# DEDICATION

The 1966 Mirror is dedicated to Man in all his innocence and knowledge, confidence and confusion, glory and ruin. Above all, we wish to honor each man's lonely agony in his effort to affirm his beliefs that peace is not abstract or ephemeral; that death in Vietnam is not without purpose; that "man is really good at heart."

Such man deserves our respect and pride; we hope that we may fulfill his optimistic expectations.

# IN MEMORIAM

Miss Marie A. Sora

Miss Margie A. Sora, head of the Modern Language Department of the South Orange-Maplewood School System, worked diligently to improve the standards of teaching modern languages, not only in Columbia, but throughout the state. She shared her boundless vitality and quick sense of humor with everyone she met.

“To everything there is a season,  
and a time to every purpose under the  
heaven;  
A time to be born, and a time to die”;

It is unusual to meet someone who radiates kindness, warmth, and love at a first meeting. It's unusual — but it happens. It happened whenever anyone met Bonnie Cheryl Berger.

At the crossroads of learning,

From the joyless patterns of life,

Without warning,  
youth breaks loose.

You ask me —  
What is the best  
happiness of all?

[Wang-Wei]

Happiness  
is  
speechless.

[George William Curtis]

A soul unattached  
creates its own  
sweet solitude.

[Tao Yuan-Ming]

Give them the will to achieve.  
I've always liked that better  
than the will to win, for there  
can be achievement even in  
defeat.

[John Updike]

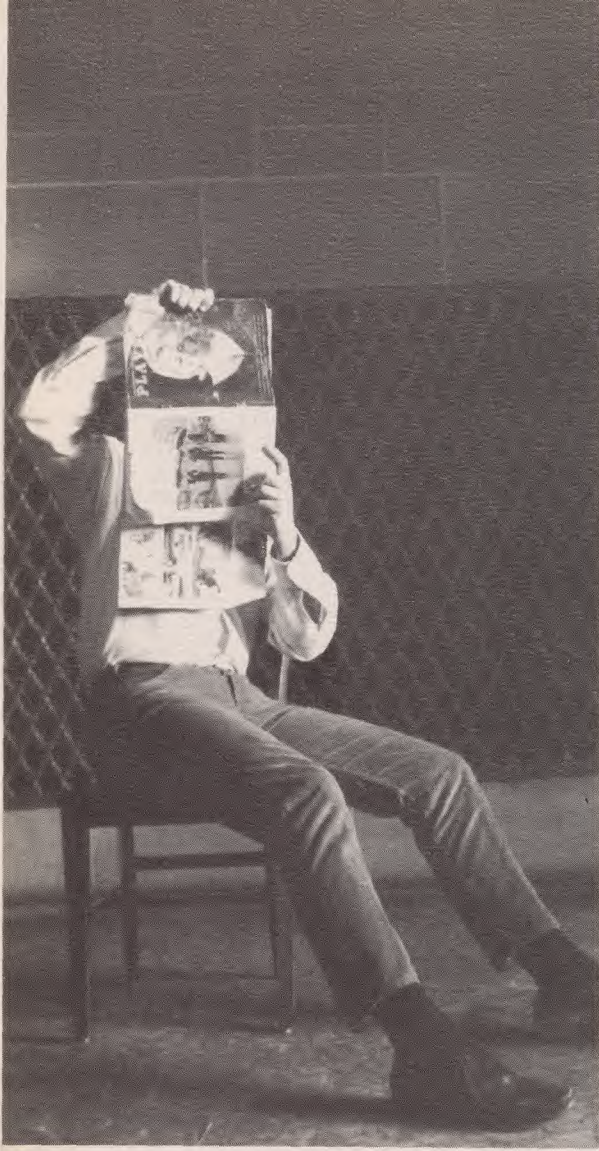

Man unites himself  
with the world in the  
process of creation.  
[Erich Fromm]

