# THE BEST OF L.H.S.

BEST (adj.) of the most excellent sort; above all others in worth or ability.

Being the best is something that is stressed in every part of a student's life. From the day that a student first enters L.H.S. as a timid freshman to graduation day, Linden's students are pushed to excel and compete in an effort to be the best.

Linden High School offers the class of '93 many areas to strive to be the best. From challenging academic and business ed. programs to vocational programs like Cosmetology, Foods, Graphic Arts, Health Occupations and the shops, members of the class of '93 try their hardest to be the best.

Students can also work to be the best by participating in Linden's many excellent sporting teams, clubs and activities.

Since L.H.S. provides the best for its students, the students can be "only the best."

SHALON and MELISSA practice the best in the business world.

#### The BEST Tiger Vacations

Any student will tell you that the best part of any school year is vacation. Linden High School students take the best vacations, some of which are shown here. From exotic spots on beaches to amusement parks teeming with people; from lakefront retreats to tourist spots which the whole world visits; from skiing down mountains to life on the farm, vacation is a time to be used to relax, refresh and rejuvenate.

The best part of most vacations is spending time with friends and loved ones. Vacation is a time when students can take a break from the pressures of school, and Linden's students truly do that in style. As important as the academic year is, vacation is a necessary part of any school year, for it is a time when students can take time off and prepare to be "Only the Best".

## SENIORS

## MAKING L.H.S. THE BEST

The task of making LHS the best by organizing activities and fund raising for the school and senior class falls to two groups, the Student Council and Senior Class Council. The Student Council officers work with Mrs. Whimpenny with activities which raise funds for the school such as carnation sales, candygrams, lollipops, and balloon sales. Other activities which they use to raise funds are dances, Talent Shows and the Graduation Bash. These activities help to make LHS the best!

The Senior Class officers work with Miss Klunder on all activities which concern the Senior class. Their foremost concern is raising money for the prom which is the BEST memory of the school year for many students. Money is raised through such activities as car washes, poster sales and candy sales.

The hard work and dedication of all of these Student Government leaders help to make the 92-93 school year and Linden High School "Only the BEST!"

### TIGERS ROAR IN '92

Inspired by the coaching staff and the support from their fans, the Tigers, led by captains GEORGE MANSON and GREG ARCHIE, had a successful 7-3 outcome!

The season had many more ups than downs. Perhaps the most exciting game was when the Tigers tore up Elizabeth with a 14-12 defeat! After qualifying for the State Playoffs, the Tigers unfortunately lost their game to Randolph. They made a wonderful comeback at the Thanksgiving game on a rainy Rahway field, defeating the Indians 33-8.

Outstanding efforts were made all season by the very dedicated seniors. Both GREG ARCHIE and JASON HANNIBAL made first team All County along with DANNY ROBERTOZZI and GEORGE MANSON who made second team All-County.

Together the Tigers had a wonderful season that they should be proud of. We will always remember this 1992 winning season!

#### GIRLS GET A KICK OUT OF SOCCER

LORAY KOZAR

The 1992 Girls Varsity Soccer Team was led by senior tri-captains LORAY KOZAR, ZANDRA MORALES, and LAURA MEKOVETZ. Their leadership and enthusiasm helped keep the team unified and working very hard all season long. Although surrounded by a cast of young players, the girls managed to develop and mature as the season progressed. LAURA led the defense in goal, ZANDRA displayed her ball handling skills and pinpoint passing, while LORAY led the team in scoring. The girls performed to the best of their ability and made the season the best.

### SERVING IT UP

The girl's tennis team served up another successful season. Their record was 11-6, giving them their first winning season in a few years. Their opponents ranged from East Side to Westfield. Special thanks goes to the seniors: ZELJKA BASIC, HEATHER and BONNIE COUGH-LIN. With a core of returning players, the girls team should continue to be the best in years to come.

The Tigers are looking strong for next year with only two seniors graduating. # LADY TIGERS ROAR IN '93

The Lady Tigers continued their winning ways in the 92-93 season, compiling a regular season record of 23-1 and capturing the Union County Tournament Championship by defeating last year's champion Union Catholic 46-35. During the season, the team's only loss came at the hands of St. John Vianney, the #2 ceam in the state during a Christmas Tournament. Ranked #3 in the state for most of the season, the team was led by the starting five of senior Tamecka Dixon, Juniors Simone Gilliam and Raquia Johnson, sophomore Sharon Kukal and freshman Jessica Sheeny with help off the bench from sixth woman junior Lauren Wigfall. The team competed in the State Tournament. capturing sectional and Group IV championships and advancing to the Tournament of Champions, bowing to eventual state champion St. John Vianney 70-63 in the semi-finals. All in all, the muson was a great success, proving again that the Lady Tigers Basketball team can be considered "Only the Best."

