We, the '55 Senior Class of Matawan High School, Matawan, New Jersey, have published our volume of the annual *Pillar*.

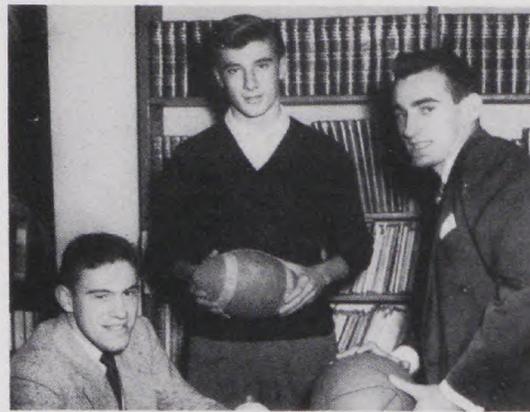

We selected a newspaper theme because we wanted our book to be different from the average book, and to have a new and unusual quality about it. We wanted ours not only to have pictures and copy, but also to sparkle with a personality of its own and to animate you as you read it.

With this purpose in mind, we set out on our work to discover the ideal theme early in the year. Many themes were considered and then discarded before we finally chose this one. The newspaper is a broad subject, and we have used it somewhat informally to fit our needs. We have tried to make the book as much like a newspaper as possible.

Although the newspaper theme was difficult, we enjoyed working with it. We hope you will have as much fun reading *The Pillar* as we had putting it together.

Our Four Years at MHS

by E. M. Bethune

School life for the class of '55 consisted of many educational and social events.

When we were Freshmen during the years 1951 to 1952, we had many new and exciting duties to perform. The election of class officers was one. Elected were: Harold Deitz, President; Janice Hahn, Vice President; Paul Hedden, Treasurer; and Joan Blondek, Secretary. Members were chosen for Student Council. As Freshmen, we gave the last dance of the year which was very successful.

As Sophomores, we were getting used to the high school and were able to handle more responsibility. We elected this time for our class officers: President, Shirley Foti; Vice President, Janice Hahn; Secretary, Betty Herrity; Treasurer, Paul Hedden. The Sophomores were well represented in the student council. We sold decorative tape, decals, and held the Sophomore dance.

Then we were Juniors and really felt important. We had a busy year ahead of us. We had Student Council representatives who were our delegates on Freeholders Day. Our class officers were: President, Allan Wolf; Vice President, Burt Collins; Secretary, Eleanor Warmke; and Treasurer, Doreen Worsley. To help raise money we sold Christmas cards. Also, we gave the biggest social event of the year, our Junior Prom. The seniors were our guests at this big affair which took place in May.

As seniors, we reached the goal which had long been our ambition. Our class officers were: President, Allan Wolf; Vice President, Joan Blondek; Secretary, Norma De Felice; Treasurer, Walter Jones. We were well represented in the school activities. During the early part of the year, we received our class rings and had our pictures taken for the yearbook. We sold candy, took care of the concessions at the football games, and gave the Christmas dance to help raise money for our expenses in Washington. The annual senior play also helped us to raise money toward this trip. Then in June came the day all seniors await anxiously—Graduation Day. This day will never be forgotten by our class as one of the most important moments of our lives.

The Gossip,

First School Newspaper

by M. L. Blabota

If someone were to ask you what *The Matawan Journal* was, you would immediately reply, "The town newspaper, of course." But if you were asked to identify *The Gossip*, could you do it as easily? If your answer is no, don't feel too bad. Just come along with us—and Mr. F. Howard Lloyd, Sr. without whose generous help this article would not have been possible—while we tell you about the first school newspaper in Matawan High.

The Gossip originated back in 1892: a hand-written paper "issued by the pupils of the Upper District (No. 46) School, then known as the Mount Pleasant School." Since the paper was not printed, it was the elected editor's duty to read the newspaper before the Literary Society on Friday of each week.

It has been our privilege to see three of the original copies of *The Gossip*, which are part of Mr. Lloyd's collection of such mementoes. The entire paper is hand written in flowing penmanship and contains not only serious information, but also a "Miscellaneous"

What's Ahead for '55 Senior

by Joan Blondek

Today a senior of '55 faces a future filled with unlimited possibilities. When he graduates, he is at the crossroads of his life. At these crossroads there are hundreds of opportunities. The smart senior, realizing the importance of his next step, will have previously planned his future and will follow this plan as closely as reality allows.

Upon graduation, the College Prep. student can enter a college or university and further his education without any trouble whatsoever.

