#### Oh, The Places You'll Go!

Congratulations!
Today is your day.
You're off to great places!
You're off and away!

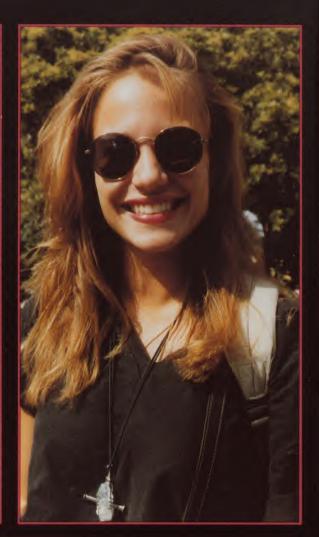

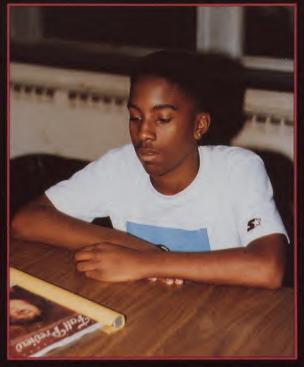

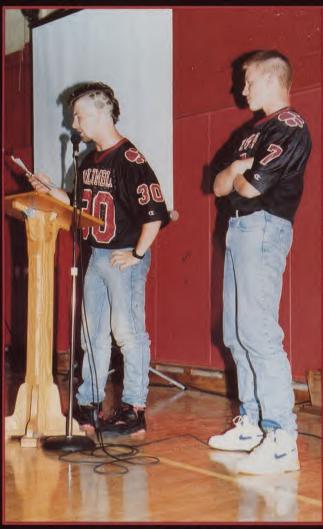

You'll be on your way up! You'll be seeing great sights! You'll join the high fliers who soar to high heights.

Except when you don't.
Because sometimes you won't.

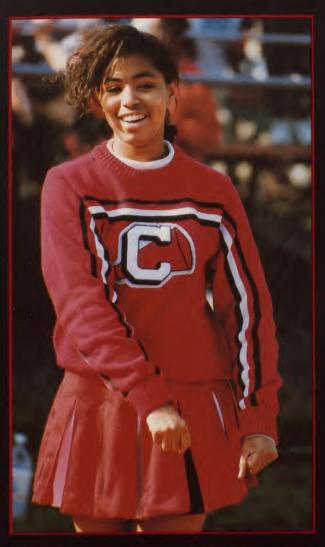

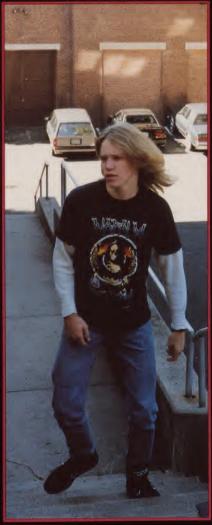

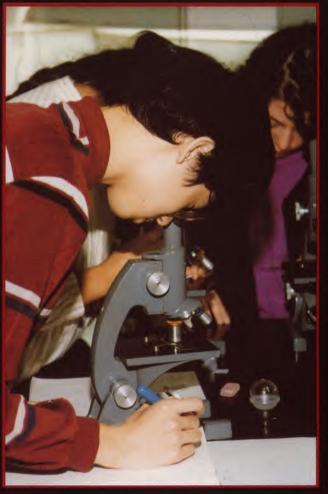

You'll get mixed up, of course, as you already know.
You'll get mixed up with many strange birds as you go.

So be sure when you step, Step with care and great tact and remember that Life's a Great Balancing Act.

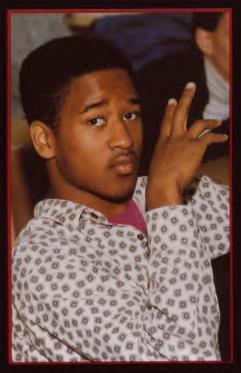

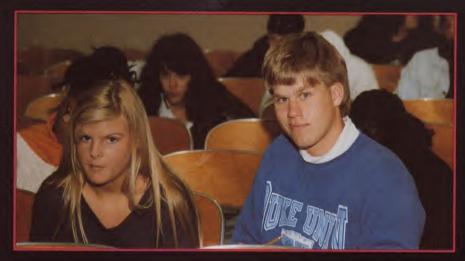

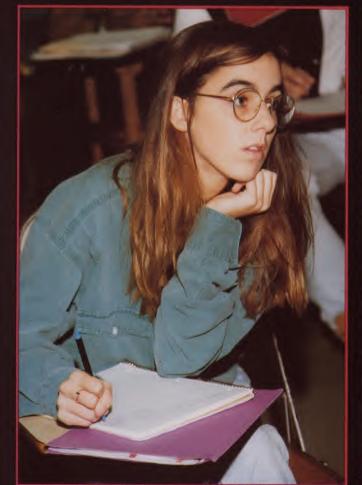

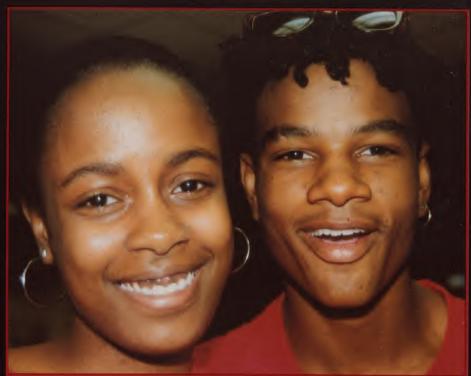

Just never forget to be dexterous and deft.
And never mix up your right foot with your left.

And will you succeed? Yes! You will, indeed! (98 and 3/4 percent guaranteed.)

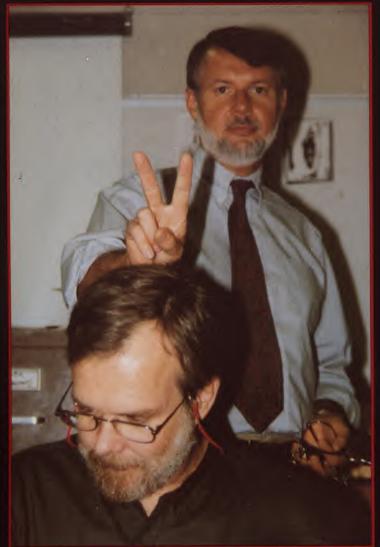

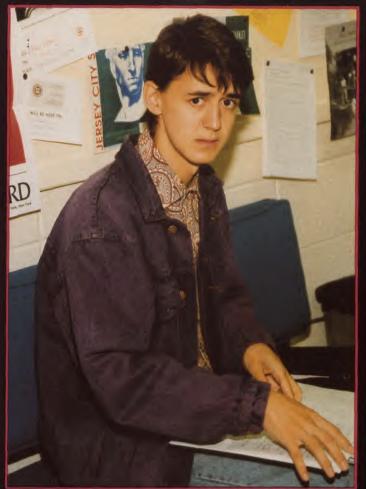

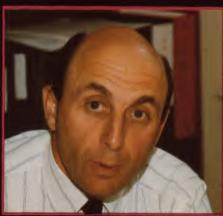

So ...
be your name Buxbaum
or Bixby or Bray
or Mordecai Ali Van Allen
O'Shea,
you're off to Great Places!
Today is your day!

he 1991 Boy's Varsity Soccer Team got off to a slow start with a 1-1-1 record. Some Columbians were doubtful of how the season was going to proceed but the boys got back on track, boasting an 18 game winning streak. Not only did they finish the season with an impressive 21-3-1 season but the Cougars also took the Essex County Tournament Title, beating a strong Montclair Team in the finals with a 3-0 decision. In addition, the Cougars captured the Iron Hills Conference title for the 14th consecutive year. They began strongly in the State Tournament but fell to Westfield in overtime with a 3-2 decision in the North Jersey, Section 2, Group 4 championship game.

