**Columbia
High School**

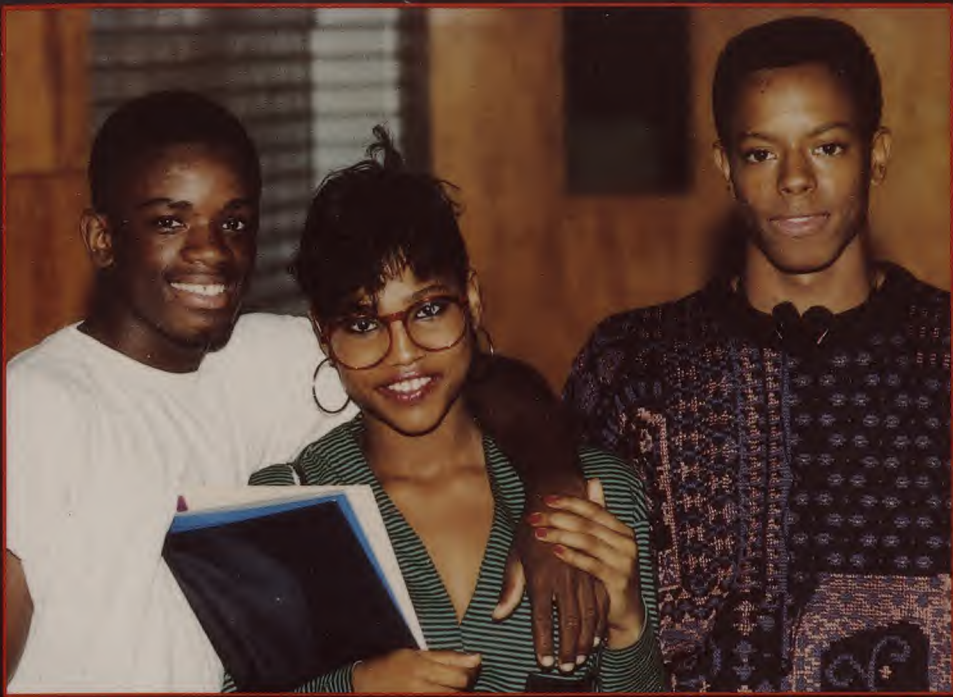

*Maplewood
New Jersey*

*Floating down,
Through the clouds,
Memories come rushing
Up to meet us now.*

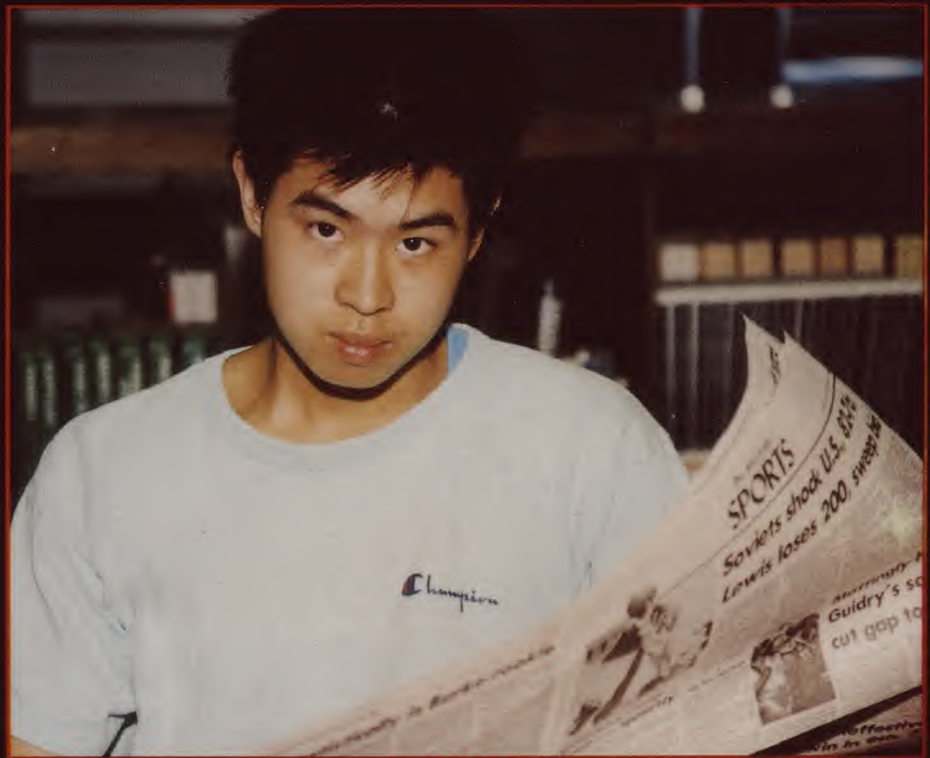

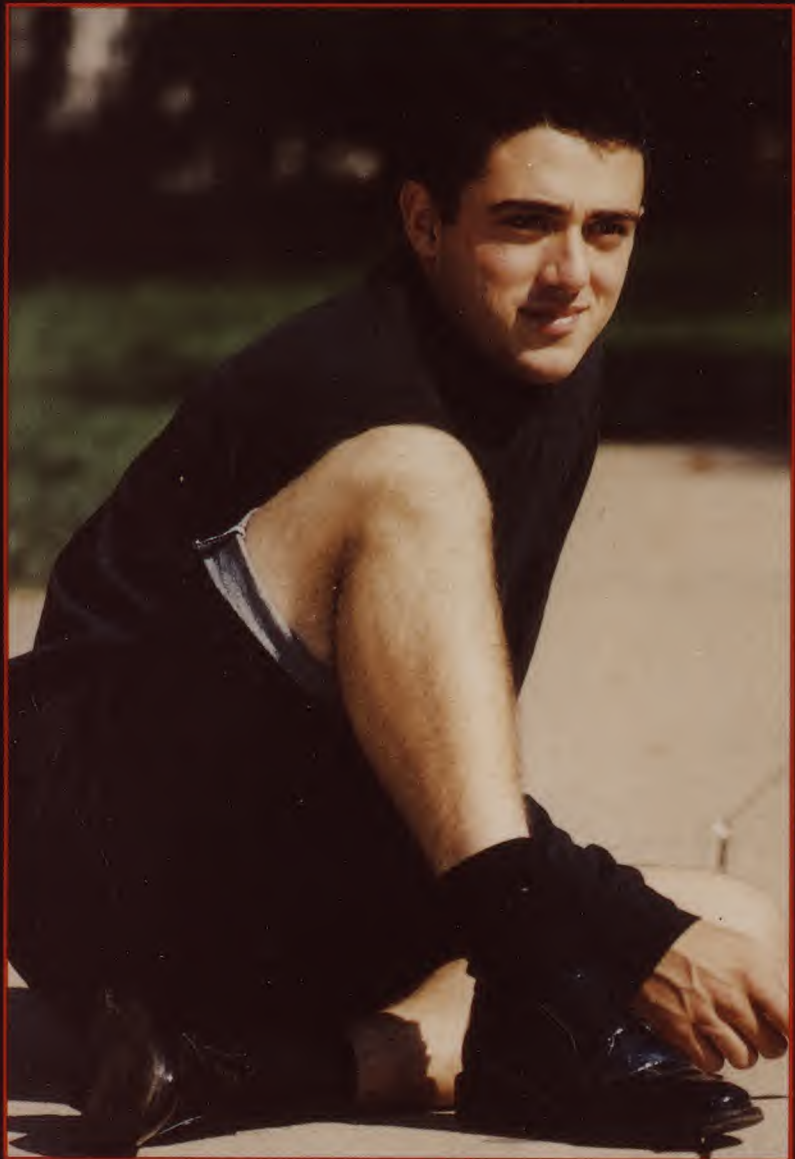

*Sometimes we walked alone.
Sometimes we lived no
particular way but our own.*

*Walk out of any doorway,
Feel your way like the day before.
Maybe you'll find direction
Around some corner where its
Been waiting to meet you.*

