Glowing with pride prom queen and king Beata and Tom take a turn on the dance floor.

Linden's tiger mascot poses proudly on the front steps.

A prized possession for all seniors is a school ring.

The football team basks in the acclaim of the fans at the pep rally.

Renovations to the high school building this year will make it a source of admiration in the community.

Running for homecoming is something DANA, JESSICA, and ANDREAS are proud of.

Rahjah prepares to pounce in the same way as seniors, after graduation, will leap into the future.

TIM and MERISSA proudly get ready for the prom.

ANDREAS, NATALYN and ALBERT show broad smiles for Mr. Foley.

Looking into the future, School 9 graduates anticipate great things.

KUMARI puts the moves on TRIZZY.

RAHJAH reflects the pride of the Linden graduates.

MARIA "Boom Boom" MANCINE demonstrates that lockers are good for something.

"Why do I have to do all the work?" whines IRIS SANCHEZ

SIMONE ROMAN contemplates the great outdoors

At the ring ceremony, senior girls admire their new jewelry.

Class officer hopefuls polish their speeches.

KAREEM PRUNTY proudly constructs his project.

A technical drafting student draws a blueprint for the future.
RAHJAH prowls around a tree.

The pride of LHS tennis, LAUREN BIANCO strikes a pose.

Seniors show modest pride looking at their new LHS rings.

CATHY and MELANIE, share each others special moment.

Takin' A Break

The thing that Linden High School students look forward to most after a long, hard year of work is going on vacation. Whether it is a trip to the shore or a cruise to the Caribbean, it is a chance to relax and unwind. June is a time to look back and take pride in the school year.

MARIA PALIVOU goes cheek to cheek with this animated character.

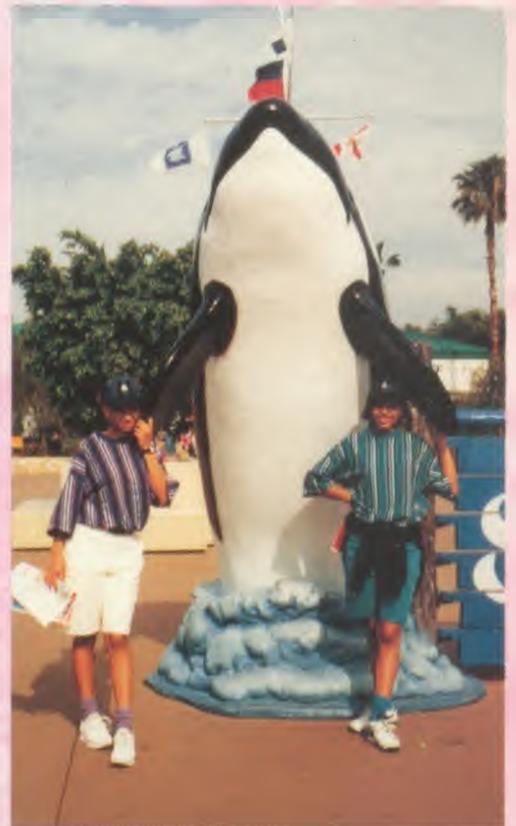

MARTINE and KETURAH find a new friend at Sea World.

Soaking up some sun in Orlando, Florida, ANNIESE TAYLOR poses for the camera.

Rowing through Venice in a gondola, BRENDA and KAREN enjoy their vacation.

Looking very serious, BEN BUELL takes a break from an intense volleyball game.

The girls relax at the park during their vacation.

While enduring the cold, ALLISON and AUDRA find time to take a picture. While enjoying a cold splash, KIM and DANYETTE try to cool off on a hot day. JASON and THERESA hang with Foghorn Leghorn. DANIELLE and DANA take a break in our nation's capital. Bugs Bunny asks CHRISTINE FARRELL, "What's Up Doc?" Visiting a castle in Lithuania, RICHARD RAUDYS enjoys his summer vacation. Looking very upset, BETH CAROSELLI sports her new life preserver on a cruise. Post-prom fun in Seaside is just what JEFF and SYLVIA need.

