New Pool Opens; Original One Still Has Heaviest Use

Pictured above is a general view of the Northland Park Pool shortly after it was officially opened on Sunday. Below are the four children, chosen by lot, to be the first in the water. In the big pool, honors went to Robert Keogh of 33 Bryant drive, Susan Lee of 102 Kimball avenue, and Gordon Perrotti of 10 Hill street. In the kiddie pool, Jane Sisco, two year old daughter of Mr. and Mrs. Robert Sisco of South Ashby avenue, got the honors. (Recreation director Bob Sisco swears it was on the up and up, even if he drew the numbers.

After brief ceremonies at 12:30 p.m. on Sunday, the new Northland Park Community Pool was officially opened. Pool officials reported that the new pool was patronized primarily by people from the north end of the Township, but that in its first three days, the great bulk of Livingston still used he original pool at Memorial Park.

On Sunday, there was an average attendance of 200 at Northland, with the original pool at Memorial Park averaging 1,000 in at a time. These same ratios have been roughly maintained since. Badge holders are privileged to use either pool.

In the opening ceremonies, Mayor Clark, Councilman Frank Biondi, and Recreation Director Robert Sisco spoke briefly. Great tribute was paid to the original drectors of the Livingston Community Pool, who organized and put across the first pool; to the Northland Park Study group who laid the physical groundwork for the second pool; and to many individuals who have fostered the swimming pool program in Livingston by volunteer work.

Following the opening of the pool, the public was invited to inspect the filter house and see the operating units in action.

Manager Harp on Monday expressed the hope that the parking area and road, which now have a base course and stone dust will have settled sufficiently that the area can be entirely paved before next year's swimming season. It appears that there will be sufficient funds on hand to do this and to finish grading and planting the area out of this year's pool surplus. Completion of the painting of the bath-house, etc., will be done mornings this season.

Cars Sideswipe

Both vehicles were able to drive from the accident scene under their own power Sunday night despite damages of $300 each, after sideswiping on South Orange avenue. The left front ends of the cars of John Dale, Hillside; and Eddie Sears, Marristown collided in the center of the roadway as Dale was headed east; Sears west.

Township Will Sealcoat Roads

Bids for sealcoating slightly over four miles of Township roads are now being solicited by Township Engineer Papandrea. This is part of the routine road maintenance program of the Township under which municipal roads get an extra coat of surface every few years.

Listed for regular sealcoating this year will be Crestview Hill road, Longacre drive, Briarcliff road, Twin Oak road, Lincoln avenue, Montgomery road, Grove terrace, Hampton terrace.

Also Oakwood avenue, Lee road, Burnet street, East and West Harrison place, Collinwood road, Collins terrace, Irving avenue, Macopin court, Macopin drive, Hill street and Hazel avenue.

The total length to be sealcoated is 20,460 feet, or 3.868 miles. There will be a total of 65,882 square yards of surface covered, using 16,465 gallons of road oil and 823.55 tons of one quarter inch stone.

In addition, it is planned to resurface the 1800 feet of Hillside avenue from Hickory place to West Northfield road with bituminous concrete. The street needs the new surface because of the installation of sanitary sewers in the area since it was repaved.

Girl Has Dizzy Spell At Pool; Saved By Unidentified Youth

An unidntified 12-14 year old boy is credited with getting Georgiana Seeley's head above water after she started to sink to the bottom of the New Northland Park Community Pool Tuesday afternoon at 1:30. Lifeguard Mike Reagan and pool manager John Rowley revived her.

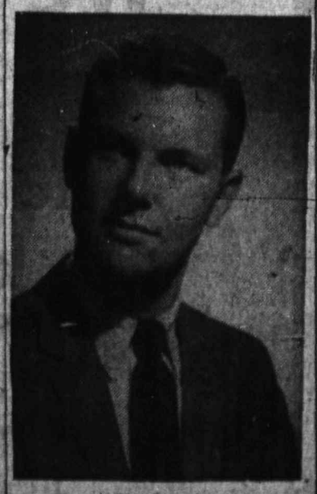

First reports were that the girl had drowned. Witnesses said she was blue; Mike Reagan said that she didn't seem to be breathing when he first tried resuscitation.

Georgiana, daughter of the George Seeleys of 23 Fellswood drive, is subject to spells of dizziness and blackouts. She told police that Tuesday afternoon she dived off the board and had a dizzy spell. She made it over to the pool ladder.

Richard Smart, 12, of Taconic road, said she was holding the side of a pool ladder in the diving board area with one hand when he climbed up the ladder out of the water. When he turned around and had slid completely under water.

It was then that the one boy of a group of three by the ladder dived down and forced her up to the water's surface. There, the L.E. Smarts, called by their son, and others, hauled her out of the water and Reagan, on duty at the other side of the diving area, started attempts to revive her, first by mouth to mouth, then with resuscitation equipment kept at the pool for just such emergencies.

An ambulance was called, but was not needed. First Aid men took her on a stretcher into the pool building, where she recovered in a short time — and decided to stay at the pool the rest of the afternoon.

Family Tourneys Coming Friday

Family Tournament Night, originally scheduled for last night, July 27, has been rescheduled due to rain, as follows: Hole in One Golf, Girl's Athletic Field and Badminton, Memorial Field, both Friday night, July 29 at 6 o'clock.

The Children's Archery Tournament, will be conducted Friday morning, in Memorial Park, beginning at 9:30.

Police Thwart Store Robbery; Catch Three Men With Knives

Ira Jordan John Coleman William Hartzog

Three Jersey City men, all with knives, were arrested by local police in the dark hours of Monday morning as two were apparently preparing to break into the Prince Range building on West Mount Pleasant avenue; the third "happened by".

Police officers Jim Durkin and Carlos Small, on routine night patrol, discovered and arrested Ira Jordan and John Coleman behind the Prince Range building before they had a chance to use their weapons. Coleman, 21, had a 10 inch throwing knife in his waistband; both had pen knives.

The arrested men were found at 1:45 a.m. squatting on the ground with such burglar's tools as a 14" screwdriver; hammer with its head covered with plastic, tissue paper and rags; between them.

Police officer Craig, called to the area to cover while Small and Durkin took their quarry to headquarters, spotted a car stopping in front of Prince Range at about 2:10. He gave chase, and at 2:13 reported having caught a man who gave his name as Asbury Miller of Jersey City, in front of Howard Johnson's. "Miller" advised that he had only "slowed down" at Prince Range because it was there that he noticed the emergency brake of the car was still on from the time he had stopped for ice cream in West Orange.

In the car were a 13 mm. Kodak movie camera; Wollensak movie camera; Revere movie camera; and pawn tickets on cameras and other items. One pawn ticket already checked with a New York pawnshop reveals that it is for a camera stolen in Jersey City. Also in the vehicle, a '59 sedan, were the head of a pickax and cold chisel — useful in breaks — screwdriver and pliers. "Miller" had a penknife on him.

"Miller" explained that he had borrowed the car from a Harold Hassan of Jersey City and was trying it out. A teletype check proved this was partly true: the car was "borrowed" — from the Jersey City U-Drive-It company on May 11, which company wanted "Miller", alias Mohammed Hassan, actually William Edward Hartzog, for embezzlement for neither returning nor paying for the use of the vehicle.

At 4:36 a.m., police officers Alinger and Fachet reported finding a panel truck in the Microlab driveway. Due check of the

Two Ordinances Passed Quietly

Without any comment from the floor, the Township Council on Monday finally passed the ordinances for the improvement of Hillside avenue from Belmont drive to West Mt. Pleasant avenue; and the ordinance authorizing an engineering study of the sewage disposal plant. In contrast to the meeting at which the Hillside avenue measure was introduced, there was nobody in the audience, either to protest or favor the measure.

The Hillside avenue ordinance which will authorize the installation of storm drains where necessary, and will widen the pavement to 30 feet, is to be done under the state aid program. The state will contribute $29,745.53 of the cost, with the Township paying $3,000, or one tenth of the cost. This $2,000 will be assessed against the abutting property owners who will be specially benefited. The plan is the same under which the rest of Hillside avenue from West Hobart Gap road north has been improved over the years.

Various property owners had opposed the measure at its introduction, but none were there to protest on Monday.

The ordinance authorizing $6,500 for an engineering study of the sewage disposal plant will permit the firm of Metcalf and Eddy of Boston, considered top consultants in the field, to evaluate

Apply To Town To Accept Roads

Application for acceptance of the following streets has been received by the Township of Livingston: Breton place from Martin road to Billingsley place, as shown and laid down on a certain map entitled, "Map of Collins Estates, Section 1A;" Havenwood drive between Fieldstone drive and Springbrook road, as shown and laid down on a certain map entitled, "Map of Broadlawn, Section Two;" Chestnut street, No. 12, East Northfield road—Nos. 204, 208, 212, as shown and laid down on a certain map entitled, "Map of Chestnut Farms, Section Two."

Any complaints and their nature, should be directed to the Township Manager, Township Hall, 316 South Livingston avenue, on or before August 1.

Mrs. Mitschele To Be Soloist At Tuesday's Open Air Concert

Evelyn Mitschele, coloratura soprano, will be the featured guest artist at the fourth free program of "Music Under the Stars" to be held in Memorial Park, Livingston, N.J. at 9 p.m. Tuesday evening, August 2. In case of rain the program will be given at 9 p.m. Thursday, August 4.

Mrs. Mitschele was originally scheduled as the guest artist at the first "Music Under The Stars" program but was unable to appear because of an attack of laryngitis. She has recovered and promises to be in good voice on Tuesday, August 2.

Mrs. Mitschele's vocal numbers will be highlights of a program featuring dramatic music from the world's great operas and musical shows. Her numbers will include "Musetta's Waltz Song" from Puccini's **La Boheme**, "The Shadow Song" from Meyerbeer's **Dinorah**, and songs from **Kismet**.

Beethoven's **Leonore** Overture No. 3, the ballet music from Gounod's **Faust**, and symphonic numbers from Bizet's **Carmen** will be on the recorded portion of the program.

This program has been arranged by the Livingston Music Committee in cooperation with the Department of Recreation and Parks. Mrs. Roy Fulmer is chairman of the program committee, which also includes Jerry Ben-Asher and William Ruch, conductor of the Livingston Concert Band, which appeared on July 19.