The Commercial student, after graduation, is qualified to enter the business world to work at any secretarial or clerical position.

The General Course also provides the student with the background needed to enter the business world.

section from which *The Gossip* seems to have derived its name.

We wish to thank Mr. Lloyd for his kind interest and assistance in helping us look back at the forerunner of our school newspaper and yearbook — the first school paper in Matawan — *The Gossip*.

Class of 1955 Dedicates "Pillar" to Luther A. Foster

Mr. Luther A. Foster, new principal of Matawan High School, has become beloved by our entire student body and faculty, and particularly by us, the Seniors. In appreciation, we are proud to dedicate this yearbook to him.

ADMINISTRATION MAKES NEWS

Russell G. Stetler Wishes Seniors Well

Celeste E. Wenzel, secretary to Russell G. Stetler

by Peggy Chamberlain

Mr. Stetler, our supervising principal, graduated from Middlebury High School, Pennsylvania, and did his undergraduate and graduate work in six colleges.

For two years he taught chemistry in Middletown, Pa., where he was also coach of athletics. He was superintendent of schools in five towns in Pennsylvania before coming to Matawan. Other positions he has held are: Construction foreman, timekeeper, assistant yardmaster, routing clerk for Pennsylvania Railroad, car tracer, and general agent for a life insurance company.

Mr. Stetler has striven for better instruction for Matawan High and will keep on doing so until the students are receiving the best there is. In his message to the graduating class he said, "Give to the world the best you have and expect the best in return . . . Know thyself."

Foster New Principal of Matawan High

by Peggy Read

Mr. Luther A. Foster has accomplished a great deal during his first year as principal of Matawan High School. This is due in part to his background and vast experience in educational and community affairs.

Mr. Foster is a graduate of Bridgeton High School and received his advance education at Glassboro Normal School and Rutgers University.

Before assuming his new duties as principal of Matawan High School, Mr. Foster had been principal of Cliffwood School since 1928.

In addition to his educational activities, Mr. Foster has also been actively engaged in community service. For many years he has served as Matawan Township Magistrate. He is vice-president of the Matawan Library Board, secretary of the Matawan Township Assistance Board, and active in the Woodmen of the World and the Rotary.

During the year Mr. Foster has tried to analyze the major problems of the high school and attack them at the earliest opportunity. He has also attempted to get an overall picture of the school with its weaknesses and strong points.

Mr. Foster stated that he strongly believes in the democratic process and that the faculty and administration working together as one will be able to solve any problems that may arise.

Mr. Foster also stated that he has received excellent cooperation in carrying out his new policies from students and teachers alike.

The message Mr. Foster gives to the Class of 1955 is: "I congratulate you for having completed your high school work with credit to yourselves and Matawan High. And now as graduates of the finest school in the best town of the greatest state in the leading country of the world, may you go forth to take your places as citizens of that town, state, and nation, realizing that the success and happiness of the world of tomorrow depend on you."

Mildred K. Bennett, secretary to Luther A. Foster

BOARD OF EDUCATION PRAISED!

FIRST ROW: George Loscoe, George Barrett, Sr., *Vice-President*; Edward Currie, *President*; Frank Johnson, Louis N. Pazienza. SECOND ROW: Walter Swanson, Philip Gumbo, Russell Stetler, *Superintendent of Schools*; Herbert Gittins, *Secretary to the Board*. Clifford Reeves (not shown).

Graduates Express Gratitude for "New Look" in School

by Ann DiSanto

The Matawan High School seniors are deeply grateful to the Board of Education for the improved appearance of the school. It is something that the seniors will be proud to look back at and remember.

The color scheme is yellow, and every room has a harmonizing color to go with it. The auditorium is

very pretty with pink and dusty rose as the combination blend of colors.

On a whole the school seems to be much neater and more attractive than it has been any other year.

Yes, I think we can all be proud of the "new look" in our school—thank you, Board of Education.

Seniors Show Appreciation

by Lynn Hall

We, the members of the graduating class of '55, wish to express our sincere thanks to all those who have guided and helped us during the past four years.

We thank Mr. Russell Stetler, our superintendent, who oversaw everything in a quiet, modest manner. Mr. Luther Foster has led us in a firm and kind way during this last year, following on the heels of his predecessor, Mr. John Bennett, whose only fault was that of being too kind—both have our appreciation.

Miss Celeste Wenzel and Mrs. Mildred Bennett have always been helpful and patient with our one-hundred-and-one requests. We thank Mr. Gittins, too, for letting us barge into his office to use his typewriter for every emergency.