Led by Tri-captains Mike Chyzowych, Ari Edelman, and Jason Foote the Cougars stood their own ground in all the rankings issued. They boasted a number 1 placing in both the county and state rankings and were recognized as 11th in the nation in the USA Today Newspaper. Six were named to the All State Team.

Senior standout Ari Edelman led the team in scoring with 27 goals. Newcomer Rad Ivanov was a close second with 21 goals. The team finished with a total of 85 goals scored this season. Ari ended his varsity career with 54 scores. Goalies Harry Gilby and Rich Satz counted 13 shutouts between the two of them and allowed only 24 goals all season.

Coach Gene Chyzowych ends this year with a personal record of 445-89-38 and must say goodbye to 12 seniors, which include his son Mike. Next year's team already looks promising with 15 players looking to return.

Junior standout Per Chilstrom recorded All Area, All County, and All Conference honors. Rob Hordon also was named to the All Area and All Conference teams. Upcoming freshman Mike Arnstein took All Area honors as well. The boy's team trotted to third place in the Iron Hills Conference meets, eleventh in Essex County meets, third in the State Sectionals, and gained first place in the All Area meet.

Both teams were fairly young ones so next year should be promising for our runners.

### DOWNING THE PAST

he 1991 Columbia Football Team certainly did "down the past." Improving from last year's 1-8 tally, the Cougars went 4-5. Led by three year varsity players Andy Augustine and Matt Coyle, the team not only stomped Seton Hall in the traditional Thanksgiving game, they reached individual goals as well. Superstar quarterback Andy Augustine earned First Team All Conference, Area, and County honors. Defensive end Dan Scheff was named to the All Area First Team, and center Jamal Powell was named to the First Team All Conference. We also saw great performances from wide receiver Matt Snyder, fullback Matt Coyle, cornerback Frank Caputo, and the Thompson brothers who rotated the tailback positions.

Andy ran for eight touchdowns and threw for eight as well. Matt Snyder received five of those eight throws. The team boasted a reputation for the team to open the scoring in almost every game.

Next year be sure to keep your eye on Greg and Jason Thompson, Doug Gnutti as middle linebacker, and Dexter Douglas as both a receiver and cornerback. Hopefully we can keep up this new tradition of improving the previous year's record.

# KEPIN' UP THE SPIRIT

he 1991 Cougar Football cheerleaders were led by Captains Rachel Branson and Jody Fenty. The team welcomed a new coach, Coach Butler, this year and boasted another great season. The powerful young squad worked right along with our impressive football team to lift the crowd to their maximum level of enthusiasm. The cheerleaders pumped the Cougar men before all of their games and kept up their support throughout play. Their work is greatly appreciated and it is evident, with only three seniors graduating, the tradition of great Columbia cheerleading will go on.

Led by Captains Sue Davenport and Sue Basile the team boasted numerous talents. Teammates Emily Kunze an Matt Kohn joined Davenport in All Conference honors. Kunze and Davenport went on to gain and qualify individually for state meets, as well as in the 200 Freestyle Relay with Jeanne Coon and Barri Budin.

In regular season meets Matt Kohn started in the 200 and 500 freestyle, Kunze in the 500 free and 100 fly, Davenport in the 200 free and the backstroke, Ben Rhodes in the 100 breast and 200 individual medley, and Mike Robinson in the 50 and 100 free. Five seniors, Captains Sue Davenport, Sue Basile, Emily Kunze, Matt Kohn, and Josh Brachfeld will be graduating but we may look to Rhodes, Robinson, Jeanne Coon, and Barri Budin for promising performances next year.

The 1991-92 Cougar Wrestlers finished their season with a 1-13 count. The team was a young one, losing 9 seniors to graduation last year. Through their two coaches the boys learned a lot about being a team. Seniors Ethan Cowan and John Nelson and junior Teke Taylor made up this years captains. Behind these three was senior Paul Scianna who, although he has only been wrestling two years, was designated as an additional team leader by his peers.

All members of the starting twelve went to districts this year, with Teke Taylor and Ernie Borsellino additionally traveling to the regional tournament. We may look to these two to be team leaders next year, along with Tony Calscione and Zach Greenfield.

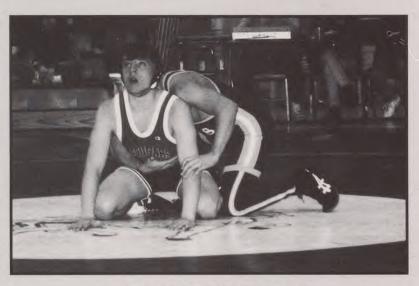

The team was made up of Ernie wrestling at 103 lbs., Chris Coon at 112, Tony at 119, Teke at 125, Ethan at 130, John at 135, Paul at 140, Jason Fonte at 145, Zach at 152, Billy Gaines at 160, Elo Adibe at 171, and Ralph Agostinelli in the heavyweight position. The team will be returning eleven starters next year and looks to be promising.

The 1991-92 Boys Basketball Team ended with a 14-10 record. The team boasted a strong season, with a total of four seniors. Victor Klein and Tim Grice led the boys as captains and Coach Tom Reilly returned to provide the boys with experienced guidance.

Although the team was plagued with injuries they managed to get to the state tournament. Unfortunately, they lost the game to East Side by a score of 45-59. They still recorded a second place

standing in the Iron Hills Conference with a 13-3 record, though.

Tim Grice led the team with an averge of 15.8 points and 9.2 rebounds per game in the center position. The rest of the starting lineup included Klein at point guard, Terrell Jackson as shooting guard, Karl Athias and Larry David as forwards, and Duval James, Dave DiCostanza, and Chad Sinclair as other key players.

As always, the cheerleaders attended both wrestling and basketball games and showed fine performances. Their impressive routines at halftime electrified the crowds, providing a marvelous source of entertainment.

The rest of the 1991-92 squad included Rosalie Green, Melita Cummings, Tammi Bonano, Nicole Curry, Miquel Carless, Lisa Eng-Wong, Aviva Woog, and Sandra Francois.

