Clockwise  
ANDRES RESTREPO searches  
his locker for the correct  
pieces. Painting is part of  
piecing the school together.  
TAHEERAH ALLEN pieces  
together her typing  
assignment. RAMON, MICHIA  
and AVERY are three parts of  
the senior class.

# Piecing IT TOGETHER

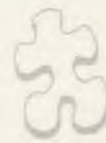

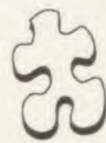

Education is a puzzle. Each new bit of information a student picks up is pieced together so that upon graduation he is prepared to face the world.

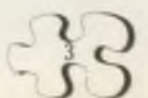

Through four high school years, seniors have been accumulating information and building, constructing a base of knowledge that will lead them into the future and eventually a new century. With this theme in mind, we proudly present the 1996 yearbook, "Piecing it Together."

SHAWN HANDWERK tries to puzzle out his English assignment. Taking a rest is an important part of MIKE CATALINE'S day. HUBERT consoles DAN over his lunch. The school building endures some piecing together. KELLY and AIMEE try a locker on for size.

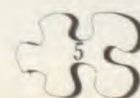

Clockwise: STEPHEN AUSTIN is ready for class, but is English ready for him? In the Cynosure room, BRYAN TOMKO strikes a pose. Is this our roof or a new playground? LUIS PRETELL takes a "time out" to smile for the camera. PHIL lifts EVA's spirits.

Clockwise from left: Stop laughing and smile pretty, NICOLE WOLF. JOSH ROBINSON whispers to his neighbor, "Are you going to finish that?" Shouldn't GUSTAVO TAPIA be studying History instead of reading a sports magazine? SIDDIQUA NURALLAH knows how hard it is to smile at 8 a.m. Hey, is this the elevator to the 4th floor swimming pool?

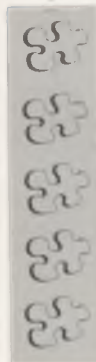

Clockwise: TAFFANY and RASUL stop together. JASON BROWN puts his pieces back together. SHANEQUA makes JACK an offer he can't refuse. Senior girls get down at the prom. JANICE LUKE gets a boost into her locker. A flash from the past, ERIN, ANTHONY, and DEMETRIOS mug for the camera.

DAN and GREG are nearly mirror images. ED and NICOLE share a smile at the prom. KRISTY, MONICA, and ANGEL take a moment to pose. While NAAJIA shows her disgust at the assignment, TONIA smiles. MIKE, LAVONTA and NAKIA show senior pride.

# *A Piece of Summertime*

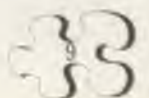

CRISTINA and MICHELLE chill on the beach. "And how was your vacation," asks LATICIA COOK. SARAH feeds ED the fruit of summertime. WILFREDO GONZALEZ has no trouble finding girls on the beach. JESSICA and AMY show their dream cars at Universal Studios. In Jamaica, CHRISTINE CROTEAU takes time to pose for a picture.

Bad girl, LAQUANDA MAYNOR, prepares to ride off into the mean streets. This group has a "pile" of fun in D.C. TAHEERAH ALLEN says, "Leave me alone, I'm on vacation!" NITA PUNDA makes her mark in North Carolina. KIJUANA TATE takes a "little snack" in Disneyworld. GREG HOL-ENCSAK almost blends in with these 2 characters. Whatever you do, KELLY GOLEMBESKI, don't look down!!

# *A NIGHT TO REMEMBER*

JENN and MARK . . . simply dazzling.  
Looking so sophisticated, good friends KALI and MIKE  
have another memory to share.  
Taking a break from the dance floor, KELLY and  
JOANNE have time for a picture.  
"Girls just wanna have fun."

BONNIE and date want it to go on forever.  
 JAMES and TANYA are crowned Prom King and Queen.  
 "Are we having fun yet?" wonder JOSH and PATTY.  
 Overwhelmed with excitement, TRACY and ED pose for a quick picture.  
 RENEE and date enjoy the last dance of the evening.  
 KELLY and MR. BLACK share a special moment.  
 Seniors showing style at the prom.  
 Before heading out for the dance floor, MELISSA and MIKE strike a pose.

Hiding their anxiety, JAMES and JENNIFER pose for a picture. Nothing can separate ANDREA and LUIS. Dancing cheek to cheek, GREG holds his date close. FRANKIE tries to show off his GQ style with date, TIFFANY. DAVE and date dance the night away.

