We are Family

An aerial photograph of a school campus. A large, dark pond is the central feature. To the right of the pond are two tennis courts and two basketball courts. The basketball courts have blue and red markings. There are several trees around the campus, including a large evergreen near the basketball courts. A road with parked cars is visible at the top and bottom of the image. Houses are visible in the background.

CYNOSURE VOL. 69

We are Family

Family spirit is shown throughout L.H.S. At a football game it's **Beverly Keller** and **Dorene Dubois** and "star"ling at a baseball game it's **Michelle Joffe** and **Sue Krotchko**. Spirit is always there. Through the years we've made many friends like **Marc Brown**, **Rock Ferrer**, **Anthony Downey**, **Brian Kroboth**, **Louis Fernandez** and **David Lazeration** who have stuck together through it all like family.

Linden High School to some is just a building where students work and learn from 8:05 every morning until 2:45 every afternoon. However, Linden High School is also our home away from home where the teachers, and the faculty work together as a family to prepare us, the students, for the better opportunities offered outside of Linden High.

We share each other's happiness, anticipation, disappointments and wonderful memories that we have accumulated while growing and learning together as a family in Linden High School.

Linden Tiger Boosters show a lot of L.H.S. spirit while Lelo D'Arpo is just plain confused. Sherry Thompson and Antoine Allen know what's up? They know that "We Are Family!"

We are Family

At L.H.S. friends are a big part of life. We are just like family, even if it's just hangin' out in the hallways like, **Victor Soto, Reggie Sumner** and **Donald Long** or dressing up for Halloween like, **Brigette Miller, Eileen Diaz, Denala Taylor** and **Jennifer Hart**, we're always sticking together.

Throughout the years we have made new friends and become closer to old friends as we see with, **Christine Vidsens, Penny Dolar, Heidi McMillan, Ashante Alles** and **Deanna Scott**. We are family here at L.H.S., we are like brothers and sisters like **Crissy Shaeffer** and **Dana Kologi**. Our teachers and guidance counselors are like our parents. We can go to them with any problem or just to chat like **Melanie Rose** and **Ivonne Rosa** with **Mr. Ciamillo**. Through it all, good and bad times, happy and sad, we stay together just like the L.H.S. Football Team, because **We Are Family!**

Linden High School students come to school to learn but much more occurs. We learn to be friends and to help one another besides just learning academics. It really is amazing how great we all get along.

You often hear about how bad other schools are, but Linden High is a great big house with a loving family in it. We stick together and try to make Linden High the best place. Through games, activities, and parties, we come closer together. Having lots of fun together makes us care for each other even more. As the years go on, we get closer and closer so that when we graduate we will still stay in touch, because **WE ARE FAMILY.**

STUDENT LIFE

ere, at Linden High School, we gather each morning at 8:05 to begin our educational preparation for the real world. Just as our parents raise us and prepare us for the better opportunities life has to offer, the Linden Board of Education gives us the chance to prepare ourselves for life after high school. We, the family at Linden High School are privileged to receive this opportunity and we, as Linden High School students, show our thanks through Student Life. We are family. We spend four years in this school and we become as close as a family. Through the years, after we graduate, we shall always remember our years at Linden High and we will remember, "We Are Family!"

VACATION

Tigers like to take a break in the summer and prepare themselves before they go back to school for their big senior year at Linden High. Some like STACI PORTER and JAMILLAH MACK show off their new bikinis in Florida. Sometimes friends like to even take a vacation together as CHRIS MILOS, GREG DEMETER, and SUE KROTCHKO did in Tarrytown, New York. Many times you visit relatives like JULIE NEVZGLYAD did in Italy. While others like SANDI KOTHER do parthing bur party in Hawaii.

Or how about getting some of that bright sun while taking a stroll on the beautiful island of the Bahamas with NICOLE SUMNER. GREG YADLOWSKI and SHERRY THOMPSON were lucky enough to go to Europe together and view the breathtaking scenery and town across a Swiss river. I'm sure nobody misses our going to the beach, catching a few waves or watching a sunset beyond the horizon as JENNIFER MARHOLD and DEBBIE HADE did in Florida. As for JAMES RICHARDSON and a relative, they spent a few days in the Adirondack Mountains just relaxing and thinking of the best and most memorable year of our lives which was ahead of us.

STUDENT LIFE

When people think of high school, the first thought that comes to their minds is **HARD WORK**

High school is known to be the best years of our lives. It is here that we grow and learn to be what we will become in our future. School can be an enlightening experience, but only if you are willing to open up your mind and exercise your funny bone. There is a time for learning and a time for clowning around, and we can do both! Our studies are important, but we always pick up our chin and chuckle. The key to our success is our studies, but our teachers make them enjoyable.

