THE SUPERVISING PRINCIPAL'S MESSAGE TO THE CLASS OF 1953

Our aims and ambitions for thwarting all subversive activities that threaten to undermine or weaken our national security should be a constant reminder that we, citizens of the United States, should maintain a vigilance to the end that the lofty ideals so gallantly achieved by

our illustrious forebears be forever secured.

No chain is stronger than its weakest link, so let us strive to make our nation a strong chain, by each cooperating with the other, and at the end of our alloted

time turn in a job well done. It is my prayer that I may ever be of some service to you and your Alma Mater.

Most cordially yours, RUSSELL STETLER

THE PRINCIPAL'S MESSAGE TO THE CLASS OF 1953

RUSSELL STETLER

During the four years that you have been with us, the administrators and teachers have worked with you to give you a sound workable philosophy of life. By precept and example they have helped you to develop habits of industry and clear thinking. You have acquired a broad background of knowledge which will give you a sense of appreciation and satisfaction in taking an active part in the cultural, economic and political activities of good citizenship in the American

and points.

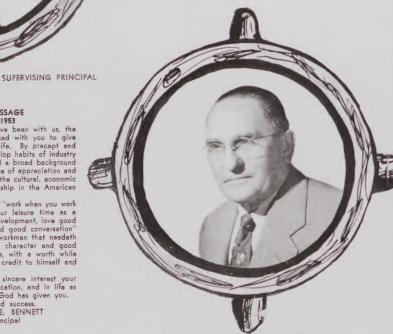

way of life.

You, too, are to live the good life: "work when you work
and play when you play." "Use your leisure time as a
and play when you play." a shwaical development, love good music, good books, good company and good conversation" and "Study to show yourself a good workman that needsth not to be ashamed." A person with character and good morals, living a vigorous, dynamic life, with a worth while purpose or objective in life will be a credit to himself and to the community in which he lives.

In the future we will watch with sincere interest your progress in college, in your chosen vocation, and in life as you continue to develop your talents God has given you.

Best wishes for your happiness and success.

FRESHMAN CLASS

Advisers: Mr. Lloyd, Mrs. Dwyer, Mr. Nuccio, and Mr. Morris.
The freshman class, one of the largest to enter Matawan High School, started its treasury by holding the Last Chance Dance of the school year.
Members of the class participated in athletics, clubs, and social activities.
We assure the Freshman that they will have four wonderful years in this school, as we did.

Battles

FOOTBALL

Sparked by a fine combo of a fath-charging, hard-hitting line, and a quick alert backfield. Matawan High's football forces fought to an imposing 6 and 2 record. Starting the season, we lost two accree of 27-0. Flighting a Rumano team all the way. Matawan won 6-0. Next Matawan trounced R.B.C. 32-7. Still a non-impressive victory was a 7-6 win over Freehold. Battling in the rain, Matawan custom Allantic. Highlands 13-0. The Turkey Day game proved a sparkling victory for Matawan as we emerged the victory from the fray with a 14-0 score, thus ending the season, we found that we had tied Lambertville for honors in the Group I Central Jersey Championship.

BASKETBALL

Starting off well. Matawan took their first game by triumphing over Keyport 50-49. The next game was played against Jamesburg who had a territic height and weight advantage, and we lost. Against Toms River, Matawan made an impressive showing but lost by a narrow margin. After losing our next game to Manasguen, we come within three points of beating a highly-favored Jamesburg club in our saccord meeting. We lost our next four games to Loonardo, Lakewood, Red Bank, and Freehold, in that order, but bounced back to win against Keyport 51-37.

BASEBALL

This year's diamond squed opens its season the week of April, 6th. Six of Coach Nuccio's starting lineup for last year are returning, so our very capable coach looks forward to a fine season with the team. Last season Matawan won 6, lost 7, and came bock with a 200 rating in conference competition. Services on the 53 team are Frank Fariello, 1st, baseman; Tat McQuarrie, outfielder; and Bob Grey, 2nd, baseman.

We hope that this year's squad will come out on top, as we know they can.

Reviewing the splendid record left by the '52 track team, the '53 team has a lot to live up to. The '52 team made impressive scores in all their dual end triangular meets. Matewarfs weight was felt in the Shore Conference Meet, also, even though most of the compating beams were from much larger Group II schools. Mateware went on to win the Group I Central Jorsey Track and Field Championships at Adulry Park. As team representation of the State Meet was only fair, because of meastes, we were unable to show to our best advantage. The track team also competed in the Penn Relays, Long Branch Relays, and the Seton Hall Relays, taking second place in the latter. We hope that this season's team may do as well as or better than last year's squed. Our hats are off to Coach Caracciolo for a fine coaching job.