The sound reproduction problems for the concerts are handled by Jack Conway, assisted by David Ackerman and Abraham Cohen. A youth music committee, headed by Richard Rachlin, also assists at the "Music Under The Stars" concerts.

"The response to our 'Music Under the Stars' concerts both on the part of the audience and the performers has been very gratifying," said Mrs. Fulmer. "Even though people attending the concerts must bring their own chairs or blankets, for seating, the size of the audience has increased for each concert. The weather, of course, has also cooperated in assuring a large turnout.

"I want to call attention to the enormous amount of skill and musical preparation that goes into these informal outdoor concerts," Mrs. Fulmer continued. "The premiere performance of our Livingston Concert Band is a case in point. The musicians all volunteered their services and attended a number of special rehearsals to make this concert possible. The performance was excellent. As might be expected, the audience responded to the musical pyrotechnics of the trumpet trio — Ronald Westervelt, Francis Gorey and Richard Bloch — in Carnival Variations.

"Probably the highlight of the program was the suite of selections from Bernstein's **West Side Story**, in the second half. The band, fully warmed up, showed real power and finesse in following its conductor, William Ruch, through the intricacies of this tender, tragic set of show tunes."

Livingston's "Barbershoppers" not only appeared before a large audience on Tuesday, July 26. More than 600 persons attended the program of Americana they presented.

Presbyterians Bring Over Seventh Refugee Family

Pastor William S. Ackerman of the Livingston Presbyterian Church, welcomes Mr. and Mrs. Wilhelmus Bruinooge to Livingston.

The Presbyterian Church received the seventh family from overseas sponsored through Church World Service on Friday last. Mr. and Mrs. Wilhelmus Bruinooge of Amsterdam, Holland, arrived aboard the Dutch ship, Groote Beer, together with other refugees.

Mrs. Bruinooge was born in Indonesia while Mr. Bruinooge was born in the Netherlands. He formerly was employed with a gas and electric company in Amsterdam. These new arrivals in Livingston have expressed their deepest pleasure in coming to this country and their gratitude for all the kindnesses shown since their arrival. The Outreach Committee of the church is seeking employment and housing for the couple. Richard S. Swann is chairman of this committee.

Following morning worship last Sunday a reception for the Bruinooges was held in Fellowship Hall.

They are temporarily residing at the home of Donald Shimer, who is in Amsterdam, Holland, for the YMCA.

William Stokes Dies; Lifetime Resident

William Stokes of 116 East Cedar street died Wednesday, July 27, at Orange Memorial Hospital after a long illness. He was 88 years old. He came to this country from England 68 years ago, settling in the Kearny-Harrison area. He lived in East Hanover for ten years before coming to Livingston 36 years ago.

Before retirement 18 years ago he had worked in the road department of the Township of Livingston. He was the husband of the late Emma Beresford Stokes.

Surviving are three sons, Arthur E. of Red Bank; William H. of Livingston and Robert B. who resides in California. Two daughters also survive; Mrs. Elsie M. Ladd of the East Cedar street address and Mrs. Gladys E. Kazmark of Keansburg; also five grandchildren and seven great grandchildren.

Funeral services will be conducted by the Reverend Clarence G. Winstedt at the Hopping Funeral Home, 145 East Mt. Pleasant avenue, Friday afternoon at 2 p.m. Interment will be in Restland Memorial Park, East Hanover.

National Little League Stars Gain Area Finals; Play Belleville National Stars Thursday Night

Pictured is the National Little League All Star team, which plays in the area finals this Thursday evening.

Livingston's National Little League All Star team gained the finals in the area elimination tournament Monday night when they defeated the Belleville Americans in a close game at the local American League field. They will meet the Belleville National League All Stars in the finals this Thursday evening at the Nutley Little League field at the old Velodrome at 6 p.m.

The winner of this game will continue into the North Jersey tournament, and has a shot at winning in the state and other tournaments leading up to the Little League World Series at Williamsport, Pa.

National Stars 9 - Harrison 0

The Livingston National League All Stars pounded Harrison National League All Stars pounded Harrison National League pitching for ten hits and defeated the Harrison team 9-0 in their first round game. In addition to a hard hitting attack led by Dana Kimmel and Chris Casciano, who both homered, the team played a fine game in the field and received excellent pitching.

Roger Treat hurled what was probably the finest game of his Little League career as he held the Harrison team to one hit and struck out seven. In addition to his excellent pitching, Roger had three hits and drove in four runs.

Livingston scored two runs in the first inning as leadoff batter Bill Stack walked and Dana Kimmel followed with a home run over the left field fence. Four more runs scored in the second as Rickey Bresin walked, Jim Higgins walked, Roger Treat singled to drive in two runs, Dana Kimmel singled driving in a run, and Mike Sklarz singled to drive in another.

In the fifth inning Chris Casciano blasted a home run over the center field fence and then with two outs Al Zahn singled, Tommy Keogh singled, Jim Higgins walked, Roger Treat singled and two more runs scored.

National 10 - American 3

The Livingston National League All Stars advanced to the semi-finals of the District 8 playoffs by defeating the Livingston American League All Stars 10-3 at South Orange.

Mike Sklarz pitched the whole game for the National Leaguers to receive credit for the win. Mike scattered seven hits and was especially tough with men on base. In addition to his fine pitching, Mike had a perfect day at the plate as he went four for four and scored three runs. Sherry Campbell and Ronnie Greenstein shared the American League pitching.

The National Leaguers scored five times in the top half of the first inning to take a lead they never relinquished. Dana Kimmel was hit by a pitch, Sklarz singled, then Chris Casciano singled to drive in one run. Bob Sutton then lined a home run over the left field fence to bring in three more runs. Before the side was retired another run scored as Dave Weinberger singled and scored as two walks and an error followed.

The American League team, trailing throughout the game, scored single runs in the first, fourth, and sixth innings and threatened several times to make the game closer. In the sixth inning they not only scored one run, but loaded the bases before the side was retired.

The winners were paced at bat by Sklarz who had four hits; Sutton, who had two hits in addition to his homer; and Casciano, who collected three hits. Rickey Bresin and Dave Weinberger each had one hit.

Rich Hansen and Sherry Campbell led the American Leaguers with two hits each and Pete Braz, Ronnie Greenstein, and Bobby Scheskowski each had one hit.

National 3 - Belleville American 2

The Livingston National League All Stars advanced to the finals of the District 8 championship by defeating the Belleville American League team 3-2 at Meadowbrook Field.

Livingston scored three runs in the top half of the first inning and Belleville came back with two in the third to complete the scoring for the game. Both teams threatened several times, but pitchers Treat and Debrowski were both at their best with men on base. The game was the second All Star win for Livingston pitcher Roger Treat.

Bill Stack led off the game with a walk, Dana Kimmel was safe on an error, and Mike Sklarz singled to drive in one run. Kimmel and Sklarz both scored on a wild throw. Rickey Bresin paced the Livingston hitters with a triple and a double.

Burnet Hill Playground Standing Broad Jump
Squiertown Playground 50 yard Dash

The boy and girl achieving the best mark in these tests will be crowned Mr. and Miss Physical Fitness for 1960.

This program is open to all members of the community. For additional information call the Department of Recreation and Parks, WYman 2-2620.

Fire Department Block Dance This Saturday

Pictured are Shorty Warren and his Western Rangers, who will provide music for the annual block dance of the Livingston Volunteer Fire Department this Saturday evening. Ken Stout and Idaho Ed will do the calling. The dance, the annual fund raising event of the fire department, will be held at the Northfield Fire House from 8:30 p.m. til 2 a.m. In case of rain, the dance will be held on August 6. Most persons bought their tickets earlier this season when the firemen canvassed the Township. The fire department cordially invites all these people to come out for the affair. Persons may also buy tickets at the door. There will be refreshments, games and prizes.

All Stars Still Lead League, But Drop Game To Springfield

The Livingston All-Stars lost their first game of the year to a fifth place Springfield team, 3-2, in an exciting 8 inning contest at Memorial Park.

This Springfield bunch were determined to snap Livingston's four game streak and did so behind the fine four hit pitching job of Mark Freedman who was especially stingy with men on bases. Bryan Wahler, after a shaky start, settled down and pitched masterfully for the All-Stars, but the visitors pushed across the winning run in the eighth inning on a hit, sacrifice, and an error. Livingston scored once in the second and tied it with an ace in the seventh, but the lack of clutch hitting led to the locals' downfall.

After a fine start the Livingston team seems to be on the skids. This was the second time in a row that the locals failed to notch their fifth win.

In Monday night's action, Frank Biondi won his third decision of the year as Bill Fox's charges dumped New Providence 6-3 on the New Providence field. The All-Stars went into a brief 1-0 lead in the first inning, but New Providence came back to tie it up in their half. The locals then retaliated for single scores in the second, fourth and fifth innings, sandwiched around a pair of runs in the third for their final total.

Bill Dukeit paced all hitters with a roundtripper and two singles in three trips. Biondi continued his long ball hitting with a booming triple. The win leaves Livingston in first place by a slim ½ game margin. Complete results were not available at press time.

Plan Year's Program

At a meeting of the Program Committe of the B'nai B'rith Women, Livingston Chapter last week, preliminary plans were made for programing for the coming year and initial preparations made for the organization's paid-up membership party. The date of the party is September 24 an it will be at the Essex Green auditorium. Admissions will be free to fully paid members.

Chairman of the program Committee is Mrs. Ralph Ginsburg. Her committee is: Mrs. Russel Goldstein, Mrs. Emanuel Weiss, Mrs. Henry Levee, and Mrs. David Levigton.

Monday, August 8 — 6:30 p.m. — Monmouth Court.

HOME TEAM — 1st Place Industrial Team.

A one game playoff will be held between the winners of each game Wednesday, August 10 — 6:30 p.m. — Memorial Field

HOME TEAM — to be determined by flip of coin at game time.

The winner of the championship playoff game will be declared the 1960 Men's League Champion.

Men's League Heads Into Playoffs

Playoff positions for the championship series in the Men's Recreation Softball League loom more important as each game is played. Raimondi's Restaurant clinched at least second place in the Merchant's Division while V.F.W. and Circle Plumbing battle to eliminate each other from contention. Idle Gebauer all but wrapped up the Industrial Division title as Microlab and Hydromatics split a two game series last week.

