In all the lives we have ever
lived,

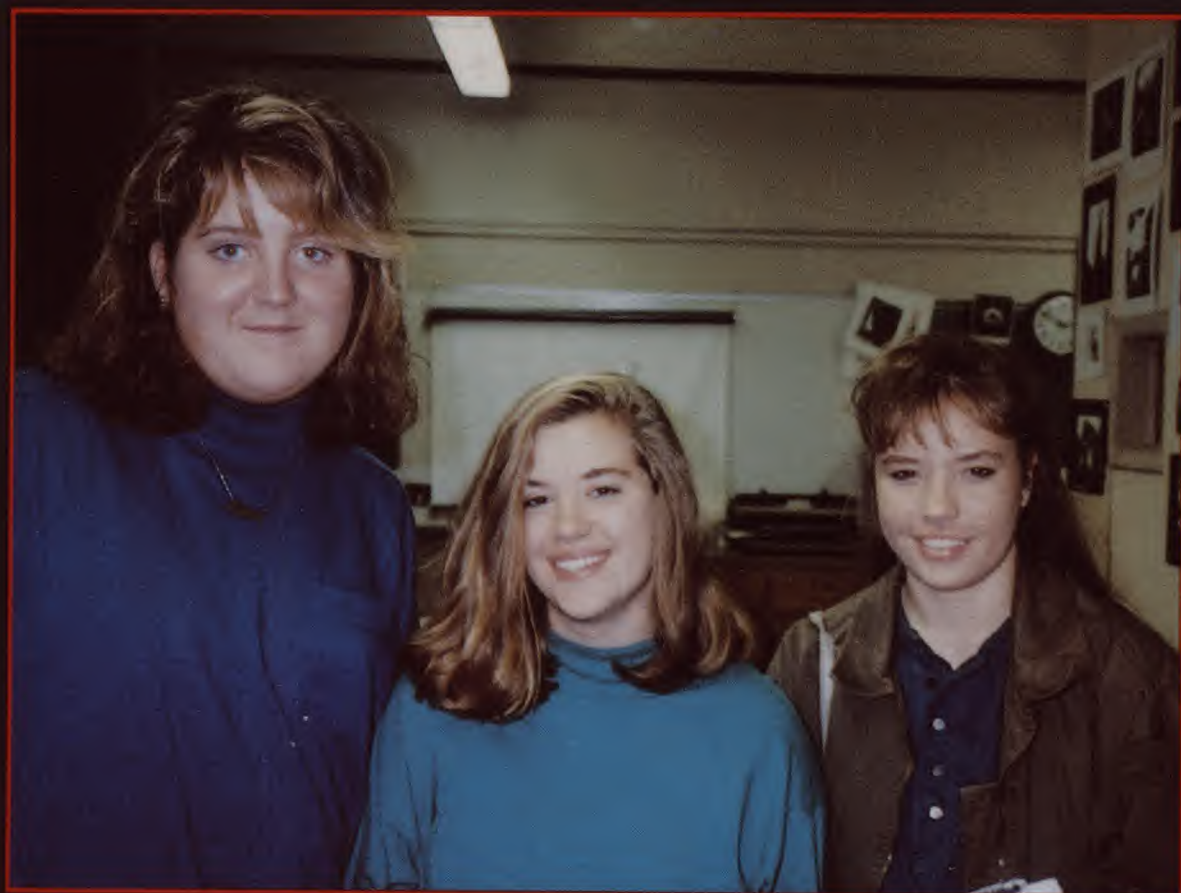

And in all the lives to be,

Hope, like a dome of many-
colored glass,

Stains the pale fabric of Eternity.

We never know how high we are

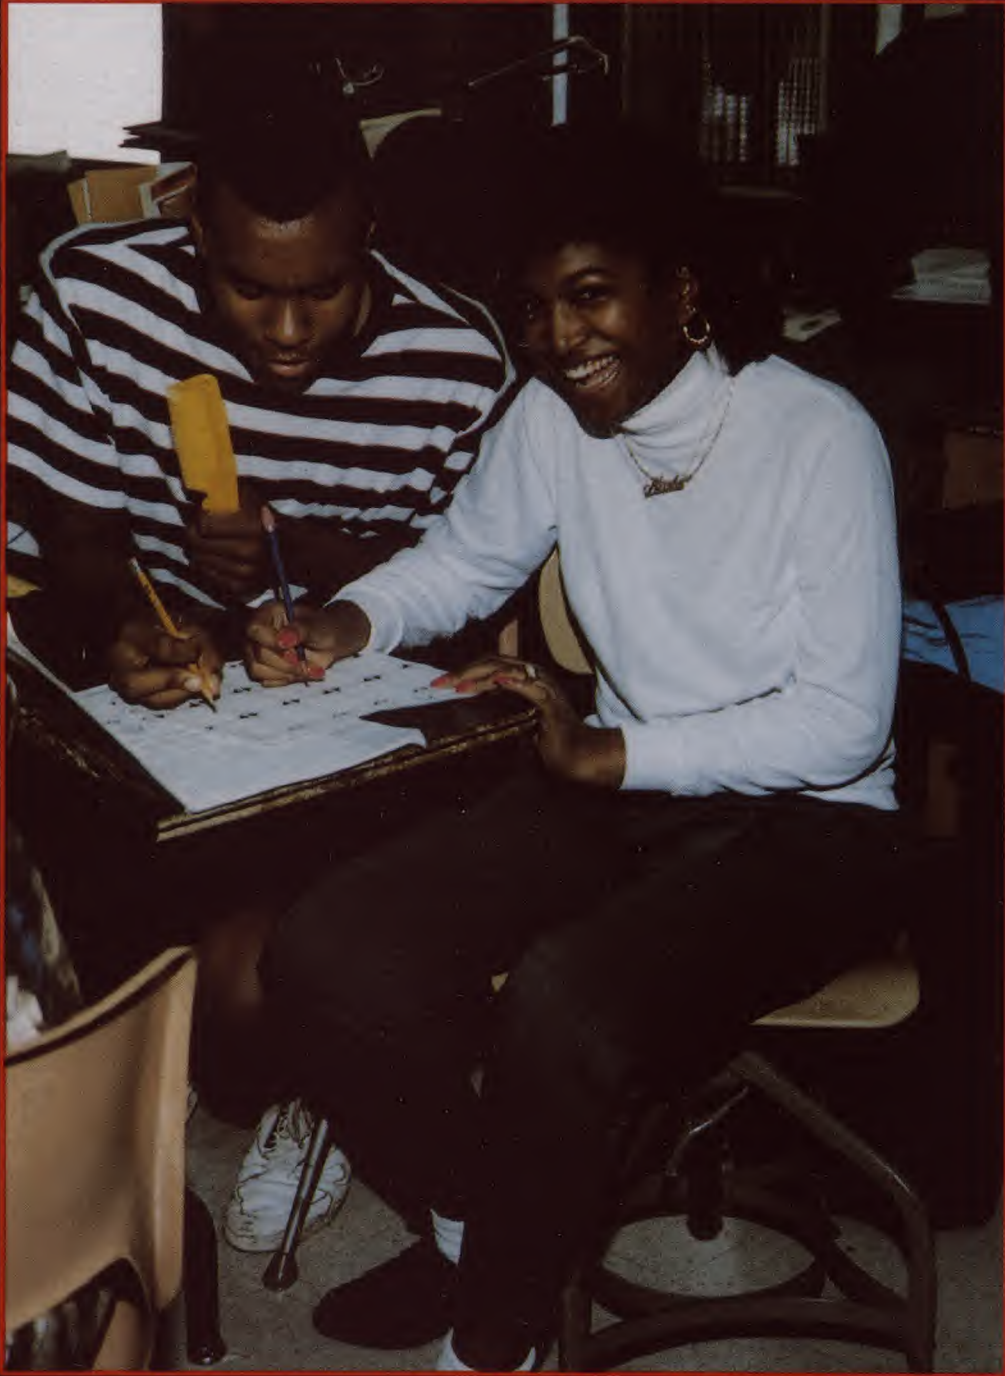

Until we are called to rise.

