Anthony,

Seems like only yesterday you were running up the steps of Busy Bee. You have done so many wonderful things since preschool at School #8 and grade school at School #10. Before we knew it you were in McManus and then on to Linden High School. Now, in a blink, you're off to Rutgers. We have always been so proud of you and your accomplishments. We wish you much luck and happiness in college and all your future goals. We know you can accomplish anything you set out to do in life.

Always remember that we love you very much and will always be there for you.

Congratulations and all our love,

Pearl & Bawiff

Alex, Anastasia, Archie & Cherry

No one could ever know
me-No one could ever see
me. Seems you're the only
one who knows, what it's
like to be me. Someone to
face the day with-Make it
through all the rest with.
Someone I'll always laugh
with-Even at my worst I'm
best with you <3

In my friend, I find a second self.

To Nya:

My road is ending and the time has come for you to start
 Your journey is coming and although I hold your hand, here is where we must part
 I raised you on love the best I could
 Morals, trust, and truth as any parent should
 Let YOUR voice be heard, say it loud and strong
 Remember what I told you, "Remember your heritage."
 Take your stand and show them where YOU belong
 Never scared of adversity, challenge, or the tribulations of life
 God said there is triumph at the end of pain, suffering, and strife
 You are my first and my memories of your years I will hold sacred and dear
 Walk now on your own journey with pride and determination - NO FEAR
 I will always be here to hold, guide, listen and talk
 But now is YOUR TIME, this is YOUR WALK!
 "Life is hard and then you die" was what my grandmother used to say
 But you will have me always - I'm just a phone call away!

- "Mommy"

Dear Nya,

We wish you the best. We expect you to work hard and to believe in yourself, because you have shown that you can do it.

Love you,

Papa Smurf

It seems like only yesterday when you were born
On a hot day in August on a Monday morn.

You hardly slept, you were always awake
Afraid you'd miss something in which to partake.

Your eyes were so wide, alert, and bright
You were, without question, our hearts' delight.

We watched you grow from baby to tot
With joys immeasurable, now that's a lot

~ Michelle ~

Congratulations Class of 2008

From tot to teen and everything in-between
How much our lives were changed for the better
We could not have foreseen

Your music, your dance, your laughter and smiles
Will carry you through life for miles and miles

For all that you've done and for all that you are
We couldn't be more proud of our shining star

So be true to yourself, follow your dreams
And wherever you go, whatever you do
Always remember we will be there for you

All our love,
Mom and Dad

Nicholas William Congratulations

To Nick (my papa),

Since the day you were born, you've had a profound impact on our lives and family– in so many ways. For your mom, you've been the beautiful son and “good boy” she always hoped for. As for me, it's only natural, as a dad, to wish for a son and God did wonderful when he brought you to us...(me:)). You've always made me proud from the time when you were just a baby of a few months and was able to lift your head and half your body, when most babies that age could barely move... or when you were about 6 years old and would out do the other kids your age (and some even older...)in push-ups or pull ups....(remember your 6 pack at 6 years old) We loved how you always enjoyed your home time with us and doing stuff with us and your sister like Jurassic park, Horsey and hide + seek..... and all the silly moments. I enjoyed teaching you to play sports like baseball, basketball, football and riding bike with you and your sister. I love how you worked so hard to learn to do everything with me. Even during those transition years when you got “chunky”, you still loved doing things with us, and we love you so much for that. Its hard to put into words how much we love you and how proud we are of you.... In 17 years, we've experienced and seen you grow up to be a handsome, thoughtful and respectful young man that we always hoped for. You are well on your way to adulthood and you mom and I believe and pray for you (and your sister) for all the best in life. We've guided you and showed you, as best as we could, the good/bad, right and wrongs of the world. We know it in our hearts you will be successful in whatever path you choose or life takes you... and we'll always be there to support you. We've always said your sister has my heart and you will always have my soul (and vice-versa for your mom) We love you dearly all the way to “ Papa Dios”