This year's Columbia Girls Basketball team finished with a season record of 9-14. Led by captains, Inai Mkandawire, Olisa Small, and Kathy Zavocki, the team recorded a "learning experience" season. Even though there were only two seniors lost last year, this years team found themselves with a young bunch. Longtime coach Johanna Wright made the decision to play for experience.

An early season highlight occurred in the season opener. Columbia found themselves ahead of a strong Livingston team, who would later be ranked in the state. Columbia went on to win the game, 42-36, and received great encouragement for the rest of the season. In another game junior captain Kathy Zavocki broke her sister's record for the amount of three point shots made in a single game. Freshman superstar Mary Meade exhibited a constant ability to drive the team, and will be expected to do great things next year. We can also look to Olisa Small and Jen Langheld for promising careers in the future.

Although the team began with six seniors they will be losing only three next years; Mkandawire, Dana Blackmon, and Toia Mitchell-El, because three were lost within the midst of the season.

#### COACH'S CORNER

When you look at our team record this year, you don't see the courage, the victory over pain and heartbreak, the sportsmanship that allowed the team after losing to embrace the other team and congratulate them for their efforts. The record did show a very young team full of promise, personal triumphs and growth, full of the glory of young people fighting and striving for a goal, full of vitality of effort directed for the common goal. This is the record we will carry away from this season.

# STRIKE AHEAD

This year's Girls Fencing Team finished 2-6, led by senior captain Yvette Losman. They were not without individual honors, though. Losman placed fourth in the County Individuals in the Women's Foil category. Freshman sensation Nichole Mustilli debued by taking third place in the Women's Foil District II meets and placing fourteenth in the State In-

dividuals.

The boys team, finishing 1-8, was led by Rhushang Mehta and Sal Maria. The Men's Foil Team captain was Adam Levy. Joining him in the starting positions were Art Jongco and Mike Spitz. The Men's Epee Team captain was Mehta. It included Robert Juncker and Matt Konwiser in the starting places. The Men's Sabre

Team boasted John Bigelow as captain and Nick Harrison, Sal Maria, and Jamie Landsman as starters.

Mehta ranked first in both the State Individuals and District II Individuals for Men's Epee. He also placed third in the County Individuals. Robert Rasczyk did a lot to improve the team and will be returning again next year.

## INDOOR THUNDER

The 1991-92 track teams achieved quite a few highpoints this year. The girls were led by captains Kali Coleman, Edelveis Maria, Andrea Melton, Kyla Scott, and Rhea Walker. Melton was a regular record breaker in long jump competition and joined the 4x200 relay of Scott, Coleman, and Rhea Moore to place third in the Group 4 State Championship. Coleman was also named the Group 4 State Champion and the conference champion in hurdle competition. The girls, as a whole, placed second in the county meets.

The boy's team was led by Derek Jones, Rob Hordon, and Juvic Coles. Hordon won the conference for the two mile run, and the boys, as a whole, were both the county and conference champs. The boys team was a young one so we may look for even bigger and better accomplishments next year.

This is to our men: Keith, Jim, Stephen, Matt, and Jeff (camera shy). This is our little surprise from us a token of our love and friendship. The most important part is all the good times we've had together. May 91...Gina and Lori's BBQ, that's where most of us met. June & July 91...Relationships coming together and friendships growing stronger. Going to Nicole's shore house. Seaside Heights and that guy in the booth who kept shootin' everyone down — Keith, Matt, and Jeff "get on the other side of the rope." August 91...Everyone went on vacation, nothing significant happened. Just chillin' out. September 91...School starts and we are psyched! Psyche not! Even though summer was over we still had a lot of fun and a lot of great memories. October 91...Jenn's Sweet 16 - we all loved watching "are you full yet". Renee gets her Matt and Stephen do their little bob up and down dance. Jeff license! Scary thought, but so far so good. November 91...Now this was a swingin' month. Jenn and Keith get back together, took em' long enough. Homecoming — we won't touch that one. Gina's Sweet 16. Yeah we girls were a little over dressed. Oh well dare to be different. Keith and Jim flat on the ground from the limbo. Those glasses were so you. After the party 85 million people packed into Renee's station wagon — 7 tables full at Roy Rogers. December 91...Nicole's 17th B-day, It's only safe inside. Stevo taking us to a X-mas surprise! We knew it all along. Keith and Stephen — "why wouldn't you guys sit on Santa's lap." New Year's Eve — lookin' forward to a great '92. Do you remember...Jim going through the toll booth. Lori, "is this illegal?" "Bang" "yep, I think it is" "don't you look." Jizsm and "chopper, c'mon killa". Then comes the time when Keith had a worm stuck down his Stubbie, which was never found. Matt gets pulled over for passing stopped school bus. Don't worry Gina was there - "Hi Daddy". Jeff watch out for the UPS truck. Keith "have any flat tires lately?" Thanks for the candygrams Henry — I love you honey. Bruja, Esa Baby, FLES and Roman Gourmet rule. Jim we are all gleeked out, but Gina loves you anyway. Baseball, Football, and Track — aren't you glad you had us to sit through games. Suppose we get going!! Thanks Stubbie, Fozzy, Nucci, Koala, Jizsm. You are all great friends and we are glad that we have gotten the chance to get to know you. It's been real - thanks for the laughter and the good times. Happy Graduation. Good luck in the future - keep in touch. We'll miss you all very much, but remember we'll always be there for you. We'll love you always, you've made our junior year memorable. Friends Forever...Jenn, Nicole, Lori, Gina, and Renee

Where did it all start? Sorrows — 2nd grade: Gina invites "brown-haired" Wendy over to splash around in the pool after school. 4th grade: Patty joins the club, all 15 pounds of her plus a million and one freckles. Layered hair, bangle bracelets, imitation Michael Jackson jackets, the plastic charm necklaces and neon-colored clothing were the things we all had in common. 6th grade: sitting three classes in a row with Mrs. Baatz, "Joe Doe is me!" (Crusty Mr. Shaw), Mamma Leona's Kitchen. 8th grade: ROCK K! THE ROCK STATION WITH THE K KRUNCH!!, heavy metal years, food fights, stuffing raisins in the