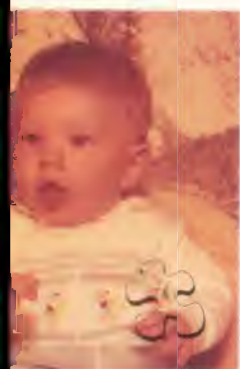

Was the food too spicy, MIKE? Another special night for MICHELLE and KEITH. Don't you think DAVE and SARAH look like an ad for a tuxedo company? TAHEERAH and date are ready for the prom. MIKE is tired from dancing but, BECKIE wants to take a picture. CHRIS and CARRIE are just another example of a cute couple at the prom. BRYAN tangoes with himself.

# FITTING THE PIECES TOGETHER

## SENIORS

Senior year is a challenge. The pieces of information that have been gathered through four years of high school must be assembled and fit together into a whole — a foundation which will lead to the future. As seniors, we know that we have met the challenges, have picked up the pieces, and we look forward to moving on and continuing to piece together our lives.

Being a senior is not all fun and games as this frustrated senior can attest.

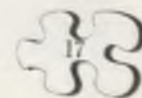

Friendship is an important piece of LUKE and DOMINICA'S life.

# *"MASTER" PIECES*

## *FACULTY/STAFF*

Where would students be without the guidance and expertise of the faculty? At LHS, the faculty function in a number of roles: counselor, educator, facilitator, confidant, nurturer, authority figure and sometimes even friend. One thing is for sure, the staff at LHS is second to none, and "piecing it together" would be much more difficult without them!

Clockwise from left:

A motto believed by LHS faculty.

Do you think the world will be better or worse 100 years from now?

Worse because the way the world is now is very bad and it doesn't seem to be getting any better. J. Mierzejewski

I feel the world would be a better place because there will be better police officers with better ways to stop crime. P. Helm

Worse because no one will care enough about the world. M. Lau-cius

I guess worse because with the way pollution is now, and with technology getting more advanced, more materials will be needed. This means more pollution will be created. R. Dipaulo

I think it would be much worse because there is a lot of violence and drug usage now. Imagine 100 years from now. E. Strother

# A PIECE OF THE ACTION

## SPORTS

Participation in sports helps students foster attitudes of teamwork and cooperation. Linden High School sports teams, perennially ranked among the best in the state, allow students to fully experience a range of emotions and challenges. Our sports teams really do bring "a piece of the action" closer to us.

The field house is the center of athletics. Senior KALIEF ALLEN looks to pass the ball. Keeping her eyes on the bar, senior AMY KOZAR readies for the next move. Pep Rallies get students ready to cheer. The Tiger football team charges to victory. The fun and excitement of wrestling.

## *Tigers Tough in '95*

The Linden High School Football Team finished the season with a respectable 6-3 record. Each game was filled with loads of excitement like the 16-10 overtime victory over Westfield, and who could forget the big 12-7 win over Union. It was Linden's first victory over Union in 9 years. Though the season had its ups and downs, the '96 Tigers will stick in the minds of our seniors.

WILSON'S usual extra point. KENNY running hard on a trap. LAVONTA BASS turns the corner and heads up field. BIG PETE striping the ball in a tight spot.

KENNY'S big dive for the Summit score. JOSH BROWN looking for the hole. MARQUIS follows his blockers on powers. BOXX evades all the tacklers.

The girls soccer team finished the 1995-96 season with a school best record of 9-8, the first time ever a girl's team had a better than .500 percentage. COACH MEHALICK was named Union County Coach of the Year. Seniors LORI BENE and JAIME KOBUS were selected All State. Lori finished her career as the all-time leader in goals and assists in LHS history. This season the team set records for the most wins, points, shutouts, fewest goals given up, and longest winning streak. Seniors will be missed, but we hope for more success from the team in the future.

This year the boys' soccer team had a new coach, by the name of Coach DelMonico. Under the guidance of their new coach the Tigers went on to defeat Summit 4 to 1 and Roselle Park 3 to 0. The boys' soccer team was led by seniors, Rich Flynn, Peter Pekosz, Marko Golubovic, Teddy Palivou, Gustavo Tapia, and Luke (Lubek) Wanca. They surely will be missed.