Members of the English department deserve our recognition and thanks. Our hats are off to Mr. William Albright, who made Senior English an enlightening and mature experience; to Miss Norma Montemuro for bringing bright new ideas to us, and supervising our yearbook; to Mrs. Elizabeth Gittins who was a human dynamo in rehearsals for the Senior Play; and last, but not least, to Mr. F. Howard Lloyd, who has always encouraged us by pointing out our good qualities and overlooking the bad.

Special credit is given to Mr. John Caracciolo in the Science Department because he always seemed to know what made us "tick." Also, to Mr. Abraham Parnes our appreciation goes for his great patience in teaching us the ABC's of biology, the XYZ's of

math, the intricacies of German, and for his expert handling of yearbook finances.

The Commercial Department has played an important part in shaping our lives. Miss Laura Gordon has been very helpful in teaching us the "a;sldkf-jgh's." Mrs. Florence Bodziak has supplied our every need in shorthand, and Mr. Albert Levine has given us a fine knowledge of business.

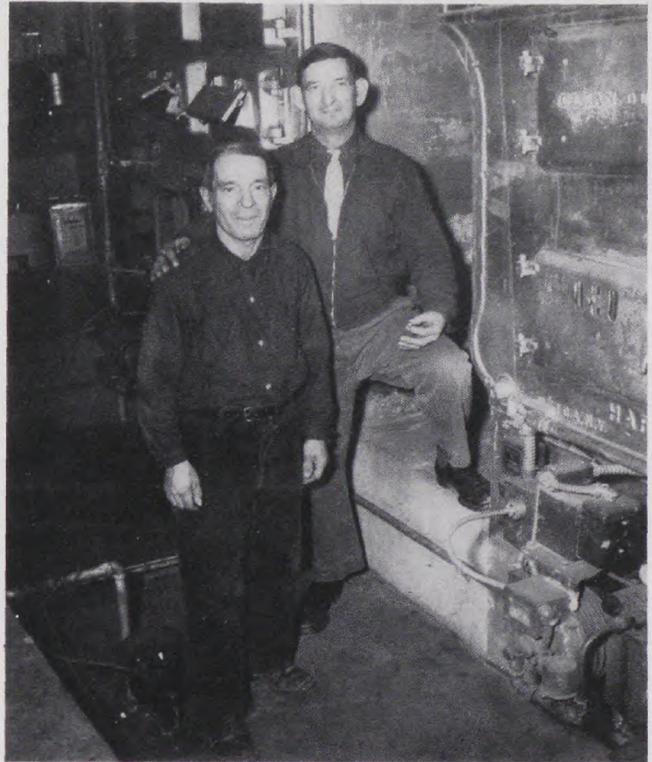

To Mr. John Shea, our math wizard, thank you for making frightening equations understandable and workable.

Mr. Ralph Mauro, our World History and United States History I teacher, has done a very fine job. Mr. Walter Fleet, our new History II teacher, seemed to have a magic potion which made us work and like it.

Miss Naomi Dennison, who struggled to teach us Latin and French when it just seemed like "Greek" to us, deserves credit.

For props and other needs of this type, we have always been able to rely on Mr. Walter Dudley. Mrs. Matilda Zeigler, our new art teacher, has had a few of us as pupils; and Mr. Gottlieb Schwall, has heard some of our voices in his Glee Club. Both have done fine jobs.

Busy little homemakers have come from the sewing and cooking rooms of Mrs. Florence Ochs. Mrs. Lois Davidson, our patient librarian, has always been willing to give us a hand. When any of us have needed a nurse, Mrs. Janet Schaufele has always been there to make us feel better.

Janitorial Staff:

John DeVota, Walter Van Brackle.

Cafeteria Staff:

Erma Bullard

Mr. John Heyer has helped the boys further their education by teaching them Mechanical Drawing.

A new teacher who has gained much credit during his first year at Matawan is our band director, Mr. Joseph Sugar. Other new teachers we haven't been fortunate enough to have had as instructors, but about whom we have heard many nice comments are: Miss Shirley Rees and Mr. Roy Burgess.

Sports have always been a main interest in Matawan, and Coach Paul Evans has carried on in the successful tradition begun by Mr. Anthony Nuccio. Mr. William Yaeger has been a big help as assistant football coach. Mr. "C" has produced many track stars who have held high standing in New Jersey. And we could not forget Mrs. Hildegard Finn, who has always kept the girls in tip-top shape.

Nor do we overlook the ladies in the cafeteria who fed us so well that we had the strength to do the "impossible."