*We are one person,
We are two alone,
We are three together,
We are for each other.*

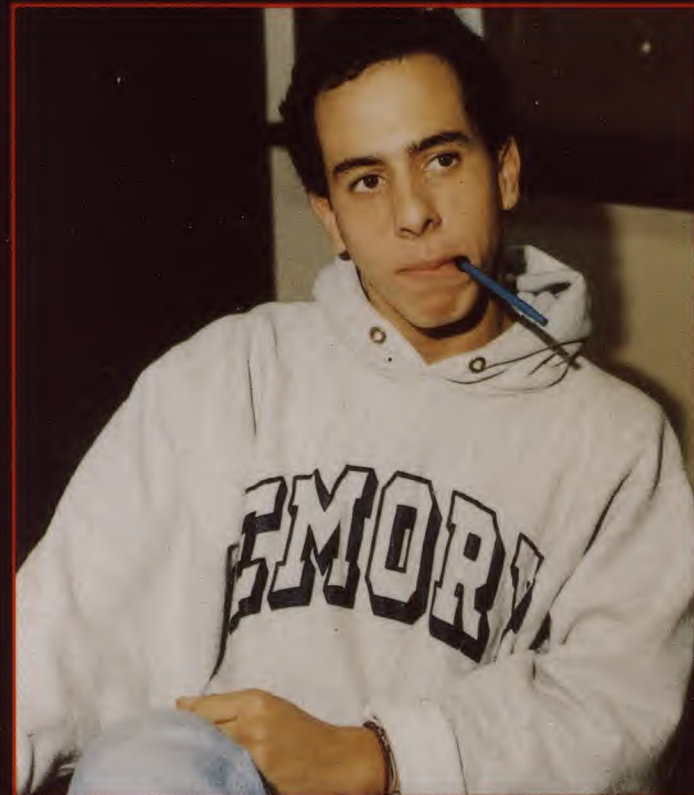

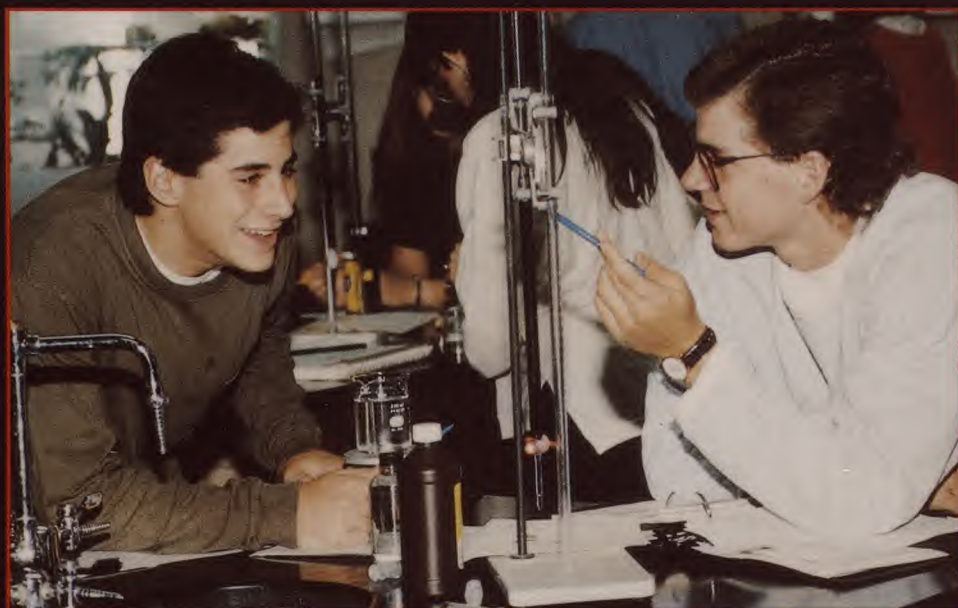

*There is a road
And if you go,
No one may follow—
That path is for
Your steps alone.*

*Crippled but free,
We were blind all the time,
We were learning to see.*

*Our time is coming, voices say,
They tell us where to go—
Let your life proceed
By its own design.*

We've been here so long, we've got to calling it home . . .

