The 1980 musical was *Carnival*, under the direction of Mrs. Ali Butcher, and what a splendid carnival it was. Student director of the show was Ann Jacobs, and the choreographers were Faith Keller and Francine Sama.

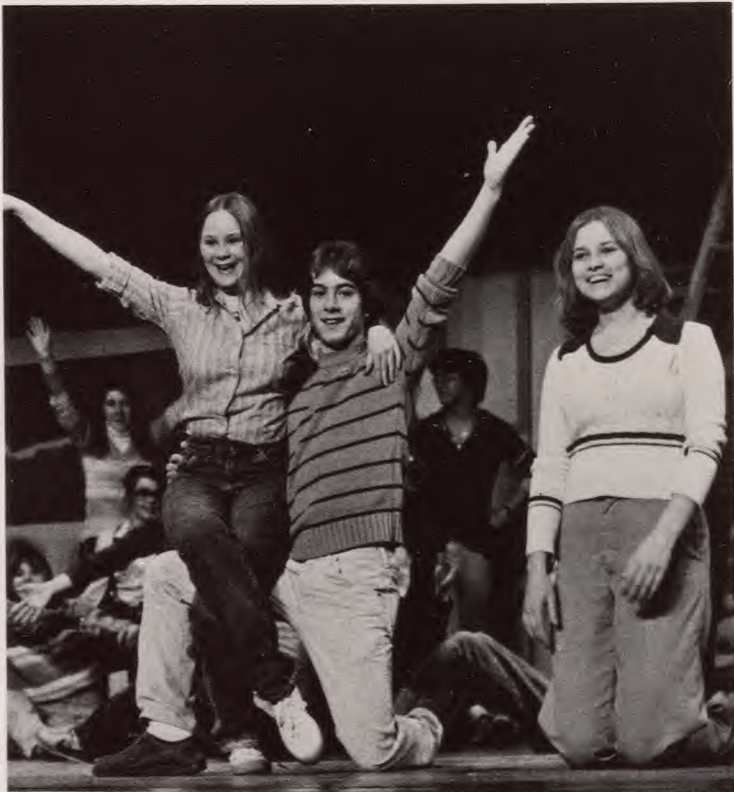

Each member of the cast contributed his very best. A fine acting job was given by the leading performers, and the chorus did a superb job, lending their voices to complete the cast.

Musical direction was under the supervision of Mr. Wayne Fenstermacher, who conducted a very talented orchestra. Those who worked behind the scenes all contributed greatly and made the show a success.

Carnival surely proved that love does make the world go 'round.

Columbia again proved to be a dominant force in the 1980 season. Under the coaching of Bob Curcio, the Cougars outscored all opponents 169-78 in goals. They thus ended the season, ranking fourth in the state with a 13-4 record.

New Jersey's Player of the Year and an All-American selection, Rich Glancy led Columbia's awesome attacks. Joe Perez, Paul Amerman, and Peter Strauss were doing the ball-handling. All-American Ed Lewis, Don Richardson, and Don Ward were the undaunted defense which kept the ball away from the Columbia goal mouth.

Although the state title eluded the Cougars, the CHS laxmen can boast of an array of individual awards unmatched by any other team in the state: the New Jersey Player of the Year, two All-Americans, and eight All-State selections.

Peter Strauss battles it out with the opponent.

In The Library

The Columbia High School library serves as an important aspect in a student's school life. It functions as a valuable place for gaining knowledge and for researching important information. The library staff members are always eager to assist the student with his research and will answer any questions concerning library functions. Student aides, who work after school, perform a variety of clerical and maintenance tasks that are essential to the operation of the library facilities and they are an important part of the staff. The library is supplemental to the student's education at Columbia, and we are lucky to have such an excellent facility in our school.