# TIGERS ROAR TO SUCCESS

The Linden Boys Basketball team defeated their arch-rival Elizabeth and a strong Montclair HS team to capture the North Jersey Section 2 Group IV championship. Unfortunately, the season ended when they came up against a Teaneck HS team ranked #6 in the state in the North Jersey Group IV championship game which they lost 73-55. The highlights of the season include Northeastern University bound Kalief Allen (16 ppg, 4 apg) scoring his 1000th point in a game against Plainfield. He finished his career with 1075 pts. The emergence of junior Ramon Garcia gives us something to look forward to in the future.

# "HOOPING" IT UP

The rebuilding effort continues for the Lady Tigers Basketball Team. 1995-96 was not as successful as past years have been, but the girls pulled together and won an important game to qualify for the state tournament. Under the guidance of first year girls coach Steve Yesinko they compiled a 10-11 record, winning close Watchung Conference games against tough teams from Plainfield and Cranford and out of conference games against Academic of Jersey City and North Warren. Leadership was provided by Senior Kijuana Tate (17 pts, 14 rebound average) and Tiffany Alston. The future looks bright as underclassmen were strong contributors to the team effort.

The team scored a school record, in points for the season, in a meet recording a score of 84.15. Overall, the girls had a lot of fun and they enjoyed working together as a team to reach their common goal. We look forward to seeing the underclassmen move forward next year.

This is how LAUERIN PUPOS takes care of her nails. DENNIS CONCHA works so hard that he often falls asleep.

The reason PHIL SZABO looks tired is because he's working on his eighth layout. Taking a break from typing, MICHELLE SWIDERSKI poses for the camera. TRACY PALUSCIO stops to see if the pencil has been sharpened. CRISTINA and TIFFANY stress over a layout. KIJUANA smiles for the camera while MICHIA'S attention is turned to the hot guy who just walked in.

## Million Man March

On October 16, 1995, hundreds of thousands of African-American men gathered in Washington, D.C. in reponse to the call from Louis Farrakhan, the Nation of Islam's leader. Their goal was to rally for unity in the African-American community. Before the day was done the Million Man March was the fourth largest demonstration in Washington's history.

Joe, Darnietta, and April relax by their lockers. Will with another important phone call. Patty the Pumpkin in Party City.

A Hubble Space Telescope image of the star Betelgeuse gives for the first time details of a star other than the sun and suggests that it may have dramatic physical differences from the sun. Betelgeuse, 500 light years from the earth, is the shoulder star in the constellation Orion, the Hunter. It's the seventh brightest star in the winter sky of the northern hemisphere and appears to have a reddish tint to the naked eye.

This sight was on September 28, 1995, the signing of the peace accord between Israel and the PLO that would end Israel's military occupation of West Bank cities and lay the foundation for a Palestinian state.

President Clinton presided over the ceremony which featured two hours of speeches and pageantry before an audience of diplomats, foreign ministers, cabinet secretaries and members of Congress.

& Monique Valentine

No other person can compare  
To the tender love and care you shared.

Your company everyone enjoyed  
your style and smile kept us over-joyed.

We laughed and played and enjoyed your stay;  
Whenever one was down you gave them brighter days.

You always managed to make us smile  
and, always were a friend and would walk that mile.

Whenever one was feeling blue  
You always managed to know what to do.

My thoughts of you were never like this,  
Who would have thought it would have been Shawn. **YOU ARE  
DEARLY MISSED.**

The short length of time if we could have only knew.  
Would have been dedicated to a friend like you.

So the one thing I have to say  
Is I know you are with us **EVERYDAY.**

## GOD PICKS HIS GOOD FLOWERS

God picks his good flowers is  
Something that was always told  
When someone as good as Shawn leaves us  
It makes life seem so cold

We ask the Lord why o' why  
did he takes someone so young  
when Shawn came around  
laughter and love he brung

He brung a unique type of joy  
when he walked by  
with his brown leather coat  
and the gear that was so fly

Your probably wondering why God  
would take someone like he  
But God picks his Good flowers  
no matter how crazy it may be.

We will always keep his memory  
in our mourning souls  
and we will see him again  
when we rest and our eyes fold

So don't let it tear or  
break your heart  
because God just picked his best flower  
and it is only temporary that we are apart.