A TIME TO REMEMBER

Cheek to cheek, KELLY and DANA get ready to have a blast at the prom. CAROLE BIRCH dances up a storm at the junior prom.

KEN and RYAN have their picture taken at the prom. BILLY and his date relax before they eat.

TANYA pins AUSTIN'S boutonniere on.

Junior guys thought they were hot stuff even before they were seniors.

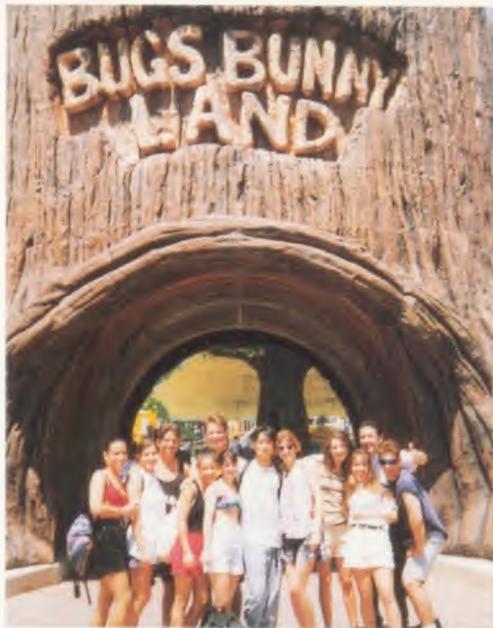

Look — TWINS!
SHARON and BURKE are ready to tango!
ANNIESE and date ANTHONY are having
a Kodak moment.
MICHELLE and date enjoyed their prom
night together.
CHRIS was glad to share his prom memories
with his date LIZET.
BETH and BRIAN pose before leaving for
the prom.

MORE MEMORIES TO REMEMBER

Look at MELISSA and JESSICA smile for the pretty picture. ALBERT and JENNIFER strike a pose for the photographer. SHANNON and CATHY sit down after dancing up a storm on the dance floor.

The day after the prom is almost as much fun as the prom itself. When LENNY dances, he gets down and dirty. BRENDA and her date CHRIS share a special moment at the prom. Girls, take your pick!

DANA and RICH take a quick picture before the prom.
 CARRIE smiles, while NICOLE shows a little leg.
 Hey girls, where did your dates go?
 AUDRA and her date hold hands for the picture.
 LATISHA is such a nice date, she even fixes her date's tie.
 After a long night, KEITH and MICHELLE look like they
 wanna go home.
 It looks as if JASON wants to get this picture over with
 already.

Pride. It is a quality possessed equally by a tiger and a senior at LHS. In four high school years, seniors have accumulated many memories and accomplishments of which to be proud. They prowl the hallways protectively, searching for situations which require their expertise. They have learned to conduct themselves and always express

PROUD TO BE JUNIORS

The Junior Class has had a great year with many fantastic and worthwhile activities with the help from class advisor Ms. O'Malley. Some fundraising projects consisted of a T-shirt sale, Valentine candy gram sale, and another candy sale. The profit helped pay for the prom, that was held at the Hilton in Woodbridge, on April 28, 1995.

TIGER TOUCHDOWNS

Inspired by the coaching staff and support from their fans, the Tigers, led by captains NATE JOHNSON, DARYL SPRUILL, and AUSTIN HAY, had a successful 7-2-1 outcome!

The season had many more ups than downs. Perhaps the most exciting game of the season was when the Tigers tied Union, #3 ranked in the state at that time, with a score of 7-7. The Linden Tigers also tore up Elizabeth with a 26-12 defeat. After qualifying for the State Playoffs, the Tigers unfortunately lost their game to Randolph.

Together the Tigers had a wonderful season that they should be proud of. We will always remember this 1994 season.

Clockwise from top: COACH VITO gives some friendly advice to the team. MIKE MILLER blocks, as KALIEF ALLEN receives the ball. #77 JOE BRAMANTE sets up the TIGER line up. WILSON kicks another perfect field goal.

