At first the road stretches interminably, confused, overwhelmed, filled with questions. But rapidly the vision is replaced by special moments shared by laughs and smiles of friends.

Each moment is unique to each of us because we are all different and have different paths mapped to follow.

Yet we are the same; together we work, play, challenge, compete.

*We enjoy certain times and not others.
But that is to be expected. What is your
game is not mine. What is my destination
is, perhaps not yours.*

Our independence is important — fun but difficult.

Sometimes working as a team is better.

Individuality flourishes as each of us develops skill and talent.

We are performers who love attention as well as an audience that enjoys watching others perform.

Still we wonder, and question what we are doing.

But alone or together, laughing or crying, leading a path or following another,

we know we have travelled through unforgettable times.

And now we look from the line of memories toward the line stretched before us.

The Cougars finished the season with a 14-8 record as they once again proved they are a team to be reckoned with. They placed third in the Iron Hills Conference and reached the third round of the competitive County Tournament. They proved their volition to win by upsetting Roxbury, ranked second in the state, by a score of 2-1.

Leading the team were pitcher Tom Owens (All Essex and All Orange First Teams), Tom Maloney (All Essex Third Team and All Orange First Team), and captain Rob Holiday (All Essex Third Team and All Orange First Team). Owen Kelly and Bill Coyle also made the All Orange Second Team. Rounding out the successful team was power-hitter Albert Alease who received honorable mention on the All Orange Team.

The Cougar women finished off the year with a 7-10 record. The team, with many new and younger players, had some tough luck and injuries along with tough competition that prevented them from having a more successful year.

The team was led by catcher Cathy Wenzel (.408 average) and Ronnie Petzinger (.300 average) who were both selected to the All Orange First Team. Kristen Bowsher and Geri Lyne Testa received honorable mention.

The Cougars 1982 season was one of great success under coach Mr. Genzer. The team finished off with an 11-3 record, one of their best in recent years. Two of the Cougar losses were to arch rival Livingston. The netmen finished second in their conference and reached the semi-finals of the Essex County tournament.

The team was led by Dan Nahirny at first singles, one of the best junior tennis players in the country, Jay Zaslower at second singles, and Paul Kondo at third singles. Playing first doubles were Dave Kniffin and Bill Rustum, while at second doubles was the alternating trio of Eric Hadar, Jeff Poss, and Steve Heischuber.

The 1982 season was an outstanding one for the Columbia High School Lacrosse team. The team posted a 13-3 record, placing first in the Gil Gibbs Division and capturing the State Championship title as well. This is the second time in four years that the team has won the State title.

The Cougars won many other awards for their efforts. Seven team members were named to the All-State team, with defenseman Vinnie Bevacqua and attackman Dave Sherwood also being named as High School All-American players. Coach Robert Curcio recorded his 100th victory as coach of the Cougars and was named New Jersey High School Coach of the Year.

LACROSSE

Last year Columbia established both a girls' Varsity and Junior Varsity Lacrosse Team. Melinda Gardner, the sole coach of both, taught the girls the necessary fundamentals of Lacrosse. With the help of Co-Captains Beth Breen and Lisa DeCicco, the girls were off to a fine start. The team members worked aptly to pick up the new skill whereby Miss Gardner was pleased with the team's promising potential. Although the team's record was not reflective of their true ability, the girls demonstrated good sportsmanship and a keen grasp of the sport. They're looking forward to another exciting season.

1982 marked another successful season for the Girls' Volleyball Team. Under the direction of Coach Chyzowych, the girls had a season highlighted by winning their 100th consecutive game, as well as finishing the season undefeated as they have done for the previous seven years.

Due to a revision of rules, the Cougars were unable to win the State Championships. They did, however, win the Essex County Tournament. The highlight of their season came when they were invited to attend the National AAU Junior Olympics in Benedictine, Illinois, where they finished with a respectable ninth place.

The team was paced by Senior Jennifer Hartung, Juniors Karen Reitzel and Melanie Panko, all of whom were selected to the new Jersey All-State team. Mia Grosso and Leslie Guthrie, Juniors, were selected for the All-State Second Team.

Imagine combining the look and humor of Saturday Night Live with the warmth and atmosphere of a nightclub. Imagine getting WPLJ's Jim Kerr and Gary Edmund to be the special guest stars. Now imagine it was shown and performed in Columbia. Well, it happened on December 17, 1982. Friday Night Live was a success.

The Italian Club, sponsored by Mr. Dominick Tancredi, has continued to grow in popularity this year, as shown by the increase in membership over last year. The club, whose purpose is to heighten the awareness of Italian culture, does so through meetings, parties, and trips to places such as Ellis island (to trace the steps of their Italian ancestors). The club also renewed its rivalry with the Spanish Club in their annual volleyball game, which the Italians unfortunately lost. They did have fun, however, which has been the overtone of the club throughout its long existence.