INDUSTRIAL DIVISION

Only two games were played last week as second place Microlab and third place Hydromatics locked up in a duel for the playoff spot.

In Wednesday night's fracas Microlab came out on top 11-7 for their sixth win in eight starts. Friday night Hydromatics retaliated with a 7-5 make-up win in a "do or die" contest. Hydromatics now holds a 5-4 mark and any one of four teams could finish second with a strong second half.

MERCHANT'S DIVISION

V.F.W. took undisputed hold of first place in the Merchant's Division for the first time this year and Circle Plumbing dropped all the way to third as Raimondi's wrapped up second place good and tight.

Last Thursday night the two titans locked up in their second tie game of the season as V.F.W. scored their third straight comeback. Circle Plumbing broke into the score column first with a two run third inning. V.F.W. got one back, but the Plumbers rammed across four big runs in the fourth and one more in the fifth to take a 7-1 lead. The Vets, used to a deficit this large by now, scored four times in their half of the fifth and tied it up with a pair of runs in the seventh.

With the score tied at 7-7 the game was called on account of darkness.

With two tie games behind them, V.F.W. jumped on pitcher Joe Margulies to tag him with his first bad defeat of the year.

Jack Meusel and Margulies tied up into a 0-0 pitchers duel for three innings. V.F.W. broke the ice with three runs in the fourth and clinched the game with a big eight run fifth inning. The Vets iced the cake with three runs in the seventh inning for a 14-0 win. It was the second straight shutout loss for the Plumbers and their third defeat of the year, dropping them below the top two rungs of the division order for the first time in the 1960 campaign.

These two teams have two games left with each other in the race to the finish line. V.F.W. tangles with Sam's tonight at Memorial Field in what should be a shoo-in for the division pace setters.

In Monday night's other game, Sam's lost a 7-0 forfeit decision to Raimondis Restaurant as they failed to field a full team. The win completed Raimondis season.

Havsky To Be Concert Soloist

The soloist to be presented by the New Jersey Symphony in its February 2 concert next season will be Vladimir Havsky, a front rank concert pianist who lives in neighboring Short Hills. Havsky has toured the United States from coast to coast and concertized in Europe and has received rave notices from music critics. John Briggs of the Times spoke of his "spectacular playing" of piano music by Beethoven. Born in China, he made his first debut in Shanghai at the age of seven and appeared as soloist 10 times with the Shanghai Orchestra. He has been in America since 1940 and has studied here with Rudolf Serkin. In addition to his solo recital tours he has appeared as soloist with Washington's National Symphony.

In his appearance with the New Jersey Symphony, Havsky will play Beethoven's stirring Piano Concerto No. 3 in c minor with Vasilios Priakos conducting. The concert will open with Wagner's brilliant Overture to "Rienzi" and close with Sibelius' 2nd Symphony.

Mrs. Roy Fulmer, local subscription chairman, announced that subscriptions continue to come in at an average of 100 a week, and repeated that it will not be possible to hold beyond July 31 the seats of last year's subscribers who have not yet renewed. Mrs. Wilmot R. Marlatt and Jerry Ben-Asher, each with 25 seats sold, are top contenders for the prize announced by the Symphony. Lee Wasserman and Mrs. Ralph E. Mitschele are in second and third place.

Plan Informal Basketball Play

The summer outdoor Recreation Dept. Basketball league that had originally been planned has been curtailed because of the lack of a sufficient number of players for the teams. Four teams were scheduled to participate in this newly organized league, but could not be mustered.

Games between registered teams will be scheduled on an informal basis at Memorial Park starting Friday, August 5th. The first game to be played will be the McKennas vs Collegians.

Camp Happy Hours To Visit Scout Reservation

The Recreation Department's Camp Happy Hours will sponsor a trip to the Schiff Scout Reservation at Mendham, N.J. for their Friday group on August 14. Any child, age 9 or over, who has been registered for this group in either the first or second session is eligible for this trip if they have a permission slip from Bernard Herr, Director of Camp Happy Hours. For further information, persons may contact the Department of Recreation and Parks, WYman 2-2620.

Our Sincere Thanks

Last week we wrote a note in this column reminding the readers of an earlier editorial in which we had urged people using coupons for various store premiums to use those printed in the Tribune. As we wrote, we had a special purpose in issuing this reminder. The paper was being tested.

We are very happy to report that the main tester was greatly surprised at the results. Our readers evidently showed their support of the paper and used the newspaper coupons in large number.

We are most grateful to our readers for this vote of confidence in the paper, and extend our sincere thanks.

The testing still goes on . . . in fact it's the kind of test that never really stops. We don't intend to mention the subject any more, but we will greatly appreciate it if the public continues to use the coupons printed in our paper, if they plan to use the coupons at all. Thanks a lot.

The Crowd Is Growing

We have been greatly pleased at the evergrowing response to the "Music Under the Stars" concerts being held each Tuesday evening next to the pool at Memorial Park. There were about 200 at the first one, possibly 350 at the second, and it was estimated that close to 600 were out this Tuesday.

The fact is, they've been extremely enjoyable concerts, and we imagine that this fact has been spread by word of mouth. At least, each week we see a lot of new faces, and see the others back again.

It's very pleasant to sit in the cool of the evening, relaxed and contented, listening to some excellent renditions of good music. The concerts are far from long-hair — but also they are not just the run of the mill kind of music one gets by turning on the radio at home. The committee, we think, has done a fine job of programming.

To us, programs such as this demonstrate the underlying strength of Livingston. A group of citizens got together and thought there were a lot of people who would like to spend an evening listening to good music. Utilizing the park, plus the cooperation of the Department of Recreation and Parks, they organized these concerts at a very minimum of expense, and have provided a nice community feature. It is just this type of endeavor that has made Livingston the community it is — one of homes, where people can live a good, enjoyable life.

Sam's Softball Team Wins Again

Sam's Department Store has been all but declared champion of the year in the 1960 Businessmen's Recreation Softball League as they wrapped up their fourth second half win and their eighth straight of the 1960 campaign. Harry's had another close one with the Knights of Columbus and the Independents stayed right behind the front runners with a win over the Water Buffalos. The Independents scored a first half forfeit win over the Buffalos on Friday night.

In a battle for second and third place, Harry's Hardware scored five runs in the last two innings to score an uphill 9-8 win over the Knights of Columbus. The Knights jumped on pitcher Bob Milan for an 8-3 inning lead, but the K of C couldn't contain the explosive Harry's nine this night as Jack Moore's contingent hung onto a tie for second place.

Register Now For Youth Tennis Tourney

Each year, the climax of the junior tennis program, sponsored by the Department of Recreation and Parks, is the youth tennis tournament. Separate tournaments are conducted for the junior group, which is the seven through eleven year old children, and the intermediate group, which consists of the twelve through fifteen year old youngsters. Divisions of play will include junior boys singles and doubles, junior girls singles and doubles, intermediate boys singles and doubles, and intermediate girls singles and doubles.

The doubles tournaments will be played during the week of August 8, and the singles tournaments will take place the week of August 15. Any Livingston youngster is eligible to enter either or both divisions of the tournament in his or her own age group. Boys and girls may register at the tennis classes, the Recreation Department office in Memorial Park, or at their playgrounds. The only prerequisite for entry in the tournament is a tennis permit, which may be obtained at the Recreation Department office for a fee of fifty cents.

Announce Teen Doings for August

The Department of Recreation and Parks announces the following Teen Canteen and Corner dates for the month of August:

On Thursday, August 4, the Teen Canteen will meet at the Recreation Building from 7:30-10:30. Membership cards from 1959-60 will be good for admission or guest cards may be purchased in advance.

On Wednesday, August 29th a swim party will be held for all Canteen members holding pool memberships. Members may stay in the pool till 8:30 p.m. A dance will be held immediately following the swim period at the Recreation Building until 10:30 p.m.

On Friday, August 12, Teen Corner-Timers will meet at the Recreation Building from 7:30-10:30 p.m. This will be the only summer program for the Junior High group. 1959-60 membership cards will be valid for this dance program. Guest cards must be purchased in advance at the office of the Department of Recreation and Parks.

Champs In Tourney

On August 10 the champions of all playgrounds in table tennis, tetherball, foul shooting, box hockey, softball accuracy throw, horseshoes and quoits, checkers, and jacks will meet at Memorial Park for the Department of Recreation and Parks "Tournament of Champions."

The boys and girls have been classified into three groups 7-9 years, 10-12 years, and 13-15.

Points will be given to first, second and third places on the basis of 5-3-1.

The playground scoring the greatest amount of points will be declared the champs of 1960. Boys and girls are urged to participate in these tournaments.

Catch Three Men

(Cntinued from Page 1)

vehicle established that the key for its ignition was among the articles taken from Jordan at the time of his arrest; the truck also belonged to the U-Drive-It firm in Jersey City.

Police theorize that Jordan and Coleman left the truck there and walked back to Prince Range, less than half a mile down the road. Hartzog was to meet them, thus giving them two possible vehicles to use in event of police "interference": Jordan and Coleman could, if Hartzog met difficulty, cut through the back fields to the truck and still make off with the loot. The above is theory, not admitted by the three men.

At police headquarters, Coleman and Jordan denied knowing Hartzog, and vice versa.

Checks for prior police records show none for Coleman and Jordan; a beaut for Hartzog, starting back in 1945. He has been in and out of jail since then for breaking and entering, burglary, possession of burglar's tools. In fact, he was sent in jail in February of '58 for two-three years, to the implication that he has been out only a few months.

Jersey City police want Hartzog for the car embezzlement, and for questioning on a number of burglary jobs. Still, as far as Livingston is concerned, the only charges it could bring against him were for being unable to give a good account of himself; driving without a New Jersey License and doing 65 in a 50 zone.

At arraignment before local magistrate Kent at 9:00 Tuesday morning, Hartzog was asked for $1000 bail for the above offenses, to be heard in local court Wednesday night, August 3. Jordan and Coleman were charged with possession of burglar's tools; loitering with intent to steal; carrying concealed dealy weapons (Coleman, for the 10" knife) with bail set by Kent for each of $3500. They also must appear in local court August 3.