Aside from being great crowd motivators, these cheerleaders are intelligent young ladies who are very active in other school activities.

So never underestimate a young woman let alone a cheerleader.

Girls get a kick out of soccer!

The girls' soccer team set a new school record for victories breaking a record set in 1982. With a 3-12-2 record the Tigers proved that with hard work and confidence the impossible could be reality. Linden played close games against some of the best teams in Union County. Seniors Cathy Legault, Viviana Olarte, and Maria Palivou were of great value to the team this year, and were all veterans from previous years. Captains Maria Mancine, Lori Bene, and Anabela Almeida were presented with All-State Soccer Awards, the first in Linden High in the past four years. The Tigers proved to everyone they could be one of the best too!

KICKING IT TO VICTORY

The boys soccer team had a good season this year, thanks to the good coaching of COACH ENG and COACH SMITH. The boys competed against various teams including state powers Kearny, Scotch Plains, Westfield, and Union. Learning to work together as a team resulted in a great season. A special thanks goes out to our senior players who will be greatly missed. They are: JANUSZ KRUPA, THOMAS DI PAOLA, DIEUCEREST ST. LOUIS, FABRICE FIGARO, PIERRE DUTAILLY, and ARK PIETRUSZEWSKI. Congratulations to you all.

RECORD-SETTING SEASON FOR GIRLS' TENNIS

The LHS Varsity Girls' Tennis Team had an outstanding season by breaking the school record of 13-5 with a record of 14-4. The girls never lost their heart and never stopped believing in each other. Hard work and devotion is what made this team so great. Tri-captain seniors Sharon Kukal, Audra Rogowski, and Laruen Bianco were both the team's leaders and emotional supports. The main highlight of the season was when Lauren Bianco was the deciding point in the match and won her third set to put Linden above Scotch Plains, 3-2. A special thanks to Mr. Aikins for all his encouragement and support! Congratulations to all the girls!

COACH AIKINS shows us his award-winning smile!

GOING ALL THE WAY

Preparing for the shot, NATE JOHNSON concentrates hard.

COACH AIKINS discusses strategy with the team.

The 1994-95 Boys Basketball team hoped to participate in some "March Madness" tournament play, but unfortunately fell just short of reaching an important goal. They capped an accolade filled season (Watchung Conference Champs and a 22-3 record) by falling (just short) to neighborhood rival Elizabeth in the State Tournament Group IV North Jersey Sectional Championship game. Actually, Elizabeth was the team that the Tigers had a big problem with all year, narrowly defeating them in the regular season and then losing to them in the semi-final of the Union County Tournament.

Leadership was provided all season by Seniors Nate Johnson and Ralph La Fortune. Juniors Kalief Allen, Rasul Cunningham, and John Cherry will look forward, with the rest of us, to continued success next year for the Tiger Basketball team.

GROWING PAINS

MS. GOLEME observes the Tiger mascot.

The 1994-95 Lady Tigers Basketball team, faced with the loss of 3 All-State players over the past two years, still had high expectations at the beginning of the season. Unfortunately, due to many factors, the team met with a lot of adversity and disappointment this year.

Coming into the season with only one senior, SHARON KUKAL, but two juniors and a few sophomores with experience, the Lady Tigers hoped to continue their successful ways. But when Sharon's season ended due to injury and another player left the team for personal reasons in mid-season, the Lady Tigers were forced to go to the youth movement.

Along the way, the freshmen and former JV players picked up valuable experience which should help them next year. So although the season was not as successful as previous years, it will serve the remaining Lady Tiger players well as they look to the future. They will miss SHARON next year, but TATE, TIMA, TARA, TIFFANY and the other "kids" will look to rebound from the disappointing record posted this year.

Coaches ENG and SMITH observe the game.

