# FALL

## Fall is Here

by Courtney Melchionna

Summer is gone  
And fall is here  
Back to school  
For another year

The trees are nearly empty  
Yellow, red, and brown  
The leaves are all descending  
Falling over our town

The wind is now blowing  
The air is growing cold  
Seeing all my friends again  
As the year begins to unfold

Fall has now appeared  
And summer is all done  
Its going to be a great year  
So lets all have some fun

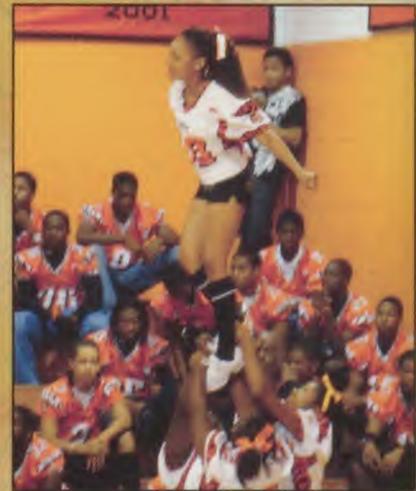

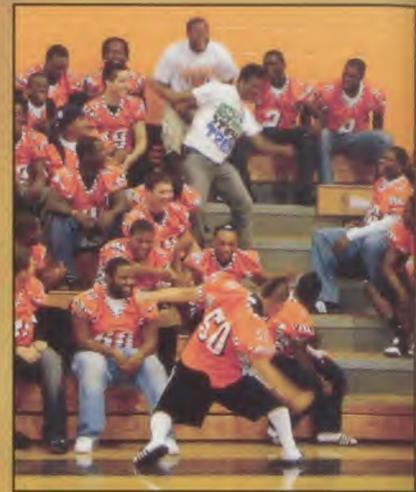

Linden, NJ (September 14, 2008) - Three suspects were apprehended for attempting to deface the front lawn of Linden High School. Briana Hamlette, Krystal Hawthorne, and Phillip Hay, all 17 years-old, were picked up after a brief chase. Other accomplices were rumored, but none were caught. The group of miscreants were attempting to spray "Class of 2009" on the lawn as part of a senior prank. The three spent long hours in back of a cop car before being taken downtown. They were released later that night.

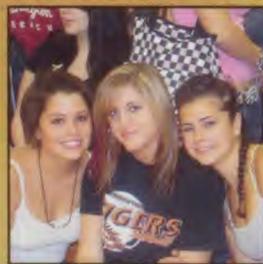

# PEP RALLY!

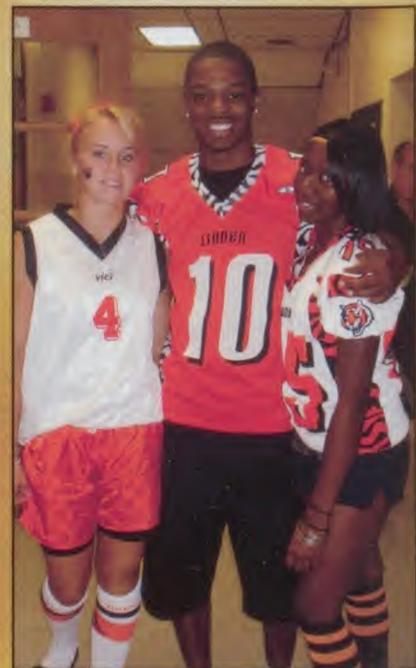

I think what made the Pep Rally really bangin' was that it was like a big party everyone was invited to. Between Cliff dancing and everyone getting hyped up it was really dope.