CERCLE FRANÇAIS: VOYAGE À PARIS

From April 15 to April 23 a group of students and adults travelled to France for an exciting visit. The trip was organized and led by French teacher Mrs. Krasner and was chaperoned by her, Mr. Krasner, and Mrs. Press. Eighteen CHS students and eight other adults participated in the trip. The group stayed in a Paris hotel, taking their meals both in the hotel and in various restaurants. They took a guided tour of Paris and made side trips to the magnificent palace of Versailles, the town of Tour de Chartre, the Loire Valley, and a French high school. The visitors also enjoyed learning the art of French cuisine in a cooking class. In Paris they had free time and a fascinating array of opportunities to explore: the Metro (the Paris subway), French films and plays, museums, Paris shopping, walking through the city and its parks, tasting specialties, and, of course, practicing their French!

1st row l. to r.: Lisa Nathan, Ilene Stern, Michele Laskowski, Mrs. Krasner. 2nd row: Erica Hunkle, Susan Bogan, Lewis Blau, Kim Kirkman, Karen Hirschmann, Kim Jacobs.

The Debate Club has existed in C.H.S. for decades. This year, under the leadership of its new sponsor, Mrs. Cohen, and its co-chair-people Becky Skoler and Andrew Saur, its membership has increased significantly. In addition, more activities have been added such as expanded formal debates, impromptu speeches, and formal addresses.

The Columbia High School Mathletes compete in various mathematical competitions, both national and regional. Contests generally range in type from the bi-monthly thirty-minute tests, which are taken before school, to all-day affairs. AHSME (previously called the MAA) is the most highly attended contest, taken this year by more than two hundred Columbia students. In addition to dragging themselves out of bed for the morning contests, Math Team members faithfully report to the frequent problem-solving sessions which are supervised by Miss Mary Dell Morrison, the Math Team sponsor. Awards are presented at the end of the school year to those individuals who have performed well.

Special recognition is due to this year's freshman team, (sponsored by Mr. Roy Eisman) who currently holds second place nationally in the Continental Math League.

BLACK STUDENT UNION

The Black Student Union of Columbia High School is an organization intended as a means of bringing together black Columbian students. The students work together to organize activities and events designed to benefit, not only the black students of Columbia, but Columbia High School as a whole. Through bake sales, dances, and other fund-raising activities, money is raised to form programs designed to bring about an awareness of the achievements black citizens have contributed to society, particularly during the period of Black History Month. Through the efforts of its members, it is expected that the Black Student Union should become a driving force in the Columbian environment and also in the communities of South Orange and Maplewood. The Black Student Union's president is Venetta Coleman; Iretta Coleman is vice-president; Holly Wright is secretary; and Nahndi Williams is treasurer. Mr. Taylor and Mrs. Tucks advise these students.

It has been a dedicated effort by a small few that produced **The Columbian** this year. They changed the format from last year's news magazine to try to include a wider variety of news and feature copy. With each issue, the physical appearance of the paper is continually being improved. Their strength this year has been the high quality of the writing as well as the numbers of different writers who have submitted articles. Stories are written by numerous enthusiastic students, including members of the journalism classes.

As one of the only school newspapers to be produced entirely within the school, predominantly by students, **The Columbian** is unique, but it faces the additional challenges of not only working on the editorial facets of a paper, but working in graphic arts as well, setting type, doing layout, making a pasteup. After pasteup is completed, graphic arts students and Mr. Vodofsky shoot the pages and make photographic plates of them and then print them. Working on **The Columbian** provides a broad experience by enabling students to participate in the many aspects of producing a newspaper.

The Columbian is a student-run newspaper produced entirely within Columbia High School.

The **Spark** is a publication put out by Valhalla, a body of concerned students. Referred to as Columbia's underground activist newspaper, the **Spark** has been in existence for 14 years. The newspaper gives the students a chance to express their views and opinions dealing with school and world affairs. Since the administration does not support the **Spark** financially, they have total control over the content and article selections. Nothing is edited or censored. Not only is Valhalla concerned with the problems of today, but with the crises and conflicts ahead. Valhalla firmly believes in sharing ideas to arouse thought and provide awareness about the world we live in.

The **Spark** is produced by Editor-in-chief Andy Jacobs, Assistant Editor Kim Jacobs, Layout Editor Linda Karlin, and Art Editors Brett Meyers, Josh Newstader, and Greg Ellison. However, all other members of the **Spark** help to put out the monthly paper. The faculty advisor is Jack Spear.