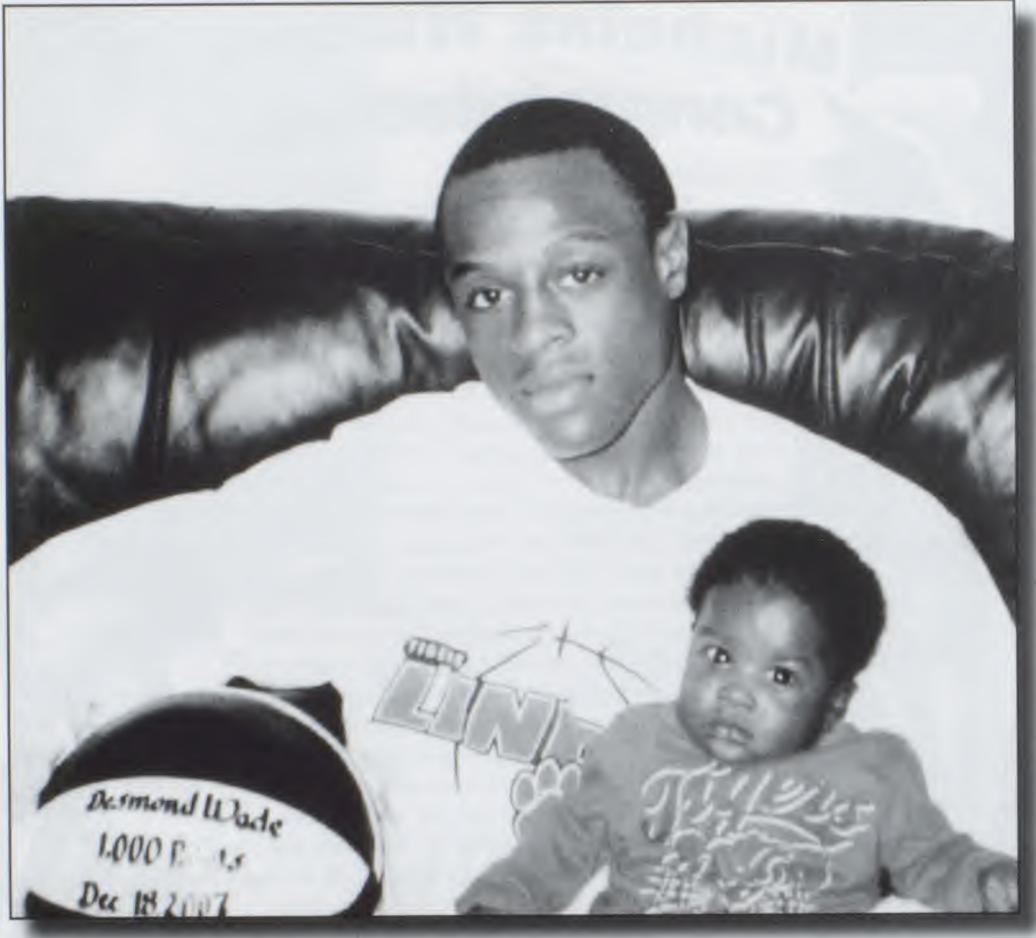

Love you always,
Mom & Dad

**It's great to have a best friend
when you're younger.
But to have the same friend all
through your childhood is a gift.**

**Whenever you need me, just look
right "across the street"
and I'll be there!**

Friends till the end.

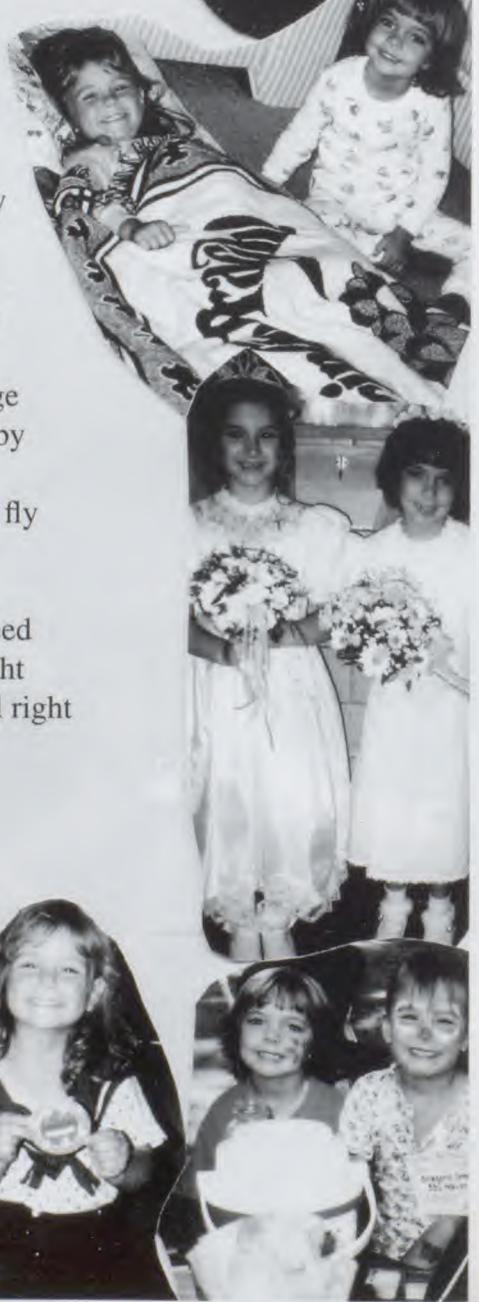

Friends

by Elton John & Bernie Taupin

I hope the day will be a lighter highway
For friends are found on every road
Can you ever think of any better way
For the lost and weary travellers to go

It seems to me a crime that we should age
These fragile times should never slip us by
A time you never can or shall erase
As friends together watch their childhood fly

Making friends for the world to see
Let the people know you got what you need
With a friend at hand you will see the light
If your friends are there then everything's all right