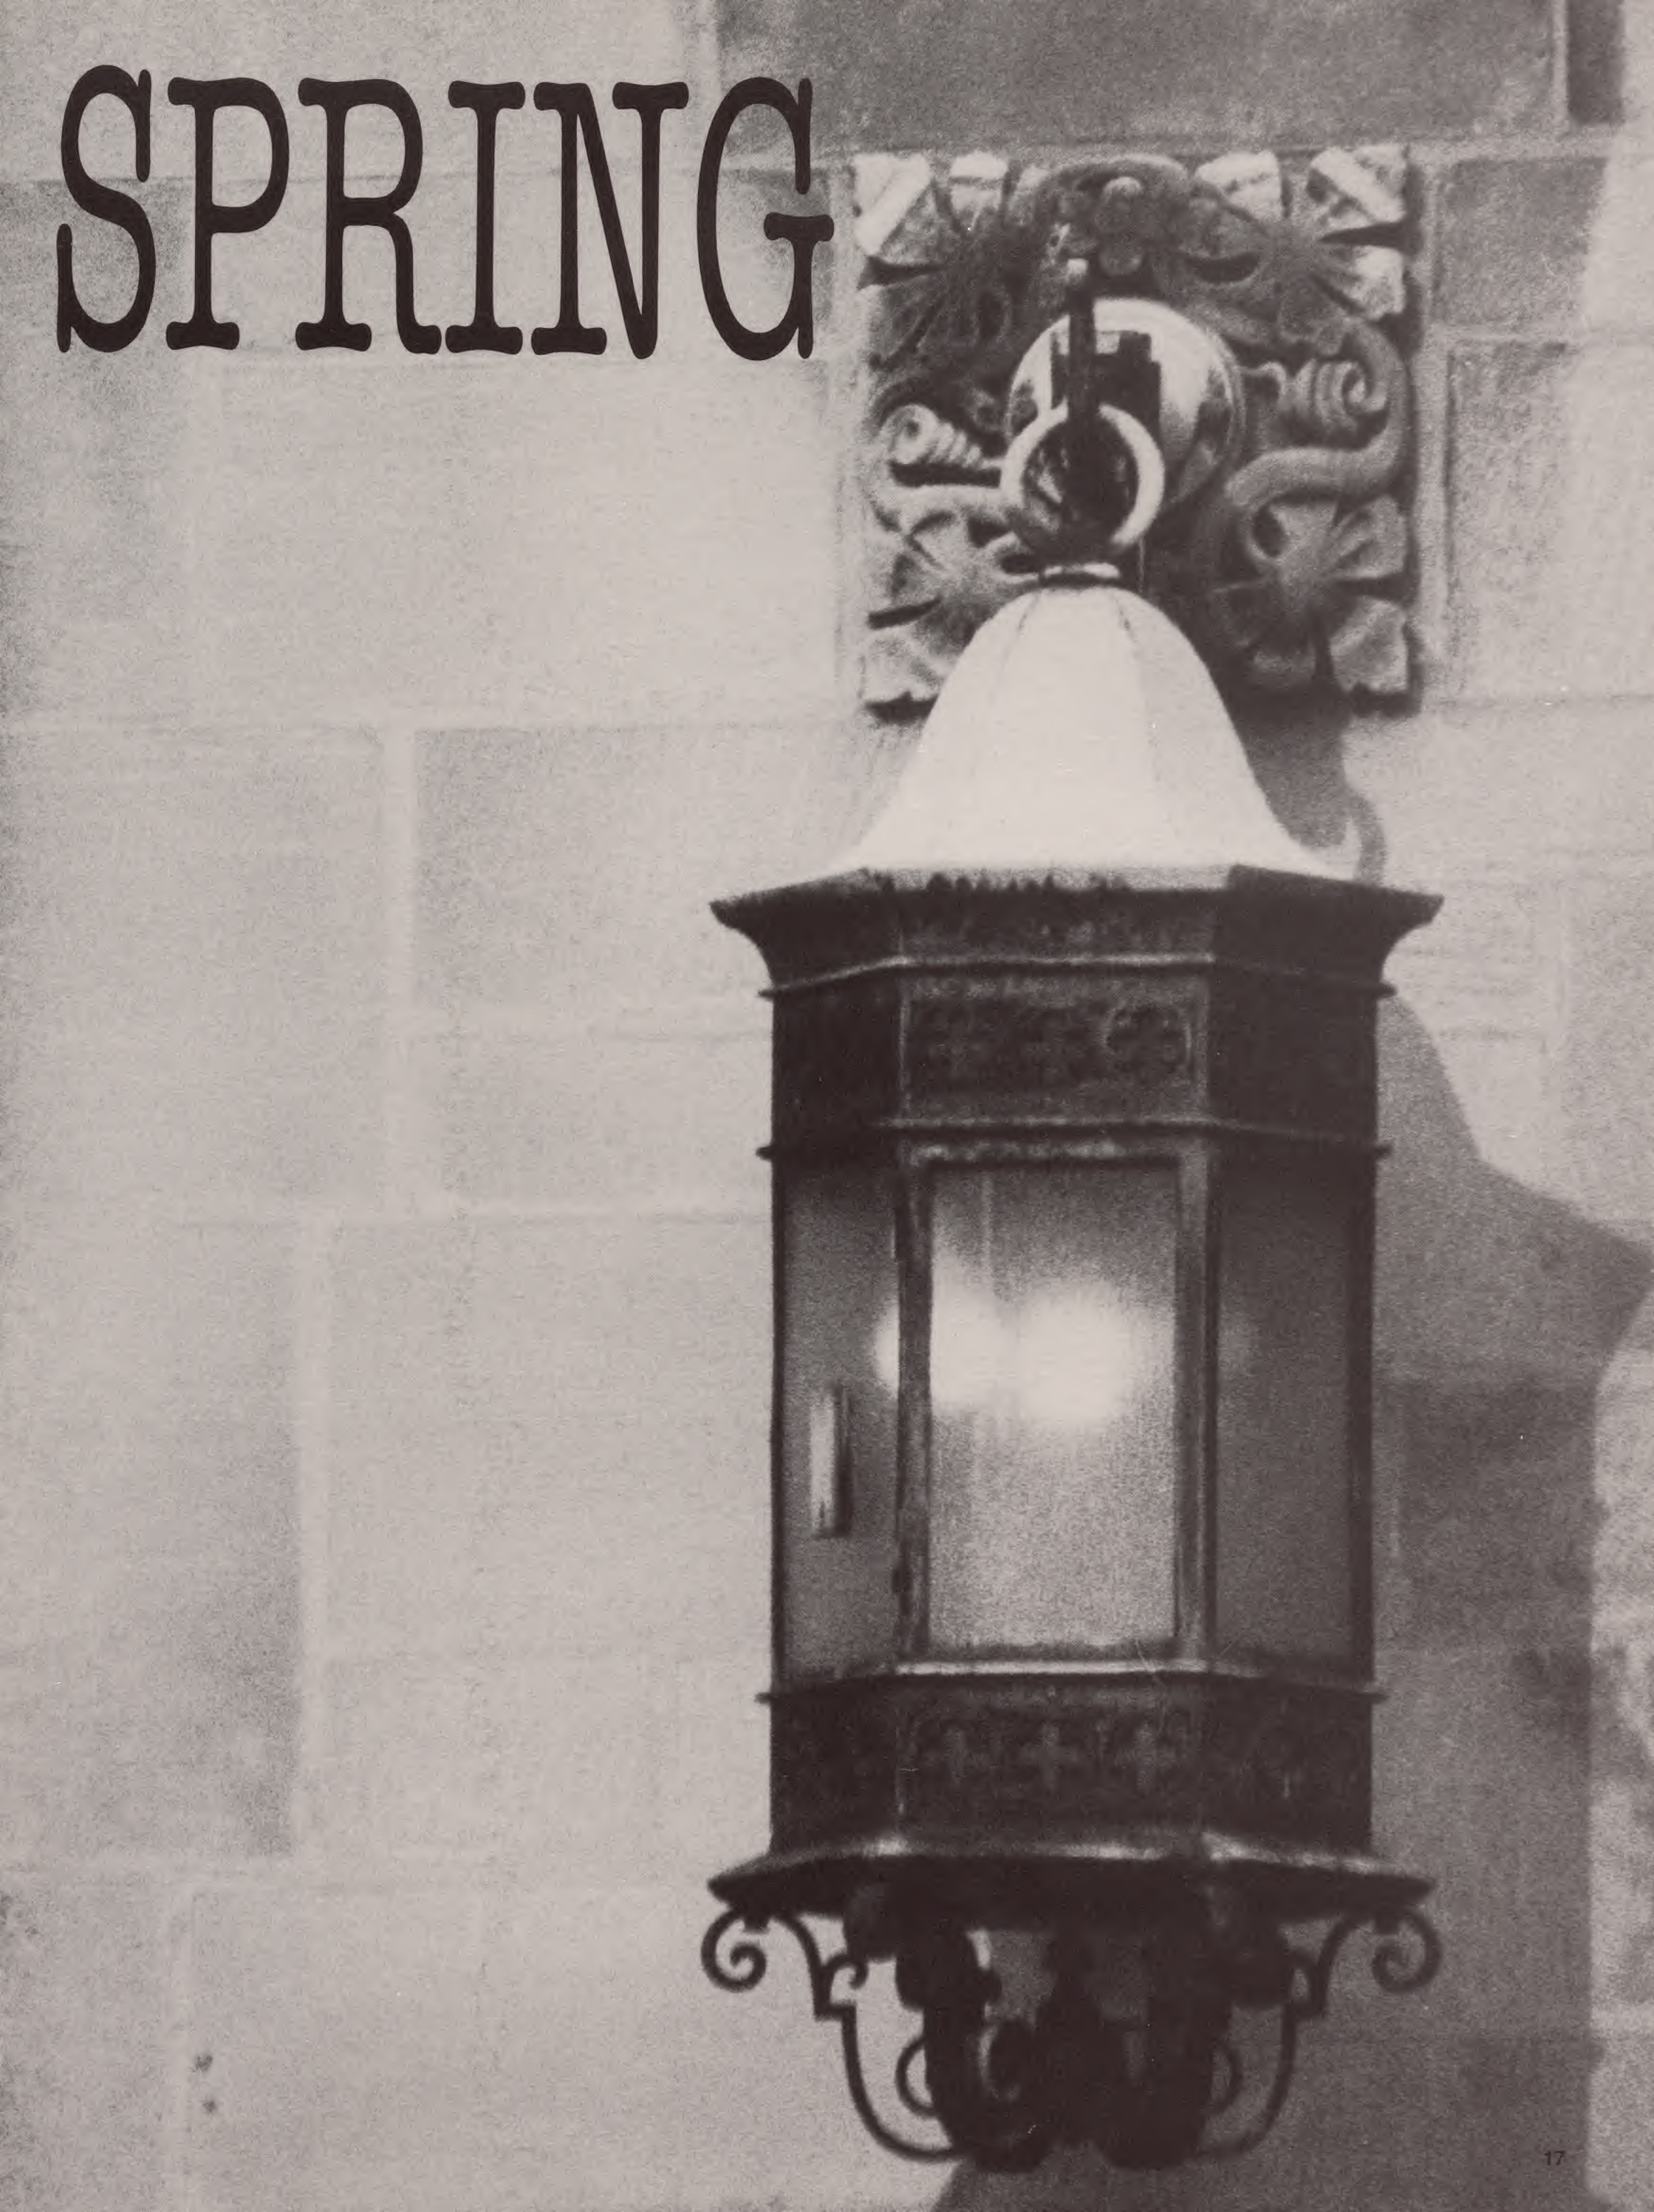

And then, if we are true to
ourselves,

Our statures touch the skies.

While working on the one-acts, aspiring CHS actors and actresses took part in a workshop on developing characters presented by The McCarter Theatre Company. "WHEN HARRY MET SALLY..." Reiner's delectable romantic comedy about Billy Crystal, who doesn't believe in friendship between the sexes, inexorably falling in love over a 12-year span, with Meg Ryan in a New York awash in Woody Allen vistas and Gertrude win tunes. Sheer balm for sore eyes and battered spirits. R. ★★★½

Blasts From the Past

Being fairly liberal minded, the Hefty-nosed Penguin would, as a group, all be driving used Volvos if they could reach the pedals.

DEFINITELY NOT US.

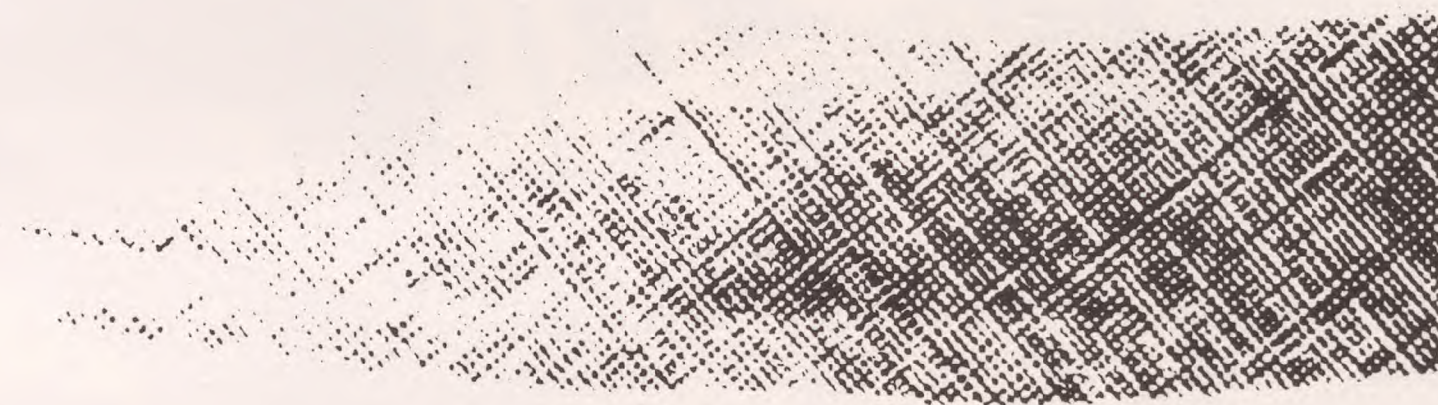

PA CREW

These students are a vital part of Columbia's daily life. Each morning they announce the goings-on of the school, and try to get everyone off to a good day. Many of them resort to their own stand-up comedy, thus making every day unique.

C.L.E.A.N.

CLEAN is a relatively new organization at Columbia. Founded by Maryn Duke, they meet to discuss, plan against, and fight the destruction of the earth. They have many accomplishments in the short time they've been around, and most definitely, continue to teach us to save our world.