**Krystal Hawthorne**  
Class of '09

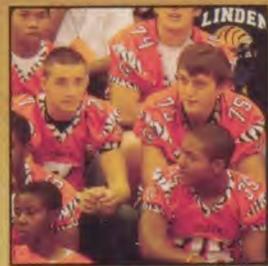

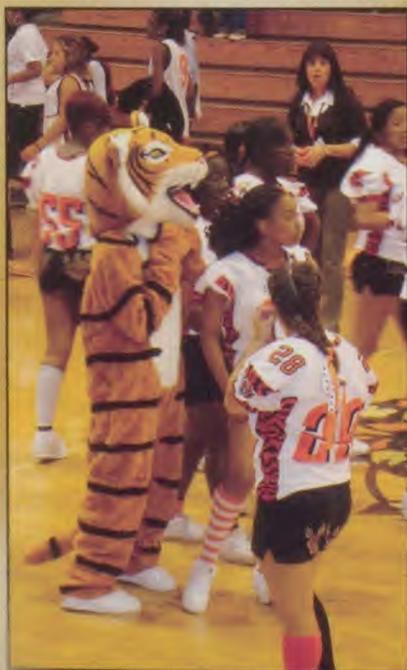

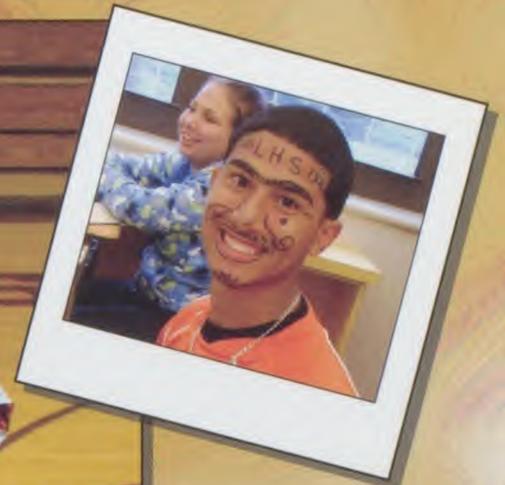

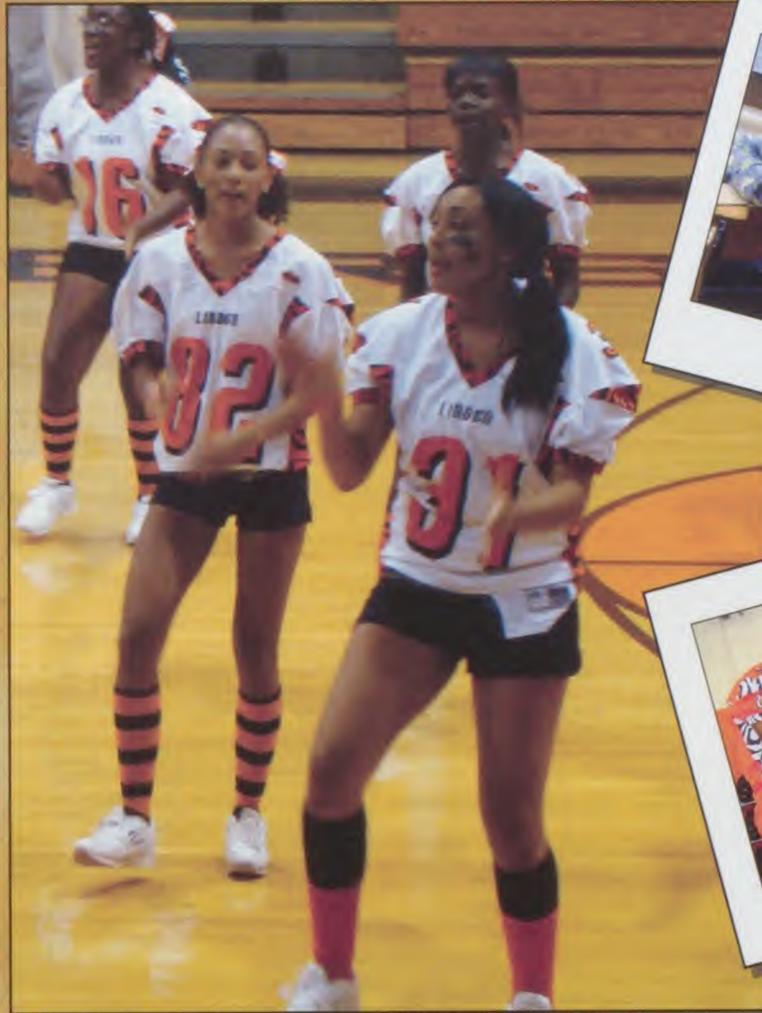

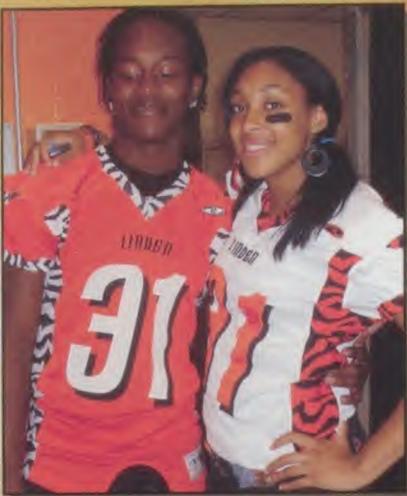

The pep rally was real live. I was hype in the stands and I don't even play a fall sport. The atmosphere was crazzzzy!

# September 12, 2008

It was a fun experience that started the fall sports season off with a bang! Not only did the players get their shine but the whole crowd was pumped for what was yet to come.

**Sara Restrepo**  
Class of 2009

I think the pep rally was a success, especially since it was the first one in a really long time. It was alot of fun and as a sophomore it will be something I won't forget.

**Elias Christodoulou**

I ripped off my pants, button by button and watched them fly into the spectators. As I approached the field, my heart was beating harder than drums. When I started running, everyone was screaming their lungs out. I ran across the middle of the field, graceful and cheetah-like. I felt so free. The principal and the mayor were shocked. I hopped the largest fence on Earth and ran to Pathmark to meet with my posse. We had a celebration party and the rest is history.

# WINTER

## Winter in Our Town

By: Courtney Melchionna

Snowflakes are falling  
Down to the ground  
Leaving a white cover  
All over our town

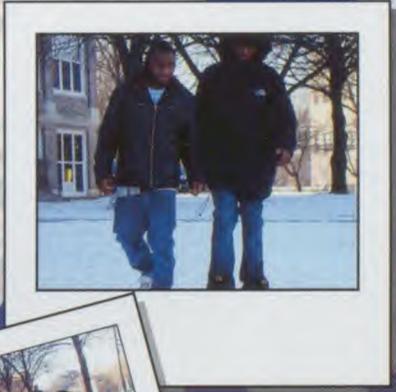

The trees are now bare  
The air has grown cold  
It's so warm inside  
With a loved one to hold

Kids are outside playing  