Jordan and Hartzog were kept in the local two-cell jail until their trip to the Newark Street jail Tuesday night after arraignment. Coleman was housed in the Caldwell jail, and transported back to Livingston as needed for questioning and the hearing. He is also now at the Newark jail.

Commendation of Durkin, Small, and Craig for their outstanding work in apprehending the men has been accorded them by Township Manager Harp, who also commended Alinger and Fachet for their part in discovering the truck, an important piece of evidence in the overall picture.

This is Durkin's second major commendation in a year and a half. In February of 1959, while on patrol with Ray Fogarty, he spotted a car reported on teletype as containing armed wanted men. Durkin and Fogarty stopped the car and arrested its occupants, one of whom had a loaded seven shot .22 caliber revolver stuck in his belt in abeyance of just such an "emergency".

PUBLIC NOTICE

Notice is hereby given that application has been made to the Planning Board of the Township of Livingston by Levin-Sagner Homes for the preliminary approval of plot plans of a major subdivision, known as Broadlawn, Section 3, comprising Lots 16-24 in Block 115, and Lots 1-8, 10, 29B and 30-36 in Block 116 as shown on the tax maps of the Township of Livingston. A public hearing on said application will be held at the meeting of the Planning Board to be held on Tuesday, August 9, 1960, at 8:30 p.m. at the Fire House, 62 South Livingston Avenue, Livingston, New Jersey, at which time and place all interested persons will be given an opportunity to be heard.

Complete plans of the proposed subdivision are now on file in the office of the Director of Planning, Township Hall Annex One, Berkeley Place, Livingston, New Jersey, where they may be viewed by the interested public.

Two Hurt As Scaffold Falls

Two men working on the new St. Barnabas hospital had to be hospitalized at West Essex General last Thursday noon after the scaffolding they had put up gave away and threw them 14 ft. down to the ground. Carl Stroberg, 62, of East Orange, hurt his left leg and back; Edic Lindstrom, 59, of Hanover, hurt his back and went into shock.

The next day, a third man on the job had to be rushed to Orange Memorial after he suffered a heart attack. Gunnar Peterson, 61, of Cedar Grove, was transported there by first aid squad ambulance after having the attack at about 9:30 a.m.

Funeral Friday For Mrs. Heidrich

Mrs. Mae B. Heidrich-Savage of 465 S. Livingston avenue died Tuesday, July 26. She was 74.

Born in Brooklyn, she had lived in Livingston for the past 12 years and before that for 40 in East Orange. She was a member of the Presbyterian Church of Livingston and of its Women's Association, and was Sunshine chairman at the church for five years. She was a member and the first president of the Art Centre of the Oranges and a member of the Listentome Club of East Orange. She was also a member of the American Legion Auxiliary Post 201, Livingston.

After World War I, she entertained the soldiers coming home with character impersonations and singing.

She was the widow of Herman C. Heidrich and of her first husband, L. Tyndall Savage. She is survived by two sons, L. T. Savage, Jr. of Hong Kong and Lorton F. Savage of Searchlight, Nevada; and two stepdaughters, Mrs. Mable Hienkle and Mrs. Margaret Billinghurst, both of Florida.

Services will be held Friday at 11:30 a.m. at the Presbyterian Church of Livingston, 271 W. Northfield road. Interment will be in Greenwood Cemetery, Brooklyn, N.Y.

Friends may call at the Hopping Funeral Home, 145 E. Mt. Pleasant avenue.

Circle Edges Past Raimondi's Girls

Circle Cleaners went into a half game lead over Raimondi's Restaurant in the Girls' Recreation Softball League last week.

In Tuesday night's game, Raimondi's scored 15 runs after two were out, to spur them on to a 26-10 win over Karig's Hardware for their third straight win of the season.

In Thursday night's action, with Raimondi's leading 10 - 7 after 6 innings, Circle Cleaners scored 10 times to walk away with a 17-13 retaliatory win. The win put the Cleaners in front by the margin of one game in the win column.

In the week's only other game, Olga's won a 7-0 forfeit decision from Karig's Hardware.

Martha Raye At Grist Mill

Martha Raye, will make her first appearance as the star of a legitimate comedy when she plays the leading role in the farce "Personal Appearance" at Grist Mill Playhouse in Andover, for one week beginning Monday evening, August 1. Miss Raye is known to the public as a star in almost every entertainment medium including TV, motion pictures, her appearances in Broadway musical comedies and her frequent night club appearances.

One of her earliest film successes was opposite Bing Crosby in "Rhythm On The Range" where she introduced the song "Mr. Paganini", which has since become a Martha Raye trade-mark. On Broadway she was costarred with Al Jolson in "Hold Onto Your Hats" and on radio she was the familiar voice to millions of fans, heard for two years with Al Jolson and guest starring with Eddie Cantor, Bob Hope and other leading shows.

On TV Miss Raye made a series of guest appearances with Milton Berle on the "Texaco Show" and was one of the alternating stars on the "The All-Star Revue" and later hosted the "Martha Raye Show" on NBC-TV.

There will be performances at Grist Mill every evening Monday through Saturday, with a matinee on Wednesday at 2:40 and two shows on Saturday evening: one at 6:00 and the other at 9:00 p.m.

Concluding a week's engagement this Saturday evening July 30, will be Hans Conried, the popular TV star in the comedy murder mystery "Not In The Book".

Jamal To Be At Melody Top

As a complete contrast to Woody Herman and his Herd, the current hit attraction at Anthony Pia Costa's Melody Top in Pine Brook, playing through Sunday, July 31, Producer Blanche Zeller has announced that following the "Ol' Woodpecker" she will present the sensational Ahmad Jamal and his Trio.

Jamal's emergence as the nation's best selling jazz pianist demonstrates his exceptional ability to combine expert musicianship with astute awareness of popular tastes. His performances have multiplied his fan following from a coterie of Chicago admirers to an audience of millions across the United States and Europe.

Though new to legions of recent fans, he has run the gamut of musical experience from his early days in hometown Pittsburgh all the way to the concert stage of Carnegie Hall where he packed the auditorium twice nightly with thousands turned away.

Jamal will be presented nightly at the Melody Top starting August 2 and continuing through Sunday August 8, at 8:30 p.m. Two performances will be given on Saturday at 7:30 and 10:30 p.m.

Following the success of Wednesday's Children's performances, the big tent will play host Wednesday, August 3 to the Bunin Puppets of Alvin the Chipmunk fame. Along with two additional acts the puppets will take the stage at 10 a.m. and again at 2 p.m.

'Happy Hours' Campers Make Model Canoes

This past week the Happy Hours Campers were busy scouring the woods during their nature walks for white birch. Many of these trees have been taken down because of building construction in the area. The bark was stripped from the trees and brought back to the camp site. There, the campers had great fun cutting and shaping model canoes out of the bark. The canoes were decorated with Indian designs. Some groups were busy completing their berry and seed collections, which have received a great deal of favorable comment from parents.

Cooking out has become quite popular with the campers and hardly a day goes by that our young chefs are not at work.

In addition to crafts and nature study, singing, story time and games are a vital part of the camp day.

The "Puppetry Group" under the direction of Mr. Graham visited the camp and presented their version of Heidi.

Jaycees Conduct Community Survey

The Livingston Jaycees will conduct a community survey of the Township of Livingston during the coming two weeks. Survey questionnaires, which cover a broad range of issues of civic interest, were prepared after consultation with local civic leaders. They will be distributed to homes in selected Livingston neighborhoods by Jaycee members, who may be identified by buttons carrying the Junior Chamber of Commerce seal.

Arrangements for the Livingston Community Survey are under the direction of Peter Potosky and Dr. Tom Newmann. Individuals who are not contacted and who wish to take part in the survey should contact Dr. Newman.

Final plans for the distribution of these questionnaires will be discussed at the July 28 meeting which will be held at the Condor Restaurant at 8:30 p.m. Other items on the agenda include the Junior Miss contest, the August picnic, and the PGA golf tourney.

Prospective members are invited to attend.

Unhurt As Car Lands On Side

Though the car had to be righted from its side, John Forbes drove it away from Northfield center with $650 damages early Friday morning. He failed to negotiate the curve from the eastbound lane of West Northfield road across South Livingston avenue, and the rear of his car clipped a sign post, tipping the vehicle on its side. Damaged were the left rear fender, rear bumper, and complete right side. Forbes was not hurt.

"Y" Day Camp Full For Third Session

The full capacity enrollment of 120 girls and boys has been attained by the Pioneer Trails Day Camp, operated by the YMCA of Livingston and vicinity for the third period from July 25 to August 5. This quota was also achieved for the two week period which ended on Friday, July 22.

Since the "Y" recognizes the need for a constructive and flexible program, no two groups follow the same pattern. There is no rigid schedule, and the children in each group indicate to their counselor which of the many available activities they prefer. These include hiking, softball, group singing, archery, badminton, nature study, swimming and dramatics.

A popular feature with each group is the arts and crafts program under the instruction of John Gabosch. The campers display a great deal of imagination creating treasured camp momentos. These include such Indian items as head dresses, tom-toms, and totem poles. Bracelets, lanyards, paper dolls and twig nametags are also produced.

Each two week period is highlighted by a special day trip, and for the third period a trip to Lake Hopatcong is planned, on July 29. On Wednesday, August 3, the much anticipated overnight campout and parents' council fire will be held, when all Senior campers remain at camp to cook their own suppers before their parents visit at 8 p.m. After the campers have presented a program for their visitors, the parents will leave and each group will sleep at the campsite of its choice.

Gus Schmidt, director of Pioneer Trails, has stated that a few vacancies exist in the fourth period from August 8 to August 19. Applications may be made at the "Y" office, 25 E. Northfield road, or by calling WY 2-2500.

Fyfe At Rutgers Math Institute

John T. Fyfe, a teacher at Livingston High School, is a student at the eighth summer Mathematics Institute, which is now in session at Rutgers University. The six-week course will run through August 1.

Objective of the Institute, which is supported by the National Science Foundation and has the cooperation of the Association of Mathematics Teachers of New Jersey, is improvement of the teacher's mastery of mathematics, including those areas which relate most significantly to the content of high school and junior college curricula. Mathematical subject matter, rather than teaching methods, are emphasized.