1st row l. to r.: Colin Cohen, Leslie Uman, Marla Simon, Linda Karlin, Kim Jacobs, Dana Holly, Abby Turk.
2nd row: Paul Sperduto, Greg Ellison, Tracy Gevirtz, Brett Meyers, Andy Jacobs, David Scull, Lynn Craugh.

Guildscript is the school magazine for student writing and artwork. Members work through the entire process of putting out a magazine: soliciting contributions, deciding which pieces to accept, suggesting revisions, editing final selections, deciding layout and organization, and selling the issue. Members are also frequently contributors themselves. Many C.H.S. writers and artists who contribute to **Guildscript** also enter state and national contests and have won awards at both levels. This year's editors are Michael Ferraro, Andrea Gollin and Lisa Harper; all members form an editorial board. The faculty advisor is Mr. Don Lasko.

CHESS TEAM

The Columbia High School Chess Team, advised by Peter Iosso, has shown its prowess again this year by continuing its past winning streak, bringing the total to 36 matches without a loss over the past four years. The team covers all grade levels and next year's team promises to be just as strong.

In addition to being some of the finest High School chess players in the state, the team found diversion in learning selective Russian words, such as "bughouse", from the players of Slavic descent that frequent the club. The team, with a wealth of players from different backgrounds and cultures, considers itself a family. Our matches take place approximately three times per month. In addition to having fun, we uphold, in the cerebral realm of sport, the motto of Columbia: Excelsior!

The Frisbee Team had a successful fall season, and is flying off to a great start in the spring. The team finished with a 9-2 record and came in second in the State Finals, but the spring belongs to Columbia High School Ultimate. Howard Jacobson and Michael Rothberg continue to assume the roles of co-captain, but the experienced players have made sure to train the underclassmen so that they will carry on the tradition of fine frisbee that Columbia has always demonstrated. The team considers itself to be more like a family. As its motto goes, "Discard nobody, that is the ultimate goal."

Mrs. Hershey, Andrea Gollin, Paul Lehrman, Andy Sauer, Emily Stern, Mitchell Maltenfort

The C.H.S. Chapter of the Future Physicians of America club has been reestablished after almost a decade since it last originally existed here at C.H.S. The club, which investigates and discusses various biological and medical topics, has been greeted with interest by growing numbers of students since its establishment in January. Sponsored by Mrs. Hershey with several other biology teachers, the group has already had several lectures, and more activities such as field trips have been planned.

P.A. CREW

Each bright and cheery morning, promptly at 9:03, the PA crew greets the staff, faculty and students of Columbia High with their melodious voices. The members of the PA club broadcast the events, past, present and future, to bring about a better informed student body. Even during the trials and tribulations of the minute of silence Columbia's PA crew was there for you—always relaying the important occurrences and of course the date!

"Challenge" is the name of the team which represents Columbia High School at the TV-3 sponsored College-bowl. This tournament, shown on Suburban Cablevision Tuesday nights, includes 38 high schools in the area. Mrs. Press, the team's advisor, offered a test to anyone interested in participating and chose the four highest scoring students to be on the team. The four members are rotated in at each match, where two teams participate at a time. The series of matches make up a tournament where one team "challenges" another. At the end of the season, the two highest scoring teams compete for the championship.

Our team is sponsored by Barnes and Noble Bookstore in West Orange. Upon receipt of donations from them, Mrs. Press donates the money to the CHS library.

The questions asked during the matches range from history to math to literature, basically covering all academic subjects. The participants must have a thorough background in many areas.

DUNGEONS AND DRAGONS

Front Row (l to r): Jim Coleman, Pat Keeler, Tim Mulligan, Bob Tennard, Yon Miksovski, Danny Steinberg, Mrs. Hill,
Back Row: Eric Schneider, Ryan King, Bill Duffell, John Dilley, Brandon Twine, John Thompson.

The Dungeons and Dragons Club was organized to provide C.H.S. students with the opportunity to participate in the challenging and absorbing role-playing game called Dungeons and Dragons, better known as "D and D". Novices are invited to join experts in the game which demands knowledge of the intricate rules, fantasy literature, medieval rituals, and group dynamics. Of course, imagination, aggression, and insanity are involved!

Invented in 1978, the game has come a long way. More and more schools are offering this club as an extracurricular activity. The game was originally invented as just a game to play in spare time, but has recently become, to some people, an addiction.

One game, or "campaign," involves the fictitious, hazardous journey of the players to a "dungeon" where they will find treasure and powers. The length of the game depends upon the challenge of the perils and monsters the dungeon master creates and the ability of the players to "survive." Constantly the players must discuss how to overcome the obstacles which the dungeon master (D.M., John Dilley in our school's club) has planned. Those who survive the campaign share the contents of the dungeon and progress to a higher level of power in the next campaign.

The club meets twice weekly in Mrs. Hill's room to plan the location and time for play at members' convenience.