I can hear all the joy  
I couldn't believe my eyes  
When I saw a snowball hit a boy

I grabbed my cup of cocoa  
I took my blanket and sat down  
It's here once more I thought  
That's why I love winter in our town

# YEARBOOK

## YBC 4 & 10

# CLUBS

THIS YEARBOOK IS THE FIRST TO BE ALL COLOR IN THE HISTORY OF LINDEN HIGH SCHOOL. IT IS ALSO THE FIRST TO PUT PICTURES OF THE STUDENTS ON THE COVER, SELL T-SHIRTS WITH THE COVER LOGO, AND TO PRESENT THE YEAR CHRONOLOGICALLY. I WOULD LIKE TO THANK A FEW OF THE MEMBERS OF THE YEARBOOK CLUB FOR DOING SUCH AN EXCELLENT JOB. THE REST OF YOU WERE QUITE USELESS. I WILL NEVER FORGET ANY OF YOU., NO MATTER HOW HARD I TRY. AND BELIEVE ME, I WILL TRY.

— COLLI

# SPRING

## Spring is in the Air

By: Courtney Melchionna

*The sun is now shining  
The sky is full of blue  
I feel like school just started  
But the year is almost through*

*Now on all the trees  
The leaves are full green  
The time had come for us  
To reflect on what we've seen*

*We have to say good bye  
Graduation is almost here  
Off to bigger and better things  
After the final graduation cheer*

*We made memories that will never fade  
And friendships that will last forever  
I will never forget LHS  
We all did it together!*

## Nico Carlucci & Gabrielle Basulto

Ever since we were little we were inseparable. I know we could count on each other for anything and everything. Even though we are cousins, we have that brother/ sister bond. We are best friends. Next year is going to be different going our own ways in college. We will miss each other! Cousins forever.