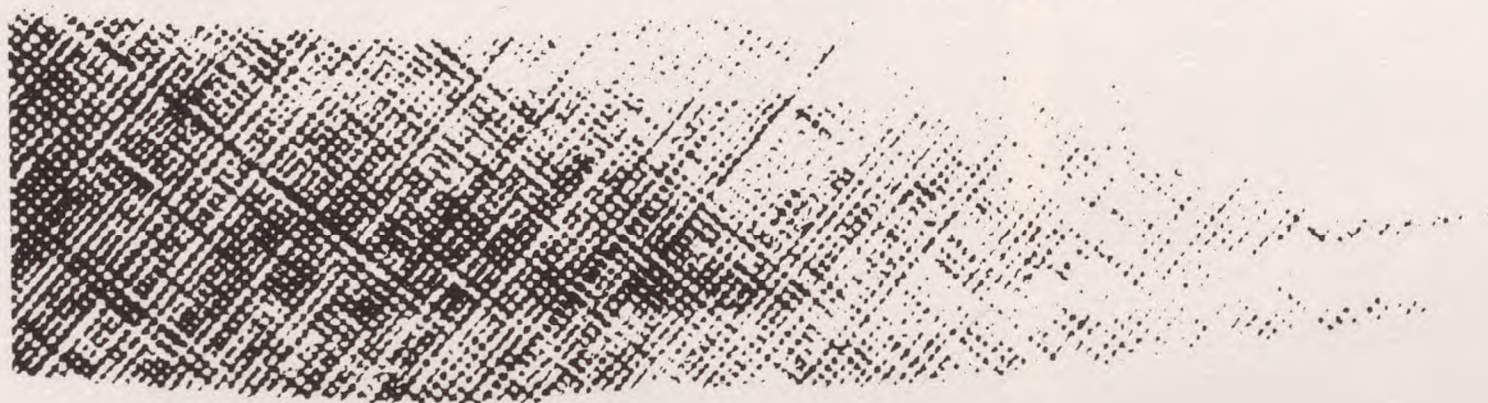

(TOP ROW L to R) Rebecca Schwarz, Anika Ansetta, Yvette Losman, Mary Beth Sanok, Matthew Snyder, Laura Sanok, Zoe Arcidiagono, Scott Illingworth, Ann Wallingford, Ivan Gevirtz, Damien Zoubek, Jyoti Singh, Caroline Fennessy, Samantha Munson, and Yasmeen Ali. (BOTTOM ROW) Susan Belta, Josh Brachfield, Amy Longo, Nicole Youell, Maryn Duke, Jane Liu, and Suzanne Lee.

A.P. SCHOLARS

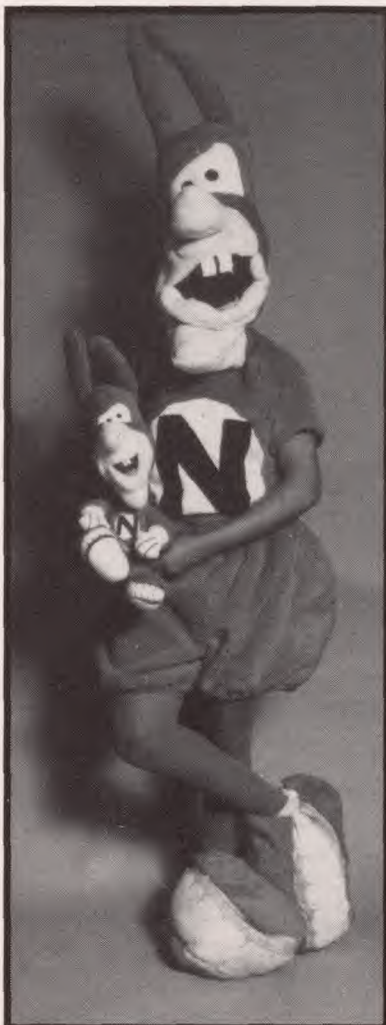

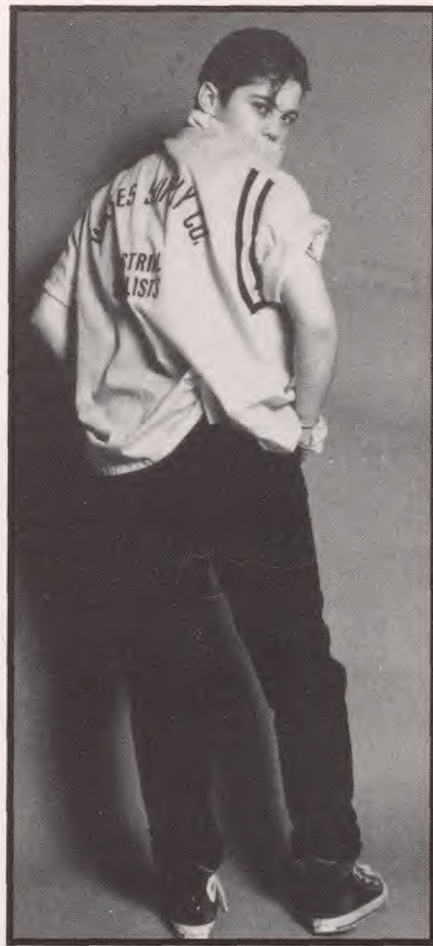

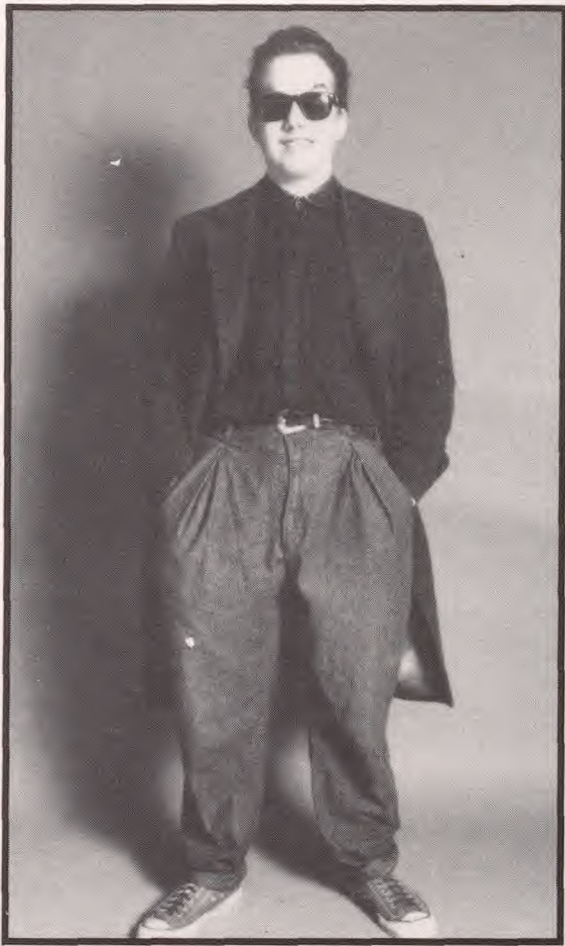

This group of students participated in Advanced Placement classes last year. They achieved a score of 3 or higher on the A.P. examination, which was administered last May.

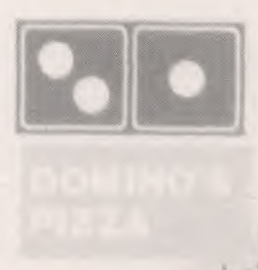

(TOP ROW L to R) Judah Cohen, Julie Losman, Ivan Gevirtz, James Doyle, George Soroka, Daniel Liebman, William Fischer. NATIONAL MERIT SEMI-FINALISTS

These six students were named National Merit Semi-finalists. (top to bottom) Jessica Tarnow, William Fischer, Sarah Gilman, Julie Losman, Amy Eisner, and Daniel Chodrow. These students are part of a group nationwide, that consists of close to $1/2$ percent of the country's seniors in high school. They achieved this honor by taking the PSAT/NMSQT last year. However, these students are among New Jersey's top scorers and have advanced to a higher level of competition. Also pictured in the center is Wilburt Jones, the recipient of another academic award.

C.H.S. NEWS

C.H.S. News is a unique bunch. They run a television station within Columbia that is broadcast over local cable stations, as well. Not only do they have news programs, but they have many special interest shows.

TOP L to R: Lawrence Buffa, Matthew Connolly, James Wels, David Adlerstein, Richard Covey, and David Frick. MIDDLE L to R: David Jarosz, Peter Heller, Jamie Preston, Jennifer Mosberg, Leesha Bonilla, and Ayesha Blackwell. BOTTOM L to R: Toby Mason, Joseph Lange, Renee McDonnell, and Kim Plona.

FLES

FLES stands for Foreign Language (in the) Elementary Schools. These students actually go to the schools and teach various foreign languages to the students there. They offer a service that the younger kids, otherwise, wouldn't receive, and it provides a special experience for the teachers, too.

TOP L to R: Ms. Sharo advisor, Kate Pappas, Tracey Wallace, Jennifer Katz, Karen Pawlick, Elizabeth Dostert, Debbie Swan, Meghan Curran, Elissa Canlas, Matthew Lloyd, Jocelin Krasner, and Mrs. Lubkin advisor. BOTTOM L to R: Martin Noren, Beth Jenks, Lainie Marcus, and Caroline Fennessy.

LATIN CLUB

The Latin Club is a club centered around the Latin experience. This language club differs from all the rest in that there is no living culture speaking Latin, thus this group is forced to learn from history books and the Latin roots in commonplace things.

TEAM 1

INTRAMURAL BASKETBALL

The Intramural Basketball teams have been a steady part of the CHS environment for the past few years. Coached and refereed by Dr. Gallo and Mr. Ghegan, these kids get a chance at fun that is hardly rivaled by any varsity sport. Throughout the competition, all the teams have a strong sense of comradery, which makes for an ideal sports environment.

Mock Trial

The Mock Trial team competes in a make-believe law court setting in a battle of wits. Within the club there are attorneys for both sides as well as a plaintiff and a defendant. Other students and teachers act as witnesses for the hearing, resulting in a very realistic mock trial.

BACK L to R: Ms. McGoldrick, Dan Liebman, Matt Botein, and Maryn Duke. FRONT L to R: Peter Polow and Sarah Roth.

STUDENTS SERVING SENIORS

Students Serving Seniors is an organization that runs through Columbia in which students assist senior citizens. They visit their homes on weekends as well as taking trips to local nursing homes to help out with the residents.

COMPUTER ELVES

L to R: Mr. Cooperman, Sean Clifford, Victor Mui, Geron Blackman, Jim Kilarjian, Michael Rintzler, and Mr. Binder.

The computer elves are otherwise known as lab aides. They are the ones who can un-stick us when we get stuck on the computers, and can show us the way when we get lost. These students are a vital part of our computer lab.

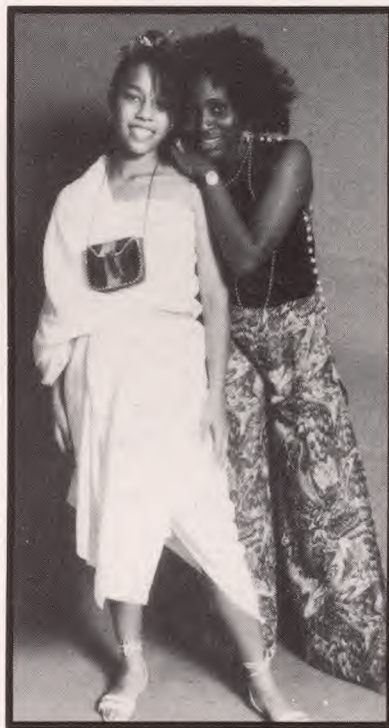

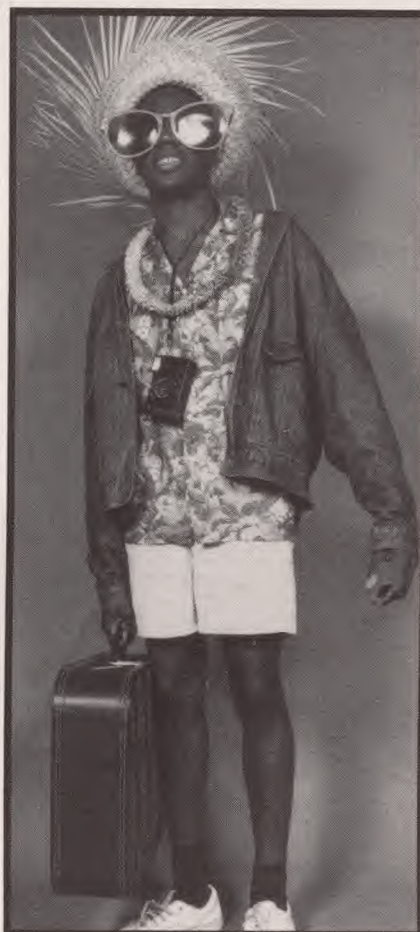

CHES TEAM

L to R: Eric Halpern, Andy Kimball, Leonard Dannatt, Nadege Leger, Mr. Spear, David Williams, Abhinov Singh, and Jim Kilarjian.

