[“What No One Sees”

What no one sees is the real Linden High...

What no one sees is the great student teacher relationships as you pass by...

What no one sees is the will and determination...

What no one sees is the kindness and motivation...

What no one sees are the tests we ace...

What no one sees is how we learn from our mistakes...

What no one sees is how we've become young adults...

What no one sees is the effect of the words Mr. Black spoke...

What no one sees is how quickly the year is through...

What no one sees is how we'll truly miss this school...

Congratulations to the Graduating Class of 2005...

Let the world **see** us shine.

-Crystal Molyneaux

Tremendous Turnaround

The football team has come a long way from the tough season of last year to the tremendous turnaround of this season. With a season of 7-4 and making it to the second round of playoffs, their determination and dedication was evident

from day one. Captain Jimmy Moreno says "I'm proud of the team and I'm going to miss playing with these guys." Head Coach Bucky McDonald adds, "This was our turn around year, hopefully next year will be even better."

Team Captain Dolh Joseph charges down the field.

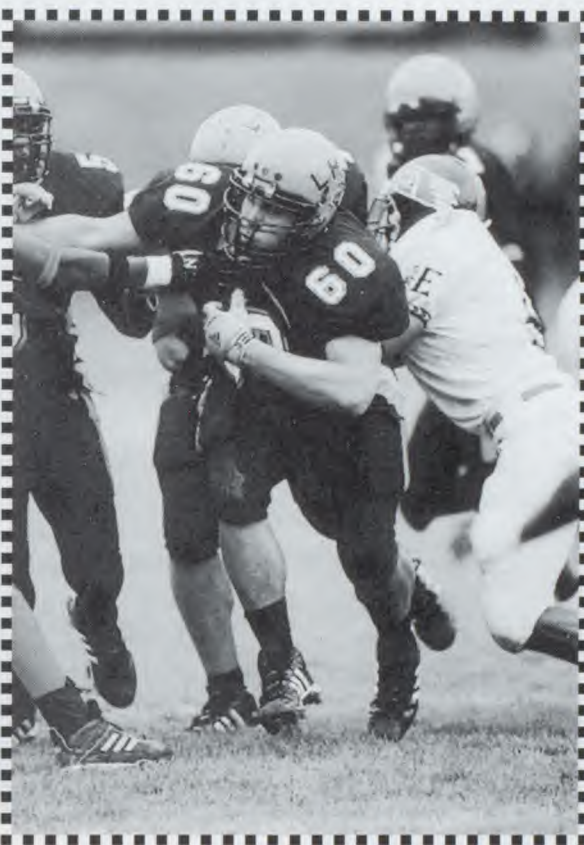

The team rushes the field together, ready for a Tiger victory.

Park and North Brunswick Competitions, placed fourth out of sixty-four bands at the All-States Competition at Giants Stadium. The

Drumline won best percussion at the New Jersey State Championship Competition.

Starting off this year's show senior Patrick Gargano sets the tone for the performance.

Strolling down the field, band lieutenant Ashely Casimir blows away the competition playing her Paliacci solo.

Performing down the center of the field, band front lieutenant Karen Mistanick aces her solo routine.

After the opening number senior Dan Lima locks into the Drum Major.

Towards the end of the show, band captian Mike Clark, band lieutenant Marcin Sliwa and Donald Roberson save their chops to leave an neverending impression on the crowd.

Showing her grace and passion to perform, senior Anna Talaga greatly contributes to the Marching band's success.

Kickin' It Up a Notch!

The Linden Girl's Varsity Soccer team enjoyed a wonderful 2004-2005 season. It

was a young but spirited team that never stopped from playing their hardest. The finished with a

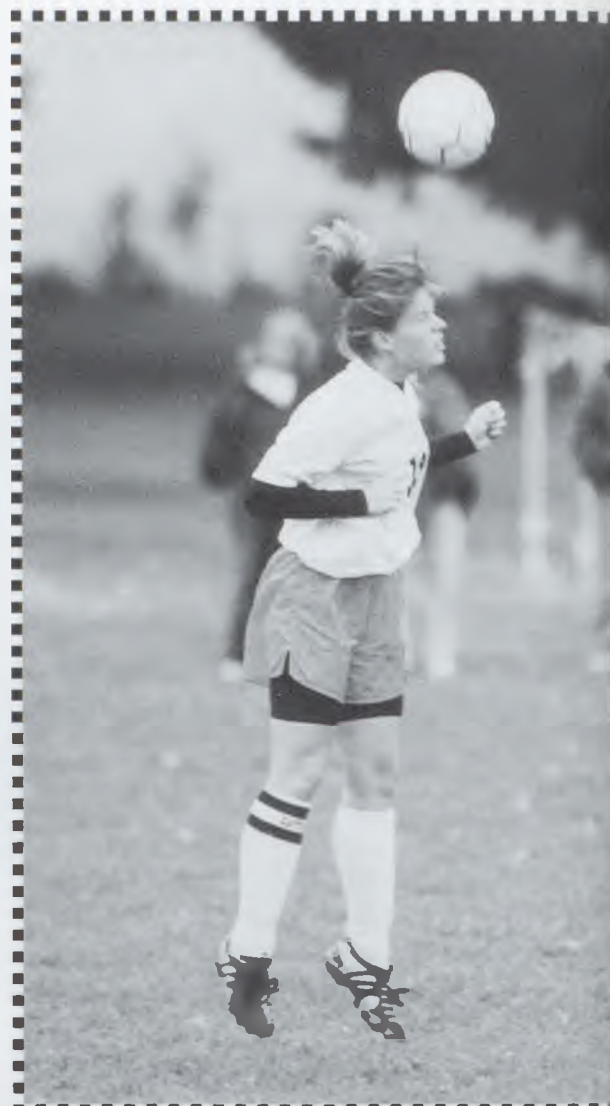

respectable record and are looking forward to another challenging season.

Captains Melanie Sura, Ann Mularz and Elena Sarica smile for the camera.

Linden Makes History

This year's boy's soccer team more than impressive. They have left a lasting mark on school history. With a record of 15 wins, 4 losses and 1 tie, they become the State Sectional Champions as well as Wachung Conference Champions. Seniors Awel Mohammed and Norbert Sieczkowski were named to first team All-County. Mohammed also received the honor of "Player of the Year" from the Star Ledger.

Senior forward Awel Mohommed gets ready to put a move on yet another unlucky defender.

Megan, You have brought us so much love and joy...

As a baby... a little girl... a young lady... you've made our lives complete and now as a young woman going off to college, all we want to say is... **DON'T GO! WE'LL MISS YOU!** But we know that you must. One of the most difficult things a parent has to do is to let their child go, to become the adult that we hope you would be. To follow a dream for a future that has no limits. Although this is difficult you make it easier because of all your accomplishments, talents and independence. You raise the bar in all that you do. Your love of life and determination are what drive you. You have what it takes to make your future a success.

We are so proud of you. You truly amaze us!

We Love you!

LOVE,

YOUR FAMILY

Mom,

It seems like yesterday I was just a little girl. You took me by the hand and walked me to success. Mom, you gave me guidance in every situation and every circumstance. You gave me more guidance and instruction than sympathy. You taught me to never be ashamed of who I am or my mistakes. You taught me to think for myself, even when those ideas might be wrong. Mom, you made me beautiful inside and out, and for that I thank you. I love you mom!