The janitorial staff has always been cooperative in keeping the building warm and clean and in staying late on nights.

Thanks a million to each and every one for a job well done, the results of which are reflected in us — we hope!

Senior Class Presents *Line of Scrimmage* by Doreen Worsley

Every one has his own personal "line of scrimmage" — that place where our theories collide with the realities of life.

Mr. Morrison, new principal of Hammond High School, is no exception — he prefers the aesthetic to the physical; that is, poetry to football. His secretary, Madge Collins, is only one of those suffering from football fever. She, Miss Gamm (English teacher), and Ruby Dinway (a romantic school girl) are all out to trap Mr. Morrison.

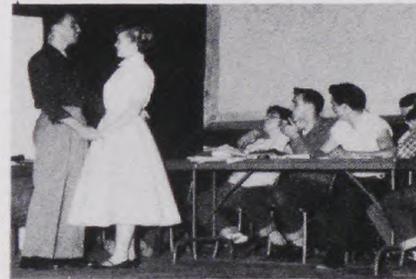

Stanley Grappleneusky, the star football player, fails his six-week English test; and Mr. Keefer, president of the School Board, declares him ineligible to play in the big game against Keystone. With the aid of Mr. Morrison, he is finally allowed to take a retest on which he gets a perfect score. It is obvious that Stan cheated, and, at the school board meeting, Perry Winman (a boy who helps in the office) comes in and confesses that he gave Stan a copy of the test. Mr. Keefer allows the students to tutor Stanley in English; and, when they finish,

Stanley passes the very hard test.

Ruby Dinway, with some arm-twitching from Madge Collins, confesses that she made up stories about herself and Mr. Morrison. After this, Mr. Keefer is very friendly with Mr. Morrison.

Hammond beats Keystone after a very close game, and everyone is happy.

Season's Social Event Held Here!

OVER 200 DEBS AND ESCORTS ATTEND JUNIOR PROM

by M. L. Siano

The Class of '55 held their highly successful prom for the seniors last year. Over two hundred couples attended the formal affair.

The hall was decorated beautifully as the Cypress Gardens with flamingoes, a pool, trees, and a blue velvet curtain, in front of which sat the king and queen. Refreshments were served at the Miami Beach Terrace which was almost as lovely as the ballroom itself.

Everyone enjoyed himself, and admitted that the enchanting music and the heavenlike atmosphere helped make the prom the most outstanding social event of the year.

Class of '55 Bequeaths Great Legacy to MHS Teachers, Students

Fortunate Heirs Inherit Curls, Latin, Sandwiches, Pretty Eyes, Unfinished Projects and Many More Riches.

by E. M. Bethune

Matawan, New Jersey, June 2, 1955—Great excitement abounded at Matawan High School yesterday when the Last Will and Testament of the Class of 1955 was read. The heirs were exuberant at the many bequests left to them by their senior benefactors; but, many students were mourning the fact that the 114 members of the Class of 1955 would no longer be seen walking through the halls of Matawan High School.

The will, in its entirety, follows: "We, the Class of '55, being of sound mind and body, do hereby make public this, our last will and testament.

CHEERLEADERS BEQUEATH NUMEROUS ARTICLES

"The cheerleaders, with their splendid group formations, leave to the M. H. S. faculty and student body a number of articles. Eddie Mae Bethune leaves her ability to yell to the next varsity squad. Jane Muro's curls are left to Mrs. Finn. Her ability to eat two sandwiches for lunch without gaining weight is left by Marilynne Stahlbaum to Mr. Fleet; Eleanor Warmke leaves also to Mr. Fleet her ability never to be a social flop. Danny Clifton is left with Elizabeth Vreeland's talent for driving a motorcycle. Lynn Hall contributes her place on the dance floor to Bill Utter. Ann DiSanto's quietness is left to her cousin, Marilyn DiSanto. To the incoming cheerleaders Barbara Tullis leaves her spirit of cheerleading. Nancy Erdmann gives her position on the squad to the next co-captain. Mary Lou Siano bequeaths her four years of Latin to some brave student.

SPECTATORS LEAVE FABULOUS WEALTH TO UNDERCLASSMEN

"The '56 senior class is left with all rules and laws by Stuart Sprague. Henry Moreno leaves a shovel to Mr. Albright's class just in case the subject gets too

deep. Lillian Smith bequeaths her quietness and shyness to Jane Anderson. Shirley Foti leaves to Shirley Trout her ability to get good marks. Enjoyment of Mary Lou Blahota's extracurricular activities is left to anyone who has the energy to do so much so well. Dorothy Hoever contributes gales of laughter to any serious freshman. Carol Heyer's ability to chew gum without getting caught is left to Winnie Waltz. Jane Bennett leaves her gym class to Gloria Preston. To Phyllis Mackason goes Connie Russell's ability to go through four years of high school. Valjean Westley gives her first year steno marks to Joyce Gatson.