B.E.S.T. African American Cultural Festival

B.E.S.T. (Black Educators Support Team) is an organization that serves as an educational support group for minority employees of the Linden Public School System. It also provides yearly academic scholarship as well as sponsoring the annual African American cultural festival, a weekend long celebration of African American culture featured on this page.

CATHY LEGAULT lays down and comes up with a new idea for the yearbook. RENEE DEMKOWICZ counts each pica carefully to make the yearbook's perfection. Giving the camera a studious look, NICOLE MITCHELL rushes to finish her layout.

JASON HAAG and IRIS SANCHEZ take a break from a hard day of work. The Cynosure Staff relieves stress! While KAREN GIEMANSKI thinks of a new headline, she falls into a daze thinking of Brad Pitt. Sweet NICOLE SORRENTINO gives the camera a little smirk.

The United States went to the brink of invading Haiti, its poor, unsettled neighbor to the south. But at the last minute Haiti's military rulers bowed to the United Nations and promised to cede power to the duly elected president whom they had ousted, Jean-Bertrand Aristide.

Woodstock '94 looked a lot like the original 1969 rock festival — right down to the fans, who wouldn't have missed it for the world.

When it was over, the rain-drenched and mud-covered lumbered home from the sloppy fairgrounds looking like the walking dead — who died smiling.

It was a match made in tabloid heaven: The child of one of the two biggest stars in rock history married the other biggest star in rock history.

Lisa Marie Presley, Elvis's only child, got hitched to the reclusive Michael Jackson. After weeks of dodging photographers outside Jackson's Trump Tower apartment in New York City, the couple made a very public coming out: They opened the MTV Music Video Awards ceremony, broadcast live from the Radio City Music Hall.

If rock 'n' roll is here to stay, 1994 made it clear that Aerosmith is too. The band of bad boys from Boston proved that heavy metal need not rust, taking three awards at the 11th annual MTV Music Video Awards Ceremony at Radio City Music Hall in New York City.

Flanked by the relatives of crime victims, President Clinton signed a \$30 million crime law, but warned his audience at an elaborate White House ceremony that the bill would not stop the violence plaguing the nation.

The law banned many assault firearms, allowed the death penalty for dozens more federal crimes and provided billions of dollars over six years to build prisons and hire police.

Andre Agassi was one of the best known entrants in the 1994 U.S. Open, but a year of largely indifferent tennis had left him unseeded and unheralded. So everyone was amazed when he won the tournament. He did it with relative ease, racing through six other opponents — four of them seeded — before a straight set victory in the final over No. 4 seeded Michael Stich of Germany.

A year after he shook the hand of Palestine Liberation Organization chairman Yasser Arafat, Israeli Prime Minister Yitzhak Rabin did the same with King Hussein of Jordan.

The two nations had been enemies since the creation of Israel in 1948 following a brief, bitter war between Jews and Arabs. The war drove thousands of Arab Palestinians into Jordan, creating a class of refugees and deep hatreds on both sides of the river Jordan.

Senior girls show off their sexy style.

The 1994 baseball season ended not with a home run or a strikeout, but with a conference call and a fax. On the 34th day of the major league players strike, the team owners canceled the rest of the season, including the playoffs and the World Series.

The season floundered on the owners' insistence on capping player salaries. The players refused to go along, went on strike, and in a little more than a month the season was history.

A jet-propelled astronaut unhooked his lifelines to the Space Shuttle Discovery and flew free, 150 miles above Earth. It was the first untethered spacewalk in 10 years.

Mark Lee (astronaut in photo) was followed by fellow astronaut Carl Meade. They had but one jet pack between them — and had to take turns.

If the United States truly had a health care crisis in 1994, you couldn't have proved it by Congress. Despite the exhortations of President Clinton and the First Lady, the year ended without significant health insurance reform.

Mrs. Clinton took some of the blame for the failure. She said she had underestimated the effectiveness of the opposition, and didn't realize that the complexity of the administration's plan would turn people off.

Seniors love attending assemblies.

A deaf woman from Alabama became the first contestant with a disability to win the Miss America Pageant.