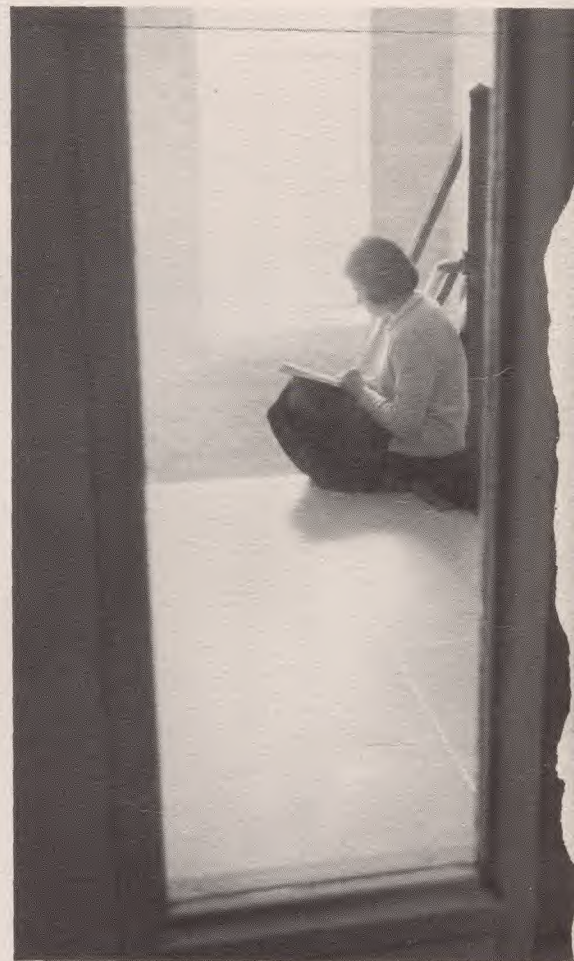

You would know in words  
that which you have always  
known in thought.

[Kahil Gibran]

“Now, here, you see, it takes all the running you can do, to keep in the same place. If you want to get somewhere else, you must run at least twice as fast as that!”

[Lewis Carroll]

Security is  
knowing  
you're not  
alone.

[Peanuts]