IN MEMORY OF RICHARD WRIGHT **June 17, 1971 — December 27, 1988**

*"There is something terrible yet soothing
about returning to a place where [I] once lived.
[I am] one of [my] own memories . . ."*

—Richard Wright 10/21/88

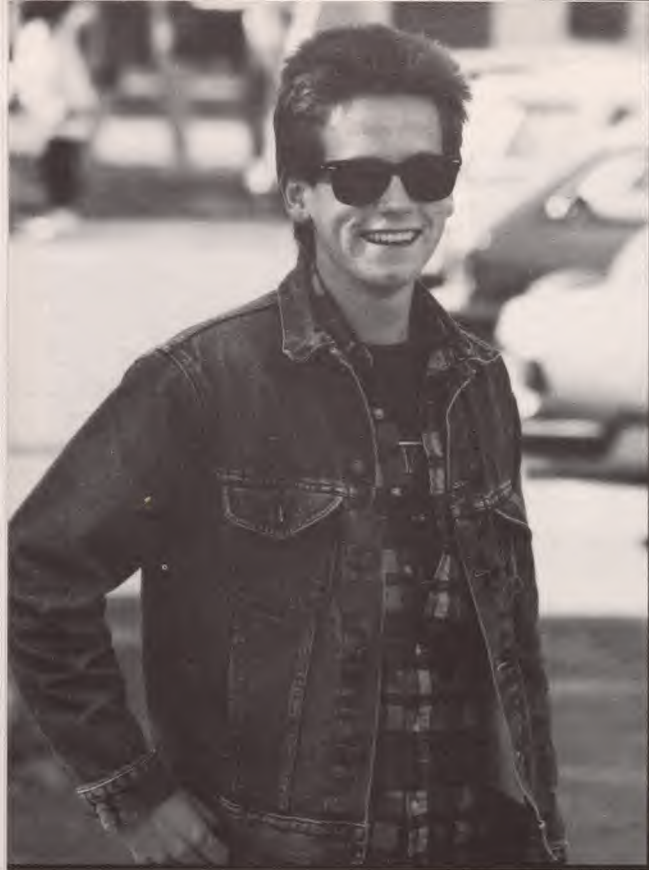

All the precious moments we have spent together are gone but will never be forgotten. The laughter that was shared and the times we spent will always and forever be remembered—in the hearts of the many friends you left behind will always have that special feeling that you are near and here with us to stay. The impression that you left is unforgettable and we leave you with this simple phrase, "we love you." —Paula

I'm feeling down on life because I feel they cheated one of my friends of his future. He was a very calm and good natured kid. I used to say "hello" to him every time I would see him in the hallway. I just hope that his friends and I will remember the good moments we shared.—James Papeika

In my eyes and definitely in God's eyes Richard was a nice person and a friend to all he met. He was in the prime of his life. All he wanted to do while here at Columbia was make new friends in a new environment. Even in his worst moods he would wave and say, "hi!" —Larry West

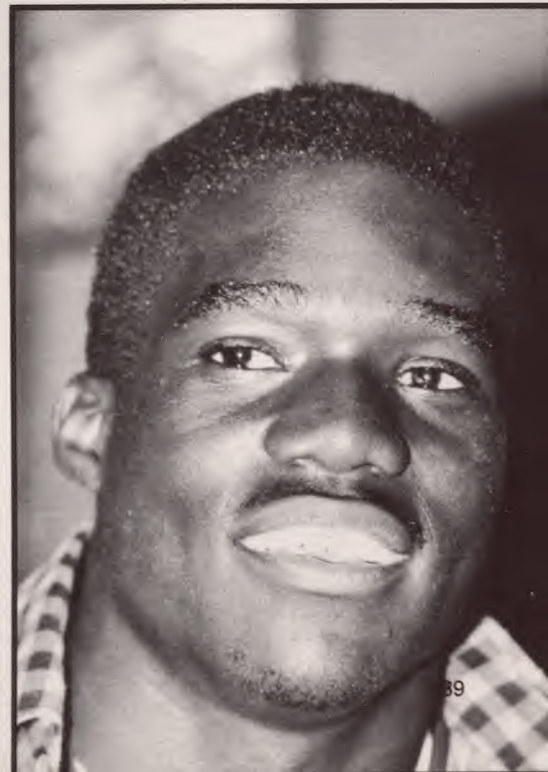

Rich was a good friend to me. He was a very kind person to everyone. He always had a smile on his face; and would make a bad day feel good. The very first day I met him, he made me laugh. —Eric Brown

