WRAPPING UP

Jason Stanco says, "Leave me alone! My mom wrapped this lunch for me."

Cynosure staff wraps up a hard day of work.

How's this for a "Friday the 13th" sequel?

Mr. Picaro says, "I only told him he only needed a wrap on those nails."

Is that a diploma, or just wishful thinking?

We, the seniors here at Linden High, have caught the fever. Since the opening bell rang at 8:05 on September 4, 1991, the graduating class of 1992 pledged an understood vow to wrap up our last year the best possible way we could-to wrap it up with fun, laughter, and a sense of unity. Now during our last year, we are wrapping things up at Linden High and are preparing to move forward into a new world. We wrap up the good times and the bad; we, the "Class of 1992" are "Wrapping Up!"

Sheryl and Shannon acting up as usual.

Tina trying to look busy.

Tom! Working hard or hardly working?

Hiding in the corner can't get you out of doing work.

IN MEMORIAM

MARCIE INGANDELA

Short term friends are kept close at heart. Always
remember gym class and Mickey Mouse. Christine
Cassiba

Always remember the time we hung out at Shannon's
and ate pizza. "Hey Shannon, put on the ZEP." Can't
forget her laugh. Nancy Kovac

Remember yesterday, duuuude! Mickey Mouse rules. Blue
Whales. Slow down — Stop. I'll never forget
Laureena Paffrath

Remember a spaceship called Moose. You will always
be my fairy godmother.
Shannon Petit

The times we've shared and the memories we've made
— no one can ever take them away from us. True
friends are those who stand by you until the very end.
Kathy Rada

WRAPPING UP FACULTY

"Helping Hands"

The bell rings . . . Students rush to their lockers so they can go home and relax, practice or go to club meetings. However, to the majority of teachers, that bell does not mean time to go home. Instead, many teachers go beyond the call of duty to help students, advise a meeting or coach sports, to benefit the student body.

On October 31, 1991, students and faculty of Linden High School exhibited 100% Halloween spirit. This year the commercial arts class offered face painting to enhance the day's activities. At 2:45 all the students headed home to prepare for the annual Halloween parade.

WRAPPING UP

JUNIORS

Presenting the Linden High School Class of 1993 — Our Juniors. These young, enterprising students who are at the age where they set goals by which to mold their lives and in turn effect our own. Enthusiastically anticipating their senior year — the year to wrap things up — they began their conquest now by emulating their senior role models, that one day, they too might be an example to the rest of Linden High. One day, they too will be our future.

Use Your Head

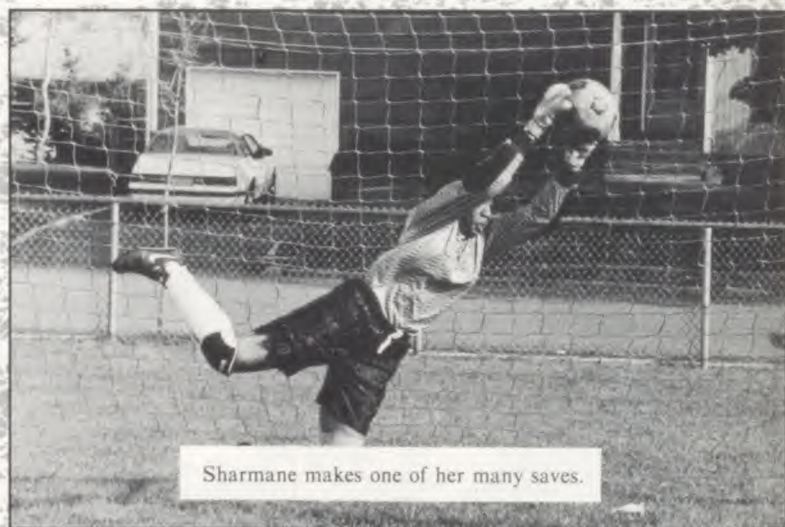

Linden celebrates their only victory, and they didn't even break a sweat.

Seniors — Takesha Mashhood, Sharmane Koonce, Nadage Apolion, Orna Shaul, Kneeling: Keana Jean, Capt. Leslie Haddick

The 1991 soccer season was a very frustrating one for Linden girls. Their 1-13 record was the worst ever. Despite the fact that 91 was a less than successful season, Linden did score the most goals ever - 8. Goalie, Sharmane Koonce, had a career high of 350 saves and Capt. Leslie Haddick set a record of playing every minute of every game for 3 consecutive years. The 92 season will be a rebuilding stage for the girls, but 6 seniors will be greatly missed.

Yugoslavian Unrest

A civil war broke out in Yugoslavia. This war unraveled the nation of six divergent republics. All six were held together under the leadership of President Tito.

Fidel Castro

The failure of the Soviet coup left Fidel and his island nation somewhat isolated. After 32 years in power, Fidel Castro remained a towering figure in Cuba.

USSR Anti-Coup Tanks

USSR — Anti Coup Tanks

On Wednesday, August 21, 1991, leaders of the Coup were reported to have fled Moscow. Tanks and armed personnel carriers moved away from Russian Parliament and leaders of the National Legislature demanded that Gorbachev be returned to power.

This nature has made you the intelligent young man that you are today. Success, is easy for you, dearest nephew, and as you encounter the stormy, as well as sunny days that life holds, we know that with your personality and maturity you will always find the light at the end rainbow.

We love you and are very proud,

Mom, Dad, Jen, Sarah, and Bob!

Have you ever heard of the phrase "A Star Is Born"? Well on Thursday, January 24, 1974, our first of three stars was born. As your parents and your friend Frank, we've watched you grow from an adorable baby, to a playful infant, to an ambitious teenager, into the fine young man you are today. Through the years you have always made us so proud and on that day in June when you are dressed in your cap and gown and receive your diploma, still, another tear will be brought to our eyes as you successfully have completed your 12 years of schooling. In the past you have always made us proud and we are sure in the future there will be many more times you will bring a tear to our eyes. Just as you did that 24th day of January, just 18 years ago.

Frank, we love you today and always, and we wish you the best.

Love,

Mom and Dad

Dear Sheryl,

We've come a long way the past 4 years. I know your going to make it. It may take time and hard work. You may become frustrated and at times you'll feel like giving up. Sometimes you may even wonder if it's really worth it. But you're a fighter and I have confidence in you, and I know you'll make it, if you try.

Love you Always

Colophon

The 1992 edition of the Linden High School CYNOSURE was printed by Herff Jones Publishing Company in Gettysburg, Pennsylvania, using the lithographic process.

Advised by Mrs. Bernadette Campanale, Volume 72 has a press run of 300 copies featuring 224 pages printed in black ink. An 100 lb. premium European high gloss enamel paper stock is used in the first 16 pages of the book. The remaining pages are 80 lbs. Bordeaux gloss enamel. In addition, to black ink used throughout, four-color was utilized in the first five signatures.

The book is Smyth-sewn in sixteen page signatures, trimmed to 9x12 inches, rounded and backed and bound on 160 point binder's board.

The Custom Lithographed cover was designed by John Sullivan, Herff Jones artist. The cover is three-color designed featuring the yearbook theme and logo, with the title and date on the spine. Individual names are foil stamped. The base material is white litho. It is laminated and embossed with a French Straight Grain Pattern.

All captions and body are set in eight and ten point Roman

Italic. Headlines, Subheads, and division pages are set in various point type sizes.