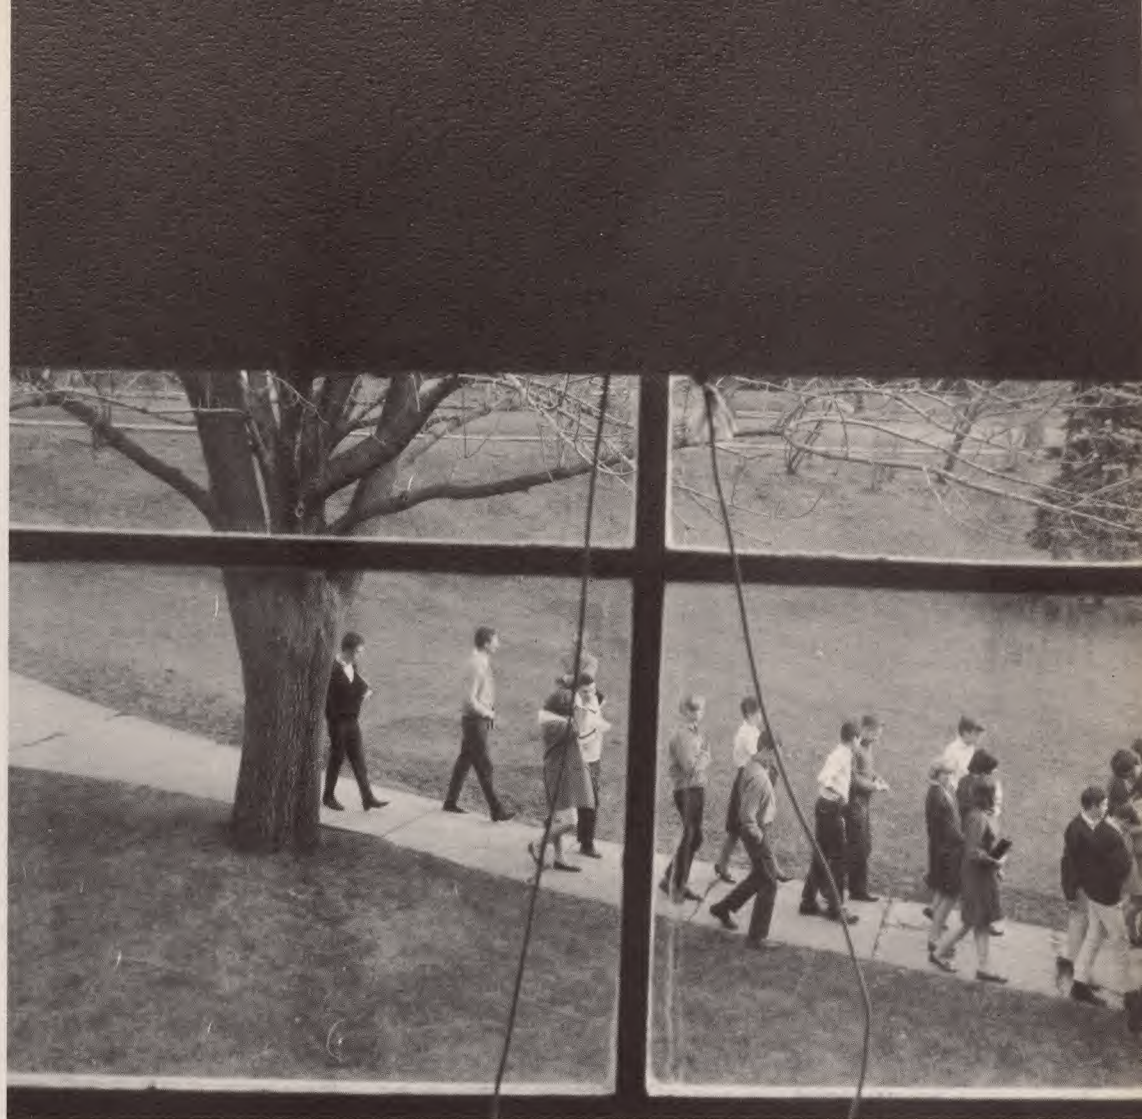

“. . . and you  
the truth, and  
shall make

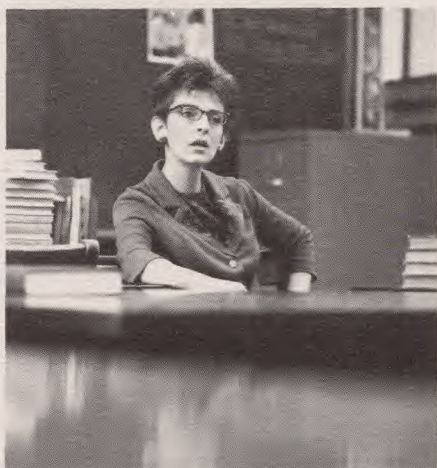

shall know  
the truth  
you free.”

# Foreign Exchange

Gisela Taschner

The purpose of the Foreign Exchange Committee is to bring students from other countries to Columbia, to form a contact between Columbia and the students of other nations. This year, Columbia has had three exchange students.

Gisela Taschner, from Sao Paulo, Brazil, spent her senior year at Columbia under the American Field Service Sponsorship. The main purpose of the American Field Service Sponsorship. The main purpose of the visit was to enable her to make friends for herself and her country.

Toshio Arai

Toshio Arai, from Tokyo, Japan, was here under the World Christian University auspices, a program specifically designed for language study. Toshio spent his senior year studying English.

Haluk Ar, of Istanbul, Turkey, came under the sponsorship of the Herald Tribune World Youth Forum. This program is more politically oriented than the others. ### DONE MOST FOR SCHOOL

Mark Eitelberg, Judy Baime

Recently I attended the 1980 World's Fair in Peking, China. There were several pavilions designating the ideal places of secondary education. Columbia was chosen to represent our nation's high schools. The class of 1966, being CHS's outstanding graduating class, was asked to represent the school.

MARK EITELBERG is already a big wheel in Washington as our nation's ambassador to Andorra . . . PAT MATHIAS is always by his side with her trusty typewriter . . . CRAIG BASKERVILLE has joined up with the singing Righteous Brothers . . . ROMAN TYMIAK has teamed up with Albert Einstein, Jr. to become our country's greatest one-two punch in nuclear physics . . . ELLIOT SATSKY is head of the board of directors of the Look-At-Myself Mirror Company . . . PAUL PETIGROW is with the Ringling Brothers Barnum and Bailey Circus as a *wolf* trainer . . . SUSAN BRODY is a barker at a carnival. I tried to talk to her, but I couldn't get a word in edgewise . . . ACHILLES FALVO owns a shoe store that goes by the name of Achilles' Heels . . . STEVE STRIPP is one of the most successful barbers in Hollywood. How can he miss with daily customers such as DANNY MAGLIO, CHARLIE LORELLO, and MARTY GRIFFIN . . . BARRY CHARLES is quite famous for raising prize horses. He became interested in horses through previous experience with harnesses . . . BOB COLLUCI is now Dean of Boys at CHS while BARBARA HAUSER is Dean of Girls. They

both report that they enjoy working under their boss, Principal JOHN SLACKMAN . . . ERIC SOMBERG, STEVE MEYER, ANDY FISHER, and SANDY OXFELD now own the Four Seasons Restaurant. PHYLLIS LA MANNA is head chef . . . Speaking of restaurants, NANCY ENGLANDER is a full time waitress at Gruning's. Now she can stay there as long as she wants . . . IRA LIPPY has just become the number one salesman at Wells Cadillac, while KAY BROOM-SMITH is personnel director at KLESS Jaguar . . . KEVIN FORD sells Mustangs and MICHAEL SHALIT is still trying to get rid of his 1965 GTO . . . ROBERT RUBENFELD is a retired millionaire. He hasn't spent a cent in the last ten years. He's still single because he wouldn't shell out two bucks for a marriage license . . . LARRY FISHBEIN reports that he recently purchased the U.S. Mint, the George Washington Bridge, and the State of Florida . . . BOB MASIN is still a three sport man. He is the captain of Luigi's Badminton Club, Rab's Ping Pong Squad, and the Q-Stick Billard Team. What an athlete!!! . . . In wrestling BUDDHA CORTESE and BRUNO ESPOSITO are tag team champions of the world . . . BOB GITTILIN is head sampler in the CHS cafeteria . . . "ED" SCHWARTZ and "HARRY KUSKIN are famed kidney surgeons, while their sidekick PAUL KEITH is running his Corvette all over the place . . . RICKY AIDEKMAN, JIM RYAN, MIKE HANDELLSMAN, PAUL LUCAS and BRUCE CHAIT have formed a basketball team of their own. That'll show him!!!