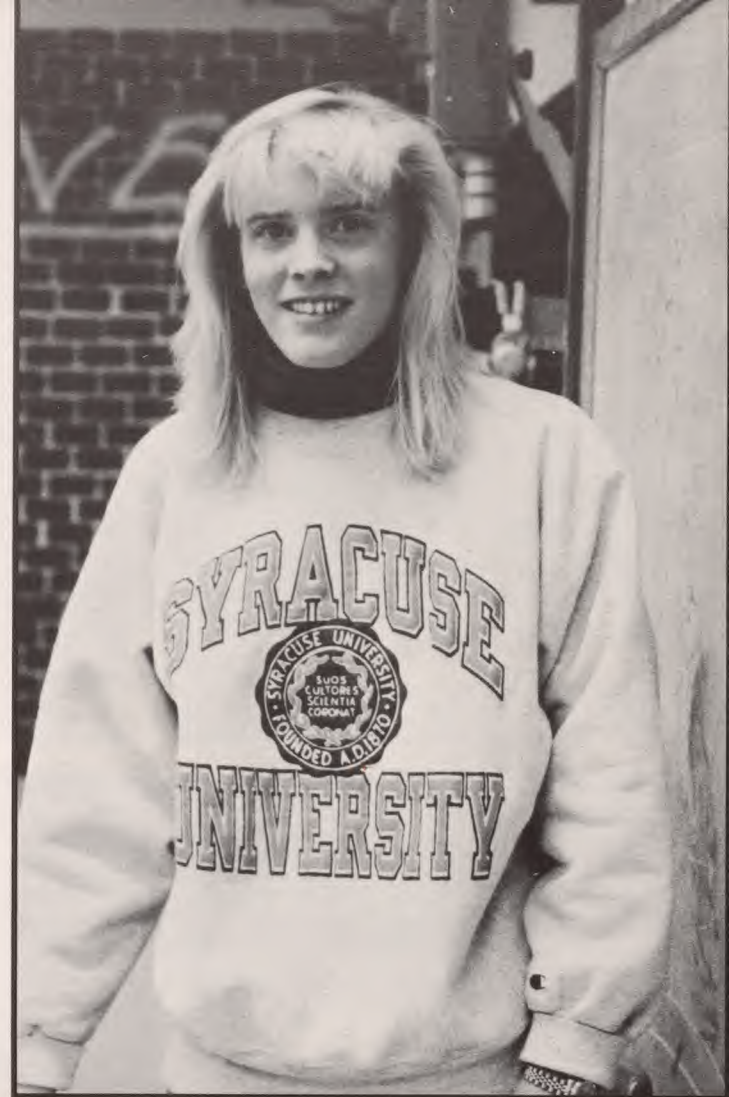

Richard was a nice kid, he kept to himself. He was a friend who I will never forget. —Margaret Sodano

BOYS SOCCER

The 1988 Boys' Varsity Soccer Team added another successful season to the on going tradition of soccer excellence at Columbia High School. The triumphant Cougars finished their season with a record of 23 and 1. In addition to the terrific season, Columbia was ranked #1 in the nation in USA Today.

The offensive leader was senior and tri-captain Alex Sansiviero, All-American selection. Justin Edelman, Carlo Martini, David Staggers and tri-captain Matt DeFillipis also sparked the offensive line.

The midfield was run by senior Nelson Eubanks another All-American selection. He worked with juniors Michael Laskowski and Brendan O'Neil who contributed greatly to the offense and defense. Also in the midfield were Oliver Segal, Mike Warjanka and Fernando Valcarcel.

Columbia had a superb defense led by the outstanding goalkeeping duo of three year starters seniors Steven Armenti and Mark Mury who obtained 17 shutouts. Senior Gene Chyzowych a third All-American selection and three year starter, David Morante, Reno Luciano, Stephen Smarsh, and Andrew Palmieri helped to hold back Columbia High School opponents and keeping them from scoring.

For the 11th year in a row, the Cougars won the Iron Hills Conference title going undefeated in their league. The Cougars also won the Essex County Tournament by defeating St. Benedicts 2-0. This was the first time the Cougars won the tournament since 1985.

The Cougars won the State Sectional title for the 2nd year in a row, by defeating Westfield 2-0. Continuing on in the State Tournament the Cougars defeated Lakeland 3-0 in the semifinals. But in the group four State Finals the Cougars were beaten by Shawnee 1-0.

Coach Chyzowych is disappointed on the loss of eleven players due to graduation. He hopes to continue his winning streak with the six juniors and one sophomore returning.

GIRLS SOCCER

The 1988 Lady Cougars Varsity Soccer team ended its most successful season with a record of 18-3-1. The team captured its second consecutive Essex County Championship toitle, as well as the Iron Hills Conference Championship. Laura Wilkes was awarded MVP, as

seniors Cathy Bissinger and Lynda DeJianne received the Senior Coaches award, Jen Gavitt received Best Defense, and Marci Rosenfeld Best Offense. Jen Caruso received most improved. DeJianne, Bissinger, Getchman, Hawks, Caruso, Rosenfeld, Unal, and Gavitt made all

county honors.

Coach Gavitt was proud of his girls. Hopefully next year's Cougar girls can maintain just as successful a season and hold the possibility of bringing Columbia its first state championship. Good Luck!

FOOTBALL

Upon extending their "New Tradition", the 1988 Columbia High School Football team ended their season with a 6-3 record. The Cougars had a hard act to follow from the previous season, but dedication and hard work made the 1988 Cougars one of the most successful teams in Columbia history.

One game that will stand out in the memories of all Cougars was the opening game against rival, Seton Hall Prep. Columbia recorded their first shutout against Seton Hall in Cougar football history. This was just the beginning of the successful season and just one of the many highlights.

Senior captain, Brian McGuire, concluded his three year varsity career, as the team's quarterback, by surpassing the 3,000 yards passing

record. McGuire's pass, putting him over the 3,000 mark, was to Senior receiver, Kevin Sheridan, with a ten yard pass. This accomplishment was achieved in the Thanksgiving game against Mount Olive.

Sheridan and the two other starting receivers, K.G. Swan and Chris Barton, combined to achieve 403 total yards receiving.

Offensively, Rob Corbitt, Roy Meyer, Elliot Jenkins, Tom Pennimpede, Pat Crann, and Rich Maser, worked as a unit to provide McGuire with time and protection needed to execute the plays.

Leading the team in defense was Sean Ely and captain, Jim Howell. Howell was selected the team's Most Valuable Player and Ely, who was noted as one of the best nose guards in the state, led the team with 65 total

tackles.

Fullback, Karenga Arifu, led the team in yards rushing, with a total of 617. Karenga was a highly respected player by teammates and many other football associates.

Juniors, Mike Sullivan, Jim Papeika, and Mark Manigan, will be looked to to continue the winning tradition because of their talent displayed in 1988.

Other outstanding players for the Cougars were, Special Teams' Captain, Jeff Ruggerio, Sean Bellamy, Willie Josey, and Charlie Lomack.

Although the Cougars are graduating many starters, we hope to see them continue the pride that the 1987 and 1988 teams established. Good Luck guys!

GIRLS GYMNASTICS

Although this year's Girl's Gymnastics Team did not place as well as they had in previous years, they still shared the enthusiasm of last year's team. All but two of the members were returning from last year's winning team, the new members were sole frosh Andrea Melton and junior Diana Lothrop.