library books, Wendy likes Mike again! all day long bored stiff, just lying there; January 21, 1988 — the first story ever told (and Gina started liking N.L.). Typing a lot, Patty likes Josh everyone! long last life grandmother. That summer "Guess who I went with?" Gina and Wendy both say at the same time. Endless Love '88! and now the CHS YEARS: 9th grade: GD EK JJ WA at Def Leppard concert. WA & GD get in a big fight. "Who is that boy with the greasy hair in my English class?" asks Gina. Patty wanted to go to Saint E's. It makes me feel better!" J.S.'s party and "face in the window" boy, J.M.'s almond-shaped eyes and s-reducing jeans!! Meanwhile Patty meets Monica the Mrs. Kornas look alike! Bennigans "Book a table for 12" and only two show up. P.K. (snuffy), skipping school, the K-mart kid, smelly blue car, the married couple; lets take it over there! Eric Pfeifer, he is a dream! Shine-free pink lipstick and cool green pants. Raffy! "Carpet Head!", Vauxhall Rd and Emily St. Sweet Charity "Remember when you were in love with my brother?" Mr. O'Keefe, Don't cough all over me!! Jr. Prom at Bayley, the familiar "hum" of the "Studmobile". Summer school in Summit for WA and PJ. "buying" things from Kress, Mesimer's pool, LBI for Monica, TONKA TRUCK, and getting honked at by 77 guys who drove past. 11th grade: Halloween '90 and Monica falling, "Stayin' alive!", dressing up like hippies often, THE FINAL WORD talks to Monica on the phone. Taking gross pictures of Gina and showing them to the Physics class, the "I'm grossed out by M.R." club, many trips to the city, Pierre's Cafe and fighting the whole time! Hockey games, "Dancing with myself", "Ice, Ice Baby", G-Money in the house, and who could ever forget Monica's during Easter vacation. "Oops! Did I burn that big hole in the ceiling?" yet there was no fire to begin with she still felt it mandatory to waste the foam in the fire extinguisher to be on the safe side. "I like Pucky", Dustin "THE BIG BROWN BOY!" is now one of us! "Hard to say I'm sorry" and sitting crying only to be laughing about the same song with in the next three seconds. Introduction to CHICKADANA, "Lets go to Comochichi's!", April vacation at G.D.'s, the caravan outside of her house, too much partying that month? NAH! NOT ENOUGH! "The Rodeo" at Monicas house, Wendy's little get-together, Patty and Wendy fighting in hallways, the Dustin statue, dancing around poles in GD's basement, softball games, Ralph's, S.M.'s accident and the "Main Lobby", sucking on lollipops, drinking Pepsi and eating lots of french fries, the whole crew goes rollerskating and Wendy never comes home, she was with Dave. (silence) "Does anybody know where Pierson's Mill is?" and we hear "OOH! Me! Me! I know the answer! Jobby, Jobby, Rah, Rah!", the diner and one awesome food fight after a M.S. party, 7-11 hopping in Gina's car, "All the way out to Brighton Beach for a dum mocha?!", "The dateless wonders!", there was a piece of hair in Monica's cheese cake, Hi Bucca! (Buccahontus) BB, GD, WA lose the race to the diner when "the yellow submarine" with DA, AT and AB chuggs down the road as we sit at a red light, "I'm so flaberghasted!", "SMELLY!", "Gina, don't bounce around on the bed, it has to have the screws tightened!" (does she listen?), "Me for one!", spending 1/2 of our life just driving around or sitting in the Res., "Why did he want to count the money so bad at the diner that night?" (missing \$3) "I know why now!"; buhp, buhp!; BB & AT race WA & DA! "I still think I would have won!" they both say! New Year's Eve at C.N's was cool or what can be remembered of it at least, "What did you do with Darren, Patty?", Anthony's "beautiful" songs, January 3rd w/P.K., going to the city & to Jimmy's, M.C., B.B., E.D., J.K.! "We will get by, we will survive!", "Hey you, out there on your own sitting naked by the phone, can you touch me?", "Those were the days my friend, we thought they'd never end...", And through the years we managed to stick together, Four smelly girls making the most of our time and we'll never forget it. Not to mention our other close friends who helped us through, Gina Mesimer, Dustin A. & Anthony Thomas. "We love you all!" from Gina "the supermodel", Wendy "the cartoonist", Monica "the smart one", Patty "the space cadet". BBBFF! WE MUST KEEP IN TOUCH! As Patty would say, "Don't forget to write and don't do nothing I wouldn't do!" We end this page and these years without saying good-bye, because a good-bye is forever and only together is what we'll be forever!!!!!

### THE BIG L'S: ADJ CAR CHAN JESS JUL KAR KRIS SHEL SUE

It all Bgan 1 sweltering summer day on the grassy hill of the Mplwd pool, where 9 sun worshiping beauties had gathered. What were these amazing individuals doing here, besides applying SPF's? Well it just so happens they were engaged in a highly classified, top secret meeting resulting in the creation of what I might consider 2 B the finest group of best friends the free world has ever seen. If 1 were 2 inquire of them 1 would have 2 look in volume B of the hist, books 4 their article. This is because the world renowned clan answers 2 the name of The Big L's. The acronym 4"L" has never been revealed by any member through the yrs., despite their infinite interviews, autograph sessions & guest spots on Donahue. Thus, what U R about 2 read R excerpts from the unauthorized biography entitled, "The Big L's -The High School Yrs."...It started that 1 fateful day when the 9/9 watched Grease & made Rice Krispie treats. In the beginning there was The Group...the lunch table fights and the crises at every dance...Give me my fun fruits!...Jessica B & Erin's boy-girl parties...Days of Our Lives...Vee and Jules and the cat fight...and Them - Starbursts, Tomehta, your mama wears galoshes, Sprout and the Fool and Him even though he was chubby (we know they don't remember)...but that was all when we were ugly. So then was the arrival of the little red headed girl from Ohio...breaking the hearts of many men (Thomas, katey?) we hated her then but then we grew up, & became freshmen..."Field hockey rules!" (we listened to you Miss VanShaak)...Wendy & Kate became true Amazon women, Mitz quit before 2nd cuts and then Jenn got CUT, she was so bad!...But there was a future for her — "Hey guys, wanna hear another volleyball story?!" — NO...and the boys — Veejay (can he ever get a hint?), Greggie ("I have a boyfriend...in...New York."), George's first first FIRST true love "Say Anything"...Mitz and Gwen still recuperating from Them...katey & Matt — what else can we say?...Mitz's club night Sweet 16 (we missed you Gwen)...katey and Jenn make a solemn vow to become vegetarians — for the month...So sophomore year...and JAKE...the death of a friendship over that skater cut...Mitz declares "I think I'm going to wear black from now

on."...S begins to worry — "You know what heavy petting can lead to"...I fluff you...Mitz's dream "but he's Soooo beautiful!!!"...Wendy meets her Delbarton baseball player with the beautiful blue eyes...Jenn & Jon's Railroad (I still love you)...Forcing Mitz to try out for West Side Story — and watching her steal the show — and the hearts of certain boys...then began 17 months of faithful attendance at the skating rink, that was true love...S.S. "I'll Be There."...Rob, will you ever let me pinch your cheek again?...the summer began, and a certain new man appeared — "well, you must admit he has a nice chest"...Junior year...Gwen meets Dan. ?...Jenn, what WERE you doing? solitary confinement, by choice, we're sure. Pro-choice — a woman's right to stay single...Sloane is TOO cuter than Marcus!...happy easter...katey meets the family — "She's a field hockey GOALIE? Dear, can't you do anything remotely feminine??"...oh, and school mattered too (at least to Jenn)...we tried the female bonding thing — Dead Poets' Society, Stuffed Shirt, getting Mitz off to the prom..."SMILE! I love you"...finally seniors...katey & Marcus, STILL going...and Jenn exercises her right (Jenn you're pathetic. I will not speak to you until you call him.) and catches the Italian Stallion — he's not so perfect after all, but he's ALL MINE!...katey & Jenn fear becoming dorks thru osmosis...football games —