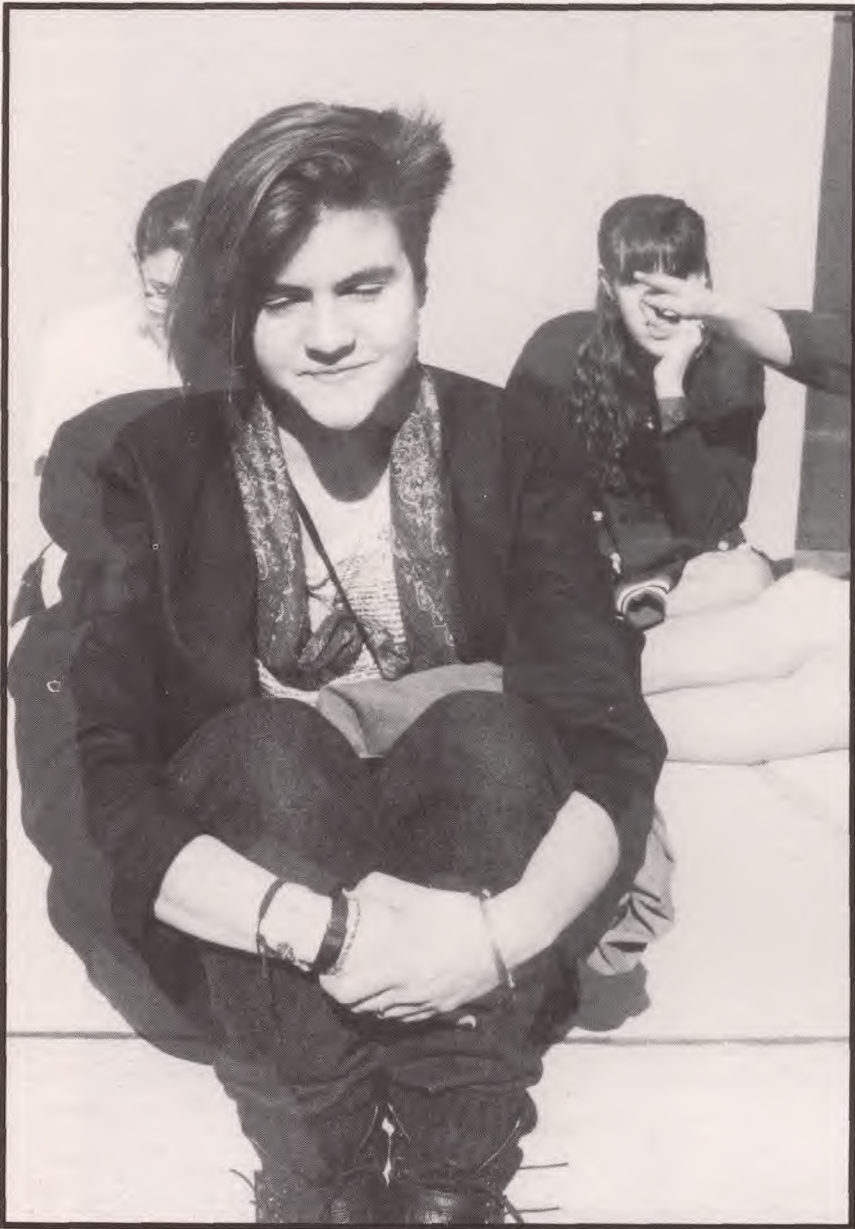

The CHS chess team has always been successful in its endeavors, but this year they have done particularly well. This may be due to their new advisor, or perhaps, to a talented team. Whatever the reason, their success cannot be denied.

MARTIN LUTHER KING ASSOCIATION

The Martin Luther King Association is a community of students who are interested in pursuing and preserving African/African-American History. This community has trips, sponsors speakers and performances, raises money, and has an obligation to all students, faculty, and citizens; that obligation is to enlighten. BOYS SOCCER

The 1989 Boys' Varsity Soccer team had an outstanding season, with a league record of 13-2 and a seasonal record of 22-3. In addition to their outstanding record, the team put in a great effort that lead them all the way to the state finals, and an amazing victory over East Brunswick. The team easily won, with a victory score of 4-1.

The outstanding plays made by offensive leader and captain Justin Edelman made him an all state selec-

tion. The terrific efforts made by midfielder Brendan O'Neill and tri-captain Mike Laskowski won them All State selections. Two other members of the team also made the All State team. They were captain Dave Morante and Steve Smarsh. The two did a great job defensively, allowing very few goals to be made by opposing teams.

In addition to winning their third state championship, the Boys' Soccer team won the Iron Hills Confer-

ence title for the 12th consecutive year. The Cougar team held the sectional championship for the third year in a row. The whole team also ranked in the all area conference.

This year marked a personal victory for Coach Chyzowych as well. His teams over the years have won 400 games under his leadership. Congratulations! Although seven seniors will be lost due to graduation, his returning players will continue the winning tradition.

GIRLS SOCCER

The 1989 Girls' Varsity Soccer team ended the season with a record of 14-3-2. They finished with a respectable record that could have been better had they not been plagued by injuries, forcing younger players to step in and handle high pressure situations.

Once again for a third year in a row, the girls team won the Essex County Tournament. Linda Hawks was a menace to opponents because of her offensive savvy, which helped

her surpass the 100 goal scoring mark this season. Co-captain Jennifer Gavitt allowed only one goal to be scored from the players she marked. The combination of Rosemary Unal and Tracy Stelljes in goal made it very difficult for opponents to score.

The forward line consisted of Linda Hawks and Marci Rosenfeld. The midfield was played by Laura Wilkes, Dana Dzikowski, Melissa Murphy and Cerita McCollum. De-

fensively, the girls showed strong performances by Danielle Gechtman, Jennifer Gavitt, Kim Kroll, Jennifer Caruso, Lilita Matison and Mandy Braunworth.

The Columbia Girls' Soccer team is made up of quality players, some of whom will have all-county, all-conference and all-state honors. With this season they have gained experience, and with more teamwork on the field, they will surprise many teams next year.

FOOTBALL

The 1989 Columbia Football Team suffered a disappointing season with a record of 1-8. This was largely due to the fact that most of the starters were lost to graduation last year thus causing a serious lack of experience for this year's team. Returning starters included senior captains Mark Manigan, Mike Sullivan, and Jim Papeika.

Though the record does not show it, the Cougars worked very hard this season toward a winning record. This is most evident in individual records, which were the brighter moments of the season. Jim Papeika broke a school record, rushing for 254 yards against Randolph. Mark Manigan had

an excellent season defensively as a leader in tackles. Mike Sullivan also had an excellent season both defensively and offensively. The highest point of the season took place in the final game against Weequahic which was won 26-14. The players came together as a polished team and brought home the only victory of the season.