"Any person who can use Barbara Hickey's talent for skipping school is welcome to it. Loretta Hull leaves to some unsuspecting freshman her ability to get along with Mr. Levine. To any "long-hair" with a polished pate, Doreen Worsley donates her long hair. Bobby Van Brackle leaves his ability to square dance, under the direction of Mrs. Finn, to Danny Vanderbilt. Audrey Rushing bequeaths her pretty eyes to a person with dull ones. Marie Leperopolos leaves her height to Margie Smith. Kathleen Crawford and Joan Blondek give their seat on Sophie's bus to Gloria Preston and Joan Maresca. Carol Lambertson shears her curls for Elsie Bennett's use. Jean Gaub's German II book is left to James Arace. Eula Mae Hill gives her alto voice in Glee Club to June Carol Walker. Frances Rounds bestows her position as secretary in the Library Club to Barbara Perry. Joyce Widman and Beverly Haspel leave their seats in English to two talkative juniors.

"Sandy Trout leaves to a fortunate girl her position as secretary to Mr. Evans. Margaret Read donates her speeches. Carol Kinhafer gives to Bob Phelan all her homework papers. Patricia Lucas is left with Almeta Postell's homeroom seat. Rita Jones vacates her seat in history to Chloe Ann Tourine. Norma DeFelice leaves her telephone number on the front

steps. Jokes are left by Jean Bethune to Lizzie Davis. Margaret Johnson relinquishes her seat in English to Shirley Lee. A good-luck charm is given to Delia Lee by Annie Rice. Harold Deitz donates his place on the mound to next year's pitcher. Walter Jones leaves a strand of hair to whoever can use it. Larry Salmon bequeaths to Jack Kuhns all the splintered hurdles. Eddie Marks gets his brother Frank's good record. Tony Panzera leaves the Amana Food Plan to the ones in need. Harry Wilkins leaves his mechanical drawing board to Mr. Heyer; to Mr. Dudley is given all of William Murray's unfinished shop projects. Richard Johnson leaves his chemistry knowledge to Ronny Van Meerbeke. John Germann is left with Paul Hedden's place in the Honor Society. Thomas Stames leaves to Joseph Beal his habitual tardiness. Charles Hall contributes his notebook to William McKinney. Thomas Falco's vaulting pole is given to Ronnie Carlson.

MAJORETTES CONTRIBUTE PRICELESS ARTICLES

"The high-stepping majorettes bequeath to their heirs these articles which money cannot buy. Shirley Brown leaves her seat in the office to anyone who feels misunderstood. Ginny Germann is left with Janice Hahn's intellectual capacity. Patti Hattrick donates her uniform to next year's co-captain. Betty Herrity leaves her baton to Gayle Hauser who, she hopes, will take her place on the majorette squad.

'55 GRADUATES OF M.H.S. BAND BEQUEATH RICHES

"The "Fifty-Fivers" from the Matawan Band leave their ability to play music, plus other unattainable matters, to the underclassmen and their leader, Mr. Sugar. To "sweet" Mr. Sugar, Robert Himmelwright donates his ability to break drumheads with little or no effort. Drum sticks are left to Tom Savage by Joe Butts. Frederick Haseman bestows his music experience to any bebopper. Margaret Chamberlain gives her clock to her sister, Ann. A capable junior is left with Dorothy Kudrick's position at Mr. Sugar's desk. Anthony Brisese contributes his sax and clarinet reeds and his band uniform to any young fellow musician. Richard Presser is left with Barbara Edmond's ability to play the trombone. Carl Wagner leaves his loud-sounding drum to anyone with ear-muffs.

FOOTBALL PLAYERS OFFER OUTSTANDING POSSESSIONS

"Last, but not least, we make known the last will and testament of football players of '54"; for, without them there would not have been victory. Allan Wolf leaves his name, "Pre," to Joe Fasso. Peter Hallock bequeaths his crewcut to Alan Arnold. Peter Vena leaves his nickname to Buddy Anderson. A bottle of ugly pills is donated to Steve Alikas by Arthur Abbazia. Bert Collins gives his knowledge of German to Steve Alikas. Frank Tourine's ability to catch fish is left to Bill Utter. Kenneth Bruder leaves his duck call to Clifford Jobes. Alton Davis bestows his seat in the front row of history class to anyone who wants it. Steve Fedele is left with John Piontkowski's ability to make noise. Joseph Sheeran leaves to Jack Kuhns his pole vaulting ability. David Benton leaves his Latin knowledge to Jim Cosgrove."