SAMMI ABBY CARRIE KIMMIE

- WALK FOREVER BY MY SIDE

### THIS IS THE STORY OF HOW WE BEGIN TO REMEMBER...

Plutosions — Glidfins and carriages, Edgenoa, the hill in the backyard with streams and the plants. Peppy LaPew and Sammy the cat — Suzi the ballerina. Is that them flying by the window? 8th grade — Washington...lets escape, break the seal. Our dumb roommates didn't go for that. Liz, lying in the mud — we yelled at her cause we thought she was spying. High school begins as did our psychoticness...no one would understand but us. Member Pt. Pleasant? — miniature gulf, after awhile Marisol just picked it up and put it in. Hockey games galore. College visits — did we ever make it to the colleges? Did we stay very long? It all started on April 16, 1991 — BOSTON — and to think we weren't even excited to go. How long before we knew the campus of Clark? The haneii guy named Todd — a.k.a. "the hottest guy on campus" yeah, right. Won't see me in the lovely town of Worcester where people spend their leisure time eating at BK (or was it Mc. D's?) Roshana Lite — the name scared us. And Alysa (all they did was eat) Peter Pan buses, Continental, taxis, and all the \$ they cost us. Wed. april 17 — off to Ellen Louise and Howie's house in Newton. Bought Brussels at Store 24 for our long trip to the Tara hotel (so it took us forever to get there, the taxi driver was psychotic, we were low on money, and it ended up to be the wrong Tara; sorry, didn't know there was more than one) We were the biggest bums that ever walked into that hotel. "I'll pick you up in my gold Mercedes 190." Nice car Elle. "My Brandon and my Kevin..." Your Brandon wears cologne and tries to go to frat parties. And your Kevin listens to Bach and Beethoven 24 hrs. a day - No Joke. The Canadians vs. the Bruins (and Howie thought we wouldn't get tickets for under \$100) My polo man and those 40 year olds from N.J. Quincy Market (where we bought Copley and Copley). The "T" and the psychotic driver. Boston College — yearbooks. Wonderland Aquarium (Nice not to know where to get off) "Why do we always end up in the slummy neighborhoods?" At least the aquarium was free. Boston Harbor & our lobster dinner "I'll have a peach explosion please." Elle & Howie had lobster too — "They said they didn't want any Elle." Thanks to that ladies garden we ended up on Vancouver Street. Ellen was definitely impressed — came in at 7 in the morning. Our morning consisted of sleeping and throwing up. "No, I don't want to take the T" It was a great party want to go back and get that tour of the house Dorie? FUBAR — Worst H.O. we ever experienced. Nothing we drank stayed with us — mine ended up in Win's room. I still have the key to our room at the Holiday Inn (the front desk and room service hated us) — but it's their fault for not having bagels and spare keys. \$40 bathing suits from B.R. — I'll never wear that ugly thing again. Those room letters we filled out. Hard Rock Cafe, Pacific Heights. We left on a rainy day and almost forgot out tickets. "Tip taxi drivers???? Since when?" Stealing from the airport store (and other places) but I really wanted that Cheers shot glass. We really got that Cheers shot glass. Clam Chowder everywhere you went. Renting a car? Limo service? \$\$\$\$\$\$\$\$\$ Rebels with a cause. You ran away when I came back from visiting Win while my parents were away for 3 weeks. Eva I'm living at your house for a while. D.H. and those parties. Jonas's 4-runner on the s-curves — "I was trying to set an example." You were in Germany last summer with Kris — all those German men (on the audobon). Jagermeister? Sounds good...Aug. 14 — we drove to Philly for our I.D.'s. Tried them for the first time at Spectator's and Paulies (they would have worked) Of course it took about a month for us to get those things. I left for the Poconos and the shore and when I got back you left for Allegheny. Mall trips (well there's nothing else to do in wonderful S.O. and Mpld.) "Dorie — call Jared we're bored." Newark Academy...Sept. 14 — met while bowling (of course we accomplished what we set out to do) Billiards. "I guess I have to accept the Acura Vigor." Now it's kind of like — "Who's J.?" NSX So much for the GM concert. Those "fun" CHS parties. Experience what we did and you'll know what we mean. Frat parties with REAL MEN. The immaturity of B & T. Great Adventure? maybe, if all works out with MATTMLR. GA physics trip (someone had pms) Thanx to Michelle we did no work. Asbury Park — 102.7 party. Kim and her sister were there. Lee & Co. too — drunk. The V. in our trunk, and later on someone else's lawn. So Charlie, how about visiting your apt.? Tennis with Dave from MSU. Late night talks about how people changed and our "dreams" (involving Dave & Raul) When all else fails, drive (no, speed) to 7-11. The guy that just stepped out of a J. Crew catalog and his friends. Scum-magnets. We need a vacation — New Orleans, an Island, Florida, back to Boston? Nah...how about Toronto? Canadians? Sounds good. Dorie, I think you're a GOOD driver. tripling the speed limits. Eva, I think you're better driver...can you take those s's at 90 next time. Can't get a parking space too far away, Jersey girls don't walk. BEEEP obnoxious horn...high beam time. "I'll call you tomorrow." — Why can't men tell time like a women? Moving? — guess you'll have to stay with me when we come home from school. Stopping in at Sunrise for some free cheese steaks and soup. We will join that ice hockey team soon — or better yet, own one (after scoping out all the best looking players on all the NHL teams & putting them in navy and green uniforms) Brenda & her accident, probation? Posse member Dorie — better remember the "chant." Peaches spray. Boboskiwatentoten. Corpus Christi, Brian Leetch. Getting lost in Philly — "where the hell is Mole St?" One Ways. SAT's and your ACT's (never again) Toro Loco, The Hall, Etc...Free gifts at Smuggler's. Madison Square Garden — Bud. Pike needs a friend. S does everything J does. Homecoming (stayed for about 15 min.) NYC afterwards - not a good idea with what we were wearing. Mrs. Fields cookies and shakes (tradition) ST crashes (we'd be back on the road as soon as we exchanged cars) M & S "hopefully devoted to you" said the girl. (Not the boy.) Flintstones. Looking at Jeeps and Hondas on rte. 22 — the new Del Sol (Honda disappointed us w/no more CRX's) 25 to test drive? "But I'm 21." Ripped stockings (3 times) Pathmark — here I come. sexual harassment in the city. NJIT & Rutgers — the strip of frats (and they even have business cards) Pictures at Brenda's. Panchito's again. I just love being followed by some drunk in leather — guy's? Let's run. Shezacks. Jonas, your tennis picture is so pretty. BYOR. Toys-R-Us-pacifiers — "Yeah, I'll pick up my cousin Brenda." Eva, I owe you my life!!! Headbanging — in your apt.? Columbia — yeah, university. Sorry guys from Albany, we'll headbang some other time. Ice skating with Barrett & Art. Got your own skates now. Party down the shore — Kris spent \$60 for that Halloween outfit. Track big gamblers. NYC when the horses don't race — Speak Easy — Bobby Mayhem from BU. — try Bobby Mayhem from Montville. SHU — we made sense. Returning jeans to The Gap after about 30 washings. \$500 blue-eyed husky we took out. V-ball ("I got it") Banff Alberta \$\$\$\$\$\$ travel agent was like "dumb girls" Family from Greenwich, Conn. — FOOD. Dorie, stop

Alberta \$\$\$\$\$\$\$ travel agent was like "dumb girls" Family from Greenwich, Conn. — FOOD. Dorie, stop worrying about wab. Went our own ways on New Year's — but we had fun. I've got to make you a Cactus Bowl. "I Wouldn't put it beyond..." I called it right. Poodle — how many have signed your wall so far? 550, 551, 552 and going on strong!!!