The 68th Miss America was 21-year-old Heather Whitestone. After receiving the crown, she signed "I love you" amidst thunderous applause from the audience at the Atlantic City Convention Center.

CATHY and MELANIE stare in awe at their senior rings.

Neither President Clinton nor his wife and daughter were home when Corder, flying at treetop level, breached restricted air space around the White House and smashed into a magnolia tree on the South Lawn. The single engine plane came to rest against the mansion wall and burst into flames. Frank Corder suffered from depression, had a history of drug and alcohol abuse, and probably was suicidal.

O.J. Simpson always lived life on camera, first as a football star, then as a sportscaster, commercial pitchman and actor. But nothing could have prepared him, or his fans, for the role he would play in 1994. Simpson is suspected in the brutal slashing murder of his ex-wife Nicole and her friend, Ronald Goldman. And so began what many call the most famous murder case in American history.

Stephen G. Breyer was sworn in as the nation's 108th Supreme Court justice at a private ceremony on August 3. He replaced Justice Harry A. Blackmun, whose retirement took effect when Breyer took the oaths required by the Constitution and the federal Judiciary Act of 1789.

Could the world's greatest basketball player make it on the diamond? That was the question in 1994 when Michael Jordan, in his first year of retirement from the Chicago Bulls, signed a contract to play minor league baseball for the Chicago White Sox.

It was a rainy month in Georgia, where two weeks of record flooding in July killed 31 people, destroyed hundreds of bridges and roads, and even uprooted caskets from cemeteries.

Tropical storm Albert dumped nearly two feet of rain, flooding the Flint and Ocmulgee rivers in the central and southwestern sections of the state. About 35,000 people fled their homes, and more than 400,000 acres of crops were inundated after flooding began on July 5.

SYMONS, BRENDA L.

They headed north on almost anything that would float, including rafts made of the flimsiest materials: oil drums, inner tubes, wooden planks.

They were Cuba's boat people — tens of thousands of people desperate to come to the United States to escape the poverty and hunger of their increasingly isolated island Communist nation.

The civil war in Rwanda began with a plane crash that killed the president. Before the year was over another 500,000 Rwandans had been killed and another 2 million had fled the African continent for the relative safety of squalid refugee camps in Zaire and other neighboring countries.

Japan's nightmare of a disastrous urban earthquake came true on January 17, 1995 when a powerful quake tore through several western cities, toppling hundreds of buildings, touching off raging fires and killing more than 5,000 people.

The city of Kobe, the site of the worst destruction, is a gateway for more than 12 percent of Japan's export.

DARRYL SPRUILL looks excited to be in school.

The San Francisco 49ers scored early and often on January 29 to defeat the San Diego Chargers 49-26 in a Super Bowl that quickly turned into the rout the experts had predicted.

The 49ers quarterback Steve Young, unanimously named the game's most valuable player, passed for 325 yards without interception and ran for 49.

In Memoriam Jason Judge

Jason will always be remembered as a tender-hearted young man. His compassionate disposition is missed by many.

— Bernadette Campanale

Jason was a nice person for as long as I knew him, and he will be greatly missed.

— Maria Mancine

I will remember Jason's sense of humor and his bright smile.

— Rasa Kudricka

Although our friendship was short, he was a good friend. He will be missed.

— Andres Alejandro (Class of '94)

Contrary to outward appearances, beneath that ever-present black leather jacket was a sensitive caring individual.

— Miss Malik

He was a very nice guy who never forgot who you were. Even though we didn't see each other for a whole year, when I came up to the high school, he remembered me and welcomed me like the caring guy he was and will always be in the hearts of his friends.

