A full-page photograph of a young man with brown hair, wearing dark sunglasses, a blue denim jacket over a white t-shirt with a graphic, and light blue jeans. He is captured mid-jump, with his arms and legs spread out, in front of a multi-story brick building with many windows. The overall tone is nostalgic and energetic.

Vacation to the students of Linden High starts as soon as school lets out. They 'jump' into summer because it's such a long awaited event, in which school seems to vanish until September.

The Students spend vacation doing a number of different things, such as **CHRIS BOISSONEAULT**, who is taking daring jumps on snow. **CRIS PIRES** is also being very daring by riding a tiger bare back, while **CATHY MARQUES** takes life easy, sight seeing in Quebec, and **FAISAL** and **SUMERA KHAN** spend their summer in St. James Park, London.

Whether in the park or on the beach Linden High Tigers know how to spend their vacations. They all have great times even if it is spent in Linden, and if most of their time was spent working, it was still vacation.

Vacations were spent in a variety of different places, such as **DOREEN ECKENRODE**, **LORI MADDALUNA**, **TERESA TARNAWSKI**, and **DEBBIE MADDALUNA** in San Diego Zoo. As they wave to the people below, they take a slow elephant ride through the park. **TINA GOODMAN** had an exhilarating summer while traveling through space, but was very disappointed to return home. **KRIS HER** and **KATHY MITRIK** spend their vacation anywhere, with their very own escort service traveling north for from home. **ANJANETTE HIGHSMITH** and **LAWRENE PADEN** visit the lovely state of Virginia. They pose pretty at Kings Dominion Amusement Park. Another one of our great vacationers, **PAULA SOSNAR**, visits with Mr. Homer Washington.

SENIORS . . .

The Seniors are a very special part of the student body at Linden High School. Being the oldest members, the Seniors set examples for the underclassmen. This is the last year before the Seniors jump out of high school and into the real world of careers and college. This is a challenge to the Senior class. Before they go into the real world, they enjoy their senior year. Senior year is centered on student council, football games, parties, classes, and graduation. Whatever the seniors do in the future, they will do it with style.

Any jump into the nineties made by Linden students will be made from the springboard of our faculty's experience, knowledge and courage. From the central office to our hallways and into our classrooms, the determination and concern of the adult professional staff is what make the difference between schooling and education. Now, as we leave Linden High School, we can finally and publicly admit that we like our teachers and acknowledge the awesome contributions they have made toward our future success. Ave atque vale!

Inspired by the coaching staff and the excitement that filled the stadium, the Varsity Football Team, led by Captain **JERMAINE ENGLISH**, had a successful 5-4 outcome.

The season had a lot of ups and downs. Perhaps the most exciting game was against the East Side Raiders. In the game the Tigers tied a national record with the most safeties — five by one team.

Outstanding seniors who contributed to the team's success were **KYLE STRADFORD** and **JERMAINE ENGLISH** who made First Team All County and **MIKE HERTZ** and **JOHN MEKOVETZ** who made Second Team All County.

The Seniors whose hard work and effort played a big in the team's memorable season will be missed and they wish the future Tigers the best of luck.

Fall Cheerleaders

The LHS Varsity Cheerleaders put in a lot of hard work and effort to promote school spirit. Summer practices are a sure sign of the enthusiasm and dedication the fall squad had. Through snow, sleet, rain and shine the 1989-90 cheerleaders were on the sidelines ready to excite the crowd.

This years Captains **CARRIE SMALL**, **MARIA PANDOLFI**, and **JOANN KUCHARSKI** contributed to the success of the squad.

This years Boys' Basketball team under the leadership of **COACH WILBUT AIKENS**, has worked very hard to achieve their goals. Some of their accomplishments have been making it to the Championship game of the Hillside Christmas Tournament and the Championship of the War chung Conference. Some of the players who stood out this season have been senior **TARIQ SAUNDERS**, juniors **SHELDON CHAMPAGNE** and **DWANE MEYERS** along with the up coming assistance of **WALLY DIXON** and **JESSE HELFRICH**. These young men have worked very hard to ensure Linden a very successful season. They were a very dedicated group which spent endless hours to keep Linden Basketball Number 1!

The Boys Soccer team this year had a challenging schedule. Under the new coaching of Anthony Picaro, the team had its first obstacle to overcome. Coach Picaro took a virtually unmotivated but determined bunch of boys and over the course of 2 months turned them into soccer playing machines. The team practiced hard and during games gave it their all. Though the team didn't have a winning record, they gave their opponents a rough time. Good Luck next year.