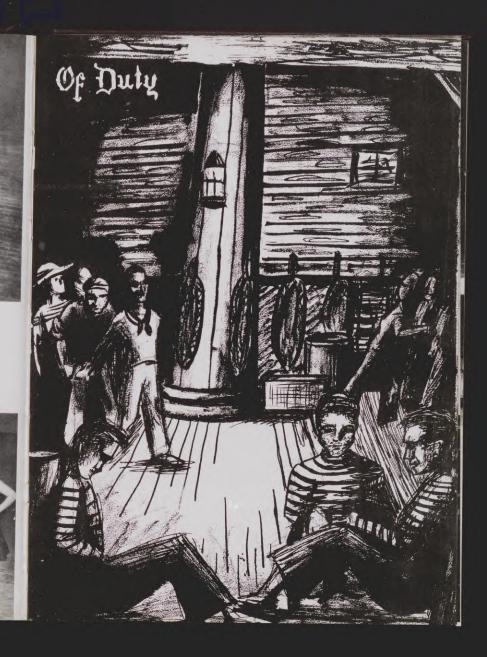

CHERLEADING
Adviser—Miss Gordon
The Matawan High School Chearleadars consist of two squads: the versity, which cheers for football and basketball games, and the junior versity, which cheers for basketball games only.
The aims of these 'pagi' girs are to give the football and basketball teams support and to Kelp devalop school spirit in the student body. They act as representatives of their school in exemplifying Money is raised throughout the year for uniforms, magaphones, letters, a trip to New York, and the cheerleader and Mather-Daughter banquets.

STUDENT COUNCIL

The Metavan High School Student Council was formed under the Articles of the Student Government Council was formed under the Articles of the Student Government Constitution in 1943.

The councils function is to perform those duties necessary to the regulation and guidance of student activities and to represent the students to the administration.

Representatives from each class and four officers chosen from the senior class compose the council which meets weekly to discuss student problems. They conduct assemblies, plan the dance schedule, suggest ways to stimulate school spirit, and conduct school elections.

The senior play presented by the class of 1953 was a hilarious comedy, NO MORE HOMEWORK. The scene is laid in the Elmer B. Ames High School, on a day when the principal, vice-principal, and the secretary are all absent.

What a day! You can imagine some of the complications that arose. Some of the most difficult situations were the questions of abolishing homework, the loss of the state scholarship exam questions, using Buzz Bailey as a dress model, the romance between Miss Goodin and Mr. Harper, Hurricain Harper's striking back, and finally, the disappearance of the money from "Rusty Wings", the school play.

All together, NO MORE HOMEWORK is a fine play for a high school group to put on and was enjoyed not only by the audience, but by the cast.

GIRLS' AND BOYS' STATE

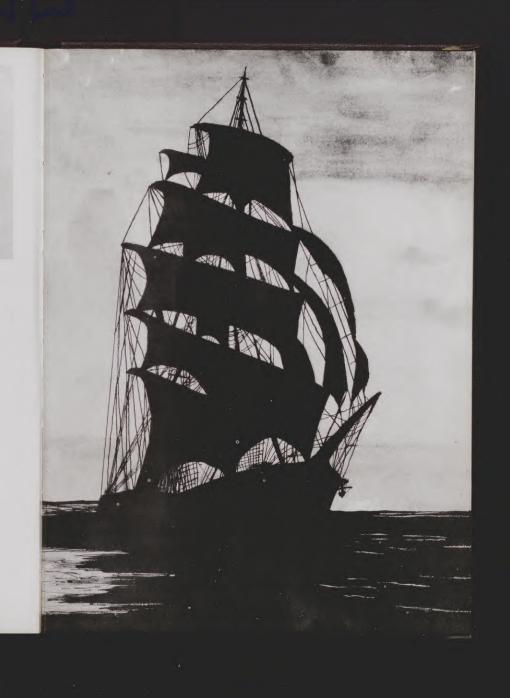

Girls' and Boys' State is an American Legion-sponsored citizenship program in which girls and boys of high school age are trained for leadership and service to their country. The agenda of the program, which takes place at the New Jersey College for Women, consist of falls by eminent leaders in the state government, the election of state officials led by a student governor, and sport activities. During the school year the representatives hold elections in their respective school for Free-holders' Day, the girl and boy states convene in Trenton in December, where they visit the office they had been elected to the previous spring.

Representatives are chosen for scholatic ability, extra-curricular activities, and service to their school.