# PHECY

JUDITH PERLMUTTER is having a great married life. Her seven sons each tower above six feet. The oldest just reached his twelfth birthday . . . Wouldn't you know it? KENNY WEISSBERG and KENNY WEINBERG are co-editors of *Playboy* Magazine . . . LINK BAUM is officially titled "Santa's Little Helper" . . . RALPH COCIA is owner of the famous "Coccia" Delicatessen . . . JEFF CRYSTAL sells glassware and DALE ERICKSON has turned over a new "lief" . . . CHARLIE GARNEAU is a professional study hall teacher. He profited from his professor, Mrs. Laura Munitz . . . MIKE ABRAMSON has taken over for his father and is now Dean of Admissions at the University of Pennsylvania . . . DAVID LEVIN is the United States Ambassador to Israel . . . KAREN ALPER was the first lady on the moon and now teaches astronomy to the "moonmen" . . . HERMAN BERLISS sells crazy little red assignment books with stupid, worthless lists in the back . . . PHIL COPP is — You guessed it — a member of the local police force . . . MARTY BRAFMAN "wishes he could" be general manager of the San Francisco Giants. Too bad he had to settle for the Dodgers . . . RICK BAYLEY is a tumbling instructor at Fletcher Jr. College. He gives free demonstrations up there, too . . . JUDY BAIME is a famous congresswoman. She still wants the presidency after all these years! . . . GAYLE FOSSET is a singer at the Copacabana. Man, she really turns me on . . . JIM NOVICK, ROY GREENMAN, and ROHAIR KATZ can finally dunk, but STEVE KRUVANT is still trying. Each practices eight hours a day

and they promise to come to the first pre-game warm up next season . . . RICHARD FELDMAN has finally taken life seriously and is now wide awake on the job. He was infamous for sleeping through his senior year, especially his history class . . . NANCY HUNT and NANCY KOPLIN are too tired to do anything . . . ALAN FISHER is now one of Japan's greatest karate experts. His knuckles are now bigger than his hands . . . HELEN WEINER has become a leading doctor specializing in Mono. She spends much of her time at the Leister Clinic . . . MARSHA DUBROW has finally published her list of college acceptances . . . PATTI PARKER and BARBARA PLAIN have turned into Coffee Royal ice cream cones . . . MARGARET ROSS, SUSAN GELLER, and MARTY-ANN HARRISON own the Guy Faulkes Bakery, world famous for its brownies . . . GARY KUSHNER is still a chauffeur but now he's getting paid for it. MICHAEL FIERSTEIN enjoyed his services so much during high school, that we hired him full-time . . . We find that JUDY BRODY has become a professional baby sitter . . . SUSAN HARRITT went to France some years ago and has been staying there ever since . . .

And so we say farewell to Peking World's symbol of peace and look forward to the next reunion of the class of 1966. It's obvious that everyone is a huge success and this typifies the kind of education and upbringing they received at CHS (cough, cough). Continued good luck to all.

1965 was the year the Columbia High Football Team got all the breaks. However, instead of resulting in victories, these breaks only resulted in casts, slings and crutches and they cost the Cougars a disappointing 2-6 campaign.

Although there were only five lettermen on hand when practice began on September 1st, Coach Steve Frampton had confidence in several seniors who were successful in last year's jayvee campaign, and also a number of juniors from an excellent sophomore squad.

In three pre-season scrimmages against Scotch Plains, Cranford and Clifton, Columbia looked like world-beaters and spirits were high for the opening game against always tough Plainfield.

The Cougars had the guns to beat Plainfield, but early in the second period they received their first "break" when quarterback Eric Perlmutter fractured his thumb. Four Plainfield fumbles and three Columbia interceptions gave the Cougars the ball five times inside the visitors' 20, but a score was never realized as their attack bogged down, largely due to Perlmutter's handicap. With two minutes to go in the game, Plainfield scored on a 24-yard pass play and added the extra point, thus providing the winning margin in the 7-0 game. Co-captain Bob Masin starred for the Cougars on offense, carrying the ball 21 times, while linebacker Anthony Magliaro was particularly effective on defense.

Columbia went to Morristown still brooding over its ineffectiveness against Plainfield. The result was a cheap victory over weak Morristown squad by the ridiculous score of 2-0. Towards the end of the first half, when the Colonials attempted to punt out from deep in their own territory, the snap from center sailed out of the end zone for an automatic safety. Sophomore Ken Nichols did a creditable job in his first varsity assignment, replacing the injured Perlmutter. Other Columbia stars were slotback Frank Barnes and Co-captains Masin and Zarin, while special thanks must go to the Morristown center.

If the Cougars had stayed in bed on October 16th, the day of the Orange game, their season might have been successful. Not only did Columbia drop the decision 13-7, but in an unbelievable quirk of fate lost their two Co-captains for the season. Zarin dislocated three bones in his wrist during the second period and did not see action for another six weeks, until he returned to play in the finale against West Orange. Much more serious, however, was the injury to Masin. Bob tore every ligament in his right knee, and at the time the future sports career of one of Columbia's greatest athletes was in doubt. Fortunately, Masin's knee healed rather successfully and although he missed the football and basketball seasons, sports fans everywhere were relieved to know that Bob's athletic future was not over.

