## ***Alma Mater***

Hail Alma Mater, of thee we sing,  
Our lifted voices, your praises ring.  
We'll cherish you and add to your fame.  
Always and ever we'll uphold your name.

Though other thoughts may change with the time,  
Duty to you is foremost in our minds  
Down through the years, winning honors anew,  
We'll all be loyal, Matawan to you.

*Marjorie Warwick*

# We The Class of 1960

do dedicate this yearbook to Mr. Epstein and Mr. Youngman in order to express our appreciation. These men, giving unselfishly of their time and effort, helped to make our Senior year one which we will always remember.

Among our memories of Mr. Epstein is his willingness to lend a helping hand—even to scrubbing the gym floor for our dance. As advisor to the year-book staff, his patience has been evident at many trying times. His school spirit and his good humor make him as much a friend as a teacher.

Our memories of Mr. Youngman include his facility to cope with us in the senior play. Undertaking the task of directing it was one proof of his sincere interest in our class. Another evidence of this was when he helped guide us in re-establishing our Girls' and Boys' Glee Clubs.

We sincerely thank these men for all they have done.

TO THE CLASS OF 1960:

I wish to join your legion of friends in congratulating you at this particular time. Your success is recognized by your peers. The laws of character are as independent as the laws of science. The faculty and others have observed your conformity to the laws of character and science. As students, your conduct proves your understanding of these immutable laws that make character. May your life be long and your future a continued success.

Most cordially yours,

A handwritten signature in cursive script, reading "Russell Stetler".

RUSSELL STETLER  
Superintendent

Miss Celeste Wenzel

## TO THE CLASS OF 1960:

Congratulations on the completion of your high school course. Our association with you, our work with you and for you, the opportunity to observe your growth and development, your fine spirit, and your happy, hopeful, buoyant lives have formed a bond between you and Matawan High which we are reluctant to sever; in fact, cannot sever. Though we go our separate ways after graduation, neither space nor time can affect the spiritual union which is the outgrowth of the association.

My greatest wish is that you may respond to the challenge of youth with a courage, a sympathy, and a love that will gladden all hearts.

Sincerely,

*Luther A. Foster*

## *Christmas Dance*

The weather supplied the perfect atmosphere for the annual Senior dance, "Winter Wonderland." Although school was not in session that day due to the snow, the students were notified through a radio broadcast and posters in town that the dance would still be held. A large turnout enjoyed dancing to the music of the Corvairs.

Highlighting the dance was the crowning of Seniors Bill Mabbitt and Sandy Pearce, king and queen.

# Our Prom

Everyone looks forward to the big formal of the year—the Junior Prom. Last year was no exception. Entitled “Halfway to Heaven,” our prom was held on May 29, 1959.

We were granted the use of the new Cliffwood Cafetorium and were able to decorate during the three days preceeding the Prom.

The decorations were based on the theme of heaven, with angel-hair clouds and a celestial stairway.

The music was supplied by Walt Staeger and his orchestra.

The official chaperons were Mrs. Lois Davidson, Mr. Ralph Mauro and Mrs. Loretta Anderson. During the Grand March they selected Jo Ann Shea, queen, and her escort, Richard Grenwall, king. Her court included Leslie Lockwood, Grace Della Pietro, and their escorts, Kenny Williams and Gary Spaniak, respectively.

A good time was had by all.

The Queen And Her Court

**F**or a change of pace from the usual comedy, this year the senior play was a serious drama that involved a murder trial.

Chester Brant, a wealthy man about town, was found murdered in his apartment. His secretary, Barbara Scott, confessed her guilt of this crime to the police.

In a seemingly vain attempt, her sister, Edith, decided to defend Barbara at the trial.

The prosecuting attorney, Allan Woodward, started the case with an almost certain conviction in sight, only to find that the persistent Edith had a few tricks of her own.

Several possible suspects were brought to light during the trial, and at the final curtain the jury had to decide whether Barbara was guilty.

The audience, as a sideline, was the jury, and also the deciding party in an unusual ending, and they were left to go home and ponder the verdict.

# MATAWAN HIGH SCHOOL BOOSTERS ASSOCIATION

## OUR PURPOSE

To promote (1) Academic achievements

(2) Athletic events and good sportsmanship

(3) Social activities

in the Matawan High School in order that our citizens may understand and appreciate these achievements.

## WHO IS A BOOSTER?

1. A person who attends educational and social functions sponsored by the high school.
2. A person who attends the games and athletic events to show our students that they are "community backed."
3. A person who attends as many of the Booster Association meetings as he can.
4. A person who gets into the spirit of these activities and "pitches in."

Funds are raised for this organization chiefly by membership cards which cost \$1.00 per year. Any money raised can only be used for promoting the activities stated above.

Members have donated a football scoreboard for the benefit of loyal fans and players; they have provided the labor needed to operate the concession stand at home games; they built a sign for the high school which gives the date and place of each game scheduled; and they plan to give awards for any outstanding achievement by students in the high school.

BE PROUD OF YOUR HIGH SCHOOL — BE A BOOSTER!

*Best Wishes . . .*