And so we close, and say, even after graduation, we will meet again as a joyous family.

2:44 Friday afternoon. All eyes are glued to the clock as the countdown begins. Approximately 59 seconds later the bell rings and hearts leap with joy at the prospect of a whole weekend of fun and relaxation. Lockers slam shut and the halls echo with friends' laughter as plans are discussed. The weekend has begun.

PEOPLE

The happiness of just being together is a major part of our life at good ole L.H.S. Although we as individuals, have our ups and downs whether it's winning a game, doing a chemistry lab with our favorite teacher, or just hanging out together. We're in it together through thick and thin. We survived — remembering the facts our history instructors and books weighed our minds with — and the poetry and English literature that is to sustain us into our golden years and the new languages that are to get us to explore ethnic worlds. How we've done it is the mystery of education and sometimes a mystery to us.

The changes that happen around us every day all mean a great deal, whether they are small like a new gym floor, or bigger like the election of a new President for our country. Many changes have taken place at Linden High but throughout these times we have held together like a close-knit family. We are family and our friends show it.

We met as strangers and we're leaving as friends, with fond memories of the family that once was at L.H.S.

"Mr. Kozak to the officel" "Custodian please report to the boiler room." "What's for lunch today?" "How much extra is this cake?" "I don't have enough money today." These familiar sayings are heard by the custodians and cafeteria workers everyday. These men and women are always there to serve the students of Linden High School and help keep our school in good shape. They are never given enough credit for all the work they do, so congratulations to our custodial and cafeteria family for a job well done.

Through this past year Linden High School carried on their tradition of excellent sports and the winning spirit. After all the long exhausting hours of practice, perserverance, and teamwork, the Linden Tigers managed to stay together and stay victorious. All the students tried their hardest and did their best. We also have to remember the coaches who have given their time to train them and give them that extra spirit to strive to do their best. Together, the coaches and students were one big winning Tiger family with all the right stuff.

Throughout their season, the Varsity Football team has been "Reaching for #1." It was shown through their practices, scrimmages, and most importantly, their games. All the credit can't just go to the players, but to the coaching staff also. Just before each game, Coach McDonald usually paces the floor until his feet get tired, thinking of the game plans, and most of all, the final outcome, which, as usual, is great. Like they always say, "The harder you work, the harder it is to surrender."

Tiger Touchdowns

o deep, stay short, hand off to the right, . . . " The dominating Tigers finished the 1988 LHS Football season with a 7-2 re-

cord. True dedication was the key to our victories during our 9 regular season games. Once again the fighting Tigers proved their strength and earned the deserving respect of the opposing Watchung Conference teams, players, coaches, and fans.

The senior Tigers for 1988 were: *Greg Demeter (Captain), Antoine Allen, Leon Harrell, John Kline, Donald McNeil, Jomar Morgan, Phil Principato, Sal Principato, Derrick Reynolds, Brian*

Settle, Ed Suter, Glenn Curtain, and Eric Taylor. An asset to the team this year, as with every year, was the diligent coaching staff headed by *Coach Bucky McDonald.* Team-

work between the players and the coaches played an important role in the success of the Tigers this season. Through it all; the hard work, the sweat, the ambition, the injuries, the thrill of victory, and the agony of defeat,

the 1988 Tigers definitely proved their will and determination in their quest to "never surrender".

Although the wrestling team was not very successful this year, they never gave up. Individually they have done very well. Senior *Phil Principato* had a great dual meet season, with a record of 18-1. Also, junior *Joe Sokolowski* had an impressive season. Other promising wrestlers were *Jerry Nigro*, *Jeff Silver*, *Brandon Robinson*, *Rick Owens*, *Jay Cohn*, and many freshmen. All wrestlers will return next year. With *Coach Thompson* and *Picaro's* guidance and the efforts of the team, hopefully next year we will have a better season.

The Linden gymnastics team this year had only ten girls. Although they didn't win very many competitions, the girls always executed their performances with dedication and enthusiasm. Leaving the team after this year are seniors Sue Krotchko and Gabby Linarducci. Some outstanding achievers this year were Michelle Chomizak, Dana White, and Gabriella Linarducci, who in the last four years has been Union County Champ in the All Around Bars and Floor Exercise. She also placed third in the Sectional Tournament, but due to injuries, she could not compete in the states. Overall, the girls had a lot of fun and they enjoyed working together as one to reach their common goal.

he LHS varsity football cheerleaders committed themselves to a season of hard work, fun, and teamwork. As they supported the football and soccer teams this fall they redefined the terms togetherness and unity. From decorating the football locker room in the mornings, to toilet papering houses at midnight, they learned a lot about each other and how to work as a team. The senior cheerleaders for the 1988-89 football season included captains Julie Nevzglyad and Barbara Wylie; Dina Lazaro, Michelle Joffe, Jacqui Kerns, Noelle Richichi, Nicole Summer, and Sherry Thompson.