Defensive team

Getting back to the game, Orange took the lead after recovering a fumble at the Cougar 27. Happily, however, on the first play of the second half, the Red and Black scored its first touchdown of the season on a beautiful 56-yard run by Masin. Nevertheless, after blocking a punt in the fourth quarter Orange was able to register the winning touchdown.

Columbia's problems were all too evident in a 32-0 shellacking by Nutley. The Maroon scored all five touchdowns in the first half and if the coach hadn't inserted his subs, they could have scored five more. The Cougar offense had never been something to be proud of, but when the defense fell apart all was lost. The only bright spot was the play of defensive ends Jimmy Deutsch and Ed Pedota. The two were highly successful, completely stopping the end run, with the former playing in exceptionally hard-nosed game.

The story against Montclair was Garvey Craw and more Garvey Craw. The Mountie halfback tallied five times and was practically unstoppable. When Eric Perlmutter passed 36 yards to split end Ed Decter the Cougars were only behind 7-6. However, from then on it was all Montclair as they moved to a 46-6 win. Frank Cortese was particularly outstanding in stopping the Mountie attack, as was Ken Nichols at safety. Nevertheless, Montclair rolled on and on.

The contest against Kearny marked the return of Perlmutter to his quarterback post. However, his thumb had not completely healed and he threw an uncharacteristic six interceptions, two of which were turned for touchdowns. The Columbia offense was absent as the team went down to a 22-0 defeat. The Cougars could not muster any kind of drive, while unnecessary penalties and lackadaisical play did not help the cause for the

Red and Black. For the short time he was there, Deutsch was effective as were Ed Pedota and Mark DeMichele.

East Orange encountered very little opposition as it pounded out a 33-7 victory over the Cougars. Columbia's tackling ability was particularly inept. However, in their best offensive effort of the year, the Red and Black were able to sustain a long drive which was consummated when Perlmutter bulled over from the two.

The Cougars showed they never gave up when they whipped West Orange 19-6 on Thanksgiving Day. Perlmutter's thumb had healed completely, and the return of Zarin helped lift Columbia's spirits. This marked the first time in 20 years that the Cougars had played on West Orange's 'field'. Displaying great zeal in the locker room before the game, the Red and Black put all their efforts into winning the big one.

The Cougars struck first on a 70-yard pass play from Perlmutter to Decter, and the offense was quite successful with Brian Zappi and Charlie Duerr running and Decter and Barnes receiving. Behind Cortese, Detsch and Zarin, the quarterback sneak worked all morning. Besides the boys mentioned above, Ed Viola, Bob Waldron, Bob Kisch, Barry Walsky, Angelo Iantosca, Anthony Magliaro and Ken Nichols stood out.

Twelve seniors happily closed out the campaign against West Orange. They were Zarin, Deutsch, Cortese, Perlmutter, Magliaro, DeMichele, Mike Gerardo, Dave Hartman, Owen Rogal, Peter Saenger and Marc Schwartz. Dave Ferguson and Bob Masin had to sit out the last game because of injuries.

The victory over West Orange put a happy note on an otherwise dismal season. The last game is the one most remembered, and the seniors have something to be proud of.

*Captain Carl Segal and Mr. Chyzowich.*

*Segal about to score again.*

Despite a 4-9-1 record, the 1965 soccer season was one which led to much optimism. By winning four games, it became the most successful soccer team ever produced by C.H.S.

Under the direction of sophomore coach Eugene Chyzowich, the Cougars started quickly, defeating Governor Livingston H.S. 3-0. However, the booters won only one game and tied one in the next ten contests. Yet seven of these games were lost by only one goal. The defense was especially effective during this interval, never allowing more than three goals.

The most memorable moments for the team come at the latter part of the season when Columbia defeated East Orange 2-1 and Cranford 1-0 to give the Cougars a record number of victories and a winning streak for the first time in the club's short history.

Captain Carl Segal led the team in goals with six, bringing his three year total to a record 15. Carl, at center, guided the offense and played well throughout the year. Also to be commended was senior right-wing Bob Esposito who led the team in assists with seven. Elliot Satsky spectacularly solved the goalie problem, keeping the opposition down to an average of 1.4 goals per game and turning in a record three shutouts. Roman Meduch led the strong Cougar defense. He stalled many of the opposition's offensive drives. Roman received 2nd team all county honors.

Players wike Ralph Gabriner, Bard Schollenberger, Curt Richards, and Cliff Sobel, assure the Cougars of continued improvement and make the soccer future at C.H.S. a bright one.

Under the direction of coach Jack Parish the Columbia Harriers posted an impressive eleven wins-one loss record in dual competition. The only defeat came at the hands of Belleville in a close 29-27 meet.