STUDENT LIBRARY AIDES

1st Row l. to r.: Margaret Aymer, Althea Grant, Nahndi Williams. 2nd Row: Ms. Mears, Chris Doele, Michael Ferraro, Eric Berger. missing: Mia Morse, Iretta Coleman.

The Student Library Aides work during their free periods and after school, providing the type of back-up support that is essential to the operation of all libraries. Their duties include refiling all returned materials, keeping materials on the shelves in order, and assisting librarians with clerical tasks and charging desk routines. Their services are a truly valuable contribution to the library program.

SPECIAL SERVICES

The Special Services Club is a club that helps at school functions. We collect tickets, hand out programs and greet the public. We help with most things from Teacher Teas to commencement. We are known for being seen in our red and black. Though we are usually kept busy, we have fun.

1st Row l. to r.: Beth Fand, Kimberly Carlson, Mariko Kondo, Keira Berman. 2nd Row l. to r.: Robin Patlock, Margaret Aymer, Pam Dudzik. 3rd Row l. to r.: Mrs. Blazure, Mrs. Penberthy, Mrs. Brydon. missing: Heidi Beck, Donna Ezor, Jennie Hyer, Nancy Pearson, Lisa Papp, Spencer Wolf.

ASTRONOMY

The Astronomy Club, now in its sixth year, has been very successful in attaining many of its goals. Last spring, over 3,000 dollars were raised in order to buy a new telescope. The club has used this telescope and others during numerous observations, both during the day and at night. Our recent activities have included viewing two lunar eclipses and being disappointed on many occasions when the weather did not cooperate with our plans. This was the fault of our sponsor, Alan Levin, who has consistently caused extremely cloudy nights on our observations. The club has also had many overnight trips to remote observing sites, in an attempt to escape the light pollution of Maplewood. As a result of these accomplishments, the Astronomy Club was featured in an article in the New York Times in December.

The International Affairs Club studies events occurring abroad, as well as in the United States. The club (founded by Mr. Joseph Tusa), has conducted seminars concerning human rights, and traveled to local universities to hear lectures.

ASSEMBLY COMMITTEE

Paul Lehrman, Tracy Gevitz, Geoff Barry

This year's Assembly Committee has been one of the most cohesive groups in our high school. For most of the year, this group of students has seated the entire student body and planned every assembly without a faculty advisor. Led by chairman Paul Lehrman, this committee has taken upon itself to serve the student body.

ECONOMICS

The Economics Club is actively involved in the pursuit of profits derived through the investment of capital in ongoing entrepreneurial ventures for the benefit of its members.

SCHOOL COUNCIL

School Council's goals for this year were to build a strong student government, participate in community activities, and increase school spirit and appreciation. Under the leadership of Charles Coleman, School Council President, many activities were implemented to fulfill these goals.

With the elimination of houses a revision of the constitution was conducted. Council also sponsored exchanges with other councils and conducted workshops to get new ideas for student government.

Council members also attended Board of Education and Board of School Estimate meetings to express student sentiments. Meetings were also held with the BOE to discuss the possibility of a student serving as a BOE member. Council, through the town governments, had students appointed to local boards and sponsored an exchange with the administration, courts, and public service departments of the communities.

A football pep-rally, two spirit weeks, and Teacher Appreciation Day were the main activities Council sponsored to increase school spirit. Council also worked on a course evaluation, student booklet, school folder, and the student center. A lot of hard work from a lot of very concerned people made this year profitable.

This year the Senior Class Council, under our advisor Mr. Cooperman, has been extremely busy in preparing for the annual year-end events. We were also, however, involved in fundraisers and all-school events. For the first time in Columbia High School history the Senior Class Council has been and still is an actual functional council and not simply a year-long prom committee. Numerous events, like the talent show, formal dance, flea market, marathon, and many others, were carried out successfully by the active participation of all council members. Other "projects" such as the computer dating service, candy-grams, and weekly bake sales, were also initiated by the Senior Class Council. Our class president, Steve Carridi, became known for his "Carridi committees", created for virtually every apparent conflict, grievance, and idea presented to the council.

JUNIOR CLASS COUNCIL

This year the Junior Class Council has worked very hard and has had a terrific outcome. We have raised more money than any other Junior Class. We have had many successful events and other excellent fundraisers. We are all very proud of ourselves—hard work pays off.

SOPHOMORE CLASS COUNCIL

This year the Sophomore Council has been very active under the leadership of Anna Verdi, President; Joann Savino, Vice-President; Jennifer Manning, Secretary; and Jennifer Dimpell, Treasurer. We have nineteen people on the council, one person from every sophomore homeroom.

We started out the year with a band night in December. As the year progressed we held numerous bake sales and occasional bagel sales in the morning.