Ten years ago girls soccer started in local high schools. There were many teams, half of them real good, the others not so good. After a few years the not so good teams dropped their programs. Linden High stuck with theirs, even though it was rough. In the past years the not so good teams have been coming back and it's been more competitive.

This year the team has won more than ever before and had the best time ever.

These seniors are MIKE BABULSKI, MIKE BEGARNEY, JOHN CUBALA, GEORGE DOWNEY, DAN KUCZINSKI, ARIEL LOPEZ, JOHN MEKOVITZ, REINALDO MORALES, JERRY NIGRO & JOE SOKOLOWSKI. They all contribute a great deal to make their team a successful one. However, let us all show some gratification to the younger teammates who will be with us a few more years. For these are the players who will make Linden High School Baseball a #1 team.

The Winter Cheerleaders had yet another successful season. Led by Senior Captains, **MICHELE CHOMISZAK** and **ANGELA NIGRO**, we were able to amaze the fans and pump up the players. The games were great, but having practice every day was a drag. But the practice paid off. This year we had a dance choreographed by **MICHELE CHOMISZAK** to "Pump up the Jam" and it was a winner.

This being the last year of our "Tumbling Tiger" Cheerleaders, we are going to end it with a flip to you. Good Luck to the future cheerleaders of LHS.

The primary requirements for gymnasts are upper body strength and explosive leg power. Gymnastics is a very anaerobic sport, and only during free exercise routines does the gymnast wander out of the anaerobic stage. Flexibility is a major component also of gymnastics and should be maintained year round.

The Linden gymnastics team is striving to be better than last year. Their purpose this year is to improve the skills of the team. The Senior Council worked very hard throughout the school year to make their senior prom at the Newark Marriott the best ever. With the participation of the Senior Council and other senior class members, they were able to raise money through fundraisers to lower their prom bids. One of the main attractions for the senior class was their first car wash in the spring. Not only did they raise money, but they had a lot of fun doing it.

Announcers

Every morning and afternoon Rosina LaBruzza and Tajuana Augburn do an excellent job of informing us of all school announcements and messages. Along with the announcements they also give a daily weather report. Personal announcements are also included so that someone can send a message to a friend over the loud speaker. They both have excellent speaking abilities and their words are well articulated. What a pleasure to start and end each day with such friendly voices.

The Service League consists of students who volunteer their free time or study halls to aid the administration, guidance counselors, teachers, and nurses. The students do various different activities, such as typing, errands, filing, and many types of clerical work. Although the students are doing "work", they find it a lot of fun and a great experience to work with others.

A reception is given at the end of the year for all the members of the Service League. The administrators and teachers have the reception to show thanks to those students who helped out during the year.

Gospel Choir

Gospel Choir began five years ago by Payton Allen (a former student) who was instrumental in organizing a group to sing at the annual Renaissance Club Program. Since then they have been singing at the program and at Public School #2 during Black History Month. **MRS. MOORE**, the advisor, continues to do a beautiful job keeping the choir together. This year they sang at the fashion show in January under the leadership of **ANTHONY WIGGINGS, FAITH TOWLER**, and **HYACINTH STEELE**.

The Renaissance Club of LHS has been in existence for over twenty years. Under the guidance of **MRS. MOORE**, they provided a constructive organization that the Afro American students enjoy. Their biggest project this year was the annual fashion show which was a tremendous success. Proceeds from the show were donated to the victims of hurricane Hugo.

Student Council

The L.H.S. Student Council consists of members from all four classes. The members, along with its advisor, **DENISE CLEARY**, and its four officers, try to set up activities to unite the four classes and improve the school. This year the council has held an activities fair, craft fair, flower sale, and a dance. The annual computer march during Valentine's Day was also a big success. This year's officers were: President — **MICHELLE ELDRIDGE**, Vice President — **VICKI CASSIDA**, Secretary — **TIFFANY HOEFLING**, and Treasurer — **MICHELE CHOMISZAK**.

Promoting Respect Interaction and Developing Esteem are what these PRIDE students accomplish. They spend most of their time with campaigns for alcohol and drug abuse. Once again the PRIDE students had another Smoke-Out day which was very successful. The main goal of this organization is to develop a sense of "pride" in our school.

MIE

The Minorities in Engineering program in Linden was organized with the help of Union County College in 1978. It was developed in order to make minority students aware of engineering as a possible career choice. Selection is based on academic excellence in science and math as well as high aptitude test scores. Every year until graduation enrichment courses are offered after school or during the summer at Union College or other N.J. colleges.