Dorie — "Everytime you cry, I'll cry just a little bit more." Just remember, I will always be there and I will always care. We may not be together in distance, but we'll always be together in heart. Thanks for everything, you're a great friend...Jerkie!

Evams — When ever I have a problem I know I can always count on you. Hopefully you'll always be there, I know I'll always be there for you no matter how far away you are. We'll always remember the fun times we had and the fun times that are yet to come. Who's shoulder will I have to lean on next year when we are at college? I love you always!

Now we're uncontrollable, buck wild, sexy, bodacious, strong, intelligent fly girls. It was shaky in the beginning. T punching Y. Everybody hated I because she always smiled. Nobody liked A because she was weird. But now things have changed. We've hung together through thick and thin and rocked the house. Ate 10 million white castle burgers while chilling at cheers, Club Toia's or Hillside Inn and always hitting it. Hung out with the midgets at Eagle Rock with the crew playing hide and go seek and riding in the family car with no radio and no gas. "Radio don't work, turn it off." Hold fast to dreams
For when dreams die
Life is a broken-winged bird
That cannot fly.
Hold fast to dreams
For when dreams go
Life is a barren field

Seth — Continue to search for the Greatest Muscle Car, and someday you could invent awesome!!

Ed — Hope to see you on the volleyball circuit in college, who knows, maybe I'll see you on ESPN someday.

Mike — Don't worry what other people think, only worry about how you portray yourself to be. Γ'll see you tomorrow.

Adam — Our friendship has lasted for many year, and hopefully college won't change a thing. Remember the tape we made in 5th grade, well at least one of us got what we wanted.

Thanks, guys for all the Good Times, Live Long and Prosper. Hearned it by watching you. Peace.

ADAM — Chris — friends since second grade, we're different, but the same. From racing Matchbox in your room to the real thing on S.O. Ave, we've always stuck together, and I know things won't change. I know you'll go places - just have to keep those fat tires on the ground.

a.j. — from Riverbend and pottery lessons to 9th period Lechter notes with JT on random, (an ECLECTIC relationship)...bizarre, ain't it.

Kiva — I don't know how I have tolerated the hundreds of hours on the phone with you — it was probably that wit of yours. Your know that you'll always be my little leader & you will be one of those people that I keep in touch with (I just hope that I will recognize you when I see you again — with the hat, the nose, and the name).

Seth — Besides the fact that you still owe me some cough drops, I think we came out even on all the times we went off on each other. There were times when your were one of my best friends and there were times when I hated you, but I know that all the memories will be great and I really hope to see you later.

Ed — Well we bonded in the parking lot in Bennigan's after our other friends left us behind, and I think that says it all. Just bend those knees, hit the half-pipe just right, and I know you'll go high and far.

Mike — Thanks for the women and the laughs. I owe a lot to you and you will be the last person I'll ever forget.

And I hope all of us really do get there...just don't let me get lost on the way.

ED — THERE ARE ONLY FIVE GUYS I COULD EVER TRUST AND TALK TO AND I'VE MET ALL FIVE, YEAH RIGHT!

KIVA (leader #2) Sorry about Dartmouth, but maybe you can come and visit me there when you're at Bowdoin. We really had some great rumors when watching STUDS, thanks "BEST FRIEND" Leaders always

SETH — No more PITTER-PATTER of the RAT, no more double to one hand slaps, thanks for all the clothes and good times we had, and maybe, just maybe, when you look at the stars at night in the sky you'll see ROJAS. MIKE — THANKS FOR ALL THE LAUGHS, not always with you, but without you we really would have had a boring year. You've been a really great friend.

ADAM — GO PROSTITUTION, Levy, sorry you got stuck with Engstrom, but I couldn't have done any CHEMISTRY, whoops, I mean debate with Jen if she was your partner!! For your birthday, I'll get you Momo wheels for your chair

CHRIS — What can I say, we tried volleyball, you couldn't, we tried lifting, I couldn't, we didn't try Three Card Monte, but we could have! GO BOBERINO.

JEN — Jen, you have every reason to feel special, I love you more than snowboarding, NOT! PSYCHE!

LIGHTEN UP, March 1st isn't too long away, I'm sure it will be worth it! "UH-OH, WOE, UH, YEAH, HUM, UH, HMM, UH WHAT TIME IS IT? UH, LET'S SEE, OOH, UH SORRY 'BOUT THAT."

Thanks guys for being such great friends!!!

KIVA — E.S., S.P., M.S., A.L., C.C., R.H., (9, 10, 11...122) KP or KB, Bloom, Bloom, Bloom, Bloom, let's go back to my room! Where did that crazy orange horse run off to? ED — fellow leader, one ringers at 11 PM, maybe we'll be cool next year, rumors — the possibilities are endless, yeah, let me just jot that one down in the margin, best friend. If you are tired — just remember drive home

slowly!

SETH — since fifth grade your home has been my home, we used to walk to school together, now we drive to school together — thanks for the face time, you've been the basis for all my hat-wearing dreams.

MIKE — Thanks for putting up with the jokes, the White Loser has driven me insane, good luck at college — just think about the macking possibilities. ADAM — Hey loser, stay awake and alert, or at least enough to establish a new Kroger file at college. Whatever your next car may be whether its headed home from homecoming or to the village, it will remain MORALITY!, assuming you're not in a wheel chair.

BOBES — You, your house, your car, and of course The Box, have left their mark. Remember the red jeans, Jerky, I'll wreck you.

ROB — You're last on the list because you wear yellow jeans. 9th 10th and 11th, 3 out of 4 is not bad. KB vs RH: two KO to 0, boring summers..., you're going to an Ivy, I'm not, you've got a girlfriend, I don't, your success doesn't make me hate or resent you, it only makes me envy you.

Maybe mixing the groups wasn't so bad after all.

SCHNEIDER — So many things have happened — from the good to the bad, and frankly, the ugly, but I've had a great time. The 5 of you stick out as the 5 best friends I have. Wherever we may go, we all know the 6 of us count on each other — thanx guys — It's been fun — Oh, and yes, I didn't worry — you got me there, thanx.