This year the sophomore council sponsored an event which we hope will become a tradition and improve interaction between the schools in this area. A dinner was held for all the members of the student councils of the schools belonging to the Iron Hills Conference.

All in all, the Sophomore Council has had a successful year and all members had fun being part of the government of Columbia.

Due to the change in Columbia's school system from houses to grade divisions, the freshman class had to adapt itself to a new school and school system. The freshmen student council accomplished much over the past year, arousing freshmen school spirit and enhancing freshmen involvement in Columbia High School. During "Spirit Week" the freshmen student council was proud that a freshmen homeroom won. Besides this, the freshmen student council sponsored an event, "Columbia's Horror Picture Show", in December. Through freshmen homeroom representatives, student council has been able to keep the lines of communication open, thereby increasing freshmen participation in all school events.

FENCING

Since its beginning two years ago, the Columbia Fencing Team has established itself in the Cougar tradition. Led by Coach Richard Cohen, Team Captain Greg Bonin, foil captain Eric Berger, epee captain Roger Crandall, and sabre captain Dave Cardillo, Columbia made an impressive record for a first year team and placed fourth in a field of seven competing teams in the State District Qualifying Match for foil.

Although losing the experience and power of graduating seniors Greg Bonin, Eric Berger, Roger Crandall, and Mike Rothberg, next year's team, led by team captain Danny Glasser, has harnessed the talents of many underclass students and looks forward to a successful year.

BAND MARCHING BAND MARCHING BAND

The 1982-1983 Columbia High School marching band had a very successful season this past fall. The 96 band members and this year's Drum Major, Steven Blinder, marched at all but one of the Varsity Football Games, under the best and worst of conditions. Joining them on the field were the Colorguard and the Twirlers.

There is more than just football, however, that makes these students perform. The Marching Band and the Colorguard and Twirlers also marched in Maplewood's Memorial Day Parade, a tradition for the students that has been around for years.

The 1983 Columbia High School Twirlers were captained by Clarice Glosinski and RoseMarie Bengiveno. The other members of the squad were Linda Kaufman, Laura Oswald, Lisa Ricciardelli, Maryann Boydel, Fran Adams, Virginia Clegg, Wendi Rodriguez-Vega, Mary Kazoun and Sandy Bond.

Due to the budget cuts, the Twirling squad was not going to be continued in 1983. Thanks to Mrs. Barbara Baubles, the squad was able to twirl for the 1983 season. She volunteered her free time to sponsor the squad. We thank her very much because without her help, the squad could not have existed. We would also like to thank Mr. Kreutzer and Mr. Jones for their help, and hope the squad can continue to twirl again next season.

The Girls' Soccer Team ended the season with a record of 12-4. The team was led by Senior Tri-Captains Maura Armuth, Janet Bircsak, and Karen Reitzel. Other outstanding players included MVP-Lynn Byrne, Kathy Brady, Deirdre Donnelly, Dorothy Ahrens.

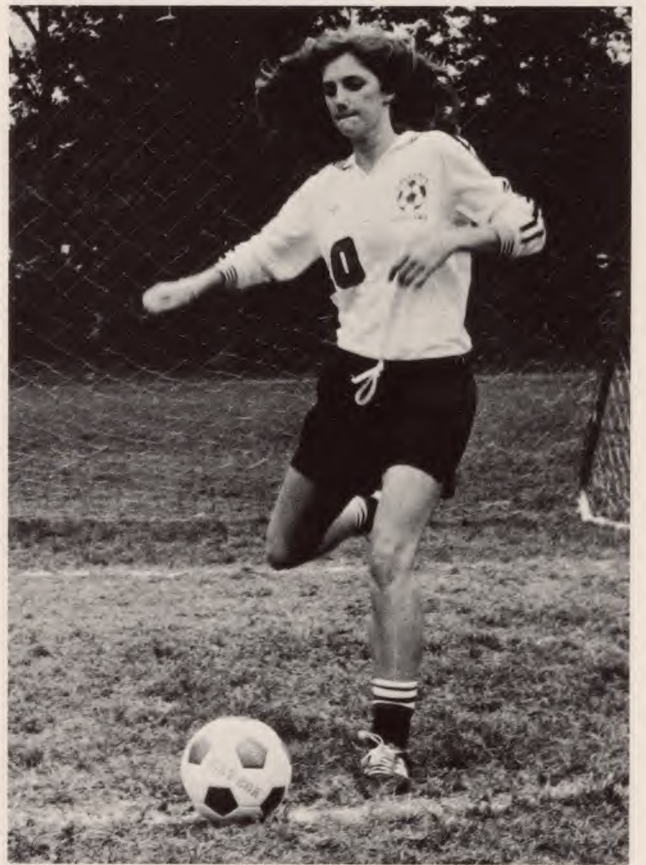

Both Kristen Bowsher and Moira White were named to the All-State team for their outstanding efforts. Bowsher led the state in scoring with 48 goals, while White was third in Essex County in goals scored. Bowsher capped off a successful year by being named to the Coaches National All-American Team.