Lead by captain Chris Huston, the cross-country team placed 12th in the state meet, third in the Big Ten Meet, second in the sectionals, and first in the Essex County Meet. Captain Huston broke two school records during the fall campaign. He set a Columbia record of 12:29 at West Side Park and 12:53 at our home course at Branch Brook Park. Chris placed first for Columbia in every race.

Other outstanding runners were seniors Bernie Kelly, Joe Frank, and John Slackman, and juniors Vin Norako, captain elect, Ted Bayley, and Tom Prunera. M. G. B. (alias "the tooth" and better known as Marty Brafman) inspired the team with his great enthusiasm.

The J.V.'s posted an 8 and 0 campaign. Coach Parish hopes to have another great team next year lead by

the returning lettermen and this year's promising young sophomores.

This year the Cougar Five finished with a disappointing 7-11 record. The club lacked height but had the needed depth. Throughout most of the season seven or eight players were working themselves in and out of starting positions. As the season began, it looked like this would be a most memorable cage season.

At East Orange, defending Big Ten champions, the Cougars faced the second best team in Essex County. Led by Ken Moss, East Orange held a ten-point advantage over the Cougars early in the third period. The Cougars now put on a strong offensive surge which put them three points ahead with only 30 seconds left. Two great defensive efforts by Hayward Wesley led to two quick baskets for E.O. and sealed the first Cougar defeat, 65-61. The Cougars hit on a torrid 55% of their shots taken from the floor and had a balanced scoring effort. Ken Moss was high man in the game with 20 points, while Rob West with 17 and Roy Greenman with 16 led the Cougars.

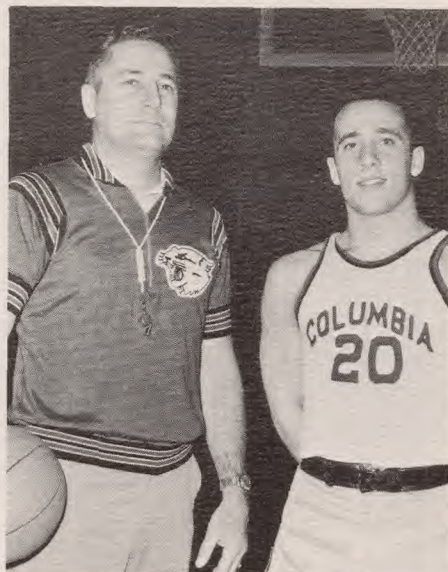

Orange, a consistent cellar dweller in the Big Ten, turned out to be the surprise of the league. In their first meeting both teams combined to score the highest total of points in Cougar history. Both teams hit on 50% of their shots with the Cougars scoring 32 points in the third quarter, which is a one quarter high. Orange, which had been leading up to this third quarter outburst, soon regained the lead which they never relinquished. Game scoring honors went to soph Bill Butts of Orange with 21 points. Close behind for the Cougars were Steve Pasko with 20 and Ray Greenman and Rob West both scoring 19 points.

In the second Nutley game at Nutley 11 Cougars played only a so-so game. The twelfth Cougar, Roy Greenman, however, was playing fantastically. Roy tossed in 37 points, second highest single game total in Cougar history. In the '49-50 season, John Reynolds once scored 42 points. Mr. Booth, however, in speaking about Roy's performance, said that this was the best

shooting by any Cougar. Roy hit on 11 of 13 floor shots and 15 out of 19 foul shots. This fine effort, needless to say, was Roy's best of the season.

Probably the Cougar's finest winning effort in the second Montclair game at home. The Cougars got a fine all around performance from Jim Novick. He scored 21 points, did a good defensive job on the mounties' Cal Walker, and helped the Cougars control the boards. Roy followed Jim with 19 points, while Robby West finished with 16 points. The fine rebounding of Angie Iantosca and the ball handling of Steve Pasko also helped the Cougars in controlling every aspect of the game.