As with any other team, the cheerleading squad would not be complete without their two enthusiastic, dedicated, and determined coaches, Ms. "Mary" "Mary" Palumbo and Mrs. Patricia "Girgully," to whom the cheerleaders give a special thanks for their support.

The Linden Basketball Cheerleaders have had a successful season. Led by senior captain *Lynette Mayo*, they have been one of the best cheerleading teams of Linden High School. They showed lots of spirit even though the basketball team wasn't as successful as the previous year. New cheers, great flippers, and cooperation all contributed to their great year. With all of the experience the girls have gained, next year they'll be even better. GOOD LUCK!

Determination

this year, The Linden fans greeted their Tigers with the "Ickey Shuffle", a dance made famous by Ickey Woods of the Cincinnati Bengals. It was all the rage in Linden. Throughout the season, everyone had

lots of fun. This year's team showed a lot of character and determination. *Antoine Allen, Reggie Jackson, Andre Peebles, and Shawn Wilson* were the seniors that led the team. *Tariq Saunders, Sheldon Champagne, and Lamont Mack* were underclassmen that led the Tigers to all of their victories. Overall, the team was pumped up and were ready to meet the challenge of the best players in the county. They all worked well together and never gave up. Without a coach, there wouldn't be a basketball team.

Mr. Aikens has been the coach of the Linden basketball team for over 11 years. Since that time, he has always worked well with the players to produce excellence. He must be commended for all of his hard work. The number of wins he has had is overwhelming and through these years, he has had several titles in basketball. In fact, last year he was named "Coach of the year" by the Linden Leader. With all of the success he has had in the past, it is needless to say that the future will be even more successful. In conclusion, *Mr. Aikens* is a unique and caring man who thinks of others before himself.

Take it to the hoop!

Linden High School has benefited a great deal from him and it has showed in the basketball team. Next year, we expect nothing less but greatness!

LADY TIGERS Best Season

This year's 1988-89 Lady Tigers Basketball Team completed the season with a record of 13-6. The team participated in the Spartan Holiday Christmas Tournament in Hamilton Township where junior *Shamona Marable* was named to the 1st all tournament team. The Lady Tigers were ranked as high as 4th in both the Star Ledger and Daily Journal polls. The girls also earned a State Playoff berth and reached the quarter finals in the Union County Tournament. Overall, the Lady Tigers Basketball Team finished 2nd in the Watchung Conference National Division. This year, outstanding performances were made by senior *Staci Porter*, junior *Shamona Marable*, and sophomore *Joann Hall*. The team members can look back with pride at their team improvements and achievements. They have bounded back from last year's season and next year they will be unbeatable. The Lady Tigers Basketball Team has shown what cooperation, determination, motivation, and aspiration develop into ... SUCCESS!!

Track & Field dates back to the dawn of time. The ancient Greeks built their Olympic Games upon Track & Field competition. The Linden High School Girls Track team is short on ancient Greeks, but long on talent.

The Lady Tigers track team performed very well in the last few years and this year was no exception. The girls trained very hard under the coaching of Mr. Mehalik and Mrs. Arrowood. The girls compete against all teams in the Watchung Conference. Those who show greater capabilities move on to the conference, county, and state meets.

The girls strive to be the best because they are the best. That's why they are called "Nothing Short of Excellence."

This year's Cross-Country team turned in an excellent performance which was led by Eugene Peters, Anthony Ruiz, Matt Osorio, Stacey Lamberkopolous, Ilene Diaz, and Mary Kother. All of the members have given up their spare time and social life during the fall to practice everyday after school. Cross Country isn't a very easy sport at all. It involves a lot of stamina and endurance to run thirty-one miles through woods and hills in competitions. Both the girls and boys completed their seasons with four wins and five losses.

he theme, "We Are Family," was demonstrated in Linden High School's activities. Extracurricular activities are a major part of Linden High's student and family life. The majority of the school's activities are to help, such as the service league, library squad, and pride. Other clubs center on the academic part of school. In all the activities, students come together for a purpose and a goal. Whether it's making music, learning a trade, or playing games, these activities show Linden High is one big Family.

This year, the Linden T.V. Challenge Team, comprising senior classmen, James Richardson, Makie Tam, Chris Milos, and Agnes Lobaza, had a stunning victory over Harrison High School in first round of competition. The match was aired on December 26, 1988. After the team won another match against Union High School, which was televised February 26, 1989. The team is now in the quarter finals and another win looks promising. GO LINDEN!