SETH — Alright Fellas, it's my turn. I refuse to go to SH Mall on Friday after school excursion. What do we buy? Remember, if we come up short at Bennigan's Schneider will cover the extra (as always!) Kiva -Remember when we never argued before? Well that sure changed!! Your the best!! I know you'll do the best wherever you go — by cheating, lying, and stealing of course. Ed — All I can say is you're a piece of work. Bobes — Good luck on the 5.0 ragtop — Live out the Italian Macho Legacy. Adam — Maybe you'll be fully awake someday! Mike — I fear for you, only joking, I love you man! I.m. is a pink pig — oink! #### SUSAN AND ROSE

Sophomore year - English, An Emissary's Thoughts - going to lunch. 1/2 day, doing math, but actually, Rose freaks out dialing 1-900-909-JEFF and playing the blue plastic wastebasket accordion to "Them lemons they roll, them lemons they bounce, I even seen a lemon drop!" So Rose gets a touch tone phone and a wastebasket for her b-day (not!) Making up on the way to Susan's: "Rosie and Susie love Billy and Willy. Isn't that silly? Let's go to Philly, and don't dally-dilly!" Susan, the Devils, and her sketches, RANDY! "Randy-baby, do that Funky Monkey walk for me one more time!" Not that he was G-orgeous! Taking the bus to the mall — "It's not gonna show up!" Susan gets a \$130 sweater for \$9. Running to Susan's in the rain. End of soph year — Jeff's party results in the start of the 4K CLUB K1 + K2 — for rules see Susan's card w/picture of 4K family. HG is born, Dick Tracy vs. Pretty Woman, walking home reading Guildscript, "I could almost taste the sound." How romantically wonderful! Summer '90 - Susan's infamous scenarios - "Yeah, I remember that chick, We ROMPED around here for a while." Walking to Palmer (Susan's walk down the hill) Steel Magnolias, Bill and Ted's (Excellent! - air guitar), Dead Poets (for Rose's b-day, plus a collage w/"Falling in Love w/Bill" and "J. Crew", and a very symbolic violin/roses/wineglass card), When Harry Met Sally (Harry Connick), Eddie Murphy - "Hello. Ah you uh female hi-skoo dropout between dee ages uh 18 eh 25? Ah you tide uh looking po ay job? Den send po my fee booklet!" Junior year - sitting together in orch, gym class - Rose thinks J. is an ugly loser, until suddenly she decides he's a "Bill" w/his monkey walk, books tucked under arm. Rose goes to work and gets invited into his kitchen, but then he moves to Susan's class so Susan gives Rose all the horrible details about J + K. Then TITO sees Rose and tells Susan "She's FLY!" Rose runs from gym class every day. Driver's ed - sitting in the back, Jeff keeps turning around and Rose hits him. Susab! SHU campus - checking out the v-ball court, walking oh-so-casually past the map (we are too cool). Going to Arturro's on 1/2 day w/Jeff, looking at all the quaint and G-orgeous houses, Rose talking too loudly (as usual), "What would you call them POTHOLDERS?" "Ask Spencer." Watching She's Having A Baby at Jeff's. Rose goes after K4 until homecoming, when Rose calls up Susan crying. The boy at the restaurant who didn't even ask Susan her name. "Oh, you're 17, not 21? I'm 24, bye." Dis! Borrowing James Taylor. Summer '91 — Rose leaves a tape for Susan, who is off touring hockey rinks and shopping malls up north. "So guess who pulls up? Guess! Guess!" And then, the tragic news. One last Duke scenario, going to the mall w/Jeff to buy Naked Gun, and then it's "Later, Rose, I'm outta this one-horse town." Letters about K2, Anthony, and strict parents...Someday we'll drive down that of' Virginia highway in our beat-up red pick-up (Rose'll drive; Susan'll never get her license), country station on the radio, wearing our faded Levi's, white T's, cowboy boots, chewing on our pieces of straw, hair blowing, dog in the back...couldn't beat that w/TROY's stick!

Freshman year, we made lasting impressions on each other, "you sure we knew each other then ... ?" Fast forward to Junior year, Mr. M's Photo class, Counting how many times he said, "umm..." CUTTING, hurling slurs in the darkroom w/Chip and Harry CUTTING Trying to work the camera "What's this button here for...oops!" Copying off each other on quizzes and still failing, giving Naturi a fat lip, "Well Fatima, I can't really blame you." Chip falls for Fatima...sucks to be you! SUMMER: Naturi drops by during YRBK pics in just enough time to keep Fatima from biting off more than she can chew, namely married photographers, Naturi has no such hero, and that's why she's smiling like that in her picture. Ego problems. Fast forwarding through all the dirty parts of movies cuz the Jaber bunch was around. FALL Fatima completely BLOWING our free ninth together to fill academic requirements...no priorities! Halloween, getting upstaged by a bunny, trying no priorities! Halloween, getting upstaged by a bunny, trying to rip off Fatima's little brothers and sisters, "OK, how about two boxes of raisins for a Hershey bar?" Having to kidnap Fatima to go anywhere. Naturi's only date of the year w/Monie. Watching the soaps and Jukebox and MTV and..."So did your parents marry you off yet?"

Fatima: Great times — Adeab, Krazy-Kool, B-oner, Naturi — when you get big in New York, call me.

Naturi Hey Pude, three more years, 540 more detentions to go, hang in there. Fatima — We'll be friends forever, or at least until I get sick of you. P.S. (We did not start gangs, OK?) "Hey is this all we've done?" "Yep" "Wow, we have no lives!" "Well, maybe You don't...well maybe I don't either. Can I come over tomorrow?"

N & M: "Well, when I met you, I hated you but, no big deal..." "Well, I hated you too, you were mean and rotten to me," "I'm never mean, so just drop dead, ya loser!" Mr. L's Creative Writing class, reading his poems, "CHUG CHUG CHOO CHOO!" E & M: The Musical, Men Sex Scum, The four musketeers, or was it five...whatever happened to Emma?

N & M: FNL The Knife Skit! Lemons. Micki and Naturi could sure use that Vita Pup Scholarship right now. Naturi meets Emily. "Wait...what's her name again?" Emily gives her a peanut butter cupcake. "I spit in some of them, but I think this one's okay." SUMMER Micki does (ha-ha) Europe, Emily takes care of a dog. Naturi wanders the wild Maplewood streets hoping some guy on a Harley will kidnap her and take her to LA. Mick wants to say "Paulo!" Em & Mick rack up a police record. FALL Mr H's creative writing class (I'm sorry, but you bombed this assignment.) Emily and Betty, what a pair! Does Micki have any classes. Ralph's; our black lung therapy ("Look, Naturi, 1 can blow smoke rings!" "Mick, put it down.") The play, Salaam! Lettuce provolone ("you know, I think I'd rather like that.") THE FIRST RABID PIT BULL POUND PUPPY PITY PARTY FROM HELL say that 3 times fast. Micki seeks a higher education with the Miracle Green of Understanding. Emily is the Absolut woman Naturi "what's a bong?" Micki hangs with Thor, Naturi gets felt up by the Thighmaster(s)...Well, there's a lot more laughter and tears and gut-wrenching yowls of pain, but Naturi's a starving writer, Micki's a starving artist, and Emily blows all her money on alfalfa, so we have to cut this short, Deal wit' it!