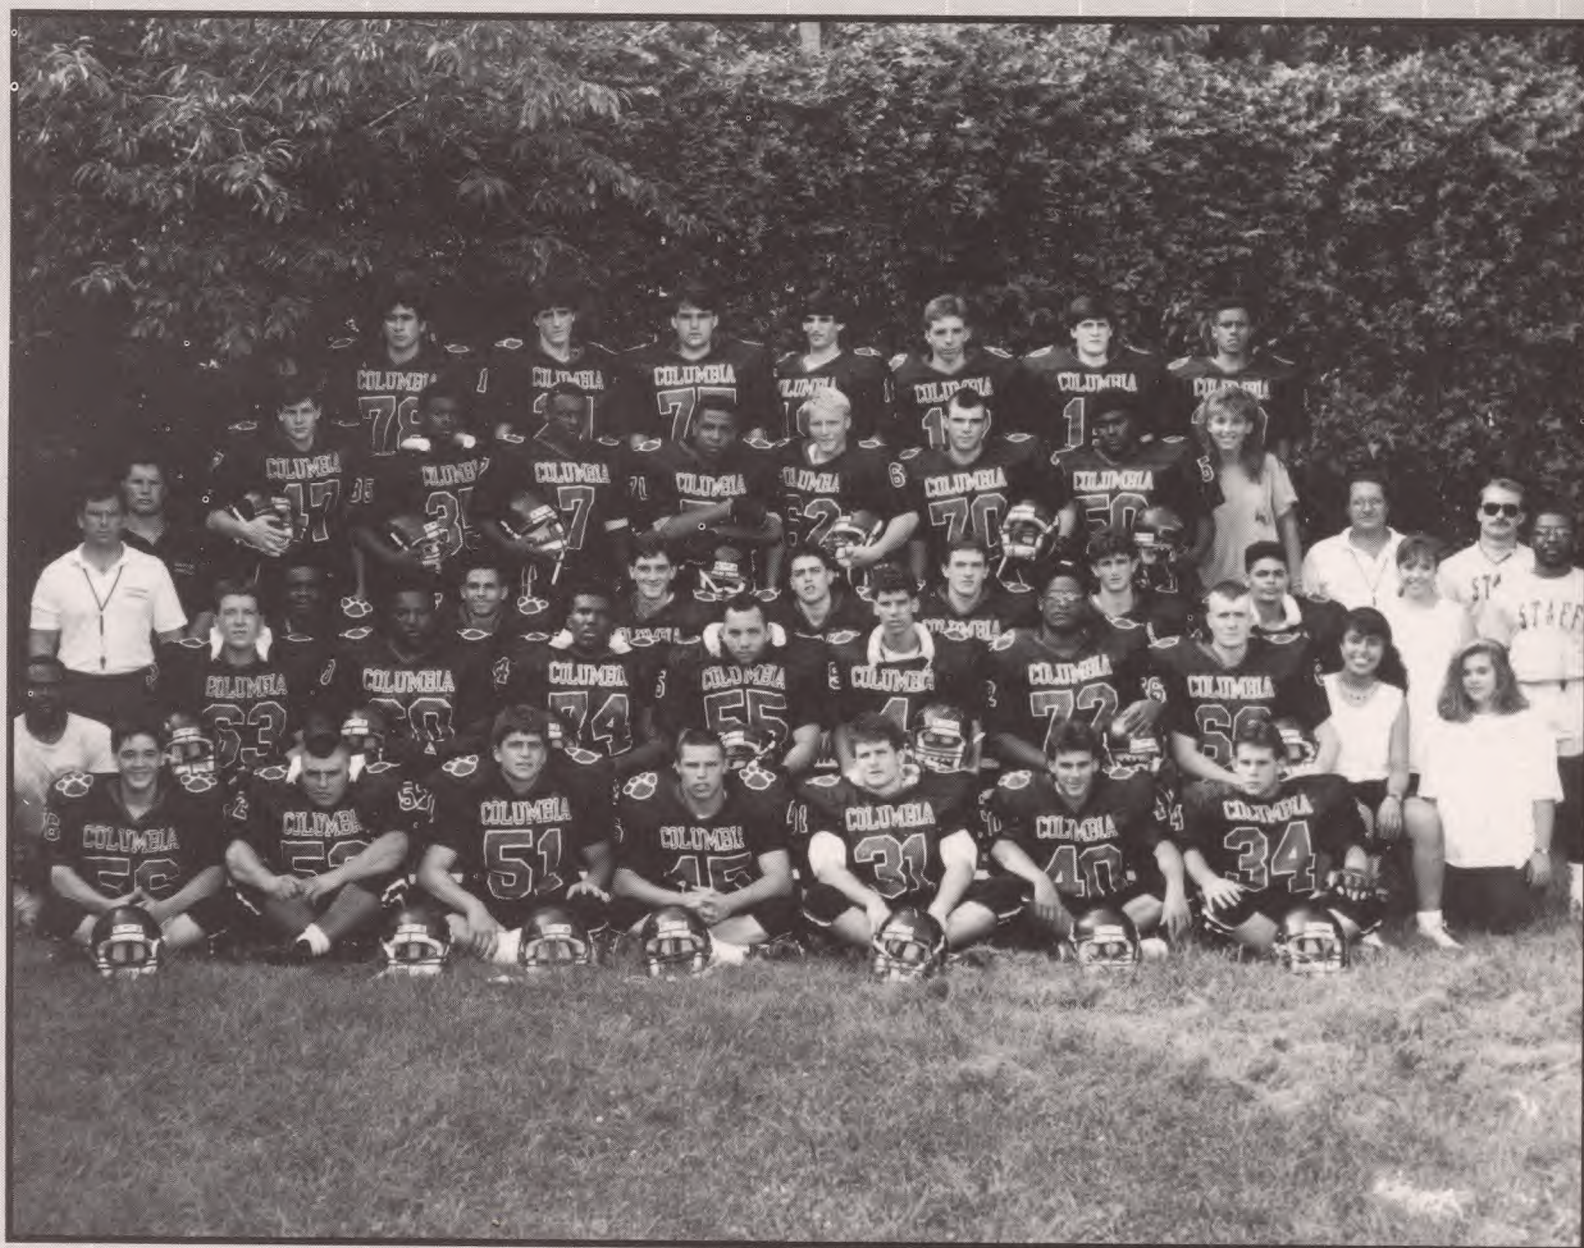

Besides the lack of experience, many starters were lost to injury this season. These injuries affected mostly the senior starters such as Jim Papeika, Malaney Hill, Brian Russell, Joe Pilone, and Mike Ramos.

Although this loss seriously hurt the team, it gave junior and sophomore players

the chance to gain the experience needed for next year's team to work toward a better record. Many outstanding players this year included seniors Keith Caruso, Scott Cargill, Sean Goger, and Eric Brown; juniors Dru Curtis, Dale Blaine, Joe Ricciardi, Mike Muffeetto, Brian Goger, Mike Fischetti, Illya Gerdes, and Lou Mendes; and sophomores Matt Coyle and Ralph Kolbusz.

Best wishes next year for an outstanding season!

FIELD HOCKEY

The 1989 Girls' Varsity Field hockey Team finished their season, as Iron Hills Conference Champions, with an impressive 15-4-0 record, including county and state games.

Led by co-captains Francine Cogan and Debbie Swan, the team made it to the Essex County Tournament and then advanced to the state semi-finals which they lost to Montclair in overtime.

Karen Pawlick, the team's high scorer, contributed to thirty-one of the sixty-two goals scored and she scored in seventeen of the nineteen games played. Goalkeeper Mary Alice Zavocki had one hundred and seventy-three saves verses fifteen goals and she recorded ten shut-outs.

The 1989 Field Hockey Team consisted of: head coach Melinda Gardner, co-captains Francine Cogan and Debbie Swan, Dana Guyet, Shannon Deuschle, Tracey Hughes, Kim Kunze, Kelly McGuire, Jennifer Moore, Karen Pawlick, Mary Alice Zavocki, Tara Burdorf, Libby Butler, Elissa Canlas, Meghan Curran, Carrie Fossella, and managers Ann Bodnar and Pam Echikson.

GIRLS GYMNASTICS

The 1989-1990 Girls Gymnastic's team ended their season with an outstanding record of 7-3. The team was lead by senior captains Nicole Rapp, Claire Ostrovsky, and Aimee Venckus. The team could not have achieved a high score of 98.8 without the

performances of junior Leora Malach, Gina Petruzziello, Diana Lathrop, Sophomores Andrea Milton, Shelby Croger, and freshman Kristen Rathagan and Jill Ryder, as well as Jamie Lerhoff and Jodi Kennedy. The teams outstanding unity and

outstanding skill allowed them to qualify for the sectional meet at which the team placed 5th. Although the three seniors will be missed, the team is looking forward to another winning season in 1990.

TENNIS

The 1989 Lady Cougar Tennis team was led by Captain Suzanne Aaronson. They ended their season with a very successful record of 15-9. The team was composed of some very determined players. Much of the team's success is accredited to the team's new coach, Mr. Genzer.

Leading the team in first singles was frosh Marjorie Gantman. Lizzie Poss and Ali Simonton were

also outstanding singles players. Karen Fessler, Mindy Jaffe, Traci Price, and captain Suzanne Aaronson composed two strong doubles teams. These players made the tennis team the runner-up in the group IV-section 2 championship.

Other team members included Julie McFadden, Alison Greenberg, Dori Buchman, Suzanne Lee, Jennifer McFadden, Jennifer

Feinstein, Keri Silverman, Felicia Gevirtz, Nikki Schlesinger, Michele Bass, Stella Castelli, and Alyson Redden.

We look for an ever stronger team next year, because only four seniors will be leaving. The team was one of 8 New Jersey schools to be invited to the Steve Diamond Invitational Tournament.

FOOTBALL CHEERLEADERS

The 1989 football cheerleaders were led by captains Tara Arnold and Lashonda Deans as well as by co-captains Venessa Zipfel and Timika Mcleod. It was another great year for the squad under the direction of experienced coach, Johanna Wright. When the going got tough, this squad got going! They kept spirits up with their powerful moves and enthusiastic cheers. The 1989 football cheerleaders were: Arnold, Deans, Zipfel, Mcleod, Robin Deans, Marcie Trajer, Eleanor Gil, Daria Foster, Jill Richadella, Kim Datsun, Lauren Hill, Toia Drake-Mitchel, Gabrielle St. Pruex, and Jodi Fenti.

WRESTLING

The 1989-90 wrestling season proved to be a great success, with a 13-3 record. Led by Coach Cuppari and captains Wilbert Jones and Paolo Custodio, the team became the Iron Hills Conference Champions for the second time. Another huge victory came when the Cougars defeated Randolph, ranked tenth in the state in a

very close match.

Individual accomplishments include junior Paolo Custodio placing first in the Essex County Tournament, in addition, Bill Coon placed second, Andrew DeFilippis placed third, Dave Gregory, Dan Pascuite placed fifth.

The team will only lose four seniors, so the remaining team

members will surely continue their success. The remaining members include Freshman Tom Shirley, Sophomore Dave Gregory, as well as juniors Shawn Keegan, Greg Brown, Paolo Custodio, Andrew DeFilippis, Jon Brothers, Mike Fischetti, Bill Coon, Dave Laden, Chris Nervi, and Buni David.

BOY'S BASKETBALL

The 1989-90 Basketball season proved to be a good one. The team ended their season with a 16-8 record, ranking third in the conference. The team was led by Coach Reilly and captain James Rowe, as well as Willie Lee and Dana Rivera, who were all selected for the all conference teams. Willie Lee was first team

all conference, James Rowe was selected for the second team, and Dana Rivera received honorable mention.

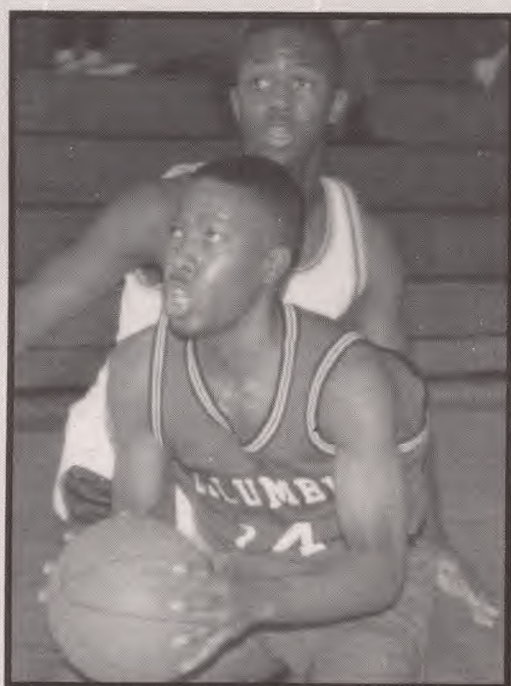

The strong team efforts led the team to some impressive victories. The whole team helped out. These players include seniors John Kargili and Dave Morante, juniors Doug Knecht, Karl Williams,

Chris Bissinger, Miguel Perez, and Dave Staggers. In addition, three sophomores, Victor Klein, Tim Grice and Duval James were also a part of the team.

While 5 seniors will be lost due to graduation, the returning players will keep up the team's success.

GIRL'S BASKETBALL

The 1989-90 Girls Varsity Basketball Team had a winning season of 15—10. They showed their spirit throughout the season after losing four seniors last year. Co-captain Laura Wilkes led the team in scoring. She reached over the 1000 point mark this year. Hopefully, Wilkes will set a new school

record next year. Co-captain Mary Alice Zavocki contributed to the team's efforts with an outstanding number of assists.

The Lady Cougars were rounded out with other key players such as Jennifer Handy, Patty Vopal, Kristen Brian, and Kristen Langheld.

The team had a tough defense and converted their steals into fast break points. They worked hard as a team to come up with a winning season. Despite the loss of five seniors this year, the team continues their enthusiasm for next year.

INDOOR TRACK

Team championships and records were commonplace for the 1989-90 Indoor Track teams. The girls, with only one senior, Captain Yolanda Wallace, managed to have a good season. The Hurdle Relay team, which consisted of Wallace, Jennifer Duncan, Kyla Scott and Kali Coleman, won several races and set meet records. Rashida McMurray helped the girl's team tremendously by running great 200 meters, 400's and

800's.

The boy's team was stronger than ever. After recovering from injuries, they went on to win the County Championships and other important meets. Seniors Mavi Thorpe, Shawn Sears, Jermaine Clark, Raymond Murphy, Basil Carter, and Russell Curley led the team to victory. The 4×400 meter team which consisted of Sears, Thorpe, Clark, and Murphy, qualified for and ran in the Millrose

Games and the Meadowlands Invitational meet where they won the Suburban School's division. Carter and Ahmed Best were among the top high jumpers in the state.

Thanks to team work, both teams competed well. Congratulations to Shawn Sears, Kali Coleman, Basil Carter, Russell Curley and Ahmed Best for competing in the Meet of the Champions!!!

POLYESTER!!! Face it, Francine, everything in life stinks. Oh, Francine, you should get out more. Happiness is a picnic in the wooodds! "5" "5" "5" "5" At first I thought he was walking the dog, but then I realized it was his daaaate. I'm in here waitin' for it! Oh, Lu-Lu, don't! You have a living thing growing inside of you! We could get curtains and a crib . . . Helloee? Oldha ona. Francine Fishpaw weighs 300 pounds, and her kids are delinquents! The Baltimore Foot-Stomper! Hi, my name is D.G. — the ozone layer is not being destroyed, and I like my fruit shiny! Furthermore, you should root for John McEnroe 'cause he's an American! And furthermore STILL, I'm not donating anymore money to charity 'cause I HATE JUNKMAIL!!! Don't you just LOVE my lavender shorts? BARRY!!! (May 24, 1989) — A Blueberry Stud-Muffin with an infinite number of studs! "Ready to take a chance again . . ." guido! ohhHHHH Janet! ohhHHHH Drew! Tim's laugh — chee, chee, chee They said I could do it, and I did it. I empty bedpans and now I am compassionate. — And I didn't need a greencard!!! I'm not washing dishes with the three amigos! What is this a r. riot? You can't get down if you can't hear the sound! THE BUSHES RULE!!! — Barbara is such the true woman! Call Dan and remind him to set his clock back. Karen + Less Nessman — 2gether 4ever. The "Dan Cookie." DO YOU HAVE ANY LETTUCE?! Ex-Society Members! My appetite suppressant is running out!! Down Syndrome/firecracker up . . . The Naked Gun — Bingo! "One Day at a Time" interior in Karen's car. Where did you get that dress?! It's AWFUL! And those shoes and that hat! I am not a Pavlovian Dog! Anyway, it's dead and we're gonna eat it. Please give our respects to its family . . . click! . . . AMEN!"