The L.H.S. Key Club is part of an international service organization for high school students and is sponsored by the Linden Kiwanis Club. Key Club is unique because of its leadership abilities, the practice of good citizenship, and its willingness to help those who are less fortunate than ourselves.

The philosophy of the Art Club is to develop an aesthetic sensitivity, and to comprehend the diversity of the Visual Arts. Knowledge acquired in the Visual Arts will act as stimuli in appreciating other art forms such as music, dance, and theatre. The Art Club cultivates independent and artistic judgments to expose students to the world of art through visitations to studios, events and computer graphics.

Boosterettes is an organization which is both tried and true. L.H.S. is one of the only schools around to have such a club. The purpose of the Boosterettes is to provide the vital funding of the Sports Award Dinner. The Service League is made up of students who volunteer their free time or study halls to aid the administration, teachers, guidance counselors, and the nurses.

At the end of the year, there is a reception to show thanks and appreciation to everyone who helped out during the year.

The Cooperative Industrial Education Program is divided into three groups, CIE I, CIE II, and CIE III. The CIE I group is limited to the skilled students coming from the vocational school programs. The CIE II group consists of semi-skilled students from the high school, and in some cases, the vocational school. CIE III students are students who have a handicap and who, as a matter of record, do exceptionally well in the working world.

These CIE groups are under the advisement of both Mr. Richardson and Mr. Muccia.

"You look above and see a huge red dragon, before you can react you are bombarded with fire." You have just entered the realm of Dungeons and Dragons, where few things are as they appear and where your allies could become your enemies at any moment.

Every Thursday the D & D group meets to engage in an adventure which brings their characters to foreign lands and into contact with such creatures as dragons, demons, and serpents. The Dungeon Master carries the players through the adventure while the players attempt to complete their mission which could range from saving a princess to retrieving an ancient artifact.

Instrumental Music

The Linden High School Marching Band, directed by Mr. Gerard Lorenzetti, performs at football games, competitions, and parades throughout the band season. This year the band won third place, best band front, and best drum major in the Eastern Marching Band Associates Championship. In addition, the band hosted its sixth annual "Linden Invitational Marching Band Tournament" in November.

The band also travels extensively and performs at national and international music festivals. This year they performed at the New England Music Festival in Burlington, Vermont.

The Linden High School Stage Band, Imagination, is a select group of musicians that performs with the Concert Band as well as on their own. The group, made up of a brass, saxophone, and a rhythm section, is under the direction of Mr. Lorenzetti, and is led by the student assistant director, Don Geisheimer. The Stage Band plays a wide variety of music including jazz, swing, pop, and rock.

The Stage Band performs at numerous functions throughout the year, including luncheons, the Union County Teen Arts Festival, the Winter and Spring Concerts, and on the annual Marching Band Trip, which last year brought the Stage Band international recognition after they performed in Quebec, Canada. In that competition, the Stage Band was rated as being excellent by the judges.

The Madrigal Singers is a select group of twelve choir members chosen from the Concert Choir by competitive audition. Participating in various state and international competitions, they have consistently achieved superior ratings.

Frequently called upon to perform for various functions, the Madrigals were a part of the Pepsi Corporation's "Voice of a New Generation" program that was initiated this year. Because of recent graduations this year's Madrigals welcomed many new faces.

The Girls Choir can be joined by any girl at Linden High School. Performances at the annual Winter and Spring Concerts are highlighted.

The Concert Choir at Linden High School is comprised of a select group of boys and girls. In addition to performing at the annual Winter and Spring Concerts, the Concert Choir participates in various festivals held on the local, national, and international level. The choir has received excellent and superior ratings at competitions held in Canada, Massachusetts, and New Jersey. Past performances include the Notre Dame Cathedral in Montreal and the Old North Church in Boston.

Boys Choir is open to all interested boys at Linden High School. They perform at the annual Winter and Spring Concerts.

The purpose of this organization is to recognize high scholastic attained in the study of German language, literature, culture, and civilization. To be eligible for Delta Epsilon Phi a student must have completed three semesters of German; at least two semesters must have been completed in high school. The student is also required to maintain an average of 3.6 in German on a 4.0 scale.

For a student to be accepted into this club, the initiation pledge is read entirely in German. They are rewarded with a certificate and given a membership card at the completion of the ceremony.

The Linden High School German Club is an active organization that is involved in many activities throughout the year. Many fundraisers are also conducted by the German Club. The students involved in this organization experience the different culture and language of Germany and are advised by *Mrs. Richardson*.