Other members of Coach Gavitt's outstanding squad were Amy Bobrow, Sharon Brady, Celene Fisher, Cara Ericsson, Lisa Darcy, Stacey Hilbert, Alisa Jaffe, Hilary Vaeth, Janet Orlin, Marcy Engelstein, Chris Laufen, Kim Kushmerich and Jeanne Doyle.

Gavitt said that the Seniors were instrumental in beginning the Girls' Soccer Program here under the direction of Coaches Strasko and Vodofsky; they have compiled a three year record of 35 wins and 12 losses.

The player in the foreground, slightly to the right, is wearing a light-colored, short-sleeved jersey with the number '10' on the front and dark shorts with white drawstrings. She has a headband and is looking down, possibly at the ball. The player behind her, to the left, is wearing a dark jersey with the number '11' and is also in motion. The background is slightly blurred, showing a grassy field and some distant structures.

With a record of 23 wins and only 3 losses, the Varsity Soccer Team was once again among the State's best. Besides winning the Iron Hills, Iron Division Championship, the Cougars, under the direction of Eugene Chyzowych, advanced to the final of the Essex County Tournament before losing to neighboring rival Millburn.

In the State Tournament, Columbia rolled past Belleville, 6-0, in the first round. Westfield was the Cougars' next victim by the score of 2-0. In the sectional finals, Tom Giordano scored two goals to clinch a 4-1 victory over Newark East Side and insure the Cougars a place in the North Jersey Group finals against long-time arch rival Kearny. Tommy Bowsher and Andy Shue scored fourth quarter goals to knot the score at 2-2 at the end of regulation time against Kearny. After two scoreless overtimes, the game was decided on penalty kicks, with Kearny coming away as the victor.

Greg Meares, Cougar defender, was chosen as the best High School soccer player in New Jersey. Along with Meares, six other players made the All-State team. Giordano, the leading scorer, made the second team, while Jim Defino, Danny Rudd, Robert Schaffer, Mike Tevlin and Mike Weber were named as Honorable Mention.

The Varsity Girls' Tennis Team completed their awesome season second in the Group 4 Section 2 division of the State tournament. The unranked girls achieved their status by upsetting ranked Livingston 3-2 in the division semifinals but subsequently being defeated by highly ranked Westfield in the finals. Coach George Stager was proud and appreciative of his team who compiled a 13-5 record for the season, as he said "This was a regional final. Only eight teams in the State are in that category. It shows that we are good and we can do it, and next year we'll be even better, even though we are losing many fine people. I greatly appreciate what everyone did, especially the Seniors who were not starting; they knew that they wouldn't have much chance to play, but they stuck to it, and were out there every day. That's important."

The Columbia Boys' Gymnastics Team completed another successful season this year capturing its seventh consecutive NJSIAA North Section Team Championship. With a record of seven wins and two losses, the team lost only to the top two teams in New Jersey. Led by senior co-captains Butch Ciullo and Keith Willis, the boys placed sixth in the state.

Individually, Ciullo and David France had the greatest successes this year. Ciullo took fourth place in the North Section, while Sophomore France finished fifth in the section on the floor exercise and tied for sixth in the State Individual Championships. France also gained All-State status on floor exercise and captured fourth place in the State Team Championships. Other gymnasts responsible for the team's success this year include seniors Marc Flora and Mike Meade, Junior Al Sneed, and sophomore Mike Davis.

The Columbia Girl's Gymnastics Team had a great 1982-83 season. The team captains were Amy Tunney and Holly Pennock, both Seniors. The outstanding meet of the season was on November 9, at home against Randolph. The Randolph team was undefeated upon entering the competition. The teams seemed to be equal in ability, but Columbia's line-up was more solid comprised of members like Jennifer Whinery, Suzy Mathews, Teresa Bruno and Michele Laskowski. The meet ended in a victory for Columbia after tense competition. The record for the season was 8-3, and all of the girls should be proud of their efforts.

Succeeding Amy and Holly as captains next year will be Lisa Penimpede and Jennifer Whinery.

The Columbia Girl's Cross-Country Team ran to new distances with its greatest balanced team ever. The team was led by tri-captains Pam Riley, Mariel Da-Costa and Erica Kessin; Senior Carole Hess, Junior Christine Talleyrand, Sophomores Sue Willner, Lisa Morgan, and Frosh Kim Dunn completed the squad.

The team lost only one conference meet, was victorious at the Essex Catholic Invitational, nearly won the County Championships and achieved it's greatest team finish at the State Sectionals.