My favorite ex-society member Erin (Karen) — The babies are due on the 22nd and I have to take the AP History test. Oh well, that's being a true woman. My true ambition in life is to be Barbara Bush (but let's try to keep an open mind). Ugh! I can't believe you are graduating and leaving me behind. You are my favorite ex-society member and together we are the ultimate non-conformists (but so is your mom). O.K. remember that I love you and that I'm always here for you. Love, Karen (Erin) P.S. — Never wash dishes with the 3 amigos.

Karen (Erin) — I can honestly say that when I met you, it was as if I had looked in the mirror. I had always wondered if I'd ever find that person who saw the world as I do, and now that I have, I'm never going to let go of you. You are the only person in this world who truly understands me — and that's not an easy thing to do. I know that this world gets you down, but just remember that together, the sound of our laughter will block it all out. Even though I am going away, I am always here for you. Ain't no mountain high enough to keep me from you. OhhHHHH, I LOVE YOU!!! LOVE, Erin (Karen)

WE ARE IDEAL

Well, technically we first met at Lynn's b'day party when u and I were the last ones left in the name game — you won first prize (stickers), but I liked second prize better anyway (Sweetarts). I think we actually became friends when I had no one to eat with one day in 8th grade. You were eating with Jenny, Natalie, and a few other people, and I asked you if I could eat with u. And ever since that day . . . "Shot in the dark nothing that you can do — AAAALLRIGHT! "U can feed it to the dogs out back. Is this your drink? Those puppy-dog eyes. His dinner was served. He poured salt in his drink when he went to the bathroom. Horn . . . ! I'd recommend the new Yes tape. I don't want the new Yes tape. Andrew, what r u doing your report on? Telecommunications . . . THUS! (henceforth, notwithstanding) I love u so much I would do anything to help u! Carole Kane/Simpka Do over here, now do over there. Loopey! What? What r u doing? I'm helpin' U! I was expecting a yes or no answer, but I wasn't expecting him to say no. I wonder if we would be less tired if we had 3 legs. How do you know little mice don't go around . . . !? You'll have to go to window 2 for that. — Yes? I'd like a visa! For how long? 3 days!! Do you have a cough drop? Most people don't. At the pool — Can I hang around with you guys? — No. Who's Charlie Babbot? What did he do, count the matches? You grab the keys, race to the gas station, and come to a screeching halt — FILL HER UP! That's a great circle, Mr. Tenewitz. Hello, Alfred. So Gary, only you and the King are enlightened? That woman looks like a carrot. Introduce a friend to Poppycock. Well, the map in there says we're fifteen minutes from home. Wait. How do they know where we live? And of course, all of our many, many visions. Melness — It's hard to believe it's been almost five years since our friendship began. We have so many memories together. All of the laughs we've shared have meant so much to me. I will never forget you. I love you so much, I would do anything to help you! Oh, bye bye. Love, Eriness

Where it all began . . . Ker wanders into Ru's yard at age 3. Our gang walking to Tuscan. Ker, Ru, Jen, Martha, Amy, & Laurie. Everyone tricks Ker into believing Ru was a crossing guard. Then leaving Ker out about the kittens — Ker always misses something. All our fights — Jen always took Ker's side. Ker I'm not going to be your friend again until your birthday. Oh yeah, well I'm not going to be your friend until Easter. Rushing home to watch cartoons. Ru spills grape juice on Ker's hand — "Ker, clean it up!" Playing flood & volcano at Ru's house and on the jungle gym. Ru falls off — twice. Ru & Laurie's fights and Bob doing the pogo dance. Ru throwing a rock at Martha across the street. "Whoops, it slipped!" Playing with dolls & Barbies. Hide & Seek in Ru's attic. Ghost in the graveyard with the gang. Circus in Ker's yard. Amy's playhouse, no chewing gum in her yard. Our first loves — Seth Ruben and Luke. Ru's famous Halloween parties and Ker's back to school. (What to celebrate?) Making Ken kiss Elena. Then it was just Ker & Ru in MMS. Playing tennis in the street. Ru's party with the swim team . . . & Ker. Ru's sleep-overs with

Starbursts. Ru gets jealous of Shari because she has 2 Cabbage Patch Kids. C.H.S. — now the fun starts. Jan.1, 1988 — Our trip to Livingston. Matt pushes Ker off the bed. Can we find our way home? We tell the cab driver to drop us off around the corner. Ker's long relationship w/Scott — Ru holds her hand while she breaks up with him. June 25, 1988 — Dylan/Alarm. Jon playing "Wish You Were Here" for 3 hrs. Ker & Shar — what matchmakers. Driving around till 4 a.m. Way to stop Ker. Ru joined Ker in the front seat. Swinging in the park (yeah, we're mature) Facing Ker's parents. Faking we're asleep. Next day Ker demonstrates her stop in the lounge chair & the chair collapses. Ru breaks up w/Jer. (Ker & Shar are crushed) SUMMER OF 88 — Brigantine — "Ahhh, the cops!" (Throw the /..) Bathroom of the casino. Don't cough too much. Ru's Sweet Sixteen. Please dance w/Kerry. Shar, Ker, Jer, & Piet don't leave the corner. Nov.5, 1988 — Ru & Jer get back together. Watching The Wall (for the fiftieth time) "J.J., I'll give you \$20" Run around ping-pong while ?!@#* Gaff breaks the table on Ker's knee. Ru debating what to do. Gaff throwing up . . . from the Chinese? Ru says "Want a napkin?" Throwing water on Gaff — "Is he awake yet?" PSE&G man — Jeff (Ker's true love) saves us. Dec.28, 1988 — the famous house. "No, Jen your'e on medication" Phone book on MB's car. Emily & Mike tripping over the garbage can. TE-HE-WE-HE! Jer sliding down the stairs. Jen knocks down the picture. Shar sleeps on Mallomars & Ru cleans it up. Next night — burglar!? Ker's Sweet Sixteen. This time Ru & Shar are in the corner. We are a circle he is a dotted line. Summer of 89 — STEVE MILLER — Ru slams the trunk on Ker's hand — does she feel it? Everyone grubs from Ker. Shar, Ker, & Ru almost didn't make it. Detour through the airport. Ker goes to Europe, Ru hangs out in Morristown and meets Eric — will she ever hear the end of it. Reservation — the question game. The guys get grossed out (dental floss?) Ker — bottle opener queen. Jon the studman. "Cops!" (slide down the cliff & hide). Ru was wearing white pants. Jer makes friends. Ru tells her story — Ru & Ker cry all night. The famous house — again. J&J handymen. Ker is so proud of our pyramid. Hi bro! Give him one, he'll shut up. Jim & his techniques. Shar & her paintsticks. She was so proud of them. Ru & Ker cry over guy problems. What else is new? Candle of knowledge — pass it around the table. TOMMY — Our song and dance. Putting on a show for Mrs. S & Mr. B. "This is a BUST!" (Someone gets offended). Out on Jer's roof. Susie opens a box — "What's THAT?!" Going down the shore. Ru racks up the prizes — her ugly bear. (It is not!) Singing and dancing on the beach. No one was giving us weird looks, honest! Ru's senior year. Sharing a locker again. SLUMP! (a girl bum). Immaturity at its peak. Jeff is Ker's true love — again. Mike's party! We're having fun and they're playing cards. As long as they're having fun. Want some cheese Ker? The "I pinchy winchy you here" game. Mike is kept in the dark. Gaff finds out about J.J. No, Ker wasn't too embarrassed. Ruthie didn't tell, honest. Doesn't he look like J.L? Ru gets the phone call, isn't she pissed! Gaff's image of us is ruined. Ru gets complemented, she looks like the Exorcist. Ruthie knows the way home, really. Jess wasn't too annoyed. Countdown to Ruthie's license. Ruthie gets her license, Ker is psyched! Driving to the mall, "My husband is a state trooper". Ru, open the window before you stick your head out. Rolling Stones! Hanging out in the park, playing D. while you think. Getting off at the wrong station. Homecoming, "Why is SI wandering around aimlessly"? Lets go to Amy's house, one more time." There's Mrs. Hammond!" Lets stop in the middle of SO Ave. to look at the moon. Driving to EO and then Ru realizes they close at ten. Partying at Ru's house. Ru and Jer break up for good. Christmas Eve, playing spaz ball. Ker splits her skirt and Ru splits her knee. Ker Ru and Shar sing Christmas carols, everyone else is so pleased. Ru and Jer finally feel comfortable together. Jeff gets mono. Will Ker be next? Ker gets annoyed because Ru can't type this. Shar, MC, JD, PH, Krim, MB, Jer, You guys are my closest friends and I will always love you. You've been there for me and I liked to say I was there for you. Remember all the good times we've had together, the parties, long talks and best of all just spending time together. Keep in touch.

KER — I've known you forever and you mean the world to me. I am going to miss you so much when I go to college. I won't be able to call you up and say I'm coming over anymore. Thanks for everything. Love, Ruthie

Jeff — I'm so glad you've been a part of my life for the past year. Your friendship has meant a lot to me, and I'm really glad we got back together. No matter what happens, I'll always love you. RU — For the past 14 years, we've been as close as sisters. All the great times & great talks we've had have made my life special. Although you'll be far away next year, you'll never be far from my heart. Love always, Kerry

My dearest Paulie: Although the fingers of time sometimes have a way of pulling people apart, I know our friendship is so strong that we will always remain close. That's b/c we've shared and learned so much together. It's funny that we can look back and see the things we used to do through a child's point of view. Maybe that's why our friendship is so special. You've grown up so nicely, but I will always remember the child in you. I guess b/c that's where it all began . . . Gracias para todo. Te quiero, Lainie.

P.S. Will you still love me if I wear my backpack on both shoulders?

LAIN — You've always been, are, & always will be my closest friend (in distance, too). I never foresaw the complicated/amazing friendship that was to be formed when you moved in at 33 Burnett Terrace nine years ago. You understand me better than myself. Your house has always been a safe haven whenever things got crazy at mine. Thank you for all the memories, friendship, and especially the laughter. One day we will travel Europe together — with our knapsacks on both shoulders. I love you — Paula.

Rose, No words can express how much you mean to me. On my cloudy days, you are the sun. You make me laugh when I don't know how. Remember this: Once upon a time there lived a beautiful young girl in a town that was so full of facades. But you see, this girl, whose name was Elizabeth Ann, wasn't at all like the rest. She had a personality of her own. One day, she came upon a handsome young man who had forgotten how to tie his shoes. So, she offered to help. Little did she know that when she set her eyes on him, she and he would fall in love. She was so in love that she decided to take a risk and ask him out. His reply was none. Little did they both know that the wicked witch of blondness had put a spell on him to like her instead. So, finally, the beautiful Elizabeth Ann was left all alone. But, need not worry, because she married the richest and most powerful man in the country, therefore she could do as she pleased, like stay at the Hilton while shopping at the Mall at Short Hills for the weekends. And She lived happily ever after! The End. — When I was down over u-no-who, you wrote this story to cheer me up! You know me better than I know myself and I don't know what I will ever do without you. I love you. Liz Dear Liz,

I could have never asked for a better friend than the one that you have been to me. You have helped me through my toughest times and stood by my side when I needed a friend the most. I am truly lucky to have a friend like you.