Fyfe, a resident of West Orange, is a graduate of Bloomfield College and is working for a master's degree.

William Broadfoot Dies in Florida

William A. Broadfoot of 46 Elmwood drive died Tuesday, July 19, in Doctor's Hospital, St. Petersburg, Fla., where he had been on vacation. He was 59.

Born in Scotland, Mr. Broadfoot had come to the United States 12 years ago and had lived in North Arlington for nine years before moving to Livingston. He was a carpenter and a member of North Arlington Lodge 241, F&AM.

He is survived by his wife, Mrs. Emma Prince Broadfoot; two daughters, Mrs. Jean Stolz and Miss Patricia Broadfoot, both of Livingston; three brothers, Robert of Newark, James of Spring Lake and Thomas of North Arlington; three sisters, the Misses Jean and Jessie, both of New York, and Mrs. Annie Muirhead, in Scotland; and two grandchildren.

Services were held Monday at 1 p.m. from the John D. Crane & Sons Funeral Home, Kearny. Interment was in Arlington Cemetery.

Summer School Concert Tuesday

The Livingston Summer School will hold a Concert on Tuesday, August 2, at 8 p.m. in the High School Auditorium and the final piano recital at 10:30 a.m. on Wednesday, August 3. The public is invited. There will be no admission charge. Two orchestras and three bands will take part in the concert.

The piano classes will meet at the usual time on August 2. Other instrumental students should report to the auditorium for rehearsals of the organizations with which they perform as follows: Beginning Orchestra, 9 a.m.; Beginning Band, 9:30 a.m.; Intermediate Band, 10 a.m.; Advanced Orchestra, 10:40 a.m., Advanced Band, 11:30 a.m.

On Agust 3, instrumentalists other than piano students, will report to Room 123 to play in the organizations to which they belong, using the same schedule in effect on August 2. The "Fun with Music" Class will meet as usual.

No individual instrumental lessons will be held August 2 or 3.

Lee Langel To Head Girl Scout Field Work

The appointment of Lee Langel, as Director of Field Services of the Girl Scout Council of Greater Essex County, was announced today by Mrs. Richard Dehmel, of Short Hills, Council president.

The Greater Essex Council, in which ten former Councils were joined together, in June 1959, is in its second year of operation as an area Council. The appointment, according to Mrs. Dehmel, implements the Council's overall goal to offer more girls better Scouting opportunities throughout Essex County, Summit and New Providence, the 1,019,152 population area covered by the Council. Miss Langel will work with volunteer and professional field services and operations in Belleville, Bloomfield, the Caldwells, Cedar Grove, Essex Fells, Glen Ridge, Irvington, Livingston, Maplewood, Millburn, Montclair, Newark, New Providence, Nutley, the Oranges, Roseland, Summit and Verona, communities in which 17,000 girls and 4,000 adult volunteers are currently served by the Council. Her responsibilities at the central office include the supervision of eight professional District Directors and assisting Mrs. Redmond Lyons, of South Orange, Council Vice President, in coordinating local operations in 18 Council-designated Districts, or geographic areas, headed by 18 District Chairmen. In addition, she will serve in an advisory capacity to the Council's new Research and Development Committee, which is coordinating Council fact-finding functions.

Miss Langel has been in professional Scouting for 11 years, starting her career in 1949 when she served as District Director for the Girl Scout Council in Lansing, Michigan for two and one-half years. She has been Executive Director of Girl Scout Councils in Phoenix, Arizona, and Youngstown, Ohio, for six years. She received her B.A. at Kalamazoo College in Kalamazoo, Michigan in 1945. From 1958 to 1960 she attended the University of Wisconsin School of Social Work in Madison, Wisconsin, on a Girl Scout long term grant for study. She majored in Group Work and received her Master of Science in Social Work in 1960. She has also been Camp Director of Girl Scout camps in Lansing, Phoenix and Youngstown.

Foster Heads Sales At Mohr Motors

George Foster of Livingston has been appointed sales manager of Mohr Motors, Inc., 101 Elizabeth avenue, Newark, it was announced by Alfred C. Mohr, president. Foster previously operated his own Simca dealership, West Essex Auto Sales in Livingston and has been associated with other leading auto agencies in New Jersey.

Letter to the Editor

July 22, 1960

Mr. William Klaber
West Essex Tribune
South Livingston Avenue
Livingston, New Jersey

Dear Bill:

Town Manager Robert Harp and I recently held an informal meeting with the majority of the owners or operators of gasoline service stations in town — all were invited. The purpose of the meeting was to acquaint them with our new Zoning Ordinance regarding restricted use of signs and lights and to enlist their voluntary action to also improve other things not possible to cover in such an ordinance, which detract from the appearance of our Township.

The response by those attending the meeting was most favorable and very encouraging. Unnecessary garish signs have disappeared, annoying and hazardous spotlights, previously directed into the eyes of motorists on the road, have been shielded, and visible storage of wares has been modified. In at least one instance, flowers have been planted!

Action of this kind does much to increase our own pride in our Township and creates a better impression on those who drive through or visit our town. Meanwhile, I am happy to say, our Township Appearance Committee is working to obtain the same cooperative action of commercial establishments of other kinds.

I am certain the citizens of Livingston appreciate this outstanding cooperative spirit. An expression of appreciation is definitely in order, and I hope our citizens will compliment those stations where a sincere effort has been made to make them trim and neat. In those few cases where we have not made contact as yet, it would be helpful if citizens' interest in town appearance and motorist safety, is made known.

Sincerely,
William H. Clark,
Mayor

Town Buys New Two Way Radios

The two-way radio equipment contract to serve the departments of Public Safety and Public Works, was awarded to Motorola Communications and Engineering of Fairlawn, lowest of two bidders by over $1000 with a $7,929.55 total bid. The actual contract is to be $7,929.55 less $180, the quoted price for a remote control unit. This item has been deleted from the contract because the Township's radio engineer has hit upon a way to provide the unit at half this cost.

The contract will include the purchase of one desk model base station for $817; two walkie talkie units at $345 each; four transistorized mobile units with all transistors in the receivers, at $795 each; nine mobie units with all tubes in the receivers and a transistor power supply for $538.50 each.

The total comes to $9,533.50. The company will allow $1,783.95 trade-in for Livingston's used equipment (as opposed to a gross $9,837 and only $855 trade-in on the other submitted bid) to bring the total to be expended on the contract down to $7,749.55.

The purchase of this new equipment is necessitated by Federal Communications Commission orders that the Township's radio system must be switched to narrow band frequencies. FCC says also that radio units serving departments other than Public Safety (in this instance, this means Public Works) must be handled by separate radio arrangements, necessitating separate base stations for the two systems. Township Manager Harp advised the Council that they are planning towards accomplishing this switchover by 1961, to comply with federal orders.

Tax Office Open Monday Evening

The Livingston Tax Office will be open Monday evening, August 1, from 7 to 9. This is the only evening that the office will be open until after Labor Day. Monday evening openings will be resumed on September 12.

Nike Base Sergeant Is Best Soldier In 1st Army Region

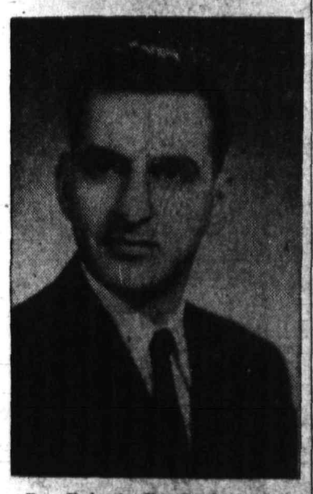

Specialist Fourth Class Weldon J. Blair has been selected as Soldier of the Quarter for 1st Region, U.S. Army Air Defense Command according to Brigadier General Robert Hackett, Commanding General of the 1st Region.

Specialist Blair, a Fire Control Maintenance Supervisor at "C" Battery, 2nd Missile Battalion, 65th Artillery, Livingston, a unit of the 52nd Artillery Brigade, Highlands, New Jersey, was selected by a board of officers at 1st Region, Fort Totten, New York. Selection was based upon military appearance and bearing, knowledge of the job he performs in the Army and the Army in general. Knowledge of current events also played a major role in selection of the winner. The winner received a check for $100 and a three day pass.

Specialist Blair, a native of Maypearl, Texas, attended high school in Maypearl and Texas Weslyan, at Fort Worth, Texas. He entered the Army in September 1958 and after completion of basic training at Fort Chaffee, Arkansas, he attended the Nike Universal Fire Control Maintenance Course at the Guided Missile School, Fort Bliss, Texas. Here he was presented the Assistant Commandant's Award for Outstanding Academic Achievement when he registered the highest scholastic percentage of his class with a 98.93% average. Specialist Blair is married to the former Mildred Heywood of Fort Worth, Texas. They reside at 12 Central avenue, Caldwell, New Jersey.

Dr. Dorian Opens Practice In Town

Dr. Robert V. Dorian of 155 West Hobart Gap road has opened an office at that address for the practice of obstetrics and gynecology.

Born in Orange in 1928, Dr. Dorian was graduated in 1945 from Orange High School. He received his A.B. from Rutgers University, cum laude, in 1951 and was graduated from Temple University Medical School in 1955.

Hes was resident in obstetrics at Margaret Hague Maternity Hospital from 1956 to 1958 serving as chief resident from January to July 1958; and in gynecology at Jersey City Medical Center from 1958 to 1960, serving as chief resident from January to July 1960. He was formerly associated with R. A. Cosgrove, M.D. of Jersey City. Dr. Dorian served in the United States Navy from 1946 to 1948.

In 1958 he wrote a scientific paper on Significance of Melliturla in Pregnancy, which was awarded first prize at the scientific exhibit at the New Jersey Medical Convention in 1959 and honorable mention at the scientific exhibit of the American Medical Association Convention in 1958.

Dr. Dorian is married to the former Mariam Berberia of Newark. They have a son, Robert S., six years old, who is in the first grade at Burnet Hill School, and a daughter, Kim Elizabeth, two.