This year the student council was more self-established than ever before. When elections were held in the beginning of the year, two students were chosen from each homeroom. One as a representative and one as an alternate. Officer elections were also held in September. They are: Veronica Riley — President, Nicole Miragliotta — Vice President, Gabriella Linarducci — Secretary, and Sandi Kother — Treasurer.

More activities were planned for this school year than ever before! The beginning of the year brought spirit week. Each day of the week students dressed up to show their spirit and involvement in school. Many other projects are yet to occur. It has been a productive and enjoyable year.

The goal of Future Homemakers of America is to help youth assume active roles in society through home economics education in areas of Personal Growth — Family Life — Vocational Preparation and Community Involvement. FHA began the year with the Regional Fall Rally and will end its activities at the State Leadership Conference in April at Asbury Park.

The Weather Station is a new club offered this year at Linden High School through a grant from Exxon. The school was able to obtain instruments to gather weather data at the High School. The data is then used to forecast the daily weather.

Computer programs are used to aid in our forecasting as well as compiling the data used in our monthly climatic summaries.

When the Linden High School students make news, the Chronicle prints it. Whether it's sports, clubs, or student opinions the Chronicle is the voice of the school.

Under the supervision of our new advisor, Mr. Mahon, the staff continues its tradition of solid reporting while learning the basics of journalism and working as a group.

Hosa, Health Occupations Students of America Club, is a national organization for students enrolled in various health occupations. They include Dental Assisting, Nursing Assisting, Medical Assisting, Practical Nursing, etc. Students participate in projects that aid the Health Occupations students in various events such as spelling, terminology, CPR/First Aid, Job Seeking Skills and Cunical Proficiencies.

This year's National Hosa Theme is "Today we search — Tomorrow we Discover."

Cooperative Office Education is a program designed to provide students with work experience in an office occupation and related class instruction. Students participating in the program receive wages from the employers and also receive 15 school credits. In the COE Related Class, the students learn specific things which will be helpful in their jobs.

The primary purpose of the Cooperative Office Education program is to prepare students for entry-level employment in the specific areas such as clerks, typists, secretaries, bookkeepers, information processors, and to develop abilities, attitudes, and skills for advancement on the job.

This year eight students were employed by the Schering Plough Corporation in Kenilworth. The other students worked for Linden City Hall, Linden Police Department, Union County Orthopaedic Group, S & S Construction Company, and Lewis-Chester Associates in Summit.

Cynosure

The Cynosure staff consists of about twenty students who give up their study halls to help work on the yearbook. Advised by Mr. Foley, the students learn to make layouts, crop pictures, and learn the real meaning of "deadlines." Working as a family, they produce a yearbook filled with memories that will last forever.

Naval Junior Reserve Officer Training Corps.

In 1989, the Linden High School NJROTC program enrolled 106 members. Working towards excellence in their many activities such as Drill Team, Color Guard, Academic Team, Rifle Team, and Track Team, the ROTC has been reaching this goal.

In one year they've won over ten awards in various events and have gone on numerous trips. Among them are the four-day trip to Newport, R.I. Here the cadets learned seamanship, navigation, and naval history. Another day trip to McGuire Air Force Base also proved educational. Not to forget the annual Mini-Boot Camp adventure in Cape May, N.J., where the cadets actually go through four days of Coast Guard training.

In the three years that the NJROTC has been at our school it has incorporated its ideals and attitude into our school. In the future we will surely see more of the cadets.

NJROTC Officers — Lieutenant Christopher Milos, Lieutenant J.G. Kyam McMorris, Ensign Michelle Eldridge, Ensign Ellen Hammer, Ensign Jeff Coon, Ensign Vicki Cassiba, Lieutenant J.G. Donna Coppolecchia, Lieutenant J.G. Elena Thomas, CPO John DeAngelo sitting; Lieutenant Commander Lela D'Arpa

In the past years the Officer Staff of the NJROTC has done an excellent job in establishing the cadet corps.

The 1989 staff has improved it even more. With leader Lela D'Arpa and her "right hand man" Christopher Milos, they've organized a fine cadet corps.

Coming together to make an awards room/officers club, not to mention the promotion board which questions and judges enlisted promotion prospects, they've done many fine things this year.

Individually, each cadet works in their titled jobs and also are in a total of 16 clubs within the High School. In these clubs they hold 5 offices and are in 8 varsity sports. They are all outstanding students.

We'd like to recognize cadets Lela D'Arpa, Christopher Milos, Donna Coppolecchia, John Tomaskovic, Ellen Hammer, and Jeff Coon who are graduating this year. The cadet corps won't be the same without you!

Executive Officer Lieutenant Christopher Milos
"I was supposed to have it done for who, when?"