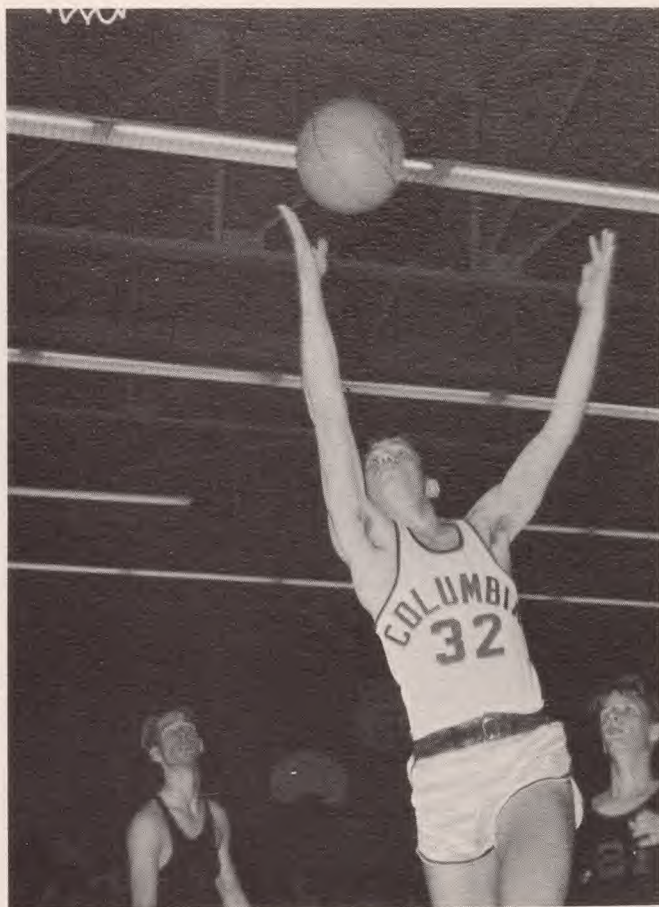

The Cougars closed out the season in a high scoring game with Orange. The Cougars trailed throughout the game but early in the fourth quarter staged a strong comeback. Bob "Ro-hair" Katz sparked the rally with numerous steals, some fine passes, and two twisting layups. The Cougars ended up with four men in double figures but Ron Jennings of Orange led all scorers. Jennings tallied 32 points and was the reason for the Tornado victory.

Roy Greenman finished his first varsity campaign leading the team in points and rebounds. He tallied 289 points for a 16 point per game average while grabbing 203 rebounds. Roy hit on 46% of his shots taken

to lead the team. Soph Rob West followed close behind Roy in points and rebounds while being tied for the team lead in assists with "Ro-hair" Katz. Robbie finished with 259 points, a 14.4 point per game average, and managed to pull down 149 rebounds. Rob hit a respectable 40% from the floor.

The fine playing and ball handling of "Ro-hair" Katz, as in the first Belleville game when he scored ten points in the fourth quarter to put the game on ice, and Andy Fisher, as a defensive player, sparked the team on many occasions. Neil Kramer, acting captain, started early in the season and played a steady floor game. The speedy Steve Kruvant and Mike Abramson helped give the Cougars needed bench strength. Juniors Mike Kempner, Fred Singer, and Angie Iantosca helped the Cougars in the height department.

Angie and Fred, both standing 6'2", should give the Cougars a strong forecourt next year.

Coach Booth, in discussing the season, pointed out that six of the Cougar defeats were by five points or less. He also pointed out that the Cougars staged many unbelievable rallies only to lose in the last minutes of play. The point per game average of 59.4 was 1.4 points better than the opposition. It is important to remember that the Cougars were hurt most often by bad passing, violations, and defensive lapses. The statistics tend to prove that the Cougar Five was better than the record indicates.

The Columbia High School Wrestling Team enjoyed another successful season as it rolled to an impressive 7-1-1 record. Although there were several outstanding individuals on the squad, it was largely the great team effort, together with the excellent coaching of Mr. Hector, which placed the Cougars second in the Big Ten and in their district.

Co-captains Bob Esposito and Frank Cortese, in addition to senior Owen Rogal, showed tremendous ability and strength as they each became district champions. Seniors Charlie Marks, Bob Esposito, and Stan Goldman gave the Cougars phenomenal strength in the lightweights as they won 27 of their 35 matches. Mike Wager, Rogal, and Cortese all had outstanding seasons. Wager was tied once, Rogal lost twice, and Cortese lost once while pinning eight men. Bernie Kelly and Charlie Garneau bolstered the squad, displaying both strength and savvy.

Juniors Bob Kisch, Charlie Duerr, Harvey Penn, and Rich Manna provided some depth in the heavier weights. Steve Sacher and Paul Paulos were the two most promising juniors as they both enjoyed successful campaigns.

Soph Jon Cossman was the team's biggest surprise as he fought his way to an undefeated, untied season.

Everyone who had some part in the grapplers' success deserves much praise for this outstanding effort.

The swimming season will be remembered for the record shattering performances by Co-Captain John Renz and junior Dave Pearl. In the Mountain Lakes meet Renz broke the existing 100-yard world's record but unfortunately used an illegal turn. On the way to this successful season a number of new school records were established: Pearl in the 100 fly and 200 individual medley; Renz in the 50 free; 200 medley relay and 400 free relay. Other versatile swimmers who contributed valuable points were Eric Perlmutter, Rick Kass, Steve Stetson, Rob Rubinfeld, Dave Hartman, and Kenny Jay.

Mr. Frampton's Penguins did almost as expected, winning seven meets and losing three. Two of these losses were inflicted by Westfield, one of the strongest teams in the country. The third loss to Plainfield came in the last second of the 400 free style relay, the last event on the program. Columbia took second place to Newark Academy in the Essex County Meet. The Academy is one of the top prep schools in the state. Seton Hall, which took third in the Essex County Meet, was edged out of second by ten points. Our record was outstanding, considering the team's lack of depth, a problem which plagued Columbia throughout the season.

