze is leader of the qualitative analysis group, Philip Palmer of the organic chemistry group, Barry Moritz of the bio-chemistry group, and Richard Jaraba of the inorganic chemistry group. These leaders are students who have been able to maintain an A average in chemistry. Mr. Salzer is the faculty advisor of the club as a whole.

#### What Shall I Be?

Linden High's "Future Clubs" give the students a chance to practice their future vocations.

The Future Nurses Club, under the direction of Miss Rickert, provides an excellent opportunity for girls interested in nursing to find out more about this profession. The Orange Blossoms, a part of F.N.A., volunteer much of their time at the Elizabeth General Hospital.

The Future Teachers Club offers much guidance to those interested in teaching. Representatives from State colleges speak to the club members; in return, the club members, sponsored by Mrs. Travers, visit the campuses, getting a close look at teaching in action.

## Mu Alpha Theta Brings New Honor to School

Time: 12:50 p.m., Friday afternoon. In room 219 Dan Jeremko, President of the Mathematics Club is opening the weekly meeting. In the room are sixteen seniors who like mathematics, and in most cases, plan to use it a great deal in their careers. The advisor, Miss E. Reynolds supervises the club programs, for which different members are responsible each week. Usually the club studies forms of mathematics that they aren't able to cover in regular class periods.

This year the club brought honor to the school by being accepted into the National High School and Junior College Mathematical Society, Mu Alpha Theta.

#### Hobby Clubs Stimulate Interest

Bigger and better things have happened for our hobby clubs this past school year.

The Radio Club, under Mr. Barr's supervision, set up a complete amateur radio station, K2MUT, where licensed members can operate in their spare time.

Membership in the Square Dance Club has shown

a large increase over the previous years, and why not? Everyone has a good time dancing while Mrs. Ramage gives the calls.

With Mr. Kaplowitz's instruction, the members of the Teens for Safe Driving Club are helping to reduce the number of accidents, as well as receiving sound knowledge about cars and driving.

### Français ...

As the members of the three language clubs participated in games, songs and other programs of pleasure, they added more background to the language they have exercised in class.

Members of the French Club met every other week. Mrs. Berkowitz was their director. The members learned French dances, songs, and games, such as scrabble. They also discussed the great French artists, composers, and writers.

Mrs. Ramage directed the Spanish Club which met every other week. The members participated in, and enjoyed songs, dances, and played Spanish games. Original performances were enacted at every meeting.

Advised by Mr. Moldaschl, the members of the German Club sang songs and played German games. They held many conversations to further their fluency in the language.

The aims of these clubs have therefore been to add pleasure and supplementary knowledge which will remain in the minds of the students for a long time.

## "We Gather

"That's the best, yet."

"Ho - Hum."

The marvels of light explained.

Yes, "we gather together" every Wednesday during the fourth, fifth and sixth periods, sophomores, juniors and seniors, respectively, to enjoy the entertainment and variety of our assembly programs.

The assemblies this year have included student participation such as: the class talent shows, the *Cynosure* program and a play staged by the Future Teachers of America Club. Some of the outside talent was a "Macbeth" presentation by Jack Rank, guest speakers, and a musical trio. The trio, Donald Johnston, Mary Kane and William Boehm, sang several selections from Gilbert and Sullivan. Debators, both from within and without our student body, were also part of our scheduled assembly programs.

These programs were chosen by and put on under the direction of Miss Dorthea Page and the Assembly Committee, which is composed of four members of each of the three classes.

All in all, our assemblies, educational and entertaining, made the time when "we gather together" more enjoyable for everyone concerned.

May 23, 1958, was the date of the Junior Prom at Linden High School. The gym was transformed into a dreamland through the hard work of the Decorating Committee.

## Tiger Determination

The Tigers definitely had a rough season this year, but our coaches, Smith, Schott, Merola, and Walsky, all agree that we can look forward with anticipation to a much better showing in following years.

Eight seniors played on the squad this season. Two of these are the co-captains George Kornmeyer and Mike Starks. Another of this eight is John Lewentowicz. John made a good

showing as the strong Tiger defense.

On November 27, 1958, the twenty-ninth annual Thanks-giving Game, between Linden and Union, was held in the bitter cold at Union stadium. Three and a half thousand fans gathered expecting to see the greatly favored Union team beat the Tigers, but our team once again demonstrated that "Tiger Determination" and completely bewildered the Union team by ending the game with a scoreless tie. This is the game the class of "59" will never forget.

# SOCCER SEASON SUCCESS

In marking its fifth anniversary, Linden High School's soccer team produced a record well worth celebrating. The team, captained by Joe Kornas and Harry Rishell, compiled a .500 average in its fifteen outings. Their success was largely due to the able coaching of Frank Catale, head coach, and Ralph Frazier, his assistant.