Company Commander Lieutenant Commander Lela D'Arpa — "Ask not what your C.O. can do for you, but what you can do for your C.O." — the Boss

Operations Officer Lieutenant J.G. Kyam McMorris — "Is he going to talk about the Fairfax County again?"

Administrative Officer Lieutenant J.G. Donna Coppolecchia — "What do you mean typing's a requirement?"

Supply Officer Lieutenant J.G. Elena Thomas — "Listen guys, we've got to talk!"

Drill Team Commander Lieutenant J.G. John Tomaskovic — "Don't follow this Navy saying... Never say no to an Admiral."

Company Chief Petty Officer CPO John DeAngelo — "We have nothing to fear but ROTC itself!"

Drill Team Executive Officer Ensign Vicki Cassiba — "VIC... eek! It's a mouse!"

Color Guard Commander Ensign Michelle Eldridge — "The war will end, and the drummer beats on."

Red Platoon Leader Ensign Pete Hammer — "Leadership, responsibility, seamanship, short hair, and the Fairfax, that's ROTC!"

White Platoon Leader Ensign Ellen Hammer — "Retreat, Hell! We just got here!" — Chesty Puller

Blue Platoon Leader Ensign Jeff Coon — "Never give in to the beast!"

The Academic Team consists of approximately ten members. They are required to take a national test once a year. The senior members took first place in an area test this fall. As recognition for their participation they receive an Academic Team ribbon. The team captain is senior Christopher Milos.

The Color Guard displays the flag of our country, along with the Naval flag and the High School flag. They compete at High School drill meets against other high schools. The Color Guard also performs at our football games. They also have won trophies at drill meets and parades. This year's Color Guard Commander was Michelle Eldridge. Along with the Varsity Color Guard members they have done an excellent job displaying the colors.

Marching with and without rifles, the Drill Team competes against High Schools and Colleges. There are different events such as platoon basic, squad basic, and squad trick. The Drill Team has won trophies in each of these areas. They hold their own drill meet annually in honor of Dr. Martin Luther King, Jr. The Drill Team Commander is senior John Tomaskovic and the Executive Drill Team Commander is Vicki Cassiba.

Audio Visual Squad

The AV Squad is one squad that often does not receive the appreciation they deserve. These men, behind the scenes, are hard at work delivering to us the VCR's, movies and projectors when we need them for our classes.

The Computer-Math Club, sponsored by Mr. Nunes, was started this year at Linden High School. The club acts as a forum for students to explore and work with each other's software and on joint programming projects. Members work on word processing, spread sheet, and S.A.T. review software, as well as graphics and the programming languages of BASIC and Pascal. The club provides the school and community with computer services for making posters, banners, charts, and graphics for special events and educational displays.

The French Club is an organization that was established to expose its members to a foreign culture. This is done through various outings and planned events. To be a member, the student must study French, or have been exposed to the language. The club is run under the supervision of Ms. Nagypal. Because of her efforts, the club has been able to participate in several activities and the members are all grateful to her.

VICA, which stands for Vocational Industrial Clubs of America, is offered to any student who right now is taking a course at the Vocational School. All are encouraged to join. Being a part of a type of group as this gives students a chance to work with individuals and get a real hands-on experience with many of the fund raisers that are done throughout the year. VICA members are active in these fund raisers for dues, safety within the Vocational School, and the yearly State Skill Olympics. If you have the desire to be involved, this is definitely the club for you. Try it, you might like it.

Testing your mathematical skills and dealing with hard problems are some of the many things that the math club encounters on a daily basis. Being able to deal with mind boggling problems and many tricky questions are just some of the many things that are experienced as a math club participant.

In order to be considered to be in the club you must qualify scholastically with a 4.0 in your math class. Competition to get in is very competitive, only those who feel they can handle this plus their studies become eligible. If you are willing to take the initiative to try something that is hard now at this young stage, then it will definitely pay off in the end. All you have to ask yourself is "do I want to take the challenge?" It's your choice.

"Not me"

The sport in which many Americans are now actively participating is Golf. Why has this sport become so popular many people ask? The answer is very simple. Golf is a very relaxing sport which many individuals are enjoying today. The beautiful fresh air is enjoyed by most.

Linden High's Golf team enjoys getting away from their studies to let off some of the frustrations that were caused throughout the day. They have had a great season and hope there are still some golfers out there who still need to be discovered.

Pride, which stands for Promoting Respect, Interaction, and Developing Esteem, conducts many campaigns relating with the themes of alcohol and drug abuse. This group of students created several smoke-out days and tried to relay the discouragement of the themes to the public by passing out flyers. The main goal of this organization is to develop a sense of "pride" in our building.