The 1982 Boys' Cross Country Team was led by Co-Captains Chris Sabin and John Trinity. Their Conference Team record of four wins and four losses, reflected a youthful team. Returning to the team next year, after a "learning experience" year this year, are: Juniors Rob Schuster, Farshid Hajir, Eric Caro, Adam Krammer, John Selles, and Sophomores John Talleyrand and David Scher. The team will miss Senior Ed Davidson, and Captains Sabin and Trinity.

Although the field hockey team did not get off to a good start, they ended with a 7-7-3 record. Led by captains Beth Breen, Alice Chiu, and Marie Purcell, the team out-shot and out-scored their opponents. Columbia had 243 shots and their opponents only 167, the defense playing well. They scored 14 goals with 12 scored against them. Jennifer Nulty had 72 saves with an 84% save record. Jennifer Manning also saved 5.

Alice Chiu was voted most valuable player for the 1982 season, and Rachele Bahto was awarded most improved. Marie Purcell was high scorer with 8 goals; she made second team all-Essex along with Alice Chiu. Jennifer Nulty, Beth Breen, and Mia Grosso made third team. Hopefully next year the team will get off to a better start and win back the title of Essex County Champs. They held it three times in the last five years and will hold it again.

This year, the Columbia Varsity Wrestling Team was stronger than ever before. The Grapplers opened the season in championship style by winning the Essex County Tournament, and placing third in the prestigious Hunterdon Central Tourney. Due to the great experience or the nine starting Seniors, the Cougars, led by co-captains Dave Barry, 115, and Rich Bianchi, 188, went on to post a 10-5 record in dual meet competition. Best of all, the 1982-1983 Varsity Wrestling Team became the first team in Columbia's history to reach the State Sectional Wrestling Tournament, where it lost narrowly to Roxbury in the finals. The Cougars concluded their season by placing second in the District X tournament. Those competing were sophomore Mike Barry, 101; senior Mike Meade, 108; senior Dave Barry, 115; senior Bob Kuttner, 122; senior Adam Gurien, 129; sophomore Dave Brothers, 135; senior Tim Chamberlain, 141; senior Kenny Giordano, 148; sophomore Bill Clohosey, 158; senior Peter Zimmerman, 170; senior Rich Bianchi, 188; and senior Leon Lewis, HWT.

The 1982-83 Girls Basketball season was one of inconsistency due to injuries and sickness. The girls finished up with an 8 and 12 record against a very tough schedule. They finished 3rd in the Iron Hills Conference behind Roxbury and Morristown.

The team was led by tri-captains Kristen Bowsher, Lisa Lawrence, and Claire Janowski. Claire missed 6 games due to a badly sprained ankle and hurt the continuity of the team. The team lost some close games due to the inconsistent shooting of lay-ups.

Next year all 10 players will return and should be a tough team if they improve their offensive and defensive skills.

Mrs. Johanna Wright will succeed Mr. Ruggiero who will be retiring from Girls Basketball at Columbia High School.

Team Meeting with Coach Ruggiero

Unlike previous years, Columbia's Varsity Basketball schedule was extremely tough. The season consisted of playing eight of the top twenty teams, and the Cougars managed to compile an impressive 16-8 record. This year's team was very young, as four underclassmen were in the starting line up. The youth of the team sometimes hurt the team, as they lost a few games that they never should have. Nevertheless, they wound up second in the league. The highlight of the season had to be the exciting victory over their cross-town rival, and ninth ranked Seton Hall, with Junior, Mark Bryant putting in the winning layup.

The starters who will be returning are the Kelly brothers, Owen and Jeff, Mark Bryant and Eric Dines. The Seniors on the team were Captain, Jeff Rott, Scott McCluskey, Greg Snell and Manny Foster

Led by captains Geoff Barry, Seth Levine, Chris Sabin, John Trinity, Felica Blake, Linda Lally and Pam Riley, the Boys' and Girls' Indoor Track Team excelled under the guidance of Coaches Klepack and Cole. With teamwork, practice and patience, the two teams achieved many new goals, such as a new record in the Boys 880 Relay, and the Girls winning the State Individuals and Relays. The teams are young and hard working. Great things are expected in the years to come.

Cheerleading is a sport. While many people will debate this point, cheerleaders, advisors, and coaches regard it as a fact. It is not a game, nor is there a winner or loser after the contest. However, like any other sport it requires dedication, spirit, and a lot of practice.

Columbia cheerleaders are no exception. This year, much time and effort were put into football, basketball, and wrestling cheerleading. Many new cheers were heard, some created by squad members and others brought back from cheerleading camp. Although there were new additions, many traditional cheers were retained. With the practice of their coach and advisor, Mrs. Wright, and their other advisor during basketball/wrestling season, Mrs. Facciponti, the Columbia cheerleaders had a successful and enjoyable year.