WORD BOOK

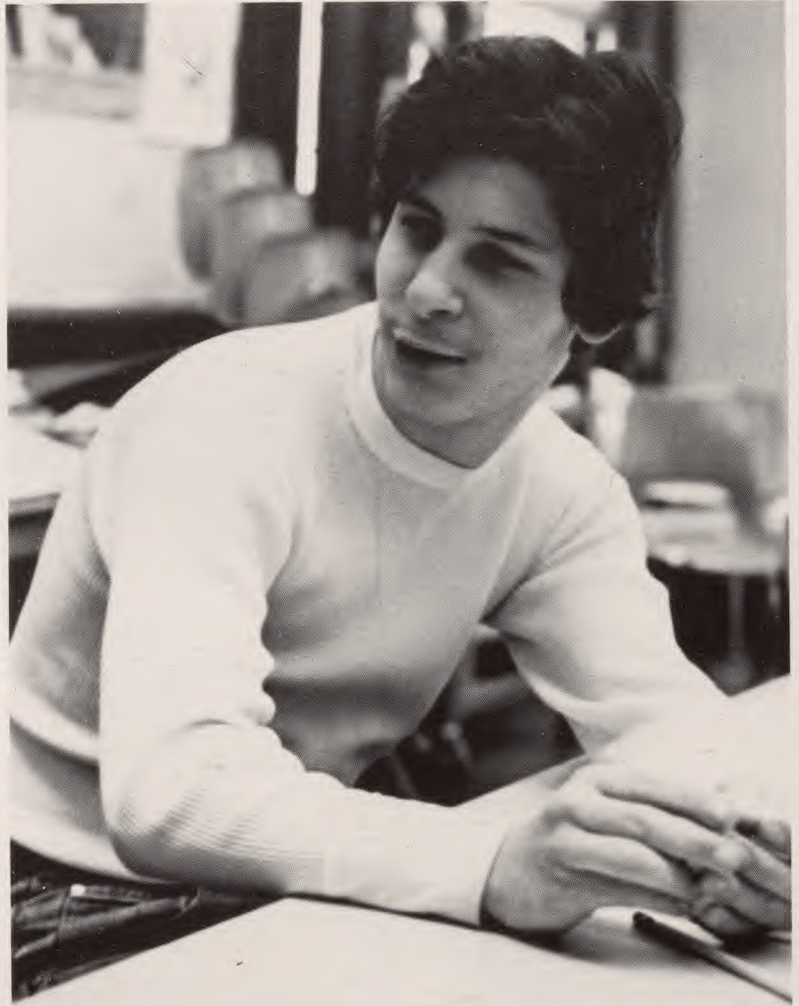

Alternative School

The Alternative Program offers juniors and seniors an alternative approach to education. Classes meet four periods, five days a week. This block of time combined with the ratio of students to teachers and the open method of communication all contribute to a positive relationship between student and teacher.

The curriculum includes graduation requirements in English, U.S. History 2, physical education and career exploration. A wide variety of mini-courses, ranging from basic skills to creative projects, provide additional learning experiences. In the afternoon, students may enroll in a work study program or in other classes within the school.

A few of the program's unique features are its town meetings, guest speakers, movies, tutorials, out-of-school athletic activities and in-school gatherings.

The Alternative Program tries to help develop a more positive self-image, to demonstrate a more positive attitude towards school and community, to clarify plans for post high school life, and to acquire necessary skills to meet every day responsibilities.