Thus, to their friends and schoolmates the Class of '55 left their great inheritance—a bequest, both good and bad, exciting and dull, ridiculous and serious. A many-faceted gift, it reminded the heirs of the many personalities and talents in the Class of '55.

by Doreen Worsley

SEATED: Elizabeth M. Gittins, John J. Shea, Florence Ochs. STANDING: Abraham D. Parnes, William Albright, and Walter H. Dudley.

We, the class of '55, wish to extend our sincere thanks to our advisors: Elizabeth M. Gittins, Abraham D. Parnes, Florence Ochs, John J. Shea, Walter J. Dudley, and William J. Albright.

Mrs. Gittins directed our senior play, which is, by no means, an easy job. She was always willing to help us with our many problems, as were our other advisors.

The scenery for the senior play was handled by Mr. Dudley, and he certainly did a fine job.

We mustn't forget our Mr. Parnes, who kept our yearbook finances straight . . . and who was always willing to chaperon our trips.

Mr. Albright helped us to select our colleges and schools, our class rings, and our caps and gowns.

Mr. Shea and Mrs. Ochs aided us, along with the other advisors, with plans for our trip to Washington.

By this you can see that advisors are handy to have around.

Thanks a lot, advisors, for these and all the other little—but important—things we have not mentioned.

MATAWAN HUSKIES WIN TITLE AGAIN HUSKIES BEAT KEYPORT RED RAIDERS

by Allan Wolf

The Matawan Huskies won their second straight Shore Conference Title by beating the Red Raiders of Keyport, 6 to 0, on a mud-coated field Thanksgiving morning. Matawan had an overall record of 4-2-1. The two losses and one tie came from teams that were not in Group B of the Shore Conference.

In short-conference play, Matawan first defeated a highly respected Point Pleasant Club, 8 to 6. In the next game Matawan jour-

neyed to Rumson, where the Bull Dogs put up a terrific fight in the first half, but lost out finally to the superior power of Matawan, 19 to 6. Matawan crushed a small, but game, Atlantic Highlands, 27 to 0. This is the game in which Steve Fedele broke his collarbone. In the final Shore Conference contest, Matawan beat Keyport, 6 to 0.

In games outside Shore Conference competition, Matawan did not fare too well, losing two and

tying one. The Huskies' first loss of 14 to 0 came at the hands of Red Bank Catholic, a powerful school in the Catholic ranks. Matawan's next setback, a 13 to 0 defeat by St. Peter's of New Brunswick, came when they were playing without the services of star fullback, Steve Fedele. The only tie the Huskies were involved in was in the first game of the season, when they came from behind to tie Neptune 19 to 19.

Matawan players who gained rankings on the all-shore, all-county, and all-state teams were as follows: Ken Bruder, Dan Vanderbilt, Allan Wolf, Steve Fedele.

MHS Basketball Team—Tournament Champions

by Joan Blondek

Guided by Coach Jud Evans, the M. H. S. Varsity Basketball Team set an outstanding record during its regular season this year. The Huskies used their skill to the utmost to defy the strong opposition of their opponents.

Matawan lost its first encounter to Red Bank Catholic, but, then, regained confidence by defeating Toms River, Jamesburg, and South Amboy. At the next two games the Huskies suffered defeat by small margins, but settled down into a fantastic winning streak by taking the next eight games. This gave Matawan an 11-5 record.

At the end of their regular season, Matawan, Keyport, and Point Pleasant were tied for first place. Special playoffs were held in which Point Pleasant defeated Keyport for first place after the latter defeated Matawan.

As a result of their outstanding plays throughout the season, the fighting Huskies earned the right to compete in the Annual Shore Conference Invitational Tournament. In the first game played at Asbury Park High School, a spirited M. H. S. team overcame the Keyport Red Raiders, who had

a seventeen-point edge during the first three quarters of the game, by a score of 68-61. This game was only the first step in the Huskies' achievement as the Tournament Champions.

The next contest was played at Asbury Park High School against

the taller Point Pleasant team. In this contest the Huskies dubbed the Great Gulls by a convincing score of 70-56 to establish themselves as undisputed Tournament Champions. Thus, Matawan became eligible for the big-time state competition.