Friendships like our come along only once in a lifetime. We have gone through so much together and learned so much from each other that there is nothing in this world that could break us apart as long as I'm concerned. Liz, whatever the future may hold, you'll always be my best friend and I'll always be there for you. Love you, Rose.

Bad times for El — We traded places. Aim goes to Homecoming, & they last 1 more week — breakup — night before Thanksgiving. A's next was the EX-HH — the lasting relationship. Breakup — 1 day before Valentines Day. Aim starts becoming good friends w/ Ern, and befriends lots of others, too, and w/ that came note writing legacy. I note to everyone in each class. Big B w/ his raps that none of us could understand, because his writing was/is soo bad.: Please El. come out w/ me you'll like these people!!" Still too shy. Mornings in C-Wing 1st floor, where El finally meets all,& AH falls for El. Cool Beans!! Aim retreats & becomes a trio w/ Ern & Pink. In the end lasted a whole month (break up — Right before 4th of July,always before a holiday!!) Night at Arsenio's w/Josh& 1st talk w/ Ern for El. All at once best night for El,And worst (almost) for Aim. Aim's summer from Hell, & El's from Heaven. El had a summer of love, & Aim was a depressed mess, which she vows never to be again, Then Aim slept over Ern's before she went away, and starts talking to some guy named Adam from SHP, who seemed pretty cool. Whens Ern's away, Aim goes to movies, & INXS concert w/ him. then one night when he & HIS Pfriend are coming over & El runs to answer the door in hopes that it is them, & when it's not she says "Oh it's NOBODY!!!" & so began the legacy of Mrs. F & the nobody deal. They came,and while the pfriend held one hand telling some crazy story about trees,& lakes etc. Adam held Aim's other hand. Aug. 18, 1988, was the start of it all. A&A. Perhaps a little rough in the ebinning, but thanx for your help through it. He then goes to N.C. leaving w/ the message of NTUA. When comes back Aim's confuzed but finally comes around,& goes into the best thing ever (so far). While at same time El's in Hell. Traded places again. Josh has moved,& had a real rough time getting over it. Aim's Sweet Sixteen. One of the best times ever, except when El almost fainted. Then came H.C. ,El finally came back to all of us EL — I am so proud of you for that night. Talked to him at dance,felt much better ,and was able to move on . . . but look who was next. The DW!!!Too tall 4 her but did she tell anyone NOOOOOO! and when she did, Did Aim believe her? NOOOO! During all of this Aim was in her element. 1st ILU from A, and was best Christmas ever except for problems w/Ern. Blank stares etc. led to an upsetting separation. Then came the2 for 1 for El,& on the 18th "same anniversary for Aim & El) Musclebound Smartypants SH asks El out, is well for a while,but DW gets in the way.But warns El about him, & then the calls start,But it dose'nt work out w/him. A&A are still together, seemingly forever.Jr. Prom, Cool Beans& Different L's. End of Jr. year. T'was a good year for all, grades and all. Next were 17th b-day's,Aim's WHO CONCERT,& LISCENCES FOR ALL!!!! CLEAR THE ROADS !!!!!El only passed because she wore a short skirt. "NO REALLY, I CAN DRIVE, REALLY!!!" HA Yeah right.Aim's b-day failed test, tears,& A's at camp , but comes back jst to visit. But then the moment that we all were waiting for . . . 1 year.Turned out like none of us expected. El was quite miffed. Then comes SENIORS YEAR!! WE RUL !! Crusing around in the MG with the top down, gettin' the stares from all of the guys! RUBBER BUMPERS RULE! We needed that real bad. "Nice car", El says Thanks Then turns to Aim & says, "Well, it's almost my car!" Yeah Hello!!! Then comes D DAY for Aim. Seemed like the end of her LIFE,BUT SUPRISINGLY ENOUGH , she's doing OK.I'm very proud of you — you handeled this well considering it's one of the hardest things you've ever had to deal with.love El. It seems as if i've been reborn, I'm back in the group,& I'm friends w/ Ern again,thanx for sticking w/me through this ordeal, especially on that first night.Love, Aim. But now on w/ our lives. College, Halloween, SATS, cheerleading (2 yrs.), Gymnastics (? yrs.), our jobs from HELL (UCC, Art store, Book Store), X-mas week at Bubba's,We should of just moved in!!!A skeleton becomes Aim's God but dose'nt even know it! A couple of final notes & memories to last forever . . . Sage Diner after the meet,El scares herself in the mirror & screams so loud that everyone hears her.What should I wear — El the fashion consultant. Clayton Waiton — queer name. A FRIEND IS A FRIEND — PETE TOWNSHEND

When eyes meet in silence,A pact can be made
A life-long alliance ,That won't be betrayed
Be friendly, Befriend me now
A friend is a friend, nothing can change that
Arguments, squabbles, Can't break the contract
That each of you makes, to the death to the end
Deliver your future, Into the hands of your friend
A promise is a promise, a handshake will seal it
No amount of discussion can ever repeal it
Commitment forever, to borrow or lend
Deliver your future into the hands of your friend
When eyes meet in silence, a pact can be made
A life-long alliance, that won't be betrayed
You need a mate when facing the end . . .
But what is the fate now facing my friend?
Facing my friend, What faces my friend?

. . . And Santa said to the lampost, "I tink dey'll be friends forever."

To the Class of
1990

DOWN WITH KRASS TENDENCIES!!!

Maryn, when you're done reading this and screaming at me, I suggest that you roll it up and smoke it.

Have An "It's my life and I'll do what I want" Day. Maryn, are you talking to that hermaphrodite again?

I See what Might You Be saying . . .

I am Woman — see my hair!

Your cartesian plane or mine?

SETTING NETS ON DOLPHINS!

Tap . . . tap . . . tap . . .

Craftmatic beds and their effects on one's self-awareness.

That's Aretha Franklin, Maryn.

No, she doesn't have red hair.

Yeah, well . . . you know.

I don't understand the size of your metaphor.

My flaming ulcer died and went to Elvis heaven.

Deadpan humor and it's fanatical practitioner . . .

He/She can get away with it because he's/she's so hot.

And do you know why, Andrew? 'Cause you . . .

Are you at all — right now?

VICTOR THE WOLF BOY

The Debut Album

Fan Mail With Postage Due

Formed when the mellow Camper van Beethoven and the even less neurotic New Model Army came from that direction, met on a cartesian plane, and came upon a lousy English teacher. However, it didn't deter them from creating whimsical and mighty fine prose indeed. And they saved the world.

Maryn:

Grapes, Hashbrowns chef, Pizza w/o garlic is a futile pursuit, Skinny, zany, future Apex grad, Freud mumblin' . . . the wrestler, the Coke, the Coke in the wrestler's nose, the sky, all things to all people (Mass. won't be quite the same). Der!

Andrew:

Pineapple, Martyr, Hermie, a nifty hermie with a fluffy-four-inch-head, nifty, reefah washer, Valerie Bertinelli-totin' PIRG-pusher. The PA wouldn't be quite the same. Jer!

Andrew enjoys the adrenaline rush of playing on empty train tracks and flipping Maryn out, while she on the other hand relishes the sensation of standing a foot away from an express train — without her coat — and pushing Andrew's chivalry and fatherly buttons.

Wet liverwurst, self-abused Yoo-Hoo, and Coke-drinking pigeons, and the rain that makes opportunists of us all aside . . . it was a pretty nice day.

Ready-for-action Converse vs. big bad slippery boots.

Shelea and the melodic Chinese balls.

I know you because you're a pineapple inside.

I keep discovering new grapes of you.

It's all related.

The Adventures of The 3 Brunettes (1981-1990?)

—The abridged version (Unabridged available in HELL!)

"Once upon a time in a little red school house (So.Mnt.), there were three little fun-lovin' girls (KER,SUZE,ALI) who held the key to a beautiful friendship. They were to encounter many rises and pitfalls on the way to the grand red procession (CHS 1990) ... luckily, they were prepared to stick together and hold hands on the way. It all began with Hello Kitty, Athlete's foot spray, and Gruning's sundaes, at a magical place called Bocraft ... Perfect together from the very beginning. One day, Suze said, "Are those ... BOYS?" (Troubles began to lurk) Little did they know what fun they would have w/ those big bad wolves (psychos)! — Suddenly, this cute fairytale turned before their eyes (REALITY HIT) ***** FROSH — 1st day, tennis "HEY Stacie, point us to the boy's VARSITY soccer game!!!" They learned to appreciate ubyo's "Red Red Wine" and older men. (NewYears-86) They attended dances, smelling sweet of Rose D'Mai — & Ali even met a GUY. There were those trying times: The monstrous vending machine, the long journeys by foot, & the yummy food they couldn't pass up on the way. But thru it all, they remained Pretty'n'Pink. As time went by, they lost their naivety. ****Suze had a bash — BUSTED, Ker learned to let loose and "hangout", & Ali learned an important lesson about herself. The disappointments were never ceasing, but the good times prevailed! They hopped from cab to cab, job to job, & guy to guy. They joined WW & bathed in lots of veggies (Mrs. Beady) Ker always had something she forgot to say, but Ali & Suze filled in the gaps. Marea always said, "You're such GREAT girls!" but they also had wild sides that often were exposed. Connections freaked them out, getting "Disshed" was pathetic, and EVERYTHING was DISGUSTING! Western clothes were in, they loved Peter Gabriel, Adler & Aaronson fed them well, and they couldn't imagine not having each other! The trip to the beach (Aug-89) proved to be the best of times. Soaking up the sun, scoping jeeps, cruising to MADDONA, ice-cream was out — frozen yogurt was allowed (HMMMM), & they were deeply bronzed. They didn't want it to end ... But as all other good things, it had to. BAMM — applications ... They were stressed and grumpy. THEN, the sun came out, and everything began to fall into place. Now they were ready to let the good times roll ... all together. PROM/ GRADUATION? WHAT NEXT? Now it was time to take their own path's into the BIG world. This was not the end, but only one volume of many more to come.

Alison, Suzanne, & Keri always knew they had the makings for a classic!

Thanks to the family and friends who played a major role in this short tale. Without you it would not have been as rich!