Jazz Band

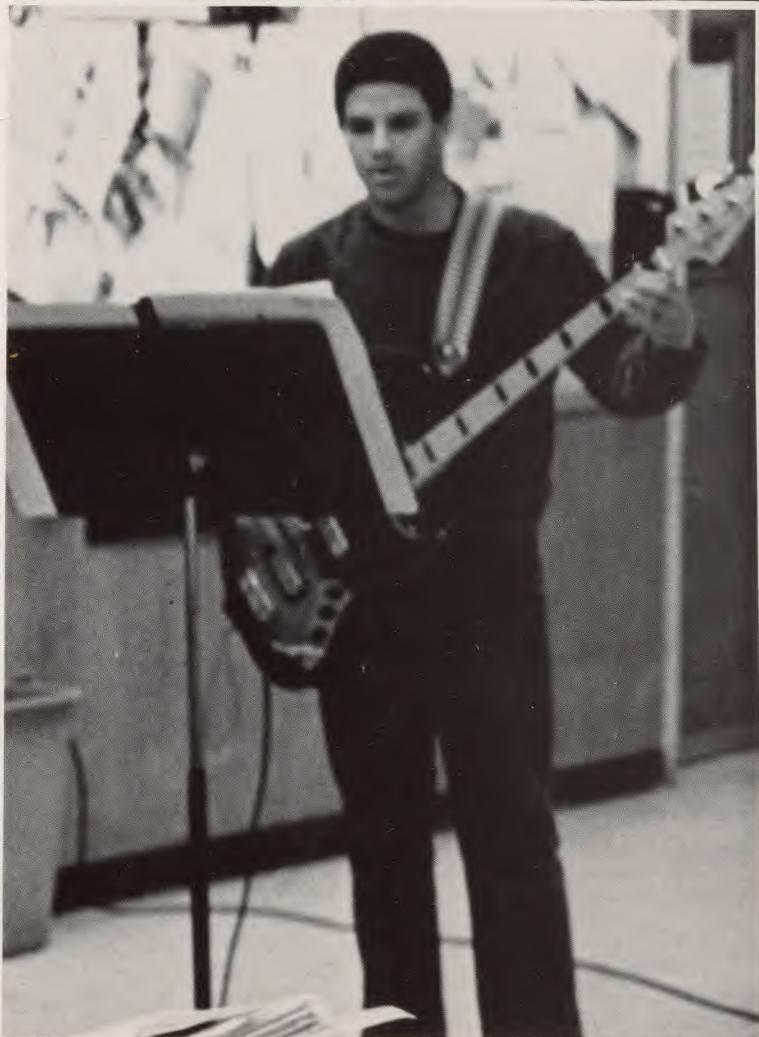

As Student Director of the C.H.S. Jazz Ensemble, I feel an incredible amount of pride working with such a dedicated and "fun-loving" group of musicians. Not only talent, but hard work, motivation, and the love of what they are doing keep them together.

I've played in the Jazz Ensemble for the past three years, but never has it been such a strong group.

With all the sincerity I can muster, I want to say how much I love being a part of the C.H.S. Jazz Ensemble. It is without a doubt the most rewarding experience of my high school career.

The Newcomers Club is a fairly new club, just into its second year with Mrs. Oliver as its originator. This club was formed so that people new to Columbia High could meet one another. Members of this year's club include students from different parts of the United States and foreign countries.

At one time in life, everybody experiences the feeling of coming to a new place not knowing anyone. The Newcomers Club welcomes new people on a friendly basis. People with similar problems learn to cope with them together.

PAWS

Pupils Animal Welfare Society, PAWS, is an organization dedicated to three basic principles: to alleviate the needless suffering of animals, to awaken humane interest, and to encourage preservation of the natural environment.

To realize these goals, PAWS participates in a variety of activities. Bake sales, paper and aluminum drives, and the sale of Van Dorpe originals provide funds which are donated to reputable animal welfare groups. In addition, PAWS is involved in finding homes for stray animals, participating in animal rights seminars, and even giving assembly programs. Currently PAWS is making a video tape to be used in elementary schools.

Columbia High School

June 18, 1981

The Columbian Staff Finishes a Successful Year in '81

The Columbian, the student run newspaper of Columbia High School, fulfilled its purpose as the information media to the students of Columbia High School in 1981.

Under the direction of Andy Becker, editor-in-chief, and Josh Bloom, assistant to the editor, the Columbian covered such events as Columbia's transition to a four-year high school and the introduction of our new principal. The Columbian also granted full sports coverage, interviewed outstanding Columbia students, reviewed books, plays, records, and movies, handled letters to the editor, and voiced their opinions in the editorial column.

The Columbian overcame the many difficulties it has had in recent years. Over five issues were produced including the ever-popular April Fools issue.

The underclassman staff of the Columbian looks forward to much progress in future years. Mrs. Edna Cassapulla is the student advisor.

Chess Team

The Chess Team, coached by Mr. Peter Iosso, is not very well known throughout Columbia. As a matter of fact, many people who attend Columbia do not even know that it exists. But, for the past two years, we have placed first in our division with great ease. Beginning with last year, the Chess Team decided to think about entering tournaments at a higher level than what we had been doing previously by entering the NJ State High School Team Championship. This was the first time we had entered this tournament in almost fifteen years and we finished with an incredible third place overall.

All of our team members have US Chess Federation (USCF) ratings. One of the members of our team was ranked 31st in the nation under sixteen years, at the same time being first in New Jersey under sixteen years. Our team is composed of five experienced players in order of highest ranking: Mark Glickman, Bill Blatcher, Dyon Anniballi, Garland Foster, and Geoffrey Englestein, all of whom are juniors. Our other hopefuls include: Todd Richard, Mark Jaffe, Steve Darcy, Peter Kebbekus, and Naiholas Janulis.

The 1980 Columbia Cougars football team had a very disappointing season. Despite strong efforts in their games, the Cougars' final record was 1-8.