Tri-Captains Amy Titlebaum, Victoria Custodio, and Jennifer Lynch will be greatly missed for their leadership and outstanding achievements. The

team had four juniors, Nicole Rapp, Aimee Venckus, Diana Lothrop, and Claire Ostrovsky, who charged up the team with talent and spirit. Leora Mallach and Gina Petruzzello represented the sophomore class, and show promise for future years. New coach, Shari Gal, is a great asset to the team, not only as an instructor, but for the moral support she gives too.

The team's over all record was 2 and 7, but they placed 4th. in the Bulldog Tournament. CHS was

also represented at the sectional tournament by Andrea, Gina, and Amy, who all placed in floor and vault. Gina placed in uneven parallel bars, as well.

We hope to see next year's team go on to victory, while maintaining the close-knit family ties they have achieved over the years.

TENNIS

The 1988 Lady Cougar Tennis team, headed by co-captains Jennifer Dunetz and Beth Gantman ended their season with a 9-15 record. The team was composed of several determined athletes who pulled together in many situations.

Early in the season they competed in the Essex County tournament where they won the first game against Cedar Grove. They were then defeated by Livingston and Nutley.

In the Iron Hills Conference division the lady Cougars tied for fourth place. Playing for the Cougars at first singles Ali Simonton, second singles Lizzie Poss, and third singles Jennifer Dunetz. For the doubles tournament, Melissa Decter and Karen Fessler played first doubles, and Eleni Elmalis and Sarah O'Connor played second doubles. In the top reserve was Beth Gantman and Suzanne Aaronson.

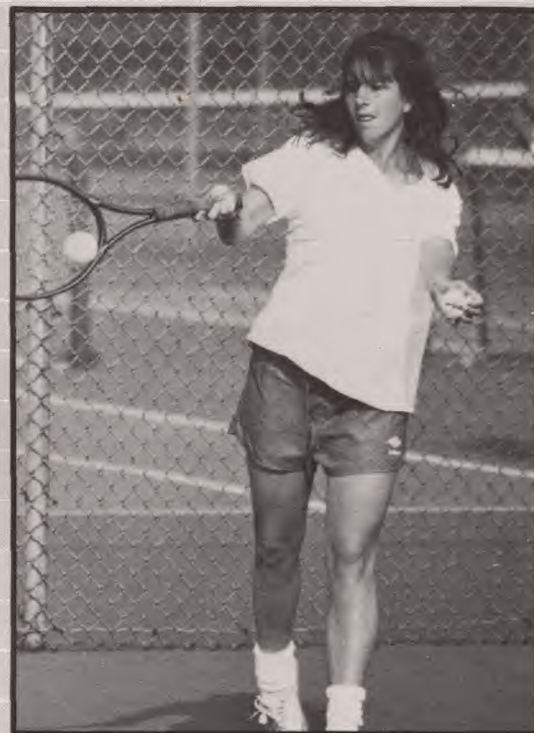

A positive aspect of this year's season was that almost all the girls were given the chance to play, no matter what grade they were in. Most of the team will be returning next year except for graduating seniors Jennifer Dunetz, Beth Gantman, and Eleni Elmalis. Mr. Stager and the team are hopeful that with its large number of veterans, the team can continue to improve.

Off to a great start

CHEERLEADING

The 1988-1989 Cougar cheerleaders were led by co-captains Tara Arnold and Venessa Zipfel. This year's squad, along with the cougar mascot, cheered at every football game and lifted the spirits of the players and fans. The powerful team was very enthusiastic and worked hard throughout the season, under the leadership of coach Johanna Wright. This year's cheerleaders were: Arnold, Zipfel, Marcy Trajer, Rachel Levy, Becky Stoehr, Nicole Boughknight, Timika Mcleod, Daria Foster, Eleanor Gil, Jamee Menza, Lisa Carney, Mailisa Yamba, Lashonda Deans, and mascot Toia Drake.

BOY'S BASKETBALL

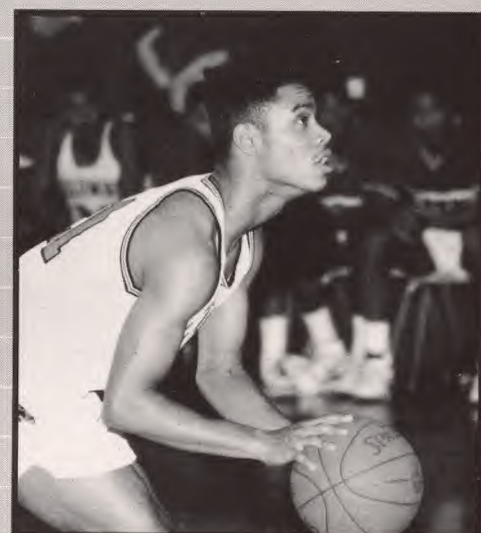

The 1988-1989 Columbia High School Varsity Boys Basketball team ended their season with a 12-8 record. The team is in a state of rebuilding. It is comprised mostly of juniors. The team lost a couple of Seniors last year due to graduation. Coach Reilly was proud of his team. The Cougars were led by George Tines, Willie Lee, and John Knecht on offense. The entire team contributed to the defense to stop their opponents.

The Cougars made it through the first round of the Essex County Tournament by defeating Livingston. But they soon were stopped during the second round when they lost to East Orange.

This year Coach Reilly was disappointed because he is losing more good players due to graduation; George Tines, Jon Green, Malik Herron, John Knecht, Charles Lomack, and Dan Williams. But he will still have his returning players who are Juniors right now, and he will be bringing the younger boys up and give them the experience. Coach Reilly hopes to continue the season next year and maybe even better.

GIRL'S BASKETBALL

The Columbia High School 1988-1989 Lady Cougar Varsity Basketball Team had another successful season. The team ended the season with an 14-6 record. The Lady Cougars were eliminated in the first round of the county tournament, by Nutley. The team is seated in the first round of the State Tournament. The Lady Cougars are also ranked second in the Iron Hills Division; Iron Division.

Coach Johanna Wright had an experienced team with the loss of one Senior last year. Her team was made up of starters from last year who have played together for years. She feels as though she had a strong team.