We Love You XOXOXO

And the story begins . . . **7th Grade:** Ethan decides not to go to Kathleen's Bat Mitzvah, and what happens? Rachel, though she doesn't know Ethan, takes it upon herself to tell him off and make him feel like dirt. What a start. **8th Grade:** Alex's BarMitzvah — they meet again, and dance a little bit. The symposium for the arts — Rachel dances beautifully to the only song Ethan knows how to play on the piano. Ethan happens to be oblivious to the fact that Rachel has one of those middle-school crushes on him. Life goes on. **9th Grade:** Outside Haagen-Dazs, Jay introduces Ethan to his girlfriend — Rachel!!! Rachel has just confirmed that the ice-cream did in fact go into the mailbox (refer to Jay, Ethan, Mickey's page) That's it for freshman year. **10th Grade:** Rachel and Ethan have limited exposure to each other — they were in a softball class together, but Ethan never went. Doing their thing makes the two of them scarce. Rachel's in the

midst of the R&R era. Ethan is admittedly a bit bummed with the realization that Rachel is with Robby. **11th Grade:** The fun begins — Ethan mimics Rachel cheerleading at a football game (Ethan's first and only). At another athletic function, Ethan and Rachel hang out yet again, accompanied by Jay, Gary, and a pink Baskin Robbins spoon. Ah, the Jewish thing. Ethan and Rachel officially become friends, after Rachel finds Ethan pondering existence at a fountain. Ethan has finally realized, much to his surprise, that Rachel does in fact have a brain. She's more than a cheerleader!! Rachel's appearance at Homecoming exposes Ethan to his nemesis — Jeff. Old men make Ethan very insecure. Dec. 26, 1988: Rachel's 17th birthday — She spends it at Jay's 'cause the old dude (Jeff) di'ed her. So, to compensate, she decides to join Ethan upstairs watching "Witches of Eastwick". They smoke some butts, and, that's it. But is it? It was then that Ethan decided that he wanted her. Ethan was too terrified to say a word to her, so he kept smoking. Soon after, Ethan mentions some things to Jay, who, in turn, plays middle school mediator. Jay has a little talk with Rachel, who decides that college men are pus. Of course, considering the fact that they're both incredibly insecure, neither of them believe that the other is actually interested. Ethan, in his infinite stupidity, screws up. (Once again, refer to the J/E/M page, Millburn chicks section or the Tina/Rachel page, Haagen-Dazs section) After quick recalculations, Ethan decides that he really, really, really likes Rachel. Rachel beats him to the gun, and asks him to the Valentines Day Dance. (Which they never quite made it to) So, they run a few red lights (Rachel says "No, one red light — let's not exaggerate"), and drive around. The following night/morning, Ethan pops the question — "Rachel, would you like to be my girlfriend?" (Rather cute, don't you think?). And there you have it . . . It's list time:

Dear Bill,

CONGRATULATIONS!

We are so very proud of you. It has been very rewarding seeing how well you've done. (Hasn't been easy watching you grow, wanting to rush in with advice or solve your problems.)

So, continue to do your best, be happy, never look back, make each day special and full, be tolerant of others, and don't compare yourself to anyone — because you are a wonderful, unique, very special child of God.

Always keep your faith in HIM, for He will always be with you.

Remember Matthew 22:37

COUGAR BOOSTERS

Some might say our story begins when, on the sixth day, G-d created man . . . but it doesn't. Nor does it begin when Lora Shelley came into this world on November 30, 1972. It doesn't even start on January 11, 1974 when Jessica Schulman was born. Perhaps we could begin our tale on September 9, 1986, when Jessica and Lora first met in Mrs. Sitter's Spanish class, but that would be a waste of time because, at that point, each girl thought the other was, "Just a bit weird." We will open this epic on a warm Friday night in June when Jessica innocently invited Maryn and Lora to Rye Playland. The world hasn't been the same since.

First inside joke: Don't you feel great after that last one? Let's see, after that it was followed up with lunch at the Chapeau, er Chateau (Hi Irv). Maryn soon left for camp, unknowing of the bedlam she created right here in S.O. & M., NJ.

There were a couple of swim, tanning, Cure sessions, followed by a scenic trip to Morristown, "Have you gone through puberty yet?" and those two nice ones we met, "want to go to a party?" right before we left. Jacks in the park, Mad-libs, Jacks in the S.O. park, "Wait til I get my license." The weekend. Lora weirded out on us! Did you ever reach your parents? Frisbee! Jay "Your yearbook stinks," "SHUT UP." I told you so. The Green Parrot. I'm considering, I'm considering, a move to Memphis, a move to Memphis. More swim, tanning, Cure. More Frisbee. Connecticut, er . . . Rhode Island. Mystic, Jess and Lora's dad had normal whales. We couldn't get back in. RISD and Adam Lipman. A nice dinner followed by, "We'll be home soon." That arcade, the guy with the Bauhouse shirt and Robert Smith (another one). "Can you BUY that poster?" Dog tags, but the engraver won't be in til Tuesday. My shark, your cats. 2 flavors of yogurt. Fleas . . . maybe not. Breakfast in bed, Where's our coffee? Cliff walks, the Breakers, "Could you imagine really living here?" The two guys under the balcony (yes, there preserved for all posterity, and we don't even know them). Onion pizza, more frisbee. "He opened the door for me." Roller skating, Ron and Ray can't skate. Uno. Coloring, Stupid animals, Flourescent pigs. The Muppet Movie "tadpoles don't have feet." NYC, Macy's, the ivy dinosaurs, ditching the restaurant in Rockefeller Center. Basketball Hoop, banana legs, don't tell anybody about the tomato, Lora got a ball. The Cure concert, "You mean Love and Rockets." Adam Lipman, again. "Thank You," "Du Cure," "Oh Kay." What was he saying? Sebastian, er, Fred. Art, boy was he beautiful. The kids with the orange bug, the guys from Brooklyn with the chartered bus. "Pardon me, do you have any Grey Poupon?" Back to frisbee: "So, are they going out?" The Metaphor man, no, it's a simile (thanks Anita). "Sub anyone?" "My leg hurts." Trips to 7-11. Jessica gets home at 12:15. End of Frisbee season, "bash." somebody was hitting on Alex. Getting lost on the way to bowling. Dave pipes up, "Jess, did you get his number?" School starts, no classes together. Lora drops Spanish for art. Catal Huyuk. Look at those bulging muscles and veins. The Lapkin Club (oh, and that poser, waste of paper group that moved in). (Hi Sue, pres.; Monica, VP; Noah, official garbage man; Jessica, treasurer; and Lora, what was she?) Lapkin Club, the sequel: plus Jen and Jane. Thanks Mr. Chase. Barking Spiders, 3 1/2 months til we're home free. Nose wiping, its a common occurrence. Thanksgiving weekend, where was Lora? Michael said the cat would drown in the toilet. Don't forget to wear fuschia to my funeral. Five dot dot three oh. Lora's balloons. SAT's, a sheep is to a what? The city, Ty, Anita, Liz. Handcuffs (Jessica's idea). Velvet, Lora in that skimpy outfit. "Nigel, the same old story." Ex-librarians. "Ew, tuna fish, you fiend." Robert Smith potato head, plastic lips and koosh nose. The pumpkin that got away. Running, laughing, and crying. Lost in the orchard. My cat could beat up your cat. Lora broke the chair, Jessica broke the gourd and dropped Brent's pie. Another weekend, the shabang, dancing in the kitchen. People are people, "who are you?" Jessica gets tackled (thanx Hube). "I didn't know he had two beds, I didn't know there was someone sleeping in one of them." Brent 2. Jessica's beach, Lora's ravine (sorry). Butchie's great, Richard, no Dick. Mi-TENS, Moos-Moos, Bull Dudey. FIT and frozen yogurt. Silly Putty. Brent's three day trip to Arizona. Slinkys rule. "How's the beauteous one?" Say it, say it. Add it up will do it. "Here I am, sitting in the car with my best friend driving, and the Cure blaring. I'm so excited I could Puke." You make me feel like a natural woman. Thanks. Boy's Don't Cry to Leesha and Zoe. Halloween, we got a little wet. Body tattoos, Rolph, Kermit, Fozzie. Look at the sky, "It's dark, and it looks like rain, she said." I'm alive, so alive.

Aunt Jemina, Marianne's on the scofa, Tango and Cash, Doug butchered Ham, corn pudding and peanut-butter lumps. Jessica finally meets him, "So, YOU'RE John."

Fronch fries, Fronch dressing, Fronch bread, and . . . Peru. Love cats, Moooooo. The Band of the Hand, "Let me take your hand, I'm shaking like milk." Most Holy! Give the waiter your number. We move like cagey tigers. Crayons in your ear. HO my! Jessica's party, Who slept? The

fire-place girls. The Hooters. Larry, Ed, Chris and Mike. Begging for quarters. She'll think its a line. I'd break up with her for you. Showing pictures of their girl/boy friends. The 10 year contract. Yesterday, I got so old . . .

So much happened in so little time. So many memories, we wish we could write them all down. By June there will be twice as many, and after that . . .

"Well,"

"Was that your 'I've got to go' well?"

"Kind of, it's getting late."

"OK. See you tomorrow."

"Yeah."

"Oh, by the way, Can I have a . . . diet coke?" "Anytime."

CAW aka AHW: From Fred to Nick and Tom to Steve and Andy, we've had good times. The invincible bug, hoppety-hop-hop, Elsie and Bess, Sky-top, Twilight Zone of a church dinner and a pizza place, Ham, thanx for everything, but most of all, Zep.

MDS, MME, Drew: Stark, Shakespeare with a nodding head, Sex Pistols, Zep, Comic Relief, Zep, sweet 16, Zep, Hice. Birthday presents, Candi and a phone number, you always made me look dumb, I will never forget you.

Lis — Marco '86, New Years party, Brad, Scott and Jerry 2. Singer '89, A&M, beach fencing, hot tub, sunrise. Hawaii '90, Chad Rob, hot tubbing, the cave, the slide, "hi Dad", my birthday party and a visit from the exorcist care of Lisa. WOW!

Mission Impossible: Andy Nicole and all the rest, sub, want to buy a duck? bac, Manhattan's, hcaeb! thanx for Miami, and the other times, too.

G — December 30, 1987, thanks to John for finding the bird. At first sight, all the inside jokes go here . . . !

Anita, Mo, Leesha, Zoe, Jen, Liz, Noah, Matt, George, Adje, Cindy, and everyone else who's paths have crossed mine:

I am like a comet, a shooting star. Everyone will look up; see me for a second; then I'll be gone. They'll never see anything like it again. And they will never forget me, EVER.

Elena's horse-lips, Charlie's angels, Little House on the Prairie; Killy Villy, The Smiths and veg's rule! The radiation room, bad things happen in threes.

I have red mittens just like yours I swear; "Hey Babie, hey Babie, Babie" — Lora, Brent, and Jen M. decorating the tree; Greece, the broken record, Alex's light-saber. "Hello, I'm Mr. Tree"; I'm gonna miss Noah's "Blaaah's"; I still think Cindy's a Nark. "Chips chips chips Ahoy," "It-was- really-funny, NEAT"; The waving flute player, Don't you want to go see, "The Little Mermaid?" Mrs. Robinson; I'll Stop the World and Melt With You.

But what color is it? Blue, Boys Don't Cry, we'll psyche it to you; Horizon Dr.; So when are you going to get your door fixed? The Sunday bike ride; water it down with water; What color is Bugs Bunny? That's silly.

"When's Debbie going home? I mean you're welcome to stay the night — "

"Ma, GET OUT! & SHUT THE DOOR!"

"Suz — forge the yearbook page, we gotta talk . . . GUESS WHAT?!"

" . . . NO WAY! THAT'S AWESOME!"

"WE DEBORAH RUTH SWAN AND SUZANNE DENISE AARONSON, HEREBY SOLEMNLY SWEAR IN THE HOLINESS OF OUR CHURCHES AND OUR BELIEFS IN THE TORAH, AND THE SACRAMENTS IT STATES, THAT AS FIFTEEN YEAR OLDS, WE WILL SOMEDAY SHATTER THE LAME IMAGE THAT WE AND OUR FRIENDS PATHETICALLY ENDORSE BY JOINING HANDS IN A CEREMONIOUS MANNER AND A YOUTHFUL STATE OF MIND AND . . . PARTY!" July '87

"Suz, I'm hungry! Don't you feel like eating something?" Nice Question!!" O.K., this is just going to be dom — no real order — just like our lives. Let's rock and roll! Let's skiddadle! ONE, TWO, THREE ROMP! Do the pelvic thrust! Follow the Hotchiman trail! Let's blow this joint! BRAWR! If you don't stop I swear to God I'm gonna hit you so hard! EWW! GEDAWAY! Don't look now, but I think we're being followed. (JC) If we get screwed over one more time — no, eww, I'm so scared! Scuse you! says Deb. See ya!