"Charley's Aunt", a disguised classmate at St. Olde's College, proved the center of attention in November 1964 with his slapstick antics on the Columbia stage.

When the graduating class of '66 presented "Charlie's Aunt" as its Junior Play, it proved that a classic farce does not necessarily lose appeal when presented to a modern audience accustomed to the sophisticated comedy of

today's movies and plays. The audience received "Charlie's Aunt" with much laughter and good spirit.

The plot concerned a pair of college chums trying to lure their lady loves to their room for tea. To do this, they persuade their classmate to impersonate an aunt to act as a chaperone. But this role lasts longer than the innocent one desires, and the fun starts when the real aunt shows up!

The real "Charley's Aunt" from Brazil, "where the nuts come from," was played with distinction by Sue Wendel. At her side, Ela, an adopted orphan who fit surprisingly well into the plot.

Jerry Spitz, foolish and blustery as Mr. Spettigue, uncle of Amy Spettigue and guardian of Kitty Verdun, the two young ladies whom the young men found attractive.

Jack Chesney wooed Kitty Verdun in action and song, serenading her with "My Darling, My Darling."

Brassett, the Cockney maid, ran errands, kept house, and kept the audience in stitches.

"Goodbye, My Fancy," CHS's first all-school play in over 25 years, was presented in November 1965. The production will be remembered not only for its exhibition of some very fine talent, but also for the break it provided from the traditional class play.

This serious comedy concerning the return of an accomplished congresswoman to her "alma mater" was not distinguished by its plot, but rather by some excellent individual performances. Ronni Schwartz shone in the lead and Mark Lapman, new to the Columbia stage, was well received by the Columbia audience. "Goodbye, My Fancy" paved the way for future all-school dramatic productions.

"Dynamic acting in 'Goodbye, My Fancy' . . . Ronni Schwartz captures the essence of Agatha Reed . . . college campus life comes alive on CHS stage . . . Delightful wit supplied by Robin Charin and Mark Lapman."

" 'Carnival' . . . a festival atmosphere which transcended the stage and permeated the audience . . . It may never make it to Paris, but Mr. Schlegel's Grand Imperial Cirque left CHS audiences as pleased as a group of children at their first carnival." (The Columbian).

### ODE TO A FIRE CAPTAIN

Captain of the Month we praise;  
 He's the best it has been said.  
 And with splendid awe we gaze  
 At the hat upon his head.

Skillful pyrotechnics!

Any fire he can fix!

And to him we bow and pray  
 Perhaps it will be me some day.  
 And to him we bow and pray  
 Perhaps it will be me some day.

*"Maintain Your Cool."*

*"This guy's gotta go!"*

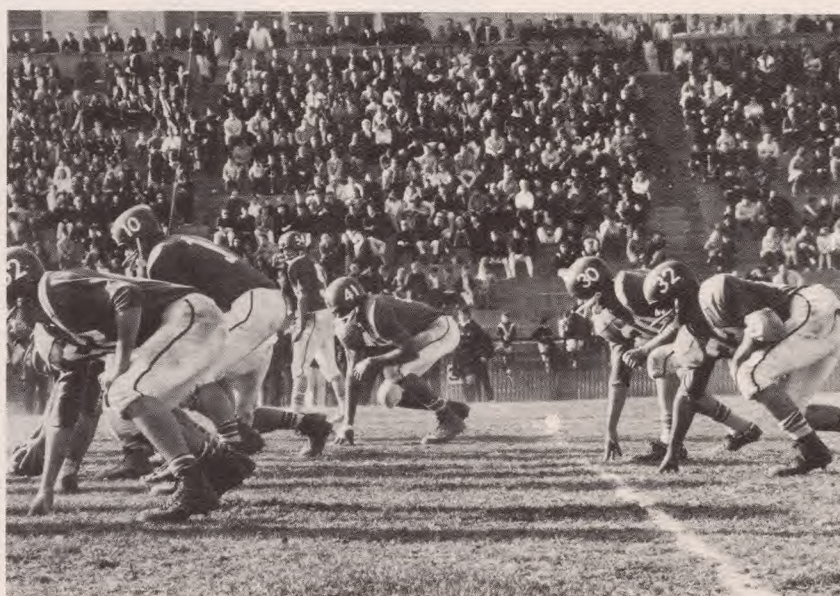

*This is Columbia on Senior Day —  
They've even taken the parking lot away.*

*Kearny game: Offensive line-up.*

*"Would you hold hands with a pinecone?"*

Farewell to you and the youth I have spent  
with you.

It was but yesterday we met in a dream.

You have sung to me in my aloneness, and I  
of your longings have built a tower in the  
sky.

But now our sleep has fled and our dream is  
over, and it is no longer dawn.

The noontide is upon us and our half waking  
has turned to fuller day, and we must part.

If in the twilight of memory we should meet  
once more, we shall speak again together  
and you shall sing to me a deeper song.

And if our hands should meet in another  
dream we shall build another tower in the  
sky.