The Cougars' only win was against Millburn, a formidable opponent. After a scoreless first half, Columbia came through with thirteen points to come away with a 13-0 victory. The games that followed were marked by strong defensive efforts, but the offense could not put it together. A 19-14 loss on Thanksgiving Day closed the season for the disappointed team.

Even though the team had a losing season, the players gave their best efforts. With a little luck and fewer injuries, the 1980 football team could have gone a long way.

Two second-half goals and some superb defense made the difference as Neptune edged Columbia, 3-1, in the Group Four state championship, thus dashing the Cougars' hopes of an unprecedented third straight title. But the season was not without its highlights. After failing to win their first three games, the Cougars went on a twenty-three game unbeaten streak. In addition, they won the Essex County Tournament, the North Jersey championship, North Jersey, Section II, and the Iron Hills Conference title. The players also helped coach Gene Chyzowych attain his 200th career coaching victory.

This year's forte was probably defense. All-Staters Danny Doyle and goalie Steve Giordano, along with Brian Finn, Lenny Armuth, Tony Rechner and David Fiore, formed an almost impenetrable wall around the net. They set a school record for shutouts in a season, with 19, while also allowing a paltry 40 goals per game.

An explosive offense complemented the defense nicely. All-County choices Dan Fell (18 goals, 9 assists) and Mike Rudd (14 goals, 12 assists) led the team in scoring, along with All-Stater Keith Masur (11 goals, 7 assists), Glen Woodbury (8 goals, 11 assists), and Andy Grossman, who came off the bench to net 7 goals and 6 assists.

Managers were Gay Gammell and Kristi Clevenger.

Boys' Basketball

The Columbia Varsity Boys' Basketball Team finished with a record of 5-15. However, this record is quite deceiving. The team lost seven games by one or two points. Included in these were close losses to such powerhouses as Morristown, Seton Hall and Livingston.

Columbia was led by co-captains Bob Mury and Bob Maxton. Other key performers were seniors Vic Hollinger, Mike Fiorini, Billy Simpson and Mike Masi. Junior Tom Maloney played extremely well and will be back next year to lead the Cougars.

Wrestling

Columbia's Varsity Wrestling Team ended its season with an 8 and 6 record. The coaches were Al Hector and assistant coach Vic Lomakin. The captains of the team were Kevin Bianchi and Marcello Guimares. In the Hunterdon Central tournament Kevin Bianchi earned first place and Paul Blizzard and Dave Barry came in third. In the Essex County tournament, Kevin again came in third along with Barry, Blizzard came in second, Burt Tribioli third, and Pete Duchesneau, Guimares, and Pete Zimmerman came in fourth.

The most outstanding wrestler of the season was Bianchi, 135 lbs., with a 20 and 0 record. Other exceptional wrestlers were Barry, 101; Guimares, 141; Rich Bianchi, 148; and Paul Blizzard, HWT. Others who helped the team to their victories were Robert Kuttner, Fred Furbach, Pete Duchesneau, Glenn Harris, Tim Chamberlain, Ken Giordano, Tim Francais, Alex Arancio, James Capetelli, Pete Zimmerman, Burt Tribioli, Paul Bunis, Cy Gropper, Jamil Bashir, Len Stefanelli, Mike Mesd, David Carchia, Mike Richardson, James Kellt, Dennis Jason, Ken Brunson, and Leon Lewis.

Girls' Basketball

The Varsity Girls' Basketball Team, coached by Tom Ruggiero, has had a difficult but rewarding season. Up to the state tournament, our record stands at 12 wins and 10 losses. The victories were tough, but the losses were tougher.

The team is led by tri-captains seniors Cathy Guthrie, Mary Guyton and Carolyn Campsey. The rest of the team consists of Juniors Bonnie Glassman, Tracey McCarthy, Kathy Ryan and Lisa Turner. Last, but not least, our Freshmen Claire Nowinski, Kristen Bowsher and Jackie Holle.

The team's dedication and effort was evident throughout the season. Returning players hope to make those seniors who are leaving proud to have been members of the team.

Field Hockey

The Columbia Field Hockey Team, led by Co-Captains Tammy Nilson and Debbie Burdorf, rallied to their second best season ever in the history of Columbia. This event was made possible by Coach Melinda Gardner.

The team placed second in the Iron Hills conference, but the highlight of the season was the big win in the Essex County Tournament. The Cougars won the ECT not in regulation time or overtime, but in a nerve-racking flick-off, resulting with a score of 4 to 2.