But a team is unsuccessful without the powerful spirit and ability to win. Fortunately, the members of the squad were equipped with both. Joe Kornas, keyman of the offense, held the honor of being the third highest scorer in the county, with twelve goals. Wingmen, Bob Wylie, Tom Givens, and Mike Farber, halfbacks, Bob Drake and Harry Rishell, fullbacks, Dan Jeremko and Andy Kupka, and goalie, John Holzenthaler, all exhibited harmonious teamwork which greatly aided the success.

A team cannot rest on its past victories and Linden High's 1959 soccer team, although minus a few key men, is fortunate to have Ray Crepeau, Mark Hebel, George Grumet, and John Holzenthaler to maintain its predecessor's honor.

## Team work, the

Last year's Group IV Central Jersey champs lived up to their name this year, even though some of the old team was missing. Up to this time the Linden High cagers have captured two vital titles to add to their prestige. They soared over four other schools to gain the championship of the Big Five Conference. With Coach St. Andrassy's expert training, the Linden High Five rose to the Central New Jersey Group IV Conference championship.

This year, as in the past, Linden High School has produced the top scorer of Union County. Ted Zawacki is his name. He was named to the Metropolitan All-Star Team by the New York Daily News. Our outstanding player was also chosen for the Union County All-Stars and the New Jersey State All-Stars.

But, of course, no team is comprised of just one; the rest of our players exhibited superb playing, teamwork, and sportsmanship during the year, as is evident by the titles they hold.

Under Coach Gaines' leadership, the Junior Varsity Squad also provided Linden High with some exciting hoop contests

Linden High's Track Team was headed by our Coach Smith, assisted by Mr. Mele. The Captain was Don Coleman, and the Co-captains of the team were Mickey Callahan and Conrad Skladal.

Track consists not only in running meets or jumping hurdles, but in practicing body coordination. These aims are achieved by the many types of exercises the boys are given to strengthen their bodies and to gain speed and ability.

Track is composed of several different events,

Linden's top hurdler, Don Coleman, exhibits his prize winning ability.

broad jumping, pole vaulting, hurdles, javelin throwing, high jumps, discus throwing, and running events of which there are many, such as the 200 yard Dash, the 440 yard Dash, the one-half mile, and the mile Dash.

The success of the team was due much to the efforts of the Captain Don Coleman. Don achieved amazing results in the hurdle jumping events.

We are looking forward to an equally successful season next year because of many promising underclassmen who are on the team.

Linden High School's three year old tennis squad again brought recognition to our school. As in the past two years, Robert Weitzman and Bruce Chodosh were elected Co-captains, and with the guidance of Coach Ray Stokes, lead the squad in their fine work.

Our team was excellent this year, considering their experience wasn't as great as many of the teams they played against. In the county tournament the Tigers went right up to the semi-finals.

Since the team is made up mostly of underclassmen, we can be sure of a better, more experienced squad for next year.

First Row: C. Rosenberg, R. Chuvala, R. Fink, S. Dubow, B. Davis. Second Row: Coach Gaines, G. Masnick, A. Metzger, H. Wortzberger, D. Schollenberger, R. Bereck.

## From The Tee to The Green

Even though our golf team is still in its infancy, it is striving hard to become one of the best teams in Union County. The boys proved their ability this year by their hard efforts and by their winning games. Mr. Gaines lost his star players this year, Ray Beruck and Charles Rosenberg, who have graduated. But Mr. Gaines is looking forward confidently to a good performance from Ray Chuvala and Dan Schollenberger, two outstanding juniors.

The home-games were played at Shackamaxon Country Club. The boys withstood greater competition than in previous years. Under the competent guidance of Mr. Gaines, the golf team is sure of an even greater success in the future.

Ray Bereck practices for an oncoming game, perfecting a swing which is necessary to be a good golfer.

Danny Schollenberger demonstrates the correct golfing form.

## "Three Strikes You're Out"

With the aid of their coach, Mr. Catale, Linden High School's varsity baseball team had a good season; their record was winning twelve games and losing seven. Several members received injuries which disabled them for the season. The players showed excellent sportsmanship and teamwork which are essential to every good team. The Junior Varsity team also had a good season with the guidance of Coach Kinsella. Many of these boys are ready to play on the Varsity team next year.

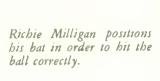

Rickie Cichowski and Tom Archiply, two of the best men on the squad were awarded the honor of being selected for the All-Country team, and Eliiah Herriot was on the All-State team. The reward for a season's hard work came when the entire team was presented with the Central Jersey Group IV title.

First Row: H. Carolina, R. Wilkens, A. Kupka, J. Pribilia, A. Siskind. Second Row: R. Grzyb, G. Brokaw, J. Pappas, W. Florzak, W. Hurley. Third Row: R. Jaraba, R. West, H. Jefferson, S. Parker, E. Patterson, Mr. Kinsella.