## *Shawn D. Searight*

*July 29, 1979 - February 26, 1996*

I won't forget Shawn's brown leather coat and the way he'd always kiss up to teachers for extra points. Shawn was one of my good friends and I won't forget our times "ballin up and his shout outs on the radio and wildin' out coming home from school. RIP 1-Luv — Shamsid-Deen Barnes

Shock, sorrow, sadness. These words sum up my emotions upon hearing of Shawn's death. The halls of LHS will be a little dimmer without his smile, but the heavens will surely be brighter. Shawn, you will be missed. — Ms. Gergely

The thing I will miss most about Shawn is his style and the way he did things and the person he was. I will miss that the most.  
— LaRon Williams

I remember playing basketball. We were friends off the court, enemies on the court. One time I went up for a rebound and Shawn was trying so hard against me that he smacked my arms, hands, and everything else he could lay his hands on. He knocked me out cold! It hurt, but it was all good! 1-Luv — Kevin O'Neal

## A FRIEND MISSED

Your beautiful smile, your thoughtful ways  
brightened up the grayest of days.

You were a gentlemen, always kind.

Your untimely demise left grieving friends behind.

We think of you all good memories not bad.

On a day like this you would have wanted us  
to be happy not sad.

A friend who will forever be missed.

A friend like you no one will ever forget.

God took you home to a place of beauty and wealth,  
and he restored your everlasting health.

*The Lord is my shepherd I shall not want. He maketh me to lie down in green pastures, He leadeth me beside the still waters. He restoreth my soul. He leadeth me in the path of righteousness for His name's sake. Yeh though I walk through the valley of the shadow of death, I fear no evil, for Thou art with me, Thy rod and Thy staff they comfort me. Thou preparist a table before me in the presence of mine enemies Thou anointest my head with oil; my cup runneth over. Surely goodness and mercy shall follow me all the days of my life, and I will dwell in the house of the Lord forever.*

The Whispers of Your Love

Where have you gone into the morning of your skies;  
Where have you gone into the vision of my eyes?  
Changing form so endlessly,  
Into the hands of His mystery.  
I hear the whispers of your love.

In my heart I feel you've been away so long;  
And these thoughts I feel, I know are so wrong.  
I'd like to think of you like you were yesterday;  
But in His love, forever, I know you will stay.  
I hear the whispers of your love.

Through misty cobwebs I hear the caring of your soul,  
And with God's guidance, this caring makes me whole.  
So much you've left me with in each and every way,  
And I will carry this with me each and everyday.  
I hear the whispers of your love.

Your beauty's shadow on the staircase of my mind,  
Your gentle silhouette's so very much like mine.  
Someday I'll join you in the valley of your time,  
And there we'll live again with mourning left behind;  
And share the whispers of your love.

Morris Leone

Don't be frightened  
by death; there's nothing in it,  
Nothing to be sad, ashamed about.  
It's all a misunderstanding:  
This whole thing; Life  
There's no planning,  
Least of all in conception.  
You've won the war  
And will again.

Love,  
Mom, Dad, & Sean

Richie,

We waited a long time for your arrival! We have watched you grow, laughed with you, at you & at times cried with you & for you. But some things always remain constant & that is our pride in you & most of all our love for you! Richie, you have made us proud of your honesty, compassion & the unselfishness you show. May God shine down on you always & keep you safe & remember always you are loved.

Mom, Dad, Ryan, Rusty

Cristina Linarducci

To Our Daughter —

Congratulations! We are proud of you. We pray that God will be near you always and that He guides you in all you do.

All Our Love —  
Mom, Dad, Lora and Lorenzo

Greg —

You've completed 13 years of formal education in the Linden School System (it seemed like 20 to us), and we're very happy that you're a member of the Class of 1996. From tee-ball through skateboarding to your recent prowess as a golfer, your determination has always made us proud. While you don't flaunt it, you have grown into a thoughtful, caring and family-oriented young man. It just went by much too fast! We wish you continued success (?) with your driving (both on and off the golf course). Just remember this lesson in life — FAIRWAY AND GREENS.

Love — Mom, Dad, Kristin and Stacy

Dear Jessie,

Yippee, Hooray, Whoopie, Thank God! You did it, you came through with flying colors. I always knew you would; I just wasn't sure if I would. Jess, don't ever give up on your dreams.

Remember Rudy  
I love you. — Mom