Columbia was honored this year with Debbie Burdorf, Lisa DeCicco, Tammy Jacobs, Mary Guyton, Tammy Nilson, Tracey McCarthy, and Claire Kenny receiving All-Essex honors. DeCicco and Burdorf also made All-State teams.

The parting Seniors are Burdorf, Nilson, Guyton, Jacobs, and Lori French. Returning will be Juniors DeCicco, McCarthy, Kenny, Sue Klein, Sandy Dostert, Margaret Nelson, Lyn Birsack, and Louisa Banto. Sophomores Alice Chiu and Marie Purcell will complete the roster.

Boys' Swimming

The Columbia High School Boys' Swim Team, coached by Dave Yoresh and captained by Dan Doyle and Jim Sheil, finished the 1980-1981 season with an 11-4-1 record and took fourth at the Essex County and Iron Hills Meet in addition to scoring points at the State Championship.

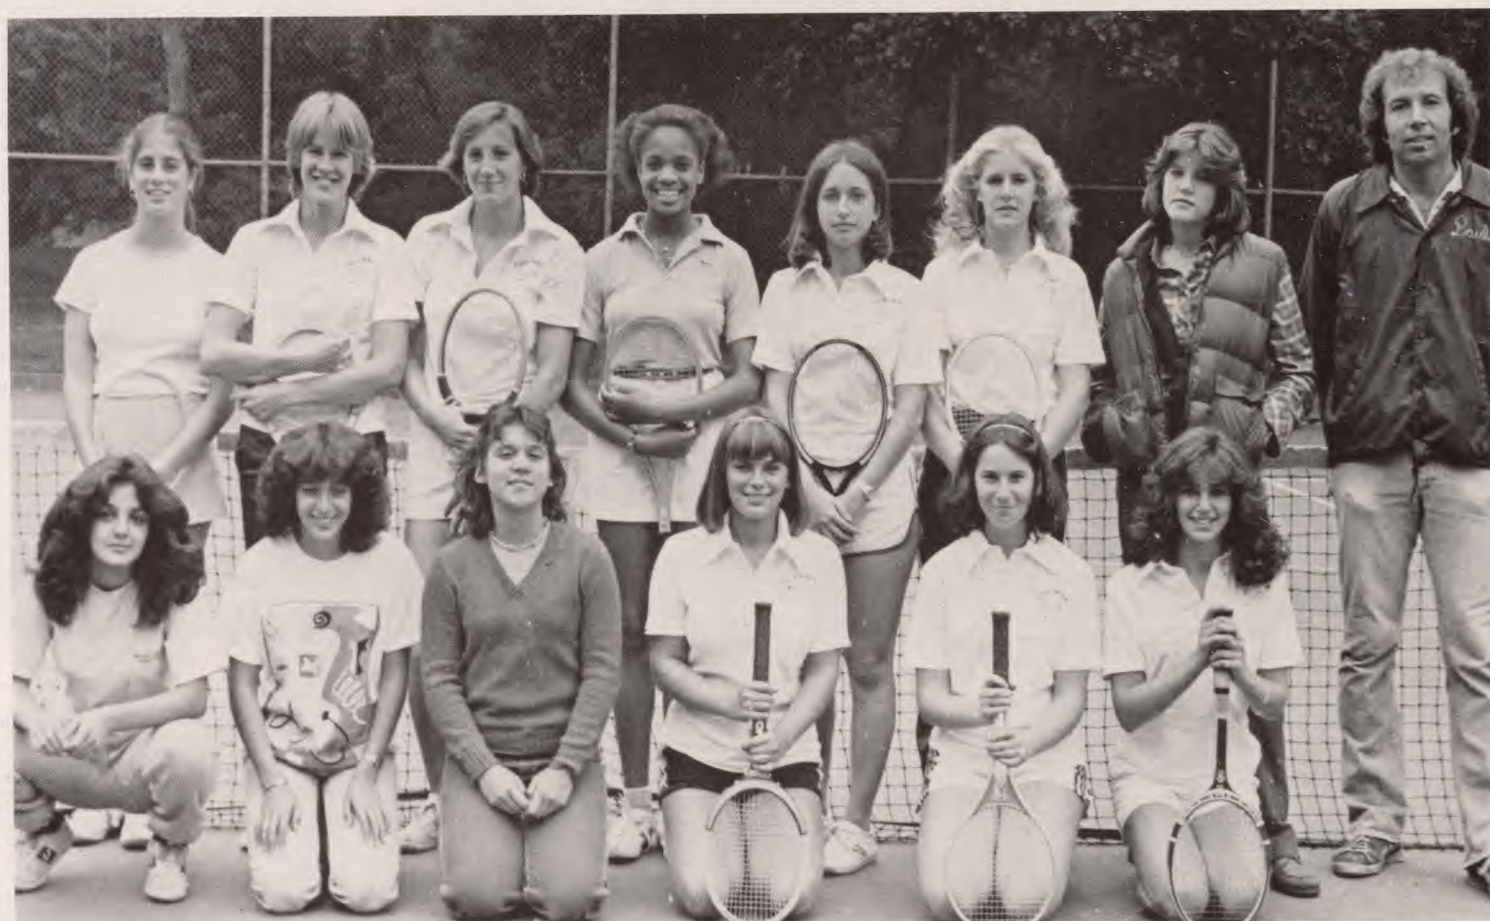

Front (L to R): D. Ladden, O. Whiner, M. Vilardo, T. Hartrong. Back (L to R): B. Spillane, J. Shiels, J. Cosgrove, A. Fisk, T. Boyle, D. Doyle, T. Edwards.

Girls' Tennis

Although the Girls' Tennis Team did not have an especially successful season their great amount of team spirit made up for their losses. The three seniors on the team, Beth Cogan, Leslie Cohen and Cathy Guthrie were tri-captains. Underclassmen composed most of the team; therefore, next year should be more successful.

Boys' Gymnastics

The Columbia High School Men's Gymnastics Team closed out one of the best seasons of its history. The team finished its season with an impressive 13-1 record and an 8-0 record in their section, which they now won five of the last six years. The gymnasts placed second in the N.J.S.I.A.A. State Championships, losing to East Brunswick which was the only team to beat them in the regular season.

As well as having twelve individual medals won in state competitions, the boys broke two previous school records: the all-around record (41.15), and team score (116.35).

In addition, the team was greatly honored to have been coached by Marvin Speidal who was awarded Coach of the Year by the New Jersey Gymnastics Judges and Coaches Association for the second year in a row.

Amy Brubaker

