FOR ESSEX CO., HARRISON, KEARNY, &c., AND UNION CO., EXCEPT SUMMIT, RAHWAY AND PLAINFIELD

ORDERS AND INQUIRIES BY MAIL RECEIVE PROMPT ATTENTION

OPEN EVENINGS

In all parts of the world the WELSBACH LIGHTS have taken, or are taking the place of all other lights, for:—

Each gives (as may be seen at our store by ACTUAL COMPARISON) 4 times the light of an Electric Incandescent Light, and BURNS BUT 1-3 THE GAS of an ordinary burner.

Attached quickly to any gas fixture without extra charge. SELF-LIGHTING ATTACHMENTS, 50c. each, are a MOST ECONOMICAL AND DESIRABLE adjunct, burning less than 1c. worth of gas per week when turned low and saving much wear on mantles.

PORTABLE READING LIGHTS with stand and tubing, $5 and up, are the best for Libraries, Dining Tables, Desks, Sewing and Residences. Shades and appurtenances in great variety.

Don't you think you have put off long enough having out those old teeth preparatory to having new ones made? The pleasant weather is here, and so are we with lots of pure, fresh gas, ready at any time you may call.

Why make a great fuss over having a few teeth out? You will be surprised to find what an easy job the gas makes of it in our hands. Our experience is long in years and great in the number of those who have safely taken it under our administration.