Prayer

"I am the resurrection and the life," says the Lord. "The man who believes in me will live even if he dies, and every living person who puts his faith in me will never suffer eternal death."

We commend our servant to you, Lord. Now that this servant has passed from this life, may this servant live on in your presence. In your mercy and love, forgive whatever sins may have been committed through human weakness. We ask this through Christ our Lord.

Amen.

Nobody Knows

*I may get around ... I may laugh a lot ...
Now you'd think that I'd be happy with the life I got ...
Nobody knows ... nobody sees ...
Ain't nobody really knows the inner side of me ...
I may seem secure ... I could have it made ...
You might think you see a lucky man who made the grade ...
Nobody knows what dreams I see ...
Ain't nobody really sure just who they wanna' be ...
But everybody has a place and time ...
A chance to live ... a need to find ...
We all got something that we care about ...
I propose you find it out ...
It's not in a book ... or a magazine ...
Or the stars who guide our fortunes on the silver screen ...
Nobody knows ... it's up to me ...
Ain't nobody who can say it like it ought to be ...
I see my future at the rainbow's end ...
happy hours ... timeless friends ...
And if I ever chance to find my way ...
rest assured ... I will stay ...
You may see your life as a compromise ...
You may live to find the promise dancin' in your eyes ...
Nobody knows ... it's meant to be ...
Let the magic of the moment say it all to me.*

Thinking of the good times that we had, when all our days were good and none were bad. Reflecting on some memories, feeling sort of sad. Thinking of the good times that we had . . . Those crazy nights I do remember of my youth. I do recall those were the best times most of all . . . Jammin' Journey Concert—Karen's Shawnee Ski School—Lisa can't get down the mountain—take the long way home (scenic route) — it's better in Maine, California and Pennsylvania — Three Musketeers — Godiva and Grunings — Serendipity? — Birthday Surprise — Long distance special connections: spending every dime to keep you talking on the line, that's how it was — Night of the Living Dead — "TEEEERABLE" — soap addictions — Tell it to the Marines — Big Red — Crash on the Avenue — When it turns Greene let me know, and I'll come back and stop — the hypotenuse is STILL six inches — yes Northwestern did have its good points — CJBGTGMMJWD MPMBLSLEMDPJSS — Wish I didn't know now what I didn't know then . . . I will follow you will you follow me . . . Ain't it good to know you've got a friend . . . Trust in the good times no matter how long it takes . . . My dreams they aren't as empty . . . But I'm not letting go, I believe there's too much to believe in . . . Keeping all the things I knew inside . . . And I wanna sleep, so why can't it wait till morning . . . There's hours of time on the telephone line to talk about things to come . . . You're just a part of me I can't let go . . . Through all the doubt and all the fear and all that we can't say, still somehow we'll always find our way . . . blabbering incoherently—I HATE Mondays — Only three more weeks — you're ugly and your mother dresses you funny — "Sweet" — Was today really necessary? — "Like, I don't know" — Growin' Up — two TABS and a COKE — Lynn, someone for you on our line — We're not so short, you're just too tall — Livin' in Calvin and Ralph — Weekends at the Farm — From Slavery to Freedom — Looks like we made it! — The Best is Yet to Come — There never seems to be enough time to do the things you wanna do once you find them. We'll miss you all.

Assembling, coordinating and processing the information for 288 pages for the 1983 Mirror was a formidable task. What we have done is tried to capture the spirit of Columbia and present it in a book that will represent all, one that will be accepted and enjoyed by all. We have tried to be creative and original. We, the 1983 Mirror staff, have tried to produce the best! We would like to thank the following people who gave their time and effort to help us:

Lynn Craugh and Liz Perez for artwork

Doug Ladden for helping us with ads

Irene Giordano, Nancy Kasen, Eileen Racciopi, Charles Coleman, and Andy Turner for photography

Nancy Gelson, Kristen Greely, Lisa Greene, Linda Karlin, Ellen Pilchik, Simone Solondz, and Mr. Palma for giving up time during Christmas vacation to work on the senior section

Eileen Collins and Kim Kirkman for their help with the senior section

Kathy Brady, Andrea Chirls, Ilyssa Cohen, AnnMarie Desposito, Dana Holly, Leigh Hooper, Linda Karlin, Katie Kemp, Janice King, Simone Solondz, and Abby Turk for their help typing

Frank Wang for always being around at the right times

Mr. Palma's second period class for all their assistance

Mr. Richter and his Apple computer for alphabetizing the patron list

A very special thanks to Tom Palma for his continued support and guidance. Your encouragement and friendship kept us going when times looked tough. It's been a long and productive year but we've had our fun, too. You will always be a part of our Columbia memories.