The 1980 Girls' Varsity Gymnastics Team had a very successful season. The team ended with a record of eight wins and three losses. For the first time, the girls captured the title of the Iron Hills Conference and they also advanced to the New Jersey State Sectionals placing sixth in the competition. Mr. Peter Ebbe and Miss Karen Van Shack did an excellent job of coaching the team and helping them accomplish their most outstanding season ever. The guidance of tri-captains Carolyn Whinery, Lisa Shue, and Terry O'Neill also helped to lead the team to their finest season. The expertise and experience of seniors Amy Brubaker and Anne Swan also added to the quality of the team.

The Columbia High School Bowling Team started off the season in first place. Unfortunately, the team slipped to sixth in their division and twelfth place overall.

Although the boys did not do as well as expected in the state sectionals, the girls came in sixth place and Captain Lynn Verderese rolled a 230 and a 531 series to earn herself high game and third high series in North Jersey. This qualified her for the state finals.

During the season, high games were rolled by Co-Captain Howard Sherman (253), Geri-Lyn Testa (246) and John Thompson (229). The team carried three averages over 160 and maintained a team average of 800.

The bowling team is the only co-ed varsity team in the school. They finished their season with a record of 25-29. Other team members include: Andrea Cifello, John Duhig, Leotis McCollough, Chris O'Brien, Robert Schultz, Jeff Wasserman and Wayne Wasserman.

Hockey Club

The 1980-1981 Columbia Hockey season started off with two straight wins against Ringwood and Parsippany High Schools with scores of 3-2 and 6-5. This proved to be the high point of the Columbia season as they were only to win three more times over the remainder of the 16 game schedule.

The Columbia team was constructed mostly of sophomores and juniors although the leadership of the team was again upon the few seniors on the team. On the defensive end of the ice the team was again held together by goalie Bill Faulkner. The strongholds on defense were senior Jim Sharkey and sophomore Corby Hocker with their strong defensive efforts. On the other end of the ice the team was led in scoring for the second straight year by senior captain Russell Izenman with 24 goals and 19 assists. Good offensive efforts were also made by Junior Bruce Aukamp and sophomore Bobby Sharkey. Izenman and Sharkey were also 3rd and 6th in the league's scoring race.

Although this year seems disappointing for the team, next year looks to be promising.