The National Honor Society is a nationwide organization that consists of bright and talented students with high grade point average and good school conduct. The Senior Council worked hard this year. With tremendous leadership by Sherry Thompson, senior year was the best. The seniors hosted the first winter video party and also a *Valentine's dance*. The council's biggest fund raiser was the *Balloon Sale*. "With all the work and money we have raised, our prom will be the best ever," says Sherry.

"Mr. Borden says, "Yo what's the score?"

SENIOR DIRECTORY

The senior directory is a record of the senior students' participation in Linden High School throughout their high school years. The directory is, indirectly, an account of all their achievements and accomplishments throughout their years at Linden High School. All the activities that the students were involved in showed their family spirit by working together and representing our school as a family. Together we showed everyone that "We Are Family!"

He may be irreverent but he sure is popular. Late night television host *David Letterman* has a smile and an unpleasant thing or two to say. His late night show has a fast growing audience.

At the age of 24, singer, songwriter *George Michael* has done quite well — international acclaim, 36 million records sold worldwide, and an unbroken string of successes. And his first solo LP — "Faith" — is on the way up.

The California Raisins strut their stuff. These lit-
 tle guys caught the interest of raisin lovers and
 others as they danced to the song "I Heard It
 Through the Grapevine" in a television commer-
 cial for the California Raisin Growers to help
 stimulate the sale of raisins.

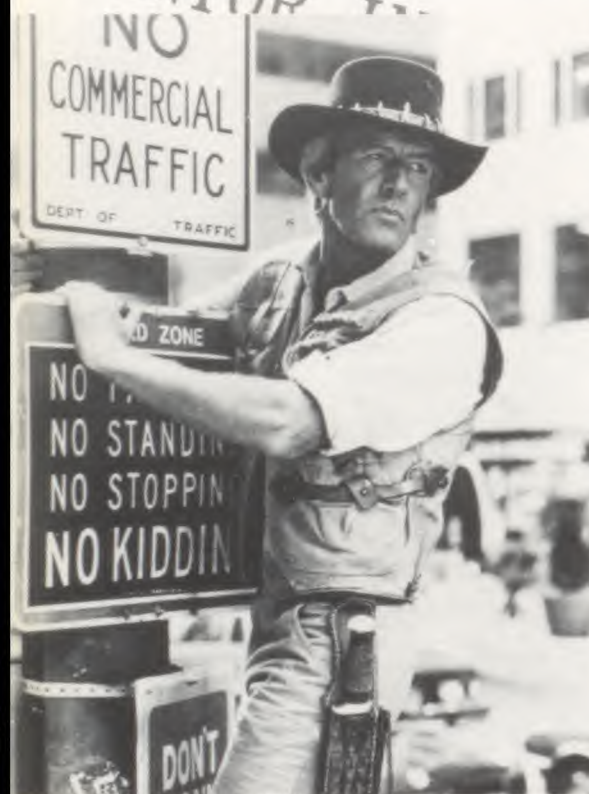

One of the musical groups who consistently tops
 the charts with hit after hit is Van Halen. Once
 the baddest of the bad, Van Halen and his band
 have decidedly cooled their personal styles while
 managing to keep their music hot. The group,
 clockwise from left: Alex Van Halen, Eddie Van
 Halen, Michael Anthony and Sammy Hagar.

Pop singer Whitney Houston has been performing to sell-out crowds for several years. And there is no end in sight! The 25-year-old vocalist plays to sell-out crowds everywhere she performs.

Believe it or not, this man is not a normal sight in New York City. Australian actor Paul Hogan hoists himself up a pole to get a better view of Manhattan's busy streets in a scene from his hit movie "Crocodile Dundee."

Who is this man and why is everyone making such a fuss over him? His name, of course, is *Pee-wee Herman*. He takes a short break from all the hoopla after receiving his star on the Hollywood Walk of Fame. It was the 1,874th star on the internationally famous sidewalk.

After playing the role of a tough cop in the television hit "Miami Vice," *Don Johnson* is shown in a scene from his new movie, "Sweet Hearts Dance." He chose a movie in which he wields nothing more lethal than a fly rod.

The students of Linden High School would like to thank everyone who took time to support us through their advertisements in our yearbook. The Linden area businesses, our families, and our friends have all contributed generously to our school and our yearbook. Thank you for all your efforts and for all your continual help throughout our years at Linden High School. You made this yearbook a lasting memory for all of us in the years to come.

Together Forever, John and Gabby.

Hanging out in Linden High.