Once upon a time, there was a haunted house. It was small & yellow, & one night Kim, Erin, Marisol, Stacey, & some little boys made the treacherous journey past police cars & parents to the dark house. Once inside, games were played & beverages were consumed. Everyone seemed happy. So, weekly, they returned. But soon school ended. Summer came & went. And, the house was slowly forgotten. But, a new house & tradition came to pass. Saturday night regulars at Stacey's, the best little house in South Orange on assorted Saturday nights. There was Armond, Josh, Andrew, Mark, Brian, George, & the illustrious BRETT. Even a movie was written, directed, produced, & filmed on the premises. Quick, quick, name the flick: "I'm in here! I'm in here!" Autumn of 1990 was spent in a stupor; Joelle's, Sarah Clifford's (we know Dave had a good time), Erin's..."IN AN AIRPLANE?", & as always Stacey's. With winter came Kim's house, where those present not only exchanged x-mas gifts, spirits, & saliva, but set the pace for the year ahead. Maybe we should have moved slower. Eva, Kim, & Andrew weren't brave enough for a three-gee! New Year's Eve was spent at Stacey's. The details of that night can not be published. Let's just say that 1991 didn't start off as the happiest of New Years. It was, however, on that fateful night, that we met the Sophomore Four (or six, whatever). A new tradition was begun. The rest of winter was spent getting & using fake I D's, kidnapping younger S.H.P. men & holding them hostage on Mayapple Hill, & bailing Marisol out. With the spring thaw an evening adventure in N.Y.C. was planned. It was on this fateful trip that we went to Jimmy's. On the way back to the train, with Erin speaking in her Scottish brogue, we were harassed by the Pink Panther, who deserted us after Stacey started puking in the Hoboken station. The awful ride home with some guy Pat & the business card man was interrupted by Angela shaking hands with the doorknob. "Is it a custom in Texas to lick your hand after you puke?" Late May heralded the banning of Brian, Bucca, Marisol, & Barrett from the Durkin home. This later proved very inconvenient. June & July: statistics. Hey guys, the order got messed up. The summer of 1991 was spent, for the most part, in Marisol's back-yard. It was here that Elana & Melissa rounded out our small group. But we can't leave out the shore. Erin & Kim went down alone first. After Erin returned a "changed" person, we decided unanimously that we all definitely needed to go. So, plans were made to visit the rented home of Brian, Bucca, & Vinny in Surf City. School started once again, and so did weekends at Mike's. But, Mike's was not to be permanent, & we found ourselves at Stacey's once again. Erin started liking The Dead. As a result we paid over \$40 to see them, & watch Brian dance. Camping: We forgot wood, but we assisted by Fred and Barney. With one tent and plenty of beverage, dropping trough everywhere, Barney made a heated pass at Hot Rod, Fred experienced radio sex, & Melissa (she thought it would be constant.) When we returned, we all had to help Kim cope with Andrew's infidelity. November brought Home-coming: Kim's house: Andrew, Brian, Avi, and Andy, all of whom were perfect gentlemen (Unfortunately)! Alas, we have reached December, the end of 1991, as well as our tale, "Oh, what a night, late December back in '63. What a very special time for me, as I remember, WHAT A NIGHT!" It was in this final month that great things occurred: Wolfe Wolfe was born to Marisol, Kim found a new position, Erin took a bath, and Stacey had a slumber party (finally, a BF!). And, now we wait to see what will fall in our laps in 1992. — Thanks to all who made it what it was: Jen, Eva, Elana, Melissa, Chris, Ty, Brian, Bucca, Vinny, Matt, Soph 4, Yoda, George, Andrew, Steve, Greg, Josh, Andy, Brian R., POP THAT COOCHIE, Jay, Avi, Marcus, Zach, Matt, Kiva, Mike, Selth, and everyone else. K-A, M-M, E-B, S-?

— TO Ers, Stacey, Marisol, & Andrew — Thanks for all the great times & memories. Regardless of anything that happened in the past or what happens in the future, you'll never be forgotten. You're the greatest! I Love You! — Kim.

"Oh once in your life you can find someone, who will turn your world around, bring you up when you're feeling down. Now nothing can change what you mean to me..."

Dan — God, I cannot even begin to tell you how I feel. If I were to be told in kindergarten that we would be the best of friends I probably would have told my mom that you were being mean to me again. You mean the world to me and more! What I will do without you is beyond belief. I love you forever and for always.

All my love (well, just some of it.)

Jen

Jen — I'm glad that I can always count on you to bring me up when I'm down and you can always do the same. Without our laughs, we just wouldn't be where we are today. Thanks for being my best friend and most importantly, never forget all our great times, laughs and memories to last a lifetime.

Ab, You've been an awesome best friend and I'll never forget the memories. You were always there for me and isn't that what friends are for? I love you!

Carr, 14 years and counting...you have always been there for me and I love you for it. Special times, special memories, you'll be in my heart, always.

'Why did you do this all for me?" asked Wilbur. "I don't deserve it. I've never done anything for you."
"You have been my friend," replied Charlotte, "That in itself is a

ndous thing."
"said Wilbur, "...I would gladly give my life for you, I really

would."
Wilbur never forgot Charlotte. She was in a class by herself...It's not often that someone comes along who is a true friend.

While putting this yearbook together we have had to endure many frustrations, and have often wondered whether or not there would actually be a 1992 Mirror. The yearbook could not have been produced without the help and support of everyone involved. Special thanks go out to:

Our advisors, Mrs. Coe, Mrs. Pitman, and Mr. Ricciardi, for their support and tireless effort.

Our representative from Herff-Jones, Gordon Lawshe, for working very hard to insure the success of this book.

All the students on the Mirror staff who spent many late nights cropping photos and finishing layouts.

The photo staff for the many hours spent shooting candids and for all the late afternoons they spent in the darkroom. In particular:

Anita Shah for the dividers, title page, and Graduation pictures. Amanda Saslow for the Prom and Homecoming pictures. Additional photography by: Paul Baron, Susan Basille, Amanda Becht, Clem Brown, Chakema Burton, Laurie Chatelain, Sam Green, Danielle Martini, Rhushang Mehta, Christine Parsons, Elana Rod, Tanyee Stallworth, and Angela Yee.

Dr. Suess for his book, Oh, The Places You'll Go! which supplied the poem for the beginning of the yearbook.

Dr. Weiss

Herff-Jones Publishing Company

Paul Tighe from Normandy Studios

And, all our friends who listened to our endless laments over the past several months. We are very proud to be able to call ourselves the Co-Editors-in-Chief of the 1992 Mirror.

Karen Emmerman and Emily Greenwald

P.S. Hey Gordon, Where's our cover?