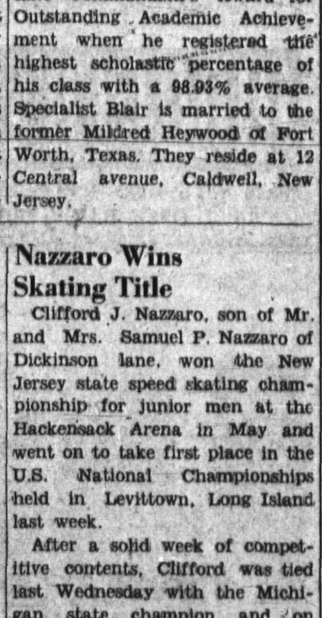

Nazzaro Wins Skating Title

Clifford J. Nazzaro, son of Mr. and Mrs. Samuel P. Nazzaro of Dickinson lane, won the New Jersey state speed skating championship for junior men at the Hackensack Arena in May and went on to take first place in the U.S. National Championships held in Levittown, Long Island last week.

After a solid week of competitive contents, Clifford was tied last Wednesday with the Michigan state champion and on Thursday, he beat his opponent to receive top honors for 1960.

This is the second victory for Clifford who was the New Jersey State and National Intermediate men's champion of 1958.

He is an American on Wheels champion and he participates in exhibition races for the March of

Dimes each year. Clifford will defend his title next summer in California. He is a member of the Boulevard Skating Club of Bayonne.

Clifford, who is 18 years of age, attended Livingston High School and is presently a senior at Newark Preparatory School.

On Dean's List

Lawrence M. Powell of 8 Winchester road was one of the nine College of Pharmacy scholars at Rutgers colleges in Newark to be named to the Dean's List for having compiled outstanding academic records for the February to June 1960 semester. He is a member of the Class of '61.

TOWNSHIP OF LIVINGSTON
PASSED ORDINANCE
ORDINANCE No. 22 — 1960

AN ORDINANCE TO PROVIDE FOR THE IMPROVEMENT OF HILLSIDE AVENUE FROM THE INTERSECTION OF BELMONT DRIVE TO THE INTERSECTION OF WEST MOUNT PLEASANT AVENUE BY GRADING THE FULL WIDTH THEREOF, RECONSTRUCTING AND PAVING THE ROADWAY THEREOF FOR A WIDTH OF 30 FEET, AND CONSTRUCTING STORM SEWERS AND APPURTENANCES THEREIN, APPROPRIATING $32,745.53 THEREFORE AND AUTHORIZING THE ISSUANCE OF $29,745.53 OF BONDS OR NOTES OF THE TOWNSHIP FOR FINANCING SUCH APPROPRIATION; AND DIRECTING A PARTIAL SPECIAL ASSESSMENT TO BE MADE THEREFORE.

WHEREAS, it is proposed to improve Hillside Avenue in the Township of Livingston in the manner and to the extent as hereinafter set forth in Section 2 of this ordinance; and

WHEREAS, the estimated cost of said improvement is 32,745.53; and

Whereas, the State Highway Commissioner has approved State Aid under Title 27 Chapter 15 of the Revised Statutes of New Jersey in the sum of $29,745.53; and

WHEREAS, so much of the actual amount of said improvement as exceeds $29,745.53 shall be paid by special assessments to be levied on the property specially benefited thereby;

NOW, THEREFORE, BE IT ORDAINED by the Council of the Township of Livingston in the County of Essex (not less than two-thirds of all the members thereof affirmatively concurring), as follows:

Section 1. The improvement described in Section 2 of this ordinance is hereby authorized as a partial local improvement to be made or acquired by the Township of Livingston in the County of Essex, and for the said improvement or purpose stated in said Section 2 there is hereby appropriated the sum of $32,745.53.

Section 2. The improvement and purpose authorized in Section 1 of this ordinance is the improvement of Hillside Avenue for a distance of approximately 2090 feet, northeasterly from the intersection of Belmont Drive to the intersection of West Mount Pleasant Avenue, by grading the full 50 feet of width thereof, reconstructing, widening and paving the existing roadway for a width of 30 feet and the construction of storm sewers and appurtenances therein, all in accordance with plans and specifications therefore prepared by N. N. Papandres, Township Engineer, dated June 15, 1960, on file in office of said Township Engineer and open for public inspection, which said plans and specifications are hereby approved.

Section 3. For the financing of said improvement or purpose and to meet said appropriations, negotiable bonds of the Township are hereby authorized to be issued in the principal amount of $29,745.53; pursuant to the Local Bond Law, constituting sections 40:1-1 to 40:1-88 of the Revised Statutes of New Jersey, and the sum of $3,000.00 from funds on hand made available by appropriation in a budget or budgets of the Township heretofore adopted, under the title "Capital Improvement Fund," is hereby appropriated and alloted as the down payment for said purposes as required by law. In anticipation of the issuance of said bonds and temporarily to finance said improvement or purpose negotiable notes of the Township in a principal amount not exceeding $29,745.53 are hereby authorized to be issued pursuant to and within the limitations prescribed by said law. The maximum rate of interest which any of said obligations shall bear is six per centum (6%) per annum.

Section 4. The following matters are hereby determined, declared, recited and stated:

(a) The estimated maximum amount of bonds or notes to be issued for the improvement or purpose described in Section 2 of this ordinance is $29,745.53.

(b) The estimated maximum amount of money to be raised therefore from all sources is $32,745.53.

(c) Said improvement or purpose described in Section 2 of this ordinance is not a current expense and is an improvement on property which the Township may lawfully make or acquire.

(d) The period of usefulness of said improvement or purpose within the limitations of Section 40:1-34 to 40:1-36, inclusive, of said Local Bond Law, and according to the reasonable life thereof, is ten years.

(e) the Sum of $29,745.53 to be received by the Township from the State of New Jersey, as aforesaid, will be contributed by the Township toward the payment of the cost of said improvement; the estimated amount of special assessments to be levied on property specially benefited by said improvement will be $3,000.00, and the stated number of annual installments in which may be paid such special assessments is five.

(f) The supplemental debt statement required by said Law has been duly made and filed in the office of the Township Clerk, and a complete executed original thereof has been filed in the office of the Director of the Division of Local Government of the State of New Jersey, and such statement shows that the gross debt of the Township is increased by this ordinance by $29,745.53, but that the net debt of the Township is not increased hereby. The issuance of the obligations authorized by this ordinance is therefore within the debt limitations prescribed by said Law.

(g) The following items, as defined and authorized by Section 40:1-55 of said Law, are and shall be charged as a part of the cost of said improvement or purpose to be financed by the issuance of the obligations hereby authorized.

1. Not exceeding $1,000.00 on account of engineering inspection costs and legal expenses.

2. Not exceeding $500.00 on account of interest on said obligations during the period permitted by said section.

3. Not exceeding $100.00 on account of the cost of issuance of said obligations.

Section 5. The full faith and credit of the Township are hereby pledged to the punctual payment of the principal and interest on said obligations. Said obligations shall be direct, unlimited obligations of the Township and the Township shall be obligated to levy ad valorem taxes upon all the taxable property within the municipality for the payment of the obligations and interest thereon without limitation of rate or amount.

Section 6. The cost of said improvement, to the extent that such cost exceeds the sum of $29,745.53, or the sum actually contributed by the State of New Jersey, shall be paid by special assessments to be levied on property specially benefited thereby as near as may be in proportion to the peculiar benefit, advantage or increase in value which the respective lands or parcels of land or real estate shall be deemed to receive by reason of said improvement, and in no case shall any assessment on any parcel of land exceed in amount such peculiar benefit, advantage or increase in value.

Section 7. The owner of any land upon which any assessment for said improvement shall have been made may pay such assessment in five equal yearly installments with legal interest on the unpaid balance of the assessments. The first of said installments shall be due and payable thirty days after confirmation of the assessments and each subsequent annual installment and interest shall be payable in each successive year thereafter on the first day of November, provided that any person assessed shall have the privilege of paying the whole of any assessment or balance of installments with accrued interest thereon at any time; in case any such installment shall remain unpaid for thirty days from and after the time it shall become due and payable the whole assessment, or balance thereof, shall become and be immediately due and payable and shall draw interest at the rate imposed on the arrearages of taxes in the municipality and shall be collected in the same manner as provided by law for other past due assessments. Each such assessment shall remain a lien upon the land decribed therein until the same with all installments and accrued interest thereon shall be paid and satisfied. Notwithstanding anything herein to the contrary, the Township shall have the right to waive default as may be permitted by law.

Section 8. This ordinance shall take effect twenty days after the first publication thereof after final passage as provided by law.

Pastor Ruths Speaks At Boys' Conference

"The ingredients of a Christian vocation" were noted at a Church Occupations Conference for high school boys at Gettysburg, Pa., Friday (July 22) evening by the Rev. Arthur L. Ruths, New York City, a foreign missions secretary of the United Lutheran Church, who resides at 30 Crestview Hill road, Livingston.

Keynote speaker before 80 boys gathered at Gettysburg College, Pastor Ruths listed the ingredients as: a caller, someone being called, and being called for a purpose. He made additional presentations Saturday.

Grace Conable Dies in Canada

Miss Grace Conable, formerly of Livingston, a missionary nurse, died July 21 of a long illness in Hamilton, Ont. Canada. She had resided in Brantford, Ont. for the last nine years. She was 52.

Born in Bridgeport, Conn., Miss Conable received her nurse's training in Brooklyn, where she was a practicing nurse for 10 years. She later went to Nigeria, Africa as a missionary nurse under the Sudan Interior Mission.

She became ill after four years in Africa and returned to the United States where she lived for a year with a brother, Samuel, and several years in New York before going to Candada.

She is also survived by three other brothers, William H. of Bantam, Conn., David of Stratford, Conn. and George C. of Springfield, Mass.; and four sisters, Mrs. Anne Hard of Red Hook, N. Y., Mrs. Emily Brown of Idaho Springs, Colo., Mrs. Addie Wyckoff of San Ferando, Calif. and Mrs. Alice Roby of Daytona Beach, Fla.

The funeral was held Monday at 2 p.m. from the Northfield Baptist Church.

D of A to Meet

The Daughters of America will meet Thursday, August 4, at 8 p.m. in Grange Hall.