First row, L. to R.: David Smith, Robert Gold, Robert Deitz, Tommy Morris, John Coon, Raymond Colot. Second row: Mr. Yeager, *Coach*; Joe Zahn, Louis Armour, Robert Funchess, George Edmonds, Kenneth Williams, and Stanley Parrish and Alan Arnold, *Managers*.

Undefeated Track Team Sets Outstanding Record

by *Artie Abbazia*

Under the excellent coaching of Mr. Caracciolo, Matawan High School is expected to run away with top honors in 1955. The one, two, three combination of Jack Kuhns, Ronnie Carlson, and Larry Salmon is expected to rate highly over all other competition in hurdles.

If Marvin Hauser lives up to his past performance, he will lead all competition in distance running. Tom Magee and Stan Parrish will take excellent care of the broad jumping.

Many more unmentioned players, we are sure, will contribute to the success of the '55 team.

Last year, Matawan won the mile relay at the University of Pennsylvania, and also won first place in the Group B Division at the Shore Conference

Meet. The many trophies won by the Matawan Track Team add glamour to the trophy case of Matawan High School.

Matawan Husky Nine Has Successful Season

by Pete Vena

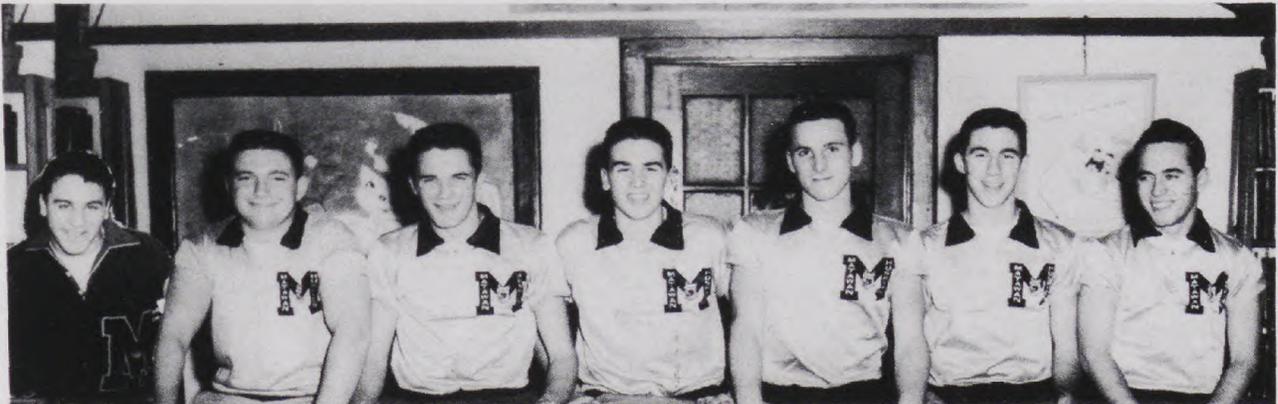

Last year's baseball team went undefeated in all games; this record will be a tough one to beat. Losing Frost, Vinci, DeNardo, and Lanzaro is a deafening factor in the '55 team.

Hal Deitz, Matawan's star hurler for the past three seasons, is returning to what is expected to be his best year. Such players as Bert Collins, Steve Alikas, Allan Wolf, Bill Votta, Joe Fasso, and Jim Dillon—all members of last year's victory team—should again prove themselves valuable to Matawan. Besides these veterans, Coach Jud Evans is looking forward to utilizing new blood to bolster his hitting power and insure Matawan of another victorious season.

STUDENT COUNCIL SETS PACE FOR STUDENT ACTIVITIES

Representatives of all Classes Plan School Activities Democratically

by Rita Jones

The Student Council represents the Student Body. The members are chosen each year by their individual classes.

One of the Student Council's annual projects is to make up the Dance Schedule for the school year. In doing this, careful consideration is given to other activities, such as, football, basketball, and track. Suggestions and rules as to how these dances should be run are also made by the Council.

Other projects of the Council include conducting

class elections and sponsoring a Christmas Card Box each year for the whole school. The Council also has the right to decide what items should be sold by each club in the school.

On November 19, 1954, the Council sent six delegates to the Annual Conference of the New Jersey Association of High School Councils at Rutgers University.

This year the Student Council feels it has succeeded in creating a greater school spirit in Matawan High.