The teams offense was headed by Laura Wilkes, Patty Vopal, and Rocki Gautier. The entire team contributed to the defense which helped stop many of their opponents. Laura Wilkes was the

high scorer for the Lady Cougars.

Coach Wright will be at a loss with the loss of four Seniors due to graduation, Leigh Slaton, Rocki Gautier, Jenny Gollin, and Debbie Agriantonis. But she still will have a powerful team and Coach Wright will have time to bring the younger girls up and give them the same experience.

WRESTLING

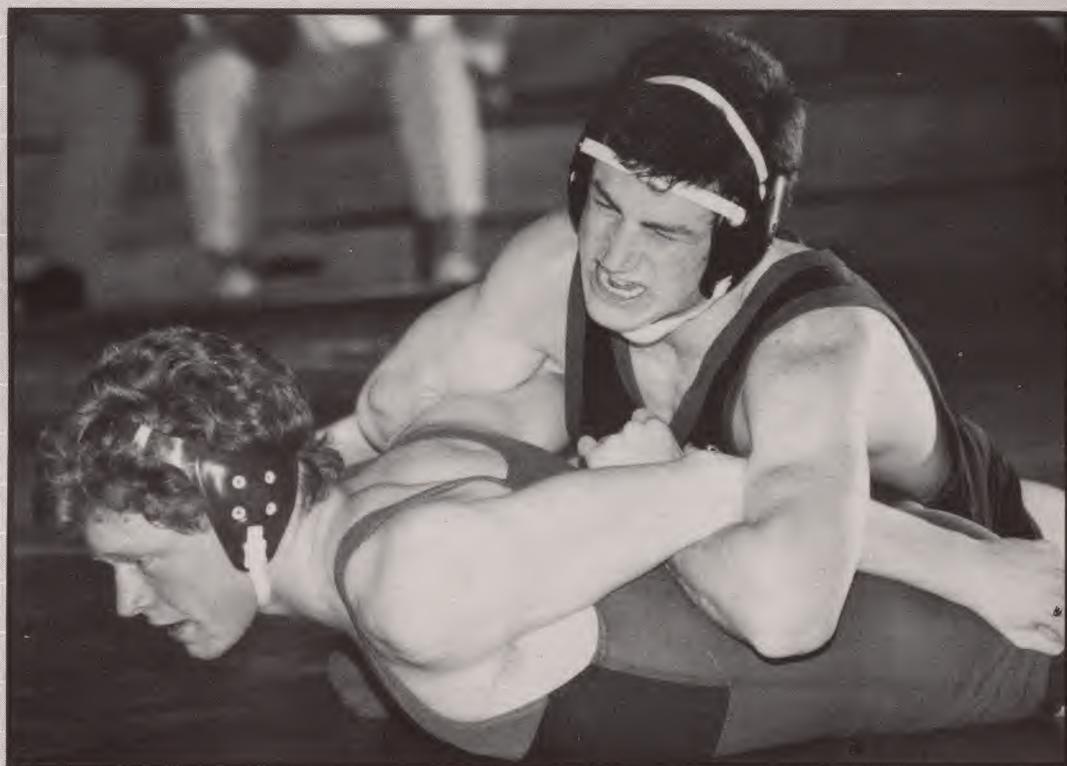

This years wrestling team proved to be the best ever at Columbia. The wrestlers, coached by Len Cuppani, Pat Picciuto, and Hal Garwin, finished with an impressive record of 15-3 with two out of the three losses in the Group IV States. Coach Cuppani completed his fourth year of coaching at Columbia and was named District Ten Coach of the year. The Cougars won the Essex County Championship for the third time in history and the first, ever to be ranked in the Star Ledgers Top 20. Also making firsts for Columbia was the winning of the Iron Hills conference Championship and the Section II Group IV State Championship.

Captain Kevin Sheridan consistently anchored the team with his personal record standing 25-1-1. Sheridan placing first in the county, winning the districts, went on to qualify for the finals in the State Tournament. Kevin Orsi also placing first in the county and Roy Meyer placing second in the county and winning the districts.

Although the returning matmen will only consist of four wrestlers; Jon Brothers, Paolo Custodio, Mark Houliker, and Wilber Jones, the Cougar wrestlers should continue their winning ways knowing the J.V. team finished 14-0.

SWIMMING

The 1989 Swimming team was led by senior captains Kryz Sullivan and Damon Krytzer. The team finished their regular season with a record of 8-8. The swimmers worked hard to improve their skills. Coach Yoresh guided the team to help them become stronger and gain speed in their strokes. Each swimmer had great team spirit which enabled them to improve their standing this year.

With the loss of only four seniors, the swim team will be able to improve their record next season and become even stronger.

FENCING

The size of this year's fencing team was a lot bigger than it had been in previous years. This fact gives us hope for a more successful future. Eleven of the team's members were returning from past years, and there were twenty-four new members.

The starters for the girl's foil team were: Kaila Simmons (Jr.), Monica Hoyer (Jr.), Sarah Gilman (Jr.), Melissa Rice (Soph.), and Yvette Losman (Fr.). The rest of the girl's foil team were: Jessica Schulman (Jr.), Tracy Wallace (Soph.), Emily Greenwald (Fr.), Eileen Kasperek (Fr.), Stacey Selenfriend (Fr.), Amy Longo (Fr.), Sarah Ryan (Soph.), Rachel Thomander (Jr.), Darina Woods (Fr.), and Lauren Bobrow (Jr.).

The boy's team was made up of three different weapon groups. The largest this year was the foil team. The four returning foilists were David Adlerstein (Jr.), Judah Cohen (Soph.), Andrew Graham (Soph.), Sam Kim (Jr.). The rest were all freshmen: John Bigelow, George Kolcun, Adam Levy, and Chris Cavallo.

The Saber and epee teams each had six members. The saberists were Rhushabh Mehta (Sr.), David Landsman (Sr.), Craig Garretson (Sr.), Imani McKinney (Soph.), Chris Eng-Wong (Jr.), Sam Barai (Jr.), and Vijay Prasad (Soph.). The epee team consisted of Ronald Murphy (Jr.), Mark Ryan (Sr.), Khalid Best (Soph.), Rhushang Mehta (Fr.), and Noah Uman (Soph.).