Heckman To Preach At Union Service

Philip Heckman will preach the sermon at the Union Service at Olivet Congregational Church this Sunday at 10 a.m. instead of the Reverend N. Vance Johnston, who left July 22 for the American Baptist Conference Center at Green Lake, Wisconsin.

He is attending the conference on Vocational Evangelism, July 24 through July 30. He is expected back on August 1 and will preach at the Union Service at Olivet Church on August 7.

Ernst Zeeb Dies Suddenly

Ernst Zeeb of 34 Mt. Pleasant parkway died Wednesday, July 20, at Martland Medical Center, Newark. He was 52. He was stricken earlier that day as he was about to board a plane at Newark Airport on a business trip.

Mr. Zeeb, who came to the United States from Germany in 1928, lived in Newark before moving to Livingston 20 years ago.

He was an engineer and had been employed for the past 11 years with the Johns- Manville Corporation, Newark. Prior to that he had been with Bakelite Company, Bound Brook.

He is survived by his wife, Mrs. Anna Zeeb; his mother, Mrs. Ernestine Zeeb of Livingston; two brothers, M. Sgt. Erwin Zeeb, USA, stationed in Washington, D.C. and Karl Zeeb of Livingston; and two sisters, Mrs. Edgelgard Schmauk of Fanwood and Mrs. Louise Heyer of Hartford, Conn.

Services were held Saturday from the Hopping Funeral Home, 145 East Mt. Pleasant avenue, at 2 p.m. Interment was in Hollywood Cemetery, Union.

Junior Gardeners To Meet Thursday

This month's meeting of the Northfield Junior Garden Club will be held on Thursday, August 4, at one o'clock at Mrs. Douglas Spies' house, 8 Country Club road.

The program will include working on scrapbooks, Pot Pourri sachets, and making further plans for exhibits in the Morris County Fair Flower Show.

Mrs. William Rathbun of 47 North Livingston avenue is spending a week with her son, Captain Donald Rathbun of North Weymouth, Mass.

Playground News

Collins

Playground — Jackie Fay and Smith

This week, Collins playground acquired a mascot. It was a box turtle named Timothy and was owned by Peter Stuppi. Timothy came to the playground faithfully every morning with Peter until he escaped from his box one night and crawled back home to the woods.

Making potholders and finger painting were the two arts and crafts projects that attracted the most children this week. Over two hundred gaily colored pot holders were finished, adding an extra dash of color to most kitchens in the neighborhood.

"Do you know the secret?" That is what the signs read all over Collins playground one night and no one was able to guess the answer. The secret finally turned out to be a surprise peanut hunt, much to everyone's delight. The winners in the 5-8 year age group were: 1st — Jackie McCanna; 2nd — Barbara Daidone; and 3rd — Linda Fay. In the 9-10 year group the winners were: 1st — Ron Valentine; 2nd — Wendy Wishner; and 3rd — Marcie Schorr. In the 11-15 year group the winners were: 1st — Paul Parker; 2nd — Kenny Schultz; and 3rd — Joe Ryan. Without a doubt, peanut hunts rate high among the favorite events.

The highlight of the week was the bicycle rodeo in which the participants displayed their skill in handling their bicycles. Each playground conducted its individual rodeo. There were two age groups: Pee Wee, ages 7-9; and Midget, ages 10-12. The events were the circling, weaving, straight line riding, slow speed, basket weaving and short stopping. The winners from Collins playground were: Pee Wees — Pat Stuppi, Mary Ryan, Scott Harp and Steve Ralleanu; Midgets — Wendy Wishner, Carol DiFilippo, Nancy Small, Paul Parker and Kenny Schultz.

The rodeo was climaxed by the champions from all playgrounds competing in a muster rodeo at Memorial Field. For this rodeo, all the bicycles were gaily decorated and then judged on the originality and work put into the decorations. Although no one from Collins won in the finals contest, Steve Ralleaunu placed first for the best decorated bicycle.

During these next two weeks physical fitness tests will be held at the playgrounds to determine the best physically fit boy and girl in Livingston. Parents, if interested in having their sons or daughters enter this event, must send them to the playground every morning while the tests are being given.

Finally, the respective champions were determined in the Tether-Ball tournament. The results were a surprise as much as they were exciting as two "underdogs" captured first honors. In the 5-9 year old group, Dennis Schultz placed first, while Scott Sparks and Peter Stuppi were second and third, respectively. For the 10-15 years old, Bobby Norman placed first while Ronnie Valentine and Ralph Young followed second and third.

Harrison

Playground — G. Hewlett and Ellen Weidner

Friday was a beautiful, sunny day after a long rainy Thursday, and there was quite a crowd on the playground. Mike Meehan, Tom Keogh and Bill Dolan were winners in the tether ball games, in that order. Friday night, a peanut hunt was held on the playground. The top three winners were Toni Blonder, who found 75 peanuts, James Maloney and Dave Palermo. Everybody got full on peanuts that evening.

Monday morning the bike contests were held to determnne the people to be sent to the Rodeo at Memorial Park. The following represented Harrison: Junior Class — Bill Starzman and Gordon Perotti; Midget Class — Robert DiFranco, Pete Miller, Molly Simon and Joan Rothbard; Peewee Class — Steve Jandoli, Ben Ripa, James Maloney and Robin Warner.

Many thanks to Ann McMorrough for entertaining Harrison with a lovely Scotch dance with Swords. Ann was a bonnie lassie in her "Dress Stewart" plaid. Perhaps next time there'll be bagpipe music to accompany the dance.

Squiertown

Playground — Marge Molitoris and Diana Steele

The most outstanding event of the week was the championship softball game played with Roosevelt at Squiertown. Despite the 9-0 loss, the boys are to be congratulated for their splendid efforts in reaching the finals of the championship. For those many spectators who enjoyed the game, there will be a return game in the near future.

Al Cece has been declared the tetherb[illegible] beaten all of the other boys on the playground and will represent Squiertown in the "Tournament of Champions" on August 10 at Memorial Park.

For the Bicycle Rodeo, the following were selected to represent Squiertown at Memorial Park: John Doyle, Bob Brady, Art Deacon, Randy Smith, Alan Small and Lynne Evans. Lynne Evans won the decorating contest at the playground and also the best costume contest with a very cute Hawaiian outfit.

Roosevelt

Playground — Danny Adams and Linda Ackley

The 1960 Playground Softball Championship was won by the undefeated Roosevelt team when they shut out the Squiertown nine. Danny Adams pitched an excellent game (backed up by especially fine fielding) allowing only one Squiertown man to reach third base.

Everyone on the Roosevelt starting team had at least one hit. Don Baubles led the hitting with four solid belts. Dick Jones, Bruce Hazuka, and Danny Adams collected two each. Final score of the championship game: Roosevelt 9, Squiertown 0.

Many children participated in the Playground Bike Rodeo. The following "experts" collected most points and represented Roosevelt at the "Big Bike Rodeo" at Memorial Park: Eleanor Overath, Peter Seggel, John and Kevin O'Donnell.

The very popular stick-ball tournament ended with Frank Biondi and Jim Hart taking the playground championship.

The Arts and Crafts program is well underway, and last week the children made very attractive boxes and baskets from popsicle sticks. They also learned to make decorative turtles from paper plates.

Hillside

Playground — June Rogers and Dave Batt

Another busy week at Hillside has come to an end, and we are able to announce the winner of our various special events. In the upper age group checker tournament the winners are: Marianne Stykitus, 1st; Helen Bruckner, 2nd; and Susan Kellan, 3rd. The younger age group still has one game to play.

Friday night was our Hat Show with the following winners: Best decorated: J. Costa, N. Phelan, J. Trail; most beautiful: M. Schaffer, D. Graf, N. Irwin; most unusual: L. McDermott, H. Bruckner, J. Kellan; funniest: S. Schifferes, L. Frate, and S. Kellan.

Our playground preliminary to the Bicycle Rodeo showed the following star cyclists: Peewee Boys: B. Phelan, T. Ressler, T. Jones; Peewee Girls: G. Keith, M. Walls; Midget Girls: T. Werbel, S. Kellan, S. Kreinberg; Midget Boys: P. Stykitus, E. Werbel, N. Farber; Jr. Boys: J. Fay, S. Ackley. On Wednesday night the townwide bicycle rodeo was held at Memorial field and Hillside's star was Geraldine Keith, who won first place for the Peewee Girls from all over Livingston.

The featured coming events are the finals of the physical fitness program at Memorial August 3; a tether ball tourney at the playground; and a talent contest at Hillside August 4.

Burnet Hill

Playground — Bill Graham and Sally Goas

Burnet Hill playground had another eventful week, with the highlight being the bicycle rodeo. There were many participants in this event, and all seemed to enjoy themselves. The rodeo consisted of skill events, tricks, a race for speed, and a contest of decorated bicycles. Tommy Nagle received the award for the best decorated bicycle. The best trick award went to Steve Essinger. Steve Gasparini was first in the speed race, Bill Hughan second, and Bernie Essinger placed third.

The winners for the skill event in the Peewee classification (ages 7 to 9 years old) were: boys — Neil Cereghino first, and Kevin Nagle second; girls — Mary Mikesh first, and Barbara von Bremen second. Pete Fusco took first and Bill Pennington second in the Midget classification (ages 10 to 12 years old) for boys. The Grand Winner of the rodeo was Pete Fusco. Congratulations to all our winners.

This week, a campfire was held Tuesday evening, and a peanut hunt will be held Friday evening. Special events for the rest of the season consists of a doll show, pet show, and a family night with a cookout. We hope to see many boys and girls participate in the playground program each evening.

Two On Placing Pistol Team

Two Livingston residents were members of a team from the Essex County Park Police which finished 2nd in the Class B team competition at the Sixth Annual Port of New York Authority Invitational Pistol Match held Saturday, July 16, in Hempstead, Long Island. Richard B. Jordan, 29 Amelia avenue, and Thomas C. Stroup, 19 Hazel avenue. The team shot a score of 1138 out of a possible 1200. The match was sponsored by the Port Authority's Police Division.

Nearly six hundred officers from more than seventy law enforcement agencies in New York, New Jersey, Pennsylvania, Connecticut, Rhode Island and Delaware were present at the all-day pistol match. Using 38-caliber revolvers, they participated in four-man teams and individual competition.