"As a staff member, I gained experience in something new, while having fun with my friends," Jacqui Kerns. "Being on the Cynosure staff I learned the true meanings of 'deadlines' and how to work together as a family. I really enjoyed being on the staff," Gabby Lina-
ducci. "Working on the yearbook staff is frustrating as well as enjoy-
able, but I'm glad it's over now!" Damen Karwan. "Although I had lots of
fun, I'm glad I don't have to hear Mr. Foley's - - - anymore! Love ya all
and good luck next year!" Sherry Thompson. "I've learned a lot from
Cynosure. I didn't just earn friends, I also earned a family. There were
good times & bad times, mostly good times. There was also hard work,
most of all, it was fun," Lynette M. Mayo. "Four years of Education and
friendship laid out in the pages of our yearbook," Michelle Joffe. "It's
been real and it's been fun, but it hasn't been real fun!" Julie Nevzglyad.
"Working on the yearbook was fun, plus you heard a lot of gossip, and
you learn a lot of responsibility," Matt Osorio. "The staff & Francois
are all dear to me. I've learned responsibility & have gained experience
I'll remember always. Thank God it's over, until next year!" Michelle
Eldridge. "From being on the yearbook staff this year I learned more
about cooperative work & had an enjoyable time doing so," Char
Barnett. "I want to thank all the seniors for their help and making me
feel like part of the family. Damen & Matt, I'll miss you next year,"

LINDEN HIGH'S FIRST "FIRST"

The 68th Edition of the Linden High School's yearbook, the CYNOSURE, captured the school's very first First Place Award. The staff, many of whom worked together for four years strove to fulfill our school's motto, "Commitment To Excellence." Beginning in the spring of their junior year, these students put in long hours and sacrificed on a daily basis to compose a quality product. It is their wish that all their classmates enjoy this work of love and treasure it as a remembrance of a happy four years as "Tigers."

This year, we start with a new group of young hopefuls who will take the work of their graduating classmates as an example of what can be done through dedication and a commitment to excellence. We all wish to extend our heartfelt thanks to our Adviser, Mr. Foley, for his patience, guidance and time. He was there for us in support and in time spent. His instruction is the legacy we leave those who follow. We leave you with Mr. Foley's favorite exhortation, "Do your best!"

700 - 849.....	SECOND PLACE
500 - 699.....	THIRD PLACE

COLOPHON

Colophon

The 1989 edition of the Linden High School CYNOSURE was printed by Herff Jones Publishing Company in Gettysburg, Pennsylvania, using the lithographic process.

Advised by Mr. Frank Foley, Volume 69 had a limited press run of 500 copies featuring 224 pages printed in black ink. A 100 lb. premium European high gloss enamel paper stock is used in the first sixteen pages of the book. The remaining pages are 100 lb. Bordeaux gloss enamel. The white Colortext endsheets were school designed and printed in the four-color process. In addition to black ink used throughout, four-color was utilized in the first five signatures.

The book is Smyth-sewn in sixteen page signatures, trimmed to 9 x 12 inches, rounded and backed and bounded on 160 point binder's board.

The Vista Custom Embossed cover design features a tip-on of the school mascot, with the title and spine blind embossed, and the theme, tip-on frame, and individual names foil stamped in orange. The base cover material is black Vibra 7ex #41075 with a French Straight grain pattern applied.

All captions and body copy are set in eight and ten point Lydian type. Headlines, subheads, and division pages are set in various point sizes and type faces.

For further information, contact the 1989 CYNOSURE Yearbook Office, Linden High School, 121 W. St. Georges Ave., Linden, New Jersey 07036.

ell another school year came to an end. But this was not just any school year, this was our senior year. Our last year of high school. It's hard to believe that just four years ago we were all freshmen, coming to a new school and making new friends. Since that time we have matured academically and socially, preparing ourselves for our future. As graduation day drew near we realized that we could not say goodbye without shedding a few tears. The reality of finishing school was finally here. Whether we are continuing our education or going off to work, we will always have fond memories of our years at Linden High School. We came here as strangers and now we're leaving as a family because, here at Linden High School We Are Family."

Kris and Jim, watch out for Linden vice!
Rob, Tammy, and Monica plot their next unexcused absence.

Kim, Robyn, and Gina show family spirit.

Karin and Brian, are you cutting class?

Sherry and Audra look radiant!

With Love And Appreciation

This edition of the CYNOSURE is truly the product of a group effort. As the seventeenth-century poet John Donne wrote, "No man is an island . . ." Those of us who labored daily in the yearbook vineyards were lovingly supported by staff and students who had no other motive for helping us than to make our jobs easier. Mr. Foley, the Editors, and the staff especially thank the following individuals whose support made our year a great one:

Mrs. Audrey Wargo for obtaining the 1889 Chromograph of our cover tiger family.