Though the teams record wasn't very impressive this year, there are only a few upperclassmen, we have hope for a strong future. So, keep an eye out for the, soon to be well known, Columbia High School fencing team.

CHEERLEADING

The 1989 winter cheerleaders were led by captains Becky Stoehr, Venessa Zipfel and co-captains Marcy Trajer and Nicole Bouknight.

This year's squad attended both basketball games and wrestling matches. They worked very hard to improve their skills and routines and to keep up the spirits of the teams and spectators.

This year's squad members were, Stoehr, Zipfel, Trajer, Bouknight, Tracey Hughes, Anna Carla Xavier, Timika Mcleod, Tyteen Smith, Amy Venkus, Lashonda Deans and Eleanor Gil.

INDOOR TRACK

The 1988-89 Indoor Track Team had few Seniors, but the Seniors that were present did a great job. For the girls' team the captains were Kaija Langley, Kendra Calloway, and Esa Davis. Although the great loss of seniors from the previous years has had a great affect on the team, the team did well anyway. Major highlights for the girls' team were placing second in the hurdles in the state competition (Langley, Davis, Calloway, DeBose), and the 4×200m team placed first in their division at the Yale Invitational, in New Haven.

As for the boys' team, things went slow, only because of a young and injured team. The team did well in hurdles, placing first in the county (Clark, Harris, Murphy, Jack), and the distance star, Russell Curley, had a very good season as well. A highlight for the boys' team was making the Meadowlands Invitational Meet, and placing third in their heat (Clark, Jone, Harris, Sears). Altogether both teams did well.

Congratulations to Jermaine Clark and Kaija Langley for qualifying for the Meet of the Champions!!!

Andrew, Andy, Drew; AJ, Andy-rooey, Android, Studly, Dude, and whatever else they call you now (and they DO call you!),

We've got a few words to say to you, so just sit back and read this, and enjoy it!

To begin with, take a deep breath, a sigh of relief, and know that you're almost through with the CHS years that you've enjoyed so much . . .

OK. Yes, we know that you're embarrassed, but that is just too bad. We don't get the chance often enough to tell you all of the things that we should tell you. So, we saw this golden opportunity, and we're running with it!!

We think, and not just because you're our brother, that you are the greatest. You are incredibly intelligent, talented, and kind (not to mention really cute, annoying, and weird). Yup. The kind of things only we could say, and you have to take.

We know it's all been tough on you, but you'll find that you are a better person for what you've gone through. We only wish we could've been there for you more, but being so far away in college, we did the best we could. Always know that we were there in our hearts for you, and always will be.

We love you. Simple. Straightforward. We don't have to love you, but we do. We love you for you. God made you and broke the mold (thank goodness!). You've chosen your own way to go, and we respect, and love you for that, among all other things.

Wait. We're not finished. You know that Ferrari? You'll have it by 25, we'll be the ones borrowing \$ from you (at 25% interest)! Oh, keep up the music, we promise to buy all of your records!

Thank you. For everything.

All of our love and best wishes on your (anxiously awaited) graduation!

—**Bethany and Rob**

XXXOOO

P.S. We sent this in from Boston during December, we hope you made it, but if not, save this and read it next year, 'cause we'll always feel the same way about you!

Remember the double dates, the wilted flowers, catching popcorn and candy in our mouths. Florida: the guy behind the scenes. No I don't believe you, Kamina. Didn't believe me about the lighter either huh Tyff, that's how you burnt your finger. Disney World + Epcot Center: Aunt Lover and our old fashioned pictures. I traveled the banks of the river of Jordan

To find where it flows to the sea.

I looked in the eyes of the cold and the hungry

And saw that I was looking at me-e-e.

And I wanted to know if life had a purpose

And what it all means in the end—

In silence I listened to voices inside me,

They told me again and again . . .

There is only one river. There is only one sea.

And it flows through you. And it flows through me.

There is only one people, We are one in the same.

We are all one spirit . . . ONE NA-A-A-AME!

We are the FATHER! WE ARE ONE! WE are . . . ONE!

So much style without substance, So much stuff without style, It's hard to recognize the real thing, It comes along once in a while.

Best Friends since second grade (minus a year or so.) That minus being freshman year. Our "Group" and "The Six SSS" or was it B Boppers, Us, Becky, Jen, Candice, and Katie. We had animal mood rings to prove it. Burping contests and birthdays were just part of it. Halloween at Becky Z's . . . Barbie and Ken. In the basement with B.S. "There is a leg in the window. No Jen, trees don't grow in driveways."

Us sophomores just had to be on color guard. "It's so cold, can I wear your jacket?" (and don't forget the accent!) So much advice given and not much taken, it was mostly a one sided conversation. That is until senior year, when it switched. All the guys that weren't worth the time or effort.

going to Kessler every Sunday . . . candy, cigs, gifts and Kevin. The Octagon Group; Octopals. Fights-ice cream, fist, spit, slime, Dippidy-Do, paint, whipped cream (no connection to SD and a face), cake, water, soda, etc . . . trying to give each other black eyes for the soul purpose of having black eyes. The Maplwood Pool Bikini Queens doing laps around the pool instead of in it. Lara and her exaggerated stories. All the guys we both liked. Xesfest, the buzzer goes off every fifteen. -Florida-February '87 Bowling, running in and out in between moving clouds. Dreams-Van Halen. No we can't bowl we just try it all the time, we pretend. —, I'm a — as you can see, I wear my clothes five times to big and I look real cool with a cig. MEF, he's a mef. Crying for days, my face looks distorted. Mur, everywhere from in my room, to the movies . . . Homecoming. All the intramural softball games . . . Budips in the Waterlands. Who got caught lying in the bushes hiding? What did we do every night of the summer? LBI-Beach Haven and the watergun. Prom. The pool parties, the sgek, spending an evening with St. Paul. Tell me something about yourself. Well, I have a dog. Eric's parties, his parents came home and there we were and Eric was at work. Do you want to see the laundry chute? Still the best line I ever heard. I need YOGURT. Memories of New Year's Eves. Who wants to remember? Who can remember? Yeight-Man. To sd, SS, JLJSJDAVYG, CD, JK, Guess where it goes. Who deserves the name Jen, Ashley is much better. Emergency from Ashley. Bill likes mini-skirts and phone calls. Prank calls. Are you ever going to get your license? What out for the ants! A quick trip to New York at the wrong stop. Getting caught but not having a party. Having to tie our shoes every time we were riding in a red car.