SCOTCH PLAINS ZOO

1451 RARITAN ROAD
SCOTCH PLAINS, NEW JERSEY 07076

The six acre privately owned zoo is located at the corner of Terrill and Raritan Rd in Scotch Plains. Presently the zoo houses a variety of wild and domesticated animals, reptiles and fowl. There are lions, tigers, leopards, cougars, bobcats, bears, alligators, buffalo, hippopotamus, snakes, iguanas, kangaroos, elans, giraffe, llamas, zebras, monkeys, lemurs, and a magnificent variety of native and tropical birds. You will also find many deer, cattle, ponies, goats, and water fowl, and, of course, our yearbook model, Rajah, the tiger.

The zoo is open everyday from 10 a.m. until 4 p.m.

Rajah, shown here with her trainer, Harold Kafka, is a 1 year old Siberian tiger and the star of the 1995 Cynosure. Average adult female Siberian tigers weigh about 500 pounds, although Rajah only weighs 200 pounds now and stands over 6' tall. Rajah has been with the zoo since she was 4 months old and lived inside Kafka's house for the first 8 months. She occasionally comes in now.

Rajah has made many appearances including the Today Show and Good Day New York. She is featured in Mutual of Omaha advertisements and a Princeton Documentary. Rajah has also appeared at schools for the handicapped as well as grammar and junior high schools.

"As long as she stays as friendly as she is now, we will continue to make appearances," says Kafka.

The Cynosure staff would like to extend our thanks to Rajah, Harold, and the rest of the Scotch Plains Zoo.

Annie,

Congratulations to you and the class of 1995.

We are very proud of you and your accomplishments. You are very talented, and we know that you will continue to reach for the stars.

Love,

Mom, Dad, and Denaia

AS THE WORLD'S LARGEST RECYCLER OF HAZARDOUS WASTE, SAFETY-KLEEN WANTS THE WORD TO GET AROUND...

There is a smarter, safer way of handling hazardous waste than dumping it in landfills. In 1994 alone, Safety-Kleen's Linden facility processed 11 million gallons of hazardous waste that would have otherwise ended up in landfills. Today, these 11 million gallons are being used again to help preserve the environment, not to pollute it.

The truth is that hazardous waste comes from everywhere, not just big manufacturing companies. In fact, most of our clients are small businesses, such as gas stations, auto repair shops, dry cleaners, printing companies and other industries. And all of our clients are businesses that are committed to responsible recycling.

When you get your oil changed, look for Safety-Kleen's "We Care" emblem. It's a good sign that the company you are doing business with cares about the community as much as you do.

Dear JoAnn and Renee,

You were double the trouble and double the fun. You have grown into beautiful women and I'm so very proud. It seems like only yesterday you were my little preemies and now you're graduating. How fast the time flew by! I wish the best of health, love, and happiness and may all your dreams come true. If you ever need me, I'll always be here loving you.

Love,
Mom

Esta é mais uma das tantas etapas que, se Deus o permitir, irás atingir. É o começo de uma nova vida responsável. É o despertar do homem que deixa para trás a meninice. Deixa, no entanto, que o sorriso da criança que foste continue a emergir nos teus lábios. !

Parabens e votos de um futuro risonho saõs os sinceros desejos de teus pais

COLOPHON

The 1995 edition of Cynosure was printed by Herff Jones Publishing Co. at 525 Boyds School Road in Gettysburg, Pa, using the lithographic process. Advised by Patricia Gergely, Volume 75 has a press run of 400 copies featuring 219 pages printed in black ink. A 110 lb. premium Allegiance paper was used in the first 16 pages of the book. The remaining pages are 89 lb. Bordeaux. In addition to black ink, four color process is used in the first three signatures of the book. The book is Smyth sewn in 16 page signatures trimmed to 9 x 12 inches, rounded, backed, and bound on 160 point binder's board.

The custom designed cover was designed by Herff Jones artist Scott Cool and Ms. Gergely using a photo taken by Mr. Canda. It is a 2 color design featuring a full color photo on a black background. The yearbook theme and title are featured. Names are foil stamped in gold foil. The base material is white litho, laminated. Captions and body are set in Century Schoolbook set in 8 and 10 point. Headlines, subheads, and division pages are set in various type sizes. For further information, contact the CYNOSURE office at Linden High School.