Four Playgrounds Have Baton Twirling

A new schedule has been devised to let Hillside and Roosevelt have lessons in baton twirling. On Tuesday, Marge Molitaris will go to Burnet Hill from 9:00 until 10:30 a.m. and then to Hillside from 10:45 until 12:00. On Thursday, lessons will be given at Squiertown from 9:00 until 10:30 and then at Roosevelt from 10:45 until 12:00. The new schedule will go into effect starting Monday August 1.

As a special event for those who are taking baton lessons, there will be two to four girls chosen from each playground to twirl at the start of the "Tournament of Champions" on August 10. There is still time for all of the girls to practice and work hard to be chosen for this event.

Nuts!

HERE AT LAST!

THE LOWEST COST HOMEOWNERS POLICY
EUREKA SAVES YOU UP TO 17.5% OVER OTHER COMPANIES

Eureka's Homeowners policy is the greatest bargain in the Homeowners field. It puts a protective insurance "dome" over your home—and everything in it—all at LOWEST cost.

Get the facts yourself from your own Agent. Ask him how Eureka's Homeowners policy can save YOU money. And while you're at it, ask him about our KEY PLAN Auto policy, too. It's another great money-saver . . . from Eureka.

Remember, you get the BEST for LESS with Eureka KEY PLAN.

Belly Floppers can be Fun

BUT Sometimes they're fatal. Diving in strange waters can end tragically in a shallow pool, on a hidden stump or underwater rocks. Don't let your children do it. Here are a few more "don'ts" that can help them swim safely this summer.

DON'T allow unsupervised swimming. When professional lifeguards aren't on duty, even good swimmers sometimes drown.
DON'T let children go in the water within an hour after eating. It's the surest way to cause cramps.
DON'T rely too much on inner tubes or water wings. They give poor swimmers a false sense of security. A leak causes big trouble.
DON'T permit night swimming unless the pool is well lit and well guarded. Once someone goes under in dark water, it's difficult to find them.
DON'T allow long, ambitious swimming early in the season. Swimmers are out of condition. And cold water saps strength fast.

Common sense is the best guide of all. That's what we at JCP&L-NJP&L teach in our safety programs. At work and on the road, we put our employees' — and our neighbors' — safety first.

Baby Keep Well Station To Change To Friday Mornings

The Livingston Baby Keep Well Station will be held every other Friday morning at 9 o'clock at the Livingston Board of Health, 19 Berkeley place, beginning August 12. The station was formerly held on Tuesday afternoons.

Dr. Thomas Weber of Livingston will continue to attend this station. Dr. Weber graduated from New York Medical College, New York City, in 1954 and interned from July 1954 to July 1955 at the Sacred Heart Hospital in Allentown, Pennsylvania. He then served as medical resident in the same hospital for a year. In July 1956, Dr. Weber and his wife, Dr. Lorraine Salon, started their practice in Livingston.

The Baby Keep Wel Station is sponsored by the Livingston Board of Health and the West Essex Public Health Nursing Association. Volunteers from the Evening Department of the Livingston Women's Club assist at this station.

Letter to the Editor

24 Bennington Rd.
Livingston, N.J.
July 24, 1960

Mr. William Klaber
West Essex Tribune
Livingston, N.J.

Dear Bill,

Mr. Stockham's vicious attack on me in a recent letter to your newspaper relative to my efforts to obtain more equitable county tax treatment for the citizens of Livingston was to me a knife in the back. However, I do not regret the many hours I have spent in behalf of our citizens to try to convince the county administration and the County Board of Taxation of the inequities in distributing the burden of county taxes. With the exception of Mr. Stockham's political letter, I am pleased to report that I have received many letters of encouragement and support from our informed citizens who understand the problem. In addition, our West Essex communities have supported our action by the adoption of resolutions. The mayors of our West Essex area have advised me that the threat of our secession from Essex County or a transfer to Morris County should not be considered an idle one.

It is to be regretted that Mr. Stockham has been completely misinformed on the facts of county taxation. To convey the impression that I am headline hunting, or that my action in this vital matter is for personal political advantage is completely erroneous and ill-advised. I am not a candidate in this year's election. Furthermore, this tax problem should not be a partisan problem.

Several false impressions were conveyed in the letter that must be corrected. First of all, our revaluation program, effective in 1957 did not create our county tax problem. A careful analysis of the county tax levies from 1950 to date will indicate that the shift of the County tax burden from the City of Newark to other communities has been in process since 1950, with the major shift occurring in 1955 — this was the year that a new equalization ratio method was adopted by the County Board of Taxation. Our percentage increases in county taxes for the years 1954 through the current year were as follows:

1954 — 18%
1955 — 62% *
1956 — 36% *
1957 — 2% Reval. Progr.
1958 — 20% applied
1959 — 33%
1960 — 12%

* (The increases in the years 1955 and 1956 were substantially greater than subsequent years. Clearly, the major yearly tax shifts took place prior to our revaluation program in Livingston in 1957.)

A second wrong impression which was created, related to the timing of our revaluation program. The fact is that fourteen of the twenty-two Essex County communities completed a revaluation program prior to or at the same time as our program. We were definitly not the first community to comply with the legal order of the County Tax Board. To date, we have believed in respecting their order to revalue property, and I believe condemnation of Livingston or any of the twenty communities that did comply with the order is repugnant.

A third impression relates to the problem itself. The City of Newark presently contributes 12.7 percent of its tax levy to support county government; we contribute 24.3 percent of our tax load as our share. This is not equity in taxation, particularly when we consider that the City of Newark receives a share of the total county services far beyond their percentage of financial contribution.

Should Livingston be condemned because it is the community that has accepted the leadership to have this condition corrected? I have not been the first in our town to carry the fight against unfair taxation, having been preceded by former Mayors Axtell, Dowd, and Skeels, who pounded hard on deaf ears to motivate the County Tax Board to exercise its responsibility to correct a glaring tax inequity. I am glad to be able to report that as a result of their previous efforts, and my demands before the County Tax Board, in January, a stern directive was issued to Bloomfield and Newark that the Board would not countenance further assessment figures from them (due in October of this year) unless they represented a true revaluation program.

During the process of my recent attempt to persuade the County Tax Board to hire professional service to make a study of the equalization problem with the purpose of submitting an objective report, the Newark City Council initiated action to have welfare costs transferred to the County. This called for a protest and "Rip Van Winkle" Livingston with the strong support of the other West Essex communities immediately protested violently by means of resolutions, letters, and verbally, to all legislators and administrators concerned, even to the point of boldly threatening secession.

The arguments in the letter over Mr. Stockham's signature regarding hospitalization problems if we should create a West Essex County are without basis. There would be plenty of time to provide facilities and based on the fact that Newark uses about 90% of the Essex County institutional facilities we could build new and better ones of a smaller size and have an abundance of money left over to reduce taxes.

Few new communicable disease hospitals are being built by any governmental jurisdictions in this country. Our communicable disease is less today than in any other period of this century.

Finally, I must make an observation regarding the political factor introduced in the letter signed by Mr. Stockham whereby it is claimed the county tax situation will motivate him to campaign this November for Democrat council candidates Howard W. Hayes and Paul P. Lally Sr. The facts are that our county government has been controlled for some time by the Democrat party. Both of the local Democrat candidates for Town Council have been most active in county Democrat party activities, one as assistant counsel to the Board of Freeholders, and the other Chairman of the Young Democrats' Organization. It seems to me that if anyone could have been of help in the past years these gentlemen were in an ideal position to do so. I have never heard of them lifting a finger to help their own community in this regard, and I fail to see how Mr. Stockham could so confidently rely on them to do more in the future. I would personally have been delighted if they had come forth to "lend their help, their arms and their voices" just as our good Democrat Senator Donal C. Fox has done.

Our Township has a proud history of expressing itself forcefully in county tax matters. This history dates more than a century. I regret that our good citizen did not familiarize himself with this fact before he signed a letter that was loosely drawn without the real tax facts.

I can understand why those in our Democrat administered county government responsible for tax equalization would be glad to see a letter similar to the one to you or even consider inspiring it in order to quiet Mayor Clark and get West Essex off their back. It is also conceivable the local Democrat Town Council candidates would take a similar view hoping to embarrass the local administration in order to advance their political fortunes in the coming election.

Actually, I feel correction of the method of equalization of county taxes is so important to us that any progress possible should not be deterred by political considerations. We have a real problem in hand which requires all parties to pull together for a solution. I can sincerely state your Mayor and Town Council and the neighboring West Essex communities do not intend to be silenced. We will also welcome any constructive suggestions anyone wishes to offer.

WILLIAM H. CLARK
Mayor

4-H Outing On Tuesday

All Livingston 4-H members are reminded of a special meeting to be held Tuesday, August 2, at 7:30 p.m. at the home of Mrs. Clara Young, 139 Sycamore avenue. Tags for entries in the Essex County 4-H Fair will be given out and rules and regulations will be discussed.

The Fair will be held Tuesday and Wednesday, August 9 and 10, at the Caldwell Township School grounds, Fairfield road near Route 46. It is open to the public from 1 p.m. to 10 p.m. on Tuesday and from 10 a.m. to 5 p.m. on Wednesday. No admission will be charged.

On Tuesday evening a country supper will be served between 5:45 and 7:15. The menu includes imported ham, fresh picked corn on the cob, home baked beans, salads, rolls, coffee, milk and home made cake. Tickets may be purchased through Mrs. Young, WY 2-2353, or Mrs. H. DeVries, WY 2-9336.

At the fair, 4-H'ers will display and have judged their year's work. There are divisions for sewing, cooking, crafts, poultry, guinea pigs, rabbits, horses, dogs, vegetables and flowers. After the supper, an evening's entertainment is planned by the Horse Club and the Dog Club. There will also be a fashion review by the various sewing groups.

Masterwork Chorus Has Member Openings

Local residents may obtain information about membership in The Masterwork Chorus for the 1960-61 season from Mrs. Martin Morris, 4 Tower road or by calling Mrs. William Kerr, WY 2-2491.

At the present time there are openings for more singers in all voice parts, and arrangements are being made for special pre-season audition of those interested in joining the chorus.