Here we go again on our own. Going down the only road we've ever known.

Erin — I can't see you as a Nurse, maybe because you are the one who put bruises on my arms. I don't know what will happen after graduation but I'm not going to worry about it. You've been a great friend and always will be. Sometimes it was rough but we made it through everything, even SD. I will never forget all the times when there was nobody else to turn to but each other. I remember someone once saying, "Jen, Erin, whatever it's the same difference." I know things change, things have changed since second grade. We've learned to deal with our differences and I hope we always remember

how. Forever Young. Love you always!

Jen — We have been friends for so long it's really hard to think of saying good-bye. I have so many good memories to hold on to! I will always remember the good times we've had. You are a true friend, someone who is always there for me when no one else is, thanks for sticking with me! We will be friends for life (even when you leave to go to college) I will always be here for you when you need to talk. I love you!

Meag — Hang in there kid, thing can only get better! (Believe me, I've been in the same boat!) I wish you all the luck with school. I will ALWAYS be here if you need someone to talk to! I love you!

Diana, Gina and Rachel — Good luck and I'll miss you guys! Love Jen

Stella swears this time for real that she won't do it again. But she does. This time, Stella SWEARS she won't ever, ever do it again. Will she? The bet. Liz still owes Stella what? is she gaining morals? MP. M and G. M, G, and SR. M calls and who picks up the phone?!? Late nights. The forever playing Alisha tape. Ya know in 9th grade being fake is expected. In 10th grade it's still acceptable. In 11th grade it's gone too far, but by 12th grade it's really time to GROW up!!!! Stella is a skitzo. Collages — too bad to hang up. Ring pops — WONDER TWIN POWER. True twins. Same shirts, pants, sweatshirts, jewelry, class rings. Why is Liz always Stella's date? "I wish you girls would meet some nice boys! Yea, H-ELLO!! Relax, Relax. Immature sophomores should learn to control their men. K — "I hope you guys use some form of CFB!!" Liz falling down the pool stairs. Guidette hair one day, no hair the next. What is love? Good question. I GOT A GOLD SEIKO!! Experiencing Lori one of these days. "And if you threw a party, and invited everyone you knew" — it would have to be that way because we don't actually like anyone enough to invite them. Stella loves guidos, and Liz loves — how can we say it? — dirty people. FLORIDA!!!! Shrimp Festivals. WHAT — WHAT DID YOU SAY?? MSDDSA BMCBBLG CTFSF TPLFMP GPJHCB JBSFMP GRSRPDK SCBCVD JHTPSA . . . (we could go on but it would take too long) — Good friends share **everything**!!!! Never ask Stella if any cars are coming because she never looks. Liz always cracking her knuckles. Stella going nuts. "Games are meant to be played by a set of rules. Maybe we are just playing a different game by a different set of rules." DDP's house — summer goal — JH & CVD. Never happeneded??? FAKE FRIENDS — to name a few would be to name them all. String name bracket's. One more thing with Liz's name on it. Stella's just jealous because nothing ever comes with her name on it! Sharing an apartment. Mondays — racquetball, Tuesday — Tennis, and I think we've forgotten what Wednesday is. True friends stick together.

Dave — This would have been the perfect opportunity to get you back, but instead I decided to be more mature than you're capable of ever being (you know what I'm talking about). Alright, maybe it was kind of fun, but it still didn't mean anything.

LORI — We hope you get what you've wanted all year, but really D.L. isn't that bad — do it as a favor for us!

THANK YOU FOR BEING A FRIEND

When you were small, David, we watched with love all the things that you did. We encouraged you to aim high and always do your best; to try your hand at all things and participate in as many aspects of life as possible.

Then, right before our eyes, you began to develop into a warm and loving person. Your sense of responsibility to yourself and others makes us very proud.

Now it is time for you to step out into a large community. We know you are well prepared for life ahead. We wish you love, health, happiness, and success.

As we all know, being a staff member of the yearbook is a great commitment where much responsibility is needed in order to complete the desired task. The 1989 Mirror staff would like to extend our gratitude to the friends, family and faculty who supported us and helped with the large amount of work involved:

Dr. Tony Gallo for his help with sales.

Anacarla Xavier, Armida Tarquinio, Geron Blackman and Ellen Tarquinio for their help with the Spring section

Mr. Krempasky and Mr. Fenstermacher for all the lists and names they supplied

Sara Roth and Felicia Gevirtz for their help with the Underclass section.

Dennis Meyers, Randi Driscoll and Gary Berson for stuffing, addressing and mailing all the envelopes

Thanks to the following photographers: Julie Nersesian, Nicole Angiel, Joanna Lerner, Tim Miller, Gail Marshall, Robby Polk, Gen Chyzowych, Brendan Vilardo, Ben Korn, Adrienne Dyner, Caprice Davis, Tim Foley, Joanna Roman, Gary Berson, Jennifer Mosberg, Alison Amsterdam and Kathy Lentz, Jenn Heerwagon, Jonathan Lapat, David Acklin, Kim Plona, Christine Palmucci, Set Nagelberg, Kaila Simmons, Robin Sackner, Michael Nervi, Shannon Deuschle and Shannon Gildea.

Thanks to Jessica Orrego for her help with the candid.

We would also like to give a special thank you to our advisor, Mr. Ricciardi, who took on the job alone this year. Without his dedication, talent, support, ideas, and sense of humor, our task would have been impossible to accomplish.