VICA, which stands for Vocational Industrial Clubs of America, is offered to any student who right now is taking a course at the vocational school. All are encouraged to join. Being a part of a type of group as this gives students a chance to work with individuals and get a real hands-on experience with many of the fundraisers for dues, safety within the vocational school, and the yearly State Skill Olympics. If you have the desire to be involved, this is definitely the club for you.

German Club

The purpose of the German Club is to promote the study of foreign language, namely German, through trips and activities. There is a German Club Christmas party every year where German food is eaten. A trip is also planned to a German restaurant. At the end of the year there is a trip to Pennsylvania Dutch Country, Busch Gardens, or Dorney Park. Money from fundraising pays for this as well as German Club scholarships to seniors.

Cynosure Advertising

The Cynosure Advertising Committee is a small group of students who work behind the scenes collecting ads from businesses and from the family and friends of the graduating class. We literally mail out thousands of letters for the business ads and the "Diapers to Diploma" section. Because of these and our other efforts, the price of the yearbook is reduced for the entire student body.

Cader Corps

In June 1989, the Navy judged the Linden High School NJROTC unit as the number 1 unit in the state of New Jersey and ranked in the top 10% nationwide. The ranking is based on a number of different factors including how well the cadets wear their uniforms, Drill Team performance, community service activities, parades and other functions attended plus support by the community, school administration and the Board of Education. During the 1989-90 school year the unit has been extremely active under the leadership of MICHELLE ELDRIDGE. The NJROTC was involved in activities such as the Pulaski Day Parade in New York also 40 cadets went to a Mini Boot Camp at a Coast Guard Training Facility in Cape May, N.J. The Dr. Martin Luther King Drill Meet was also on the agenda along with the 3rd annual Military Ball. As you can see these cadets are being all that they can be in the NJROTC.

BOOSTERETTES BOOSTERETTES

The Boosterette Squad is in its fifteenth year at Linden High School. We are the only school in the area to have such a club. Their biggest goal is to raise money for the Annual Senior Sports Award Dinner. This year it was held on June 7th at Cryan's Restaurant and everyone had a wonderful time.

They attended all home football and basketball games and were ushers at the school play. Successfully, the Boosterette Squad has sold buttons, key chains, cups, seat cushions, and hats to promote school spirit. They did an excellent job this year in all their fundraising activities under the supervision of **MS. MCADAM**.

The Boosterettes would like to bid all its senior members a farewell and good luck in the future. And to **MS. MCADAM** we thank you for everything and good luck in your marriage.

The freshman council this year tried their best to begin their years at Linden High School right. With the help of their advisor, **MISS FRANCINE KLUNDER**, they worked together to have a great year.

Do you think Linden High will change any in the 90's?

VIRGINIA CASSIBA ... caught by the camera.

"Yes, the 90's are a decade of change!" —
JOANIE JOHNS

"Yeah ... they'll discover hardcore." —
RICHARD POLESKI

"Yes, it will probably get better in that all the improvements will be made in the school itself." —
ROBERT LEWIS

"Yes just like the world around us changes, so will Linden High." —

To our very special Daughter,

Since that Thursday in March, 1973, our lives were changed in a very special way — you arrived to give meaning to our love. From that very precious moment, our love was yours forever.

You were a very pretty baby who we watched grow into a beautiful young woman. The metamorphosis was breathtaking — to watch you as you developed your values, your warm and open personality, and your intellect.

Kathi, you have made us very proud of what you have achieved in your life thus far, and we wish you always good health, good luck, and all the years ahead that you could ever desire.

During our lifetimes, we will always be there for you — as your parents and as your friends.

Love,

ANOTHER FIRST FOR LINDEN

For the second consecutive year, Linden High School's Cynosure Staff won a nation wide contest for the 1989 Yearbook. The 69th edition of Linden High Schools Yearbook, entitled "We Are Family," was given a perfect score for page design. The Yearbook also received high scores for photography and content presentation.

The contest was sponsored by the American Scholastic Press Association for Excellence of Yearbooks, School Magazines, and other publications. The Cynosure Staff and advisor Mr. Francis Foley spent many hours devoting their time to making the Yearbook a success.

We would especially like to thank our advisor, Mr. Foley, who guided the staff through days, deadlines and dilemmas. Without his help we would not be able to achieve the recognition that our yearbook deserves.