INNER CIRCLE, L. to R.: Nancy Erdmann, *Treasurer*; Dot Kudrick, *Secretary*; Larry Salmon, *President*; F. Howard Lloyd, *Advisor*; Mary Lou Siano, *Vice-President*; Robert Collins, Edith Olmstead, Joan Blondek. OUTER CIRCLE: Rita Jones, Peggy Read, Carmillo Sardella, Dave Benton, Mr. John Shea, *Advisor*; Mr. John Caracciolo, *Advisor*; Connie Sickles, Nadine Walker, Debby Lazow, Arlene Jackson, Judy Trout, Robert Gold, Robert Nicol, Frieda Shortridge, Marilyn DiSanto.

NATIONAL HONOR SOCIETY

by Rita Jones

In the Spring and Fall of each year, several outstanding students of the Junior and Senior classes are chosen for the Matawan Chapter of the National Honor Society. They are selected on the bases of Scholarship, Character, Leadership, and Service.

So far this year the Honor Society has sponsored a successful dance for raising scholarship money, made posters for College Night, inaugurated a campaign to keep the newly painted school walls clean, and rendered service to the Junior Red Cross, to which Honor Society members belong.

FIRST ROW: Betty Herrity, *Secretary-Treasurer*; Joan Blondek, *President*; Mary Lou Siano, *Vice-President*.

MATAWAN HIGH SCHOOL BAND Talk of the Year

Janice Hahn, *Majorette Captain*

The marching band is something everyone likes to see at the football games. This year the seventy-piece band, under the direction of Joseph R. Sugar, put on some very snappy shows. The group also performed at the annual spring concert; and the Brass Choir, an outgrowth of the band, went caroling at Christmas time.

The majorettes have always set a fine example for Matawan High. They have added to football-time excitement by doing their many new and different routines of twirling and strutting. They have also taken part in the parades Matawan has had.

Politically Minded Students Represent Matawan High School

Mary Lou Blahota and Larry Salmon Delegates at Girls' and Boys' State

by Doreen Worsley

Every year in June the American Legion sends representatives from the junior classes of various high schools all over the state to Rutgers

Peg Read at Citizenship Institute

by Jean Gaub

Peggy Read, representative of Matawan High School, attended Citizenship Institute, sponsored by the Federated Woman's Club of Matawan, on the New Jersey College campus last June.

Margaret Ann Read

The purpose of this institute is to develop better citizens.

The main feature of the program was a group of speeches given concerning the functions of various departments and agencies of the state government.

Peggy said the things that she enjoyed most while attending the conference were a foreign relations panel, featuring The First Generation Americans, and a speech by an Episcopal Minister, a member of Alcoholics Anonymous.

The social activities that Peggy liked most were talent night and the opportunity of meeting all the representatives from other schools in the state.

Peggy stated that she wished that all the girls in Matawan High School could have had an equal opportunity to attend.

and the New Jersey College for Women to learn about our government.

These representatives are a girl and boy chosen on the bases of scholastic ability, service to school, leadership, and extracurricular activities.

Last June, Matawan was represented by Mary Louise Blahota, who went to N.J.C. for five days, and Lawrence Salmon, who went to Rutgers for a week.

While there, they attended lectures on the organization and mechanics of various governments. Two political parties were formed, and everyone took part in the campaigns for city, county, and state officials.

After the elections, the inauguration ceremonies were held in the chapels; and, although the boys wore only street clothes, the girls were all decked out in formal attire.

Every afternoon and evening there were recreation periods and social hours, at which time the girls and boys could swim, play tennis, work on campaigns, or just sit around and talk. The girls also had a talent night for which they put on skits and variety acts.

Mary Lou and Larry felt that

their time at Girls' and Boys' State "had a slow start, but gradually picked up speed and finally ended with a bang!", making it an enjoyable week for both.

Bringing back to Matawan the political "know-how" they had learned at Girls' and Boys' State, Mary Lou and Larry conducted school elections last November for Freeholders' Day.

The students—only juniors were eligible—campaigned for the primaries, and those chosen made short speeches; then they campaigned vigorously for the final elections.

Those elected to the various offices went to Freehold on December 13 where they learned about their own offices and duties.

They found out that the Freeholders' main job is making allotments for the county road; that the surrogate probates wills and appoints guardians for children and incompetent people; that the county clerk is the county's secretary; and that the sheriff has the job of enforcing the laws.

Those who attended Freeholders' Day from the class of '55 are: Liz Vreeland, Lynn Hall, Joan Blondek, Freeholders; Mary Lou Siano, Surrogate; and Dot Kudrick, County Clerk.