### A HARD ACT TO FOLLOW

Senior TAMECKA DIXON is one of the state's most dazzling players. Since she arrived on the scene three years ago, she has stunned the media and the

fans alike. Tamecka has brought acclaim to both herself and LHS by her many accomplishments which include: scoring more than 2,000 points and more than 1,000 rebounds for her career, being named to All-County and All-State teams, and this year being the first athlete from Linden to be named to the Parade and Nike All-American Teams. When this basketball season concludes, Tamecka looks forward to furthering her education and her basketball prowess by attending Kansas University on a full four year scholarship. ## CHRONICLE

Linden High School makes history, and Chronicle records it. The LHS Chronical prints three issues yearly. Two news issues and a senior supplement are printed. The school helps the staff by sending them to a journalism workshop sponsored by the Asbury Park Press at Monmouth College every year. This enables the staff to improve their skills in writing, editing, photography, and layout. The Linden High School Literary Club and Tiger Magazine is a club open to all students in our school. Our activities include publishing a magazine consisting of contributions from the Linden High School student body. These contributions include poetry, prose, and artwork. The magazine, published about twice a year, gives students a chance for their expressions to be seen in a published form.

This is the third year of Peer Leadership. This program was developed by Princeton Leadership Training to help freshmen adjust to their new environment at LHS by providing support from their senior peers. The seniors are selected and attend a three day training retreat. They are led by Mr. Picaro, Mrs. Boyd, and Mrs. Kolesa. Linden High School Student Council is composed of many different students who have come together for one specific purpose and that is to make sure that all the students from ninth to twelfth grade are happy with their class. By planning parties, doing fundraisers, and even setting up recycling bins in the cafeteria, they are able too accomplish their ends.

## LIBRARY SQUAD

The library squad consists of students, who instead of going to a study hall, assist the librarians. These students check books, place them back on shelves, check incoming magazines and various other jobs. The squad members make the job of the librarians much easier. At the same time they are able to learn responsibility in the pleasant surroundings of our library. The Linden High School Boosterettes is a very unique group. We are the only privileged school to have such a dedicated group of girls who help promote school spirit. They raise money for football and basketball games by selling baked goods, hot dogs, and raffling off 50-50's. The money raised goes towards the sports teams in order to produce a football program, and host the end of the year sports award banquet.

An era of amateurism passed into an age of professionalism, and the Olympics were transformed forever, when professional athletes were allowed to compete in the 1992 Olympics in Barcelona, Spain.

The United States emerged from its two-decade Olympic funk, finishing only four behind in the 1964 in Tokyo.

Pictured above is the "Dream Team" during the first half of their semifinal game with Lithuania.

Shannon Miller pictured below, performing her floor exercises.

Hurricane Andrew struck southern Florida on August 24, 1992, with wind gusting to 164 mph. and a 12foot tidal surge that flattened many homes, uprooted trees, flung boats into the streets and wrecked an entire Air Force base.

Fifty five deaths were directly or indirectly linked to the hurricane — 41 in Florida, 10 in Louisiana and four in the Bahamas.

The hurricane's 54-hour U.S. rampage, the most expensive natural disaster ever in the country, caused an estimated \$20 billion in Florida, \$1.5 billion in Louisiana and \$250 million in the Bahamas.

In many, Ross Perot was a potential president. Now, he's likely no more than potential spoiler, but nonetheless a wild card who could reshuffle the deck.

The Perot Factor was reintroduced to presidential politics eleven weeks to the day after the Texas billionaire abandoned plans to run, saying he had concluded he could not win.

Bush struck a new defiant tone in his acceptance speech — a marked contrast to the 1988 oration in which he promised a "kindler and gentler nation."

Bush and Vice President Dan Quayle roused the GOP delegates to cheers as they accepted their party's nominations for a second term. Bush vowed to go to "every corner of this nation" in the political fight of his life to beat Bill Clinton and "Clear out the deadwood in Congress."

Bill Clinton, sitting in with the band, turned out an impressive version of "Hearts break Hotel" as Arsenio Hall gestured approvingly in the musical opening of "The Arsenio Hall Show".

Presidential candidate Bill Clinton and his running mate, Senator Al Gore, held arms aloft and stood before a convention hall brimming with euphoria and confidence on July 17, 1992, in New York's Madison Square Garden.

U.S. Marines arrived in Somalia on December 9, 1992, to assist in curtailing the wanton, widespread violence and prevent looking of relief shipments.

Children wave as they pass or run to shake hands with those who have come to help.

Three months after the world woke up to one of the worst famines in history, food started to reach hundreds of thousands of Somalis. Estimates of the dead range from 100,000 to half a million, but no one knows just how many have perished in the Horn of the African nation.

The territory of Yugoslavia for centuries was a battle ground between the Austro-Hungarian and Ottoman empires.

In 1918, the Kingdom of the Serbs, Croats and Slovens was declared, and in 1929 it was renamed Yugoslavia. The new country was torn by demands for autonomy by Croations who opposed Serbian domination.

Of the 24 million people living there, Serbs account for about 36 percent and the Croats for about 20 percent of the populations. Other Slav groups are the Slovenes, 8 percent; and the Montenegrins, 3 percent. Ethnic Albanians make up 9 percent of the populations. This ethnic diversity has been a source of strife for centuries.