YEAR-END REVIEW

To sum up our year properly we asked our Linden High School coaches and advisers to give us a record of our sports and club accomplishments. Below is a brief summary of their achievements.

BOOSTERETTES

The 1989-90 Boosterette Squad had a very successful and fun year. Our Thanksgiving Day Corsage Sale was a great success, (could have been greater but the weather didn't cooperate) and we hope to make this a yearly tradition. Our hot dog sales at all home basketball games seemed to keep the fans satisfied as we were sold out each time. All the girls worked very hard to help us raise the money we need to have our Annual Boosterette Dinner honoring all Senior Athletes in June. Thanks to our captain Anjanette Highsmith and co-captain Tiffany Hoefling for their dedication and hard work. We will miss them as well as our other seniors: Melissa Brooks, LaDonna Cromartie, Ivana Lipinski, Kyjuana Jones, Cristina Pires, Lawrence Paden, and Vicki Cassiba. We want to thank everyone who supported us in our endeavors this year.

ORCHESTRA

8 members of the Orchestra were Semi-finalists for the Casio H.S. Contest for Electro-Acoustic Ensembles. Prize was Electronic saxophone and portable CD player.

ROTC ACADEMIC TEAM

During school year 1989-90 the Navy Junior ROTC Academic Team participated in two National Competitions. The teams are tested on their knowledge of subjects ranging from seamanship to world politics; from first aid to geography. The results of our tests are they are mailed to the Navy Headquarters in Pensacola, Florida for judging. Students on the 25 member team include seniors Victoria Cassiba, Dina Rodriguez, Thomas Szkurnik, Michelle Eldridge, and Albert Strydesky.

ROTC COLOR GUARD

The Navy Junior ROTC Color Guard has presented the National Colors and Linden High School Flag at all home football games. The group of dedicated young men and women also compete at Military Skills Meets against other color guards, through out the Tri State Area. In addition to competition at events described above the color guard also take part in parades and other Civic Ceremonies. The Cadet Officer in charge of the Color Guard is Senior Tom Szkurnik.

ROTC DRILL TEAM

The Navy Junior ROTC Team consists of eighteen cadets dedicated to precision military drill in Marching and Rifle movements. The season for the drill team covers nearly six months of the school year from November to May. Competitions are generally conducted between units of the Army, Navy, Air Force, and Marine Corps, in the tri state area of N.J., N.Y., and PA. Twice a year the Linden Unit purs its team head to head against local College ROTC units. This type of competition provides the inspiration for excellence to our team. The team on request, performs at local events and schools to show them drilling skills. Linden team was the second place winners of the N.J. Junior ROTC championship hosted at Linden H.S. on Dr. Martin Luther King, Jr. Day. The Drill Team commander for the 1989/90 school year is Cadet LT Mario Gola. The only Senior Varsity Letter Winner this year is Kyam McMorris.

GYMNASTICS

The 1990 Gymnastics Team worked very hard. Even though our team won only three meets, we felt our team did great concerning our condition. At the first couple of meets we lost two of our more experienced gymnasts, Angela Nigro, who broke her arm at the 2nd meet, and Michelle Chomiszak, who tore ligaments in her knee at the 4th meet. Our Coach and Assistant coach did a great job. They were Donna Ortiz and Greg Marrucci. The Captains of the team were Allison Gonor, Angela Nigro, and Michele Chomiszak.

SWIM TEAM

Charlene Barnett 6th Place Union County Diving Championships. Best win/loss record in the history of Linden High School. The record was 6 wins to 12 losses.

Highest Scorers:

Eric Kukal	220 points
Kristine Mericle	206 points

The Senior Captains are Kimberly Beidelman, Elena Thomas, and Michael Whittington.

ART CLUB

The Art Club did an excellent job of achieving many

awards. In the Halloween Art Contest, Irene Frangos won 3rd place, Fred Schmitz won 4th place, and Ben Aguda won 5th place. The Linden Fire Prevention Winners were as follows. 1st place Andrew Kawczynski won a 10 Speed Bicycle, Shona Halmer won \$50.00, and John Fernandez won a Smoke Detector. Special Congratulations go out to Joseph Kaulfers who won the honor to represent Linden High School in the State Wide Teen Art Calendar in the Month of July 1990. Mrs. Shirley Kaplowitz is the talented Art Teacher and Advisor.

LINDEN HIGH DECA WINNERS

On January 11 the Linden High School DECA Chapter competed at the Central Regional Conference at Middlesex County College with 1,100 other high school students from throughout central Jersey. The Linden winners were:
