BUILDING ON *Tradition*

We finally did it! We came into high school as adolescents and for the most part, we're leaving as adults. Thinking that high school would be the best time of our lives, we've come to realize that while our time here was a blast, it was just another step in our lives after middle school. We've gone through so many changes and learned so much from our experiences in the past four years. We've conquered everything from becoming friends with the people we swore we'd be enemies with forever, to begging for passes and making excuses. Who could forget crossing to the academy in all types of crazy weather, and scrambling to finish last minute homework? We'll never forget the hugs, the tears, and bonding with teachers. We never realized that we were not only taking part in a tradition, but we were also....**BUILDING ON TRADITION.**

CONSTRUCTION

*A look back on
Linden High's many faces*

Though many may not know, the first high school classes in Linden were held at what is now School #1. There were only two classes at this building, which burned to the ground on December 07, 1909. The current high school was first built in 1925 where classes are still held today. Due to the rising population of Linden, additions to the school took place in 1932 and 1961. Then, in 1971, the Academy of Science and Technology was built across the street from Linden High School. In the summer of 2004, trailers were added to the back of the school to help alleviate crowding. And finally, during the summer of 2005 construction on the Academy of Science and Technology began. Twelve classes will be added to the Academy in the 2006-2007 school year. The Edward Cooper field was originally constructed to host football, and track and field. In 2005 construction began on the new sports complex, where an astorturf football/soccer field was added, along with a new track. Construction: yet another way Linden High School continues to build on tradition.

DING ON TRADITION

Seniors

To describe this year's senior class you need only one word-**UNIQUE**.

Walking down the third floor tunnel on any given day, you might even see football players trying to dance. The class of 2006 is an energetic, positive, spirited bunch. This is a class not soon to be forgotten. And it is a class that will not soon forget its four very special years in the halls and classrooms of Linden High School. They have traditions all their own, but those traditions are built on the strong tradition of Linden itself, a city where pride truly is "city wide".

Danny with his hands full on the dance floor - and loving it!

Jessica helps Rooks look good.

Carla and Booda-man make their grand entrance.

A lovely Tiffany Williams and Kyle Little get ready to tear up the dance floor.

Who looks prettier in pink? Allen or Marie?

JUNIOR PROM

MAY 13, 2005

Prom King and Queen Shane & Zakiyya dance to "Cupid" - the prom theme.

Three of Linden's most handsome... Mike, Ray, & Everest.

Donna and Crystal light up the night.

David & date capture a moment in time.

Paola & Oneil. aren't they the cutest couple in the world?

Phylicia's ready to go!

HOMECOMING

October 28, 2005
COOPER FIELD

The Homecoming court is anxious as they await the results.

Shanai tries to hide her butterflies as Shane calmly waits to see who's 3rd runner up.

Al-Asr and Priscilla, decked out in their finest, enjoying the night.

The fans in the stands cheer for their favorite Homecoming finalists.

What a great looking group!

The cheerleaders wind down while the Homecoming results are announced.

Laron and Mia nervously smile as the runners up are announced

Margie and O'Neal look to the left at their competition.

A proud Linden resident places a crown and sash on Ray as he wins the title of Homecoming King. As the football captain and a member of Peer Leadership he has won a well deserved title.

Carla is all smiles as mayor John T. Gregorio places the crown on her head. As an athlete and member of NHS, she is an intelligent person who has the charisma to be a true Queen!

School spirited people are very important here at LHS. Linden needs people who can represent the high school in a positive way. Shanai' Henderson is a prime candidate. MOST DRAMATIC STUDENT

You would think that this student would be found in the auditorium working on LHS's next production, but nay, our subject is found lurking in the halls. Natalie Lopez, one who wears her heart on her sleeve, has taken this honor. The word dramatic has many meanings, like thrilling, theatrical, or over-emotional. We like to think that she has a very crazy and animated personality.

In a scientific point of view, hair is simply a composition of lifeless cells. To the average teen, hair is a statement that expresses individuality. Brett Banks and Kelly Sura both have great locks. MOST LIKELY TO BE A HALLWALKER AT LHS

What exactly does a hallwalker do? It's just a subtle term for security guard. They make sure that all the students are where they are supposed to be, and help take care of disciplinary problems. If you can imagine Ray Wegrzynek as the next hallwalker at LHS say "I". Yeah, that's what we thought. Who knows, maybe he'll leave his job as an NFL center to take over when Vito retires.

LDING ON TRADITION

What would a school be without its teachers, principals, guidance counselors, secretaries, custodians, and cafeteria workers? Face it, it would probably be a place full of unruly, noisy students and not too much learning. As much as the students "make the school", the students would have no direction if it weren't for the faculty and staff. Like it or not, we need each other. At LHS, we have a long tradition of excellent faculty. This eclectic group includes former military personnel, musicians, poets, business people, and lawyers. As the baby boomer generation begins to retire, more and more young people are coming to LHS for a chance to work with the youth of this city. It is these new faculty members that will **BUILD ON THE TRADITIONS** of the colorful, dedicated groups that came before them.

Administration

BUILDING ON TRADITION

Miss Lida M. Ebbert

In a letter to the school in the 1960 yearbook, our first principal Lida M. Ebbert said:

"I have always been proud of the traditions that we built. Our school spirit was remarkable. Our assemblies were the best because our students used their talents, and people from the outside gave us unusual programs of world affairs, music, art, and drama...Linden High School was (also) a pioneer in the formation of new courses in the curricula. This was done so that the courses would be adapted best to students' future needs. This would not have been possible without the work of an intelligent and devoted faculty...It is my wish and hope that our students will continue to be outstanding in their homes, in the colleges, in their communities, and in the nation."

In response to Ms. Ebbert's letter

*"While times have changed the school building, the faculty, and the students, Linden High is still an innovative school. We continue to **BUILD** new programs and support those that are **TRADITIONALLY** successful. Whether it is ROTC, the International Baccalaureate Program, or Learn & Serve, LHS is still a place where curriculum and programs "are adapted best to students' needs." Our students continue to succeed and become productive members of society. I believe Ms. Ebbert would be proud of Linden High School as it is today and thank her for her many years of service to this school. "*

Over the course of 35 years I have seen many changes in the students-styles of clothing, hair, and music. As a business teacher one of the biggest changes has been computer technology. BUILDING ON TRADITION

Over the long history of Linden High School, athletics has formed an integral part of our school. However, it is the year to year dedication of the athletes and coaches that truly makes our teams successful. From the Homecoming football game to the sold out rivalry basketball games and record breaking track meets-certain sporting events are the must-see events of the season. Our athletes are excellent representatives of how our school continues to

FOOTBALL

Only the Strong Survive
Boasting a 6-4 season, this impressive team went to the state playoffs for a second year in a row. Other highlights came when the Linden beat Scotch Plains-Fanwood for the first time in 13 years. The Tigers also captured the trophy in the 13th annual Mayor's Game against Union.

MARCHING BAND *To the Beat of Their Own Drum*

This year the LHS Marching Band completed yet another successful season. The band finished 3rd in the United States Scholastic Band Association 2 Open state championships in Union, NJ. They also ended the season an impressive fourth place out of forty bands from the east coast in the USSBA All States Championships at Giants Stadium. In addition, the band had three first place finishes during the season. Conducting the band was drum major Melinda Pinto assisted by captains Carly Bellerio, Nicole Scott, and John Spano.

Kenny Mirabelli keeps the rhythm for the band. Donald Roberson takes his last march as a senior. Kristen Shubeck follows Melinda's count.

GIRL'S SOCCER *Reaching our Goals*

The Lady Tigers, under a new coaching staff, and with many new players, had to work extra hard to prove themselves this season. The girls had to learn to work together as a team, and had tons of fun in the process. They have high hopes for next year and know they will continue to be successful.

On March 22nd, the Tigers played in the finals of the state Tournament of Champions at Continental Airlines Arena. Their other credits include the titles of Watchung Conference Champions and Group IV State Champions. They were a close knit team on and off the court which contributed to their success. WRESTLING *Takedown Street*

Token senior Travis Tooté had an important job this year supporting and challenging his young teammates. With new coaches Kirtz and LHS alumni Fernandez, the Tiger wrestlers had to start from scratch. As Junior Todd Robles and Walif Smith confess "it was a tough season, but we definately made improvements before it ended." Good luck next year!

WINTER TRACK *Racing to the Finish*

Under the Senior leadership of Joe Roman, Jerrod Starling, Rooks Crawford, Marvin Roseus, and Ricky Ciprian, the winter track boys had a great deal of success. The shuttle hurdle team took third in the county and the 4x4 relay took fourth in the county. Breakout seasons were had by Travis Allen, David Laboy and Rooks Crawford. The ladies enjoyed their fair share of victory as well. The girl's winter track team had success with talent of all ages. The shuttle hurdle relay team placed 3rd in the county while the 4x4 placed fourth. The distance team and shotputters also scored points for Linden in the County Relays, making this season a significant one.

SWIMMING *Fluid Motion* This year was a big year for Linden swimming. There was a huge turn out this year compared to others. The team was hardworking and placed 10th in the counties thanks to Britney Cole's efforts. They will truly miss their senior leaders: Paul Talaga, Alison Baxter, Samantha Trujillo, and Kelly Sura. With a large underclass group returning, the next few years should be very exciting for Linden Swimming.

BOWLING Set 'em up and knock 'em down!

After a hugely successful season in 2005, this year's young bowling team had tremendous shoes to fill. However, they rose to the occasion and progressed throughout the season. Their high note was certainly qualifying for the state tournament. Senior Stephanie Starling leaves behind a young and ambitious team.

CHEERLEADING *Clap it up!*

What a year to cheer! Between following the football team to the states and the basketball team all the way to the final game of the Tournament of champions at Continental Airlines arena, the girls had the opportunity to lead their fans and their team on a wild ride. At each new level, the team raised the bar attempting more difficult stunts and improving dances. Nice work ladies.

GIRL'S SPRING TRACK *Runnin' Wild*

The spring track season was quite successful for the girls of Linden High. With a team full of strong underclass athletes, the Tigers were successful at the county and regional levels. Ashley Judah was the Union County JV Champion for the 400m hurdles. Nayyirrah Sims was also a JV champion taking 3rd place in the 100m dash. The following few seasons should prove even more successful for the ladies.

BUT

BUILDING ON TRADITION

Every year it seems, a few new clubs pop up at LHS. There are countless opportunities available to students who are looking for a way to get involved in a worthwhile activity. There is so much to take advantage of. And the students who recognize this and join Minorities in Engineering, or try out for our very successful Mock Trial team, or volunteer with the nationally recognized Learn and Serve Program, know all too well what these clubs can teach them about life inside and outside of Linden High. They are part of a legacy dating back decades. These clubs, the old and the new, are helping LHS to

BUILD ON TRADITION.

Creating a 200 page book is no small task. Fitting seventeen large personalities into the Yearbook room isn't either. But the 2006 Cynosure was a success because of the spirit and dedication of this rather LOUD group of students. I would personally like to thanks each of you for what you contributed. No matter how trivial, each small effort helped us to create a book that is hopefully a true representation of this school. I am proud of what we've done together!

Once we had a dream
the two of us did share,
To raise a loving family
with tender loving care.

God blessed us with our dream
And when the day was done
Our first wish was in motion
we had baby son.

But our lives were incomplete
something was just not there
We needed something sweet
something beautiful and fair.

So we kept on wishing
and when the day was through
God gave us the miracle we needed
that miracle was you.

You have blessed us through the years
with memories to call your own.
And now as years have gone by
we can't believe how fast you've grown.

So now you're off to college
to give your life a whirl.
But always, always remember
You're still and always will be
our beautiful baby girl!

Love Always,
Mom and Dad

I am what I am because of the people around me. My family and friends are a big part of me. Each one of them are the true definition of love. They make me who I am and make me want to be a better person.

Thank you:

Mommy, for being the strong, beautiful, independant, woman that you are. For putting up with me when i was difficult or aggrivating. When i got in your nerves and didnt clean my room.

Thank you I love you. You're Perfect.

Daddy, for wanting me to have everything you never had and everything the world has to offer. For making me not yearn to be like you but wanting me to be better. **Karen**, for being the best godmother I could have and spoiling me since birth. You had me in huggies and jordans. Thank you for everything. **Dennis** for being around for all these years, all the great gifts, and giving me Ali. **Romyna**, words don't even explain all the things you've done for me. You're so dedicated, loving, and supporting and you always treated me like I was your own. You gave me liberties no one else did but you always put me in my place when I gotta outta hand. Thank you for everything. Especially them two rugrats and the little one on the way.

Someone once said "You can pick your friends but you can't p ick your family."

I've picked the best friends anyone could have. The best!

My Boys: Junie, my bestfriend. We complete opposites but at the end of the day you definitley are my brother from another mother. I love you. **Breyon**, my confidante. You know more than you show. I hope you know I always got your back because I know you always got mine. Though we haven't seen much of eachother lately I know you're always a phone call away, even if it is 4AM. You're one of the realest and smartest people I know. My brother, my bestfriend. I never once had an argument with you. Thank you for everything. I love you. **Shane**, my bestfriend, my boy thank you for everything, my boy. Over the past year we got mad cool. You're like family.

My Girls: Felicia. My Fish, my Leesh, you're so beautiful and you're so mature. You always know just what to say. You're like my Kenya. You're so special and I love you. **Jasmin**, we're so close and some people don't understand that. It'll always be that connection that we have. I love you. **Crystal**, you are So Amazin' and even more beautiful. I hope you follow your dreams and make a lot of money. One day kids are going to be coming up to you in NY asking for autographs. Do camera phones babe. I love you. **Janaya**, my Foofy, its something so wrong with you but its so right. You're so giving and caring and I love you for everything that you are. It doesn't matter who dislikes you because there's a million more people who love you. **Cristina**, I don't even know what to say but we got a lot of years in the can. That's forever in the making. **Jasmin**, you're my lungs, I couldn't function without you, and that's the truth. More than my god-sister, more than my friend. You're so beautiful and intelligent. You know me more than I know myself. I love you. I love all of y'all so much and I don't know what I would do without y'all. A day wouldn't be a day without the sun and I wouldn't be me without every single one of you. You all are so important to me and blood couldn't make us any closer.

We fight hard but we love harder. Yall are my brothers and my sisters. I can't say it enough,

Thank you. I love you.

Along the way I lost a lot of important people in my life and I just want to say thank you and rest in peace to:

My grandmother, Phyllis Simmons, my angel, my everything, life would be so much easier if you were here but, whoever said life was easy? **Walter Simmons** my grandfather RIP. My grandfather **Frank**, I miss you so much. I lost you at a young age but I remember everything about you. I love and miss you. **Uncle Donald**, I miss you so much. I remember how you used to do anything for anyone. So giving and so funny. **Nakweon**, my cousin. I know it sounds crazy but I still don't believe you're not here anymore and I'm still expecting to see you walk into Aunt Vickie's house. You were the older brother I never had and I miss you. And lastly, my house on Monroe.

To the graduating class of 2006, we're out and on to bigger things.
This is the end of the beginning.

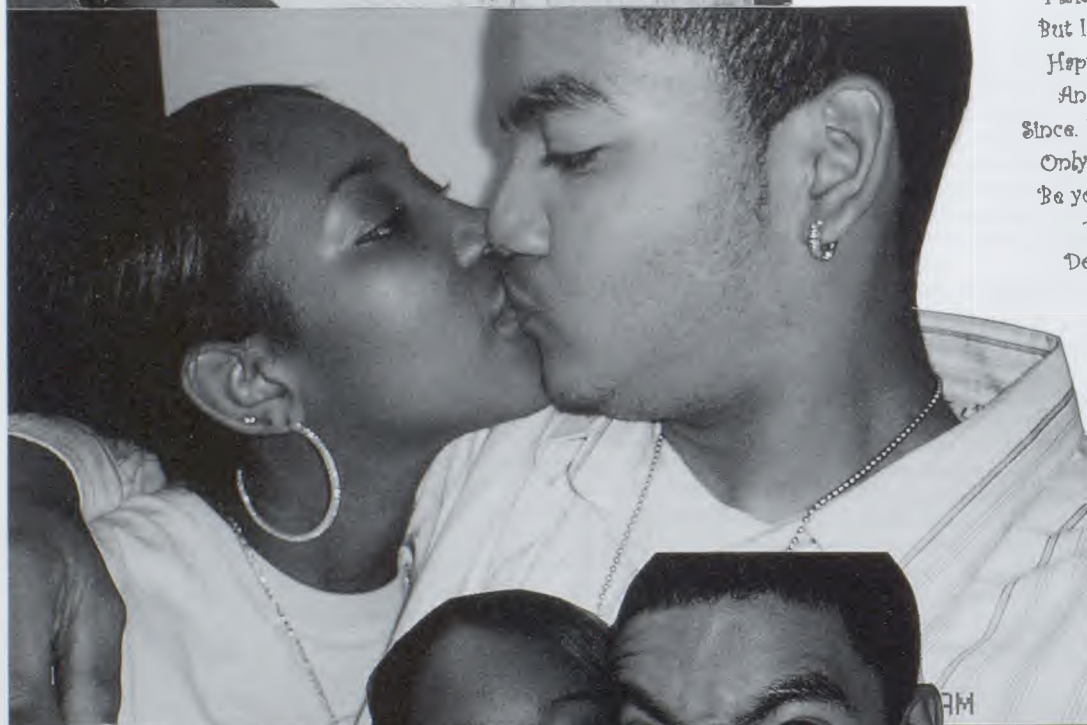

To my true love
 God obviously placed
 You here for us to be together
 Because we fit like puzzle pieces
 I want you to know that no matter
 What I'll always be there for you
 And no matter what time day, or
 Night and all four seasons you can
 Always call on me. Celebrate your new
 Life out of high school and on your own.
 Live your life to the fullest and have fun, until
 Death do us part. Love always Ys.
 Love you Luis.

Luis

&

Yas

Baby I knew since the first time
 I laid eyes on you that you were special.
 But I thought to myself nothing will ever
 Happen between us, then I gave it a try
 And it's been a Disney love story ever
 Since. I never regret any time spent with you
 Only time spent away from you. I want to
 Be your partner in life and be by your side
 Through our up's and downs until
 Death do us part. I love you Yasmeen.
 Love Luis.

DIVA

The Italian definition of diva is goddess.
The Latin definition of diva is divine one.
The Wimbush definition of diva is Janaya.

A beautiful young woman of rare,
outstanding talent in touch with the spring of
her own creativity. That draws power from
the earth and sky. A being who flaunts her
talent with confidence, love, and grace.

Congratulations Allen!

My "Boo"
